MORTON, TEXAS, THURSDAY, FEBRUARY 18, 1960

NUMBER FIFTY - TWO

PAVING GETS PUBLIC'S OKAY

At a meeting which remained in session until 10 a. m. Tuesday, an account of unenforced circumstances that made it impossible to approve the paving ordinance Monday night, the Morton City Commission received what they termed overwhelming approval on the paving project.

The meeting, in addition to being a regular meeting of the Commission, was a protest hearing on the paving proposal. Not a single protest was heard at the meeting although 12 persons appeared at the meeting to give their approval.

One partial protest was read,

concerning the blocks north of the old elementary buildings, the northernmost buildings in the local system. The protest was from a landowner who could go the block in front of the house, but just didn't feel she could work out the plans for paving on the side of her corner lot at this time. The block had been previously mentioned as one which would be doubtful of "going" in the project.

Another property owner appeared to ask about certain properties on his block, and said he would not stand in the way if the others decided to be included. He was

told there were no protests registered from his block.

One other complaint, from a resident of the Hospital Road or Grant Avenue, was registered. The property owner wanted to know who was responsible for maintaining the paving, and if it would be maintained in the future. He said he was willing to go along if the pavement were maintained.

Told that the City would make every effort to maintain it, he then asked why the road had not been maintained this year, and was told that without a curb and gutter to hold it, and with heavy lugged trucks using the street as a cutoff between two highways, it had been impossible to maintain after it had reached a certain degree of wear.

Requests were read for the addition of six blocks into the project.

The representative of J. R. Fanning, contractor, failed to arrive Monday night, phoning from a neighboring town and informing that his car was on the blink. The meeting was recessed until 10 a. m. Tuesday, for formal motion and acceptance of the paving ordinance, required.

Now the proposal is in the hands of the contractor who must contact

STILL TIME TO GET IN ON PAVING PLANS

J. R. Fanning, contractor on the upcoming paving project for Morton, has reminded Mortonites through an ad in the Tribune this week, that they still have an opportunity to "get in on" the paving project.

Those interested, especially those who believe their block will voluntarily subscribe or sign up, are urged to contact City Secretary Joe Seagler, to have their block added to the list.

M - F Dealer Sets Demonstration of Tractor, Friday

A Massey-Ferguson tractor demonstration has been announced at the Bedwell Implement Company of Morton for Friday, Feb. 19, at 2 p. m. on the L. B. Childs property just south of Morton on the Plains Highway.

The demonstration, scheduled at the request of area farmers, will be a repeat performance of the "only tractor with the exclusive Ferguson System," it was announced.

Scheduled for display will be the MF 85 and 65 diesels with moldboard plows. The new Massey-Ferguson lister - planter with automatic draft leveling wheels will be on display and will be demonstrated at a later date, it was said.

Set for featured performance Friday will be the MF 85 tractor pulling 9 bottoms from 8 to 10 inches deep.

Also to be demonstrated will be the new M-5 Minneapolis - Moline. If the weather halts the demonstration, it will be set for Monday at the same time.

March of Dimes Dance at Pep Friday Night

A March of Dimes Dance has been set for the Pep Community on February 19th, from 9 until 12:00 p. m. It was announced this week by the Community's advertising committee.

The dance, featuring the music of Jimmy Mackey and the Texas All Stars, will be held in the School Auditorium.

Two Victims of Burns Transferred To John Seely Hospital at Galveston

Two victims of recent fires were transferred to the John Seely Hospital at Galveston over the weekend by Singleton Funeral Home ambulance.

Irene Pritchett, 5-year-old Negro girl, burned recently when her dress caught fire in her home here, and Juanita Diaz, 16-year old burned in a butane fire on the Pete Todd farm, southwest of

Lodge to Observe February 22 With Basket Supper

George Washington's Birthday, Monday, Feb. 22, will be observed by the Morton A. F. & A. M. Antelope Lodge No. 1245 with a basket supper beginning at 6:45 p. m. In the banquet room of the Cochran County Activities building.

All Master Masons and their families are invited to attend. The Morton Rainbow Girls will be special guests of the lodge. Following the supper, the Rainbow Girls will conduct initiation ceremonies at the lodge hall. All Master Masons and members of the Eastern Star are invited.

FILING DEADLINE IS MARCH 5TH FOUR CANDIDATES HAVE FILED FOR APRIL 5TH CITY ELECTION

Four applications for candidacy in the City Elections set for the first Tuesday in April, have been received at the office of City Secretary, it was revealed this week by Joe Seagler.

Amos Taylor has filed candidacy for the post of Mayor and Roy Gentry, W. B. Merritt and Robert Richards will be candidates for re-election, Seagler said.

A full slate of city officials will be elected, since those elected last year at the special election

were only elected to fill out the term until the next general election. After the upcoming April election, the five commissioners and mayor elected will draw straws to decide which posts will be for just one year and which will be for two years, and thereafter a City election will be held each year, with terms of office being two year staggered terms.

Midnight, Saturday, March 5th is the deadline for filing for a place on the ballot and the election will be held Tuesday, April 5th.

The Morton City Commission in regular session Monday night at 5 p. m. and held a short business meeting before hearing petitions on the proposed paving project.

All bills were approved on a motion by R. C. Strickland and seconded by Rob Richards.

The Commission was read a copy of the letter mailed to General Telephone Company, asking them to expedite negotiations with the Five Area Telephone Cooperative.

The secretary asked if it was alright to place a \$50 license fee, on permit fee, yearly, on the operation of the pool hall, and no opposition was expressed. He also told the group that he had checked

Preaches Sunday

Minister Kenneth Rhodes, a professor at Lubbock Christian College, will bring the morning and evening service Sunday at the Eastside Church of Christ, Morton.

Preaching last Sunday was Minister Bill Brown of Lubbock. Bible classes begin at 10 a. m. preaching at 11 a. m. and again at 7 p. m. The public is cordially invited to attend all services.

Tribune Ends 19th Year of Publication Here

With this issue - Volume 19, No. 52, the Morton Tribune ends 19 years of operation and begins its 20th consecutive year of business.

The publishers hope that their effort to serve you, the public, these past years, have met with your approval, and it is their hope that each succeeding issue will better serve to fulfill the newspaper's duty, that of keeping the public informed.

Revival Meeting At Enochs Baptist Ends Sunday

A revival series which opened Sunday at the Enochs Baptist Church will conclude with Sunday's services.

I. A. Leonard, pastor of the Emmanuel Baptist Church of Portales, a former Enochs resident, is the evangelist in the weeklong series and Ivan Wozencraft is the song leader.

Pastor of the church, J. J. Terry has invited all area folks to attend the services held at 10 a. m. and 6:45 each weekday.

Pool Hall To Open Council Is Told

Morton may have a pool hall opened this weekend, it was announced at the City Council meeting, Monday night.

Asked about the checking into references of a man who wanted to open a pool hall here, and subsequent issuance of a permit in the sum of \$50 per year, City Secretary Joe Seagler said Mr. Holland, who will open the establishment, indicated he plans to be in Morton this weekend.

The location of the business will be next door east of the Morton Malt Shop.

Under state law the business will be operated as a private club, with membership cards issued to those who are interested in playing. No persons under 16 years of age will be allowed to frequent the location and those 16 and 17 years of age will have to have a permit signed by their parents or guardian.

SUNDAY MORNING FIRE RAZES GROVER WARD HOME The Grover Ward farm home was destroyed by an early morning fire Sunday in an alarm answered by the Morton Volunteer Firemen.

The Wards, who were having some remodeling done on the house, were staying in Morton at the time.

Rites Are Held For Mother Of Local Woman

Funeral services were held at Stephenville, Jan. 27, for Mrs. S. P. Saffell, of Stephenville, mother of Mrs. M. E. Elliott of Morton.

Mrs. Saffell died January 25. Mr. and Mrs. Elliott attended the funeral services.

Auto Collision Puts One Person In The Hospital

Mrs. W. A. Woods suffered a broken arm and leg and her husband, W. A. (Shorty) Woods suffered cuts and bruises about the face, Sunday morning, when their car was involved in a collision with a car carrying three persons.

The other vehicle, driven by J. F. Bass, had three occupants, two of whom were taken to the hospital but released. They were Mrs. Bertie Lynch and Mrs. Lowe. Woods was released after treatment at the hospital but Mrs. Woods remained hospitalized, Wednesday.

The mishap occurred just north of Morton near the cemetery.

Purchase of Maytag Laundry Is Announced

Mr. and Mrs. (Cherokee) Abbe have announced their purchase of the Maytag Laundry here just southwest of Forrest Lumber Company.

They will offer wet wash, dry-wash, finish work, and pickup and delivery.

Mrs. J. T. Lowe has been operating the laundry for the past few years.

Civil Case Settled; 2-Year Sentence Probated, As Court Term Concludes

The final session of the winter term of 121st District Court was adjourned here around 1 p. m. Monday, with settlement of a civil suit outside of court.

One criminal case was heard when E. L. Mora, charged with DWI second offense pled guilty to the charge and was given a two year probated sentence.

The civil case heard, grew out of a mishap which occurred on the Whiteface Highway last year when a Butler Body Shop wrecker, towing a car belonging to Mrs. Bea Yarborough overturned. Mrs. Yarborough was a passenger in the wrecker. She was injured and hospitalized for several weeks.

The new Grand Jury will be in session on March 14th and the next term of District Court slated for Cochran County is set for March 28th according to District Judge M. C. Ledbetter.

Will Contest Case Is Transferred

A will contest case that ended in a hung jury last month at Concho County and indirectly concerns some Cochran County residents has been transferred to 119th District Court in San Angelo, reports the San Angelo Standard-Times.

District Judge O. L. Parish has set the trial for 10 a. m. Feb. 29.

A will of Mrs. M. A. (Lizzie A.) Moore is being contested by Mrs. Mary Etta Layton, a niece and her husband, J. W. Layton; Mrs. Juanita Snow, a niece, and her husband, Hillary Snow, all of Bailey County; and Mrs. Ethel Miley, a sister, of Wichita County.

Mrs. Moore, who died this past January, is an aunt of Mrs. John Lloyd of here.

Mrs. Moore's estate is reported to be of considerable value.

Proponents' attorneys are the firm of Swalm and Swalm of Eden, John M. Harrod, also of Eden, and the firm of Upton, Upton, Baker, and Griffin of San Angelo. Attorneys for the contestants are the Lubbock firm of Huff, Splawn, and Powers.

Except for two \$500 bequests to Irving Miley, Arlington, a nephew, and Alton Sorce, Midland, her late husband's nephew, Mrs. Moore's estate is left to another sister, Mrs. C. W. Gatewood of Concho County. Mr. Moore died Aug. 29, 1958.

ROY D. GREER IS WINNER . . .

First Contest Winner Gets Jackpot; This Week May Not Be So Simple

The first entry out of the big Who's Who box Tuesday afternoon won \$66.

The entry was signed by Roy D. Greer, Star Route 1, Morton.

