

Newspapers get things done

In Boston on Sept. 25, 1690, a British-born printer and bookseller named Benjamin Harris printed what was to become known as the first American newspaper. Entitled "Publick Occurrences Both Foreign and Domestick," the little three-page paper said that "the Country shall be furnished once a month (or if any Glut of Occurrences happen, oftener) with an Account of such considerable things as have arrived unto our Notice."

Such was the humble beginning of newspapers in America.

Today, newspapers play such a vital role in communication that the week of Oct. 8-14 has been designated as National Newspaper Week. Across the country and around the world, Newspapers Get Things

Done.

Newspapers inform, entertain, mold opinion and do a myriad of things in today's complex society via the printed word and picture. If it were not for the newspaper, many a scrapbook and many a letter would be void of clippings.

Newspapers are in the unique position of providing a written chronicle of today's happenings which can be read and re-read at any time of the day or night.

With this "monopoly" goes responsibility: the responsibility to inform. Were it not for crusading newspapers, exposing fraud and shady double-dealings, the public would often times not be aware of such things. The public has the right to know and newspapers intend to see it kept that

way.

An "open meeting law" has been urged by newspapers and has been passed in Texas. Armed with this law, newspapers are entitled to attend the meetings of elected public officials. This insures that the public shall be informed.

Newspapers have fought and sometimes died because they believed in the axiom "And the truth shall make them free." Benjamin Harris' paper ceased publication after one issue because the governor of the state declared the paper was printed without authority (and thereby, state control).

Even in the 1960's newspaper publishers and writers have been threatened and sometimes killed because they attempted

to print the truth about certain individuals. Since the beginning of time freedom and truth have always been opposed.

Many well-known men have been associated with newspapers. One of the most outstanding journalists of all times was Benjamin Franklin. A printer of distinction, Franklin began working for his brother, James, as an apprentice printer when he was 13 in 1721. Ben later founded a paper of his own, "The Newport Mercury," in 1758. It is today one of the country's oldest newspapers.

Other well-known journalists include Ernest Hemingway, Carl Sandburg, Samuel Adams, Joseph Addison, Ralph Waldo

Area homecomings slated

Homecoming activities will be the main topic around two area high schools this week. Both Morton and Whiteface High Schools will have their homecomings this weekend.

Morton will get its festivities underway Thursday night at 8 with a bonfire southwest of the school. The four high school classes will compete to see who can build the biggest pile and therefore get the honor of seeing their work go up in smoke.

Friday morning will see the crowning of band and football queens in the County Activity Building Auditorium at 11 a.m. The queens and their attendants will be presented at the pep rally and the football game.

Band queen candidates are Donna Hofman, Margaret Ledbetter and Dana Webb. Football queen hopefuls are Alice Black, Janie DeLeon and Lanya Colle.

The pep rally will be held at 4 p.m. Friday in the gymnasium.

The football game will pit the Morton Indians against the rival Muleshoe Mules. Game time is 7:30 p.m. in the Indian Stadium.

Preceding the football game will be a chili supper sponsored by the Morton Athletic Booster Club. The cost is \$1 for all the chili you can eat. The supper will be held in the Morton school cafeteria, adjacent to the football field.

After the game, the Morton Ex-Students Assn., will hold a coffee and business meeting in the cafeteria.

The Morton Student Council is selling mums for the games at prices ranging from \$2-\$10. For more information contact any member of the council or call Morton High School.

Whiteface will crown its homecoming queen Friday at 3 p.m. in the school auditorium. Queen candidates include Dojoni Cobb, Belva Gainer, Ann Jennings, Linda Peden and Nancy Lewis.

Saturday's activities include a parade at 10:30 a.m. followed by a barbecue lunch in the Little League Park. Cost is \$1.50 per plate with the proceeds going to the Community Park.

At 1:30 p.m., a football game between Whiteface and Anton will be held at Antelope Field.

An ex-students meeting will be held in the school auditorium at 4:30 p.m.

Ending the festivities will be a banquet in the school cafeteria at 6 p.m.

Pre-homecoming relaxation . . .

MORTON HIGH SCHOOL band and football queen candidates give the appearance of being relaxed even though the pre-homecoming tension is fast catching up with them. Band queen candidates include Donna Hofman, Margaret Ledbetter and Dana Webb. Football queen candi-

dates are, seated Lanya Colle, and standing Alice Black and Janie DeLeon. The crowning will take place at 11 a.m. Friday in the County Activity Building Auditorium.

Morton councilmen in good mood

The city councilmen of Morton were in a good mood during their regular meeting Monday night, but handled the city business in a serious frame of mind.

After joking for several minutes at the beginning of the meeting, the councilmen turned their attention to the question of a meat inspector for the city. The current inspector, E. C. Seaney, will leave within a few weeks to operate his new grocery store in Friona.

Two applications for the job were received. They came from Daniel Rozell and Leo Guffey. Following some discussions,

a motion and second by Donnie Simpson and Earl Stowe brought the matter to a vote. Of the four councilmen present at the time, Simpson and Stowe voted in favor of Daniel Rozell, while George Hargrove and Herman Bedwell abstained. Councilman Wiley Hodge walked into the meeting in time to cast the deciding vote in favor of Rozell.

Rozell will inspect meat primarily at Morton Packing Co. and will be paid at the rate of 50-cents per head inspected. Payment will come from the packing company.

Seaney will retain the meat inspector's job until he leaves. Rozell will take over the job at that time.

On a motion and second by Hargrove and Stowe, Dr. Evaldo Fernandez was appointed city health officer, replacing Dr. Garnett C. Bryan who is now living in Dallas.

City secretary Elra Oden will attend a general course in supervision at Texas A&M Univ. Oct. 16-20 following approval of the matter by the city council. The course will cost \$75 for tuition plus room and board. Approval came on a motion by Simpson, seconded by Stowe.

Mayor Jack Russell read to the council a list of fire safety recommendations made to the city by Great American Insurance Co. The company handles the city liability insurance.

The company suggested: 1. All gas substations should be protected by a fence and locked gate. (The city has four substations.)

2. All over pressure and relief valves on gas lines should be set and sealed by authorized personnel.

3. All gas relief valves should be provided with a full size discharge to a safe height.

4. The Linhoff sewage tanks should be enclosed in suitable fence at least 7-feet tall.

5. A suitable chlorine gas mask should be properly located at each station. (The city has two chlorine stations.)

The city will look into the cost for each.

