

Chamber banquet honors farm family, citizen

Citizen of the year
R. C. Strickland and wife

A packed house at the Morton Area Chamber of Commerce banquet Tuesday night applauded vigorously following the naming of the citizen of the year and farm family of year as well as following the address by Capt. Harold A. (Andy) Solberg.

The banquet, which was held in the County Activity Building, was the fifth such one for the chamber of commerce. More than 150 local and out of town residents attended the event.

The highlight of the banquet was the naming of the citizen and farm family of the year awards. Named as recipient of the citizen of the year award was R. C. Strickland. Chamber president George Hargrove said that to list all of Strickland's accomplishments would take a book. "He is one of the greatest, one of the most respected, and one of the most loved gentlemen in this community," Hargrove said.

Farm family of the year award went to the Francis Shiflett family. Hargrove said, "This family is most deserving of the award." Present to accept the award were Mr. and Mrs. Shiflett, daughters Terry and Vicki and sons Dale and Gary.

The selections for the farm family award were made by the criterion and selection committees of the Morton Area Chamber of Commerce. The citizen of the year was chosen in a similar manner.

Following the invocation by T. A. Grice, minister of the East

Side Church of Christ, master of ceremonies Dean Weatherly introduced guests from Muleshoe, Loveland, Denver City, Seminole, Friona, Reese AFB and Hobbs, N.M. The majority of the visitors were engaged in some sort of chamber of commerce work. Also, a telegram from former chamber manager Jessie T. George was read in which he commended the people of Morton for their chamber of commerce work. He admonished the chamber to continue working for a stronger Morton and Cochran County.

Cash awards were presented to two men for being the first in the county with cotton and grain sorghum. Earning a \$50 award for ginning the first bale of cotton in Cochran County was Fermin Rodriguez. A \$25 award went to Larry Beseda for turning in the first load of grain sorghum.

Introduced by Dean Weatherly, Capt. Harold A. (Andy) Solberg heard his many accomplishments read to the audience, including his latest decoration, the Distinguished Flying Cross, which was presented only last Sunday. Capt. Solberg earned the DFC for completely disregarding his own personal safety in making a night blackout landing in a ricefield in Vietnam to rescue several injured men.

After the introduction, the mustachioed helicopter pilot said, "Reese (AFB) didn't leave out a thing." He went on to preface his remarks with a very folksy presentation saying that he was forced to write his speech down

because of the time factor. "I have so much I would like to tell you that I just had to limit my remarks by writing them down," he said.

Capt. Solberg did in fact limit his remarks to very personal items such as some of the rescue missions he had flown. He said that large programs were aimed at the Vietnamese people in order to win their thinking and therefore their support. If the people weren't won over, and thus be willing to rule themselves, then all the fighting in the world wouldn't do them any good, he commented.

"If the Vietnamese villages had a sort of Chamber of Commerce, such as yours, then there wouldn't be a need to help them as much," he said.

Andy, as he prefers to be called, appeared in civilian dress and told of his work in aerospace rescue and recovery. He was stationed at Da Nang, which is 120 miles south of the demilitarized zone of DMZ.

The rescue team, which usually included two helicopters with a crew of four each, carried an interesting array of equipment. The equipment included fire suppressing foam, a jungle penetrator, and extra-length hoist cable, to name a few.

Andy said that the helicopters were armor plated, with the exception of areas around the pilot, had self-sealing fuel tanks, two radios and an extra large motor. He said that all helicopters in Vietnam with the exception of Air Force helicopters were armed. "But, the VC

Emergency loans available at FHA

Ervin E. Elliott, Cochran County Supervisor of the Farmers Administration, has announced that Cochran County has designated eligible for Initial Emergency Loans for farming operations to new applicants through 10/30/67.

Emergency Loans are available to established farmers or others who are unable to secure operating expenses from other sources to continue their normal operations. Loans are made from recurring essential farm home operating expenses and are not to be used to refinance existing debts, purchase of equipment, livestock, other than replacement, or to reorganize or enter the normal operation of a farm or rancher.

The interest rate for Emergency Loans is 3 per cent. Loans are repaid from the product is normally received. Elliott said that there was no limit as to the amount of the loan.

Last year we ran out of money and had to wait until now to get an emergency loan," he said. Elliott also said that it looked as if they would run out of money again, due to the demand caused by the weather.

See LOANS, Page 2

Absentee

Absentee voters will have until 5 p.m. Nov. 4 in which to cast their ballots for the Nov. 8 general election. Voting so far has been light. Only 2 have voted in the county clerk's office while another five ballots have been mailed out. The most contested race in the election is that of U. S. Senator from Texas. The incumbent is Republican John Tower, while his opponent is Democrat Waggoner Carr. Also at stake are local and state offices as well as 16 proposed amendments to the state constitution.

Local supermarkets cut food prices

At least two Morton grocery stores followed a trend this week and announced general price reductions. Doss Thriftway and My Store both revealed this week that they were following the lead of chain stores in many major cities and making almost store-wide price cuts.

Council okays raises, hears of police resignation, fire truck plea

The Morton City Council had another fast and furious night Monday, as they approved raises for three, heard of the resignation of a city policeman, hired a new dog catcher and talked about a new fire truck.

Police Chief Burtis Cloud appeared before the council and asked raises for Charley Ellis and Frank Davidson. The motion was made by Donnie Simpson and seconded by W. L. Taylor. Ellis was raised from \$325 to \$350. Davidson was raised from \$345 to \$350.

Cloud then told almost in passing of the resignation of patrolman R. B. Cunningham. No specific

reason was given for his resignation.

Since the present dog catcher has not yet returned from his vacation, another one was hired by Cloud. He will be given the usual 90 day probation period. Also the council discussed the building of pens in which to keep the dogs. It was decided to build new pens at the sewer farm. The price of materials was to be checked into before building them.

Following this City Manager asked a raise for Jo Overland. This was approved on a motion by E. C. Seaney and seconded by Earl Stowe. Mrs. Overland was raised

from \$255 to \$275.

Fire Chief Tom Rowden appeared before the council requesting backing before asking the commissioners court for a fire truck. The fire truck will be used to answer city as well as rural fires. At the present time there are two fire trucks, only one of which is used normally. The other truck has state approval as a hose truck and emergency pumper.

Rowden said that of the 58 fire calls this year, 44 had been rural fires. He mentioned that rural fires place a great physical strain on the fire truck and that another one is needed.

Despite the fact that the county pays \$1,200 per year for rural fire protection, Rowden said that rural fire calls cost the city about \$125 per call. For 44 fires that amounts to \$5,500. No official action was taken pending Rowden's appearance before the commissioners court.

After Rowden and Cloud left, the council talked about how nice Morton was looking because of the clean up work being done by the city and the citizens. The work being done at the cemetery was especially noted. One councilman

Spooks, booths, beauties to fill Halloween night

There will be a ghost-filled good time for everyone, especially the high school and junior high school students, at the Halloween Carnival to be held Monday in the County Activity Building from 6-11 p.m. The carnival, sponsored by the Emilea Smith Study Club, will feature booths by all the high school classes as well as by civic and study clubs.

Admission to the carnival is 10 cents and will give everyone a chance at the doorprize, an electric deep fryer. The fryer will be presented following the crowning of the Halloween Queen at 9:30. Each class from the 7th grade through the seniors will have a candidate for the queen contest. Voting for the queens will be by money.

Different booths will have different prices for admission. Booths include a hot dog stand, spook house, popcorn and candied apples, a dart throw, fishing pond, bingo, cake walk, football toss, fortune telling, apple bobbing, roulette table, and a bazaar.

Thanks for helping CROP . . .

