Guest speaker and teachers . . .

GEORGE HOBART NELSON, a lawyer from Lubbock, was guest speaker at the first annual teachers appreciation banquet in Morton Tuesday night. Co-sponsored by the Morton Lions Club and the Morton Area Chamber of Commerce, the event drew more than 230 people representing

businessmen and teachers from six area towns. Attending from Causey, N. M., were Mr. and Mrs. Jim Tillman. He is coach in the Causey schools. Master of ceremonies was Jim Middleton, principal of the Morton junior high school. (Staff Photo)

First teacher banquet draws 230

More than 230 teachers and businessmen attended the first annual teachers appreciation banquet co-sponsored by the Morton Lions Club and the Morton Area Chamber of Commerce.

The banquet, held in the Morton school cafeteria, honored the teachers from Bledsoe, Causey, N.M., Three Way, Whiteface and Morton. Master of ceremonies was Jim Middleton, principal of the Morton junior high school. Middleton and Morton Mayor, Jack Russell, both welcomed the teachers and recognized the individual schools. President of the First State Bank in Morton, Gene Benham, introduced the

guest speaker, Hohert G. Nelson, a former teacher, state senator, county attorney and district attorney. Nelson told the teachers what school was like, "back in his day." He commented that there was no compulsory attendance — you either went to school or you didn't.

"There was no organized play for the kids. About all there was to do was play a little summer ball and fight," he said. The school lunch program consisted mainly of 10-lb. lard buckets filled with sweet potatoes and biscuits with butter and syrup.

The audience received a laugh when Nelson talked about the health program when he was attending school. A few puzzled looks filled in the laughs when he mentioned biliousness as one of the main illnesses during his school years. (The dictionary defines biliousness as the suffering from or resulting from excess of bile or disordered functioning of the liver.)

The treatment of this disorder consisted mainly of large doses of castor oil. Nelson said school supplies were very simple: cedar pencils topped with a pointed eraser and a 100-sheet tablet of writing paper.

Brownfield banker announces for district representative

John J. Kendrick, a 48-year-old banker in Brownfield, has announced his candidacy for State Representative from District 10 to fill the vacancy caused by the resignation of Jesse T. George of Levelland. The 75th District includes Bailey, Hockley, Terry and Yoakum counties in the Southern High Plains area of Texas.

Kendrick is also President of the Terry County United Fund, a Director of the Plains State Bank of Plains, Texas, a National Council Member of the Boy Scouts of America. He has served as President

John J. Kendrick is President of Water, Inc., a newly organized non-profit corporation that is working to bring additional water supplies to West Texas, Eastern Mexico and Western Oklahoma. He is President of the South Plains Underground Water Conservation District No. 1, a political subdivision in the Terry, Brown and Gaines County areas. In making his decision to enter the race for Representative, Kendrick stated that he would resign from this job if elected. "Prior to qualifying for the new office, I will avoid conflict of interest but will continue to work for conservation of water resources."

Morton School Board faces yearly problem of free lunches again

The opening of school in Morton usually provides the Morton School Board with the start of their yearly problem: free lunches to students from needy families.

It was no exception this year as six families applied for the program during Monday night's board meeting. Fourteen children from six families were approved and eight from two families were denied.

The first applicant was a woman who has three children in school. She works as a field hand for about \$30 a week. She receives no social security, commodities or welfare. She rents a house, does not own a car or TV but owns a radio. She said her husband usually doesn't pay child support as he is supposed to.

The board approved the three children for 30 days. At that time the case will be reviewed.

The second applicant has six children in school and has a steady job working for a local business. The request was denied.

The third applicant has four children in school with a total of 11 in the family. He receives no commodities, welfare or social security. He makes about \$60 weekly when working as a farm laborer. He has a TV and car. The request was approved for 30 days only.

Five are in the family of the fourth applicant with three in school. The applicant, a widow, receives welfare payments of \$39 monthly and \$125 monthly social security. One boy is fed by a sister so free lunches were sought for two. The application was approved for 30 days and will then be reviewed.

The fifth applicant is unemployed and draws \$100 monthly in welfare in addition to county commodities. He receives no social security. They have a family of eight, two of whom are in school. They are buying a 1967 Dodge with payments of \$80 monthly. The two oldest children are still working part-time after working all summer. The request was denied.

The sixth applicant has five children in school. The husband is incarcerated by the state. The women will work during the broom corn harvest. She receives no commodities or social security but has

Morton plays highly favored Abernathy there on Friday

Abernathy will be highly favored over Morton when the Antelopes host the Indians Friday night. Game time is 8 p.m.

The Antelopes hold two wins this season, 50-6 over Frenship and 19-15 over Petersburg. Morton is still looking for its first victory, and its first points on the scoreboard.

Coach Don Williams has a versatile attack for the Abernathy offense, built around the running and passing of quarterback Burl Fuller. Scouting reports show that Abernathy has a pass play designed for its running plays, which puts a lot of pressure on the defense.

Probable starting line-up for Abernathy includes: Travis Leach, left end, senior, 170; Robert Kemp, left tackle, senior, 190; Johnny Lutrick, left guard, senior, 150; Gary Lovelace, right tackle, senior, 200; Clark Riley, right end, jun-

ior, 145; Sammy Stephens, right guard, junior, 160; Billy Bob Drace, center, senior 185;

Burl Fuller, quarterback, senior, 150; Billy Elkins, halfback, junior, 140; Darrell Selke, wingback, senior, 150; and James Byers, fullback, senior, 150.

The same boys usually man the defense for Abernathy. The Antelopes favor a basic 5-4 defense with good lateral pursuit to cut off the wide plays.

Morton mentor Fred Weaver reported that the Indians came out of Friday's contest with Friona in good physical shape. Sophomore guard Jerry Steed suffered a concussion late in the second period. He was taken to the hospital, examined and released. He was due another examination this week, but was expected to be ready for duty Friday night.

"We felt like our defense looked better this past week," Weaver commented. "But our offense didn't move the ball like we wanted them to."

Some changes are due to be made in the offense this week. Much will depend upon whether senior fullback Donnie Harvey is ready to go. He missed the first two games because of a knee injury and might not be ready for this week's encounter.

But Morton isn't the only team having its troubles this year. Whiteface lost its second of the year, falling 21-12 before Lubbock. Three Way lost to Dawson, 32-14, and Union blanked Bula, 46-0.

Bula suffered another blow when it was learned Saturday that senior tackle Dennis Newton, a 240-pounder, had broken an arm playing against Union. He will be out for the rest of the season.

Morton frosh tied Muleshoe last week in a scrimmage, as each team got one goal.

BULLETIN

A Cochran County jury Wednesday in the court of District Judge M. C. Ledbetter found Pasquel Cisneros guilty of murder without malice in the stabbing death of Jesu Rincones. Cisneros, who pleaded not guilty to a charge of murder with malice, can receive a term of 2-5 years in the penitentiary. The case was tried Tuesday with the verdict announced about noon Wednesday. The stabbing incident took place Oct. 2, 1966, about 24 miles southwest of Morton.

Annual chamber meet will be held Oct. 3

Annual meeting of the Morton Area Chamber of Commerce has been set for 8 p.m. Tuesday, Oct. 3. The meeting will be held in the County Activity Building.

Primary business will be the election of new directors. Also to be considered will be a proposed change in the by-laws. In their regular meeting Tuesday morning at Kate's Kitchen, directors voted to seek a by-laws change that would allow Chamber members to vote on directors by mail and combine the annual meeting with the yearly Chamber banquet.

Nominated to serve as directors of the Chamber were: Herman Bedwell, Mrs. James St. Clair, Inez Swicegood, Mrs. Luke Hargrove, Mrs. Rob Richards, Jerry Iley, Bob Robinson, Bill Gray, Ray Lanier, Ray Griffith, L. B. Childs, Vic Jackson and George Burkett.

Members will elect five directors to serve two-year terms on the board. The five receiving the highest number of votes will be elected. The next two highest will be named to fill one-year unexpired terms on the board.

Officers for 1968 will be elected from the board.

★ Membership

The Morton Athletic Booster Club is selling memberships to those people who are interested in the athletic program of the Morton school. The membership price of \$5 goes toward the filming of the football games. For more information see or call Spot King, 202 SW 6th or 266-3411.

Community Concert tickets still available in Morton

Memberships in the 1967-68 Community Concert Season may still be secured through September announced Mrs. Harley Bulls, Levelland, publicity director. The extension of the membership drive, which was to have ended last week, is due to the response the program has received in the Morton area.

Season tickets are priced at \$10 for adults, \$5 for students and \$25 for a complete family. These tickets allow the purchaser to attend concerts in Lubbock, Midland, Canyon, Hobbs, N.M., and Clovis, N.M., in addition to those held in Levelland.

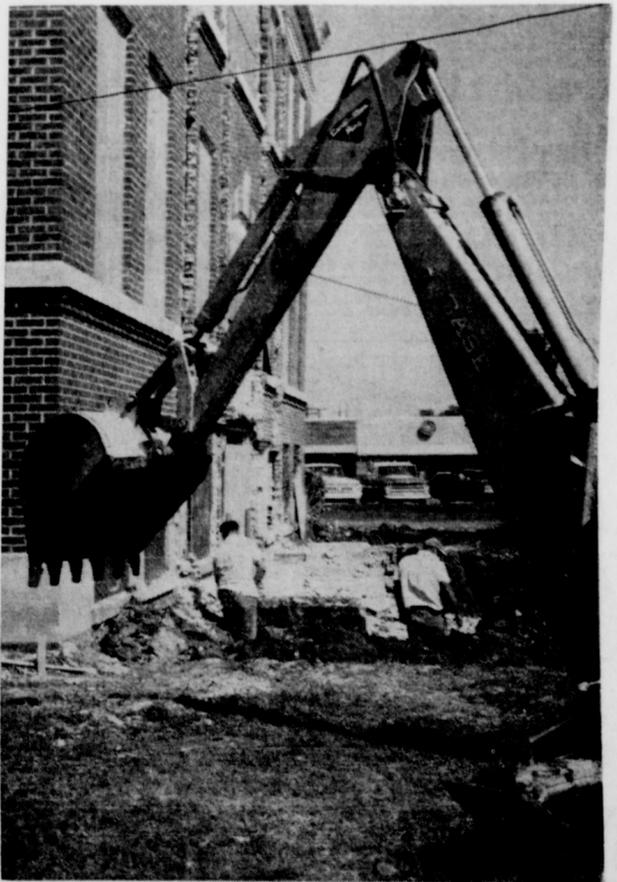

Helping with the membership sales are Mrs. C. H. Silvers, Mrs. Ruth McGee and Mrs. Roy Hickman, all of Morton, and Mrs. James Lattimore and Mrs. Monta

Moore of Levelland. The final count of members last Saturday was 732, compared with 445 for last year.

