## Storm causes extensive crop damage in county

### Top-gap special election called

Top-gap election to fill the state representative seat recently vacated by Jesse George has been called for Nov. 11 by Acting Gov. Preston Smith. The election order affects five counties including George's 75th District — Cochran, Terry, Bailey and Hockley. Ballots for candidates to file for placement on the ballot are available from the office of Secretary of State Bill by that date. Applications for registration on the ballot are available from the office of Secretary of State Bill by that date. Applications for registration on the ballot are available from the office of Secretary of State Bill by that date.

has stated that he has been assistant in the office to Jesse George and also an assistant in the district.

Word was received Wednesday morning from John J. Kendrick, president of the First National Bank of Brownfield, that he plans to be a candidate for State Representative to fill the vacancy created by the resignation of Jesse T. George, and will make a formal announcement at a later date.

Weaver has been a teacher for the past two years in the Mary De Shazo school in Muleshoe. He is 26 and a graduate of Brownfield High School and Texas Tech.

At Tech he majored in history and government.

He has worked in the Democratic campaigns of Waggoner Carr, Crawford Martin as Youth Chairman and with the other campaigns as well.

Rep. George's resignation was effective Sept. 5. At that time he will become liaison officer with the Small Business Administration in Washington, D.C.

Normally, the seat vacated by Rep. George would remain vacant until next year's regular elections but since a special session of the Texas Legislature is scheduled to be called, a special election is necessary to provide representation for the 75th District.

George served two terms in the Texas House of Representatives for his district. Recently, the district was revised to place Cochran and Bailey Counties into a district served by Rep. Bill Clayton of Springlake. Yoakum County went to Rep. Randy Pendleton of Andrews, while Hockley and Terry Counties went in with Lubbock County's three representatives.

Had Rep. George remained in politics, he would have been running in a new area which included Lubbock County.

The re-districting is not scheduled to take place until 1969 and the representatives named in the Nov. 11 special election will serve until that time.

### Whiteface wreck sends 11 to four hospitals

A car-pickup crash one-half mile south of Whiteface on FM 1780 sent 11 persons to four hospitals Monday night. The crash occurred when a 1960 Oldsmobile driven by R. J. Sanders, 43, of Whiteface collided with a 1965 Chevrolet pickup driven by Jesse Matta, 34, of Morton.

Investigating Texas Highway Patrolmen T. A. Rowland and Ronald Coleman said Sanders was driving east on a dirt road when, as he approached the intersection with FM 780, his brakes failed. Sanders then made a wide turn to the right and struck the Matta pickup head-on.

Injured in the wreck were the drivers and occupants of both vehicles. Passengers in the Matta vehicle included his son, Bill, and two daughters, Mary and Lee. All were taken to Cochran Memorial Hospital for emergency treatment. Bill, 20, was later transferred to St. Mary's Hospital in Lubbock for treatment of a severe laceration near his right eye and a fractured nose. His condition on Wednesday was listed fair.

Mary, 22, was transferred to Lubbock's Methodist Hospital for treatment of a broken jaw and collarbone. Her condition was also listed as fair.

Jesse Matta was hospitalized in Morton with lacerations of the forehead and chin. His daughter Lee, 17, was treated and released.

The Sanders family were all taken to Levelland Clinic and Hospital where Sanders was hospitalized. See WHITEFACE WRECK, Page 2

Once upon a time, a cotton plant . . .

FOLLOWING SUNDAY NIGHT'S rather fierce storm, many cotton fields northeast of Morton looked like this shapeless mass of twigs. This particular field suffered almost total destruction with plants completely stripped of leaves. The tender young bolls, when broken open, revealed badly bruised cotton. (Staff Photo)

The full extent of damage caused by a fierce Sunday night and early Monday morning storm will probably not be known for several months. Heavy rains totaling more than three inches in some sections of the county and high winds stripped the leaves from cotton plants and trees. Sorghum for the most part did not appear to be very heavily damaged. Isolated fields of cotton and maize were completely destroyed as the winds battered plants to the ground.

