L. CASTLE RE-ELECTED SOIL CONSERVATION DISTRICT CHAIRMAN

L. Castle was re-elected chairman of the Cochran Soil Conservation District at the Board of Supervisors' regular meeting Tuesday in the Cochran County Activities building, Morton.

Castle was selected as vice-chairman by a vote of 11-0. Other members of the board are A. (Button) Silvers, and H. L. Head, secretary.

Other action of the board included the approval of the district's annual report, and the approval of the request to send a copy of the report to each pastor in the district. An outline of the report will be published in the Morton Tribune at a later date.

Other members of the board are L. Tucker and H. H. Rosson.

VIEWS EXHIBIT AT OIL SHOW—Ples Bice, production foreman for Skelly Oil Company at Morton, is shown as he viewed a General Electric Gas Turbine exhibit at the Permian Basin Oil Show in Odessa, recently. The exhibit, by Halliburton Oil Well Cementing Company, providers of technical services to oil producers across the world, was one of many at the exhibit. Bice, left, discusses the turbine with W. E. Fuller, district engineer at Odessa for Halliburton.

REFERENDUM VOTE IS SET . . . STATE and COUNTY TO GET INCREASED COTTON ALLOTMENT

The U. S. Department of Agriculture has announced state acreage allotments for the 1961 crops of upland and extra long staple cottons.

The upland allotment for Texas was set at 7,849,196 acres which includes 10,686 acres as the State's share of the national reserve. The Agricultural Act of 1958 authorizes a national acreage reserve of 310,000 acres for apportionment among the states on the basis of the estimated needs for additional acreage to establish minimum farm allotments as provided by legislation.

The extra long staple acreage allotment for Texas was set at 21,833 acres out of the national allotment of 63,740 acres.

The State allotment will be apportioned among the counties to establish county allotments and these will be further broken down among the individual farms of the counties in accordance with the provisions of the law and regulations issued by the Secretary of Agriculture.

Farmers who were engaged in the production of cotton will vote in a national referendum on December 13 to determine whether marketing quotas will be operative for the 1961 crops—upland and extra long

staple. At least two-thirds of those voting must approve quotas if they are to continue in effect.

Only one allotment-price support program will be available to upland cotton growers in 1961. If marketing quotas are approved in the referendum, price support will be available to upland growers who comply with their farm allotments at a level within the range of 70 to 90 per cent of parity. The exact level of support will be announced at a later date. If quotas are not approved, allotments will remain in effect and price support at 30 per cent of parity will be available to upland growers who comply with the allotment program.

The USDA announcement noted that farm acreage allotments will be mailed to operators of cotton farms prior to the December 13 referendum.

POLL TAX RULES TO BE ENFORCED IN PRECINCT ONE

M. A. (Button) Silvers, General Election Judge for Precinct One, the voting box at the County Activities Building in Morton, reminded voters here that they must either bring a poll tax receipt with them to the polls next Tuesday or sign an affidavit that they have paid their poll tax or received an exemption.

Silvers said it has become a habit in many smaller communities to just "take the voters' word for it." "It's time," he said, "that voters realized there is more to an election than just going to the polls."

He emphasized that he was speaking only for the Morton voting box, and not for all of the election judges in the county.

Silvers also released a list of all of the workers who will help at this voting box.

Truett McCuiston and W. P. Houston are the assistant judges appointed with Silvers, by the Commissioners' Court, for this voting box.

The crew, named by these men to help conduct the election, are:

In the Voting Room, Announcer, Alton Burleson; listing qualified voters, Mrs. Pegues Houston; on poll list, Mrs. H. B. Barker, Mrs. J. C. Reynolds, Mrs. Luke Hargrove and Mrs. Ott Barton; Receiving the ballots, Mrs. Lillian Silvers and Hume Russell.

In the Counting Room, Callers, Glen McDaniel and Jack Wallace; Checkers, Raymond Lewis and Herman Bedwell, and Talley Clerks, Mrs. Lloyd Miller, Mrs. Jay Hill, Mrs. Weldon Newsum, Mrs. Innis Stewart, Mrs. Betty Greene, Mrs. Elmer Gardner, Mrs. Sammie Williams and Mrs. J. D. Hawthorne.

Yearbook Is Out

The newest edition of the South Plains yearbook, "Parade of Progress," made its appearance Wednesday last week.

Robert Wilson, Lubbock, publisher, delivered among the first copies to the Morton Tribune.

Wilson said at least two firms in the county planned mailings of the volume to their customers.

The book contains six pages of information about Morton.

Three Way Wins; Gains Tie For District Crown

In a rugged game played last Saturday night at Three Way, the Three Way Eagles defeated Nazareth, 45 to 38, and tied with Cotton Center for the District Championship. The two teams will meet in a playoff game to decide the winner. Each defeated the other once in regular season play.

