Court gives proposed museum land, money in regular session

The Morton City Council has given a helping hand in the form of property and money to the Cochran County Commissioners Court on Monday.

Representatives of the Cochran County Historical Society met with the commissioners and asked for permission to move the old telephone building onto property owned by the county. After this was approved by Leonard Cole, county attorney, and second by Leland Scifres, the society asked permission to use the old Winder house as the museum. This too was approved. It was understood that no time limit would be placed on the museum's remaining on the property.

The society then asked for financial backing in the amount of \$15,000 so that they might move the telephone company building and use some operating capital. U. S. Wells made the motion to give the society \$165 and Scifres seconded.

At the opening of the meeting there was a discussion of various

insurance plans for hospitalization benefits for county employees. No action was taken.

Members of the city council met with the commissioners for the purpose of forming a planning commission. This planning commission will then hire an engineering firm to draw up an area-wide comprehensive plan. This plan will be necessary if Cochran County desires to get financial help from the government for the purpose of water and sewer improvements as well as community beautification and improvements. A list of 11 names was suggested by the council and from these six will be chosen.

Scifres made a motion to enter with the city as co-sponsor of the area-wide comprehensive plan and Wells seconded it.

Marvin Elliott of the local FHA office was present to answer any questions the group had about the legal procedures in drawing up the planning commission and the hiring of the engineering firm. Five copies of the agreement were to

be signed by the court and another five by the city council.

When Judge Love asked for more agreement forms, Elliott told him that he (Love) had already received some. Love answered that he had lost them, to which Elliott replied, "I'll keep these so you won't lose them, too." The forms are to be signed by the court at a later date.

County Attorney, James Walker, appeared before the court to ask for a calculator to be used in figuring acreages on right-of-way purchases. When questioned by Love as to what he would do with a calculator, Walker replied, "Figures." Walker also said that the machine would be available for county use.

After much delay which centered around the Baylor-Arkansas game, with a little local excitement thrown in for good measure, as well as the historical society's request for property and money, Walker was no closer to knowing how he stood in his request for the calculator than when he first started.

Walker then said, "Y'all are the masters of diversion." Love, "I think you ought to wait awhile." "Why?" asked Walker. "I told you, 'Shortage of funds,'" replied Love.

Love then turned to Evan Roberts, the architect retained to do the hospital, and asked, "Mr. Roberts, what's on your mind?" Walker then retorted, "I'm not through."

But it turned out that Walker

★ Credit cards

Every worry about somebody having the same credit card number as you do? James K. Walker, county attorney, didn't, but he may now. It seems that he got his monthly statement from a large and well known oil company. That in itself isn't too amazing, and it wasn't too amazing that two of the purchases were made around Illinois. But it is amazing when you realize that Walker was in the Cochran County at the time the purchases were made. Suspecting a little forgery, he called the oil company to explain his plight: that the credit card numbers on the out of state purchases exactly matched his own, as did the name. Walker then asked Sheriff Hancock to run a check on the owner of the car whose license number had luckily been listed on one of the tickets. The reply was that the owner was James K. Walker who lived in Evanston, Ill. After another talk with oil company officials, it appeared that a mix-up in cards took place when they were issued, thus giving both of them the same card number. Now maybe Walker will sleep a little easier.

Council pays bills during easy agenda

The Morton City Council didn't waste any time Monday night as they took care of their business in near record time. Even though Mayor Jack Russell was 15 minutes late in arriving, the council was adjourned at 8:15 after starting at 7:15.

The first item on the agenda was the payment of \$5,613.37 for the September bills. The motion was made by W. L. Taylor, seconded by Earl Stowe.

City Manager Elra Oden made a report on the city budget saying that most of the accounts were running below what was expected with the exception of dump ground, equipment repair, and police department expenses.

Water accounts receivable total \$8,486.50 and gas accounts receivable amount to \$4,661.13. The bank balance for the general fund is \$3,192.69; gas, \$27,198.79; and water, \$11,768.17.

The next item concerned buildings and property offered for sale to the city for the city's proposed maintenance building. The properties are owned separately by Calvin Key and Joe Seagler. No action was taken and the offers were filed pending actual building.

The council then passed a resolution entering with the county

into the formation of an area-wide planning commission. This same measure was approved by See COUNCIL, Page 2

Two charged in Sunday attack

Ralph Dyer and Jimmy Petree, both about 21 and both of Morton, have been charged with aggravated assault and injuring private property in the Sunday night attack on Ray Luper, 20, also of Morton.

The attack, which took place outside the Wig Wam, resulted in Luper being hospitalized with more than 40 stitches in his head. The cuts were allegedly caused when Luper was hit with a full quart bottle of beer.

Additional charges of driving while intoxicated were lodged against Dyer. At press time Wednesday, Dyer had not been taken into custody. He was home on leave from the Armed Forces when the incident took place.

Petree is free on a total of \$300 bond.

Welcome exes to 14th annual Morton High School Homecoming, October 14

A mum for homecoming . . .

PRETTY CAROL FREELAND fudges a little and tries on her Homecoming mum before the Morton Indians - Post Antelopes football game, to be held Friday night at 7:30. Carol, 16 and a sophomore, is also sophomore class secretary. Mums for this year's Homecoming

are being sold by the Morton High School Student Council, and are priced from \$1.50-3.50. Carol liked the mum so much that she was a little reluctant to take it off after the picture was made. Friday she can put the mum on again. TRIBPIX by George Tuck

Big things are in store for Morton Exes as they attend the 14th annual homecoming this weekend in Morton. Besides the traditional game, there will be various activities to occupy a little time between visits with old classmates.

At 6 p.m. Thursday, the freshmen will play Freshup. Also on Thursday evening about 7 there will be a bonfire, even though the location was not known at press time on Wednesday.

Crowning of the Football and Band Sweethearts will take place at 9:30 a.m. Friday, in the county activity building. The sweethearts will be presented again during the half-time festivities at the football game. The public is invited to be present Friday morning for the crowning of the sweethearts.

At 3 p.m. Friday there will be a pep rally in the boys gym at high school. The pep rally was originally scheduled to be held downtown, but was changed to keep the band and football members from doing so much traveling.

The Morton Indians - Post Antelopes football game will be held in Indian stadium at 7:30 p.m. because it is a district game.

Prior to the game there will be a chili supper sponsored by the Morton Athletic Boosters. Tickets for the supper, which will be held in the school cafeteria, are priced at \$1 each. Serving will start at 5 p.m.

Following the Morton-Post football game, there will be a reception, reunion, and business meeting in the cafeteria for the Ex-Students Assoc.

Also in Morton this weekend, are the Lone Star Amusement's See EXES, Page 2

★ Taxes

For those of you who don't know, it's tax paying time again. City, county, and school tax notices have been mailed out with a final payment deadline of January 31, 1967. After that date taxes become delinquent and interest is charged.

Tax payments have a three per cent deduction if paid in October, two per cent in November, one per cent in December, and the full amount in January.

City taxes total \$57, 732.71 on a total valuation of \$4, -123,765. This is figured on a tax rate of \$1.40 per \$100 valuation.

School taxes amount to \$289,774.87 on valuation estimated at \$16,847,376. Tax rate is figured on the basis of \$1.22 per \$100. The collection rate on last year's school taxes was 98.5 per cent. About 96-97 per cent is average.

A total county property evaluation amounts to \$28, -000,115 for county taxes totaling \$224,000.92. Road taxes amount to \$81,365.09, county-wide school taxes \$55, -485.95; state value, \$27,121, -695; and state taxes \$127, -470.42.

10 at 10 meetings

Community beautification and cooperation on between business leaders and the community to stimulate area growth were the two top items discussed at the recently completed 10 at 10 meetings.

The 10 at 10 meetings were held Aug. 30 and Sept. 23 for the purpose of gaining new ideas for needed improvement and work programs for our community from community citizens.

About 70 individuals, not including the news media and chamber of commerce directors, participated in the meetings. Several of the most discussed topics will be included in the 1967 Chamber of Commerce proposed projects.

Community beautification and cooperation between business leaders and the community to stimulate area growth were both discussed in all the meetings. Needed improvement in garbage collection was discussed in 72 per cent of the meetings, investigate the many different available diversified crops and the market of each in 63 per cent, and a club house for women's clubs in 36 per cent.

Following closely behind were road improvements for local industries, 40 per cent; establishment of new means of welcoming new residents to Morton and Cochran County, 49 per cent; and develop better communications and relationships between businessmen in town, between communities, and between farmers and city residents, 42 per cent.

Beautification and cooperation for growth of area top items

Some of the suggestions were taken care of in the bond election, such as needed hospital and court-house improvements and improved airport facilities. Another suggestion, investigate the restrictions on gin dust, was brought before the city council by a group of citizens. A suggestion concerning the advertising of facts concerning the proposed spinning mill was brought up before the rather dark

future of the mill was publicized. Cleaning of city streets was brought up in 32 per cent of the meetings as were additional recreation for the youth, adult education classes, and participation of civic clubs in park improvement. In 34 per cent of the discussions the need for a solution to the water drainage problem was aired.

Put planter boxes in front of business firms was mentioned 24 per cent of the time; excessive speed in residential areas, 22 per cent; initiate a PTA and student PTA, 21 per cent; need welcome signs at the various city limits, 21 per cent; and need a park within the city limits, 21 per cent.

Need of better freight service was discussed 18 per cent of the times; improve street paving within city limits, 16 per cent; investigate the possibility of beautifying all of the vacant lots through the civic clubs, 16 per cent; have clubs appoint committees to keep "welcome signs" clear of trees and weeds, 16 per cent; establish an historical society for Morton history, 16 per cent; library improvement, 16 per cent; have an annual appreciation night, 16 per cent; promote a retail crazy day, 16 per cent; and a sewing room, 18 per cent.

