The Tribune's Homemaker for this week is Mrs. Earl Polvado. Her husband is a farmer in this community. They have three children, Robin, 7, Melonie, 5, and April, who is one.

Mrs. Polvado is past president of the Emile Smith Jr. Study Club, pianist of the First Baptist Church, and works with the beginner choir. Playing the piano is one of Mrs. Polvado's favorite pastimes.

Christine does the baking for her family. This is one of her favorite recipes.

Cram your Crisco and sugar, add egg yolks and extract, add dry ingredients alternately with milk.

Fold in stiffly beaten egg whites, and bake in a large tube pan at 350 degrees for 1 hour and ten minutes.

The council agreed to conduct a test demonstration in the near future. The cost of the demonstration will include the rent of the sprayer and the cost of the Perma-Guard. This should total about \$156.

Earl Stowe told the council of two bids he had received concerning the installation of a concrete spillway and six-inch gutter for the Strickland Park. However, because of the difference in bids, he said they were probably figuring on two different. Stowe said that he would try to get different bids because of the price difference.

Jack Stoner, caretaker at the dump grounds, resigned because of his health, Elra Oden, city secretary announced. His salary is \$40 monthly plus what he can make from the scrap metal.

Purchase of two rescuers for the fire department was authorized by the council. The cost is about \$25 each. They will be used for resuscitation purposes.

Mickey Hoyle was appointed the Morton Fire Marshall by the council following the resignation of E. L. "Rusty" Reeder. Hoyle will receive \$10 monthly and is to make inspection tours of all public buildings in Morton twice a year.

Councilman Herman Bedwell suggested that caution signs or blinking lights be placed near the Little League ball park to lessen the possibility of a speeding car striking a child. Oden said that he could possibly borrow some signs from the state for use near the ball park.

Oden then said that city attorney James Walker said that state statutes would protect city employees if they removed abandoned cars parked on city right of way.

The proposed city budget was approved on a motion and second by Stowe and Wiley Hodge with changes in the police department and other department salaries noted.

The police department proposed budget expenditure was increased from a proposed \$21,577 to \$25,000. Last year the police spent \$23,905 on salaries.

Salaries of five city employees were raised on a motion by Stowe and second by Bedwell. Raised were Jo Ogle, from \$275 to \$300 monthly; Richard Horton, \$325 to \$355; Quelly Garrett, \$260 to \$300; Calvin Daniels, \$260 to \$300; and J. T. Atkins, \$305 to \$325.

Mayor Jack Russell read a letter from El Paso Natural Gas Co. to Oden saying that the company was going to lower the effective pressure of the gas, change the city's volumetric obligation and change the rate of the gas. The letter, in typical legal jargon, confused everyone at the meeting. Russell said that he would have the letter interpreted, with the help of experts, and would translate the results to the council at the next meeting.

Stock 'em - sock 'em game thrills LL spectators

Exciting decisions kept the players and coaches on their toes at the Morton League field Monday night. The Sox edged the Giants 4-3. The Sox managed to outlast their bare-knuckled opponents as they bared their teeth in the first game. The Sox won in the top of the first. Kevin Franks walked. Carothers doubled. Steve Dickey and Tony Dickey both came in on the second. The Giants took over the lead in the bottom of the first as they hit Lane Mayon. Darrell Smith pitched an error. Darrell Smith pitched a key hit by the pitcher. Gilbert Ramos got on by a single. Steve Simpson was out. The pitcher's choice that failed to score. The Sox weren't through. They scored three runs in the top of the first. Jay Carothers singled and Steve Thompson singled.

The Giants got the bases loaded in the last of the fifth but failed to score. Both teams went down in order in the sixth. Neither team was able to go the distance with one pitcher. Dub Hill started for the Sox. He was relieved in the fourth by Steve Thompson. Together, they allowed 11 runs on five hits, walked seven, hit four and struck out eight. Mark Wyatt started for the Giants with Randy Kuehler coming in during the third inning. They gave up 12 runs on nine hits, walked eight, and struck out ten. Jay Carothers was the top hitter for the Sox with a perfect four-for-four. He got two singles, a double and a homer. Gilbert Ramos got a single and a double in four trips for the Giants.

The second game was no less exciting, although the score was not so high. The Pirates got a 1-0 lead in the top of the first on three hit batters and a walk. Two more runs scored for the Pirates in the top of the third as Mike Gilliam singled, Ted Thomas doubled and Dubbie Bryan singled. The Colts got their first run in the bottom of the third as Mark Fluit singled and advanced on a throwing error. Ricky Woods singled him in.

Three runs scored for the Colts in the last of the fifth to keep their unbeaten streak going. Robert Davidson singled but was forced at second by Mark Fluit's grounder to the pitcher. Woods walked, Bryant Lewis doubled and Lewis scored on the double steal. Bryant Lewis went the distance for the Colts after a shaky start. He allowed three runs on six hits, walked three, hit three, and struck out ten. Ted Thomas took the loss. He gave up four runs on five hits, walked four and struck out nine. Robert Davidson was the only batter to get more than one hit. He got two singles in three times up.

Allen Steed walked to open the top of the fifth for the Sox. With one out, Dub Hill was safe on an error. Carothers singled and Steve Thompson singled. The Giants got the bases loaded in the last of the fifth but failed to score. Both teams went down in order in the sixth. Neither team was able to go the distance with one pitcher. Dub Hill started for the Sox. He was relieved in the fourth by Steve Thompson. Together, they allowed 11 runs on five hits, walked seven, hit four and struck out eight. Mark Wyatt started for the Giants with Randy Kuehler coming in during the third inning. They gave up 12 runs on nine hits, walked eight, and struck out ten. Jay Carothers was the top hitter for the Sox with a perfect four-for-four. He got two singles, a double and a homer. Gilbert Ramos got a single and a double in four trips for the Giants.

Survivors include his wife Ikla, two sons, Raymond of McCamey, and Dick, of Abilene, one brother Joe, of Slaton and five grandchildren. Pallbearers were Ronnie Shafer, Ed Brownlow, Ed Jennings, Woody Splawn, Lloyd Wall, Wendell Dunlap, Honorary pallbearers, Ed McCasland, Lee Smith, Bill Jackson, Ralph Burt, Dub Garrett, T. A. Washington, and Calvin Dawson. Burial was in the City of Lubbock Cemetery under the direction of Singleton Funeral home.

Stockdale School has field trip

The children of the Stockdale School took their last field trip Tuesday. The Morton Potato Chip factory was an exciting experience as they watched the potatoes turn into chips that were put into bags and sealed. Lunch at Underwoods was a highlight of the trip. From there to a park to rest and play was declared to be even better by some. Prairie Dog Town was the next spot visited and all hoped to see the all-white prairie dog whose picture and story was recently in the Lubbock paper. At two p.m. a film on bread making was shown the visitors from Morton. Then came a trip through the Rainbo Bakery. After refreshments the group came back to Morton. The mothers who accompanied the group were: Mesdames Gary Willingham, Jerrell Sharp, Mart Bass, Tommy Hawkins, Earl Polvado, Maloy Simmacher, James Dewbre, Bobby Neal, Ted Whillock, and Doug Lamb. Mrs. Robert Yearly joined the group for lunch with Mrs. Merlin Roberts and Mrs. Fred Stockdale with the group. Wednesday the Stockdale School had many visitors who will be members of the class of 1967-68.

Indians, Sox win in minor league; games changed

The Indians defeated the Mets 17-4 and the Sox edged the Orioles 13-12 in Minor League action Friday night. This week's Minor League games will be played at 5:30 p.m. and 7:30 p.m. on Saturday, May 27, rather than on Friday. The change is to avoid a conflict with the Morton High School graduation exercises.

Services for Tim Haney Brooks were held Monday, May 22, at 2:00 p.m. in the Whiteface Baptist Church. Brooks died Friday night at his home. He was a member of the IWOFF lodge in Whiteface. Brooks worked for Santa Fe Railway in Slaton, McCamey, Garvin, and Presido before moving to Lehman in 1952.

Survivors include his wife Iklia, two sons, Raymond of McCamey, and Dick, of Abilene, one brother Joe, of Slaton and five grandchildren.

Pallbearers were Ronnie Shaffer, Ed Brownlow, Ed Jennings, Woody Splawn, Lloyd Wall, Wendell Dunlap, Honorary pallbearers, Ed McCasland, Lee Smith, Bill Jackson, Ralph Burt, Dub Garrett, T. A. Washington, and Calvin Dawson.

