NUMBER TWENTY-TWO

BAR ROLLS; TWO ESCAPE

1957 Chevrolet, escaped injury. The car was nearly demolished in the accident which occurred about 7:45 p. m. when reports say the left front tire blew out. Parker was evidently thrown out of the windshield and suffered a deep gash in his head as well as severe lacerations on his body.

Brownfield Babe Ruth Entry Clobbers Frontier All Star Squad, 16 to 4

Brownfield tallied four runs in just one hit and they were "in" the rest of the way. Powers allowed just two scratch hits in the first five innings and then after two clean hits in the 6th inning, he was relieved by Larry Dupier. The Brownfield team scored 7 times in the 6th inning to go ahead by more than 10 runs and the game was halted at the bottom of the 6th with Morton trailing by more than 10 runs.

COCHRAN POSSE AT IT AGAIN! 1ST AT CROSBYTON

The Cochran County Sheriff's Posse won another first place trophy last week.

Though they were only able to gather 19 riders last Thursday, nevertheless they made the trip to Crosbyton and came back with first place in their hip pocket.

The local riders outpointed Abemath, which placed second and the Lubbock Rangers who placed third, in a field of six riding groups.

It was their third first place trophy brought home thus far in the 1960 season.

W. M. Ashworth, Former Resident, Dies at Bowie

Final rites were held Monday July 18, at 3 p. m. at the Funeral Home Chapel in Bowie, Texas, for W. M. Ashworth, former Cochran resident and first President of the First State Bank of Morton.

Mr. Ashworth died Friday, July 15, shortly after suffering a stroke around 7 p. m. at his home in Bowie. Moving to Cochran County around 1924, Mr. Ashworth owned and operated a grocery store at Bledsoe. He moved to Morton in 1928 where he owned and operated a grocery store on the west side of the square. He later bought a dry goods - grocery store from J. L. Winder, sold that and moved to Estancia, N. M. where he had ranching interests.

Around 1935 he moved back to Morton and built and operated a dry goods and grocery store where Jeter Hardware is now located. In 1941 he helped organize the First State Bank. He was a stockholder and first president of the bank. He sold these interests in January of 1943 and retired.

Mrs. Ashworth, who was taken to the hospital at Bowie when she learned of her husband's death, was unable to attend the funeral. She was reported "doing as well as can be expected," by Mortontites who attended the services.

Those attending from Morton were Mr. and Mrs. Ray Hudson and Mr. and Mrs. R. Z. Boren. W. W. Williamson, who established the bank of which Mr. Ashworth had been president, also went to Bowie Monday but was unable to attend the services. Survivors include the wife, Mrs. Mollie Ashworth; two daughters, Mrs. O. R. Etheridge of Azle, Tex.; and Billie of Lubbock; seven grandchildren and several great-grandchildren.

GUARANTEED ONE YEAR... PAVING PROJECT COMPLETED; DELIVERY TO CITY SET SHORTLY

J. R. Fanrin, Paving contractor, was about ready to turn the 44 block Morton project over to the city this week, it was learned Monday at a meeting of the City Council.

Al O'Brien, representative of the contractor, met with the city and told the Commission that Howard Schmieding, engineer, was due in Morton Tuesday, to begin final checking of all grades, levels, etc., preparatory to checking individual assessments on the nearly completed project.

O'Brien emphasized that the project was not completed, and that it would not be released until final checks had been made. He also emphasized that the contractor had a one year guarantee to patch and take care of any paving troubles that develop on the new project within a one year period.

The rain plagued and delayed project, was completed for all intents and purposes on Wednesday of this week. The contractor wound up by "tying in" all intersections to the Highway. Base was completed all over the project last week, despite the rains. But the final topping was completed only by working Sunday, Monday and Tuesday of this week.

O'Brien asked for a payment from the city to help pay for costly bills run up during the project and was to receive from the city the "\$7,500 or \$8,000 the city

State Republicans Support Goldwater For Vice-Pres.

Bill Klattenhoff, Republican District Committeeman from the 28th Senatorial District, was in Morton Wednesday prior to leaving for the Republican National Convention at Chicago.

A Republican reception for convention delegates is scheduled at the new Federal Savings and Loan Building in Lubbock tonight (Thursday) from 7 until 8 p. m., and Klattenhoff was issuing an invitation to area Republicans to attend that gathering.

Klattenhoff will leave Sunday morning for the Convention. He said Mr. and Mrs. Gordon Treadway, who are also delegates from this area, will leave for the convention Friday. Mrs. Treadway is District Committeewoman.

Jack Deaver Opens Welding Shop

Jack Deaver, who has been in the welding field for the past 15 years, announces the opening of Jack's Welding Shop, North Main Morton.

In making the announcement, Deaver said the shop is equipped for all types of welding jobs. He will be open six days per week.

A graduate of Morton Schools, Deaver has resided in Morton for 28 years.

Mr. and Mrs. Deaver have two children, Sherry 12 and Galen, 5. She is the former Thelma Linder, daughter of Mr. and Mrs. O. L. Linder of Fredonia, Kansas, former Morton residents.

Deaver extends area residents a cordial welcome to drop by and visit with him.

DOCTOR COGBURN GIVEN 30 DAYS TO FIND OFFICE

Members of the Memorial Hospital Board of Managers voted Tuesday night to open the hospital to the practice of legally licensed Texas DO's and MD's. Also, they approved, with one negative vote cast, a motion to give Dr. C. G. Cogburn, D. O., temporary office space in the hospital for 30 additional days.

The actions were voted at a called meeting of the board in the dining room of the hospital.

At the opening of the meeting the president of the board announced the meeting had been called to determine whether or not Dr. Cogburn should be allowed to continue to maintain temporary offices in the hospital.

Board members attending the meeting were J. C. O'Brien, president; L. W. Barrett, vice-president; board members, L. E. McDonald, Arvel Snodgrass, and Bill Glassford, secretary.

One member, Ted King of east of Morton, was absent.

Prior to the call to order, the secretary reported to the president that Dr. J. Walker Davis had asked him, the secretary, to deliver to the president of the board a request that Dr. Cogburn be out of the hospital by Wednesday morning.

This, the secretary said, was in reference to the motion adopted earlier by the board to cease renting or leasing office space in the hospital.

(Dr. Davis told the board at its regular June meeting that the present staff of doctors, both members of the American Medical Association, could not continue to practice in the hospital if it were opened to osteopaths, or DO's.)

The meeting was called to order around 8:30 p. m. Among those present besides the five board members were Chas. Lewis, hospital administrator, and Roy Tarver Sr., Dewitt Allsup, Mrs. Roy Gentry, Mrs. H. B. Barker, Haral Rawls, and County Judge Glenn Thompson, ex officio member of the board.

The president explained the meeting had been called to discuss temporary offices for Dr. Cogburn.

The president asked if any of the visitors wished to speak to the board.

Discussion turned to hospital expenses and problems in general, why doctors continued to come and go in Morton, DO's and MD's in general and what could be done to better the situation.

Others arriving during the discussion included Mrs. Orville Tilger, Keith Kennedy, Bill Crone, and W. M. Butler Jr.

The administrator advised the president that Dr. Cogburn and Dr. Richard Gushwa, D.O. of Lubbock, were waiting to come before the board.

Allsup asked if it would be agreeable if he called Dr. Davis, and the secretary said he had personally invited Dr. Davis to the meeting that afternoon.

The secretary asked if the administrator would please contact Percy Dewbre and ask him to come before the board.

Showing will be "Battle Flame" starring Scott Brady, plus a color cartoon.

Starting the anniversary week will be "The Big Fisherman" Sunday Monday, and Tuesday.

The movie is the story of Simon Peter of Galilee based on the story by Lloyd C. Douglas.

In Morton, the theatres will be observing their 25th year in business.

A. V. Walker Services Held at First Methodist

Funeral services were held at 3 p. m. Monday at the First Methodist Church for A. V. Walker, 59 year old area farmer who died at Morton Memorial Hospital after suffering a heart attack Saturday afternoon.

Rev. R. L. Bowman, Whiteface Methodist minister, former pastor of Mr. Walker, officiated at the final rites, assisted by Rev. H. F. Dunn, pastor of First Methodist Church, Morton. Burial was in Morton Memorial Cemetery under the direction of Singleton Funeral Home of Morton.

A veteran of World War I, Mr. Walker was married in Mitchell County Texas in 1920, to the former Miss Vera Brown. Active in the Methodist church he had served as a member of the Board of Stewards.

Mr. Walker, who farmed about four miles west of Morton, on Star Route Two, had been a resident of this area for nine years having moved here from Big Spring. He had been in ill health for sometime and had only recently come home from the hospital after being confined there following a heart attack.

A doctor was summoned following the Saturday heart attack and he went to the Walker Home and then had the patient brought to the Memorial Hospital here, where he died shortly thereafter.

Survivors include the wife; two daughters, Mrs. Evone Lightner, Lubbock and Mrs. Nadine Cates, Big Spring; a son Dickey Lynn Walker, of the home; two sisters, Mrs. Paula Crosslin, Indio, Calif., and Mrs. Meddie Alsbrook of Midland; four step sisters, Mrs. Mable Hogan and Mrs. Nell McLaughlin, both of Pasadena, California, Mrs. Georgia Claden, Santa Barbara, Calif., and Mrs. Beulah Riley, San Jose, Calif.; four step brothers, Ross Walker, of Yuma, Ariz., Bruce Walker, in the military service, stationed in Tennessee, Robert Walker, stationed in Japan with the armed forces, and Johnny Walker, Calif., and two grandchildren.

Church of Christ Gospel Meeting Starts Sunday

A Gospel Meeting opens Sunday at the Church of Christ at 202 Denton Second Street, with Bro. Denton Thompson, former minister of the church, now of Clovis, Calif., doing the preaching.

The meeting will continue for one week, through Sunday, July 31, and in conjunction with the meeting, Bible Classes will be conducted each weekday morning, Monday through Friday, from 9 a. m. until 11 a. m. Classes will be held for all age groups.

Bro. Thompson comes to Morton from McCloud, Okla., where he has been conducting a meeting and has just completed a singing school.

Everyone is invited to attend the service of the Gospel Meeting and the Bible School classes. The classes for adults, everyone over 14 years of age, will be conducted by Bro. Thompson.