THESE PRETTY YOUNG LADIES, Margaret Ledbetter and Donna Hofman, are but two of the many area youngsters who will be soliciting contributions for CROP on Saturday night. CROP is an organization that helps the

needy people of the world through donations of food, money, medicine, and self-help equipment. The collections will be done by junior high and high school students from Morton and will originate from the Methodist Church at 6 p.m. TRIBPix

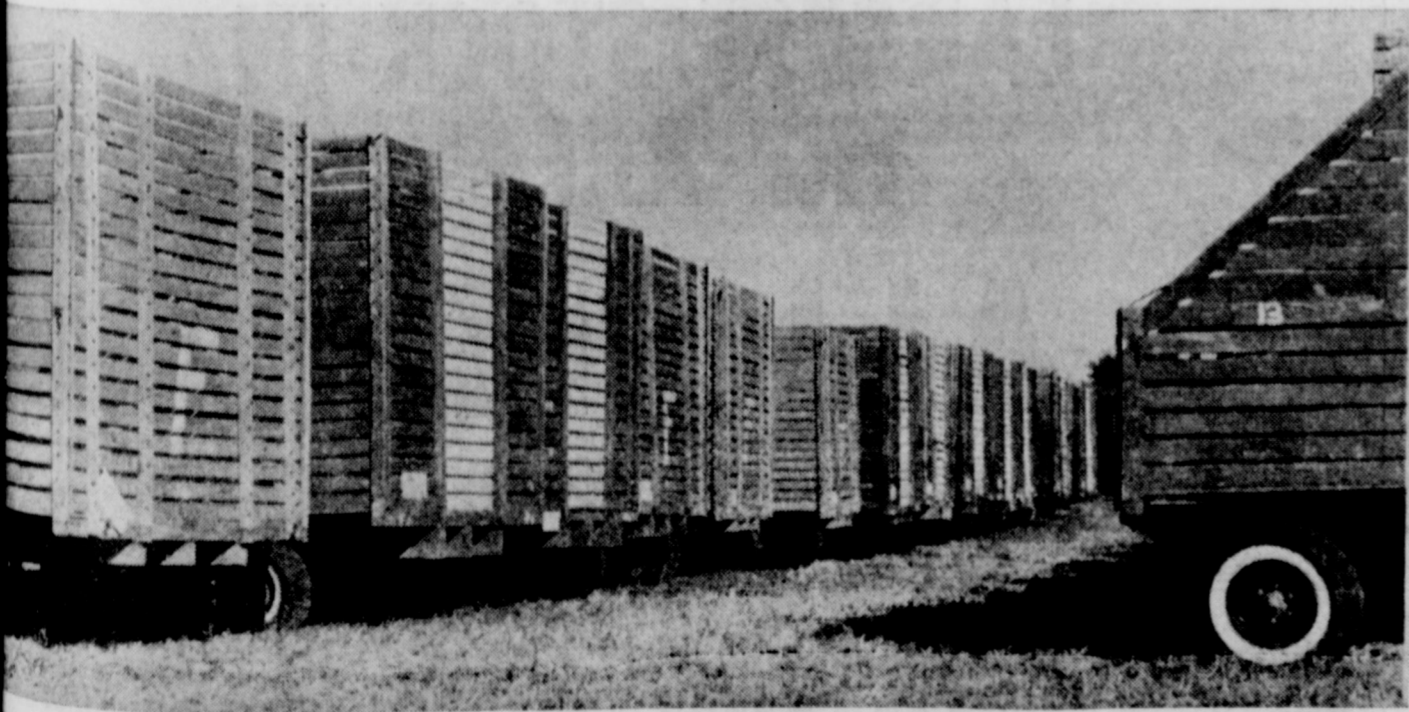

CROP donations to be collected on Saturday

Along with the usual ghost, goblins and ghouls that will be out trick or treating for goodies this weekend will be Morton youngsters who are trick or treating for CROP. CROP, the community appeal of Church World Service, seeks donations that will be used to help feed and clothe the less fortunate people of the world.

Ross Shaw, chairman of the Cochran County CROP drive, has urged everyone to contribute when the volunteers from CROP stop by on Saturday night from 6 to 7 p.m. See CROP, Page 2

Homecoming

Whiteface High School will hold its homecoming Friday, Oct. 28. Activities get under way with a 4 p.m. parade and will be followed by a banquet in the cafeteria at 6 p.m. Banquet tickets are \$1.75 and include admission to the game. A coffee will be held for all exes following the game. The 8 p.m. game features a battle between Whiteface and Amherst. Classes of 1950 and 1951 are to be honored.

Waiting trailers . . .

THE FREEZE HIT FARMERS HARD, as these waiting trailers will attest. Cotton stripping and picking have hardly progressed since the freeze. Last week's estimate of \$1 million freeze damage is expected to be much higher, with the losses showing

up mainly in low micronaire, low yield and higher ginning costs. Homer E. Thompson, Cochran County Agricultural Agent estimates that only one per cent of the cotton has been harvested in Cochran County. TRIBPix

County Agent's report ...

By HOMER E. THOMPSON

Pesticide safety

The responsibilities of pesticide users end with the safe disposal of surplus material and "empty" containers.

Regardless of the disposal method, hazards can be minimized by draining any pesticide remaining in the container into a pit (18 inches deep) dug in sandy soil if possible; rinsing glass and small metal containers several times and putting the rinse water into the pit; keeping lids and bungs tightened at all times when containers are not being used and keeping all "empty" containers in a secure storage area until safe disposal can be made.

Combustible containers, such as cardboard boxes, paper bags and plastic containers should be burned but only when conditions will not cause smoke to drift over nearby homes, people, livestock or crops. Avoid breathing smoke or fumes from the burning containers, advised the county agent.

Metal containers should be punctured on all sides and crushed. Glass containers should be crushed and both types should then be buried in a pit dug on level ground away from homes, wells, streams, crops and livestock. Do not burn weedkiller containers. This has been done this past summer. Store remaining pesticides in a separate building, room or enclosure. The storage area should be kept dry, well ventilated and under lock and key. Weedkillers, herbicides or defoliants should be stor-

ed in a separate room. Storing and disposing of pesticides and their containers in a safe manner is an important part of pesticide safety.

Freezing danger

Frost and freezing weather will soon be widespread and with the change in weather plant growth is affected. When the growth of all members of the Sorghum family, including Johnsongrass, sudan, milo, forage sorghums and all hybrids, is stopped by frost, they sometimes develop a high prussic acid content and a hazard to grazing livestock. Many phone calls have come in on this subject recently.

Certain chemical changes occur in the frost-wilted plants, and are responsible for the prussic acid development. The poison acts quickly and can kill an animal within a very short time after the damaged plant is eaten. Whether a poisoned animal can be saved depends upon how soon a veterinarian can get to it.

Frosted Johnson grass or sorghum should not be grazed until the damaged plants are as dry as good quality hay or for at least a week after the frost. If it is ready to cut for hay before the frost, it may be cut immediately provided adequate curing time is allowed. Silage made from frost-damaged plants is safe as soon as the ensiling process is complete.

Young plants or second growth suckers are more likely to cause trouble than older plants nearing maturity. Too, the more luxuriant

the growth, the more likely the plants will be dangerous if their growth is interrupted.

Additional information is available from veterinarians and county agents on questions relating to the grazing and/or harvesting and storing of frost wilted plants.

Protein supplement

A few ranchers have inquired about using UREA as a protein supplement for beef cattle. Below is a few feeding hints on using UREA for this purpose.

Urea is a non-protein-nitrogen compound which through bacterial action in the rumen and in the presence of readily available carbohydrates is converted into protein usable by ruminants.

Readily available carbohydrates are such feeds as molasses and the grains of corn, wheat, barley and sorghums. Correct amounts of urea thoroughly mixed with molasses or the grains gives comparable feeding results to the vegetable protein supplements.

The following points should be considered when urea is fed to cattle:

1. Mixtures containing urea require thorough mechanical mixing.
2. Getting cattle adjusted to feeds containing urea is very important. Range cattle may be fed one-fourth of their daily supplemental protein allowance for the first 3 days. Then gradually increase until they are receiving their full daily protein requirement within two weeks.
3. Urea may provide one-third of the total protein in a supple-

ment.

4. Urea may make up one percent of the total ration.

5. Urea is most efficiently used when fed with a readily digestible carbohydrate. For each pound of urea in a mixture add 7 to 8 pounds of ground grain or 9 to 10 pounds of molasses.

6. Urea probably serves no useful purpose when included in a ration that is already adequate in protein.

Contact the county agent for more detailed information on feeding of urea.

Down go the prices . . . AS THE PETTICOAT BOYCOTT moves closer to Morton, local supermarkets voluntarily reduced prices. In this picture, made in a local store, the store manager is shown reducing the price of bacon 20 cents a pound. Most housewives don't know who is making the profit on groceries, all they know is that the price of groceries has risen about 25 per cent in a year. Grocers, while claiming they are caught in a price squeeze, are nonetheless reducing prices. TRIPix by George Tuck

Whiteface has Club plans for homecoming

The Whiteface Study Club meet the club members to "look, feel, and wish all they wanted to." The guests present who enjoyed the program were: Mesdames Charlie Booz, Max Dickerson Galen Baldwin, Billie Wall, N. L. Moseley, Wade Taylor, Elmer Evans. Members present were: Mesdames J. W. Allen, Vern Beebe, S. J. Bills, Rex Black, James Cunningham, Wendell Durlap, John Fietz, Marvin Kuhler, Marvin Laster, Darwood Marshall, Fred Moseley, Ralph Peters, Don Price, Dale Rotad, Judy Harrison, and Louise Lucas.