Burial was in the City of Lubbock Cemetery under the direction of Singleton Funeral home.

Mortonite to get degree from Taft

Bob Dobson, son of Mr. and Mrs. B. H. Dobson, 304 South West Fifth St., Morton, is a candidate for graduation at Taft College (California), where he is a sophomore majoring in business education.

Taft College's Baccalaureate Exercises are scheduled for Sun., June 4, this year, followed by Commencement Wed., June 7.

During his two years at Taft College, Dobson has participated in various sports including football, track, and basketball. He has also served as vice-president of Taft College's Associated Men Students.

A 1965 graduate of Morton High School, Dobson was a member of the National Honor Society. He also lettered in track, football, and basketball.

After completing his studies at Taft College this spring, Dobson plans to transfer to Sacramento State College, where he will continue his major in business education.

Taft College is a two-year college located in the Southern San Joaquin Valley at Taft, California. It is fully accredited by the Western Association of Schools and Colleges, and units earned are transferable anywhere in the United States.

Morton Masonic lodge honored

Two Masonic Lodges in this area will be honored during a Workshop to be held Monday, May 29, at 8 p.m. in the Masonic Hall in Levelland.

Antelope Lodge 1245 (Morton) and Anton Lodge 1272 will receive Honor Roll Awards, which are given by The Grand Lodge of Texas in recognition of outstanding attendance during the Fall series of Masonic Workshop Programs. Sundown and Levelland Lodges are also invited to attend.

Cass D. Kirkpatrick of Olton, chairman of the six-county Masonic Workshop Area E-7, will present the awards and conduct the Workshop.

He said the Workshop is part of a semi-annual program held for the quarter-million members of nearly 1,000 Texas Masonic Lodges. The Masonic Fraternity is noted for its activities in the field of charity and in the self-improvement of its members.

Billie Proctor honored at party

A burger party was given in honor of Billie Ray Proctor, graduate of Morton High School, Friday night May 20, in the home of Mr. and Mrs. Orville Tilger. A map hidden in a chest lead Billie to his treasure. The terrace and patio were decorated with hanging Japanese lanterns.

Guests present were Patricia Brown, Joyce Stevens, Curtis Jennings, Donna Hoffman, Dick Vanlandingham, Cheryl McDaniel, Beverly Brown, Lanya Dole, David Gentry, Mike Proctor, Cleste Cross, Charlotte Smart, Lavoy Thompson, Don Vanlandingham, Mrs. Sam Proctor, Mr. and Mrs. Elzie Brown, Mr. and Mrs. Bill Proctor, Bobby and Anita Gayle, and Dale Tilger.

The Colts got their first run in the bottom of the third as Mark Fluitt singled and advanced on a throwing error. Ricky Woods singled him in.

Three runs scored for the Colts in the last of the fifth to keep their unbeaten streak going. Robert Davidson singled but was forced at second by Mark Fluitt's grounder to the pitcher. Woods walked, Bryant Lewis doubled Randy Bedwell walked and Lewis scored on the double steal.

Bryant Lewis went the distance for the Colts after a shaky start. He allowed three runs on six hits, walked three, hit three, and struck out ten.

Ted Thomas took the loss. He gave up four runs on five hits, walked four and struck out nine. Robert Davidson was the only batter to get more than one hit. He got two singles in three times up.

Lumpkins-Worley wedding planned

A June 24 wedding in the Whiteface Church of Christ is planned by Miss Linda Lumpkins and Jerry Worley.

The bride-elect is the daughter of Mr. and Mrs. Wallace Lumpkins of Whiteface, and Jerry is the son of Mr. and Mrs. Charles Worley of Whiteface.

Miss Lumpkins is a 1967 graduate of Whiteface School. The couple will live in Amarillo where Jerry is employed.

Stockdale School has field trip

The children of the Stockdale School took their last field trip Tuesday. The Morton Potato Chip factory was an exciting experience as they watched the potatoes turn into chips that were put into bags and sealed. Lunch at Underwoods was a highlight of the trip. From there to a park to rest and play was declared to be even better by some.

Prairie Dog Town was the next spot visited and all hoped to see the all-white prairie dog whose picture and story was recently in the Lubbock paper.

At two p.m. a film on bread making was shown the students from Morton. Then came a trip through the Rainbo Bakery. After refreshments the group came back to Morton.

The mothers who accompanied the group were: Mesdames Gary Willingham, Jerrell Sharp, Mart Bass, Tommy Hawkins, Earl Piovado, Maloy Sinnacher, James Dewbre, Bobby Neal, Ted Whillock, and Doug Lamb. Mrs. Robert Yearly joined the group for lunch with Mrs. Merin Roberts and Mrs. Fred Stockdale with the group.

Wednesday the Stockdale School had many visitors who will be members of the class of 1967-68.

Indians, Sox win in minor league; games changed

The Indians defeated the Mets 17-4 and the Sox edged the Orioles 13-12 in Minor League action Friday night.

This week's Minor League games will be played at 5:30 p.m. and 7:30 p.m. on Saturday, May 27, rather than on Friday. The change is to avoid a conflict with the Morton High School graduation exercises.

Tarvers attend 50th anniversary

Mr. and Mrs. R. T. Tarver Sr. returned recently from a two week's vacation to east Texas. The Tarvers first visited with their son and family, Mr. and Mrs. R. T. Tarver Jr. in Tyler. From there they went to visit a grandson, David Tarver, a student at Stephen F. Austin College in Nacogdoches.

The high light of the trip was attending the 50th anniversary of the 64th Artillery and Post Artillery Corps, Battery F, from Nacogdoches that Mr. Tarver served in during World War I. Special guest for the anniversary was Gen. Nelson Dingley III. General Dingley was Captain of the Battery and now is retired from the army. The Tarvers were honored for traveling the farthest to attend the anniversary.

From Nacogdoches the Tarvers

Mr. and Mrs. Ray Griffith and family

went to Lufkin to visit Mr. Tarver's sisters and brothers. They then spent a few days at Murbaul Lake visiting with Mr. Tarver's niece, Mr. and Mrs. T. Terrell and Mr. and Mrs. R. T. Tarver Jr. and David.

Miss Gaylene Weed spent the weekend

in the home of her parents Mr. and Mrs. Bob Weed. Gaylene is a student at South Plains College.

Mr. Sherrill Griffith and son, Scottie

left Friday for Houston, to visit her sister, Mrs. Robert Haul.

Last, on the program the children presented "we thank you" and Now its time to say good-bye. The benediction was given by Don Weems.

Mr. and Mrs. R. L. DeBusk spent last weekend in San Angelo to attend the installation of her father as president of the Board of Directors of the Boys Ranch.

It's slug-fest time as 56 runs scored in two Little League games Tuesday

Tuesday was slug-fest time at the Morton Little League Park as the Cubs blasted the Cards 19-5 in the opener and the Pirates devastated the Sox 24-8 in the night-cap.

In the first game, Jack Sublett spread six hits over six innings as he took the pitching win. He allowed only one walk and struck out 12. Power for the Cubs came from Tommy Tuck and Lesley Carter. Tuck hit a two-run homer in the fourth and Carter blasted a three-run homer in the sixth.

The game started quietly enough as the Cubs got one run in the top of the first after walks to Andy Gunter and Jack Sublett.

The Cubs got another run in the top of the third as Jimmy Hargis got on by error and moved around after walks to Tuck and Sublett.

It became 5-0 in the top of the

fourth as the Cubs added three runs. Pete Soliz walked and came in on Tuck's homer. Ronny Richardson singled and scored on a double by Andy Gunter.

Cardinals closed the gap in the bottom of the fourth as they tallied three runs. Alex Perez got on by error, Jerry Silhan was safe on a fielder's choice as Perez came in on an error. Steve Cox doubled and eventually scored on throwing errors.

But the Cubs added two more runs in the fifth as Larry Thompson singled, followed by walks to Pete Soliz and Jimmy Hargis.

The Cards stayed close as they picked up a run in the fifth when David Silhan singled and came in on Steve Newton's double.

Then came the sixth inning, when the Cubs garnered 12 runs. Richardson, Gunter and Sublett walked, Thompson doubled, Lesley Carter was safe on an error, Hargis doubled, Tuck doubled. Then came singles by Richardson, Gunter, Sublett, an error and Carter's three-run homer.

