VOLUME 19

MORTON, TEXAS, THURSDAY, DECEMBER 17, 1959

NUMBER FORTY-THREE

AND SANTA WILL BE THERE, TOO

## Legion Post, Lions Club Christmas Party for Underprivileged Children Set for Tomorrow, 7:00 p.m.

The annual American Legion Post 374 Christmas party for underprivileged children of the community, co-sponsored by the Morton Lions club, will be held Friday night beginning at 7:00 p. m. at the local Veteran's Hall.

Albert Morrow, Veteran's Service officer, who has been serving on the planning committee for most of the details of the party, said two organizations are expecting 300 youngsters to attend.

Morrow stressed that Lions and their wives are invited and urged to attend, as well as Legion members and their wives.

The Christmas party will consist of serving of ice cream and refreshments, as in the past, and sacks of candy, fruit and nuts, will be given

each child attending, along with toys and treated from the stage of the Veteran's Hall by Santa himself.

The Legion Hall will be especially decorated for the occasion, including a fine Christmas tree. Anyone knowing of any fam-

ilies where the children probably will receive little or no toys, or where the youngsters could use a "real ice cream treat", is urged to help the Legion and the Lions Club by seeing to it that those youngsters are at the party Friday night.

### Christmas Baskets To Be Distributed . . .

## Kid's Christmas Show Sat. Morning; Admission: One Can or Box of Food

The Morton Jaycees, in conjunction with the Wallace Theatres will present a Christmas Cartoon Movie, Saturday morning, at 10:30 a. m. at the Rose Theatre in Morton, open to all area folks with admission of one can or box of food.

The food will be collected, sorted, and delivered to a list of needy families now in the process of preparation. Jos Seagler, Jaycee, and City Secretary, will be in charge of the distribution portion of the program.

Burnie Haley, manager of the local theatres, said the movie will be a series of cartoons. All the area youngsters are urged to attend. Anyone with names of families that should be added to the list should see that they are turned in to the City Hall immediately.

Any clothes and toys that are collected will also be distributed at the same time, though no special drive is being made by the Jaycees to collect these items.

Sammie Leverett, Elwood Harris and John Barnes are the Jaycees on the Christmas Movie Committee.

## Two Civil Cases Are Heard Here

District Court adjourned on Thursday of last week after settling 8 of 19 cases on the docket when court opened Monday. District Judge M. C. Ledbetter said the 121st District Court had six cases settled and heard two jury trials (civil cases) during the week.

## Farm Meeting Tonight Will Discuss Income Taxes, Legal Exemptions

Thursday evening (tonight), at 7:30 p. m., businessmen and farmers and their wives have been invited to a meeting in the District Courtroom, County Courthouse, to hear two management specialists from Texas A & M.

## GLEN BENJAM OPENS REAL ESTATE OFFICE

Glendon Benham, who farms northeast of Morton, announced this week the opening of real estate offices on the southside of the Cochran County square.

Benham's offices are located in the office just west of Standard Abstract Company.

He extends area folks an invitation to drop by and visit with him.

## Pancake Supper Tuesday Night By Local FHA, FFA

It'll be pancakes, with all the trimmings, Tuesday, Dec. 22, from 5 to 8 p. m. in the Morton High School cafeteria.

The event is being sponsored by the Morton FHA and FFA chapters. The public is cordially invited.

Tickets will be 75 cents for adults and 50 cents for children.

On the menu will be Aunt Jemima pancakes, bacon, butter and syrup — and possibly sausage.

Tickets may be secured in advance from any FHA or FFA member.

The two men, Cecil Parker and Bill Gunter, both with the farm management division of Texas A & M Extension Service, will cover all phases of personal income tax and what they have to say will not only be of interest but will be very pertinent to both farmers and businessmen.

Homer Thompson, Cochran County Agent, in sending out the invitation to all to attend, reminded area folks that most business people as well as farmers are losing hundreds of dollars in legal exemptions, each year, because they don't know what is a legal exemption and what is not. He urged everyone who could possibly make it, to be there for the meeting. "Things are getting so tight, in making expenses remain below income," Thompson said. "It could well be that a few of those deductible items on your income tax, could mean the difference between being able to pay income tax, or going broke."

Such programs have been brought to Morton in previous years and those who attended praised the information they received, many later saying it saved them considerable amounts of money. With the income tax laws changing each year, and with new interpretations of the law added to the books, it would be well for those who have attended previous meetings of this nature, to also attend this year's meeting.

A sincere attempt will be made to give an accurate and complete answer to any questions that may be asked from the floor, during the program.

# FARMERS BATTLING NEW CROP MEASURING PLAN

Cochran County farmers and farm leaders, joined farmers and farm groups through the Plains of Texas this week, in registering their indignation at a Commodity Stabilization Service regulation aimed at curtailing cotton production.

The regulation, placed in the Federal register, states that changes will be made in the method of measuring cotton, so as to rule out skip row planting.

The furor created stems from the fact that skip row planting has been pushed by the Department of Agriculture for many years, as a method of soil building and soil erosion control. So hard has it been pushed that great amounts of financial payments have been made to encourage it, not to mention the money spent through the Soil Conservation Service, experiment stations, etc., compiling statistics as to the benefits.

Skip row planting has the effect of producing half again as much cotton in the planted acreage, one County farmer said this week. This is what the CSS is trying to halt.

Cochran Cotton Growers, the Cochran County Farm Bureau, and individual farmers joined the Plains Cotton Growers, Inc., in the full scale fight to have the regulation abolished.

In waging the fight, PCG sent a delegation to Washington headed by its officers and its manager, George Pfeifferberger.

Clarence Stahl, scheduled for surgery today at the Cochran County Hospital, will need blood, it was announced Wednesday night as attempts were being made to contact donors with Type O negative blood.

Anyone with this type blood, who will donate a pint, is asked to report to the hospital as soon as possible, this morning. Five pints of blood are needed.

## Blood Donors, Type 'O' Negative Needed Today

Clarence Stahl, scheduled for surgery today at the Cochran County Hospital, will need blood, it was announced Wednesday night as attempts were being made to contact donors with Type O negative blood.

Anyone with this type blood, who will donate a pint, is asked to report to the hospital as soon as possible, this morning. Five pints of blood are needed.

## Contest Photos Are On Display At Doss Food

Photographs in the "child photo contest" at Doss Super Market are scheduled to be ready for voters today, Thursday.

Each time a patron votes, the vote automatically registers the individual for the big drawing Dec. 30 for 10,000 Frontier Stamps.

(Details will be found in this week's Doss ad on page 10.)

## Routine Business Studied By Hospital Board

Routine business held the attention of the Cochran County board of managers at their regular second Monday night meeting in the dining room of the hospital. J. C. O'Brien, president of the board, presided. Other members present were L. W. Barrett, vice president, J. C. King, L. E. McDonald, Arvel Snodgrass, and Bill Glassford, secretary.

It was the first meeting of the board for the new manager, Chas. Lewis.

Also attending were Dr. J. Walker Davis, and Dr. Bill Lee, jointly toward the end of the meeting, and County Judge Glenn Thompson.

Mrs. Homer Thompson, hospital bookkeeper, and Mrs. Tom Rowden, superintendent of nurses, met with the board for a few minutes at the opening of the meeting to explain arrangement for a staff dinner to be held Saturday. See (HOSPITAL) Page 10

## Tickets Going Fast On 'Madel T' To Be Given Away

"Tickets are moving fast," was the way Burnie Haley, manager of the Wallace Theatres here, explained the "1910 Model T" ticket program sponsored by local merchants.

Also available at the merchants sponsoring the event are tickets to the free Christmas movie which is scheduled to begin showing Tuesday, Dec. 22, at 2 p. m. and continue through the regular closing time at the Rose Theatre. Saturday, Dec. 19, at 10 a. m. the free youngster show, co-sponsored by the Jaycees, will begin showing. Admittance is by a can of food. It will be an all cartoon movie.

## 'Little Folks' School Program Tonight

The "Little Folks School" will have public Christmas program tonight (Thursday), it was announced by Mrs. Joe Gipson, teacher of the school.

The program, to be held at the school, will get underway at 7:30 p. m. and will include, in addition to a children's participation program, the appearance of a miniature Santa Claus.

## Former Resident, A. J. Langrill Dies in Oklahoma

Funeral services were held in Levelland, Saturday, at 2 p. m., at the 5th Street Baptist Church, for Andrew Jackson Langrill, 82, father of Mrs. Edd McClellan of Morton, and himself a former Mortontite.

Mr. McClellan died at 3 a. m. Thursday at Talleguah, Okla., where he was visiting and where he had lived. His home, at the time he died was in Levelland.

A native Texan, and retired, he lived in Morton, and some of his children had lived here also. Mr. McClellan, and a son Richard, now of Levelland, had farmed west of Morton in the early '30's. Mr. and Mrs. A. J. Langrill then moved to Morton, and Mrs. Langrill died here a few years ago.

Later he moved to Talleguah, and recently had moved to Levelland.

The Rev. Mullins, pastor of the church, conducted the funeral services and burial was in Resthaven Memorial Park, under direction of a Levelland Funeral Home.