Old Friends Meet

When in trouble it's nice to meet up with homefolks.

That's exactly what happened to Frank Dickson of Ft. Worth last week.

Frank, a brother to Woody Dickson of Alamo Gin, has been helping with the harvest here for some time.

Last Friday he caught his finger in a cotton stripper.

He was rushed to Memorial Hospital, Morton, where he met Dr. G. P. Flanagan, his former doctor at Ft. Worth.

Cub Scout Pack Is Re-Organized

MAPLE (Spl.) — Murry C. Stewart, Chairman of the Organization and Extension Committee, announces the re-organization of Cub Pack 106 at Maple, Texas. This Pack is sponsored by the Maple Co-op Gin, there at Maple.

Pack 106 meets on the fourth Monday at 7:00 p.m., at the Three Way School. All boys who are age eight, nine and ten years of age, and their parents are cordially invited, and welcomed to visit and join in this great Cubbing program.

The Pack was re-organized with sixteen boys and these boys are: Lynn Jones, Perky Lynsey, Mike Lynsey, J. L. Hutcherson, Sam Feagley, Alan Cunningham, Wendell Williams, Pat Courtney, Charlie Bob Abbe, Jackie Loyd Dupler, Alton Ray Kelley, Lee Sinclair, Stephen Pierce, Monte Toombs, Dargan Wall and Craig Chapman.

Executive Officer for this Pack is John Shepard, Manager of the Maple Co-op Gin; Institutional Representative is L. E. Warren, Chairman of the Pack Committee is Leon Jones; Members of the Pack Committee are: Jack Hutcherson, and C. J. Feagley. Cubmaster is Perry Lynsey. Den Mothers are: Mrs. C. J. Feagley, Mrs. Perry Lynsey, and Mrs. Charlie Abbe.

The George White District is most happy to have Pack 106 back in the scouting family and a sincere wish of a good Cubbing program is extended to all the boys and leaders in this Pack.

With the addition of this Pack, there are a total of 19 Cub Packs in the George White District, serving about 625 Cub Scouts. Cubbing is a home centered and family interest program and any boy who falls into the Cubbing age range; eight, nine or ten years, is cordially invited to join.

Nursing Course To Be Offered At Levelland

South Plains College will institute next fall, a course in Nursing which will lead to an AS degree in nursing, and a registered nursing career, one of the better paid careers for young women today.

Details of the course have not been worked out completely. Dean Clyde Prestwood said this week, but he did say the school had the support and backing of Methodist Hospital in Lubbock which is unable to turn out, through its program, enough nurses to fill the urgency with which they are demanded across the nation.

The course will be a tough one. Dean Prestwood said, listing about 24 consecutive months of training. The school is one of only two in the state to institute such a course.

Young women or men, interested, should contact Dean Prestwood or the registrar at South Plains College regarding entrance qualifications.

Alcohol Subject Of Sermons

Each Sunday night throughout the month of November, members of the Methodist Church will give special study to the subject of "Alcohol."

It will deal with such questions as "What is alcohol?" "How does it affect the human body?" "Is there need for control?" "What can we do to rehabilitate the alcoholics?" "What is our Christian responsibility?" These subjects will be dealt with through the use of special speakers, panel discussions and filmstrips.

Next Sunday evening at six o'clock Doctor Joe Harrison of Levelland will speak to us on the theme, "What is alcohol, and how does it affect the human body?"

Community - Wide Thanksgiving Service Planned

Morton's Community Thanksgiving service will be held in the First Methodist Church on Wednesday night, November 23, it was announced this week.

The Community service, to which people of all faiths are invited each year, is held at different churches throughout Morton with different pastors bringing the message.

Rev. Fred Thomas, pastor of the First Baptist Church, will bring the message and special music for the service will be provided by the High School Choir.

The service is set for 7:30 p.m.

STORE REMODELING COMPLETED . . . Willis Food Observes 20th Anniversary With "Big Doings," Friday, Saturday

Willis Food Store, South Main, Morton, will celebrate its 20th anniversary Friday and Saturday.

The firm moved to its present location, October 10, 1946. And, just 20 years ago Willis Food Store began operation on the westside of the Cochran County square.

Friday and Saturday, Mr. and Mrs. E. L. (Snoball) Willis will not only be celebrating an anniversary, but they are showing off a completely remodeled super market.

New in addition to floor space of approximately 1,000 square feet, are a new meat case, new checking stands, ice cream boxes, wall shelving, gondolas, and an automatic glass door that youngsters find "most exciting."

Too, visitors Friday and Saturday will be able to register for their choice of three valuable items: a personalized bowling ball and bag to be selected at Frontier Lanes, an electric rotisserie, or a transistor radio.