Steve Cox hit a solo homer for the Cards in the bottom of the sixth.

Alex Perez started on the mound for the Cards. Jerry Silhan came in during the third inning and Terry Jones worked the sixth stanza. Together, they gave up 19 runs on 11 hits, walked 10 and struck out 14.

Tommy Tuck paced the Cub hitters with a homer and a double in four trips. Andy Gunter got a double and a single in three times up. Ronny Richardson also got two hits.

Steve Cox was the big hitter for the Cards as he got three of their six hits. He had a perfect day at the plate, getting a single, a double and a homer in three trips.

The second game was a wild affair. The Pirates took a three-run lead in the top of the first as Eugene Hawkins and Tommy Gilliam walked, Mike Gilliam doubled, Dubble Bryan walked and Donny Kuehler singled.

The Pirates got four runs in the second to make it 7-0. With two out, Hawkins doubled, Tommy Gilliam singled, Mike Gilliam walked, Ted Thomas doubled, and Dubble Bryan was hit by the pitcher.

Then the Sox took a lead, 8-7, as they scored eight runs in the last of the second. Johnny Collins and Allen Steed walked, Jim Ri-

senger singled, Steve Thomas walked, Kevin Franks got on by error, Dub Hill singled, Steve Thompson walked, Tony Dickey walked, Steed walked again, Risenger was hit by the pitcher and Steve Thomas also was hit by the pitcher.

The Pirates didn't stay behind long. They erupted for ten runs in the top of the third. Kuehler, Phil Graves and Gerry Corder walked, Hawkins singled but was forced by Tommy Gilliam. Mike Gilliam walked, Thomas doubled, Bryan singled, Jerry Sowder walked, Kuehler got on by error, Graves doubled, Hawkins walked and Gilliam got on by error.

The Sox were blanked the rest of the way, although they got runners on base each inning.

The Pirates tallied two runs in the fourth as Thomas got on by error, Sowder and Thomas both were safe on a fielder's choice and both came in as Graves was safe on a fielder's choice.

Four more runs came across in the fifth as Tommy Gilliam doubled, Mike Gilliam doubled,

Thomas walked, and Bryan safe on a fielder's choice.

icing on the Pirates' side supplied in the sixth as Fitts came off the bench and blasted a lead-off homer.

Dubble Bryan started the Pirates, but Mike Gilliam in to get credit for the walk put out the fire in last second. The Pirates hurried eight runs on four hits, eight and hit three. They out 13.

The Sox used Tony Dubble Steed, Eddie Aikin, routhers and Steve Thomas futile efforts to stop the Together, they allowed 24 10 hits, walked 11, hit struck out seven.

Hawkins, Tommy Gilliam and Ted Thomas each had two hits in four at-bats. Pirates. Thomas had a doubles in his times up, the others got one double single.

Jim Risenger and Dub had two hits for the Sox.

Adult clothing classes slated

Adult classes in advanced clothing construction will begin June 14 at the high school home economics department. Mrs. A. E. Sanders, home economics teacher, and Jennie Allen, home demonstration agent, will teach the classes.

There will be two classes — one at 2:30 p.m. and a night class at 7 p.m. for women who work. Linings and underlinings, working with new fabrics, and various professional finishes will be covered.

TOPS Club has meet

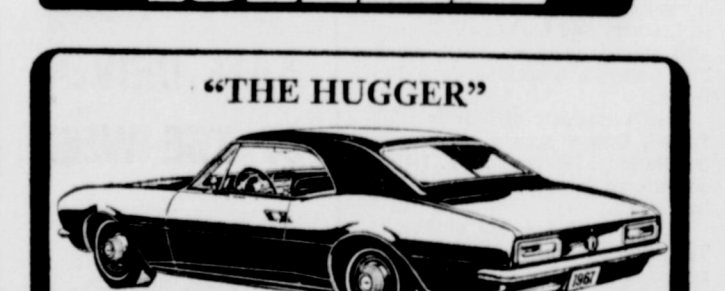

The Lighter Later TOPS Club met Wednesday morning, May 17. Prayer was by Rita Thomas. The gainers sang their song to the losers.

Wilma Dollie was the Queen for the week by losing the most. Brinda Gardner had reached her desired weight and should remain there for three months to be a K.O.P. (keep off pounds.)

Each one reported if they had been doing their exercises. A new exercise is added each week. Theo Spence had the program.

Stop! Look at the weeds before you cut them down

Morton Tribune

MORTON, TEXAS, THURSDAY, MAY 25, 1967

Think that all weeds are useless? Well, maybe. But before you go out on your next weed cutting expedition, look at the weeds. Look at the delicately colored blossoms most of them have. Doing just that, the Tribune photographer wandered out in his back yard and down the alley in search of the little blossoms. Don't be surprised if you don't recognize any of the flowers pictured on this page because all of them are shown from five to ten times larger than in real life. The little flowers range from dandelion blossoms and flowers to wireweed and heaven knows what else. The point is they are pretty. Now you can cut them down.

MORTON, TEXAS, THURSDAY, MAY 25, 1967

You can add your support on Tuesday

Call it a "happening", a "march of support", a "vote of confidence". Give it any name you choose. But if you believe that America's military men deserve to be supported while they are in Vietnam, we urge that you join in Tuesday's Memorial Day observance in Cochran County.

Many of us are hawks, urging that even more military might be applied to end the present conflict in Southeast Asia. Others among us are doves, feeling that appeasement and lessening of conflict are necessary to induce peace.

What really matters is that all of us are Americans, living under the American eagle and the American flag! Regardless of our political feelings, our sons, our neighbors and our friends are fighting every day to preserve the freedom that is sought by an oppressed people. They are living, fighting and dying in a hot, wet jungle where the enemy lines are never clearly seen and the Viet Cong use political terror as well as military arms to gain their objectives.

Our country has been receiving bad publicity around the world because of the actions of a few misguided peaceniks, who have grabbed the headlines and the TV coverage because they will do and say outrageous things. They have achieved notoriety because they have the audacity to burn an American flag, then cry for police protection when they are threatened. They have dirtied the image of this great land in other countries.

We, in our small way, can add to a swelling voice that now is being heard across the land... "This is our free, our native land; we are proud of our country, we cherish our freedom; and we will fight to give others this precious gift; we will give our sons, if necessary, to carry the cause of freedom to others who wish it."

Our observance of Memorial Day might not create headlines in other countries. But it can express our feelings in a concrete manner. We urge that you join with others of this community Tuesday, May 30, in a brief, but appropriate, tribute to those who gave their lives for this country in other times... and for those who are willing to give theirs in this time.

Seniors reach a milestone, but face greater challenge in future

Congratulations on reaching a milestone, Seniors of 1967, that is marked by the acceptance of your diploma.

But will this be your last milestone? Will you ever again receive a diploma that will mark another step in the important educational process?

Your world is a challenging one, full of change and wonderful discoveries, exciting with the promise of new goals to reach, old barriers to break.

The world has made more scientific and technical strides in the past 70 years than had been made in all previous recorded history. Half of the products in use today hadn't even been invented 20 years ago. Fifty years ago, a farmer could produce only enough for himself and three others. Now he can produce enough for himself and 30 others.

From a product economy, geared only to provide the necessities of life, our nation has become a service economy with a majority of the workers now producing the services, the luxuries that are available beyond the necessities.

There are worlds to conquer, but the conquerors must be educated and prepared for the new innovations they will meet. There are rewards, both in personal satisfaction and in monetary returns. But they will go to those who are able to meet the demands. A bachelor's degree is worth about \$320,000 more than the lifetime earnings of the high school graduate. And the master's degree adds even more to the total earning expectation.

Awaiting this year's graduates are such challenges as the cure for cancer and the common cold, ways to stop water and air pollution, increased food production to care for a world that will increase its population 50 per cent during the next 35 years. Illiteracy, disease and poverty are still common in many parts of the world. There are new demands for teachers, ministers, businessmen, social workers, for farmers and housewives.

Yes, seniors, yours is a bright new world, waiting to be challenged and tamed. But this bright new world will make tremendous demands in advanced preparation and dedication. It will bow to your will only if you have the dedication and preparation it will demand.

Good luck in the future!