Reports of hail the size of hen eggs dotted the county.

Official measurement of rain in Morton was 1.83 inches. Estimates of wind at the peak of the storm ranged near 75 miles per hour.

Damage around Morton included damage to fences, trees and flowers as well as a panel blown off a trailer house, plate glass window blown out at Allsup-Perry Chevrolet and damage to a wall and roof at KRAN.

Several home owners in Morton reported trees completely up-rooted as well as numerous large broken limbs.

The path of the storm appeared to run from north to south in most parts of the county with some damage showing the effects of cross winds.

The majority of the damage was centered around Morton for a distance of some three miles. One path showed damage running from about three miles east of Morton to three miles west. Another path ran north and south.

County agent Homer Thompson said that crops around Morton received heavy damage that could mean about a 50-percent reduction in expected production. He said that the hail and heavy wind damaged cotton plants to the extent that they could be very susceptible to plant diseases.

### Class enrollment told

Enrollment in Bledsoe and Morton schools following the first two days of classes were listed about the same as last year.

Bledsoe superintendent Otis Parr said enrollment was down slightly from last year's figures of 135. Final enrollment figures will not be available for several weeks because of late registering students.

Bob E. Travis, principal at Morton High School, said about 275 were enrolled at the present time with others expected to register within a few weeks. Final enrollment figures for all Morton schools will also be delayed because of late enrollees.

Cecil Williams

Williams is the area representative for the Board of Truth and is on the advisory board of Lubbock Christian College. A graduate of Frank Phillips College in Borger, Williams is a native of Anton. Williams also coached the district champion Little League team this past year and has been a Cubmaster.

Williams is a qualified piano teacher. He has two children: Donna, 16, and Robert, 9.

Williams was formerly associated with St. Joseph's Catholic Church in Amarillo for five years before coming to Morton. Williams of Alpena, Mich., is a chaplain with the Special Forces Reserve (Green Berets), holding the rank of First Lieu-

Father George Greka

tain's training at Ft. Hamilton, N.Y.

He received his education at St. Mary's in Orchard Lake, Mich. While in Amarillo he coached seventh and eighth grade sports and had a championship team three of the five years he was there.

Bro. Williams replaces T. A. Grice who has gone to Tucumcari, N.M., and Fr. Greka replaces Lawrence Bobsien who has been transferred to Littlefield.

## Indians to tangle with Mustangs

Morton's Indians face the Olton Mustangs here at 8 p.m. Friday in the season gridiron opener. They lead the way as all four area teams get into action for the first time.

Whiteface will be at Roosevelt at 8 p.m. Three Way goes to Dawson and Bula goes to Southland.

The Indians will face a rugged test in Don Beck's Olton Mustangs, who have

been picked to gather all the marbles in District 3-AA. Last season the Mustangs took a 28-0 decision from the Indians as they started toward a 5-5 record.

Expected to provide the scoring punches for the Ponies are three two-year lettermen. Halfbacks are Charles McCallin, 162 pounds, and Ben Akin, 183. Fullback likely will be senior Bobby Turner, also 183.

Top quarterback prospect is 142-pound junior Johnny Lewis.

Other offensive starters returning this year include Steve Burleson, 195, junior tackle; Eddie Hooper, 185, junior guard; and Stacy Pendergrass, 181, senior center.

Olton uses a Split T formation with plenty of pass-run option plays, plus power in the middle.

But Morton fans are optimistic as two-day workouts ended with the Indians taking command of a scrimmage against the Lubbock Coronado junior varsity last Friday afternoon. The Indians scored eight times and allowed Coronado only one tally.

Fullback Donnie Harvey showed the way as he broke loose for two 65-yard scoring jaunts. Dick Vanlandingham, moved from tackle to end, nailed down a starting post as he caught an 18-yard scoring pass from quarterback Wayne Thompson. Thompson scored another on a two-yard keeper.

