10 PERSONS FILE ALDERMAN CANDIDACY

POSSE CAPTURES SECOND PLACE AT PLAINVIEW RODEO PARADE

The Cochran County Sheriff Posse, with 11 riders on hand, did right well in a 13 riding group field at Plainview last Thursday.

Rites for Aunt Held at Jayton

Funeral services were held at 2 p. m. Monday in the First Baptist Church at Jayton for Mrs. Dora Hilton Harrison 72, resident of the Girard community since 1916 who died about 12:15 p. m. Saturday in Spur Memorial Hospital. She had been in ill health for the past several months.

Mrs. Hilton was an aunt of Amos Taylor and L. L. Taylor of Morton. Burial was in the Jayton Cemetery under direction of Campbell Funeral Home of Spur.

Pallbearers were nephews, Lewis Hilton, Edgar Hilton, Jonah Taylor, Harry Taylor and Robert Harrison Jr.

Survivors include the husband, C. E.; four daughters, Mrs. Jettie Dixon, Tugay Allup, Wash.; Mrs. Lila Hale, Spur; Mrs. Amy White, Spur; Mrs. Dorothy Nozquez, Orange; two sons, Harvey, Lubbock; and Dan, Spur; two sisters, Mrs. May Martin, Ontario, Calif.; Mrs. F. O. Taylor, Spur; a brother, Amos Hilton, Jayton; 17 grandchildren and a great-grandchild.

Attending the funeral services from here were Mr. and Mrs. Amos Taylor and family and L. L. Taylor.

Lozano Infant Services Today At Graveside

Graveside rites are set for 4:00 p. m. today at the Morton Memorial Cemetery for Victor Lozano, Jr., two day old infant son of Mr. and Mrs. Victor Lozano, Sr., of Star Route One, Morton.

The infant was born Monday at the West Plains Hospital in Miles and died at 12:34 p. m. Wednesday.

Survivors include the parents, and the grandparents, Mr. and Mrs. Marcario Lozano and Mr. and Mrs. Cesar Morales, all of Star Route One, Morton.

Singleton Funeral Home of Morton is in charge of the funeral arrangements.

Neighbors Plant Grain Crop for Distressed Widow

THREE WAY AREA (Spl.)
Twenty neighbors of Mrs. Raymond Robertson wheeled their 4-ton tractors into the Robertson field and planted grain sorghum, last Friday.

Mrs. Robertson, whose husband passed away a few weeks ago lives 2 miles north and 1 mile west of the Three Way school house. It took neighboring farmers the full day to complete the operation for which Mrs. Robertson offered her "grateful and heartfelt" thanks.

Sunday Will Be Father's Day

Sunday, June 21 — that's this coming Sunday, is Father's Day, and Morton merchants are trying to see that Dad gets what he deserves.

A casual glance through this week's Tribune will call to your attention many wonderful gift suggestions for Pop, and Granddad. Try Morton first — you're sure to find that gift that will please the head of the household — be he under twenty or over 90.

Interest Now Appears to Be Running High For City's July 14 Election; Voters Will Select Three Men from Field of Ten

Ten names will appear on the ballot for City Alderman to be voted on by Morton residents on July 14th.

From this group Morton voters will select three men to serve with the present city commission.

Eight names were filed during the final two days before the filing deadline, this past weekend.

The candidates will draw for positions on the ballot, according to City Clerk Joe Seagler.

The ten persons who have filed

for candidacy are:

C. B. Jones, retired Morton farmer and now associated with Morton Drug.

David Rozell, associated with the Highway Department here.

G. G. Nesbitt, local produce dealer.

Troy Lee Coon, associated with his father in the trucking business.

J. R. Ward, former County Commissioner and retired farmer.

J. A. (Johnnie) Love, long time area farmer.

Skinner Butler, proprietor and owner of Butler Body Shop.

R. C. Strickland, former Cochran County Judge and owner of Strickland Cleaners.

Robert (Rob) Richards, owner and operator of the Malt Shop.

And, W. B. "B" Merritt, associated with his father in Merritt L. P. Gas Company.

The three elected will serve until next April at which time a full slate of candidates will be named to serve on staggered terms.

"Butch" Is Elected Representative; Named to Boy's State Grid Team

"Butch" Nairn, the Jesse R. Bond American Legion Post 374 representative to Boys State, made the all state football team at Boys State in Austin last week.

"Butch", who was a member of the Pioneer political party there, was also elected a member of the House of Representatives.

Boys State, which included 573 boys from throughout Texas, was staged on the University of Texas campus, Austin.

Among other Mortonites there, or former Mortonites, was Mike Miller, son of Mr. and Mrs. Ermon Miller of Lamesa and former Morton residents.

In welcoming the boys to Boys State, Department Commander J. Walter Janko of the American Legion, said, "As a representative of your city and school, you are marked as the 'cream of the crop' to receive training in citizenship and government.

"You, as citizens and politicians, will organize, operate, and study a functional government comparable in all respects to the government of Texas. Facing many of the same duties, privileges, and responsibilities which our state leaders face, you must contend with and solve them by using your own intelligence and ingenuity.

"Lone Star Boys State is, therefore, a mythical 51st state with its own constitution, statutes, and ordinances constructed by its citizens who will be governed by them." Janko said.

Motto of the mythical state is "Learn by doing."

And the boys did. First call was at 6:15 a. m., and lights out was 10:15 o'clock at night.

Among speakers heard by the boys were Governor Price Daniel, Speaker of the House Waggoner Carr, Chief Justice of the Supreme Court J. E. Hickman, and Attorney General Will Wilson.

Among other things, too, the boys put out a newspaper each day, "The Lone Star State."

"Butch", who will be a senior in Morton High School next year, is the son of Mr. and Mrs. Bud Nairn of Morton.

New Agent for Cochran County Farm Bureau

The Directors of the Cochran County Farm Bureau, Monday, in a special meeting, met and considered several applications for the job of Service Agent for the Cochran County Farm Bureau.

They hired Mrs. C. Palmer as Agent and also as manager of the Frontier Farm Labor Association.

Mrs. Palmer took over the duties Tuesday morning.

L. F. (Snooky) Russell, who resigned the position last week, said an audit of the books was being made at the present time. He did not announce any plans for the future.

Jaycees Receive Quick Reply On Letter Criticizing Telephone Service

The Morton Jaycees, in response to requests from various citizens, and because of their own interest in the situation, last week instructed their secretary to write the General Telephone Company concerning the telephone service in Morton.

The following is the letter written to the phone company:

June 8, 1959
General Telephone Company
Brownfield, Texas

Gentlemen:
The Morton Junior Chamber of Commerce, in a meeting on Monday, June 8, 1959, discussed the lack of service given to our community by your company.

Inasmuch as there is not a Chamber of Commerce here in Morton, the Junior Chamber of Commerce is a logical place for many of the complaints voiced by the people in our town.

For many days now, we have had considerable comment on why the Jaycees have not attempted to do anything about the phones here in Morton. We are a small organization with a big task. The telephone situation is very deplorable and we, as Jaycees, urge, yes, even beg for a little better service than we have been getting.

We realize that perhaps part of the trouble was not the company's fault, but at the same time know that part of this same trouble could and should be corrected.

We sincerely hope that you will make an effort to fulfill your obligation to this community by giving us better telephone service for which we have been paying, but have not had.

Sincerely Yours,
Morton Junior Chamber of Commerce
S. M. Monroe, Secretary

The following is the reply received promptly from Paul Farrar, District Manager.

General Telephone Company of the Southwest
Brownfield, Texas
June 12, 1959

Mr. S. M. Monroe, Secretary
Morton Junior Chamber of Commerce, Morton, Texas

Dear Mr. Monroe:
This is to acknowledge your letter of June 8, 1959 concerning the inadequate telephone service

for Morton with which you are concerned.

I have met with the mayor and several other interested people in Morton on this subject. We now have plans underway to investigate our service difficulties and hope to have a solution for correcting these difficulties within a matter of a few days.

We would like to thank you and your group for calling this matter to our attention and giving us the opportunity to correct it. Thank you very much for your cooperation in this matter.

Yours very truly,
Paul Farrar
District Manager
Brownfield, Texas

Father Dies at Lubbock

Funeral services were conducted at 2 p. m. Wednesday at the 25th Street Baptist Church in Lubbock, for Daniel A. Williams, 77, father of Mrs. Chester Petree of Enochs.

Mr. Williams, a retired farmer and resident of Lubbock since 1923 died at 12:25 p. m. Tuesday at his home.

Rev. Bert J. Homer, pastor, officiated, assisted by Rev. Dean Howard. Burial was in the City of Lubbock Cemetery by McDonald Funeral Home.