It was drawn by little Miss Cassandra Reeder, 4, daughter of Mr. and Mrs. Rusty Reeder of Morton.

Greer correctly named Miss

Elza Ella Ramsey, who operates the Morton Hotel here with her sister, Miss Mary Alva Ramsey, as the mystery Who's Who person.

He correctly listed 18 clues, signed his name and address.

When informed by telephone of his good luck, Greer exclaimed,

See (WHO'S WHO) Page 9

Revival Underway At 3-Way Baptist; To End Sunday

A revival meeting got underway at the Three Way Baptist Church, last night, Wednesday, February 17 and will conclude with the Sunday night service, February 21.

The revival series, according to Rev. Byron Hardgrove, pastor of the Church is being conducted by Evangelist Homer Martinez, of Ft. Worth, who has preached in this area several times before.

Service are held each evening at 7:30 p. m. The Sunday morning service will be at 11 a. m. following 10 a. m. Sunday School services.

Singer for the meeting is James McGinley, Jr.

Rev. Hardgrove has issued an invitation to everyone to attend any or all of the series of services.

Maple Man New Board President Of Bailey County Elec. Cooperative

The annual meeting of the members of the Bailey County Electric Cooperative Association was held in the Muleshoe, High School Auditorium, February 12. Approximately 500 people including members and visitors were present.

Rev. V. P. Whitfield, pastor of the Longview Baptist Church gave the invocation.

Joe Harbin, secretary-treasurer gave the financial report and then reported on some of the activities of the Cooperative. He pointed out that the Cooperative had initiated a retirement program for the employees, built a shop for hot stick equipment and oil circuit recloser repair and spent money for other things. The purpose of all this, he added "is to just give the members better service."

Merrill Riggen, area Representative from Lubbock gave a report on "use of Electricity and how it affects you." He pointed out how the cost of materials, labor, and equipment had gone up.

The applicants, after being filed out, are mailed to the Texas Highway Department. The Department will assign the applicant a number. Fees to the state for registration is divided into four classes, ranging from \$1 to \$12.50.

Motor Boat Numbers Are Being Issued

Persons owning motor boats may get "application for Texas certificate of number for motorboat" at either the Cochran County Tax Assessor-collector office or the Sheriff's office, it was announced this week.

The applicants, after being filed out, are mailed to the Texas Highway Department. The Department will assign the applicant a number. Fees to the state for registration is divided into four classes, ranging from \$1 to \$12.50.

Not All Guesses Were Correct — Clues Trip Some

Although by far the majority of entries last week listed the area Who's Who personage as Miss Elza Ramsey, there were many interesting entries.

Among them were entries identifying Who's Who as the Ramsey sisters, Mrs. J. Walker Davis, Allsup Chevrolet Company, Jack Wallace, Carlton Luper, James St. Clair, and others.

And clues — there were many different assortments.

They included: Right on the Corner — Right on the Price; Always first with the Latest; We strive to please; Drive it — It's Fun-tastic; Fully Insured; your business appreciated, February festival of values, a powerful pleasure to drive; nationally known — locally owned; the store of famous brands; home owned and operated . . . you have a royal welcome awaiting you . . . and many more.

White's Auto Drawing Winners Are Named

Saturday was a lucky day for three area residents who registered for the free awards at White Auto Store, Morton.

The number one award, an 18 - inch rotary White power lawn mower, went to Mrs. Willie Pierce, Maple.

Second prize, an Arvin table model radio, went to L. F. Fitzgerald, Morton.

The White auto battery, the third award, was awarded to Glen McDaniel, Morton.

The drawing, which was announced earlier in the Morton Tribune was held Saturday evening at 6 o'clock.

Drawing the names from the box was Tom Slaten, son of Mr. and Mrs. Vernon Slaten of Morton.

Mr. and Mrs. O'val Massey, owners and operators of the White Store here, expressed their appreciation to the many hundreds who registered for the awards, during the store's "grand opening."

WEEKEND AT TATUM

Mr. and Mrs. L. W. Barrett spent the weekend at Tatum, N. Mex., with Mrs. Barrett's sisters, Mrs. Lila Simpson and Miss Ada Odell. A nephew, Mr. M. P. Braswell and wife of DeKalb City, Tex., were there to visit with his aunt, and returned home with the Barretts to visit Monday and Tuesday.

BIBLE STUDENT CHOIR WILL SING AT WICHITA FALLS

PORTALES (sp.) — A chorus made up of students in the Church of Christ Bible center at Eastern New Mexico University will sing Monday evening (Feb. 15) in the Wichita Falls, Texas, municipal auditorium, according to Dr. Stephen Eckstein, director of the center. Included are Mr. and Mrs. Truman Harris of Morton, Texas.

Directed by Bill Blackstone, Portales, the group will be participating in a "Campaign for Christ" program which features Willard Collins, vice-president of David Lipscomb college.

MRS. BOBBY GARLAND NEAL, (nee MISS LINDA RAMP)

Miss Linda Ramp, Bobby G. Neal Exchange Wedding Vows Sunday

Miss Linda Ramp and Mr. Bobby Garland Neal were united in marriage at a double ring ceremony at the First Methodist Church in Morton, Texas on Sunday, Saint Valentine's Day, February 14, at two-thirty o'clock in the afternoon.

The Rev. James E. Harrell, minister of the church, officiated. Parents of the bridal couple are Mr. and Mrs. Harvey Robert Ramp of Morton, and Mr. and Mrs. J. B. Neal of Whiteface.

The bride was escorted to the altar by her father who gave her in marriage. She wore an original gown of silk mist taffeta and French imported Chantilly lace, designed with portrait neckline outlined with scalloped lace and dotted with sequins and mock pearls. The fitted lace bodice had long sleeves that tapered to petal points, and featured an Empire waistline. Joining this was a voluminous skirt with silk mist taffeta front, highlighted by panels of lace at the sides. The skirt was fashioned with fan shaped panels that fell into a chapel train. Her veil of silk illusion flowed from a cap of lace banded by pearls and dotted with sequins. She wore a single strand of pearls, a gift of the bridegroom. Her bouquet, carried on a white ribbon, was of rose buds and lily of the valley, centered with orchids.

The matron of honor was Mrs. W. B. Woodgrass of Levelland. Bridesmaids were Miss Mary Kay Rankin, McMurry College, Abilene, and Miss Susan Burks, cousin of the bride, of Dallas.

The attendants wore identical dresses fashioned of petal pink silk organza featuring a cuffed shoulder cord extending to a deep V at center back, highlighted by a large flowing bow. From the slim bodice stemmed with a billowing waist length skirt. Flat bows of matching fabric were enhanced by circular veils fashioned into tiny hats. Petal pink satin slippers were worn to match. The Matron of Honor and the Bridesmaids carried a single long stemmed red rose.

Miss Jamie Harrington of Dallas was flower girl, and was dressed in petal pink silk organza, fashioned with full skirt. She wore a veiled bow organza hat and wore a wrist corsage of pink rose buds.

Miss Jan Hawthorne and Miss Carolyn Houston, both of Morton, acted as candlelighters, and wore pink mist dresses and pink rosebud corsages.

Mr. Bob Garrett of Whiteface was Best Man, Ushers were Mr. Charles Denny of Littlefield and Mr. Terry Tubb of Levelland. The bride's cousin, Mr. Paul

Swadek, Jr., of Dallas, sang "Because" and "The Lord's Prayer", accompanied by Mrs. Pegues Houston, organist.

A Reception followed the ceremony in Fellowship Hall at the Church. Miss Ann West of Lubbock and Miss LeQuita Todd of Lubbock, registered the guests.

The bride's table, covered with a pink tablecloth, was overlaid with white net which was draped to four corners and caught with bouquets of white and pink rosebuds from which cascades of ribbons fell. Pink candles were used in tiered candelabra which were centered on pink and white ribbons, lettered with silver and bearing the inscription "Linda and Bobby, February 14." at one end of the table was a three tiered wedding cake decorated with pale pink rosebuds and centered with a bride and groom under an arch of pink chiffon and white tulle with silver wedding bell. The bride's punch was served from a crystal Fosteris punch bowl.

Miss Vivian Ledbetter of Morton and Miss Sandra Powell of Whiteface presided at the table. Miss Mary Ledbetter of Morton and Miss Linda Cotten of Whiteface play classical piano selections during the reception. Other members of the houseparty were: Mrs. Dalton Burks, Mrs. W. O. Harrington, Mrs. Paul Swadek, all of Dallas, and Mrs. M. S. Parke of Lubbock. Out of town guests at the wedding were: Mr. and Mrs. M. M. Burkett Sr., Timothy Burkett, Mr. and Mrs. Felix West, Mr. and Mrs. Bill Wright, Mr. and Mrs. M. S. Parke, all of Lubbock; Mr. and Mrs. Robert Neal, El Paso, Mr. and Mrs. William Ramp, Mr. and Mrs. Jake Ramp, both of Canadiah, Texas, Mrs. D. C. Stokes, Slaton, Texas, Mr. and Mrs. Paul Swadek Sr., Mr. and Mrs. Paul Swadek Jr., Paul Swadek III, Kathy Swadek, Mrs. Ralph Geisecke, Mr. Danny Burks, Miss Susan Burks, Mrs. Dalton Burks, Mrs. Irma Cornell, Mr. and Mrs. Oran Harrington, Jamie and Mark Harrington, all of Dallas.

The bride's traveling ensemble was a honey beige original silk wool dress with short belted packet. Her accessories were brown lizard and she wore elbow length beige gloves. A small veiled flower hat, and an orchid detached from her bridal bouquet completed her costume.

Both the bride and bridegroom are graduates of Whiteface High School, and are student at South Plains Junior College at Levelland. After a wedding trip to San Antonio, they will be at home south of Whiteface, where the groom is also engaged in farming.

DISMISSED FROM HOSPITAL

Mrs. J. D. Merritt was dismissed from the Methodist Hospital at Lubbock last Wed. where she had undergone major surgery. She is reported doing fine.

VISITING BROTHER

Mrs. Bonnie Harberer of Earth was in Morton, Tuesday, attending to business and visiting her brother, W. E. Angely and Mrs. Angely.

IS THREE WAYS' BETTY CROCKER HOMEMAKER ENTRY

THREE WAY (sp.) — Three Way School's Betty Crocker Homemaker of Tomorrow for 1960 is senior Anonie Hightower, daughter of Mr. and Mrs. C. B. Hightower, Goodland, Texas.

Anonie received the highest score in a 10 minute written test on homemaking knowledge and attitudes, taken by the graduating senior girls. Miss Hightower will receive an award pin representing the slogan, "Home is Where the Heart is," and her examination paper will be submitted for competition with other high school winners from which the state winner will be named. The state winner goes on to national competition.

ANONIE HIGHTOWER

WESLEYAN GUILD HEARS PROGRAM ON STEWARDSHIP

A program on "Stewardship" was given when the Wesleyan Guild met Monday, February 8, in Fellowship of the First Methodist Church.

