## Churches Join In Parade Plans On May 30th

Plans are nearing completion for a "big Bible School parade" through downtown Morton Saturday, May 30, at 3:30 p. m., it was announced this week by Rev. Houston Walker of the First Baptist Church who is in charge of the parade.

The parade is being sponsored by the Cochran County Ministerial Alliance to develop "greater interest" in local and area Bible schools.

Taking part in the parade will be representatives of the First Baptist Church, the First Missionary Baptist Church, the First Methodist Church, the Assembly of God Church, and those working in the Negro Bible School.

The parade will begin at the First Baptist Church. Everyone is invited to take part in the event.

## Is President of Scottish Rite

Eugene Walden of Farmington, N. M., son of Mrs. Sallie Walden of Morton and brother of Mike Walden and Mrs. Lee Stewart of Morton, was recently elected president of the Scottish Rite Masons of Farmington for the 1959-60 year.

## Governor Signs Re-Districting Bill; Names Ledbetter Morgan Copeland, As Judge and District Attorney

County Attorney M. C. Ledbetter of Morton has been named District Judge of the newly created 121st Judicial District composed of Cochran, Hockley, Terry, and Yoakum Counties, it was learned here Wednesday. Attorney Ledbetter's appointment, and the appointment of Morgan Copeland, present 106th District Attorney, of Brownfield, as District Attorney of the newly created district, were sent to the Senate for expected routine confirmation.

Ledbetter was notified of the move Wednesday, and the Tribune was notified by a telegram from George Christian, member of Gov. Daniel's staff, which said:

"Governor today announced appointment M. C. Ledbetter as District Judge and Morgan Copeland of Brownfield as District Attorney. Best Regards, George Christian"

The new district will officially come into being September 1, and will inherit all district court cases pending on the docket in these counties and now on the 106th and 72nd District dockets.

The appointments of the two men were in keeping with desires of the lawyers in the area who picked the two men as their choice for the post.

Ledbetter, a native of Wellington, attended school at Olton and graduated from Olton High School in 1932. He attended Baylor University where he graduated with a law degree in 1938. He came to Morton shortly thereafter. After a couple of unsuccessful races for County Judge, and a hitch in the Army infantry during World War II, he was elected County Attorney on a write in vote in 1944. He has served in that capacity since that time. He has had no opposition.

The Ledbetters have five daughters and one son, and last year the family was named Methodist Family of the Year from the Brownfield District. Only a month ago the family was cited by the Texas Federation of Woman's Clubs, District 7, as the "Family of the Year."

"Led," who missed being a charter member of the Morton Lions Club by a few months, is a past president of the club and also has served as Zone Chairman.

Copeland, who resides in Brownfield, got his law degree at the University of Texas. He had served as County Attorney and was appointed, Jan 1 of this year, as District Attorney of the 106th Judicial District. Copeland is a Brownfield product. He is married & the couple have two children.

Governor Daniel signed the re-

## VOTERS APPROVE FIVE ALDERMAN, MAYOR PLAN SECOND ELECTION WILL BE HELD SOMETIME IN MID JULY

## Two Oilfield Workers Are Killed In Two Car Crash West of City

Two oil field workers, drilling in the Littlefield area for Hewgley Drilling Co., were killed in a grinding, two-car collision at the intersection of Highway 116 and a County Road, unnumbered, at the Star Route Grocery, Tuesday at 7 p.m.

### Workmans Move To Levelland

Mr. and Mrs. Jim Workman and son of Morton are moving to Levelland this week.

Workman, who is a test car operator for Cities Service, moved to Morton some four and one half years ago when the gas plant, now operated by Cities Service, was under construction.

In making the announcement, Workman said his work now required him to be in the Morton, Odessa, Bridgeport areas.

The Workmans have sold the home they built here shortly after coming to Morton.

Ann escaped injury.

Members of the Morton Volunteer Fire Dept. rushed to the scene to douse the fire but it was an hour or more before Mike Walden was able to cut the top of the car away with a torch and the body of Kimes was removed.

The oilfield workers were traveling north on the county road. The collision occurred in the intersection. Mayo's car, a 1955 Chrysler, spun around several times and then shot across the pavement and came to rest about 15 yards past the Star Route Grocery Building.

