October means football . . .

TO OUR OCTOBER CALENDAR girl, Rayla Griffith, football is a game to be loved year 'round, but most especially during October. One of her most prized possessions is an autograph of the Green Bay Packers' quarterback, Bart Starr, signed out in football jersey and with football and helmet in hand, our lovely Rayla waits for her chance to get into the game. She is 16 years old, a junior at Morton High School, and the daughter of Mr. and Mrs. Ray Griffith.

Morton battles Slaton in district clash here

... will bring a cage filled with excited Tigers to Indian Field for a 7:30 p.m. clash Friday with the resurgent Indians. The game is one of two non-conference shut-outs. Morton is apt to be hungry this week. They have now lost two in a row. They closed with a 19-0 win over Petersburg followed that with a 25-0 whiteout at Idaho. But an extra-point kick by Morton a 21-20 decision over Slaton last Friday night. Slaton hosted Morton City in what had been billed as the game that would decide the winner of District 4-AA. The Mustangs had a margin of four fumbles and two interceptions to win 40-6. While Morton was winning its first game week after three losses, two of them shut-outs. The Indians blasted the Carver Hornets 40-6 in the open-

ing of district play.

Slaton's head coach Ernie Davis, who received a new car last week from the Tiger Booster Club, will likely be trying to prove his troops are better than last week's game showed.

And the scouting reports indicate that Morton will have its hands full. Slaton lists only juniors and seniors on its roster and all of them are experienced.

Probable starting offensive line-up for Slaton includes: Claude Strickland, left end, senior, 175; Bobby Ball, left tackle, senior, 190; Buddy Pettigrow, left guard, junior, 170; Tom Davis, center, senior, 170; Randall Choate, right guard, junior, 205; Johnny Lakey, right tackle, senior, 205; Larry Allison, right end, junior, 170; Jimmy Williams, quarterback, junior, 165;

Safe-crackers grab \$750

Enterprising burglars used the tools that were available to break into the safe in the Whiteface school Sunday night about 10:30 and make off with an estimated \$750 in cash.

Entry to the office of Whiteface Superintendent James Cunningham, where the safe is located was made by breaking a window glass and then unlatching the window and crawling through it.

The safe crackers then forced their way through four doors in the vocational agriculture building, gathered up the tools they needed, and proceeded to work on the safe.

The first attempt to break into the vault was through a wall. However, after breaking out a section of the cinder block wall, the burglars drove a chisel through another brick wall surrounding the safe and discovered a steel wall beyond that. A chisel was left in the wall.

Taking a different route into the safe, they used a cutting torch from the vocational ag room and cut a section from the front of the safe and peeled it down. This revealed a wire-reinforced concrete section which they pounded out with a small sledge hammer and wire cutters. The back steel plate on the vault door was forced up to allow entry into the vault.

Cunningham said the money taken was from gate receipts, concession receipts, senior class receipts and petty cash. Overlooked by the burglars when they left the vault was an envelope containing about \$114 in lunchroom receipts. The top of the envelope was torn off, indicating the

Chamber meeting held for local membership

Five directors were elected, two others were appointed to fill unexpired terms and one by-laws change was made during the annual membership meeting of the Morton Area Chamber of Commerce Tuesday night.

Elected to serve two-year terms on the board were: George Burkett, Bill Gray, Ray Griffith, Mrs. Luke Hargrove and Mrs. James St. Clair. Appointed to one-year terms were Mrs. Rob Richardson and Vic Jackson.

The by-laws were amended to allow balloting by mail for directors and abolishment of the annual membership meeting.

A meeting of new and hold-over directors has been called for Thursday, Oct. 5, at 2 p.m. in the Chamber office to elect new officers.

Vice president H. A. Tuck presided and made the annual report. Harold Ogle read the minutes and Carl Ray presented the financial report.

The meeting was held Tuesday evening in the County Activity building auditorium. There were 13 persons present.

Annual Chamber of Commerce banquet will be held on Thursday, Oct. 26, at 8 p.m.

4-H Fair highlights national week

More than 100 Cochran County residents attended the annual 4-H Fair-Exhibit night Tuesday in the County Activity Building. Highlighting the National 4-H Week, which ends Oct. 7, were 13 exhibits covering most 4-H projects and ranging from clothing and foods to horses and electricity.

