... bale . . .
BERMIN RODRIGUEZ, right, is all smiles as he looks at the 0001 tag on his bale of cotton. The bale, first to be ginned in Cochran County this year weighs-in at 495 pounds. Rodriguez, who farms for his father, said he ginned 800 pounds of seed and planted 2,000 pounds of seed on 8-10 acres. The cotton,

Stripper 31, was planted in mid-April on the Rodriguez farm about 5 miles northwest of Morton. The cotton was ginned Friday at the Star Route Gin. Standing with Rodriguez are O. B. Seaton and James Whitehead, both ginners at Star Route Gin.

School Board votes on free lunches, bills, new teachers

Free lunches for 12 children, payment of bills, hiring of new teachers and payment for a pick-up were major items of discussion at the monthly meeting of the Morton Board of Education. The first and by far the most important discussion centered around the temporary giving of free lunches to 12 children from four families. The school board has previously decided that a decision in favor of giving a student free lunches would be granted only after the parent had met with one of the board's parents.

who is 17, works for a farmer and makes \$52 a week. They receive no commodities, assistance checks and pay no rent. But they own a 1960 Chevrolet and are making payments of \$48.51 per month on it. They still owe more than \$200 on it. The lady said that they only need lunches during the winter. The third applicant has three of her five children in school. Those school aged are 11, 10 and 8. Her husband is in the hospital and she

irons for the public. She also said that she receives no checks, commodities, or social security and owns no car and pays no rent. After much discussion, the board decided to give the children free lunches temporarily. The cases are subject to monthly review. The second major item of business was the paying of the August bills. The board approved payment of \$42,589.78 in bills. Again, after much discussion, See SCHOOL, Page 2

National 4-H week shows worth of Cochran County 4-H chapters

The first applicant was a widow with \$140 monthly income. She has three children, three of which are school. Those school aged are 11, 10 and 9. She makes a \$40 monthly house payment, and receives commodities from the county. The second applicant has 6 children, four of which are in school. The children in school are 16, 13, and 9. She said her husband in Houston and that he has not provided any support for the family for four years. Her oldest son,

Cochran County's 250 4-H members know they belong to a good thing. As national 4-H week rolls around, Sept. 24-Oct. 1, they will join with nearly 2 1/2 million other youngsters in the celebration. 4-H is open to any boy or girl between the ages of 10 and 19 who agrees to work on a project and follow 4-H ideals and standards. The main requirement is a willingness to learn by doing, and

"to make the best better" — the club motto. Is it necessary to live on a farm? Of course not. Because of the decline of rural population, now only half of the 4-H members live on a farm. Projects range from agriculture to photography and electricity to rifle, with a little sewing and home economics thrown in for good measure.

The 4-H club program is part of the nationwide educational system of the Cooperative Extension Service, which is a three-way partnership of the U.S. Department of Agriculture, the state landgrant colleges or universities, and county governments. Local leaders are mainly volunteer workers, some 400,000 men and women, many of whom are former 4-H'ers themselves. Coupled with the volunteers are trained professionals, like Homer E. Thompson and Jennie Allen, both of the local County Extension Service. The local club is based on democracy. It is where the members elect their own officers, plan See 4-H, Page 2

4-H merry-go-round . . .
JUDY OLIPHANT, 9, takes a good look at a merry-go-round made by Larry Hale and shown at the 4-H fair that kicked off National 4-H Week. The week, running from

Sept. 24-Oct. 1, is designated to help promote 4-H and what it stands for. The fair, attended by more than 130 adults and children, featured a skit, several table-top demonstrations, and refreshments. TRIBPIX

Wreck injures 5, totals two cars

Two cars were demolished and five people injured as the result of a wreck in Enochs Monday night. Hospitalized in Morton Memorial Hospital in good condition were Mrs. Lorena Carter, Rogers, N.M., Mrs. Mae Williams, Three-Way, Mrs. Fannie Walker, Rogers, N.M., Mrs. Adella Dacus, Three-Way, and Lincoln Brooks, Lubbock. The four women, all teachers at Three-Way school were en route to a teachers meeting at Bula when the accident occurred. Brooks is a driver for Lubbock-Amarillo Armored Service Inc. The wreck happened about 7:10 p.m. at the intersection of highways 214 and 54 in Enochs. The 1966 Rambler, driven by Brooks, was traveling south on 214 while the 1964 Chevrolet driven by Mrs. Carter, was traveling east on 54. The collision happened in the middle of the intersection and resulted in both cars landing on the southeastern side of it. Posts and highway signs were flattened by the force of the cars. Freddie Jacks, investigating officer, Dept. of Public Safety, said that both cars were totaled in the wreck that happened with the cars each traveling about 50 mph. He also said that a failure to yield right-of-way charge would be filed against Mrs. Carter.

1034 votes cast

Hospital, courthouse approved; airport fails, road tax is tied

One arrested, one still sought in cop shooting

One suspect is still being sought in the Sept. 14 early morning shooting of Morton patrolman R. B. Cunningham, while another person has already been jailed. Jailed in Albuquerque, N.M., is Alice Steen Hughlett, who lists her age at 25, a Negro from Hobbs, N.M. She has been charged by Morton law enforcement officers with attempted murder with malice.

Her companion is still being sought and will be charged with being Mrs. Hughlett's accomplice. Mrs. Hughlett was arrested by driving down an Albuquerque street in the car wanted by Morton police. The trio was charged with drinking in public while additional charges of vagrancy were dropped against Mrs. Hughlett, her sister, Alma Ellis, 18, and the other woman, Mary Helen Ross, 26. Albuquerque Justice of the Peace Epimeno Herrera said Mrs. Hughlett was sentenced to four days in jail. Morton patrolman R. B. Cunningham and deputy Chester Miller went to Albuquerque following Mrs. Hughlett's arrest to serve attempted murder with malice papers against her, and to attempt to extradite her.

She waived extradition which caused extradition proceedings to be started against her. Sheriff Hazel Hancock said that an extradition hearing would be held in Albuquerque to determine if there was enough evidence against Mrs. Hughlett to warrant returning her to Texas for trial. Sheriff Hancock said, "The fight's goin' to be on (referring to the extradition hearing). But we're just goin' to have to get on with it."

Mrs. Hughlett is no stranger to Morton police. She was arrested and charged with aggravated assault and shoplifting following an incident in April of this year at Clarke's Dry Goods Store here. See ARREST, Page 3

Checking the seal . . .
COUNTY JUDGE Johnny Love looks over the ballot boxes of Tuesday's bond and road tax election. After the returns were tabulated, it was found that the road tax issue was tied 507-507. This now means that the vote must be canvassed and if still tied, a ruling must be made by the state attorney general to determine the status of the tax. TRIBPIX

It was like waiting for blast-off at Cape Kennedy in the County Clerk's office Tuesday night as the last box of the election came in to be tabulated.

The last box, belonging to Neely Ward, had the ability to pass or flunk two issues: the airport and the road tax. As it came out the airport issue failed and the road tax was tied-up.

There was visible happiness in the clerk's office when it became apparent that the hospital and courthouse would pass. They passed 609-407 and 518-480 respectively.

The airport issue was most soundly defeated, 386-603 while the road tax was tied 507-507.

The votes will be canvassed by the Cochran County Commissioners' Court, Friday, Sept. 23, at 10:30 a.m., according to County Judge Johnny Love. County Attorney Jim Walker said that according to other Texas statutes, the bond issue was defeated. He said Texas statutes stipulate that an issue must pass for it to be enforced. In other words, a tie vote would kill the proposed issue.

If, following the certification of the votes, the road tax issue is still tied, it will probably be declared rejected, Walker said. He also said that if the issue was rejected, then it would be a year before the issue could be presented to the voters in an election.

When the Lehman box returns were tabulated their 0-18 defeat of the airport issue prompted one observer in the courthouse to remark, "I don't guess they believe in flying."

County Clerk Lesseye Silvers said that the turnout for the election was pretty fair, with a total of 1034 voting.

The first returns came from the Morton box at the county activity building. Their strongest endorsement was the hospital bond, 463-158, while they showed close feelings on the airport, 303-302.