★ T-W Homecoming

Homecoming for all Three Way High School exes has been scheduled for Friday, Oct. 20. The annual event will begin with a football game between Three Way's Eagles and Symer at 7:30 p.m. There will be a reception in the cafeteria following the game, complete with entertainment and refreshments.

Printer at work . . .

H. DANIEL, a printer for the Morton Tribune, is one of several thousand printers and newsmen across the nation that are celebrating National Newspaper Week. The type-casting machine he is using, generally called a Linotype even though this model is an Intertype, is the basic machine for transcribing written copy into type. National Newspaper Week runs from Oct. 8-14 and has as its slogan, "Newspaper Get Things Done." (Staff Photo)

Texas CROP Week designated by Governor John Connally

Governor John Connally has designated the week of October 29 to November 4 as Texas CROP Week.

The designation has been made by Official Memorandum, recognizing CROP as a community food appeal in Texas. The overseas relief programs of the Texas CROP is also acknowledged for its handling designations for overseas relief agencies other than the World Service, such as American Service Committee, Catholic Relief Services, Lutheran World Relief and United Central Committee.

CROP appeals in Texas consist of appeals for farm commodities and urban areas at Halloween by church youth

organizations. The appeals are conducted by local CROP committees of volunteer workers. The Halloween Youth Project is sponsored by ministerial associations, youth councils, councils of Church Women United, Jaycees and individual church youth organizations, as well as by the community CROP committees.

Rice farmers and allied industries in the Beaumont region have already contributed a carload of rice. Farmers of the South Plains will be contributing a carload of maize in several counties. Others will be contributing livestock, cotton and wheat through their county appeals.

Cochran County CROP workers have been canvassing the area, which also includes the Maple-Three Way area, for donations of grain. The grain will either be shipped to needy countries or sold for cash which will later be used to purchase grains.

County director Rex Mauldin said farmers wishing to contribute cotton, grain sorghum, peas, or beans should contact him at the First Methodist Church or Junior Linder at Morton Co-op Gin.

Chamber elects officers for 1968

Officers for 1968 were elected by the Morton Area Chamber of Commerce board of directors Thursday. Heading the organization will be O. L. Tilger. Other officers include Bill Gray, vice president; Mrs. Luke Hargrove, secretary; and Vic Jackson, treasurer.

Other members of the board include Harold Ogle, Cleve Bland, H. A. Tuck, James K. Walker, Mrs. Rob Richards, Mrs. James St. Clair, George Burkett and Ray Griffith.

Outgoing officers and directors are: Tommy Hawkins, president; H. A. Tuck, vice president; Harold Ogle, secretary; Carl Ray, treasurer; Roy Gentry; George Hargrove and J. C. Reynolds, directors.

At a called meeting Friday afternoon, directors agreed to postpone the annual Chamber banquet, which had been scheduled for Oct. 26. This date conflicted with the annual meeting of the Cochran County Farm Bureau. The Chamber banquet will be held sometime after Jan. 1.

Skip row OK

"Our campaign to eliminate the skip row penalty has finally succeeded. Secretary Freeman is announcing today a return to skip row program of 1965, which cotton farmers have requested."

Grudge fight set for homecoming

It's not a conference game, but a traditional grudge fight that looms for Morton High exes and football fans at Indian Field Friday night. The Indians will host AAA Muleshoe from up the road a ways in a non-district battle at 7:30 p.m. before a Homecoming crowd.

The teams have similar records in that each has a single victory and several losses. Muleshoe came from behind to down Dimmitt, 14-13. They have fallen to Littlefield, to Olton 0-18 and last week to Denver City, 0-31.

Morton has a 400-6 conference victory

over Midland Carver, with losses to Olton, Friona, Abernathy and Slaton.

Morton should be in good shape for the game, with no injuries resulting from last week's district encounter with Slaton.

"We were pleased with our pass defense and our goal-line defense," Morton mentor Fred Weaver commented. "But we were disappointed in our offensive blocking and our kick protection. . . . We were real pleased with the way our young men took the ball on the 75-yard drive with only about three minutes left in the half."

Muleshoe has a stout defense, scouts

agree, but their offense hasn't clicked yet. Muleshoe coaches are installing new offensive plays each game in an effort to find the scoring combination.

The Mules run from a basic "I" formation, with dashes of the straight T, winged T and Shotgun thrown in for good measure.

Probable starting offensive alignment for Muleshoe includes: Trevor Ford, left end, junior, 160; Terry Reasoner, left tackle, junior, 195; Steve Oliver, left guard,

Manning Muleshoe's Split-Six defense will be: Beamon, Oliver, Joe Pat Riley, 195-pound junior, Lumpkin, Reasoner and Roy McCormick, 165-pound junior, on the line.

Linebackers are Swint and Ford. Deep backs are Ronnie Barrett, 150-pound sophomore; Field and Bobby Birge, 140-pound junior.

Morton's freshmen will host Olton at 5:30 p.m. Thursday, Oct. 12, while the junior high squads have an open date this week.

Last week the eighth grade won its first game, with a 14-6 decision over Seagraves. The seventh grade lost to Seagraves 8-26.

Other 4-AA contests will see Denver City at Stanton, Post at Slaton and Frenship vs. Midland Carver on Saturday.

item and then try to implement as many of the suggestions as possible.

A water drainage problem was brought to the attention of the council but no action was taken on it at the present time. The problem concerns drainage of water through the back door of Cochran Power and Light.

Manager Rusty Reeder, who was not present at the meeting, said that the water was draining from the alley. Surveys showed that the alley behind the building was about eight-inches higher than the bottom of the door. This build-up occurred when the alley was paved and caliche was placed on top of the alley without removing any of the soil under it.

Also, the survey showed the curb on SW1st to be the same height as the back door.

The council talked about several possible solutions to the problem, but no action was taken by the council pending further study.

Emerson, Horace Greeley, Alexander Hamilton, William Randolph Hearst, Joseph Pulitzer, Ernie Pyle, Ed Sullivan and many others.

Since professional competence is the constant goal of all newspapers, the Morton Tribune belongs to one national and two state newspaper associations. This year the Tribune has won five awards for outstanding work in the field of journalism. Two of these awards were in national competition.