The officers, board of directors and all workers deeply appreciate the support given this effort by local and area patrons. The officers gave special tribute to Morton for their large contribution to the great success of this campaign.

In addition to the campaign drive, concert officers announced the selection of two artists to round out the concert season.

Concert attractions in addition to Fred Waring, appearing Dec. 13, will be a fine male quartet called the Serenaders in February, and the exciting Spanish pianist, Fernando Lairs, in early April.

Ground work continuing . . .

EXCAVATION WORK FOR THE south basement of the Cochran County courthouse addition is underway in Morton this week. The basement, which will only be about three-feet deep, will be the same depth as the old basement. Work on the courthouse has been slowed up this week because court has been in session and the noise was too much for the participants at times. Work is expected to resume at full speed within a week. Medical check . . .

JERRY STEED, a sophomore guard for the Indians, is checked by Dr. Evaldo Fernandez after being injured in the second quarter of the varsity game at Friona last week. Trainer Danny Wiseley also is visible. Steed received a concussion, but watched the second half from the bench after being checked at the Friona hospital. (Staff Photo)

Registration opens for PP&K contest

Registration opened this week for the annual Punt, Pass and Kick Contest, sponsored in Cochran County by Reynolds-Hamilton Ford.

The contest is open to boys from ages 8 through 13. Deadline for registering is Friday, Oct. 6. Competition will be held on the Morton High School football field at 9 a.m. Saturday, Oct. 7.

Boys who will become eight years of age by Jan. 7, 1968, are eligible. Boys who have not become 14 by Jan. 7, 1968, also are eligible.

Boys must be accompanied by a parent when they register.

In the 1966 contest, there were \$25,845 boys registered to participate.

Eighteen trophies, one to each of the top three boys in each of the six age groups, will be awarded locally. Local winners in the six age groups will compete in the Zone contests, which will result in 2,160 boys progressing to District competition. From there, 228 champions will move on to Area competitions held in the 16 National Football League cities. Winners then become eligible for the 96 NFL-

Area Events. Half of these boys will compete in San Francisco, Calif., on Dec. 16 with the other half meeting in Philadelphia, Pa., on Dec. 17.

The 12 division champions, accompanied by their parents, will go on a "Tour of Champions" to Washington, D.C., followed by a trip to the Orange Bowl in Miami, Fla. They will compete for the National Championships during halftime of the NFL Play-Off Bowl.

J. C. Reynolds explained that PP&K involves no body contact and that each boy competes only in his own age group. "There is absolutely no charge for entering and no special equipment is needed," he said.

Entrants will be judged on distance and accuracy of their punting, passing and kicking.

paper which featured a picture of Tom Mix on the front.

As a former teacher, Nelson predicted the possibility of pre-recorded, televised instruction whereby one teacher could easily teach 250 students.

He forecast the return of trade schools and the apprentice method of learning certain trades: law, plumbing, electrical work, and others.

As a former legislator he said he looked for the day when government will be taught in school on a practical, rather than a cold fact basis.

He closed by saying that the best teacher is still mama and papa and the best school is the home.

Entertainment for the program was presented by Mr. and Mrs. Harley Bulls and Mr. Wiley of the South Plains College music faculty.

Mr. and Mrs. Carl Ray left Lubbock by jet airliner Wednesday, Sept. 20. They were en route to Hawaii for a week-long, expense-aid vacation. They won the trip as the result of sales of Zenith television sets in competition with other dealers in the Panhandle and South Plains area.

Visitors in the L. W. House home over the weekend were Mr. and Mrs. Bob Gray of Amarillo and Mr. and Mrs. N. H. Carder and Nolan from Idalou.

Continuing contracts discussed by Texas State Teachers Assn.

Jim Middleton, Morton Junior High School principal, as president of the Cochran County Teacher's Assn., recently attended the Texas State Teacher's Assn. 8th annual local unit president's conference in San Antonio.

Many things pertinent to teachers and the profession were discussed, among them being professional consultation, continuing contract, proposed amendments to the TSTA constitution, and the educational service center regions realignment to become effective beginning with the 1968-69 school year.

Cochran County is now in district 13; under the new arrangement it will be in district 17 with there being 20 districts rather than the present 13.

Senate Bill No. 72 regarding professional consultation calls for the right of boards of trustees to "consult with teachers with respect to matters of educational policy and conditions of employment" as well as the right to adopt a set of rules, regulations, and agreements designed to provide for consultation.

House Bill No. 166 regarding continuing contracts calls for the employment of teachers by probationary or continuing contracts. Any teacher who has not been in the school system for at least three consecutive years prior to the effective date of the Act will be placed under probationary contract. After a probationary period of three years, a teacher may be placed on continuing contract.

If a teacher's probationary contract is not renewed by the board, that teacher can request cause and/or hearing concerning the termination of his employment.

After a three-year probationary period for the teacher, the board may choose to place the teacher under continuing contract. The teacher is notified of this in

writing and has 30 days to accept the contract in writing. If no letter is received by the board, it is considered to be a refusal of the contract.

Annual nomination is not necessary when the teacher is under continuing contract and he can not be removed from the school system unless he resigns or retires; is released because of necessary reduction of personnel; is discharged from lawful cause; or is dismissed at the end of the school year or returned to probationary status.

Lawful causes include immorality, conviction of a felony, drunkenness, failure to comply with school officials and policies repeatedly, physical or mental incapacity, repeated and continuing neglect of duties.

Dismissal or return to probationary contract status would be for any of the lawful causes plus willful failure to pay debts, habitual use of addictive drugs or hallucinogens; failure to meet the accepted standards of conduct.

The discharged teacher can contest the board's decision in writing within 10 days of notification of dismissal and can have

a public hearing if he wishes. The teacher is entitled to a copy of all evaluation reports or any other memorandum concerning him.

A teacher may relinquish his position at the end of the school year without penalty by written resignation up to the first day of August. Anyone who fails to comply shall be subject to involuntary employment by any other Texas school district during the following year and teaching certificate shall be suspended for one year.

Proposed amendments to the TSTA constitution for 1967 included classification of members, membership and fees, the executive committee, the house of delegates of the state association, provisions for alternates, district units, committees of the state association and miscellaneous provisions.

Young Tucker to lead First Baptist Revival

Young Tucker, an evangelist from Dallas, will lead a week-long revival at the First Baptist Church in Morton beginning Sept. 24. Phil Vogel, music and youth director of the local church, will be in charge of the music.

Services will be held twice daily. A morning service will be held at 10 a.m. and an evening service at 7:45 p.m. The Sunday morning service will be held at 11 a.m. and will be broadcast over KRAN.

Rev. Tucker is a graduate of Howard Payne College and the Southwestern Baptist Theological Seminary. He has been an associate pastor at First Baptist in Vernon and Lubbock. He has been pastor at First Baptist in Wichita Falls and Kermit and at Exchange Ave. Baptist in Oklahoma City, Okla.

Rev. Tucker served as executive board member of the Texas Baptist Convention; trustee of Howard Payne College and Hobbs Baptist College; District Royal Ambassador Leader; camp leader; advisory board of the Oklahoma Baptist Convention; and board member of his district in Texas as well as in the Oklahoma County Association.

Rev. Fred Thomas, pastor of the Morton church, said a special welcome is extended to Cochran County residents to attend the revival.

Cpl. Terry A. Hans finishes Drill School

Cpl. Terry A. Hans, son of Mr. and Mrs. Elwood Harris of Morton, finished Drill Corporal School recently at Ft. Ord, Calif. The school lasts four weeks and is something new at Ft. Ord in being the third class of this type to be trained. Terry received a notice that he finished first out of the class of 46 in the General Subjects portion, consisting of bayonet, hand to hand combat, first aid, military justice and guard duty. On the final overall written test he scored the highest in his class, receiving a 98.

Cpl. Hans was told he would be stationed at Ft. Ord for 12 to 14 months. He will be an instructor in basic combat training. Terry's friends may write to him at the following address:

applied for welfare payments of \$125 monthly. The five children were approved for 30 days.

In other business the school board approved the hiring of John Stockdale as band director on a motion by L. T. Lemons, seconded by Don Hofman.

Superintendent Ray Lanier discussed with the board the annual conference of the Texas Assn. of School Administrators and Texas Assn. of School Boards that will be held in Austin Sunday and Monday. Don Hofman was the only one at the time that indicated he could attend. Other members were to indicate definitely this week.

Attending the meeting were Lanier, Hofman, Lemons, Van Greene, Kenneth Thompson, Francis Shifflett, Henry Williams and tax assessor-collector Dub Hodges. Absent was board member Weldon Newsom.

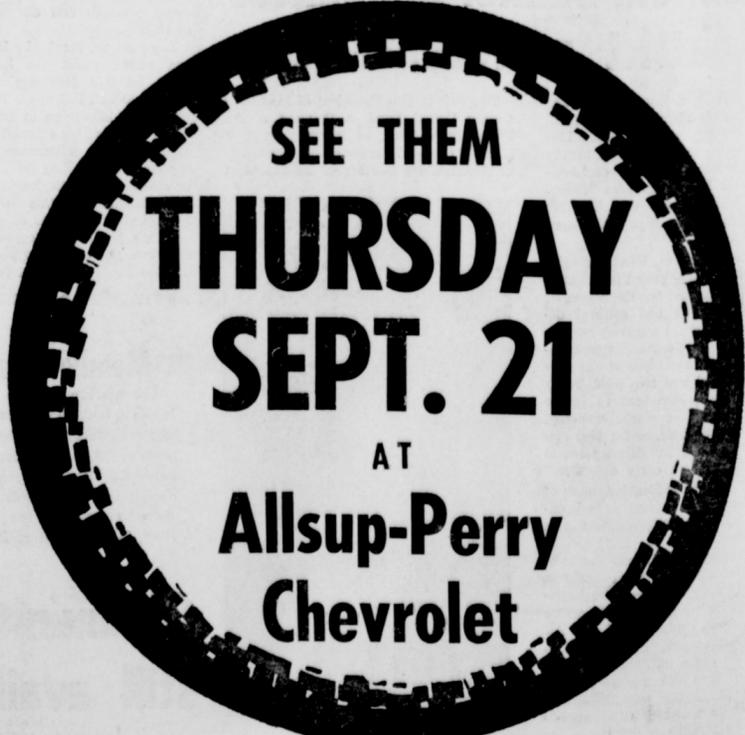

Mr. and Mrs. Ronald Smart and Ronette of Lubbock visited in the home of Mr. and Mrs. Don Smart over the weekend.

