School board okays heating system bid

The awarding of a bid for installation of a new heating system for the old gym and surrounding classrooms was the largest single monetary item approved by the Morton School Board Monday night.

The bid, which includes swinging heaters in the gym and forced air heating in the classrooms, went to Forrest Lumber Co. for \$2,714. Other bids were Higginbotham-Bartlett Lumber, \$3,158.66, and Snook-Addleton, Lubbock, \$4,015. The bid was awarded to Forrest on a motion and second by Van Greene and Weldon Newsom.

The new heating system was necessitated by the condemnation of the old system several months ago.

In other school business, the board agreed to begin their meetings at 7 p.m. instead of 8 p.m. as is now the case. The time change will go into effect at their next meeting, Nov. 20.

The board also approved a request from Mrs. Joe Seagler that she be permitted to be absent from school Oct. 27 with only the substitute's fee deducted from her salary. She will attend a meeting of the Texas State Teachers Assn. in Houston.

The 1967 tax roll of \$288,675.66 taxes on a valuation of \$11,783,468 was approved by the board on a motion by Greene, seconded by Henry Williams. Errors in the amount of \$402.54 were approved on a motion and second by Don Hofman and L. T. Lemons.

Tax assessor-collector Dub Hodge said that 1967 taxes are down about \$1,000 from last year. He also said that approximately \$52,480 in taxes for 1967 have already been paid. About \$20,000 in taxes from 1925-66 are all that remain uncollected.

Superintendent Ray Lanier passed out copies of the latest issue of "Texas Outlook" to the board members saying that they were complimentary copies from the magazine. The reason for getting them, Lanier said, was that an article by Elvis Fleming, a Morton teacher, who is now working toward a Master's degree at Southern Methodist Univ., was printed in the magazine. Fleming is still listed on school records as teaching here this year.

The largest amount of time, as usual, was spent by the board on the problem

of free lunches. Elementary principal Harold Drennan appeared before the board with a request for free lunches, from a parent who could not appear before the board. He said there are eight children in the family with only three of

them needing free lunches. Drennan said the family makes about \$47 weekly. Lunches for the children, who are in the sixth, fifth and third grades, was approved for the children for one month.

See SCHOOL BOARD, Page 2

Mighty Mustangs picked to drop the scalped Indians

Morton will host the potent Ponies from Denver City in their last home appearance of the season on Friday night at 7:30 p.m. The District 4-AA tilt will see Coach Don Orr's troops trying to get command of the title race, while Morton mentor Fred Weaver will have his charges gunning for an upset.

Not since Don Orr took command in Denver City has Morton been able to beat the Mustangs and the record gives a solid nod to D.C. this week. But Morton always gets ready for this district battle and usually plays well against the Mustangs.

Denver City will bring a sparkling 5-1 record into the Indian Field, while Morton is 1-5 for the year.

The Mustangs opened with a 13-6 win

over Brownfield, then fell 6-25 to the potent Seminoles Indians. Since that loss, the Ponies have downed Levelland, 13-8; Slaton, 40-6; Muleshoe, 31-0; and Stanton, 54-0.

Morton has a 1-1 district record, with a win over Midland Carver and a loss to Slaton. The Indians have four straight district games before concluding their season, the last three on the road.

Morton played one of its better games of the year Friday in dropped a 10-12 decision to Muleshoe in a non-conference battle. And the players came out of the game without any injuries.

Denver City has had a sputtering, but awesome, offense. Against Slaton, the Mustangs took advantage of fumbles and pass interceptions to win easily. Against Muleshoe, the Ponies score all their points in the first half. But going against Stanton, they were able to get on the scoreboard with just seconds remaining in the first half. In the second 24 minutes, they blew the Buffaloes off the field.