How to Ruin a Town

1. Never attend any meetings. Just sit around and criticize about the way they are doing things.
2. Vote against any kind of tax levy—whether the purpose is good or not. They just want your money.
3. Make fun of the fire and police departments. They just want your money.
4. Don't ever go to the movie, school concert or ball game, benefit program or exhibit. Sit in a half-trance in front of that "idiot-box."
5. Knock your city council. This is a must. Everyone of them is just on the council to get a little kick-back.
6. Stay out of church. You might go on Easter or Christmas just to prove to yourself that the minister does not know what he is talking about and everyone there is a hypocrite.
7. Buy everything you can out of a discount catalog or mail order book. These firms are the first to come forth with donations and service to the community.
8. Don't support your town's newspaper. The out-of-town papers are a lot better and contribute much more to your town than the local one.
9. Spread any story or rumor that is defamatory or uncomplimentary about the town. Never say anything nice about anybody. All kids are delinquents, all businessmen are crooks.
10. Above all, always be skeptical and cynical about anything supposed to be good for the progress and betterment of the community. Your motto should be: "If it's good, it can't happen here." Unknown author.

Respect for Law

The rapid breakdown of law and order in this country should be a shock to everyone and it should wake up some sleeping voters by the time the next elections roll around.

Open warfare broke out in Houston Wednesday when students at Texas Southern University opened fire on Houston police attempting

to quell a riot.

Armed students fired upon the officers from their dormitory windows and succeeded in killing one policeman and wounding several others.

This incident follows on the heels of other incidents, the most shocking being the invasion of the California legislature a few weeks ago by a band of thugs calling themselves the Black Panthers. These invaders brought a variety of weapons into the chambers, including sawed-off shotguns.

In New Hampshire, former Gov. George Wallace of Alabama was set upon by a gang which rocked his automobile and tried to injure him.

In Kentucky, racial demonstrators threatened to disrupt the historic Kentucky Derby if they did not get their way on open housing demands in Louisville.

In New Jersey, a protest group attempted to break up the annual stockholders meeting of Eastman Kodak, demanding control over the hiring of workers by the company.

We are getting tired of having a lunatic fringe run roughshod over decent people. When will this nation get a belly full of the Martin Luther Kings and Stokely Carmichaels and others like them?

This Idea Necessary?

The possibilities of compressed speech, discussed with great excitement by scientists developing the technique, won't be warmly welcomed by everyone.

Special tape recorders already are commercially available that increase the playing speed without producing a Donald Duck sound. And people properly taught can learn to comprehend speech at the rate of 400 to 500 words a minute instead of the normal 125-150 words. Scientific authorities say the day will come when professional people wanting to keep up in their highly specialized fields will be able to dial a number and be brought up to date with a few minutes a day of listening to compressed speech tape. Or tape ma-

chines may be installed in cars, enabling people to use for valuable education time that would be wasted in tedious driving.

This and other suggested applications of the taping technique should help people to cope with the knowledge explosion. But for some men it will be quite an adjustment to learn to tune in on compressed speech after spending much of their married lives learning to tune it out.

Fort Worth Star-Telegram

USDA Cavalry

Like the last minute arrival of the cavalry to rescue the wagon train, the U. S. Department of Agriculture, backed by a considerable sum of federal funds is galloping to the aid of rural America.

Only someone who has lived in a small town and has seen its people gradually eroded away to a downstream metropolitan area can really understand the plight of the typical rural American.

And Quannah is typically typical. But the people of Quannah, Hardeman County and other rural communities of our ilk are being assured that help is on its way. For Quannah it could come soon, and soon in our book could not be too soon. In fact, it is already later than most of us think.

The help will not come with pork barrel doses of cash. It will be a help - those who - helped - themselves sort of program. For instance, a small shop may get a chance to bid on the manufacture of some of the millions of items bought by the government every month. Research may help develop some natural resources that can be turned into manufactured goods right here at home.

Loans could be available to "tool up", government contractors could be encouraged to use small towns to do sub-contract work, and training could be made available to get the job done.

What can Quannah people do to get ready? We can continue the push already started on our civic improvement programs. We can clean up our homes and businesses, keep our eyes open for new developments in our own line of

Highlights and Sidelights —

'Beat the clock' game started

AUSTIN, Tex. — Final minutes are ticking away in the biennial legislative game of "beat the clock."

Obviously, the wind-up of the 60th session will be a cliff-hanger. As lawmakers move toward the May 29 finish line, the major jobs they came to Austin to accomplish remain unfinished.

THE BUDGET — It went to conference committee, following an unsuccessful attempt by Gov. John Connally and Speaker Ben Barnes to sell the Senate on accepting the House appropriations bill without the traditional conference to adjust differences. House Bill calls for \$448,300,000 in general revenue; Senate Bill, \$437,700,000.

REDISTRICTING — A Senate Congressional Redistricting Bill would give all incumbent congressmen the agony of having to run against a colleague. But the House Judicial Districts Committee has drawn different lines. So this issue must go to conference committee for an 11th hour compromise. State House of Representatives districts also must be redrawn. But the Senate has little interest in that. Judicial redistricting appears to be

work, use the resources we already have and continue to develop a cooperative spirit in our community.

We can think big and plan big and not be afraid to tackle the impossible. There will be some opportunities opening up for Quannah and Hardeman County in the near future. We won't see them if we're asleep at the switch.

FREEDOM TO ADVERTISE

Once before we ran an editorial on legal advertising and said we thought public notices should be printed in the newspapers for the general public to see and to protect those against whom action is being taken. The Texas Press Association in Austin requested Texas newspapers to send them pictures of the public notice "Bulletin board" at the courthouse. We didn't send a picture because the bulletin board in Childress looks pretty clean at the present time.

However, we received pictures showing the bulletin boards in many Texas counties and they are a fright. Seems that someone is always introducing a bill in the Legislature to forbid advertising or to deny the public the right to know. Once before we mentioned the proposed ruling of the Water Board to grant or deny water rights without giving public notice of a hearing. Now the Optometrists say it is against the rules for an optometrist to advertise his service.

The following is from a recent bulletin sent out by the Texas Press Association: "Freedom to advertise is a privilege every business and every individual should enjoy. It is a privilege that raises America high above all other countries in the world. And it is just as much a freedom as any freedom.

"But selfish individuals want to take this freedom away from the American people. Yes, the people, because it is the people who benefit most from advertising. Take away advertising and you eliminate competition. And competition makes for better prices for the public.

"Many businesses, including that of optometry, have discovered and enjoyed the benefits of advertising. More Americans wear eyeglasses as a consequence of advertising. More and more people pay more attention to their eyes because of advertising. And more business comes to the optometrist who doesn't 'hide his light under a bushel.'"

It's a well known fact of economics that the more business you bring in, the lower you can price your product. Therefore, firms which advertise save their clients money. Who benefits? The merchant, the consumer and the community. Look at it any way you like but the most successful businesses are those that advertise their services and their products. As a consequence of advertising, optometrists who have merchandised their products have been highly successful. Besides saving money for their patients, they have provided jobs for many people. — The Childress Reporter.

"I'M YOURS FOR THE SUMMER, MA!"

impossibly snarled once more.

SCHOOL TEACHER PAY — Both houses agree there must be a raise. Major problem is to determine the amount.

Although revenue in sight from the Comptroller's last official estimate won't cover the budgets drawn by either house, plus a teacher pay raise to the magnitude sought, legislative leaders still insist adjustments will make the money possible without a tax bill.

Speculation is widespread that the lawmakers can't finish the job on schedule but top leaders are hopeful they can avoid a special session by covering the clock for a few days.

CHANGE DUE — Major changes in Texas drivers license laws have been approved by both houses.

Bill increases minimum age for license from 15 to 16 for those who complete approved driver training courses and to 18 for those without such training. Hardship licenses are permitted for 15-year-olds where there is a licensed adult driver in the front seat. Motor scooter and motorcycle operators must be at least 15, and for commercial licenses, 17.

Present licenses will be replaced by a plastic card with a color photograph of the driver. New ones will be good for four instead of two years and will cost \$8 instead of \$3. Drivers may be required to take a new competency examination when they apply for a new license. However, re-examination is not compulsory, as proposed in the original bill.

License suspension period for violators was increased from six to 12 months for the first offense and from 12 to 18 months for repeat offenses, subject to the court's discretion. Driving while license is suspended will be punishable by fines up to \$500 and a maximum of six months in jail.