The telescope by luck

I've been looking for seagulls ever since it was first reported that Hurricane Buelah was heading toward the Texas coast. Several years ago a seagull that apparently didn't like water used to spend the summer with my parents in Dumas. He came uninvited and announced only by his raucous cries from the top of a tall cottonwood. Tattletale white in color and rather untidy in his personal habits, he would stay for several weeks. His departure would be always followed in a few days by a bad summer storm. Then he would return again to his customary perch. At summer's end, he would leave . . . presumably going back to the warm beaches of south Texas for the winter.

Despite some devoted hunters, the dove population remains high around Cochran County this year. However, we haven't seen any ducks, geese or sandhill cranes in the vicinity of the wildlife refuge between here and Muleshoe. The migrant birds might not stay too long this year, since there is almost no water in the lakes at the refuge.

I still cringe inside each time the refuge is mentioned. Shortly after we had moved to Morton, my wife's clan gathered here for Sunday dinner. We decided to show them around and thought the bird sanctuary would be most impressive. In three cars, we drove out to see all the birds. There weren't any! One car managed to spot a lonely meadowlark. The others saw absolutely nothing. Our visit to the bird refuge has gotten to be a family joke and nothing I can say will convince them that there are thousands of birds clouding the sky covering the lakes . . . if you are there are the proper season.

A redesigned offense has been installed this week as the Morton Indians prepare for a tough game Friday night at Abernathy. Fullback Donnie Harvey started running Tuesday and hopes to see action Friday. But LaMell Abbe, a fine senior end, re-injured his shoulder Tuesday in practice and likely will be out for the season. Abbe was hurt before the first game. He played last week against Friema.

Morton's seventh and eighth grade teams played at Muleshoe Tuesday. The seventh grade lost 36-6, but coaches Doug Reed and Robert Taylor got all 44 boys into the game and said they were satisfied with the team's first outing of the season. The outmanned eighth grade, with only 16 players, lost 35-0.

Boys who have been wondering about the Pant, Pass and Kick contest, need wonder no longer. They can register from now through Friday, Oct. 6, at Reynolds-Hamilton Ford. The contest will be held at 9 a.m. Saturday, Oct. 7, at the Morton High field. Trophies will be given the first three places in each of the six age groups.

Religious activities upcoming include a

revival at the First Baptist Church in Morton from Sept. 24 through Oct. 1. Dedication of the Hicks Chapel Baptist Church is slated for 2 p.m. Sunday, Sept. 24. Rev. Jerrell Gaddy, first pastor of the church, will be the dedicatory speaker.

A field day and barbecue was held Wednesday, Sept. 20, by Dow Chemical Company. The tour included inspection of fields treated for nematode control with Fumazone 86. Co-sponsors included Red Barn Chemical, Morton Spraying and Fertilizing and G&C Gin.

Since it first opened, I've been trying to promote a trip to the Astrodome. Now, I may have found another reason to go . . . strictly because of the kids, you know. Roy Hofheinz, who runs the dome, has announced construction is underway for an elaborate family entertainment center adjoining the Astrodome. It will be similar to Disneyland and Six Flags. Prime feature will be air conditioning for all buildings, waiting areas, picnic umbrellas and many of the rides. Well do I recall the visit we made to Six Flags, when the temperature bounced up to 104.

This is New Car Week in Morton. The new Chevrolets will be shown Thursday by Allsup-Perry. Also showing on Thursday will be the 1968 Oldsmobiles, on display at Hawkins Oldsmobile. Friday, the Fords will be unveiled at Reynolds-Hamilton. Be sure to go by, enjoy the free coffee, doughnuts and the many features that have been incorporated into the new models.

One of the new features that will be seen is shoulder harness, which will be required equipment after Jan. 1. Brother George's Volvo has a combination seat belt-shoulder harness, which needs only one latch. However, at least one of the American cars utilizes four straps, with conventional seat belt arrangement and the same type straps and buckles for the shoulder harness. It is our feeling that the American car manufacturers mount-

Circus Days theme for TOPS meeting Sept. 13

The topic of the hour was centered around Vaudeville or circus days as the Lighter Later TOPS Club met Sept. 13 for a luncheon in the dining room of the Wig-Wam.

Stuffed animals were decorations and felt animals were place cards. The menu was a low calorie plate and enjoyed by 18 members and one visitor, Joan Watts.

The leader, Mildred Oden, had charge of the regular business session following the luncheon. A loss of 11 1/4 lbs was recorded for the week. Maxine Yeary was Queen of the Week by losing 5 1/2 lbs. The Queen for the last six weeks contest was Rita Thomas.

An area TOPS Rally will be held in Lubbock Sept. 30 and all are invited to attend.

Pat Clayton was in charge of the program and with the help of Ruby Davis and Maxine Yeary put on a lovely puppet show.

Officers for Morton FFA are announced

The 1967-68 officers of the Morton F.F.A. are as follows: Alvin Gladden, president; Ricky Nesbitt, vice president; Greg Meeks, secretary; Danny Barker, treasurer; Ronny Reeder, reporter; Gary Sullivan, sentinel.

The voting delegates for this year will be Dale Greer and Mickey Patterson.

ed the shoulder straps too high on the post to be completely effective. We would also favor a single-buckle arrangement for easier locking and unlocking. The two-buckle design is going to keep a lot of folks from using shoulder straps.

New cars glisten at the dealers. As salesman put out feelers. For early trades. And I again must learn to identify models. By shape of hood, bumper or fin.

Reginald Self in Air Force training

Airman Reginald Self, son of Mr. and Mrs. Ira W. Self, of Lockney and former residents of Morton, has been selected for technical training at Sheppard AFB, Texas as a U.S. Air Force maintenance specialist.

The airman recently completed basic training at Lackland AFB, Tex. His new school is part of the Air training Command which conducts hundreds of specialized courses to provide technically trained personnel for the nation's aerospace force.

Airman Self, is a graduate of Morton High School, and attended South Plains College, in Levelland.

Mr. and Mrs. W. L. Foust have just returned from Lincoln, Neb., where they had been helping their daughter and family move. Mr. and Mrs. Hillard and family will live in Lincoln while he attends Orthodontists school.

Exhibit night highlights 4-H Club Week on Oct. 3

By JENNIE BORLAND

A 4-H Fair-Exhibit Night will be the highlight of National 4-H Club Week, September 30-October 7. The Fair will be held on October 3. Each 4-Her is encouraged to set up an exhibit of their projects or projects. Ribbons and special recognition will be given for best exhibits. Also at the 4-H Fair-Exhibit Night, each Club will present skits or other special entertainment. All boys and girls in the county and their parents are invited to attend and help 4-Hers celebrate National 4-H Club Week.

Enrollment for livestock projects has begun. All 4-Hers and other boys and girls who would like to raise an animal-calf, swine or sheep-to show at the County Stock Show should sign a livestock project card at their next 4-H meeting or in our office.

Christy Cade is the featured 4-Her this week. Christy is the daughter of Mr. and Mrs. A. E. Cade, Route 1. She attends school at Whiteface and is an active member of the Morton 4-H club. Her projects include livestock, food and nutrition and clothing. She is eleven years old and has been in club work for three years.

Christy says, "I chose foods as a project because I like to cook and because I like to help in the kitchen. Through the knowledge I have gained in this group, it will help me to become a better cook

and help me to know good nutrition." One of the awards Christy is proudest of is a first place ribbon won at district elimination contests. She and Treva Lemmon worked up a demonstration on vegetable preparation and used called "Vegetables A to Z."

Christy has received many blue ribbons on her entries in the county food show and dress revue. Concerning her 4-H work, Christy says, "4-H has meant much to me and my family. I like to compete against others in my community and district. In this way I have made many friends. My family feels that 4-H helps us to learn how to help in our homes and community too. We learn by doing."

Christy's leaders have been her parents and older sister Marilyn who is also an active 4-H member.

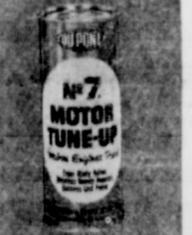

Casey grad in AF

Airman Clifton T. Wyatt Jr., grandson of Mr. and Mrs. Clyde J. Howell of Lubbock, N.M., has been assigned to Eglin AFB, Fla., for training and duty as a U.S. Air Force communications specialist.

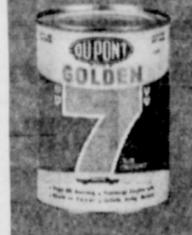

The airman recently completed basic training at Amarillo AFB, Tex. He becomes a member of the Tactical Air Command.

Airman Wyatt is a 1967 graduate of Casey (N.M.) High School.

New car dealers show their wares Thursday and Friday

New car fever is sprouting in Morton with the coming showings of the 1968 models. Chevrolet and Oldsmobile will show in Morton Thursday while Ford will show on Friday.

Styling changes are apparent in some degree in all models. Some, such as the Falcon have undergone little change while Corvette will feature looks reminiscent of the experimental Mako Shark.

Topping the Chevrolet line at Allsup-Perry will be the regular Chevy. It will have styling changes of increased length, new front end and rear end styling.

Overall, a total of 41 new Chevrolet, Chevelle, Camaro, Chevy II, Corvair and Corvette models will be placed on sale Thursday. Allsup-Perry will show two models.

Corvette has its outstanding feature a unique "semi-convertible" sport coupe which has removable roof panels and rear windows. The roof frame is a roll bar extending the width of the car and behind the seats.

Chevilles have all new interiors and have one-inch longer wheel bases in the sedan and station wagon models. The coupes and convertibles have a 112-inch wheelbase but are slightly shorter than last year.

Camaro, Chevrolet's entry into the "sports car" field, is virtually unchanged, following its one-year stint on the market. Most of the styling changes appear in wheel covers, instruments, tail lamps, and some interior re-styling.

Chevy II, which has been on market since 1962, receives its first major body change. It is longer, wider and lower and comes in two- and four-door models. A new V-shape grille with strong horizontal lines and special side molding set off the changes.

Corvair, a nine-year veteran, has eliminated its four-door models. Engines range from a six-cylinder 95-horsepower to an optional four-carb 140-horse model.