The second unit also scored four times. Ralph Soliz led the way as he carried a pass interception all the way and then ran eight yards for another score. Charles Joyce added on a pair of scoring runs, one for three yards and another for 25.

Wayne Thompson hit two of six passes and had two others dropped. Mike Bryan hit two of three for 70 yards as he called signals for the second unit.

As classes began, practice sessions dropped to once each day. Head coach Fred Weaver was working on kicking, kick coverage and timing drills in preparation for

the Friday contest.

"We were real pleased with the way our offense moved the ball against Coronado," Weaver said. "We finally got it to going

### Booster Club meetings slated 7 a.m. Monday

Meetings of the Morton Athletic Booster Club have been moved to mornings for the 1967-68 school year. That was the decision made during an organizational session of the group last Friday night.

Booster meetings will be held at 7 a.m. Monday in the banquet room of the Wig Wam, members decided. All members and prospective members are invited to attend. During the football season, coaches will show films of the previous game, discuss the game and review the upcoming opponent for the Morton Indians.

During an election of officers, the following were named to serve during the 1967-68 year: Budd Fountain, president; H. A. Tuck, vice president; and Spott King, secretary-treasurer.

King made a financial report, detailing funds that have been spent enlarging the football press box. George Tuck made a report on sales of advertising for the football programs.

Head football coach Fred Weaver introduced his staff, talked about Friday's scrimmage with the Lubbock Coronado junior varsity and told about the Indians' first opponent, the Olton Mustangs.

Guests for ice cream and cake following the business session were members of the Indian football team. Coach Weaver introduced each member of the team. Other special guests were four of the high school cheerleaders.

Jimmy Jones and Sherri Cadenhead both received red ribbons on records entered in the junior division. Also in the competition was Marilyn Cade's senior clothing record which did not place.

Each week this column will feature a 4-H member in a different project area. This week's 4-H'er is Sherry Fred, daughter

of Mr. and Mrs. Royce D. Fred, 501 W. Grant. Sherry is a first year 4-H member and has carried projects in both food and nutrition and clothing. She was selected because of the excellent records she submitted in both projects. Sherry found that in clothing she not only learned use of the sewing machine and sewing skills but also learned how to buy socks. ## Russell takes Labor Day golf tournament

Jack Russell had two close escapes trying to get into the finals of the Morton Country Club's annual Labor Day Tournament. Once there, he downed Jim Walker 4-3 to take the title. Russell edged John St. Clair 1-up on 19 holes in the first round and knocked out Babe Van 4-3.

Other first round decisions in the championship flight saw Steve White take out Jim Middleton 7-5, Jim Walker defeated Ted Whillock 3-2 and Babe Van knocked out Button Silvers 2-1.

Walker barely got by Steve White, 1-up, to gain the finals.

In the consolation bracket, Whillock got by Middleton 2-1, St. Clair defeated Silvers 6-5 and Whillock downed St. Clair, his former student, 6-5, to take consolation honors.

White stroked his way past Babe Van, 3-2, for third place.

Tommy Hawkins waded through the first flight battles to take first place with a 4-3 win over Neal Rose.

First round action saw Hawkins down R. I. DeBusk 4-3; Richard Houston defeated Gary Willingham 1-up; Neal Rose edged Bill Foust 1-up; Don Lamar defeated Lloyd Hiner 2-1; and T. K. Williamson edged Warren Williamson 1-up.

In the second round, it was Hawkins over Houston 6-5; Rose over Lamar 7-6; Rose over T. K. Williamson and Lamar over Houston. Williamson downed Lamar for third place.

In consolation play, it was Willingham over DeBusk 3-2, Hiner over Foust 5-4; Warren Williamson over Hiner 1-up on 19; and Williamson over Willingham, 4-3, for the consolation title.

Play was finished, but it was the golfers who were almost washed away after Sunday's action. They and their families were trying to cook steaks when the storm knocked out the lights. They finally finished cooking by flashlight, which added an unexpected atmosphere to the meal.

ders and his wife, 36, were hospitalized. Their condition was described as satisfactory. Their children, Wesley, Dean, DeLoma, Donna and Bobbie were given emergency treatment and released.