Junior G. A.'s hold mission meet

The Jean Dickman Junior Girls Auxiliary of the First Baptist Church had its regular meeting on October 23. This was a "Missions in Action" meeting. The girls took their program to the home of Mrs. J. R. Ward for their community missions for the month of October. The girls will also be sending birthday cards to the patients at Roberts Memorial Nursing Home throughout the year. A foreign dish was served to the members by Arlene Crow as a requirement for her queen step. The food she served was from the country of Indonesia. Those attending the meeting were: Debra Williams, Yvonne Vanstony, Carolyn Gray, Cassandra Reeder, Judy Steed, Melody Crone, Kathy Mason, Judy Oliphant, Arlene Crow, Mrs. Nuel Crow, and Mrs. Henry Williams, Counselors.

Mr. Bill Hanson from Big Spring visited her parents, Mr. and Mrs. E. O. Willingham, over the weekend.

Three Way mauls Smyer 58-12

Three Way showed Smyer how to play ball last Friday night as they stomped Smyer 58-12. This brings Three Way's season record to 3-1 while Smyer is 0-5-1. In the first quarter, quarterback James Kindie climaxed a 24 yard drive by scoring a TD from two yards out. He also carried over for the extra points to make it 8-0.

Halfback Monte Toombs, Three Way's leading scorer for the season, carried for 28 yards and a TD for Three Way's second score. Kindie then made it 16-0 by scoring the extra points.

In the second quarter Toombs scored again, this time from 25 yards out to make it 22-0. The try for the extra points failed. Smyer then cranked up a 33 yard drive and scored when their quarterback, Anthony Altman sneaked across from one yard out. But their extra points didn't come about. The score was then 22-6.

The third quarter saw Tommy Black, halfback and leading ground gainer, score three 6-pointers for Three Way on runs of 70, 45 and 8 yards. Gary Gibbs, reserve halfback, ran one extra point and Wedrell Williams caught a pass from Kindie for another extra pointer, while reserve quarterback Jackie Dupler passed to reserve end Mike Lindsey to end the scoring in the third quarter. The score then stood at 46-6.

The Three Way reserves took over in the middle of the third quarter and finished the game. Tommy Black, defensive left back, who was playing with the reserves, intercepted a Smyer pass in the fourth quarter and ran it back 22 yards for another Three Way score, which made it 52-6.

Bill Dewbre, regular guard and leading Three Way blocker and defensive man, moved to the backfield with the reserves and scored on a 5 yard run in the fourth quarter. Gary Gibbs, reserve Three Way halfback, set up the play with an 18 yard run. Extra points failed.

Smyer scored their last touchdown on a pass from Mike Newton to Anthony Altman from 23 yards out. Final score: Three Way 58 Smyer 12.

Three Way's defensive standouts were Bill Dewbre and Bruce Pruitt. Tommy Black was their leading ground gainer. Leading blockers were Bill Dewbre, Bruce Pruitt, Tommy Gish, Mike Roberts, Tommy Black and Monte Toombs. Anthony Altman was Smyer's defensive standout.

Telephone building construction . . .

MORTON'S NEW GENERAL Telephone Co. Building is rapidly taking a visible shape. For several weeks following the removal of the old building, there was little more than concrete forms and a vacant lot to give evidence of

things to come. This underground installation will house some of the company's intricate equipment. The building proper will probably house exchange equipment.

TRIBPIX

Former resident receives injury

The Woodrow Selfs, who now reside in Lockney, but used to be Cochran County residents, have sons now registered at South Plains College at Levelland.

One of their sons, Woody Keith, suffered a broken neck in an accident at the college last week. This was the second time Woody has had his neck broken. Their other

son registered at the college is Reggie Bruce. They are both graduates of Morton High School. The W. L. Meeks family and Mrs. Vee Jones from Childress visited with the Selfs Sunday. The Whiteheads also stopped by for a short visit.

News items from Bledsoe

By LYNDA THOMS

Our Halloween Carnival will be held this year on Friday night, October 28, beginning at 6:30 p.m. Each room in grade school will have a project. Grades 7 through 12 will have various type activities in the small gym and lunchroom. The concession stand will be open.

The High School elected their Halloween queen, who will be crowned Friday night at the coronation. The queen is Sandra Kay Hale, a Sophomore. She is the 15-year-old daughter of Mr. and Mrs. Ellis Hale, Star Rt. 2, Morton. Her escort will be Steve Sutton, a Sophomore. The senior princess will be Lynda Thoms, escorted by Derrell Hale. The junior princess will be Janis Buchanan, escorted by Steve Dunn. The freshman princess will be Robbie Burkett, escorted by Monte Hall. The Master of Ceremonies will be Benny Rawls.

Last Tuesday the Juniors and Seniors took the Preliminary Scholastic Aptitude Test. Results from the two hour test should be back in December.

Last Friday the Bledsoe Antelopes took one win and lost another to the Spade Longhorns. The Bledsoe girls lost 47-34. The boys won, the score 57-27.

The boys' and girls' teams elected their season captains. The girls elected Linda Burns and the boys, Christ Bowley. Linda Burns is a junior and Christ Bowley is a senior.

The Bledsoe seniors and juniors who are on the annual staff met with Mrs. Whobbs from the Taylor Publishing Co. last Tuesday. Mr.

Whobbs gave them some pointers on the annual.

Mr. and Mrs. C. O. Bryant, Capt. and Mrs. Pentilla, and Lynda Thoms went to the Texas Tech Homecoming Parade to see Bill Bryant, a member of the SABBES, march. Lynda later went to the Tech game with Bill.

New TOPS Club starts Tuesday

A new TOPS Club was started Tuesday night, when a meeting was held in the Fellowship Hall of the Methodist Church. The name selected was Night-Lighters TOPS, using the lighted candle as their symbol. Rules and regulations were read by Vanice Lovett, who was selected as temporary acting leader. She appointed Maxine Yearo to be weight recorder, and Peggy Johnston was appointed to be the secretary. Their next meeting will be Tuesday night, November 1st, at 7 p.m. in the Fellowship Hall. Both men and women are invited to join the Night-Lighter TOPS Club.

Bluebirds have Halloween party

The second grade Cheerful Bluebirds met Monday in Mrs. Neal Rose's classroom for their regular meeting and Halloween party.

Refreshments of orange punch and Halloween candy were served by Mrs. Raymond Hall and Mrs. Hub Cadenhead to 10 Bluebirds, and their leaders.

The girls were divided into three groups and played Charades, each group acting out something typical of Halloween. The Bluebirds then sang their favorite Halloween songs.

The next meeting of Cheerful Bluebirds will be on November 4.

Mrs. Van Greene went to Homecoming at Tahoka Friday, then to the Tech Homecoming Saturday.

Texas has produced 28.7 billion barrels of oil, or 36.3% of U. S. total.

Go Indians . . .

THESE GIRLS, members of the Morton Indian Band, show their backing for the Indians during their bout with Stanton. However, the Indians got shot out of the saddle 20-12. The

band, pep club, football players and a loyal fans were about the only ones at game. Friday night will be a different one as Morton travels to Denver City to take the Mustangs.

The Morton (Tex) Tribune, Thursday, Oct. 27, 1966

Tail water return system results

The High Plains Underground Water Conservation District No. 1 has recently compiled detailed records on five tail water installations within the Water District. These records were compiled from data gathered during the past four years.

The five systems showed that

an average of 87.93 acre feet of irrigation tail water was recovered per system during this time. Installations with three years study reveal an average recovery of 90.71 acre feet per system.

In three of the systems studied, records were compiled on the amount of water that was pumped from the Ogallala formation through the irrigation wells. The

average recovery per system was 83.52 acre feet of water. The age recovery per contribution was 35.79 acre feet per year and the average per cent total water recovered is 22.40% of the water pumped to the system.

ests from the witch . . .

THESE TWO YOUNGSTERS are all eyes as they get a treat from Good Witch Greta before the Halloween Carnival to be held Monday. The youngsters are Loy Scott Fralin, 3, son of Mr. and Mrs. Rodney Fralin, and Rachel Kern, 2, daughter of Mr. and Mrs. Loy Kern, while the witch is Mrs. Rodney Fralin. Mrs. Fralin is chairman of the Emlea Smith Study Club Halloween Carnival, to be held in the County Activity Building, from 6-11 p.m. The carnival will feature booths by the high school classes as well as booths by civic and study clubs. Admission is 10 cents for everyone over 6 years of age.