Pall bearers were Melvin Harvey, Goldman Shin, Otis Ashmore, Herman Steel, Walter Simms, and James Petty. Honorary pallbearers were J. P. Armstrong, John Medlock, C. C. Wright, and J. E. Harvey.

Survivors include his wife; three sons, N. E. Williams, Brownfield, L. O. Williams, Anna, and F. B. Williams, 2818 41st St, Lubbock; four daughters, Mrs. Clara Williamson, Anchorage, Alaska, Mrs. Audra Hill, 2305 13th St., Mrs. Mildred Petree, Enochs, and Mrs. Mildred Cowart, Fort Worth; two sisters, Mrs. Lila Fullen, Comroe, and Mrs. Frances Edgar, Anderson; nine grandchildren; and several half brothers and sisters.

COUNTY'S 4-H RIFLE TEAM TAKES 7TH PLACE IN STATE COMPETITION AT COLLEGE STATION

Cochran County 4-H Rifle Team whose members were - Tommy Morrison, Warren Norris, Gary Coffman and Bill Ed Thomson finished 7th in the State 4-H competition meet last week at College Station, Texas.

The adult leaders and rifle safety instructors, Ken Coffman and Charles Compton accompanied them.

For the second year there were 22 teams competing in the state meet.

Cochran County slipped to 7th place. However, this is a fine honor and we are proud of the boys and their leaders, the County Agent stated. Individual contributions were made by members of the Commissioner's Court, some county employees, and a few businessmen for the purpose of defraying

the expenses of the trip. All donors will receive a letter of thanks from the group who attended the state meet, to show their appreciation for making this trip possible.

Of course the 4-H boys were disappointed that they did not win, but Cochran County will keep on trying. Those whose eligibility has elapsed since attending the last state meet as members of the teams are Clayton Flanagan and Don Hawthorne.

The Cochran County boys shot about the same score in practice as they did in competition, but we have not been able to beat those squirrel shooters from east Texas, stated Ken Coffman.

Shelby County won first with 1045 points. A perfect score would be 1200 points. Shelby has been in state competition four years. There

were only 90 points difference in Shelby County's score and Cochran County's 7th place team. Cochran County's score was 955 points.

Generally speaking boys do not shoot as well under pressure there being a time limit in each of the 4 positions, ten rounds fired in each position, prone, sitting, kneeling and standing. Ten minutes is allowed in each position.

The Army conducted the firing and safety on the range.

One team, Llano County took 8th place with a score of 933 points. Each member of the team scored 311 points. That's the first time this has ever happened in the state meet.

This is Cochran County's third trip to the state 4-H meet. They have a record of two 7th places and one 6th place. Last year the team placed 6th.

All teams were much improved in 1959 as 6 teams scored over 1,000 points each. In the past only 2 teams have exceeded a 1,000 points.

The Army personnel commended all 4-H Teams competing on their quality marksmanship, training and rifle safety and discipline displayed at the meet.

The range officer stated, "The safety discipline of this group of 4-H members on this range far exceeded my expectations and it was much better than the standards set by the cadets here. You should be proud of your accomplishments."

County Line Baptist Meeting Now in Progress

The revival meeting which began Sunday at the County Line Baptist Church will continue through this Sunday.

Rev. James A. Kelly, pastor, is doing the preaching.

The public is cordially invited to attend any and all of the services.

HOSPITALIZED TUESDAY

City Clerk Joe Seagler was hospitalized at Lovelland Tuesday.

1959 Rodeo To Be Better Show With Better Stock

Although there will be little change in the 1959 Texas Last Frontier Rodeo, as compared to last year's show, Rodeo Association President Herb Hillman promises it'll be a much better show.

Hillman says the stock of Rodeo Producer Morris Stephens of Quitaque will make the difference.

Hillman also expects greater interest along the cowboy circuit because of the stock, and because of the way the money will be split.

This year, Hillman said, all of the Cowboy's entrance fees will be paid back to them in prize money.

Hillman also said a rodeo queen will be selected from a group of sponsored girls who will sell advance tickets. He said the girl who sells the most advance tickets will be the reigning queen of the 1959 show.

No new bleachers will be added for the show this year but Hillman hopes an additional section of bleachers will be added before the 1960 show.

The order has been placed for tickets, placards and circulars to advertise the show.

Rodeo dates for this year are Thursday, Friday and Saturday, August 13, 14 and 15.

COURT NAMES COMMITTEE TO STUDY OIL TAX EVALUATION

By Eddie Irwin

The Cochran County Commissioner's Court has completed, in a meeting last Friday, the naming of a group of nine persons forming a citizen's committee to seek information on the county's tax evaluations, both for oil property and other property, and to sit in on the June 26th meeting with the oil company tax representatives.

Judge Glenn Thompson said last week, the type of job the Commissioner's Court has been undertaking the past few months, that of re-evaluating property, always does stir up some discontent. He said it was his hope this committee could serve the purpose of helping bring about understanding of the facts to the people of the county.

Named to head the committee was Ralph Burt. Others asked to serve are E. C. White, Jr., Fred Young, Karl Griffith, LeRoy Johnson, Roy Hickman, F. C. Strickland, Willard Cox and J. R. Ward.

Most of the men named to serve have already shown interest in the situation and some have openly expressed the opinion that oil company property is not being rendered at what it should be. These men, as a committee, are being asked to take whatever measures are at their disposal to ascertain the facts, and to bring these facts to the hearing.

Judge Thompson has said before, he does not know just what will be the outcome of the hearing. He doesn't know whether the oil companies are going to be satisfied or whether they are going to demand further adjustments. If they made such a demand, he said the Court would better know what

Allsup's Trying for Hawaii Trip; Big Sale Is On Now

"For a red hot deal on the red hot car, ask the man with the red cane" says the Allsup Chevrolet Company ad appearing on page 5 of this publication of the Morton Tribune.

And, according to Don Allsup and Leon Hamilton of Allsup Chevrolet, the firm will be open nights until 10 o'clock, today, Friday, and Saturday.

"If you have intentions of trading autos within the next few months, now's the time," they say.

It's all because the winner of a current sales promotion drive will get a free trip to Hawaii, and Allsup Chevrolet is out to win.

Additional information may be had from an ad appearing on page nine of this Tribune.

to do, if this group of citizens has studied the situations, compared Cochran County to other counties, checked comparative oil field equipment values, etc., and reported back to the court.

The position Judge Thompson has taken, ever since he took office last January was that he felt the property values were out of adjustment, and without adjusting them, the county could not go to court with the oil companies... even if they felt the oil companies were not being overtaxed. He wanted first to get everything in adjustment, let the people know just what the facts are, and then, if it is necessary, at least the county would be in a position to go to court with a chance of winning their point.

The Commissioner's Court will pay the travel expenses for the members of the committee, to go to other counties and secure whatever information is necessary.

The oil hearing is only a little more than a week away.

Council Meeting Was Brief, Mon.

The City of Morton held its meeting early Monday morning of this week to allow one of the Commissioners to get off to attend a funeral.

The only business taken care of was the routine payment of bills, according to City Secretary Joe Seagler.

Legion Meets Tonight, 8:00

Members of the American Legion Post here will meet tonight, Thursday, at 8 o'clock in the Veteran's Hall.

All Legion members and veterans are invited to attend.

TO UNDERGO SURGERY

Roy Tarver Jr. will undergo major surgery Friday morning at Taylor Clinic in Lubbock, it was announced Wednesday. He has been hospitalized for the past 12 days.

TO ATTEND ROTC TRAINING CAMP

LUBBOCK, June 8—Don R. Blanton of Enochs is one of forty-seven Air Force ROTC cadets from Texas Tech who will attend four-week summer training camps at four Air Force bases in June, July and August.

Lt. Col. N. B. Wilkerson, AFR OTC unit commander at Tech, said cadets attending the summer encampment receive orientation training in all phases of air base operations, as well as being taken on flights in various military aircraft.

Bike Fun— and Safety

Bike control means bike safety. Best way to teach youngsters control is through special races, they're fun and educational. For example, there's the slow race, teenagers compete in 6-ft. wide lanes over a 100-ft. course. Last one to finish wins.

Perhaps the best way to learn control is over an obstacle course. Variations are countless; can include a low trestle board placed on a sandbag, a "mine field" of ten pins tied to ropes, stakes to ride in and out of, etc. Teenagers can learn more about bike safety in May—American Bicycle Month—through a free rules leaflet and bike inspection, offered by cooperating bike sellers everywhere.

TALENT SHOW PLANNED FOR JULY 25TH BY COCHRAN COUNTY H. D. COUNCIL

The Cochran County Home Demonstration Council met June 9th in the County Activities Building.