Survivors include two sons, R. H. Levelland and E. T., of Talleguah; three daughters, Mrs. W. R. Abel and Mrs. Emma Killebrew, both of Talleguah and Mrs. Edd McClellan, Morton; and 11 grandchildren.

Pallbearers were Floyd Jonas, Cliff Hightower, Clinton Long, Raymond Ross, Taft Thomas and Vernon Haggerman.

## Uncle Claimed At Seagraves; Rites Tuesday

Services were held at 2 p. m. Tuesday for Harold Roco Thomas, 81, uncle of Mrs. Grover D. Edgar of Morton.

William Hall, pastor of the 12th Street Church of Christ in Seagraves officiated at the funeral rites held in that church. Burial was in the Seagraves Cemetery.

Mr. Thomas, who had been a farmer, retired in 1941. The wife, two daughters, four sons, five sisters, 12 grandchildren and 3 great-grandchildren survive.

## CHRISTMAS EDITION WILL BE MAILED TO ALL BOXHOLDERS

Christmas news and ads are now being assembled for the annual Tribune Christmas Edition.

Persons expecting out of town area trips are asked to please call 2361 and give the information to the Tribune.

As in the past, the publication will be mailed to all box holders.

## FARM BUREAU'S DIRECTORS WRITE CONGRESS, ON NEWEST PROBLEM

The Cochran County Farm Bureau took steps at a meeting last Thursday night, to let both Washington and College Station officials know of their complaints to changing methods of measuring cotton, as announced by the Department of Agriculture last week.

The Bureau leaders wrote letters to George Mahon, Sen. Poague, Sen. Cooley, chairman of the Senate Agricultural Committee, Secretary of Agriculture Benson, Sen. Humphreys, Sen. El-

The first snow of the season, a three inch fall by official measurement, and two days of drizzling rains that followed it up, got Cochran County off to a splendid start toward another fine crop year, early this week.

The snow, which blanketed most of the South Plains area Monday afternoon, didn't have much of an opportunity to hang around. A sudden warming trend around 11 p. m. the same evening, turned the flakes of snow to rain drops and then two days of rainfall set in.

The official moisture recorded at the Soil Conservation Office Tuesday morning was only .22 inches, but the Tuesday rainfall added another half inch, and by press time late Wednesday night, the 3-day rainfall was estimated at about 1 1/2 inches.

Even more important was the manner in which it fell. Nearly all of the available moisture got into the ground, thus benefiting crop land tremendously.

For a small percentage of farmers, the moisture came about 48 to 72 hours too soon. That is the amount of time they needed to get piles of cotton in their fields, to the gin. But nearly everyone agreed the beneficial aspects of the rainfall far outweighed the detriments.

The snowfall was considerably heavier in areas of the Northern High Plains, and the storm was a little more troublesome, too, in that freezing temperatures kept ice on the ground and caused severe traffic hazards. Hereford was virtually isolated for many hours.

Some areas reported more than 12 inches of snowfall.

But few farm areas could have received much more benefit from the moisture than did Cochran County.

## Estimated 675 Poll Taxes and Exemptions Issued

The Office of Tax Assessor - Collector of Cochran County reported a total of 675 poll taxes for 1960 had been paid by late Wednesday afternoon, indicating Cochran Countians are not going to be caught with their "voting briches down" when election time rolls around next spring.

In addition to the large number of poll taxes paid, Mrs. Otha Denry, Assessor - Collector, estimated another 150 exemptions have already been written for the coming year.

Although election time has been set earlier next year, by Texas' new election law, the deadline for paying poll taxes remains the same — the 31st of January.

The total, as would be expected, is running considerably ahead of the 1959 total — since next year will be a general election year.

By January 15 of this year only 485 poll taxes had been paid.

## FFA Plans Another Turkey Shoot Friday, Saturday at the Ball Park

The Morton FFA chapter has scheduled another one of their popular turkey shoots for this weekend, Saturday and Sunday.

The main event will be staged at the Cochran County Ball park just north of the swimming pool.

Plans are in the making, but not certain, for another shoot on the eastside of the square.

The shoot at the ball park will start at 2 p. m. Saturday and continue until dark. Sunday the event will start at 2 p. m. and close at 5:30 p. m.

C. D. Knott, chapter advisor, says there will be shotgun, 22, or any other competition any group can work out.

Available will be targets and trap. Individuals are invited to

bring their own guns if they wish. Awards will be turkey, hams, and bacon — each a valuable prize.

A cordial invitation is given the public to attend.

## Truett's Stamp Winners Named

It was a lucky weekend for three food shoppers at Truett's Food Store.

They received 10,000 Morton Saving Stamps absolutely free.

The lucky three were Burt Jennings who took the 5,000 award; Mrs. Buford Elliot, 3,000 stamps; and Mrs. Roy Hill, 2,000 stamps.

# Most Businesses Plan to Stay Closed Over Christmas Weekend

It looks like it will be a long Christmas weekend for Mortontites, as plans were announced by a goodly number of businesses and offices here this week to be closed Christmas Day, and the day following, (Friday and Saturday), December 25 and 26.

With the City of Morton declaring the day following Christmas a legal holiday, the First State Bank will close both days and both the City and County offices, including the Federal offices, an-

nounced plans to close both days. Only a very few Morton businesses have announced they will be open the day following Christmas, and even fewer, of course, will be open Christmas Day.

To be closed the earliest, of those who have announced, will be the lumber companies. Higginbotham - Bartlett and Forrest ginbotham - Bartlett and Forrest Lumber, both plan to close on the night of the 23rd and remain closed until Monday morning.

Allsup Chevrolet will be closed the longest, closing up on Christmas eve and remaining closed until Wednesday following Christmas.

Enos Welding Shop also plans to close from the 23 to the 25 of December.

Western Abstract will close Wednesday noon and stay closed till Monday and Standard Abstract will close Wednesday at 5 p. m. and remain closed until Monday morning.

The Court House will also close all day Wednesday, and remain closed until Monday. City offices and the U. S. Government offices will both be closed Thursday, Friday and Saturday.

Butler's Drive - in will close Thursday and Friday, but will be open for business Saturday and Sunday.

Among those scheduled to be closed Friday till Monday are: Doss Food, Piggly Wiggly, Truett's Food, Seaney's Groc., Willis Food, Willingham Grocery, Jet-

er's Grocery and Hardware, St. Clair's Stores, Cobb's, Childs', Minnie's, Clarke's, Bedwell, Implementation, Gardner - Ross, McAlister - Higgins, McMaster Tractor, Byron's Auto Supply, Morton Auto Parts, Hawkins' Olds, Morton Welding and Repair, Ray's Hardware and Furniture, Tarver Furniture, Smith Furniture and Appliances, Rose Auto and Appliances, and Mahan Motor Company.

Mings' Grocery will be closed only one day, as will Joe's Place,

The Steak House and the Malt Shop. The East Side Cafe will be closed Friday, Saturday, and Sunday.

Raines' Cash Food plans to close Friday and Saturday, going back to a 7 days-a-week schedule Sunday.

Any other firms wishing to announce closing dates are asked to contact the Tribune by Tuesday of next week, so the announcement can be placed in the Christmas edition.

### LEGION, LIONS CLUB MEET TONIGHT TO SACK CANDY

All members of the Morton American Legion Post and the Morton Lions Clubs, and their families, are invited to a meeting tonight at the Legion Hall, in which refreshments will be served and treats will be provided for the youngsters.

The purpose of the meeting is to sack the candy that will be distributed by members of the Legion and the Lions Club at the Christmas dinner for the Underprivileged, the following night, Friday.

The help of as many persons as possible, for just a short while is urgently needed, and will accomplish the task in quick order.

### Bula's Roberts Is Named to State 6-Man 'Star' Team

Bula's Norvell Roberts, fleet-footed senior back, has been selected to represent District 2 - B in the summer football game that usually accompanies the coaching school, next summer.

Roberts whose touchdown record was almost phenomenal over a four year period, was named to the all district offense team, selected at a meeting of the Coaches at Spade, December 9.

League champion Nazareth and Bula placed the most men on the two teams, each copping three of the 12 positions.

The offensive team included: Roberts; Venhaus and Hoelting of Nazareth; Williams of Three Way; Ramage of Spade and Stanley of Cotton Center.

On the defensive team were: Hall and McCall of Bula; Bradlock of Nazareth; Lockwood of Spade and Terry of Cotton Center.

No man was named to both the offensive and defensive team, in order to give more boys a chance to place on the team. Most of the men who were standouts in the conference, were standouts both on offense and defense.

Dan Hall and Donnie McCall were both key men for Coach Howard throughout the past grid season.

Carter Williams of Three Way, utilized his speed to great advantage for the Three Way Eagles and was key man in the late season upset of Nazareth, the only defeat suffered by the league champions until the bi-district game.

Nazareth's Venhaus was selected as the alternate for District 2 - B to the Coaching School team, in case Roberts is unable to compete next summer.