And, with each 3.50 cash register ticket, visitors may burst a balloon

for a free prize ranging in value from 5c to 2.50.

Served free to visitors will be ice cream, coffee, chocolate milk and cookies.

And, there's a valuable coupon in the firm's ad on pages six and seven of this publication of the Morton Tribune.

Folks who haven't been in Willis Food Store recently will get a surprise at the modernistic appearance of the firm.

The years have flown, and times have changed since Snoball entered the grocery business in Morton: check the firm's ad on pages six and seven of this publication against these prices advertised in the Morton Monitor by Willis Food Store in the earlier years.

Sugar, 10 lbs. for 29c; Coffee, lb. can for 29c; Peaches, a big number two and one-half can for 19c; and fancy Catsup, six bottles for 29c.

Times have changed, but Mr. and Mrs. Willis still strive to provide their customers with quality items at the lowest possible price — plus that important detail, friendly service.

"That combination," says Snoball, "has made it possible for us to stay 20 years."

Snoball missed out a few years in the grocery business back during World War II, but Mrs. Willis "kept store" for eight months. She then leased it to R. B. Grindstaff, and one year later bought back by Mr. and Mrs. Willis after his return to Morton.

The first Willis Grocery was established in Morton in the early '30's by Snoball's father, F. B. Willis, who now resides in California.

At first, young Snoball shied away from the grocery field and established a truck line. That was in 1929. He established the Morton-Lubbock line which he sold out in 1939. At present the line is operated by Lang Transit Company.

Snoball first appeared on the Morton scene in 1925. Mrs. Willis in 1926, and Snoball says he believes he has paid as many poll taxes here as any man around. The county was organized in 1924.

Mrs. Willis is the daughter of the late Mr. W. L. Miller, one of Morton's earliest businessmen. Her mother resides in Morton now.

Snoball has often remarked: "I am related to almost everyone in Cochran County, or was until a few years ago."

Always active in civic affairs, he is at present serving as president of the Morton Lions Club.

Mr. and Mrs. Willis have one son, Norton, who is attending South Plains College.

They are members of the First Missionary Baptist Church, Morton.

JOSEPH CARL ENGLAND

Rites Held for Former Publisher Of The Tribune

Funeral services were held at the First Methodist Church in Morton at 10 a.m. Monday for Joseph Carl England, 67, resident of Morton since 1946 and publisher of the Morton Tribune from 1946 until 1952.

Mr. England, a lifelong printer and publisher, who was associated with several newspapers in the area, died at the Morton Memorial Hospital at 5:20 a.m. Sunday, approximately 22 hours after suffering a heart attack at his home here.

Rev. F. L. Dunn, pastor of the local church conducted the funeral rites for Mr. England who had been a member of the Methodist Church for many years. Burial was in Morton memorial cemetery, with graveside military rites, under the direction of Singleton Funeral Home.

He published the Tribune and his wife was editor, after Forrest Weimbold of Levelland purchased the newspaper from Douglas Meador, now of Matador.

A veteran of World War I, where he served in France, he was a member of the American Legion and Veterans of Foreign Wars, and a past member of the Morton Lions Club.

His abilities as a printer and publisher resulted in numerous awards from area and state press associations for the excellence of the printed newspaper and job work he turned out, while in Morton.

He and Mrs. England were active in the Texas Press Association, the West Texas Press Association and the Panhandle, New Mexico Press Association.

Previous to coming here, Mr. England was on the staff at the Ranger Daily Times. He and Miss Ann Lovelace were married in 1938.

When Max Daily purchased the Tribune from Forrest Weimbold, the Englands went to Midland, but maintained their home in Morton. He worked for several years on the Midland Reporter - Telegram and later worked at the Levelland Daily Sun-News.

He retired in 1958 and for the past few years had maintained a small job shop at his home here.

Survivors, in addition to the wife, include three sisters: Mrs. C. C. Langford, Ft. Worth; Mrs. Jewel Scott, Dallas and Mrs. Lauren Conger, Oak Park, Ill.; and a brother, Clarence, of Ft. Worth.

REPORTED "DOING WELL" AFTER HEART ATTACK

Forrest Weimbold, former owner of the Morton Tribune, and present owner-publisher of the Levelland Daily Sun-News, was reported recuperating nicely in a Levelland Hospital, Wednesday, after a recent heart attack.

STILL HOSPITALIZED

Word here this week was that W. Williamson was doing satisfactorily following surgery last week at Quannah Hospital. He was taken there following a fall at Lake Kemp, in which he suffered a broken hip. Mrs. Williamson was reported with him at Quannah.

SPEAKER, WIFE ATTEND FUNERAL

Speaker of the House and Mrs. Waggoner Carr of Lubbock were in Morton Monday attending the funeral of long time friend, Carl England.