Top winner of the exhibit was Julie Cooper with a 4-H Saddle Club entry. She is the daughter of Mr. and Mrs. J. L. Cooper of St. Rt. 2. Miss Cooper's exhibit concerned barrel racing and earned her a gold ribbon.

Other top winners were: Sherita Fluit, blue ribbon and white ribbon; Jimmy and Kenny Jones, white ribbon; Larry Hale, red ribbon; Marilyn Cade, red ribbon; Ronald Hale, red ribbon; Mary Jo Hudson, white ribbon; Terry Donathan, white ribbon; Christy Cade, white ribbon; Joan Whitehead, white ribbon; and Deborah Whitehead, red ribbon.

The exhibits were judged on effective message, attention and interest, pleasing appearance, selling 4-H and originality. They were judged by Mrs. A. E. Sanders

and Dean Weatherly.

Master of ceremonies for the exhibit night was Marilyn Cade. Skits done by the clubs included "Romance at the 4-H" by the Saddle Club; "The Lion and the Lamb" and "The Bored King" by the Morton Club; "Julius Caesar - Revised Standard Version" by the Senior Club; and "No, No, A Thousand Times No" by the Adults.

A total of 230 Cochran County residents are involved in the 4-H program and are part of more than 76,000 Texas 4-H Club members. Nationally there are more than two and one-quarter million members.

County Agent Homer Thompson and Jennie Borland, Home Demonstration Agent, said the program is open to any boy or girl between the ages of 9 and 19.

Friday, Oct. 13, will mark the big day for Morton High School students: Homecoming, 1967. The crowning of the queen at 11 a.m. will set off the day's activities. Queen nominees have not yet been announced.

Prior to the game, the Morton Athletic Boosters will sponsor a chili supper in the cafeteria. Admission is \$1 for all the chili you can eat.

The Morton Ex-Students Assn. will hold a coffee-business meeting in the cafeteria following the game. Vice president George Hargrove said he still needs current addresses of all out-of-town Morton ex-students. Hargrove may be reached at 266-7536 or 266-3081.

Thursday, Oct. 12, Morton High School classes will compete against each other to see which class can build the biggest pile of burnables for the bonfire. The bonfire will be held at 8 p.m., southwest of the school.

Bring on the food . . .

GREG WEAVER, the 7-months-old son of Mr. and Mrs. Fred Weaver, chomps on a table while waiting for something to eat during the pancake supper held in Morton Monday night. The supper, sponsored by the Morton Ath-

letic Boosters, attracted several hundred Morton area people. Greg gave his soulful look to almost everybody that walked by but had to content himself with the corner of the table. Oh, well, maybe next year. (Staff Photo)

Tiger tabbed to top Indians, 21-14

By ROY McQUEEN

Former Oklahoma University gridmaster, Bud Wilkerson, during his long years in Sooner Country, once said something about psychology being half the game.

Don Orr, Denver City's successful grid boss, must have listened to that same theory in the infant years of his head coaching career.

Last Friday night, Orr's Mustangs belted Slaton, 40-6, putting District 4-AA back into normalcy — it in itself representing the essence of psychological warfare.

Only once in the last decade has Denver City's supremacy in football ever really been challenged. That was in 1966 when

Mr. and Mrs. A. G. Howard spent the weekend in the home of their granddaughter, Rev. and Mrs. Preston Harrison. They also attend church at the local Baptist Church Sunday.

Those celebrating their birthdays with a dinner in the home of Mr. and Mrs. Shortie McCall and Dolores last Sunday were Shortie, his niece and husband, Mr. and Mrs. Dennis Medlin of Lubbock, Mrs. Donnie McCall of Muleshoe and Mrs. Nath Crockett of Morton. Others present were Randall Tanner, Mr. and Mrs. R. P. McCall and sons Randy of the home, Donnie McCall and children Kelly and La Taya of Muleshoe, Dewayne Medlin, son of Mr. and Mrs. Dennis Medlin, Mr. and Mrs. Robert George and children Brent and Marthan, of Lubbock, Mr. and Mrs. Burley Roberts and children Brian, Melonie and Timothy.

Mr. and Mrs. E. G. Gilliam and daughter, Linda spent Saturday night in the home of their son, Mr. and Mrs. Jimmie Gilliam at Hereford.

Mrs. M. L. Scillian is a patient in the West Plains Hospital in Muleshoe. She is the mother of Mrs. E. C. Gilliam.

