

County cotton yield below 86,000 bale guess

From all indications the cotton harvest fell short of the earlier 86,000-bale prediction set for the county with 99 per cent of the harvest completed.

Facts and figures are extremely hard to come by at this time of year, but a check with county ginners and the County Agent places the estimated harvest around 70,000 bales for Cochran County this year.

According to ginners, farmers, and County Agent Homer Thompson, there appear to be two reasons why the yield may be under the 86,000 mark, or under the first harvest expectations. The two main causes that seemed to have lowered bale production and the micronaire count here are hail, and the late freeze.

According to ginners and County Agent Thompson, hail hit various parts of Cochran County in June, August, and some "late hail" fell here in September. Thompson said, "The hail that fell in the county hurt the cotton production a great deal." He added, "Where the hail hit, the micronaire count is real low, and of course, this really hurts the farmer also."

Beginning Oct. 31, cotton which carried a micronaire reading below 3.2 was discounted. Cotton miking from 3.0 through 3.2 was discounted 60 points; from 2.7 through 2.9 carried a discount of 165 points and all that below that level carried a discount of 300 points.

There is no accurate way of determining what the average micronaire count for the county will be. Local ginners report micronaire from 2.7 to over 4.2. Quite a bit of the cotton has averaged out to 3.2. The micronaire of late cotton has continued to decline.

Last week, according to the South Plains U.S.D.A. Classing Offices, 32 per cent of the cotton was in the 2.6 and below, or Wasty, category. Twenty-seven per cent miked 2.7 through 2.9, 21 per cent miked 3.0 through 3.2, 8 per cent 3.3 through 3.4 and 12 per cent was 3.5 and better.

The second factor that has influenced the cotton harvest this year is the late freeze. The hard freeze finally arrived here Tuesday, Nov. 30. The temperature on that date was 23.

According to SCS records, this has been the longest period on record without a sub-32 degree freeze. According to SCS records over the last ten years, the average freeze date has been Oct. 29. There was a slight freeze recorded here Oct. 22, but no hard freeze until Nov. 30.

Thompson said, "Because of the late freeze, we had a late harvest in the county." He continued, "The only trouble with this is that some of the cotton had been open in the fields for two or three months, and there was no way to get it out until harvest time, and it just stayed in the fields and deteriorated."

Again, there are no records now by which to determine the average grade of cotton in Cochran County for the harvest year. Thompson said, "I can only guess at the grade, but I would say that most of it would be strict low middling white spotted." Most of the ginners seemed to agree.

Last week, according to the U.S. D.A. Classing Offices on the South Plains, Spotted and Tinger cotton increased as more cotton was being picked up by ground salvage machines. Light Spotted, Spotted and Tinger cotton made up 70 per cent of all cotton classed at the Lubbock Office last week.

Strict Low Middling Light Spotted was the predominant grade with 30 per cent of all cotton classed. Strict Low Middling made up 19 per cent, Middling Light Spotted 9 per cent, Low Middling Light Spotted 5 per cent, and the Tinger grades 7 per cent.

Average staple length remained the same as the previous week. Ninety-eight per cent was 1 1/16 of an inch and shorter and 2 3/32 was the predominant staple with 50 per cent.

Cottonseed prices at local gins have ranged around \$47 dollars a ton in the last week.

Hootenanny tonight . . .

GETTING READY for the MOD Hootenanny tonight in the County Activities Building Auditorium are, left to right, John Coffman, Harold Drennan, Elvis Fleming, and seated at the piano, Jerry Stamps. These four gentlemen comprise the quartet from the First Baptist

Church in Morton, which will be part of the program for the hootenanny. Other acts include folk music, country music, popular music, rock 'n' roll, a comedy routine, and entertainment from local citizens and out of town guests. The doors open at 7 p.m. TRIBPIX

35 Musicians, Singers Here

MOD hootenanny schedules 2-hour performance tonite

The 1966 March of Dimes Hootenanny Musical Variety Show will be staged tonight, in the Cochran County Auditorium in Morton.

The show was originally scheduled to begin at 8 p.m., but it may begin earlier because of the large number of performers slated to appear, according to Elvis Fleming who is producing the show.

The two-hour-plus benefit performance will feature popular

music, rock 'n' roll music, country music, gospel music, folk music, comedy and pretty girls. Over 35 performers are booked for the show, coming from Lubbock, Bula, Three Way, Plainview, Anson, and Morton, according to Fleming.

The price of admission will be one dollar for adults and fifty cents for public school students. Net proceeds will go to the March of Dimes.

Fleming said, "This year's show promises to be one of the largest of its kind in the history of the March of Dimes campaign in Cochran County." He added, "The shows always draw large crowds, sometimes playing to standing-room-only." Fleming said that he would promise adult spectators that the volume of the rock 'n' roll guitars will be held down, thus "making the show more enjoyable to everyone." Doors of the County Auditorium will open at 7 tonight.

Scheduled to perform are the Freddy Lewis country band, Rick Coffman and Loy Daniel, comedy routine, the Village Martyrs folk singers, the Epics rock 'n' roll combo from Lubbock, and twirlers Patty McClure and Donna Allsup.

Others scheduled to appear are Enda Lee Dewbre, Denise Aldridge, Elvis Fleming, Teddy Holloman, Abbe and Williams rock 'n' roll combo from Three Way, the men's quartet from the First Baptist

Tax collections good, assessors say at deadline

The deadline for county, school, and city taxes is Jan. 31. After that date, a one and one half per cent penalty will be assessed in February. The penalty increases percentage-wise each month.

According to William (Dub) Hodge, school tax assessor-collector, as of Tuesday 86.5% of the school taxes have been collected. This would amount to \$255,864.69. Hodge said that the total amount to be collected is \$295,680.90.

Last year, as of Jan. 31, 92.8% of the school taxes had been collected, or \$241,675.90. The total

See TAXES, PAGE 2

So long . . .

It is with heavy heart that we pack our personal belongings and leave Morton for our return to Denver City this weekend. Although Morton has been our home for only 4 1/2 years, these years are without a doubt the happiest of our lives.

The decision to make this move was not an easy one, but we feel that it is something that must be done. We would not have considered the move had we not found the right kind of people to take over management of the Tribune. Most of you have already met H. A. Tuck, who is now in complete charge of the Tribune. He will be joined in Morton very shortly by his wife, Jennie, and two sons, Terry, 13, and Tommy, 11. They will be good, solid citizens of the community.

Although we are moving our residence from Morton, we are not leaving completely. We are maintaining ownership of the Tribune, and any rumors or stories to the contrary are completely false. Morton is too much a part of us not to consider it partly our home.

In our short span in Morton, we have seen good years, and some lean ones. But we have complete confidence in the town. One of our biggest gripes about Morton in the past year has been those townspeople, some of them businessmen, who are afraid that the town is doomed. It is not!

The town of Morton will prosper and grow long after these people who think it is going to dry up and blow away are gone. Morton has a good future, and it has the type of people here who can make it realize its potential. Morton people are hard-working, ambitious people . . . and above all, good people.

We feel we have done very little for Morton, but Morton has done a lot for us. We will be back to visit, maybe more than we should, and we will be deeply hurt if any of you are ever in Denver City and don't stop by to see us.

So long—not good-by—for now. We love each and every one of you. May the Good Lord bless all of you.

Gene - Marsha - Beth

Help cry travels far

Marvin L. Robinson, Morton city patrolman, can tell a story about "the long and short of it all," pertaining to the citizen's band radio in his car.

Robinson had car trouble last week and was left stranded on a cold night, about seven miles from Sundown, where his father lives. He used his citizen's band radio to try to summon someone in Sundown for help.

It appears that he couldn't raise

★ A new column

A new column makes its debut in the Tribune today, written by managing editor H. A. Tuck. Its title, "Through the Telescope by Tuck" is explained. For humor, sidelights on the news and slightly unimportant bits of information, it should make interesting reading. Poetry lovers, however, will find the column's closing rhyme is usually painfully poor. Through the Telescope will be found today on Page 2 of the first section.

Frigid cold and wrecks are results of three-inch snow

The snow and ice that fell on Morton amused the younger set, but it cluttered up roads and highways in Cochran County, and caused a rash of minor traffic accidents.

According to Police Chief Burtis Cloud, 10 automobiles were involved in five separate accidents, causing an estimated \$1,500 in damages. Chief Cloud said that no injuries resulted from the crashes, all of which were attributed to the ice and snow.

Friday, two accidents occurred here on the slippery Morton streets. The first accident happened at approximately 9 a.m., under the traffic light in Morton where highways 214 and 116 intersect.

A 1964 Chevrolet pickup truck driven by Emmet Jenkins Jones, Morton, heading north on State 214, stopped for the red light. A 1962 Chevrolet driven by Mrs. Richard Houston, Morton, pulled up behind the pickup, couldn't stop on the ice, and rammed the rear of the truck.

The second accident occurred at 10:10 a.m. A 1961 Ford driven by R. L. Page, Morton, heading west, was making a left turn from Jefferson on to Main, when it was struck by a 1966 Cadillac driven by T. K. Williamson, Morton, going north on Main. Chief Cloud said that apparently the Williamson car skidded on the ice when it tried to avoid the Page auto turning in front of it, and slid into the left front fender of the Page car. Approximately \$100 damage was done to the left front fender of the Williamson car, and approximately \$150 damage was done to the Page car.

Saturday, a two car accident occurred around 2:20 p.m. on State 214, near the Gulf Service Station south of town. A 1960 Plymouth going south on 214, driven by John D. Patton, Morton, attempted to make a left turn, when it was struck by a 1964 Ford driven by Eddie Clovis Hale, of Morton. The Hale car was also going south on 214 when the accident occurred. Chief Cloud said that apparently the Hale car slid into the left rear fender of the Patton car as the Patton auto was making the left turn. Approximately \$25 damage was done to the Patton car.

Sunday, another two car accident occurred, about 2:30 p.m. at First and Tyler. A 1965 Pontiac driven by Samuel Leroy Shastid, of Big Spring, was stopped at a stop sign on First, heading west,

when it was struck by a 1958 Ford driven by Ben Hernandez of Morton.

The Hernandez car, going east on Tyler, was attempting to make

a right turn on to First, when it slid into the Shastid car. Hernandez was given a citation for not having a drivers license. Damage

See SNOW, Page 2

Two more hats sail in county political arena

Two more hats are in the ring for the May 7 primary on a local level since last week, according to Carl Ray, Cochran County Democratic Chairman.

Mrs. Lillie May has joined the race for Justice of the Peace for precinct 2. H. J. Knox has already announced his candidacy for the post.

Ed W. Burton has joined in the race for County Commissioner for precinct 2. He will be opposed by Vera Beebe, L. L. Taylor, and T. A. Washington.

Ray said that George Mahon, representative in Congress for the 19th District, has filed for the candidacy to that post again.

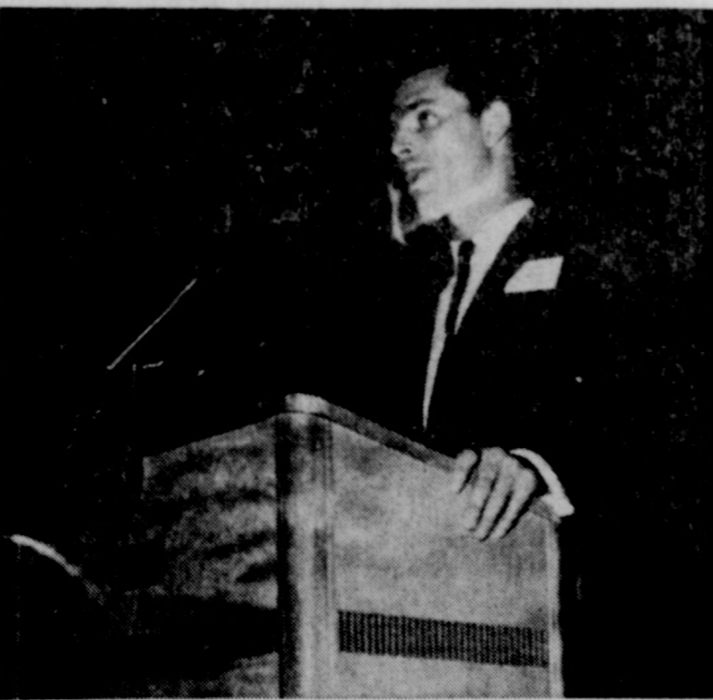

The list of the rest of the candidates and the posts they are running for stays the same as it was last week.

There are three candidates running for election for County Commissioner to precinct 4, one running for re-election. Running in precinct 4 are J. C. O'Brian and R. Z. Dewbre. Running for reelection is U. F. Wells.

Running for another term as Justice of the Peace of precinct 1, is Joe Gipson.

In other county offices, Judge Johnny Love is running for reelection as County Judge, Bill Crone for reelection as County

Key note speaker . . . REPRESENTATIVE JESSE T. GEORGE

350 Students Attend

Youth Conference is success

The first Cochran County Youth Conference, and the first youth conference of its kind to be held on a local basis, was held here last Saturday. Approximately 350 students were in attendance.

The program began in the County Auditorium around 8 a.m. with registration, followed by a graphic film on teenage driving titled "The Last Prom".

Master of Ceremonies for the General Assembly Program was Mike Irwin, Student Council President and Youth Chairman. State Representative Jesse T. George, adult conference chairman, gave the keynote address. He was introduced by Dr. Marvin Baker, president of South Plains College, at Levelland.