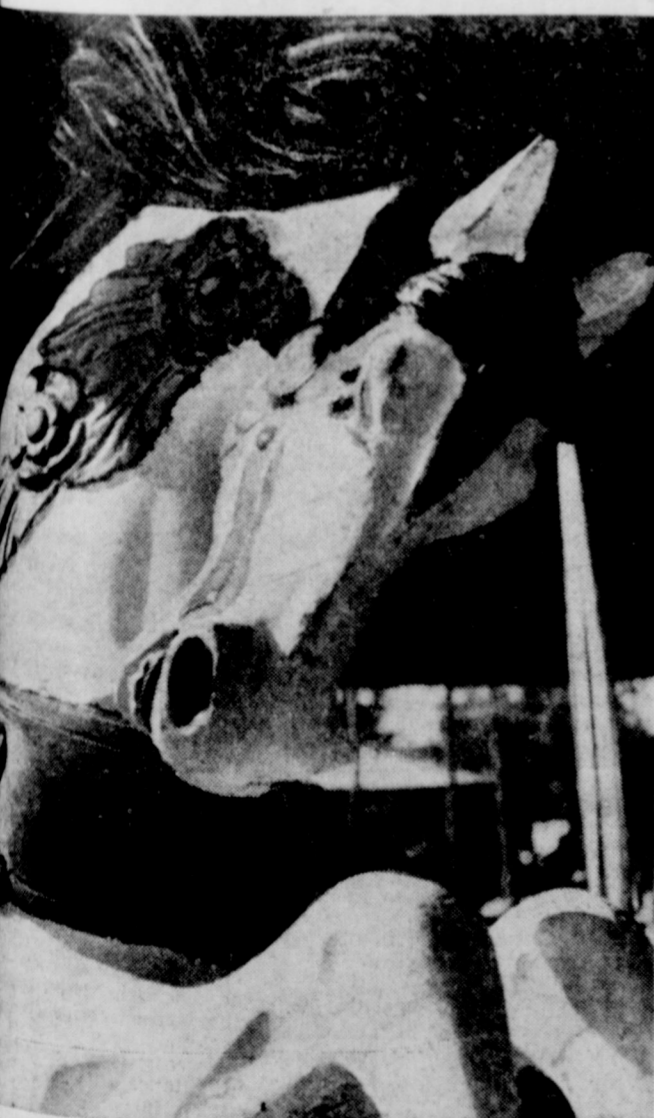

Other discussions: have an annual fair and old-timers reunion, 14 per cent; reactivation of the newcomer club and publish and See AREA, Page 2

Man shot Sunday leaves hospital

A Sunday afternoon shooting in front of the Wallace Theater left a Latin American man wounded with two 22 slugs, but he left from Morton Memorial Hospital before he could be treated.

Felix Luz was shot about 3:55 after he had apparently harassed another Latin American. Luz was placed on the X-Ray table for examination but left the hospital before the doctor arrived. A radio check with Levelland late Monday revealed that he had been hospitalized in South Plains Hospital.

Eduviges T. Ontiveros was charged after the shooting with aggravated assault with a deadly weapon, a misdemeanor charge. He pleaded guilty to the charge before County Judge Johnny Love on Monday and was assessed a \$53.30 fine.

Chamber adviser . . .

RALPH DUNCAN, left, community service director for the West Texas Chamber of Commerce, discusses program of work plan for the remainder of 1966 with George Hargrove, president of the Morton Area Chamber of Commerce. TRIBPIX

WTCC advisor talks with Chamber leaders

Chamber of Commerce problems and how to solve them were discussed here Tuesday by Ralph Duncan of Abilene, director of community service for the West Texas Chamber of Commerce.

Duncan met with directors and officers of the Morton Area Chamber of Commerce for a 90-minute session devoted to efficient operation of a Chamber organization.

Prior to Duncan's talk, Chamber president George Hargrove announced that Leon Kessler, Jack Russell, Roy Gentry and Truman Doss would attend a one-day Industrial Development Conference Friday in San Angelo.

"Let me say first that you don't have any problems here that you wouldn't find in other communities," Duncan opened.

He explained that all Chambers of Commerce were concerned with the same goals and, therefore, had the same problems to solve. He pointed out that in the 1920's and 1930's, Chambers were primarily "ballyhoo" organizations. Now they have become business organizations open to all residents of a community or an area.

"A Chamber should be an effective voice, not just for those around the square, but for all business, industry and agriculture," he said.

He explained that, to be effective, a Chamber must first develop a program of work, tackling a few specific projects and flexible in both finances and manpower.

The program of work should include four main areas: civic improvement, commercial improvement, agricultural improvement and industrial improvement.

Civic improvement work can include roads, streets, paving programs, new schools, new hospitals, parks, swimming pools or any other improvement that makes for a better community.

Duncan urged more work on commercial improvement and particularly tourist development. "The easiest dollar to get is the tourist dollar," he said. "The hardest dollar to get is the industrial dollar. . . And it's a lot easier to pick a tourist than it is to pick cotton."

Agricultural improvement includes working to improve farm products and production, finding new markets and new finished products. Duncan also cited the work done by local Chambers and the West Texas Chamber of Commerce in trying to get West Texas water plan. He said the WTCC had spent more than \$25,000 on this and that WTCC members had spent an estimated additional \$100,000.

Duncan said that it was unlikely that General Motors or IBM would locate a plant in Cochran County, but there were many smaller industries now locating new plants in small towns. He cited some of these, but warned that there were 20,000 other organizations working toward industrial expansion in other areas. "For instance, if a plant in Boston, was planning to expand into this area, there would be more than

20 communities represented in Boston tomorrow morning from Texas. . . They would charter planes and fly their industrial relations people up there tonight."

Finally, Duncan urged strong management of the Chamber, both in finances and personnel.

Duncan closed the meeting with a 30-minute question-and-answer period devoted to specific problems of the Morton Area Chamber of Commerce.

rides. The rides are located east of Higginbotham-Barlett Lumber Co. Booths are operated by local clubs will operate next to the rides.

About 250 exes are expected to attend the homecoming, or about the same as have been attending in the past. The ex-students association was started Oct. 21, 1953, with the first homecoming Nov. 6, 1953. That year Morton played Whiteface and beat them 20-6.

In 1955 Morton lost to O'Donnell, 7-18; lost to Sudan in 1956, 0-27; won against Farwell, 25-0 in 1957; lost to Oton in 1958; and won against Muleshoe in 1959, 34-14.

The 1960 homecoming game was lost to Oton, 22-38; won over Muleshoe in 1961, 31-14; no record of the 1962 homecoming game; lost to Muleshoe in 1963, 0-24; lost to Post 20-28 in 1964; and won over Dimmitt in 1965, 26-8.

Combat pilot to speak at Chamber banquet Oct. 25

A distinguished Air Force pilot, with more than 250 combat sorties to his credit, will be guest speaker for the fifth annual Morton Area Chamber of Commerce banquet.

Capt. Harold A. (Andy) Solberg will speak at the annual dinner on Oct. 25. The dinner will be held at 8 p.m. in the County Activity building banquet room. Captain Solberg holds the Distinguished Flying Cross with one Oak Leaf Cluster and the Silver Star. He recently was assigned to Reese Air Force Base, Lubbock, after an assignment with the 38th Aerospace Rescue and Recovery Squadron at Da Nang Air Base, Vietnam.

He was a member of the most decorated unit in Vietnam, the 28th. The unit was the first Military Airlift command unit to receive the Presidential Unit Citation. He also holds the Air Medal with 11 Oak Leaf Clusters, which he received for flying more than 250 combat missions.

Captain Solberg arrived at Reese Aug. 13 and now commands Detachment 13, Western Aerospace Rescue and Recovery Center. He was graduated from John Rogers High School in Spokane, Wash., in 1950 and was graduated from Washington State University, Pullman, Wash., in 1956 with a BS degree in wildlife management. He received his Air Force commission through the ROTC program at WSU.

Captain Solberg worked as an assistant biologist with the Washington State Department of Fisheries before joining the Air Force in April, 1957. He and his wife have two daughters, Sonja, 8, and Krista, 4.

Tickets are on sale now at \$2 for the annual banquet from Chamber directors. Tickets also are on sale at the Chamber office.

AQE Test given to 64 seniors

Sixty-four senior boys and girls took the Airman Qualification Test in Morton High School Tuesday. The test, administered by Air Force Recruiters, will be used as a counseling tool to guide high school graduates in their decisions about careers, aptitudes, and Armed Forces career fields.

The AQE is strictly an aptitude test having four parts: mechanical, administrative, electronics and general. The general phase of the test is used to determine aptitude in radio, medical, communications, operations, air police, and others.

The tests are given free of charge by the Air Force, with the results being used by the high school counselor and the Air Force later provided the student desires to join the Air Force. Another advantage to the free test is that school officials do not have to be present to give the test. The test, material for the test, administration, and scoring of the tests are handled entirely by the Air Force.

Results are reported to the school in approximately six weeks. The AQE has been used by the Air Force for about 20 years with revision taking place constantly.

was through, for the present, at least, because he was never told in the formal meeting whether the commissioners would approve or disapprove his request for a calculator.

He was told by commissioners after the meeting that he would be given an old calculator from Leonard Groves' office.

Roberts appeared before the court to try to set up a tour of cities which contained examples of his architectural work. He suggested two one-day trips to cities which include Lovington, Midland, Denver City, Tahoka, Seminole, Odessa, Lamesa, Lubbock, Tulia, Silverton and Crosbyton. The first trip is scheduled for Friday at 8 a.m.

Before breaking for lunch, the Commissioners Court voted to pay the September bills, which totaled \$38,570.79.

After lunch the court voted on Wells motion and Harrah Rawls second to take out a \$40,000 certificate of deposit from the First State Bank at three per cent interest. The money for this savings program came from the Lateral Road Tax.

Meeting was adjourned about 2 p.m.

the Commissioners Court earlier in the day. The motion was made by Taylor, seconded by Donnie Simpson.

The final item on the agenda was the construction of a drainage ditch from the city to the sewer system. It was decided that this item would be incorporated into suggested projects to be developed by the area-wide planning commission. This way the cost of the project's survey would be absorbed by the FHA, which pays for the area-wide comprehensive plan.

The meeting was adjourned on a motion by E. C. Seany and seconded by Simpson.

Cantu graveside rite held Sat.

Graveside rites were held at 2:30 p.m. Saturday in Morton Memorial Cemetery for Antonio Cantu, 56, of Rt. 2, Morton. He died at 2 a.m. Friday in Morton Memorial Hospital.

Cantu had been a resident of Cochran County since 1950. Rites were conducted by Father Lawrence Bobsein of St. Ann's Catholic Church. Funeral arrangements were made by Singleton Funeral Home.