"The Changed Way of Life," by Kathryn Randall was the quotation given by Mrs. G. C. Keith as the opening exercise. Minutes of the last meeting were read by the Secretary, Mrs. L. Z. Scoggins.

The Council and Clubs are sponsoring a Talent Show — July 25th, in the Community Building Auditorium. Bill Mack, Lubbock TV personality will bring his musicians to highlight the show. It will start at 8 o'clock and tickets will sell for 75c for adults; 50c for students over 12; and 35c for children, 6 to 12 years of age.

Mrs. C. O. Caffey was appointed Recreation Chairman of the Home Demonstration Council.

It was announced that nominees for delegate to the State Meeting, are to be in by the next Council meeting, July 14.

Nominees must have been an HD Club member for at least a year.

A Food Preservation Workshop has been planned for the following times:

June 19 — 2:00 to 5:00 p.m.
June 26 — 2:00 to 5:00 p.m., in the Kitchen and Banquet Room of the Activity Building.

A lampshade workshop is set on Tuesday, June 23 and another on Monday, June 29 - both from 2:00 to 5:00 p.m., in the Banquet Room of the Activity Building.

Two lamp shade workshops will also be held at Whiteface, though the location was not announced. The dates will be Monday, June 22 and Tuesday, June 30, from 2:00 to 5:00 p.m.

It was also announced that Family Night was to be held at the Reed home in Phillips Camp on Friday, June 12th, and all club members in the county were invited to attend.

Four Club Presidents, five delegates, two officers and three committee chairmen, representing five H.D. Clubs attended the meeting.

Those attending included Mrs. G. C. Keith, chairman; Mrs. L. Z. Scoggins, Mrs. Oland Clifton; Mrs. Stanley Henderson, Mrs. Jake Reid, Mrs. Leon Langrill, Mrs. Edward Brownlow, Mrs. Ralph Burt, Mrs. C. W. Word, Mrs. Arvel Snodgrass, Miss Leila Petty, H. D. Agent, and three visitors.

UNDERGOES SURGERY

Tommy Morrison entered Methodist Hospital in Lubbock Tuesday where he underwent surgery Wednesday morning to correct an ear and nose condition caused by an old injury.

ON VACATION

Mr. and Mrs. Phillip Sheard and family of Morton left Monday for a short vacation to Eagle Nest.

VISITING IN ARIZONA

Mr. and Mrs. Lloyd Hiner are visiting and vacationing in Arizona this week.

HONORED WITH GIFT

Mr. and Mrs. H. A. Reynolds were presented a table lamp and table cloth and napkins as a going away gift Sunday night at the Bula Methodist Church.

HOME WITH DAUGHTER

Mrs. O. B. Tyler, formerly of Oklahoma, who suffered a stroke recently and was hospitalized at Lubbock, has been brought home to the home of her daughter, Mrs. Maurice Lewellen, over the weekend, and will stay here for a while. She is reported improving.

IS MISCELLANEOUS SHOWER HONOREE

Sandra Angel, bride elect of Junior Austin, is honored with a Miscellaneous shower Monday afternoon at the Bula lunchroom at 3 o'clock.

The serving table was laid in pink and white colors, chosen by the bride elect.

Cake and punch were served to about seventy guests.

The hostess gift was a G.E. Electric mixer and a bath set.

BACK FROM OKLAHOMA

Mr. and Mrs. Greg Zielinski and son, Gregory Mark, went to Carter, Oklahoma recently, to pick up Mrs. Hank Zielinski and daughter, Mary, who have been visiting Mrs. Zielinski's parents and other relatives for a week.

FOOD PRESERVATION WORKSHOP
Food Preservation Workshops have been scheduled from 2:00 to 5:00 on Friday afternoon, June 19, and from 2:00 to 5:00 on Friday afternoon, June 26. The workshops will be held in the kitchen and banquet room of the County Activity Building. Freezing or canning will be done, according to the wishes of those attending. The activity will not be the same at each meeting.

Those who would like to attend the workshops but did not attend the pre-planning meeting on Tuesday, June 9, should contact my office for further information. All those attending the workshops are expected to participate.

LAMP SHADE WORKSHOPS
A Lampshade Workshop will be held in the Banquet Room of the County Activity Building. Two afternoon meetings are scheduled and it will take that much time or more to finish a lampshade.

The first meeting will be from 2:00 to 5:00 on Tuesday afternoon, June 29. A workshop is tentatively scheduled for Whiteface on Monday afternoon, June 22, and Tuesday afternoon, June 30th, both at the home of Mrs. F. Z. Payne.

Call my office for materials to bring to the workshop.

4-H LEADERSHIP CAMP
About 200 4-H Club girls and boys, adult leaders and Extension Agents attended the district 4-H Leadership Camp at Lubbock June 2, 3, and 4.

The 4 - H members attending from this county were Lois Courtney, Bill Stovall, Dickey Walker, Earl Cox, and Lester Dupler of Morton, and Sherry Singleton, Gail Collins, and Temple Kern of Whiteface.

The Cochran County group was in charge of vespers on Tuesday evening. Bill Stovall, Lester Dupler, Lois Courtney, Sherry Singleton, and Earl Cox had a part in the service.

DAIRY PRODUCTS FEATURED FOR JUNE PLENTIFULS
June is dairy month and milk production is at its seasonal high. So milk and other dairy products are featured on the U. S. Department of Agriculture's June list of plentiful foods for this area.

The list involves only five other food items. Eggs, broiler fryers and consumer size turkeys are included, as are spring vegetables and vegetable fats and oils.

This list of foods, in heavier than normal supply, is furnished by USDA's Southwest Food Distribution Division, Dallas, on the basis of national and local availability. Menu planners usually be ahead by making heavy use of foods on the list.

Evaporated milk is cheaper than whole milk and has all the nutrients of whole milk. It can be stored on the shelf and is always ready for use. The following recipes are made with evaporated milk.

FROZEN LEMON PIE
3 eggs separated
1/2 cup of sugar
1/4 cup lemon juice
1/2 teaspoon grated lemon rind
1/2 cup finely shredded coconut, if desired
36 vanilla wafers, crumbled fine (1 1/2 cup crumbs)
1 cup evaporated milk, chilled icy cold

Beat egg yolks slightly in top of double boiler. Add sugar and lemon juice. Cook over hot water until mixture thickens, stirring constantly. Cool. Add grated rind and coconut. Fold in egg whites which have been beaten stiff but not dry. Sprinkle half the vanilla wafer crumbs evenly over the bottom of two pint (or 1 quart) freezing trays. Whip milk very stiff. Fold in lemon mixture lightly but thoroughly. Pour at once into freezing trays, sprinkle with remaining crumbs, and freeze. Makes one quart.

BAKED CUSTARD
4 eggs
1/3 cup granulated sugar
1/2 teaspoon salt
1 teaspoon vanilla
1 cup water
1 2/3 cups (large can) undiluted evaporated milk

Beat ingredients to mix well. Pour custard into 6 or 8 baking dishes; sprinkle with nutmeg. Put dishes in 2 1/2" deep pan. Pour water around the custard dishes. Bake custards in moderate oven (350 F.) about 45 minutes (or until silver knife inserted in custard comes out clean). Remove from water. Cool before serving.

CHEESE SAUCE
1/2 pound processed cheese
1 small can evaporated milk
1/2 teaspoon salt

Heat milk in double boiler, melt chopped cheese in milk until smooth. Add salt. Use hot over asparagus, broccoli, or cauliflower.

No rest for this Chevy... round the clock the engine never stops!

At Washington's bustling National Airport, Allied Aviation Fueling counts on its radio-equipped Chevy to get crews and tank trucks to the right planes at just the right time. Aside from occasional time out for the usual service, its Thriftmaster 6-cylinder engine has been running 24 hours a day for the past 9 months!

Once you've got that kind of endurance working you don't worry much about lost job time. Breakdowns go out of style the day your Chevy goes into action.

The fact is, Chevrolet trucks are dead set on dropping the word "downtime" right out of the English language. And they just might, if precision engineering and top-quality materials have anything to say about it. Chevy trucks are put together to stay together—incorporating the most advanced chassis developments, the most efficient 6-cylinder and V8 engine designs. They're built to last, built to keep Chevrolet's hard-earned reputation for reliability flying high.