The original keynote speaker, Sonny Davis, executive director, attorney general's youth conference on crime, could not give his address because of the severe weather conditions hampering travel.

Before giving his speech, George read several telegrams from state and national officials praising the adults and youth of Cochran County for their efforts in planning the Conference.

The telegrams were from Sonny Davis, executive director, attorney general's youth conference on crime; Waggoner Carr, attorney general of Texas; George Mahon, U.S. Congressman; John Connally, Governor of Texas; and President Lyndon B. Johnson.

The telegram from President

Johnson read: "The federal government continues to move vigorously against organized interstate crime and to give local authorities meaningful assistance. But all of this cannot substitute for the determination by individual communities and by the people who live in them to obliterate the problem of crime. Each of us must respond to this responsibility. It is the key to the freedom we cherish."

In his keynote address, Representative George made several points, George said, "There are many challenges which you (students) must face as young adults. There is the challenge of better

700 equals third of eligible voters with poll taxes

Only 700 persons have paid their poll tax in the county, according to County Tax Assessor-Collector Leonard Groves. Jan. 31 is the deadline.

The number of eligible voters in Cochran County is probably somewhere between 1700-2000. This would mean that only a little over one-third of the qualified voters in the county have registered so far.

Groves said that possibly the low number of persons qualifying to vote may be because some Texans think that this year they will not need a poll tax because of the recent law suit attacking the requirement.

Groves said, "The Judges of the Federal District Court hearing the case involving the validity of the Texas poll tax law, have recommended that Texas voters comply with the present law." He added, "This is because the lawsuit is not likely to be decided before Jan. 31, which is the deadline for poll tax payment."

Groves said that he would like to urge every qualified voter to pay his poll tax. He said, "There are only a few days left until the deadline, and I hope that everyone doesn't decide to wait until the last day to pay their poll tax."

Groves listed the following four rules for obtaining poll tax receipts and exemption certificates to qualify for voting in elections, held between February 1, 1966, and January 31, 1967.

1. In order to vote in any primary, general or special election for the nomination or election of any State or local offices, or to vote in any election on a question or proposition, persons not exempt from payment of the poll tax must do so by January 31, 1966.
 2. Persons over 60 years of age on January 1, 1965, are exempt from paying the poll tax in this county.
 3. Persons who were under 21 on January 1, 1965, but who will be 21 years of age by the election

St. Ann's will break ground on building Sunday

Groundbreaking ceremony will take place Sunday, Jan. 30, at 3 p.m. for a new educational facility of St. Ann's Catholic Church in Morton.

According to the pastor of the church, the Rev. Father Lawrence C. Bobsien, the building, referred to as a Catechetical Center will comprise 4700 square feet. There will be five classrooms, a kitchen, rest rooms and a large hall area for meetings and other parish functions.

The approximate cost of the new addition to the church property will be \$44,000. The name Catechetical is from the Greek indicating the method of instruction. At the present time it has the particular meaning of instructing in religious matters.

The Bishop of the Catholic Diocese of Amarillo is expected to be present as well as the pastors and priests of neighboring parishes. Invited for the ceremony also are the Mayor of Morton, Dean Weatherly, and State Rep. Jesse T. George, manager of Morton Area Chamber of Commerce.

A Mexican dinner prepared by the ladies of the parish will be served to the Bishop, priests and guests after the ceremony.

Hootenanny planned this evening

(Continued from page one)

brought in \$39.17, and the Cochran County Garden Club's coffee, given in the home of Mrs. W. B. McSpadden, raised \$13.77.

Various cafes and restaurants have been donating one day's coffee money to the MOD. The Whiteface Study Club, the East Side Elementary School, and the Morton Study Clubs have also been donating their time and services to the campaign.

One busy group in the drive has been the Campfire Girls. Saturday, Jan. 29, the eighth graders under the supervision of Mrs. Roy Davis, will sell candy, and Saturday, Feb. 5, the ninth and tenth graders will sell candy in the different businesses of Morton under the supervision of Mrs. M. C. Ledbetter.

Radio Station KRAN will hold its annual cake auction Saturday, Feb. 5.

The Frontier Citizen's Band Radio Association work Thursday

Thru the telescope by luck

This is the first of what is planned as a weekly column in the Tribune about folks and activities in and around Morton. The use of the name "telescope" is deliberate. A telescope, used normally, will enable a person to see things in better detail and to pick out the small things that might have been overlooked. Turned around, it provides a wide look at many things. About the only thing we can promise, is that we will write about many different facets of the area. We hope that you will enjoy it, and suggestions or contributions always will be welcome.

Of course, the snow has to be the major topic this week. Moisture in the South Plains is always welcome and most especially after a warm dry fall that has robbed the soil of its precious dampness. Last week, bankers Gene Benham and Don Workman were just barely smiling after Tuesday's little snow. But their smiles were as broad as the coverage of the snow by the weekend. Their pleasure was shared by all the rest of us who will take our moisture any way and any time, even though it might not be too convenient.

Joe and Dutch Gibson dropped in the Tribune office this week looking for me. They lived in Dumas in the early 1930's and remembered me as a wife one. We had a fine time recalling many of the pioneer families in Moore County.

We also came to Morton bearing greetings to the Seagler clan. Joe Seagler's nephew, Charlie, is a coach where we had been living and grew up around Buia.

It probably passed unnoticed by most, but Friday was Arbor Day and the Cochran County Garden Club had planned to plant a tree at the high school. Mrs. Charles Jones stopped us and requested a photographer for the occasion, commenting, "We'll be out there . . . rain, snow or shine." But Friday afternoon was too frigid even for the hardy members of the garden club and the event was postponed until temperatures climbed a bit higher.

One of the unsung organizations in Morton is the Toastmaster Club and they, of all people, should be talking things up. We attended their last meeting and came away delighted with the excellent speakers we heard. Any of you who would like to learn the art of standing up and speaking, both on prepared and extemporaneous subjects, should visit one of their meetings and find out how Toastmasters Club can help you and

Youth Conference . . .

STUDENTS ARE shown boarding buses Saturday that will carry them to Morton High School for the Cochran County Youth Conference. The group met first in the Activities Building Auditorium for a general assem-

ble, and then went to individual seminars at Morton High. Sixteen seminars were given by persons from across the state and from various walks of life. Many local speakers were present also.

TRIBPx

Conference is deemed a success

(Continued from page one)

citizenship — a challenge because the success or failure of our communities, our state, and our nation depend on the role we choose to play.

"We are challenged to lessen the ever-mounting crime wave in the state of Texas. Crime in the state of Texas has increased by 88 per cent in the last ten years, but even more disturbing and alarming is that the juvenile crime rate has increased by a staggering 77 per cent in the last ten years."

George continued, "To be challenged, we must have responsibilities." George said that the youth of today has a responsibility to themselves, to their families, communities, country, and to their God.

George said, "When we have fulfilled these five responsibilities, we have achieved a vision of the future for all young Americans to follow."

After the general assembly, the school buses transported the students and seminar speakers to the Morton High School.

Sixteen seminars, lasting 30 minutes each, ran from 10:30 to 12:10, and from 1:00 to 4:15. Students could pick the seminar they wished to attend. Lunch was served in the school cafeteria to speakers and students.

Twenty-two speakers were originally assigned to appear, many from different areas of the state and different walks of life. Some of the local speakers and their topics were, Charles Bowen, high school counselor — Americanism; George Hargrove, Morton Toastmasters — Justice is a Matter of Public Fact and Safety. The local speakers included M. C. Ledbetter, District Judge — Role of City Youth Councils; Joe Seagler, Morton Toastmasters — Texas Employment Commission; Dean Weatherly, Mayor of Morton — Laws Teenagers should know; James K. Walker, County Attorney — Role of the Parole Supervisor; T. A. Rowland, highway patrolman — Laws Teenagers Should Know.

Snow

(Continued from page one)

done to the Shastid car was estimated at \$100.

A two-car accident happened on Monday, at 4:30 p.m. at Main and Fillmore. A 1961 Chevrolet, driven by Mrs. Mildred Collins Bulter, going west on Fillmore, attempted to make a left turn on to Main, when it struck a 1958 Chevrolet driven by Jimmy Lynn Gunnels of Morton. The Gunnels car was headed west at the time of the accident. Approximately \$200 damage was done to the left fender and door of the Bulter car.

Three inches of snow fell on Morton Wednesday, Jan. 19, through Friday, Jan. 21. State highways 116 and 214 were closed briefly until the Texas Highway Department's snow plows could clear the way.

The low for Saturday was 0 degrees, for Sunday 1 degree, for Tuesday 16 degrees, and for Wednesday, 11 degrees. Because of the cold, automobiles wouldn't start, and garages and service stations worked over time in recharging batteries and starting vehicles.

Candidates getting ready for primary

(Continued from page one)

Treasurer, Lessey Silvers for re-election as County and District Clerk.

Jesse T. George has filed an application for re-election as State Representative.

Below are some dates that pertain to the May primary and the general election:

Feb. 7 — Last day to file for place on ballot; Feb. 14 — County Chairman mails statement of assessments to candidates; Feb. 19 — Last day to pay assessments.

Mar. 21 — County Executive Committee determines order of names on ballot; April 17 — May 3 — Absentee voting for May Primary; April 27-29 — Sworn statement of campaign account filed not more than 10 nor less than 7 days preceding May Primary.

May 3 — Absentee voting. Last day for May Primary; May 7 — First Primary election.

May 14 — County Convention; May 17 — Sworn supplemental statement of account filed not more than 10 days nor less than 7 days preceding June Primary.

May 25-31 — Absentee voting period for June Primary; May 31

Taxes

(Continued from page one)

amount to be collected was \$306.91.

According to Elira Oden, the city taxes were in Tuesday, or \$41,505.66. This leave approximately \$14,929 to be collected.

Approximately 87.7% of ran County taxes for 1965 Leonard Groves, county tax collector, according to sor-collector. This would amount approximately \$240,312.77.

Charter members . . .

THE 1936 STUDY CLUB met in the home of Mrs. M. C. Ledbetter Wednesday, January 19. These six ladies originally organized the club in 1936. The ladies in the back row,

left to right, are Mr. E. L. Willis, guest; Mrs. Gage Knox; Mrs. Roy Hill, guest. Front row, left to right, Mrs. Joe Gibson, Mrs. Hume Russell, and Mrs. R. C. Strickland, guest. TRIBPx

Early years recalled by '36 Club members

Treasured years were recalled as the 1936 Study Club met Wednesday, January 19, in the home of Mrs. M. C. Ledbetter. Charter members were honored and each told of some interesting and amusing event which happened during the first years of club work.

Honored guests were presented by Mrs. J. D. Hawthorne and included Mrs. Hume Russell, the first president, who read the minutes of the first meetings; Mrs. Joe Gibson, told of going to the District Convention in Lubbock. The club gave her \$2.50 for expenses — she stayed at the hotel, attended every meeting and came home with change. Mesdames R. C. Strickland, Roy Hill, E. L. Willis and Gage Knox told of trying to start a club when they knew so little about club work.

Very few homes were large enough for 18 chairs so the women would meet in the larger homes and different members furnished the refreshments. For the more formal dinners all members helped collect linens, china, silver and crystal. The programs were well planned and quite challenging. Without a doubt, the 1936 Study Club helped to bring "culture" to the South Plains.

Mrs. Kenneth Thompson presided over the meeting and Mrs. Neal Rose led the members in reciting the Club Collect.

Mrs. Knox reported on the final plans for the Youth Conference. All members will bake cakes to be auctioned Feb. 5 over Station KRAN for the March of Dimes.

Members present were Mesdames K. Thompson, D. E. Benham, Rose, Glenn Thompson, Cy Fields, Harold Reynolds, H. B. King, Joe Niewarmer, C. H. Silvers, W. C. Benham, Bob Ramp, L. F. Hargrove, Hawthorne, Knox, Russell,

Gipson and Ledbetter. Guests were Mesdames Strickland, Hill, Willis and Clyde Brownlow. All members enjoyed visiting with Mrs. J. A. Gowdy, who is an associate member of the club.

Senior active member . . .

MRS. LUKE HARGROVE is the senior active member of the 1936 Study Club. Mrs. Hargrove earned the recognition from her continuous service since 1938. She was honored in a regularly scheduled meeting in the home of Mrs. M. C. Ledbetter, Wednesday, January 19. TRIBPx

Homecoming at Pep Saturday

Pep will start its annual homecoming at 4:30 p.m. Saturday, Jan. 29, with registration and open house at the school. Following registration there will be a basketball game starting at 5 p.m. The first half of the game will be played by Pep students and the second half will be played by Pep exes. The Pep queen will be crowned during halftime activities. The queen candidates are: Felipo Padro, Jane Rose Alvus and Brenda Homer.

A dinner and business meeting will follow the ballgame at 6:30 p.m. During the dinner, Pep will honor the 13 pioneers.

Mr. and Mrs. G. C. Sanders were in Lubbock Monday to see their daughter, Mrs. Jim Pat Clauch, who had a baby girl.

WADER REPAIR
When your fishing waders become worn and cracked, try covering worn spots and cracks with tire paint. This type of paint won't crack and its pliable. Your waders so treated will serve you for several more seasons.