Cantu is survived by one brother, Benancio, of Morton.

TOPS Club has report on area group meeting

Members of the Lighter-Later TOPS Club answered the roll call after Maudie Gardner, vice president, called the meeting to order. Yvonne Egger read the speech prepared by Mildred Oden, sick she was unable to attend the meeting. Club banners were ordered, to complete the club costumes.

Queen for the week was Maxine Yearry, who lost 4 pounds. Yvonne Egger won the doorprize, brought by Bill Hill. Vi Henry served refreshments to Nellie Fincher, Nell Matthews, Yvonne Egger, Vivian Sanders, Berta Abbe, Maudie Gardner, Maxine Yearry, Jean Bridges, Theo Spence, Marie Adams, and one visitor, Wilam Dolle.

The Area Recognition Day for TOPS was held in Littlefield, Saturday, Oct. 8, and was attended by approximately 140 women. Rev. J. B. Cagle of Littlefield, gave the Invocation, and Mayor J. E. Chisholm, Jr. gave the Welcome to the TOPS Assembly. After the women recited the TOPS Pledge, they enjoyed singing songs, hearing success stories, and drawing for several doorprizes. Other entertainment included skits and special songs. From Morton six women were on the program. They included: Vanice Lovett, who sang

several verses which she wrote to the tune of "Sixteen Tons", Marie Adams, who sang "My Confession" which she wrote to the tune of "These Boots Are Made For Walking" and also a quartet consisting of Jean Bridges, Yvonne Egger, Nellie Fincher, and Marie Adams, who sang "O Sweet Pea, Won't You Die With Me", which was also written by Marie Adams.

One of the highpoints of the meeting was when the women who had reached their desired weight goal and had maintained their weight loss for three months were crowned KOPS and graduated into the Keep Off Pounds Sensibly group. We are very proud of Vivian Sanders, who became DOP Saturday, Oct. 8, at Littlefield.

ARD meetings are held every three months and the same woman who was the ARD Queen in Seagraves was also the Queen for the Littlefield ARD Meeting. She has lost 70 pounds since February and she belongs to the Sweetwater TOPS Club. Other awards were given for the best losses in several different weight divisions. A club award is given to the club with the best weight loss per member. This amount is determined by dividing the number of members into the total amount of weight loss for the three months period. It is very important for all the members of the local TOPS Club to attend the weekly meetings and strive to lose some weight each week.

Members attending the ARD meeting in Littlefield were: Vi Henry, Vivian Sanders, Theo Spence, Mildred Oden, Nellie Fincher, Yvonne Egger, Maudie Gardner, Jean Bridges, and Marie Adams. Vanice Lovett was a guest.

Everyone enjoyed the meeting which included a catered luncheon and the good fellowship with the other women. The next ARD meeting will be in January at Big Spring.

W. S. C. S. circle holds meeting

The Myra Knox Circle of W.S. C.S. met in the home of Mrs. J. N. Burnett on Tuesday, Oct. 4. Mrs. Burnett led the study on "James and Peter". Mrs. G. C. Sanders and Mrs. H. R. Ramp read scriptures. Mrs. Don Lynskey, circle chairman, conducted a short business meeting. Mrs. Owen Egger gave the benediction.

Refreshments were served to Mesdames: J. N. Burnett, G. C. Sanders, H. R. Ramp, Don Lynskey, Owen Egger, E. L. Cox, E. R. Lytle, A. S. Key, and C. C. Benham.

*** Homecoming**

Three Way Homecoming will be Saturday, Oct. 15, with registration starting at 6 p.m. for all exes. Coffee and donuts will be served after the game in the cafeteria.

There will be a business meeting and entertainment after the game.

All exes of the Three Way school are invited.

Mrs. Gunnels host to club

The Elma L. Slaughter Study Club met in the home of Mrs. Roy Gunnels on Thursday, Oct. 6.

Mrs. Willie Taylor introduced the guest speaker, Dr. W. B. McSpadden, who gave a very enlightening talk on mental health. He explained the difference in the treatment of mental patients in the last 100 years. He gave example of the pressures that people are undergoing.

Mrs. Elra Oden presided during the business session. Roll call and minutes were read by Mrs. Roy Gunnels. The club discussed the concession stand that they will sponsor at the Halloween Carnival. Mrs. Roy Gunnels was appointed chairman and Mrs. Willie Taylor, co-chairman, of this project. The club also voted to list their meeting dates on the band calendar.

Mrs. Oden urged all members of the club to attend Federation Day Workshop that will be held on Saturday, Oct. 15, at the County Activity Building. Mrs. John L. McGee will serve on the Hospitality Committee.

The club decided to have a rummage sale and sell Christmas cards as a money raising fund. They also voted to contribute to "Pennies to Art and Music Fund". The meeting adjourned with Mrs. Willie Taylor reading the Club Collect.

Refreshments were served to the following members: Mesdames Elzie Browne, Earl Brownlow W. M. Butler, Jr., C. E. Dolle, Horace Gardner, Hazel Hancock, Lovell Jackson, Dean Jackson, Hattie B. Spotts, Iva Williams, Elmer Gardner, Roy Brown, Elra Oden, Willie Taylor, John L. McGee, Roy Gunnels and one guest, Vanice Lovett.

The next meeting will be in the home of Mrs. W. M. Butler, Jr., on Thursday, Nov. 3.

Always enjoy yourself at the after-game fellowship at First Baptist Church.

*** Senior play**

The 1966 Bledsoe High School senior class play will be presented at 7:30 p. m. Tuesday, Oct. 18, in the high school auditorium. The play is entitled "Hooky Holiday". Admission is 75 cents for adults and 50 cents for students.

1936 Study Club hears talk about Washington

The 1936 Study Club met in the home of Mrs. D. E. Benham on Wednesday, Oct. 5, at 4 p.m. with a special program on "Americanism". Mrs. Joe Gipson led the club in repeating the Pledge of Allegiance to the Flag.

Following a short business session, the program was turned over to Mrs. M. C. Ledbetter, who spoke on "Washington D.C. Through the Eyes of a Tourist".

She defined a tourist as "one who travels from place to place", and added that the Capital City has more tourists each year than any other city in the Nation. Whatever one's interest might happen to be, whether history, art, music, scientific knowledge, or world culture, he can find it in this city.

Mrs. Ledbetter described in detail a town that was arranged by her Congressman of the Capitol Building. The Capitol Building has a special meaning to the individual, as it is a symbol of the people, of democracy and of freedom, which is Americanism. She described the sculptured figures of Texas Heroes, Stephen F. Austin and Sam Houston, in the building, and vividly portrayed the Beautiful Rotunda and ceiling.

The Supreme Court Building was of special interest to the Ledbetter family. The 24 columns at the entrance to the building depicts the 24 hours of each day, signifying that Justice never sleeps. She described the two beautiful marble spiral staircases inside the building, which are truly a work of art.

Mrs. Ledbetter told of visiting the Library of Congress and said that of every book published two copies are presented to the library. She pointed out that any person can read or study the books there.

The Ledbetter family was privileged to go on a Congressional Tour of the White House, and this was one of the highlights of their visit in Washington. Also sessions of the Senate and the House of Representatives were attended.

Many of the exhibits found in the seven buildings housing the Smithsonian Institute was described by Mrs. Ledbetter. Also she told of seeing millions of newly printed dollars in stacks in the Bureau of Printing and Engraving Building.

She pictured two of the leading

cathedrals of the city. The one most famous is the National Cathedral, which is of Gothic architecture, and is known for its beautiful stained glass windows depicting the Miracles of Jesus. Also she described the National Shrine Cathedral.

Some of the other points of interest visited by the family were: the Arlington Cemetery, Jefferson Monument, Lincoln Memorial, Washington Monument, and Mt. Vernon, the home of the first President of the United States of America.

Members attending were Mesdames: Willard C. Benham, Cyrus W. Fields, Joe Gipson, L. F. Hargrove, H. B. King, Gage Knox, Joe Nicewarner, Neal Rose, M. C. Ledbetter, Lloyd Miller, H. R. Ramp, Hume Russell, Harold Reynolds, James St. Clair, Glenn Thompson, Kenneth Thompson, C. H. Silvers, Paul Davis, John Crowder, and the hostess, Mrs. D. E. Benham.

Den 3 feted with party

Den mothers of Den 3 of Cub-scout Pack 604 hosted at a get-acquainted party for the cubs and their mothers, Monday, Oct. 3, at the Fellowship Hall of the First Methodist Church. Mrs. Owen Egger served as program chairman and explained the plans and the program for the coming year.

Mrs. Egger served sandwiches, punch and cake, decorated in blue and gold with miniature cub doll, from a table decorated in blue and gold.

Those attending were: Mrs. Richard Greer and James, Mrs. Frank Silhan and Larry, Mrs. Richard Taylor and Ricky, Mrs. Johnny Hodge and Johnny, and the den mothers and their sons: Mrs. Daniel Rozell and Johnny, Mrs. Weldon Wynn and Mike and Mrs. Owen Egger and Kenneth.

Den 3 will meet each Monday afternoon in the Fellowship Hall of the First Methodist Church.

Only the best talent can be found at after-game fellowship at First Baptist Church.

Fumbles costly as Bovina drops Indians, 30-16

It's a cardinal rule in football: If you can't win when you fumble, you can't win at all. Bovina was slightly favored Friday night, but five fumbles gave the Mustangs a costly loss to the Indians 30-16. It was Bovina's fifth straight loss this season and gave the Mustangs a 3-2 record.

Tom Morton took advantage of the fumble of fullback Carl Harris and the toughness of halfback Dean Stanberry, who packs 145 pounds on his 5-1 frame, to rout the Mustangs.

Tom Morton took the opening kick and made only four yards. Danny Tombs punted 43 yards. Bovina made only two yards in three plays and punted 33 yards.

Tom Morton took the field for his own 33. Morton went back for five and Donnie Harvey added six. Charles Joyce ran six more to the Bovina 44.

Waters skirted right end, got in clear and set sail down the field. But he dropped the ball into the hands of Jackie Hall recovering his seven.