Managing editor H. A. Tuck has earned more than 40 newspaper awards during his journalistic career. News editor George Tuck has earned five awards including third and fourth place awards in the National Press Photographers Assn.'s monthly contest. This includes competition against newspapers in Texas, New Mexico and Arizona. Competing newspapers include "Houston Chronicle," "Dallas Times Herald," "Fort Worth Star-Telegram," and many others.

The Morton Tribune is proud to be a part of National Newspaper Week and hopes that it can live up to the standards set by the great newspapers of the world.

Judy Wemken, daughter of Mr. and Mrs. Lloyd Wemken has enrolled in the Northwest Texas School of nursing in Amarillo. Miss Wemken will attend the school 21 months, and graduate as an RN.

CHINA PAINTING CLASS BEGINS

Enrollment for a class on techniques of china-painting will open Monday, Oct. 16, in the home of Mrs. Henry Bedwell, 903 East Grant. Come between 9 and 11 a.m. or 1:30 until 3 p.m.

The course will be taught by Mrs. J. W. Burcham of Levelland, who will display some of her completed work during the enrollment period.

District election

The Cochran Soil and Water Conservation district will hold an election Oct. 13 at 8:30 a.m. in the Star Route Gin office to select a supervisor for Zone 4 of the district. Zone 4 is in the northwest part of the county with its east boundary along the Maple highway and the south boundary four miles north of Bledsoe. All members of Zone 4 are urged to vote in the election and to take an interest in the future of conservation in the Cochran District.

Mrs. John McGee is attending convention

Mrs. John L. McGee, President of Cochran County Unit of the American Cancer Society is attending the Twenty-First Division Annual Meeting of the Society, Oct. 11-12 at the Rice Hotel, Houston.

Astronaut Walter M. Schirra, Jr., Captain (U.S.N.), of Houston, the newly appointed 1967 Texas Crusade Chairman for the Society will address delegates at the Convention.

Also addressing the convention will be Travis T. Wallace, Dallas insurance and banking executive, and Chairman of the National American Cancer Society. Mr. Wallace has been chairman of the National Executive Committee since 1959, and has served on the Texas Division of the American Cancer Society.

The convention will include committee meetings, seminars and workshops. Also included on the agenda will be election of new officers, Directors-at-large, and Executive Committee members.

A group of prominent Texas physicians, all past presidents of the Texas Division, will present and discuss four cancer cases representing the various successful cancer treatment techniques now being used across the state. Physicians scheduled to appear on the panel include: B. L. Aronoff, M.D., Dallas; John Childress, M.D., Dallas; A. B. Goldston, M.D., Amarillo; J. E. Miller, M.D., Dallas; William D. Seybould, M.D., Houston; John F. Thomas, M.D., Austin; and John A. Wall, M.D., Houston.

Mrs. McGee will report on the convention to the local unit at their next regular meeting to be held on October 17.

Morton Rainbows in regular meeting

The Morton Rainbow Assembly No. 293 met Oct. 9, 1967 at the Masonic Hall with Karen Fred presiding in the absence of Donna Allsup, Worthy Advisor, who is away at college.

Karen announced her installation date which is set for this Saturday, Oct. 14 at 7:00 p.m. at the Masonic Hall.

The members were reminded of the "Jalopy Pool" and that it will begin the fourth Monday. This is to encourage each member to be present. All line officers will be responsible for their list of members.

The following attended the meeting: Karen Fred, Cindy Gunnels, Vicki Goodman, Terry Shifflett, Ruthie Smith, Diane Avery, Sue Winder, Glorietta Gray, Teresa Mullinax, DeAnny Ramsey, Janice Hall, Peggy Thomas, Rita Kay Bedwell, Ann Winder, Linda Gandy, Diane McCastland, Rebecca Green, Vicki Hodge, Vicki Kennedy, and Mrs. Billye Winder.

Road contract given for FM 3024 surfacing

A contract for 13.789 miles on Farm to Market Road 3024 in Cochran County has been awarded to a Lubbock firm, it was announced in Austin this week by the State Highway Commission.

Henry L. Stafford submitted the low bid of \$382,061 on the project. Grading, structures, base and surfacing from FM 769, east to State Highway 214, nine miles south of Lehman is expected to take 160 working days, according to O. L. Crain District Highway Engineer at Lubbock.

Carl R. Hart, Resident Engineer at Brownfield will be in active charge of the project while it is under construction.

Jr. Horizon Club has regular meet Oct. 10

The Junior Horizon Club met Tuesday, October 10 at the home of Mrs. Daniel Rozell. Officers elected for the coming year were: President, Janella Nebhut, Vice-President, Rheda Brown, Reporter, Deborah Miller, Historian, Jeanie McMinn, and songleader, Karen Rozell. Those present were Rheda Brown, Beverly Brown, Karen Fred, Carol Freeland, Deborah Miller, and Janella Nebhut.

Democratic Tea

There will be a Tea in the home of Mr. and Mrs. Roy McClellan, at 3307-45 October 15 from 2 p.m. to 6 in Lubbock. This is in honor of the 175th anniversary of the Democratic Party. All Democrats of Cochran County are invited and urged to attend.

Commissioners agree to stock barn pens

A brief commissioners court meeting Monday morning handled three items of business: payments of bills, stock barn pen improvements and payment of bills.

The first item on the agenda was concerned with proposed improvements to the county livestock barn pens. Leonard Groves, spokesman for the Livestock Improvement Assn., said that permanent improvements to the barn would cost the county about \$1,500 with the association putting in another \$750.

Pens will be built on the east end of the barn and will primarily for sheep. Other pens will be built in the show ring.

On a motion by Leonard Coleman, seconded by U. F. Wells, the court agreed to set aside \$1,500 from the General Fund for materials and labor to be used in improvements of the pens at the county livestock barn.

The September bills were approved on a motion and second by Coleman and T. A. Washington.

The remaining time was spent in reading minutes from April through the present time. These in turn were approved as read or as corrected.

At the close of the meeting, Commissioner Harral Rawls said that he would like some financial assistance for construction of some 45 miles of new roads in his precinct. No action was taken on his request.

Mrs. Glenda Washam and children, Mike, Tim, Carla, and Lance spent last weekend in the home of her parents, the Roy Allsups.

