MORTON, TEXAS, THURSDAY, NOVEMBER 19, 1959

NUMBER THIRTY - NINE

Rites Held for Brother-in-law At Andrews

Funeral services were held at Andrews, Sunday, at 3 p. m., for E. E. Stevens, brother-in-law of Mrs. H. S. Hawkins of Morton.

Services were held at the First Christian Church in Andrews for the 58-year-old proprietor of a cleaning establishment at Andrews the past two years. Burial was in the Andrews Cemetery.

Mr. Stevens had previously lived in Lubbock for many years, before moving to Andrews. He died Friday afternoon at 2:30 p. m. in a Midland Hospital. He had been ill for three weeks.

Survivors include his wife, Nona, and one son, Bill of Dallas.

Attending the funeral from Morton were Mr. and Mrs. H. S. Hawkins, Mr. and Mrs. Bill Bridges, and Mrs. Arma Love Hawkins.

Bula Resident's Brother Dies At Matador

Funeral services were held at 2 p. m. Friday at the First Baptist Church in Matador for 77-year-old Clyde O. Middlebrooks, brother of J. L. Middlebrooks of Bula.

He had been ill several months and died at his home in Matador last Wednesday. A member of the Baptist Church and a Scottish Rite Mason, he had been a resident of Matador 10 years. Born in Mississippi, he came to Texas as a boy and resided most of his life in Hunt and Dickens County.

Rev. Gene Hawkins, pastor of the church officiated, assisted by Rev. H. T. Harris, pastor of the Whiteflat Baptist Church and the Rev. W. B. Vaughn, retired Methodist minister. Burial was in East Mound Cemetery at Matador.

Survivors, in addition to the brother of this area, are the wife, three sons, four daughters, 11 grandchildren, one sister, and three other brothers.

Injured in Traffic Mishap, Last Week

An 18-year-old Morton man and his 22-year-old brother, and another companion from Idalou, were injured, one critically, in the collision of an auto and a truck, near New Deal, Wednesday, a week ago.

Thomas Escalon, the 18-year-old was in Methodist Hospital in Lubbock reported in critical condition. Ben Escalon, also of Morton, and Rose Escalon, 23, of Idalou, were reported in fair condition.

The collision was described as "nearly head-on."

Clifford Oscar Boyd of New Deal, driver of the truck, was also in "fair condition."

New Employee at Byron's Auto

Byron's Auto Supply announced this week the association of Wayne Bracken with the firm here.

Bracken, who attended school at Morton, is the son of Mr. and Mrs. S. J. Bracken of south of Morton.

He has been engaged in farming with his father.

Muscular Dystrophy Drive Opens With House to House Canvas Next Monday

Monday, beginning at 6:30 p. m., the members of the Wesleyan Service Guild of the First Methodist Church of Morton will open a campaign to collect funds for the Muscular Dystrophy Association.

The group have mapped out and will conduct a house to house canvas and are also placing canisters around Morton.

Each person who is taking part in the drive will be identified by a tag she'll be wearing which says, "Muscular Dystrophy - Jerry Lewis, Volunteer."

BUSINESSES TO CLOSE ONE DAY FOR THANKSGIVING OBSERVANCE

Most businesses in Morton plan to be closed next Thursday, Thanksgiving Day, but plan to reopen the following day.

A check with a group of merchants around town showed the grocery stores, department stores, and lumber yards, for the most part, plan to close for only one day.

The fact that ginning season is in full swing and farmers are still busy in the fields stripping cotton, is a major factor in so few businesses planning to take a long holiday weekend. Gins are so covered up they will remain open, stopping only for a big Thanksgiving dinner.

The City offices will be closed only on Thanksgiving Day. But the County will observe the long weekend, closing offices on Thursday, Friday and Saturday.

The bank will close Thursday and schools will dismiss at 2:30 p. m. on Wednesday and will take up classes again on Monday.

Turkey Shoot, Friday and Saturday Sponsored By Local FFA Chapter

The Morton FFA chapter will sponsor two turkey shoots this weekend, one to please each of two types of shooter.

One, as usual, will be held at the Caliche Pit, west of Morton on the Portales highway, where any type of shooting that any group of shooters can match, will be allowed.

That will start at 2:00 p. m. and continue until sundown, Saturday and will be conducted from 2:00 to 5:30 p. m. on Sunday afternoon. If the weather is cold a bonfire will be built to help the shooters and spectators keep warm, according to C. D. Knott, supervisor.

The second turkey shoot will be held in town, probably on the Eastside of the square, between the East Side Cafe and the Spanish Cafe. It will be target shooting only, for those who would like to shoot, but do not want to go all the way out to the Caliche pit to take part.

Turkeys, hams and bacon will be awarded at both shoots, with six entries needed, at \$2.00. The awards will be the best available, Knott said. He urged all shooters to compete, saying he knows they will be proud of the awards given.

The downtown session will be held on Saturday afternoon only. If weather is absolutely bitter cold, plans will be made to leave the shoot another time.

Knott reminded there will be shotgun, 22, or any other competition any group can get together; at targets, traps, etc. You name the type of competition you're looking for, and get your group together, and the boys will furnish the place to compete.

The turkeys and hams will average 10 to 12 pounds each and the bacon will average about 10 to 14 pounds each.

You can either bring your own shotguns, 22's and ammunition, or they will furnish them for you at the turkey shoot.

Pepp Community To Serve Supper For 14th Year

The 14th Annual Thanksgiving celebration and bazaar of St. Philip Neri Church of Pepp, Texas will be held in Pepp on Thanksgiving day, Nov. 26. Featuring our famous sausage and turkey dinner with all the trimmings which will be served from 11 a. m. to 1 p. m. and from 5 p. m. 'til —. There will be carnival attractions all day, and a dance from 9 p. m. 'til —. Music will be by a western band. Plans are being made by the Parishioners for a bigger and better celebration. The public is cordially invited. The event will be sponsored by the St. Philip Neri Church of Pepp, Texas.

Former Resident Accident Victim

Edward Jokel, former resident, and well known to many Mortontites, was killed recently in a car-truck crash near Alford, Texas.

The Tribune received word of the former resident's death by a postal card from the family this week.

Services were held last Friday at Vernon, Texas where Mr. and Mrs. Jokel made their home. Mr. Jokel lived in the Morton area some 34 years ago and only recently, sold his farm two miles west of Morton.

Survivors include the wife and two daughters, Mrs. Mary Cole of Dallas and Lillie Kubicek of Thalia.

Wesley Masten Dies; Services Are Pending

Funeral services were pending at the Singleton Funeral Home in Morton, early today (Thursday), for 71-year-old J. W. (Wesley) Masten, of Morton, who died at 4 p. m. Wednesday.

Arrangements were awaiting the arrival of two daughters and a son, expected in early this morning.

Mr. Masten, who farmed near Baleyboro, but had lived at Morton for a good many years, died apparently of a heart attack suffered as he and a brother, Alton Masten, of Maple, were preparing to pull cotton. A Singleton Funeral Home ambulance from Muleshoe was summoned, but he was dead when they arrived. The body was then brought to Morton.

Survivors include the wife, Ailene Masten, Morton; one son, Cecil Masten of Wellington (formerly of Morton); two daughters, Mrs. Thelma Curry of Wellington and Mrs. Eva Bagwell of Ft. Worth; three sisters, Mrs. Dona Doughty, Morton; Mrs. Ola McClure of Hereford and Mrs. Alice Frazier of Sudan; five brothers, Alton of Maple; Gilbert, Robert and F. O. of Sudan, and Willie of Amberst; a number of nieces and nephews including James Masten, Donald Mac Masten and Mrs. Bill Wood of Morton and Rayford Masten of Maple; and six grandchildren.

Indians, Maids Play at Frenship Friday Night

With a bi-district football game being played on Friday by the Whiteface Antelope team, the games set for Friday night at Whiteface, have been cancelled.

Instead, Morton's girls and boys basketball teams will travel to Frenship for a pair of games Friday night. The first game will get underway at 7:30 p. m. It will be the Morton boys first game of the season.

Fire Truck Chasers May Be In For 'Big Surprise,' Someday Soon

Fire wagon chasers, beware! For the past four or five years, periodic warnings have been issued in Morton, that unauthorized persons chasing the fire engine, and thus being "in the way" of volunteer firemen racing to the scene of a fire, would be ticketed and fined.

There has been practically none of this... the fining.

But immediately, there will be a change.

Members of the Morton Volunteer Fire Department informed the City Monday night, at the regular meeting of the Commission, that a practice run, or more than one, will be pulled in the very near future. At that time, local law enforcement officers will be laying in wait for the fire wagon chasers. They will be fined upon and fined.

Firemen asked the support of the city in the hope of saving a life. They warned that someone was going to get hurt, if something was not done.

It is a violation of a state law, of a special city ordinance passed a year or so ago, and is punishable by a severe fine.

In other action taken by the council, minutes of previous meeting were read and approved, bills were paid, and permission was granted for the FFA to hold a turkey shoot in downtown Morton if due precautions are taken.

Mother Dies In Slaton Hospital

Funeral services are to be held sometime today (Thursday) for Mrs. B. B. Jones, 62, of Slaton, who died Tuesday in Mercy Hospital at Slaton.

She is the mother of Mrs. Mrs. Sedgewick of Brownfield, former resident of the Morton and Maple area. The husband, five daughters and four sons are among the survivors.

21,200 BALES GINNED SO FAR

"One third of the way through," the report says.