### Post Office Has Ideal Gift for A Thrifty Friend

If you are searching for that ideal last minute Christmas gift the Morton Post office has the answer — an attractive gift book containing United States Savings Stamps.

"While everyone looks to us to do his Christmas mailing, few people think of us as suppliers of gifts," Postmaster Crone told the Morton Tribune this week. "Actually, we've been in the business for some years now with Savings Stamps, and they're an ideal gift."

The gift books come in two sizes. The \$2.50 version contains ten 25 cent Saving Stamps; the \$5.00 size has 20 stamps. These are the same Saving Stamps many youngsters have been buying all year on their weekly School Stamp Days.

"We not only sell the gift stamp books, we give without charge a handy album in which to keep the stamps. When the album is full, you can take it to a bank and exchange it for an interest-bearing United States Savings Bond. It will pay you at the rate of 3 1/2 per cent compounded semi-annually, when held for the full term of seven years and nine months."

In addition to the gift books, the Post office sells individual Savings Stamps, ranging in size from 10c to \$5.00. Savings Bonds can be purchased at most Banks and many savings and loan associations.

### Hodge Podge of SPORTS NOTES...

**By Eddie Irwin**

The Morton boys basketball team had to cancel out a pair of scheduled basketball games set for Saturday night of this week and Monday of next week, due to the fact that their opponent is still playing football.

### Sou. Plains Council Scout Roundtable Held in Morton

The Monthly Scout Leader's Roundtable of the George White District of the South Plains Council was held at the Cochran County Activity Building in Morton, Monday night, December 14, at 7:30 p. m.

The Roundtable is the "swap shop" of Scouting program ideas for Cubbers and Scouters. The January Theme for Cub Scouting is "Cub Scout Scientist." The January Theme for Boy Scouting is "Do it yourself."

cent last Saturday in the tourney finals at Anton, and that just won't beat many teams.

On the bright side is the fact that the playmaking, passing, and ball handling are improving considerably, and we think the boys will begin to hit the bucket pretty soon.

It's funny the things you hear... months, even years after an event occurred, that never crossed your mind at the time. At recent planning meetings of the Morton Athletic Boosters the fact was brought up, rather strongly, that one big mistake at the banquet last year was that it was advertised as an all athletic banquet, but the concentration was on football.

This is not to say that it wasn't. We just don't remember, but what seemed so odd to us is that it took us a year to hear about the unhappiness of the situation. We'd thought the banquet went off very well, and it never occurred to us that the basketball team didn't get equal recognition as the football team.

We took it for granted that basketball players, and their families and friends, knew to be certain things to be included in the basketball banquet.

The Morton Electric football presentation was made. There was no basketball team to be made, the season had got started.

The football players were induced and given credit for hard work, but the basketball season hadn't gotten far along to even judge what were going to do.

The speaker was a football coach, and who would expect him to talk about basketball... certainly not us.

We voted for the all-athletic banquet to include athletes for the whole school. We thought a good idea, and still do. We are sincerely sorry that things were hurt, that perhaps planning was not carefully done. We don't think there was any liberate slight.

### CAROLYN YOUNG IS HONOREE OF BRIDAL SHOWER

Miss Carolyn Young, bride elect of Dan Hook was honored Sunday afternoon from 3 to 5 p. m. with a bridal shower in the parlor of the First Methodist Church.

The bride elect's chosen colors of emerald green and white were carried in decorations.

The serving tables was laid with a white outwork cloth centered with an arrangement of white mums, accented with green glittering pom pom balls and flanked with white candies. Appointments were crystal and silver.

Green punch and white cake squares centered with miniature

wedding bells were served to the guests by Miss Kathy Archer. Miss Opal Bogard registered the 37 guests in the bride's book. Piano music was furnished during the hours by Miss Lennell Clauch and Miss Shirely Cox. Mrs. Dub Kile sang "Tell Me Why."

A reading, "Home" was read by Mrs. Glenn Gaston. Kathy Archer, Judy Young, Shirley Cox and Sammie Reynolds sang "My Happiness."

Hostesses for the occasion were Mrs. E. L. Simmons, C. K. Holt, E. N. McCall, R. P. McCall, Jim Clauch, Tom Bogard, C. L. Cox, H. G. Thompson, Glenn Gaston, John Blackman, Marvin Drake, Leo Holt and I. L. Clawson.

### HD COUNCIL CHRISTMAS PARTY IS HELD

The Cochran County Home Demonstration Council Christmas Party was held December 8th, with 20 ladies attending.

Gifts were exchanged by the group and new officers of the Council were installed including the new Council Chairman, Mrs. Edward Brownlow.

Serving with her will be: Mrs. Bob Hamilton, vice - chairman;

Mrs. Stanley Henderson, secretary and Mrs. Jake Reid, treasurer, who were also installed. Games were played and Christmas carols were sung.

A training meeting was set up for Tuesday of this week, Dec. 15, at 2 o'clock, with the council Chairman, the presidents and the program chairmen from each of the clubs.

**FIVE GENERATIONS** — Five generations of the family of Mrs. Nettie Hanna Longworth, Texas, gathered at her home, November 27, for a reunion and the photo shown above. Pictured with the great - great - grandmother, Mrs. Hanna, are her daughter, Mrs. Oma Lytle, the great - grandmother; her son, Hugh Lytle, the grandfather, of Elida, Ariz.; his daughter, Carola Shrode, of Douglas, Arizona; and her daughter, Leslie. The youngster has 11 living grandparents. Not shown in this picture, the others are, Mr. and Mrs. Chapman and Mr. and Mrs. Paul Minnix, Lamesa, Tex.; Mr. and Mrs. Shrode, Benson, Ariz.; Ed Lytle, Morton; and Florene Lytle, Elida, Ariz.

### WHITEFACE HD CLUB CHRISTMAS PARTY IS HELD AT HOME OF MRS. G. T. LYONS

Mrs. G. T. Lyons was the hostess for the Christmas party for the Whiteface Home Demonstration club, December 10. Since several of the members are working at full time jobs, the meeting was held during the noon hour, for their convenience.

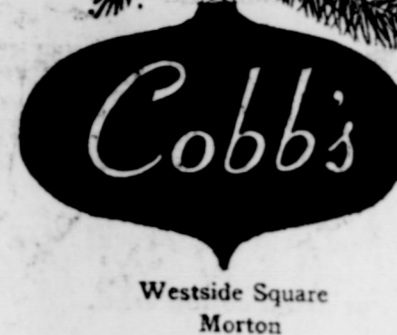

The ladies ate a Mexican dinner prepared by the hostess and Mrs. G. C. Keith, who had served as one of the Food Leaders for the club during the year. Afterwards gifts were shared and a short social period was observed.

Those present were Mesdames C. W. Word, retiring president;

F. Z. Payne, incoming president; T. J. Capps, Ted King, W. S. Gilmore, Maude Lisenbee, G. C. Keith, and the hostess, Mrs. G. T. Lyons. Mrs. Clifford Potts visited the group.

The next meeting will be January 14, at 2 p. m. in the home of Mrs. F. Z. Payne, at which time, Miss Letia Petty will be in charge of the program on "Landscaping for Everyone". An invitation is extended to all ladies of the community who are interested in the subject are interested in the Home Demonstration Club to attend this meeting.

## Things that Make A City Grow . . .

Mortonites have an excellent chance to take part in another project that will go a long way toward helping the community grow.

In the very near future, bids will be secured by the City Commission on the paving of a proposed 19 block paving project . . . but the project could be much greater . . . THE PEOPLE OF MORTON ARE REALLY INTERESTED.

This is not to say it's a proposition that people should be ready to jump at. Acceptance of the opportunity should be on a look see basis. The City Commission has set it up that way. Now the local home owners have the opportunity to get a good bang out of it, both for them and the community.

City officials have said there will be no bond issues, no condemnation suits, no overly excited pressure from the city. Some persons, including engineers and contractors have indicated that there's no way to get anything done. They want to know what they are going to be able to pay. They have the best price possible. The indications are that the Commission, if it sticks to its guns, may have the opportunity to prove them wrong. In getting the indication that 19 blocks of paving can probably be signed

up, they have given the contractors enough of an interesting project that they should be willing to bid.

They also have picked a good time . . . In mid December, when paving projects are at a premium as far as contractors are concerned. They want to sign up jobs that can be scheduled in advance of the summer. This indeed should be the time for a good bid, as far as Mortonites are concerned.

If the bid is a good one, then other Mortonites can jump in and carry part of the load. There will no doubt be some "border line" cases . . . blocks where only one or two persons will be bidding back the project . . . and they might be right on the verge of saying yes with just a little persuasion from their neighbors. Certainly, if done in good taste, without hard feelings, even those people won't resent a group of interested citizens in the block pointing out how the paving can be financed and accomplished without too much hardship on the reticent citizen.

This could bloom into a project of 25 or 30 blocks of paving if Morton folks will carry the ball, after it has been passed to them. But, if they sit back and expect the city officials, or someone else to do the urging, it probably won't get done.

It's the Commission's job to make such a project available, at as good a bargain as they can drive . . . not to go any further.