Whiteface voters didn't approve of anything as they soundly defeated every issue, including the hospital, which the majority of the county voters chose to approve. The only item that received any support was the courthouse with voters balloting 135-30 against it. The courthouse-jail bond issue was carried almost entirely by Morton voters as Whiteface, Bledsoe, and Neely Ward voted against it. A two-vote margin approval at Lehman and a one-vote margin See VOTE, Page 3

Encephalitis

More encephalitis has been reported by Richard Biggs, Morton Memorial Hospital administrator. A total of five confirmed cases and a new possible bring an increase over last week's one possible case. Last week's possible is now one of the confirmed cases. Biggs said that the symptoms are headaches, sleepiness, and high fever. He urged people to consult a doctor.

Plaudits are given for goin' Jesse at real George banquet

About 200 persons gathered in Morton Saturday night to pay tribute to Jesse T. George, State Representative for Cochran, Bailey, Hockley, Terry and Yoakum Counties. The dinner was held in the Morton school cafeteria, sponsored by the Morton Junior Chamber of Commerce.

Plaudits came from all parts of the state for the dynamic young legislator and civic leader. George resigned Sept. 1 as manager of the Morton Area Chamber of Commerce. He formed the Morton Jaycees during his term as regional representative. He currently is serving as state vice president of the Texas Junior Chamber of Commerce.

Master of ceremonies Dean Weatherly read letters and telegrams from Governor John Connally, Lieutenant Governor Preston Smith, Attorney General Waggoner Carr, Secretary of State John L. Hill, House Speaker Ben Barnes and numerous state legislators.

George was introduced by Don Appling, a former college instructor and now a law student and aid to John L. Hill in Austin. Appling pointed out that George had begun his rise early by becoming valedictorian of his class (1959) at Brownfield, student body president and highest ranking student at Sul Ross (1963), a teacher at Midland Lee High School and instructor in history and government at South Plains College. George was elected to the House of Representatives from this district in 1964 and currently is unopposed for reelection. "He brought to us a new vigor and a new interest in politics," Appling commented. Visibly touched and near tears, George responded briefly with

All smiles . . .
JESSE T. GEORGE, center, is all smiles as he receives a book about John F. Kennedy from Chamber of Commerce President Joe Seagler, right. The presentation took place

during the Jesse T. George appreciation banquet held last Saturday. Cleve Bland, Jaycee president, presented George, on behalf of his organization, an eight volume toastmaster set. TRIBPIX

Driver injured . . .

THE DRIVER of this 1966 car was injured when he was involved in a collision with a 1966 car at the intersection of highways 214 and 54 in Enochs Monday night. Four women in the other car was also injured. Driver of this car was Lincoln Brooks. TRIB/ix

some of which dealt with some of the members personal theories of driving and how to save money doing it, the board decided to pay \$500 to agriculture teacher Owen Young for furnishing the pickup and insurance for the local FFA chapter.

It was decided that the school board would be rid of some problems, primarily financial, if Young furnished the pickup and insurance, rather than Allsup-Reynolds, as has been the case in the past. Supt. Ray Lanier then brought before the board the names of teachers to be officially hired and one resignation to be accepted. The resignation was a Mrs. Bruce Lanier explained that she had resigned before the deadline, but that she had lost her books.

The teachers formally hired were Mr. and Mrs. J. L. Cox, Mr. and Mrs. David Mitchell, Mrs. Herbert Cadenhead, Miss Vanice Lovett, and Haskell Grant. An offer was made to the board that they sell two 30 foot lots for \$250. It was explained that the lots were acquired in a sheriff's sale and that they were not doing the school any good. However the school did not have an up-to-date abstract for the land, only a sheriff's deed and an insurance policy title. The board decided to sell the land for \$250 with the deed.

The minutes were changed to read that Fred Payne is the school board auditor rather than the firm of Graham, Glover and Brown.

It was reported that 88.04 per cent of the 1965 school taxes had been collected. Several members of the school board are going with Lanier to Austin to attend the joint meetings of Texas School Board Ass. and Texas Ass. of School Administrators, however, it wasn't known exactly how many would be able to attend.

Those present at the board meeting included Lanier, Francis Shiflett, O. L. Tilger, Weldon Newsom, L. T. Lemons, Williams, and Don Hofman. Also there were Dub Hodge, George Tuck and Dean Weatherly.

★ First meet

L'Allegro Study Club will have its first meeting of the 1966-67 year on Thursday, Sept. 22. The meeting will begin at 8 p.m. in the home of Mrs. W. B. Merritt on Country Club Road.

4-H

from Page One

and conduct their own programs, and hold regular meetings. Most clubs have three parts to their meetings — business, educational and recreation. It is in these meetings that the members learn parliamentary procedure, how to make individual and group decisions, how to use elected officers effectively, and how to plan and carry out group activities. In short, they learn and practice the fundamentals of our form of government.

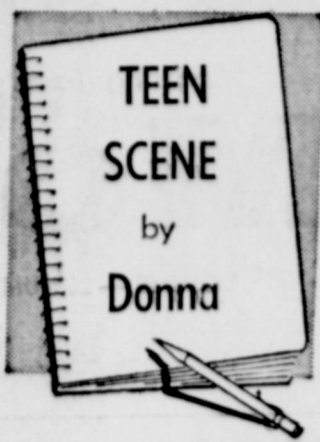

The educational part of the club meeting centers around individual projects and activities that interest the group. Demonstrations, judging practice, illustrated talks, and group discussions are some of the teaching tools employed in these meetings.

But, recreation is also an important part of every 4-H club. Group singing, folk games and dances and active sports are but some of the recreational devices employed by local 4-H clubs.

However, despite the local touches involved in 4-H, it is an international program. There are more than 70 countries that have programs similar to 4-H, but adapted to their needs. For additional information about 4-H, or to join, see Homer Thompson or Jennie Allen at the County Extension Service office in the county activity building.

Ernest Chesshir, son of Mr. and Mrs. Dave Chesshir, and a student at Lubbock Christian College, has been chosen as beau of the Metah Mooms, a girl's social club, and as vice president of Tomo Dashi, a fraternity, for the coming school year.

Mr. and Mrs. Ben McLendon returned Monday night, Sept. 19, from a week long visit with their daughter and her family, Mr. and Mrs. Troy Brazier and sons, Robbie and David in Arizona.

Well, I guess everyone missed hearing from me last week, but that was due to all the homework that I had. I think everyone has been a little busy so far this year and really that's the way it should be.

Class meetings were held yesterday to elect new officers. At the time I am writing this, I do not know the results so I will just say "congratulations", whoever you may be.

The band has been doing a fine job this year. It looks like it will be twice as good as last year's was, and that's just pretty darn good!! It takes a lot of work to play in the band and a lot of will-power. It's hard to march and do the same routine over and over again, and of course there's always Mr. Stockdale with his favorite expression; GO BACK AND DO IT AGAIN!! They're great and they deserve a lot of recognition for being just about the best band in their region.

The school spirit has been pretty good this year. Everyone seems excited about the ball games and are really backing the Indians. They'll be looking for their first win Friday and I hope they will get it. We play Abernathy at 8:00 at the Indian Stadium. Everyone be there!

The Pep Squad has come up with something different this year. Each week they pick "OUR HERO". This is one boy on the team who they think has worked the hardest and shown the most spirit. This week's hero is Larry Smith who is a SENIOR. His picture is

New officers shown . . .

Y-M STUDY CLUB'S new officers include, standing, Mrs. Fred Weaver, corresponding secretary, Mrs. Weldon Wynn, 2nd vice president, Mrs. Robbie Key, reporter and historian, and Mrs. Ray Lanier, treasurer. Seated

are Mrs. Leonard Groves, secretary, Mrs. Kenneth McMasters, president, Mrs. Francis Shiflett, 1st vice president, and Mrs. Garnett Bryan, parliamentarian. Absent was Mrs. Jerry Winder, auditor. TRIB/ix

in the showcase by the office. It doesn't look a lot like him because it is a baby picture. Gosh, Larry, you sure were cute!

Larry was a good choice for their hero because he sure played a good game against Friona last week. So did several other boys. It was a real close game but we just couldn't seem to get the ball over the goal in that second half. Donnie Harvey made our first and last touchdown.