Texas Employment Commission reports this week that 21,200 bales of Cochran County's 1959 cotton crop are ginned, which makes the crop one third completed, from harvesting to ginning.

The report also estimates 75 percent of the crop is open, and gins are on an 18-hour operating schedule.

'Community' Service Set

A Community Thanksgiving Service will be conducted next Tuesday night, November 24th at 7:30 at the First Assembly of God Church in Morton. This Service is sponsored by the Minister's Alliance of Cochran County and everyone is most cordially invited to attend the Service. In this year of bountiful crops we trust every person in the Community will take time out for this Service of Thanksgiving and Praise to Almighty God for His kind providence and care over us.

Give thanks to God by attending this Community Thanksgiving Service with your family and friends.

Hospital Board Hears Written Report Of Stock Inventory, Audit of Books

A written report of the recent inventory and audit of the Cochran County Hospital was presented the hospital's board of managers at a called meeting Tuesday night.

The report was presented by Jackson L. Sisk, public accountant of Levelland.

Following the report, the board elected to continue a monthly audit by Sisk until further notice.

Present for the meeting were J. C. O'Brien, president of the board; L. W. Barret, vice-president of the board; and Arvel Snodgrass, L. E. McDonald, J. C. King, and Bill Glassford, secretary.

In his report, Sisk pointed out that "this accountant was well pleased to see the system of control of funds of this hospital, and believes that the system is adequate to insure that all monies are accounted for to the County Treasurer."

Regarding improvements the accountant said "it is our considered opinion that with harmony among the employees of this institution and its board with all working together to minimize costs to obtain the most efficient results is the core of the solution of the problems of this hospital."

Further, the accountant referred to statements by Dr. J. Walker Davis and Dr. Bill Lee regarding an increase in business at the hospital this year, and he continued: "it may be with close management of the affairs of the hospital together with the solidifying of relations with the staff doctors and an increase in the doctorial staff, the losses in operation of this institution may be reduced markedly."

Oklahoma Rites For Infant Son Of L. Hankins'

Funeral services will be held for the infant, born last Saturday at Cochran County Hospital. The infant was pronounced dead on arrival at the hospital, Wednesday at 2 o'clock, after being found by the mother, apparently dead in its bed.

The Hankins reside at 401 E. Buchanan Ave., in Morton.

The body was taken to Oklahoma today.

Survivors include the parents, a brother, Bruce, three years old; of Morton; and the grandparents, Mr. and Mrs. Luther Hankins, Sr., and Mr. and Mrs. Hershell Murrell, both of Cushing, Okla.

Sunday Is Tabbed Record Day at Missionary Baptist

This coming Sunday, November 22, has been set as Record Attendance Day at the First Missionary Baptist Church here in Morton.

Slogans being used are: "You can count on me to be one of 223" in Sunday School, and, "I'll be one to strive for 135"

Sunday School begins at 6:00 p. m. They are hoping that all church members, those enrolled in Sunday School and Training Service, and many others will rally to help break the previous records of 222 and 134.

During the worship service a special offering will be taken for the support of State work which includes State Missions, the Texas Baptist Orphanage, the Baptist Progress, Jackson-Baptist College, and Local Church Aids.

WHITEFACE - COOPER MEET FOR BI-DISTRICT TITLE AT LEVELLAND

Antelopes will square off in Lebo Stadium at Levelland, Friday afternoon at 2:30 p. m., against the Cooper Pirates of District 4 - B for a bi-district championship game.

Cooper won their way into the playoff struggle with a win over Wilson last Friday night to finish their District play undefeated. The Antelopes defeated Amberst and got an assist from Ropes who knocked off Whitehall, giving Whiteface the 3 - B title.

Indications point to a fine scoring duel between the two evenly-balanced Class B schools. Whiteface has lost only to Plains of Class A, Morton of Class AA, and to Whitehall, a league game, while racking up six triumphs. Whiteface and Three Way, a 6 - man school, each

'Community' Service Set

At this Service the following Program will be rendered:

Assembly of God Pastor, Morton

High Line, Irrigation Pipe Bring Death To Pep Area Farm Laborer

A 26 year old Spanish American laborer's name was added to the ever growing list of persons killed on the "Texas Last Frontier" in the past few years by electrocution.

Felix, Zavala Casares, pulling cotton on a farm just across the county line in Hockley County, Tex. 3, one mile north and four miles west of Pep, somehow got ahead of a piece of irrigation pipe and hoisted it into contact with a high line. The accident occurred Monday morning at around 9:00 a.m. The body was brought to Singleton Funeral Home of Morton, and after preparation, was transferred by train, from Lubbock, to Crystal City, for burial.

Casares was working for S. B. Diersing, and friends in the field with him brought the body to the hospital where he was pronounced dead.

Car To Be Sold By Sheriff's Dept.

Anyone interested in the purchase of a 1946 Pontiac, might be able to drive a real bargain at the Sheriff's Office this week.

Officers came in possession of the car some weeks ago when they shipped a "wetback" to Mexico. It was his car. Now, after receiving the proper papers from the Mexican Consul, the car can be sold.

Those interested should contact someone in the Sheriff's Office.

Brother's Rites At Brownfield

Funeral services were held at 11 a. m. Monday, in the Memorial Chapel of the Brownfield Funeral Home, for W. H. Dumas, 75, resident of West Texas and New Mexico since 1906, and brother of Miss Elizabeth Dumas, teacher in the Morton schools.

He died at his home in Amberst, Saturday morning, after an 18 month illness. Burial was at Brownfield.

Miss Dumas was summoned to her brother's bedside by emergency message received at the Sheriff's Office, Friday afternoon.

Brother Dies In California

Funeral services are scheduled today (Thursday) in Cathedral, Calif., for E. E. (Jack) Page, 54, brother of Mrs. Ida James and Lee Page of Morton.

Mr. Page passed away Tuesday morning at Cathedral, a city some six miles east of Palm Springs Calif. He is survived by his wife. The couple have no children.

Mrs. James left this week for California to attend the funeral services.

A former resident of Littlefield, Mr. Page moved to California in 1936. He visited Morton some four years ago.

County To Purchase Truck For Pct. Three

Cochran County is advertising in the Tribune this week for bids to sell the County a 1960 model two ton truck for use in Pct. Three. A 1953 truck will be traded in.

Preaches Sunday At 1st Methodist

Joe Yates, who has recently preached in a number of area churches, will speak Sunday morning at the First Methodist Church here.

Rev. and Mrs. James E. Harrell will be at Spur Sunday attending the 50th anniversary of the Spur Methodist Church. He is a former pastor there.

Making the trip with the pastor and his wife will be Mr. and Mrs. H. M. Christian of Morton, former members of the Spur church.

Supper Planned Nov. 25th at Enochs Methodist

The Woman's Society of Christian Service of the Enochs Methodist Church will sponsor their annual Thanksgiving supper in Fellowship Hall of the Church, Wednesday, November 25, at 6 p. m.

Plates will be \$1.25 for adults and 65c for children under 12 years of age.

Turkey and dressing with all the trimmings will be the meal served and area folks are urged to come, and bring someone else.

BASKETBALL NEWS

Morton Cage Teams Do Well In Early Basketball Encounters

It was a week of close basketball games for Morton girls last week with the Indian teams coming out on top in a majority of the encounters played at Morton, Whiteface and Three Way.

The Morton Freshmen girls won three straight games to open their 1959-60 schedule, none of them by substantial margins. Gloria Stroud and Carolyn Houston, forwards, paced the local Fresh team in the victories.

They posted two, one-point wins from Whiteface, winning at Whiteface, 16 to 15, on November 14, to open their season. Carolyn's 27 points was the parsetting performance as far as scoring was concerned.

The repeat game with Whiteface found the Morton freshman girls hanging up a 24 to 23 victory as Gloria Stroud poured in

11 points to lead the scoring for the winners.

The Tuesday game with Three Way saw Morton get a five-point final cushion, 32 to 27, and this time Stroud counted 13 markers and Houston 12.

In the only 7th grade game played, Morton won over Muleshoe with a score of 22 to 20 and this time it was Peggy Ramsey tossing in 14 points in the leading scoring role of a real thrilling game.

The 8th graders lost their only game during the week in the Muleshoe double header by a 27 to 22 margin. Evelyn Butler's 14 point effort was the top scoring push by Morton.

The other two games played during the week were varsity games.

Sports News

"FUMBLEITIS" HURTS... IN SEASON GRID FINALE, FRIDAY LOCKNEY ROLLS OVER MORTON

Inopportune fumbles, on a frigid evening, and an inability to "catch-up," cost the Morton Indians a chance for a District 2-AA football championship tie at Lockney last Friday night as the Longhorns rolled roughshod over Morton, 34 to 16.

Covering two Indian fumbles for short touchdown drives, and intercepting an Indian pass for a third, Lockney scored four times in the first half to put the game well out of reach of Morton. They led 28 to 0 at halftime, and though were outscored the second half, 16 to 6, the Longhorns were never really threatened.

Morton managed to halt the first long thrust by Lockney and doggedly tried to stop the second drive, both in the first quarter. But when fullback Bill Mangold romped 11 yards for the first score, Morton's resistance seemed to crumble. They fumbled in the second quarter and Joe Allard covered the ball to set up the Lockney second score. Terry Clark made the TD, and then, on the ensuing kickoff, the Indians fumbled again, and Allard covered on

the Morton 35. Clark made the tally and Allard added the points after.

In desperation Morton took to the air and Mitchell intercepted a pass and raced 65 yards to another score just seconds before the half ended. Those gift 20 points were more than Morton could spare.

