Lions Peace Essay contest offers prize of \$25,000

Young people in Cochran County have been challenged by Morton Lions Club president Dean Weatherly to enter a worldwide contest, sponsored by Lions International, in which the winner will receive a \$25,000 prize. The essay describing steps toward world peace will win a Cochran County youth a \$50 scholarship to the college of his choice and a place to compete for district and state prizes. Weatherly said "Peace is Attainable" is the theme of the essay contest and is for boys and girls who will be at least 14 but less than 22 years of age as of Jan. 15, 1967. The deadline for entering the contest is Oct. 10. The Morton Lions Club is spon-

soring the contest here. The winning entry of the local contest will be submitted to the Lions District 2T2 contest, which will then submit its winner to the division contest. Winners of the eight division contests will be awarded \$1,000 prizes and will receive expense-paid trips to the Lions International 50th anniversary convention at Chicago, in July, 1967, where the eight divisional essays will be judged in selection of the worldwide winner. The essays should be typewritten and no longer than 5,000 words, Weatherly said. Judging will fall into four categories: 75 per cent of the essay's points will See ESSAY, Page 2

Ranch foreman killed, son-in-law wounded in family fracas

Hargrove assumes CofC presidency

George Hargrove officially assumed the presidency of the Morton Area Chamber of Commerce Monday afternoon during a meeting of the Chamber board. He opened the business session with a plea for cooperation and a continuation of the year's program of work as it was outlined by the first president of the year, Don Workman. Much of the hour-long meeting was devoted to a report on the Lone Star Amusement rides which will be operated in Morton next week. The carnival will be located east of Higginbotham-Bartlett Lumber Company. The Retail Committee is in charge of the event. Chairman Carl Ray slated a clean-up of the lot for 4 p.m. Wednesday.

What's the score . . .

A NEW SCOREBOARD, gift of the Morton Boosters Club, made its first official appearance in the Morton Gymnasium during a program Tuesday afternoon. It was introduced to the combined junior and senior high school

student bodies by Bob Travis, principal of Morton High School. The new scoreboard is valued at more than \$800 and will be paid for by the various projects of the Morton Boosters Club. TRIBPIX

The end product of what appeared to be a family argument was one man stabbed to death and another in critical condition with gunshot wounds. The argument, which took place Sunday afternoon on the F. O. Masten ranch 24 miles southwest of Morton, left Jesus Rincones, 38, dead of stab wounds and his son-in-law, Pascual Cisneros, 49, in critical condition with a gunshot wound in the abdominal region. The murder weapon was not found but the other weapon a .38 pistol was.

Sheriff Hazel Hancock said they received a call about 5:40 p.m. Sunday saying that someone had been shot and stabbed on the Masten Ranch. When they arrived they found Rincones bleeding to death and Cisneros himself near death. Rincones was dead on arrival at Morton Memorial Hospital. Cisneros was treated at Morton Memorial Hospital and then transferred to the intensive care unit of Methodist Hospital in Lubbock.

Hancock said the two men apparently began to argue as they stepped from a car near the headquarters of the ranch where Rincones was a foreman.

Hancock said that Rincones had never had any serious trouble with local law enforcement officers even though he was scheduled to be arraigned for a liquor violation county court the day after he was killed.

Deputy Sheriff Chester Miller said that it was difficult to determine who was shot or stabbed first because there was only one witness to the bloody argument and that he was also Rincones' son-in-law.

Hancock said that the investigation was continuing, with emphasis being placed on the recovery on the knife and determination of what happened first.

Funeral mass for Rincones was held Wednesday in St. Ann's Catholic Church with Father Lawrence Bobsien officiating. Burial was in Morton Memorial Cemetery under the direction of Singleton Funeral Home.

He is survived by his wife Adelina, four sons, five daughters, two sisters, three brothers, 23 grandchildren and one great grandchild.

Project Head Start termed success in summer program

How do you go about helping someone that has never been to school before? If you ask club members around Morton they will probably say, "Through Project Head Start." Project Head Start, started by the United States Office of Economic Opportunity as a part of the war on poverty, was used as a project by the district Federation of Women's Clubs. The project was initiated in the Morton school with the help of Mrs. Neal. The district education director FWC.