Light monitoring and power door lock systems plus added availability of popular stereo tape players highlight a host of more than 400 options and accessories offered on 1968 Chevrolet cars. The light monitoring system tells the driver at a glance if important front and rear lights and signals are working. This system is offered on Chevrolets, Chevilles and Camaros and one with indicators mounted on a console is standard on Corvettes.

The power door lock system, for all regular Chevrolets, allows the driver or front seat passenger to lock all doors simultaneously by a master control lever. Vacuum power is furnished from the manifold.

Oldsmobile features a new power train concept for all 1968 models that are reported to give the owner additional benefits in mid-range performance, fuel economy, quietness of operation and durability.

The Cutlass Series "S" Coupes, two-door coupes, are aimed particularly at the growing youth market. This series has

youthful styling, agility in performance, and may be customized with the use of any one of 12 engine-transmission combinations.

Deluxe interior trim and special exterior ornamentation are standard, while dual exhausts, a wood grained steering wheel and rally type handling components are among the new car's options. Bucket seats, standard on the convertible, are optional on the closed coupes.

The top of the F-85 line is the 4-4-2. One extra-cost feature which may be added is the ram-air performance option with special high output camshaft, heat treated valve springs, and a special ratio. Boldly designed carburetor air intake scoops for this option are located below the front bumper.

In addition to the coupes, all other Cutlass Supreme, Cutlass, and F-85 models are completely restyled for 1968.

Styling changes have increased the interior room in the Vista Cruiser. Optional for the first time on the Vista Cruiser is a 400 cubic inch engine.

Delmont and Delta 88's, the Delta Custom, the 98's and the Toronado have undergone substantial restyling, front and rear, including new grilles, new side moldings, and revised rear end treatment.

The Toronado, an outstanding front wheel drive automobile, has an engine option including a co-air induction system with a high-speed camshaft. In addition, a new simplified ring and pinion drive axle with higher torque capacity replaces the more complex 1967 planetary unit.

Ford, which scooped the market when it introduced the Mustang, is hoping to make it number two with the introduction of the new Torino. The Torino is basically Mustang styling in a larger car. Two models are offered: convertible and fast-back. Engines include four models from 210-hp to 427 hp.

The Mustang holds the same styling theme it has had since its introduction. This year the grille is more deeply recessed as in those Mustangs modified by Carroll Shelby. The standard engine is the

115-hp six cylinder with options running to 427.

The '68 Falcons remain basically the same with some evidence of sheet metal changes along the side to give the illusion of length. A split grille and a slotted bumper, the latter common to all Fords, add to the change.

The Fairlane, Ford's intermediate car, has been completely restyled gaining four inches in length despite keep the same wheelbase of 116-in. To make it appear sportier, Fairlane has a peaked fenderline and shorter deck.

Ford's luxury cars, the SL and LTD, now feature disappearing, horizontally-mounted headlights. The LTD also offers split-bench front seats in hardtop models.

Thunderbird comes out with an interesting reversal of a trend they started in 1958 — bucket seats. Bench seats with a "drop leaf" are standard equipment, while bucket seats are now optional. Thunderbird features the new 429 cu. in. 360 hp V-8 as an option to the standard 315-hp, 390V-8.

**Dramatic!
Distinctive!
Daringly new!**

'68s Top Secrets are here 1968 Chevrolets

The 1968 Chevrolets are the very essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof lines compatible with body lines, grilles and bumpers that blend gracefully into long, rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

A MORE SILENT RIDE
And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated computers have been used to strategically place body mounts and successfully isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. A sound car is a silent car. The '68 Chevrolets are the most silent, highest quality cars we've ever built.

BETTER PERFORMANCE
There are new engines, a bigger standard Six and V8. There's a new

250-hp V8 you can order that runs on regular fuel. Many new engine components increase dependability and keep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

UNIQUE ASTRO VENTILATION
There's a whole new idea in ventilation, called Astro Ventilation, for Camaro, Corvette and the elegant Caprice Coupe. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way, you can leave your windows rolled up and add still more to your peace and quiet.

PROVED SAFETY FEATURES
You get the proved GM-developed energy absorbing steering column, folding front seat back latches, dual

master cylinder brake system with warning light, plus many more new features. Among them: energy absorbing front seat backs, and safety armrests that shield the door handles.

MUCH MORE THAT'S NEW
There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly designed and all controls within easy reach. There are new interiors, new vinyls, new fabrics, new colors. There are models with Hide-A-Way windshield wipers and headlights that disappear behind grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the car.

These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling and library-quiet ride and, more than anything, seeing and feeling the even greater quality built into every new Chevrolet for 1968.

Be smart! Be sure! Buy now at your Chevrolet dealer's.

There's more quality and value built into Chevrolets than ever before, making every new 1968 model an even better buy!

Cochran County Cancer Society holds meeting

Cochran County Unit of the American Cancer Society met September 19 at the Wigwam Cafe for a luncheon meeting. John L. McGee presided over the meeting. She reported that each committee member would be responsible for one project during the year.

McGee introduced Mr. Dale Bryley of the District, who presented the luncheon with a certificate of authorization pointing out that not all counties were doing this because of lack of fulfillment projects set forth.

Bryley commended the group on number in attendance, stating that they had the best representation of other local unit he had visited.

Bryley set forth the importance of the department doing their job to the order to help educate the public. Statistics show that one out of four people will have cancer.

Cochran County raised \$1,366 during the fall crusade. This was a record for the county and above the state average. The different chairmen reported on work their committee had been doing.

Mrs. Elwood Harris reported that memorial contributions to the Cancer Society could be made through her at the First State Bank. These contributions can be made at anytime for local or non-local memorials.

The next meeting will be October 17 at the Wigwam Cafe.

County convention will be held Sept. 27

Agricultural Stabilization and Conservation county convention will be held at the ASC office in the County Activity Building at 10 a.m. Sept. 27 announced H. H. Hall, ASC office manager.

Hall urged all farmers to be present for the meeting. He also announced that ACP funds are available for cost-sharing to establish a winter peas cover crop to prevent soil erosion. You must sign a pre-arranged plan approved by the county committee before you do the practice, if you want to receive ACP funds for doing the practice.

Change in grazing diverted areas has been made under the annual program for 1967. This allows grazing of diverted acres through Oct. 1.

It was said that soybeans on diverted acres should be incorporated into the soil by Oct. 20. The Dept. of Agriculture has adopted regulations for jute bagging and baling cotton to wrap 1967 and subsequent crops as a condition of eligibility for commodity credit corporation price support loans, at the request of the cotton growers. All ginners and bagging suppliers have been informed of the CCC specifications for jute bagging and bale ties. The farmers responsibility to insure that any cotton he has ginned at the time is not pledged to CCC for price support loans, at the request of the cotton ginners and/or ties except for the baling of crop cotton identified with bale exemption tags.

Restless Ones shows Sept. 21-23

The film entitled "The Restless Ones" will be shown in the Rose Theater Sept. 21-23. Two showings each on Thursday and Friday. Four showings will be held on Saturday. The time is 6:30 and 8:45 p.m. all days with additional shows on Saturday.

Defense troubles the Whiteface Antelopes

"We thought we would have trouble with our offense, but it's our defense that has us worried now." These were the comments of coach Dale Read after his Whiteface Antelopes went down to their second straight defeat Friday night. Laz-buddie hit for six points in the first period and 15 in the second. They held on as Whiteface managed six pointers in the second and fourth stanzas.

The Antelopes start district play against New Home at 8 p.m. Friday.

Mike Teer drew special plaudits from Read for his pass receptions last week. One of his catches was a 34-yard TD pass from quarterback Dale Burris. The other score was a 10-yard run by fullback Ricky Swinney, who hit off tackle.

Defensive standouts for the Antelopes included Wayne Legan and Louis Alaniz.

Morton picked over Abernathy

By ROY McQUEEN

The Morton (Tex.) Tribune, Thursday, Sept. 21, 1967

Page 7

District 4-AA was expanded to seven teams this season but it's too early — by about one week — to determine just how acute the growing pains really are.

The addition of Midland Carver to the conference results in district competition starting a week earlier than last season. The dilemma, simply stated, is that league mentors must smooth out all the kinks in Friday night's non-conference tilts.

Adjudging from the league's performance last week-end, the kinks are plentiful, and all 4-AA teams except Stanton face conference tilts next week.

The showing by 4-AA members last week — poor to say the least — was an abrupt reversal from the opening performances. The only triumph was posted by Slaton who glided past Idalou, 25-0.

SLATON REMAINS the only undefeated team in the district. The Tiger defense has been the real surprise for Coach Ernie Davis this year, not having been scored upon in two outings. The Slaton offensive unit has gained its share of glory with 44 points in two tilts.

Last week, League opponents racked up a whopping 214 points compared to 60 for 4-AA members. Midland Carver bowed to powerful Dunbar, 41-0, and top-ranked Seagraves annihilated the Frenship Tigers, 60-8.

Post, the defending champion, lost its second game of the season to the Lockney Longhorns, 35-13. Stanton, who owns a 1-1 won-loss ledger, bowed to Iraan, 27-8. Arch-rival Seminole scalped the Denver City Mustangs, 25-6, and Morton bowed for the second time to a 3-AA team, Friona, by 26-0.

The Mustangs, picked to win the 4-AA crown, had trouble holding on to the pigskin as the Pony ledger was balanced at 1-1. However, Denver City did show some offensive might in chalking up 223 yards on the ground.

INJURY-RIDDEN MORTON (0-2) has failed to cross the goal line this year. The absence of veteran fullback Donnie Harvey (175) has been felt by the Indian attack.

Harvey reported back for workouts this week and "should see some action Friday night," according to Morton Head Coach Fred Weaver.

"We feel like our defense did a creditable job against Friona," Weaver said. "We're going to have to whip our offense

into shape now to take some of the burden off the defense."

Morton, picked as a title contender this year, still can't be counted out of the race once Harvey is back in action. In addition, junior halfback Charles Joyce has been showing improvement each game. Also those sophomores in the line are picking up valuable experience.

This week's 4-AA opponents had a 3-7 effort last Friday. Posts hosts winless Floydada who bowed to Class AAA Tulia, 48-0. Stanton goes against powerful Seagraves while Morton faces Abernathy (2-0) who defeated Petersburg, 19-15.

DENVER CITY HOPES to get back on the winning side of the ledger against Levelland (0-2) who bowed last week to Canyon, 19-18. Slaton tackles Crosbyton (1-1) who lost to Tahoka, 26-14.