The Ford rolled end over end several times, smashed into one of the living quarters in the rear of the grocery building so hard that it caved a hole in the wall. Debris was littered all over the ground and even pitched some on the roof of the one story building.

Tom Riddle, who runs the store, said he rushed out and found Smith crawling toward him. Riddle saw the car had burst into flames and called the fire department and the Sheriff's office.

Mrs. Mayo suffered severe head lacerations and her husband had leg injuries.

A stop sign was placed at the intersection to halt the north and south bound traffic but indications are that Zachery never saw it.

There was no sign that brakes were applied by either driver.

### Cub Pack to Plan Camping Trip at Picnic, Monday

Members of Cub Pack 101 will have a very important and enjoyable meeting Monday night at the County Park.

The meeting will be in the form of the annual family picnic lunch. Each family is requested to bring their own picnic lunch.

Final plans will be made at this meeting for the trip to Camp Post and boys and dads planning to make the trip should try to be on hand for this meeting.

According to Harold Drennan, Cubmaster, the time for the physical examination will also be announced.

Morton voters went to the polls in rather large numbers, Tuesday, and gave their stamp of approval to a City Government with five aldermen and a mayor.

The vote was 132 in favor of the increase in number of aldermen or commissioners and 94 against.

The total vote of 226 was considered a very good vote for this type of an election.

Thus the voters have asked for an election in July to name three new aldermen. The present Commission members will serve as alderman until the expiration of their regular term of office which will be next April.

**MAKING PLANS FOR ALDERMANIC ELECTION**

Plans are being readied to call a special city election for Tuesday, July 14, for the election of three new aldermen, Grover D. Edgar, local attorney, said this week.

Candidates wishing to file for the post must announce with the city not later than 30 days prior to the election he said.

### AG Growers Name Winners of SIMCAS

AG South Plains Grocery Stores announced this week the winners of the two 1959 Simcas given away by members of the Association.

The autos went to P. D. Newton, 117 Avenue U, Lubbock; and John H. Rahse, 1516 South Terrell, Midland.

Local food stores participating in the program were Doss Super Food Store and Piggy Wiggly.

The local food store owners expressed their "sincere appreciation" for the many persons who signed up at their firms, recalling that only a few years back a Morton resident won an automobile in a similar promotion.

## Father's Rites Held Wednesday At Marble Falls

Funeral services were held at Marble Falls, Wednesday, May 20, for Clyde Beam, 60 year old father of Mrs. Junior Briggs of Morton, and Mrs. Jim Goodman of Marble Falls and Mrs. Orval Summers of Albuquerque, both former Morton residents.

Burial was also at Marble Falls for Mr. Beam who died May 18.

Mr. Beam also formerly lived in Morton and operated the Lamesa Cafe here for several years.

Those from Morton attending funeral services in addition to the family were Mr. and Mrs. Lonnie Gaskin, Mrs. Bill Goodman and Mrs. H. E. Goodman.

Mrs. Joyce Lushy of Lamesa also attended with them.

## Attends Rites for Sister - in - Law

Mrs. J. M. Lawson, 77, of San Jose, California, died May 25, and services are to be held today (Thursday) at Arlington, Tex.

She is a sister-in-law to Mrs. W. A. Lindsey of Morton.

Mrs. Lindsey and her daughter, Mrs. Myrtle Fry of Levelland, left Wednesday to attend the rites and burial in Arlington.

## Lubbock Services For Half - Brother

Funeral services were to be held at Lubbock today, (Thursday), for Eugene Clifton Wood, 64-year-old Lubbock carpenter who was dead on arrival at the Methodist Hospital at about 5 p.m. Tuesday after a fall from a scaffold while he was working.

He was a half brother of J. H. Davis of Enochs.

Among the survivors are a wife, four daughters, a sister, and four brothers.

Sanders Funeral Home of Lubbock is in charge of the burial.

## Students Are Honored at Awards Day Program, Fri. Citizenship, Leadership, and Scholarship Applauded

Leadership, citizenship, scholarship, and other awards were presented Friday morning to Morton High School students at a general assembly in the gym.

The program was sponsored by the Morton High School Student Council.

Mary Lee Ledbetter was awarded the "Outstanding Student" title.