Fralin is chairman of the Emlea Smith Study Club Halloween Carnival, to be held in the County Activity Building, from 6-11 p.m. The carnival will feature booths by the high school classes as well as booths by civic and study clubs. Admission is 10 cents for everyone over 6 years of age.

Still time to ZIP-A-List to PO

Postmaster Murray L. Crone today thanked the hundreds of Morton residents who have been cooperating in a plan to add ZIP Codes to personal mailing lists.

He also urged all those who have not yet sent in their "ZIP-A-LIST" forms to do so.

As part of a nationwide program, the Postal Service will add the ZIP Codes to personal mailing lists. Every household in the nation has been sent forms with blanks for addresses to which residents wish the post office to add the five number codes.

"It's not too early to think of adding ZIP Codes to your Christmas mailing list," Postmaster Crone suggested. "Also, it would help us greatly if you would print each address."

Postmaster General O'Brien has said that we must do all we can to make ZIP Codes completely accessible and this is part of that program. Local ZIP Codes are also available in the business pages of the phone book and in directories in post office lobbies. A special ZIP Code information section has been set up at the Post Office. Its phone number is 266-7731.

"Personnel and social mail accounts for more than 20 billion pieces annually."

Mr. Crone encouraged mailers to use the ZIP Codes on all addresses because with it mail moves by a more direct route and is handled fewer times.

In filling out the forms, householders are asked to merely list the addresses — no the names — of their correspondents.

Incomplete addresses which are submitted but cannot be ZIP coded by the local post office, such as those in a city like Washington, D.C. which has the same street names and numbers in the northeast, northwest, southeast and southwest sections, will be sent to the appropriate city and the codes will be added there.

Postmaster Crone emphasized the importance of including the return address on the front of the cards so that his employees will know where to return them after the five number codes have been added.

He also noted that extra cards will be available for those requesting them.

Wall of blockers . . .

JOHN ST. CLAIR (11), Morton quarterback, has got protection on this roll-out pass pattern. Setting the wall for him are

tackle Larry Shaw (74), guard Alex Soliz (61), guard Billy Smart (62), with halfback Charles Joyce (44) and fullback Jimmy Waters (32) on the other side.

BATTLE OF RIVALRY FRIDAY

Morton battles D.C. trying for first win

Fireworks and the unexpected can be expected Friday night at 7:30 p.m. when the Morton Indians journey to Denver City. For the first time since 1958, Denver City has lost a conference game and the Mustangs are virtually out of the running already. The Post Antelopes dropped their last week, 14-0, leaving the Ponies with little but their pride to salvage.

On the surface it would appear to be no contest, but when the two teams tangle, nothing is certain except a hard-fighting game.

Morton is still trying to get into the win column, taking a 6-7 mark into the game. And the Mustangs are experiencing their worst season in years. They currently have 2 wins, three losses and two ties, but have played some top-notch teams.

Denver City opened with a 6-12 loss to Brownfield, tied Seminole 6-6, tied Levelland 0-0, lost to Stamford, 6-7 and then dropped Muleshoe 17-0. In their first conference outing, they averted tragedy in the last quarter and finally subdued Slaton 24-13. Then came their defeat at Post last week.

Coach Don Orr is crying about a lack of experienced players, but is starting only two sophomores on offense and two on defense. His offensive regulars include three seniors and six juniors. Orr's Mustangs still go with a very tight formation with the backs just a couple of steps behind the line and the linemen split out wide.

Probable offense starters for Denver City include: Marshall Dolloff, left end, junior, 142; Robert Kizer, left tackle, junior, 157; Dave Emiler, left guard, sophomore, 154; Allen Arnold, center, junior, 199; Jimmy McKee, right guard, 169, sophomore; Leland Tucker, right tackle, senior, 196; Mike Mead, right end, senior, 160.

14 on Whiteface J. H. honor roll

Fourteen students in Whiteface Junior High School have made the first six weeks' honor roll according to Charlie Booz, principal of Whiteface High School.

While no one was named to the seventh grade straight A list, four students made the A and B honor roll. They were Tommy Lewis, Vicki May, Chrysti Sanders, and Susan Scholer.

The eighth grade straight A honor roll was made by only one person, Jackie Lou Grant. Nine students made the A and B honor roll. Included were Suzanne Ashmore, Ronnie Hemphill, Linnie Hodge, Debra Hunnicutt, Gary McCoy, Carol Pond, Owen Roberts, Juanita Salas, and Daloma Sanders.

Bootlegger fined

Jesus Resendez, Jr., of Morton was fined \$128.30 including costs for transporting liquor in a dry area. He pleaded guilty and was assessed the fine Monday by County Judge Johnny Love.

The C. B. Earleys had visiting in their home last week their daughter, Mrs. Ronnie (Joyce) Smith and their grandsons, Terry Don and Ron Earley. Mrs. Smith and the Earleys attended Joyce's homecoming at Tahoka last Friday.

Miss Cheek joins Sigma Tau Delta

Peggy Cheek, daughter of Mr. and Mrs. W. A. Cheek, 305 E. Taylor, has been accepted as a pledge for Sigma Tau Delta at Wayland Baptist College in Plainview this fall.

After an eight-week pledge period the Wayland junior will become an active member of the national professional English fraternity.

Miss Cheek has been a staff member of the Traveler, campus yearbook. She is a 1964 graduate of Morton High School.

Whiteface and Ropesville tie

The Whiteface Antelopes and the Ropesville Eagles battled to a scoreless tie last Friday night in Ropesville. It was a defensive battle all the way. The Antelopes rushed for 161 yards and passed for 27. A strong defense led by center Ronnie Taylor with help from linebackers Alvin Nack and Lupe Alanez allowed the Eagles 160 yards rushing and only three in the air.

The Antelopes stand 3-0-1 in conference play and 4-1-1 for the season.

Morton man gets early promotion

Private Eusevio M. Mireles Jr., 19, son of Mr. and Mrs. Eusevio Z. Mireles, Route 1, Box 45, Morton, received an early promotion to Army pay grade private E-2 on completion of basic combat training at Ft. Bliss, Tex., Oct. 7.

He was awarded the promotion two months earlier than is customary because of his score in firing the M-14 rifle, high score on the physical combat proficiency test and his military bearing and leadership abilities.

The early promotion program is an Army policy providing incentive for outstanding trainees.

Cotton Festival slated in Lvld.

Final preparations are underway by the Levelland Jaycees for the Hockley County Cotton Festival. The main event of the week's activities is a cotton parade Saturday afternoon at 2. The last parade was over 17 miles long, and the Jaycees state that this year's parade will be even longer.

An essay contest has also been slated. Ages 9 through 18 will be eligible, with trophies going to the top three winners. The parade committee will also present 12 trophies for the best floats in four classes.

Plans are progressing for Cochran Co. museum

Further plans were made for the proposed museum for Cochran County at a meeting of the Cochran County Historical Survey Committee in the Chamber of Commerce offices last Saturday morning.

Mrs. H. B. Barker, chairman of the committee, appointed Miss Mary Jackson to head a committee which will write a constitution and by-laws for the proposed museum board. Mrs. Hume Russell and Truman Doss will also serve on the committee.

The Survey Committee approved a motion by Elvis Fleming that the proposed museum be designated as a museum of history (as distinguished from a museum of fine arts or of natural history). Fleming's motion also established the name of the museum as "Cochran County Historical Museum."

Mrs. Barker, Mrs. Russell, and Mrs. Alvie Harris of Bledsoe were appointed to represent Cochran County at the Annual meeting of the Texas State Historical Survey Committee in Fort Worth on Dec. 1, 2, and 3. The three ladies volunteered to pay their own expenses to the convention.

Mrs. Joe Seagler reported to the committee on the recent meeting with the Cochran County Commissioners in which the commissioners agreed to allow the museum to be established on county property and to put the Survey Committee in future county budgets.

Fleming reported that the old building which was donated by General Telephone Company had moved to the county property in the 200 block of S.W. 1st St., at an approximate cost of \$100. Fleming also said that the cost of materials to restore the roof of the building would be approximately \$200.

Mrs. Seagler proposed that the old shingles off the building be sold as souvenirs to raise funds for the restoration of the building. The proposal was approved, and November 1 was set as a workday to begin restoring the building. It was decided to invite any and all local organizations to meet the committee at 4:00 p.m. on Nov. 1 at the museum building to help with the work of removing the old shingles and old sheet-rock from inside the building.