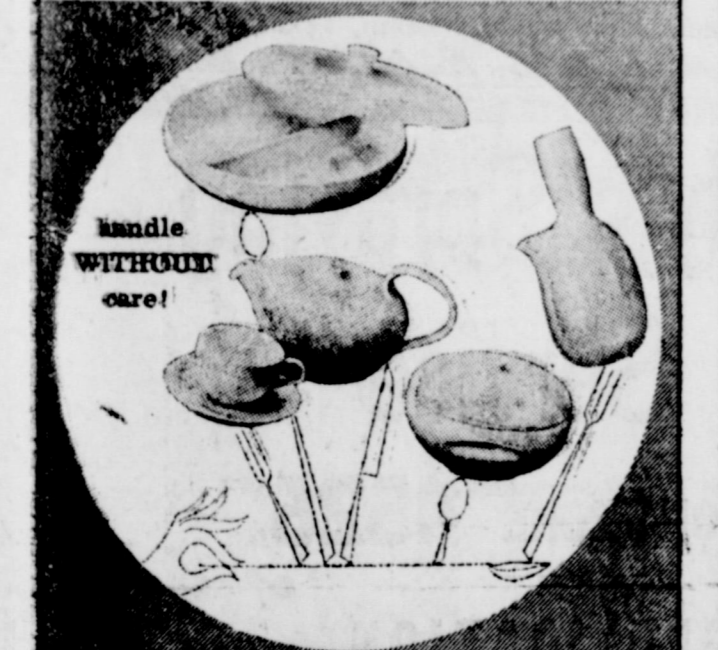

Going into the real heart of Chevrolet advantages is where your dealer comes in. He'll show you, in feature after feature, that you can't buy more truck dependability—in any weight class—at any price.

No job's too tough for a Chevrolet truck! See your local authorized Chevrolet dealer

more college instructors, 8,000 more natural scientist and many many others.

To prepare our young people in Texas and other states to meet the challenges of the future, we must furnish them adequate education facilities. Our world is changing very quickly and we must help our young people be prepared for these changes.

To help our educators provide Texas youngsters with the latest and the best in education and to aid them in working toward better ways of teaching, the U. S. Department of Health, Education and Welfare is providing a number of grants for support of research. This is the second in a series of such actions under the National Defense Education Act of 1958 which I co-authored.

This Week in Austin
by
Senator Preston Smith

At a time when a college education is becoming more and more important, the House has passed a bill by Rep. W. S. Healy of Paducah to increase "student fees" in Texas colleges.

This move, like the recent action which doubled tuition in state colleges, rubs a long-felt sore spot with me. I realize as well as any other member of the Legislature that our state is facing a financial problem, and that taxes are going to necessarily be raised. But I have frankly and openly been against financing our state at the expense of students who want to go to college.

It's not only that fewer students may be able to go to college because of these increased fees. Our state and nation just recently began recovering from the shock of

Economically, it seems to me, and to many other Legislators here, that to increase the financial barrier to a college education is certainly not the way to approach our state's biggest problem. We need to encourage more & more students to go to college, and to encourage higher degrees among many.

Rep. Healy's bill, supported by presidents of 18 state supported colleges, would permit a maximum student fee of \$8, plus a refundable breakage deposit of \$10 and ceiling of \$30 on student services, such as textbook rentals, recreational activities, health service, parking, etc.

Highlights and Sidelights FROM Your State CAPITOL

AUSTIN, Texas... First called session of the 56th legislature will end automatically June 16.

It would be hard to find anyone around the Capitol who would bet on the state's money problems being wrapped up by that date.

Senators began their work on the tax bills sent them by the House with an air of deliberate calm. They even waited 48 hours before beginning hearings to give everybody time to ready his presentation. (This is the "tag" rule

whereby if one senator tags a bill, it cannot be heard except with a 48 hours notice.)

Main issue was a bill to raise new revenue for 1960-61 spending needs. Gov. Price Daniel appeared personally before the Senate State Affairs Committee in behalf of H.B. 7. This is the House-passed bill to tax natural gas, interstate corporation, franchises, utilities, liquor, cigarettes, autos, etc.

Governor Daniel stoutly defended the bill on all counts, but said he would not "feel hurt" if the Senate wanted to make some changes.

Industry spokesman and chamber of commerce representatives told the committee the bill would drive business away from Texas. "Our customers," said one company man, "will not pay a premium for a 'made in Texas' label."

Others complained that H.B. 7 not only would tax the same groups that have been bit before but would hit some from several directions at once.

Governor Daniel's reply to those arguments is that business should bear a portion of the tax burden to keep from dumping it all on the family budget, as in general sales tax.

HARD GOING—Governor Daniel's abandoned property bill, killed during the regular session, made it back to the House floor, but only after a committee had attached crippling amendments.

As introduced, the bill would have allowed the state to take over property or bank accounts unclaimed for seven years. The committee changed the waiting period to 15 years. This cut the estimated first year take from \$20,000,000 to \$3,000,000.

This is one of the bills recommended by the governor to pay off the \$5,000,000 deficit that accumulated during the 1954-59 biennium.

House Taxation Committee killed outright Rep. Jerry Saddler's proposal to levy a one per cent gross receipts tax on manufactured goods.

THUMBS DOWN ON THESE - Governor Daniel vetoed nine of the some 500 bills passed during the regular session.

Among these was the "de novo" bill which would have provided for an entirely new trial when decisions of state agencies were appealed to the courts. Governor Daniel said it would have disrupted oil and gas conservation procedures of the Texas Railroad Commission.

Also turned down was a bill to create a Fort Bend County water district. Governor Daniel said it was in conflict with state-wide water planning. Rep. Jimmy Day of Brookshire, a sponsor, made a critical speech on the House floor, contending the governor had signed a bill just like that one two years ago.

Another vetoed bill would have

WASHINGTON AND "SMALL BUSINESS"
By C. WILSON HARDER

A most interesting bill has been introduced into Congress by Rep. Richard Poff (Rep., Va.).

And at a time when the forces of worldwide giveaway programs work day and night to get Congress to throw an extra four billion dollars into the kitty for all kinds of insane experiments, Rep. Poff's bill is bound to get attention.

His bill would ban U. S. giveaways to nations that do not have cut taxes during the year on the assumption that if a nation can cut taxes, it doesn't need help from the U. S. taxpayer.

In commenting on the measure Rep. Poff pointed out that for the sixth time in eight years, the British income tax has been cut. The American taxpayer has had only one cut during this time.

Besides income taxes, the British cut another important tax.

That was the tax on beer, so perhaps the theory was that with their income taxes cut, the British people should be encouraged perhaps to drink more beer with their greater tax home pay.

Rep. Poff also points out that while Britain has continued to cut taxes she has also received around \$4 billion in foreign give aways from the U. S.

New those who beat the tom tams incessantly to spend more and more for foreign aid will immediately argue that despite the British tax cuts, the English income tax is still much higher than the U. S. tax rate.

This fact is true. But allied

with tax takes the various national debts must be also taken into consideration.

Not only is the American national debt of \$280 billion much higher than England's, it is greater than the national debts of all the nations which rose up to the multi-billion dollar trough furnished by the Washington global balance crisis.

Thus, at the present time, every American, from one hour old to a hundred years old, owes as his or her part of the national debt, something over \$1,800.

Yes, the people in those nations which get billions handed to them, owe combined national debts that amount to less than \$250 per person.

Not the madness continues. Up in the far north country, the Seminoles occasionally go a bit berserk and in a mass, following a few leaders, plunge into the Arctic Ocean to their deaths.

Similarly, a nation of some 170,000,000 intelligent, educated people are led by a few into this mad pace of shovelling out billions to nations whose books are much better balanced than those of the U. S. Treasury, in a mad, insane drive toward national financial disaster.

And the worst part of the situation is the following.

There is nobody, but nobody, who can give an itemized accounting of some \$30 billions thrown away. Defenders of the give aways present pious sounding platitudes as examples of benefits gained. On the other side of the coin, several former administrators of the foreign give away funds have said the programs are useless. In the idiom of the live set, it's real crazy, man... real crazy.

provided for repayment to persons who have paid fines or served sentences for crimes of which they were not guilty. Governor said the intent was good, but with no limitations in the bill, the taxpayers had no protection.

Dr. L. J. Morrison, D. C.
CHIROPRACTOR

MORTON, TEXAS
906 W. Wash. on Portales Hwy

ONE SOLUTION— Many observers believe that much of the current legislative tangle between members and half-minute do or die legislature— would not happen if the office of Speaker of the House were an elective post.

Certainly this would eliminate the factions that exist in the Lower House.

Evidence of the desirability of such a plan is found in the office of the Lieutenant Governor, who performs identical functions in the Senate. Both officers have apartments in the Capitol Building, but only the Lieutenant Governor is elected by the people.

Selection of the House Speaker is made by the House members themselves. This delays the start of nearly every session. Furthermore it provokes many bitter battles, divides the House, and creates deep wounds that never heal. Also, much time is wasted during sessions by various groups campaigning for the Speakership for the session that still is two years away.

The real loser in the battle is the public and they have no choice in the matter, as things stand now.

Demands for making the post an elective one would have to come from the people, as there is considerable feeling among public officials against the idea of elective offices.