They say that one way to prove if you played a good game is to count the scratches and bruises that you have acquired. After the first game Billy Smart didn't have any, but he told everyone that he was hurt internally. Well, last week he really played hard, or at least it looks that way. He has a busted lip and a black eye. What will happen this week Bill??

The Spirit Stick was awarded to the President of last year's Junior Class, Don Van (which is short for Vanlandingham). In case you haven't figured it out yet, that is this year's SENIOR CLASS!! Way to go gang. Keep up the good "spirit" I wonder who will get it this week?

My brother is in Ag this year and being a freshman he is having to learn the FFA Creed. I think I should be able to join after helping Ronnie learn the creed, don't you, Mr. Young??

Mrs. Whillock and I decided that if anyone came in our P.E. class and didn't know what was going on, they'd think we were crazy. We do exercises to a Debbie Drake record and some of them "are" crazy, especially when they're done to music.

I guess I had better close for now. See you next week with more news.

Y-M Study Club names new prexy

The Y-M Study Club met Thursday, Sept. 15, at 7:30 p.m. in the home of Mrs. Luke Hargrove. A salad supper honoring the new president was prepared and served by Mrs. Hargrove.

Hostess for the evening was the Executive Board. They were Mesdames: George Hargrove, Francis Shiflett, Weldon Wynn, Leonard Groves, Ray Lanier, and Mrs. Shiflett called the meeting to order and the invocation was given by Mrs. Groves. After dinner Mrs. Shiflett introduced the new president and officers for the year. Mrs. Kenneth McMasters is the new president. Mrs. McMasters announced her motto for the year, "Without council, plans go wrong. But with council, things succeed."

She gave a very inspiring talk and reminded the members to improve themselves and inspire others and give service. She said that members should aim high and join together. Home is the center of civilization and life. She closed her

talk with a prayer to the clubman. A short business session followed. Mrs. Shiflett dismissed the meeting.

There were three guests present. They were Mesdames: Billy W. ems, Deryl Bennett, Kenneth W. att. Members present were Mesdames: Shiflett, Wynn, Groves, Lanier, Richard Biggs, Gary Bryan, Max Clark, Neil Jones, Robbie Key, Dexter Nubut, Pe Pierce, David Stowe, Fred Weaver, Jerry Winder, and Donald Smith.

Busy Fingers meet

The Busy Fingers Sewing Club met Thursday, Sept. 15, in the home of Mrs. W. E. Childs, Mrs. A. R. Lindsey, president, presided at the meeting.

Members attending were: Mesdames W. E. Childs, W. L. Miller, F. L. Fred, Joe Gipson, Henry Bedwell, Bill Hovey, Grady McHam, F. E. Baldridge, A. R. Lindsey and R. W. Hill.

Ever been to a Hawaiian Luau? Friday night, Sept. 23, after-gate fellowship, First Baptist Church.

Other prizes, for the less fortunate winners, include radios, luggage, watches, etc. Support the Morton High School Band, buy magazines from them. TR18P1X

Thru the telescope by luck

Results of Tuesday's election in Cochran County delighted some, dismayed some, shocked others. But the people of the county now have had their say. Most important, now, is for everyone to work more closely for the good of the entire community. As has been often said, "A democracy is an imperfect society, but is far superior to any other form of government which has yet been devised."

Weather permitting, there will be a new Guard Light installed near the west gate of the football stadium by game time Friday night. The light has been donated by Luke Luper. If you appreciate what he's done, drop in and tell him so.

The Morton Athletic Boosters have a membership now of about 133, but they still feel many aren't members. So they will sell memberships at the gate prior to Friday's game here with Abernathy. Even a lot of those who are members don't know that coaches show the previous week's game film during the Booster meetings. These films are most interesting, because the coaches can point out key plays that are often missed by spectators. And you women who go to games but don't really understand what's going on are particularly welcome at the Booster meetings. The group meets each Monday at 8 p.m. in the school cafeteria.

We hope you will be on hand Friday night when the Indians host the Abernathy Antelopes. The Antelopes are heavily favored, but the Morton team is about ready to spring an upset . . . and you wouldn't want to miss that, would you?

Still speaking of football, Kenneth Thompson is slated to attend a medical technician's meeting in Dallas this weekend. It is purely coincidental, he keeps telling his wife, that SMU will meet Navy in the Cotton Bowl on Saturday night and the Dallas Cowboys will play the Minnesota Vikings there on Sunday afternoon. I understand Pearl still isn't fully convinced.

Despite rain and rather sticky driving conditions last week, we enjoyed making the annual Farmers Home Administration tour, conducted by Marvin Elliott. Stops included two farms and two houses in Morton. Detailed financial figures were given on one of the farms. Most interesting was that use of more fertilizer (following soil analysis) and certified seed had increased net income to \$7,800 per year over the last five years as compared with an average of \$1,270 for the previous seven years; and the average net worth from \$1,092 to more than \$16,000. The two homes were located in the northeast section of Morton and were renovated into nice-looking residences. Marvin says his biggest problem is getting money to finance the many more low-income families that have applied for home improvement or home purchase loans.

Next week is "new car time" around the country. All three of the local dealers have new cars in town now. Formal showing of 1967 Chevrolets and Oldsmobiles is set for Thursday at Allsup-Reynolds Chevrolet and Hawkins Oldsmobile, while Jones Ford Sales will show their new models on Friday.

Fermin Rodriguez came in with the first bale of cotton last weekend, but if the weather doesn't show some strong improvement soon, it's liable to be a couple of months before harvesting gets started. And combines have been idle most of the week because of more rain and fog and drizzle and high humidity and probably some other factors.

Saturday night's banquet honoring Jesse T. George was well-attended and delightful throughout. However, it was a little embarrassing that the out-of-town folks outnumbered those from Morton. The three Brownfield high school girls who sing folk songs really made a hit with the crowd. They call themselves The Darkroom Three-o because one of their members, Shirley, works in a photo dark-Liza Shirley, works in a photo of the girls practice.

Take care of yourself. Is our caution in rhyme. The cold, heat and damp. Make this cold and flu time.

Mr. and Mrs. O. D. McKnight and children stopped by for a short visit with her parents Sunday after, Sept. 18.

Darrell McKnight spent the day with relatives in Morton Sunday, Sept. 18.

A baby shower was given for Mrs. Billy Enos in the home of Mrs. Len Cartwright Saturday, Sept. 17.

Church. Mrs. L. S. McCarty provided dinner music. Buddy McGeehee was chairman of the Jaycee banquet committee.

Breakfast meet held by YWAs

The Y.W.A. of the First Baptist Church met Sept. 14, at 7 a.m. for Week of Prayer Program and breakfast in the J. C. Reynolds Home. Miss Dena Smith, president, presided at a short business session.

Miss Connie Stowe read the calendar of prayer. Miss Dena Smith, Miss Sharon Graves and Mrs. O. B. Huckabee gave a most interesting program on "My Life - Committed".

Those attending were: Mrs. Harold Drennan, W.M.U. president; Bro. Fred Thomas, Bro. Leroy Martin, Bro. Percy Renick, J. C. Reynolds, Mrs. O. B. Huckabee, Dena Smith, Glenda Smith, Jeanette Cooper, Connie Stowe, Charlotte Smart, Sharon Graves, Cheryl McDaniel, Gail Rowland, Mary St. Clair, Mickeye Rainold, Jean Rainold, Jan Thomas, Kay King and Mrs. J. C. Reynolds, counselor.

Arrest

from Page One

At that time she is alleged to have "lifted" some clothing from the store and threatened the store owner H. T. Clarke with a knife when he tried to apprehend her. She has also been arrested for forgery in Levelland under the name of Alice Stene Johnson. Until April, 1966, she had a record of 29 police charges including aggravated battery for which she was sent to the New Mexico state penitentiary in Santa Fe for 2-10 years. She was released after about four years but her parole was revoked when she was arrested and returned to prison, Sheriff Hancock believes that she was released the last time about April of this year.

He also stated that some of her friends were arrested in Albuquerque just recently after allegedly killing a businessman there. Police believe that there is a connection between some of Mrs. Hugglett's activities and the death of the businessman.

At the time of her arrest, the car Mrs. Hugglett was driving was loaded with merchandise that was believed to have been stolen and shoplifted. While she was in Morton the last time, it was believed that she was in one of a two-car caravan.