CROP Benefits \$83 Collection

Contributions to the Christian Rural Overseas Program Halloween collection totaled \$82.86, it was announced.

Part of the CROP program are representatives of the Morton Student Council and other youth under the direction of Mr. and Mrs. J. C. Crowder and Mr. and Mrs. J. Blathorne.

The group met at the First Methodist Church prior to their "trick treat for CROP" campaign. Later they returned to Fellowship Hall refreshments.

Injury Riddled Indians No Match For Mules; Drop 56 to 8 Decision

The Muleshoe Mules used far superior line blocking and greater overall depth to rack up a 56 to 8 triumph over the inexperienced, crippled Indians, Friday night before a happy Muleshoe Dad's Day gathering.

The Mules, figured to be on a par with Morton, in early stages of the season, had actually operated a little less inefficiently against their opposition than had Morton. But week by week, one by one, the Indians began to lose their experienced men through injuries. By Friday night they had nearly reached the bottom of the barrel.

Of the experienced men, J. R. Wilson, top defensive man was put out of commission at Sundown. Tootsie Davis, injured three times this season, was helped from the field again at Muleshoe. Wilburn Zuber, the only offensive back who has been able to keep the defense "honest" with passer Steve Middleton, was sidelined for the season a week earlier.

A number of other injuries sent three others to the sidelines before Friday's game. The result was near disastrous.

Without an offensive punch, the Indians were no match for the Mules. They ripped the line with ease and repeatedly threw back Middleton before he could get his accurate passes away.

Morton stayed with the Mules for about 7 minutes of the first quarter, thanks to two recovered fumbles and a Middleton punt of 52 yards. But the third time the Mules got the ball they began to roll. They put together three first downs for a 59 yard touchdown march after recovering a Middleton fumble-pitch-out. Quarterback Billy Gilbreath made the TD on a 13 yard run up the middle for the score and Mike Cabrera circled left end for the two point conversion.

From there on Muleshoe had the "Indian signs."

They held Morton without a first down and to minus yardage as they took over and in just four plays

traveled 66 yards. Cabrera rolled 46 of it over right guard and the 16-yard scoring play came on a pitchout to halfback Jim Young. Larry Tanner blocked the extra point kick. After the kickoff, a screen pass to Tanner which netted 53 yards to the Muleshoe 13, was the only thing that gave Morton plus yardage in the first period as the quarter ended.

But Morton could gain only three more yds. and surrendered the ball on the 10. Muleshoe went to the 17 and fumbled and Morton had another chance. Four plays lost 10 yards as Morton's line failed to hold, and Muleshoe took over on the 27. In five plays they scored, the payoff being a 20 yard romp through the middle by halfback Curtis Walker. Again the kick failed.

Morton got only one play after the kickoff as Tanner fumbled and Muleshoe recovered on the Indian 25. A pitchout to Young scored again for the Mules and the extra point failed when the Mules fumbled.