Midland Carver (1-1) hosts Terrell Burnett Saturday night who nipped Palestine, 21-20. Frenship looks for its first win against New Deal (2-0) who crushed Anton 12-7.

Should have knocked on wood last week when bragging about the 100 per cent pre-

dictions. The attempt last week was four of seven for a season average of .785. So here goes a try to work out some kinks ourself.

MORTON 14, Abernathy 7 — The Indians have a better team than has been exhibited. They are due and it could come this week.

Floydada 12, POST 6 — Just the home folks are interested since it's apparently the battle of two have nots.

DENVER CITY 21, Levelland 6 — Denver City will make up for lost time against the hapless Lobos who are having a difficult time re-building.

SLATON 19, Crosbyton 6 — The Tigers will continue to roll on despite meeting the toughest competition thus far in the season.

Seagraves 38, STANTON 12 — The Eagles have too much power for the Buffaloes.

New Deal 28, FRENSHIP 6 — Ho Hum. Terrell Burnett 28, MIDLAND CARVER 19 (Sat.) — Injuries will keep Coach Johnny Williams' Hornets from playing up to potential.

Modern Mothers have regular club meeting

Modern Mothers Home Demonstration Club met Thursday, Sept. 14, 1967, at 7:30 p.m. in the home of Mrs. Carl Zuber for their first meeting since summer vacation.

Members present were Mrs. Carl W. Zuber, Mrs. J. A. Woolley, and Mrs. Donald Baker. Members absent were Mrs. J. Zuber and Mrs. Arnold Lamb.

The program was "Sewing the new Fashion" and was presented by Mrs. Carl Zuber. She told of several sewing tips and showed how to make a reversible material, bonded lace, and a new reversible material.

After the program refreshments of punch and cookies were served.

The next meeting will be held October 11, in the home of Mrs. J. A. Woolley.

The Whiteface Antelopes lost their second game of the season to Lazbuddie Friday night 21 to 12. Quarterback Troy Steinbock scored two times himself, pacing the Lazbuddie Longhorns to a hard-fought 21-12 win. The Longhorns took a first quarter lead and never lost it during the game. Frank Hinkson and Derrell Matthew also scored for Lazbuddie. Mike Teer and Ricky Swinney each scored a touchdown for Whiteface.

A new swimming pool for Girlstown, U.S.A., was dedicated to the memory of Jane Gibson Phillips at 2 p.m. Saturday Sept. 16. The Jane Phillips Sorority is a charitable sorority founded in 1937 by the employees of Phillips Petroleum Co.

The Whiteface Lions Club met Sept. 18 at the Whiteface School Cafe.

Mr. and Mrs. George Martin have been in Temple, Texas this past week for Mrs. Martin to go through the clinic there.

Mr. and Mrs. Jerry Worley and Manda Rush were weekend visitors in Whiteface. Linda and Jerry visited with both their parents and Manda, who was a 1967 graduate, visited out at Girlstown.

Mr. R. V. Hudgens fell again the last of the week and fractured his leg right below the knee on the same side where he had recently broken his hip in three places.

J. D. Martin was in the hospital in Levelland for several days last week as the result of a fall on his bicycle.

Mr. and Mrs. B. C. Cooner of Olton, visited in the home of their sister-in-law, Dessie Bowden, Sunday.

Mrs. Willie Peters is home from a vacation trip to California. She spent several weeks with five of her sisters and one of them, Mrs. Betty Peters of Turlock, Calif. came back home with her to visit for a few weeks.

Mr. and Mrs. E. C. White left over the weekend to visit with their daughter Linda and her husband in Dallas.

Electricity has shortened our life expectancy. Power from the BAILEY COUNTY ELECTRIC COOPERATIVE automatically awakens us with light early in the morning and doesn't let us go back to sleep until far into the night. As a result we are up longer eat more and get fatter faster. We know cooperative service is something to crow about but do they have to do it day and night? The BAILEY COUNTY ELECTRIC COOPERATIVE is fine for people but if it were left up to us, there wouldn't be a kilowatt to cook with. So we are bringing our case to you. We get no sympathy from our mother, the brooder. She's electric also.

MORTON, TEXAS, THURSDAY, SEPTEMBER 21, 1967

Are we symbolically desecrating our Flag?

Let someone tear up an American flag and great cries of anguish arise. Indignation flares and demands are made that "something needs to be done".

But disrespect hardly less appalling occurs every week and no one says anything about it.

Particularly at football games, the contest is always preceded by the raising of the American flag and the playing of "The Star Spangled Banner". And what happens during this moment or respect for the symbols of our country. Well, almost everything.

Late arrivals continue to make their way through the gate. Cries of, "Program! Get your programs here!" echo around the stadium. Greetings, conversations and jokes continue almost without pause. Men's hats remain firmly atop their heads, women take a last peek at a mirror.

If someone were to tear the American flag from its pole and spit on it, the offender likely would be lynched from the goalpost crossbar. But those who continue to talk, to move toward their seats, the men who fail to remove their hats . . . all these are disrespectful.

The rules are simple. Outdoors, when the flag is raised and/or the Star Spangled Banner is played, you stand. If the flag is visible, you face it. If not, you face toward the music. Men remove their hats with their right hand and place them over their left breast. Women do not uncover. Those in uniform — Boy Scouts, American Legion, servicemen, police — leave their hats on and salute.

It is perfectly appropriate to sing the words as the band plays the National Anthem.

The pause during the raising of the colors and the playing of the National Anthem is done to pay tribute and respect to this country. But if respect is not forthcoming, the oft-repeated event becomes a travesty and a mockery of the entire moment.

Millions who didn't riot

Bad as the riots were this past "long hot summer," it might be worth noting that during the past three months approximately 21,800,000 Negroes in the United States (out of 22 million) did not throw Molotov cocktails, overturn any automobiles, smash store windows and loot, set fire to anything abuse anyone, refer to fellow Americans as "whitey" or "honky" or otherwise rampage or riot.

And during the same "long hot summer" it might also be worthy of note that approximately 172,960,000 U. S. Whites (out of 173,000,000) didn't join the Ku Klux Klan, the Nazis, throw rocks, shout "nigger" or otherwise insult or interfere with their Negro fellow Americans.

Also during the "long hot summer" American boys, white and colored, have fought, eaten, slept and died side by side in the rice paddies and jungles of Vietnam.

The riots of the past summer have been a great blight upon our land. They were senseless and inexcusable. The perpetrators of them should be . . . in fact must be . . . treated as common criminals which they are.

But tragic as these riots have been, we must not compound this evil with generalities . . . placing all Negroes in the same category as the rioters. Nor should Negroes be guilty of the same in lumping all whites together with the Nazis, Ku Kluxers, red necks, fanatics and others of that ilk.

We like to believe that there are at least 21,800,000 Negroes and 172,960,000 whites in this nation who want to work out our problems in an atmosphere of reasonableness and good will.

I think Harold E. Stassen said it best in these words: "Whoever kindles the flames of intolerance in America is lighting a fire underneath his own home."

Six years enough for governor

Gov. John Connally, home from his African big game hunting trip for TV, is reported planning to check over the state to see if folks want him to run for a fourth term as governor.

The Dispatch doesn't, for the simple reason that it is not in the best interests of the state to have a man get a stranglehold on the governor's office.

This newspaper has supported Governor Connally for his first three terms. We have liked his gumption in running on a platform to improve the higher education system of Texas, although the increased tax angle of such a program can never be very popular. In our opinion, he has been a good governor.

But we have the feeling that if John can't do his best for Texas in six years—and still needs more time to accomplish his program — then he is not the man for the job.

It is no political secret anywhere that the longer a man serves in office, the harder he is to dislodge.

We think six years is enough for anybody to run the show in Austin.

We think Texas will be better served by cutting the Connally tow lines from the Longhorn ship of state and letting it sail free again. There is something mighty dangerous to the people when it's time to go and a leader can't turn loose.

When it is hard to walk from the seat of power, then somebody must give a shove. Governor John must be encouraged to step aside and make a graceful exit.

This is not saying that The Dispatch already has its 1968 gubernatorial candidate in mind. Lt. Gov. Preston Smith longs for the assignment and has served in the lesser seats of power for a long apprenticeship.

But we will wait to see what constructive program he proposes for Texas and what other candidates may step forward with programs before making up our minds.

We do not subscribe, however, to the proposition that Texas should keep Governor Connally until a proven better man comes along. John has had six years as governor.

And that is enough.

AUSTIN HIGHLIGHTS, SIDELIGHTS

John Si or No? Who knows?

AUSTIN, Tex. — Indecision still prevails.

Nobody knows for sure whether Gov. John Connally plans to run for an unprecedented fourth term. But Capitol corridors echo with the sound of guesses and counter-guesses, predictions, arguments and wagers about it.

In any event, the decision may come earlier than the Governor indicated. Close advisers say a decision may be announced soon.

Some observers think an early decision would be a decision to step down. Announcement would be made early so that potential candidates waiting in the wings would know which way to jump. For instance, Speaker Ben Barnes, a Connally protege, is expected to run for governor if Connally retires. Otherwise, Barnes would run for lieutenant governor.

SO FAR, LT. GOV. Preston Smith is the

only announced candidate for the Democratic nomination for governor.

A race between Smith, 55, and Barnes, 30, would pit the younger generation against the older. Both are conservatives.

Republicans appear to be grooming the former Atty. Gen. Will Wilson for the race for governor.

There is some talk, too, that either Sen. Ralph Yarborough or Don Yarborough of Houston may get in the race. And there are those who think it possible that former Atty. Gen. Waggoner Carr may run.

Also mentioned as contenders for the office of lieutenant governor on the Democratic ticket, in addition to Barnes, are former Sen. Franklin Spears of San Antonio, Sen. Murray Watson of Waco and Sen. Ralph Hall of Rockwall.

Representatives of the AFL-CIO, Political Association of Spanish Speaking Organizations (PASO), Texas Liberal Democrats and Negro communities met here to kick off the drive. Spears' group will be known as the "Committee for Better Voter Participation".

DISTRICTS WARNED — State Board of Education warned 32 school districts for violations of accreditation standards.

Districts on the warned list are Austin State School Independent School District, Bastrop ISD, Beckville ISD, Crandall ISD, Eagle Pass ISD, Forney ISD, Franklin ISD, Holland ISD, Latexo ISD, Liberty Hill ISD, Melvin ISD, Mission Valley ISD, Montgomery ISD, Moody ISD, Natalia ISD, Southland ISD, Sunset ISD, Timpson ISD, Tolar ISD, Valley View ISD, Waelder ISD and Wortham ISD. Also Liberty Chapel Consolidated School District, Mereta CSD; and Votaw CSD; and Manchaca-Oak Hill Rural High School District.