Texas has 200,000 producing oil wells in 8,200 fields.

Rainbow Assembly holds regular initiation meeting on Monday

Morton Rainbow Assembly Number 293 held a regular initiation meeting Monday evening at 7 p.m. at the Masonic Hall. Prior to the meeting a salad supper was held in honor of Mrs. Steva Schellinger, Grand Visitor of the Grand Assembly of Texas. Mrs. Schellinger was presented with a corsage and was welcomed.

Miss Dlane Avery and Miss Gloretha Gray were initiated into the Assembly.

Miss Pam Reynolds, Grand Immortality of the Grand Assembly of Texas, was also presented with a corsage and welcomed. She also presided for the initiation. Miss Jeannie Davis, Grand Representative from Alaska to Texas, a member of Levelland assembly, also was present.

Mrs. Dale DeBord and Mrs. Sherrill Griffith were presented with their Majority Certificates.

Following the meeting Mrs. W. M. Butler and Mrs. Jug Hill served punch and individual cakes to members and guests. Members present were Jeannette Rowder, Worthy Advisor protem; Gail Rowland, Kay King, Frankie Jackson, Donna Allsup, Cindy Gunnels, Vicki Goodman, Deanna Jackson, Rita Kay Bedwell, Sue Winder, Wandell Strother, Charlotte Masten, Peggy Thomas, Teresa Mullinax, Karen Fred, Trezelle Hill, Ruthie Smith, Terry Shiflett, Jeannie McMinn, Regina Butler and Vickie Kennedy.

Also Rebecca Greene, Janice Toombs, Mary St. Clair, Carla McCarty, and Pam Reynolds, Diana Avery, Giorietta Gray, Sandy DeBord and Linda Griffith. Guests included Mrs. George Price, Mrs. Jean Guess, Jeannie Davis, Gayle Price, Kay Kauffman and Cheryl Guess, all of Levelland.

Mr. and Mrs. Harold Toombs, Mr. Art Wall, Mrs. Lolita Hovey, Mrs. Beulah Toombs, Mrs. Jerry Winder, Mrs. T. A. Rowland, Mr. J. C. Reynolds, and Mother Advisor Mrs. J. C. Reynolds, also attended.

Miss Jeannette Rowder will be installed as Worthy Advisor of the Morton Assembly on Feb. 5 at 7 p.m. at the Masonic Hall. Mrs. T. A. Rowland will be installed as Mother Advisor. Everyone is invited to attend this open installation of officers.

Miss Allen tells Modern Mothers of sweater making

Miss Jennie Allen, Cochran County Home Demonstration Agent, presented the program, "How to cut and trim a sweater," Monday at 9:30 a.m. to members of the Modern Mothers Home Demonstration Club. The affair was held in the home of Mrs. Jerrill Sharp.

Mrs. Jerry Hey and Mrs. Odell Rasco were guests. Members present were Mrs. Herman Brown, Mrs. Carl Ray, Mrs. Donald Masten and Mrs. Donnie Baker.

Economics topic for Lions Club

Dr. Robert Rouse of Lubbock was guest speaker for the Jan. 26 meeting of the Morton Lions Club. His topic was a discussion of the national economy and its effect upon Cochran County.

Three candidates for Lions Club Queen will present the program for the Feb. 2 meeting. They are Linda Rose, Donna Allsup and Patty McClure. Truman Doss will indoctrinate new members during the meeting.

Parcel post's delivery again 6-day service

Postmaster Murray Crone said today that Morton Post Office would be affected by President Johnson's new directive to resume six-day-a-week parcel post delivery in 6,091 cities.

President Johnson has directed Postmaster General Lawrence F. O'Brien to take steps to increase window service where needed in some 15,000 post offices, and to resume six-day-a-week parcel post delivery in 6,091 other cities.

Postmaster Crone said that under the new directive Morton would resume the six-day-a-week delivery. Crone said that routes served by route carriers are now receiving parcel post delivery only five days a week.

Crone said that the steps to increase window service would not apply to Morton.

Under the new directive post office window service on Saturdays, and in some cases, Sundays, would be authorized on an as-needed basis and late-window service would also be resumed on week nights, where needed.

Crone said that the new Saturday hours pertained to the post offices that have been closing all day, and that the Morton post office wouldn't be affected because already it stays open one-half a day on Saturdays. He also said that he felt that Sunday service and late window service would not be authorized here.

Also under the new directive, postmasters would be authorized to sell money orders on Saturdays as part of the window restoration in cities where money order sales have been curtailed. Crone said that now, without the directive, money orders may be purchased here on Saturdays.

"A good, stable, dependable postal system is vital to the well being of the nation's economy," President Johnson said, in granting the Postmaster General authority to seek service improvement funds from Congress. "I want you to explore all the techniques available to modernize our postal service and make certain they are being used to provide the American people with the best postal system in the world at the lowest possible cost to the taxpayer." The Postmaster General said that the service improvements will be made as soon as Congress provides the funds, hopefully within the next few months.

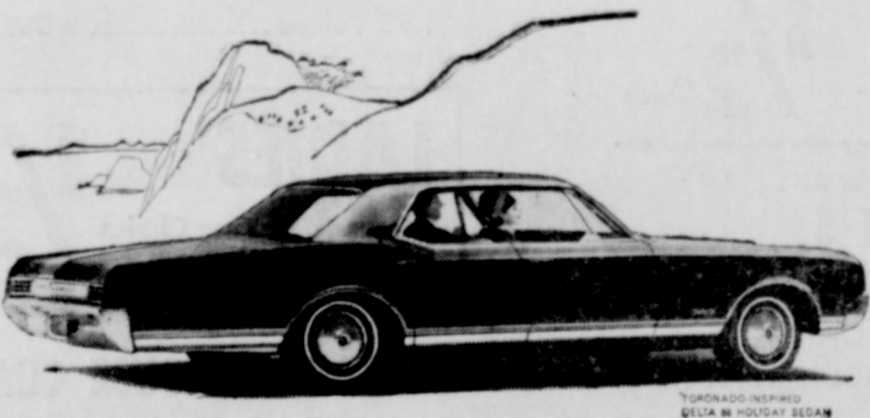

Authority to make the postal service improvements was contained in a letter to the Postmaster General, replying to a proposal by Mr. O'Brien that such action be taken. Postmaster General O'Brien said that the service improvements would be a meaningful step in the President's program to upgrade the quality of Federal services.

Post Office window hours and parcel post delivery services were cut back by the Post Office Department as an economy measure in May 1964.

Mrs. Nora Scates visited Sunday in Muleshoe with Mr. and Mrs. Meredith Freedle, who are former residents of Morton.

Mrs. C. A. Moore was in Nichols Medical Group, a hospital in Plainview last week.

What would happen if everybody caught Olds 88 Swing Fever?

Mass happiness.

You may not be immune to Olds 88 Swing Fever (few folks are). But that's okay. Your Olds Dealer has a wonderful new cure: A Rocket Action Olds 88! And the choice of prescription is yours: Elegant new Delta 88... action-packed new Dynamic... low-priced Jetstar. All Rocket powered... all Olds styled... and all priced to make waiting for spring downright foolhardy. Feel your temperature rising? That's Swing Fever. Quick! Head for your Oldsmobile Dealer's... open your mouth and say "yeah!" LOOK TO OLDS FOR THE NEW!

Note of the road: when you see this sign give the other fellow the right of way. And make it your habit to give the right of way to Oldsmobile. Oldsmobile is a leader in safety. Oldsmobile is a leader in reliability. Oldsmobile is a leader in quality. Oldsmobile is a leader in value. Oldsmobile is a leader in service. Oldsmobile is a leader in everything.

Three-way edges Bledsoe, 56-55, in Friday action

The Three Way boys beat the Bledsoe Antelopes in a squeaker, 56-55, Friday.

For the first two quarters, the score was tied, 11-11 in the first quarter, and 28-28 in the second quarter.

In the third quarter Three Way pulled ahead 45-37, and the final score was 56-55.

Three Way Coach Norman Preston said that he was real pleased with the performance of his boys, and especially the way they have been improving.

Bledsoe Coach Raymond Adams said that his team had a bad third quarter. Adams said, "We were beaten on the back boards in the third quarter, and we also had some foul trouble." Adams added, "I felt that both teams played good ball."

The Three Way girls also won their game against Bledsoe Friday night, by a score of 65-34. Madilyn Galt was high point girl for Three Way with 22, and Brenda Hall was high scorer for Bledsoe with 16.

In the boys' game, Wendell Williams led the scoring for the Three Way Eagles with 22, and Billy Bryant was high scorer for Bledsoe with 22.

Bledsoe is tied with Pep for the lead in the round robin play. Bledsoe takes on Pep at Bledsoe Tuesday. In round robin play each team plays each other twice, and the winner of the most games wins one half of the district play.

Then at the District Tournament plays the winner of the round robin play for the district championship. If a team has won the round robin play and wins the district tournament, it automatically wins district.

Johnson child dies Tuesday

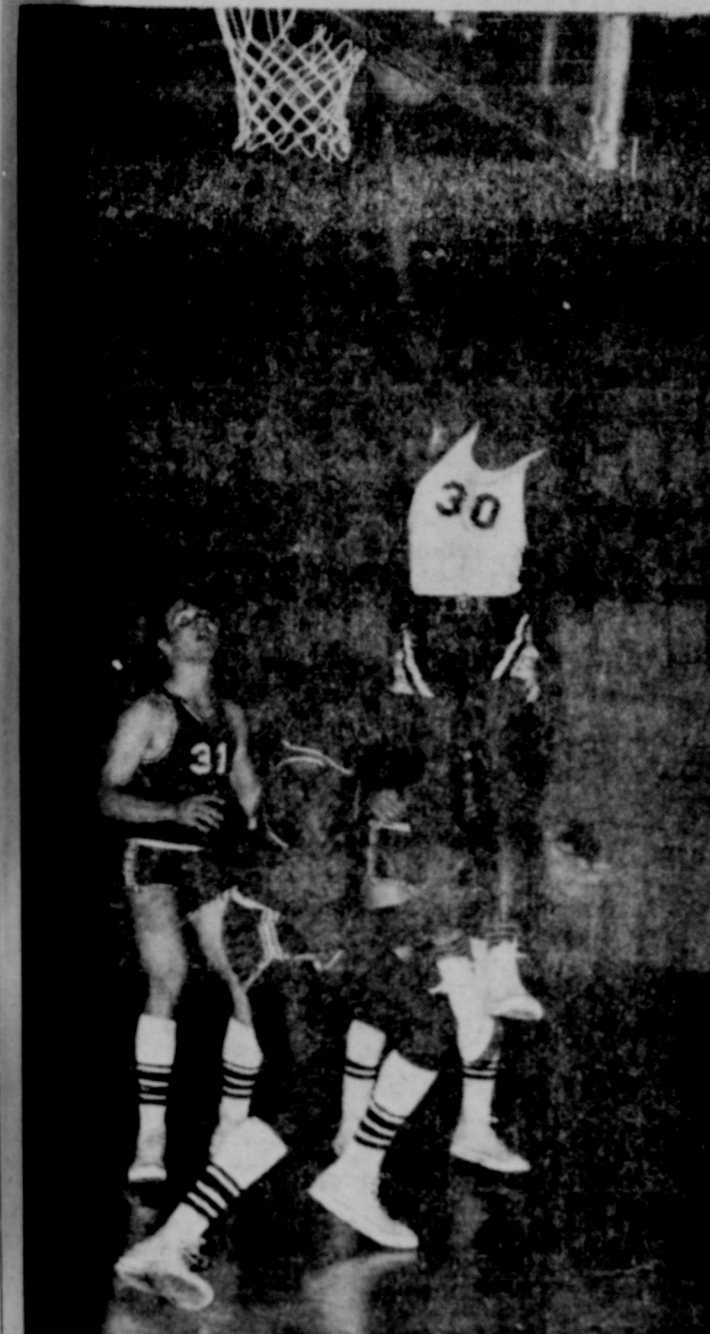

Terry Lee Johnson, five-year-old son of Mr. and Mrs. J. D. Johnson, Route 2, was dead on arrival at Morton Memorial Hospital Tuesday.

Funeral services were held at 3 p.m. Wednesday in Singleton Funeral Chapel, with the Rev. W. S. Hobson, minister of the First Missionary Baptist Church, officiating. Burial was in Memorial Cemetery under the direction of Singleton Funeral Home.

Terry Lee was born in Seymour, Tex. Survivors include the parents, three brothers, Delbert, Jerry and Jesse; and three sisters, Linda, Mary and Sylvia.

State Representative Cameron Hightower visited Monday with State Representative Jesse T. George.

Mr. and Mrs. Lonnie Woolam of Abernathy and their three children, Mike Bruce, and Pam visited Sunday with Mr. and Mrs. Thomas Woolam.

Two more points . . .

JIMMY JOYCE lays up a two-pointer with perfect form while surrounded by three Littlefield players. Joyce netted 15 points as the Indians upset the Wildcats 58-52 Tuesday night. TRIBPIX

Bula girls beat Pep; boys lose

Bula played Pep Tuesday, the Bula girls winning 63-46, the Bula boys losing 45-80.

Joyce Sowder was high point girl for Bula with 43, and Felipa Pardo was high scorer for Pep with 26. In the boys' game, Sammy Nichols led the scoring for Bula with 14.

The Bula Grade School Tournament started last week.