An application for extradition will be filed by local authorities about Oct. 3. Following the application, the governors of Texas and New Mexico will set a date for an extradition hearing, at which time testimony will be given to determine if there is enough evidence to bring her to trial.

Vote

from Page One

at Townsend Gin also helped it along. Only the absentee voters and Morton approved of the airport bond issue. But, both were by slim margins, two and one votes respectively.

Again, it was primarily Morton that nearly insured the success of the road tax issue. Also giving it a majority were Neely Ward and Lehman. Voting against it were Whiteface, Bledsoe, Townsend Gin and the absentee voters.

The heaviest voting took place in the hospital and air tax issues with the courthouse and airport following.

After the returns were complete and the fate of the various issues were known, Judge M. C. Ledbetter was asked what he thought of the results, he said, "Whatever the voters do is fine with me." He then paraphrased Thomas Jefferson to say that if you leave an issue in the hands of the voters, then you know that it will work itself out for the best.

Richard Biggs, hospital administrator, said that the issues turned out about like he thought they would and that he was real happy that the hospital issue had been brought before the people so they could get a chance to choose its future. However, he expressed disappointment that the voters didn't see fit to give the county a better airport.

Campfire Girls hold first meeting

The Ta-Wan-Ka Campfire girls met for their first meeting Friday, Sept. 16, at 3:30 p.m.

They elected their officers for the new year. They are: president, Emlea Smith; vice president, Becky Melton; secretary, Debra Williams.

Refreshments of donuts and punch were served to the following: Carolyn Gray, Cassandra Reeder, Debra Williams, Emlea Smith, Mary Smith and Mrs. Henry Williams.

Mrs. E. L. Reeder will be the leader for the group with Mrs. Morton J. Smith as her assistant leader.

Mike Doss flew Mrs. Truman Doss and Mrs. Pat Mullinax to join Mrs. H. O. Rogers and Mrs. E. L. Polvado in Ruidoso, N.M., last Friday. Mike returned Friday and the others drove home Sunday.

Four injured . . .

FOUR WOMEN, all teachers at Three-Way school, were injured when their car collided with a 1965 Rambler driven by Lincoln Brooks at the intersection of highways 214

and 54 in Enochs. The driver of this car Mrs. Lorena Carter was charged with failure to yield right of way. The accident took place about 7:10 p.m. Monday. TR18P1X

Discouraging reports given at C of C meeting

Interviews with two applicants for Chamber manager and discouraging reports on a proposed highway and cotton spinning mill topped a lengthy agenda for Morton Area Chamber of Commerce directors.

In session Monday evening, directors heard that prospects had dimmed for locating a cotton spinning mill in Cochran County, although leaders still are working on the project.

Roy Hickman, president of Frontier Textiles, told directors "It doesn't look good right now. Interest rates have gone up, no lending money is available and machinery prices have increased 25 per cent."

Hickman reported on a trip made by Frontier Textiles leaders to Lorenzo to find out how that town's textile plant was progressing. They were told that officials in that South Plains town had raised between \$300,000 and \$400,000 and still couldn't get a secured loan for the remaining \$200,000 needed.

"About the only thing I can see to do now," Hickman offered, "is to locate a mill that wants to move from the East Coast and get them down here."

"We should have been in about two years ago," he reflected. Questioned about possible returns, Hickman said that projections show that a spinning mill can net 10 cents per pound on raw cotton milled, which would pay out a mill in four or five years. Hickman said that Frontier leaders planned to contact a number of mills in the East to get leads of

companies which are considering moves to the west. "If we can find out about some of them, we might need to go visit with them," he commented.

A detailed report was presented to directors about a meeting of Cochran County delegates and the New Mexico Highway Commission last Thursday in Santa Fe. Attending were Van Greene, chairman of the Chamber's highway committee; Glenn Thompson, Tip Windom, Jack Russell, Glenda Yancey and State Rep. Jesse T. George.

They were seeking New Mexico's cooperation in extending State Highway 116 west from the Cochran County line to connect with U. S. Highway 70 for a more direct route to Roswell. Delegates were told to discuss the proposal with Commissioners of Lea, Chavez and Roosevelt Counties.

Meetings with those groups now are being arranged. Gary Miller, a Levelland radio station employee, and Leon Kessler, Morton insurance salesman, appeared before Chamber directors seeking the manager's post.

Another meeting of the board to discuss the applications was set for 5 p.m. Tuesday, Sept. 27.

Lone Star Amusement Company of Amarillo was booked to bring its rides to Morton Oct. 10-15, sponsored by a mill in four or five years. Hickman said that Frontier leaders planned to contact a number of mills in the East to get leads of

resignation from the board, stating that he would be moving to another state soon. Wright was one of two representatives of the Morton Jaycees named to the board earlier this year. His vacancy will be filled by another Jaycee.

Treasurer Rutsy Reeder stated that the current bank balance lacks about \$28 covering all bills payable. He was told to pay bills as far as possible at this time.

Whiteface study club honors prexy

Mrs. J. W. Allen, president of the Whiteface Study Club was honored with a salad supper, Thursday, Sept. 16, in the Whiteface School auditorium.

Mrs. Allen was introduced by Mrs. Marvin Lasater who gave a resume of Mrs. Allen's life. Mrs. Darwood Marshall introduced the new officers and Mrs. Don Price presented the new yearbooks.

Mrs. Allen welcomed the members and gave her thanks for being chosen to this office. At the close of her inspiring speech she gave this quote "When you are born you cry and others smile. May we so live our lives that when we die - we will smile and others cry."

The club repeated the collect in unison. The next meeting will be "Federation Day" in the home of Mrs. Vern Bebe on Oct. 6.

Hostesses for the meeting were: Mesdames Jack French, Rex Black and Ralph Peters.

Those attending were: Mesdames J. W. Allen, Vern Bebe, S. J. Bills, Rex Black, James Cunningham, Wendall Dunlap, John Fietz, Jack French, Marvin Kuhler, Marvin Lasater, Fred Moseley and Darwood Marshall.

ing that he would be moving to another state soon. Wright was one of two representatives of the Morton Jaycees named to the board earlier this year. His vacancy will be filled by another Jaycee.

Treasurer Rutsy Reeder stated that the current bank balance lacks about \$28 covering all bills payable. He was told to pay bills as far as possible at this time.

Personals

Election

An election meeting will be held at the Kirk Gin office on Thursday, Oct. 6, at 1:30 p.m., to name a Supervisor for Zone 3 of the Cochran Soil and Water Conservation District. Zone 3 is the southwest portion of Cochran County, the north boundary being about 4 miles north of Lehman and Bledsoe and the east boundary being Highway 214. Ike Williams is currently the Supervisor for Zone 3. To qualify for the Supervisor position, a person must own land in Zone 3 and live in Cochran County. All landowners and their wives are eligible to vote.

4-H Saddle Club proud of prexy

Cochran County 4-H Saddle Club members can be proud of their president, Reva Lynn French. Lynn attends school at Whiteface and has been club president for two years. Her parents, Mr. and Mrs. E. J. French, Jr. are two of the adult leaders for the club. Her younger sister Nann is active in 4-H foods and horse projects. This year Lynn was one of five selected from Cochran County to attend District Horse Show. Here she placed 5th in barrel racing and earned the right to compete at the State 4-H Horse Show. She also was a member of the county quarter horse judging team that competed in district contest in April. At the local Little Britches Rodeo she placed 3rd in barrels and 4th in the pole bending. Her main interests this year have been training on the barrels, pivot turning and working on a smooth side stop. Lynn's running partner is a five-year-old quarter horse named Okie nose. As a part of her horse project she keeps records on expenses for feed and care, hours spent training and health records. As club president she heads up the formation at the many area rodeo parades the club rides in. The club has earned many ribbons and trophies on riding and in area playdays. One event Lynn enjoys is the playday that Cochran County sponsors. 4-Hers from other counties come and bring their horses for a day of riding fun and skills. Other club activities include trail rides, demonstrations on care and training of horses, practice riding and regular twice monthly meetings at the Morton Rodeo Arena, says Jennie Allen, Cochran County Home Demonstration Agent. Any boy or girl, 9 to 19, can join the 4-H Saddle Club with parental permission. Saddle Club Directors are Dale Hill, E. J. French, Jr., C. M. Dawson, Frank Bennett and Bud Burnett.