NEW BENEFITS FOR DISABLED VETERANS

Austin Tex. (spl.) A large number of Texas veterans who have serious handicaps resulting from active military service will benefit from a law recently enacted by Congress and signed by the President. This announcement was made by Charles L. Morris, Executive Director of the Texas Veterans Affairs Commission in Austin.

Veterans who have disabilities resulting from service in the Armed Forces may receive compensation from the Veterans Administration for these disabilities. If the service connected condition is disabling to a degree of 50 percent or more additional allowances are payable to the veteran on account of his wife, dependent children and dependent parents.

Prior to passage of the new law, Morris stated that this new law became effective on July 1, 1960, and benefits payable as a result of the new law will be effective from the date the Veterans Administration receives proof that the disabled veteran has such additional dependents.

the meeting. Dr. Cogburn arrived with Mrs. Cogburn and Dr. Gushwa around 10:20 p. m. Shortly afterwards Percy and Sonny Dewbre arrived.

Percy Dewbre was asked to tell those present of the events prior to the transfer of his wife to a Level-1 Hospital.

He said that he did not desire to hurt anyone by talk, but that he would answer any questions he could answer that the board asked.

Through questioning from the president he explained the events leading to the transfer of his wife to Level-1.

While he was talking Dr. Davis arrived outside the dining room. Another visitor entering the room was Sammy Leverett.

Dr. Davis was asked to have a chair. A brief discussion followed regarding conditions at the hospital. He said apparently Dr. Bill Lee was leaving.

Dr. Davis told the president that he had gone to the secretary that afternoon and asked him to ask the board to honor the agreement "between me and the board."

This was in reference to placing doctors in offices in the hospital.

He asked the president that the matter be honored without deviation.

One member of the board explained to Dr. Davis that he felt the doctors had broken the matter through their actions of the past week.

Another member said he felt personally that the board and the community owed Dr. Cogburn their appreciation for the manner in which he had met emergencies during the past few days.

It was past 1 p. m. before the board got around to passing the two motions - one regarding the opening of the hospital to MD's and DO's and the other regarding office space for Dr. Cogburn.

Most of the visitors left shortly after the votes were taken, some had already gone.

M-M Tractor Demonstration Set for Friday

A public demonstration of the three new Moline tractors has been announced by Bedwell Impiment Company, Morton, for Friday, July 22, at 12:30 p. m.

The demonstration will be held one-half mile east of the city limits on the Whiteface highway.

The public is cordially invited to see the demonstration.

Showing will be "Battle Flame" starring Scott Brady, plus a color cartoon.

Starting the anniversary week will be "The Big Fisherman" Sunday Monday, and Tuesday.

The movie is the story of Simon Peter of Galilee based on the story by Lloyd C. Douglas.

In Morton, the theatres will be observing their 25th year in business.

MAPLE ASSEMBLY OF GOD CHURCH IS HOST... Liberian Missionaries Will Hold Rally at Maple Church

The Rev. and Mrs. Ivan V. Hagar, missionaries to Liberia, West Africa, will be featured in a special missionary rally on Friday.

Rev. and Mrs. Ivan D. Hagar

July 22 at Maple Assembly of God Church, Forrest Smith pastor, announced.

The Rev. and Mrs. Hagar have recently been approved by the Assemblies of God for technical service in New Hope Leprosy Mission, Liberia, West Africa.

The Rev. Hagar is going to Africa to put this land grant into cultivation to make the colony self supporting.

The Rev. Hagar has pastored Assemblies of God Churches in Spur and Anton, and engaged in evangelistic ministry in Texas, New Mexico and Arkansas.

Mrs. Hagar, a registered nurse, was a medical missionary of the Assemblies of God in Ghana, from 1948 through 1951, and helped establish a maternity clinic in Saboba, Ghana.

The Hagers are currently travel-

ing in the United States presenting the story of the Assemblies of God in Liberia. They will be leaving soon to begin working in the New Hope Mission.

The Rev. Forrest Smith extends a cordial invitation to the public to hear the Rev. Hagar. A film will be a special feature of the missionary service. The service will begin at 8 p. m.

Among those who were on hand for the family get-together were the following:

Mr. and Mrs. Morrow Mings, Linda and Michal, Hobbs; Mr. and Mrs. Dewayne Mings; and Mr. and Mrs. Kenneth Stinson and son, all of Hobbs, N. M.; Mr. and Mrs. Cecil Mings, Betty and Dean, Brady, Texas; Mr. and Mrs. Clemie Pardue, and Miss Peggy Sue Jennings, all of Gridley, Calif.

Summer punch was served by Mrs. Bobby Travis from a lovely crystal punch bowl.

Thirty five guests viewed a varied selection of gifts for the couple which were displayed in a bedroom.

Along with many local guests several out of town guests were Mrs. J. B. Nurney, Lubbock, sister of the honoree, Mrs. John Key, Lubbock, and Mrs. Fay Williams also of Lubbock.

Hostesses for the afternoon were Mesdames W. L. Foust, E. O. Willingham, C. A. Moore, L. E. Huggins, J. R. Kuykendall, Ralph Heasley and Bobby Travis.

MRS. GEORGE EUGENE (GENE) GARDNER

Brenda Brotherton, George Gardner Are Wed At First Baptist Church

Bouquets of pink asters, white gladioli and greenery decorated the First Baptist Church of Morton, Friday, July 8, at 3:00 p. m. when Miss Brenda Kay Brotherton, daughter of Mr. and Mrs. R. E. Brotherton and George Eugene (Gene) Gardner son of Mr. and Mrs. H. T. Gardner also of Morton, exchanged double ring vows. The pastor, Rev. Fred Thomas officiated.

Given in marriage by her father, the bride wore a white cotton lace over taffeta dress. It was fashioned with a round neckline, three-quarter length sleeves and it was street length. A headpiece of lace held her shoulder length veil. She carried a Lily of the Valley centered with an orchid atop a white Bible.

Miss Darla Brotherton, sister of the Bride, was Maid of Honor. She wore pink silk organdy over taffeta, and wore as a headpiece, pink nylon accented with rose buds. She carried one white carnation with pink streamers.

Don Gandy of Morton, served his cousin as best man.

Ushers were Donnie Williams, and Mickey Williams of Lorenzo. Miss Anonie Hightower of Maple, registered the guests. Mrs. Earl Polvado presented wedding music.

A reception followed in the home of Mr. and Mrs. R. C. Sexton, 302 E. Garfield. The lace tablecloth over pink was centered with a 3 tier white cake with pink roses, which was served with pink punch. Serving the guests were Misses Darla Brotherton and Anonie Hightower.

For a trip to points in New Mexico, the bride chose a two piece gacon suit of copenhagen blue, ensemble as she wore a corsage from her bouquet.

The bride is a 1959 graduate of Morton High School. The groom also attended Morton Schools and is now engaged in farming.

JUDY McCUITION IS STAFF MEMBER AT GLORIETTA CAMP

Mr. and Mrs. T. A. McCuiston took their daughter, Judy, to Glorietta, N. M., Wednesday, where she began a six week stay as a member of the staff of the final six weeks of the summer Glorietta Baptist Assembly.

Judy is one of numerous college students who handle the various jobs that need to be taken care of to keep the camp operating.

The camp, which includes several types of camp operations, operates over a 12 week summer period hosting various Baptist meetings, students retreats, music instruction, Sunday School meetings, etc.

SOCIETY

Mary Katherine Lackey, T. H. Coon Exchange Wedding Vows in Morton

Mary Katherine Lackey, Theldous Henry Coon, Jr., exchanged double ring wedding Sunday, July 3rd, at 4 p. m. at the First Baptist Church in Morton, with Rev. Fred Thompson reading the ceremony.

The bride is the daughter of Mrs. E. R. (Bud) Lackey of Morton and the bridegroom is the son of Mr. and Mrs. Theldous Henry Coon Sr., of Frederick, Okla.

The bride wore an embroidered full-length dress of white tulle and lace with long sleeves and sweetheart neckline. The veil flowed from a Juliet knot of net and pearls. She carried a white Bible with white ribbon.

The bride's father, Ellis R. Lackey, gave his daughter in marriage to Billie Coon of Frederick, Okla., sister of the bridegroom, and as Maid of Honor and Miss of Odessa, Tex., the bride's aunt, was bridesmaid. Mrs. Coon wore a light beige

dress with white accessories. The bridesmaid wore a soft blue dress with a waltz length, lace skirt. Both carried white roses.

Miss Sue Ramsey sang "I Love You Truly," and "The Lord's Prayer." Mrs. Earl Polvado, at the piano, offered the accompaniment and wedding music.

Wayne Knox of Lubbock served as Best Man and Bobby Williams of Odessa was Best Groomsman. Flower girls were LaRita McMinn of Morton and Sherry Denise Fred of Lubbock and Usherettes were Joyce Edwards of Morton and Betty Igo of Morton.

A reception was held in the home of Mrs. Iva Williams. The hostesses at the reception were Miss Penny Farmer and Miss Mary Ruth Coon.

The couple honeymooned in Oklahoma. For her trip, the bride chose a blue embroidered satin dress and wore a corsage fashioned from her bridal bouquet.

The bridegroom returns to the service July 25th and the bride plans to return to finish her schooling.

By Eddie Irwin

THIS IS BEING written prior to the Babe Ruth playoffs at Levelland (scheduled for Monday of this week) and today (Thursday) our Little League team meets Littlefield in the Little League playoffs.

this year . . .

OPERATION OF both the Babe Ruth League and the Little League has been difficult for Morton, much more difficult than in the past recent years. Most obvious reason for the difficulty has been the lack of interest among local people to do the jobs necessary.

money to . . .

OPERATE was solicited but help was hard to find. In neither league were we able to find someone who would take on the responsibilities of scorekeeping or announcing. Both of these things are vital to a well operated league . . . but we just had to do without.

our local . . .

LITTLE LEAGUE did manage to come up with umpires for all its games, though it was hard to do at times. The Babe Ruth League had to rely on out of town visitors on several occasions to do the umpiring.

all of this . . .

IS IMPORTANT now, only in that it gives warning for another year. If these programs are to continue successfully, local boosters should be giving some thought to what changes in plans we can make for better operation.

To wait until next spring could be to wait too long. Now, while the weaknesses are fresh in our mind, and while our seasons are nearly completed, is the time for both of these leagues to call local meetings and make plans for another year of operations.

we have the . . .