Allard added the final Lockney score in the third period and Morton came to life in the final quarter. Steve Middleton heaved a pass to Butch Nairn for a 42 yard scoring play and Tommy Morrison caught a pass for the extra points. Then Nairn got loose behind good blocking on a 67-yard scoring dash for the final TD. Jackie Brown passed to Nairn for the final two points.

The defeat left Morton with a five victory, five loss record on the season, and left them two wins against two losses in district play. It gave Olton the title with a 3-1 mark and left Morton, Lockney and Muleshoe tied for second place. Abernathy is in the cellar at one victory and a trio of losses.

Sports Notes From the Last Frontier Area

Although it is well known by coaches, principals, superintendents, and, in fact, most school personnel, it is well every once in a while to remind the kids who are playing, that it is virtually impossible for a newspaper in a town, no matter how big or small, to "cover" all of the athletic events held.

Sometimes this hurts feelings. Sometimes it works a hardship, publicitywise, on one team or another. But the important thing is to establish that it is certainly not a deliberate thing.

The season has just gotten underway in Morton, and yet we have heard of a report on 13 basketball games. And perhaps, even with all that, we have missed a few. Of that total, NONE have been personally witnessed by the Tribune Staff. We relied on scorebooks, and information passed on by coaches and players for the results. We think most of them were basically correct, but at the same time we're sure some mistakes were made... in wrong first names, wrong spelling of names, perhaps even wrong scores.

We hope, beginning this week, that once again we'll be able to keep up every week a general column of sports talk, mainly consisting of explaining items that are not complete enough, or are even too vague or out of place to be included in a game story.

Our main reason for giving it up, a year or so ago, was lack of space and lack of time to do the job properly. We hope both of those reasons will be less of a factor from now on.

It's early to tell, and certainly we don't want to be a jinx to her future by mentioning it, but you folks who have watched girls basketball through the years might keep an eye on the youngest Ramsey basketball player, Peggy. All of the Ramsey girls were good, hard working basketball players. Belva was the standout, because of an extra-ordinary defensive ability, combined with good height. She was also a very capable forward, but her defense was her strongest suit, which Coach Harley Redin of Wayland found out when he used her on the famed Wayland Queen team.

Getting back to the point we were making, it is simply that little Peggy appears headed for the type of greatness that Belva achieved.

What with the 7th and 8th grade boys and girls teams, two freshman teams, two varsity teams, and some combinations of teams to fit other school's type of program, if you, as a fan, don't get all the basketball you want this season, it'll be your

fault.

Spontaneous scheduling of games, even on the day they are to be played, makes it impossible for us to publish an accurate schedule, but there will be lots of Monday, Tuesday, Thursday and Friday games we imagine, all through the season.

Just a note, to wind up a very successful football season. We'd sincerely like to congratulate all the boys and coaches on a good, hard played season. The won and loss record was the best by far that we have established in many a school year. And who could quibble about the amount of fight displayed by Morton over a rugged schedule. We think our varsity played one of the toughest overall schedules of any high school teams on the South Plains. Teams we have played will win at least three, possibly four District Championships. Farwell or Sudan should win one, Plains or Sundown should win another, Olton won ours, and Whiteface could win theirs.

(P. S. They did.)

Maids Post Good Good Record In Early Scrimmages

The Morton Maids split even in two games played last week as they dropped a 32 to 30 game to Three Way, playing without the services of two regulars, Guard Betty Kuebler and forward Norma Flanagan.

However, as Patsy Amyx "waxed hot" for her top effort of the season, Morton needed every one of her 30 points in pulling past a good Whiteface team, 47 to 46 in a game played here Thursday. The girls had lost a close game to Whiteface, at Whiteface, the previous week.

The results gave the local charges of Pat Hughes a 4 and 2 record in this young season of play and dubbed three forwards, Norma Flanagan, Melba Cook and Patsy Amyx as all potentially good scorers with Sue Ramsey also potentially a high scorer.

Cotton Center Defeats Bula In Final Game

The Bula Bulldogs stubbed their toe in the final game of the season, Friday night when they dropped a 30 to 25 verdict to Cotton Center, in a game that cost them undisputed possession of second place in the 6-man district.

Bula and Three Way ended in a tie for second place with three losses each for the conference play, and the Bulldogs finished with four losses for the season.

Norvell Roberts passed to Larry Pollard for 35 yards for the only first half score for Bula as they trailed at halftime. He then fired a 25 yarder in the third quarter to knot the game, and the resultant reverse of the same passing situation, Pollard to Roberts, scored the extra points to put Bula ahead.

Halfback Larry Stanley scored his third touchdown of the game for Cotton Center, to open the fourth quarter; Roberts scored for Bula to close the gap, but Cotton Center added another score to ice the issue. Bula's last TD was another pass from Roberts to Pollard.

WHITEFACE GRIDDERS WIN DISTRICT 3-B CROWN

Getting a big assist from the Ropesville Eagles, who made their only conference victory of the season, a win over Whitharral, Friday night, the Whiteface Antelopes roared into the champions circle of District 3-B with a hard fought 20 to 14 win over Amherst.

Whitharral trounced Whiteface in an earlier game, and a victory over Ropesville would have tied them with the Antelopes for the title.

Coach Emmett Broderson's Antelopes fought hard for their victory, grabbing a 14 to 0 lead, and then staying off the determined Amherst boys for the triumph. It gave Whiteface a 3-1 district mark and a 6-3 mark for the season.

The Whiteface crew capped a 60 yard drive early in the game with a pass from quarterback Odis Summers to halfback James Ashmore for eight yards and the touchdown. The conversion failed.

A 25 yard punt runback by Ashmore to the Amherst 30 yard line set up another score. They drove to the two yard line and Summers quarterback sneaked for the score and also ran a keeper for the points after, and a 14 to 0 margin.

Amherst tallied before the half on a second period concentrated drive of 28 yards. The two point endeavor was good and the half time score was 14 to 8.

In the fourth quarter, where almost any score would be the deciding one, Amherst miscued on a fumble and Whiteface guard Ken Wesley pounced on it on the

Bulldog 15. Jimmy Collins ran from 8 yards out to ice the game. Amherst wasn't quitting. The moon Kelson of Amherst kicked on his own 33 yard line and ran 83 yards to the Whiteface 7 before he was hauled. He scored on the play but that was the last of the Amherst eleven markers.

There's nothing like a new car—and no new car like a Chevrolet. This is the 1960 Chevrolet Bel Air Sport Coupe!

PEOPLE SAY THESE ARE THE THINGS THEY WANT IN A CAR...and CHEVROLET for '60 comes closest to meeting every need!

Interviews with thousands of car owners across the country show clearly what they like or dislike about their present cars . . . and what they want most in their 1960 cars. Here's what the people tell us they want . . . and here's how Chevrolet meets their needs.

"Price, that's what's uppermost in my mind." All Impalas and Bel Airs with V8 engines are lower in price, as are automatic transmissions and many other popular options. Also Biscaynes now include as standard equipment conveniences formerly optional at extra cost.

"And how about operating economy? And resale value?" You keep right on saving after you buy your favorite Chevrolet, too. And Chevrolet's traditionally higher resale value means you'll get more back when you trade.

"Give me plenty of good old-fashioned comfort." There's comfort and then some in this one. Chevy's long on space, for one thing. Once you're under way you'll know just how comfortable Full Coil suspension makes your ride.

"Safety—don't forget safety!" You're surrounded by safety features in a new

Chevrolet. You've got big, sturdy brakes underfoot, for example, that last longer. As it has been for years, safety is standard equipment in Chevy.

"Let's keep upkeep down, too." More than ever, Chevrolet for 1960 is built to stay on the road and out of the repair shop. You can tell that from its hushed, unruffled way of going, from the solid *thunk* of Chevy's big doors. Of course, if you *should* need service, you're always near efficient, economical attention to your needs.

"I want a car that will stand up to the driving I do." For proof of Chevy's staying power, just spend a minute watching the nearest road. You'll see more Chevrolets traveling on it than any other car—evidence-on-wheels of Chevrolet durability. (And that higher resale value attests to it, too.)

"Me for a sweet-handling car." Handling's always been Chevy's forte, and

1960 is no exception. But really, this kind of lightness and precision you've simply got to enjoy for yourself.

"... a car you can look at and be smug about buying it." Chevrolet for 1960 leaves the low-price field far behind when it comes to fashion. But you're the best judge of styling, so take a good close look at Chevrolet. We warn you: you're about to fall in love.

"And performance. Let's have a hot one!" Chevy's spirited V8's have set the standard for ultra-efficient power in American-built passenger car engines. You've got a long list of performance-minded transmissions to pick from, too.

So that, friends, is what you told us you want. We think it can be summed up rather well in just one word: value.

Get the full story of Chevy's brand of value soon at your Chevrolet dealer's.

Nearest to perfection a low-priced car ever came... CHEVROLET

MEETING IN CINCINNATI

Area Soil Scientists Attending National Agronomy Meet

Scientists from the High Plains Research Foundation will attend meetings of the National Agronomy Society to be held in Cincinnati, Ohio, November 16th through 20th. Mrs. Harold Hinn, chairman of the board of trustees, announced recently, and one will have a place on the program. Dr. Tom Langnecker, director, Dr. Earl Collister, assistant director and Delbert Langford, agronomist, are to make the trip.