Enrollment for the eight week session was held June 6 for a total of 59 children. Their ages ran from 5-8 and they were from culturally and economically deprived families, with family income estimated to be less than \$3,000 yearly.

The program requirements stipulated that the children could never have attended school before and that they had to be from a deprived family. The latter depended upon several things including income, cultural needs, number of children, and language barriers.

Chili ducats

Tickets went on sale Tuesday morning for the annual Chili Supper sponsored by the Morton Athletic Boosters Club. The meal will be served in the school cafeteria prior to the home football game with Post on Friday, Oct. 14. The chili supper will be part of the Homecoming activities for MHS exes. Murray Crone is in charge of the meal.

National Fire Prevention Week features demonstrations in area

Fires don't just happen — they are caused, Joe Smetana, Safety Director of the Texas Farm Bureau, pointed out in a graphic fire demonstrations held Tuesday at

area schools. He went on to name the three causes for most fires: "men, women and children." The programs were the highlight of Fire Prevention Week in Cochran County.

In the 45-minute program Smetana used a variety of demonstration equipment and materials placed on tables 16 feet in length to dramatize seven basic facts about fire, its use, and control; what fire is; how to control fires; the fact that nothing is fire-proof; kitchen fires and their control; fuel vapors; the power of petroleum products; and household wiring and overloaded electrical circuits.

Using a "fire triangle board," Smetana illustrated that fire is like a three-legged stool — it can't work with one of the legs missing. The "legs" fire depends on are fuel, heat and air. He stated that in American homes these things come together in deadly and destructive combination every 37 seconds — an average of 1,500 home fires every day, causing more than 5,000 deaths in home fires every year.

Bovina last non-district football game of season

Bovina's Mustangs will host the Morton Indians at 8 p.m. Friday in the last non-conference football game of the season for Morton.

And it will be the last chance for the Indians to post a victory before entering District 3-AA competition.

The Class A Mustangs have an indifferent record of two wins and two losses. They beat Happy and Cooper, but lost to Plains and Friona. However, their loss to Friona was only 14-0 and Plains barely edged them 13-8. Comparison leaves little to choose, as Friona took a narrow 12-8 win from Morton. Coach Fred Weaver reported

Captain Don Smith, whose wife and four children live in Morton, knows that miracles do still happen. Captain Smith, along with three other pilots in the Air Force, were in a mid-air collision in South Viet Nam recently. In order that you might better understand the circumstances involved, we are printing the complete letter that he sent to his wife, Annette, a few hours after the miracle took place.

Captain Smith's wife, Annette, and four children, Don, a 3rd grader; Jeff, a 1st grader; Lisa, 5 years-old; and Gordon, 3 years-old, live at 306 E. Lincoln, Morton. Captain Smith is the son of Mr. and Mrs. Hughes Smith, Star Route 2, Morton.

Captain Smith is stationed in Bien Hoa, 35 miles N.E. of Saigon, where he is in command of an outpost. He has been in the Air Force 11 years. With 7 of those years in the Strategic Air Command. He is a navigator. He flies the 01 aircraft used in Viet Nam, the Piper Cub.)

Pilots of the 01's serve as Forward Air Controllers. They direct bombers and fighters when they are in combat. The weather is usually bad and they do not wear parachutes on these flights, so the danger is multiplied.

Dear Annette, I don't know how to begin this or whether I should even tell you or not, but I had a close call today. Real close. I might as well start from the beginning.

I usually go down to Phu Loi or Duc Hoa on my days off to fly.

I catch a helicopter at Bein Hoa at 0645 (6:45) in the morning. I did this again today. I got up this morning, showered and shaved, but I just didn't feel right. Nothing I could put my finger on, but it just didn't seem right. I started to just go back to bed, but thought well, I'm already up and Col. Marshal is expecting me down, so I guess I will go ahead. I went over and ate breakfast but I really wasn't hungry. On the helicopter down, I felt edgy and a little jumpy. After I got to Duc Hoa, though, things seemed better, I had a cup of coffee with