George

from Page One

and each of you I count as my friend . . . Already my life has been rewarding and enriched . . . Through people like you, we have a better community, a better state, a better nation and a better free world. The audience was delighted with the musical entertainment, provided by the Darkroom Three-o of Brownfield. Risa Cates, Liza Shirley and Sheryl Franks sang widely varying types of folk music for almost 30 minutes. Principal address was given by M. C. Ledbetter, Judge of the 102nd Judicial District. "Since 1939, when I came here, my theme song has been, 'If you don't give a young man a chance, you'd better quit havin' 'em.' " "In Texas, 50 per cent of the population is 30 years of age or younger and 43 per cent is 25 or younger, so it's only natural that we be represented by a young man. "After one term, the people of this district realized what a good job Jesse George had done and named him for re-election without opposition. "I see people from all five counties of this district and I think it is a great tribute that they have come out to congratulate Jesse George tonight," Judge Ledbetter concluded. Books were presented to George by Cleve Bland, president of the Morton Junior Chamber of Commerce, and Joe Seagler, president of the Morton Area Chamber of Commerce. The invocation was given by the Rev. Don Murray, pastor of the Assembly of God, and the benediction by the Rev. Kenneth Wyatt, pastor of the First Methodist

a little **BIG**
NOW

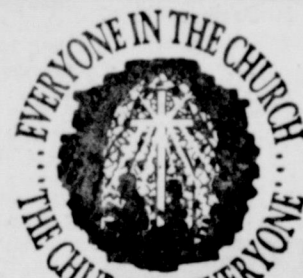

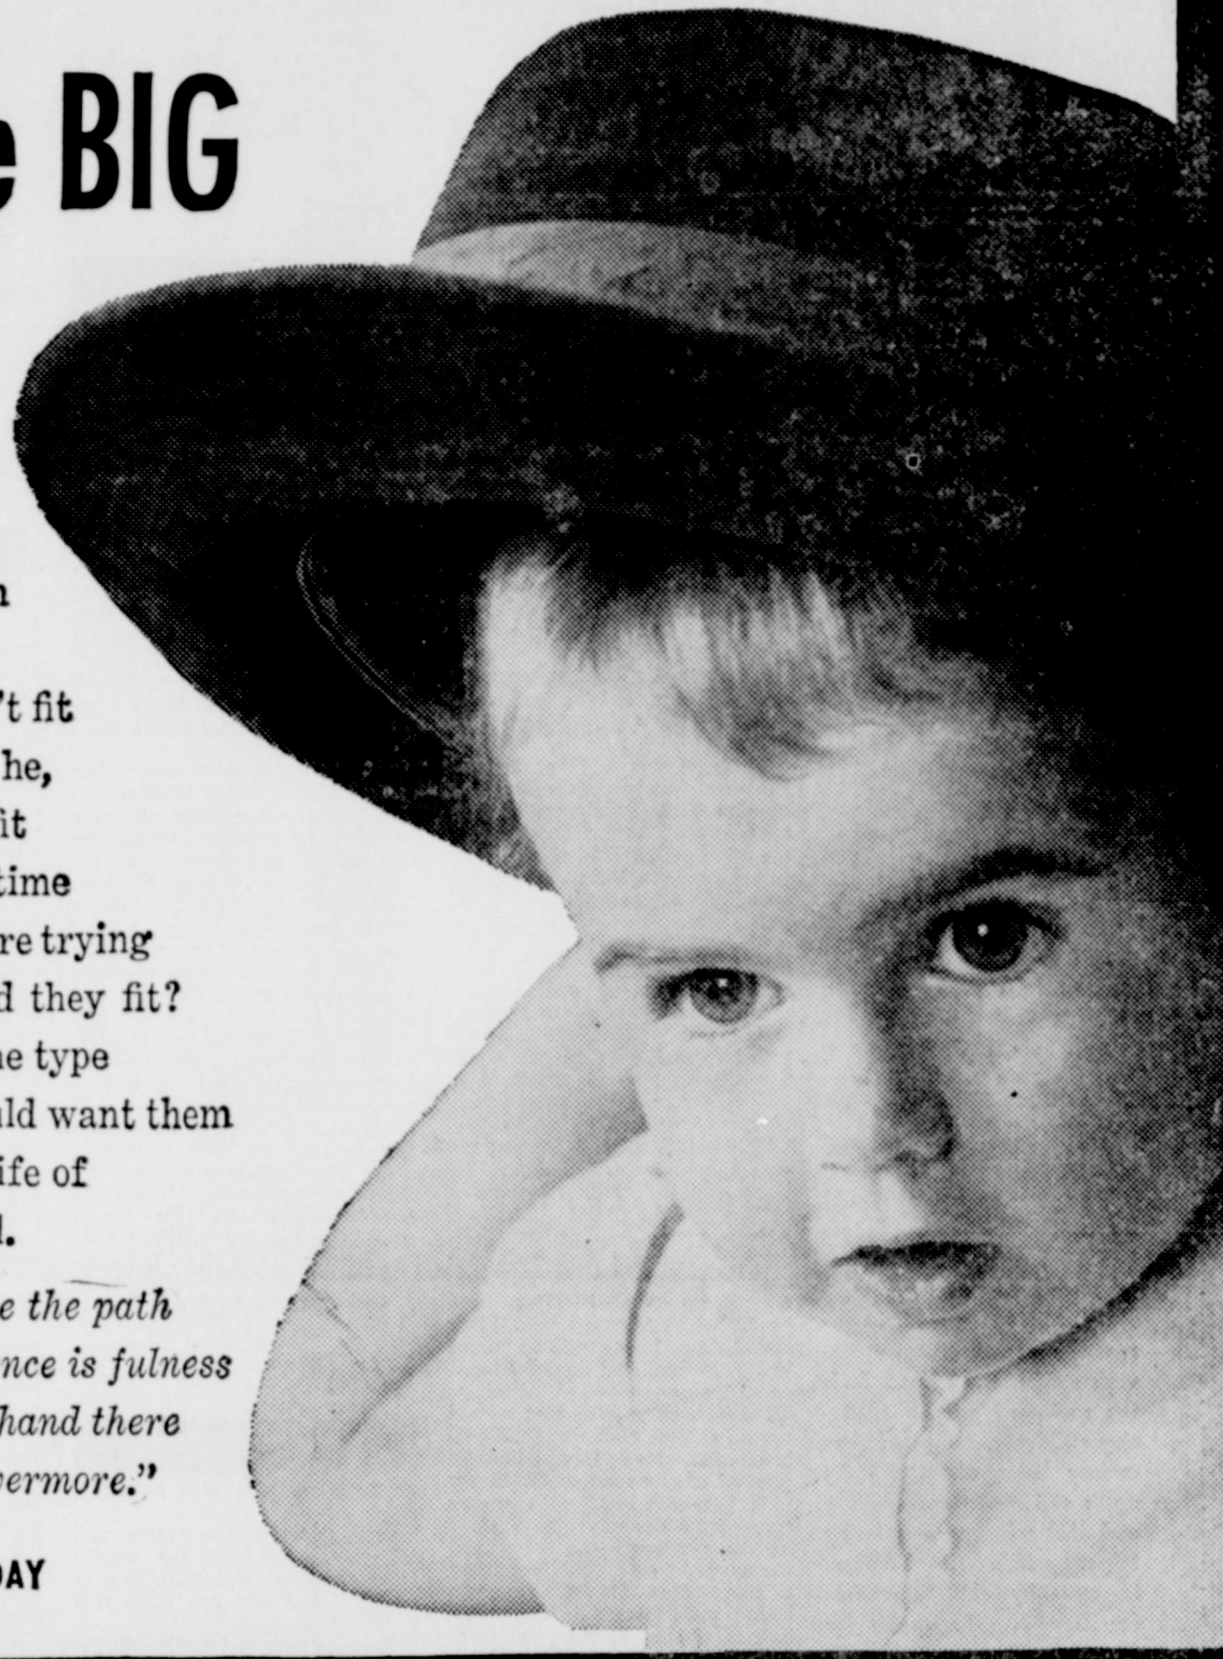

We all get a thrill out of seeing our children put on our hats or shoes. Obviously they don't fit now, but some day he, or she will grow to fit them. At the same time imagine that they are trying on our lives. Would they fit? ... or do you live the type of life that you would want them to grow to. Live a life of worship of the Lord.