Dr. Earl Collister, who is internationally known for his research with sesame is on the convention program. He will present a research paper concerning his plant breeding and genetic studies in developing the Renner's Combine No. 15 variety of sesame. This new variety is a paper shell, non-shattering type which is adapted to complete mechanization in the dryland sections of north and northeast Texas.

Dr. Collister joined the staff at High Plains Research Foundation November 1st, coming from the Texas Research Foundation where he was a staff member for 9 1/2 years.

The convention will include more than 2000 scientists attending from the U. S. and several foreign countries.

SLAUGHTER CATTLE PRICES WEAKEN

The price of slaughter cattle has been on the decline since April of this year. During April the price of choice slaughter steers at Chicago was \$31 per cwt; they have declined from this high point to \$27.50 per cwt in October. With increasingly heavy marketing of fed beef we can expect this downward price trend to continue for several months. This is contrary to the trend in 1958 which saw an upward price movement beginning in August. On July 1, 1959 there was 10 per cent more cattle in the feed lots of the 13 major feeding states than on this same date in 1958. However, marketings from these 13 states during the July-September period was up only 4 per cent. The result of this situation will be increased marketing of fed beef in this last quarter of the year.

RECORD BREAKING NUMBER OF CATTLE ON FEED

The October 1 inventory of cattle and calves on feed indicates there are 4.8 million head on feed in the 21 feeding states. This is 20 per cent higher than at this same time last year and the largest for any October on record.

The four most important western feeding states including Texas, Arizona, Colorado and California led other regions of the country with a 34 per cent increase in number of head on feed over last year.

PRICE OUTLOOK

The facts are on cattle. 1. Supplier of stocker and feeder cattle up - a record number of calves and yearlings were carried over in the January 1 inventory of cattle on farms and ranches. Also, the number of steers and heifers slaughtered the first 8 months of 1959 was 3 per cent less than last year.

Positions Open For Graders Of Fresh Fruit

Agricultural Commodity Graders of fresh fruit, and grain are needed for duty with field officers of the Agricultural Marketing Service, Department of Agriculture, located throughout the country, the United States Civil Service Commission announces. The entrance salary levels are \$4,980 and \$5,985 a year for graders of fresh fruit and vegetables, and \$4,040 and \$4,980 a year for grain.

Appropriate experience or a combination of education and experience is required. Full information is contained in Civil Service Announcement No. 214B. This announcement and application forms may be obtained from Jerry Winder located at Morton, Texas, or from the U. S. Civil Service Commission, Washington 25, D. C.

Applications will be accepted by the Board of U. S. Civil Service Examiners, 6th Floor, Administrative Building, Department of Agriculture, Washington 25, D. C., until further notice.

Union Offering Scholarship to Area Seniors

Announcement of a \$2,000 College Scholarship to be awarded in this region by the Oil, Chemical and Atomic Workers International Union was made today by Roy C. Wall Sec'y of Hobbs, New Mexico Local No. 3-580.

Brochures describing the scholarships which are available to sons and daughters of members of the union and application blanks can be obtained from Local No. 3-580, 1208 S. Selman St., Hobbs, New Mexico.

OCAW is awarding four scholarships each year, three in the United States and one in Canada, each of them \$2,000 for a four year college course. Purpose of the program, the Denver, Colorado based union said, is "to encourage the young men & women of our union to help prepare themselves for positions of leadership and service, both to themselves and to our society."

The scholarships are to be awarded on the basis of scores on a competitive examination administered by the College Entrance Examination Board of Princeton, N. J. Final selection of winners will be made by an independent board of prominent educators selected by the University of Denver.

Eligible high school seniors who are planning on entering college in the fall of 1960 should send in their applications for the scholarships now, Wall said. Once application is made, full instructions will be sent to the candidate.

Examinations will be conducted in March of 1960 and announcement of winners will be made in June of 1960.

Local Youth Are Members of ENMU's Choir

PORTALES (spl.) — Eleven Eastern New Mexico communities are on the 1959 Eastern New Mexico University choir tour itinerary. Thirteen concerts will be presented. David W. Scott, assistant professor in music, will conduct the choir and G. Walter Scott, dean of admissions, will direct the tour.

Personnel of the 1959 - 60 choir includes 3 Mortontites: Jerry Beth Lebow, John Walker, and Sara Jo Wallace.

VISITED OVER WEEKEND

Mr. and Mrs. N. L. Humphreys of Carlsbad, N. M., spent Sunday and Monday visiting Mr. and Mrs. C. H. Hickman and other friends around Morton.

Is Named To "Who's Who" In Colleges

PORTALES (spl.) — Twenty-nine students at Eastern New Mexico University have been selected to Who's Who in American Universities and Colleges and among them is a Three Way high school graduate.

Selections are made from juniors and seniors of the university by an anonymous campus committee. Students are named on the basis of scholarship, leadership, and cooperation in educational and extracurricular activities, general citizenship, and promise on future usefulness. The number of each institution's nominees is based on total enrollment.

Paula Florene Griffith Paul, Arch, N. M. attended Three Way schools and is the daughter of Mr. and Mrs. Frank Griffith, is the student listed.

Jaycees Appoint Committee for Shopping Night

The Morton Jaycees, Monday, named a three man committee to work with any interested clubs in mapping out the Community "Shopping Night" during the Christmas season.

John Barnes, George Boring, and Eddie Irwin will work on the committee with Mr. Hulse, local band director, and representative named by other clubs to the project.

The club also voted to sponsor the Christmas Movie, as held in recent years, if plans can be worked out for it.

Of Course, You're Most Welcome

It has long been a well known fact among professional workers that one compliment, one "thank you", brings rewards that professional fees cannot pay for.

So it was this week when the students of East Elementary School sent to the Tribune office a sheath of letters of "thank-you" for the newspaper file they have built up.

The Tribune has enjoyed sending the papers to the school for use of the students in looking up various materials. The enjoyment will be greater from here on out, knowing they are appreciated.

ATTENDS CHURCH MEETING

Mrs. H. T. Clarke, district representative of the Morton Assembly of God Church, and Rev. and Mrs. Lee of the Whiteface Assembly of God Church, were in Tulsa Monday attending the West Plains Sectional Meeting of the Women's Missionary Council of the Assemblies of God.

VOLUNTARY COMPLIANCE SOUGHT

PCG Gathers Information On Cotton Trailer Registration Law

The Plains Cotton Growers, Inc., notified immediately last week when first rumors of the cotton trailer law being enforced were heard, issued a statement last week on what its investigations have uncovered.

The findings are very similar to those explained last week in the law, passed in 1941, is not new to county tax collectors, though it has not been enforced previously.

Officials of the Texas Department of Public Safety, last week termed the issue of warnings to High Plains farmers and others about the registration of cotton trailers, an educational program aimed at obeying the law.

At a meeting in the Plains Cotton Growers, Inc., office in Lubbock, officials said that only warnings had been issued at various gin points over the High Plains and letters outlining the policy of the Department of Public Safety are being distributed.

This program started in the Valley with the cotton harvest and has now reached the High Plains, they explained.

The law concerning registration of farm trailers was passed in 1941 and the county tax collector has all information concerning the trailer registration.

Public Safety officials said, "We would like this to be considered an educational program for voluntary compliance with this law." Some safety rules suggested include a burning red light on the rear of the trailers, pulling of only one trailer, and adherence to the speed limits while pulling trailers.

Prior to the meeting between officials, House Speaker Wag-

this registration year, is \$4.13. Permits for higher gross weights will be from \$10.39 for 7,000 pounds graduated up to \$17.68 for 10,000 pounds gross per trailer for farmers. Fees for gins who own trailers would be higher.

It was the consensus of opinion that the situation may not cause farmers additional harvesting cost this year. However, what remains to be done for future years seems to be the big question, which will be up to members of the legislature.

The Plains Cotton Growers will use their influence to remedy this situation.

HELEN KELLER IS SUBJECT OF T&C STUDY

Town and Country Study met on Oct. 21, 1960, at the home of Mrs. Sammie Williams. Mrs. Weldon Newsom was the featured speaker. The theme of the program was, "Life is a Journey." Mrs. Jackson distributed a booklet on what we should do about blindness, and how to help a blind person. Miss Newsom brought the life story of Helen Keller.

Helen Adams Keller, one of America's twelve great women leaders during the past hundred years, is best known for her will power, courage, outstanding achievements in spite of her handicaps and her self sacrifice in working to improve the condition of the blind. Through out her lifetime Miss Keller worked unceasingly for the prevention of, and problems of the blind of, and problems of the day war.

"Woman is Like The Reed Which Bends to Every Breeze, But Breaks Not in the Tempest."

T&C CLUB STUDIES 'WOMEN OF STAGE' AT RECENT MEETING

Family Gathering at B. R. Stovalls For 25th Wedding Anniversary

The B. R. Stovall home was the scene of the 25th wedding anniversary celebration of the couple, Sunday.

A meal of chicken and dressing and the trimmings and a three tiered wedding cake with traditional bride and groom atop, served with coffee in the evening, were among highlights of the occasion. Movies and snapshots were taken during the day.

Brad Stovall and Aubrey Hudson were married on Nov. 17, 1934 in the home of T. W. Moore, at Levelland, Texas. Rev. Alfred A. B-man, Baptist minister, officiated.

They have lived at the same farm, five miles west of Morton for the entire 25 years, raising five children, four daughters and one son, all of whom were present Sunday.

They include: Mr. and Mrs. R. J. Cleveland, Christy and Don Walker, Debra, Don-Joy and Susan Kay of Brownsville and three children still at home, Bill, Ginger and Brenda.