Col. Marshal and Dave Pinshi and talked awhile. Col. Marshal said he had an aircraft all set up for me but the weather was bad. So I loafed around all morning, the weather cleared so I took off about 12:30 and flew for three hours. It was an uneventful flight, saw a few VC running supplies, they would abandon their sampans and run when I would go over. Then after I got down, Dave said he would take me back to Bein Hoa and drop me off, so we took off about 4:30 and started back. We decided to look over an See MIRACLES, Page 2

AS A PART OF FIRE PREVENTION WEEK, area schools saw and heard a demonstration by Joe Smetana, safety director of Texas Farm Bureau, on the causes and prevention of fire. Dick Vanlandingham, student at Morton High

INDIANS DROP FOURTH STRAIGHT, 8-67

Muleshoe unleashes powerful ground attack to win

Muleshoe unleashed a potent ground game at Benny Douglass Field there Friday night and when the dust had cleared, Morton had lost its fourth straight game, 8-67. It was the worst loss of the season for the injury-riddled Indians. They have given up 167 points this year, while scoring only 24 themselves, being blanked once and scoring eight points in three other games.

It was a big win for the Muleshoe

squad, which has a record now of 2 wins, one loss and a tie. Morton operated without two of its backfield regulars. Senior quarterback John St. Clair suited up but did not get on the field, as he was held out to protect a slow-healing ankle injury. Halfback Randall Tanner is nursing a broken hand and will not be ready for another two weeks. Tanner is also a senior.

Muleshoe took the opening kick-

off and returned it to the Mules' 31. From there, they started their only long sustained drive of the night, moving 60 yards in 13 plays. Only long gain was a 25 yard dash around left end by Halfback Bobby Julian. At the Morton 15, the Indians stiffened their defense. They gave up seven yards in two attempts. End Danny Cuipepper stopped quarterback Andy Stovall for no gain. With four and three, defensive safety Wayne Thompson shot through and stopped halfback Myron Young for no gain. But Morton was penalized on a questionable call and penalized four yards, half the distance to the goal.

Fullback Mickey Wilson got three and Stovall kept for the last yard with 6:27 left in the first period. Stovall kicked the first of seven conversions to make it 7-0.

The Indians picked up five yards on two tries, then passed incomplete. Jimmy Waters punted 35 yards, but Dennis Smith returned it 24 yards to the Morton 47.

Myron Young hit left guard, then turned to his right and dashed 47 yards for a TD with 5:02 left in the initial period. Stovall's kick was no good. Muleshoe 13, Morton 0.

Donnie Harvey returned the kick 20 yards to the Morton 32. Morton picked up a first down on two runs that netted five yards, plus a 15-yard penalty against Muleshoe. Three plays later, Morton passed incomplete. Then the defense leaked and allowed center Jerry Lumpkin to block a punt.

Muleshoe took over on the Morton 37 and drove in with eight plays. Julian skirted left end for the final six yards. Stovall's kick was good and Muleshoe led 20-0 with 11:20 left in the second period.

Quarterback Wayne Thompson returned the kick 16 yards to the Indian 28. A 15-yard penalty against the Mules moved Morton to near mid-field. Harvey found a nice hole, but fumbled after a seven yard gain.

Muleshoe needed only seven plays to cover the 54 yards, aided by a 27-yard run by Julian. Stovall punted the last yard with 7:05 left in the half. Stovall's kick was no good. Morton 0, Muleshoe 26.

Morton picked up six yards after the kickoff, then had two passes go astray before Danny Cuipepper punted 64 yards.

That didn't bother Muleshoe as Larry Calvert burst through left guard and sprinted 48 yards for a TD with 3:15 left. Stovall's run was short. Morton 0, Muleshoe 32.

Morton cranked up another drive, but had it stalled by a penalty and was forced to punt.

From their own 38, the Mules cranked up another drive. At mid-field Jimmy Waters hit Larry Gulley for a seven-yard loss, but that didn't stop the rampaging Mules. Myron Young hit over right tackle and ran 53 yards to score with 1:10 left in the second period. Stovall kicked the extra point. Morton 0, Muleshoe, 39.

Pounded upon . . .

MORTON FULLBACK JIMMY WATERS is about to be pounced upon by linebacker Mike Rajama (66) as the Muleshoe Mules stopped all but one of Morton's scoring attempts Friday night.