HORSE RACING — Voters will be given an opportunity to express their opinion on whether Texas should legalize horse-race betting, if the House agrees with the Senate to put the question on the ballot in the Democratic and Republican primaries next May.

Senate passed the bill by Sen. V. E. Berry of San Antonio, long an advocate of horse-race betting, and sent it to the House for its concurrence. Actually the bill, as passed by the Senate, would not require the parties to put the question on the ballot but would permit and encourage them to.

AIR BASE — Both houses have agreed that James Connally Air Force Base at Waco should be purchased by the state for \$5,200,000. The 2,100-acre base with 1,141 buildings now is under lease for a state vocational and technical training institute.

Money for its purchase is expected to be written into the final version of the 1968 appropriations bill.

ELECTION CODE — Although the Legislature approved general terms of a major election code overhaul, the two houses differed over provision to permit counties to employ low-cost electronic vote recording - counting devices.

Senate struck the electronic machine section from the original bill, but the House put it back in and returned amended measures to the Senate.

Major features of the redrawn code will standardize the ballot form; change city election dates to the first Saturday in April; raise maximum pay for election judges and clerks to \$1.25 an hour; permit new state residents to vote in presidential elections before they have resided in Texas a year; allow consolidation of election precincts for minor elections; and substitute senatorial district conventions for county conventions in counties having multiple districts extending beyond their own boundaries.

VOTE SET — State of Texas will wipe out 37 cents of the 47 cents per \$100 property tax by 1977 if Texas voters give their approval at a constitutional amend-

ment election in November, if the necessary two-thirds vote both houses for submission. The seven, though opponents want the \$48,000,000 in lost revenues to have to be made up from other tax sources — and that local governmental units will snap up additional leeway on property taxes.

State levy on property would decline in 1968. Remaining cents of the present tax would be retained for college building purposes.

OIL PRODUCTION — Rate Commission set June oil production allowable at 33.8 per cent. This is the same as May, though demand for Texas oil is expected to increase next month.

June allowable factor will permit a maximum production of 3,046,218 barrels daily. Factor dropped four straight months last week's hold-the-line order. Prior to the January peak of 33.8 per cent, it was increased in successive months.

U. S. Bureau of Mines predicts that the June demand for Texas crude oil will increase 50,000 barrels. But the Commission feels stocks throughout the U.S. are excessive now.

ATTORNEY GENERAL — Legislation providing for cancellation of permits on dredge shell or oyster shell in certain areas is controversial, says Atty. Gen. Crawford Martin in a recent opinion.

Other opinions issued by Martin include the following: Calhoun County is not probable to be let from withdrawing some funds from the county deposit and investing the money in authorized U.S. government bonds and securities.

A district clerk in Cass County may accept an appointment as receiver in a civil case pending in the court which he serves as clerk without vacating his elected office.

COURTS SPEAK — State Supreme Court refused to hear insurance claim of a Dallas restaurant owner who sued the restaurant where four firefighters were killed.

High court has held that restrictions on competition of the man-Marcus store in North Dallas, do not violate Texas anti-trust laws as maintained by velleopers of Preston Center.

A Travis County district court overruling State Savings and Loan Commissioner James O. Gerstler's denial of granting of application Mission Savings and Loan Association of San Antonio for approval. Gerstler gave notice of appeal to Third Court of Civil Appeals.

SHORT SNORTS — House passed and sent to the Senate its concurrence a bill to allow privileged communications between a clergyman and his parishioner and between a doctor and his patient.

Senate Education Committee approved the bill by Rep. Al Jamison of Denton which would direct the Texas Education Agency to embark on a program of recruitment of well-trained and pure persons into the teaching profession.

Texas Highway Department received the National Safety Council's top 1966 industrial safety award — for its on-the-job safety record among its employees throughout the state.

Attorney General Martin said that the state has recovered \$80,000 from an auction sale of 80,000 barrels of contraband East Texas oil confiscated by the state 30 days ago.

Fleetway Commuter Airline Tyler has asked permit for a round-trip service from Kilgus, San Antonio, and Davis Airline Bryan seeks a commuter permit between College Station and Houston.

Texas Water Development Board has authorized a study to be made of the feasibility of installing desalting plants in several parts of West Texas.

Through the telescope by truck

Do you still get a lump in your throat when you sing "America"? Do you feel sudden shivers along your spine when the crystal-cold notes of "Taps" break through the hush of a sun-warmed day? Are you still proud enough of your country to stand taller and loudly repeat, "I pledge allegiance to the flag . . .?"

Patriotism is an every day thing, best expressed in quiet deeds and firm resolve. But there are a few occasions when our pride in this country and our determination to see its great freedoms continued may be expressed openly. One such occasion is Memorial Day. On Tuesday, May 30, 1967, the citizens of Cochran County are being invited to stand for a few minutes out of respect for those who gave their lives in defense of this country. They will also stand united in support of those who now defend this country and its principles.

You are invited to attend at 4:30 p.m. Tuesday, May 30, on the courthouse square.

The Frontier Babe Ruth League will begin play Monday, May 29, with one game in Morton and one in Sundown. There are three Morton teams and one from Sundown playing two games each per week. It works out so one Morton team plays at Sundown each Monday and all four teams play at Morton each Thursday. Whiteface was in the league last season, but did not enter this year. The single games will start at 8 p.m. while the doubleheaders will start at 6 p.m.

We keep hearing increased cries of anguish from businessmen who can't get regular shipments of goods. Roy Gentry, who looks after Forrest Lumber Company's yard in Morton, has a case in point. He eagerly agreed to accept a special merchandising display for some new floor covering (I'm not about to mention a brand name for this company). After about 60 days, he still hasn't gotten his display. The salesman says it was shipped. Roy even agrees that it might have been shipped. But he doesn't have the display. Mrs. Lavon Sullivan ordered a doughnut machine. It was to arrive here two weeks ago. As of Wednesday morning, it still wasn't here. One of our suppliers owns a warehouse about the size of an airline company hangar . . . but we spent several frustrating weeks trying to get ordinary size paper clips from them. For weeks they didn't have any in their huge warehouse. Other weeks, it's other items.

Unfortunately, when the businessman doesn't get the shipment he has been expecting . . . guess who walks through the front door, smiling and unsuspecting? That's

Man's triumph over a *Menace* to Life...

Sharks have always been man's enemies in the sea. They are a danger to the shipwrecked, and occasionally threaten the lives of swimmers along our coastal waters. Sharks are only one of the many dangers that man faces every day. The world, today, is in a turmoil and we must be alert and on guard for the enemies' moves. Now is the time to trust in the Lord and to seek His help.

"Unto thee, O Lord, do I lift up my soul. O my God, I trust in thee; let me not be ashamed, let not mine enemies triumph over me."

Psalm 25, 1-2

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Congratulations CLASS OF '67

Thomas Carlyle said: "An educated man stands, as it were, in the midst of a boundless arsenal and magazine, filled with all the weapons and engine which man's skill has been able to devise from the earliest time."

Applying these words to the American scene they become more important than when written. More than ever before in the world's history, it is the educated man and woman, the trained young people, who will find themselves working and participating members of an exciting society in the next few decades.

If you take advantage of the opportunities offered young people today, you will, as Carlyle indicated, stand in

a boundless arsenal, equipped to meet the problem of the future as an individual.

That is why your graduation is so important. You have completed a part of your education and training, but it must not stop. You must seek more education and training if you are to find a place for yourself in the era of great technological change now taking place in this country.

We urge you to prepare yourself to the full degree of your ability.

And now we join your family, friends and the entire community in wishing each of you well in whatever endeavor you may plan for the future.

Cancer Society has noon meet

The Cochran County Unit of the American Cancer Society held a noon meeting on May 16 at the Wigwam Cafe.

Mr. Dale Byerly, representative, was present and showed a film entitled "Investment in Life", which dealt with the research being done toward the cause and cure of cancer.

Mrs. John L. McGee, Mrs. Willard Henry, Mrs. Leonard Coleman, Mrs. James Walker and Mrs. Gary Willingham were elected as delegates for the District Annual Meeting to be held June 14 in Lubbock. Mrs. Jack Russell, Mr. Neal Rose, Mr. Leon Kessler, Mrs. M. C. Ledbetter and Mr. Dean Weatherly were elected as alternates.