"Thou wilt shew me the path of life: in thy presence is fulness of joy; at thy right hand there are pleasures for evermore."

ATTEND CHURCH SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Friona tips Morton 12-8 in eight scoring minutes

For the first eight minutes, fans have gone home from the Friona-Morton football game. Friona got the scoring, they know that of course, but Friona's Chiefs had the Morton Indians 12-8.

They stayed and watched as the Chiefs controlled the ball the entire second half, but couldn't get on the scoreboard. The victory Friona's record at 1-1. Morton is 0-2.

Friona was furious and it began the opening whistle as Morton off. Friona returned ten to their own 37. Halfback Jordan swept left end for yards, then the Chiefs were five yards. Jordan made yards on the next try. Quarterback Johnny Barker went to the right but it was intercepted by John Barker, his third aerial swipe of the season.

Friona went to the offensive on the 27. Halfback Donnie Harvey picked up 14 on a trap play. Halfback Jimmy Waters added yards in the middle. Harvey found a hole on a counter play right guard and streaked past the defense for 35 yards. A TD with 8:45 left in the period.

Waters blasted over left tackle for extra points and Morton on the scoreboard for the first time this season.

Waters kicked off and the ball went over the Friona deep back fullback Ted Renner. Renner retrieved the ball on seven, shook loose from the hands and sped down the field for a 93-yard scoring run with 8:27 left in the first half.

Friona ran for extra points, Morton offenses twice while stopping Friona. The penalties put the Chiefs away from the goal. Renner was stopped at the 29 by Morton's Jerry Luper and Dick Vanlandingham, plus most of the team. That left Friona in front 8-6.

Friona got another break as it set off short and tackle Ronnie Barker recovered for the Chiefs on Morton 29. A pass play was intercepted and Dick Vanlandingham and Tony Perea for a three-yard run. Perea tried it again and was stopped him for no gain. Friona penalized five yards. Renner kicked the ball dead on Morton 3.

Friona running plays netted seven yards and St. Clair went back to the 45. A crashing linebacker was touched and St. Clair tackled on the Morton two yard line.

Jordan went the distance Friona in a blast over left tackle with 4:54 still remaining in the period. Renner's kick at the cross bar and bounc-

ed back to leave the score Friona 12-Morton 8.

Friona got still another break as the kickoff was run-back 13 yards, then fumbled. Friona's Rickie Hurst fell on the ball at the Morton 31. But the Indians stiffened their defense, with a key tackle by Larry Smith for a three-yard loss and Morton took over on downs.

The Indians quickly rolled to a first down as the first quarter ended. Two 15-yard penalties wiped out big gains, including a 24-yard run by Harvey. Morton moved to the Friona 41 before Ray Lynn Murphree intercepted a St. Clair pass.

Friona ripped off gains in big chunks, but 25 yards on three penalties kept them away and nullified a 23-yard TD run by Eddie Barker. Morton finally stopped the drive on its own 19.

The Indians picked up one first down, then had to punt. Friona drove clear to the Morton eighty-yard line, but missed on a field goal attempt as the half ended.

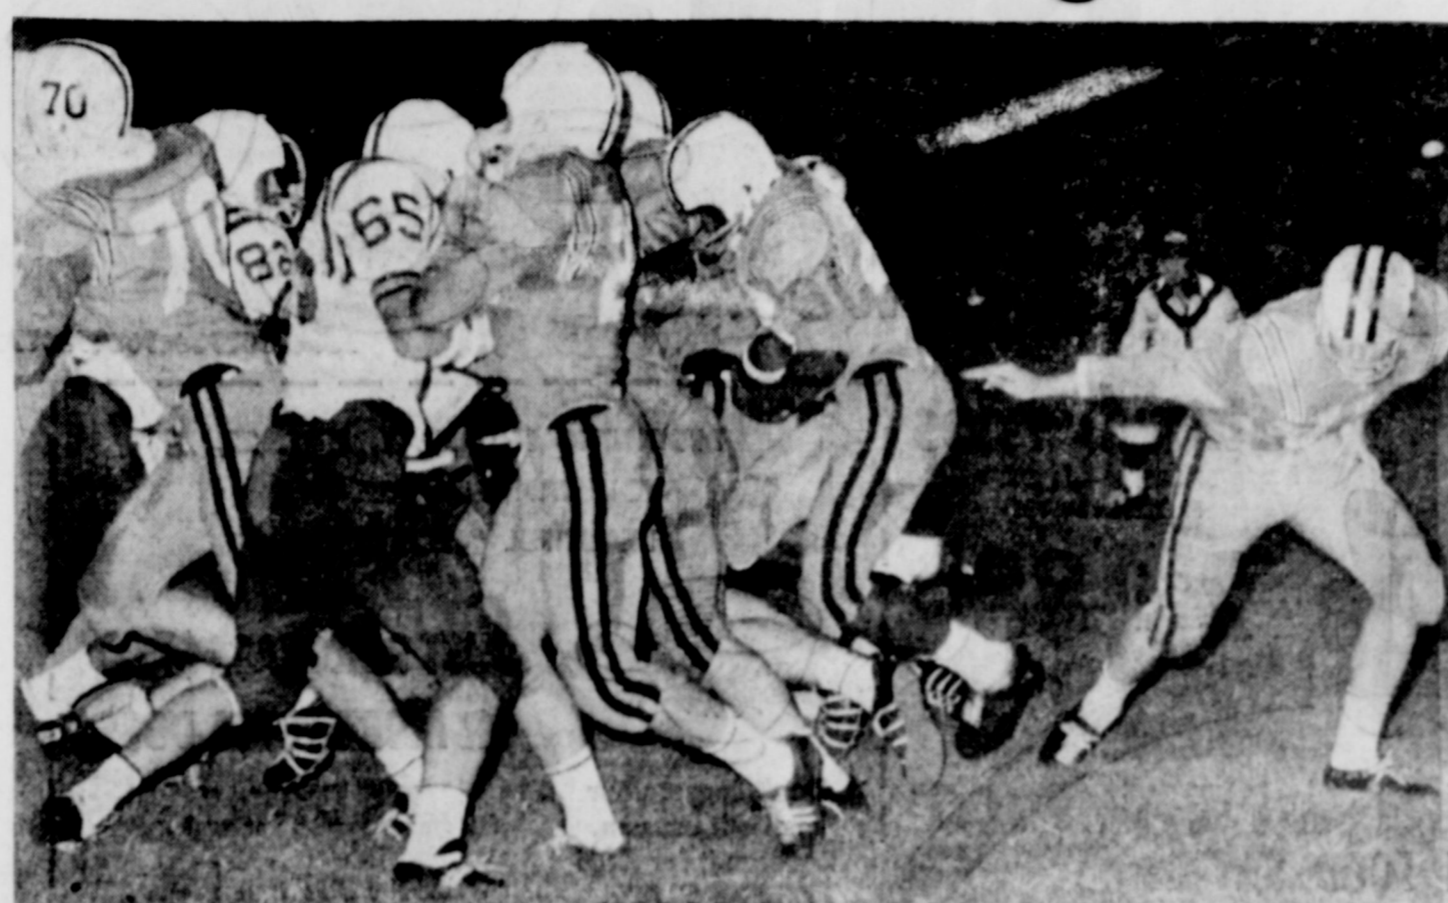

Morton set up its offense on its 20 after the kick-off into the end zone and drove for two first downs before punting to the Friona 12.

The Chiefs ran three times and punted 51 yards. Morton began another drive from its own 28, made four first downs on straight power football, but bogged down at the Friona 13 as the fourth period began. A pass play went off the receiver's fingertips and Friona got possession again.

Morton held on defense and Friona punted. Morton again cranked up its power and moved from the Friona 48 to the Friona 22. A key play saw St. Clair keep, got jarred loose from the ball, only to have Larry Smith pounce on it for enough to pick up a first down.

With less than two minutes left, Friona got possession again on its own 22 and moved 48 yards against a loose defense before losing the ball on downs. But the gun sounded before Morton could start a play.