PARK, EQUIPMENT, and tools for good leagues. There's even some talk about a Legion team next year. Volunteer help is the commodity needed.

we hope . . .

FOLKS IN THIS school district will take serious consideration of our changing tax program at Morton this year, before they get off half cocked and just get mad. There will be a lot of folks who will get letters notifying them of a raise in their tax valuation. We urge them to go to the school tax board if they have any doubts at all, lay the information in front of the board, and get this tax business straightened out.

so many . . .

FOLKS NEVER bother to get the situation straightened out in their own mind. They just echo the words of others in grumbling about taxes, and waste of tax money.

admittedly . . .

OUR SCHOOL probably spends a lot of money unwisely. So does every other governmental agency. But better relations between the school and its patrons can point the better way of operation a lot easier, than strained relations.

there, will be . . .

SOME FOLKS who have had their land misclassified. We feel sure of that. It won't be a deliberate error, but neither will it be

an error which can be corrected unless the taxpayer appears and talks to the tax board.

in any new . . .

SYSTEM OF TAXING, some mistakes will be made. A lot of time has been spent making an inventory of property in the school district . . . even so, no doubt, some mistakes have been made. Now, when the new system is put into operation, is the time to get the correction made. Now is the time, if land is misclassified, to get it reclassified in the right category. Now is the time to throw off the theory so many folks have in their right mind, that the school is just trying to get all the money it can get and they don't care who gets hurt.

the purpose . . .

OF A TAX EQUALIZATION Board is to equalize taxes, but they cannot do this without the consideration help of the taxpayers themselves. You owe it to yourself and to your neighbors to help.

None Killed, 13 Injured in Highway Mishaps in County

The Highway Patrol investigated 3 rural traffic accidents in Cochran County during June, according to Sergeant D. S. Lawson, Patrol Supervisor of this area.

Property damage wrecks accounted for one of the total; personal injury for two and none were fatal accidents. These wrecks caused a total property damage of \$2,300, with six persons injured.

Sergeant Lawson pointed out that this brings the total for the year in this county to none killed, 13 injured, and property damage in excess of \$5,780. This compares with two killed, ten injured and property damage of \$8,830, during the first six months of 1959.

"Prior to July 1 there had been a total of 784 fatal accidents in Texas," Sergeant Lawson said. "From these accidents, 962 persons have died needlessly," he added.

HAVE VISITORS FRIDAY

Visitors in the Hazel Hancock home last Friday were Mrs. R. C. Lemons Jr., and children and Mrs. Irvin Martin and children of Farwell. Rama Lynn who has been staying with her grandparents and attending singing school, returned home with them.

VISIT WITH PONDS

Mr. and Mrs. Jess L. McGee and son Ricky of Dallas, visited last weekend in the home of the latter's sister, Mr. and Mrs. Pond. They were on their way to Sacramento, Calif., to visit a brother of Mrs. McGee and Mrs. Pond Lt. Col. and Mrs. H. T. Tucker.

EDITORIALS...

Who's Doing The Tempting?

The Tribune was in receipt, this week, of a news item issued by the Highway Patrol listing the number of motor vehicle accidents investigated by their patrolmen in Cochran County this year and noting that no deaths had occurred in the county due to vehicle collisions.

In some places this kind of an announcement would call for a celebration and a round of back pats for the carefulness shown by drivers in this county.

However, there is no celebration in store for this county. For the item, though not issued with the purpose of congratulating Cochran Countians, does indicate several bad accidents have occurred. That no deaths have occurred cannot be attributed to the great skill of the drivers.

Two occasions over this past weekend certainly focused the light of "good fortune", or "fate" as our benefactor . . . rather than attribute it to our careful driving.

On Saturday afternoon, with the ambulance approaching from the west, the stop light changed and a driver pulled his car right into the intersection under the stop light. The ambulance, siren blaring, preceded by another car leading the way, was able to stop. But the first car collided with the car in the intersection. Fortunately, no one was killed, but to reason why, defies mortal explanation.

Then on Sunday of this week, west of Morton, a car overturned almost being demolished as it rolled several times before coming to a stop.

All through the day, early this week, folks were going by to look at the Parker vehicle, and coming back wondering how a car could have been so completely destroyed, and the driver and passenger escape with their lives. Jimmy was severely cut, but his passenger wasn't hurt.

Once again we're at a loss to say why someone wasn't killed. Fate was on Jimmy's side.

There are those who don't like to talk about accidents in this manner. Some feel that there just isn't any point in saying things that might "tempt fate."

To this we can only reply, go see the Parker car and then decide, is it the writer who is tempting fate, or is it the driver?

It's never too often to remind folks . . . slow down, and live, or if you aren't interested in living, at least slow down and let others live.

Birth Certificates May Be Secured For Youngsters

This September, 262,420 children are expected to enter the public schools of Texas for the first time according to estimates of the Texas Education Agency. Estimates are based on births six years ago, immigration estimates and projected birth-to-death ratios.

Nearly all public school districts in Texas require proof of age in the form of a birth certificate or a suitable certified copy stating that they are six years old on or before September 1.

During July and August, because of the increased demand for birth certificate copies, the Division of Vital Statistics of the Texas State Department of Health is one of the busiest places in Texas.

At the peak periods more than a thousand requests for certified copies must be processed daily.

After the request is received with the correct information and fee properly accounted, a card is prepared which serves as a record of the transaction and an aid in locating the original record.

A special searching crew — extra personnel are needed during peak periods — locates the original birth certificate from information furnished on the record card.

Unless there is a complication such as incorrect or incomplete information, searching takes a short while by using an index especially designed for school searches.

The original certificates is photostated, officially signed and sealed and mailed to the person requesting the copy.

A record is kept of the transaction for accounting purposes with appropriate listings.

Parents who have a child entering the first grade this year should check with the superintendent of school regarding local regulations.

A certified copy of birth may be obtained from a local registrar, county clerk, or the Division of Vital Statistics of the Texas State Department of Health, 410 East 5th Street, Austin, Texas.

Enclose one dollar with the child's name, date and place of birth, and the parents' names.

LOCAL AIRMAN AT LOWRY AF BASE IN COLORADO

Larry D. Darland, who recently completed basic training with the Air Force at Lackland Air Force Base, San Antonio, has been transferred to Lowry Air Force Base, Colorado.

Airman Dariand is taking special training in a technical school at Lowry.

He is the son of Mr. and Mrs. Olen Darland of Morton and was graduated from Morton High School in 1960.

Another Morton graduate of 1960, George Cooper, son of Mr. and Mrs. Junior Cooper of Morton, is now at Lackland.

VISITS DAUGHTER

Mrs. J. M. Waller is visiting her daughter Mrs. Merle Bridges and family of Hereford this week.

VISIT PARENTS

Mrs. H. S. Boles and sons, Jimmy and Nathan of Muleshoe spent the past week in the home of her parents, the J. W. Ponds.

DINNER GUESTS

Mr. and Mrs. Robert Daniel of Levelland were dinner guests Saturday in the home of Mr. and Mrs. J. W. Pond.

DAUGHTER VISITS

Mrs. R. J. Pemberton and girls Teresa Sue, Dirona Lynn, and Cathy Jewell, of Clovis were Monday visitors in the home of her parents, Mr. and Mrs. J. W. Pond.

Hard Work, Perseverance In Gaining An Education Were Keynotes in Sen. Johnson's Rise to Prominence

Lyndon B. Johnson

(Note: Most Texans are acquainted with the background of Senator Lyndon B. Johnson, now Democratic vice president nominee. Nevertheless, this biographical article, most of which appeared in the Bronte Enterprise, recently, will no doubt be of interest to Tribune readers.)

Senate Majority Leader Lyndon B. Johnson is a man of many talents, and reported to be one of the keenest politicians of the age.

Senator Johnson, 51, is a member of the Christian Church and a native Texan.

While other Hill Country farm boys were playing baseball, Johnson was learning the sweat and toil that goes into the process of earning a buck. Lessons learned early — lessons of thrift and toil — were never forgotten.

At nine years of age, the rangy youth who was to become Majority Leader of the United States Senate was shining shoes in his hometown barber shop at Johnson City.

He finished school at 15 — in a graduating class of six. The immediate need for money came ahead of the long range advantages of further education. For almost two years, the future U. S. Senator from Texas worked on a road building gang, starting at \$1.00 a day. This stint was interrupted with a hitch hiking trip to the West Coast where he worked as an elevator operator, in a cafe, and washing cars.

Then, his faced tanned, muscles hardened and hands calloused, Johnson decided there must be more to earning a living than driving a truck and shoveling gravel.

"By then it became increasingly apparent to me that there was something to this idea of higher education," he says. Johnson packed his clothes and hitch hiked to Southwest State Teachers College at San Marcos.

He enrolled in school, and promptly got a job as janitor — sweeping the halls at night in the building in which he studied during the day. There were other jobs, including door to door selling of hosiery and working as secretary to the college president.

"One year I borrowed \$200," he recently recalled. But there still weren't enough jobs — and enough money — available to continue in college. So for almost a year Johnson taught school in a small South Texas town attended by under privileged Latin American children. Despite his own need for money, he used his first month's check to buy athletic equipment for his students.

Study and work paid off. In 1930, at the age of 22, he received his Bachelor of Science degree from college. This meant that in three and one half years — including time out in which he taught — Johnson had completed three months of college preparatory studies and four full years of college work.

The fast pace he set has never slackened since then.

Johnson was born August 27, 1908, in a farm house near Stonewall, a few miles west of the town that bears his family name. His early education was in the Johnson City Public Schools.

After graduation from college, he joined the faculty of a Houston high school where he taught public speaking and debate.

Then came an opportunity to enter public life as a secretary to Congressman Richard M. Kleberg. Johnson went to Washington. While serving with Kleberg he also found time to attend Georgetown University law school at night.

In August, 1935, President Franklin D. Roosevelt appointed the hard working young Congressional secretary as state administrator of the National Youth Administration in Texas.

Two years later, after receiving official recognition as one of the most effective NYA administrators in the nation, he resigned to enter a special election to fill the Central Texas seat made vacant

political philosophy. To legislate proposals, he applies the standard yardstick of what is best for the nation as a whole.