OF MOTES AND BEAMS --A resolution to add to the lobby expense reporting law brought on House debate as to who's holier than who.

Rep. Zeke Zbrank of Daisetta and Don Kenard of Fort Worth proposed requiring lobbyists to report cost of transporting legislators. It was a jibe at several senators who recently flew to Tennessee in a gas company plane.

Rep. Jerry Sadler of Percella reminded the House that House members had in previous sessions gone in droves on various lobby-arranged flights. He made the suggestion of Biblical origin, that the House "get the beam out of its eye before we try to get the mote out of a brother's eye."

House voted 71-52 with Rep. R. H. Cory's (Victoria) suggestion of "not peddling in the Senate's affairs."

House members considered a bill to require students in state-supported colleges to pay an activity fee of up to \$30 a semester.

Fee would cover such things as health services, parking privileges, tickets to athletic and cultural events, book rentals, subscription to campus publications, etc.

Students now pay about \$12 less on a voluntary basis.

Rep. W. S. Healy Jr. of Paducah, sponsor, said all the college presidents favored the bill. It would make an estimated \$2,000,000 available for higher education.

Opponents declared it moved in the direction of putting educational opportunity on the basis of ability to pay.

Better from Hyndman

Dear Friend:

Close ties uniting agriculture and industry were underlined again with recent Senate approval of the Agriculture Department appropriation bill.

It is impossible to separate the welfare of one segment of the economy from the other.

For instance it's estimated that in one year farmers use more finished steel than is consumed for a year's production of passenger automobiles.

Annual power needs of America's farms require, I'm told, more electrical power than is supplied to Chicago, Detroit, Baltimore and Houston in one year.

Figures like these bring home the important fact:

What happens to industry has a direct impact on agriculture, and whatever happens to agriculture directly concerns industry.

Here, in the United States Senate, my objective is to determine what is good for both Texas and

the Nation, and then achieve that to the best of my ability.

We all ought to have just one standard. What is good for America is good for all of us.

A young friend from East Texas wants to know whether, when he comes to Washington, he can tour such buildings as the White House. You sure can. There are regular White House tours each morning, Tuesday through Saturday.

Our paper money is made at the Bureau of Engraving and Printing, and it is open to visitors every day but Saturday and Sunday.

There are many other wonderful places to visit, including the Library of Congress, the Supreme Court, the Washington Monument, the Lincoln Memorial, Washington's home at Mt. Vernon — and the Capitol itself. There is a lot to look at, and it's all worth seeing what is good for both Texas and

LITTLE LEAGUE BASEBALL

Whip Cards in Extra Innings Grab Share of 2nd Place in League

The Sox came as a real surprise to the Little League play this past season. They won in another romp, Thursday, carving out a 13 to 1 win over the Cards behind Pat Risinger's two hit hurling.

Three hits and three errors, & a walk thrown in for good measure, allowed the Sox to get off to a 3-0 lead in the first inning and it stayed that way for three full innings. Then the Card defense really blew sky high.

In the fourth inning the Sox piled in six runs and Mike Irwin's inning opening blooper single down the first base line was the only base hit they got. Four walks, a hit batter and three errors followed before they were halted.

In the 5th, home runs by Charlie Ledbetter and Pat Risinger paced a final Sox four-run spurge.

Gary Franklin, with a double & a single was the only man to get two base hits — though Decker, Franklin and Ledbetter were on base every time they got up to bat.

Ten Sox went down swinging in the game, eight drew walks, and one was hit by the pitcher.

Risinger fanned 13 Cards, and exhibiting his usual fine control, didn't walk a batter.

Tommy Dupler scored the only run in the 5th inning when he singled sharply, took second as the ball got away from the outfielder, then was picked up by another outfielder and thrown away. Tommy reached third on that play and

scored a few minutes later on a wild pitch.

Line Score:
SOX 3 0 0 6 4 0 - 13 7 2
CARDS 0 0 0 0 1 0 - 1 2 8

FRIDAY —
Founding home 11 runs in a huge first inning spurge, the Pirates powered their way to a 14 to 2 victory over the Cubs, Friday.

The big blow of the big inning was Charlie Hill's second grand slam homer of the season. But the Pirates lashed out seven hits in the big inning to go with five bases on balls and three Cub errors.

Hill limited the Sox to just 3 base hits, two of them doubles by Tommy Terrell who drove in a run with each of them in the 4th and 6th innings.

Charlie fanned 11 batters, walked only two and hit one — his best control performance of the season.

Benny Turney, who started on the hill for the Cubs, pitched to only six batters and he got only the first man out. Sokora relieved and the damage continued against him and John St. Clair.

Hill drove in four runs and Welch hammered home three, Kenny Palmer had a triple and two singles and three others had two safes apiece for the winners.

Line Score:
CUBS 0 0 0 1 0 1 - 2 3 8
PIRATES 11 0 2 1 0 0 - 11 13 1

SATURDAY —
Pushing across two runs in the bottom of the 5th inning, the Cards captured a 7 to 5 verdict over the improving Giants who just couldn't push ahead after finally catching the Cards in the 4th inning.

The Cards used two walks and two errors mingled with a pair of hits to push across four runs in the first inning and stayed in front until Ray O'Brien's three-run homer knotted the issue in the 4th.

Eddie Lyon singled to open the 5th inning, his second hit of the game. Holland walked to put two men on base and a wild pitch and stolen base put the runners on second and third. Ronald Smart fanned but Carlos Dupler rolled out and Lyon scored what proved to be the winning run.

The Cards collected five hits in the game, but took advantage of 6 walks and 6 Giant errors.

The Giants also got 5 hits, but five Card errors and three of the hits came in two innings, the third and fourth innings. O'Brien's homer came with the Cards leading 5-2 and after George Williams had walked and Ev. Billrey singled.

The Giants got only three walks in the game and Card hurlers fanned four.

Sherrill Griffith had a perfect day at bat with two singles and he also reached first base on an interference ruling as the catcher tipped his bat. Dupler and Lyon each had two hits for the Cards, but David Newsome's double was the only extra base hit.

Line Score:
GIANTS 0 0 2 3 0 0 - 5 5 6
CARDS 4 0 1 0 2 0 - 7 5 4

MONDAY —
In as fine a game as they have been involved in all season long, the first placed Sox were extended almost to the limit, Monday, before posting a 5 to 3 win over the last placed Giants.

After a shaky first inning in which he allowed 3 runs on a trio of hits and two costly errors, little Penn Tom Burke kept the vaunted Sox shackled for three straight innings until he was taken out because he was believed to have pitched too much, according to Little League rules. The Sox got to his successor, Sherrill Griffith, for what proved to be the winning runs in the bottom of the 5th inning on an error, two walks, a hit batsman and a single.

All told the Sox came up with 7 hits in the game, Ledbetter and Decker each getting two. Only two of the Sox runs were earned.

The Giants got only four hits in the game, two of them in the 6th, when they scored twice. Pat Risinger, Sox hurler, was also the victim of poor support, three errors allowing men to reach base who should have been out. Risinger struck out nine and walked two in the game while the two Giant hurlers struck out 6, walked five and hit two batters.

All seven of the Sox hits were singles. Decker driving in a pair of runs with one of his. The Giants were also held to all singles. Griffith and Coats each driving in a run.

When little Alton Ray Black, a pinch-hitter fanned to end the game, he represented the tying run and was sent up in hopes his small size would earn him a base on balls and bring up Coats. But the strategy failed.

Line Score:
GIANTS 0 0 0 0 1 2 - 3 4 4
SOX 3 0 0 0 2 0 - 5 7 3

TUESDAY —
In a game filled with excitement and suspense, the Pirates watched an 8 to 1 lead melt into an 8 to 8 tie at the end of regulation play, Tuesday, and then they rallied for 4 additional runs in the 7th inning to down the Cards, 12 to 8.

Pitcher Charlie Hill for the Pirates, seemed to be taking it easy as the Cards pushed across their four runs in the bottom of the 6th inning with only one out and had the winning run at third base. He suddenly began to throw hard, fanned Sandy Wallace & Robert Walker to end the threat, then came back in the 7th to homer with two men on base, his first hit of the game, to tie the game. But Hill had pitched his full six innings and

it remained for Kenny Palmer to take the mound in the 7th and stop the Cards.

The Pirates scores all of their runs in 4-run clusters. They tallied four times in the 3rd and four more

in the 4th inning. Two home runs by Gary Welch accounted for four of these runs.

The Cards, after surrendering an early 1-0 lead, chipped away at the Pirates 8 to 1 margin with a

lone run in the 4th and 2 in the 5th to go into the final frame, trailing 8 to 4. David Newsome doubled and Holland and Carlos Dupler Walked. Tommy Dupler's third hit brought a run home, an error scored

another and a fielder's choice put the tying run on third with only one out. Hill uncorked a wild pitch and Lyon slid in under the attempted play on him to tie the game. Then Hill bore down and

threw six strikes in seven pitches. The Cards went down in order in the bottom of the 7th.