In the second half, Morton had the ball for 28 plays, while Friona was on offense only 13 times and managed only two first downs. But the Chiefs had the points on the scoreboard and protected them when the Indians threatened.

No hole here . . .
MORTON TAILBACK Donnie Harvey finds little running room up the middle against Friona after taking the handoff from quarterback John St. Clair. Trying to make room for Harvey are tackle Dick Vanlandingham (70) and Randell Tanner (20). Among the Friona players are Mike Reithmayer (82) and Guard Mike Woolley (65), co-captains for the Chiefs. Friona won the thriller 12-8.
TRIBPIX by George Tuck

Cochran Co. has 3 wrecks in August

The Texas Highway Patrol investigated three accidents on rural highways in Cochran County during the month of August, according to Sergeant A. E. Roberts, Highway Patrol Supervisor of this area.

These crashes resulted in one death, three persons injured and an estimated property damage of \$3,800.00.

The rural traffic accident summary for this county during the first eight months of 1966 shows a total of 15 accidents resulting in two persons killed, eight persons injured, and an estimated property damage of \$13,425.00.

September first marked the beginning of the 1967 motor vehicle inspection period. As in previous years, the period will end on April 15, 1967. Motorists are urged to have their vehicles inspected in the routine visits to garages and thereby eliminate the necessity of having to wait in line at a later date for an inspection sticker.

The Sergeant stated, "With the hard summer driving coming to an end, fall is an excellent time to have vehicles safety checked for the winter months ahead."

Mike O'Brien to head Morton HS Future Farmers

The Morton Chapter of Future Farmers, met Wednesday, Sept. 14, at the vocational agriculture building at the High School.

Mr. Owen Young, advisor, presided at the meeting. Officers for the coming year were elected. Mike O'Brien, president; Alvin Gladden, vice president; Terrell Hanson, secretary; Lynn Fred, treasurer; Larry Shaw, reporter; Dale Greer, sentinel, and Mr. Owen Young, advisor.

Greg Meeks and Larry Shaw were elected to serve the Morton chapter as voting delegates. Candidates for Area 1 officer elected was Terrell Hanson.

Ernest Gene Chessier, son of Mr. and Mrs. Dave Chessier, returned to attend classes at Lubbock Christian College, Lubbock, Tuesday, Sept. 13. Ernest is attending on a basketball scholarship and will be classified as a Sophomore.

Lynne Freeland, daughter of Mr. and Mrs. W. G. Freeland, is attending Tech again this fall. Lynn will be classified as a Junior.

Indians whet appetite for Antelope on Friday

An explosive Abernathy football team will invade Morton at 8 p.m. Friday night seeking to make the Indians their third straight victims. Morton will be seeking a major upset after two losses.

Abernathy is expected to field a squad of about 35 boys which counts only two sophomores among its roster. Seven seniors and four juniors make up the starting offensive crew.

Probable offensive starters include: Rhodes, right end, senior; Lovelace, right tackle, junior; Harkey, right guard, senior; Kemp, center, junior; Ramos, left guard, senior; Montgomery, left tackle, senior; Leach, left end, junior; Johnson, quarterback, senior; Mathis, right half, senior; Murray, left half, senior; and Byers, fullback, junior.

Only four of this group generally play on defense. They are Ramos, Leach, Montgomery and Lovelace. Defensive specialists include: Thomas, middle guard, senior; Henderson, tackle, senior; Downs, linebacker, senior; Oliver, right corner, junior; Selke, left corner, junior; Fuller, safety, junior; and Moore, safety, senior.

Abernathy opened with a 20-0 victory over Frenship. Last week they trailed Petersburg 0-6 in the final quarter, but exploded for four TD's in less than seven minutes.

Program at club on Assemblages

The Cochran County Garden Club met in the home of Mrs. W. B. McSpadden on Monday, Sept. 19, with Mrs. Charles Jones presiding. The program for the evening was titled: Combination of Jewels - Assemblages, and the quotation was "Nature contains the element in color and form of all pictures, as the keyboard contains the notes of music."

Mrs. Roy Hill presented the first part of the program saying that an Assemblage is one of the types in Abstract flower arranging and that these are known as "space arts" which have free style, unleashing arrangers from rules. She said that an Assemblage is the fitting together in an aesthetic manner of varied objects and plant material. They can have two or three dimensional form or several different units - they leave something to imagine. Mrs. Hill also said that this type arrangement uses unusual and diverse materials together to create a unit of expression.

In making an Assemblage, she told the group that it is setting a thing beside another without connecting and each thing you put in is enriched by what you have put before. This should create a harmony of the whole unit.

She listed the scale of points for judging an Assemblage as: 30 points for Design, meaning it must be organized according to the Principles of Design which are Balance, Dominance, Contrast, Rhythm, Proportion, and Scale. Under Design, it must have space and visual movement must be emphasized. 25 points are given for Creativity, meaning it should be perceptive, courageous, unconventional and abstract. The remaining points are: 25 points for Distinction and 20 points for Dramatic Impact. Mrs. Hill then explained the three exhibits which she had prepared in Assemblages.

Mrs. Murray Crone continued the program by discussing and completing four Assemblage arrangements. She said the Essemblage started out as, what we all know as a What-not-shelf with the shell removed leaving the what-nots to create the assemblage. Both Mrs. Hill and Mrs. Crone used diverse objects in interpreting "Beauteous, Bright Creation" with this quotation from Dickens: "The whole difference between construction and creation is this: that a thing constructed can only be loved after it is constructed; but a thing created is loved before it exists". This is to be one of the Classes in the Artistic Division of the Club's flower show to be held on October 8. Mrs. Hill and Mrs. Crone are National Council accredited judges.

During the business session Mrs. Kenneth Thompson reminded the members of the Bazaar to be held in connection with the Flower Show. Each member is to bring baked goods or other items to be sold. Mrs. C. B. Jones advised members of the work day scheduled at the hospital.

Mrs. J. L. Scholer, Flower Show Chairman, announced final committees for the Flower Show. Members voted to help as a Club with the decorations for the Morton Area Chamber of Commerce Banquet and to work with the County Historical Society in their projects.

Those present were Mesdames: Arvel Snodgrass, Fred Hemphill,

WHY COOK?

Let Piggly Wiggly prepare most of your meals with tasty HOT BARBECUE CHICKEN, HOT LINKS, HOT BARBECUE BEEF, and other delicious prepared foods!

PIGGLY WIGGLY

NEW LOOK!

Handsome new Fleetside... one of 67 all-new Chevy pickup models for 1967!

Here's the brand new '67 Chevy pickup! Strikingly new in styling, its trim appearance puts many cars to shame. And tough new body sheet metal resists rust better.

New all-steel pickup box provides full-depth double-wall side panels and tailgate. And the attractive new color-keyed cab interior is roomier. Also, there's better visibility plus many added safety features. The new '67 Chevy pickup looks so good and is built so well you can use it for almost anything!

A BRAND NEW BREED OF CHEVY TRUCKS FOR '67!

NEW LENGTH!
MORE LOAD SPACE ON A LONGER WHEELBASE!

ALL-NEW CHEVY VAN 108 (107" WHEELBASE) NEWLY STYLED CHEVY VAN 90 (90" WHEELBASE)

New Chevy-Vans in two sizes for '67... new V8 power, too!

All new for '67 is the Chevy-Van 108 with 108" wheelbase and 256-cu.-ft. load space. Or pick the Chevy-Van 90 with 209-cu.-ft. cargo area. Both can be equipped with hustling V8 power. There's a brand new breed of Chevy trucks at your Chevrolet dealer's, so stop by soon!

Slaughter study club holds talk

Elma L. Slaughter Study Club met in the home of Mrs. Dean Jackson on Thursday, Sept. 15. Club Collect was given by Mrs. Elra Oden.

The program "Key to Understanding Our World Neighbor" was presented by Mrs. John L. McGee, Mrs. C. E. Dolle and Mrs. Elra Oden.

Mrs. Leonard Coleman, president, urged all members to attend the Federated Workshop, which will be held in the County Activity Building on Oct. 15. Discussion of a rummage sale and participation in the Halloween Carnival was made during the business session.