Leadership awards went to Patsy Amyx and Terry Hans, sophomores; Gary Coffman and Janice Lebow, juniors; and Judy McCuiston, Jim Pyburn and Gary Middleton, seniors.

Receiving citizenship awards were Viola Smith and Leon Jeffcoat, sophomores; Mary Ledbetter and Buteh Nairn, Juniors; and Carol Leavitt and Jeff Jones, seniors.

Scholarship awards went to Carol Leavitt, senior valedictorian; Susie Hawkins, senior salutatorian; and Gary Middleton, senior boy with the highest grade average.

Junior students receiving scholarship awards were Gary Coffman and Henrietta Bedwell.

Scholarship awards for sophomores went to Leon Jeffcoat and Patsy Amyx.

The Arion band award was presented to Judy McCuiston and the John Phillip Sousa award went to Kirby Hoffman, band members.

Students receiving 100 per cent attendance awards were Judy McCuiston, Carrie Ann Mullinax, James Jeffcoat, Ernest Ruthardt, Ernest Wilson, George Cooper, R. E. Thompson, Charles Smith, Paul Belcher, Tommy Morrison, Earl Ward, Jean Wells, Viola Smith, and Joyce Edwards.

The "Daughter of the American Revolution" certificate went to Susie Hawkins.

The Future Farmers of America sweetheart jacket was presented Vivian Ledbetter and Sherry Gramham received the sweetheart bracelet.

Lone Star Farmer awards were made to Paul Zuber and Gary Middleton.

FPA certificates of merit went to Leon Jeffcoat, R. E. Thompson, Steve Middleton, Glen Kuebler, Paul Belcher, Bill Stovall, Lee Odell, Jimmy Bibrey, James Ruthardt, Dub Waltrip, David Cagle, Victor Walker, Bob Nelman, Mike Houston, Steve Green, Kenneth Patton, Dean Westerman, David Cates, DeWayne Miller, Larry Beseda, Kenneth Williams, Bill Gray, David Haralson, Stanley Sandfer, Bill Foust and Harvey Ray.

High School girls receiving Future Homemaker of America chapter degrees of achievement were Viola Smith, Jean Wells, Twylla Smelser, Claudia Mills, Karin Haralson, Phyllis Gardner, Billie Crockett, Margaret Cox, Brenda Blackstock, and Linda Benham.

FHA girls receiving junior degrees of achievement were Linda Skaggs, Rita Gunnels, Patsy Amyx, Shirley Miller, Lonore White, Vivian Ledbetter, Marvalene Hoffman, Doris Fleenor, Ruby Daniel, and Melba Cook.

### Harold Brock, Former Resident Is One Of Three Men Claimed in Auto Mishap

Three Aspermont men, including one who formerly lived in Morton, were killed Tuesday when their automobile failed to negotiate a curve on State Highway 254 15 miles southeast of Graham.

The ex-Mortonite, Harold Douglas Brock, 26, lived about eight hours after the accident. The others were apparently killed instantly.

Brock had lived most of his life at Aspermont. He did attend Morton School from 1917 to 1922. He is the son of Mr. and Mrs. Fred Brock of Aspermont — who operated the Standard Abstract Co., in Morton for five years.

Funeral arrangements were unavailable as the Tribune went to press.

### Brother Dies In Oklahoma

Funeral services were held at the First Baptist Church in Eldorado, Okla., Tuesday, at 2:30 p. m. for Bob Odell, 67, who died on Sunday, May 24, at the age of 67.

He was a brother to Mrs. L. W. Barrett of Morton; and Mrs. Lula Simpson and Miss Ada Odell of Tatum, N.M.

The Barretts, Mrs. Simpson, and Miss Odell left here Sunday to go to Oklahoma for the rites.

### Opening Date For Revival is Changed

Opening night for the June revival at the Morton Assembly of God Church has been changed to Wednesday night, June 3. It was announced this week by Rev. and Mrs. H. T. Clarke, pastors.

Rev. Alfred Spell of Kennett, Missouri, will be unable to arrive in Morton before that date, it was said.

Services will be conducted each evening at 8 o'clock.