Cochran Co. Teachers hold first meeting

The first meeting of the school year for the Cochran County Teachers Assn. was called to order recently in the Bledsoe school auditorium by Jim Middleton of Morton, president.

After the invocation by Paul Davis of Morton, L. S. Salser of Whiteface, first vice president, introduced the speaker of the evening, Billy Snow.

Snow, who has been a staff member of TSTA since 1961, is currently serving as assistant director of the Division of Public Professional Relations. He spoke to the local teachers about TSTA, particularly with regard to unitedness within the organization.

The state association anticipates a membership of 120,000 this year. Cochran County already has a 100-percent in TSTA membership for 1967-68. Further, Snow reported on legislative achievements and explained reasons for the proposed TSTA dues change from \$10 to \$18 annually.

Snow's speech was followed by a brief business meeting during which county dues were changed from \$1 to \$2 for the 1967-68 school year and during which Salser was nominated as delegate to the 1968 state convention, with Mrs. Harold Reynolds of the Whiteface school to serve as alternate.

Mrs. Geo. Hargrove gives program on history of music

Morton Music Study Club met in the home of George Hargrove with 14 members present on Thursday, Oct. 5. The program centered around the decision to present again this year an outstanding club woman and mother of the year at their annual federation tea. Mrs. Hargrove also decided to include non-members besides other than study club members. The program is looking forward to the Smith Halloween Carnival. Co-

chairmen for the event will be Mrs. Max Clark and Mrs. Robbie Key with a committee of Mrs. Bob Robinson and Mrs. Deryl Bennett. Mrs. Weldon Wynn, president, will attend the workshop in Littlefield, Oct. 14. Following refreshments of German chocolate cake and coffee, Mrs. George Hargrove presented an outstanding program on the history of music.

The two part program consisted of a history of music and biographies of three famous composers.

Both secular and Bible references to the use of music in ancient times were pointed out, the oldest records being some 5,000 years old.

The Bible often alludes to the importance of music to the Hebrew people, King David himself being a harpist. The culture of Greece placed music in an important role but the powerful Roman Empire placed a lesser value on the gentle art. The latter portion of the program consisted of biographies of two composers of the Classical period, Johann Sebastian Bach and Ludwig Van Beethoven and Chopin of the Romantic Period.

After outlining major events of the musician's lives and a description of their composing styles and techniques, exemplary selections were performed by Mrs. Hargrove. These included: a Chorale by Bach; a Scherzo and The Moonlight Sonata by Beethoven; and Mazurka in G minor, Waltz in B Minor, Waltz in G Flat Major and Polonaise in A Major all by Chopin.

Campfire girls hold regular meeting

Ta-wan-ka Campfire Girls met October 5 for their regular meeting. There were three members and one new member, Jeanie Coker, present.

After the meeting games were played and refreshments were served to the following: Judy Steed, Debra Adams, Cassandra Reeder, and Jeanie Coker. The next meeting will be October 19.

three really 'tuff' football players: Dee Merritt (junior '11' halfback), Rusty Rowden (junior '24' punting specialist), and Hershel Lamar (junior '74' tackle).

Dee is the son of Mr. and Mrs. J. D. Merritt of Morton. This is his second year of varsity ball. His classes this year include English III, government, band, biology II, Algebra II, and sports. The latter is his favorite subject.

Dee enjoys horses and football. He wants to be a veterinarian "when he grows up". Rusty is the son of Mr. and Mrs. Tom Rowden. This is his first year of varsity ball, and he's doing a commendable job on the team's punting plays. This year he's taking geometry, government, band, American history, English III, and sports. His favorite subject is American history.

"Russ" enjoys all kinds of sports. He plans to attend West Texas State University in Canyon after he graduates.

Hershel is the son of Mr. and Mrs. Don Lamar of Morton. This makes his second year of varsity ball. Hershel should be commended for working and getting himself a shape for this fall's football season. He really "tuffened" himself up over the summer and is making a good showing on the team this year.

His subjects this year are: world history, American history, English III, Ag. III, and sports. He claims American history as his favorite subject.

I guess I've come to end of this week's news. Just remember the homecoming festivities this week: bonfire, Thursday 8:00 p.m. behind high school; Coronation, Friday 11:00 a.m. county auditorium; Pep rally, Friday 4:00 p.m. boys' gym, and (of course) Game, Friday, 7:30 home field. In the meantime, "GET A MULE!"

Through the telescope by Tuck

The frost and freeze temperatures are getting too close for comfort. Wednesday morning was mighty cool and a few spots probably had some light frost. We understand there was a little frost last Sunday in some place southwest of town, including some at Francis Shifflett's place. This country needs a minimum of two weeks, and six weeks would be better, in order to get maximum production from our cotton and grain sorghum. A lot of milo has been cut, but much of it still remains in the field and would be damaged by hard freeze right now.

All this week, Tribune staff members have been wearing ribbons imprinted, "NGTD, National Newspaper Week Oct. 8-14". The initials have caused some puzzled looks and a few guesses as to their meaning. New editor George Tuck insists that they stand for "National George Tuck Day" and claims it's not easy to get a national day proclaimed for one person. However, the official translation is "Newspapers Get Things Done". One wag claims the printer left off the question mark at the end of the statement.

Like the cobbler's children who were without shoes, newspapers too often get so involved promoting other people's activities and projects they forget to remind the public of the real services rendered by newspapers. Since we have a feature story and an editorial about newspapers in this issue, we won't dwell on the lofty aspects of journalism. However, we would like to point out that the Tribune has seven full-time employees living in Morton, which makes it a fair-sized business. And a newspaper is unique in manufacturing circles, in that it plans, designs, builds and distributes a completely new product each week. And talk about planned obsolescence: a newspaper's product of the previous week is completely valueless.

This is Homecoming Week for the MHS Exes, and also for those who went to school at Whiteface. The Morton alumni will be treated to such events as a pep rally, bonfire, band and football queen coronation, freshman football game, varsity game, chili supper and a reception. All in all, a busy schedule for the next few days. The Whiteface Homecoming activities are concentrated on Saturday, with a parade, football game and reception, plus some other events.

The Morton High band has been marching around the school campus this week, preparing for the parade at Whiteface. We understand the band also will get to hear the U. S. Air Force Band in Lubbock Saturday evening.