Mrs. F. E. Baidinger gave the devotional which was a program led by Mrs. Garland. She was assisted in her presentation on stewardship by Misses Hattie B. Spromond Ross, Bob Cross, McGehee and Johnnie Green.

Miss Leila Petty, of the business and Mrs. Man was hostess for the meeting which was concluded with a social period. Refreshments were served to 14 members.

Basic Training Ft. Ord, Calif.

Ord, Calif. (spl.) — Army Lt. Larry D. Billington, son of Mrs. Samuel S. Billington, Box 874, Morton, Texas and of Myrna Billington 410 Grand Artesia, New Mexico, is completing the first cycle of Infantry training at this West Coast Infantry Training Center. He is assigned to the 8th Battle Group, 4th Infantry, Fort Ord, Calif.

The eight week training program consists of courses in general military subjects, individual protection against chemical, biological and radiological attack and defense, as well as training in rifle marksmanship, Infantry tactics, first aid, military justice, maintenance and supply economy.

When the soldier completes the eight weeks of instruction, he will go on to advanced Infantry or specialist training. He entered the Army Jan. 10, 1959. He attended Morton High school and was employed as a mechanic at Jay's and Dick's Garage in Morton, Texas.

5456-lbs. maize per acre following ammonia applications

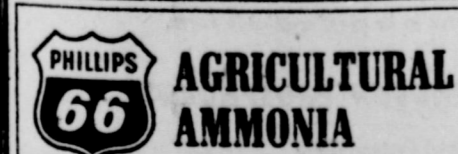

FLOYD COPELAND of Dimmitt, Tex. reports pre-planting or side dressing ammonia makes a big difference.

"I've used ammonia for the past five years and can certainly see a lot of difference in the yields. On 289 acres of maize, 100 pounds of Phillips 66 Ammonia per acre was applied . . . one-half pre-plant and one-half side dressed. Yield was 5456 pounds per acre," according to Floyd Copeland, who farms 880 acres.

He says, "A hundred pounds of Phillips 66 Ammonia was also applied pre-plant on 200 acres of wheat. With 43% hail damage, wheat averaged 39 bushels. Where you have plenty of moisture assured through irrigation, it's just plain logic to use ammonia and get maximum yields."

Thousands of Texas farmers are now using Phillips 66 Ammonia to help assure top net profits per acre—on irrigated or dryland fields . . . in wet or dry years. Actual field reports prove that Phillips 66 Ammonia (1) produces more high grade lint (2) increases sorghum grain yields (3) boosts wheat and small grain yields (4) stimulates pasture growth for more meat and milk.

See your local Phillips 66 Agricultural Ammonia Distributor now. You can make more money this year with this 82% nitrogen fertilizer. It can be applied by you or your distributor.

TRACTOR SAFETY

If you could talk to anyone who has had an accident with a tractor he would likely tell you that he could have saved his health or even his life by observing a few simple common sense rules.

We have far too many tractor accidents that could be avoided by giving some thought, before the accident, to some of these rules. Some of the most important are:

1. Keep the tractor wheels spread when possible to avoid tipping hazards.
2. Do not operate the tractor on dangerous inclines or ditch banks.
3. Keep all guards in place on power shafts, belts and chains.
4. Turn off all power before adjusting or unclogging machinery.
5. Keep tractor speeds under 4 mph for off the road operations, and never carry passengers especially children, on tractors.

DISEASES COST COTTON FARMERS \$47 MILLION IN 1959

Diseases took a \$47 million bite out of the 1959 Texas Cotton crop, reports 15 cotton specialists located throughout the state.

"Cotton diseases kept at least \$70,000 bales of cotton from being marketed," said Harlan Smith, extension plant pathologist, who compiled the information for the Cotton Disease Council.

Besides the \$47 million cash loss to producers, there were losses of business to farm labor, railroads, trucking companies, suppliers, compress companies, storage facilities and other phases of the industry. Disease also was a major factor in grade reduction as well as a limited factor in yield.

This loss occurred even though 1959 growing conditions were generally good as near record yields were harvested in many areas.

Major diseases and estimated loss due to their effect on yield were bacterial blight, 5.91 percent; root rot, 4.43 percent; verticillium wilt, 1.85 percent; seedling disease, 1.75 percent; and root knot, .59 percent. Other diseases causing losses were boll rot, fusarium wilt and ascochyta blight.

These average figures don't give the true picture because in areas where diseases struck the hardest losses ran into ruinous figures. For example, root rot was estimated to have caused a 25 percent loss in the Central Blackland area. The amount of root rot increased in many areas compared to 1958 losses. Ascochyta blight, a minor disease in past years, was a problem in several areas for the first time. Root knot caused by nematodes, appears to be on the increase.

DRY OR LIQUID FERTILIZERS GOOD SOURCES OF PLANT FOOD

The use of liquid fertilizers is becoming widespread and they are proving to be a good source of plant nutrients. But says, W. F. Bennett, extension soil chemist, liquid and dry fertilizers are generally of equal value for improving crop yields.

A summary of 27 experiments in which liquid and solid fertilizers were compared showed little difference. The experiments covered a wide area and the same methods of application were used. In only three instances liquid fertilizers produced greater yields than did the solid or dry plant food. In one instance, greater yields resulted from the use of solid or dry fertilizers. In these cases, Bennett said, differences in yields were small and were not apparent on the same soil type in succeeding years.

The main considerations for making a determination of which type of plant food to use are cost and ease of handling and application. In some areas the costs are comparable, but in others, buyers will find price differences. A little shipping will show these

differences. Generally, liquid fertilizers are easier to handle and apply, provided proper equipment is available. On the other hand, points out Bennett, storage tanks and special applicators required with liquids are not required when dry fertilizers are used.

WINTER COTTON STATION IN MEXICO KEEPS BUSY IN PROCESS OF PROMOTING BETTER PLANT BREEDING

A man deep in tropical Mexico is "nursing" to a million and a half cotton flowers and you are due for a finer shirt or dress as a result. What's more you may get them quicker.

The man is Lon Lyton. He's in charge of the Winter Cotton Breeding Station at Iguala, 126 miles south of Mexico City, and the project is speeding remarkably the development of cotton through breeding.

Scientists are using the service in their search for such qualities as greater length, strength, luster, and fineness of fibre; for earlier maturity, higher yields, better adaptation to mechanical harvesting, and greater resistance to disease and insects. These factors figure importantly in quality improvement and lower production costs for cotton and its products.

Here's how the project works. Each fall, U. S. breeders air ship seed from promising strains of cotton to Iguala where they are planted. Seed from cotton harvested in March and April are flown back to the States in time for spraying planting. This makes possible two crops a year.

Sounds simple, doesn't it? But there's a lot of work involved in caring for a million and a half cotton flowers.

"We have about 50,000 plants on the eight acre plot here and try to put selfs or crosses on about 30 flowers on each plant. This means about a million and a half a season," Lon explains.

If bees or other insects are allowed to get into a blossom, the efforts of the breeders are circumvented because the flower will be cross-pollinated. A cotton flower, however, contains both male and female parts and will pollinate itself. Before the flower can open, therefore, Lon or his helpers wrap it with fine copper wire. This "scifing" keeps insects out, prevents cross-pollination, and preserves varietal purity by allowing the flower to pollinate itself.

On the other hand, the breeder may want his cotton crossed with another variety. To effect a "cross", petals and stamen of the unopened flowers are cut away, leaving the pistil. Pollen from the flower of another plant from which a cross is desired is dusted on the pistil and its capped to prevent further cross-pollination by insects.

"I have nothing against bees," Lon wryly observes, "but they're not selective enough for our kind of pollination."

Since cotton flowers open early in the morning and Lon and his crew have to get to them before they open, work begins shortly after daylight. This means Lon must thread his way down a narrow mountain road in the grey dawn, dodging chickens, stray dogs, and burros laden with firewood. The Lytons live 22 miles away and a mile high in the cool picturesque village of Taxco.

Cotton picking time also is a busy one at the station since seed must be rushed to the States in time for planting. Each plant is harvested separately, and its cotton ginned separately on miniature hand fed gins. Seed from each plant is thus kept separate for forwarding to individual breeders along with pertinent data.

Every Friday during harvesting season, Lon loads his station wagon with sacks of seed and drives to Mexico City. From here the seed are flown to El Paso where they're fumigated, treated for disease resistance, and air shipped to breeders concerned.

"We have harvested seed here on Thursday and air shipped it on Friday, and it has been planted in Georgia on the following Thursday," Lon notes with pardonable pride.

Besides the breeding plots there is a garden at the Iguala station containing 18 of the 24 known species of cotton. You can see cotton growing on bushes, on vines and even on trees. Breeders studying these species find some interesting characteristics. Some

From the standpoint of increased crop yields, either type of plant food, if used in the correct amounts and properly applied, should give equal results.

GUIDE FOR DETERMINING USEFUL LIFE OF FARM PROPERTY AVAILABLE

Every taxpayer owning depreciable property used in his trade or business is faced with the problem of determining the useful life of each asset.

There is no standard life of farm property. Useful life in each case must stand on its own

merits. For example, a barbed wire fence with untreated posts on the Gulf Coast might do well to last 10 years, whereas the same fence in the Trans-Pecos area may last 30 years.

"Useful life" means life to the taxpayer. An automobile might be charged off in three years by one taxpayer with heavy usage, while his neighbors vehicle of the same kind and model will last for six years because of light usage.

Factors to be considered in determining useful life include the amount of use, age when acquired, policy as to repairs and upkeep, climate, and operating conditions. For example, dusty operating conditions would be a prime consideration in the useful life of a tractor.

As a guide, the Internal Revenue Service has published average useful life figures for property in the United States in Bulletin "F". It is a guide only, and has no official status for valuing specific cases. The guide can be obtained from the Superintendent of Documents, Washington, D. C.

erming useful life include the amount of use, age when acquired, policy as to repairs and upkeep, climate, and operating conditions. For example, dusty operating conditions would be a prime consideration in the useful life of a tractor.

WORTH MORE BECAUSE THEY WORK MORE!

Compare this list of Chevy advances with the features ordinary trucks are still talking about. You'll see why Chevy trucks get more work done in a day... why they go extra thousands of miles before trade-in time. These Sturdi-Bilt Sixties aren't just new, they're a full scale revolution!

TORSION-SPRING RIDE

Each front wheel, suspended independently of the other, is free to step individually over bumps. And shockproof torsion springs up front soak up the jars and jolts before they reach the body. With three rugged new tailored-to-the-truck rear suspensions to further reduce road shocks, Chevy gives you the smoothest truck ride you've ever felt.

NO SHIMMY, NO WHEEL FIGHT

Drive a '60 Chevy. Just once. Right away you'll notice the absence of I-beam shimmy and wheel fight common on ordinary trucks.

CABS FOR BIG GUYS

Big guys get a bigger break in a Chevy cab. There's plenty of space inside to stretch out and relax; more room for hats and hips, more room for wide shoulders and long legs. There's horizontal visibility through a windshield with 26% more glass area; a new see-at-a-glance instrument panel. Cabs are safer, too, up to 67% more rigid.