The community can well be proud that the Commission has taken such steps to protect their interests. The boys at the City Hall have listened to several hours of planning, and even baggling, trying to make the project possible.

What Mortonites do with it from here on, is what will tell the story. Providing that a decent bid is submitted by any one of the bidding area contractors.

No one can deny that one of this city's major drawbacks is its lack of paved streets. Its only one of many, many steps that are needed to put Morton in the pace with other cities of the area. Of comparable size, that have been outstripping us in recent years because of our indecision, our uncertainty, our near sightedness, our downright neglect.

## Plan NOW for a Better Parade In the Future . . .

Now, while it is fresh in everyone's mind, would be a good time to set down on paper all the changes that should be made in the Christmas Shoppers' night, if it is to be held another year.

The project was a success, as it was planned and carried out. But, as is almost always the case in a new project, there are some changes that are urgently needed to make the project a bigger and better one for next year.

We have listed nine things that should be changed. We're sure there are several others. But from the comments we have heard, most of the local folks think the basic idea is a good one, and that it should expand upon for another year.

That means advance planning is needed. Perhaps it could be saved until just after the first of the year, when the season is not such a busy one, but whatever is done, it would seem that setting up a permanent plan would be the project to work on. By starting early enough, not only all the clubs of the area, but all the schools of the area would be tied in. It would, in fact, be most helpful, if those clubs that enjoyed the idea would include it in their agenda of club work for next year.

### OUT OF HOSPITAL

Olen Coon was released from the Taylor Clinic in Lubbock last Wednesday (a week ago) and was back at work last weekend.

For COLDS take 666

By VEEN SANFORD

AUSTIN, Texas — Texas High courts began a new era of stability yesterday with a double barreled dedication of the massive granite Courts Building.

Court of Criminal Appeals dedicated its chambers in the north wing, and the Supreme Court had another ceremony for its new home in the south wing.

Opening of the \$3,000,000 building represented a dream come true for the jurists and State Bar leaders who began talking of a courts building back in 1940, the year of the Supreme Court's 100th anniversary.

Supreme Court dates its origin to the days when Texas was still a republic and the first session was held Jan. 13, 1840, in a private home in Austin. Court of Criminal Appeals was established in 1881 and is the oldest of the only three courts in the world of its type. It has final, exclusive jurisdiction in criminal matters.

In opening day addresses Bar leaders paid tribute to the courts and jurists through the years as guardians of the concept of government by law rather than by men.

Justices of both courts wore for the first time the black robes that will be their court attire from now on. Robes, said Supreme Court Chief Justice J. E. Hickman, are "not to satisfy our own vanity, but in recognition of the fact that we are beginning a new era in the court's history. . . . These elegant surroundings call for a new era."

Judge Hickman, who is planning to retire next year, had said some years ago when the building was still in the planning stage, that to preside in the new courts building was one of his most cherished hopes. When the day came, the elderly, revered jurist, admitted to having among other emotions, a "nostalgic feeling" for the old courtroom where "the great jurists of the past had set." SURE, BUT — A majority of legislators, according to reports, have favored Gov. Price Daniel they favor a pay raise for school teachers.

But from there on their statements — at least those that have been made public — contain little to encourage either the governor or the teachers. Some say they would favor the raise only if it did not mean passing this, that or the other kind of tax. Some point to what they call the improbability of success.

Almost all lawmakers, it seems would be more than willing to vote a teacher raise if the governor can come forward with a money raising plan on which general agreement can be reached. But talk has been mostly of taxes, like the abandoned property tax and three-factor formula franchise tax, which ended, in hopeless wrangling in the four sessions this year.

Some Capitol observers are predicting that Governor Daniel might pass up calling another session and put the blame on the legislators for not being willing to pitch in. This might be coupled with a challenge to the people to elect a different Legislature next time. BOWING OUT — Announcements filtering in from over the state already indicate there'll be a number of new faces in the 57th Legislature when it meets in January, 1961.

Aside from the four men who have resigned and will be replaced in special elections Jan. 9, nearly a dozen representatives have said they will not ask re-election to the House.

In this group are Reps. Joe Ed Winfree, Houston; W. N. Woolsey, Corpus Christi; James S. Bates, Edinburg; Carl Conley, Raymondville; Ben D. Sudderth, Comanche; Oscar M. Laurel, Laredo; Zeke Zbrabek, Daisetta; V. L. Ramsey, Beckville; Jerry Sadler, Palestine.

Some of these will be running for other offices or are hoping to. Others are retiring to private life, at least for the time being.

Those whose places are to be filled in the special elections in January are Sen. Jimmy Phillips of Angleton; Reps. Ted Myatt, Burleson; Bobby Bullock, Hillsboro; and Sam Bass, Freeport. BOAT REGISTRATIONS LAG — Only about one out of every thousand Texas boat owners has thus far registered his craft under the new Water Safety Act.

State Highway Department reports that only 1,747 Certificates of Number have been issued for an estimated 212,000 Texas Motorboats. Deadline for registration is March 1, 1961.

After April 1, 1960, the boat cannot be operated unless Certificate of Number has been placed in each side of the bow.

Highway Department is not authorized to grant an extension in time and has urged boat owners to register now to avoid a pile up in March.

Law applies to all boats with more than 10 horsepower operating in public waters. Applicants can be made with any boat dealer or county tax collector.

Certificates issued now will be good until March 31, 1963. THERE'S A DIFFERENCE — A "joke box" is not a phonograph insofar as the state sales tax on phonographs is concerned.

Atty. Gen. Will Wilson ruled that the 3 per cent sales tax on phonographs, record players and hi-fi equipment does not apply to the coin operated machines.

Coin-operated players are, however, subject to an occupation tax that was in effect before the new tax bill was passed.

FIFTY MILLION IN F-M ROADS — State Highway Department has authorized the spending of \$50,000,000 on farm to market roads in Texas.

Work is divided into three programs. First is designated county roads to become a part of the F-M road system and providing funds for construction of these new roads. Second project is the improvement of F-M roads built early in the farm road building program began in 1949. Many of these, Commission Chairman Herbert C. Petry Jr. pointed out, were narrow and light in order to get as many miles of new roads as possible built quickly. These roads are showing wear and tear and need re-working to protect the investment.

Third phase of the operation is the day to day maintenance in a system now totaling 33,143 miles.

To finance the program the Department will use the \$30,000,000 appropriated every two years by the Colson - Briscoe Farm-to-Market Road Act and \$20,000,000 from gasoline tax revenues available for the betterment of the state road system.

## Urge Early Motor Vehicle Inspection To Avoid the Deadline Rush, Apr. 15

"Motor vehicle inspections should be obtained now to avoid the last minute rushes," said Captain Alan Johnson, Motor Vehicle Inspection Supervisor in this Region.

Johnson reminded all motorists that their motor vehicles must be inspected if the vehicle is registered in Texas, regardless of the age of the vehicle. The official inspection period is from September 1, 1959, through April 15, 1961. He further stated that all miniature automobiles and scooters being used by youngsters must be inspected and registered and the operator have a Texas drivers license if they legally operated on public streets.

Captain Johnson said that since the start of the Inspection Program in 1952, the State's traffic deaths have been reduced by 10 per cent. He said only 4 per cent of the fatal crashes in 1958 involved a motor vehicle with a defect causative factor to the death crash. Only 6 per cent of the non-fatal crashes involved vehicles with defects that were

## Bula Girls Win Kress Tournament

Bula's perennial good girls' basketball teams, keep on rolling, it appeared last weekend, despite the fact that the girls from South Bailey County won't be able to compete for the Conference crown this season.

Coach Carly Risinger's cagers won the Kress tournament last year with a narrow 55 to 52 triumph over Tullay as Lynda Holt led 26 points to pace the team. In winning the girls' division at the meet, the Bula team had four girls on the all-star team. . . . Carol Cooke, Bogard, Phyllis Fred and Holt.

Bula's Larry Pollard made all tourney boys team.

won the Kress tournament last year with a narrow 55 to 52 triumph over Tullay as Lynda Holt led 26 points to pace the team. In winning the girls' division at the meet, the Bula team had four girls on the all-star team. . . . Carol Cooke, Bogard, Phyllis Fred and Holt.

# Cotton Seed Delinting

Here are some advantages of DELINTING your COTTON SEED early this fall:

1. We can saw your cotton seed satisfactorily.
2. Wet Acid process will NOT damage your or green cotton seed.
3. Why handle your seed twice? Bring them by and have them delinted now.

This Christmas... give a present for their future

Children have a great big future, and great big needs, ahead of them. There is no surer way to give them the best of the future, than by giving them U.S. Savings Bonds now.