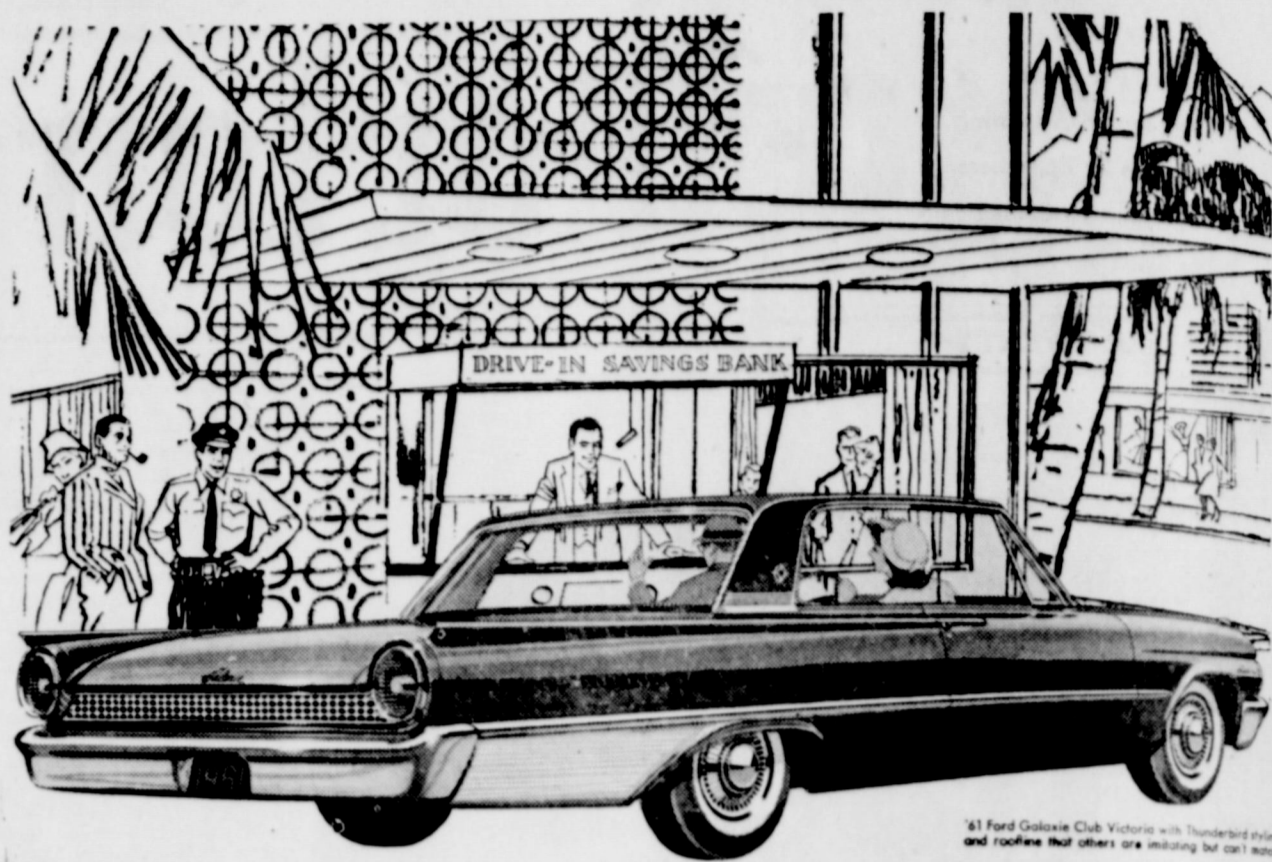

Morton started their only scoring effort of the night with four minutes left in the half. A 13 yard pass to Pyburn put the ball on the Mules' 30, and Johnny Van grabbed an aerial by Middleton right up the middle for the score. He also took a look-in pass for the extra points as the clock showed 1:20 left.

The second half was worse. Morton recovered an early fumble and fumbled back on the next play. The Mules drove 65 yards scoring on Gilbreath's sneak over the center and Young carried the extra points.

In the 4th quarter, a beaten Indian team gave up three more touchdowns. Lineman Wayne Malone intercepted a Middleton pass for a 79 yard TD run, Gilbreath scoring the points after on a keeper. Cabrera romped 15 yards up the middle for another score and substitute quarterback Jerry Harrison ran the points after. The final score came

on a 16 yard pass, Young to end 484 yards to 144. Standouts in Morton's brief flashes of success were Tommy Morrison, turning in his third fine game in

the past four starts, and Johnny Vandeventer, who twice caught up with and tackled Muleshoe backs away for apparent touchdowns. But the Indians were outclassed, especially in their weakened line where some new lads recruited only recently, played valiantly, but were unable to cope with Muleshoe's fast line.

The one '61 car built to back up a long-term warranty

Ford led the way with the one car beautifully built to take care of itself . . . and you

On September 29, Ford Dealers set an industry trend—were first to extend their 1961 car warranty from the conventional 4,000 miles or 3 months to 12,000 miles or one full year, whichever comes first.

Why? Because Ford built the one car to support such confidence. Ford for 1961 is the one car beautifully built to take care of itself!

The '61 Ford was designed and built to the more exacting standards necessary to offer an extended warranty. Ask to see this warranty at your dealer's.

It is significant that Ford has so many take-care-of-itself features not found in other cars, regardless of price. These new Ford features are a triumph of exhaustive research, fine engineering, and quality construction that give you the most reliable Ford ever built. Drive a '61 Ford.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

Lubricates itself—You'll normally go 30,000 miles between chassis lubrications. Then a quick, inexpensive Ford Dealer lube job (which costs about \$4.00*) will get you set for another 30,000 miles.

Cleans its own oil—You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

Adjusts its own brakes—New Truck Size brakes adjust themselves automatically for the life of the lining.

Guards its own muffler—Ford mufflers are double-wrapped and aluminized—normally will last three times as long as ordinary mufflers.

Protects its own body—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing the body panels beneath the doors.

Takes care of its own finish—New Diamond Lustre Finish never needs wax.

KEEP THE VOICE OF TEXAS STRONG

Texas' dominant position in the Democratic Party has been a major factor in the amazing growth and prosperity of our State during the past 50 years.

Count our blessings that have come because TEXANS were in the RIGHT party at the RIGHT time.

Count the jobs . . . educational opportunities . . . military installations . . . defense projects . . . water and soil projects . . . rural electricity and telephone systems. Count our ultimate potentials for development.

Now the Democratic Party has selected a TEXAN for one of the two top offices our Nation has to offer. As Vice President, Lyndon B. Johnson will be in a position to render the greatest service any Texan has ever been able to give his State, his Party, his Nation.