STATE DEPOSITS EARN — State Bank deposits earned \$10,000,000 in interest the past fiscal year. This is up 20 per cent over the previous year.

Treasurer Jesse James estimates that the current year's earnings will total \$11,600,000. He said an increase in interest rates and swelling balances in state funds brought the record yield.

About \$252,000,000 in state funds is placed on interest in some 1,000 banks over the state.

COURTS SPEAK — Court of Criminal Appeals held that convicts seeking freedom under recent federal court decisions must file their petitions with district courts.

Habeas corpus petitions have been received from some 35 prisoners a month, claiming violations of their constitutional rights. Most of them are handwritten and claim improper sentencing, illegal confinement or conviction because they did not have proper legal aid.

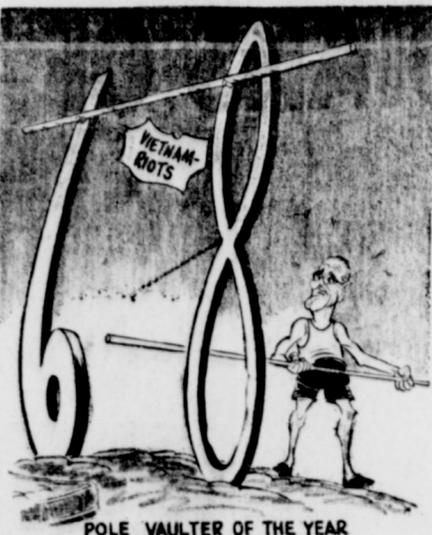

An amendment to the Code of Criminal Procedure this year permits district courts to consider such pleas.

GENTRY HONORED — Texas Highway Department will dedicate a new roadside park in Van Zandt County on September 24. It will honor the late Grady Gentry, former congressman. He was chairman of the Texas Highway Commission for six years in the early 1940's.

Park is located two miles southwest of Van on Interstate Highway 20. Gentry was born in Law in 1895.

LAW ENFORCERS MEET — Some 600 county attorneys, district attorneys, criminal district attorneys, county judges, judges of county courts-at-law and sheriffs from around the state will meet in Austin September 28-30 for the 17th Annual Attorney General's Law Enforcement Conference.

Speakers will include Pat Speir, assistant director of the Department of Public Safety; Nola White, chief of the Attorney General's crime prevention division; Harris County District Attorney Carol S. Vance; Travis County Attorney Bob Smith; First Assistant Dallas County Criminal District Attorney William F. Alexander; J. C. Davis of the Attorney General's staff; Lew Berry, executive secretary of the Sheriff's Association of Texas; Gaines County Judge Charles E. Lawrence; and

Here's a list of leaders to surprise teachers

OK, Kids, we're going to beat you to the punch. We're going to give you the answers before the teacher can pop the question.

These questions are specially tailored for those of you studying government — federal, state and local.

So keep it handy.

Many homes are not stocked with the latest reference books. If textbooks are not at hand, where can a pupil turn late at night when he suddenly remembers those who-fills-the-job questions teacher gave for homework? The newspaper office, that's where.

Not that we're not happy to help — after all, most of us reporters and editors were kids once and remember how it was.

Here is the list as of Sept. 21, 1967 — May it answer many of your questions:

PRESIDENTIAL CABINET MEMBERS

Secretary of State: Dean Rusk
Secretary of Treasury: Henry Fowler
Secretary of Defense: Robert S. McNamara
Attorney General: Ramsey Clark

Atty. Gen. Crawford Martin.

APPOINTMENTS — Governor Connally has appointed Brownsville attorney Hector Yznaga and re-appointed J. F. Hulse of El Paso and Maurice Brooks of Abilene to the Texas Civil Judicial Council. He also named Alamo fruit and vegetable shipper John H. Ginsbach to the Tuberculosis Advisory Committee.

House Speaker Barnes has selected the following to serve on the Texas Commission on Law Enforcement: Carol Vance, Harris County District Attorney; Jack Young of Muleshoe, Texas District and County Attorney Association President; Nola White, Beaumont, Assistant Attorney General; Col. Wilson E. Speir of the Department of Public Safety; and State Bar Association President-elect Ralph Brite of San Antonio.

Mrs. Mary K. Wall, veteran assistant attorney general, has joined the staff of Secretary of State John Hill as an election law specialist. New amendments to the election code made the Secretary of State chief Texas election officer.

Attorney General Martin named Mrs. Mary Ellen Harvick as his new press aide. Mrs. Harvick has worked for the Galveston News - Tribune, the Austin American-Statesman and the San Angelo Standard-Times.

Dr. Gary E. Miller, head of the Harlingen State Adult Mental Health Clinic, is the new director of hospital development for the Department of Mental Health and Mental Retardation.

TEENAGERS: How They Think — A questionnaire answered by 1,200 high school youth leaders during the Fifth Annual Texas Youth Conference here revealed that:

- 68 per cent are not afraid to be on the streets of their cities alone at night;
- 90 per cent are not afraid to speak to strangers because of a fear of crime;
- 35 per cent of their families keep firearms at home for protection;
- 55 percent feel there are two systems of justice in America — one for the privileged and one for the under-privileged;
- 70 per cent feel the telephone companies should develop a single police number for the United States;
- 76 per cent feel that police call boxes

should be unlocked, brightly marked and designated "public emergency call boxes";

—73 per cent said they would not park cars they saw sidwiped;

—73 per cent favor work release programs in Correctional institutions;

—43 per cent feel police officers should have a college education;

—86 per cent feel drug pushers should be more severely punished;

—26 per cent feel fearful when confronted with police;

—68 per cent think \$5,300 is not an adequate salary for a police officer;

—91 per cent favor a pension for police and children of policemen killed in line of duty;

—71 per cent feel most American police law enforcement officers;

—84 per cent would physically attack one being criminally attacked;

—84 per cent feel teen juries lack respect for the law enforcement of young people;

—73 per cent would take an extra vocational and technical course if available in their high school.

SHORT SNORTS — State Rep. Loan Com. Frank Miskell is pushing probe of home improvement loans accused of charging too much interest on other violations.

Cotton production may hit 2,600,000 bales, 25,000 bales above forecasts, reports Texas Crop and Livestock Reporting Service.

Agriculture Commissioner John Connally granted a second emergency extension of cotton plowup deadline (until Sept. 20) in Cameron, Willacy and southern portions of Hidalgo and Starr Counties.

Atty. Gen. Crawford Martin said state colleges and universities that violate federal court orders if they require teachers to sign loyalty oaths.

Dove hunters killed 118,315 white doves the final weekend of the season in the Rio Grande Valley, according to the Wildlife Department.

Winston Martin of Rockdale will be State Safety Engineer and director of Division of Occupational Safety, Department of Health.

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 13.789 miles of Grading, Structures, Base & Surfacing From FM 769, East to SH 214, 9.0 Miles South of Lehman on Highway No. FM 3024, covered by S 2970(1)A in Cochran County, will be received at the Highway Department, Austin, until 9:00 A.M. Sept. 28, 1967, and then publicly opened and read.

The State Highway Department, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the Regulations of the Department of Commerce (15 C.F.R., Part 8), issued pursuant to such Act, hereby notifies all bidders that it will affirmatively insure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the ground of race, color, or national origin.

Plans and specifications including minimum wage rates as provided by Law are available at the office of Carl R. Hart, Resident Engineer, Brownfield, Texas, and Texas Highway Department, Austin. Usual rights reserved.

Published in the Morton Tribune Sept. 14 and 21, 1967.

Hey gang, we're almost through our third week and going on our fourth. How about that?!

As most of you have heard by now, we lost our second game to Friona by a score of 26 to 0 last Friday night. However, we feel that the boys made a much better showing than in their first game against the Olton Mustangs. We think they'll probably really come up to their best against the Abernathy Antelopes tomorrow night!

My students of the week this week are three of our Morton Indians: Billy Baker ('40' senior halfback), Randy Wood ('65' - senior guard), and Wayne Thompson ('10' - junior quarterback).

Billy is the son of Mr. and Mrs. W. G. Baker of Morton. He has played varsity football three years. The courses Billy is taking this year are: geometry, government, choir, biology II, English IV, and sports. His favorite subject is biology II, because he says it's "interesting." Billy plans to go to college at West Texas State University in Canyon next year and major in computer programming.

Randy Wood is the son of Mr. and Mrs. O. C. Wood of Morton. This is his first year of varsity football. Randy is taking trigonometry, library, band, biology II, English IV, and sports. His favorite subject is biology II, because he "likes to de-gut (?) animals." Randy plans to attend Oklahoma University in Norman next year and major in aeronautical technology.

Wayne Thompson is the son of Mr. and Mrs. Kenneth Thompson of Morton. This is his second year in varsity football. Wayne is taking trigonometry, American history, band, biology II, English III, and sports. His favorite subjects are trigonometry, American history, biology II, and English III, because he doesn't want any of the teachers to think he is playing favorites.

Several MHS exes tried out for the South Plains College Tex-Anns, a girls' drill team, in Levelland last week. Those from Morton that made the team are: Sandy Kelly, Cheryl McDaniel, Connie Stowe, Janette Cooper, and Dena Smith.

Several MHS freshmen girls tried out for freshman cheerleaders Tuesday morning in the high school gym. The results of the election were: Rebecca Greene, Trezelle Hill, Karen Willis, Micheline Marina, Sue Winder, and Sandy Wood.

Well, I guess that's all the groovy (?) news I have for this week, except for one thing. All you people be sure and really support our Indians at the game tomorrow night at Abernathy, because it takes your support to really make the team go!!

The Morton School System received 8th place in the District 13 to report 100% attendance in the Texas State Teachers Assn.

New splendor in Chevrolet-built '68 Chevelle Concours Sport Sedan

In addition to 14 models in the 1968 Chevelle line is this optional Concours Sport Sedan. This ultra-luxurious car like others in the Chevelle family features a new instrument panel, new lattice radiator grille, special interiors and exterior ornamental trim. The Concours Sedan is built on a 116-inch wheelbase, has special sound insulation throughout and concealed windshield wipers with articulated left blade. The new Chevrolet-built passenger cars will be on display September 21.