**NEW LAW SIGNED** — Governor Price Daniel is shown as he signs a bill into law creating a new legislative district of Cochran, Hockley, Terry and Yoakum Counties. The new district, the 121st, will have as its District Judge, M. C. Ledbetter shown above, far left. Alvin R. Allison, Levelland attorney who heads the four county's bar association legislative committee also looks on with Senator Preston Smith, far right, who authored the bill. The photo was taken earlier as Gov. Daniel made plans to sign the bill. Actual signing came Tuesday after all details were ironed out. Morgan Copeland of Brownfield was appointed District Attorney.

**Senator Preston Smith**

Action of the 56th Legislature, overshadowed by the big issue of state finances, has produced some new measures that will effect five major changes in Texas.

Truck weight limits were raised from 58,420 pounds to 72,000 pounds.

Police and firemen will work shorter hours.

Control of loan sharks will be sought through a proposed amendment to the constitution. Voters will consider allowing the Legislature to set interest rates on loans.

In the field of higher education, two junior colleges were raised to senior rank. Midwestern University was brought into the state system, a new medical branch of

University of Texas was founded at San Antonio, and the first step was taken to being endowed - rich University of Houston into the state system as a University of Texas branch.

The Texas election laws have been altered, advancing the July-August primaries to May-June, with the deadline for candidates filing to be the first Monday in February. Credit for this action is being given backers of Senator Landon Johnson for presidential nomination.

Probably the most important of all the above actions is the "loan shark" resolution which will be submitted to the voters for approval in the general election of 1960.

If passed, the constitutional amendment will give the Legislature the authority to classify loans and lenders, define interest and fix maximum rates of interest. The purpose would be to allow the lawmakers to set a rate of interest on small loans higher than the present constitutional limit of 10 per cent. This can be done only by specific legislation and does not remove the constitutional li-

May 20, 1958

Dear Friend:

The Senate this week gave overwhelming approval to legislation offering powerful proof to the world of our national objective - the peaceful welfare of all people.

This proposal would mobilize the skills, talents and resources of the health scientists of the world. It recognizes that the ravages of disease, the despair of disability, and the tragedy of premature death are burdens borne by all the people of the world.

Neither disease nor disability recognize international boundaries. In the same manner, medical history shows significant discoveries and achievements have come from every part of the globe.

The need is great and the potential for good is equally large.

For instance:

- In some parts of Africa, infant mortality exceeds one death

for every four births.

- It is estimated that seven to eight per cent of the world's population - about 215 million people - suffer some physical handicap.

- Trachoma, an infectious eye ailment, affects one out of seven of the world's population - and of this number an estimated 10 million will become blind.

- In the United States alone, hospitals house more than half a million mental patients and the cost of their care is more than \$80 million a year.

This project would underline as our goal the common good of mankind everywhere - minus political, military or economic objectives.

Through shared scientific efforts we would emphasize to the world our faith in the future - and our determination to insure it by peaceful means.

**SENATOR YARBROUGH'S Report**

All of the peoples of the world need to declare unconditional war against disease. Disease does not limit its deadliness to people or the boundaries of nations. It strikes everywhere. And people everywhere should join in forming an army of scientists to combat it.

That is why I joined in sponsoring a bill to provide for international cooperation among scientists working against disease. The bill, passed by the Senate this week, could help save your life and the lives of your family and neighbors.

We have seen how men of science from many nations can work together for the good of all in the recently completed International Geophysical Year. This bill would help scientists fighting disease in many lands because they could pool their information and exchange ideas and thus work more quickly than if each were working separately.

This bill would set up a National Institute for International Health and Medical Research within the National Institutes of Health. The U. S. Public Health Service Surgeon General would be authorized to encourage, support and cooperate in training of personnel and planning and conducting research on disease, both mental and physical.

This research would be not only how to cure a disease once a person has it, but in how to keep people from getting it and how to help doctors to recognize an infection as soon as possible. Research to help the physically and mentally handicapped lead normal lives again is included.

Not only is mankind faced with diseases which so far have defied a cure, such as cancer, multiple sclerosis, leprosy, heart disease and others, but new ailments are being discovered. The atomic age has confronted scientists and doctors with new maladies stemming from radio-activity about which little is known. The scientists themselves cannot agree about the amount of radio-activity the human body can stand. This bill could well help the men of science to find more answers in this vital field.