Mrs. John L. McGee was elected as delegate for the Division Annual meeting to be held in Houston in October.

Mrs. McGee reported that the crusade held in April netted \$990.39. This along with \$314.50 in previous contributions brought Cochran County over the goal mark which was \$1,200.00. The total for Cochran was \$1,404.89. It was noted that Texas is seventh in national contributions.

The Cochran County Unit of the American Cancer Society will discontinue meetings for the summer months and will meet again on September 19.

Present for the meeting were: Mrs. Leonard Coleman, Mrs. Lovelle Jackson, Mrs. M. C. Ledbetter, Mr. Leon Kessler, Mr. Neal Rose, Mr. John L. McGee, Mrs. Willard Henry, Mrs. Dexter Nebhut, Mrs. Dwayne Smith, Mrs. J. W. Allen, Mrs. James Cunningham, Mr. Dean Weatherly and Mr. Byerly.

County committee studies problems

The Cochran County Program Building Committee met Thursday April 27. There were twelve members present. Others present were Marvin Elliott, chairman of the TAP committee, Homer E. Thompson, County Agent, and John Seibert, Extension Farm Management Specialist.

The committee discussed the problem of getting more beef cattle fed by the youth in Cochran County to increase consumption of feed grains produced locally, to teach youth the more practical side of feeding beef animals and to accept more responsibility in feeding and financing. After some discussion it was decided by the group to permit matters to stand, because of the cost and loss factors involved.

Roy Hickman, chairman of the Program Building Committee then opened the meeting and gave a brief discussion on his recent visit to Washington, D.C., for the purpose of looking into government farm programs and the surplus cotton in the loan — which cotton was moving and which was not moving in the loan.

John Seibert was called on to give a resume of the South Plains Development program (SPD). John discussed the area economic potentials for the area, with a possible increase of \$538,000,000 annually. He gave a report on how the study group arrived at this figure on page 8 of the SPD Handbook. The 10 areas discussed were: (1) reducing excessive ground water pumped, (2) increased utilization efficiency of rainfall, (3) adopting best known crop production technology, (4) combining land, labor, and capital for maximum economic efficiency, (5) increasing processing and manufacturing in the area, (6) optimum farm and ranch income tax management, (7) estate planning, (8) adopting improved range and ranch management practices, (9) feeding more raw and process manufactured products, and (10) developing resources adapted to production of fish, wildlife, and recreational enterprises.

Other economic potentials mentioned, but placed no economic value on were: (1) continuing educational opportunities for youth, (2) adopting wise, sound use of consumer credit, balance nutritional diets, and improved home management, (2) making community improvements.

All the committeemen have received a copy of the SPD handbook for study. Chairman Hickman informed the committee that the program emphasis is placed on the local people and any united action taken will be the responsibility of this committee and local leaders. He urged the committee to study the resources at hand and decide what programs are to be initiated in Cochran County. These findings are to be discussed in the next regular meeting.

Summer youth classes feature art, wildlife

"Summer Time is Fun Time" is the theme of the summer Youth Classes offered at West Texas Museum on the Texas Tech campus, beginning June 19 for two sessions.

Art, rock collecting, speech, astronomy, birds, wildlife, anthropology and archaeology are included in the courses offered for boys and girls in grades one through twelve.

Registration for all classes may be made in person at the Museum, or by mail.

Registration should be made early, as classes are limited due to lack of facilities in the present Museum building.

This summer marks the fourth year of the full curriculum for the Youth Classes, although the Museum has offered classes in art instruction since 1950.

Creative Art classes, the most popular last summer, will be offered again this year. Grades 1-3 will meet from 9:30-10:30 a.m. during the two-week sessions, and grades 4-6 will meet from 10:45-11:45 a.m. A class in papercraft, for grades 7-12, will meet from 1:15-2:15 p.m. Tuition for each class is \$10.00.

Junior Rockhounds, a basic study of rocks and minerals, and a class in the fundamentals of speech will be available for grades 4-7. The rock study will be held from 9:00-10:00 a.m. during both sessions, and the speech class will meet from 1:15-2:15 p.m. Tuition for each class is \$5.00 per session.

Astronomy, Birds of the Southwest, and Trailing Texas Wildlife are three classes geared to the interests of boys and girls in grades 5-12. Tuition for each class is \$5.00.

Astronomy students will use the Spitz Planetarium in their basic

LCC music camp is slated August 6-18

Choral and band students over 12 years of age are being invited to attend the annual Lubbock Christian College Music Camp Aug. 6-18 on the college campus in Lubbock.

Faculty for the camp will include Larry Kingsley, band instructor at the college, and Vic Tyler, director of the Groom High School band.

Instructors in chorus and general music will be B. Wayne Hinds, chairman of the LCC music department; Charles Cox, instructor of music at LCC; Horace Coffman, song director for the Broadway Church of Christ in Lubbock; Tex Stephens of Houston; and Paul Epps of Temple.

According to Hinds, who supervises the camp, each of these men has taught for several years in the program.

Classes will be held in chorus, band, song directing theory and sight-singing, Bible and drum majoring.

Programs and other recreation is being planned for the evenings, with an all-day picnic scheduled for the weekend.

During the closing evening of the camp, each group will present portions of what they have rehearsed together.

Lubbock Christian College students will counsel for the camp and will live with the visitors in the dormitories.

Costs for the camp, including room and board, will be \$42.50.

course will be climaxed with a field trip.

Anthropology will meet from 2:30-3:30 p.m., and speech class will be held at the same hour.

Deadline for registration for the first session (June 19-30) is June 12. The second session is scheduled July 17-28. Deadline for registration is July 10.

Some classes fulfill partial requirements for Boy Scout and Girl Scout badges and Camp Fire honors.

Frontier Trading Stamps will be accepted for tuition at the rate of \$2.00 per book.

Mrs. R. Q. Lewis is the chairman of the Youth Classes committee. Members of the Women's Council of the West Texas Museum Association serving on the committee are: Mrs. Kenneth C. Durbin, Mrs. Elmer H. McKinney, Mrs. Bill Parsley, Mrs. O. V. Scott, Mrs. David M. Vigness and Mrs. D. D. Webster.

Gasoline price has declined in decade

Gasoline prices dropped during the past 10 years, while consumer prices generally continued to climb, Oil Facts reports.

In the decade 1957-1966, the average retail price of regular-grade gasoline, before taxes, declined 2.4 per cent. During the same years, the federal government's Consumer Price Index rose more than 15 per cent and gasoline taxes increased 19 per cent.

Price adjustments in the past several months brought the average pre-tax price of gasoline to 22.70 cents a gallon as of April 1, 1967. This was only a fraction of a cent above the 1957 price of 22.1 cents.

Oil Facts points out that today's gasoline prices are 3 to 7 cents lower than those prevailing in 1919 and the early 1920's, when nationwide gasoline price averages first were compiled. The publication emphasizes that today's gasoline is vastly improved in quality and performance over the fuel of four or five decades ago.

News items from Bledsoe

(Last Week's News)
By **LYNDA THOMS**

The National Honor Society of Bledsoe held its first induction of new members Thursday, May 4, at 1:30. Marji Griffiths, daughter of Mr. and Mrs. Rex Griffiths, Johnny Funk, son of Mr. and Mrs. Velton Funk, and Derrell Hale, son of Mr. and Mrs. Ellis Hale, were installed. President Velton Funk presided. A history was read by Linda Brown. Speeches were given on Character, Leadership, Service, and Scholarship by Benny Rawls, Karen King, Neva Gilliam, and Steven Dunn. A. A. Chandler, High School Principal, issued membership cards and accepted new members.

The Junior Class sponsored a Stage Show Friday night, May 5. Talent from Morton presented the show. The Brownlows, Jimmy Waters, the Symplephonies, and a gospel trio of Morton teachers were thoroughly enjoyed by those attending.

The seniors are sponsoring a Talent Show Friday, May 12 in the High School Auditorium. Anyone wishing to enter should contact a senior and pay an entry fee of 75 cents. The first prize is \$10 and the second prize is \$5. The admission is 50 cents for adults and 25 cents for children. The show begins at 7:30. There will be a

Pancake Supper the same night, beginning at 5 p.m. The price for pancakes and all the trimmings is 75 cents. So, everyone come and have supper and stay for the show.