Mrs. G. O. Cooper was accepted as a new member.

Members present were: Mesdames Leonard Coleman, John L. McGee, C. E. Dolle, Elra Oden, Earl Brownlow, Hattie B. Spotts, Hazel Hancock, Iva Williams, Roy Brown, Elzie Browne and Dean Jackson.

The next meeting will be in the home of Mrs. Roy Gunnels on Oct.

Jaycettes hear Girlstown thanks

The Morton Jaycettes met at the Wig Wam Tuesday, Sept. 12, at 7:30 p.m. Sue Hodge lead the invocation. The club received a Thank You Card from Marshall Cooper, supervisor of Girls Town, USA, for a case of hair spray which was presented to the girls during a recent tour of Girls Town.

Sherry Bracken was elected parliamentarian upon the resignation of Mary Ann McGeehe.

Joe Ogle gave a report on the "Better War" and presented a poem by Charles R. Barrett entitled "The Man Who Wins."

The next meeting will be held Oct. 10.

Those present at the meeting were: Dorothy Beauchamp, Carol Pruitt, Nelda Coffman, Pat Hodge, Sue Hodge, Shirley Wright, Towana Webb, Ann Hill, Joe Ogle, Joyce Burt, Jeanice Simpson, Mary Ann Hodge, Francis Bland, Peggy Hodge, Wanda Sharp, and Marla Sue Hanna.

More rain

Morton has received an inch of moisture during the past week according to figures released by the Soil Conservation Service. The measurements, taken at 7 a. m. each morning, show the moisture received during the preceding 24 hours. Sept. 15, .52, Sept. 16, .21, Sept. 17, .02, and Sept. 20, .25. No rain fell on Sept. 18 and 19.

Morton FHA holds first meeting

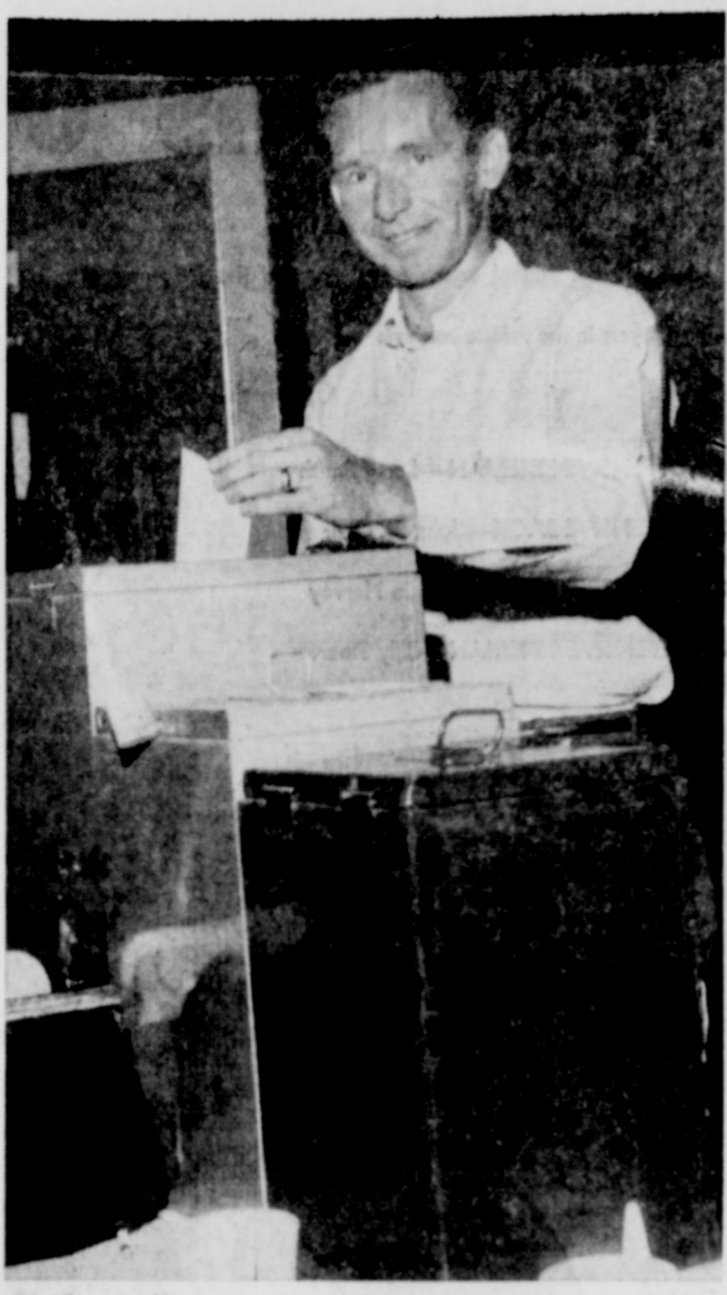

The 1966-67 Morton Chapter of the Future Homemakers of America held their first meeting of the year Wednesday, Sept. 21. Everyone enrolled in or having taken one semester of homemaking was urged to attend.

Incoming president, La Nelda Romans, presided over the meeting. The program, designed to give new members a clear understanding of FHA, was presented by the incoming officers.

TOPS club elects new team captains

The Lighter Later TOPS Club met Friday, Sept. 16, for a business session. New team captains were elected. They are Mildred Oden and Maxine Yeary.

Berta Abbe read the invitation to the Area Recognition Day in Littlefield Saturday, Oct. 8. All members are urged to attend. Pat Clayton brought the doorprize that was won by Vi Henry. Queen for the week was Pat Clayton, who lost 3½ lbs.

At the Polls . . .
 THIS GENTLEMAN was one of 629 who voted at the Morton precinct in Tuesday's election. Morton voters approved all the issues, even though in the airport issue, it was by one vote. However, county-wide tabulation passed only the hospital and courthouse issues. The airport failed and the road tax was tied. TRIB:p

News from Three-way

By MRS. H. W. GARVIN
 Mr. and Mrs. Cecil Courtney spent the weekend in Grandberry attending a family reunion.

Mrs. H. W. Garvin and Mrs. Johnnie Wheeler visited the Jimmie Wheelers in Lovington, N.M., Monday, Sept. 19.

Historical Society plans museum here

Morton may have a museum if plans begun by the Cochran County Historical Society are completed. Plans were announced following the Society's meeting in the Chamber of Commerce office last Saturday morning.

At the meeting, Mrs. Roy Hill met with the group to offer the help of the Le Fleur Cemetery Club in landscaping a museum site. Elviss Fleming reported that General Telephone Co. had offered to give its old office building to the project if the building is moved.

Chairman Dorothy Barker appointed Mrs. Joe Seagler to seek the support of local women's study clubs and Fleming was appointed to see local civic clubs about helping with the project.

Mrs. Barker asked those present to attend a meeting of the Cochran County Commissioners Court in the near future to ask help in obtaining a location for the proposed museum. Society secretary Mrs. Hume Russell was instructed to write to the state office of the Texas State Historical Survey Committee for information and assistance in organizing and operating the local museum.

Other business of the meeting included approval of the last meeting's minutes. Also, Mrs. Barker announced that the Historical Society is placing a copy of "Texana" magazine in the Cochran County library. The recently issued magazine has as its lead story an article by Elviss E. Fleming, titled "Captain Nicholas Nolan: Lost on the Staked Plains." The article concerns the Nolan Expedition which was lost in the Cochran County area in 1877.

Those attending the meeting included Mrs. Barker, chairman, members of the Society: Mrs. Russell, Mrs. Alvie Harris, Mrs. Seagler and Fleming. Also, a guest, Mrs. Hill.

Another meeting was called for Oct. 1.

Patty McClure has left the small town life behind her and is seeing what the big city life is like by attending McMurry College in Abilene this fall. Patty is the daughter of Mr. and Mrs. James McClure and will be classified as a Freshman.

Mrs. E. L. Polvado and Mrs. H. O. Rogers spent the weekend of Sept. 16 in Ruidoso.

Carol and Loretta McCuiston have returned to Texas Tech for the fall term. Carol will be classified as a Junior and Loretta as a Senior.

Mrs. H. O. Rogers and her brother-in-law, S. L. Rogers, took a short trip through Dora, N.M., Milensaid, N.M. and Eads, Tex. Monday, Sept. 12.