SLICK NEW SUBURBAN CARRYALLS

These handsome new handy haulers "double in brass" — can transport eight passengers or up to 950 lbs. of payload. Rear and center seats are easy to remove and replace when necessary. For work or for pleasure, these double-duty beauties are best for both!

See your local authorized Chevrolet dealer for fast delivery, favorable deals!

6'S SWORN TO SAVE

Chevy's 6-cylinder engines are set to squeeze extra miles out of every drop of fuel. They're long famous for low fuel consumption, high performance.

SHORT STROKE V8'S

Power-packed for peak performance, Chevy's husky V8's make child's play out of the toughest hauls. They have a mind tuned to economy, too, that keeps costs down, profits up.

NEW DOLLAR-SAVING PRICES

Chevrolet's low prices make big truck news for '60. They mean money in your pocket on model after model. Step-Vans, 4-Wheel Drives, many light-duty models with automatic transmissions—all are lower priced. Also, prices have been reduced on all optional V8's.

SEE YOUR DEALER

It could be the most important visit you make in '60. When you've seen these new Chevies, you'll agree they're the world's most advanced trucks. Then drive one and find out why.

FEB. 14th - 20th PROCLAIMED FARM BUREAU WEEK

AUSTIN (sp.) — Governor Price Daniel has cited agriculture as "the well-spring of our social and economic vitality" and set a statewide week long observance in recognition of agriculture's contribution to Texas life.

VISIT IN MULESHOE

Mrs. J. W. Pond and girls visited Saturday in Muleshoe with Rev. and Mrs. H. S. Boles and children.

VISIT IN WILSON HOME

Mr. and Mrs. Allen Neagle of Houston visited in the home of the latter's sister, Mrs. Gilbert Wilson, Thursday evening. Mrs. Earl Yates of Calif., also visited in the Wilson home, Thursday.

In proclamation signed Jan. 25, the Texas governor designated the week of Feb. 14 - 20 as "Farm Bureau Week" in Texas and urged all citizens "to cooperate in the recognition and observance of this week in an effort to publicize this important phase of our Texas life."

The special week coincides with the annual membership campaign of the Texas Farm Bureau, largest general farm organization in the state. The 1960 drive was kicked off with a big Chairmen's Rally Feb. 11 in Waco attended by county FB presidents, and county and community membership chairmen. About 125 counties are planning intensive membership drives during the next two months.

County Farm Bureaus across the state have set individual county quotas totaling more than 83,000 members for 1960. This would be a gain of some 4,000 over the 1959 membership of 79,414. The fast growing farm organization has had a gain in membership for seven consecutive years and has almost doubled its membership in the past ten years.

Governor Daniel, who is a Farm Bureau member in Liberty County where he owns farm property, cited the need for an educated, prosperous, and organized agriculture in Texas. He said farmers and ranchers of Texas, through their various organizations, have worked for improvements in the economy and government of Texas.

Here is the text of the governor's proclamation:

"Greetings.
"Agriculture has long been recognized as the well-spring of our social and economic vitality. A vast number of Texans derive their principal income from

farming and ranching activities. The farmers and ranchers of Texas, through their various org-

anizations, have crusaded by democratic procedures for a voice in the affairs of the State and

for improvements in the economy and government of Texas. These groups recognize the ne-

cessity and supreme importance of having an educated, prosperous, and organized agriculture in our citizens to cooperate in the recognition and observance of this week in an effort to publicize this important phase of our Texas life.

"Therefore, I, as Governor of the State of Texas, do hereby proclaim Feb. 14 - 20, 1960, as 'Farm Bureau Week' in Texas, and urge I hereby affix my signature this 25th day of Jan., 1960. (Signed) Price Daniel, Governor of Texas.

FARM BUREAU "WEEK" PROCLAIMED — Governor Price Daniel is shown signing a proclamation designating February 14 - 20 as "Farm Bureau Week" in Texas. Looking on are (left to

right) J. H. West, Bishop, president of Texas Farm Bureau; Millard Shivers, Waco, TFB Director of Organization; and George K. Marshall, Leander, president of Travis County Farm Bureau. Farm Bureau membership enrollment activities will be concentrated during this special "Week". County Farm Bureaus across the state have set quotas totaling more than 83,000. The 1959 membership of the TFB was 79,414.

INDIANS LOSE THRILLER TO LOCKNEY, 50 to 49; MAIDS WIN OPENING GAME BY 55 to 51 MARGIN

The Morton Indians, playing probably their best overall game of the season, Friday night, came within one cat whisker of pulling their second big upset of the season over Lockney, but instead had to settle for an even trade.

The Indians beat Lockney by one point on the Longhorn's home court about a month ago. Friday, Lockney came through with a 50-49 victory in a real nip and tuck thriller that stayed that way most of the game.

Meanwhile, the Maids, also turned in a superlative effort in posting a come from behind 55 to 51 victory over Lockney's girls. The Maids trailed, 25 to 22 at halftime but early in the second half they began to pull away methodically, until late in the game they had a ten point margin, and then they coasted to victory.

Blonde Janice Boedecker of Lockney did her usual damage to the cause of her opponents by firing 30 points through the meshes. Pat Buchanan had 11 and Douglas had 10. But the Indian Maids' scoring was much more evenly divided. Patsy Amyx had 20 points, Doris chipped in with 19 and Norma Flanagan added 16.

The boys game found the Indians shooting eye from the field, one of the few times this season that anyone has been able to pot field goals from way out. Lockney, with a huge advantage in height, outbounded the Indians all over the place but the rapid shooting Longhorns got off to a very slow start, caging only two of their first 13 shots from the field, and when the first quarter buzzer sounded it was tied 7-7.

Morton put on a second quarter flurry that had them staying in the thick of the fight, and with less than a minute to play of the half they took their first lead of the game, 19 to 17. But the Longhorns closed strong and carried a 20-19 bulge through the rest period.

Morton had one of its best quarters of the season, offensively, in the third period, but Lockney was not to be denied. With two minutes left to play in the quarter

Morton had chalked up a 36 to 22 lead and it looked as though the Indians might pull away. Again Lockney closed fast, hitting their final field goal with a shot that was in the air as the buzzer sounded, and took a 37 to 36 lead.

Lockney grabbed a fourth quarter five point lead and maintained the lead throughout the rest of the game although Morton whittled consistently. As a tribute to the Indians aggressiveness, trail-

BULA GIRLS, AND PEP GIRLS MAKE RUNAWAY OF DISTRICT PLAYOFFS

The Bula girls and the Three Way boys, head and shoulders above the rest of the pack of Conference 5-B, continued their supremacy in the conference, Saturday, when they rolled over their final opposition by heavy margins.

Pep's boys won their championship, and remained undefeated in league play, by posting a 70 to 38 triumph over the Bula boys to qualify for bi-district play, against the 6-B champions.

The Bula girls captured a 68 to 36 victory over the Pep girls in that final game and also protected an unblemished league record.

Bledsoe, traditionally a league doormat, completed a league comeback capturing third place in both divisions as their boys beat the Three Way boys, 35 to 25 and their girls defeated the Three Way girls by a 41-29 count.

The tournament had gotten underway on Thursday night of the past week.

Here's how other games were played:

In the first round of activities, Thursday night, the Bledsoe boys eliminated Pettit by a 46 to 43 count in a close, exciting ballgame before a good crowd.

Rusty Crutcher was high man for the losers but Bobby Hoyl paced the winners.

In the second game of the evening, Pep's girls team took th-

ing by three points, 50 to 47, they managed to get five shots, tie up the ball three times and steal it once in the final 30 seconds. They scored just a second before the final buzzer blew, a jump shot by Steve Middleton, but while fans on the sidelines hoped against hope they would hear an official's whistle, signifying a foul, and maybe the tying three point play . . . instead they heard the buzzer ending the game.

their first step toward what they hoped would bring victory in the journey, and at the same time eliminated Pettit's girls, 54 to 23.

Georgit Albus threw in 18 tallies to lead all scoring in that game and Brenda Price had 15, high performance for the losers.

The final game of the first night saw Pep's great boys' team protect their perfect record in league play by getting by a tough scrapping Three Way Boys' team, 48 to 39.

Dickie Homer poured in 19 points for the top performance of the night while Three Way had good dividing in its scoring, James Long's nine points being the top effort.

The three winning teams advanced into the semi-finals of the tourney while the losers hung up their basketball shoes for this season.

The second night of play, both Pep and Bula's boys and girls teams advanced into the finals of the meet, with one of the game, the Pep vs Three Way girls' game an outstanding attraction.

The Bula girl's hammered Bledsoe 62 to 28 as Carol Cooke tossed in 32 points to pace the lopsided triumph.

The Bula boys downed Bledsoe 50 to 33 as Larry Pollard turned in a 29 point performance to pace the victory.

But the Pep girls game was the real feature. With only six girls on their team, Pep had a girl injured the other night, and she came to the game on crutches. She started the game, in hopes that she could stand on one spot on the court and help pass the ball. But she had to leave almost immediately, and Pep faced Three Way sextet with three guards and two forwards.

The teams battled on fairly even terms with Pep finally inching ahead to a fairly comfortable lead in the fourth quarter when one of the Pep guards fouled out.

As the fading minutes of the game ticked away, with Three Way rapidly closing the gap, the two Pep forwards put on a two girl stall and protected a 41-36 victory margin.

Bernadette Decker had 18 points for the winners and Jane Garvins' 15 was tops for Three Way.

VISIT IN FLOYD, N. MEX.
Mrs. A. A. Nance of Calvert, Mrs. M. B. Swanner and Mrs. Kirk Slater of Floydada and Mrs. H. L. HOW TO GROW ROSES

Mr. and Mrs. DeWerth, Head, Department of Floriculture, Texas A. & M. College. They may be in the fall or spring.

Fred Young of Biedsee with Mr. DeWerth that are grow roses. She is one of the successful in the county. Her first rule for growing roses is to start with No. 1 roses. The age of a rose is not a measure of quality. Young has mostly patented and winning roses in her garden. A continuous bloom of flowers shows that quagives quantity.

Young buys her rose plants from nurseries. She likes them in pots because they are easy to set in the ground and does not disturb their roots. She prefers to wait until the end of March or even April to set out rose bushes. It is hard to find the best varieties, though, if you wait too late to buy the plants. The regular spraying schedule is necessary for successful

rose growing. Mrs. Young says roses every other week. The Chrysler Imperial (red) is Mrs. Young's favorite rose. The two-tone Peace is also a favorite. The Countess Vandal is a good standard rose. The Ivory Fashion and Circus are two fine floribunda roses.

Mrs. Young has more than 50 rose bushes. They require care but they are a constant source of pleasure. Her cut flowers are also a joy to her own family, her friends and her church.

Mr. DeWerth's ideas on rose growing as stated in his bulletin "Roses For Texas," coincided with Mrs. Young's advice. Mr. DeWerth says, "The essentials for success with rose growing are: proper planting, a sunny location, well drained soil and plenty of water during the growing season. Start with No. 1 grade plants, have the ground ready when the plants arrive and make sure the roots are never exposed to sunlight or drying winds."