Others attending included Mr. and Mrs. Russell Hudson, Tom and Mary Jo; Mr. and Mrs. Windred Patton, Linda and Shirley; Mr. Ed Goodman, Vicki and Becky; Ervin Hudson; and Mr. and Mrs. Ralph Gardner of Morton.

REBEKAHS OFFER "THANKS" TO ALL

The members of the Morton Rebekah Lodge this week offered their sincere thanks to all who attended and helped make their annual Hobo supper a big success, Thursday night.

The dinner, served in the Courtyard Activities Building, feasted some 200 persons turning out.

FALCON, the New-size Ford, delivers the value and cuts the budget!

Handing that's really a breeze. The all-new, new-size Falcon packs on a dime... turns steering ease... without power steering. You'll be able to stop as though you had power brakes... without power brakes.

Room for six—and all their luggage. No doing without in the Falcon! There's a hip, shoulder, knee, and head room galore! Both two- and four-door models are a cinch to enter. Then, thanks to the Falcon's front-mounted engine, there's luggage space aplenty for everyone.

Up to 30 MPG on regular gas, too. And the Falcon actually crossed the country without any oil added. Speaking of theft, the Falcon's finish never needs wax. Its aluminum muffler normally lasts up to twice as long.

Sweet performance from Ford's most modern Six. A full 90 hp. You'll have to feel the pickup and responsive power to believe it! And each Falcon Six is electronically balanced, while running under its own power, for top smoothness.

New luxury interiors. Upholsteries are truly quality-made... materials you'd expect to find in cars costing twice the money. Seats are chair high. The front seat cushion is foam padded. And the Falcon rides smooth as silk... corners on rails.

Proved over 3,000,000 miles. To top off 3 years of testing, a fleet of the new-size Falcons has just been proved over every mile of numbered Federal highway. It's without a doubt, the world's most experienced new car.

SET WEEK OF PRAYER

The WMU has set their week of prayer programs for Dec. 1, 2, 3 and 4, from 2 p. m. to 3:30 each day at the church.

HAS ARTICLE IN STATE TEACHER PUBLICATION

Mrs. Zula Meers Knight, teacher of grade 5 in the Whiteface Public School, is represented in "The Instructor," magazine for elementary teachers, in the current second issue during the current school year.

The December issue contains her art handwork project, "Mosaic Plaster Plaques," appearing under the heading, "Gifts to Please All Ages."

Another project, "Using Clay and Plaster," was published in September.

WHITEFACE FHA TO SEND CARDS TO MENTAL PATIENTS

The Whiteface FHA Chapter met Monday, November 8, for their monthly meeting at 1:15. This month the Christmas cards to send to the mental patients, who in turn will mail them back to the FHA.

There are two seniors working on State Degrees this year. They are Nita Moore and Betty Singleton.

Songs were sung and the meeting was adjourned at 2:30 p. m.

VISITED IN MORTON

Mr. and Mrs. John E. (Tubby) Holloman of Socorro, N. M., visited relatives and friends in Morton Monday night.

An Important Message to Private Car Owners

from

WILLIAMSON INSURANCE AGENCY

Because of public demand, the State Board of Insurance has approved the **TEXAS SAFE DRIVING PLAN**, effective January 1, 1960. This plan provides for a reduction in automobile insurance premiums of 20 per cent for careful drivers who had no accidents or moving traffic violations for a period of three years. Drivers with a record of accidents and traffic violations will be penalized by paying a higher premium. The penalty will be 20 per cent per ticket for a moving traffic violation and 40 percent per accident.

All policies dated after January 1, 1960 will be issued ONLY on written application, completely filled out and signed by the applicant for insurance. Your auto insurance policy cannot be issued without this signed application. **WILLIAMSON INSURANCE AGENCY** will assist and cooperate with you in the preparation of this application.

This plan is mandatory and all insurance companies and their agents doing business in Texas must adhere to the rules and rates as approved by the State Board of Insurance including the application signed by the insured.

Full particulars will appear in next week's paper and a Question and Answer article will follow.

EDITORIALS . . .

Aid to Curb Drunk Driving?

An effort will be made, by actual circulation and explanation of some of the facts, to put in the minds of area residents a message reprinted from Reader's Digest, recently, and prior to that condensed from Traffic Safety (October, '59).

The four page story, entitled "Driver Had Been Drinking," goes over and above the usual article on drinking and driving by quoting facts on the number of accidents, types, per centage of alcohol that it takes to affect a driver's judgement, etc.

These are not new facts to law enforcement officers. But they are facts that most drivers arrested here and charged with driving while intoxicated, dispute, deny, and refuse to absorb.

The County has received 1,000 reprints of the article. Efforts will be made, through churches and in other ways, to have these articles distributed . . . perhaps on the same day a sermon would be delivered on the effects of overindulgence in drinking.

It's no use suggesting people get one of these pamphlets and read it, if they don't want to. Fact is, most of those who would bother to read it carefully, are not those whom are likely to get involved in that type of accident.

Surplus Reduced; CROP Program Is Suffering

A new twist has come to light in the relieving of at least one long suffering agricultural problem . . . that of reducing the surplus of powdered milk.

Few people ever stopped to wonder what would be the result if many of these surpluses were on programs such as CROP and other rural overseas aid plans.

The problem is a complex one . . . If you are delving in the field of international aid toward poverty stricken peoples, CROP has declared it an emergency and is calling for doubled cash donations, in order to purchase the needed powdered milk and other items for overseas aid.

... though to be sure, more than half of our traffic deaths today involve a "had been drinking driver" driver.

Actually the police symbol HBD (Had Been Drinking) carries a more deadly significance than DWI (Driving While Intoxicated). The social drinker, the person who insist he never gets drunk (and, in fact, perhaps he doesn't) is the most dangerous of the drinking drivers.

The facts are all contained in the pamphlet, one of which can be obtained at the Court House, by anyone interested.

But this will not impress these facts on the minds of those who don't want to know.

Running the risk of ruffling the feathers of our friends who drink socially and who insist every time someone talks about the drinking problem, that they are picking on this group, we have a further suggestion. It's a suggestion that might be laughed off the desk of a judge, but nevertheless it would accomplish something that nothing else seems to accomplish.

If every drunk driver, when handed the usual fine and the necessary 3 days in jail sentence were imposed the maximum six months jail sentence . . . and then the remainder of this sentence were probated as soon as that driver could memorize the article, and quote it, two things would be accomplished.

First of all, the driver would definitely read the article. After lounging in jail for a few days or a week, he would suddenly realize the folly of not taking the effort to study it, and at least try to memorize it.

Then, long after his release, there would be no putting these facts out of his mind. In spite of any efforts to forget them, he'd remember the effect of alcohol.

It might not stop him from drinking too much . . . but it would have a definite affect on his thinking. And in each case it did stop a person who had been drinking, from driving immediately thereafter, it would be worth the effort.

Preston Smith Is Member of Legislative Council

Senator Preston Smith, who represents Cochran County with 10 other counties in West Texas, has been named a member of the Texas Legislative Council.

The Council functions as one of the state's most important groups, investigates departments, agencies and officers of state government, and makes studies and gathers information for the use in the Legislature. The Council makes recommendations and frames drafts of legislation as it deems proper.

Senator Smith is one of five senators and 10 representatives who with Speaker of the House Waggoner Carr and Senate President Ben Ramsey make up membership of the Legislative Council.

Council reports and completed staff research reports are made available to members of the Legislature and to the press. Operating through committees, the council functions during the interim between sessions.

During the legislative session, the staff of the council serves members and committees of the Legislature on the subjects which the council has studied, drafting bills or amendments according to legislators' wishes, testifying at committee hearings and preparing requested materials.

Three Way Pulls Stunning Upset For Homecoming

It didn't make any difference in the 6-man conference standings, and it didn't hurt Nazareth a great deal, but Saturday night, before a Homecoming crowd at Three Way, the Eagles pulled one of the biggest upsets of the South Plains grid season when they scored a stunning 39 to 0 victory over Nazareth, the previously unbeaten titan of the 6-man field.

Nazareth had tallied 63 points against Three Way in a previous conference game this season.

One boy, it is said can't make that much difference, and that has to be true. But nevertheless, it must be said of Nazareth, that with the conference title neatly tucked away, they played without the services of their fleet footed, 190-lb. star back. But desire to show the home folks, plus the best out put of a lot of latent talent, brought Three Way the most pleasant ending to a Homecoming celebration they have had in many a year.

Three Way scored every way imaginable, including a safety when Charles Lattimer nailed a Nazareth back behind his own goal. They also put a good use to Nazareth's overanxiousness to score when time was running out, by recovering fumbles and intercepting passes.

Bailey Griffith tallied three times, James Long, Butch Tucker and Carter Williams, once each. Williams romped 50 yards for his TD while Long and Tucker took passes from Virgil Thomas to make their scores. Williams also added an extra point.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

The Cochran Soil Conservation District Board of Supervisors wishes again to remind farmers in the community who have district-owned equipment to please bring it to Mr. Earl Cadhead's farm north of Morton. This should be done as soon as possible in order that needed repairs may be made in preparation for the coming season following harvest.

As the blowing season approaches, everyone is reminded to

note farms where stubble mulching, crop residue utilization, cover cropping with small grains, application of cotton burs, etc., is being practiced. Compare these methods to those areas where strictly mechanized methods are used to control wind erosion. Seeing is believing and in this way the Cochran Soil Conservation District Board of Supervisors believes more farmers will decide conservation pays.