Four teams, each playing a boys' and girls' squad, are in the play. The teams are Bula, Pep, Three Way and Whitharral.

Last Thursday, in the first round of play, the Whitharral girls beat the Bula "B" girls, and the

Bula "A" girls beat the Three Way girls. In the boys' play, Whitharral beat Pep and Three Way beat Bula.

This afternoon, in the boys' play, Bula takes on Whitharral at 4:45 and Three Way plays Pep at 7:15. In the girls' play, Three Way plays Whitharral at 6:00 and Bula "A" plays Bula "B" at 8:30. The finals are to be played Saturday at 4:45.

Mr. Ella Pledger returned home Thursday from El Paso where she visited over the Christmas holidays with her son, Carl Pledger, and her grandson, Charles Lewis Doyle.

What's the best 5-letter word for fertilizer?

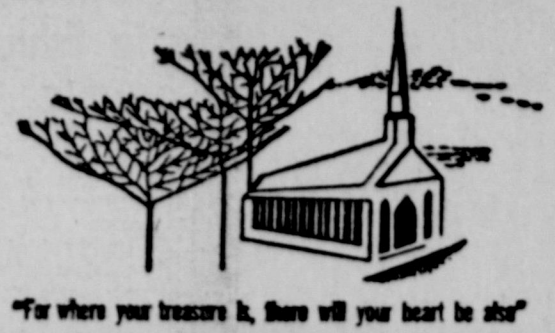

And for wheat — NIPAK 45.

Get better wheat crops and earn bigger profits. Topdress your wheat with Nipak 45 right now — for greater yield and higher protein. Nipak 45 — 45% nitrogen fertilizer from Urea — gives you one-third more nitrogen per pound than any other form of solid nitrogen fertilizer — which enables you to handle less fertilizer and cover

more ground in less time. Nipak 45 is uniformly prilled, too. It flows easily, won't cake, clog — or corrode your equipment. Nipak also dissolves in the soil moisture and moves quickly to the root zone where it stays put until your crops need it. So for more grow power, ask your local Nipak dealer about Nipak 45. He can help you plan a complete fertilizer program because he can provide a complete fertilizer service.

Protection

The signal light is man's guide to safer travel. However, they protect only as they are obeyed.

The Bible is God's Signal Light and guide for man's path through life.

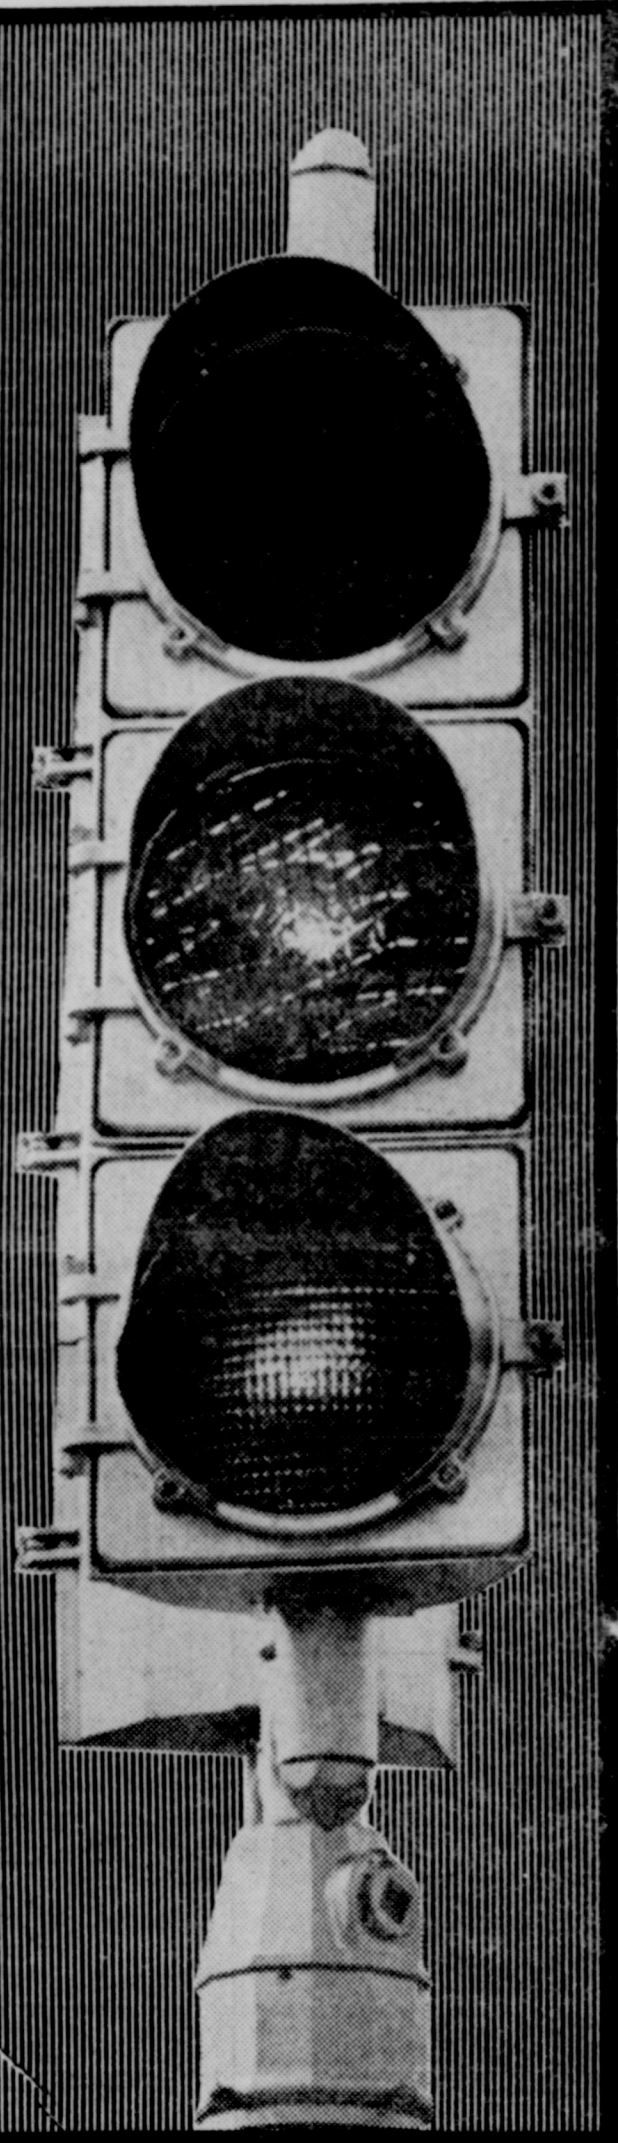

"Thy word is a lamp unto my feet, and a light unto my path."

Through study of God's word, we learn His will for our life, and He will lead in paths of righteousness. ATTEND CHURCH THIS SUNDAY, SEEK GOD'S WAY.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Here I come . . .

GUARD STEVE LEWIS zooms around beneath Morton's basket as he tries to find an opening. He is brushing by Morton's Donnie Harvey

and approaching Byron Willis (34). Littlefield players Kevin Hutson (13) and Phillip Pace (41) bracket Jimmy Joyce. TRIBPix

Indians take to road after 58-52 upset win

Morton resumes district basketball action Friday night after taking an unexpected 58-52 victory over the Class AAA Littlefield Wildcats here Tuesday night.

The Indians take on Denver City Friday in a road game, then go to Friendship Tuesday evening. Denver City lost to Post Tuesday night by a surprisingly large margin. Overcoming a full-court press here Tuesday, the Indians displayed an aggressive defense and a quick offense to upset Littlefield. Morton jumped out front 10-5 early in the first period before the Wildcats could collect themselves and get back in the game.

Littlefield actually had a 13-12 lead at the end of the first quarter, but Freddy Thomas was fouled at the buzzer and sank both ends of a one-and-one situation to give Morton a 14-13 lead.

The margin of victory came in the second quarter as Morton raced to a 30-21 advantage with all five starters sharing in the scoring. The Indians held Littlefield to just eight points in the quarter. But the Wildcats came out strong in the second half, picking up 20 points in the third stanza. Morton's shooting turned cold until late in the quarter, when they began to find the range again. The Tribe finally managed to net 15 points in the quarter and led 45-41 going into the last eight minutes. The two teams virtually traded baskets for the entire quarter, but the Wildcats were never able to take the lead or gain control of the game.

Morton's scoring was well-divided as Byron Willis netted 18, Freddy Thomas had 16 and Jimmy

Joyce got 15. Donnie Harvey added five and Willie Moore got three. Moore fouled out late in the game, but not until he had aided the team with his determined rebounding on both boards.

Phillip Pace paced Littlefield as he garnered 28 points. Fred Koonitz contributed 12.

In the B team game, Littlefield won a thriller that saw the lead change almost every minute. Littlefield finally pulled away late in the game for a 56-49 win. Alton Black and Ricky Monroe led Morton's scoring with 13 and 11. Nevill Manning netted 29 for the young Wildcats.

Hargrove is best speaker at Toastmaster

George Hargrove was named best speaker at the Morton Toastmaster Club meeting Thursday. His topic was "What Side Are You On?" Other speakers of the evening were Millard Townsend, Don Workman, and the guest speaker Mike Irwin, president of Morton Student Council, practiced introducing speakers for Saturday's Morton Area Youth Conference.

Jerry Daniel was toastmaster of the evening and also was the speaker who contributed most to the meeting.

The Rev. Charles Gates was table topic chairman. The meeting was at 7 p.m. Jan. 20, at the Wig Wam Restaurant.

VA payments hinge on annual question return

According to Walter Sandefur, veteran's service officer for Cochran County, veterans, widows, and parents who receive dependency and indemnity compensation from their Veterans Administration, and who have not returned their annual income questionnaires, will receive no check after Jan. 31.

Sandefur said that these persons are urged to take action to complete and return these questionnaires as rapidly as possible in order to avoid this inconvenience. Sandefur said that questionnaires are required only in the cases of veterans and widows receiving pension, and parents receiving dependency and indemnity compensation. Questionnaires are not required in the cases of children receiving pension, or veterans or widows receiving payments of compensation. Sandefur stated that compensation is paid where disabilities were incurred or aggravated as a result of service, or death resulting from such a disability. Pension is payable because of total disability not necessarily the result of service.

Sandefur said that he does not know the actual number of persons who have returned their questionnaires in Cochran County, but that he feels the number is pretty low.

There are, however, some facts and figures from the Veterans Administration Regional Office, in Waco.

41,900 veterans and widows who receive pension from the Veterans Administration, and 900 dependent parents who receive dependency and indemnity compensation, have returned their annual income questionnaires to the VA Regional Office according to Jack Coker, Manager.

Mr. Coker stated that 18,495 beneficiaries had not returned their questionnaires and would receive no check after Jan. 31, if the questionnaires were not returned.

Morton school cafeteria menu

The Morton Schools menu for the coming week is:

Monday, January 31 — Meat balls and spaghetti, buttered black-eyed peas, sliced tomatoes, sliced peaches, hot rolls and butter, half pint milk.

Tuesday, February 1 — Chili and tomatoes, pinto beans, apple and cobbler slaw, apple sauce, wheat rolls and butter, half pint milk.

Wednesday, February 2 — Creamed turkey, buttered English peas, strawberry jello, peanut butter cookies, hot rolls and butter, half pint milk.

Thursday, February 3 — Hot dogs with cheese, buttered hot dog buns, pickles, potatoe chips, fruit sections, half pint chocolate milk.

Friday, February 4 — Tuna fish, rice cheese and tomatoes, potatoe salad, apple sauce, sliced bread, half pint milk.

CHAMOIS NEED

On a hunting trip carry a top-quality chamois soaked with oil. Chamois never looks oily, yet never seems to run out of it either. Great for rubbing down your weapon after each day afield. Keeps rust away.

Cochran County escapes deaths during holidays

The Department of Public Safety closed out its Christmas-New Years "Operation Death Watch" with seven deaths in Region Five, which includes Cochran County. None of the deaths, however, were reported from Cochran County.

In Region Five, two were killed in Lamb County, one in Crosby County, one in Young County, one in Haskell County, one in Wheeler County, and one in Hemphill County.

Sergeant A. E. Roberts, Highway Patrol Supervisor for this area, said that "Operation Death Watch" ran 10 days from Dec. 24, 1965 to Jan. 2, 1966, with a total

of 93 deaths being recorded for the entire state.

These 93 traffic deaths resulted from 80 fatal crashes. Twenty-three of these fatal crashes were one-car crashes resulting in 43 deaths. Thirty-two of these fatal accidents were two-car crashes resulting in 43 deaths. Four of these fatal accidents were three-car crashes resulting in six deaths. One of the fatal accidents was a seven-car crash resulting in one death.

Of these 93 traffic deaths, 72 were males and 21 were females. The youngest person killed was a nine-month old infant and the oldest person killed was 84 years of age.

The veteran patrol supervisor said, "No doubt the evasive educational campaign undertaken wholeheartedly by the news media of the state, the cooperation of law enforcement agencies, and the aids who drove legally and defensively brought about this reduction of lives lost. I am sure this particular campaign and its results are clear and factual evidence of what can be done to reduce accidents and save lives."

Medicare talks scheduled here by Social Security

The local county Extension Service office advises eligible persons who desire detailed information about Medicare to contact their social security office.