Singleton Funeral Home in Morton and George C. Price Funeral Home ambulances answered the call.

## Storm damage

Thompson said that the storm probably reduced the estimated cotton production county-wide about 15 percent.

However, he emphasized that this was only an estimate and could run either way. "A pretty good bit was taken off the estimate, though," he said.

Rainfall in the extreme corners of the county was generally less than a quarter of an inch with greater amounts being reported closer to Morton.

Hail around Lehman was reported as heavy with light hail given in reports around the fringes of the storm.

Mrs. M. H. Wisley went to Paris over the weekend to attend her 1929 graduating class homecoming. It was the first meeting of the group and they had a large turn out.

and the boys were breaking for the long runs. Our defense continues to be real strong. Against Littlefield (in a scrimmage two weeks ago) they ran a tight formation and we stopped them. But Coronado spread their offense and we managed to stop their wide plays.

Weaver and his assistants — Lane Tannehill, Robert Taylor, Doug Reed and Ted Whillock — have named seven seniors, two juniors and two sophomores to their starting offensive lineup. Five seniors, three juniors and three sophomores are listed on the first defensive unit.

Offensive starters include: Dick Vanlandingham, right end, senior, 192; J. D. Wisely, right tackle, sophomore, 230; Billy Smart, right guard, senior, 200; Ray King, center, senior, 183; Jerry Steed, left guard, sophomore, 144; Herschel Lamar, right tackle, junior, 190; Randy Kelly, left end, senior, 160;

Wayne Thompson, quarterback, junior, 137; Donnie Harvey, fullback, senior, 156; Billy Baker, halfback, senior, 161; and Alex Soliz, wingback, junior, 143.

Defensive starters include: Lamar and Gary Sullivan, 150-pound sophomore; tackles; Wisely and King, guards; Smart and Baker, linebackers; Kelly and Tommy Waters, 150-pound junior, ends; Harvey and Charles Joyce, 150-pound junior, halfbacks; and Mike Bryan, 150-pound sophomore safety.

A change in tradition this year saw the team elect captains for the season, rather than for each game. Leading the squad will be Billy Smart, Dick Van and La-Mell Abbe. Abbe, however, will be out of uniform for about three more weeks with a shoulder separation. He is a 194-pound senior end.

Rusty Rowden is tabbed for punting duties, while Dick Van probably will handle kickoffs and Mike Bryan will boot extra points.

Barbara Kennedy left Tuesday for Lubbock where she will attend Commercial College.

Mrs. Mike Holland is visiting in the home of her mother, Mrs. James St. Clair. Mr. Holland is in Army basic training.

## Four junior backs are making power for Whiteface 'Lopes

Four junior backs with two varsity letters each spell trouble for the opponents of the Whiteface Antelopes this year. Add four lettermen to the line and District 2-B coaches are warily eyeing the Antelopes.

Head Coach Dale Read is preparing his charges for their opener Friday at Roosevelt. Assisting him are Max Dickerson, Jay Scott, Bradford Harris and Royce Elam.

The Antelopes have been having good workouts, Coach Read reported, and are tapering off now as they polish the rough edges.

Depth is the major problem for Read, as only 19 boys are practicing this year. That leaves them short of enough personnel to have a squad scrimmage and little bench strength for the title run. "We can't afford any injuries this year," Read said as he looked over his charges.

The Antelopes have only two games to get ready for district play. After Roosevelt and Lazbuddie, they have eight games to determine the loop champion.