Line Score:
PIRATES 0 0 4 4 0 0 4 - 12 11 5

NO. 125
TO THE QUALIFIED VOTERS OF MORTON, COCHRAN COUNTY, TEXAS

YOU are hereby notified that a special election held on Tuesday, May 26th, 1959, at which election the voters of Morton, Cochran County, Texas, by a majority vote adopted the Aldermanic form of government, thereby creating vacancies for three aldermen, for the unexpired terms, which will expire in 1960, when a general election will be held, in said city for the election of a new city government.

NOW THEREFORE, by virtue of the authority vested in me, by law, I, Roy Tarver, Jr., Mayor of the City of Morton, Cochran County, Texas, DO HEREBY call a special election in above said city, for Tuesday, JULY 14th, 1959, for the purpose of filling the offices of three aldermen for said City of Morton, Cochran County, Texas, for the terms of said offices which will expire at the next general election to be held in 1960.

The original of this notice shall be posted by the city marshal in a conspicuous place in the city hall where the city elections are held and a copy to be delivered to the Morton Tribune for four consecutive weeks, commencing on June 4th, 1959 and ending on Thursday, June 25th, 1959.

Roy Tarver, Jr.
Mayor

FRIDAY and SATURDAY, JUNE 19 and 20

Petersburg, Texas, Man Reports—

1500-pound Increase on Grain Sorghum

Frank Stanton, successful young Hale County farmer, says: "By chiseling in 85 to 100 pounds of Phillips 66 Ammonia as a side dressing, I increased my maize yield 1500 pounds per acre. This represents a \$4 profit on every 51 invested in ammonia."

"This proved to me that using Phillips 66 Ammonia is profitable. I am using it on both my cotton and grain sorghum land this year. There are not many investments I know that will return 4-for-1."

Other successful Southwestern farmers have discovered that they make more profit per

acre, using Phillips 66 Ammonia. They get more cotton that classes higher at the gin... yields of sorghum grain or ensilage are increased... profits on wheat and small grains are increased through higher grain yields and improved forage... more marketable vegetables are harvested.

Phillips 66 Ammonia can be easily applied as a side dressing either by you or your distributor. See us today for your supply of Phillips 66 Agricultural Ammonia... it gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

Rainbow Girls Install Susie Hawkins As Worthy Advisor, Friday Night

Miss Susie Hawkins, daughter of Mrs. Scott Hawkins of Morton, was installed as Worthy Advisor of the Morton Rainbow Girls Friday night at the Morton Masonic Hall. Outgoing Worthy Advisor is Miss Betty Hutton.

Installing officers were Mrs. W. B. Cox, Worthy Advisor; Miss Sara Jo Wallace, Marshall; Mrs. J. C. Reynolds, Recorder; and Mrs. Joe Gipson, Chaplain.

Presenting piano music were

Miss Denise Rose and Mrs. James St. Clair. Miss Myrlan Cox sang "My Rainbow" and "I Believe."

Other officers installed were Miss Carrie Ann Mullinax, Worthy Associate Advisor; Miss Shirley Miller, Charity; Miss Lynda Mixon, Hope; Miss Dorothy Tucker, Faith; Miss Sandra Lemons, Treasurer; Miss Kathy Huggins, Chaplain; Miss Pat Smith, Drill Leader; Miss Barbara Masten, Lido; Miss Gale McCelvey, Religion;

HAPPENINGS OF INTEREST AROUND THE ENOCHS AREA-

By Mrs. JEROME CASH
HAVE GUESTS SUNDAY

The guests in the R. P. McCall home Sunday were her sister and family Mr. and Mrs. Courtney

Moudy of Kansas, and her mother Mrs. Nath Crockett of Morton.

— 0 —
VISITORS FROM PHOENIX

Mr. and Mrs. Cleo Hall and children of Phoenix, Arizona, are visiting his parents Mr. and Mrs. Carl Hall, and her parents Mr. and Mrs. J. D. Bayless.

— 0 —
HERE FROM KANSAS

Mr. and Mrs. H. E. Hall of Wichita, Kansas, visited his sister and family Mr. and Mrs. J. J. Brackman, over the weekend.

Miss Evelyn Ainsworth, Nature; Miss Billie Winder, Immortality; Miss Kay St. Clair, Fidelity; Miss Linda Ramp, Confidential Observer; Miss Jeannie Tyson, Outer Observer; Miss Patsy Sybert, Musician; and Miss Myrlan Cox, Choir Director.

Honored guests were Mrs. Scott Hawkins and children, Linda and Bob, and Mrs. H. S. Hawkins, mother, sister brother, and grandmother of the incoming Worthy Advisor.

Miss Hawkins motto for the coming year will be "Religion is not what you think about it, but what you do about it." Her goal is to urge the assembly to secure a number. Her colors are all those in the rainbow.

Installing officers presented Miss Hawkins with a Rainbow Bible and a marble case.

The lodge hall was decorated with red and yellow garden roses and candles.

A reception followed hosted by Mrs. Cox and Mrs. Gipson. Table decorations carried out the colors of the rainbow.

Your... COUNTY AGENT

E. Thompson who want to make the most of the tractor pilot that has been developed for farm tractors and Extension Service Agri-engineer.

Device is expected to be effective in control of weeds and brush. The tractor control system is designed to guide the tractor accurately - thereby making fewer adjustments of the machinery for control without damage to crops. The pilot was designed and tested by a USDA agent now being field tested. It is intended for use with power steering which are now featured on modern tractors.

Light feelers, capable of the position of the crop in the tractors frame are used in the automatic switches when the row is too close or too far.

Switches, in turn, operate that permit hydraulic to turn the front wheels meet with the row. A piston between the front and the switches automati-

ally straightens the front wheels as soon as the tractor returns to the correct position. This sounds a big improvement in cultivation and makes the technique of farming a much easier job.

COTTON FARMERS should take a good look at practices which can cut the costly hand hoeing bill. One way is to use rotary hoes. Maybe three or more times these can be used before emergence, and two to three times on cotton after it comes up. It may look like it is tearing up the cotton but the next morning the cotton looks better than ever. Spot oiling may help and the use of chemical weed control methods. Spot spraying Johnson grass is faster, easier and cheaper than hand hoeing. Use the jet-gun sprayer. Apply the oil in small amounts to the stem of the grass at the ground level. Kerosene fortified with C-36, one-half gallon to 100 gallons of kerosene does an excellent job.

Sodium dalapon in water is a systemic foliage spray and the leaves of the grass must be wet. Again the jet gun sprayer is ideal equipment for this job. Ask for bulletin 902, "Spot Spraying Johnson Grass" at County Agent's Office.

NOZZLE TYPE Spray rigs effect insect control. Farmers please

note that conventional low-gallonage, boom type nozzles that most farmers use now will probably give better insect control and higher yield of seed cotton than the new types of wide swath or boomless nozzles will cover six to twelve rows per nozzle. These findings are from the Experiments conducted at the Station near College Station in 1958.

ATTENTION CATTLEMEN Systemic insecticide for control of cattle grub. There is a product that can be used for controlling cattle grub in cattle at the rate of one ounce per hundred pounds per animal. It is a drench. Now is the time of year to administer this drench. In other words June is the best month to drench the cattle.

At the Experiment Station near Tyler, Texas, Dow ET 57, a systemic insecticide was used and a 91.5 per cent grub control was obtained on herd replacements and non-lactating cows. It is not used on lactating cows, but is recommended for beef cattle. Don't use on animals to be slaughtered in 60 days.

To prepare the drench, use one part of the systemic to two parts water. Give by drench one ounce of the liquid to 100 lbs. body weight. Do it this month. This kills the grub before it develops in the animal's body. Grubs usually show up in the cattle's back by November or December each year. Don't let this happen. Over \$1000,000,000 damage is done annually by the cattle grub.

4-H ROUNDUP On June 9th, four 4-H Club members from the 4-H Rifle Club in Cochran County with two adult leaders, left for College Station, Texas to compete in the State 4-H Rifle Safety Contest. The 4-H members competing were: Tommy Morrison, Bill Ed Thompson, and Gary Coffman, from Morton and Warren Norris from Whiteface. They were accompanied by Charles Compton and Ken Coffman, rifle coach and inspector respectively. While there, this group participated in the annual 4-H Roundup June 9th and 10th. At 7:00 a.m. Wednesday morning the rifle competition began. The County Agent is very proud of these boys and leaders. The county needs more adult leaders like these so they can expand the club work in many fields. There are other leaders doing a good job but we need more of them.