Three inches of rain falls in community Wednesday

By MRS. J. D. BAYLESS

Mr. and Mrs. Erlton Wall have just returned from a vacation and sight-seeing trip to Colorado, Utah, Silver Falls, Arizona, New Mexico, Royal Gorge, Pikes Peak and Grand Canyon.

Kay Peterson and Betty Saylor moved to Levelland last week, where they and several others of the community registered at South Plains College, Friday.

The farmers of the community that have their wheat and rye up appreciated the 3 inches of rain they received Wednesday night. Some of the farmers are harvesting their grain and others are getting their hay cut and baled.

"This is My Hand" was the theme for the season of prayer, for State Mission observed by Enochs Baptist W.M.U. on Thursday at 8:30 a.m. Mrs. L. E. Nichols read the prayer calendar and led in prayer for the missionaries whose names appeared on the prayer calendar.

There were 13 ladies taking part on the program. "Hands that Give So Much", began the program directed by Mrs. L. E. Nichols using scriptures from Matthew, 14:40 and John 21: 12.

"A Hand at the Bridge" directed by Mrs. Guy Sanders, "A Hand to Guide in Preparation", by Mrs. J. W. Layton, "The Hands of God's people . . . Working", by Mrs. Donald Grusendorf. A solo "His Way . . . Mine" was given by Mrs. Junior Austin. At the intermission cookies, coffee and tea were served by Mrs. Carl Hall, Mrs. Guy Sanders and Mrs. E. N. McCall.

"Helping Hands at Porvenir" was directed by Mrs. Dale Nichols. "God's Hand Opens Doors", was given by Mrs. Harold Layton. "Hands that Reach All Races" was given by Mrs. E. F. Campbell. "A Place of Worship Encourages" was given by Mrs. Carl Hall. "God Promises Provisions" given by Mrs. J. E. Layton. "Baptist Student Union Hands" given by Mrs. J. D. Bayless. "Provision for Presidio", and "Ojinaga", was given by Mrs. Quinton Nichols. Scholarships are approved by Mrs. Junior Austin. "The Hands of God's People . . . Healing", given by Mrs. L. E. Nichols and this concluded the program with Mrs. C. R. Seagler giving the benediction. There were several prayers offered during the program.

Those attending the program were Mesdames Harold Layton, Carl Hall, Guy Sanders, E. F. Campbell, J. D. Bayless, Junior Austin, J. W. Layton, Dale Nichols, J. E. Layton, Quinton Nichols, C. R. Seagler, L. E. Nichols, Shortie McCall, Donald Grusendorf. The nursery worker was Mrs. C. H. Byards and the seven children attending were Paul Nichols, Robert Layton, Greg Austin, Mike and Ricky Nichols, Anee Beasley, and Jarrol and Keith Layton.

Guests in the home of Mr. and Mrs. J. W. Layton Tuesday were his brother and wife, Mr. and Mrs. J. C. Kelley of Lubbock.

Mr. and Mrs. W. B. Peterson drove to Bay Town Tuesday to attend the funeral of her sister's mother-in-law, Mrs. Verna Mae Houghton.

Rev. Preston Harrison from Plainview, preached his first sermon as pastor at the Enochs Baptist Church Sunday. Rev. Harrison was also a guest in the home of Mr. and Mrs. J. E. Layton.

Mr. and Mrs. Bennie Gale Hall and children moved to the Enochs Community recently. He will operate what is known as the old Enochs gin this fall.

Mrs. Quinton Nichols took Mr. and Mrs.

J. B. Vanlandingham to Lubbock Friday for his check-up. He was able to attend church Sunday morning at the Enochs Baptist Church.

Mr. and Mrs. Bruce Angel and daughter of Lubbock spent the weekend in the home of his parents, Mr. and Mrs. Johnnie Angel, to be with his father who is seriously ill.

Mr. and Mrs. C. G. Snitker attended the funeral of their uncle, Alford Snitker, of Anton. He died Sunday morning in the Medical Arts Hospital in Littlefield. Funeral services were at 3:00 p.m. Monday in the First Baptist Church of Anton. Burial was in the Anton Cemetery.

Mr. and Mrs. John Blackman and her mother, Mrs. U. T. Dever, attended the Cook County reunion last Sunday at Amarillo in the Y.W.C.A. Building. Mrs. Dever received a prize for being the oldest one attending the reunion. Also a prize for living the longest in West Texas where she has lived for 53 years. She moved here from Cook County.

Joyce Sowder, Elaine Tiller, Keith Overland, Donna and Diane Crume, Caron Busher, Margaret Richardson, and their sponsors Mrs. Edward Crume and Mrs. L. E. Busher of Bula, Patricia Grusendorf, Dennis Newton and their sponsor, Mrs. Dale Nichols of Enochs attended the youth revival and fellowship at the First Baptist Church at Muleshoe Monday night. There were approximately 130 attending.

Tom Byars, son of Mr. and Mrs. Charlie Byars, who is in the army spent five days touring Holland.

Mrs. G. R. Newman was admitted to the West Plains Hospital at Muleshoe Monday with a heart condition. She was able to return to her home Friday.

Mr. and Mrs. T. A. Thomas were in Lubbock from Saturday until Wednesday visiting their son, Mr. and Mrs. Vergil Thomas and baby.

Those attending the State Mission Prayer Retreat program at the First Baptist Church, Littlefield, Tuesday were Mes-

dames: Dale Nichols, J. W. Layton, L. E. Nichols, Chester Petree, W. M. Bryant, and C. C. Snitker. Also Mesdames L. E. Busher, C. A. Williams, E. O. Battles, Fred Locker, Philip Pierce, Clyde Hogue, and Earl Black, of Bula.

Mr. and Mrs. J. B. Bayless spent the week-end in the home of their daughter, Mr. and Mrs. Leland Finley and family at Odessa.

Mrs. C. R. Smelser underwent major surgery Thursday in the Methodist Hospital at Lubbock, she is very ill.

Mr. and Mrs. Edd Autry are at Taft visiting their daughter and family, Mr. and Mrs. Bill West.

Ricky Nichols fell at school last week and broke his arm.

Campbell, Mr. and Mrs. Carl Hall, Mr. and Mrs. Clyde Price, Mr. and Mrs. J. D. Bayless, Mr. and Mrs. E. N. McCall, Mr. and Mrs. Virgil Wood, Mr. and Mrs. Guy Sanders, Mr. and Mrs. J. W. Layton, Mr. and Mrs. Clifford Snitker, Mrs. Alma Altman, Mrs. C. R. Seagler and James Gilbert.

Mrs. Seagler brought the devotional. Games of "42" and Pass Word were enjoyed. Refreshments were homemade ice cream, cake, coffee and tea.

Mr. and Mrs. Tommie Bryant of Hereford spent last weekend in the home of Mr. and Mrs. Elwood Autry and attended the wedding of Barbara Autry and Gordon McDaniel.

Dick Bryant underwent surgery on his elbow Thursday at the Medical Arts Hospital at Littlefield. He was able to go home Saturday.

Company in the home of Mr. and Mrs. H. B. King Wednesday and Thursday were her brothers, Jethro Gilbert from Broken Arrow, Okla., and James Gilbert. They also visited in the home of Mr. and Mrs. E. O. Battles at Bula.

The booster club of Bula met Tuesday night to reorganize. They will be going around soon setting up a drive for membership.

Bula's little boy's grade football played Whitehall and the score was 12 to 14 in favor of Whitehall.

The W.S.C.S. of Bula drove to Littlefield

Texas said 1 cotton state

Texas can be considered the nation's number one cotton state.

So reports William F. Harris, director of Cotton Economic Research at the University of Texas, whose article on the place of cotton in the state's economy appears in the current issue of Texas Business Review. The publication is issued by UT's Bureau of Business Research.

On a national scale, Texas produces from 30 to 34 per cent of U. S. cotton, has 40 per cent of the cotton acreage, 2 per cent of the cotton farms, 26 per cent of the cotton gins, 27 per cent of the cottonseed-oil mills and 40 per cent of the cotton compresses.

In addition, more than 27 per cent of the nation's cotton merchants and shippers have their headquarters in Texas, and 60 per cent of all cotton exported from the U.S. passes through the Texas Gulf ports.

In Texas cotton has long been king, the number one cash crop, Harris pointed out. In 1965, Texas cash receipts from produced cotton lint and cottonseed were \$633.7 million, a figure which represents more than 47 per cent of the cash receipts of all crops.

Texas' cotton industry also provided a payroll of \$311,528,500 and employment for more than 174,000 workers engaged in various segments of the industry — from seed production, farming and ginning through compresses, warehouses, merchants shippers, transportation, textile mills, apparel industry, cottonseed-oil mills, aerial applicators, agricultural chemicals, manufacturers and bankers.

Harris notes that Texas has some 121,700 cotton farms, the average size of which is more than 690 acres. The four counties which lead in the production of bales are Lubbock (155,108 bales), Dawson (128,284 bales), Cameron (109,813 bales) and Hockley (106,869 bales).

THE HIGHEST POINT

A steeple was first built on the town church so that anyone anywhere in the village could look out and locate the house of worship. The steeple on the church was the highest point in town. This was a physical fact and the people of the Lord knew it was a spiritual fact also.

Although a church's steeple is no longer the highest physical point in the city because of all the many-storied buildings and towers, the church itself is still filled with people who have reached the highest point of Godly maturity and who are filled with the highest degree of Christian love for God and man.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Town and Country has first meeting

The Town and Country Study Club began the club year with a President's Breakfast in the WigWam Restaurant on September 10. Mrs. Joe Seagler, President, was in charge.

The invocation was given by Mrs. Roy Hill. Mrs. Seagler outlined the plans for club projects for the coming year. The club has many continuing projects such as helping the Cochran County Historical Society, promoting the County Library, sponsoring Campfire groups, providing fees and expense money for at least one Cochran County youth to attend the State Youth Conference held in Austin each year and this year the club plans to begin an aid program for the Morton Memorial Hospital.

The treasurer's report was given by Mrs. Weldon Newsom. Mrs. Cheroyn Inglis gave a brief resume of the coming programs. The next meeting will be September 20, in the home of Mrs. Sammie Williams.

The annual program on Americanism will be presented with Mrs. Connie Gray in charge.

Members attending were Mrs. Willard Henry, Roy Hill, Alvie Harris, A. E. Sanders, A. A. Fralin, Sammie Williams, Robert Yeary, Connie Gray, Fred Stockdale, Cheroyn Inglis, and W. G. Freeland. Guests were Mrs. Phyllis Reed, Lane Tannehill, O. A. Graves, and Rex Mauldin.