It's not a conference game, but the Morton-Muleshoe football rivalry is intense and we are looking forward to Friday's contest here. The teams have similar records and will be trying to get set before returning to conference play.

One of the real head-knocking football games this week should be the Texas Tech-Texas A&M battle in Jones Stadium Saturday night. We were among the 40,000 fans who sat there last week waiting in vain for the vaunted Tech offense to explode. We saw a fine game, but a disappointing loss for the Raider fans. Before the game ended, we began hearing a common thought, "If the Raiders have to lose, I'm glad it's against Mississippi State this week instead of A&M next week."

There has been some business remodeling going on during the past week. Paul Baker repainted, lowered the ceiling, installed acoustical tile and changed the lighting in the East Side Pool Club. But Paul had to take a back seat to the Steak House, which has been repainted inside and out, added a lowered, tile ceiling and paneling on the walls.

Work on the courthouse and hospital projects is getting along nicely. A huge crane installed roof supports on the hospital addition this week, while work was concentrated below ground level on the courthouse additions.

Dutch (Mrs. Joe) Gipson is out of the hospital now, after staying a little more than a week recuperating from broken ribs received last week. Joe had just been released from the hospital prior to the mishap, he'd had a heart attack. Joe says Dutch is getting along nicely, but seems to enjoy ordering him around. We understand that this was Dutch's first stay in a hospital.

Randy Kelly, a senior end on the Morton football team, got a few stitches taken Friday night. He knew that he had gotten a cut lip, but wasn't aware of a gash on his chin until the doctor examined him. But Randy says he will be ready Friday night, even if he has to wear his chin strap around his neck.

McDaniel-Autry vows read in Enochs Baptist Church

Miss Barbara Jeanett Autry and Gordon Lane McDaniel were united in marriage September 9, at 8 p.m. in the Enochs Baptist Church with Leon Kessler, minister of the Enochs Church of Christ, performing the double ring ceremony.

The bride is the daughter of Mr. and Mrs. E. M. Autry, and Gordon is the son of Mr. and Mrs. Marion McDaniel, St. Rt. 2, Enochs.

Miss JoAnn Autry, sister of the bride was maid of honor, and Miss Tresa Autry, Enochs, cousin of the bride was flower girl. Candelights were Wilma Autry sister of the bride and Creg McDaniel, brother of the bridegroom. Ring bearer was Lynn McDaniel, brother of the bridegroom. Ushers were Dwight McDaniels, brother of the groom, and Mitchel Autry, brother of the bride.

The bride, given in marriage by her father, wore a sleeveless white embossed satin dress, a white lace jacket was worn over the dress, which had a fitted bodice, side gathered skirt and detachable chapel length train. An elbow length white illusion veil was attached to a white pill box hat with beaded trim. The bride carried a bouquet of white gladiolus and

ers. The maid of honor wore a yellow brocade, sleeveless A-line dress and carried a bouquet of yellow rosebuds. The flower girl's dress was also of yellow brocade satin.

An archway entwined with yellow and white flowers were the decorations.

Mrs. Kenneth Coats, Morton, sang "Because" and "The Lord's Prayer."

A reception followed in the Fellowship Hall of the Enochs Baptist Church. The table was laid with a white lace cloth centered with a yellow and white floral arrangement. Refreshments of a three-tiered wedding cake and yellow punch were served. The houseparty was given by Mrs. JoLinda Bennett, Abilene, Miss Dolores McCall of Enochs, and Janice Crockett of Morton.

For a wedding trip, the bride chose a beige and white two piece suit with white accessories and their wedding trip was to Ruidoso, N.M. The couple are at home at 908-10 St. in Levelland. The bride is a 1966 graduate of Buia High School, and the bridegroom is also a graduate of the Buia school.

Cochran County well represented at SPC in Tex-Anns and band

Cochran County is well represented in the South Plains College Tex-Anns and in the band with nine girls and five boys and one girl in the respective organizations.

Members of the Tex-Anns are Cheryl McDaniel, Kay Fincannon, Dona Smith, Janette Cooper, Sandy Kelly, Sharon Graves and Sue Lewis of Morton; Pat Lasater and Sherry Peters of Whiteface; and Connie Stowe, Plains, formerly of Morton.

Members of the band are Lillard Hamilton, Randall Tanner, Curtis Jennings, Patricia Browne, Charles Jones and Don Vanlandingham of Morton.

A total of 35 girls compose the drill team while 36 students are members of the band.

The band and drill team will make their first performance of the year Thursday night, Oct. 12, in Brownfield. The performance will come during the halftime of the football game between the freshmen of West Texas State Univ. and the freshmen of Abilene Christian College. The game is sponsored by the Brownfield Chamber of Commerce and tickets may be purchased at the gate. Game time is 7:30 p.m.

Would you believe? Morton picked to squeak by Muleshoe here 13-12

By ROY McQUEEN

Stanton grid mentor Bryan Boyd doesn't have to be reminded about the Buffaloes' first encounter with Denver City.

Stanton, the small West Texas oil community located east of Midland, was rudely initiated into District 4-AA competition.

Entry into the league last year resulted in a 38-4 loss to the Frenship Tigers. That was the worst defeat of the season with the exception of that night that Boyd had just soon forget.

The Buffs, plagued by injuries and illness most of the season, had taken off a few bandages in hopes of upsetting Don Orr's Mustangs.

"IT SEEMS LIKE all we did that night was receive kickoffs," Boyd quipped. The score was 42-0 and the Mustangs were still in the conference race.

The battle comes off again Friday night, and Boyd hopes his troops are better prepared. "We learned a lot last season and the injury problem hasn't been as bad this fall," Boyd said.

Odds-makers are not likely to place the Buffs in the favored position but no one, especially Denver City, is taking the Buffs lightly.

Stanton, who owns a 3-2 ledger for the season and a 1-0 conference mark, is fresh from a 37-0 triumph over the hapless Frenship Tigers.

STANTON ALSO HAS the home field advantage if any such advantage does exist. Mustang fans, who turn out equally as well for road games, often drown out partisan crowds.

Stanton has met some strong opposition this season and its two losses were to highly-respected Permian Basin teams—Iraan and McCamey.

Denver City, who took a break from district action last Friday, enhanced its press book with a 31-0 whitewashing of Class AAA Muleshoe.