Mrs. Ethel Robinson of Farwell, who spent last week in the West Plains Hospital Muleshoe, was able to return to her home Saturday. She is the sister of Mrs. Guy Sanders.

Mr. and Mrs. W. M. Bryant were in Spade Thursday to attend the revival services at the Spade Baptist Church. They also visited in the home of her brother, Mr. and Mrs. J. R. Hodges.

Guests in the home of Mr. and Mrs. W. M. Bryant Friday and Saturday were his brother, Mr. and Mrs. D. D. Hodges from Sweetwater.

Miss Patricia Grusendorf was on the sick list this weekend with a cold.

Mr. and Mrs. Jake Bogard and family visited his parents last week. They were also dinner guests in the home of Mr. and Mrs. Bennie Cale Hall and family Wednesday.

Rev. Preston Harrison was ordained as minister at the Enochs Baptist Church Sunday. Rev. Jim Green brought the ordination sermon. He was a former member of the Enochs Baptist Church when he surrendered to preach. He also taught in the Bula School at that time.

We were proud to welcome Mr. and Mrs. Bennie Gale Hall and two children Randy and Rhonda as members at the Enochs Baptist Church Sunday.

Coach Flankin and the fans were real proud of the Bula football boys in their win over Lubbock Christian High School team Friday night. The score was 42 to 10. Their game Friday night will be at Wellman.

Mr. and Mrs. Ray Spence were proud to see their grandson Larry Scott Archer for the first time and their daughter, Mrs. Larry Archer who returned from Illesheim, Germany last Thursday, where they have been with her husband, Larry who is in the Army.

Morton wins district opener —BIG —
three straight losses! That's been
topic of conversation this week
the Indians got on the track with
4-6 victory over Midland Car-
The Hornets had been an unknown
entity prior to Friday's game and Mor-
had the dubious distinction of trying
first. Scouts had heard Midland Car-
players comment earlier that they
were going to mop up the field with
... but it didn't work that way.
were particularly pleased because no
fumble and Morton didn't intercept a
until late in the game . . . when
outcome was already assured.

It was a rough game, and we were
pleased with the way the Morton
conduct themselves. Covering
game from the sidelines, we were
to the action than those in the
stands. We heard and saw a lot that
wasn't noticeable from the stands. We know
the players and the officials put up with
both verbal and physical. Midland
coach Johnny Williams and Mor-
coach Fred Weaver both deserve ap-
reciation for keeping their charges under
light rein immediately following the
game.

On the heels of Morton's victory came
Tech's long-awaited win from the
University of Texas. Several Mortonites
to the game, including Judge M. C.
Lubbock, Button Silvers, Ty Williamson,
Doss and several others. We could-
be there physically, but we listened to
the game, cheering every Tech gain, ur-
ing on the inspired defense, and groaning
each time we heard Chris Gilbert or Bill
Haley had the ball. Again, there weren't
fakes involved . . . the Raiders just
out and played better than Texas.

But those games are behind us and both
teams have rugged foes this week. Morton
will host the Slaton Tigers, who had vi-
s of succeeding Post as District 4-AA
standard-bearer. But Denver City appear-
ready to resume the throne following a
year absence. The Mustangs used four
sides and two pass interceptions to
the Tigers 40-6. Slaton is going to
to whip Morton and wait in second
for the Ponies to stumble. But the
plans have had a taste of victory and
eager for another banquet. A big
crowd could make the difference
the Indians really do need and de-
your support Friday night at 7:30.

Texas Tech will host Mississippi State
Friday evening and the tickets are go-
ing rapidly. With the Raiders ranked 10th
the poll and 12th in another, seats
will be at a premium, although
were some good tickets left as of
Friday.

Morton had another football winner last
week as the seventh grade downed Farwell
40-0, while the eighth grade and freshmen
won. All three teams will be in action
Friday, Oct. 5. The seventh and eighth
grades will host Seagraves at 4:30 p.m.
while the Fresh will be in Wolforth for a
4:30 p.m. tilt with Frenship.

On football, but a different age
group, Friday, Oct. 6, is the final day
to register for the sixth annual
Pass and Kick contest, sponsored
by Reynolds-Hamilton Ford. The

contest will be held at 9 a.m. Saturday on the Morton Football Field. Boys eight through 13 are eligible, except for those on junior high or high school football teams.