The school newspaper is featuring a senior each week and we thought you might be interested in knowing about our seniors — all four of them! The Bledsoe Antelopes' Senior of the Week this week is Lynda Kay Thoms. Lynda was born July 24, 1951 in Morton. She began school in Tatum, N.M. and continued through the 6th grade, before moving to Bledsoe.

She was chosen the 7th grade Halloween Carnival Princess. In her freshman year she was the Homecoming Queen and a Cheerleader. She was Miss Bledsoe High School last year and is Best All Around Girl this year.

Lynda has been a class officer every year in High School and is President of the senior class this year. She is currently serving as Bledsoe Reporter for the Morton Tribune.

Basketball has been her favorite athletic endeavor. She has played in practically every game since coming to Bledsoe. She was chosen this year to be the girl recipient of the Fighting Heart Award, given to one boy and girl by the coach.

She played volleyball each year. She played tennis and began to give it serious consideration after the new tennis courts were completed. She represented Bledsoe in the district meet.

Lynda has always represented our school in the district literary competition. She won the district in Persuasive Speaking this year and represented the district at the Regional Meet in Lubbock last month.

She is the Salutatorian of the 1967 Graduating Class.

Lynda reached the finals in the Rodeo Queen contest in Morton last summer. She was in the Heart Funds' Queen contest in Cochran County for two years. She participated in the Homemaker of the Year contest sponsored by General Mills, and won the honor of Homemaker of the Year at Bledsoe.

Lynda plans to enter Texas Tech in the fall of 1967.

We will have another feature senior next week.

Mrs. M. E. King was out of town for several days on a trip to Bermuda. We know she enjoyed that!

Lynda Thoms was in Lubbock Friday, May 6 to attend the annual R.O.T.C. Ball with Billy Bryant. Linda Brown spent the weekend a couple of weeks ago in Lubbock with relatives and a friend from Kentucky, whom her family had met while on vacation at Red River.

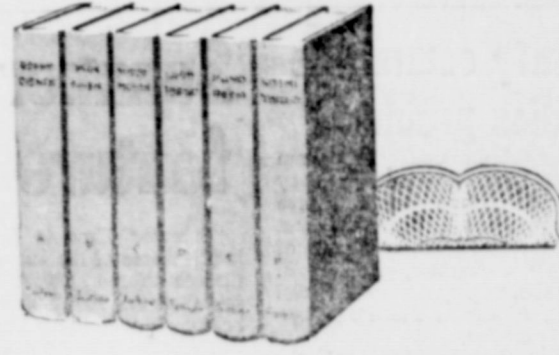

The speech class has been working on radio programs for the past week. Watch our KRAN!

The Bledsoe Baccalaureat Service will be held May 21 at 8:15 and the Commencement Exercises will be held Friday, May 26 at 8:45 p.m. in the High School Auditorium. The senior class invites everyone to attend. They will leave for New Orleans and a week-long trip Saturday morning.

Elections are Bula highlight

Elections have been a highlight at Bula High School the past few weeks. Elections have been held for cheerleaders, student council officers and National Honor Society officers.

Elected cheerleaders were Joyce Sowder, Linda McCamish, Barbara Clawson, and Sheryl Medlin.

Student council officers include Dennis Newton, president; Glen Salyer, vice president; Sheryl Medlin, secretary - treasurer; Linda McCamish, parliamentarian; Elaine Tiller reporter; and Keith Overland, sergeant-at-arms.

Officers of the National Honor Society include Mike Richards, president; Glen Salyer, vice president; Linda McCamish, secretary - treasurer; Dennis Newton, sergeant-at-arms and parliamentarian; and Joyce Salyer, reporter.

Oil, gas reserves set record in 1966

Proved recoverable reserves of crude oil and natural gas liquids stood at an all-time high of nearly 39.8 billion barrels as 1967 began.

Oil Facts points out that this figure represents a gain of 405 million barrels during 1966, despite record-breaking production.

BEST WISHES to All the SENIORS

WSCS has installation service in sanctuary

At 2 p.m., Tuesday, May 9, in the sanctuary of the Methodist Church the following program was presented:

With a towel draped over the side of the golden cross, and a wash basin placed beneath it, the inspiring worship center, prepared by Mrs. Leonard Groves, was an appropriate setting for the devotional given by Mrs. J. N. Burnett. She read from the book of John, where Jesus set the example of giving humble, consecrated service to those in need.

Mrs. Kenneth Wyatt, the installing officer, spoke of the challenge, the responsibility, and the privilege of serving God by serving within the offices and membership of the Woman's Society of Christian Service. She explained that the Christian character needed to fulfill our work would revere the true graces which included:

The grace to await God's leisure

patiently and to answer His call promptly. The grace of boldness in standing for what is right; The grace of preparedness; The grace of discipline; The grace to treat others as you would have them treat you; The grace of charity, that you may refrain from hasty judgement; The grace of silence that you may refrain from hasty speech; The grace of forgiveness towards all who have wronged you; The grace of tenderness towards all who are weaker than you; The grace of steadfastness in continuing to desire to do God's will.

In an impressive and inspiring service the following members were duly dedicated and installed by Mrs. Kenneth Wyatt, to serve in the announced offices: President — Mrs. H. R. Ramp; Vice President — Mrs. Willard Henry; Secretary — Mrs. Bobby Adams; Treasurer — Mrs. D. E. Benham; Campus Ministry — Mrs.

John Crowder; Christian Social Relations — Mrs. Don Lynskey; Local Church Activities — Mrs. Leonard Groves; Missionary Education and Service — Mrs. W. B. McSpadden; Membership Cultivation — Mrs. J. N. Burnett; Supply — Mrs. J. D. Hawthorne; Program Material — Mrs. G. C. Sanders; Representative to Committee on Christian Vocation — Mrs. Gary Willingham; Spiritual Life Cultivation — Mrs. Owen Egger; and Nominations Committee — Mrs. Leonard Groves.

Mrs. Owen Egger presented both the out-going president, Mrs. W. B. McSpadden and in-coming president, Mrs. H. R. Ramp, with Woman's Society of Christian Service president's pens. Mrs. McSpadden graciously thanked the members for their support and work during the last year. Mrs. Ramp spoke briefly about key words with which she aspired to begin the new year. They were: joy — of the privilege of serving God and man, enthusiasm — really believing in our work and promoting the purpose of the society, and prayer — in which we seek the guidance of the Holy Spirit in everything we do.

During the fellowship period which followed the installation service, Mrs. Kenneth Wyatt was honored by receiving a surprise lingerie shower. She received many lovely gifts from members of the church, which included those sent by women unable to attend the meeting.

Refreshments of dainty sandwiches, rose mints, punch and coffee served by Mrs. G. C. Sanders, Mrs. Don Lynskey, Mrs. Willard Henry, Mrs. H. R. Ramp and Mrs. Owen Egger.

Those attending were Mrs. Ray Bridges, Mrs. J. D. Hawthorne, Mrs. D. E. Benham, Mrs. E. J. Doran, Mrs. G. C. Sanders, Mrs. Ed Lytle, Mrs. A. S. Key, Mrs. H. R. Ramp, Mrs. W. P. Houston, Mrs. Owen Egger, Mrs. Don Lynskey, Mrs. Robert Robinson, Mrs. Gary Willingham, Mrs. Leonard Groves, Mrs. W. B. McSpadden, Mrs. Elmer Gardner, Mrs. Kenneth Wyatt, Mrs. Bobby Adams, Mrs. M. C. Ledbetter and Mrs. Clyde Brownlow.

There will be a joint circle meeting Tuesday, May 16 at 9:30 a.m. in the home of Bro. and Mrs. Kenneth Wyatt, who will be in charge of a special program. It will be an excerpt from Adam and Eve's Dairy by Mark Twain.

Farm population has declined an average of about five percent annually since 1960. In 1966, 11.6 million persons lived on farms in rural areas of the U. S., down from 15.6 million in 1960.

Taxes on motor vehicles up 31%

Taxes on the average motor vehicle in the United States rose 31 per cent between 1935 and the end of 1965, according to Oil Facts.

In 1935 the average tax per vehicle was \$118. In 1965 it was \$155, with \$63 going to the federal government and \$92 to the states.

Gasoline taxes account for more than half the total.

District of Columbia motorists paid the highest tax in the nation during 1965 — an average \$213 per vehicle. Vermont was second with \$198 and Michigan with \$194.