The Mustang defense really shone for the first time this season, holding the Mules minus the century mark in rushing. The Pony offense, sparked by halfback Biff Hatfield, collected 288 yards.

THE SLATON TIGERS got back on the winning trail by clawing Morton, 40-6. Slaton's Richard Washington ran wild in pacing the victory with three touchdowns.

Slaton is 3-2 in season competition and the Tigers sport a 1-1 league mark. The loss was the fourth of the year for the Indians who are 1-1 in 4-AA play.

Defending champions, the Post Antelope, bowed to Coach Johnny Williams' Midland Carver Hornets in the only Saturday game.

The Hornets, led by Willie Nathan, edged up a 28-0 victory over Post. Morton Carver is 2-2-1 for the year and 1-1 in conference.

IN OTHER GAMES this weekend, ship, unless in five games, takes the Midland Hornets. Muleshoe tries to win in a non-conference affair.

Post invades Slaton in a 4-AA game that always develops in a battle between the two arch rivals.

It's not likely that a sports writer will get all the games correctly twice in a season. It happened again last week. All the chips fell according to the book. This week is slightly more difficult. Our proud 87% average could easily take a dip.

Denver City 42, Stanton 12 — Stanton apparently has found its offense. It will take a supreme effort to squeak basket now. Hatfield could easily run.

SLATON 28, Post 12 — Stanton's Washington totting the ball, should overpower the Antelope nine (sic). Nonetheless, history shows that both draw blood in this rivalry.

Midland Carver 20, Frenship 8 — Hornets will have only slight difficulty stinging the Tiger gang.

Morton 13, Mules 12 — This one goes either way but Morton fullback Charles Joyce should make the difference.

LeFleur Garden Club has regular meeting recently

Mrs. Sammie Williams was hostess to the Le Fleur Garden Club for the September 28 meeting, in her home.

Roll call was answered by members giving the name of the garden seed they brought for exchange.

Mrs. L. Z. Scoggins, program chairman, distributed the new yearbooks. The date for the Pilgrimage to the "Chrysanthemum Colorama" and Garden and Arts Center in Lubbock, was changed to Saturday, October 14. Members will meet at 8:45 a.m. at Mrs. Eugene Bedwell for the tour. The Flower Show held in connection with the Colorama will be visited after a luncheon arranged by the hostess and the social committee.

The October, 12 meeting will be held at the regular time on October, 26, and members are to bring a rock to this meeting, which will be used in the rock garden area in the Civic Beautification project.

Other business included the treasurer's report, ordering of stationary, calendars and Christmas wrapping paper for sale. Members voted to cooperate with Cochran County Garden Club on Strickland Park project through donation of a tree, bulbs or other plant material. The club will also take part in the Halloween Carnival sponsored by Emelea Smith Jr. Study Club. The finance committee will work out plans for a booth.

The program for the day was "Plant

Propagation". Propagation or reproduction of plants thru seeds was discussed by Mrs. Olin Darland, who told of the proper method and care in planting various seeds to insure germination and plant growth afterward.

Mrs. Owen Egger instructed in ways to care for tender plants which must be moved indoors before winter; how to make cuttings and how to root them.

Mrs. W. A. Woods told of propagating plants by layering; one simple way to get new plants from some shrubs and vines. Forsythia, honeysuckle, ivy, willow and many others may have a branch bent to the ground, slit or wound the branch, cover with soil and anchor to the ground. Kept moist, it will form roots and may be cut from the parent plant and transplanted to a permanent location.

Other types of layering are serpentine, mound and air layering. The making of compost heaps was also discussed. With the approach of autumn and falling leaves to be raked and other growth to be pulled out, this source of humus should be conserved and added to the garden later.

Members present were: Mrs. Eugene Bedwell, Mrs. W. A. Woods, Mrs. L. A. Scoggins, Mrs. W. W. Williamson, Mrs. Roy Hill, Mrs. Owen Edger, Mrs. Olin Darland, Mrs. E. R. Fincher, Mrs. Don Sanford and the hostess, Mrs. Williams.

Mr., Mrs. Dane return home after visiting in California

By MRS. J. D. BAYLESS

Mr. and Mrs. J. O. Dane returned home by train Tuesday, after Mrs. Dane had spent four weeks and J. O. two weeks visiting their daughter, Mr. and Mrs. Jackie Shan in California. On their return they received word that Mrs. Dane's sister-in-law, Mrs. Roy Speck, had died Monday with a heart attack. Mr. and Mrs. Dane and their daughter, Mrs. Joe Clark and children, Donnie and Aneta left Tuesday to attend the funeral. Services were held at 2:30 p.m. in the First Baptist Church in Anson.

Jerome Cash was admitted to the Methodist Hospital in Lubbock Tuesday for x-rays and tests. He returned home Wednesday afternoon and is feeling fine.

Mrs. J. D. Bayless visited in the home of Mrs. Ed Hulse Monday in Muleshoe.

Mrs. Hulse had a birthday recently and was 89 years old.

Mr. and Mrs. J. C. Pearson Sr. and their daughters, Mrs. Don Hall and Mrs. Bobbie Don Henderson left Wednesday for Colorado to be with another daughter, Mrs. Linda Wilson, who underwent surgery Thursday.

D. J. Cox ginned the first bale of cotton at the Enochs Co-Op Gin Wednesday, also the first one at the Young Gin in Bula. The cotton was pulled with a stripper on his farm one mile north of Enochs. Mrs. Joe Clark is attending a beauty school in Lubbock five days a week for six months. Her mother, Mrs. J. O. Dane is taking care of her children.

Mrs. Johnnie Angel brought her husband home from the Green Memorial Hospital last Tuesday. He is very ill and the men

of the community are taking turns staying with him at night.

Mr. and Mrs. Clyde Coffman and Mrs. Clemmie Speck of Morton visited in the home of Mr. and Mrs. Jack Austin and Mr. and Mrs. J. D. Bayless Tuesday. Clyde is a brother of Mrs. Bayless.

The intermediate girls of the G.A.'s and their counselors of the Enochs Baptist Church fixed a fried chicken dinner and took it to Mr. and Mrs. Johnnie Angel Wednesday. Also the Sunbeams and their sponsors took some flowers to Mr. and Mrs. Angel.