Gov. Daniel Pledges His Support To Lyndon Johnson for President Drive

"I shall support Senator Lyndon B. Johnson for the presidential nomination and for chairman of the Texas delegation to the Democratic National Convention," Governor Price Daniel is quoted as announcing in the latest Texas Democratic Newsletter.

The Governor continues: "The campaign which is being organized by friends of Senator Johnson is not limited to Texas or a 'favorite son' status. It will

become an all-out drive for the nomination. In view of this fact, I think the added prestige of chairman of the Texas delegation would be helpful to Senator Johnson's candidacy and should contribute to unity of our efforts here in Texas. This does not mean that I shall have any less interest in the State and National conventions. On the contrary, I shall take a more active role both in Texas and other States in the Johnson Campaign.

Seek to Restore Fleet's Oldest Active Frigate

Souvenir medals have been struck from copper spools used in the original construction of U. S. Navy's first ship for persons or clubs making donations to help restore the United States Frigate Constellation.

The frigate has served in every one of this country's wars since 1797.

Money raised by the Constellation Committee, headed by R. E. Michel, will go towards replacing deteriorated planking, frames, masts, bulwarks, and the hundreds of other items needed so that the Constellation can remain afloat and take her place as a national shrine.

The U. S. F. Constellation was completed several months before the famous U. S. F. Constitution, and saw action during the 18th and early 19th centuries. She remained on the Navy's active list until 1955, and during World War II was the flagship of the Atlantic Fleet.

Donations of a dollar, or multiples of a dollar, which will make the restoration possible, should be mailed to "Constellation", Baltimore, Md. Be sure to give your full name and address in order that the souvenir medals may be mailed in return.

LEARN WHILE YOU SERVE
U. S. ARMY

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

The Justice Dept. has embarked upon what could be an anti-trust case of major importance.

A Federal grand jury in Kansas City, Mo., has returned an indictment against National Dairy Products Corporation of New York, charging 15 counts of violations of the Robinson-Patman Act.

According to the indictment, National is the largest dairy corporation in C. W. Harder the world, with activities embracing four continents. Whether this is true or not is immaterial, as National is assuredly one of the big three of four in the United States.

In the past few years, those who seek to build a monopoly on a sure thing have been very active in the dairy field. For milk is an essential for which there is no substitute, especially for children and babies.

And at a time when the nation's baby crop has hit the highest peak in national history, the number of dairies keeps declining with many areas now entirely without service from an independent dairy.

In the pending case in Kansas City, it is charged that a large segment of the Missouri market is completely controlled by National, which forces its own distributors to sell milk to retailers at prices designed to drive independents out.

acting assistant attorney general in charge of the anti-trust division, says "The type of predatory and illegal conduct charged in this indictment is particularly deplorable because its impact falls directly upon small businessmen. If the alleged predatory conditions long continued they would make it impossible for small competitors of the defendant to remain in business."

The indictment states that National is using profits from other marketing areas to carry on this nefarious price war in Missouri and once National's stroy's competitors, the prices will be advanced to exorbitant levels.

This, of course, is a classic monopolist's plan. Thus, while Missouri consumers may be getting milk at a big bargain today, once National succeeds in locking the door, they will pay dear for milk.

What makes this situation so deplorable is that there is an alleged attempt by a monopoly minded corporation to make war on babies . . . on babies present and yet unborn.

Thus, a milk monopoly is perhaps the worst kind, as it makes war on infants unable to fight back. But that is perhaps the reason why there is so much activity in mergers, and other monopolist's strategy.

This case by Justice Dept. is bound to be watched with great interest all over the nation. After all, the disposition of this case might well form a pattern that will set the pattern of the dairy industry for a long time to come.

Independent businessmen, farmers, consumers, and yes, even babies, will be watching the outcome of this case.

Y-M Study Club Is Reminded of Need For More Women In Career Nursing

The Y. M. Study Club met on November 12 in the home of Mrs. Fred Payne with Mrs. Steve Monroe as co-hostess.

Mrs. Bob Mayon presided over the meeting with fourteen members answering roll call with "My Favorite Holiday". Fourteen members of the Nurses Auxiliary were guests of the club for the evening. Mrs. Cooter Barnett was guest speaker for the evening. Mrs. Eli Douglas was also present as a guest. Mrs. James Dewbre was welcomed as a new member.

Mrs. Barnett used as her theme "The need for nurses". She stressed that "The need for nurses is always, as great as pain." She told the girls the advantages of having nursing as a

career. Members present were Mesdames Lovell Webb, Jerry Winder, Paul Gunter, Ray Keith Monaghan, Kenneth Watts, Sammie Lovrett, Kenneth McMasers, Robbie Key, Bob Allen, Dexter Nohbut, Billy Gandy, Mayon, Monroe and Payne. The next meeting has been changed from November 25 to Monday, November 23 and it will be in the home of Mrs. Roy Tarter Jr.

Area Scouts Are Registering for Annual Jamboree

Two Whiteface Scouts and one Morton Scout are among the Scouts of the George White District who have registered to attend the 5th National Boy Scout Jamboree, to be held in Colorado Springs, Colo., in July of 1960.

James DeSmet and James Rankin of Whiteface have made reservations and David Ross of Morton is the lone Scout who has applied. Others who have applied so far are from Littlefield and Lovelland.

John Thomas of Falls, the South Plains Council Boy Scout Jubilee Jamboree Chairman made the announcement of Scouts who have made reservations from the George White District.

Reservations to attend must be made by December 1st to assure space for a Scout to attend the Jamboree. It is expected to attract approximately 50,000 Scouts from the United States and foreign countries.

A \$25.00 deposit made at the Boy Scout Service Center, 2109 Ave. X, Lubbock, will hold a space.

Pep Loses To Levelland

The Pep boy's basketball team gave Class AAA Levelland a good tussle for their money, Tuesday night, in a game played at Levelland, before bowing, 44 to 26.

Led by Roy Sage, who popped in 19 points, Levelland was just getting their practice season started. Ronnie Kuehler tallied 11 points to pace all Pep scorers.

The Pep crew will entertain Sudan's Hornets, Friday, Nov. 20, in a game set for 7:20 p. m.

How would you like a garment that would never need washing, cleaning or pressing... it would be water repellent, flame resistant and would wear 10 times as long as any fabric known today? ... that may be cotton clothes a few years from now... in fact, some of these qualities have already been developed by research.

Searches are going on now to improve "wash-and-wear" cottons and within three years "wash-and-wear" will be improved 100 per cent and probably double its market... already it is utilizing 800,000 bales of cotton annually that would not be used otherwise... think what may happen when research develops some treatment to cause dirt to just slide off a shirt and adds another treatment that makes the shirt odorproof... the peak of cotton sales isn't even in sight yet if research is given a proper chance.

Lost Markets
Cotton has lost markets for three reasons: (1) the support price has been held too high... (2) synthetics have been developed that

could do some specific job better than cotton... (3) manufacturers have regarded the course of supply as being too insecure since it was determined by governmental edict rather than by supply and demand... in two of these instances research has helped and can help much more... prices can be lowered by reducing production costs and cotton properties can be developed to prevent synthetics from offering any better performances.

Just Look
Look what has already been done... new insecticides let us control (but unfortunately not eliminate) the boll weevil... there are chemical treatments for weed control that greatly reduce production costs and of course there is the mechanical cotton picker... micronaire measurements have entered the trading picture in recent years to help better determine spinning qualities... a new bale opener is on the market that can save mills up to \$1 per bale... and a granular carding process has been developed that will further increase mill efficiency.

At consumer level there are new, finer water repellent fabrics... new cotton bandages with superior elasticity and clinging power... and many other qualities are adding to cotton's attractiveness.

With all this happening to cotton, there isn't much room for pessimism if its production is given the benefits of continuing research and its marketing is given the freedom to meet competition and consumer demands without governmental interference.

Leadership Is Most Needed Asset for Manager of Small Business Venture

The key to success of failure of a small enterprise is a manager who possesses the qualities of leadership, according to a new leaflet announced today by Mr. Jack Teddlie, Acting Branch Manager of the Small Business Administration in this area.

The leaflet, Essential Personal Qualities For Small Store Managers, is number 46 in the Agency's series of Small Marketers Aids and can be obtained upon request from all Small Business Administration offices.

In announcing the Aid Mr. Teddlie said:

"The qualities referred to in this aid are the qualities of leadership which are so essential to the man at the top. Outlined are some helpful guideposts which can be used to chart the course on the road to self-improvement and personal development."
Small Marketers Aid No. 46 presents six steps to becoming

a successful manager and adds: "The sad truth is that there are men who simply aren't cut out to be small store managers; they're kidding themselves if they think that just because they have the authority they also have the essential personal qualities necessary to make them a success."

Wage Findings Are Reported

Wage findings effective Nov. 12, Cochran County first pulling irrigated and dryland, \$1.50 per hundredweight. Rates less than \$1.55 per hundredweight for pulling are not applicable to Mexican Contract workers.

This was the wage report received this week from Ed Mc Donald, Regional Director, Department of Labor.

Injured Youth Looks Forward to Coming Home

Word received this week indicates that Charles Cogburn, Morton High School senior student, who was injured recently just after the Homecoming parade, when a tractor overturned on him, is improving satisfactorily in a Lubbock Hospital.

Charles, who is in Room 12, St. Mary's Hospital, Lubbock, can have visitors. He is expecting to get out of the hospital on Nov. 23rd and then will remain in bed at his home, south of Morton, until December 12th. He will remain in a wheel chair and on crutches for a while, and then hopes to be back in school at mid-term.