There has been some talk of who is leading in the missile race, but this nation must stay ahead in the health field. This nation produced 7,000 medical doctors last year. Russia turned out 16,000, 2,000 of these Soviet doctors are trained in the languages and customs of underdeveloped lands where they will no doubt be sent as missionaries of Communism.

I hope every American will support this bill. The \$50 million it provides to establish this army of front-line fighters in the war against disease could well become one of the best investments ever made.

**Corner on Cotton**  
 BY BOB COLLINS

What does "competitive price" mean when we talk about cotton? . . . It doesn't necessarily mean a low price . . . but it does mean that cotton must be priced at a level where some other fiber can't be profitably used to displace it . . . and competitive price doesn't mean lower profits for the farmer, either . . . in fact, nearly everybody we talk to in the industry wants to see the farmer make more money so he'll stay interested in growing cotton . . . think what a blow it would be to ginners, merchants, oil millers, warehousemen, spinners and weavers if all the cotton farmers switched to another crop . . . all these people are interested in seeing the farmer prosper, but nobody associated with cotton is going to prosper unless there is a growing consumption of raw cotton . . . there isn't going to be one unless cotton can do a job as good as any other fiber and as CHEAPLY.

**With Your... COUNTY AGENT**

By HOMER E. THOMPSON

The Cochran County Swine committee met Tuesday evening, May 19, and judged the essays submitted by 4-H members. All boys interested in receiving a free gilt were requested to have their essay in the county agent's office by May 19. Thirteen boys wrote essays and the following 8 were selected to receive the gilts: Leon Jeffcoat, Dickey Walker, Terry Anglin, Stanley Cunningham, David Haralson, Lester Dupler, Dub Waltrip, and Dennis Lemons.

The committee selected Leon Jeffcoat's essay as the best one submitted. Also considered in selecting the boys was the equipment they have on their farm and their parents approval of the boys entering this program.

The following is the top essay by Leon Jeffcoat, 16 year old club boy in the County-Wide 4-H Club and son of Mr. and Mrs. J. W. Jeffcoat, St. Rt. 1, Morton.

★ ★ ★

**THE VALUE OF PRODUCING HOGS AS A SOURCE OF CASH INCOME ON OUR FARM**

In this day and age the government keeps cutting our acreage on cotton, which is our main cash crop. A farmer has to start producing other things for a cash income.

I would like to have one of the gilts because I know how important it is to raise good hogs and I understand that these are to be good. I think I can do a very good job of feeding it and keeping accurate records.

We have the room and the equipment to handle breeding stock and their litters. We have a new steel barn with self waterers installed through the concrete floor. We have some panels for use in the farrowing barn and electricity in the barn for heat lamps. We use cotton burs for bedding.

My father would like to keep the boar if possible. He approves of me having a gilt.

**Wheat Varieties Being Tested At Halfway**

Most of the 26 varieties of wheat being tested at the High Plains Research Foundation are fully headed. Some of the later maturing varieties are just beginning to head out. Farmers interested in comparing the wheat varieties are invited to visit the experimental farm at Halfway, Dr. Longnecker, Director, said today.

Eleven of the varieties are experimental. The fifteen released varieties are Early Blackhull, Wichita, Triumph, New Triumph, Crockett, Ponca, Comanche, Wheatheart Triumph and Kharkof, Douglas Owen, Assistant Agronomist, stated.

In the barley research program, eleven varieties are being tested. They are Kearney, Dicktoo, Pueblo, Harbine, Wintex, Rogers, Cordova, Missouri Early Beardless and Kanbar. Two varieties are experimental.

The fertilizer experiments on wheat are definitely showing response to nitrogen.

The wheat and barley tests are being conducted in cooperation with the Texas A & M Extension Division. Seed was furnished by the Bushland U.S.D.A. Station.

**Cubs Attended Weblos Camp**

Seven Cub Scouts from the Morton Pack 101 attended the Weblos Cub Scout camp held Saturday and Sunday at Camp Post.

The event marked the holding of the first Weblos camp at Post, and also the Morton boys and their sponsors were among the first group to attend religious services in the new outdoor camp chapel.

The boys participated in games, skeet shooting, archery, rifle range shooting, knot tying, and first aid.