Roster for the Antelopes includes: Gary McCoy, freshman back; Doug Barry, junior back; Rinaldo Flores, sophomore guard, one letter; Ike Flores, senior end, three letters; Jerry Dawson, freshman guard; Owen Roberts, freshman guard;

Bill Tilley, junior tackle; Luis Alaniz, junior back, two letters; Kenneth James, senior center, one letter; Tommy Moore, senior tackle, three letters; Ricky Bennett, sophomore end; Randy Linder, fresh-

man back; Wayne Legan, junior end, two letters; Mike Teer, junior end; Dale Burris, junior quarterback, two letters; Stormy Goble, sophomore tackle; Ricky Swinney, junior back, two letters; Gary Bennett, freshman tackle; and W. C. Dawson, sophomore guard.

Schedule for the Antelopes includes: Sept. 8 at Roosevelt, 8 p.m.; Sept. 15 Lazbuddie, 8 p.m.; Sept. 22 at New Home 7:30 p.m.; Sept. 29 Cooper, 7:30 p.m.; Oct. 6 Open Date; Oct. 13 Anton, 7:30 p.m.; Oct. 20 Ropes, 7:30 p.m.; Oct. 27 at Amherst, 7:30 p.m.; Nov. 3 Sundown, 7:30 p.m.; Nov. 10 at Wilson, 7:30 p.m.; Nov. 17 at Meadow, 7:30 p.m.

## Cunningham - McCrory vows read in Amarillo September 2

Miss Mary Kathleen McCrory, daughter of Mrs. John McCrory, and the late Mr. McCrory of 1125 Carolina, Amarillo, became the bride of Orville Stanley Cunningham, son of Mr. and Mrs. O. W. Cunningham, former residents of Morton.

The wedding took place September 2, in the St. Josephs Catholic Church with Rev. David Greka officiating for the double ring ceremony.

The altar was decorated with baskets of white gladioli.

Given in marriage by her uncle, J. N. Riggs, of Amarillo, the bride wore a formal wedding gown of silk linen, designed with empire bodice and A-line skirt. The gown and chapel train were trimmed with imported Venetian lace. A tiered veil of imported illusion was held by a linen floral coil and the bride carried a cascade arrangement of white carnations, cymbidium orchids and ivy.

Miss Molly McCrory sister of the bride was maid of honor, while Miss Ann Riggs cousin of the bride served as bride's maid. They wore short dresses of lace over turquoise.

Kenneth Cunningham, brother of the groom served as best man and Kevin McCrory brother of the bride was groomsman. Joe Riggs of Amarillo cousin of the bride, and Roger Willet of Pawhuska, Okla., were ushers for the ceremony.

A reception followed in the Candlelight Room of the Holiday Inn.

The couple took a brief wedding trip. They will be at home in Dallas.

The bride graduated from Levelland High School and attended South Plains College. The groom served three years with the U.S. Army and has just returned from Viet Nam. He is now employed in Dallas.

The bride's table was laid in white lace over white, centered with a bouquet of white daisies and green foliage. A three-tiered wedding cake, topped by a miniature couple, green punch and silver coffee service completed the setting.

Assisting at the reception were Misses Glenda Hooper and Linda Gamble of Fort Sumner. Mrs. Alene Jones registered the guests.

Following a short wedding trip, the couple is at home in Whitarral, where the bride is a teacher. The groom will be attending South Plains College in Levelland this fall.

Was there a twister lurking in the storm that blasted Morton Sunday night? No one is sure, since no funnels were seen. But it was so dark and raining so hard, that a funnel-sighting would have been most unlikely. Trees and tv antennas were the most common casualties of the storm. A willow tree in the back yard of the Jerry Winder home was broken and twisted. Red Willingham had a willow tree uprooted. Tip Windom lost a big section of his concrete-block fence, while L. S. McCarty and Van Greene both lost sections of wooden fences. A panel of glass at Allsup-Perry Chevrolet blew out, with fragments scattered clear across the street.

Weather bureau officials have long stated that tornadoes may come from any direction at any season. May and June are the most common months in this part of the country, where most of the storms come out of the Southwest. But I feel we had a twister in September from the North.

Crop damages are still being totalled, but they were severe in parts of the county. However, the damage was not as extensive as had first been feared.