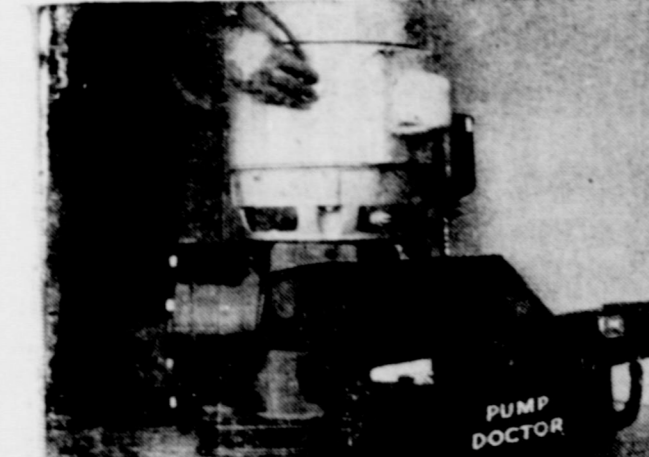

The Bonds you give this Christmas are better than ever. They now earn 3 3/4%, when held to maturity. This means \$18.75 grows into \$25.00 in just 7 years, 9 months — fourteen months faster than before.

Give the presents that help provide for the future of the children you love. Give U.S. Savings Bonds this Christmas.

You can get them with an attractive gift envelope in one brief stop at this bank. While you are here, you are also invited to ask about our Christmas Savings Club, checking and savings accounts, safety deposit boxes and any of our many other services.

Give U.S. Savings Bonds The U.S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, The Advertising Council and FIRST STATE BANK MORTON, TEXAS

A wedding shower was held yesterday (Wednesday, December 14) in the home of Mrs. Barge Warren, west of Morton, in honor of the bride to be.

Co-hostesses for the shower, from 2 until 4 p. m., were: Mrs. D. L. Tucker, Carrie Mildred Tunnell, Gladys Erma Kelly, Grace Adler, Chapman, Clifffe Daricek, Lee Smith, Beaty Powell, Lybow, Jane Sinclair, Mae Mary Mara, Robinson and Mrs. Jug Hill.

The program for the evening was "Early Christian Leaders" and she used the book of Ruth for her discussion. Those present were Mrs. Mayon, Hill, Lowell Webb, Eli Douglas, Fred Payne, Robble K. Y. Betty Gandy, Steve Monroe, Bob Allen, Jerry Windsor, Sammy Leverett, Kenneth McMaisters, Paul Gunter and Nebhut.

The next meeting will be the Christmas party with Mrs. Hill, Mrs. Payne and Mrs. Ray Keit Monaghan in charge.

**YOUNG MATRON'S JUNIOR STUDY CLUB HEARS PROGRAM ON CHRISTIAN LEADERS**

The YM Junior Study Club met December 10 in the home of Mrs. Dexter Nebhut. Sixteen members answered roll call with "My Favorite Bible Character". Mrs. Bob Mayon, president presided. Final plans for the annual Christmas party were made.

Mrs. Jug Hill had the program for the evening. The name of her program was "Early Christian Leaders" and she used the book of Ruth for her discussion. Those present were Mrs. Mayon, Hill, Lowell Webb, Eli Douglas, Fred Payne, Robble K. Y. Betty Gandy, Steve Monroe, Bob Allen, Jerry Windsor, Sammy Leverett, Kenneth McMaisters, Paul Gunter and Nebhut.

**Engaged to Marry . . .**

Mr. and Mrs. J. B. Neal of Morton announce the engagement and approaching marriage of their daughter, Mary Linda, to Bobby Garland Neal, son of Mr. and Mrs. J. B. Neal of Whiteface.

The wedding will take place on St. Valentine's Day, February 14, at the First Methodist Church, Morton, with the Rev. James E. Harrell officiating.

The bride to be and her fiancé are 1938 graduates of Whiteface High School, and are attending South Plains Junior College at Levelland.

**L'ALLEGRO CLUB'S CHRISTMAS PARTY SET FOR TONIGHT**

The L'Allegro Study Club members and their husbands will hold their annual Christmas party tonight (Thursday) at the home of Mrs. James Greener.

Co-hostesses for the party will be Mesdames M. A. Silvers, C. D. Knott, Bobby Travis, James McClure and T. A. Rowland.

Several former members of the club who have moved from Morton to nearby areas, have been sent invitations to attend.

The James Greeners live in the country, several miles northwest of Morton.

**ADVERTISEMENT FOR BIDS**

Sealed bids or proposals addressed to Roy Tarver, Mayor of the City of Morton, City Hall, Morton, Texas, will be received in the Office of the City Clerk in the City Hall of the City of Morton, Texas until 2:00 o'clock p. m. the 18 day of Dec., and then publicly opened, read and considered by the board of Commissioners of the City of Morton, Texas, for the furnishing of all labor and materials, and performing all work, required for the construction of certain street improvements in the City of Morton, Texas.

Plans, specifications and bidding documents may be purchased from the Office of the City Clerk for the sum of \$20.00. Plans and specifications are on file for inspection at the office of Schumling & Lydiek, Consulting Engineers, Portales, New Mexico.

Each bidder submitting a bid for the construction of such street improvements will be required to bid on bid forms provided by the City, which forms may be obtained by any interested bidder at the office of the City Clerk.

The character and amount of good faith deposit to accompany each such bid is stated in the aforementioned contractual documents.

The City of Morton reserves the right to reject any and/or all bids, to waive any and/or all formalities, and to accept the bid which seems the most advantageous to the City.

There must be paid on this project not less than the generally prevailing rate of wages which has been established by the City. A list of such wages as so established is bound with the contractual documents.

This notice issued this, the 2 day of Dec., 1959.

Roy Tarver Jr., Mayor, City of Morton, Texas 41-3tc

**Attorney General Pushes Need for Modernizing Govt. to Save Money**

Wichita Falls, Nov. 10 — Attorney General Will Wilson said tonight that millions of dollars can be saved by modernizing the state government.

He advocated that "before adding any more taxes, we should carefully go over our present tax structure, plug up the loopholes, and reduce the cost of administration."

The attorney general spoke at an annual ladies' night banquet of the Wichita Falls County Bar Association. He said:

"We hear a great deal of talk these days that in spite of a terrific increase in state taxes which the legislature just voted, it is going to be necessary to raise taxes a great deal more. "I question this."

Wilson observed that in recent years, each successive legislature has found it necessary to enact "emergency" tax measures to wipe out a prior year's deficit.

The speaker pointed out that for the year 1959 the general fund had a \$40 million deficit.

"You housewives," Wilson conjectured, "couldn't run your ho-

mes long on this basis without bringing up a whole of an argument — and that's what happened in the legislatures: one general and three special sessions of argument."

As an example of ways to increase efficiency, Wilson suggested permanent license plates for automobiles, good for the life of the car, instead of those now replaced annually.

A saving of half a million dollars a year would result, Wil-

son said, in cost and distribution of the plates.

Along with permanent plates, Wilson recommended legislation changes to permit tighter enforcement of the car registration law, and greater use of machine punched cards, now available in the Highway Department, for more efficient administration.

By these measures, Wilson said, the state would receive an additional \$4 million per year.

Wilson cited the car registration change as "one example" where economies can be effected — indicating that he may later pinpoint other areas where reforms can be made.

**WASHINGTON AND "SMALL BUSINESS"**  
By C. WILSON HARDER

As evidenced by a recent nationwide poll of independent businessmen by the National Federation of Independent Business, there is a substantial desire for small business representation on the Federal Reserve Board.

**Current events in the money market, which is controlled by the Federal Reserve Board, has strengthened this feeling.**

In addition, there is a great segment of the American economy engaged in home building as independent lumber yards, hardware, and contractors in all the trades furnishing huge job employment.

This area is not to be confused with vast public housing projects which like any welfare activity of government, are an inflationary force.

Now, at present the governors of the Federal Reserve Board are entirely picked from the field of what is commonly referred to as "high finance."

Thus, here is a group of men, undoubtedly honest, undoubtedly sincere, who have the power to cut the cord of life insofar as the American independent economy is concerned. Yet in the sphere in which they have been trained, and in which they move, the small businessman is as much a foreigner to them as a native of Patagonia.

Thus, it is felt it is high time that small business be represented on this board so it will know how certain planned decisions will affect the health of independent business.

Such an addition to the Federal Reserve Board might be said to be one of the vital necessities of the day.

Because if excessive government spending, plus billions thrown away in foreign give aways continue to feed inflation's flames, the Federal Reserve Board is soon liable to be actually rousing the economy of the nation.

Traditionally, and undoubtedly properly so, it has never been held that home acquisition is an inflationary force. Instead, it has always been felt that family home ownership is a great stabilizing force.

**COUNCIL MEETING**

Members of the Cochran County 4-H Council met Saturday in the Extension Building in the County Activity Building.

All Achievement Program awarded County medals are given at this annual meeting. Suggestions were made for the program but because of the attendance no action was taken except that the event will be held in January.

Members of the 4-H Council are president and one elected delegate from each 4-H Club in the county.

Meeting Saturday's meeting John St. Clair, Marcus Miles, Lewis and Sharon Clay, Marvin 5th grade 4-H Clubs; McFerrrett and Carlis DuMorton 6th grade Club; Judy

## CHRISTMAS SAFETY SUGGESTIONS

The gaiety of the Christmas season can be changed to grief and sorrow within seconds. The home during this season, is usually loaded with fire hazards and unless safety precautions are taken an accident could happen.