Make plans for Carr coffee here

The "Ladies for Carr" committee met Friday morning in the home of Mrs. LeRoy Johnson to make plans for a "Carr Coffee." Plans were also discussed concerning the "Carr Caravan" making a visit to Morton and other parts of Cochran County.

All area women are invited to attend the "Carousal Coffee" for Mrs. Waggoner Carr, Thursday, Nov. 3, from 10:00 a.m. to 12:00, at the Villa Inn Garden Room in Lubbock.

The committee is Mrs. Johnson, Mrs. H. B. Barker, Mrs. Roy Hickman, Mrs. J. W. McDermott, Mrs. J. C. Reynolds, Mrs. Carl England, Mrs. Bob Cross, Mrs. Alvie Harris, and Mrs. M. D. Collins.

Mr. and Mrs. E. R. Fincher visited in Big Spring over the weekend. They visited Mrs. Fincher's brother, A. L. Johnson, who is ill in the Medical Arts hospital. They also visited Mr. W. B. Ray, father of Carl Ray, who is in the old folk's home in Big Spring.

Texas oil and gas provide 25% of fuel energy produced in U. S.

Busy Bakers 4-H Club holds meet

The Busy Bakers 4-H Club met Tuesday evening at the County Activity Building.

The girls made milk shakes and worked on their project books. Those present were Cassandra Reeder, Debra Adams, Doris Beseda, Emlea Smith, Joyce, Mary Marina, Rhonda Bland, Susan Rowden. Their leader is Mrs. Bobby Adams.

The next meeting will be Nov. 8.

Telephone building construction . . .

MORTON'S NEW GENERAL Telephone Co. Building is rapidly taking a visible shape. For several weeks following the removal of the old building, there was little more than concrete forms and a vacant lot to give evidence of

things to come. This underground installation will house some of the company's intricate equipment. The building proper will probably house exchange equipment.

TRIBPIX

Former resident receives injury

The Woodrow Selfs, who now reside in Lockney, but used to be Cochran County residents, have sons now registered at South Plains College at Levelland.

One of their sons, Woody Keith, suffered a broken neck in an accident at the college last week. This was the second time Woody has had his neck broken. Their other

son registered at the college is Reggie Bruce. They are both graduates of Morton High School, The W. L. Meeks family and Mrs. Vee Jones from Childress visited with the Selfs Sunday. The Whiteheads also stopped by for a short visit.

News items from Bledsoe

By LYNDA THOMS

Our Halloween Carnival will be held this year on Friday night, October 28, beginning at 6:30 p.m. Each room in grade school will have a project. Grades 7 through 12 will have various type activities in the small gym and lunchroom. The concession stand will be open.

The High School elected their Halloween queen, who will be crowned Friday night at the coronation. The queen is Sandra Kay Hale, a Sophomore. She is the 15-year-old daughter of Mr. and Mrs. Ellis Hale, Star Rt. 2, Morton. Her escort will be Steve Sutton, a Sophomore. The senior princess will be Lynda Thoms, escorted by Derrell Hale. The junior princess will be Janis Buchanan, escorted by Steve Dunn. The freshman princess will be Robbie Burkett, escorted by Monte Hall. The Master of Ceremonies will be Benny Rawls.

Last Tuesday the Juniors and Seniors took the Preliminary Scholastic Aptitude Test. Results from the two hour test should be back in December.

Last Friday the Bledsoe Antelopes took one win and lost another to the Spade Longhorns. The Bledsoe girls lost 47-34. The boys won, the score 57-27.

The boys' and girls' teams elected their season captains. The girls elected Linda Burrs and the boys, Christ Bowley. Lizza Burns is a junior and Christ Bowley is a senior.

The Bledsoe seniors and juniors who are on the annual staff met with Mrs. Whobbs from the Taylor Publishing Co. last Tuesday. Mr.

Whobbs gave them some pointers on the annual.

Mr. and Mrs. C. O. Bryant, Capt. and Mrs. Pentilla, and Lynda Thoms went to the Texas Tech Homecoming Parade to see Bill Bryant, a member of the SABRES, march. Lynda later went to the Tech game with Bill.

New TOPS Club starts Tuesday

A new TOPS Club was started Tuesday night, when a meeting was held in the Fellowship Hall of the Methodist Church. The name selected was Night-Lighters TOPS, using the lighted candle as their symbol. Rules and regulations were read by Vanice Lovett, who was selected as temporary acting leader. She appointed Maxine Yearo to be weight recorder, and Peggy Johnson was appointed to be the secretary. Their next meeting will be Tuesday night, November 1st, at 7 p.m. in the Fellowship Hall. Both men and women are invited to join the Night-Lighter TOPS Club.

Bluebirds have Halloween party

The second grade Cheerful Bluebirds met Monday in Mrs. Neal Rose's classroom for their regular meeting and Halloween party.

Refreshments of orange punch and Halloween candy were served by Mrs. Raymond Hall and Mrs. Hub Cadenhead to 10 Bluebirds, and their leaders.

The girls were divided into three groups and played Charades, each group acting out something typical of Halloween. The Bluebirds then sang their favorite Halloween songs.

The next meeting of Cheerful Bluebirds will be on November 4.

Mrs. Van Greene went to Homecoming at Tahoka Friday, then to the Tech Homecoming Saturday.

Texas has produced 28.7 billion barrels of oil, or 36.3% of U. S. total.

Go Indians . . .

THESE GIRLS, members of the Morton Indian Band, show their backing for the Indians during their bout with Stanton. However, the Indians got shot out of the saddle 20-12. The

band, pep club, football players and loyal fans were about the only ones at game. Friday night will be a different game as Morton travels to Denver City to take the Mustangs.

Tail water return system results

The High Plains Underground Water Conservation District No. 1 has recently compiled detailed records on five tail water installations within the Water District. These records were compiled from data gathered during the past four years.

The five systems showed that

The Morton (Tex) Tribune, Thursday, Oct. 27, 1966

an average of 87.93 acre feet of irrigation tail water was recovered per system during this time.

Installations with three years study reveal an average recovery of 90.71 acre feet per system.

In three of the systems studied, records were compiled on the amount of water that was pumped from the Ogallala formation through the irrigation wells. The

average recovery per system was 83.52 acre feet of water. The average recovery per installation was 35.79 acre feet per year and the average per cent total water recovered in comparison to the water pumped in formation was 22.49% per acre contributing to the system.

Take your choice of TWO INTERNATIONAL COTTON STRIPPERS

DELUXE 30 HARVESTER

handles storm-proof, storm-resistant and some open-boll "picker cotton" in shoulder - high irrigated yields.

Look at these Deluxe 30 Features:

Take your choice of three systems with the Deluxe 30: elevator delivery to trailer, air delivery to trailer or tractor-mounted basket. The Deluxe 30 offers extra - tall, extra-wide row units, with brush or steel rolls to handle big, bushy stalks easily. From the tractor seat, you can adjust harvesting height of each row unit independently. Adjust stripper roll spacing, on the go, for maximum yields, minimum trash.

ECONOMY 22 STRIPPER

handles storm-proof and equivalent varieties up to 3 feet tall.

Check these Economy 30 Features:

Combine wide lifters and gatherers with high angle rolls and you have a combination that's hard to beat in an economy stripper. Lifters and gatherers float up and down to follow the ground so you can adjust independently, from the tractor seat, for harvesting height. You will get maximum yield, ease of operation and minimum investment from your Model 22 Cotton Stripper.

YM Study Club meets Oct. 20 at Nebhuts

The YM Study Club met Oct. 20 in the home of Mrs. Dexter... Mrs. Kenneth McMasters... at a short business meeting... Mrs. George Hargrove reported... Federation Day. It was announced that District Board would meet in Falls on Oct. 29.

wer session. Those attending were: Mesdames Dexter Nebhut, Kenneth McMasters, Francis Shifflett, Fred Weaver, George Hargrove, Richard Biggs, Garnett Bryan, Max Clark, Noel Jones, Robbie Key, Ray Lanier, Pete Pierce, David Stowe, Jerry Winder, Weldon Wynn, Don Smith, and Billy Weems.

Juniors hear talk on dry flowers

The Merry Goals Jr. Garden Club met Oct. 18 in the home of Mrs. Murray Crone. Mrs. Crone, who is a nationally accredited flower show judge and a member of the Cochran County Garden Club, gave a very interesting program on drying and preserving flowers and foliage.