Mustangs began a 93-yard drive aided by a five-yard penalty on Morton. The Mustangs rolled with a fourth-and one on their own 30, but Dean Stanberry was two yards to keep the drive alive. Harris galloped 12 and Tom Morton put the ball deep in Bovina territory. Harris went around right end for the last 19 yards with 1:53 left in the first half. Stanberry bulled around right end to give Bovina an 8-0.

Bovina was off-sides on the kick. Waters took the second kick on his own 20 and blasted 23 yards to give Morton good field position on his own 43.

Waters got four. Waters three and Tom Morton was penalized 15. Quarterback John St. Clair fired into the end zone, but just off the receiver's fingers. Waters blasted for a 44-yard gain. End Bob Hawkins interfered for Morton to keep the drive going.

In the second quarter started, Morton got four. Harvey three and Tom Morton. Waters lost three as he pitched-out, but St. Clair recovered.

Waters then took a pitchout and left end and scooted 13 yards with 9:55 left in the second half. Waters hit over left tackle for two points to even the score.

Hugging the hide . . .

MORTON HALFBACK Donnie Harvey hangs on to the ball after taking a six-yard pass from quarterback John St. Clair. It was one of three passes he caught in a losing effort against Bovina. This one came just before the half and put Morton on the Mustang eight-yard-line. TR13Pix

yards. From the eight, Waters took off around left end, stuck his head down and bowled over three Bovina defenders before blasting into the end zone with 6:41 left in the first half. St. Clair kept over left tackle for the equalizing two points to make it a 16-6 game.

Culpepper's boot was two yards deep into the end zone but Stanberry returned it to the Mustang 14.

Harris picked up 10 around left end, Stanberry got one and Harris three. Morton was penalized 15 and Bovina got 12 yards in the next three plays.

Then quarterback Randy Jones hit Stanberry on a 34-yard pass play, their only competition of the night. Harris went the last ten yards over right tackle with 3:34 left in the second period. Stanberry's run was short as LaMell Abbe and Billy Smart swarmed over Stanberry. But Bovina had a 22-16 edge.

Morton came roaring back and almost scored before the half ended. Waters returned the kick to the 41, then picked up five. Harvey got 10 on the next play. St. Clair was injured slightly as he passed incomplete and sophomore Wayne Thompson came off the bench to continue the attack.

Waters got two, Thompson kept for seven. Waters got two and Joyce five. Bovina was penalized five for the Bovina 23. Thompson passed to Joyce but the play gained only one yard. Waters hit for eight and Thompson hit Harvey on a six-yard pass to the Bovina eight as the half ended.

Morton kicked off, held Bovina after one first down and forced a punt. The kick went just 17 yards to midfield to give Morton good field position.

St. Clair moved the team for one first down, but four runs gained only eight yards and Bovina took over on its own 30.

The Mustangs lost seven yards in two plays and passed incomplete. The punt was fairly short and Harvey returned to the Bovina 47.

Three Way stomps Anten "B" 46-6

Three Way came on string last Saturday night to win their first game of the season, 46-6 over Anten "B". The win gave Three Way a 1-1 record while Anten "B" sports a 3-1 record.

The first score of the game came on a 40 yard pass from James Kindie to Wendell Williams in the first quarter. Monte Tombs ran the extra points.

Quarterback Kindie scored the second TD on a seven yard keeper around left end after a 40 yard drive. Tombs scored the extra point to make it 16-0.

In the second quarter, Tombs scored from nine yards out behind the outstanding blocking of All-District guard Bill Dewbre. This drive was 43 yards long. Extra points failed and the score stood at 22-0.

The third quarter saw Three Way set up a touchdown with a 37 yard pass play from Kindie to Bruce Pruitt. Tombs then scored from five yards out around right end. Tommy Black, right halfback, ran the extra points.

In the final period, Kindie passed to left end Wendell Williams for 18 yards and a touchdown. Tommy Black ran the extra points to make it 38-0.

Again in the last quarter, Kindie scored on a keeper around right end from 76 yards out, which was the longest run of the game. Black and Dewbre threw key blocks to clear Kindie for the score. Francisco Jones ran the extra points.

Somewhere in the last period Anten "B" scored six points. The final score was Three Way 46 and Anten "B" 6.

Bill Dewbre, 171 lb. All-District left guard, was outstanding on his offensive blocking. He repeatedly opened big holes for the running backs. Also earning honors for Three Way were Tommy Black, James Kindie and Tommy Gish.

Next Saturday night at 7:30, Three Way meets a tough Flower Grove team. That is also Three Way's Homecoming. There will be refreshments and a business meeting at the school auditorium following the game. The public is invited.

Plains edges by seventh graders 14-0 on Thursday

Plains used ball control to garner a narrow 14-0 win over the Morton seventh grade gridders here Thursday afternoon.

First tally came with 4:18 left in the second quarter as the Plains quarterback kept for one yard over the middle. The fullback skirted left end for two more points to make it 8-0.

Final score came with just three seconds left in the game as Plains drove deep and the quarterback again kept over the middle for the final yard. The fullback's run was short.

Royce Hanna made a trip to Lubbock Monday, Oct. 10, to view the new market.

Eighth graders win first 1966 gridiron contest

Thursday, Oct. 6, was a Red Letter Day for members of the Morton Junior High's eighth grade football team. That was the day they won their first organized football game.

After losing seven and tying one as seventh graders last year, they lost three straight this year. But Thursday was a different story as they took a decisive 28-8 win from Plains.

Stan Coffman, the quarterback, made the first TD on a one-yard plunge with 4:38 left in the first period. That capped a 45-yard drive with halfbacks M. C. Collins and Terry Harvey and fullback Monty Dewbre carrying for good gains. The run for extra points was short, but Morton led 6-0.

Plains fumbled the kickoff at its own 45 and Coffman recovered. Again the little Indians stayed on the ground and drove to the one. Dewbre went the final yard with 34 seconds left in the first period. Dewbre then went around right end for two points to make it 14-0.

Collins showed his speed and power as he raced 51 yards over right tackle with 5:55 left in the second quarter. Dewbre blasted over right guard for two points to make it 22-0.

Dewbre put the last six points on the scoreboard with a four-yard dash around right end with 1:33 left in the third stanza. Collins was short on the run for extra points.

Plains finally got on the board with 53 seconds remaining as the quarterback went over the middle for one yard. The fullback went

Mr. and Mrs. Ralph L. Ware and Lloyd Hiner went to Lubbock Sunday, Oct. 9, to take a look at the new market of clothes and other items.

Garry Mack and Janice Toombs came home for the weekend to visit with their parents, Mr. and Mrs. H. Toombs. They are both attending Texas Tech.

Campfire leaders
Met in Rozell home

The Ta-Wan-Ka Campfire girls met at the school Friday, Oct. 7, for a hike and cookout. They hiked from the school to the home of Mrs. E. L. Reeder. There they roasted weiners and marshmallows over an open fire in the backyard of the Reeder home.

After refreshments, games were enjoyed by the following girls: Emilea Smith, Carolyn Gray, Renee Arglin, Cassandra Reeder, and Debra Williams. Mary Smith joined the girls in their activities.

Leader for this group is Mrs. E. L. Reeder, assistant Mrs. M. J. Smith, and Mother sponsor, Mrs. H. C. Williams.

Only the best talent can be found at after-game fellowship at First Baptist Church.

1936 Study Club has breakfast

The 1936 Study Club began its 1966 Club year with a breakfast buffet in the home of Mrs. Joe Nicewarner recently. Hostesses were Mesdames: J. D. Hawthorne, Joe Gipson, W. C. Benham, Neal Rose, H. R. Ramp, M. C. Ledbetter, Luke Hargrove, and Lloyd Miller.

The tables were laid with white cloths with colorful autumn napierces. Place cards were made of the same motif. Mrs. B. King gave the invocation. Mrs. Joe Gipson, program chairman, honored Mrs. Glenn Thompson, president, with a "This is My Life, Naomi" skit, in which she outlined many interesting moments in the President's life. The theme for the Club year is "Greater Vision of Literature Through Study." Mrs. Thompson defined "greater" as being "large in size, or elaborately full." Vision was defined as "something seen otherwise than by sight," or "any kind of picture created by the imagination."

Mrs. Thompson pointed out that literature is "literary culture, acquaintance with letters or book knowledge." It has to do with literary production as a collective body. It is a total of preserved writings, belonging to a given language or people. The study will be the application of the mind to books, or a subject for acquiring knowledge. Mrs. Thompson con-

cluded her address with these words: "It is my wish for our 1936 Study Club that by application of the mind, we may become elaborately full of something seen otherwise than by sight in literary productions, and that we thoroughly enjoy ourselves in the doing."

In the business session of the meeting two new members were welcomed. They are Mesdames: John Crowder and Paul Davis.

Members present were Mesdames: W. C. Benham, Cyrus U. Fields, Willard C. Benham, John Crowder, Joe Gipson, Paul Davis, J. D. Hawthorne, H. B. King, M. C. Ledbetter, Lloyd Miller, Joe Nicewarner, Neal Rose, H. R. Ramp, Hume Russell, Harold Reynolds, James St. Clair, Kerneith Thompson, and Glenn Thompson.

Thru the telescope by Luck

It sure didn't take long for the World Series to open and close. We had predicted that close pitching would make the difference, but picked the wrong team to have that pitching. Baltimore's Kiddie Korps did a magnificent job of silencing the Dodger bats and three straight shut-outs is nothing short of astounding.

On the local scene, Homecoming is the top news item this week and the exes have a crowded calendar awaiting them. From Thursday through Saturday, they are reigning royalty and we welcome them back to Morton. Our association with Morton High grades is limited to the class of 1966, since we have been here just since January. But we feel that we know many of the students who are now in college or in the service from having written about them. If any of you have a chance to visit, come by the Tribune office and let us get better acquainted. That particularly applies to those who are Texas Tech students or former students. We will sympathize with each other.

Baylor students are on top of the world this week. Neal Rose and Jim Walker won't discuss television or court cases very long before turning the conversation to a football game that took place last week someplace back in the hills of Arkansas. And Ted Whillock, one of the few Arkansas grads around these parts, says it's not bothering him too much. "I'll let you kid me again after somebody breaks our next string of 22 straight wins," he grins.