The Christmas tree, the center of most home decorations, can be a principle hazard. The Council suggests, if possible, that a freshly cut tree be selected a few days before Christmas. Before it is placed in the house, the base of the tree should be cut diagonally and placed in water or wet sand. This will keep the tree fresh and help retarding

fire. The tree should be placed so that it will not block exits to a room and keep it away from the fire place, powerful electric lights and other sources of heat.

Other recommendations of the Council are:

1. Use only Underwriters Laboratories approved lights on the tree.
2. Lights which have been used before should be checked for frayed wires or damaged sockets.
3. Do not overload electrical circuits with additional lights, toys and appliances.
4. Use only non-flammable decorations on the tree.
5. Turn off tree lights when no one is at home or the family retires.
6. Discard tree when needles begin to dry and fall.
7. Smokers use extra care with cigars, cigarettes and pipes.
8. Don't let wrappings from packages clutter up the house for they can become a real fire hazard.

Observance of the basic rules of home safety can make the Holiday season happier and life more pleasant for the family and friends.

## CHRISTMAS FOOD IDEAS FEATURED IN BULLETIN

One of the most popular bulletins on the available list now is "Christmas Time At Home" written by Extension Foods and Nutrition specialists of Texas A & M.

And no wonder — this colorful bulletin is filled with ideas for Christmas menus, Christmas food gifts, and lots of tested recipes for cakes, cookies, holiday breads, candies, and even holiday beverages that will be sure to please family or friends.

Free copies of "Christmas Time At Home" are available at this office.

## SHRUBS MAKE LASTING CHRISTMAS GIFTS

Shrubs and trees make long-lasting gifts for a young couple just starting out or for anyone on your list who enjoys adding plants to the landscape.

You will find a wide variety of ornamental shrubs to select from now at your local nursery. Suggestions for this area are Pyracantha, Photinia, Evergreen Euonymus, Japanese Flowering Quince, Glove Abelia, Barberrory Forsythia, Mahonia, etc.

Mimosa, Colorado spruce, Arizona Cypress, Red Bud, Flowering Peach, Red Cedar, Black Walnut, Ash, and pecan are a few of the suggested trees for this area.

# edlines...

By Eddie Irwin

**AMONG THE** things we neglected to mention in our wrap-up of the parade last week were the winners of the awards. We told so many people on the night of the parade, we just simply forgot that some of you who read the paper would know who won.

**the floats . . .**

**WERE** exceptionally well done. One group was found out to be different to decorate a night parade than for a day parade, but nevertheless they did a fine job. The winner of the "most beautiful" award was the YWA of the First Baptist Church, a really pretty float in white, with a compliment of Angels riding on top and entitled "Hark the Herald Angels Sing."

**The other . . .**

**WINNER** was the Morton School chorus, under the direction of Joe L. Carroll, former Morton High School Choral director, may be seen in a telecast Saturday, December 19, from 5 to 5:30 p.m., over KSW5 - TV. The group will present a program of Christmas selections.

rest. what with . . .

**THE SNOW**, followed by a fine rain, and predicted even more snow as the Tribune goes to press, the rest will be short lived for the farmers. They'll go right to work preparing their land for another year . . . proud of the fact that they have the moisture with which to start turning the topsoil under.

## To Appear on Roswell TV Show

The Roswell Senior High School choruses, under the direction of Joe L. Carroll, former Morton High School Choral director, may be seen in a telecast Saturday, December 19, from 5 to 5:30 p.m., over KSW5 - TV. The group will present a program of Christmas selections.

## Lions Hear of Struggle with Drinking By Member of Alcoholics Anonymous

A confirmed alcoholic, led to a new life through his association with Alcoholics Anonymous and through the Grace God," brought the most interesting program to the Morton Lions Club at their noon luncheon meeting, Wednesday.

The Lubbock man, who shall remain anonymous, told the story of his life, through the gradually decadent process of becoming an alcoholic, to the visit with the minister that led him into the fellowship and help of AA.

Asserting that one of every eight drinkers in this country become alcoholics, and stressing that the alcoholic is the last one to know that he really is the victim of a sickness he cannot overcome without help, the speaker told how in meeting with AA, an habitual drinker can find literature that will explain to him just how this sickness can be cured.

"I'm no speaker," the man told the Lions, "but I've spent thousands of dollars, ten years of drinking, and countless hours of pain and sorrow, qualifying myself to speak to you today."

He told how AA, in much the same manner as service organizations, helps lead habitual drinkers to total abstinence, through fellowship, understanding, and through a faith in God.

He urged those interested in helping someone else, or in getting aid for themselves, to attend open meetings of the group on Saturday nights, in Lubbock, and learn how to understand the problem of alcoholism, and how it can be cured.

In business at hand, the Lions were urged to attend the meeting tonight at the Legion Hall to sack candy for the Friday night dinner; to bring a toy to the Legion Hall by Friday noon, and to attend the Friday night dinner for underprivileged children.

## Whiteface Plays Two Games at Bledsoe, Tonight

The Whiteface boys and girls basketball teams will play games at Bledsoe tonight (Thursday), as Bledsoe's teams, victorious in opening games of the Smyer Invitational Tourney Tuesday of this week, prepare for Saturday games in the meet.

Bledsoe's boys beat Dawson, 30 to 24 and their girls team edged the Dawson girls, 23 to 22. They meet the winner of the Smyer - Southland games on Saturday.

## HOSPITALIZED

J. C. Miller was in the Methodist Hospital at Lubbock last Friday and was able to come home Saturday. He was taken to the Renigar - Campbell Clinic Wednesday and remains there.

## With Your... COUNTY AGENT

By Homer Thompson

### COOKING GAME MEAT

Following are some tips in handling a deer that has just been killed. These practices will improve the quality of the meat and thus provide you a good argument for hunting again next year.

1. If the deer does not bleed thoroughly as a result of the bullet wound, bleed the deer immediately after the kill (Be sure he is dead before you try this! Avoid his antlers and hooves). Place the deer on the ground with its head downhill, insert a knife blade just in front of their rear legs and sever the large blood vessels of the neck. This type of cut will not ruin the head if it is to be mounted.

2. Dress the deer as soon as possible to insure rapid loss of body heat. Avoid cutting the internal organs. Care should be taken to prevent hair from coming into contact with the meat. Trim away meat that has become bloodshot by the bullet.

3. Rapid cooling is the next important step. This is accomplished by hanging the carcass in a shady cool spot. Wipe the body cavity dry with a clean cloth and spread the body cavity with a stick for better cooling. Black pepper, if available, sprinkled on the raw edges will help keep flies off the meat. Leave the carcass hanging overnight, if possible.

4. Even though you may want to exhibit your deer, it is best to transport the animal in the trunk of the car. If draped over the front fender of the car, engine heat will start meat spoilage.

5. Before cutting up the carcass, be sure it has been aged properly. One week or longer at 40 degrees F. is considered proper. This "ripening period" should be allowed even if the deer meat is to be frozen.

6. Butchering a deer is very similar to butchering a beef. If the hunter is unfamiliar with the butchering process, it is best to let a butcher do the job.

### HERE IS WHAT RANCHERS ARE DOING IN OTHER AREAS

Sutton County ranchers have come up with a unique way to get equipment for fighting grass fires, according to G. O. Hoffman, extension range specialist. Twenty sections of rangeland in Sutton and Schleider counties had burned by late summer and it was determined that a large part of this area could have been saved if proper equipment had been available.

Hoffman said D. C. Langford, Sutton County Agricultural agent, reported that landowners joined

together under the sponsorship of the Somers Chamber of Commerce and taxed themselves \$10 per section of rangeland in order to purchase proper equipment.

A four wheel drive fire truck has been purchased and equipped to supplement a similar vehicle purchased several years ago. Two way radios have also been purchased so that fire fighting can be supervised from the air. Many ranchers are also equipping their pickups with these radios so fires can be reported more quickly and this will better the communication system, Hoffman said.

Ranchers having power sprayers have been urged to register them with the Chamber of Commerce so they can be located quickly in case of fires. Many ranchers keep their sprayers full of water and ready during the grass fire season, the specialist noted.

Firelines have been constructed around and through several ranches and along roads to prevent fires. Land owners have also posted fire prevention signs furnished by the local newspaper on gates and cattle guards leading into their ranches to remind hunters and others of the fire hazard. The ranchers in Cochran County may want to appoint a committee to work out a fire fighting plan here. If so, the County Agent stands ready to assist in this work.

### 4-H FARM AND HOME SAFETY DEMONSTRATION TEAM AWARDS

The purpose of this program is to develop leadership among 4-H Club members and to demonstrate and encourage safety practices on the farm and in the home.

The demonstration team shall consist of two bona fide 4-H Club members, as set forth by the State 4-H Board of Directors and must be enrolled in a Farm and Home Safety Result Demonstration. Team members must be between the ages of 13 and 21 years as of January 1, 1969, to be eligible for the state contest. The subject shall be of the team's choice as long as it pertains to farm and home safety.

A general subject such as: How We Keep Our Farm and Home Safe or a specific subject such as "Applying Artificial Respiration" may be used. The demonstration, however, must seek a goal of making others safety conscious or provide a means of accident prevention.