He will welcome visitors now and until he returns to school. Charles is the son of Mr. and Mrs. A. E. Cogburn of Morton.

New Judge of Appeals Court Is Sworn In

A new chief of the Seventh Court of Civil Appeals, which this county and 45 others in the Panhandle and South Plains areas, was officially sworn in at Amarillo, recently.

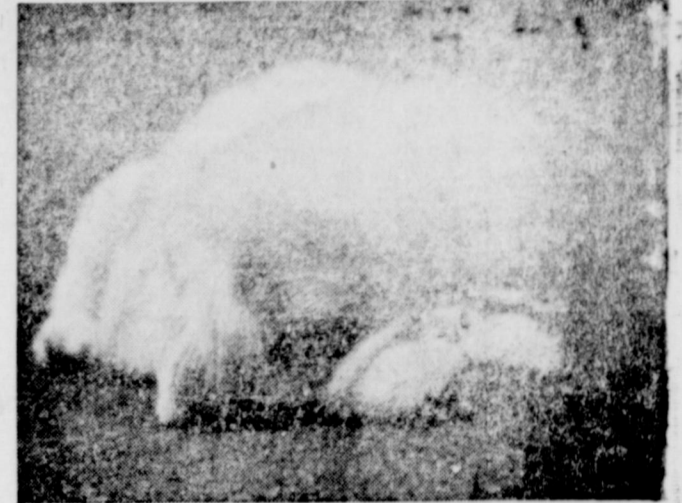

He is Chief Justice James G. Denton, for the past six years Judge of the 99th District Court at Lubbock.

Governor Price Daniel named Denton recently for the appellate post to replace Chief Justice E. L. Pitts, who died last month. Gov. Daniel also named Howard Davison, Lubbock Attorney, to replace Denton on the 99th District Bench.

Both Denton and Davison had been unanimously endorsed for their new offices by the members of the Lubbock County Bar Association.

A Texas Tech graduate, Denton received a degree in government from the Lubbock College in 1938, then graduated from the University Law School in 1941.

Here's Looking At You!

PEKINGESE dogs still retain their popularity as house pets, so why should Linda, two-year-old albino, appear so morose?

ELEPHANT infant, Sanku, a hefty one-year-old, gets weighed while watching circus performance in London. He apparently can't wait to make his debut.

TRY HALF TURKEY FOR THANKSGIVING

Do you feel your family is too small for a big Thanksgiving turkey? You might try a half turkey this year. It will cut down on roasting time and you won't have the problem of leftovers.

Here are the directions for roasting a half or quarter turkey: Rub the cut side with salt. Skewer skin to meat along cut edges to hold the skin and meat together during roasting. Tie the leg to the tail piece and tie a cord around the breast to hold the wing flat.

Place the bird, skin side up, on a rack in a shallow pan. Grease with cooking fat or butter and cover with fat moistened cheesecloth. Baste during roasting. Set oven for 325 degrees.

Here is a guide for roasting times: 3 1/2 to 5 lbs. . . . 3 to 3 1/2 hours 5 to 8 lbs. . . . 3 1/2 to 4 hours 8 to 12 lbs. . . . 4 to 4 1/2 hours

Prepare your favorite stuffing as usual, and bake in a greased or casserole during the last one or one and one-half hours of roasting time. To perk up the stuffing, baste with pan drippings or giblet broth.

NO CRANBERRY SAUCE? These recipes will not take the place of Cranberry Sauce for Thanksgiving Dinner, but they will add color.

PICKLED CANNED BEETS One No. 2 can beets. Drain, but reserve the juice. Leave small beets whole; slice large ones, put in fruit jar.

Boil together 1/2 cup vinegar, 1/4 cup beet water. They are filled with ideas. Before you Add and heat to boiling, 2 T. shop, do some pencil planing.

sugar, 1/2 teaspoon salt and 1 t. pickling spices.

Four beets in jar. Cover jar. Serve cold.

CHILI SAUCE

2 cups canned tomatoes
1 onion, chopped
1/2 teaspoon salt
Dash of cayenne
1/2 teaspoon ground cloves
1/2 teaspoon ground cinnamon
2 tablespoons sugar (or more)
1/2 cup mild vinegar
2 tablespoons chopped green pepper

Combine tomatoes, onion, seasoning, sugar and vinegar. Simmer one hour, add pepper and simmer 1/2 hour longer.

BING CHERRY SALAD

Dissolve:
2 boxes cherry gelatin
2 cups hot liquid (juice from fruit plus water)
Let gelatin congeal slightly in refrigerator

Fold in:
1 No. 2 can drained black bing cherries (pitted)
1 No. 2 can drained crushed pineapple

1 or 2 cups chopped nuts
Pour into 2 qt. greased mold and chill in refrigerator. Serves 15.

STRETCH GET DOLLARS

Haphazard last minute Christmas shopping can ruin that year's budget as well as your disposition. Start now to make your plans and get your shopping done in a business like way, suggest our Extension Home Management Specialists.

Here are some suggestions that will help.

Watch Christmas advertisements in local papers. They are filled with ideas. Before you shop, do some pencil planing.

by making out lists. Take time to study Christmas catalogues or folders that have come from your local stores. The convenient order blank saves millage for you. And the stores will send your selection,

Quarterly Meeting Set Tuesday

The quarterly meeting of all operating committees of the South Plains Council, Boy Scouts of America will meet Tuesday night November 17th at the Mackenzie Park Barbeque House in Lubbock at 7 p. m. John Lott, President of the South Plains Council has announced.

After a chili supper the Scouters will divide into committee groups to develop plans for the next three months of scouting activities.

Scouters from the 20 county area of the South Plains Council are expected.

Slated to Return To United States

Long Beach, Calif. (FHTNC) — Doyle W. Blake, boilerman third class, USN, son of Mr. and Mrs. Bill R. Blake of Morton, Tex., is scheduled to return to Long Beach, Calif., Nov. 22, aboard the fleet oiler USS Guadalupe after a five months tour of duty with the U. S. Seventh Fleet in the Western Pacific.

The Guadalupe, in continuous service since her commissioning in 1940, carries all types of petroleum products and delivers this cargo to Navy ships on the high seas.

While with the fleet she visited the Philippines, Japan and Hong Kong.

provided you observe the minimum purchase amount required for delivery. You may want your gift sent directly from the store, this is certainly time saving — no packaging, no waiting in line at the Post Office. Be sure to take addresses to the store with you if plan to take advantage of the direct mailing service.

ders for you if afternoon shopping is necessary. A schedule of where you will shop will help, too. Last gifts to look for in each store. Give me thought to your 'line of merchandise' within the store or shopping center. You'll save miles of backtracking.

Any plan that puts you in control of the situation results in easier shopping. Be efficient but not rushed so your selections will be satisfying and suited to your gift budget.

Highlights and Sidelights FROM Your State CAPITOL

AUSTIN, Tex. — Sometimes the law enforcement officer has the feeling of being alone. This statement was made by Abilene Police Chief Warren Dodson at the Texas Law Enforcement Foundation's banquet in Austin. It points one of the reasons for TLEF's existence — to effect a better partnership between the public and the law enforcement agencies. Public sympathy, it seems, is inclined to go out to the criminal, putting him in the role of the "underdog," the hapless victim of hard-hearted policemen and prosecuting attorneys. "Texas Legislature has a poor record for crime fighting," Gov. Price Daniel charged at the meeting.

"Of 27 law enforcement bills proposed last session, only three were passed — and these were partially crippled." Governor Daniel warned that crime is increasing three times as fast as the population, and it is the state's most serious social problem. During the first six months of this year, lawlessness flourished at the rate of three murders, three rapes and 125 burglaries each day. TLEF is a privately financed organization of outstanding citizens from over the state. ALL THE WAY FOR LEJ — Governor Daniel announced he will support Sen. Lyndon B. Johnson, not only for the presidential nom-

ination, but for chairman of the Texas delegation to the Los Angeles national convention. Senator Johnson and former Governor Shivers fell out over who should be state delegation chairman in 1956. Johnson won.

Daniel says he wants Johnson to be chairman, but that he (Daniel) will take an active role in working for the senator both here and in other states.

SAVE THE SEED — State Board of Education has gone on record as being unanimously opposed to spending anything but the income from the \$400,000,000 Permanent School Fund.

Fund has been built up over the years, principally through sales on mineral rights on the school lands. It has been invested in government and municipal bonds which have an income of about \$12,500,000 per year.

This investment income is used for school operating expenses. It is dipping into the principal — the \$400,000,000 — that the Board opposes.

Board resolution compared the school trust fund to seed corn which "our forefathers saved to plant instead of grinding it for use as food."

There has been some talk of tapping the permanent fund to meet current demands for a teacher pay raise.

Board of Education approved the holding of a county wide election to see if Cooke County residents would be willing to support a junior college at Gainesville. Textbooks in seven subjects were adopted by the Board, including, for the first time, journalism books.

RULE HITS 'CO-OPERATE OPTOMETRY' — Within the next few weeks Texas optometrists will vote on a proposed new rule prohibiting practice under any name except the name under which the optometrist is licensed.

Before polling the optometrists, the Board of Examiners in Optometry got a ruling from Attorney General Will Wilson stating that the regulation would be legal and valid.

While the board is not bound by the results of the balloting, it was predicted that a favorable response would almost certainly result in adoption of the rule. This, because there are hundreds of individuals engaged in optometry as compared with firms so organized.