Boys making the trip were Mike McDermott, Lem Chesher, Everett Bilbrey, Dennis Avery, Perry Crockett, Lonnie Hamilton, and Kenny Coats.

Sponsors attending were Charles McDermott, Lem Chesher, Austin Bilbrey, Weldon Avery, Mr. Cole and Leon Hamilton.

**Former Resident To Get Degree**

Donald Carlton Macon, son of Mrs. Carl Macon of 4312 30th St. Lubbock, and the late Carl Macon a former Morton school official, is a candidate for a bachelor of science degree at Howard Payne College in Brownwood.

Degrees will be awarded at the school May 29. Donald Macon is a graduate of Olton High School. The late Mr. Macon was also associated with the Bula School prior to his moving to Morton.

Nazareth, Texas, Farmer Reports —

**\$4 Return on Maize For Every \$1 Spent on Ammonia**

Greg Hoelting, prominent Castro County farmer, says: "By side dressing my last year's maize with 100 pounds of Phillips 66 Ammonia I averaged 5150 pounds of grain on 415 acres. It was a uniformly mature crop, easier to cut. One day I started the combine at nine o'clock; when I stopped at seven that evening, there were 3700 bushels harvested. "I figure my increase in grain nets me about \$4 for every \$1 I spend on ammonia."

Other successful Southwestern farmers have discovered that they make more profit per acre, using Phillips 66 Ammonia. They get more cotton that classes higher at the gin . . . yields of sorghum grain or sorghum are increased . . . profits on wheat and small grains are increased through higher grain yields and improved forage . . . more marketable vegetables are harvested.

Phillips 66 Ammonia can be easily applied either by you or your distributor. See us today about Phillips 66 Agricultural Ammonia. It gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

Qualifying June 1 — 5

## LOCAL INVITATIONAL GOLF MEET OPENS JUNE 5, AT COUNTRY CLUB

Local Country Clubbers and a sprinkling of area golfers have kept the Morton Country Club course busy the past week practicing for the Invitation Golf Tourney to be held here a week from Friday — a three day event, June 5 - 6 - 7.

The meet is open to all for a \$12 entrance fee and qualifying is to be done anytime from June 1-5.

A pro-am is to be held in connection with the tourney, which requires a \$3.00 entry fee and will have a \$50 added pro pot.

The meet will be the Third Annual Morton Invitational.

The tourney has advertised a total of \$1,500 in prizes to be awarded and will also include the regular Barbecue dinner.

**MORTON LITTLE LEAGUE STANDINGS**

	W	L	Pct.
SOX	5	0	1.000
CARDS	3	2	.600
PIRATES	2	3	.400
CUBS	1	3	.250
GIANTS	1	4	.200

### MONDAY IS DOLLAR DAY

## LITTLE LEAGUE BASEBALL

### SOX STILL PACING LITTLE LEAGUE; PIRATES, CARDS IN CLOSE DUEL

With the Sox pulling away from the pack in the early season, the spotlight of fan interest was on the race for second place developing between the Cards and the Pirates. Going into the third week of play there was little to choose between the two teams. The Cubs hit a slump. One of the biggest fan pleasers was the Giants first win of the season accomplished this week.

Other things that seem sure by this point is that Decker will establish a home run record to stand for a long time; Charlie Ledbetter will set a new pitching record of strike outs, and the Sox local winning streak, which is now around 33 straight games will be snapped one of these days.

THURSDAY

With Charlie Ledbetter firing a one hitter and the Sox combining to roll up 12 hits, the Sox won their third game of the season last Thursday with a 12-0 shutout of the Giants.

Ledbetter fanned 16 batters and gave up only a single to Lamar Pollard in the hit department. He walked one man and an error by Risinger put another man on base, but these three were the only runners.

Decker and Medlin pounded three hits each to pace the Sox, although nearly every man on the team chipped in on the offensive outburst. Each man scored at least one run and Decker, Demel and Medlin each had a two base hit.

The losing hurler was Lamar Pollard as the Giants remained winless in league play at the end of one round of play.

Line score:  
Giants 0 0 0 0 0 — 0 1 3  
Sox 4 0 1 7 0 \* — 12 12 1

FRIDAY

The Cards built a first inning 3-0 lead, withstood the only Pirate threat of the game, a 2-run third inning, and coasted to a 6 to 2 victory to take over second place in the league.