Mrs. Clarence Jackson of Littlefield, area carrier, has been very ill in the Medical Arts Hospital. She received some injuries in an accident while preparing and sorting mail for her route.

Mr. and Mrs. John Blackman went to the fair last Tuesday after which they visited in the home of some friends, Mr. and Mrs. Jack Speck at Bainer Switch in Lubbock. It was Mrs. Speck's birthday. Also visiting was an aunt of Mrs. Speck's Mrs. Debney White of Lawton, Okla.

The people of the community are invited to meet at the Bula School Friday, Oct. 13 for the annual clean-up day at the school and the city of Enochs. Lunch will be prepared at the lunch room for all wishing to stay.

We were proud to welcome Mrs. George Fine as a new member at the Enochs Baptist Church.

Mrs. Claud Coffman of Muleshoe and Mrs. J. D. Bayless of Enochs drove to Amarillo Friday to see their sister, Mrs. George Henderson who was admitted to North West Hospital, last Tuesday. She returned to her home Friday afternoon.

Guests in the home of Mr. and Mrs. E. C. Gilliam Sunday were their son, Mr. and Mrs. Carry Gilliam and family from Goodland, Burel Johnson of Tahoka and Mr. and Mrs. Edd Ary and son, Mike. Mrs. Gilliam's mother, Mrs. M. L. Scillian is a patient in the West Plains Hospital in Muleshoe.

Mrs. Guin Dow and children, Linda Autry, Bonnie and husband all of Dallas spent the weekend in the home of their parents, Mr. and Mrs. Arles Autry.

Mrs. Myrna Turney left Monday to attend a meeting in Austin. She will return Thursday.

Guests in the home of Mr. and Mrs. Johnnie Angel Sunday were her sister, Mrs. Bill Tivis of Pep, N.M. Also their son, Mr. and Mrs. Bruce Angel of Lubbock.

Mrs. George Autry and Mrs. Fay Jones were in Littlefield Sunday to attend the funeral of Carla Parker.

Mrs. Ray Seagler and Mrs. C. C. Snitker drove to Lubbock Tuesday to visit Mr. and Mrs. Stanley Snitker and family. Stanley is a son of Mrs. Snitker and his wife is a niece of Mrs. Seagler. They also visited Mrs. Snitker's sister, Mrs. Carroll Peck at Levelland and Mrs. Seagler's mother, Mrs. Ola Smith at Morton.

Mr. and Mrs. Ray Seagler left Friday for an extended visit with their daughter and family, Mr. and Mrs. Wayne Herrington of Sherman.

Rev. and Mrs. Ray Cunningham and son, Bill from Wells spent Saturday night in the home of her sister, Mr. and Mrs. J. D. Bayless.

Clifford Snitker was in Muleshoe Thursday to visit his parents, Mr. and Mrs. F. C. Snitker.

Mr. and Mrs. Joe Milsap spent the weekend in the home of her brother, Mr. and Mrs. Hugh Anderson at Borger. They also went fishing.

Mrs. P. P. Childers and daughter, Mrs. H. B. King left Saturday to attend the funeral of Mr. Childers' brother, Everett Battles at Dallas Sunday. They returned Monday.

Slaton chops up Morton 40-6

MORTON, TEXAS, THURSDAY, OCTOBER 12, 1967

almost blew Morton off the field in the second half of their football battle. Leading only 12-6 at the time, the Tigers came out and roared for more TDs and a lopsided 40-6 victory.

Both teams had been involved in 40-6 games the previous week, but had been opposite ends. Morton dropped Midland Carver 40-6, while Slaton was falling to Carver City by the same 40-6 margin.

Friday's games put Morton, Slaton, Post and Midland Carver into a four-way tie for 1-1 marks. Denver City and Stanton are 1-0, while Frenship is 0-2.

Tigers scored the first two times they got their hands on the ball, and all was icing on the cake for them. The game started out in a hole and never really recovered. Charles Joyce kicked on the opening kickoff on the

three and returned it only to the Morton eight.

Three runs gained eight yards and Rusty Rowden punted 37 yards. But Paul Hall made a dandy 16-yard return to the Morton 37, where Rowden finally halted him.

It took ten plays for Slaton to cover the distance, with hard-running Richard Washington getting 27 yards. He blasted over for the TD from the five with 5:48 left in the first period. Truett Johnson's kick was short.

Wayne Thompson returned the kickoff 27 yards to the Morton 33. Two runs netted one yard and Thompson's long pass was intercepted by Washington. He returned 20 yards to the Morton 43.

Slaton was penalized five yards to the 48, but that didn't bother the Tigers. Washington ran for two, Doyle Ethridge got 17, Johnson tried for two more to the Morton 28. Paul Hall went the rest

of the way as he skirted right end, cut to his left and outran the Indian secondary.

A fake kick, an end sweep and an option pass was exciting to watch, but the try for extra points failed. Slaton led 12-0 with 3:16 left in the first period.

Thompson returned the kickoff 21 yards, to the 29, but again the Indians failed to move as two runs gained three yards and Thompson's screen pass to Donnie Harvey gained nothing. Rowden punted 36 yards with Washington returning eight yards.

Slaton gained nine yards on three plays and gambled. Washington made the first down as the first quarter ended. Slaton was penalized five yards, but Ethridge picked up 24 yards. Two more runs gained four to the Morton 28. One pass went incomplete. Another pass try was intercepted by linebacker Jerry Steed on the

Morton 26.

Morton picked up its initial first down as Joyce went around left end for 18 yards. He picked up another six on the ground to midfield. But Thompson's pass was incomplete. Joyce lost three yards on the next play. Rowden fumbled the snap, picked it up and decided to run. But he was dropped for a two-yard loss.

From the Morton 45, Slaton began to move again. The Tigers picked up two first downs. Hall fumbled the handoff and was held for no gain as he recovered. Ethridge's halfback pass try was incomplete. Quarterback Jimmy Williams tried right end, but Harvey racked him up for a one-yard loss and Morton got possession on its own 25.

The Indians needed 19 plays on the ground, and almost all the time left in the quarter to get on the scoreboard. Joyce carried for two and three. Thompson

kept for seven. Harvey got nine and Mike Bryan added two. Thompson carried for six, Bryan lost one and gained four. Thompson kept for four, Harvey got five, then lost one. Billy Baker carried for three, Harvey added nine, eleven and four. Thompson got one, Harvey four and two. Joyce carried in from the one with only 42 seconds left in the half. His run for extra points was short, but Morton trailed only 6-12.