If adopted, the rule would prohibit practice "under an assumed name under which the optometrist is licensed."

This would mean the end of such firms as Texas State Optical, and Lee Optical, where glasses are available at a considerable savings to the general public.

HOSPITAL PROBLEMS STUDIED — State Hospital Board has under way studies aimed at three of its current problems.

One is to find a way, other than providing expensive mental hospital facilities, to care for some 2,700 patients whose only ailment at present is old age. Two plans are being considered. One is state assistance toward the cost of caring for the oldsters in private nursing homes. Other is providing for state nursing homes.

Under state law, the state is not responsible for giving institutional care for the aged. But these patients were all admitted on court order as mental cases. Now they're too infirm to be "turned out".

Another problem under study is that of tuberculosis patients who go "awol" from TB hospitals before they are completely cured. Danger is not only that they will relapse, but that they will infect healthy outsiders.

Third matter under study is the facilities needed for present and future care of mentally retarded children under school age.

CARR APPOINTS — Named by Speaker Waggoner Carr to the Joint Educational Standards Commissions were Reps. C. T. Matthew of Yoakum, Leon Thurman of Anson and Maurice S. Pipkin of Brownsville. Commission is to search for ways to cut school costs without sacrificing necessities.

Reps. Louis Anderson of Midland and C. W. Pearcey of Temple have been selected by Carr to serve on a committee to study the state fiscal system.

Some big city solons will serve on a committee to study the possibility of merging some functions of city and county government. They are Reps. Raymond R. Russell of San Antonio, Warren C. Cowen of Ft. Worth and Ben Atwell of Dallas County.

COURT TO MOVE — Texas Supreme Court justices will sit at their new marble bench for the first time on Dec. 3, rather than Nov. 18, as previously announced. A special ceremony will be held Dec. 3 in the new State Courts Building, with the justices formally attired in black robes for the occasion.

Three Way News . . .

By Mrs. Frank Griffith

LETTERS FROM GERMANY

Mr. and Mrs. George Tyson received a letter from their daughter, Wynne, who is in Germany with her husband who is stationed there with the U. S. Army. She asked her mother to send her a rub board, fly sweater and a mouse trap. Mrs. Tyson said she had already mailed the articles to her daughter.

LEGION STAG NAZARETH

The Three Way Eagles played their very best for the benefit of the ex-students who returned for the Homecoming celebration Saturday evening. They defeated Nazareth 28 to 0. Nazareth, the District football champions, were undefeated until Saturday when Three Way skunked them.

Barbara Masten and Butch Tucker were crowned Football

Sweheart and Hero at the halftime.

Senior boys playing their last high school football game were Carter Williams, Charles Lattimer, Butch Tucker, Bailey Griffith, and James Tartion.

Tom Coffman, a junior, received two broken ribs and lacerations on the face in the game Saturday evening.

THREE WAY BIRTHDAY PARTY GIVEN SUNDAY

A triple birthday dinner was given in the home of Mr. and Mrs. Frank Griffith Sunday honoring their daughter, Mrs. Jimmy Battas, a granddaughter, Debbie Battas, and a son-in-law, Ken Paul.

Turkey and part of the trimmings were served. (No cranberries).

VISIT RELATIVES

Mr. and Mrs. W. C. McCel-

vey visited relatives in Anton, Sunday.

WCS MEETS

The Three Way Methodist WSCS met Monday afternoon at the church to continue the study of Luke. Mrs. Tommy Galt led the study.

"EX" OFFICERS ARE ELECTED

At the business meeting of the ex-students of Three Way Saturday evening following the football game, officers were elected for next year. David Cook, the retiring president, presided over the meeting.

George Wheeler was elected president. Mrs. Bill Mann nee Mary Clark was elected secretary-treasurer. Mrs. Gib Dupler nee Peggy Soward was secretary-treasurer the past year.

SUNDAY GUESTS

Guests in the D. P. Brinker home Sunday were Mr. and Mrs. Lyndal Cagle and children of Tatum, N. M. Mrs. Cagle is the daughter of Mr. and Mrs. Brinker.

VISITING IN HOME

Mr. and Mrs. Elton Vaughn of Friona have been visiting in the M. L. Fine home. Mrs. Vaughn is a sister of Mr. Fine.

SPEND WEEKEND

ited Sunday with Mr. and Mrs. L. W. Chapman. Mrs. Burns and Mrs. Gaddy are sisters of Mrs. Chapman and Shuman is a brother.

NO SCHOOL THANKSGIVING

Archie Sims, Supt. of Three Way Schools reports that school will turn out for Thanksgiving on Wednesday, Nov. 25 and will take up again Monday, November 30. The second six weeks examinations are scheduled for Thursday and Friday of this week.

TURKEY SHOOT AT MAPLE

The FFA boys will sponsor a turkey shoot at Maple, Saturday, Nov. 21 at 2 p.m. The boys will furnish 22 shells and those who wish to shoot are to bring their own .22 rifle. They will have 15 turkeys.

TEACHERS MEETING NOV. 23

A meeting for the Bailey County Texas State Teachers Association is scheduled for Monday, November 23 at Bula according to Charles Bowen, principal of Three Way High School. Joe Salem of Sudaon will show uncensored films taken while he was touring Russia recently. Bowen said the Russians did not restrict Salem and that the movie should be of interest to the group.

DRESS REVIEW NOV. 23

The Bailey County Home Demonstration Clubs will sponsor a dress review to be held Monday evening, Nov. 23 at the fellowship hall. The homemaking classes of the schools in the county have been invited to participate in the review.

THREE WAY DEFEATS MORTON

The girls high school basketball teams visited Morton last week. The Morton B team defeated Three Way 32 to 27. Jeanie Tyson of Three Way was high scorer with 17 points. Stroud and Houston of Morton scored 15 and 12 points.

Three Way A team defeated the Morton Maids 37 to 30. Linda Sims scored 27 and Jane Garvin scored 21. Amyx of Morton scored 24.

Gary Middleton's First Record Now Being Distributed

Area radio stations now have on hand copies of the first record of a young Morton vocalist, Gary Middleton, son of Mr. and Mrs. Jim Middleton.

Those interested in hearing the recording can write or call their favorite disc jockey and request them to play "Don't Be Shy" or the flip side of the label, "Pretty Please."

Piggly Wiggly of Morton also hopes to have copies of the record very soon, Middleton said.

Grapho - Analyst Intrigues Local P-TA Audience

The Morton P - TA now numbers 156 paid members, it was reported at the regular meeting of the organization, Tuesday night, in the school Cafeteria, by Mrs. Fred Morrison.

Another report brought to members of the group was that the school nurse is in the midst of an eye testing project for local students, through use of the eye machine purchased a year ago by the school and through cooperation with the Morton Lions Club.

The sizable audience in attendance were treated to an unusual and interesting program by S. A. Ribble, retired minister and ex-teacher, who is a grapho analyst - one who diagnoses personality traits and problems of individuals, through study of their handwriting. Ribble, aided by an assistant, talked about different types of children and how grapho analysis can be used to study their behavior and solve their problems.

He pointed out that a delinquent child is usually a misunderstood and/or an imposed upon child. He pointed out that it is possible to detect a self-conscious, sensitive, acquisitive, visionary, stubborn, proud, vain, over-generous, overly ambitious or slow thinking child, through his or her handwriting.

The assistant, Mr. Edgar Bailey, analyzed the handwriting of a number of the P-TA members and offered his services to anyone with problem children.

The meeting was under the direction of E. Byron Willis, president of the Morton P-TA.

Cox Purchases Buri's '66' Service Station

Paul Cox, son of Mr. and Mrs. A. H. Cox of east of Morton, has announced the purchase of Buri's 66 Service on the Southwest corner of the square here. Mr. and Mrs. Paul Cox have a four week old daughter, Diane Lee. They are members of the Baptist Church. Prior to returning to Morton they were residing in Lubbock. The firm has been re-named Paul's 66 Service.

Dist. Gov. Visits Local Lions Club

Members of the Morton Lion's Club heard words of praise from their District Governor, Glen Jones, of Anton, who visited the Club Wednesday, and also heard him call for Lions Club membership to extend the hand of fellowship to their neighbors, through the spread of Lionism.

Jones complimented the club on their fine, active program, and noted that Lionism, embracing clubs in nearly every country except Russia, has about 15 per cent of its total membership in Texas. He called on members to become better citizens, and thus be better Lions. He told of the working of the Lion-Crippled Children's Camp at Kerrville and the work with the blind, a major Lion project.

Jones also crusaded for more active participation in the international convention of the Lions, so that Texans can claim their rightful share of leadership.

Pep Superintendent Wins Award In Poetry Contest

Supt. Marion J. McDaniel, who formerly taught Bula Schools, was named winner last Friday night of the most coveted award offered by the Poetry Contest.

McDaniel, who placed first in the last Spangone contest, number of his many poems he has authored in various divisions of the annual contests. He was named winner of the 1954 "Old South Prize" contest. Only one other of the contests offered a monetary prize.

The poem, entitled "The Itbearers," will be published in the Society's annual book of poetry sometime next spring. Sentimentation of the award was made to McDaniel at a dinner in the Embassy Ballroom of the Statler - Hilton in Dallas. He and his wife will travel to Dallas for the award.

A graduate of Hardin County and Howard Payne universities, "Mac" has taught in Texas nine years. He served four years in the Force. He began writing around 1938, and though not written professionally, his poems have appeared in various magazines. He also entered a group of in the Society's monthly contests for which results have been announced.

The award, to a first member, is highly complimentary.