Weekly school menus reported

Monday, Oct. 31: Meat balls and spaghetti, mixed greens, salad, fruit, cornbread, butter, and milk.
Tuesday, Nov. 1: Roast pork, candied yams, tossed salad, pineapple cobbler, wheat rolls, butter, and milk.
Wednesday, Nov. 2: Oven fried chicken, buttered blackeyed peas, sliced tomatoes, chocolate cake, hot rolls, butter, and milk.
Thursday, Nov. 3: Corn dogs and mustard, pickles, potato chips, peanut butter cookies, and chocolate milk.
Friday, Nov. 4: Fish sticks, catsup, buttered sweet corn, Jello, chocolate pudding, hot rolls, butter, and milk.

Club meet

The Emlea Smith Jr. Study Club will meet in the home of Mrs. Tommy Hawkins at 302 E. Hayes on Oct. 27 at 7:45 p.m. Mr. Leon Kessler, new manager of the Morton Area Chamber of Commerce, will be guest speaker.

Three Way slates spook carnival, crowning Oct. 31

Supt. Harrell L. Holder has announced that the public is cordially invited to attend the Annual Halloween Carnival and Coronation to be held Monday, Oct. 31 at Three Way School. Carnival activities will be set up in the gymnasium along with concession stands. Each class and school organization will operate some type activity and opening time has been set for 6:30 p.m.

Coronation of Halloween Kings and Queens — one from elementary school and one from high school — will begin at 9 in the Cafeteria. The Halloween theme is being carried out for this year's festivities. Art work is being done by the fourth and fifth grades and special entertainment is being planned by small groups from second and third grades.

First graders cast in the role of 'Cats' are Ronnie Altman, Mark Lowe, Pete Kimbell, and Bill Hodnett. Second graders scheduled for costumed roles are Gloria Simpson, Judy Neutzler, Dora Torres, Flora Nieto de Los Angeles, Sheryl Lynskey, Tressie Gilliam, Etta Warren, and Evelia Lopez.

'Witches' from the third grade include Karen Corkery, Leann Abbe, Shannon Sowder, Rebecca Gallegos, Lea Anna Wylie, Rowanna Winters, Martha Gallegos, and Karla Biggs. First graders serving as flower girls and crown bearers are Patti Bowers, Glenda Fine, Jodie Wylie, and Susan Corkery. Choral selections will be presented by second and third graders.

Selection of a Prince and Princess from each class was done by popular vote and from these candidates the Kings and Queens will be chosen. Candidates are: First grade, Prynness Parkman and Rusty Biggs; Second Grade, Cindy Hutcheson and Bobby Holder; Third Grade, Konnie Richardson and Randy Locke; Fourth Grade, Patti Heard and Dan Simpson; Fifth Grade, Danette Lane and Larry Hale; Sixth Grade, Rena Neutzler and James Partlow; Seventh Grade, Sherry Mana and Jerry Nichols; Eighth Grade, La Nita Powell and Joe Partlow; Freshmen, Kathy Hicks and Mike Roberts; Sophomore, Neida Boyce and Perry Lynskey; Senior, Sharron Locke, and James Kindie.

Square dance lessons offered

Persons interested in learning to square dance are asked to be on hand Thursday night, Oct. 27, in the County Activity Building. The Buttons and Bows Square Dance Club of Morton has recently started a series of lessons. Final chance to begin the instruction will be this week. They will be held from 7-10 p.m. under the direction of caller Ray Pierce. Both adults and teen-agers are welcome.

There will be ten lessons in the course of instruction. The Swingin' Teens Square Dance Club will have a Halloween masquerade in the Activity Building between 8-11 p.m. Saturday, Oct. 29. All area square dance clubs are being invited to the party.

Maggie Jackson Circle has lesson

The Maggie Jackson Circle of the Woman's Society of Christian Service of the Methodist Church met Tuesday morning in the home of Mrs. George Hargrove for the third lesson on "Christian Being and Doing". Mrs. James Walker, Mrs. John Crowder and Mrs. Hargrove spoke on attitudes, relationships, and practices, and Mrs. Bobby Adams led a general discussion of the commentary on James. The next meeting of the circle will be November 1st, in the home of Mrs. Willard Henry.

Present for the meeting were Mesdames: E. Greer, H. S. Hawkins, Bert Darland, Kenneth Wyatt, Willard Henry, Pegues Houston, J. D. Hawthorne, Bobby Adams, James Walker, George Hargrove, John Crowder, and Miss Jill Wyatt.

Jill and Jan Banks visited in Lubbock this weekend. Jill went to the Tech football game.

Mr. and Mrs. Dave Chesshir ... married 60 years

Design Studio photo

Dave Chesshirs mark their 60th anniversary

Mr. and Mrs. Dave Chesshir observed their 60th wedding anniversary, Sunday, Oct. 23 with a reception from 2 to 5 p.m. in the home of their son, J. H. Chesshir, east of Morton.

Sons and daughters of the couple served as hosts. They are Mr. and Mrs. J. H. Chesshir, Morton; Mr. and Mrs. O. D. Chesshir, Morton; Mr. and Mrs. W. P. Chappell, Amarillo; and Miss Esther Chesshir, Plains.

Granddaughters that served the refreshments were Mrs. L. W. Taylor, Arah, N.M., Mrs. Leo Wallace, Plainview; Mrs. D. J. Cox, Enochs, and Mrs. Don Chesshir, Littlefield.

A great-granddaughter, Miss Jo Lene Cox of Enochs, and a granddaughter, Miss Ducrenda Chappell of Amarillo, registered the guests.

The serving table was covered with a lace cloth over pink. A three-tiered cake was topped with the figure "60". A bowl of carnations served as the centerpiece. Many of their friends and neighbors called to wish them well.

Whiteface FHA to host party Sat.

The Whiteface FHA met Wed., Oct. 19, and discussed the selling of cook books for this month's project. The cook books will see for \$2.95 each. They also planned to host a Halloween Party, Oct. 29, for the entire high school.

Phone your NEWS to 266-2361

Personals

Mr. and Mrs. Harvey Zuber, Mr. and Mrs. Bobby Smith, and Mr. and Mrs. W. T. Zuber went to Lubbock Sunday and spent the day with Mr. and Mrs. Merle Monroe. They celebrated Mrs. Monroe's birthday, Mr. W. T. Zuber's birthday, and Mr. and Mrs. W. T. Zuber's anniversary.

Mr. and Mrs. David Stowe and Gary visited her parents, Mr. and Mrs. W. C. Miller in Gould, Okla., this weekend.

The 4-H Club held a meeting Monday night, Oct. 24, at 7:30 at the County Activity Building. Homer Thompson, county agent, and Miss Jennie Allen, home demonstration agent, were present, as were 77 members. Refreshments were served following a film presentation on "Fire Safety".

Mr. and Mrs. Delbert Burt visited in the home of their brother and sister-in-law, Mr. and Mrs. Jimmy Burt, this weekend.

Mrs. Travis Truett and children of Lubbock visited in the home of their parents and grandparents, Mr. and Mrs. A. E. Sullivan, this weekend. Mrs. Truett's son, Jimmy, is leaving for the Navy Nov. 2.

Mrs. Maud Williamson, from Childress, is staying with her grandchildren, while their parents, Mr. and Mrs. Jerry Winder attend an Eastern Star Convention at Houston. They left Sunday and will be back Saturday.

Mr. and Mrs. Ed Knox and family, from Altus, Okla., visited her parents, Mr. and Mrs. Gage Knox this weekend. They also went to the Tech Homecoming.

MORTON'S JIMMY WATERS makes his cut and heads up field for a nifty gain against the Stanton Buffaloes. Waters found daylight on several occasions and made one TD but the Indians came out on the short end of a 20-12 score here Friday night. TRIBPIX

Three-way news items

By MRS. H. W. GARVIN

Three Way Junior High and Senior high girls' basketball teams went to Smyer Tuesday night for their first games. They lost both games. On Friday night the senior high boys played football at Smyer, winning the game.

Monday night, Oct. 31, is the annual carnival and Queen contest. Everyone is invited to attend this annual affair.

Mr. and Mrs. Johnnie Wheeler were in Lubbock Thursday on business.

Mrs. Cecil Lindsey was a patient in Morton Hospital the past week.

Mr. and Mrs. George Tyson honored their daughter, Mrs. D. A. Williams, on Thursday night with a birthday dinner. Those there were Mr. and Mrs. D. A. Williams and son of Bula and Mrs. Troy Tyson of Morton. Mrs. Tyson mailed Troy Tyson some of the birthday cake to Vietnam where he is stationed with the armed services. Troy is a twin of Mrs. D. A. Williams.