Our Nation needs the dynamic leadership of John F. Kennedy and Lyndon B. Johnson. And Texas needs to be counted in the Democratic column November 8 to keep its voice STRONG in the party that has honored its sons and nurtured its growth. Texas has no such stake in any other party or any other candidate.

Texas' future — and America's — lies in your response November 8.

WHY WE'RE... DEMOCRATS!

AS TOLD BY RESIDENTS OF COCHRAN COUNTY

GOP FARM PRICE DECLINES TELL THE STORY..

Republican PROMISES may sound GOOD Ike promised 100 per cent parity in 1952 but the figures don't lie: President Eisenhower on three occasions VETOED FARM LEGISLATION PASSED by a DEMOCRATIC CONGRESS to aid the farmer

Can YOU Stand Four More Years Of This?

It now takes 520,000 pounds of grain sorghum, or 25,750 pounds of lint cotton, or 200 hogs, or 85 calves, or 50 cows to buy a modern farm tractor. Just eight (8) years ago it took less than 40 per cent of any one of these items to purchase a comparable tractor.

- Farm prices down 17 per cent . . .
- Farm income down 24 per cent . . .
- Farm parity ratio down 21 per cent . . .
- Farm purchasing power down 29 per cent . . . the lowest since 1940 . . .
- Public ridicule of farm programs . . .
- Packer, processor domination of the U. S. Department of Agriculture . . .

WHAT MEMBERS OF THE DEMOCRATIC PARTY DID FOR COCHRAN COUNTY . . .

- They built homes and barns on all the farms on the 18,000 acres of the C. C. Slaughter land south of Morton, farms which are all paid for with interest.
- They divided up about 13,000 acres of sod land south of Lehman and sold it to about 29 young men with homes and improvements placed on them by laws enacted under the Roosevelt Democratic administration, this is all paid for, with interest.
- They did the same thing with the Famuliner Ranch west of Morton, 7,000 acres, and practically every acre of that land has been paid for, with interest.
- This represents about 80 farm families supporting Morton, its schools, its churches, and its business firms.
- Approximately 350 irrigation wells have been drilled with loan funds furnished by the Farm Home Administration, enacted under Roosevelt, which would not have been drilled otherwise. It would not have been done with private capital.
- figures may be substantiated by authentic records, Congressional Records, Department of Agriculture reports, and Department of Commerce records.

How Farm Prices Have Gone Since 1952 for Cochran County Farmers:

Before 1954 many stores in Morton required guards to prevent transient cotton choppers and cotton pullers from lifting merchandise . . . that was when the local farmers were paying out on an average of \$800,000.00 per year for this labor. Since prices on good cotton have dropped about \$30.00 per bale . . . farmers are stripping their cotton with machines to save money . . . no guards are needed in local stores now . . . they are needing customers . . . HOW MUCH OF THIS \$800,000.00 was spent in MORTON?

COTTON:		GRAIN SORGHUM:	
Amount per bale		Price per 100 pounds	
1953	\$160.00	1953	\$2.10
1954	162.00	1954	2.05
1955	162.00	1955	1.50
1956	160.00	1956	2.00
1957	150.00	1957	1.55
1958	150.00	1958	1.65
1959	150.00	1959	1.50
1960	140.00	1960	1.38

Now . . . Republicans plan to increase the Soil Bank to 80 or 90 million acres . . . this would cost the taxpayer approximately \$3 billion . . . and think what it would do to small towns on the South Plains?

WHO'S going to HELP the FARMERS?

America's farmers are having a rough time in the midst of Republican "prosperity." Low prices—high costs. Big overhead—small profit. Costly investment—staggering bills and debts.

Who's to blame? It isn't Ezra Taft Benson. The Republican administration that appointed Benson and for eight years praised his policies is equally to blame. The "experienced" Mr. Nixon has called Benson "one of the greatest Secretaries of Agriculture in our history."

The best way to get sympathetic action for farmers' problems is to elect Democratic leadership to the White House.