For example - the swine committee has purchased and delivered eight registered Hampshire gilts to eight 4-H Club boys under the Sears program. The Salt Water committee has been working continuously to keep the fresh water from being polluted by salt water seepage from sump pits. As a result of their work, many oil companies have already changed their method of disposal. More work needs to be done. There are other committees doing good jobs which I won't mention at this time.

All of these committees are part of the Cochran County program building committee and are County Agent Homer E. Thompson.

doing a good job of carrying out their responsibilities as subcommittees of the County program building committee advise, County Agent Homer E. Thompson.

NEW CREDIT AGREEMENT SET UP BY SHAMROCK OIL AND GAS COMPANY

The Shamrock Oil and Gas Corporation issued a joint statement recently with Hilton Credit Corporation that the two companies had entered into a credit agreement making Hilton's more than one million "Carte Blanche" credit cards acceptable at Shamrock's retail service stations.

The agreement, which goes into effect July 1, is among the first to be made by Hilton with oil companies.

Shamrock, 30 years old this year, is a fully integrated oil company and one of the largest independent oil companies in the country. Its retail marketing area extends into parts of eight states in the Southwest and Rocky Mountain area, including Texas, New Mexico, Colorado, Kansas, Oklahoma, Arizona, Wyoming and Nebraska.

Shamrock products include both regular and premium grades of gasoline and a wide variety of motor oils and greases. The company's agreement with Hilton will not affect Shamrock's own credit card system.

Hilton is affiliated with the Hilton hotel and restaurant chain and issues its "Carte Blanche" credit cards for nationwide credit purchases of meals, rooms, car rentals, gasoline, flowers, books and other services.

Takes Part In Maneuvers In Western Pacific

Western Pacific (FHTNC) Marine Pfc. Leonard R. Newman, son of L.T. Newman of Morton, Texas, took part in Operation "Granite Creek", May 25, to June 1, while serving aboard the attack aircraft carrier USS Ranger in the Western Pacific.

"Granite Creek" is an exercise designed to test the effectiveness of the Navy's aircraft carrier striking force of the U.S. Seventh Fleet in the Far East.

The Ranger, which along with other carriers is providing air might to this country's first line of defense in the Pacific, is on a routine tour of duty with the Seventh Fleet.

A Word To Our Regular Customers:

... you have intentions of trading for a new Chevrolet anytime within the next two or three months, we'd like to ask a favor. We'd really and truly appreciate your dealing with us this month in order to help our standing in the red-hot district-wide sales contest we're participating in. (Winner gets a free trip to Hawaii). We're really trying our darndest to come out on top... and need every bit of help and support you can give us.

And we assure you that in helping us, you'll be helping yourself as well... because we promise and absolutely guarantee you'll save money by buying now. We are in a position to give bigger trade-in allowances and considerably better deals now than we'll be able to give again for several months in the future.

Come in and talk it over... let's see if we can't help each other.

THURSDAY, FRIDAY and SATURDAY (Open 'til 10 o'clock each night)

Another Cochran County Cotton Farmer Stamps His 'Approval' on Liquid Fertilizer

S. J. Bracken, a Cochran County farmer, was highly pleased this year with the ease with which he was able to apply LIQUID FERTILIZER provided by Morton Spraying and Fertilizer Co., Inc. "Getting away from sack lifting is a labor saving, time saving, money saving idea"

More and more area farmers are using LIQUID FERTILIZERS provided by Morton Spraying and Fertilizer Co., Inc. . . . Why? Ask your friends and neighbors . . . chances are they, as many others have found, like the ease of application and handling . . . plus the low-cost of getting it into the ground . . . and area performances have proved it is one of the best ways to get the most out of your fertilizer dollar.

Arrange for a FREE LEAF ANALYSIS TODAY! You May Need to Begin Side-Dressing SOON!

Liquid Fertilizers

32-0-0 (Uran)		
8-24-0	13-13-0	10-20-10

George W. Nalley of Morton, who has been in the Veterans Hospital, Big Spring, returned home last Tuesday. This week he was taken to his daughter's home at Muleshoe.

Boating Is Popular Sport In Ontario

BOATING—and bathhouses made for fine living are well known throughout Ontario, Canada's Variety Vacationland. Here in one of the many areas, youthful vacationers enjoy water sports, swimming, fishing, and the upper deck portion may be used for dancing. Ontario's 250,000 lakes and rivers are dotted with fine resorts and boating facilities. Resorts are open May-October.

Draft Boards Need Change of Address Information

AUSTIN, Texas, June 5... Selective Service officials are becoming increasingly concerned about the numbers of men of draft age who do not advise their local boards about changes in their status. This was reported Friday by Colonel Morris S. Schwartz, state service director, who has recently returned from a conference of state and territorial Selective Service directors in Washington. He says officials are worried because up to date and accurate information can be very valuable if this country were to get into an emergency. Men registered with draft boards are required by law to advise their boards about everything fr...

Highway Patrol Lists First Two Deaths for County In 1959 Monthly Traffic Accident Investigation Report

The rural traffic accident summary for Cochran County for the month of May, 1959, was released today by Sergeant D. L. Lawson, Highway Patrol Service, Texas Department of Public Safety. The High Way Patrol investigated a total of one accident. This accident caused a total property damage of \$3,000 with two persons killed and three injured.

Former Resident Preaches Here

Verdie M. Pace of Mineral Wells, a former resident of Morton, conducted services Wednesday night at the Morton Assembly of God Church. Pace, son of Rev. and Mrs. J. V. Pace of Alvarado, was accompanied to Morton by his wife and two sons, Larry 3, and Jerry 2.

Jaycees Open Membership Drive

The Morton Jaycees, at their regular weekly luncheon meetings the past two weeks, discussed and set up a membership campaign for the local chapter.

The plan finally adopted this past week involves dividing the local chapter into two teams and the team bringing in the least number of members will host the other team to a family barbecue dinner. One guest, J. P. Jones, was on hand for the meeting last Monday, presided over by Dave Beck in the absence of President John Barnes.

MARRIAGE OF TAWANA CRAVENS IS ANNOUNCED

Mr. and Mrs. Clyde Cravens of Big Spring, announce the marriage of their daughter, Tawana, to Roger Murray of Midland on May 31, 1959.

BETTY HUTTON, FREDDIE W. PARKMAN TAKE VOWS AT ENOCHS CHURCH OF CHRIST

Leon Kessler read a double-ring ceremony, Sunday, at 4 p.m., in the Enoch's Church of Christ, that united Miss Betty Hutton and Freddie W. Parkman in marriage.

The bride, given in marriage by her father, wore a gown of white imported French Chantilly lace and tulle. The elongated bodice was fastened at the back with tiny buttons.

She held white orchids and stephanotis on a white Bible and her illusion veil of imported silk fell from a tiara of seed pearls.

Identical pink silk organza dresses were worn by the Maid of Honor, Miss Virginia Klutts of Goodland, and the Bridesmaids, Miss Paula Kindle of Maple, Miss Wanjette Hutton of Shallowater, Shirley Lee of Cotton Center and Mrs. Wayland Altman of Muleshoe.

Bobby Foley of Littlefield was best man and serving as groomsmen were Jimmy Foley and John Henry Parkman of Littlefield, Derwood Chisholm of Sudan and Dee Parkman of Levelland.

Sharon and Terry Hutton, the brother and sister of the bride, lit candles and serving as flower girls were Carol Ann Chisholm of Sudan and Barbara Parkman of Levelland, nieces of the bridegroom.

Music was provided by the Morton Rainbow Assembly, an a cappella choir, and Bill Gibson of Oklahoma City as soloist.

Miss Nan Johnson of Goodland registered guests at the reception which followed and Miss Donna Shepard and Miss Gayle McCulvey served.

The couple left for the wedding trip to Cheyenne, Wyo., and are making their home in Littlefield, where he is employed at Littlefield Liquefied Gas.

For her wedding trip the bride selected a taupe shoeer wool suit with brown lizard shoes and bag, and a red velvet picture hat. The orchid from her bridal bouquet was her corsage.

CERAMICS IS HOMEMAKERS WEEKLY STUDY

"What are you going to make? Will you swap a brown tile for a white one? Oh! just look at mine!" were some of the questions and exclamations that could have been heard by any observer as seventeen girls enrolled in summer homemaking went about learning how to work with ceramic and plastic tiles this week.

Sue Ramsey and Dwana Henry who had attended the workshop in Levelland were Mrs. Sander's assistants. Designs were worked-out by the students for ash trays, trivets, serving trays, flower pots and jewelry boxes.

The articles will be exhibited at the homemaking department's open house August 13.