Mrs. Pete Tarlton and Mrs. Neal Smith were in Muleshoe Wednesday afternoon.

Mr. and Mrs. Jimmy Taylor of Lubbock have a new baby boy born at Green Memorial Hospital Thursday morning. Grandparents are Mr. and Mrs. C. B. Hightower of Three Way and Mr. and Mrs. Amos Taylor of Morton.

Mr. and Mrs. D. S. Fowler spent the weekend in Lubbock with the Troy Wilkersons. They also visited the Hendersons there.

The WMS of the Maple Baptist Church met at the church Tuesday for a regular mission study. The lesson was taken from the program book. The subject was "The Search for God in the Language Groups". Mrs. Petree lead in the study of the language group in larger cities. Mrs. Davis read the prayer calendar and lead in prayer. A business meeting was held and the chairman of each group gave report on the events of the coming year. Present were Mrs. Frank Fine, Mrs. E. M. Lowe, Mrs. C. A. Petree, Mrs. D. L. Tucker, Mrs. Dennis Heard, Mrs. T. D. Davis and Tammy.

Mrs. Gib Dupler and children and Mrs. Bill Dupler and daughter attended church at Progress Baptist Church Sunday. Their brother, Sammy Sowder, is pastor of the church. They ate lunch later with their parents, the Eston Sowders of Muleshoe.

Mrs. Ina Bobbitt visited in the home of her son and family, the

Research farm in second year

The second year of operation of the 504 1/2 acre J. Frank Triplett Research and Demonstration Farm of the High Plains Research Foundation is showing the value of the Foundation's research program as applied to a typical West Texas farm, according to Dr. Earl Collister, Executive Vice-President and Director of the Foundation at Halfway.

The purpose of the J. Frank Triplett Research and Demonstration Farm is to demonstrate the value of research findings of the Foundation to achieve more "take-home money" for the agricultural industry on a farm-wide basis.

The first year of operation of this new venture by the Foundation was considerably handicapped by early hail and heavy rain, just as many farmers have experienced. The 1966 season has thus far been free from severe adverse weather conditions and excellent progress has been made in its operation by manager, Don Staggs. The Foundation staff assisted in the planning of the new operation, using the research findings achieved at the Research Foundation Farm at Halfway.

The High Plains Foundation System is achieving results found through many years of research results on this System at Halfway. Cotton has been interplanted with grain sorghum and also castors on five different acreage areas. The grain sorghum harvested from the interplanted acres yielded 7,250 pounds per acre and it was ready for harvest ahead of the solid planted sorghum. The solid planted grain sorghum yielded 6,350 pounds per acre.

A sprinkler irrigation system has been successfully used this year. A lake pump has also been in operation, utilizing the accumulated tail and rain water received in the playa lake on the farm. Irrigation methods involving proper timing and minimum application for maximum results proven from years of research at the Foundation were found to be successful on a commercial farm basis. Fertilization rates recommended by the Foundation staff also were successfully applied to large acreages of various crops. All major soils of the High Plains are found on the Demonstration Farm.

Dr. Collister said that utilization of the J. Frank Triplett Research and Demonstration Farm is another step in the Foundation's program of giving the agricultural industry information which will make farming more profitable on the High Plains.

Mr. and Mrs. T. K. Williamson, Mrs. James St. Clair, and Mrs. W. W. Williamson attended the Tech football game this weekend in Lubbock.

The Morton (Tex) Tribune, Thursday, Oct. 27, 1966

Page 3a

Texas became nation's No. 1 oil producing state in 1928.

Mr. and Mrs. Harold Stillwell and children from Abernathy, visited in the home of Mrs. Stillwell's parents, Mr. and Mrs. T. T. Smith, last weekend.

Mr. and Mrs. R. T. Ray visited her brother, Mr. G. M. Duren, in Memphis this past weekend. Also they visited a niece, Mrs. G. R. Moore, at Lakeview.

We are the

Our purpose is non-partisan; to regain strong leadership for Texas in the U.S. Senate.

WE support WAGGONER CARR for the United States Senate because he has proved through his service in the Texas House of Representatives that he can and does get the job done . . . progressive legislation without tax increases.

WE believe WAGGONER CARR'S record as Attorney General shows his outstanding leadership ability as an administrator for the people . . . a new record in law suits handled, and at a profit of nearly \$3. in income to Texas for every \$1. of costs.

AND WE OPPOSE the "NO" voting record of the Goldwater-Republican incumbent. **NOT ONE MAJOR BILL THAT IS GOOD FOR OUR NATION . . . OR TEXAS . . . HAS BEEN PASSED BY THIS MAN IN SIX YEARS IN THE SENATE.**

Can Texas afford a Senator who refuses to admit that he is a Republican . . . who has denied those who have supported him . . . who tries to masquerade as a Democrat by printing pictures of himself posing with the President? Can Texas afford a Senator who has no voice in the national administration or Senate . . . and is now hiding from his own party's label?

WE, the YOUNG TEXANS FOR CARR, believe that Texas needs and must have effective and positive leadership for Texas in our United States Senate. We believe WAGGONER CARR'S election to be important to the nation, too.

Our purpose is simple . . . to ring door bells, make phone calls, take contributions . . . and distribute information. We need shoe leather-work, phone-call workers, services and support . . . from all persons, of all ages, and in all parts of our country. We can not win without work and money.

(Pol. Adv. Paid for by "Young Texas for Carr," J. Wayne McDermitt, Cochran County Chairman)

Headin' through the hole . . .

SIX POINTS COMING UP for Morton as fullback Jimmy Waters hits for five yards over right tackle. Quarterback John St. Clair

(11) made the hand-off. Blockers included Donnie Harvey (on the ground) and Dick Vanlandingham (70). Among the Stanton defenders are Ricky Corbell (80) and Larry White (15). TRIBPIX

Army inducts 36, call 50 from area for physicals

State draft boards will be called upon to furnish 2,339 men for the armed forces, in November, Colonel Morris S. Schwartz, state Selective Service director, said Thursday.

The Morton area will furnish 36 inductees with another 50 being called for pre-induction physicals.

Colonel Schwartz also announced that the October quota for Texas has been increased from 2,671 to 2,845, the biggest monthly call since April 1953, near the end of the Korean conflict.

These monthly quotas compare with 1,889 for September, 1,837 for June, 1,927 for May, 979 for April, August, 1,381 for July, 878 for June, 1,927 for May, 979 for April, 1,068 for March, 1,372 for February, and 1,475 for January.

The state Selective Service director said he could not say at this time how many men would be sent for pre-induction examination in November. A total of 8960 will be forwarded for the examinations in October.

Calls on the local boards for October, with quotas for both induction and pre-induction examination, have been sent to local boards.

The Texas quota of 2,339 for induction in November is the state's share of a national call of 43,700, all for the army.