The Social Security Representative from Lubbock office will be in Morton in the Basement of the Courthouse on Monday, Feb. 14, and Monday, Mar. 14, and will be here in Morton on Tuesday, Feb. 1, at 2:30 p.m. in the county auditorium to discuss Medicare.

More than 900,000 Texans over 65 are eligible for coverage under the Medicare program according to Mrs. Patsy Yates, Texas A-M University Extension family life education specialist. Mrs. Yates states that of this number, more than 35,000 Texans over 65 who are not now receiving social security or on welfare rolls are eligible. All persons concerned with the Medicare program should contact their local Federal Social Security Office now to obtain detailed information or attend the meeting Feb. 1 at 2:30 p.m. in the county auditorium, Agricultural Building, Morton.

All senior citizens should know the provisions of the program. If you are 65 years of age or over — and not receiving Federal social security or State old-age assistance — it is important that you visit your Social Security office soon.

"This means you, even if you are working full-time or if you are not receiving any social security benefits," Mrs. Yates explains. The Social Security Administration has advised that such persons are eligible for Medicare. Qualified persons will need to make a decision concerning the program before Mar. 31.

"We are interested in the senior citizens of Texas understanding any program that affects them — and the Federal Medicare program is one that is extremely important to them. Because of this, we urge that senior citizens who are not drawing State welfare or Federal social security contact their social security offices to learn the significance of the program to them," Mrs. Yates says.

Three-Way news items

By MRS. H. W. GARVIN

Mid term exams are over and a new term has started at Three Way School.

Three Way basketball boys and girls won both games over Pep Tuesday night. On Friday night they played Bula at Three Way and both girls and boys won the games.

Marie Robinson, Mr. and Mrs. Morris Gant and girls and Mr. and Mrs. Aubrey Hutchison attended the funeral of Mrs. Robinson's sister-in-law at Lamesa Sunday.

Mr. and Mrs. Wesley Warren were in Lubbock part of the week at the hospital where Mrs. Warren's father had surgery.

Mrs. H. W. Garvin underwent surgery at Green Memorial Hospital in Muleshoe Jan. 12 and is doing very well at this time.

Mrs. Paul Powell and Mrs. Dutch Powell and girls were in Muleshoe Friday shopping.

Tommy and Curtis Wheeler, son of the George Wheelers of West Camp, spent the weekend with their grandparents, Mr. and Mrs. Johnnie Wheeler.

The Maple Coffee Shop has a new manager. She is Wanda Kinley of Goodland.

Ferris Lock, son of Mr. and Mrs. Barney Lock of Maple, was home on leave from the Army last week.

Mrs. Harold Toombs and Janice were in Muleshoe Friday on business.

Mrs. Johnnie Wheeler, Mrs. Bill Dupler from Maple and Mrs. C. R. Smelser from Enoch were in Muleshoe at the hospital during the surgery of Mrs. H. W. Garvin.

National foundation study . . .

MRS. LEROY JOHNSON of Morton, area volunteer chairman for the National Foundation, talks with Dr. Jonas Salk, discoverer of the Salk Polio Vaccine, during the National

Foundation's annual meeting in October, 1965, in Washington, D. C. Mrs. Johnson currently is directing the many area March of Dimes drives.

The Morton (Tex) Tribune, Thursday, Jan. 27, 1966

Kathy Turney, Morton, admitted Jan. 18, dismissed Jan. 22, medical.

Mrs. Don Smart, Morton, admitted Jan. 18, dismissed Jan. 24, medical.

Mrs. Jessie Clayton, Morton, admitted Jan. 18, dismissed Jan. 23, medical.

Mrs. Evelyn Sellcus, Morton, admitted Jan. 19, dismissed Jan. 20, medical.

Lem Chesher, Morton, admitted Jan. 19, dismissed Jan. 21, accident.

T. C. Talley, Morton, admitted Jan. 19, dismissed Jan. 23, medical.

J. Wayne McDermott, Morton, admitted Jan. 19, dismissed Jan. 24, medical.

Ralph Fowler, Morton, admitted Jan. 19, dismissed Jan. 24, medical.

Mrs. Earl Brownlow, Morton, admitted Jan. 20, remaining medical.

Mrs. Nell McBee, Morton, admitted Jan. 21, remaining medical.

Mr. J. P. Cunningham, Morton, admitted Jan. 21, remaining medical.

Lee Sinclair, Morton, admitted Jan. 22, dismissed Jan. 23, medical.

Mrs. Ruth Sheard, Morton, admitted Jan. 22, dismissed Jan. 24, medical.

Mrs. Carl York, Morton, admitted Jan. 22, dismissed Jan. 25, OB. Grace Abbe, Morton, admitted Jan. 22, remaining medical.

Baby boy York, born Jan. 22, dismissed Jan. 25, N. B.

Bobby Taylor, Morton, admitted Jan. 23, remaining, accident. Shirley Bateas, Goodland, admitted Jan. 23, remaining, medical.

Rusty Rowden, Morton, admitted Jan. 23, remaining, medical.

Mrs. Connie Gray, Morton, admitted Jan. 23, dismissed Jan. 24, medical.

Martin Garza Jr., Bledsoe, admitted Jan. 23, remaining, accident.

Larita Mann, Maple, admitted Jan. 24, remaining, medical.

Mrs. C. L. Taylor, Baileyboro, admitted Jan. 24, remaining, medical.

Mrs. Norma Fraley, Morton, admitted Jan. 24, remaining, medical.

Tonya Kuehler, Whiteface, admitted Jan. 24, remaining, medical.

Mrs. Doyle Webb, Morton, admitted Jan. 24, remaining, medical.

PROTECT TENT

Damp ground quickly deteriorates the best of canvas floor covering. However, if you use forethought enough to cut an old rug pad the size of the tent floor you will save the expensive canvas.

Just lay the old pad on the ground and pitch your tent over it.

Texas royalty owners received \$473 million from oil and gas production in 1964.

Draft passes on county men

Of the 1,372 men to be inducted in the state for the month of February, none will come from Cochran County, according to Texas Local Board 4, Muleshoe, Texas. Sixty-five area men are due for physicals, however. A spokesman at the Muleshoe Selective Service office at Muleshoe said that 40 Cochran County men are scheduled for physicals on Feb. 2, and 25 men are scheduled for physicals on Feb. 3.

The February quota of 1,372 is Texas' share of a national call for 29,400 men, 26,400 for the Army and 3,000 for the Marine Corps. This compares with a quota of 1,475 in January and 1,523 in December.

Colonel Morris S. Schwartz, state Selective Service director, also announced that 8,640 men will be forwarded to examining and entrance stations during February to undergo the draft physical and mental examination.

Local board quotas for both induction and examination already have been figured and sent to the state's 137 local boards.

The February quota for induction will be filled with single and childless married men, 19 through 25 years old, and volunteers who have not attained the age of 26.

No married man with children, or an expected child, will be selected to fill the February call.

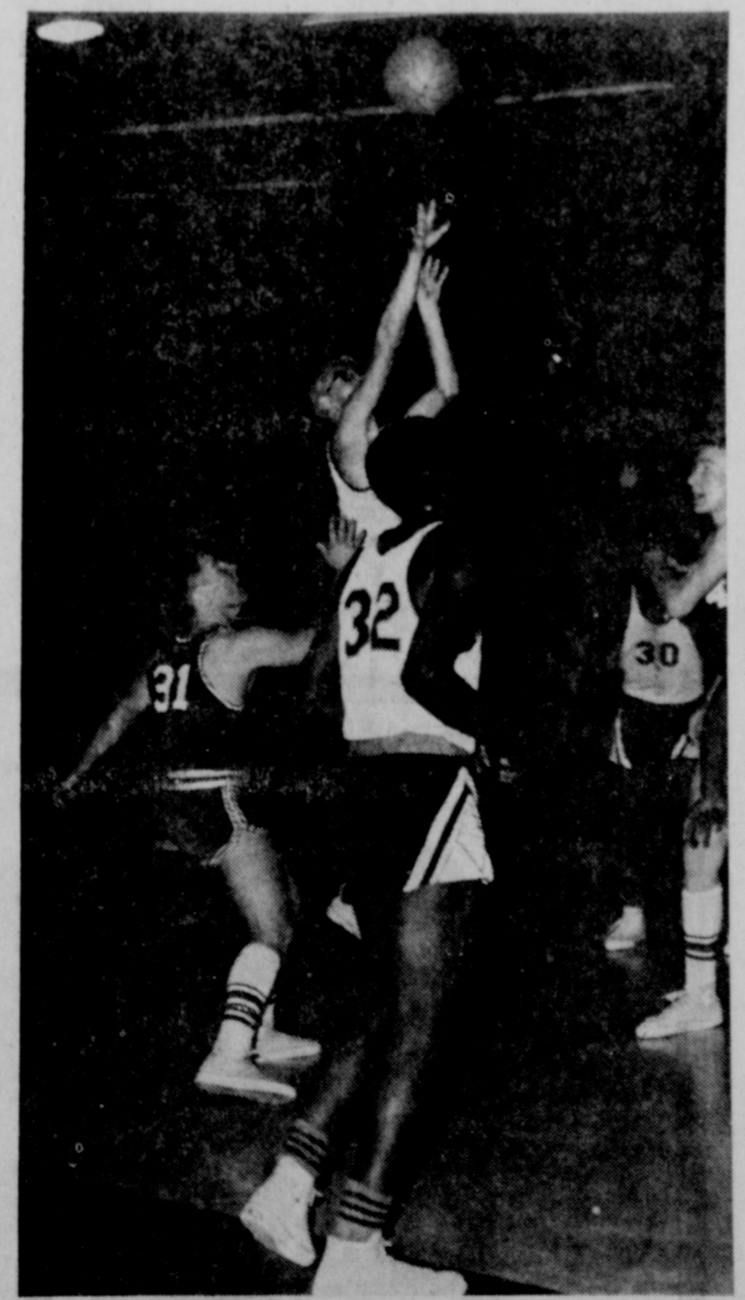

"Draft boards must have the information about children, of course," Colonel Schwartz said, "and an unborn child must be certified by a physician. Otherwise, a young husband and father may find himself selected."

MARK DEER

A deer hunter often is faced with the job of getting his kill back to camp before nightfall. Usually this occurs when hunting quite some distance from camp.

It is much better not to try to lug the kill in after dark. Leave it where it lies. But protect the carcass from being molested by predators by tying your bandana around an antler prong.

Human scent on the hanky will keep away other wild animals.

Up and away . . .

MORTON'S BYRON WILLIS went straight up to net two points from the circle against Littlefield Tuesday night. Ready to rebound is Willie Moore (32) while Wildcat Fred Koontz (31) finds he is too late to stop the shot. TRIBPix

Coffee for March of Dimes...

L'ALLEGRO STUDY CLUB hosted a March of Dimes benefit Friday morning in the home of Mrs. M. A. Silvers. The club raised almost

\$40 for the National Foundation. Among those attending were, from left: Mrs. Scott Hawkins, Miss Pam Reynolds, Mrs. J. C. Reynolds and Mrs. Richard Greer. TRIBPIX

Local students home from college between semesters

Some of the students that were home from college this week between semesters were:

Freshmen:
Miss Mary St. Clair, daughter of Mr. and Mrs. James St. Clair, is a freshman at Texas Tech.
Miss Carla McCarty, daughter of Mr. and Mrs. L. S. McCarty, is a freshman at South Plains.
Miss Barbara Harvey, daughter of Mr. and Mrs. C. C. Harvey, is a freshman at Texas Tech.
Miss Pam Reynolds, daughter of Mr. and Mrs. J. C. Reynolds, is a freshman at Howard Payne.
Miss Betsy Crowder, daughter of Mr. and Mrs. John Crowder, is a freshman at East Texas State.
Charles Ledbetter, son of Mr. and Mrs. M. C. Ledbetter, is a freshman at South Plains.
Mayland Abbe, son of Mr. and Mrs. M. L. Abbe, is a freshman at South Plains.
Sandy Wallace, son of Mr. and Mrs. Jack Wallace, is a freshman

student at Texas Tech.
Warren Williamson, son of Mr. and Mrs. T. K. Williamson, is a freshman at Texas Tech.
Donnie Dewbre, son of Mr. and Mrs. R. Z. Dewbre, is a freshman at Texas Tech.
Ernest Cheshir, son of Mr. and Mrs. O. D. Cheshir, is a freshman at Lubbock Christian College.
David Newsom, son of Mr. and Mrs. Weldon Newsom, is a freshman at Baylor.
Miss Carol Williams, daughter of Mr. and Mrs. Henry Williams, is a freshman at Baylor.
Miss Peggy Ramsey, daughter of Mr. and Mrs. S. A. Ramsey, is a freshman at Wayland Baptist College.

Sophomores:
Miss Lynn Freeland, daughter of Mr. and Mrs. W. G. Freeland, is a sophomore at Texas Tech.
Miss Linda Lynch, daughter of Mr. and Mrs. T. E. Lynch, is a sophomore at Texas Tech.
Ricky Coffman, son of Mr. and Mrs. Ken Coffman, is a sophomore at Texas Tech.
Clain Kuehler, son of Mr. and Mrs. Louis Kuehler, is a sophomore at Texas Tech.
Bill Huckabee, son of Mr. and Mrs. O. B. Huckabee, is a student at South Plains.
John Tucker, son of Mr. and Mrs. Dee Tucker, is a sophomore at South Plains.
Miss JoAnn Wells, daughter of Mr. and Mrs. U. F. Wells, is a sophomore at Tarleton State.