"I am a free man, an American, a United States Senator, and a Democrat — in that order," once wrote.

Johnson has been a firm advocate of military preparedness and a foe of extravagance and waste — of resources as well as taxpayers' dollars.

Mrs. Johnson is the former Lady Bird Taylor of Marshall. They were married November 17, 1934 and have two daughters — Luci Bird, born March 19, 1941 and Lucy Baines born July 2, 1947.

SIDE-DRESSING TIME

There Is a Difference in Fertilizers
TRY
Liquid Fertilizer

And You'll Know What We Mean

Terry Farmer Averages Over 2 Bales ...

VERNON FARRAR — "Yes, sir, side-dressing really paid-off for me last year," reported Vernon Farrar, who farms northwest of Brownfield. He added: "I had 50 acres of cotton on which I gathered 124 bales, and then I had some land that wasn't too good from which I got 167 bales. I am a firm believer that you need to give the plants nutrients when they are hungry — that's why I side-dress. Another thing — when you use Liquid Fertilizers, as I do, you reap additional benefits from the fact that it's easier to handle . . . I get faster results from it being a liquid and ready to go to work instantly and I can put down more acres per day and cultivate my cotton at the same time. Liquid Fertilizers have helped me to put more money in the bank in the form of net profits."

Once you have tried, you, too, will see why so many farmers have changed to Liquid Fertilizers. The versatility of this type of fertilizing — you can do more than one job at a time: Fertilize . . . cultivate, and even apply insecticides . . . all in one, easy operation. Go by your nearest Liquid Fertilizer dealer and let him tell you more about the advantages of LIQUID FERTILIZER!

Little League Meeting Called For Saturday

A meeting of all Little League managers and officials is urged Saturday at 3 p. m. in the District Courtroom in order to reschedule regular season games to complete our season and to plan an appropriate season ending get together of everyone in the league.

Some ideas have already been advanced as to a method of winding up the season around the first week in August in a manner by which everyone who has participated will enjoy it.

GAMES CANCELLED DURING TOURNEY

Today's local Little League game has definitely been postponed until Monday of next week.

The postponement was so that fans could attend the all star game at Littlefield.

In Morton wins today, Friday's game will be canceled until Tuesday, in deference to the Morton game at Littlefield. However, if Morton loses today, the regularly scheduled game will be played on Friday.

The same arrangement will be made Saturday. The game will be played, if Morton is already eliminated at Littlefield. If they are still in the district tourney, the Saturday game will be scheduled for next Thursday.

LITTLE LEAGUE BASEBALL

Cards Lose Two; Giants, Cubs, and Pirates Stage Strong League Finish

GIANTS WIN SECOND OVER THE CARDS

The Little League Giants, who have beaten the Cards the only games they have lost this season, won their second over the league champions, Thursday, as they pounded out a 6 to 3 win.

The Giants pushed across three runs in the 3rd inning to overcome a 3 to 1 lead the Cards had fashioned, with one in the first and two in the second. Then Coats throttled the Cards the rest of the way and the Giants added a run in the 4th and 5th innings to roll up their final victory total.

The victory kept alive for the Giants their chance for second place in the league, while the loss for the Cards, their second of the season, did not affect their standing.

PIRATES GAIN 10-9 WIN OVER SOX

Lack of a full starting team failed to halt the Little League Sox, Friday as they picked up three players from the minor leagues and played the Pirates a ruggedly competitive game before losing in the last half of the final inning, 10-9.

The Sox picked up two eight year olds and a nine year old for the game. They jumped to a 1 to 0 lead then fell behind 2 - 1 and saw the Pirates pile up five runs on just one base hit in the second inning to apparently ice the game.

However, in the final inning, trailing 8 - 4, with Kenny Palmer taking over on the mound for the Pirates, the Sox got two quick cuts and then a base hit and a walk. A fielder's choice found the bases loaded and Palmer went wild, walking the next batter. Jerry Luper, relief pitched took over and walked two men. Charlie Carter then relieved and walked two more and the Sox took a 9 to 8 lead before being retired.

In the bottom half of the 6th Mike Irwin also went wild. He got one out, issued a walk, and an error put the winning run on base. Rory Kuehler took over issuing a walk and hitting the final batter to force in the winning run.

The Sox out hit the Pirates 8 to 5 in the game, but failed to make their hits count.

PIRATES OUTLAST CARDS, 5 TO 4

The Little League Cards stumbled again, Monday, their second loss in a row, and this time it was the Pirates who caught up with them.

Spotting the league champs a four run lead on errors in the first two innings, the Buccaneers suddenly shut the door in their face as Jim Street came on to stop the Card scoring. Then the Pirates went to work and whittled the lead to 4 - 2 in the 3rd inning and went ahead 5 - 4 in the 4th. Of these runs there were also errors contributing. In the final two frames the Cards put men on base but could never get the tying run around to the plate.

The win for the Pirates cemented their hold on second place in the league.

GIANTS BEAT CUBS THOUGH OUTHIT

Although solidly outhit, the Giants outscored the Cubs Saturday afternoon in a Little League game and pulled ahead of them in a nip and tuck battle for third place.

CUBS TRIUMPH OVER SOX, 17 - 13

The Cubs battered out a 17 to 13 triumph over the Sox in Tuesday's Little League game in Morton.

Grabbing a 4 to 2 first inning lead, the Cubs stayed ahead most of the way, taking full advantage of costly errors by the Sox. The Cubs collected only four hits in the game, one of them coming in a 9 run 5th inning in which they had two hit batters, a walk and five Sox errors.

The Sox came back with six runs on eight consecutive walks before the Cubs put in their bet-

Little League Standings

(Including games played Tuesday)

TEAM	WON	LOST

May we take this means of thanking our many friends and neighbors for their prayers, visits, cards, flowers and many, many other things you did for us during Wilma's recent illness.
May God bless each of you.
Mr. and Mrs. Jug Hill and family 22-1tp

WASHINGTON AND
"SMALL BUSINESS"
By C. WILSON HARDER

While it is perhaps true that one swallow does not a summer make, and thus one action by the Federal Trade Commission does not a program make, there is hope in the FTC order against Giant Food, Inc.

For this supermarket operation of some 58 units in Maryland, Virginia and the District of Columbia has been ordered to stop inducing discriminatory advertising allowances from its suppliers and using any part of such payments for its own use.

During an "anniversary sale" in 1955, the FTC charges, the outfit urged some 500 of its suppliers to contribute various amounts. Some 150 succumbed for a total of \$37,785.

The FTC examiner in this matter, a Loren H. Laughlin, in making the decision, wrote an opinion which masterfully stated what has become a major problem of the times.

For he said in part "Giant officials must have known that many suppliers paid the requested sums only because of its tremendous buying power. It requires no great seer to know that a concern doing over \$60 million worth of business can exert an economic pressure upon its sellers, large and small, to obtain concessions that no small competitor could possibly attain."

"For every supplier who contributed," he continued, "anywhere from \$250 to \$1000, Giant well knew that in the cost accounting of such supplier that expense item would have to be considered and reflected at some time in the cost of the merchandise bought by other grocers. Such amounts would ultimately not only increase the cost to other grocers but would add to the consumer's cost. These attempts to obtain special concessions amount to improper pressures."

A PICTURE OF PROGRESS

SINCE THE TURN OF THE CENTURY THE U.S. OIL INDUSTRY WORKING IN AN ATMOSPHERE OF FREE ENTERPRISE AND COMPETITION HAS SUCCESSFULLY MET EVERY CHALLENGE OF PEACE AND WAR.

IN THE U.S.A., MORE PEOPLE HAVE HAD MORE AUTOMOBILES, APPLIANCES, AND LABOR SAVING DEVICES THAN PEOPLE IN ANY OTHER NATION IN THE WORLD.

GOVERNMENT CONTROL, RUSSIAN STYLE, LEADS TO STAGNATION AND SUPPLIES ONLY MINIMUM NEEDS.

FILL IT UP!

THE AVERAGE AMERICAN WORKER EARN ENOUGH IN AN HOUR TO BUY 9 GALLONS OF GASOLINE (excluding taxes). A RUSSIAN WORKER MUST WORK NEARLY 13 HOURS TO BUY 9 GALLONS.

MORTON, TEXAS

TWO NAMES SUBMITTED . . .

City Tax Board Will Be Named

The payment of monthly bills, discussion of the paving project and the granting of partial funds to the paving contractors, and the naming of two men to be contacted for service on the City's Tax Equalization Board formed the major business for the City Commission when it met Monday.

The complete Commission was on hand for the meeting. City Secretary Joe Seagler reported that he had someone in mind to fill a vacancy created in the office staff by a recent resignation.

It was also reported the city

Commission Met With Hwy Dept. Dist. Engineer

City Commission members who recently went to Lubbock for a meeting with Mr. Crane, District Engineer of the Texas Highway Department, reported Monday it was a most amicable meeting, establishing better relations between the city and department.

Mostly discussed was the need for the city to keep the Highway Department posted on work being done near and around highways so that both the city and the highway department can work together in the best possible manner.

Also discussed was the need for lowering of the FTM Road leading east toward the County Park at which time the City will curb and gutter the portion of the road in the city limits. It was noted that as soon as funds are available, the Highway Department will give this project their attention.

VISITING IN MORTON

Misses Elsie and Sharon Walker of Farmington, N. M., are spending this week in Morton. Elsie is staying with Patsy Ann Walden and Sharon with Mrs. H. B. Barker. They are also visiting other friends.

VISITING FATHER

Terry Pace is spending this week in Andrews with his father, Marshall Pace.

needed to get it's weed chopping equipment repaired and in action as soon as possible. Seagler said the equipment was in the process of repair.

The city was notified they are not included in the paving portion of the contract with three years in which to pay for paving. The city's portion will be due upon completion and delivery of the project to the city.

On a motion by J. W. McDermott and seconded by Roy Gentry, the city will use money in other funds to pay for the project repaying this money with later paving money, if this procedure is approved by the auditors.

It was also announced that the city will meet with officials of El Paso Natural Gas Co., to discuss the purchase of extra gas, over and above the city's regular gas contract.

WILL CONDUCT JULY 31 SERVICE AT ASSEMBLY OF GOD

Rev. G. W. Wilkinson, who conducted a revival meeting here recently, will be here for services Sunday, July 31, it was announced this week by Rev. and Mrs. H. T. Clarke, pastors of the First Assembly of God Church, Morton.