The talk of the sports world right now is the undefeated Dallas Cowboys pro football team. After years of suffering through their losses and watching Don Meredith being dumped on his back, it sure is nice to see them playing up to their potential. The Cowboys have had a good defense for the last three years, but have just now gotten their offense moving.

Cleve Bland watched them blast the Philadelphia Eagles 56-7 last Sunday. He said the funniest incident came after Eagle fullback Timmy Brown had been thrown for a four-yard loss on a sweep. As Cleve relates it, "Brown got up, started back to the huddle, then stopped and looked toward the Eagle bench. Then he shrug his shoulders as if to say, 'What can you do against a defense like that?', and then rejoined the huddle."

Lloyd Hiner from St. Clair's and Royce Hanna from Hannerstein's Rag Shop both went to market in Lubbock this week. Lloyd on Sunday and Royce on Monday (after a false start Sunday that ended with fuel pump failure). Both reported that salesmen just shook their heads when asked about delivery dates. We reported last summer that jeans were going to get scarce. Now salesmen are giving January delivery dates or telling merchants that factories won't even accept orders until January for delivery sometime after that.

Other goods, such as sheets, blankets, khaki work clothes and other items also are reported to be in short supply. It may be that our economy can produce both "guns and butter" at the same time, but apparently that doesn't include helicopters and jeans.

Speaking of butter, reminds us that we are hearing cries of anguish over the rapid increase in milk prices. Currently, most supermarkets are charging \$1.19 a gallon for homogenized milk, which is an increase of about 30 cents in less than four months. This is about four times the price of gasoline per gallon and milk isn't taxed like gasoline! Many families are using more powdered, dried or skim milk. We certainly wouldn't advocate allowing our children to drink beer as many do in Europe, but it makes you wonder a little when milk prices become as high as beer . . . and again beer is taxed and milk isn't.

Weather is continuing favorable for cotton development and maize harvest. Most of the maize has been cut, except for a few late-ripening fields. And broom corn harvesting is underway, most of it in the south part of the county. A few more weeks of warm weather and the cotton trailers will begin to roll.

Welcomes back Morton Exes. Join us in putting hexes On Post so the Indians Might be the winners' ones!

Mr. and Mrs. Roy Sutherland of Spokane, Wash., were guests in the home of Mrs. C. B. Newton recently. Mrs. Newton is Mr. Sutherland's aunt. While in town the Sutherlands and Mrs. Newton made a trip to Arton, Tex., to visit another of Mr. Sutherland's aunts and family, Mr. and Mrs. L. W. Hodge.

Post brings 4-1 mark into Homecoming game

Homecoming always provides an extra incentive for the home team and Morton will need all the incentive it can get this week.

The Indian will host the potent Post Antelopes with kickoff time set for 7:30 p.m. before a big Homecoming crowd. The game also will mark the opening of District 4-AA action for both teams.

Post brings a sparkling 4-1 record into the tilt while the Indians are winless in five outings. Post's only loss came last week when they were edged 6-3 by Tahoma.

The Antelopes run from a prototype formation with a split end and flanker back. Occasionally, they even run from the "shotgun" set, with the quarterback deep and all the backs split out behind the ends and tackles.

Head coach Gly Gregg is expected to open with this offensive lineup: Dick Kennedy, left end, senior, 160; Norman Terrell, tackle, junior, 193; Clyde Cash, left guard, senior, 165; Jackie Huff, center, senior, 210; Joe Hudman, right guard, senior, 165; Dan Cooper, right tackle, junior, 175; Donnie Windham, right end, senior, 188.

Duke Altman, quarterback, senior, 146; Dennis Altman, left half, junior, 152; Davis Heaton, right half, senior, 175; and Paul Walker, fullback, senior, 175.

Clyde Cash, incidentally, is a younger brother of Detroit Tiger first baseman Norm Cash. And Daei and Dennis Altman are brothers.

On defense, Jimmy Bartlett, 168-pound senior, replaces Walker and plays right safety.

Cocher Fred Weaver likely will counter with the offense that began the season for him. For the first time in three weeks, halfback Randall Tanner will see action after being sidelined with a broken hand. And quarterback John St. Clair is expected to be at full speed after recovering from a severe ankle injury. St. Clair played last week on offense, but was hampered. Tackle Dick Varlandingham received a knee injury last week, but that injury has healed this week.

Probable starting lineup for the Indians will include: Bob Hawkins, 145, sophomore; and LaMell Abbe, 180, senior, ends; Dick Varlandingham, 180, junior; and Larry Smith, 185, senior, tackles; Billy Smart, 185, junior; and Larry Shaw, 193, senior, guards; Ray King, 170, junior, center; John St. Clair, 175, senior, quar-

Irrigation wells to be registered Oct. 17-28 here

The High Plains Underground Water Conservation District will have staff members available in Morton at the Western Abstract Office from October 17 through October 28, for a special registration of the irrigation wells which have previously been drilled in the area of Cochran County which was annexed into the High Plains Underground Water Conservation District in January 1966.

The purpose of this special registration program is to provide the Water District with the necessary well location information whereby the District can protect these existing wells by requiring that wells drilled in the future be spaced properly from these already existing wells.

Landowners and/or operators who register these wells are encouraged to accurately measure the distances from the well to the two nearest non-parallel property lines (North and South) and (East or West), and bring these measurements with them to the office for registration of these wells. No well deposits will be necessary.

Well logs and information regarding the pumping equipment which is installed in the well should also be supplied to the District.

The well logs will be very important in the preparation of base maps which will be necessary for the landowners of this newly annexed area to receive a depletion allowance on their underground water.

This area being generally: Leagues 61 and 64, Midland County School Land, lying south of Whiteface; and all of League 117, Knox County School Land, the North 2/3 of League 116, Potter County School Land; all of League 128, Coke County School Land, the North 2/3 of League 129, Carson County School Land; League 137, Hemphill County School Land, the North 2/3 of League 136, Armstrong County School Land; Leagues 1, 2, 3, 4 and 5 of League 148 Stonewall County School Land; Leagues 15, 24, and 53 of League 149 Randall County School Land; Leagues 144, 145, 146 and 147 of Stonewall County School Land; Leagues 160, 159, 158 and the North 1/2 of League 157, Hall County School Land; League 168, Garza County School Land and League 164 Irion County School Land; and Sections 1, 2, 3, 4, 5, 6, 7, 8, 9, and 10 of Block U, Public School Land, Cochran County.

terback; Randell Tanner, 166, senior, and Donnie Harvey, 145, junior, halfbacks; and Jimmy Waters, 183, junior, fullback.

Charles Joyce, a hard-running 145-pound sophomore, replaced Tanner at one of the halfback spots and likely will see a lot of action. Also expected to spend lots of time on the field are ends Jerry Luper, 170-pound senior, and Danny Culpepper, 150-pound senior. Reserve quarterback Wayne Thompson, a 131-pound sophomore, will back up St. Clair on both offense and defense.

Exes plan for after-game meet

The 26th Annual Homecoming will take place Friday night, Oct. 14. The Morton Ex-Student Association has planned an Exes Coffee hour after the game with a business session included on the program.

The officers for the 1965-66 year are: Mrs. Earl Polivado, president; George Hanna, first vice-president; Royce Hargrove, second vice-president; Mrs. Wiley Hodge, third vice-president; and Mrs. Keith Kennedy, secretary.

The program for the Exes Coffee will include the Village Martyrs, the Pumas, and the Swings! Teens. Rev. Kenneth Wyatt will be guest speaker. Special recognition will be given the Class of 1948 at the Coffee. Gifts will be given to the Ex-Students and Teacher traveling the farthest.

Mrs. Hawkins host to club

The Maggie Jackson Circle of the Woman's Society of Christian Service of the Methodist Church met Tuesday morning, Oct. 4, in the home of Mrs. H. S. Hawkins with Mrs. Elizabeth Greer as co-hostess with Mrs. Hawkins. The study of James and I Peter, under the leadership of Mrs. Bobby Adams, was continued.

Mrs. George Hargrove will be hostess to the circle on Tuesday Oct. 18 at 9:30 a.m. Mrs. John Crowder will discuss "Discipleship for Discipleship"; Mrs. Hargrove, "Belief and Action" and Mrs. James Walker, "The Tongue".

Present for the second lesson were Mesdames: Willard Henry, D. A. Ramsey, E. C. Neiman, Tip Windom, Pegues Houston, Bert Darland, Bobby Adams, W. B. McSpadden, John Crowder, Elizabeth Greer and H. S. Hawkins.

Duane Hodge given party

Duane Hodge, son of Mr. and Mrs. Dub Hodge, celebrated his 4 birthday Friday, Oct. 7, in his home with a party.

Birthday cake, punch and party favors were served to the following: Tammy and Gayla Mullinax, Christi Hodge, Roxanne Bedwell, Tully Hunter, Barry Hodge, Lisa Hodge, Sharon Crone, Bryan and Kevin Bentley, Robbi, Kevin and Edwin Reeves and Duane Hodge. Also Mesdames: Wilson Hodge, Jim Mullinax, Lewis Hodge, Roy Davis, Bill Crane, J. A. Mullinax, Wiley Hodge, Bobby Hunter, Eugene Bedwell, Jack Reeves, Eugene Bentley, and Dub Hodge.

Past officers feted by OES

OES No. 841 met in regular meeting recently. The meeting was especially to honor past Worthy Matrons, Worthy Patrons and Charter Members. There was a very good representation of these past officers. Past Worthy Matrons present included: Mrs. Bertha Miller, Mrs. Lena Gipson, Mrs. A. R. Lindsey, Mrs. Roy Tarver, Jo Ann Watts, Mrs. Leon Dupler, One Payne, Hessie B. Spotts, Blackie Reynolds, Hettie Rowland, and Mrs. Harold Toombs.

Past Worthy Patrons present were: Joe Gipson, A. R. Lindsey, Fred Payne and Harold Toombs. Charter member was Mrs. C. F. Winder.

The Chapter also had Initiation for Nita Huff. Regular business meeting was then held after which the Chapter closed and everyone present enjoyed refreshments.

Busy Bakers met Tuesday

The Busy Bakers 4-H Club meeting was held in the County Activities Building Tuesday, Oct. 11. The club worked on their project book of cooking.