Power Train Show Scheduled Thursday

John Deere Power Train '66 is right on schedule, heading for Morton. "Plans for John Deere Day are now complete and we believe this will be the most exciting farm show we've ever held", reports McAlister Huggins, Farm Equipment. "You're invited to see for yourself, Thursday, Feb. 3, at the activity building." What new in the long green line will be introduced in a full color picture. The public is also invited to come to the open house on that day from 10 a.m. until 3 p.m. Lunch and refreshments will be served free.

KEEP ARROWS
Arrows frequently are lost from the quiver. To prevent an occurrence of this sort, fit a 2" chunk of styrofoam into the bottom of the quiver. Arrows then can be stuck into this pliable material. But, slight pull will release them.

Visiting in the home of Mr. and Mrs. Lee Sergeant this week are their daughter, Mr. and Mrs. Ray of Dallas.

Town and Country Study Club hears talk on Vietnam crisis

Town and Country Study Club met in the home of Mrs. Bill Hovey Jan. 19. Quotation for the program was, "Only the weakness of good men gives evil men their power," by Cook. Guest speaker, State Representative Jesse T. George, who was introduced by Mrs. Bill Hovey, spoke on "International Affairs: Vietnam."

In sketching the history of the Vietnam situation, he pointed out that its importance has dominated a thousand years of Chinese history — during which Vietnam was a Chinese Colony; and it is a surprising fact, but today about half of the population of South Vietnam and roughly two-thirds of its territory are controlled by the Viet Cong.

He said, "Not only because of the war, but because South Vietnam is largely a peasant country that has known no free political progress, it is difficult to assess the real feelings of the people. However, at this time State Department officials have expressed pleasure in the fact that the Vietnamese are gaining in self-confidence, and are developing anti-communist political and military forces capable of standing up to the front."

"Many dollars and lives have

been spent in the Vietnam War and we do not know whether our efforts through some 180 peace missions to the capitals of the world have been successful or have been failures, but as President Johnson reiterated in his State of the Union Message to the American people, "We will stay until aggression has stopped."

"Communism is the greatest threat the free world has ever faced because of its insidious methods, but history reveals that when we Americans and other free men have had courage to resist aggression, the communists have withdrawn."

Representative George closed by comparing freedom to a piece of crystal glass — "It is fragile, and its replacement is a poor substitute."

President, Mrs. Connie Gray, presiding over the business session, during which Mrs. LeRoy Johnson reported on the Federation Workshop held in Plainview Jan. 14; Mrs. Keith Kennedy urged all Department Chairmen to get their reports in by Feb. 1; individual contributions were made to CARE; it was voted to send Four Quarters to Headquarters.

Plans were made to have a March of Dimes coffee and donut

hostess the morning of Saturday, Feb. 5, in the County Activity Building. Several members volunteered to assist in the Area Youth Conference held Jan. 22.

Hostesses Mrs. Hovey, Mrs. Don Samford and Mrs. Willard Henry served refreshments to Mrs. T. A. Rowland and Rep. George, guests, and to Mrs. Vernon Blackley, Mrs. Charles Bowen, Mrs. J. L. Cox, Mrs. A. A. Fralin, Mrs. Gray, Mrs. Alvie Harris, Mrs. Cheryl Ingling, Mrs. Kennedy, Mrs. Johnson, Mrs. Weldon Newsom, Mrs. A. E. Sanders, Mrs. Joe Seagler and Mrs. Fred Stockdale.

The meeting was adjourned with the Club Collect led by Mrs. Newsom.

Feb. 2 is the date of the next meeting to be in the home of Mrs. Willard Henry.

Lillie May is candidate for JP, precinct 2

Mrs. Lillie May of Whiteface has authorized the Tribune to announce her candidacy for the office of Justice of the Peace, Precinct Two. Her candidacy is subject to the action of the May Democratic Primary.

Mrs. May has been a resident of Cochran County since 1938. In her announcement statement,

Lillie May Design Studio photo

Mrs. May said, "I feel that I am qualified to handle the office of Justice of the Peace for Precinct Two and promise to devote all of my efforts to the necessary duties of the office of Justice of the Peace in Precinct Two."

"I would appreciate your support and your vote in the May Democratic Primary Election." (Pd. political adv.)

Area telephone cooperative sets meet on Feb. 4

Annual Membership Meeting of the Five Area Telephone Cooperative will be held in the Muleshoe High School Auditorium Friday Feb. 4, at 2 p.m.

Included in the meeting will be the election of four members to the Board of Directors. Eight men have been nominated for the positions. Additional nominations may be made from the floor.

Outstanding leaders...
JOEY NEWSOM and Susan Blackley were voted Outstanding Leaders by their classmates in recent voting at Morton High School. Newsom is a senior and is the son of Mr. and Mrs. Weldon Newsom. Miss Blackley is a senior and is the daughter of Mr. and Mrs. Vernon Blackley.

GALE KIRK
top Morton HS homemaker

Gale Kirk of Morton wins Betty Crocker award

Gale Kirk, 18, a senior at Morton High School, has won the 1966 Betty Crocker Homemaker of Tomorrow award at the school.

She scored highest in a written knowledge and attitude examination taken by 11 senior girls at Morton High, on Dec. 7, and is now eligible for state and national scholarship awards.

Gale, the daughter of Mr. and Mrs. Cecil Kirk, Morton, will receive a special award pin from the program's sponsor, General Mills, at the FHA Banquet here Feb. 17, in the Morton High Cafeteria. Gale and her parents will be honored at the banquet. Gale has already received a letter of congratulations from General Mills.

When asked what she thought about winning the award, the Morton High senior said, "I am really thrilled. I thought someone else would win. I never thought it could happen to me." She added, "I would like to thank our teacher, Mrs. Murray Crone, for giving us the opportunity of taking the test." Mrs. Crone teaches home economics and several other classes at Morton High.

Test papers of all school winners in the state are being judged, and a State Homemaker of Tomorrow and runner-up will be selected soon. The State Homemaker of Tomorrow will receive a \$1,500 college scholarship, and her school will be awarded a complete set of the Encyclopaedia Britannica by Encyclopaedia Britannica, Inc. The second-ranking girl in the state will receive a \$500 education grant.

Next spring, the State Betty Crocker Homemaker of Tomorrow from every state and the District of Columbia, each accompanied by a school advisor, will join in an expense paid educational tour of Colonial Williamsburg, Va., and Washington, D.C. Then, the 1966 All-American Homemaker of Tomorrow will be announced at a dinner in Washington. Chosen from state winners on the basis of original test score and personal observation and interviews during the tour, she will have her scholarship increased to \$5,000. Second-, third-, and fourth-ranking Homemakers of Tomorrow in the nation will be awarded \$4,000, \$3,000 and \$2,000 grants, respectively.

Area resident being treated in Warm Springs

Mrs. Gerry (Ida Lynn) Adams, Whiteface, was admitted to the Texas Rehabilitation Hospital, Gonzales Warm Springs Foundation on Jan. 17, where she will have a program of rehabilitation treatments prescribed for her by the medical director, a specialist in physical medicine and rehabilitation.

The medical program at the Texas Rehabilitation Hospital is made up of physical therapy, occupational therapy and 24-hour rehabilitation nursing which consists of offering church services, school for children, and entertainment programs regularly. This program was formed so that the person can live and work to the best of his abilities.

The Texas Rehabilitation Hospital is a non-profit, non-sectarian

Farm labor day started by TEC

The local Texas Employment Commission Farm Office began its farm labor day program on Wednesday, Jan. 26, from 9 a.m. to 4 p.m. in the Cochran County Farm Bureau office.

This program is for the purpose of providing a place where farmers and farm hands can get together and talk over the job and the worker's experience. This can save both time and trouble for everyone concerned. The program will be held each Wednesday.

There is no fee charged for this service provided by the Texas Employment Commission.

Mr. and Mrs. T. L. Houston of Stratford visited this weekend in the home of their son, Mr. and Mrs. Owen Houston.

Warren Williamson returned to Texas Tech Tuesday following a six-day visit in the home of his parents, Mr. and Mrs. T. K. Williamson.

Hospital which assures needed care to Texans of all ages who have been disabled by many kinds of accidents and diseases. About 55 per cent of the operating budget must come from contributions of Texas citizens.

Mrs. James St. Clair nominee for mother of the year honors

Morton Federated Clubs have nominated Mrs. James St. Clair, member of the 1936 Study Club, as outstanding Mother of the Year. She is to be presented to Caprock District of Texas Federation of Womens Club.

Criteria for this honor includes her outstanding work in community, her church and club work, as well as her high standards that have gone into the making of a Christian home. Mrs. St. Clair is richly deserving of this title, and scores of her friends have pointed out that they are most willing to assist her in winning the district title.

The former Lois Fouts was born in Haskell County, the daughter of Mr. Jim Fouts and the late Mrs. Fouts. She attended Haskell schools until her graduation. Upon graduation, Mrs. St. Clair entered North Texas State Teachers College, Denton, Texas, (now North Texas University), graduating from there in 1937. During her years in college, Mrs. St. Clair was a Green Jacket for four years. This was a service club and as she has stated, her most cherished memory, "I believe I enjoyed this more than anything for I got a great deal of pleasure in the service for others, and in this club, we served the college where we were needed."

She was also a member of the Mary Arden Club from her sophomore year. This club was a federated club which helped her to begin her federated club work early. She was president of the Home Economics Club, her major being Home Economics. She also served as secretary of the senior class, a member of the Women's Athletic Association, and an officer of Baptist Student Union during her entire stay in college.

Upon her graduation, Mrs. St. Clair joined the teaching staff of Floydada schools. During her two years of work with the school, she became a member of the 1934 Study Club, again taking an interest in federated club work.

In 1938, Mrs. St. Clair moved to Cochran County where she assumed duties as Home Demonstration Agent, a place she held for two years. Again she took up club work and became a member of the 1938 Study Club.

On January 5, 1941, she was married to James St. Clair, a local citizen who was operating a department store. Since then their endeavors have enlarged and they now own other stores. Being ambitious, Mrs. St. Clair became a valuable helpmate to James, a place she still exemplifies for she goes to market in Dallas once a year and to all the local markets in Lubbock. When style shows are given, she works in conjunction with home economics departments. In fact she is responsible for the success of the ready-to-wear department of the local store.

During the past year she has been a constant attendant to James during his illness.

The St. Clair's have four children, Jimmy, Kay, Mary and John. John is a junior at Morton High School with the three older children attending Texas Technological College in Lubbock.

During the years the children attended public school, they have shown the same pattern as their mother; ambitious and willing to be of value to everyone.

Jimmy was an outstanding student in high school, participating in football, basketball, golf and track. He is now a senior in college and a member and officer of Delta Sigma Pi. He is a candidate for a degree in retailing.

Kay, as a student in public school, was just as active. She is a Past Worthy Advisor of Rainbow of Girls, and also an officer for four years. She played tennis three years, a cheerleader for two years, was a member of the choir and pep squad for four years. Kay, though always busy in school activities, found time to work in art, a natural talent, and one which has given her mother much joy for very frequently her mother says, "Come here, I want to show you Kay's latest picture she has done." Kay is a junior and is majoring in business home economics.

Following in the steps of her mother and sister, Mary was as ambitious and as popular as other members of her family. Mary, too, is Past Worthy Advisor of Rainbows. She was a class favorite while a junior; football queen in her senior year; a member of the Student Council, the pep squad, choir, a class officer for four years and an office worker. She was a cheerleader and a member of the National Honor Society for two years. She is a freshman at Tech, choosing as her major, elementary education.

John has been equally as popular. He is a quarterback on the football team, guard in basketball, takes a part in junior dramatics, member of the Student Council, the National Honor Society, and is a member of the Future Teachers of America. John also plays in the band. With all these activities, he also finds time for school golf and his name can always be found on the honor roll.

During the time that Mrs. St. Clair has used for her children's activities, she has never been too busy to keep her interest in club and civic work. While president of the 1936 Study Club, the club had the honor of endorsing the organi-

MRS. JAMES ST. CLAIR
... mother of the year

TribPix

zation of Town and Country Study Club. They also enjoyed a very outstanding speaker during her year, Frau Von Bronneck, a native of Austria, who spoke on life customs and traditions of that country.

She helped the club in winning the Americanism Award (district) on the scrap book. Mrs. St. Clair worked with the Superintendent for the White House Conference for children to give history to school on juvenile delinquency. At the same time, she took a very active part in Blue Birds, Campfire Girls, and was a Den Mother for the Cub Scouts.

For four years, Mrs. St. Clair was a Mother Advisor for the Rainbow Girls. She was a charter member of the first advisory board that was instrumental in the organization of the assembly. She maintained a place on this board for a period of seven years.

The most recent honor bestowed upon Mrs. St. Clair was a reception held January 23, honoring her as Past Mother Advisor. Mrs. St. Clair is a member of the First Baptist Church. She has been a continuous assistant teacher to the adult class in Sunday School and a pianist for many years.