Rev. Wilkinson will be in Morton for a few days prior to the West Texas District annual Camp meeting of the Assemblies of God Lubbock, Aug. 2-11.

Rev. James Van Meter of Houston will be the guest speaker at the camp.

HOSPITAL NEWS

MEDICAL (Dismissed) Mrs. Vera Brown, Levelland ACCIDENT (Remaining) Jimmy Parker, Morton Josephine Leal, Morton

IN LEVELLAND HOSPITAL

Jesse Elgin, projectionist at the Rose Theatre, Morton, was carried to the Levelland Hospital and Clinic Tuesday night. Elgin had scheduled surgery there Wednesday morning following Monday night when he fell down a flight of steps at the theatre and was carried to the hospital.

Automation Makes Jobs Says Industry Leader

Automatic Plants Coming Says Daystrom Head

By LOUIS JAMES

Will Automation cost you your job?

"No," comes the reply from Thomas Roy Jones, one of the country's leading industrialists. "I'll go even further," he says. "More men and women—skilled technicians rather than old-fashioned labor—will be needed than ever before in our history."

President of Daystrom, Incorporated, a leading producer of instruments and electronic equipment, 69-year old, grey-mustached Jones confidently looks to a future that "defies the imagination."

He sees two areas of industrial expansion that will change life for all of us.

Loss of Jobs Temporary "Number one," he points out, "will be the complete automation of continuous manufacturing processes; the automatic factory will be commonplace."

"Second will be nuclear energy. Just as water power, electrical energy and the internal combustion engine wrought revolutionary changes and brought new levels of prosperity, nuclear energy will be a boon to mankind."

Will there be technological unemployment—loss of jobs through mechanization—as when machinery replaced human effort a century ago? Possibly, Mr. Jones reports, but such dislocation will be temporary and

Men Who Make America Great

THOMAS ROY JONES

limited to small segments of industry.

Enlightened management, he says makes every effort to place these people in other jobs and uses two methods to do so. The first is teaching the workers new skills. The second is fitting them into the ever-increasing new industries and services created by the advanced technologies.

Automation, Mr. Jones believes, is the key to economic plenty. It will increase the quality of our products and avoid waste. It will permit mass production of new products. It is vital to the continuing economic growth of our country.

Started with Type Plant Ind- growth is nothing

Increasing Productivity Will Benefit All

new to Jones, an outstanding engineer (U. of Kansas, Class of '13) who took a money-losing printing equipment firm during the depression and turned it into a leader in the electronic field. The company was American Type Founders.

Then he sold American Type (for \$9 million), changed the name of the remaining company to Daystrom, and multiplied sales by ten.

"If our science and education is expanded and upgraded, our economy can soar far beyond anything we dream of today," he notes.

Conversely, Jones points out, "without this development our growing population cannot even maintain its current living standards."

Workers Will Benefit Most "Our undeniable need," he firmly believes, "is an ever-increasing productivity per employee." This will be accomplished through automation.

"Automation also promises better opportunities for workers, through jobs that will pay better and be less menial; and for customers, lower costs and better products," he concludes.

Meanwhile, from his Daystrom office in Murray Hill, New Jersey, Thomas Roy Jones keeps a watchful eye over a dozen plants in the U.S. and Europe—and on our changing world.

Legal No. 206
NO. 795

ESTATE OF EUGENE ROGERS DECEASED IN THE COUNTY COURT OF COCHRAN COUNTY, TEXAS FINAL ACCOUNTING TO THE HONORABLE G. W. THOMPSON, JUDGE OF SAID COURT.

Now comes Eula Rogers, Administratrix of the Estate of Eugene Rogers, deceased, and respectively herewith presents her final account with said Estate as follows: to-wit:

- I. Since qualifying as said Administratrix, the following property belonging to said Estate has come into my hands:
- A. Real Property, NONE
- B. Personal Property,
 1. The inventory of the place of business commonly known as Rogers Grocery, in Morton, Texas, Value of \$1,800.00
 2. Bank account in the name of the deceased, on deposit in the First State Bank, Morton, Texas, \$4,022.13
 3. One pick-up truck, make 1959 Chevrolet, value \$1,000.00

II. In addition to the above, the following items of income have come into my hands as Administratrix:

NONE

III. The following debts of the Estate have been paid: EULA ROGERS Funeral expense of Eugene Rogers, Singleton Funeral Home, Morton, Texas, paid by, Eula Rogers, in the amount of \$1,230.00 Surety Bond for administration of estate of Eugene Rogers, paid by Eula Rogers to Williamson Insurance Agency, in the amount of \$30.00

IV. The debts and expenses still by said Estate are:

- A. Re-imbursment to the person named in paragraph three (3) hereof.
- B. Cost of Administration, court cost and Attorney's fees \$240.89.

V. The following property of said Estate still remains on hand.

A. All the property set forth hereinabove in paragraph one (1), less \$1,000.00, heretofore advanced to Eula Rogers from the Bank account, leaving a balance in said account of \$3,022.13 now on deposit in the First State Bank, Morton, Texas.

VI. The person entitled to receive said Estate, and the amount to which such is entitled, accord-

ing to Probate Laws of the State of Texas, are as follows:

A. All the above listed, inventoried and appraised estate is to pass Eula Rogers, widow of the deceased, in its entirety, unless this accounting should be properly and validly contested by any unknown heir of the deceased, Eugene Rogers, after the publishing of this final accounting of said Estate, in accordance with the Laws of this State, said contesting must occur within the time prescribed by law or same shall forever be barred.

VII. The following advancements and or payments have been made by me as Administratrix, from the said Estate:

Those previously set forth herein and no other.

VIII. I, Eula Rogers, present proper vouchers in support of each item of this account, and ask that the account and vouchers be filed with the Clerk of this Court.

IX. No inheritance tax is or has ever been due or owing to the State of Texas, with respect to any interests or properties passing through the hands of the Administratrix herein, or otherwise, as is evidenced by the inventory and appraisal of this Estate on its face being insufficient in amount to cause such tax to be due or owing.

(signed) Eula Rogers
EULA ROGERS

MAPLE

The Good Samaritan . . .

A unique sect of about 200 Samaritan Jews still live peacefully in the Biblical town of Nablus, 40 miles north of Jerusalem, Jordan. Samaritans are strict adherents to the concept of one God, believe only in the first five books of the Old Testament, and make three pilgrimages a year to sacred Mt. Gerazim for sacrificial rites.

The Patriarch of the Samaritans, dressed in red turban and flowing white surplice, is shown here pointing to the words of the Torah or Law of Moses. The Good Samaritan who came to the rescue of the stranger on the road to Jericho, as recounted in the Book of Luke, was a member of this sect.

The First Arab Car

The United Arab Republic has become the first Middle Eastern country to manufacture automobiles with the production of the "Rames," the first Arab-made passenger car for popular use.

Designed by engineer Georges Hawi, the midget automobile is constructed from parts obtained from British, German, and Italian firms. The Rames is to be produced in three models: a four-seater, a three-seater, and a jeep-type model. The four-seater is priced to sell at about \$1,120, with budget terms of \$17.50 a month, making the Rames the cheapest car in the Middle Eastern market.

President Nasser bought the first Rames and many UAR all the parts for the vehicles locally. The factory's initial output will be 200 buses and 1,000 trucks annually.

The Rames convertible, pictured here, was the first to leave the production line. Other models will soon follow.

Accidents Don't Take Vacations Motorists Told

During summer months thousands of motorists are on the highways, and too many of them are intent on cramming as much activity as they can into one brief vacation, and the result is often tragedy: In appealing for increased vigilance to cut down accidents, the Sergeant cautioned vacationers to be on their guard against speeders, drinking drivers, and drivers who disregard traffic laws. Above all, he warned them to make sure they are not guilty of such offenses themselves.

Many vacationers get into trouble by not allowing enough time to cover the trip comfortably, the Sergeant pointed out. Then they try to make up time by dr-

iving too fast for conditions, by driving too far, or by disregarding traffic laws.

"Traffic accidents take no vacations," Sergeant Lawson said. Step up your vigilance in order to stay safe on the road, and enjoy your trip or vacation without an accident.

Remember reading about the Texas Revolution and the final battle where Sam Houston and his valiant Texas Army, thundering "Remember the Alamo", defeated the Mexican Army of Santa Anna?

Today this San Jacinto Battleground, just east of Houston, is a beautiful sight to behold.

On this "Battleground of Victory" there now stands the world's tallest stone monument. You can take an elevator up the 570 foot massive, air conditioned, giant edifice and survey the entire battlefield.

A huge 35 foot, 220 ton "Star of Texas" rests atop the monument. It is as impressive as the majestic state it represents.

With Your ... COUNTY AGENT

By Homer E. Thompson

Hubert Taylor, F & HD demonstrator, Whiteface, Texas, is working with the Texas Agricultural Experiment Station, Lubbock, Texas, Extension Service and Fertilizer dealers and Plains Cotton Growers on grain sor-

ghum fertilizer test work. The Experiment Station personnel came to Hubert's farm on July 12. While here they applied 24 different amounts of fertilizer on 332 rows 1080 feet long. The test was replicated four times. It will be irrigated when necessary. The Experiment Station personnel will harvest some of the grain from all plots to determine yield test, and economical amounts of fertilizers to be used on grain sorghum. The test is being done on slightly sandy mixed soil. Results will be published when obtained.

COTTON

Cotton is dying where hail has been falling. The hail where it fell and bruised the cotton stalk causing injury does extend the Elight damage. The hail can be considered the contributing factor in the loss of cotton plants, because damaged plants become very susceptible to the disease - when hail bruises the plant. A similar assumption can be made of a man who stuck a rusty nail in his foot and he developed blood poisoning and died. The nail didn't kill him, but it caused the infection that did.

VISITORS FROM PAKISTAN

Wednesday, July 20, the County Agent will receive two men from Pakistan who speak English and are doing agricultural work in their country. These two men will accompany the County Agent around in this county until August 12. They will be able to assist the local agent in his field of work. It is one of those exchange deals in the field of education and public relations.

4-H ELECTRIC CAMP

The 4-H Electric Camp will be held August 1 to 5, 1960 at Scott Able 4-H Club Camp located at New Weed, N. Mex. The two visitors from Pakistan will be invited to attend the camp with the agents, local club members and a local leader.