Mr. and Mrs. Amos Taylor are among the most avid fishermen in Cochran County . . . and they are always successful. They went to Lake Stamford last week. Earlier arrivals at the lake were bemoaning the lack of fish. "I would hate to be there when they are really biting," Mrs. Taylor said Tuesday. She and Amos returned with so many that their deep freeze is filled to overflowing. They had to activate on old one at their store to hold the rest. They brought back 89 channel cats. But the big ones were yellow cats. One weighed 17 pounds, another 28 and the largest was 35 pounds. And that's no fish story. They still have the big ones frozen if you'd like to see the evidence.

This is the first week of football for Texas schoolboy teams. Action is going to be furious with all area teams in action Friday night. Morton will play host to the Olton Mustangs, who have been tabbed as pre-season favorites in District 3-AA. However, the Indians have been having great workouts this fall and are rarin' to tackle the Ponies. Game time is 8 p.m.

To help kindle a little extra spirit for Morton, there will be a downtown pep rally on the courthouse square at 3:30 p.m. Thursday. Another pep rally will be held Friday at the school.

Other games for the weekend include: Whiteface at Roosevelt, Bula at Southland and Three Way at Sands. All the teams, except possibly Bula, should be stronger this year. Bula is hampered by a lack of personnel, but need to win only one game this year to better its 1966 record of 0-10. Officially, it was 1-9, due to a forfeit because of an ineligible player, but they lost all ten.

Ted Weaver of Muleshoe, a candidate for Jesse T. George's unexpired term as state representative, visited with the Tribune staff Tuesday morning. He's the only announced candidate so far, but there are rumors of a candidate from the Plains-Denver City area. Others probably will seek the office before the filing deadline.

Renovation and expansion work began Tuesday on the Cochran County courthouse. Air hammers and muscle-power were used to pull down the steps on the south side of the building. We expect there will be some inconvenience, but the benefits will be worth the both during the next few months.

Football prospects in Morton might be improving, according to a report we got Tuesday. Coaches Robert Taylor and Doug Reed were both astounded and delighted when they met with seventh grade football aspirants. Of the 45 boys in the class, 43 of them are trying for the grid squad. The other two are serving as managers for the team.

Both seventh and eighth grade teams will get an early test. They go to Olton Tuesday, Sept. 12, for games. The first contest begins at 5:30 p.m. The freshmen will play their first game at Muleshoe on Thursday, Sept. 14.

Mr. and Mrs. Bill Gray were among those who took advantage of the Labor Day holiday for a trip. They went to El Paso, then returned by way of Ruidoso. Bill said he enjoyed the bullfights more than anything else. Surprisingly, his wife also enjoyed them after she got over the shock of seeing the first bull killed.

Rock 'em, sock 'em, hit 'em again! Football players, both thick and thin struggle to put their teams ahead. And if you think I'll made predictions, You've got rocks in your head!

**REFRESHMENTS AFLOAT**  
 Ever get hungry in a boat? Then take along a few hard boiled eggs. They make a good mid-morning snack. Also, a small can of tomato juice will allay both hunger and thirst.

And, all the king's horses . . .

COULDN'T PUT THIS FENCE back together. Sunday night's cyclonic winds managed to lay Tip Windom's concrete block fence down in fairly straight lines. The damage

in Morton included up-rooted trees, twisted TV antennas, broken windows, not to mention crop damage throughout the county. (Staff Photo)

## Spirit accompanies grid lid-lifters

By ROY McQUEEN

ON THE SOUTH PLAINS, where football rules supreme, there's something almost hallowed about the air of excitement preceding the season lid-lifter. One enterprising coach suggested bot-

tling the spirit, selling it to schools and communities which are less fortunate. Should such industry be possible, the plant surely would be located among the rich grid traditions at Denver City.

Folks in the oil community know what

it is to follow a winning team. Other sports are often just considered a fill-in until autumn when King Football and spirit again arrive on the scene.