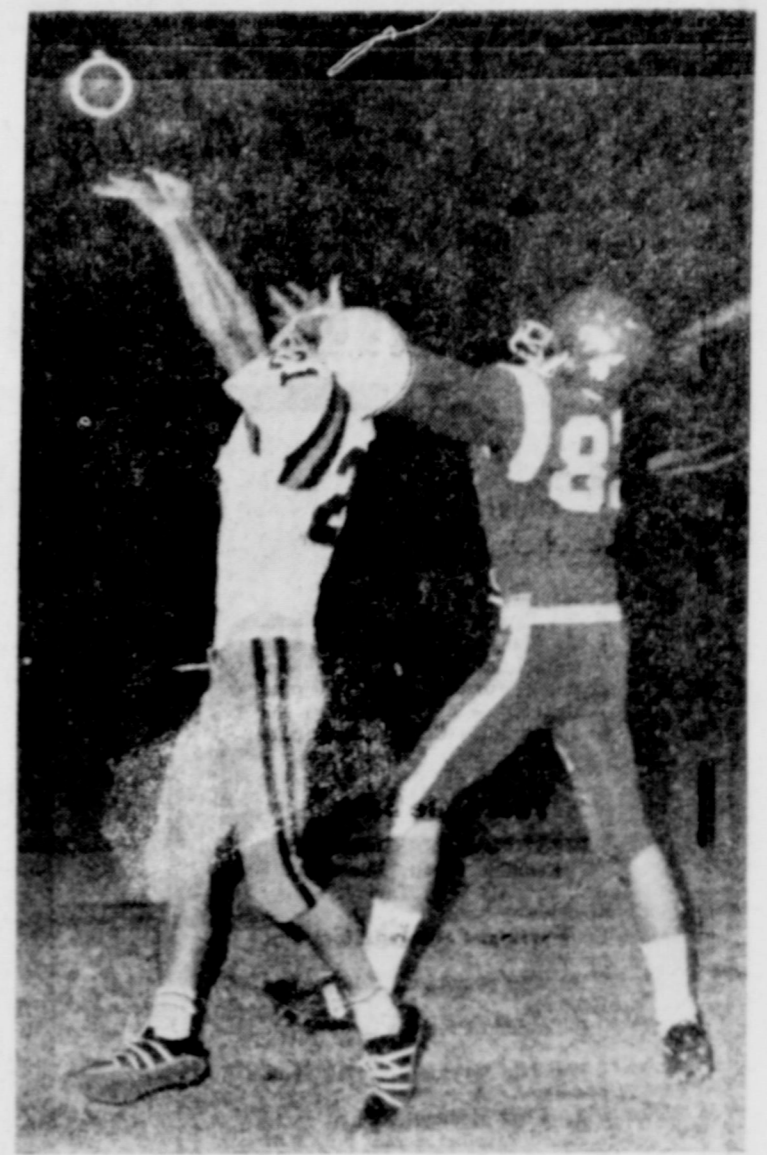

The revised October quota of 2,845 for the state is for the army. The Texas share of a national call of 49,200.

Stanton left Morton alone in the first half Friday night as the Buffs used a couple of big breaks to lead 20-12 over the Indians. Stanton's first of the year, giving it a 1-5-1 mark in the year and 1-1 in district. Morton now is 0-7 with two losses.

The weather was good, but probably more than 500 were in attendance for the contest in Morton.

Stanton took the opening kickoff with fullback Jimmy Waters leading from the Morton 22 to Stanton 40.

Waters gained five from scrimmage, quarterback Wayne Thompson for one, halfback Randall added four for a first down.

Back Donnie Harvey made a 10-yard run and Tanner added another 10.

On fourth down at the Stanton 38, Danny Culpepper went back for a 10-yard gain. But the snap sailed far from the hands of Stanton's Fred Newman recovered on the Stanton 18.

Even a five-yard penalty on Stanton's 24 could blunt the Buffs' taste for a TD. Halfback Phillip Payne ripped for 10 yards, halfback Allen Springer added six and quarterback Larry White added three for a first down. Fullback Bert Decker chipped for two. Springer got three for two, the last two yards for a TD with 5:35 left in the first period.

Stanton's pass attempt for extra points was no good, but Stanton still led 13-0.

Harvey returned the Stanton 38 yards to the Morton 43. The Indians began a drive that kept the rest of the period. On the ground, the Indians moved the Stanton four-yard-line at the quarter ended. With fourth down needed at the four, the Buffs got only one and lost possession.

Stanton's Buddy Shanks was injured in the first stanza. A Stanton quarterback, Shanks was injured early in the season and missed action only on defense. He re-injured his knee and was removed from the game.

The Buffs moved the ball out of the Morton 43 with a nine-yard pass from St. Clair to Springer. A trap play, which worked well all night, gained 10 yards for Springer. Two other attempts went astray, but the Buffs continued to move until they limbed on their own 37.

Culpepper recovered for Morton on the Indians had a good opportunity. Charles Joyce fumbled and Billy Smart recovered. The Indians Harvey took a 10-yard run around right end, ran 20 yards and scooted 24 to the 10-yard line before he fumbled down.

Waters added five more, Waters and Harvey skirted left for 14 more. On a hard-driving run, Randy Tanner went the last seven yards on a quick-bitter over right end dragging two tacklers across the goal.

Stanton tied the score 6-6 with 1:53 left in the first half. Tanner's run for extra points was short, the time this season that Morton failed to make the extra point.

Stanton's on-side kick was a 10-yard tap by guard Billy King. It suddenly took a high arc and center Ray King went into the air to grab it for Morton on the Stanton 46.

Harvey hit for four yards. Morrison was smeared for a nine-yard loss trying to pass, the next play was batted down and Morrison was dropped for a 16-yard loss when pass protection broke down again.

Stanton gave Stanton possession on the Morton 33.

Springer ran for three and Payne led left end for five. Then came the heartbreaker. White fired a quick pass to split end David King, who was cutting over the line. Avery lateralled to halfback Jimmy Jones, a 135-pound mauler who was breaking the route direction. Jones went into the end zone with one second left for 25 yards out.

White's pass for extra points was incomplete, but the Buffs carried a 12-6 lead into the dressing room at halftime.

Stanton took the second half kickoff and returned it 20 yards to the Stanton 38. From there, the visitants began their last scoring effort. Morrison went around right end for 10 yards, Decker took the

same route for seven and Payne went around left end for two. White passed to Springer for 11 yards, then missed on his next try. Tackle Dick Vanlandingham dropped White for a six-yard loss but Payne got that six back on a draw play.

With fourth and ten from the Indians' 33, White fired a pass down the middle into the end zone. Defender Danny Culpepper stepped in front of the intended receiver at the goal and batted the ball away. But end Ricky Corbell, trailing the play, fattered in the deflected ball and fell into the end zone for a TD with 8:40 left in the third period. Decker swept right end for two points to give Stanton a 20-6 lead.

Charles Joyce returned the kick 31 yards to the Morton 36. Senior quarterback John St. Clair was inserted as the signal-caller when Wayne Thompson retired because of severe stomach cramps that plagued him during the entire game. St. Clair moved the team well, despite an ankle injury that refuses to heal properly.

Staying on the ground, Morton

moved down to the Stanton 30, where a penalty cost the Indians five yards and a first down.

Stanton took over on its own 30, but penalties of 15 and 5 yards moved them back and they were forced to punt.

Morton lost excellent field position because of a 15-yard flag and had to begin from its own 44.

Tanner hit for four, Harvey got seven and then a fumble rolled around until Smart made his second recovery for a 12-yard gain. Waters got four, Harvey eight and Waters seven.

St. Clair passed incomplete and tackle Larry Smith went to the sidelines with an ankle injury. Tanner gained four as the third quarter ended.

Waters hit for five and then went over right tackle for the final five yards with 11:29 remaining. Waters' run for extra points was short and Stanton still had a 20-12 lead.

Morton's kick-off went out of bounds, which cost the Indians five yards. The next kick was returned to the Morton 43. The Buffs stayed on the ground for six yards,

six more, three, six and eight.

Waters broke through to drop White for a nine-yard loss back to the Morton 37. White passed to Jerry Cox for six yards. Culpepper intercepted the next aerial on the Morton six and ran it back to the Morton 40.

But a penalty moved the ball back to the Morton three.

Waters gained five and Harvey added six, but fumbled and Stanton's Ricky Corbell recovered on the Morton 14.

Decker got one and Springer went around right end for four, most of which was gained when he fumbled out of bounds. Guard Alex Soliz blasted through to drop White for a three-yard loss and Culpepper knocked down White's next pass to gain possession for Morton.

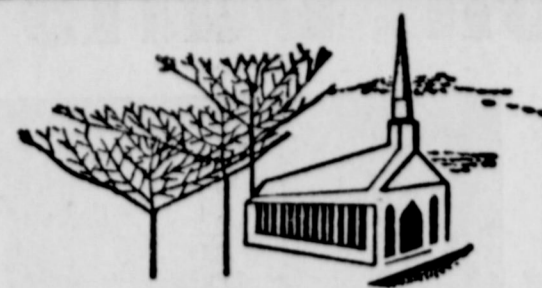

Harvey hit for six, a pass was incomplete. Harvey got two more. With fourth and two from their own 20, the Indians gambled for possession and Harvey gained three. But St. Clair was thrown for losses of ten and one as his pass defense failed. Joyce gained one and St. Clair kept for 11

yards and another first down.

St. Clair's next pass went incomplete. Waters gained 13 on a draw play and St. Clair passed to Harvey for five yards to the Morton 43. Then St. Clair was rocked for losses of six and five yards as Stanton took over on the Indian 32.

The happy Buffs stayed on the ground, mostly with White running keeper plays. They moved to the Morton three-yard-line as the game ended.

Childhood PLEASURES

"Even a child is known by his doings, whether his work be pure, and whether it be right."

A mother only has to glance at her child to know if his play is pure, or if it is leading to mischief. Our Father in heaven can as easily look on our hearts and judge our ways. "A good man out of the good treasure of the heart bringeth forth good things: and an evil man out of the evil treasure bringeth forth evil things."

Seek the Lord in his house, so that your heart will be right with God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