She was a devoted member of the Eastern Star, and one could know she could always be counted on as being present. Even before she became Worthy Matron, a place she filled with the greatest of dignity, the chapter enjoyed her beautiful music. She is a very capable pianist, having studied under several teachers, one of whom she remembers with great pleasure, Miss Dewitt. Even now with all of her pressing obligations, she accepts invitations to play.

She is also a member of the Friends of the Library, takes a part in all drives, and was a member of the Cochran County Garden Club, a club she also enjoyed, but because it met at night, and her duties were heavier, she resigned.

For many years she assisted her husband in the care of his father and aunt, a duty she felt keenly, always forgetting herself that other members of her family might enjoy pleasant trips and outings. She felt that "Aunt Fannie and Granddad", as she affectionately called them, would not be left alone and she felt it an honor to have had the privilege of caring for them.

One of the highlights in her scrapbook is the clipping of the nomination of her Aunt Bessie as Mother of the Year. Aunt Bessie (Mrs. Ed F. Fouts) won district in Mesquite Federation.

Mrs. St. Clair always thinks of others first, and self last. She is known for her food, especially her lovely cookies. She has always stood ready to offer a word of encouragement, a bit of sympathy, or a flower to brighten the day. If she has any hobbies, other than taking care of her lovely family, she can be found reading or working among her flowers.

All of the grand things done by Mrs. St. Clair are not known, for she is very modest about what she does. She does it knowing in her heart that joy and happiness will come from it. As Electa of the Bible did, "She did it in Love."

The G. A. Coronation will be held this Sunday, Jan. 30, at the First Baptist Church. It will take the place of Training Union and Evening Worship service, beginning at 8:15 p.m. following the film, "The Upper Room", about the life of Christ.

Theme for the G. A. Coronation will be "A Story to Tell". The Rev. Fred Thomas, pastor, will give the charge. Marilyn Cade and Charlotte Jones will sing "G. A.'s Ever Awake," written by Jerry Stamps, minister of music and education. The public is cordially invited.

The G. A.'s or Girls' Auxiliary is sponsored by the Women's Missionary Union and is composed of some 37 girls and five counselors. Sunday night two Queens-with-Scepter and seven Queens will be crowned. Along with these, six Princesses, five Ladies-in-Waiting and one Maiden will be recognized. These are as follows: Queens-with-Scepter (highest honor in G. A.): Terry Shifflett and Melba Townsend; Queens: Diane Avery, Marilyn Cade, Vickie Goodman, Glorietta Gray, Charlotte Jones, Diane McCasland and Peggy Thomas; Princesses: Christi Cade, Becky Jerden, Vickie Shifflett, Peggy Steed, Jeana Thomas and Sue

Winder, Ladies-in-Waiting: Arlene Crow, Debra Daniel, Carolyn Gray, Judy Steed and Jeanie Wemken; Maiden: Ebra Williams.

Mrs. Bud Thomas is G. A. Director for the First Baptist Church. Counselors — 9-10 year olds: Mrs. Noel Crown and Mrs. Dale Tabory; 11-12 year olds: Mrs. A. E. Cade; Intermediate (13-14 years): Mrs. Charles Jones and Mrs. Fred Thomas.

Reviewing Council which passed on the girls' requirements includes Mrs. T. D. Marshall, Mrs. Henry Williams, Mrs. Weldon Hill and Mrs. Glen McDaniel.

Mrs. Bedwell hosts for sewing club meet

Mrs. Henry Bedwell hosted the Busy Fingers Sewing Club January 20. Guests were Mrs. Vernon Norris and Kim.

Members present were Mrs. Roy Allsup, Mrs. Rolly Hill, Mrs. Bertha Miller, Mrs. E. R. Fincher, Mrs. Oland Darland, Mrs. C. B. Markham, Mrs. Bula Newton, Mrs. C. W. Howard, Mrs. Joe Gipson and Mrs. Bea Yarborough.

Next meeting will be February 3 in the home of Mrs. Miller.

Mrs. Seagler named outstanding teacher

Morton Area Federation has selected Mrs. Joe Seagler as outstanding Teacher of the Year. She, with nominees from other Federated Clubs in Caprock District, will compete for state honors.

Mrs. Seagler, then Evelyn Ellington, moved with her parents, Mr. and Mrs. Marlin Ellington to their ranch in Cochran County in 1927 shortly after the county was organized. The town of Bledsoe where she went to school was then larger than Morton and growing by leaps and bounds; but the oil boom proved short-lived and by 1934 the school was so much smaller it was necessary for Evelyn to "board out" at Morton in order to attend an affiliated school and prepare for college.

After graduation from Morton High School in 1938 Miss Ellington enrolled in Texas Technological College, Lubbock, where she majored in art while taking additional courses in education and psychology to prepare for teaching.

She had just completed her first year of college when she returned to the ranch to teach the smallest independent school in the State of Texas. Ernest School house was a little one-room building located in the corner of the Ellington's yard. For years Evelyn had been the only pupil in the district, but in 1937 the enrollment had doubled with her brother, M. W. Ellington, Jr., and Jackie Standefer enrolled in fourth and second grades respectively.

Miss Ellington returned to Texas Tech the following year and received her B.A. degree in 1940 shortly after her marriage to Douglas Ross. She taught the 1940-41 term of school at Bledsoe and part of the next year, but spent the next two years working at North Island Naval Air Station in San Diego, California, while her husband served in the Navy.

The most outstanding accomplish-

ments of the next three years were her son, Marlin Doug, now a freshman at the University of Texas in Austin and her daughter Linda, now a junior in Morton High School.

In 1951 after the loss of her husband, Mrs. Rose returned to Morton. She taught fourth and then fifth grade, but felt she had really found her place in life when she began teaching elementary art.

During the summers, Mrs. Rose managed to either attend an art workshop or to conduct one of her own. She has studied with a number of well-known artists; Ted Egri of Taos, New Mexico; Dr. Caballero of West Texas State College; John Meigs of San Antonio, New Mexico; Juanita Pollard of Lubbock Christian College; and Hugh Gibbons of Texas Tech.

In 1955 Mrs. Rose was married to Joe Seagler and the two found they had many common interests and hobbies: collecting Indian relics and stories, picnicing and camping, reading, cooking and politics.

Of their interest in politics, Mrs. Seagler says, "Politics should not really be called a hobby but rather an obligation of every citizen. It is the duty of every person to vote and be well informed about their government."

Joe and Evelyn Seagler share also a tremendous interest in children. Besides their two teenagers, they "claim" three little girls from Girlstown, U.S.A., Whiteface, Texas, that they borrow from time to time.

A project very dear to their hearts is the Attorney General's Youth Conference. In the past three years they have contacted sponsors and made arrangements for over forty young people to attend this splendid conference in Austin. They are both working at the present time to help organize the first Morton Area Youth Conference.

Mrs. Seagler has served as den mother for the Club Scouts at Morton (and at Bledsoe even though she had no children of her own then). She has accompanied the Camp Fire Girls to their summer camp and served as Craft Counselor for eight years, and she has been a volunteer worker for the Salvation Army for two years. She is a trained Volunteer Civil Defense Worker.

Mrs. Seagler believes the teaching profession is worthy of wholehearted support from its members. She belongs to the Cochran County Teachers Association, the Texas Art Educators Association, the National Education Association, and the Lubbock Art Association. She attends and helps present programs for local and district programs and was a delegate to the State Teachers Association House of Delegates in Corpus Christi last October.

In addition to her professional clubs, Mrs. Seagler is Education Chairman for the Town and Country Study Club, a member and past president of Wesleyan Service Guild of the First Methodist Church, past president of Book Lovers Club, a member of the Band Boosters Club, and vice-chairman of the Texas State Historical Society Survey Committee appointed by Governor John Connally.

Looking back over eighteen years of teaching, Mrs. Seagler believes that education has come a long way. Art is no longer regarded as a "frill" but has become a vital part of the total program helping to span the chasms created by timidity, frustration and language barrier. Art is not for the talented few but a new dimension for all.

As a member of First Methodist Church of Morton, Mrs. Seagler says, "No life, no home, no community and no nation can rest secure unless its firm foundation is faith in God." She deplores the misguided efforts of some in this nation who would strike the name of God from oaths of allegiance, from songs of our forefathers and from the lips of a prayerful American.

Mrs. Seagler continues, "Of all the tasks of home, school and community that have been mine, I am sure that I have undertaken

MRS. JOE SEAGLER
... outstanding teacher

Design Studio

the tasks of my church with the most joy and the most fear. In the years since I became a Christian, I have taught in every department except the Men's Bible Class and I served for four years on the Official Board; but I was never able to forget that "to whom

much is given, much is expected." I know that I have given much and I fear I have given nearly enough. But he said that to some is given to of preaching and to some to of teaching. With the teaching I am content."

Miss Galt picked outstanding girl

Chosen by the D'Algodon Study Club of Maple as outstanding senior girl of Three Way High School is Miss Madalyn Galt. She is the daughter of Mr. and Mrs. Tommy Galt of Goodland, Texas.

Included in her school activities, Miss Galt has been a member of the basketball team and pep club, also twirler for the band and class officer for her four years in high school.

She was captain of the basketball team two years and named to the All District basketball team three years. Also in sports, she has been a member of the tennis team three years.

During her junior year, she was named most dependable, and her junior and senior years, most athletic, a candidate for most popular, a member of the annual staff and in the class plays. This senior year has also found her as editor of the school annual.

Her outside activities include being selected as 1965-1966 Lions Club Queen of the Three Way club. Miss Galt has served as a Candy-striper at Methodist Hospital in Lubbock.

Active in church activities, she is a member of the local Methodist Youth Fellowship helping in Vacation Bible Schools and other activities for the children's classes at the Three Way Methodist Church.

She has helped organize a twirling class for interested elementary girls.

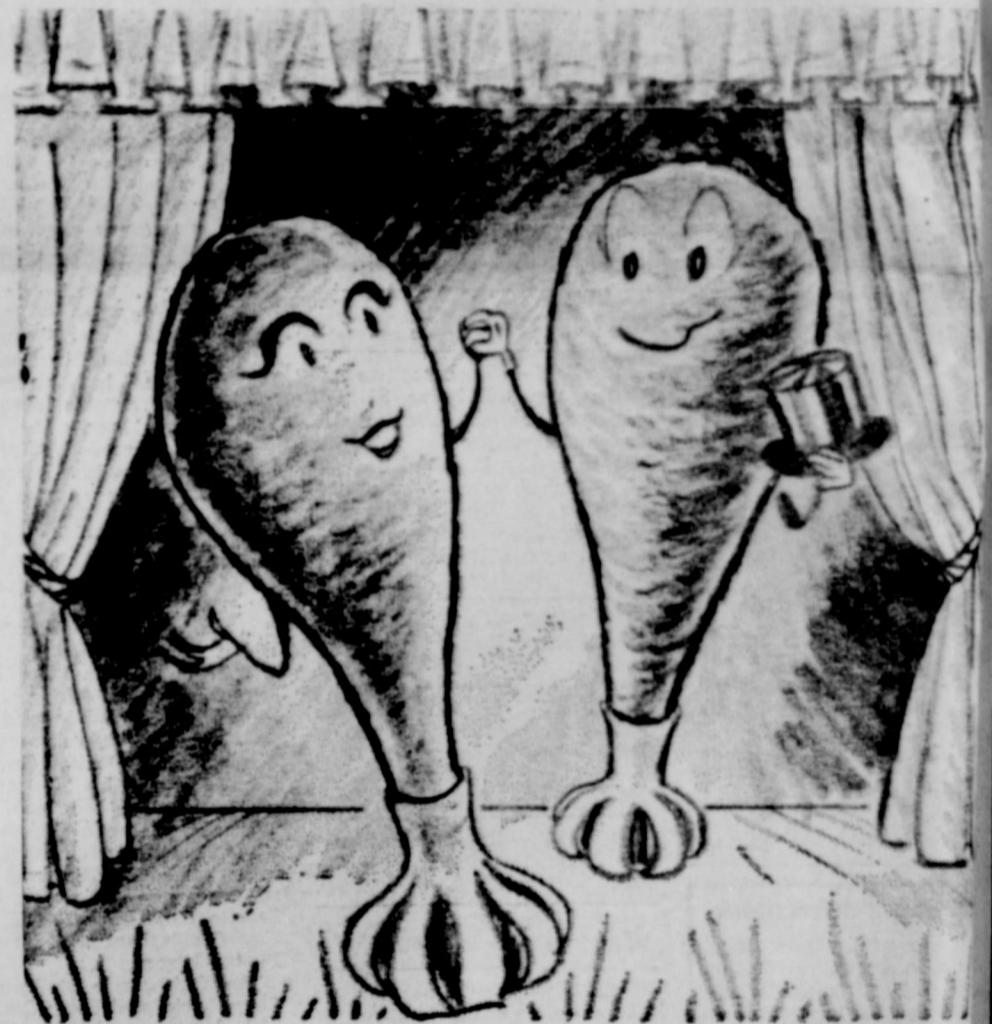

MISS MADALYN GALT
... tops at Three Way

Though her high school years have been full, Miss Galt has maintained a B average and plans to attend Wayland Baptist College in Plainview this fall.

DeWayne Smiths parents of boy

Mr. and Mrs. DeWayne Smith are the proud parents of a six pound two ounce baby boy born Jan. 21, and named Tad DeWayne Smith. The grandparents are Mr. and Mrs. Chester Smith of Pep and Mr. and Mrs. Hugh Dupler of Morton.