Because of Denver City's monopoly of the commodity through the years, the law of supply and demand has gone awry in other District 4-AA cities.

At times, Morton, because of its proximity to Denver City, has listened in sheer lust as the victory cries go up for Coach Don Orr and company. Another school familiar with the bridesmaid regalia is Slaton — for years seeing the need for the spirit, and yet not having the manpower to supply it.

Last season a strange turn of occurrences shook the league's foundations. Post, also a member of the Mustang wedding party the last 10 years, caught the bouquet and walked away with the conference title.

NUMEROUS CONFLICTING reports about district teams' strengths and weaknesses have drifted over the Plains since the start of two-day workouts nearly three weeks back.

Not really knowing what to believe, observers readily conceded it was time for the Mustangs again. Taking into consideration two newcomers in the district — Stanton and Midland Carver — it's apparently safer to wait until after Friday night's opening warfares to make any long-range predictions.

Coach Orr quickly denies one report that quoted him as saying the 1967 edition of the Ponies would be the best he'd ever coached. "We're going to have a tough time winning our own district," Orr retorted.

Morton and Slaton frequently have been mentioned as possible district contenders. lights, the twattering of the referee's whistle, the smack of leather against leather, the blast of the band, performances of the twirlers and cheerleaders, and the color, noise and confusion of a sport which Denver Citians feel they own.

Promoters of Texas tourism are missing a bet. They should advertise Daylight Saving Time, for it allows tourists an extra hour to find a motel with a vacancy. — Wick Fowler.

Well, vacation's over and the summer of 1967 is history. Isn't that a refreshing thought? At any rate, Morton schools got underway Tuesday much to the dismay of some Morton teens.

Each MHSer showed up Tuesday morning to find name tags on each assigned locker. The tags were the handwork of the cheerleaders; each tag bearing the slogan, "Beat Olton". The freshman tags were in the shape of green fish, the sophomores had blue circles, the juniors-yellow tepees, and the seniors with black mortarboards. Each football player had a football in his class color.

The name tags were just the beginning of a whole week stressing "Beat Olton" slogan. A pep rally will be held down town Thursday afternoon, and the regular Friday pep rally will be held in the gym Friday afternoon.

After last week's scrimmage with Coronado High School in Lubbock, the boys are expected to put the whomp to Olton in the home stadium Friday night. The team outplayed the Coronado B string by seven touchdowns — our team made eight touchdowns to Coronado's one.

Indian captains this year are all seniors: Lamell Abbe, Dick Vanlandingham, and Billy Smart.

Along with the opening of school comes early morning band rehearsals, of course. The organization has been meeting each morning at 8:00 in preparation for Friday night's game show.

Leading the band this year will be drum major Byron Willis, and twirlers Margaret Ledbetter, Dana Webb, Sharon Irwin, Karen Fred, and Beverly Browne.

After all their hard work, you can expect the band to put on a pretty good show. So everyone be sure and come out to the game and see Morton High outplay the Mustangs in band and football!

Around 40 or 50 kids enjoyed a social sponsored by the First Baptist Church last Saturday night. The group climbed on two hay-filled trailers and enjoyed riding around town, then out to the Kirk Dean Gin. The kids stopped at the gin to enjoy refreshments, then headed back toward town. The ride back was kind of rough, but everyone made it with enough energy left to sit around and sing accompanied by Susan Blackley's ukulele.

My students of the week this week are all the football players. To them I say, "Esto es—¡Vamonos!" In other words, "Sock it to 'em!"

## Three Way faces top season with new coach, 8 lettermen

A new coach is almost the only change in the Three Way football scene this year. Coach Lester Driver moved into the system from Wellman. He is a graduate of West Texas State.

And Driver was greeted by a squad of 15 players, eager to defend their district eight-man title. And eight of the players are lettermen, including three All-District players and one from the All-District second team.

Early workouts have resulted in some injuries, but the only one seriously hurt is Johnny Pruitt, a sophomore end who started last year. Pruitt suffered a back injury and may be out for most of the season.