"Water plants thoroughly. Don't apply fertilizers to newly planted bushes until the root system is well established, then feed at least twice each season, but do not fertilize in the fall. Keep plants free of insects and diseases with a regular spraying or dusting schedule."

Mr. DeWerth's bulletin, "The Roses for Texas," is available from this office.

CHOOSING SPRING ACCESSORIES

Have you ever brought home a bargain hat or bag - or shoes of a delightfully "different" color only to find that they didn't go with a thing you had? In that case they may have been expensive.

To get the most for your money, plan carefully before you buy - remembering the color and design of your basic dresses or suits. Accessories should accent or complement a costume. They can add spice to simple solid color dress or suit, or supply the unifying note with a striking print dress or plaid suit.

Avoid using too many different colors in one costume. The eye jumps from one spot to another, and you lose effect of unity. A general rule for the use of contrasting color, texture or pattern is never to repeat more than three times - generally two are smarter; for example, shoes, bags and gloves; or shoes, bag and hat, or bag and hat.

Intensity of the color is important. Don't overdo it. The more brilliant or intense the color, the smaller the area it should cover.

Unusual colors draw the eye just because they are complex in makeup. Use them with care.

Basic colors in accessories, namely black, brown or navy, are always in good taste and easy to use.

Color in shoes is a fashion to be used with caution. It calls attention to the feet and ankles. Be certain yours can stand the spotlight.

A final suggestion: Look smart but not extreme. Don't over dress. The best dressed women are often the most simply dressed.

ACCESSORIES AROUND THE CLOCK

A bulletin written by our Extension Clothing Specialists, gives lots of ideas and suggestions. Get a copy from this office.

HAPPENINGS OF INTEREST... FROM THE ENOCHS AREA

By Mrs. Jerome Cash

VISIT ALTMANS

Mr. and Mrs. Luther Harrell and Grace Lou Altman from Littlefield spent Sunday visiting in the P. A. Altman home. Mrs. Altman is a sister of Mr. Altman and Grace is a student at the Littlefield hospital.

VISIT OVER WEEKEND

Mr. and Mrs. Avery Payne and girls of Roaring Springs, spent the weekend visiting her sister and family, the Charley Byars.

CONGRATULATIONS

Congratulations to Dennis Medina on the showing of his 4 pigs at the Ft. Worth Fat Stock Show. He won two fifth prizes, one fourth prize and eighth prize.

PARTY HELD

A class party was held by the 7 and 8 grades recently. They attended a movie "Hound Dog Man" at the Rose Theatre in Morton, and afterwards a stop at the Morton Malt Shop for refreshments.

CUB MEETINGS BEGIN

Cub Scout meetings began this week at Enochs with Mrs. Billy West as leader. Others assisting were Mrs. Bradley Robertson and Mrs. Richardson.

ON SICK LIST

Mrs. Flora Nichols was ill last week with the strep throat.

REVIVAL CONTINUES

The Enochs Baptist revival is continuing with Bro. I. A. Leonard as evangelist and Bro. Ivan Wozencraft of Olton as song leader. Everyone is invited to attend.

PARENTS RETURN HOME

Mr. and Mrs. Billy West are happy to report that his parents, Mr. and Mrs. Marvin West of Levelland have returned home from the Cancer Research Center in South Texas, where Mr. West has been hospitalized for the past 3 months after undergoing surgery.

HAS CHILDREN AT HOME

Mrs. Joe Speck had her child-

ren home over the weekend. They were Mr. and Mrs. Will Speck and Children of Lubbock, Mr. and Mrs. Doyle King of Muleshoe, Mr. and Mrs. Wendell Speck of Bula.

GIVES VALENTINE'S DAY PROGRAM

The 5 and 8 graders presented a Valentine's Day program at the Bula School on Feb. 12, following a devotional given by the Sophomore class.

The girls opened the program by singing, "Let Me Call You Sweetheart," and the boys responded with "Oh, You Beautiful Doll." Jeanie Holt gave a history of Valentine's Day against an elaborately decorated background. Sherry Howard, as Queen of Hearts, caused Valentines to come to life, which showed 4 types of popular Valentines.

On the programs were Frankie Sanders, John Fred, Randal Robinson, Kenneth Overland, Dennis Turney, Barbara Williams, Marilyn McCall and Juana Young.

BASKETBALL TOURNAMENT

At the basketball tournament held over the weekend at Pep, the Bula girls won first place with Phyllis Fred, Carol Cooke, Jackie Rinsinger, and Linda and Betty Holt, making the All tournament team. The boys that made the All Tournament team were Norvel Roberts, Larry Pollard and Donny McCall.

VISIT IN CARLSBAD

Mr. and Mrs. Lindsey Bates visited in Carlsbad, N. M., over the weekend.

Council Discusses Coming Meetings And Home Demonstration Projects

The Cochran County Home Demonstration Council met Tuesday afternoon in the Activity Building in Morton. Mrs. Edward Brown, chairman, presided.

Presidents gave reports of their club's activities since the January meeting. The Friendly Circle Club had a "42" party for their families. The FOR Club had an all-day meeting when they served and worked on crafts. Other clubs had regular meetings.

Mrs. Brownlow announced a training meeting for clothing leaders for Monday afternoon, Feb. 22. Tailored button holes will be the subject taught by the Home Demonstration Agent, Miss Leila Petty. Mrs. Brownlow said Miss Petty had attended a shoe covering workshop and would have a workshop for anyone interested or would give training to leaders.

A school of Millinery at Texas Tech Feb. 29 through March 3 was also announced. Recommendations of the Education Expansion; Civil Defense, Health and Safety, Finance and Recreation were accepted by all clubs and so will become a part of the program for the year.

The Lehman Club had the exhibit for the day. Attractive pillows made by Mrs. T. H. Brooks and Mrs. F. L. Fred were shown. The FOR Club will have the exhibit in March.

Mrs. Lewis Walker, THDA chairman, reminded clubs that the County THDA Chairman and delegates to the district meeting will be elected March 8. The district meeting of the Texas Home Demonstration Association will be held in Littlefield, April 21.

Mrs. Walker will serve as Chairman of the 4-H Concession Stand at the Fat Stock Show, Feb. 26 - 27. Plans were made for food to be sold and for helpers.

An auction of hand made articles added a nice sum to the Council treasury. Mrs. L. Z. Scoggins was auctioneer.

Those present were Mesdames Brownlow, Walker, Brooks, Fred and Charles Sanders, Lehman; Stanley Henderson, FOR; Scoggins, Jake Reid, H. T. Gardner, Friendly Circle; and Miss Petty.

VALENTINE PARTY FOR HAPPY HOUR SEWING CLUB

Mr. and Mrs. L. M. Baldwin 502 E. Pierce, were hosts Thursday night at a Valentine dinner for members of the Happy Hour Sewing Club and their husbands with Mrs. E. Greer as a guest also.

A Valentine theme was used in decorations. Following the dinner, forty-two was played and prizes were awarded.

VISITOR FROM LUBBOCK

Mrs. Frances Neutzler of Lubbock spent Sunday with her mother - in - law, Mrs. Louise Neutzler. In the afternoon they visited relatives at Maple.

IN SERIOUS CONDITION

Mrs. Pearl Latham, former owner and manager of the AA Courts here, is reported in serious condition at the Georgetown Hospital, room 22, Georgetown.

Mrs. Latham, who was staying with her brother there, is reported to have suffered a stroke.

Whiteface FFA's Attend S. Antonio Fat Stock Show

Twenty - one FFA boys from Whiteface left last Friday for San Antonio where they attended the Fat Stock Show Saturday morning.

Saturday afternoon they visited the Alamo, Breckenridge Park, and the zoo and attended the rodeo.

R. K. McCoy and James Carroll made the trip with the boys. Duane Cookston was elected the outstanding member by the boys on the trip. They returned home Sunday.

The FFA boys will have a project show at Whiteface Saturday, Feb. 20. O. L. Harris, agriculture teacher at Whitharral, will be the judge of the show.

PAVING —

(Continued from Page One)

act each property owner toward working out financing for his particular portion of the project. The percentage of signers he gets in each block proposed, and the speed with which they are signed up, will probably partially determine which blocks of the paving will be initiated first.

Several questions were asked at the meeting and answered by various members of the Commission and their attorney.

One property owner was assured a new water line would be completed in his vicinity before the new paving was laid down, and another was assured that double water taps will be made in the intersection of every other block of unimproved areas in the project, before the paving is put down.

Another property owner was assured that the Commission felt his property value would be enhanced enough, in the event of later sale, to cover the cost of the improvements.

In response to another question a property owner was told that the contract for payment for the paving will begin on the date of completion and acceptance of the project, although, the contractor may ask property owners to put up checks which cannot be cashed until the pavement is approved.

The question was asked as to whether their would be any reduction on the Hospital Road, since it already had paving, and was answered by the assurance that this old paving, which is to be used in base, was already taken into consideration and already given a reduction on the cost of that street.

In another instance the Commission doubted if the base already laid on a salt packed road would be acceptable as base for the triple asphalt paving.

Three persons asked if the total price listed in the paper included curb, gutter and paving, and were assured it did. They were also informed, in certain instances, where it was desired, the curb would be "laid down" rather than the usual curbing.

It was also asked if this was the total cost of the project and the answer was that the city must take part in the project, 10 percent of the total, and that this was in addition to the cost listed, and came in the form of intersections, etc.

Also discussed extensively were methods of paving and adding improvements in other towns, and Morton, in the past, and it was pointed out that there could be no assurance that a City Commission some years later might work up a paving proposal on a bond issue. It was also pointed out that this Commission felt that was the fairest method of putting in paving.

A new protest hearing will have to be held concerning any of the six blocks proposed to be added to the project, it was said Monday night.

ROSE BUSHES

Two sturdy - top quality bushes. Assorted varieties. Easy to plant - easy to grow. Will produce beautiful long lasting blooms.

Legal Notices

LEGAL NO. 193 THE STATE OF TEXAS
To any Sheriff or any Constable within the State of Texas - GREETING:
You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty - eight days before the return day thereof, in a newspaper printed in COCHRAN County, Texas, the accompanying citation, of which the herein below following is a true copy.
CITATION BY PUBLICATION THE STATE OF TEXAS
TO: TEODORA GARLETT, Defendant. Greeting: YOU ARE HEREBY COMMANDED to appear before the Honorable DISTRICT COURT of COCHRAN County in the Courthouse thereof, in MORTON, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 21st day of March A. D. 1960, to Plaintiff's Petition filed in said court, on the 22 day of January A. D. 1960, in this cause, numbered 1274 on the docket of said court and styled James N. Garlett, Plaintiff, vs. Teodora

Garlett, Defendant.
A brief statement of the nature of this suit is as follows, to-wit: DIVORCE as is more fully shown by Plaintiff's Petition on file in this suit.
If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.
The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.
Issued and given under my hand and the seal of said court at Morton, Texas, this 3rd day of February A. D. 1960.
Attest Lesseye Silvers Clerk, District Court (SEAL) Cochran County, Texas. 52-2tc

Night program, at 8 p. m., substituting for the noon Wednesday meal.
He also announced a director's meeting for next Tuesday morning at 6:30 p. m. at Joe's Place and reminded that on March 1, the Lions Club will be guests of the school and will eat in the cafeteria, during Texas' Public School's Week.
Lion Gene Huggins urged Lions participation in all events of the Public School's Week observance.
Lion Reynolds also announced March 25 as the date of the Zoo show.