Mrs. Travis named as clubwoman of year

Area Council of Women's Clubs has named Mrs. Bobby Travis as Clubwoman of the Year. The Federation is an organization composed of representatives from eight local clubs, L'Allegro, Town and Country, Y-M, Emlea Smith Junior, Elma L. Slaughter, Whiteface and De Algodon of Maple.

Nominees for the honor were submitted to Council by each club. Mrs. Travis is now a candidate for district title and will compete with clubs from Caprock district at the annual convention at Brownfield in March.

This selection by the Texas Federation of Women's Leadership Development recognizes worthy achievements and encourages excellent leadership.

Local selection is based on the same qualifications as district and state, that is: A member who has most successfully made a noteworthy contribution to her community and who has shown qualities of leadership indicative of her future success in other fields. This one member is recognized as excelling in leadership, challenging every individual woman to seek the earning of this honor.

Winner of the district will advance to the state, composed of 14 districts, and will be named at the State Convention in May in Lubbock.

Mrs. Travis was born on Jan. 1, 1937 in Eastland, Tex., to Mr. and Mrs. E. W. Gourley. She is the youngest of three children. Jack Courley, her brother, is now with the Lone Star Gas Company in Dallas, and her other brother, Gene Gourley, owns the Ranger Plumbing Company in Ranger, Tex.

She lived in Eastland through all of her school days. She was the secretary of her class during her freshman and sophomore years, and a member of both the Junior High and High School bands. She was a twirler her freshman, sophomore and senior years and all-district twirler her sophomore year. She was cheerleader her junior year and one of the school beauties her sophomore and junior years.

Her civic activities during these years included participation in Talent Shows to raise funds for a Hospital in Eastland; entertainment for the Lions and Rotary Clubs; Civic Style Shows and a March of Dimes Talent Show in Abilene. During her years in Eastland she was a member of the First Baptist Church, taking part in all activities of worship of the church.

She married Bobby E. Travis on July 4, 1954. They lived in El Paso for one and half years while Bobby was in the Armed Services. Following his service they moved to Booker, Tex., where he was coach and high school principal. They lived in Booker for six months before moving to Morton in 1956 where Bobby coached basketball, football and golf for seven years. He is now the Elementary Principal for the Morton Schools. They have two daughters, Kelly Sue, born Feb. 19, 1959 and Shelly Ann, born Nov. 23, 1960.

Mrs. Travis has been a Federated Club member for eight years and a member of the Cochran County Garden Club for nine

years. She has served in the offices of president, reporter, parliamentarian and corresponding secretary of the L'Allegro Study Club, and has served as president, second vice president, treasurer, parliamentarian and is currently serving as reporter for the Cochran County Garden Club. She has been served as reporter - treasurer, chairman of the Student Loan Fund, and is now the secretary for the Area Council of Women's Clubs. She has served as chairman of the Cochran County Library Board and is a member of the "Friends of the Library." Having helped form this organization, she installed its first officers.

In the Caprock District, Mrs. Travis has served as chairman of Public Relations for two years and is currently serving as Convention Hospitality Chairman. The Convention location will be Brownfield this year. Mrs. J. L. Ginnings, president, Texas Federation of Women's Clubs, appointed Mrs. Travis as Caprock District Representative to the Community Improvement Panel as a promotional chairman. This current year she is co-chairman, along with Mrs. W. B. McSpadden, Morton, of the decorations committee for the annual convention of the Texas Federation of Women's Clubs to be held in Lubbock.

Mrs. Travis was recently appointed as chairman of the Community Beautification and Parks Committee of the Area Chamber of Commerce. She has been active in other civic endeavors by serving as co-chairman of the first Community Christmas Parade held in Morton. She was chairman of the decorations committee for the Junior Maid of Cotton Contest sponsored by the Area Chamber of Commerce. Her work with the Salvation Army includes co-chairman with her husband of the 1965 Fund Drive. She has been active in other drives such as the March of Dimes, Cancer Crusade, etc.

Although these activities involve much time, Mrs. Travis still finds time to enjoy her hobbies. She often finds time to make an arrangement for a friend, decorate for special occasions, such as her church at Easter and Christmas time, for the Chamber of Commerce Banquet, New-comers tea, Farmers Appreciation Night, and numerous flower shows.

She often finds herself involved in activities involving the youth of the community for entertainment done by her church and other churches and the schools. Other than flower arranging and decorating, she likes to experiment with colors in all phases, plain and decorated candles, and creating in general as is shown by her having won numerous first places in the Christmas Lighting Contests held annually in Morton.

Mrs. Travis also enjoys watching television, reading — especially meaningful poetry, playing bridge, and visiting with friends over a "cup of coffee". She enjoys cooking and again creating "tasty dishes" for her family. As Mr. Travis jokingly says when the community activities demand more time, "This is the first hot meal I've had in a month". Shelly and Kelly often say, "Mommie, let me make

Diane Linder is named top senior Whiteface girl

Diane Linder, daughter of Mr. and Mrs. D. L. Linder, Jr., of Route One, Morton, has been chosen by the Whiteface Study Club as the outstanding senior girl of Whiteface High School.

Diane, who is a petite, blue-eyed blond, is seventeen years old and has attended Whiteface schools for twelve years. She is a member of the First Missionary Baptist Church in Morton. She was active in 4-H work for five years and received the Gold Star Award from that organization.

Besides the normal pattern of interests, Diane likes to write and is interested very much in the study of home economics.

As a sophomore, Diane was reporter of her class, a scholastic favorite, and was chosen most courteous. She also received an award for outstanding accomplishment in English and biology.

In her junior year, Diane was a majorette for the band, secretary of her class, and again scholastic favorite. She was also chosen as class favorite and most dependable. It was during her junior year

something, too; just one, please". Since moving to Morton, Mrs. Travis has worked for the City and with the United States Department of Agriculture, Farmers Home Administration, where she is now the County Office Clerk.

Needless to say, with her devotion to her home, work, church, and community, there are seldom lost moments at the Travis residence. One seldom thinks of Sue without thinking fondly of a quotation often used by her, "The world stands out on either side, no wider than the heart is wide. Above the world is stretched the sky, no higher than the soul is high."

that she was elected to National Honor Society.

Her senior year has, again, been marked with various honors. She is secretary for her class and class favorite. She has been elected hand sweetheart, co-homecoming

MISS DIANE LINDER best at Whiteface

queen, and co-editor of the Antelope, the high school yearbook. Perhaps the highest honor bestowed upon Diane is that of Miss Whiteface High School.

As for Diane's plans for the future, she says, "I dream the impossible, plan the improbable, and hope for the best." In reality she plans to attend Texas Tech after one year at South Plains Junior College.

Miss Davis top homemaker at Three Way high

Doyleene Davis is Three Way High School's 1966 Betty Crocker Homemaker of Tomorrow. She scored highest in a written knowledge and attitude examination taken by senior girls Dec. 7, 1965, and is now eligible for state and national scholarship awards. Miss Davis has already earned a special award pin from the program's sponsor, General Mills. School superintendent Herrell Holder presented the award Thursday night in the new cafeteria.

Test papers of all school winners in the state are being judged, and a State Homemaker of Tomorrow and runner-up will be selected soon. The State Homemaker of Tomorrow will receive a \$1,500 college scholarship and her school will be awarded a complete set of Encyclopaedia Britannica by Encyclopaedia Britannica, Inc. The second-ranking girl in the state will receive a \$500 educational

Emlea Smith Junior Study Club will meet

The Emlea Smith Junior Study Club will meet Thursday Jan. 27, at 7:45 p.m. in the home of Mrs. Owen Houston, 201 East Buchanan.

Mrs. Clyde Brownlow will give the program on "America Sings." Mrs. Elvis Fleming will be assisting Mrs. Houston as a hostess.

Federation names Miss Hansen top MHS senior

Margaret Hansen, chosen by the Morton Federation of Women's Clubs as the Outstanding Senior Girl from Morton High School, is the 18-year-old daughter of Mr. and Mrs. Hugh Hansen of Route 2, Morton. She was born in Littlefield and attended Morton Public Schools all 12 years. Margaret is described by her teachers as being dependable and studious. She has maintained the reputation of being an outstanding student throughout her school life.

Margaret was a member of FHA three years. Future Teachers three years and was selected Who's Who in Algebra in both her sophomore and junior years. She was vice president of Future Homemakers

her junior year and secretary her senior year. Margaret earned an award for her outstanding skills in Homemaking and, as a member of Morton 4-H Club for five years, earned an award in dressmaking.

Margaret attends the Church of Christ on Southwest Second Street and has served as a teacher in Vacation Bible School.

Margaret's hobby being music, she is active in the High School Choir, and the Triple Trio. Her taste in music varies from country and western to semi-classical and classical.

Being undecided as to where she will finish her education, Margaret thinks she will major in either music or elementary education.

Study club hears of work done by MOD

The National Foundation of the March of Dimes was the program for the Elma L. Slaughter Study Club given by Mrs. LeRoy Johnson, guest speaker for the evening.

Mrs. Johnson told the club that the National Foundation is not easy to define. "We remember polio with horror and sorrow and the March of Dimes, through research, has made it possible to almost eliminate polio," she said.

Since polio has been arrested, the National Foundation has turned its efforts to crippling birth defects. More than 250,000 Americans are born every year with birth defects. Mrs. Johnson went on to say that there are more than 2,900,000 mentally retarded Americans because of birth defects.

Gaylene Weed is SPC Homecoming queen nominee

Gaylene Weed, Morton, is one of the twenty-one South Plains coeds vying for Homecoming Queen honors at South Plains College, Levelland, on Feb. 4.

Miss Weed is being sponsored by the Drama Club. The Queen will be crowned during half-time at the Homecoming game between the SPC Texans and Frank Phillips College.

All except five of the 21 candidates will be eliminated during an all-college assembly and pep rally Jan. 31 in the college auditorium. During another assembly on the morning of Feb. 4, the top five contenders will be presented and students will select the Queen from the remaining five.

During the game half-time, the 1966 Homecoming Queen of South Plains College will be crowned and presented a trophy, bouquet of roses and the crown. The new Queen, with her attendants, will reign over the remainder of the game.

Ta-Wan-Ka takes a science tour

Ta-Wan-Ka Camp Fire Girls met for their weekly meeting Jan. 21 in the school room of Mrs. W. G. Freeland. The girls toured the science building and would like to thank Mr. Harris and Mr. Rosson for the guided tour.

The girls will meet Feb. 4 at the school. They are asked to learn the three Camp Fire ranks, seven crafts, Watchword and slogan by that time.

Those present were Cassandra Reeder, Michelle Jones, Debra Williams, Carolyn Gray, Jennie Coker, Becky Melton, Renee Anglin and Emlea Smith. Mrs. E. L. Reeder, leader; Mrs. Morton J. Smith, assistant and Mrs. Henry C. Williams.

Visiting in the Carlton Luper home over the weekend with her parents were Mr. and Mrs. Leslie Fine and friends, Mr. and Mrs. Alton Taylor, all of Midland. Sunday visitors with his parents was Ray Luper of Texas Tech and Guion Pelot, freshman student at Tech from Waco. Also visiting were Mr. and Mrs. Lester Ware of Morton.

Honor two for Rainbow work

Mrs. James St. Clair and Mrs. J. C. Reynolds were honored with a tea Sunday afternoon from 3 to 5 in the home of Mr. and Mrs. Jack Wallace. The women were recognized for their outstanding service in Rainbow work.

Both are Past Mothers Advisors of the local Rainbow Assembly and were presented with white carnation corsages from the advisory board and Eastern Star. Mrs. Joe Gipson also presented them with a monetary gift from the Eastern Star. Mrs. St. Clair was given her PMA pin. Mrs. Reynolds is to receive hers at the Rainbow Installation Feb. 5.

About 50 guests registered and were served refreshments of cookies, hot tea and coffee, from table covered with a white lace cloth over pink. Centering the table was an arrangement of pink

Tye Williamson was honored with a baked pheasant birthday dinner Sunday in his home hosted by his wife. Enjoying the day were his son, Warren, Mr. and Mrs. W. Williamson and Mr. and Mrs. Jerry Winder and girls.

and white chrysanthemums. Helping Mr. and Mrs. Wallace with hospitalities were Mrs. T. A. Rowland, Mr. and Mrs. Harold Toombs, Mrs. Kenneth Watts, Mrs. Beulah Toombs, Mrs. Dee Tucker, Mrs. Jerry Winder and Mr. and Mrs. Charles Bowen.

Get it at your FAVORITE GROCER

Get 1/3 More!

NIPAK 45 gives you 1/3 more nitrogen per pound than any other form of solid nitrogen fertilizer

Get better wheat crops and earn bigger profits. Topdress your wheat with NIPAK 45 right now—for greater yield and higher protein. NIPAK 45 gives you one third more nitrogen per pound than any other form of solid nitrogen fertilizer—which enables you to handle less fertilizer and cover more ground in less time. NIPAK 45 is uniformly prilled, too. It flows easily, won't

cake, clog—or corrode your equipment. NIPAK also dissolves in the soil moisture and moves quickly to the root zone where it stays put until your crops need it. So for more grow power ask your local NIPAK dealer about NIPAK 45. He can help you plan a complete fertilizer program because he can provide a complete fertilizer service. NIPAK—THE BEST 5-LETTER WORD FOR FERTILIZER.