4-H RALLY DAY

Tuesday, July 26, Cochran County will hold its annual 4-H Rally Day. All club members and leaders will be invited to participate. The program Committee is working on the education and entertainment part of the Rally Day Program. Swimming, musical games, skating and movie films are to be part of the program starting at 9:30 at the swimming pool.

VISIT FORTS

Visiting in the home of Mr. and Mrs. Perry Fort on Sunday were Mr. and Mrs. Jay Russell and Katherine from Amarillo, Mrs. Russell and Mrs. Fort are sisters. They attended church at the Enoch's Methodist Church and enjoyed eating dinner in Fellowship Hall. The dinner was followed with a fourth quarterly Methodist Conference meeting.

Hi-Plains Hi-Lights

NEWS from the High Plains Research Foundation

Recharge Lake Is Well Filled By Recent Rains

Recent rains, which totaled 12 inches, filled the recharge lake at the High Plains Research Foundation with an estimated 110 acre feet of water. Recharge of the well was started the night of July 4 and has been recharging at the approximate rate of 850 gallons per minute since that time. During the eleven day period ending the night of Friday, July 15, a total of 43.5 acre feet of water has been recharged. The well is pumped for one hour every 24 hours and is surged 3 times at 15 minute intervals during this hour to clean as much as possible any silt which may be caught in the underground formation.

A filter system installed before the rains to study methods of removing sediment from the water has been of little value. The water level in the lake raised to more than 3 feet over the top of the filter.

After the water had been in the lake 8 days, a form of marine life commonly called "desert shrimp" increased to such numbers that they interfered with recharging by clogging the screens. This requires cleaning the screens every 4 to 6 hours since the screens will become completely clogged within this time.

FINDS ARROWHEAD IN COTTON FIELD

Nine-year old Dee Merritt, son of Mr. and Mrs. Dale Merritt of Morton, got a thrill Saturday morning that probably doesn't come to cotton choppers very often.

Dee found an almost perfect arrowhead as he made his rounds in the middle of the field, 9 miles southeast of Morton.

Young Dee immediately brought the point to his grandfather, R. J. Merritt, who brought the arrowhead into the Tribune office. The arrowhead evidently hadn't been used much, it was unchipped and seemingly almost in perfect condition, still right sharp.

R. J. Merritt was wondering if it was an unusual occurrence, or whether a goodly number of arrowheads had been found in this area over the years.

Urged to Note New Stock Law

The Texas Department of Public Safety reminded Texas cattle owners today that a new law went into effect July 1 aimed at controlling livestock on designated US and state highways.

The new law makes it illegal for a person knowingly to permit his domestic livestock to roam at large and unattended on state and federal highways. It applies regardless of whether or not the right of way is fenced. Maximum fine for such violation is \$200, and each day the violation occurs may be considered a separate offense.

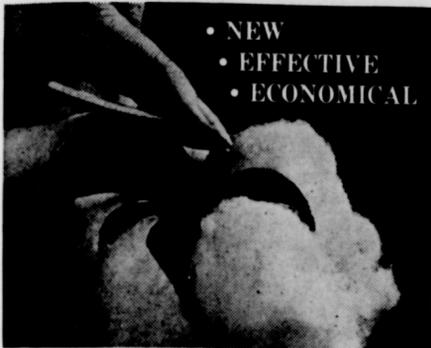

Farm to market roads are excepted from the law. The new law also gives law enforcement officers the authority to have such

livestock picked up, when unable to locate the owner, and turned over to the sheriff or constable in the county.

The law does not prohibit the driving or herding of livestock across or along highways. It gives peace officers the authority to enforce provisions of the act without a warrant.

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, said state patrolmen will enforce provisions of the law in an effort to reduce the traffic hazard caused by animals on designated state and US highways. He said that during the year 1959 a total of 1406 rural traffic accidents occurred in Texas involving animals of all types. In these accidents 21 persons were injured and 4 persons were killed.

- NEW
- EFFECTIVE
- ECONOMICAL

STROBANE

COTTON INSECTICIDE WITH DDT

Five years of testing across the Cotton Belt have proved the outstanding effectiveness of STROBANE as a cotton insecticide.

Now STROBANE has been combined with DDT for added effectiveness. The STROBANE-DDT combination controls resistant boll weevil, as well as the bollworm, cotton leaf worm, garden webworm, lygus bug and other mirids, cotton fleahopper, thrip, cotton leaf perforator, stinkbug, tarnished and rapid plant bug, fall armyworm, cutworm and grasshopper.

For your convenience, STROBANE and DDT are available in several formulations for spray or dust applications. For better control of more cotton insects, use STROBANE-DDT.

The OLD RANCHER

New Cave Discovered at Sonora Will Be Opened to the Public Soon

SONORA — A fabulous new cavern near Sonora, called one of the world's most beautiful and fantastic, will be opened for public viewing July 16. Official dedication and opening of The Caverns of Sonora has been set for Saturday, July 23, with a weekend of celebration planned for official dignitaries, members of the press and cave enthusiasts.

The Cavern is located 15 minutes west of the West Texas town which is on two major transcontinental highways, and is the largest cave in Texas open to the public.

Holding a constant temperature of 70 degrees, the cavern is described by speleologists as having

beauty and color in profusion and variety not known to exist anywhere else in the world. Names given some of the cavern's spectacles by their discoverers indicate the sights to be seen: Devil's Delight, Antler Room, War Club Room, Hall of White Giants, Halo Lake, The Diamond Roof.

No other cave has helictite loops the perfect "butterfly" formation, giant four-inch calcite crystals with perfect crystalline faces, six-foot "soda straws" (3/16 inch in diameter with paper thin walls constantly dripping water). Formations are fluorescent and phosphorescent and are still growing since this is a "live" cavern.

A full 90 minute tour will be conducted this year by developers Jim Papadakis and Jack Burch who plan to supplement this with an alternate "long" tour in 1961. Broad, smooth trails in the cool, quiet atmosphere of the cavern afford easy viewing of one of nature's greatest masterpieces.

Labor Dept. News Service for Papers

The U. S. Labor Department is starting a news service for weekly papers.

Each Thursday it will mail a special packet of news releases on Department activities, covering such subjects as employment and the labor force, labor management relations, occupational outlook, employment security, labor standards, Federal legislation concerning the worker, and labor conditions abroad.

Releases can be used individually, or under a head such as "The Labor Department Reports."

Fillers, mats, and special features will go out with the news packet from time to time.

The Department said it had received many requests for such a service. It will welcome any suggestions for meeting the particular needs of weeklies and the interests of their readers. Write to "Weekly Newspaper Service," Office of Information, Publications, and Reports, U. S. Labor Department, Washington 25, D. C.

ON VACATION

Mr. and Mrs. Bernie Haley and daughter, Barbara Ann, left over the weekend for a vacation in Central Texas. They will visit in Brady and Dallas and do some fishing at Lake Brownwood. He is manager of the Wallace Theatre here.

ATTEND MARKET

Mr. and Mrs. Steve Bracken and family and Mr. and Mrs. Roy Smith of Bracken Furniture and Appliance, Morton, were in Dallas the first of this week attending the Southwest Furniture Show.

Home Demonstration Agent

By Leila Peaty
RECREATION SCHOOL
 The Recreation School held in the Activity Building, July 12, was fun for all attending. Leaders from Home Demonstration Clubs and the Home Demonstration Agents from six counties were present. Gaines, Bailey, Yoakum, Hockley, Lubbock and Cochran Counties had representatives.

Miss Lucille Moore, Extension Recreation Specialist of the Texas A. & M. College System, conducted the day long training. Since Miss Moore is the only recreation specialist in the Texas Extension Service, it is a special treat to have her in the county. Having an adequate meeting place over some of the other counties. Members from Home Demonstration Clubs in the county served cookies and coffee during the morning and afternoon to the 25 leaders. Mrs. Aubrey Russell, District Agent from Lubbock, was among those present.

SUMMER PARTIES FOR THE SMALL FRY
 To most children the word "party" is a magic word that means friends, fun and food. It also means plans, activities and anticipation, says Miss Lucille Moore, Extension Recreation Specialist, who was in our county last week.

The child who is allowed to help plan and prepare the party has a double amount of fun. The party is more apt to be a success, and provide desirable social experiences if it is planned with the child, with his interests, stage of development and temperament taken into consideration. Miss Moore suggests these principles for planning:

Avoid elaborate parties — they usually end up being "mother parties."
 Invite the same number of guests as the child is old.
 Have one other adult to help with children and refreshments.
 Provide room and recreation away from children, for other mothers who must come.
 Limit the time to 1½ or 2 hours.
 A good time is just before lunch or after nap time in the afternoon.
 Encourage guests to dress comfortably.
 In planning refreshments, choose foods that are healthful, colorful, and suited to the time of day. Serve small portions and allow chances for "seconds". Make the table as colorful and attractive as possible.
 Plan entertainment that is within the ability of all. A child's span of interests is fairly short, so plan a variety of activities. Tell children when the party is ended and send them on their way.
 Simple, well-planned parties help children to develop as hosts and provide an opportunity to share home, friends and toys.

FARM SAFETY WEEK
 JULY 24 - 30
 Governor Price Daniel by proclamation has designated the week of July 24 - 30 as Farm Safety Week in Texas. This same period has also been designated as National Farm Safety Week by the President of the United States. In his proclamation, Governor

SPENCER REUNION HELD SUNDAY AT GAME REFUGE
 Members of the Spencer family held a reunion at the Game Refuge just north of Enochs on Sunday, July 17th, with a total of 55 persons attending.

The families, which began to gather at around 11 a. m., brought their own picnic lunches and spread their lunches together soon after the noon hour. Games of ball, etc., occupied the afternoon. Among the daughters and sons attending (only one daughter was absent) were: Mr. and Mrs. Delton Magnus of Roseburg, Ore.; Mr. and Mrs. Everet Spencer and family of Morton; Mr. and Mrs. Rufus Ellis and sons of Florence, Ariz.; Mrs. Clyde Reed and sons of Carizozo, N. M.; Mrs. Edith Reed and family of Morton; Mr. and Mrs. D. W. Collins and Linda of San Jose, Calif.; Mr. and Mrs. J. T. Spencer and girls of Winston, Ore.; Mrs. Weldon F. Bridges and children, Ft. Worth; Mr. and Mrs. Baisel Spencer and sons, Eugene of Ore.; Mr. and Mrs. Kyle O'Donald and children, Denver, Colo.; and Charles Spencer, Morton.