Probable offensive starters for Denver City will be: Maggall Dolloff, left end, senior, 146; Lloyd Bingham, left tackle, senior, 211; Dwayne Young, left guard, senior, 182; Allen Arnold, center, senior, 215; Dave Emler, right guard, junior, 156; Deaa Woodward, right tackle, senior, 183; Randal Freeman, right end, junior, 140; Robert Kizer, quarterback, senior, 166;

See MUSTANGS PICKED, Page 6

★ Bus to Stanton

The Morton Athletic Booster Club is sponsoring a chartered bus to the Morton-Stanton football game, Nov. 3. The charge is \$5 per person. To make the trip possible, a minimum of 33 person need to ride the bus. Anyone interested in going should go by the First State Bank and leave their name and money with Deryl Bennett by Oct. 30. If not enough people have signed up by Oct. 30, the money will be refunded.

and football queens . . . THESE TWO LOVELY young ladies, Margaret Ledbetter and Janie DeLeon, were crowned Morton High School homecoming and football queens, respectively, Friday morning in the County Activity Building. They were presented at the pep rally that afternoon and during the Morton-Muleshoe homecoming football game that night. Margaret is the daughter of Judge and Mrs. M. C. Ledbetter. Janie is the daughter of Mr. and Mrs. Gil DeLeon. (Staff Photo)

Gas fumes almost fatal to couple

Richardson called his son who immediately drove to their house. The son's wife called an ambulance and Sheriff Hazel Hancock.

The couple was dismissed from the hospital Tuesday morning after being treated for carbon monoxide inhalation.

Cause of the near tragedy was believed to have been a bird's nest in the heater exhaust. The nest forced the gas fumes

into the house. Both of them were suffering from severe headaches when Richardson when to the bathroom to take some aspirins. He then turned on the air conditioner only to pass out. Law enforcement officers said later that turning on the air conditioner probably saved their lives.

When Richardson came to he said he was "cold as ice" and that he knew something was wrong. Mrs. Richardson, who was still in the bed, told him to call someone.

Chamber sets banquet date for January 12

The annual banquet of the Morton Area Chamber of Commerce has been rescheduled for Friday, Jan. 12. Directors set the date after postponing the banquet the original day to avoid a conflict.

The banquet will be held at 8 p.m. in the County Activity building.

Directors discussed a planned sales program which will be taught in Morton classes at the Morton High School. The classes will be directed by a representative from the University of Texas.

Manager Leon Kessler reported on a report to Dallas to contact retail and commercial prospects about moving into

Freeze reported

A light freeze was reported Monday in Cochran County following the passage of a cold front Sunday. Francis Shiflett, west of Morton, reported a temperature reading of 32-degrees and some killing in low spots. He said that the freeze was reported with effects ranging from killing damage to growth stunting. Across the county little damage was reported. Grain harvest is beginning to swing into high gear as a result of the cold weather and general drying conditions. Cotton harvest is expected to begin across the county in most fields within two weeks.

Deadlines are approaching; avoid the rush, do it now

Deadlines are approaching the ordinary citizen with almost unpredictable stealth and speed. For example, did you know that there are a mere 55 shopping days until Christmas? Or that Thanksgiving is 35 days away?

Other deadlines, which bear heavily on most citizens, are voter registration, tax payments and car inspections.

For all people of voting age, 21 and above and 60 and above, a registration will be very necessary for next year's presidential election. Registration is free and may be obtained in the county tax assessor-collector's office in the courthouse. To be eligible to vote in all elections from March 1, 1968, through Feb. 28, 1969, every person must have been registered prior to the Feb. 29 deadline.

A person must have been a resident of the state for one year before time of voting. Also, the law has been amended to include registration of all persons 60 years of age and over.

County tax assessor Leonard Coleman has urged all persons to secure their voter registration as soon as possible.

He also urged tax payers to pay their county taxes before penalties begin in February. Deadline for paying taxes without receiving penalties is Jan. 31.

Car inspections, which must be made before the April 15 deadline, are tougher and more expensive this year than last. Cost for 1968 inspection stickers is \$1.75 as compared with \$1.50 for last year.

One item that has been giving mechanics all vehicles with seat belt anchorages, standard on most cars since 1962, must have seat belts and that they must be in good condition. Many vehicle owners will probably be told they must replace worn or frayed seat belts before receiving an inspection sticker.

Another new item on the inspection states that inspection stickers will not be given

to vehicles whose front wheels cannot turn from lock to lock without binding or stopping.

One item that has been giving mechanics a hard time explaining is the term "lash" or "play" in the steering wheel. Vehicles must not have more than two inches of play in the wheel. This means that the steering wheel must not

See DEADLINES, Page 2

CROP drive nets \$225 during initial stage

The Cochran County CROP appeal is underway with solicitors now in the process of contacting area farmers. Only a few have been seen but the drive has already netted about \$225 in commodities and cash. Goal for the local drive is 100,000 lbs of grain or \$1,600.

Some cotton as well as grain has been contributed according to Chairman Rex L. Mauldin.