Sandy Wallace hurled the victory over Gary Welch and both pitchers did a creditable job. Wallace allowed only three hits, fanned five and walked three. Welch allowed only five hits but walks were his undoing. He allowed six, and three of them turned into runs.

Joey Newsome homered with a man on base for the biggest blow of the game. No one collected more than one hit. Demel walked 3 times for a perfect day at bat, scoring one of the two Pirate runs.

It was the Cards third victory and the Pirates second loss of the season.

Line Score:  
Pirates 0 0 2 0 0 — 2 3 2  
Cards 3 1 1 0 1 \* — 6 5 1

SATURDAY

Thanks to Robert Decker's continued power hitting the Sox were able to stagger to a 4 to 2 triumph Saturday over the inspired Cubs, after a hard struggle.

It was one of the closest calls

MRS. BABE VANLANDINGHAM INSTALLED AS PRESIDENT OF L'ALLEGRO STUDY CLUB

Mrs. Babe Vanlandingham was installed as in-coming President for the L'Allegro Study Club Thursday, May 21, at 8:00 pm in the home of Mrs. Truman Doss.

Mrs. Gene Benham, retiring president of the 1958 Study Club, installed the new officers in a very impressive and colorful ceremony. The following will serve next year: Mrs. Vanlandingham, president; Mrs. Tommie Hans, first vice president; Mrs. M. A. Silvers, second vice president; Mrs. Tom Rowden, secretary; Mrs. J. C. Reynolds, treasurer; Mrs. Eddie Irwin, corresponding secretary; Mrs. C. D. Knott, parliamentarian; Mrs. Bobby Travis, reporter, and Mrs. John Barnes, historian.

Mrs. Doss, outgoing president, presided at the business meeting and was presented a gift from the club. In behalf of the club, Mrs. Doss, donated to the Cochran County Library, a book titled "Religions of the World", which was the club's study theme for the year. Many of the programs were taken from the book.

The club voted to have the following projects for the coming year: Scholarship Fund, Community Christmas Project, School for Exceptional Children, Campfire Girls, and Promoting Traffic Safety.

Mrs. T. A. Rowland read the

F.O.R. HD CLUB MEETS TOMORROW AT REID HOME

The F.O.R. Home Demonstration Club met in regular session on May 13th in the home of Mrs. Stanley Henderson. Five members and the Agent, Miss Leila Petty, were present at the meeting presided over by Mrs. Oland Clifton.

Roll call was answered with a "small economy." Mrs. Henderson gave a Bible reading and Mrs. C. D. Arnold led members in singing the club song, "Onward, Ever Onward".

Following the business meeting Miss Petty gave a demonstration on floor coverings which was most helpful to all. The main point of interest was carpets which wear and clean well. Miss Petty showed many carpet samples, and a number of these are carried by our own local merchants.

The club would like to welcome Mrs. J. D. Choate, a new member. She was previously a member of the Hockley County H.D. Club.

Following adjournment the hostesses served orange cake, punch, & coffee.

The next meeting will be in the home of Mrs. Betty Reid and the date has been changed from May 27th to Friday, May 29.

SEWING CLUB ADJOURNS FOR REST OF SUMMER

The Busy Fingers sewing club met Thursday afternoon at 2:30 in the home of Mrs. Jake Wiley with 14 members. This being the last meeting the group revealed pals and of course had a very exciting time.

Refreshments consisted of tuna salad wafers combination, salad straw-berry cream pie, cold drinks and coffee.

The group will meet again the first Thursday in September.

WSCS HELD ANNUAL PLEDGE SERVICES TUESDAY, MAY 26

The Woman's Society of Christian Service held the annual pledge service Tuesday afternoon at the home of Mrs. Pegues Houston.

Mrs. H. R. Ramp was the guest speaker. Her subject was "Reflections on an Effective Living."

Mrs. W. C. Benham led the pledge service assisted by Mrs. W. G. Briley, Mrs. James McClure and Mrs. Houston.

Gifts of appreciation were given by the Society to Mrs. Ramp and the president, Mrs. Briley, and a Life Membership pin was presented to Mrs. Houston.