Final football note: The 40 points scored by Morton Friday night is the most since the Indians downed Slaton 44-6 in 1965, when the team had a 3-7 record . . . And the Morton Athletic Boosters have switched from morning to night meetings. Their get-togethers will be held each Monday night at 8 p.m. in the school cafeteria.

Advertising - pays - department: Advertising brought results for Pulvapies in a recent election for mayor of Picoazo, Ecuador. Picoazo is a town of 4,000 population. Pulvapies had advertised "Vote for any candidate, but if you want well-being and hygiene, vote for Pulvapies." Pulvapies won. How Pulvapies is going to serve as Mayor is the big question. Pulvapies is a foot powder! Anyway, it's one product that proved to be a winner. And it also proved that advertising pays.

A meeting of newly-elected, appointed and hold-over directors of the Morton Area Chamber of Commerce will be held at 2 p.m. Thursday, Oct. 5, in the Chamber office. Purpose will be election of officers for the 1968 year.

With fingers crossed, we note that the weather is remaining quite good for the late-maturing cotton and milo. A lot of grain is being cut now and some soybeans are being harvested, although the market on the latter is sagging slightly. The cotton is really beginning to mature rapidly now and if the freeze will hold off for another three or four weeks, it could turn out to be a fine crop.

Morton and Texas Tech won, "Hooray". But sadness prevailed on Sunday when the Rams visited the Cowboys and the Big D pros played more like boys.

Paul Hall, halfback, senior, 150; Doyle Ethridge, halfback, senior, 170; and Richard Washington, fullback, junior, 185.

On defensive alignments, Choate, Lakey and Hall are replaced by Truett Johnson, tackle, senior, 190; Dale Harris, guard, senior, 185; and Don Simmons, halfback, senior, 150.

Morton coaches were elated this week with the effort shown during last week's upset. "When we started grading the film, we found that everyone of the players put forth the extra-effort that it took to win," coach Fred Weaver said. "In fact, we couldn't even single out any players for 'Indians of the Week' because everyone did so well."

Weaver said that no one sustained any injuries and that everyone should be ready to go full speed Friday night. "Slaton has a good team . . . and certainly a lot better team than the 40-6 score last week sounds. They're going to be here Friday to show they are better."

But Weaver was optimistic about his own charges. "Those young men did their jobs well last week and now they know they can win. We didn't get any breaks last week and we were able to get our offense moving well. Now, we know we can score and the boys are ready for Slaton. They have been working hard this week."

Other games will see Denver City going against Muleshoe in non-conference and Frenship vs. Stanton. Post will play Midland Carver on Saturday.

In other grid action last week, the Morton seventh graders took a 6-0 victory from Farwell, while the eighth grade and freshman teams both fell to the young Steers. This week, the seventh and eighth grade teams will be at home against Seagraves, with the first game starting at 4:30 p.m. Thursday, Oct. 5. The freshmen will go to Frenship Thursday for a 5:30 p.m. game.

Safe-crackers

thieves were aware of the money and intended to take it.

Damage to the vault was estimated at \$1,500.

Cunningham said crooks had tried to enter the vault about eight years ago, knocking out part of the wall in their attempt, but that they were unsuccessful in getting into the safe.

In addition to the safe, a soft drink machine was forced open, and some \$5 in change was taken. The crooks helped themselves to several soft drinks, leading investigating officers Sheriff Hazel Hancock and Deputy Joe Hodge to believe that three people were involved in the theft.

The officers also said the burglars were "fairly neat in that they didn't dump all the stuff in the vault on the floor."

Hancock said the burglars wore gloves because no fingerprints were found on the scene.

Used in the burglary and left at the scene were: a cutting torch, small sledge hammer, two crowbars, a screwdriver, tin snips, hedge cutters, wire cutters, five cold chisels, two wood chisels and an axe.

Hancock said that the cold chisels were government surplus and that they were sold in bundles of six. He said that one of the crooks had probably carried one with him.

Wendell Dunlap, vocational ag teacher, said that he didn't think the cold chisels were from his classroom but they possibly could be. These may have been the only tools the crooks brought with them to crack the safe.

America the Beautiful...

From the time that Columbus discovered America... men have thought of this country as something special. It was here that Ponce de Leon sought the Fountain of Youth, and men have long admired America's majestic mountains and beautiful valleys. However, the real beauty lies not in the land, but in the people. The people came... seeking a land where they could worship God in freedom, and under God developed a kind and loving spirit. This is what makes America beautiful. Attend church regularly... help keep America beautiful.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Postmaster asks for Zip-A-List return

Morton Postmaster Murray L. Crone reported today that approximately 225 ZIP-A-LIST cards from all over the country have been processed at the Morton Post Office since the program kicked off last week.