Car Licenses Available Here And at Whitefare
New auto tags may be secured in two places in Cochran County, Mrs. Otha Denny, tax assessor-collector, pointed out this week. They are available at the assessor-collector's office in the Cochran County Courthouse, and at Vern Debee Insurance Agency in Whitefare.
The 1960 plates are to be on all vehicles not later than the 1st of April.

Local Teams Lose Final Tilts
The Morton Indians and Maids closed their basketball season here Monday night, in a double defeat, but the Maids nearly pulled the upset of the season coming within 5 points of undefeated Abernathy in defeat.
The Indians suffered a sound shellacking at the hands of the Sengraves Eagles in a game that was postponed earlier in the season because of bad weather.

FRIDAY GUESTS
Otha Vernon and Delaine Denny of Hobbs visited with their Grandmother, Mrs. Otha Denny of Morton, Friday night.

DESIGNED and BUILT SPECIFICALLY for SOUTH PLAINS FARMING ...

LIQUID FERTILIZER APPLICATOR and ATTACHMENTS

This is not just another fertilizer rig. This unit was designed and built for use by South Plains Farmers. It is sturdily constructed of the finest material - ruggedly built to give acres and acres of trouble-free service. Basically, the Liquid Fertilizer rig consists of chisels, tubing, sprockets, barrels to hold the liquid, and a trail - wheel driven squeeze pump to give you uniform application at any speed.
Available in sizes to fit every farming need: 2-row, 3-row, and 4-row. There are many attachments available which may make it one of the most used pieces of equipment on your farm. It can be used not only to apply Liquid Fertilizer, but also as a cultivator - and when properly rigged, it can be used to apply insecticides.

Highlights and Sidelights FROM Your State CAPITOL

By VERN SANFORD

Tex. — Democratic Co-Executive Committees will on March 14 whether to the old custom of holding precinct conventions in June.

lection law passed last already doomed a number of Texas political traditions announcing when the dog-ies out and serving wat-ies are now held the fir-ies of May and June, instead last weeks of July and as before.

er change is that a person shes to participate in a ratic precinct convention already have voted in the ratic primary held the s-ay in order to have a poll-umped "Democratic."

customarily, the precinct ions have been held after close at 7 p. m. reral areas conventions us-ve been held in the after-ns enabled people to come-nd the convention, vote, r groceries, all in one tr-reet home in time to do-ing.

ere is the necessity of everyone time to vote be- convention can be held. Democratic Chairman J. ally has suggested county-ees give thought to hold-ral precinct conventions possibly not until after- close at 7 p. m.

ATIVE RACES — With the 150 House members a bid for re-election, e-ge two leading candidates-ker claims that half of-ese probable returnees-ld to him.

ative in the speaker's- Reps. Wade Spilman of- n and James Turman of- Some are predicting the-ay be as long and hard as- one between Waggoner- d Joe Burkett.

House members are el-ine from public life (in-urkett) or seeking an-ice (including Carr). Of- who are running again- House, 82 have opponents.-as there'll definitely be- on the speaker's race- r the primaries.

16 senators up for re- all are running again- have opponents.-ere should be an un-umber of "upsets," leg-turnover should be about-er less than usual. "No- nplacement is about one- the House (or 50 mem-ent a very small num-ber, usually not more th-ree.

the aid bill pending in- Texas would receive- largest share of any- an a \$1,833,000,000 ap- on. Thus far, very few- ool districts have refus- the federal aid now av- for science teaching- n school lunches, etc.

TH GUNS — State Bo- insurance has announced- changes in the safe- insurance plan, but in- rt, the plan remains the- ard stuck to its guns- r barrage of criticism, -ange is that an insur- any cannot deny liab- policy if false or inac- information is given by- holder. For instance,

a person taking out a policy might intentionally or unintentionally fail to tell the insurance company how many accidents or traffic violations were on his driving record.

However, the company would be entitled to collect the higher premiums or damages from fraud if the policy holder had not admitted to his true driving record.

Premiums go up in proportion to the number of accidents and violations on a driver's record.

NEW PARTY LEADER — Albert B. Ray, Houston oilman, shipbuilder and rancher, succeeds Jack Porter of Houston as Texas Republican national committeeman.

Porter came to power in the party in 1952 as an Eisenhower supporter when the "Old Guard" supporters of the late Sen. Robert Taft were swept aside. Porter stepped down this year because of his health.

Besides electing Ray, The GOP State Committee promised to field a challenger to Sen. Lyndon B. Johnson in the general election next fall. Johnson has no Democratic opponent for his senate post.

Republicans will nominate their candidates at a state convention May 30.

NO LOSS FOR FLU — Not the least of the worries in schools hard hit by influenza was that the district would lose a hunk of state aid money which is based on average daily attendance.

State Board of Education, however, has worked out an emergency "epidemic formula" to help ease the problem.

In flu-stricken schools, the average attendance for the epidemic period will be adjusted to reflect the percentage difference between actual attendance and attendance which would have been expected had there been no epidemic.

CITY - COUNTY STUDY — Texas Commission on City and County government plans to send a questionnaire to city and county officials and other interested persons on the possibility of combining some city and county functions.

Aim, according to the Commission, would not be to combine city and county governments, but to find ways to economize by eliminating duplicating services.

Seventeen Texas counties, it was pointed out, have 55 percent of the state's population. It is in these areas that city and county problems tend to overlap.

PRICE FIXING CHARGED — Atty. Gen. Will Wilson has charged a Wisconsin manufacturer of drafting equipment with fixing the prices of goods sold to the state.

Suit was filed in an Austin district court against the Hamilton Manufacturing Co., of Two Rivers, Wisconsin.

Wilson contends the company, through "suggestions" to its distributors, set the prices on more than 200 different items totaling \$180,000.

WIN CASH...

WHO'S WHO in MORTON

TOTAL PRIZE MONEY \$1320.00
THIS WEEK \$66.00

Copyright 1959 by B. Reinhardt. All Rights Reserved

Where to LOOK for CLUES... RULES

Clues may be hidden in ANY ad in this group ad. When a "Star" appears in any of these ads, it means that additional advertising for that merchant appears elsewhere in this issue of the Morton Tribune, and additional clues may be hidden in any of those

ads, also!
Clues will be scattered... there may be from one to five clues in any ad... or none. This is a contest of skill... and we intend to do our best to outwit you. We invite you to do your best to outwit us!

RULES

1. This is a family fun contest. Entries welcome from every member of the family old enough to fill out his or her own. You may submit one entry per person at any or all of the Sponsoring Merchants whose ads are in the row that is heavily bordered this week... but only one entry per person at any one store (more than one will disqualify all entries of that person for that week). Anyone can enter unless a member of your family is employed by the MORTON TRIBUNE. Sponsoring merchants, their families, (and their employees and families) are most welcome to enter EXCEPT during weeks that entries are brought into the Sponsor's place of business.

2. Nothing to buy. Use any slip of paper for entry blank. DO NOT put your entry in an envelope. Not necessary to be present at the drawing to win.

3. WHO'S WHO may be anyone in the Morton trade area. Clues to his or her identity will be hidden ONLY in ads of Sponsoring Merchants (this means any ad in this section or any ad of the same merchant elsewhere in the paper). When star (s) appear in any ad in this section, it is your warning that other ad (s) of the same merchant (in which there may be clues) appear elsewhere in the paper. Clues will be scattered... many ads will have no clues while others may have as many as five. Beware of false clues; there may be some! This is a contest of skill and we intend to do our best to outwit you. We'll be delighted if you succeed in outguessing us, in spite of our best efforts.

4. If, by coincidence, the name of WHO'S WHO (or other facts about him or her) happen to appear in news items, editorial matter, or other places in this newspaper, these will not count as clues.

5. To enter, write down the name you think is WHO'S WHO. List all the clues you can find in all the ads of the Sponsoring Merchants in this issue. Don't forget your own name and address!! Then drop your entry at the business location of any Sponsoring Merchant WHOSE AD IS BETWEEN THE HEAVY BORDERS IN THIS SECTION. You may enter at all four if you wish. There are no other places where entries will be accepted... and MAIL ENTRIES WILL NOT BE ACCEPTED.

6. This week's contest starts when you receive this issue, and closes at 4:30 p. m. Tuesday of the following week. At that time (4:30 p. m., Tuesday) a drawing will be held. The first entry drawn that correctly identifies the WHO'S WHO will win \$10.00. If THAT entry also lists every correct clue, (and no false clues) hidden in all ads of Sponsoring Merchants, the Bonus Jackpot of \$66.00 will be given. Whenever this bonus is not won it will be added to next week's BONUS... which will continue to grow until it is won! Winning the BONUS requires a PERFECT list of correct clues... the exact number and all copied correctly. Family participation gives you a better chance to win the jackpot. Your wife, husband, or some bright-eyed youngster MAY spot a clue that you miss! Got any detective blood in you? Think you can outwit us? Remember you can't win if you don't enter... Fix up your entry NOW!

Deadline on Cotton Tour Reservation Has Been Set for February 22nd

Deadline for reservations on the Plains Cotton Growers, Inc. Textile Mill Tour, March 1 - 4 to the Winston - Salem, N. C. area has been set for Feb. 22, president W. O. Fortenberry announced today.
At present we have about 20 reservations and we need additional reservations immediately if we are going to keep our chartered DC-6 airplane. If 50 reservations aren't received by Feb. 22, then we will have to revert to using a smaller DC-3 plane that will accommodate only 25 persons," Fortenberry explained.
Reservations are being accepted on a first made, first go basis.
The textile mill tour is being conducted in cooperation with The American Cotton Manufacturers Institute and arrangements are about complete for the tour. The group will leave Lubbock about 8 a. m. on March 1, spend the next two days touring mills in the Winston - Salem area, and leave there early March 4 for the return trip to Lubbock.
Cost of the air transportation will be approximately \$160 per person and other expenses will be three nights hotel and two or three meals, with the total cost not expected to exceed \$200 per person.
The tour is open to both men and women and reservations should be made with a \$50 deposit at the PCG office in Lubbock. Any cotton producer, grower or allied business man or woman will be welcomed on the tour.