The daughter not present was Mrs. Florene Ribitzki and family of Ft. Worth. The married grandchildren present included Mr. and Mrs. Jim Kalb and baby, Roseburg, Ore.; Mr. and Mrs. Clyde Reed and baby, Morton, Mr. and Mrs. Rex Earick and baby, Roswell, N. M.; and a cousin, Mrs. Josephine Jordan, Memphis, Tenn.

The Council joins Governor Daniel in urging rural residents and organizations to make safety their number one project for the months ahead.

ONE - STEP METHOD MAKES CANNING EASIER
 The latest method for canning vegetables is a one step cold pack method, according to Extension Foods and Nutrition Specialists of the Texas A & M College System. Directions are simple . . . As an example, take snap beans. Begin by washing all pint or quart jars in hot soapy water and rinse well. It is not necessary to sterilize jars since the pressure canner must be used in canning all non-acid vegetables. Use only fresh, young, tender beans. The bean should just be beginning to form in the pod. Wash thoroughly, trim ends and cut into 1-inch pieces. Thus far there is nothing different from the old method of canning snap beans. Now you will note that the fill is different. Pack raw beans tightly into clean jars to ½ inch of top. Cover with boiling water, again leaving ½ inch space at the top of the jar. Add ½ teaspoon salt to pints and 1 teaspoon to quarts. Close jar with two piece lid and place it in the pressure canner. Exhaust canner for 10 minutes, close petcock and process at 12 pounds pressure — pint jars 20 minutes, quart jars 25 minutes. Remove canner from heat, let pressure return to zero and remove the jars. This one - step method can also be used for canning fresh lima beans, carrots, cream style corn, whole kernel corn, black-eye peas and summer squash. For further information check with this office. You may also wish to ask for a copy of B-194, "HOME CANNING — FRUITS AND VEGETABLES."

JOINS AIR FORCE
 Dewayne Miller, son of Mr. and Mrs. Chester Miller left Friday for the Air Force. He went by bus to Amarillo from which he was to be transferred to Lackland AFB over the weekend.

ATTEND MARKET
 Mr. and Mrs. Oval Massey of White's Auto, Morton, were in Wichita Falls this week attending the Whit's Stores retailers winter market.

INTERMEDIATES AT BAPTIST G.A. CAMP

Attending Baptist Intermediate G. A. Camp at Floydada, July 18 - 20, at the Baptist Assembly Encampment, were the following girls from the Morton First Baptist Church:

Beth Wemken, Peggy Cheek, Wadanna Strother, Cloie Haralson, Laurette McCulstion, Carol McCulstion and Peggy Ramsey. Sponsors of this group of girls were Mrs. Wade Strother and Miss Karen Haralson.

SUNDAY VISITORS
 Sunday afternoon visitors in the home of Mr. and Mrs. Garvin Long and family were Mr. and Mrs. Jay Russell and Katherine of Amarillo, Mr. and Mrs. Perry Fort, Mrs. Bud Huff and family, and Mrs. Bobby Adams and girls. They enjoyed homemade ice cream, cake and cookies.

WORKING WITH

TEXAS TIMBER TOPICS
EFFECT OF SAWING on the APPEARANCE of WOOD
 The grain appearance of a piece of wood is largely determined by the way in which the log was cut. Cross cutting exposes the end grain. This is the surface seen on the meat blocks used by butchers. Lumber is never manufactured by sawing across the grain. It is always sawn parallel to the grain or lengthwise of the log. However, sawing in this manner can produce two distinctly different types of wood grain. When sawing the outer portion of the log, the cut parallels the annual growth rings of the tree. Lumber of this origin is called plain-sawn or flat grained. As the sawing approaches the center of the log, the cut crosses the annual growth rings. That type of lumber is called quarter-sawn, edge grained, or vertical grained. Only a small amount of lumber is purposely quarter-sawn. For most purposes, lumber with either type of grain is satisfactory. But, for uses requiring heavy wearing qualities, such as for flooring, quarter-sawn lumber is best. Such lumber also shrinks less in width, and splits and twists less than plain sawn lumber. The advantages of using quarter-sawn lumber for flooring and similar specialized uses more than offsets the additional costs required.

ERVIN MERRITT WINS TROPHY . . .

Morton Golfers Out In Large Numbers To Compete In Levelland Invitational

Morton golfers carried home only one trophy from the Levelland golf tournament, but the local Country Club was well represented in the competition.

Ervin Merritt, who advanced to the finals of the 8th flight Sunday afternoon before being defeated by Dalton Norris of Ralls 2 and 1, brought home a runner up trophy.

Merritt defeated C. E. Danner of Levelland, 1-up on 19, in Friday's match, dropped Brownfield's Arnold Patton, 4 and 3, Saturday; and won over L. Z. Madison of Andrews, 1-up, Sunday morning.

Of the other, Mortonites in the journey, several advanced to Sunday's matches before being defeated.

S. M. Monroe and Button Silvers were playing in the highest classification of any Morton golfers, in the second flight (which is in reality the third flight of golfers.)

Monroe beat John Matthews of Graham, 5 and 2, on Friday, and dropped Bill Hull of Lubbock, 5 and 4 on Saturday before bowing out to Conrad Young of Lubbock in a nip and tuck 2 and 1 match in the semi finals. Young went on to win the flight.

Button Silvers lost his first match to Gene Dragg of Lubbock, 2 up and in the consolation match Saturday was defeated by Carl Richardson, Portales, 2 and 1.

In the 3rd Flight Morton had only Ray Keith Monaghan who defaulted both of his matches.

In Flight 4, Morris Hicks took out Morton's Tom McAlister 1-up on 19 holes and McAlister also lost his first consolation match to E. C. Payne, Levelland, 1-up. "Mac" was the only Morton golfer in that flight.

The 5th flight had two Mortonites competing, Jim Middleton won his first match, 1-up, from Owen Gilbreath of Lubbock but slipped, Saturday, over Leon

VISITING IN MORTON

Eugene Bragg of Standish, Michigan and Mrs. J. F. Pruett and daughter Nell of Bonham are visiting this week with their father Mr. H. B. Bragg and sister Mrs. Glenn McDaniel and family.

UNDERGOES SURGERY

Mrs. Andy Thompson of Ft. Worth and formerly of Morton had major surgery last Thursday in a Fort Worth Hospital and is reported doing better. She will have to stay in the hospital for about 10 days.

Long, Denver City, 2 and 1. Hub Cadenhead, in the same flight lost his first match to Bobby Darwin, Levelland, 1-up; then won a consolation match by default before bowing out Sunday to Gerald Parker of Lubbock, 2-up.

The 6th flight had six Mortonites competing, but none of them managed to get in the finals. James St. Clair beat Si Harris of Lubbock, 1-up. He then lost to Jim Graves of Plainview, 6 and 4. Jack Wallace lost to Bob Lofland of Levelland, 1-up; won his first consolation match from Bill

Wright of Slaton, 1-up and then was dropped, 5 and 4 by Neal Duke of Lubbock, the consolation winner. In the same flight Gary Middleton of Morton beat Levelland's Marvin Wheeler 5 and 4 before being dropped by Olan Rice of Lubbock, 3 and 2. Rice had previously taken Jimmy St. Clair out, 2 and 1. Jimmy then won a 5 and 4 consolation match from Wheeler but was beaten by George Dalton, Lubbock, 1-up. The final Morton pair in that bracket, Lloyd Evans and Tommy Hawkins played each other with Ev-

ans winning, 1-up. He also beat out Weldon Boyd of Idalou, 2-up before bowing out Sunday to Rice, the eventual winner, 3 and 2. Hawkins also lost his consolation match, 5 and 4.

Morton's C. M. McMaster and Tommy Hans were entries in the 7th Flight and fought a game battle before bowing. Hans ousted Jimmy Jones of Andrews, 2 and 1 and then stumbled over Johnny Allen of Andrews, 1-up. McMaster won a default over Frank Boone of Lubbock and then posted the widest margin of victory in the tourney, 9 and 8 over Cy Foster of Levelland, before bowing out to Johnny Williams of Lubbock, 1-up in the Sunday morning rounds.

Sandy Wallace was in the 9th and final flight. He beat B. F. Stephens of Lubbock, 3 and 1 and Bill Ball of Slaton, 7 and 6, before bowing out Sunday morning by an equally humiliating 7 and 6 to Dalton Norris of Ralls.

NEXT WEEK'S FUN FEST — Slated for showing Thursday and Friday, July 28 - 29, at the Rose Theatre in Morton, is the fun filled, Warner Bros. comedy, "CASH McCALL," starring James Garner of TV's "Maverick" fame and Natalie Wood.

Cards Place Four on All Star Squad; All Little League Teams Represent'd

Four Cardinals paced the naming of the Little League All Star team that will represent Morton in the District Tourney at Littlefield today.

The 14 man first team selected by the managers, included 4 Cards, 3 Pirates, 3 Cubs, 2 Giants, and 2 Sox. Two more Cards, a Cub and a Giant were named to the alternate spots.

Weldon Newsome, who will manage the team, has from his pennant winning team, Joey and David Newsome, David Holland and Eddie Lyon.

From the Cubs, Gordon McDaniel, Bill Sokora and John St. Clair were given the nod and the Pirates landed Kenny Palmer.

Richard Gomez and Jim Street on the team.

The Giants placed Penn Tom Burke and Sammy Garza on the team and the Sox named to the team include Willie Martinez and Mike Irwin.

The managers named eight of these 14 unanimously. They then selected four more, and Newsome added the final two.

In addition to this group, Jerry Jenkins and Carlos Dupler of the Cards, Sam Beebe of the Cubs and Kenny Coats of the Giants were named as alternates, in case any of the starting group cannot make the game.

The Morton team will face the Littlefield team at 4:00 o'clock this afternoon (Thursday) in Littlefield, in the first game of the tourney. Newsome had not announced his starting lineup.

Indians, Cardinals Split 2 Games In Babe Ruth Loop

The Morton Indians and the Whiteface Cardinals split a double header at Sundown, Thursday night, with the Indians taking a first game 8 to 0 victory and the Cards winning the nightcap, 5 to 0.