Those present were: Mesdames: C. E. Newman, J. N. Burnett, W. W. Smith, Bill Glassford, Bob Mayor, E. L. Cox, Keith Monaghan, E. Greer, J. W. McDermott, Don Hofman, L. F. Hargrove, James McClure, Bud Young, W. C. Benham, J. D. Hawthorne, Pegues Houston, W. G. Briley, John Crowder, and H. R. Ramp.

RETURN FROM ABILENE

Mr. L. L. Latham and his daughter, Mrs. Earl Cadenhead returned Sunday from a five day visit with Mr. Latham's brother-in-law, Casey Green of Abilene; two sisters Mrs. John Smith and Miss Emma Latham of Cisco; and a brother Charlie Latham of Stamford.

14 O CHA WAS TO ATTEND CAMP

O Cha Wa Campfire met May 5th. There were 13 present and 4 absent. The ones present were as follows: Susan Blackley, Von Ciek, Karen Dunham, Malenda Evans, J'Taun Lewallen, Linda

Long, Sherry Lynch, Darlene Tanner, Betty and Mary Taylor and Linda Blackstock.

The four absent were: Jill Jones, Gale Kirk, Ginger Scoggins and Carlar Teal.

We discussed who was going to camp June 22nd. There are two leaders and 14 O Cha Wa Campfire girls they are: Mrs. Freeland, Mrs. Jones, Jill Jones, J'Taun

un Lewallen, Malenda Evans, Karen Dunham, Betty and Mary Taylor, Von Ciek, Linda Long, Darlene Lytle, Belva Tanner, Carlar Teal, Jeanetta Rowden, Susan Blackley, and Linda Blackstock.

The ones not going are: Sherry Lynch and Ginger Scoggins.

**What To Do When Involved In An Accident**

Vacation time is near. Soon millions of people will be driving about the country, and automobile accidents will occur with increasing frequency. What should a person do when involved in an accident?  
 At such times it is hard to keep your wits about you and know just what to do. It is therefore a good idea to plan in advance just what you would do in the event of a smash-up. Here are a few simple rules that every driver should commit to memory:  
 1. Stop! Failure to stop can result in serious criminal consequences.  
 2. Render Aid. If anyone is injured: (1) Render first aid. (2) Stop bleeding. (3) Call a doctor or an ambulance or both. (4) DO NOT move an injured person in any way that could possibly add to his injury.  
 3. Protect the Scene from further damage. You may be liable for damages to approaching drivers unless they are properly warned. If the highway is obstructed at night, have someone turn his head light beams on the wrecked vehicles.  
 4. Call an Officer. Policemen, Highway Patrolmen, Sheriffs and their deputies are trained accident investigators whose testimony may be invaluable in establishing your civil claim for damages.  
 5. Gather Information. Write it Down. Don't trust your memory. Don't guess. Be specific. Measure skid marks. Stop off distances. Be sure to obtain names and addresses of witnesses. You are required by law to exhibit your drivers license to the other driver and he must do the same.  
 6. Be Careful What You Say. Even if you feel you probably are to blame it is best to make no admission. You may learn later that the other driver was equally at fault, or more so. Emotional comments can be misconstrued by others, or may be misquoted. Whatever you say, make it factual.  
 7. See Your Doctor. If there is the slightest chance you may be injured. Serious injuries do not always result in immediate pain or bloodshed.  
 Consult Your Lawyer Immediately. The sooner your lawyer is brought into the matter, the better he can advise you and protect your rights. He can obtain statements from the witnesses while their memories are fresh and do many other things to insure that the true facts are preserved. Get your lawyers advice before giving any interviews or statements to investigators or adjusters for the other side.  
 Inform Your Insurance Company.

may Promptly. Failure to do so may void your policy.  
 10. Report the Accident to the Department of Public Safety. This is required by law if there is any injury, death, or total damages exceed \$25.00.  
 An official accident report form may be procured from the police, Sheriff's Dept., Highway Patrol or State Dept. of Public Safety. (This Column, prepared by the State Bar of Texas, is written inform not to advise. No person should ever apply or interpret law without the aid of an attorney who is fully advised concerning the facts involved, because any variance in fact's may change application of the law.)