Those members who attended were: Misses Cynthia Jonas, Debra Adams, Emelia Smith, Joyce Earley, Doris Beseda, Mary Marina, Rhonda Bland, Sandra Bland, Sandra Akin, Susan Rowden, and Cassandra Reeder. The leader, Mrs. Bobby Adams, was also present.

The next meeting will be Tuesday, Oct. 25.

Mrs. Swicgood gives pointers in speeches for L'Allegro Club

The L'Allegro Study Club held its regular meeting in the home of Mrs. Harold Drennan, Monday, Oct. 10 at 8 p.m. The meeting was begun with a prayer by Mrs. Jack Wallace. Mrs. Irwin gave a brief report on International Affairs before in-
terpreting the program for the evening.

Inez Swicgood, a graduate of the Dale Carnegie course, was the program entitled "The Art of Public Speaking." She emphasized that we learn by doing and to let one's self become ex-
posed to a subject on which is to be spoken. When giving an oration, speak from your heart not from a book.

Preparation for public speaking, she explained, consists of the following: 1, make brief notes of the things to be mentioned; 2, do not write out a speech nor memorize a talk word for word; use illustrations that tend to give points of a speech stick in the mind; 4, know forty times about your subject as you use; 5, rehearse with family friends as critics; 6, do not worry about your delivery, get used to the courses that produce it; do not imitate others, be yourself, and 8, have an eager desire to communicate. In concluding her program, Mrs. Swicgood called on three members respectively, to give one-minute reports.

Future Homemaker officers elected

Betty Salyer was installed president of the Bula Chapter of the Future Homemakers of America recently in the Bula school cafeteria. The former president, Juana Young, was in charge of the ceremony. As eight candles were lighted, she explained the eight purposes of FHA, and asked each new officer if they knew the duties of their office. Initiation of new members and presentation of Junior Degrees were also made at this time. A candlelight ceremony was the setting of the installation.

The others installed were: Marilyn McCall, first vice - president; Patricia Grusenford, second vice - president; Barbara Clawson, third vice - president; Margaret Richardson, fourth vice-president; Dolores McCall, fifth vice-president; Joyce Sowler, secretary; Sherryl Medlin, treasurer; Dorothy Spence, historian; and Juana Young, parliamentarian.

Betty Salyer, the new president, took charge of the president's office and Patricia Grusenford spoke concerning the degree work.

Barbara Clawson, Janice Crockett, Patricia Grusenford, Dolores McCall, Sherryl Medlin, Dorothy Spence, Elaine Tiller, and Joyce Sowler were those that received Junior Degrees.

Marilyn McCall led the FHA song and explained the FHA emblem as Juana Young pinned red and white emblems on each member. New members are as follows: Misses Ange Sisneros, Martha Olguin, Donna Crume, Marget Richardson, Iva Clawson, Judy Sritker, Sharon Turnery, and Linda McCamish.

★ Club meeting

The Emlea Smith Junior Study Club will meet Thursday, Oct. 13, at 7:45 p.m. The meeting will be in the home of Mrs. James Dewbre. Mr. Bobby Travis will be guest speaker.

KITCHEN KORNER

Mrs. Kenneth Wyatt collects recipes

Collecting and experimenting with new recipes is a favorite pastime of Mrs. Kenneth Wyatt, 419 W. Taylor Avenue, a homemaker and mother of two children. "I collect most of my recipes from the women in the churches that my husband pastors," Mrs. Wyatt said. Commenting on her many recipes Mrs. Wyatt said, "women have gotten together and printed a cookbook, made up of the recipes of the women in that church. We then sold them to the community. We had lots of fun doing it."

Mrs. Wyatt says she enjoys cooking almost anything. "My very favorite, I think, is pie crust oddly enough," she explained. "I learned how to make pie crust properly from one of the women in the church at Tulane."

Bro. and Mrs. Wyatt, members of the First Methodist Church, where Bro. Wyatt is pastor, have two children — Mark, 11, a 6 grade student at Morton School; and Jill, five years old.

Besides cooking, Mrs. Wyatt enjoys all kinds of housework, "believe it or not." She is also an avid lover of doing anything with her hands. "I make all sorts of peculiar pictures and different things with my hand," Mrs. Wyatt said. She also loves to play the piano and to do things with her family.

She is a member of the Women's Society of Christian Service

and the Guild of the First Methodist Church

Mrs. Wyatt is not only a homemaker, wife, and mother, she is also a certified teacher. Mrs. Wyatt majored in speech and minor-
ed in English at McMurry College in Abilene. "I found though that most of the towns, where my husband is placed as pastor, have a greater need for English teachers than speech teachers," she explained.

The following is Mrs. Wyatt's and her family's favorite "sure fire, can't fail" recipe:

CORN MEAL PIE
3 whole eggs
1 c. brown sugar
1 c. white sugar
½ c. sweet milk
3 or 4 Tbsp. meal
½ stick butter
1 Tbsp. flour
1 tsp. vanilla flavoring
Mix all ingredients together and pour into an unbaked pie shell. Bake at 350 degrees for 1 hour or until done.

Just can't fail . . .

MRS. KENNETH WYATT is shown as she prepares to make a Corn Meal pie. Mrs. Wyatt says that it just can't fail. Experimenting with new recipes collected from the woman in the churches where her husband has been pastor, is most enjoyable and appetizing. The family doesn't seem to mind it either. TRIBPix

R. Allsups mark 50th anniversary

A reception honoring Mr. and Mrs. Roy Allsup on their 49th wedding anniversary was held Sunday, Oct. 9, in their home at 610 East Buchanan.

A three-tiered wedding cake centered the serving table. A basket of mums decorated the front of the fireplace and a mum arrangement graced the registration table.

Mr. Allsup and Miss Ellen Reed were married Oct. 5, 1916, in Chillicothe. They farmed near Ollustee, Okla., several years before moving to Morton in 1935. He was the dealer for Chevrolet for 20 years in Morton. Allsup now farms near Morton.

The couple has five sons and daughters. They are Lloyd Allsup, Plains; Don Allsup, Morton; Lonnie Allsup, Clovis, N.M.; Miss Tressie Allsup, Big Spring; and Mrs. Clynda Washam, Lubbock. They have 15 grandchildren and 11 great-grandchildren.

The couples' children and grandchildren hosted the reception. Their gift was a maple dining room suite.

Assisting with the hospitalities were Nadine Holcomb of Lubbock, Mrs. Henry Bodwell, Mrs. Bea Yarbrough and Mrs. Jack Baker.

Presiding at the registration table were a granddaughter, Donna Allsup of Morton, and a great-granddaughter, Rebecca Crisp of San Angelo.

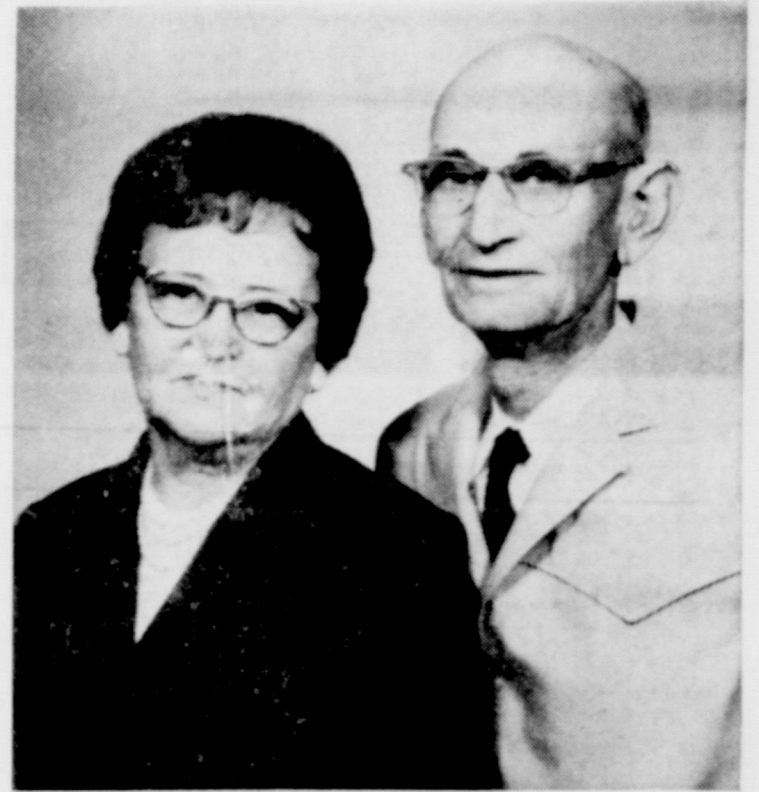

Out-of-town guests were: Mrs. Vergie Luper and Mrs. Rosie Pope of Salinas, Calif., sisters of Mrs. Allsup; Mrs. Audrey Smith, Mr. and Mrs. Allen of Lubbock; Elder and Mrs. W. R. Dale, Lubbock; Mr. and Mrs. Fred Perry and daughters, Janice and Nina, Shallowater; Mrs. Elsie Avery, Level-
land.

Also Mr. and Mrs. Robert Av-

ery, Witharral; Mr. and Mrs. C. H. Jerden; Mr. and Mrs. Arlee Barnard, Lubbock; Mrs. Vernon Norris and Kim, Plainview; Mr. and Mrs. Lem Chesher, Lubbock; Mr. and Mrs. Ed Holcomb, Lubbock.

Wires and congratulations were received from Waterford, Calif.; Phoenix, Ariz.; Socorro, N.M.; Amarillo; Houston, Vernon, Arlington, Levelland, San Angelo, Lubbock, Plains and Lindsay, Okla.

More than 130 guests registered for the reception.

MORTON TRIBUNE, THURSDAY, OCTOBER 13, 1966

Thoughts on National Newspaper Week, Oct. 9-15

Congratulations to the Tribune during National Newspaper Week, Oct. 9-15!

That probably looks strange as you read it, and feels a bit uncomfortable as we write it. But too often newspapers get so wrapped up in their work that they fail to take the time to explain their aims and ambitions to their readers.

A weekly newspaper is a strange creature in that it plans, designs and produces a completely new product each week. And it isn't completely untrue that folks read a weekly newspaper to find out which of the rumors are true.

For a weekly newspaper is completely devoted to the happenings of a small area . . . in our case, Cochran County. We aren't unaware of regional, state, national and international events. It's just that we are limited by time and space to coverage of local events.