General Telephone Company of the Southwest has instituted for its employees the United States Chamber of Commerce Action Course in Practical Politics.
This course, to be given to all company employees will enable individuals to learn more about how they can become active in the political party of their choice in their community.
Initially the course will be given to supervisors at all levels in the company. Ultimately it will be given to all employees.
Conducted in eight - two hour sessions the discussion type course will enable the individual to develop an understanding of the nation's political parties and how they are organized. It will provide opportunities for the participants to learn the structure of local politics and to meet local and county politicians.
The course is not designed to get the participants elected to office and does not deal with the issues at stake in any elections, local or national.
General Telephone desires to make its employees aware that citizenship carries with it responsibilities as well as privileges. This course in practical politics is designed to help the individuals understand their responsibilities and to give them the "know how" to take part in the affairs of their government, including an understanding of how candidates are selected and elected.
The Action Course in Practical Politics was designed by the U. S. Chamber of Commerce and is being given by groups throughout the nation including civic groups and local chambers of commerce as well as business and industry.
The first class of this course is being held in the Cactus Hotel in San Angelo and began Feb. 8. Paul Farrar, district manager for this area, and Wayne King, district manager for Lamesa, will take part in the first class and will then become instructors for the Western Division of General Telephone Company whose headquarters are in Brownfield.

New Assistant At Halfway Stat'n

Paul M. Belcher has assumed duties as Laboratory Technician at the High Plains Research Foundation, Hallway, on February 15.
Mr. Belcher comes to the Foundation after several years experience in the field of agriculture. He grew some of the first sesame produced in Texas in 1953. For the past few years he has conducted tests with grain sorghum, cotton, corn, soybeans, and sesame on his own farm near Garland, Texas.
Mr. Belcher will assist Dr. Earl Collister in conducting research with grain sorghum, cotton, corn, soybeans, sesame, and other crops. In announcing the addition of Mr. Belcher to the Foundation's staff, Dr. Tom Longnecker, Director, stated that Mr. Belcher's years of practical experience in agriculture would be of value in the Foundation's program.

Today's MEDITATION
The World's Most Widely Used Devotional Guide
The Upper Room
Read Psalm 103:2-4

Blessed the Lord, O my soul, who redeemeth thy life from destruction. (Psalm 103:2-4)
A young seaman and I had been bobbing up and down among the ocean waves, as one after another they formed and spent themselves upon the sandy beach. Now we were walking along the seashore.
"The sea's so strong and restless," I said.
"Yes," the surgeon said, "and so old."
"Compared to the ocean," I added, "we seem so small and weak, and our lives so short."
"True," the surgeon said, "but in God's sight we are of more value than the ancient ocean."
"Can it be," I asked, "that our earthly lives are really important since they are so brief?"
"Put in this way," the surgeon answered, "the ocean points up the importance of life and the value of time because we have here so few years for living."
The experience of all Christians is that we can add to the value of our lives by dedicating them to God. We can redeem our time by putting heart and hand into work that shows our devotion to Christ and our love for our fellow men.
Prayer: Our Father, we thank Thee for the gift of life. Help us to dedicate ourselves to Thee. Guide us in the use of our time. Teach us to honor and glorify Thee by using unselfishly the talents Thou hast given us. In the name of Christ our Redeemer. Amen.

THOUGHT FOR THE DAY
I will dedicate my life to God who alone can save it from destruction.
Russell Q. Chilcote (Tennessee)
World-wide Bible Reading - Luke 14:25 - 15:10

Savings Bond Area Manager Visits Morton
Leonard F. Cowden Jr., area manager for the Savings Bond Division of the U. S. Treasury Department, was visiting in Morton, Thursday with W. W. Williamson, county chairman of the Savings Bond Division.
Cowden reported that since the recent increase in interest rates savings bonds had become more popular with persons seeking investment for their money.

WHO'S WHO —

(continued from page one)

"Is that right — now I can take that fishing trip."

(After checking the entry for the Who's Who name, the correct listing of clues, the judges then had to check to see if the winner had entered more than one entry per clue box.

The drawing was conducted at Doss Super Food Store. Entries were gathered from boxes at Stricklands, Butler Motor Co., Morton Floral and Greenhouse, and Doss.

A new contest starts with the publication of the Morton Tribune. And, as the publishers promised earlier, the clues have been made more difficult to find — and perhaps, the identity of Who's Who more carefully hidden.

Entries in the new Who's Who may be taken this week to Lindsey Feed and Seed, Forrest Lumber Company, Clarke's Dry Goods, and Hawkins Oldsmobile Co. Remember, you may drop an entry in the Who's Who box at each of the four firms, but no more than one entry per firm. (The more you try at Who's Who the better your opportunity to win.)

In all, the 44 Morton merchants taking part in the Who's Who game are making it possible for \$100 to be given away.

The more you participate, the more skilled you become in playing Who's Who, and — it goes without saying — the greater your possibilities to get your hands on some of that \$100.

Don't forget: any piece of paper will do, write down the name

of Who's Who, then list the clues — clues must be copied correctly, sign your name, address, and phone, if you have one, and deposit entry in Who's Who box at firms whose ads on the Who's Who page appear inside the heavy black border.

A hint — make a list of all the Who's Who clues you can find — then try to determine who it is.

Here are the clues to Miss Ramsey's identity: also in variety store at Ft. Davis, (she and her sister were there in the variety business), friendly, courteous, (goes without saying for those who know her); two for business, business for two, (a natural for the two sisters); looks forward to travelers, (travelers are sometimes good hotel customers).

Collects pitchers, (a hobby); in same business as Hilton, (recall the Hilton hotels), switchboard operator, (that she was at Cisco); a native of Florida, (born at Homes County, Florida); dry goods business at Ft. Davis, (she and her sister); has a sense of humor, (apparently always); enjoys present work, (ask her); arrived in 1949, (moved to Morton); enjoys painting, (with a brush); lived at Stone Village, (at Ft. Davis); welcomes guests, (good idea in hotel business); started on borrowed merchandise, (a tough clue, but that the sisters did on at least two occasions).

Would vote for Jimmy Davis, (said so herself, and he is a good singer); and "Splinter" is a nickname, (even her brother, S. A., had almost forgotten that nickname).

Get that Tribune, get that pencil, that's green stuff in them that pages . . .

EDITORIALS . . .

Chamber of Commerce Project Is Underway . . . Big Job Ahead

The first step was taken this past weekend toward what may eventually establish a Chamber of Commerce in Morton . . . something the town has needed to abet its growth for a long, long time.

The step was, admittedly, a very small one. It simply consisted of a meeting between seven men, three representatives of the Jaycees, three representatives of the Lions Club and the president of the Lions Club. It was a short meeting, one in which the group merely laid what plans they thought they should first make, before proceeding any further.

It will more than likely be weeks perhaps even months, before any Chamber of Commerce could come out of this program of study. It will probably be many weeks before any merchants are contacted seriously with the idea in mind of establishing a Chamber.

But the important thing is that a study is being made. And another important point is that the men making the study are convinced they need to move carefully, thoroughly, and with plenty of thought, if the Chamber is to be set up properly.

We think the culmination, somewhere down the road, will be the formation of a Chamber. But it will not occur unless the majority of the merchants are convinced that it's the thing to do and will offer their cooperation.

There is one small thing, those merchants who are already sold on the need for a Chamber, can do during this study. And that is to let the men on the Committee know how they stand. To offer encouragement. That is a small thing, but could be an extremely important thing.

At the same time, it is also to be hoped, that those who have reasons for opposing a Chamber, will come to the front, when the proper time comes, voice their objections, and aid in the means of getting around these objections so that the Chamber can start off on a strong foothold.

Babe Ruth League Will Need Willing Workers, to Survive

The reasons for and the benefits derived from programs such as the Babe Ruth League, are by this time pretty well known to those persons who are interested and a great many of those who still have no real interest in the program.

It has also been suggested, many times, that if you give the boys of the community a program to occupy their time, you also are reaping certain benefits toward taking care of the girls of the community.

But the purpose of this editorial is not to advance the merits of the Babe Ruth League program. It is more important to point out that the Babe Ruth program in Morton is at a point where it could die, if certain aid is not rendered.

The most pressing need, of any program of this type, is adult leadership. Usually the financial support can be obtained much easier than adult leadership. Because, the leadership takes time . . . something adults are often prone to decide they don't have.

The coaches and managers, positions that take the most time, can be secured. But the most important needed position, is the person who will "run-rod" the program . . . the overall leader who will tend to the important paperwork details of league registration, seeing that proper equipment is ordered, lining up umpires, seeing that schedules are made up, and later, when it is necessary, changed to fit the situation. And this is a big job. The person who would lead can get quite a bit of help . . . but the help available, does not feel capable of leading.

Also needed, in places that really do not require as much time as one might think, but which people have a tendency to be afraid of for fear that they will take too much time, are league officers.

For example, the league president often attends only a few meetings each year, sees that certain complaints are properly considered, signs official papers, etc.

The treasurer accounts for the money, handles the bank account, sees that bills are paid, etc.

But still someone needs to take these jobs and see that they are taken care of.

In the very near future more local meetings will be held, it is hoped, at that time, that volunteers will step forward and take over positions that need attention . . . that need time.

When an organization, such as the Morton teams of the Babe Ruth program, all parts of the Frontier Babe Ruth League, which includes Morton, Sundown and Whiteface, lose their officers . . . someone has to take over.

We lost Denton Thompson, our "run-rod" for the League; and Snooky Russell, one of our directors. Both moved away, both must be replaced, or the league may not even be reorganized this year.

edlines . . .

By Eddie Irwin

THE CONTEST started last week seems to have caused lots of comment and of course, the usual criticism. Some think it might be too hard, some think the clues are put in the wrong places and we've already had various comments on changes that people think should be made to cause them less confusion.

but mostly . . .

WE THINK they had a lot of fun doing it, and there should be little question as whether the Tribune ads are being read, at least as long as the contest lasts. Hope you enjoy working the puzzles out and best of luck to everyone on it.

we haven't . . .

ANY TIPS. Frankly the contest is as new to us as it is to you readers, and aside from the fact that we pick the person and set the clues, we know very little about what might be the easiest way to proceed to work such a contest.

we've said . . .

AND WE HOPE we're able to do it, that we're going to try our dead level best to stump as many folks as possible.

while visiting . . .

IN MORTON LAST WEEK to speak to the Morton Lions Club about his adventures in Scouting.

Judge Lewis Owens of Hockley County, also took a little time out to "stump" for his daddy, on Morton streets. His father, Judge Jesse Owens, is a candidate for the Chief Justice Post of the Supreme Court of Civil Appeals. He's in the the Supreme Judicial District, and his name will appear on the Primary ballot you'll vote on next May.

he has . . .

HAD FOUR years experience as a County Judge; 4 years as a District Attorney; 9½ years as a District Judge; 3 years as an Assistant Attorney General and has been practicing law for 33 years.

we offer . . .

OUR APPOLOGIES concerning two sporting events this past week which we didn't know anything about. When the Tribune came out a ninth grade basketball tournament was in progress, but we missed the boat on that one. Then, we announced Friday night would be the Indians last game, but they rescheduled their game with Seagraves. It was played Monday night, and thus it was the last game of the season.

now we . . .