Girls attending the workshop were: Laureta McCuiston, Betty Smith, Linda Elliott, Glenda Chesshir, Marvalene Hoffman, Judy Huckabee, Penny Farmer, Glenna Ford, Twalla Smelser, Shirley McMaster, Carol Carter, Karin Haralson, Brenda Blackstock, Dorothy Smith, Dwana Henry.

Friday, June 19, as a part of the summer homemaking program, Mrs. Lem Chesshir will give a demonstration on flower arrangement. This meeting is open to the public and will be held at 2:00 pm in the school cafeteria.

HERE FROM CALIFORNIA

Mrs. Creighton Hogan and boys, Pat, Mike and Kevin of Santa Susana, California, arrived Monday to spend two weeks with their parents and grandparents, Mr. and Mrs. Luke Hargroves.

ATTEND SPECIAL INSTITUTE FOR BIOLOGY TEACHERS

LUBBOCK, June 8 — Gerald Thompson of the Bula community, and Ralph A. George of Enochs were two of 70 biology and general science teachers from Texas, six other states, and Puerto Rico who are currently enrolled in a special eight week institute for high school biology teachers at Texas Tech.

The Tech Institute is sponsored by biology department in cooperation with the National science foundation, Dr. Earl D. Camp, director said.

All of the teachers participating in the institute receive a stipend from the National Science Foundation grant during the two month stay at Tech.

GARDEN CLUB APPOINTS NEW OFFICER; NEW YEAR BOOKS ARE ISSUED RECENTLY

The Cochran County Garden Club met in the home of Mrs. James McClure, June 15, with the president, Mrs. Murray Croe in charge.

Roll call was answered with "What Constitutes A Good Garden Club." The year books for 1959 were handed out. Mrs. Jerry Barton, 1st Vice - President, lead a discussion on the duties of the standing committees and the programs for the coming year.

The President appointed Miss Leila Petty as 1st Vice - President to

serve for Mrs. Barton, elected to the office, who is moving away. A gift was presented to Mrs. Barton in appreciation of the work she has contributed to the Garden Club.

Miss Petty gave a very interesting and informative program on landscape and design.

The next meeting will be July 6 in the home of Mrs. Dona Doughty. It will be a patio party with husbands of the members as guests. Refreshments were served to the 14 member present.

SERVICES ANNOUNCED

Regular services at the Three Way Methodist Church have been announced by Rev. C. R. Sincler, pastor.

Sunday school begins at 10:00 a.m., preaching at 11:00 a.m., and preaching again at 8:00 p.m. Wednesday nights at 8:00 p.m. the young people meet for recreation.

VISITS IN MORTON

Ed Keys, a lawyer now working for Federal Judge Estes, was a visitor in Morton this past week. Keys, a young married man, and a graduate of Southern Methodist Law School, is currently looking for a small town in which to set up a law practice.

UNPLANTED COTTON ACRES
JERRY'S

Cotton measured land is not all being measured which had cotton planted. If you planted cotton and

your measured cotton acres are not as much as your allotment, get it corrected, to show your full allotment, if you did have it planted.

I'd go further, and state that if you are one or more acres short

Box 131

on cotton when land is measured, get your planter and plant it now with 101, Gregg, or Paymaster 5 4R, to bring it up to your full cotton acreage allotment. This counts against your history and county history, too. Yes, it will count against your future cotton allotment. You have to plant it to keep your allotment from shrinking. Last year 695 acres of the allotment was not planted in Cochran County. In a period of three to five years this county will lose almost 1,000 acres of cotton allotment due to failure to plant it. When your planted cotton acres are listed annually by your allotment agent it takes only a glance to see who has been maintaining their cotton history and who has been losing it for your farm and county.

If cuts in acreage are required, do you think the committee will reduce those that have planted their full acreage, or those that failed to plant their full acreage? Let's get it all planted and counted on the acreage register. Each farmer should see to that. It is your responsibility. Mistakes are made by all, and corrections can be made in time, but if you are not listed, as having your cotton allotment fully planted, get it corrected, or get your planter back in action. Ask for a re-measurement when fully planted. It may cost you \$10.00 to get a re-measurement, but each cotton acre you save in reduction is worth several times that.

COTTON THRIPS
Eighteen fields were inspected by the County Agent in the past six days in Cochran County. Thrrips are the number one enemy attacking cotton to date. All fields had thrrips damage. Ten fields were heavily infested. Small cotton plants will be unable to bear buds for squares if uncontrolled. The quality of cotton is produced from first fruit. At this stage thrrips can limit the yield as well as delay maturity. To get fruit early on cotton it looks like control measures are necessary get rid of this pest.

cotton insects is available at the County Agent's office.

Weather can play a most important part in the application of insecticides. In June the wind velocity is five miles per hour or more about 90 percent of the time. This limits the number of hours of spraying to one or two hours per day. You may be wasting your time and money if spray applications are made when the wind is about eight miles per hour.

If you have only one good hour to spray in a day then it may be best to hire a plane and get it over with before the wind gets up.

According to the guides these insecticides and quantities are recommended per acre for thrrips. One and a half pints of Endrin, Heptachlor Aldrin, Dieldrin, and 1 and 1/2 quarts of Toxaphene. These are ground rig recommendations. For air planes increase dosage by 50 per cent.

You may want to add one pint of Malathion to above mixtures

as some are doing. This is very costly and should not be necessary. Watch the wind and do not spray windy. The atmosphere is heavier in early morning. If at this time the wind is still, you should get very little drift in your application.

Remember back in 1954 the control of thrrips at the Experiment Station, Lubbock, Texas paid off \$102 per acre in cotton yields and quality. Half that much the following year.

Spray at 7 day intervals for three applications. Then check to see if more control is needed.

Class of 1949

Holds Reunion At Lubbock Park

Twenty-eight parents and seventeen children attended the tenth anniversary meeting of the Morton High School Senior Class of '49 Sunday at Mackenzie Park in Lubbock.

After a picnic lunch, those present agreed to hold their next meeting in 1964.

Among those attending were one class sponsor, O. L. Tigler of Morton, and one class mother, Mrs. Bea Yarbrough of Morton.

Burl Deaver read a letter from Alan Bryan of Dallas, a class sponsor, expressing his regrets at not being able to attend. Bryan is now editor of the "Gospel Press", a national Church of Christ magazine.

Mrs. Fred Danforth, another class sponsor, now lives at Farwell and was unable to attend.

Taking the title for the couple with the largest number of children, three each, were Mr. and Mrs. Burl Deaver (Miss Imogene Jeter), and Mr. and Mrs. George Holland (Miss Wanda Yarbrough).

The couple married the longest was Mr. and Mrs. Dake Merritt (Miss Estelle Weed).

Mr. and Mrs. Bob Scott (Miss Audrey Fay Kelly) came in for the family with the oldest child.

Mr. and Mrs. Jim Winder were the couple who came the greatest distance to the meeting.

The family married the shortest length of time were Mr. and Mrs. Glenn Yeary.

Attending were Mr. and Mrs. Tigler of Morton, Mr. and Mrs. Winder of Springlake, Mr. and Mrs. Burl Deaver of Lubbock, Mr. and Mrs. Glenn Yeary of Lubbock, Mr. and Mrs. David Rosell (Miss Sue Lindsey) of Morton, Mr. and Mrs. Duane Preston (Miss Elveta Thomas) of Lubbock, Mr. and Mrs. Scott of Morton, Mr. and Mrs. Dub Hodge (Miss Mullinax) of Morton, Mr. and Mrs. Bill Deaver (Miss Marvie Ann Fischer) of Lubbock, Mr. and Mrs. Holland of Lubbock, Mrs. L. F. Russell (Miss Janie Graham) of Morton, Mrs. Merritt of Morton, and Mrs. Yarbrough.

UNDERWENT SURGERY

Wesley Masten underwent surgery Wednesday morning at the West Texas Hospital in Lubbock.

JUST VISITING

Mrs. Joe Gipson left last week for Abilene where she visited Joe's mother, Mrs. J. H. Gipson, and sister Mrs. Earl Parker. From there she went to Fort Worth to visit her sister and family Mrs. E. E. Hanson. She then went to Detroit, Mich. to visit with her son and family, Capt. Joe Bill Gipson.

She plans to be gone two or three weeks.

TO GO HOME THURSDAY

Mrs. Lee Sullivan and children are to leave Thursday for home in Rock Springs, Wyo. after a three week visit with parents Mr. and Mrs. Bert Sullivan, and her husband and the C. T. Sullivans. Mrs. Sullivan will accompany them for a short visit. Their home where they will go by train.

HOME FROM HOSPITAL

Mrs. Marvin Ray of Morton underwent surgery Thursday at Methodist Hospital, Lubbock, and is able to return home Tuesday afternoon.