"If we don't have any more injuries,

we'll be stronger this year," Driver said in an optimistic tone.

The Eagles won their district last year, then fell to Dawson's Dragons on Thanksgiving Day in bi-district action. The Eagles had a season mark of 6-4-1.

Roster for the Eagles includes: Allen Davis, freshman guard; Mike Lynskey, sophomore end; Shorty Hale, senior guard, three letters; Mike Roberts, sophomore guard, one letter; Charlie Abbe, junior center, two letters, All-District;

Perry Lynskey, senior guard, two letters; Lynn Kelley, senior end; Wendell Williams, junior end, two letters, All-District; Larry Crandell, sophomore back; Jackie Dupler, junior back, two letters; Johnny Furguson, freshman back; Bruce Pruitt, junior back, two letters, second team All-District; Monte Toombs, senior back, three letters, All-District and All-South Plains; Joe Partlow, freshman guard and end; and Larry Trevathan, freshman guard.

Schedule for the Three Way Eagles includes:

- Sept. 8 at Sands
- Sept. 15 at Dawson
- Sept. 22 Loop
- Sept. 29 Southland
- Oct. 6 Sterling City
- Oct. 13 at Flower Grove
- Oct. 20 Smyer (Homecoming)
- Oct. 27 Open Date
- Nov. 3 Cotton Center
- Nov. 10 at Bula
- Nov. 17 at Whitharral

## Thee-day trail ride held by Cochran 4-H

The Cochran County 4-H Saddle Club enjoyed a three day trail ride at the Palo Duro Canyon State Park on August 28, 29, and 30th. Members, parents and friends met at the park on Monday about noon and after getting settled rode for three hours along the creek bed going toward the main gate. They saw deer and other types of wild life. The deer were so tame they were seen coming up to camp sites begging for food. Monday night several attended the musical drama "Texas" by Paul Green.

On Tuesday the group rode on the regular horse trails and viewed many natural rock formations, such as the sad monkey, light houses and many caves. Tuesday afternoon the group enjoyed a tour through the college museum in Canyon.

Wednesday morning found the riders deep in the far end of the Canyon where nature was much more evident since there is no road and cars cannot drive in these parts. The group enjoyed the beautiful colors of the canyon walls and wild flowers and the colored rocks in the creek beds with cool rippling water flowing through, which supplied plenty of water for the horses.

Since no pens were available for the horses they were either put on a picket line, staked or hobbled. This led to a little confusion for some of the horses that had never been through this before and couldn't figure out just what was going on.

The only real excitement was a raccoon that helped himself to the Smith's bread and a reportedly two foot tall skunk that wandered around the Dewbre's and McClure's camp on Monday night.

Attending were: Mr. and Mrs. Bud Burnett and Sammy; Mr. and Mrs. Calvin Dawson, Jimmy, W. C., Jerry and Barbara; Mr. and Mrs. E. J. French Jr., Lynn and Nina; Mr. and Mrs. Dale Hill, Ricky, Ronnie, Kelly and Kurt; Mr. and Mrs. James Jones, Jimmy and Kenny; Mr. and Mrs. C. W. Palmer and David; Mr. and Mrs. Morton J. Smith, Morton, Emla and Mary; James and Bill McClure; Mr. and Mrs. James Dewbre, Mickie, Martie and Mike; Mr. and Mrs. J. F. Cooper Jr., Julie, Vickie, Brian and Butch Davis.

## for the Days AHEAD

Even now trees are being felled, cords of wood cut, in preparation for cold winter days which are sure to come. Woodcutters are preparing for the days ahead, to bring comfort against the cold.

To prepare for our future "cold days," periods of sadness, times of bereavement, and times when we are tempest tossed, begin now to attend church regularly and let God, His Church, and His people help you to meet any situation in life.

*"Blessed be God, even the Father of our Lord Jesus Christ, the father of mercies, and the God of all comfort; who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God." 2 Cor. 1:3, 4.*

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