Drivers can help prevent car thefts

Drivers can help reduce the number of automobile thefts by taking a few simple precautions, according to Oil Facts.

The recommended steps include removing keys from the ignition and locking doors when parking; using well-lighted and well-traveled parking areas when possible; and putting items of value out of sight in locked car trunks.

Federal Bureau of investigation reports show that of the more than 500,000 cars stolen in 1966, about 80 per cent were unlocked and 49 per cent had the key in the ignition.

Recharge well pump water into formation

Fifty-three feet of valuable water was recharged through two multi-purpose (artificial recharge) wells at the High Plains Research Foundation in 1966, according to Jim Valiant, Soil Scientist at the research farm.

A total of 636 acre-feet of run-off water which includes both tail-water and rainfall, has been recharged into the Ogallala formation through the two multi-purpose wells since 1959. The water recharged in the experimental research well recorded during this eight-year period was 352 acre-feet. A second well, which is the type that would normally be used by a farmer, with no experimental equipment, was installed in 1961. From 1961 through 1966, a total of 285 acre-feet of water have been recharged through this well.

This savings of 36 acre-feet (or a little more than 207 million gallons) is enough water to completely irrigate the 1/2 section farm at Halfway for about 2 years. Approximately 90% of this same water could have been lost to evaporation if it had not been stored underground.

Two thousand four hundred five acre-feet of underground water has been pumped for irrigation at the Research Foundation since 1959. 26.4% of this amount came from the water which was recovered by recharge.

Several grasses, hybrid sorghum grazers, and rye were planted in the playa lake at the experimental recharge well site in 1966. Some of the advantages of these crops are: (1) cover for the lake bed, (2) partial filtering of run-off water, (3) tolerance to flooding, and, (4) a source of income from grazing the lake bed.

Registration opens June 16 at Artesia

Registration begins Friday, June 16, for the summer trimester at The College of Artesia, in Artesia, with orientation for new students, and continues through Saturday morning, June 17.

Classes begin Monday, June 19, for the semester's work which is open to graduates of accredited high schools and transfer college students. Applications for acceptance to the summer trimester currently are being received and reviewed.

A total of 33 courses are offered, and up to 18 credit hours may be earned.

Dr. Thomas Longnecker, Director of the Foundation said, "This research project is a very important part of the program of the Foundation to find ways and means of conserving and stretching rainfall and underground water, and to prolong irrigation farming in the High and South Plains of Texas."

Local women go to state meeting

Two Morton women, Mrs. Jerrel Sharp and Mrs. Wiley Hodge attended the state Jaycee-ettes meeting in Dallas, held April 19-22. First on the agenda, Mrs. Sharp helped with the judging of the scrap books. The Morton division was awarded second place on their scrapbook for Ways and Means.

On Friday, an all day business meeting was held, and state officers were elected. Several luncheons with the Jaycees were held.

They ended the session with a brunch, Saturday morning April 26, at which the awards were presented.

About 300-350 Jaycee-ettes attended along with some 2800 Jaycees.

Cubs down Pirates, 4-2

A sparkling pitching performance by Jack Sublett highlighted a 4-2 win by the Cubs over the Pirates in Little League action Thursday night. In the second game, the Colts continued undefeated as they held off a stiff chal-

lenge by the Sox and finally won 7-3. For the first time, Sublett showed a curve and some off speed pitches as he allowed only two runs on three hits, walked none and struck out 11.

Tommy Tuck put the Cubs on the scoreboard in the first inning as he singled and came in on an error and a single by Sublett.

The Pirates tied it up as Ted Thomas singled, stole two bases and came in on Dub Bryan's single.

Leslie Carter put the Cubs ahead in the last of the second as he walked and came around on an infield grounder and a single by Tuck.

Two more runs came across for the Cubs in the third. With two out, Jimmy Hargis singled, Larry Thompson walked and David Kessler singled them in.

That was all the scoring until the top of the sixth. Mike Gilliam got on by error and scored on an error.

Tommy Tuck led the Cub attack with three hits in three times up. Jimmy Hargis had a pair of singles in three attempts.

Ted Thomas got two of the three Pirate hits.

Mike Gilliam was charged with the loss. He allowed four runs on seven hits, walked three and struck out seven.

The nightcap game was a real cliffhanger. Neither team was able to score during the first three innings. The Sox left three on base in the first inning and one on in the third. The Colts left one on in the first, two on in the second and one on in the third.

The Sox got one run in the top of the fourth on four consecutive walks after two were out. In the last of the fourth, the Colts tied the score as James Partlow singled. Robert Davidson was hit by the pitcher. A walk loaded the sacks. Partlow was caught at the plate on a fielder's choice and Davidson was nailed trying to steal home. But two more walks loaded the sacks and Ricky Bedwell scored from third.

The Colts broke open the game in the last of the fifth as they scored six runs. Bryant Lewis and Ricky Woods singled, Partlow and Davidson walked, Ricky Bedwell was safe on a fielder's choice as Bedwell was forced at second. With two out, Randy Bedwell singled and Greg Hunt was safe on a fielder's choice that failed to get the runner. Mark Flutt doubled in the final run.

The Sox managed to get two runs in the top of the sixth. James Snitker walked and Kevin Franks and Dub Hill singled.

Bryant Lewis got credit for the win. He gave up three runs on two hits, both in the last inning, hit one, walked seven and struck out 13.

Dub Hill was charged with the loss. He gave up seven runs on seven hits, walked six, hit one and struck out eight.

Franks and Hill got the only hits for the Sox.

Seven hits for the Colts were divided among seven players. Only extra base hit in the game was Mark Flutt's double.

Maple students to receive degrees from ENMU June 1

The names of 373 candidates for spring graduation at Eastern New Mexico University have been announced by Miss Ruth Wheeler, registrar. Of the group, 72 are candidates for graduate degrees and 301 for undergraduate degrees.

Among those to receive degrees are two students from Maple. They are Susie Lee Bickley, master's degree in elementary teaching, and Alan Grantland Eck, bachelor's degree in religion and zoology.

The group exceeds by 45 the number graduating last year and will be the largest class ever to graduate from Eastern, Miss Wheeler said.

Combined baccalaureate and commencement services are scheduled at 8 p.m. June 1 in the University Physical Education Complex. Gov. David Cargo will be speaker for the exercises.

The traditional president's concert by the University Concert Band will precede commencement exercises. The program honoring President Charles W. Meister begins at 7:30 p.m. in the Physical Education Complex. A reception in the Campus Union Ballroom for graduates, parents of graduates, and faculty will follow commencement services.

Curtis Dickson to receive degree

Curtis Woodrow Dickson of Rt. 1, Morton, is one of 1,100 candidates for degrees at the University of Texas. Dickson is to receive a bachelor of arts degree.

Commencement Exercises will be held June 3 in Austin. Dr. J. Alton Burdine, dean of the College of Arts and Sciences, largest at the University, made public the tentative degree list.

Oil industry's capital investment grows

The capital investment per worker is nearly five times greater among oil companies than among industries of all kinds, Oil Facts reports.

The American Petroleum Institute publication says that in a study of the nation's 500 largest industrial corporations, the median

investment for oil companies is \$30,751 per worker. For all industries, the figure was \$608 for each employee.

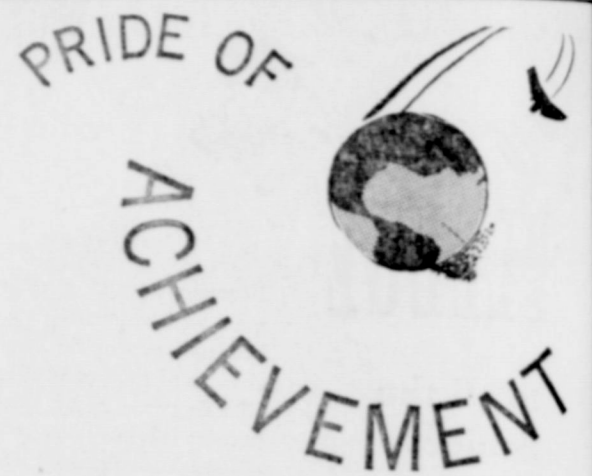

Gross national product rose \$5.0 billion in the first quarter to a seasonally adjusted annual rate of \$74.3 billion.