If there are 4-H members interested in starting on this demonstration, they should contact the County Agent's office for further information.

## CROP Supporters Urged to Help See That Donated Cotton Is Picked Up

All cotton contributors to CROP ginner, bankers, and others interested in CROP, are asked to get word to Mr. J. C. Eiring, Rt. 2, Plainview, (Phone CA 4-6088) if they have cotton or know of cotton in this area, contributed to CROP.

Eiring is the chairman for the cotton area and has made arrangements to get the cotton to a port city for shipment overseas. As soon as he receives word of cotton to be picked up at any gin or compress he will make the necessary arrangements to have it moved immediately.

Cooperation in this matter will help the cotton arrive where it will do the most good. Eiring has helped with the CROP program for several years and knows exactly what to do when word reaches him of cotton assigned to CROP.

All assistance in this needy overseas program will be sincerely appreciated by the churches who are sponsoring CROP and by the many or compress he will make the necessary arrangements to have it moved immediately.

Dr. Robert P. Anderson, Texas Tech associate professor of psychology will direct the talent inventory in West Texas as one of 100 regional coordinators in the nationwide program.

"Project Talent will test approximately 500,000 high school students throughout the nation — beginning in March — and will coincide with the 1960 census," Anderson said.

At least nine West Texas community high schools and perhaps more, will participate in this region. Freshman through senior students will take a two day battery of tests designed to uncover their aptitudes, abilities and interests.

"The test results, for the first time, will provide an inventory of human resources in the United States," Anderson pointed out. "We expect to learn how many potential scientists, doctors, street cleaners, teachers, soldiers and other occupational workers there are among today's youth."

Arranged in four sections of two and one half hours duration, the test will cover 25 areas of knowledge and aptitude such as English comprehension, arithmetic comprehension and reasoning, mechanical reasoning, clerical ability, creativity, preferences and achievement measurements.

West Texas area schools participating in the inventory program include: Lubbock high schools, Anton, Farwell, Fluvanna, Ira, Littlefield, El Paso, Three Way, and Ector High School in Odessa.

Anderson said a study of the talent inventory results should provide answers to such national questions as: "What types of school and college — big or small, public or private, — produce the most successful graduates in specific fields?"

The long range study may also

reveal how useful guidance counselors are what it takes to become a good artist or scientist.

Long range plans include follow up studies of the same 500,000 people at intervals for almost 25 years.

Making possible such a large scale testing program is the development of new electronic scoring machines, coupled with high speed electronic computers. Each of the 500,000 sets of student's answer sheets will contain about

2,000 items. It is estimated that these one billion bits of information will require 1,250 machine hours for initial scoring, reporting to schools and recording on magnetic tape for analysis and follow up studies.

The survey is being sponsored by the University of Pittsburgh, supported by the United States Office of Education, with assistance from the National Institute of Mental Health and the Office of Naval Research.

## Three Way High School Is Taking Part in Nationwide Testing Program To Measure Aptitudes and Abilities of the Nations' High School Students

Three Way High School is one of the nine schools in the area taking part in a national inventory of aptitudes and abilities as part of the Project Talent, it was announced this week through a news release from Texas Tech.

Dr. Robert P. Anderson, Texas Tech associate professor of psychology will direct the talent inventory in West Texas as one of 100 regional coordinators in the nationwide program.

"Project Talent will test approximately 500,000 high school students throughout the nation — beginning in March — and will coincide with the 1960 census," Anderson said.

At least nine West Texas community high schools and perhaps more, will participate in this region. Freshman through senior students will take a two day battery of tests designed to uncover their aptitudes, abilities and interests.

## Oden Gets Okay From Health Dept.

State health authorities have awarded Elra C. Oden of Morton a Grade B certificate of competency in recognition of his skill and knowledge of water plant operation.

The certificate was awarded under Texas' general sanitation law that plants furnishing water to the public must be under the supervision of an operator who has proved his talent for the job in a written examination and has been certified by the Texas State Department of Health.

A 5 year employee of the local water treatment plant, Oden's newly won certificate will be valid for five years. After meeting certain requirements of experience and training, he will be eligible to try for higher certification.

# Northern Star Seed Farms Offering 2 Different Varieties Of Cotton Planting Seed This Year

**FARMERS—Action often speaks louder than words—Action is what has been taking place at the NORTHERN STAR SEED FARMS in our breeding program.**

**Our latest improved No. 5 is a more storm-proof cotton — ideal for stripping — has an extra high lint turnout. Staples 15 to 1 inch — white cotton that will clean up and clean out at the gin — has less spots and is going to the bank with more money. The farmers that grew this cotton are carried away with the results.**

**Some of this cotton is still in the field for observation. We welcome visitors anytime to come and see it.**

**We will have a limited supply of this seed for sale and we advise you farmers to book what you will need at once with your dealer or ginner near you.**

**The latest improved No. 5 cotton has been developed and we believe possesses the qualities the farmers have been looking for.**

**For spindle picking we have developed Northern Star No. 4 - 11 — a quality cotton for snapping, stripping or spindle type picking. Farmers planning to use mechanical pickers will find No. 4 - 11 will meet all the requirements.**

## SOIL CONSERVATION DISTRICT NEWS

### OUR SOIL ★ OUR STRENGTH

The standard soil survey being made in the Cochran Soil Conservation District is progressing rapidly. Over 285,000 acres have been completed.

Wilt Green, formerly with the Soil Conservation Service at Mulleghoe, has been reassigned to the Levelland office and is now working on the Cochran survey in the Whiteface area.

Information taken from this survey is already being used in

assisting farmers of the district with their problems in conservation. In planning cropping systems, irrigation water management, erosion control, and in many other phases of agriculture this soils information is the key factor necessary for good land management.

Completion of the soil survey next October.

### Jaycees Plan Christmas Show

The Morton Jaycees discussed the Saturday "Christmas Movie" for area youngsters at their Monday meeting and appointed a committee to handle the Saturday morning project.

Area youngsters will be admitted for a can of food, and the goods received will be distributed to needy families in the city and county. John Barnes, Sammie Leverett and Elwood Harris are on the committee.

An announcement was also made about the Thursday night income tax meeting (details elsewhere in this paper) and a poll was asked as to how many businesses planned to be closed both on Christmas Day and the following day. Most of those attending said they would be closed. President John Barnes was in charge of the meeting.

**IN HOSPITAL**  
 Alesia Benham, 3 month old daughter of Mr. and Mrs. Glen Benham, was in the West Texas Hospital at Lubbock Monday until Wednesday, being treated for the croup.

Elizabeth Dupler Among 11 Wayland Students To Receive College Scholarships from the School

Scholastic ability has paid off and Ruel Nash, both of Plainview, have joined with the Trustee Scholarship Committee in providing funds for this effort. Recipients of the Laura H. Osborne Scholarships this fall are: Wilma Johnson, Watsburg, Washington, Sue Ann Bundick, Sundown, Janice Miller, Friona, Robbie Johnson, Bristow, Levelland, all juniors; and Betty Sellers Burnett, Levelland, freshman. College Academic Scholarships went to: Joy Work Webb, Plainview, and Alice Stewart, Stanton, seniors; Robert Berry, 1613 23rd St., Lubbock, sophomore; and Marvin Boyer, 1536 Cerro Vista Road, Albuquerque, junior. This is the second year that the Trustee Scholarship Committee has provided funds for scholarships to be given to young people making high scholastic records. These are in addition to the scholarships going to entering freshmen who were valedictorians, salutatorians high ranking Baptists or who ranked highest in competitive examinations given in the spring to high school seniors.

DAUGHTER IS BORN

Mr. and Mrs. Billy Newman of Morton announced this week the birth of their first child, a daughter, at the Phillips - Dupree Hospital in Levelland, Monday, December 14th. The infant, weighing 7 lbs., 8oz., has been named Sherry Lynn. Grandparents are Mr. L. T. Nefman, of Hobbs, formerly of Morton, and Mr. and Mrs. Paul Agnew, Ceres, Calif.

Local High School Athletic Banquet Set for Feb. 26th

Once again this year, as was the case last year, the Morton Athletic Boosters will sponsor one athletic banquet for the recognition of all local high school athletes. Two major differences will be noted in the banquet coming up, however. First of all, the banquet will be a high school banquet instead of a banquet for the entire school. Anyone can attend, but the honorees at the dinner will be the high school athletes. Secondly, the banquet will be held at the end of the basketball season this year, instead of at the end of football season as was the case last year.

These decisions were made Monday night at a meeting of the Athletic Boosters at the local high school, with seven members attending. The group officially set the date for the banquet as Friday night, February 26th. Both boys and girls will be honored during the evening, and the Athletic Boosters are attempting to contact a speaker whose message, rather than just a serious discussion of one phase of athletics, would instead be a message of general entertainment. The speaker will be announced as soon as his appearance is confirmed.