The postal official urged local residents who haven't taken advantage of the post office's offer to provide ZIP Codes for "zipless" addresses to do so immediately. A kit sufficient for up to eight addresses was delivered to each household and boxholder in the city.

Extra kits are available at the post office.

All a mailer need do to obtain a ZIP Code is to: 1, write the "unzipped" address in the proper space, including the city and state, 2, write in the return address so the post office will know who should receive the completed card, and 3, drop the card in any mail box. No postage is needed.

Postmaster Crone thanked all who had already filled in their cards and mailed them. "We appreciate your cooperation and look forward to considerably more IP in our postal operations after this," he said.

Anyone in the country who requests a ZIP Code for an address in Morton fills out the form and drops it in the mail. When the card arrives at the main post office, it is separated from other mail during the normal sorting process. The cards are stamped with the proper code plus a "return to sender" notice and mailed to the return address. "It is a fast, efficient process," Crone explained.

BOSTON BROWN BREAD

Boil together and let cool
1½ cups water
½ box raisins
3 tablespoons shortening
Add two small eggs
1 cup sugar
2½ cups flour
1 teaspoon baking powder
2 teaspoon baking soda
¼ teaspoon salt
1 teaspoon vanilla

GRAPE CHIFFON PIE

Indians swat Hornets 40-6 for first win

Eight-yard gain . . .

MIKE BRYAN, a hard-running sophomore, is stopped after picking up eight yards against Midland Carver. Making the tackle are Eddie Bailey and Oscar Howard. Morton downed the Hornet's in this year's first district game. (Staff Photo)

Morton gave Midland Carver a rough introduction into District 4-AA football here Friday night, ripping the Hornets 40-6. It was sparked by the ground plays of the offense and the most stubborn defense shown this season by the Indians.

It also marked Morton's first win of the season after three defeats. Held to only one touchdown in three games, the Tribe put points on the scoreboard on long runs, short runs, kicks, and even a field goal.

The Hornets brought a record of 1-1-1 into the game, but the new team couldn't spring its fleet backs, with only one exception.

Morton so dominated the game that it chalked up 23 first downs to only seven for the visitors, ground out 411 yards rushing to just 124 and generally maintained control. Not until the second unit came in late in the game and failed to move the ball did Morton have to punt.

The Indians established their defensive superiority early in the game after kicking off. The Hornets received on their own 15 and the receiver fell down. Midland Carver moved for one first down on carries by Oscar Howard and Charles Mason. But they bogged down with only nine yards on three tries as Dee Merritt, Lamar Abbe and Billy Smart put the stopper on the ball carrier.

Morton took the punt on its own 40 and needed only three plays to score. Donnie Harvey, on the field for the first time this season, hit for three yards on the first carry. Charles Joyce burst loose for 25. Harvey hit over right guard on a trap play, slanted away from the secondary and outran everyone for the corner and a TD with 7:44 left in the first period. The run covered 32 yards. Joyce bulled over left tackle for two extra points to make it 8-0.

Midland Carver was penalized 15 for a dead ball foul after the score. Howard returned the kickoff 20 yards to the Hornet 25. Howard got one yard before Leonard Johnson passed to Willie Nathan, but Harvey read the play and dumped the receiver for a three-yard loss. Wilson was forced to punt after a run got three and a pass was incomplete.

Joyce returned the kick three yards to the Morton 33. The Indians began their second drive of the period. Joyce got one, Morton was penalized 15, Joyce got 15 and 5, and Harvey added four, Joyce got five and five, Harvey ran for four, Joyce got five, Mike Bryan hit for eight, Joyce got four and three.

Bryan got one from the 11. Wayne Thompson's pass was just off the fingertips of end Randy Kelly in the end zone. Harvey swept right end for 13 yards and another TD. Thompson kept over left tackle for two points and Morton had a 16-0 bulge with 11 seconds left in the first period.

Howard returned the kick 29 yards as the first period ended. Morton absorbed a 15 yard penalty to give the Hornets possession at the Morton 45. Johnson carried for two, then lost one. He was stopped for no gain on the next try by Tommy Waters. Wilson punted into the end zone.