Mrs. Mildred Tomlinson from Ionia, Mich., is here visiting Mr. and Mrs. Jack DeGraw and son, Jack. She is the mother of Mrs. DeGraw. Arrived here last week and will stay about three weeks. This is her first visit to Texas and she says, "I just love it here."

Peggy Ramsey left Sunday for Lubbock where she will be a junior at Texas Tech.

Glenda and Dena Smith, daughters of Mr. and Mrs. Bill Smith, moved to Leveland, where they will attend South Plains College.

Combine the first three ingredients. Cook in top of double boiler until custard consistency, and add vanilla. Line bowl with vanilla wafers, slice bananas over wafers. Pour 1/2 custard over layer of wafers and bananas. Top with remaining bananas and wafers.

MOLDED LIME PINEAPPLE SALAD

1 pkg. lime jello
1 No. 1 1/2 can crushed pineapple
1 pkg. dream whip
1/2-3/4 cup grated cheese
Bring crushed pineapple to boil and dissolve lime jello. Remove from heat and cool. Whip dream whip and fold into jello mixture. Fold in most of grated cheese and pour into mold. Sprinkle the remaining grated cheese on top and refrigerate.

Mrs. Troy Tyson

Banana pudding favorite recipe of Mrs. Troy Tyson

The Tribune's Homemaker for this week Mrs. Troy Tyson. Jaunice, as she is known to all of her friends is the former Mrs. Skaggs. She is a 1966 graduate of Morton High School and is now employed by the ASC office.

Mrs. Tyson loves being a homemaker. She enjoys to sew and cook, but most of all she enjoys flower arranging. She says it is her favorite past time.

Mrs. and Mrs. Tyson are members of the First Missionary Baptist Church. Her husband Troy has just recently re-

turned from Viet Nam where he was in the U. S. Army.

Mrs. Tyson was more than happy to share with us two of her favorite recipes.

BANANA PUDDING

1/2 c. sugar
2 T. Flour
1/4 t. salt
2 c. milk
3 eggs (yolks)
1 t. vanilla
1 med. size box vanilla wafers
4-6 bananas

Jan Scoggins to attend Missouri Evangel school

Mr. and Mrs. L. Z. Scoggins and Ginger have just returned from a 15 day vacation, touring seven states. Included on the trip was a visit to one of Mr. Scoggins World War II buddies and his family at Hickory, Miss., near Meridian, the H. H. Thorns. The boys had not seen each other since their discharge from service after which they both married. It is with much credit to the post office department that the two old friends were reunited. Mr. Scoggins received a delayed Christmas card last year from Mr. Thorn after it had been sent to his old address at Lakeview. Since the Scoggins have lived at Morton for some 21 years it is a small wonder it found its way to their Morton mail box.

Another highlight of the trip was to take Jan, the Scoggins' youngest daughter, to Evangel College in Springfield, Mo.

Evangel is a denominational college of the Assemblies of God Church and is a full accredited college of the sciences and arts. It is called the "Miracle College" due to circumstances of obtaining the land and building in the very latest geographical design has just been completed two years ago. Plans include three new

Jan Scoggins

buildings of the same structure for the girls, boys, and couples, the first to be completed for the 1968 summer session.

'Search for Identity' theme of Service Guild

"Search for Identity" is the theme for the coming year of the Wesleyan Service Guild, which met Monday night in the Fellowship Hall of the First Methodist Church.

Mrs. P. B. Ramby, president, read scriptures taken from the program "Fill My Cup, Lord", which was the theme of the Jurisdictional Conference at Mt. Sequoyah and the District Conference at Ceta Canyon, and which will be used at the District Conference in Taboka on Sept. 17.

Special guests were Mrs. W. J. Wood, district secretary of the WSCS, and Mr. Wood, and Mrs. John Crowder, Coordinator.

A salad supper was served by hostesses Mesdames: Hessie B. Soptts, John L. McGee, P. B. Ramby, E. O. Willingham, C. H. Silvers and Rex Mauldin.

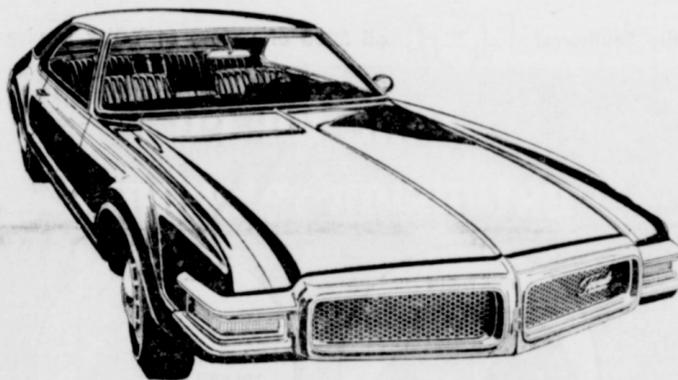

Members present were Mesdames: J. R. Kuykendall, Bob Mayon, W. G. Freeland, Joe Seigler, J. W. Nichols, Fred Stockdale, J. H. Rhyne, Lee Taylor and R. L. DeBusk.

Guests were Mesdames: Willard Benham, Edmond Lang, Lane Tannehill, Lula Mae Blandford, Mae Stroud and Buck Byson.

Chiefs scalp Indians, 26-0

Friena mowed Morton down like grain falling before a combine. That was appropriate as Friena celebrated its annual Maize Days Festival with a 26-0 win over the Indians Friday night.

It ran the Chiefs' record to 2-0, while the Indians are still looking for their first victory and their first point on the scoreboard.

With the exception of a screen pass, Friena ran exactly what had been expected. Until late in the game, Morton was unable to stop the Chiefs from running a trap play up the middle.

Morton received the opening kick-off with Alex Soliz returning 17 yards to the Indian 32. Three plays gained seven yards and Rusty Rowden punted 41 yards, with an eight-yard return.

Friena gained six yards on two plays, but picked up a first down when Morton was penalized five yards. A pass went incomplete. Friena lost five as Tommy Waters dropped the runner and a pass went incomplete. Friena quick-kicked 51 yards, but had the play nullified by a 15-yard penalty. Friena tried to pass, but Jerry Steed dropped the passer for a 12-yard loss. Friena punted 37 yards.

From its own 35, Morton began to move. Fullback Charles Joyce carried for two, Mike Bryan got nothing and quarterback Wayne Thompson kept for nine. Bryan got two and Joyce got another first down with two five-yard carries.

But the next three plays lost six and Morton punted 32 yards to the Friena 17. The Chiefs mounted an 83-yard drive in 13 plays. The big blow for Morton was a 15-yard penalty to their own 20. Roger Sandefer blew in to drop the runner for a three-yard loss on the next play. But the Chiefs weren't to be denied. Halfback Larry Graves ran the trap up the middle and went in standing up from 23 yards out. Sahara Gonzales kicked the extra point and Friena led 7-0 with 8:50 left in the second period.

Morton began to move from its own 28.

Even with a five-yard penalty against Friena, the Indians could gain only four yards in three tries. Rowden punted 41 yards. Johnny Barker misjudged the ball, barely touched it and Joyce recovered for Morton.

It was a big break, with the Indians only 13 yards away from a score. But Friena's defense was equal to the task. Joyce got nothing on one run, Thompson lost one, passed incomplete on third down and Joyce made only two on the next play.

The Chiefs needed only nine plays to score again. Graves ran the trap for 15 yards. Johnny Barker lost four on the next try as LaMoll Abbe and Bob Hobson racked him up. Graves picked up 12 more. Lowery Harper fumbled after a ten-yard gain, but Ronnie Stevick recovered to keep the drive going for Friena.

Graves was held for no gain, but guard Jerry Steed suffered a concussion and went to the hospital for a medical check. Barker was held for no gain as Sandefer and Ray King made the stop. With third and ten, Barker called for a screen pass to Tony Perea that netted 32 yards. Graves made four before Barker threw to Graves, who made the reception on the two and leaned in for the TD. The play covered 14 yards. The kick was no good, but Friena led 13-0 with 1:35 left in the second quarter.

Morton moved the ball well after the kick-off, but time and a 15-yard penalty kept them far away from the goal.

Perea put the game on ice as the second half opened. He took Bryan's kick-off on his 12 and ran up the middle for 88 yards and a TD. Gonzales kicked the extra point and Friena led 20-0 with 11:46 left in the third quarter.

Morton had good field position after the kick. Billy Baker returned the short boot 14 yards to the Morton 39. Joyce hit for 13 yards, Thompson kept for six, Friena was penalized 15 yards.

That gave Morton a first down on the

Friena 25. But Joyce lost one and Thompson and Joyce each carried for no gain. Joyce carried for seven, but that was four yards shy of the first down.

Friena ran for two first downs, then had a five-yard penalty and losses of four and six. A 27-yard punt gave Morton the ball on its own 36. Two runs netted one yard. A pass by Thompson was intercepted by Isadore Cordova, who returned the ball ten yards to the Morton 37. Two runs got one yard and a pass got only one more. Harper punted 30 yards to the Morton eight.

Morton moved the ball out for one first down, then was halted. Rowden punted 37 yards.

Friena moved the ball back down to the Morton 38, before Alex Soliz intercepted a pass on the Indian 19.

Thompson lost one running, then passed 13 yards to Soliz. But Friena recovered a fumble on the next play.

Friena moved quickly trying to score. Two runs got three yards, one pass went incomplete, but the next one was caught by Perea as he sat on the ground. Two runs got eight yards to the Morton seven. But Billy Baker nailed Barker trying to pass for an eight-yard loss. The next pass was incomplete and Morton took over.

The Indians moved the ball out for a first down, but Thompson's pass try was intercepted by Perea on the Morton 46.

Friena gained six yards on two runs. Perea ran the trap over left guard for 40 yards to score. The kick for points was not good, but Friena led 26-0 with 2:57 left in the game.

Baker returned the kick 18 yards to the Morton 41.

With the aid of a 15-yard penalty and runs of five, one, nine and three, Morton moved to the Friena 25. But three passes were incomplete and Friena got possession.

Two runs into the line closed out the game.

Kick clears . . .

RUSTY ROWDEN, who took over punting duties for Morton, just barely got this kick clear of Friena's Rickey Hurst.

Protecting Rowden is halfback Mike Bryan. Rowden averaged a fine 39.5 yards for five kicks against Friena. Not the ball just above Hurst's head. (Staff Photo)