Making the initial stop is Roger Swint (45). Trying to get Waters loose are Dick Vanlandingham (70), Charles Joyce (44) and Larry Smith (73). TRIBPIX

Morton downed the kick off at its own 2, but managed to move out to the 18 before the first half ended.

The Indians received the opening kickoff as Thompson returned 19 yards to the Morton 27. The Indians managed a first down, but Waters was dropped for a five-yard loss and a screen pass from Thompson to Charles Joyce gained nothing. Cuipepper punted 52 yards, with a six-yard return to the Mules' 18.

Morton was penalized five and Mickey Wilson raced 49 yards to the Morton 28. Julian sizzled for 25 more before being dragged down from behind by guard Alex Soliz.

Muleshoe was assessed a five-yard penalty back to the Morton eight. Wilson took three shots at the line and gained only seven yards. Stovall kept for the final yard with 6:25 remaining in the third stanza. Stovall's PAT kick was good. Morton 0, Muleshoe 46.

Eddie Bedwell returned the kickoff 22 yards to the 27. Joyce gained four and Waters got two more. Then Thompson lost 12 when his pass protection broke down. Cuipepper punted 51 yards.

Muleshoe forced its way back 70 yards in nine plays, including its only pass of the night, a 30-yard nifty from Johnny Embry to Ransom Jones. Ramon Gonzales stepped off the final 38 yards in the first play of the fourth quarter. Stovall's kick was good and Muleshoe led 0-53 with 11:50 still to play.

Bedwell returned the kick seven yards to the Morton 24. From there, the Indians began their only scoring drive. It covered 75 yards, but took up 7 minutes 45 seconds. The longest gain was a ten-yard run by Charles Joyce. Joyce and Jimmy Waters carried the entire distance. Waters made the final yard, but it took him three tries to cross the double stripe. The score to avoid a white-wash came with 4:05 remaining. Thompson passed to Cuipepper for two extra points. Morton 8, Muleshoe 53.

That score stung Muleshoe and they lost little time retaliating. The kickoff was returned to their 37. Julian swished around left end and turned on the speed for a 63-yard TD scamper with 3:35 left. Stovall kicked another point to make it 8-60.

Thompson returned the kick 25 yards to the Morton 32. Waters gained nothing on a shot at the line. Thompson's pass attempt was tipped into the air and Mickey Wilson gathered it in for an interception and ran it back to the Morton 37.

Calvert gained ten before Muleshoe was penalized five. Gulley was held for no gain, then stepped off 15 yards, plus four on his next try. Embry kept on a naked reverse and went into the end zone untouched 13 yards later with just eight seconds left. Stovall kicked another point to set the final

score at 8-67. Thompson returned the kick 13 yards as the game ended.

Whiteface downs Cooper 21-0

The Whiteface Antelopes made it 3-1 for the season by downing the Cooper Pirates 21-0 in district play last Friday night in Cooper. To throw a little salt into the wounds, Whiteface got the victory during the Pirates' homecoming.

The Antelopes scored first when defensive end Leo Pearson blocked a punt by Cooper's Ronnie Schaffner on the five yard line and Wayne Legan fell on it in the end zone. Pearson then scored the points after to make it 8-0.

Again in the first quarter, the Antelopes scored as Darrell Kitchens made a 19 yard run, but the extra points failed to materialize.

The last scoring occurred in the second quarter as Pearson scored from his fullback position from five yards out. Ronnie Taylor's kick was good, ending the scoring.

The Antelope defense proved its worth by allowing the Pirates to cross the 50 yard line only once, and that to no avail.

Whiteface's defensive standouts

included Alvin Nock, line and Leo Pearson while Pearson, Cooper's linebacker honors.

Whiteface has an open week.

Dad's steady influence is needed for . . .

LIFE'S OBSTACLES

We can easily see physical obstacles such as logs, boulders, and many other things that may be too difficult for our children to handle, but things that are not physical are not always so obvious. A young child needs help from his parents in spiritual matters too. The church can be an influence on children's lives, but when you, a parent, are taking part in church worship, you can be an even greater influence. Give your children, the leaders of the future, a hand now when they need it most. Take them to church regularly . . . and you too, will have a fuller and better life.

ATTEND CHURCH SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