HAVE MOVED INTO the track season. Morton should field a better balanced team, perhaps their

best team in the past eight or ten years. But the season is just barely getting underway and it would be unfair to make any predictions now as to who would win what.

remember . . .

THE OLD ADAGE about it pouring when it rains . . . must seem so for J. W. McDehmett. It's not coincidental enough, the number of fires he's had in his barns in the past few years . . . the most recent of which was last week . . . but Friday night, young David Cates, plowed into one of Mac's cows that had gotten out. Fortunately, Cates wasn't injured, and his car wasn't hurt too bad, but the cow was felled and killed instantly.

even though . . .

THAT SAND STORM the other day "shook up" some folks, we've had plenty of farmers advise this week that the ground is just now really getting dry enough to plow very well . . . just a little topsoil moving around the other day.

—

CITY —

(Continued from Page One)

ed references on the man who would own the pool hall and found them in order.

The secretary also read a health clause added to an ordinance recently drawn up concerning operation of a domino hall in Morton, but said he had drawn up no pool hall ordinance on the advice of the representatives of the Texas League of Municipalities, who advised that State Laws govern the operation of a pool hall.

The secretary also asked for permission to pay the Soil Conservation District \$20 for the purchase of a shredder in which the city had already invested considerable money, while borrowing it. A move was made to approve the purchase but the secretary said he only wanted the okay, and did not need a motion.

The protest hearing was conducted and those in attendance included Lee Page, Hub Cadenhead, Mr. and Mrs. Raymond Ross, R. L. Reeder, Melvin Coffman, Bob Dunham, Roy Hill, Millard Townsend, Zeke Sanders, E. L. Willis, J. W. McDehmett, Lloyd Miller and Joe Miller.

After the persons attending the hearing had been interviewed, the Secretary proposed that an attorney be invited to the next meeting to discuss collection of delinquent taxes, with which the secretary felt the city would have sufficient funds to participate in the paving project.

The Commission was also informed that the county had agreed to pay \$100 per month to help defray the costs of fires outside the city. This would be a one year contract.

Attending the meeting in addition to those mentioned were Mayor Pro Tem Amos Taylor, Commissioners Strickland, B. Merritt, Roy Gentry, Richards, Secretary Seagler and Eddie Irwin.

CO-OP MEETING —

(Continued from Page One)

up in the past 20 years, about 300 percent, but that the same rates for electricity were being used today as in 1940.

Tom Reavely, attorney for Texas Electric Cooperatives, former secretary of State and probably a candidate for attorney general in 1962, made the main address. From comments by the members it was one of the best speeches heard in these parts in a long time. He talked about cooperatives and the state legislative. He pointed out how adversely the Texas Legislative had acted and had evaded doing anything about a change in the Rural Electric Act in Texas.

A nominating committee for 1961, consisting of Jack Little, Eugene Black, Morris McKillip, and Lester Howard were elected.

R. J. "Skeeter" Brock, and Chester Setliff were elected as Board Members.

After the meeting the board met and elected R. L. "Mutt" Davis of Maple as its president, E. W. Locker, Route 2 Muleshoe, as vice - president, and Joe Harbin, Route 1, Muleshoe, as secretary-treasurer. Other members of the board are Jessie Clayton, Morton; C. G. Dameron, Needmore; R. J. Brock Springlake and Chester Setliff, Bala.

Roy Young, president for the

past two years retired from the board. R. A. Axtell, Springlake board member also retired.

Mr. Young and Mr. Axtell were each given a set of sterling silver cuff links by the board and manager as a token of appreciation for the work together in the past. More than \$1,000 in prizes were given away. The grand prize was a Frigidaire Automatic Electric Clothes Dryer. The Lucky Recipient was Mrs. Cecil Cox of Bala. The donors of the dryer were; Harvey Bass Appliance, Muleshoe; Reeve Chevrolet, Friona; Hill Rogers Furniture, Littlefield; and Frigidaire Corporation. The Cooperative will install the dryer for Mrs. Cox.

TO ATTEND SCHOOL AT AUSTIN, MON.

Mrs. Art Wall, Retail Merchants Association manager for Morton, will leave Saturday to attend an Associated Bureau school in Austin, to begin Monday and continue until next Friday. Mrs. Bill Goodman will be in the local Retail Merchants' office while Mrs. Wall is away.

Three Way News . . .

By Mrs. Frank Griffith

TO CONDUCT REVIVAL
Rev. Homer Martinez will conduct a revival meeting at the Three Way Baptist Church this week, Wednesday through Sunday. Everyone is invited to attend. Rev. Byron Hardgrove is pastor of the Church.

VISITING GRANDPARENTS
Rusty Conner, son of Mr. and Mrs. Sid Conner of Dickens, is visiting his grandparents, Mr. and Mrs. Leon Reeves.

HOME FROM HOSPITAL
Mrs. Paul Carlisle is home from the hospital.

VISIT IN MULESHOE
Mr. and Mrs. Leon Reeves and Rusty Conner visited Sunday at Muleshoe with Mr. and Mrs. Troy Wilkerson, Mrs. Reeves and Mrs. Wilkerson and sisters.

ATTEND FUNERAL
Mrs. W. C. McCelvey and Gayle left Tuesday for Teague to attend the funeral of Mrs. Alice Keaton. Gayle returned to Dallas with her sister, Louise Keaton to spend a few hours visiting and Mrs. McCelvey visited her sister at Longview. They returned home Friday.

NO PLACE
Three Way did not place at the District tournament at Pep last week, but several of the players were named to the All District teams. Girls making the teams were Jane Garvin, Anonie Hightower, Gayle McCelvey, and Linda Sims. Boys elected to the team were James Long and Keny Sims.

ON SICK LIST
On the sick list this week were Lawrence Taylor, Jack, Johnny and Debra Furgerson, Jack Furgerson was hospitalized a few days but was released Sunday.

SCHOOL SCHEDULE
February 28 through March 4 is public school week. Bailey Co-

nty T. S. T. A. will meet at Three Way February 29. Public School Day will be observed March 1. Parents are invited to attend the program to be given in a general assembly and to visit their child's room and go on an inspection of the school. Lunch will be at the school lunch room and will be served from 11:15 to 12:30.

Charles Bowen, high school principal, has asked that each visitor sign the attendance register. March 2 and 3 the high school students will take the Project Talent tests. Friday March 4 the teachers will be in a meeting. District 13 T. S. T. A. at Lubbock. There will be no school at Three Way that day.

Monday, March 7, Mr. McGuire, the traveling science teacher, sponsored by the National Found-

ation and Oklahoma State U., will be at Three Way. Assembly will be from 10 to 11 with a lecture on "Previews to Physics", 11 to 12 physics class, 12:30 to 1:30 Trig class, 2:30 to 3:30, 8th grade math class.

Tuesday, March 8, Mr. McGuire will conduct a plane geometry class at 9 to 10, algebra 1 from 10 to 11. Biology and Agriculture students will meet in the gym for a class at 12:30. General Science class will be from 1:30 to 2:30. Anyone interested in the class demonstrations and lectures by Mr. McGuire is invited to attend.

JUNIORS HAVE PLAY
"Take it easy" is the title of the play selected for presentation by the Junior class. Rehearsals began this week and the date set

for the play is March 18. Curtain time is 8 p. m.

IS IN HOSPITAL
Mrs. Dodd, mother of D. P. Brinker, is in the West Plains hospital at Muleshoe.

RETURNS HOME
Clyde Coffman, a retired Baptist minister, returned from Dallas, at after consulting a doctor there. Bro. Coffman has been in ill health for several years. Mrs. Cunningham, daughter of the Coffmans is here from Calif., visiting and helping out at the home while her father is sick.

VISIT PARENTS
Mr. and Mrs. Jack Lane and girls visited their parents at Sudan Sunday.

PLAN TRIP TO HAWAII
Mrs. Jack Love is planning a trip to Hawaii with some friends from Muleshoe.

TFWC Crusades For More Freedom For Texas Women

DALLAS (sp.) — Crusade for freedom of Texas women where their legal rights are concerned forms the core of activities for the Texas Federation of Business and Professional Women's Clubs, Mrs. Hermine Tobolowsky, state president of Dallas, reports.

Carrying out this crusade, club women and a growing body of lawmakers have pledged themselves to pursue this objective. They seek the early passage of the equal rights amendment to the Texas Constitution.

This amendment has been stated as follows: "provide that equality under the law shall not be denied or bridged because of sex and to provide a homestead exemption for single persons. This amendment is self operative, but the legislature shall make necessary adjustments in any laws which contravene its provisions.

Mrs. Tobolowsky and the qualified B & P W Club legislative steering committee lists for your study these laws and their discriminations against women:

1 — Art. 1, Sec. 3, Constitution of Texas provides equal legal rights for MEN only.
2 — At XVI, Sec. 15, Constitution of Texas, defines the wife's separate property, but definition of community property is left to the legislature, and there is no definition of husband's separate property; conceivably his property could be enlarged at the expense of the community.

Art XVI, Sec. 50 and 51, Constitution of Texas, provides for a homestead for a FAMILY, but makes no provisions for unmarried adults, male or female, resulting in injustice to all unmarried adults.

Art. 1064, Revised Civil Status, classifies women, infants and lunatics together for purpose of redemption of property tax sale. Probate Code Section 190 (a) makes father natural guardian of minor child and entitled to be appointed guardian of minor's estate.

Probate Code, Section 177 (a) gives husband right to administer wife's one-half community property on her death to the exclusion of her executor, but denies such right to surviving wife.

Any house hold or library issue of the Texas Almanac will give you further insight into these laws. Any woman who has encountered any of these listed laws and many have, have cried out that such injustices exist in Texas.

"The American tradition of fair play demands that the principal of legal equality be written into the Texas Constitution in order that liberty and justice shall become a reality," concludes Mrs. Tobolowsky.

Business and Professional Women Club members can supply pamphlets on these legal problems for you or write Executive Secretary, Texas Federation of Business and Professional Women's Clubs, 501 Berk Barnett Building, Fort Worth and they will be mailed.

Bledsoe Youth In Select Group

LUBBOCK (sp.) — Texas Tech air science students who have attained outstanding achievement during the fall semester have been honored at Air Force ROTC ceremonies on campus.

Cadets receiving recognition include Clarence J. Bryant, junior business administration major. He received a ribbon presented to students showing the greatest participation in corps activities for the fall semester.

TWIN BOYS ARRIVE
Mr. and Mrs. U. S. Alexander of Lovington, N. M., announce the birth of twin boys who arrived Feb 3 at Hobbs, N. M. The twins have been named Paul Daniel and Keith Samuel. They weighed 5 pounds and 5 and one-quarter pounds. Mrs. J. D. Newthorse is their aunt.

Mrs. Dexter Nebhut Will Be President Of Young Matron's Junior Study Club

The Y. M. J. Study Club met in the home of Mrs. Eli Douglas on February 11 with fifteen members present. Mrs. Weidman Hill reported on the nurses club.

The business for the meeting consisted of election of new officers.