The Indians used 17 plays to cover the 80 yards. Harvey carried for 7, Joyce got 10, Harvey got three and five and one. Joyce hit for three and two, Harvey was held for no gain.

Thompson's pass 25 yards downfield was incomplete, but interference was ruled as Morton got field position to the Hornet 24. Joyce got one and six. Thompson was held for no gain. With fourth and three, Bryan hit over left guard for 12. Thompson fumbled the snap and lost three back to the eight. Joyce blasted for six, then one, and then one more for the score with 3:39 left in the first half.

The extra-point try left fans reeling. Morton first took a 15-yard penalty for holding. Then Carver was offside and was assessed five yards. The pass on the third try was incomplete, but Morton led 22-0.

That lead looked less secure just 20 seconds later as Johnson went around left end and outran everyone for 63 yards and the only points for Midland Carver. The run for points was short.

But, hold on, sports fans. Morton wasn't through yet. Billy Baker made a sparkling 23-yard return of the kick-off before going out of bounds on the Morton 48 with three minutes left in the first half.

Harvey got three, Baker added two and guard Billy Smart covered a fumbled pitch-out for six more yards. Joyce got three, but Bryan gained eight. Thompson started using the pitch-out and Bryan got seven. The same play to the other side with Harvey carrying netted nine. Thompson was held for no gain and Bryan lost two. Harvey powered to the 16 and time was called with only one second left.

Billy Smart moved from his guard position and kicked a field goal from the 20. The ball cleared the bar about a foot for a 30-yard boot and Morton went to the dressing room with a 25-6 margin.

Baker received the third quarter kick and returned it 19 yards to the Indians 44. Joyce hit for five, four and four. Bryan got 14. Joyce lost one, Harvey made three and Joyce added three. From the Hornet 23, Morton gambled on fourth and four, but Harvey got only one.

Ontee Johnson was held for no gain as Dick Van put the clamps on him. Johnson gained three, then Midland was penalized five. Quarterback Wilson was rushed hard and threw wildly. It was caught by a surprised Hornet tackle, Edward Booker, and Midland was flagged for five yards

What a hole . . .

for an ineligible receiver. Wilson punted 37 yards.

From his own 48, Thompson passed incomplete. Joyce sprinted for 17 and three. Harvey added two and Bryan got seven. Morton was penalized five. Joyce got eight, then lost two. Thompson lost four trying to pass. Harvey gained seven, but it was short for the first down and Carver got possession on its own 19.

Wilson came out throwing. He hit Nathan for 13, passed incomplete, then was dropped for a three-yard loss by Abbe. He hit Arthur Echols for eight. With fourth and five, Johnson carried for four and Morton got the ball on the Hornet 41.

Thompson kept for no gain and Baker got five as the third period ended. Joyce got three and Thompson sneaked for 12. Bryan picked up eight, Joyce got one, Bryan got two and Baker added five as he fumbled and recovered. With first and goal from the seven, Joyce hit left guard

for six, then fired over right guard for the TD from the one.

Midland Carver guard Kenneth Robinson was removed from the game for hitting after the whistle. Smart kicked the extra point and Morton had a 32-6 lead with 8:39 left in the game.

Lafayette Woodberry returned the kick 16 yards to the Hornet 22. John Perkins gained one as he fumbled and recovered. He tried again and got three. Wilson kept around right end for 10. Johnson added 12 and five. Alex Soliz deflected the pass attempt from his halfback spot. Wilson was dropped for an eight-yard loss by Tommy Waters on the next try. Wilson drew deep on fourth down, but Joyce intercepted on the Morton 15.

The Indian second unit went in and got only five yards in three tries. Rusty Rowden came in for his first punt and sailed a beauty 45 yards.

The Hornets made their deepest penetration. Morton was penalized 15 yards. Wilson passed to Johnson for five yards and to Nathan for seven. Then Midland was penalized 15. Wilson kept for six before Abbe corralled him on the Morton 27. Wilson passed incomplete. Johnson gained only one and Morton got possession for the last time on its own.

Again, the second unit took the field. Baker hit for three. Then halfback Alex Soliz took the handoff from his brother Ralph found a hole over left tackle and raced 71 yards to score with six seconds left. Alex Soliz tried to tackle and found another hole for two more points to make it 49-6.

Morton's kick was short and Midland possession on the Morton 48. But Wilson fumbled the ball trying to drop back and finally fell on it for a 14-yard loss as game ended.