P-TA Meeting Is Cancelled Due to Weather

Tuesday's scheduled meeting of the Morton Parent - Teacher's Association was cancelled due to inclement weather, it was announced by the president of the organization, Byron Willis. Monday's snow, together with nearly 24 hours of rainfall by Tuesday night, made it too sloppy for traveling in the area, and the meeting was cancelled, because it was expected a lot of persons would be unable to attend.

### Three Way News . . .

By Mrs. Frank Griffith

#### PARENTS OF BOY

Mr. and Mrs. Clifford Dupler of Lubbock are the parents of a son, born last week at the Taylor Clinic in Lubbock. The baby weighed 6 lbs., 14 oz. and was named Terry Dan. Mr. and Mrs. Dupler are formerly of Three Way, and Mrs. Dupler is the former Pauline Warren, daughter of the Bud Warrens. Clifford is the son of Mrs. Minnie Dupler of Maple.

#### WRECK

Frank Griffith was dismissed from the West Plains Hospital of Muldrow Saturday. He was hospitalized Saturday evening Dec. 6, following an accident involving his pick-up. Griffith received 7 broken ribs and a fractured shoulder blade. The accident occurred 1 1/2 miles

southwest of his home on a farm road. He was knocked unconscious after losing control of the vehicle, and after regaining consciousness, drove about 6 miles to Stegall to the home of Mr. Holly and asked Holly to take him to the hospital and send someone to tell his family. About an hour had elapsed from the time of the accident until he reached the hospital.

#### ON SICK LIST

On the sick list this week were Nancy Adams, Dorothy Tucker, Mrs. Rayford Masten, Buck Ragdale, and Gayle McElvey.

#### VISIT GRIFITHS

Visiting in the Frank Griffith home over the weekend were his sisters Mrs. Velma McGuire of Littlefield, Mrs. Frank Perrin and children of Morton, his parents, Mr. and Mrs. Ira Griffith

and a nephew, Mr. and Mrs. Jack McGuire all of Shallowater, and a daughter Mr. and Mrs. W. K. Paul of Portales.

#### LOST TO LAZBUDDIE

The high school basketball team lost to Lazbuddie last Tuesday evening.

#### HOPES TO COME HOME

Mrs. Garvin Long hopes to be home for Christmas. She has been in the West Plains Hospital 6 weeks due to a broken leg she received in an accident while helping her husband harvest cotton.

#### MINOR ACCIDENT

Snow and ice on the roads caused a minor accident, at Stegall Monday afternoon. Bailey Griffith turned his car over when it slid off the pavement and straddled a guy wire to a light pole. The car car tilted over on the right side, breaking the glass on that side and cracking the windshield. The fenders and door were

damaged. No one was injured.

#### SCHOOL TO BE OUT

School turns out for Christmas Wednesday December 23 and will resume classes on Monday January 4, 1960.

### Christmas Mes'age Set for Sunday at First Methodist

Sunday Morning the pastor of the First Methodist Church, Rev. James E. Harrell, is to bring a Christmas Message on "The Birthday of Hope." Christmas music will be arranged by the Choir under the direction of H. C. Hornsby, Choir Director.

Wednesday night the 23rd. A Christmas Pageant will be presented by the combined Youth and Adult Choirs under the direction and arrangement of Mr. Hornsby. Everyone is invited and urged to attend.

### Housewarming for Gerland Browns

Last Friday night the Gerland Browns home of Prairieview Community near Lovington, N. M., was the scene of a surprise housewarming. They received many nice gifts. Games were played. Coffee and cakes were served. Those present were: Mr. and Mrs. Ken Coffman and Ricki; Mr. and Mrs. Ralph Gardner; Mr. and Mrs. Carol Baldrige and Morris Gene; Mr. and Mrs. G. D. Lewis, Tommy and Gwen; Mr. and Mrs. Delbert Stevens and Delberta; Mr. and Mrs. Ralph Cadjew, Leslie and Jimmie; all from Morton.

Mr. and Mrs. J. W. Allen of Tatum, N. M.; Mr. and Mrs. M. Brown; Mr. and Mrs. Ivan Brown and Marvie; Mr. and Mrs. Lloyd Brown, Linda and Milton; J. Marvin Brown all of Bledsoe.

Those sending gifts were Mr. and Mrs. Millard Townsend and family; Mr. and Mrs. Pete Todd

and Girls; Mr. and Mrs. Leo Cunningham and Girls; and Mr. and Mrs. Cy Fields, Diane and Todd all of Morton. Mr. and Mrs. Donald Brown, Marilyn and Nancy, and Mrs. J. Marvin Brown, Kathy and Lee of Bledsoe.

#### TO VISIT HERE

Mrs. W. L. Miller of Pampa is expected to arrive in Morton this week to begin the Christmas holidays here.

### Middleton Paces Boys' Victory Over Ropesville

With Steve Middleton pouring in 18 points to pace the team, the Morton Indians won their final windup game before the Christmas holidays, Tuesday night as they overcame Ropes, 42 to 32. The local girls dropped their game, however, 50 to 40, despite 18 points by Melba Cook and 14 by Sue Ramsey.

The boys won't be idle, however. With scheduled games with Sundown, at Sundown Friday and at Morton, Monday, cancelled, the local boys will conduct workouts until Christmas vacation and will next see action, Tuesday, January 5th, as they play Seagraves on the local court, two boys' games.

The Morton girls may play their scheduled games with Sundown's girls, it was said this week, but that is not a certainty.

The Indians will have one more tourney, at Seagraves, beginning January 7th, before opening their conference season at Olton on January 12th.

### Directors to Meet

The directors of the Morton Lions club will meet at Joe's Place, at 6 a. m. Tuesday morning, December 22, their regular meeting. All Lions are invited to attend.

### Anyone Can Win Train or Doll Set At Morton Drug

Everyone is eligible to register at the Morton Drug Store for twin prizes: a Lionel electric train set, and an Effanbee doll and Layette.

Charles Jones, owner - manager, points out that all one needs is to come by and sign up, absolutely free. Drawing for the awards will be Saturday, December 19.

### Collect \$120 for Muscular Dyst'phy

The Muscular Dystrophy Drive was recipient of \$120.88 in funds collected for the cause in Cochran County, it was announced this week.

The Wesleyan Service Guild, sponsoring the local drive for the fund for the second straight year, collected the total in a door to door campaign plus the collector received in containers installed in various stores.

The Guild offers its sincere appreciation to all those whose donations of both time and money made the drive a success.

### HOSPITAL —

(continued from page one)

urday night at 7 o'clock in the county banquet room.

The board authorized the administrator to check into certain equipment needs and repairs, and to report cost at the next meeting, buying only what was needed immediately.

He was also advised to investigate the possibility of the hospital buying its own linens.

The administrator explained to the board that the hospital was carrying out checking policies in the drug and kitchen which was considered good practice by hospitals in general.

Plans were also made for four members of the board, Barrett, Snodgrass, King, and McDonald, to visit a county hospital off the cap in company with the County Judge and the administrator.

November requisitions for purchases were presented the board by the administrator for signatures.

The Cochran County Auditor's monthly report of receipts and disbursements for the past month showed cash - credit business for November at \$6,724.00, receipts at \$6,875.00, and disbursements at \$10,518.00.

The auditor's report showed total receipts for the first eleven months at \$75,555.00 and disbursements at \$101,559.00.

Number of patients for November was shown at 84, patient days 216, new born 16, and nursery days, 31.

**NEW DUET — Bing Crosby and Robert Wagner out with a vocal refrain in a scene from the picture, "Say One For Me," showing Sunday and Monday at the Rose Theatre in Morton. The picture's co-stars Debbie Reynolds.**

### FARM BUREAU —

(Continued from Page One)

lender, both on the Agricultural Committee and to Lyndon Johnson and Ralph Yarborough, Senators from Texas.

The local complaint is founded in the conflicting principles, upon which the agricultural program is supposed to be based. Farmers are on the one hand urged to strip - crop for the soil fertility benefits and wind erosion control, this method affords, and then are told that if they use this method in cotton production they will be penalized by measurement of the non-cotton acreage, as cotton acreage in their allotted number of acres.

Roy Hickman, one of the members of the local Farm Bureau's policy making committee, reminded that when he started in Soil Conservation work 26 years ago, one of the big projects being pushed, was strip - cropping, to promote better soil fertility and to cut down on wind erosion to the soil. The SCS has struggled through 26 years of pushing this program, and here in Cochran County, the proof of the benefits are

just now being made generally known, although many farmers and the SCS has had the program for a long time. Now that the practice has become acceptable to dry land farmers, who need production can get out of an allotted number of acres, they are to be penalized for it.

Hickman also pointed out the ASC and the Great Plains Conservation program both a payment for the practice of strip cropping, to encourage benefits, and then asked a kind of sense does it make for a project, and then pointed farmers who use it.

The reason that the Department of Agriculture had a memorandum published into the Congressional Record, stating intentions to change the method measuring cotton acreage, simply because of row crop or strip - cropping, was to defeat the aims of other department of Agriculture legislation . . . by producing cotton. A memorandum in the Congressional Record, comes law after a certain period of time, if not enough complaints have been lodged to cause a record, or to bring it to a halt.