FIVE GOOD REASONS WHY COCHRAN COUNTY RESIDENTS SHOULD VOTE DEMOCRATIC, TUESDAY, NOVEMBER 8

1. Texas will maintain its powerful influence within the National Congress by supporting our Texas-elected Democratic representatives.
2. A divided government (executive—Republican; legislative—Democratic) would mean stalemate government.
3. Every progressive legislative proposal which has become law during the past 45 years was either introduced or enacted into law by Democrats, e.g.
 - a. Social Security—passed in 1936 in spite of Republican opposition which now provides many senior citizens with a livelihood.
 - b. REA
 - c. School—hot lunch program
 - d. Expanded rural highways
 - e. Soil and water conservation
 - f. F. H. A. (Today a 30-year home loan of \$10,000 will cost a borrower \$3,300 more in interest payments alone than it cost eight years ago.
 - g. Farm price supports (If it were not for farm price supports enacted by Democrats, 90 per cent of West Texas farmers would be bankrupt today . . . and, those who supply the farmer would soon follow.
4. For the first time since the establishment of the Department of Agriculture, almost 100 years ago, farmers have been without a spokesman within the executive branch of the government during the last eight years. By public ridicule of farmers and farm programs the present Secretary of Agriculture, as a spokesman for the consumer, has helped to deprive the farmers of respectability in the eyes of city and industrial friends.
5. Texas citizens who are actively supporting the Republican Party and Mr. Nixon are not depending upon a teacher's salary, a laborer's wage, or a farmer's income as their primary source of livelihood.

SEE! THE GREATEST SHOW ON WORTH!

A new 2-Door Sedan joins the luxurious Impalas. Door openings measure as much as 6 inches wider.

MEASURABLY NEW, IMMEASURABLY NICE! '61 CHEVY Open the door to a whole new measure of your money's worth! There's more entrance space in this '61 to make getting in and out easier. More rear foot room for the man in the middle. Seats that are as much as 14% higher—just right for sitting, just right for seeing. A tremendously spacious new kind of deep-well trunk that opens at bumper level for easy, short-lift loading. But look—there's actually less outer space, leaving extra inches of clearance for parking and maneuvering! Neat trick? Bless our ingenious designers and engineers. They've shaped spacious dimensions, proved performance, thrift and dependability into the most sensationally sensible car you could buy. It's waiting for you at your Chevrolet dealer's right now.

Biscayne 2-Door Sedan. That solid Body by Fisher sensibly shaped clear back to its easier loading trunk. (The floor's recessed a full 7" to hold things that have never been inside a trunk before!)

Parkwood 9-Passenger Station Wagon. One of 6 easier loading Chevy wagons. All feature a new concealed compartment under the floor. And there are 4 new Chevy Corvair wagons, too.

DEFINITION OF "WHAT IS LIVING?" IS L'ALLEGRO STUDY CLUB PROGRAM

The L'Allegro Study Club met in the Van Greene home for a regular meeting Thursday, Oct. 13.

The minutes were read by the secretary, Mrs. Al Mullinax and approved by the club members.

Mrs. Button Silvers gave the treasurer's report.

Mrs. H. B. Barker reported on her findings concerning the sale of candies at Christmas time. The club members decided it was too late to arrange a candle show for this Christmas but it was decided to start making plans for a show to be held next year.

The president, Mrs. James McClure, reminded the group of the annual District Board Meeting and work shop to be held October 29 at Floydada.

A letter was read by the president from the Texize Company concerning a rebate on bottle caps and labels. No action was taken by the club on this matter.

Mrs. Dan Swicegood was welcomed into the club as a new member.

Mrs. J. C. Reynolds and Mrs. Mullinax were in charge of the program.

In discussing, "What Is Living?" Mrs. Reynolds said, "Living is trouble and risk; struggles and worry; accomplishments and failures; a little bit of everything, including fun."

She told the group that everyone sets for herself different goals, and reminded that an unmarried business or career woman would not agree with the mother of four children, on the definition of living.

"We, possess, by nature, the factors out of which personality can be made: heredity, environment and personal response," Mrs. Reynolds said. "We are not responsible for our heredity; much of our environment we cannot control; but the power to face life with an individual rejoinder... THAT, we are responsible for."

She also pointed out that anxiety and tensions are as necessary a part of our lives as hunger and thirst. Anxiety and tension, she told the group, are "self protective reactions when we are confronted by threats to our safety, well being, happiness or self esteem."

Mrs. Mullinax concluded the program with an interesting true story concerning a local woman who had truly made an art out of living.

Members present for the meeting were Mesdames: Bobby Travis, W. C. Vanlandingham, Barker, Mullinax, McClure, Silvers, Greene, Reynolds, Swicegood, James Greener, Jack Wallace, E. O. Willingham, Eddie Irwin, and one guest, Mrs. Bobby Greener.

H. D. CLUB HEARS PROGRAM ABOUT LEGISLATION

Mrs. H. T. Gardner gave the program on How a bill becomes a Law at the postponed October 20th meeting of the Friendly Circle H. D. Club on October 24th in the home of Mrs. Jake Reid.

The annual reports were discussed during the business session. Officers were elected. Mrs. Carl Koontz was elected President and Mrs. Gene Gardner was elected Secretary-Treasurer.

The change in the meeting of THDA Council was announced to be on November 1st on account of the election on November 8. Mrs. Aubrey Russell, District Agent will be a guest at this meeting. All clubs in the county are to give annual reports.

Roll call was answered with How Parents Can Help the Teachers, by Mesdames: H. T. Gardner, Gene Gardner, L. Z. Scoggins, Carl Koontz and hostess Mrs. Jake Reid.