Morton failed to keep possession on an on-sides kick. But Washington was held for no gain as tackle Dick Van stopped him at the line. Ethridge tried the halfback pass again, but it failed. Williams kept for six yards as the half ended.

Morton kicked to open the second half. Hall gave the Tigers good field position with a 22-yard return to the Slaton 41. Washington hit for five yards. Then he blasted over right guard and ran through the Morton secondary for 54 yards and a TD. Tackle Truett Johnson kicked the point-after and Slaton had a 19-6 bulge with 11:09 left in the third quarter.

of the first down. Rowden's punt hung in the wind and netted only eight yards to the Slaton 45.

The Tigers' second unit came in and not even two 15-yard penalties could stop them. Halfback Dale Harris scampered for six yards and Essie Scott had runs of 23 and 10. Harris cut over right guard, went back to his left and outran everyone for a 36-yard scoring play with 4:22 left in the game. Johnson converted to make it 40-6.

Harvey returned the kick 12 yards to the Morton 20. Three plays by the Morton reserves got nine yards and Rowden punted 28. Slaton gained nine yards to the Morton 38. Then Johnson came in to try a 37-yard field goal. But the snap was fumbled for a nine-yard loss.

Morton, aided by a 15-yard penalty, started moving from the Tiger 27 in an attempt to score again. Harvey gained five. Thompson passed incomplete, then hit Bryan for five yards. Joyce got seven yards and Thompson passed incomplete. The next aerial was intercepted by Essie Scott to cut off the last try for the Indians. He returned 23 yards, but Slaton was penalized 15. Williams committed Slaton's only fumble on the last play of the game, but recovered.

Thompson returned the kick 20 yards to the Morton 31. Joyce was held for no gain. Harvey hit for five, then fumbled on the next play. Ethridge recovered for the Tigers on the Morton 37.

Ethridge hit for six and Washington added three. Ethridge went through on a trap play and scampered 22 yards before Bryan caught up with him. Washington was held for no gain and Ethridge got only one to the Morton five. Williams tried to keep around right end. But Dick Van LaMell Abbe, Tommy Waters and Donnie Harvey swamped him for a three yard loss. Ethridge tried to score, but was dropped for another three-yard loss by Abbe and Billy Smart.

Morton got possession on its own 11, but three runs got only seven yards. Rowden punted 44 yards. Washington returned it 13 yards to the Morton 49.

Eleven plays later, Slaton had another touchdown. Washington went the final eight yards over left tackle with only 20 seconds left in the third period. Johnson converted and Slaton led 28-6.

Harvey returned the kick 22 yards to the Morton 40. As the fourth period began, Morton gained five yards on two runs. A pass was incomplete. Rowden punted only 19 yards against the wind to the Slaton 36.

Two runs by the Tigers picked up six yards. Quarterback Williams hit Hall on a short pass into the left flat. Hall juggled the ball, tucked it away and started wiggling his way for 58 yards and a TD. Johnson converted and Slaton had a 33-6 margin with 9:47 left in the final period.

Tommy Waters returned the short kick 12 yards to the Morton 37. Morton moved into Tiger territory, aided by a penalty against the Tigers that erased their fumble recovery. But Morton took a 15-yard penalty. Thompson hit Abbe for a 13-yard pass play, but that was short

Five men attend co-op bucket training school

Eugene Wittner, Harold Cowan, Clovis Windham, Seth Shaw and William Parker from Bailey County Electric Cooperative, attended the Insulated Aerial Bucket Training School held at the South Plains Electric Cooperative, Inc., Lubbock, recently. This school was designed to train linemen to use aerial bucket trucks in the construction and maintenance of live power lines. The electric cooperatives are continually striving to improve their electric service and cut down outage time through the use of the most modern methods.

There were approximately 100 men in attendance from as far away as Wyoming and Louisiana. The school was sponsored by the Line Superintendents of electric cooperatives operating in the South Plains and Panhandle of Texas.

Punt, Pass & Kick winners named in Morton Saturday

Six winners of the annual Punt, Pass and Kick contest were selected Saturday morning at the Morton High School football field following competition. The contest was sponsored locally by Reynolds-Hamilton Ford Company in cooperation with the Ford Motor Company and the National Football League.

- Boys between the ages of 8 and 13 competed in punting, passing and place kicking. The boys were judged on accuracy, with points subtracted for the distance the ball hits from the center line.
- Following are the first, second and third place winners in each age group:
- 8-year-olds: Mark Cunningham, 157 1/2; Rusty Lamar, 124; and Gary Shifflet, 100 1/2.
 - 9-year-olds: Malcolm Coleman, 178 1/2; Danny Elliott, 137 1/2; Joe Bryan, 120;
 - 10-year-olds: Lanny Tyson, 160 1/2; Mickey McMaster, 132 1/2; Robby Sowder, 120;
 - 11-year-olds: Ralph Mason, 204; Chuck Dupler, 200; Terry Shaw, 170 1/2;
 - 12-year-olds: Jerry Silhan, 184; Larry Thompson, 171 1/2; Pete Soliz, 157;
 - 13-year-olds: Marvin Dee Woolam, 166.

The six local winners will compete at 10 a.m. Saturday, Oct. 21, at the Texas

Tech practice field in Lubbock for area honors. Winners at each level of competition continue and are eligible to win trips to Philadelphia, then to Washington, D.C., and finally to Miami, Fla., to compete for national honors during halftime of the NFL Play-off Bowl.

Local winners in each age group received first, second or third place trophies. The awards were made Monday evening during a meeting of the Morton Athletic Booster Club. H. A. Tuck served as contest director and made the award presentations.

HIS TROUBLES WON'T GET HIM DOWN

Forgetting his incapacitation, he is happily determined to plan ahead. His spirit is not easily crushed. Life is always full of hope and excitement. The Lord and this young man's Christian friends have taught him to have such an outlook on life.

"But the fruit of the spirit is love, joy, peace, long-suffering, gentleness, goodness, faith." Galatians 5:22.

We invite you to attend the church of your choice regularly to worship, to be uplifted, encouraged, and blessed.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