The Indians coasted to victory behind the pitching of Donnie Powers in the opening game but lost the all important second game, on which gave the Tigers an outside chance of tying for the league crown.

The Tigers, winners of one game from the Indians, in four meetings, have not lost any other games. The Whiteface team beat the Indians twice.

Friday night the Tigers were to meet the Sundown Red Sox in a season ending double header.

Tigers Win Two; Tie For Title

The Morton Tigers won two final victories over the Sundown Red Sox Friday night, and in doing so tied for first place in the Frontier Babe Ruth League.

The victories had no effect on the all star game, except under the league rule that the manager of the league's top team would be manager of the all star team that played at Levelland, Monday of this week.

But the tie for the title, of course, helped the feelings of the Tiger team that had beaten every team in the league, and had been beaten only by the Indians (in three out of four meetings.) The Indians lost twice to Whiteface.

Friday, Charlie Ledbetter pitched the Tigers to a 13-4 triumph in the first game and Larry Dupler came back to get a 9 - 2 decision in se second game, allowing just one hit in the process.

Sports News

Morton Boys Make Fine Showing At Lubbock's Junior Olympics

Five Morton boys competed and carried off honors Saturday in the Junior Olympics held at Monterey High School at Lubbock.

Although not sending enough boys over there to win any team title, Morton did send four boys in the Junior Division and one in the Intermediate Division.

Lester Dupler, competing in the Intermediate Class, finished 5th in the hurdles and 3rd in the 220 yard dash.

In the Junior Division the locals entered four boys, enough

to run the relays, and then they competed in individual events. Morton won the 220-yd. relay with Manual Solis, Marlin Doug Rose, Tommy Dupler and Charlie Ledbetter running the four legs of the event.

Individually, Salas was fourth in the 50 yard dash and Ledbetter and Dupler ran second and third behind Lubbock's Tom Jenkins in the 100 yard dash. Both had beaten Jenkins in the preliminaries but couldn't match slides with him when he turned

OUT OF HOSPITAL

Mrs. Ed Thomas of Morton, who underwent an emergency appendectomy July 14 at the Methodist Hospital, Ft. Worth, was reported out of the hospital July 18. Mrs. Thomas and children are in Ft. Worth visiting her parents, Mr. and Mrs. J. Z. Sarlow, 715 Merritt. Thomas, who is with the SCS here, visited her over the week end.

Altman Family Has Reunion

There was a family reunion held at the home of Mr. and Mrs. Dede Altman of Enochs, honoring the 57th birthday of Mr. Altman and the 37th birthday of Vancil Bowen, a brother-in-law from Post, Texas.

Ben Altman of Post, father of Dede, and ten of his twelve children were present for the occasion. They included: Mrs. Carrie Guess, Mrs. Bertie Baxter and her daughter and husband, Mr. and Mrs. Deamons Altman, and Mr. and Mrs. Vancil Bowen and family, all of Post.

Also, Mr. and Mrs. Lloyd Crosby and family, Mr. and Mrs. Luther Harrell, Mr. and Mrs. Ed Altman, Mr. and Mrs. Billy Sisson, and Mrs. Jean Templeton and children all of Littlefield.

And, Mr. and Mrs. C. E. Altman and family of Lubbock,

Mr. and Mrs. Dan Altman and family of Tulla; Mr. and Mrs. Kenneth Coats and family and Mr. and Mrs. R. H. Baker and children of Morton; Mr. and Mrs. Wayland Altman of Three Way; Miss Gracie Altman of Littlefield, Elizabeth Wilson, Levelland, and the hosts.

Everyone brought a basket lunch and the meal was spread in the backyard of the home. A total of 47 persons were present, all enjoying a pleasant afternoon.

3-WAY NEWS —

TO RETURN TO DUTY

Pvt. Roy Epperly, stationed at Fort Knox, Ky., has been home on leave for several days. He will return to camp this week.

HAS BIRTHDAY

George Taylor was honored with a birthday dinner at his home Sunday. Attending were Leslie Fine and Bailey Griffith.

VISIT IN TUCUMCARI

Mr. and Mrs. P. A. Altman and daughter, Gracie and Mr. and Mrs. Luther Harrell of Littlefield, went to Tucumcari over the weekend to visit the Vic Byrum family. They reported little Dwight Byrum, who had been ill a long while with a liver ailment, was very much improved.

VISIT IN EAST TEXAS

Mr. and Mrs. Vernon Wright left Morton July 9 on a weeks vacation. They were joined in Winters by Vernon's parents, Mr. and Mrs. Otto Wright and visited in Paris and Deport, Texas with friends and relatives. Before returning to Morton the Wrights visited in Brownwood, Ballinger, and Goldthwaite. They also visited in the Cullen Busher home near Winters.

Aug. 1st Date Of School's Tax Board Hearings

Monday August 1st will be the date for local taxpayers of the Morton Independent School District to meet with the school's tax equalization board concerning their taxes this year.

Letters notifying all property owners whose property valuation has been changed, will be sent out by Friday of this week, according to Dub Hodge, tax assessor collector of the district.

The date Monday, August 1st, was set by the Equalization Board after meeting with the oil company representatives this past week.

Anyone desiring to meet with the Board concerning taxes is urged to do so.

By Vern Sanford

HILITES AND SIDELITES

AUSTIN — Although budget balancing is the most discussed of the problems facing the next Legislature, many lawmakers expect redistricting wrangles may raise more blood pressures.

Legislature is required by the Constitution to re-define legislative districts after each federal census. It used to put off this troublesome task, but a 1948 law

provides that if it fails to act in the first session after a census, a Legislature Redistricting Board shall take over.

This insures, as it did in 1951, that the Legislature will redistrict — somehow, someday.

Battle will be between big city delegations who will demand more representation in line with their swelling populations and rural members who will try to hold on to as much as they can.

In their election campaigns, many representatives promised their constituents they'd be in there pitching for the home area. Members from growth areas said they'd go after extra representatives, state senators and congressmen.

A rural legislator told his people, "At least twelve rural districts will disappear in the next redistricting. I certainly do not want this district included in that twelve."

Incumbents cited their experience as an asset. Personal feeling often enters into redistricting, and lawmakers are notably reluctant to "squeeze out" a popular and respected senior colleague by erasing his district.

HOME INSURANCE CUT — Beginning August 1, premium rates on certain types of homeowners' insurance policies will be cut 10 percent.

State Insurance Board announced the new lower rates would apply to the "homeowners package" policies which account for about 80 percent of the home coverage sold in Texas.

Reductions were made possible because insurance companies have had relatively low loss ratio on the package policies, first introduced about three years ago.

CREDIT RATE EYED — Board of Insurance also is considering a future lowering of credit insurance rates.

Many loan companies require borrowers to take out insurance payable to the loan company in case something happens to the borrower before he repays.

Two years ago the Board cut in half the rates that could be charged for credit insurance. It was charged that loan companies were making excessive profits on loans through insurance.

Board says that even now rates seem high, with losses running 27 percent of premiums paid in. If losses run less than 50 percent of the premiums, rates are considered too high.

NO ROAD PROBLEM — Stiffened federal road inspections pose no problem to Texas, says State Highway Engineer Dewitt C. Greer.

New federal standards are no tougher than Texas has insisted on all along.

Scandals stemming from misuse of federal road building money in other states has caused the Bureau of Public Roads to tighten its inspection requirements. Greer said the new federal approach will necessitate no change in Texas procedures.

Texas who have been motoring cross country during their summer vacations will not find this hard to believe. So noticeably superior are Texas roads to those of surrounding states that returning Texans usually give a sigh of relief when they cross the state line.

SPEAKERS' BATTLE BOILS — Candidates for Speaker of the House continues their months long battle of "claimsmanship."

Rep. Wade Spilman added five to his list of House members pledged to support him and said this gave him a "rather conclusive" lead. Rep. James Turman of Gober claims a definite majority of 79.

Rep. Spilman also has invited the House General Investigating Committee to look into charges that members were being subjected to improper pressure on how to vote.

COLLEGE FUNDS SOUGHT — Texas Commission on Higher Education will ask the next Legislature for an appropriation of \$3,082,183 for the 1961-63 biennium.

Bulk of the increase asked is for meeting expected enrollment increases in the 18 state supported colleges and universities.

In a discussion with members of the State Finance Advisory Committee, the Commission considered recommending an increase in state college tuition charges — now \$100 for a nine months term. Dr. Ralph Green suggested raising this by \$50. It would bring the state an extra \$5,000,000 a year in new revenue, he said.

PRISON NEEDS CITED — Texas Board of Corrections also wants

more money — a \$2,654,846 increase over their present allocation for the next two years.

"If the amount is granted, Texas prisoners will cost the state \$1.89 per day per man," said State Prison Director O. B. Ellis.

"This is just a little more than half the national average." Ellis and Correction Board members regard prison needs as critical. Board Chairman H. H. Coffield of Rockdale reported that "the prison population trends indicate it will keep on multiplying."

WILSON HONGRED — Atty. Gen. Will Wilson has been named by the National Association of Attorneys General as the recipient of that association's award for outstanding service in 1960. He was cited as being the most outstanding Attorney General in the Nation when he received the Wyman Award at the Annual Meeting of the National Association of Attorneys General recently in San Francisco.

Award is given to the Attorney General who "has done the most to advance the objectives of the association to help make the United States a better place in which to live for all." Wilson won the

honor on the basis of his contribution in strengthening state anti-trust programs and in the field of interstate compacts, as well as through his service on the habes corpus committee of the association. He also was chairman of the association's Antitrust Committee during 1960.

VISITED HERE

Mr. and Mrs. John E. Holloman and son, John of Socorro, N. M. and Mr. and Mrs. Leonard Emory & children of Tulsa, were in Morton the past several days visiting here while their mother, Mrs. John A. Holloman, was hospitalized at Lubbock.

Scouts leave For Jamboree

Area scouts and scout leaders are attending the Golden Jubilee Jamboree at Colorado Springs, Colo., left Levelland by bus Monday morning for the encampment.

David Ross, Ray Luper, Charles Ledbetter, Mike Doss and Bill Hanson of Morton were the local Scouts and Raymond Ross will attend as Assistant Scoutmaster.