The next meeting will be November 3 in the home of Mrs. L. Z. Scoggins. The program will be on Facilities for older people and Growing old gracefully by Miss Leila Petty.

MRS. BUD THOMAS HEADS ESTHER SUN. SCHOOL CLASS

The Esther Sunday School Class of the First Baptist Church met for lunch in the home of Mrs. Bud Thomas Tuesday, Oct. 25.

Recognition was given to the new officers, who are Mesdames: Bud Thomas, president; Mrs. Lowell Webb, vice-president; Mrs. E. L. Reeder, secretary; Winsten Jerden, assistant secretary; and group captains are Mesdames: S. M. Monroe N. H. Steed and Dake Merritt.

Plans were made for the departmental luncheon for November 22.

Those attending this meeting were Mesdames: S. E. Williams, Bob Scott, E. L. Reeder, N. H. Steed, Dake Merritt, Winston Jerden, S. M. Monroe, Lowell Webb, and Bud Thomas.

PARENTS' DAY IS OBSERVED AT WAYAND

PLAINVIEW (Spl.)—Parents' Day at Wayland Baptist College on Oct. 17 welcomed parents of Wayland students to the campus with activities especially planned for their entertainment and to acquaint them with the college.

Groundbreaking ceremonies for Owen Hall, 100 unit residence hall for women, and Allison-Conkright Hall, 8-unit married students apartment, and dedication of Goodpasture and Collier Halls, other married student apartments, highlighted the day. Groundbreaking and dedication were held at 2:30 p.m.

Hosts for the day's activities included Henrietta Bedwell and Bobby Fred of Morton.

FIRE DAMAGES FURNITURE IN HOME

An afternoon fire, Monday brought volunteer firemen to the Coyote Mendoza residence in the "flats" section of Morton where a blaze in a mattress and chair were quickly doused.

The mattress on a bed was badly damaged and the chair partially damaged. Smoke filled the house which was unoccupied when the fire was reported.

Jaycees Net \$135 On Norton Show

Dean Clyde Prestwood of South Plains College and District Attorney Morgan Copeland were guests of the Morton Jaycees at their noon luncheon meeting Monday.

In the only business taken the Jaycees discussed the coming Christmas season in respect to a program, lighting, decoration, etc.; and received \$135.46 as the organizations' share of proceeds taken at the Norton Carnival and Circus which they sponsored last week.

Children present were Mary, Littlefield. James and Elizabeth Glassford, Michelle Jones, Teresa Loran, Eddie and Sandra Akin, all of Morton, and Charlene Brown and Norma Ray of Littlefield.

Mothers present were Mrs. Elmer Akin, Morton; Mrs. Claude Brown an aunt, Littlefield; and Mrs. C. V. Ray, grandmother, Littlefield.

IS HONORED WITH BIRTHDAY PARTY

Janice Ray, daughter of Mr. and Mrs. Marvin Ray, was honored on her fifth birthday, Sunday, October 23, with a party at Lubbock's "Tiny Texan Kiddie Land."

IN TEXAS YOU PAY 90¢ TAX ON TEN GALLONS OF GASOLINE!

How Do You Vote?

I Believe Gasoline Taxes Are Too High!

YES NO

HOW DID YOU VOTE?

No matter how you voted, these facts on gasoline taxes are important to you:

- Everywhere in Texas, car owners pay 90¢ tax on every 10 gallons of gasoline they buy!
- Gasoline taxes across the nation amount to a 50% sales tax—and that's five times as high as the tax rate on luxuries like diamonds and mink coats!
- Since World War II, there have been three increases in the Federal gasoline tax alone. This brought the Federal tax to 4 cents a gallon, in addition to the State tax of 5 cents a gallon!
- In the last ten years gasoline taxes have skyrocketed 51%—yet the price of gasoline itself has risen only 5.5% during the same period!
- Each year the average motor vehicle owner in this state pays \$78 for gasoline taxes alone. That's just a few dollars less than the average week's pay for most people!

NATIONAL INCREASE 1950-1959

Gasoline Prices	5.5%
Living Costs	21%
Gasoline Tax	51%

GASOLINE TAXES UP 51% IN TEN YEARS

HIGHWAYS AND GASOLINE TAXES

Your gasoline retailer, naturally, favors construction of the roads that the motoring public needs. He believes in fair and reasonable taxation for this purpose but feels that taxes on gasoline have now reached unreasonably high levels. He also believes that all special taxes on the motorist should be used only for highway purposes. Yet last year, out of every automobile tax dollar collected by the Federal Government from highway users, more than 40 cents went for non-highway purposes. If these automotive tax revenues were dedicated for highway purposes, there would be no need for the latest increase in the federal gasoline tax.