A noted publisher once said, "A dog fight on Main Street is of more importance to our readers than a war in Europe." That isn't quite right, for we are well aware of the impact which events in other locales have on us.

But our primary concern is a true and complete reflection of the day-by-day happenings in Cochran County. Nowhere else will you find a chronicle of the events that touch our lives daily. It is up to the Tribune to provide complete record of the births, deaths and daily activities of our citizens. It is up to us to keep you informed about the activities of your city, your county government and your school. We fill our pages with the weekly activities of the study clubs, garden clubs, Scouts, Campfire Girls, the Chamber of Commerce.

The Tribune acts as your representative at countless public meetings. While it isn't as good as if you had attended that important public meeting, it does let you stay at home with the assurance that every action will be reported to you, available for you, available for you to study at your convenience.

In addition, the Tribune provides a permanent and lasting record for future reference.

And, not incidentally, the Tribune offers a permanent and complete advertising service where the merchant can inform the public of new products, improved products, services and special prices or sales events. Without the income from this source, it would be impossible for the Tribune to publish its many pages of news and pictures each week.

Our paid staff is small. But our real news source numbers into the thousands. These are the people who provide us with news items, lead in community action programs and do the work that we report.

Finally, a weekly newspaper hopes to provide public leadership for community improvement, a focal point for information and a voice capable of righting wrongs or injustices . . . and our columns are open to those who wish to express their opinions.

And, incidentally, this package costs no more than a cup of coffee or a comic book each week.

We enjoy producing the Tribune each week and we hope that you enjoy its many pages each week.

Welcome to MHS exes

George Bernard Shaw once said, "Youth is such a wonderful thing, it's a shame to waste it on children."

With this quotation, we welcome former students of Morton High School as they gather this week for their annual Homecoming.

Whether they are exes of 1966 or 1926, they return with fond thoughts and memories of their school days. We wish them a most joyous and successful homecoming this year. There are a number of events in store, all planned to make them feel welcome and honored.

As much as anything else, Homecoming is a time for renewing old friendships and recollection of the happy days spent in school.

Present students, struggling with six-weeks test this week, might not be able to understand what is so great about school days. But those of us who have passed from academic students into the realm of adulthood can understand.

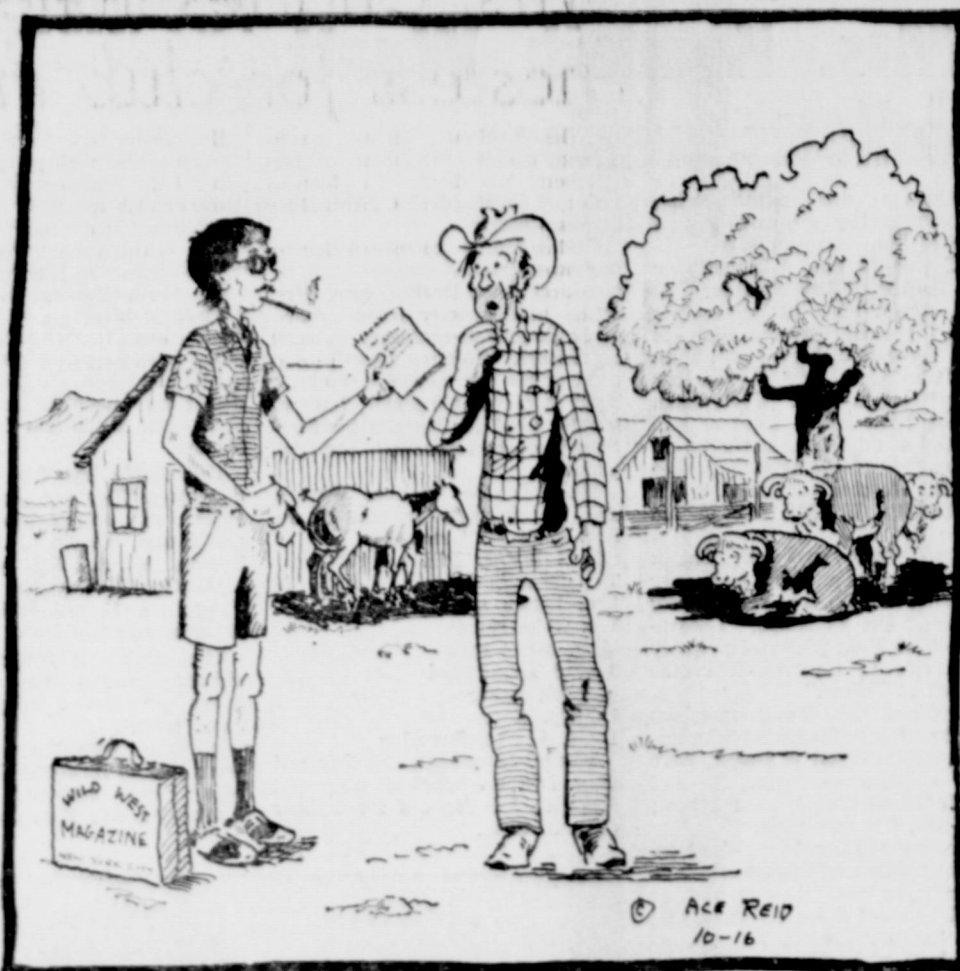

For school days are times of achievement, of aspirations, of dreams and strong friendships.

Learning is a wonderful, although sometimes painful process. And how great it is that we have been afforded the best possible education as a preparation for adulthood. Not until we take our place in the world of business, agriculture or homemaking do we understand fully the opportunities afforded us in the classroom.

Do you exes remember what high hopes and aspirations you had while you were in school? The goals you were aiming to achieve, the good you were going to do? Perhaps you have not been able to conquer all those heights, but at least you are none

COW POKES

By Ace Reid

"Yes, Mr. Writer, we still have cattle stampedes . . . nearly everytime we head 'em toward a feed trough!"

Views . . . of other editors

These are the ugly hours

The following comments were made in a talk before the annual convention of the Advertising Federation of America in Miami, Florida, by Miss Jo Foxworth, vice-president of a New York advertising firm and the AFA's "advertising women of the year." What she had to say makes sense. The time we are living in might best be described as the Ugly Hour.

Our booted and spurred and chipped - off fashions are ugly. (The women's fashions, I mean. The men's clothes are getting pretty good as roses). Our black - eyed white - faced make - up is ugly. Our Sassoon and moonson hair styles are ugly. Our most publicized sculpture is junkyard, and our best - selling art is comic strip and soupcan. Our music is noise

and dances that go with it convulsions. Our language too often is unprintable. Our religions are godless. And our manners are just plain ungodly!

Our reason for this is that our youth - oriented society has given over and given in too much to amateurs and children. And things aren't likely to get much prettier until we get courage enough to be square enough to say "No!" . . . and insist that things be run again by adult professionals.

Meanwhile I'd like to share my creed for the Ugly Hour, which goes like this:

I believe in soap and water and shampoo. I believe that their regular use will not wash away talent, and that the smell of success is still sweet.

I believe that, while clothes do not make the man, genius does not

necessarily come clothed like a walking Third Avenue litter basket.

I believe that anyone over 40 is better off covered, except Marlene Dietrich's . . . and so are all the knobby knees of any vintage.

I believe that the wordsmith of the day should not be Lady Chatterley's Lover . . . that the gamey, gamekeeper's language belongs, if anywhere, on the back fence not at our conference tables and lunch-eater tables.

I believe that courtesy is not corny, loyalty is not square, and God is not dead . . . although He must get awfully sick.

And I believe that while youth is wonderful, maturity can be and ought to be magnificent . . . that moreover the young mind, the young heart, the young spirit have little or nothing to do with chronological age . . . and that the creativity they generate does not fade with the putting on of bifocals.

the worse for having strived. And the friendships you made in school have strengthened over the years.

So enjoy your 1966 Homecoming, warmed by the reflections of happy school days and lasting friendships.

Highlights and Sidelights —

Connally outlines goals

AUSTIN, Tex. — Shape of Gov. John Connally's major legislative goals is beginning to emerge.

He gives high priority to his proposal for a constitutional convention to rewrite the state's basic laws.

Modernization of local governments is essential to state progress and effective management of local affairs. "Functional government by federal guidelines" is the likely alternative to a "renaissance of local responsibility," Connally warned.

Governor outlined a tough, seven-point traffic safety program including driver education for all youngsters, severe penalties for violations of driving laws and a minimum licensing age of 16.

"Without question," he acknowledged, "the 60th Legislature is looking at a raise in our state taxes, but it is impossible to tell exactly how large or how small."

He also ticked off these subjects from his lists of legislative "essentials":

Revision of the penal code and code of criminal procedure; additional sources of revenue for growing cities; substantial salary raises for state employees; continuation of progress in education, tourist and industrial development, community services for the mentally ill and mentally retarded and park system development and improvement.

In discussing streamlining of local government with county officials, the governor declared:

"We cannot progress on a preconceived notion that modernization is politically impossible."

STRETCHOUT URGED — Text as children ought to start to school younger and stay in school longer. So concludes the State Board of Education in its 16-point legislative program.

Board proposes schooling for five-year-olds, state - supported summer school for all grades, a study of feasibility of 10-month school year and seven-hour day, and higher salaries for teachers.

COURTS SPEAK — Texas court of Criminal Appeals has ordered a new trial for Jack Ruby, who faced a death sentence for the murder of Lee Harvey Oswald, the man the Warren Commission said assassinated President John F. Kennedy on November 22, 1963.

Court said Ruby must be tried elsewhere than Dallas, scene of the crime, and concluded that testimony of a police officer concerning statements indicating premeditation were improperly admitted at Ruby's first trial.

Supreme Court handed down a record 137 orders. Among its decisions were:

November 30 date was set for agreement on Humble Oil and Refining Company's suit to recover \$73,302 in franchise taxes paid under protest.

TECHNOLOGY - Texas' screw-worm epidemic still is present in the southwestern and South Central part of the state. However, Dr. S. B. Walker, director of the Texas Animal Health Commission, says the end may be in sight.

Texas' worst infestation since the screwworm eradication program began reached its height two weeks ago. Number of cases leveled off last week. Federal, state and private resources are being used to battle the worm.

An Editorial

Less weeds . . .

THE CITY HAS STARTED showing a little interest in keeping its own property clean. This picture, taken at the city pipe yard north of Madison St., shows Rex Crawford of the gas department and Jack Houghton, water dept. superintendent, working away at man-sized careless weeds. While some of the city's indifference toward Morton's need for beautification has been explained away as being caused by this summer's heavy rains, more of

it could be attributed to carelessness. Here is where pride in your work enters in. Without pride or interest in your job, time spent in it is farcial. However, the city has begun to show a little interest. The streets around the square have been swept and the center stripes painted. Also, streets in residential areas are being cleaned. Individual property owners are joining in the clean-up program. Morton is looking cleaner, but there's still a lot of work to be done. Let's all help. TRIBPIX

LETTERS TO THE EDITOR

Dear Mr. Tuck,

I would like to take this means to thank you for the very fine editorial supporting the proposed historical museum for Morton and Cochran County. Every generation of Texans has been proud of our heritage, but we lose part of the purpose of preserving Texas history if we do not share it with others. We must preserve our history and present it to our citizens and tourists.

Over eight million tourists in Texas each year visit the 221 historical museums now in operation. These visits extend the visitors' stay by some two and one-half hours per visit, thus adding some five million dollars to the economy of Texas. The distinctive quality of historical museums is that they bring the citizen and tourist in direct contact with the tangible objects of the past.

Many counties with no larger populations than Cochran County have sizeable amounts provided for in the county budget for the preservation of local history. Our county would not stand alone in its efforts to establish a museum. The state office of the Historical Survey Committee will furnish on-the-spot advice and counsel to County Committees, county commissioners, Chambers of Commerce, and local tourist-related associations on how to organize, finance, equip, improve, handle acquisitions, and maintain a historical museum. The state office also sets up and co-ordinates special rotating exhibits which are circulated to all historical museums in Texas. A local museum would be listed in the Texas Historical Museum Directory which is circulated throughout the state by Humble Oil and Refining Company.

The women's clubs and civic clubs of this area are in favor of making this proposed museum a community project. Such a museum would be an asset of untold value to the educational, cultural, and economic progress of our county.

Sincerely,
Elvis E. Fleming,
Region 17 Coordinator
Texas State Historical Survey Committee

News items from Bledsoe

By LYNDA THOMS

Bledsoe seniors met and decided on their class motto, flower, song and colors. The motto is: "I could muster the courage to fight; but I am not brave enough to surrender." The class colors are blue and white. The class song is "You'll Never Walk Alone." The flower is the white rose.

The juniors and seniors are preparing to take the Preliminary Scholastic Aptitude Test, put out by the College Entrance Examination Board. They are scheduled to take it on Tuesday, Oct. 18.

Coach Kent has been working the boys' basketball team out for two hours everyday after school since Monday, Oct. 3. He is getting them in shape for their first game with LCHS, Spade, and Union. Coach Kent is encouraging the boys to set their goals high even though we lost all the main string except two, and with them went most of our height. We did gain a 6'5 1/2" boy, Crist Bowley, who is doing very well.

Coach Kent informed the girls' team that they will soon begin after school work-outs, next week probably, if nothing else comes up.

School will turn out Tuesday, Oct. 11, at 1:50 p.m. for an In-Service Education meeting for the teachers. South Plains will host our teachers.

Bledsoe High gained another student. Lowell Robinson, 18, from El Paso, is a freshman. He is living with Mr. and Mrs. Tom Box of Bledsoe.

On Oct. 11, an after-school meeting will be held by the annual staff members to discuss ideas for the annual Mrs. Charles King, English teacher, is helping the staff to work everything out.

4-H Saddle Club seeks members

Six weeks test will begin day, Oct. 11, and will end through Friday. Edsel Young, a resident of Bledsoe, is the instructor in the intensive ward at Methodist Hospital what they think is essential. When admitted to the hospital, he was seriously ill. The doctor says his condition seems to be improving. His wife is Rita; his children: Terry, Jr. and Tammy. Their address: Star Route 2, Morton.

4-H Saddle Club seeks members

The Cochran County 4-H Club held one special meeting, one regular meeting in September, 1966. A total of 68 members, parents, and leaders attended the first meeting of the club. The first meeting of the club will be the first meeting of the club. The club is open to all interested persons. The club meets on the 1st and 3rd Saturdays of each month at the Morton Community Center.

Other activities of the club include a trail ride, western polo, reining, pole bending and racing. The club meets on the 1st and 3rd Saturdays of each month at the Morton Community Center.

All 4-H members in the county who wish to join this club should contact the club leader, who is encouraged to join the club. The club leader is also encouraged to attend training meetings. The club has 10 active 4-H adult leaders who work with these boys and girls.

Students, don't forget to attend game fellowship Friday, Oct. 14, at the First Baptist Church.

SHERIFF'S SALE
THE STATE OF TEXAS)
County of Cochran)

NOTICE IS HEREBY GIVEN That by virtue of a certain order of sale issued out of the Honorable 99th District Court of Lubbock County, Texas, on the 13th day of September, 1966, by J. R. Dever, Clerk of said Court for the sum of Five Hundred Forty and 40/100ths (\$540.40) Dollars plus interest at 7% per annum from July 2, 1964, plus \$100.00 attorney's fees and costs of suit, under a judgment, in favor of Municipal Investment Corporation in a certain cause in said Court, No. 51009 and styled MUNICIPAL INVESTMENT CORPORATION vs. AUDON GOMEZ (also known as Don Gomez) and wife, DOMINGO GOMEZ, placed in my hands for service, I, Hazel Hancock as Sheriff of Cochran County, Texas, did, on the 3rd day of October, 1966, levy on certain Real Estate, situated in Cochran County, Texas, described as follows, to-wit:

Lot One (1), Block Two Hundred Thirteen (213), Original Town of Morton, Cochran County, Texas, and levied upon as the property of AUDON GOMEZ (also known as Don Gomez) and wife, DOMINGO GOMEZ, and that on the first Tuesday in November, 1966, the same being the 1st day of said month, at the Court House door of Cochran County, in the City of Morton, Texas, between the hours of 10 a.m. and 4 p.m., by virtue of said levy and said order of sale I will sell said above described Real Estate at public venue, for cash, to the highest bidder, as the property of said AUDON GOMEZ (also known as Don Gomez) and wife, DOMINGO GOMEZ.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Morton Tribune, a newspaper published in Cochran County.

Witness my hand, this 3rd day of October, 1966.
HAZEL HANCOCK
Sheriff
Cochran County, Texas

Mrs. Charles Jones is hostess for club meet

The Cochran County Garden Club met in the home of Mrs. Truett McCusiston on Monday, Oct. 3, with Mrs. Charles Jones presiding.
Plans were completed for the Flower Show.
Mrs. Willie Taylor reported that she had recently toured the International Peace Garden on the Canadian border of Bissevain, Manitoba and Dunseith, North Dakota. She told the club that when she went through customs, the customs officer asked her, "Are you a Garden Club Member?"

Federation Day to be October 15

The Area Council of Federated Women's Clubs invites all members of the Emlea Smith Junior Study Club, Y-M Junior Study Club, Town and Country Study Club, L'Allegro Study Club, 1936 Study Club, Elma L. Slaughter Study Club, and the Whiteface Study Club to attend the Federation Day Observance Workshop. The Workshop will be held Saturday, Oct. 15, at 10 a.m. in the County Activity Building.
On the program will be the State President, Mrs. B. F. Seay; the T.F.W.C. Trustee, Mrs. A. T. Coanougher; Caprock District President, Mrs. Louis Cummings; District first vice - president, Mrs. LeRoy Johnson; Caprock Junior Director, Mrs. Clyde Brownlow; and State Secretary, Mrs. Bill W. Davis.
The Area Council asks that each member bring a salad and come to learn more about Federation and to enjoy a day of fellowship.

Install officers for three circles

The three circles of the Women's Missionary Auxiliary of First Missionary Baptist Church of Morton met recently for the installation of newly elected officers. This meeting and covered dish luncheon was held in the home of Mrs. W. L. Miller.
Mrs. W. E. Childs presented the program. She used the theme of planets, comparing each officer to a special planet. A special pledge service from each member to her office was heard. Installation service was concluded with a song, "It Pays to Serve Jesus".
The following officers were installed: Mrs. Eugene Bedwell, president; Mrs. W. S. Hobson, 1st vice president; Mrs. Herman Bedwell, 2nd vice president; Mrs. Joe Gipson, secretary; treasurer and reporter; Mrs. W. S. Cooper, assistant secretary.
Seventeen women attended the luncheon.

Clubwomen attend TFWC Workshop

Mrs. Le Roy Johnson, second vice president of the Caprock District and member of the Town and Country Study Club; and Mrs. Earl Polvado, State Home Life chairman, and a member of the Emlea Smith Junior Study Club attended the Board meeting and Workshop of the Texas Federation of Women's Clubs, which was held at the Terrace Motor Hotel in Austin, Tex., Monday, Oct. 3, thru Wednesday, Oct. 5. The formal opening of the workshop took place at 9 a.m. Tuesday, Oct. 4, at the Terrace Hotel, with morning and afternoon sessions.
Tuesday afternoon there was a Green Tea held at the TFWC Clubhouse.
There was a Junior Breakfast held Wednesday, Oct. 5, for the Junior Clubwomen, with Mrs. Arlan Fenner, State Junior Director, presiding over the meeting. Mrs. Earl Polvado of Morton attended. Mrs. Polvado represented the Emlea Smith Jr. Study Club and she is the State Home Life chairman.
The workshop closed Wednesday, Oct. 5, with a luncheon. Guest speaker for the luncheon was Governor John Connally.

Mrs. and Mrs. Robbie Key and children, Larry, Schelle, and Kevin, went to the Fair Tuesday, Sept. 27.

Preparing for FLIGHT

The beautiful breezy skies turn our eyes upward to watch the flight of the kite and the soaring of the airplane. The pilot must prepare for his flight in order to remain aloft, to reach supersonic speeds, to soar to highest blue sky. In our lives, to prepare for the speed of our times, and to pave the way for soaring to the highest success in living, we need God's word as it is preached in His Church. Isaiah 41:31 reads, "But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.