The drive, which will continue through the month of October, will reach a climax when the youth of the various churches canvass the residents of the city near Halloween.

Solicitors include Budd Fountain, D. L. Linder, W. L. Welch, Bob Newton, John Crowder, Hume Russell, W. P. Houston and Roy Hickman.

Persons not contacted by one of the solicitors, but wishing to make a contribution of grain or money, should contact Rev. Rex Mauldin at 419 W. Taylor.

CROP is the food appeal of the Church World Service and is a person to person appeal rather than a government to government appeal. CROP sends food, seed or tools to the needy peoples of the world.

Roof beams in place . . .

THE COCHRAN MEMORIAL HOSPITAL is shown from the north end of the new patient's wing looking toward the older section of the building. The roof beams on the new

wing are in place as well as electrical outlets and plumbing. More work is needed before the concrete floor can be poured and work begun on the waiting room expansion.

Area Council of Women's Clubs has Observance Day meeting

The Area Council of Federated Women's Clubs hosted a Federation Day Observance program Thursday night, Oct. 12 at 8:00 p.m. in the Fellowship Hall of the Methodist Church. Members of the six federated clubs of Morton and the Whiteface Study Club were invited to attend.

Mrs. Connie Gray, vice president of the area Council, presided at the meeting. She welcomed members present and gave special recognition to Mrs. LeRoy Johnson, second vice president of Caprock District. Mrs. James St. Clair, of the 1936 Study Club, gave the invocation and Mrs. Weldon Wynn, of the Y-M Study Club lead the group in the Pledge to the Flag.

Mrs. Elwood Harris, member of the L'Allegro Study Club, had the honor of introducing the guest speaker, Mr. R. B. McAlister of KSEL radio in Lubbock. Mr. McAlister presented an inspiring talk called the 5-c plan. The five c's are: Christ, Communication, Compassion, Courage, and Class. Mr. McAlister stated he patterned his life by the 5-C plan. He pointed out that if you have the first-C being Christ the other four should come naturally.

Mrs. Gary Willingham of the Emea Smith Study Club announced that the Emea Smith Jr. Study Club had won the door prize will be a box of stationary their club present at the meeting. The door prize will be a box of stationary with the club name engraved on it.

Mrs. DeWayne Smith, member of the Whiteface Study Club lead the members in the Club collect and the meeting was adjourned.

Refreshments were served and enjoyed by the following members: Elma L. Slaughter; Mesdames, H. T. Gardner, E. C. Oden, Iva Williams, Willia Taylor, Jack Gunnels; 1936: Mesdames Cy Fields, Harold Reynolds, Kenneth Thompson, James St. Clair, L. F. Hargrove, Gage Knox, C. H. Silvers, G. H. Thompson, H. B. King, Town and Country Mrs. Connie Gray, Joe Seagler, A. A. Fralin, Willard Henry, LeRoy Johnson, W. L. Foust, Roy Hill, Ross Shaw, A. E. Sanders, O. A. Graves, Y-M Study Club, Mrs. Dexter Nebbut, George Hargrove, Weldon Wynn, L'Allegro: W. B. McSpadden, E. O. Willingham, Bobby Travis, Tommy Harris, Bud Thomas, Whiteface Study Club, Mrs. DeWayne Smith, Bill Wall, J. W. Allen, Emea Smith Jr. Study Club, Mrs. Bob Polvado, Ronald Coleman, Danny Tankersly, Rodney Fralin, Sherrill Griffith, Dale DeBord, Don Lynskey, Earl Polvado, and Gary Willingham.

Laverne McMaster is low net of golf match

Morton Country Club was host for the final tournament of the year for the High Plains Ladies' Golf Association. The Thursday event attracted players from Morton, Muleshoe, Friona, Hereford, Tulia, Lovelland and Oton.

Low Net award went to LaVerne McMaster of Morton, with a 78 score. She won the honor after a play-off.

First Flight winners included: Kay Renner, Friona, 77; LaVerne McMaster, Morton, 78; and Shirley Carter, Friona, 80. Second Flight winners were: Kathy Thomas, Hereford, 72; Cherry Mingus, Friona, 81; and Lillian Silvers, Morton, 82.

Third Flight winners were: Lottie Melton, Tulia, 78; Blackie Reynolds, Morton, 79; and Mary Sweatman, Muleshoe, 79. Nine-Hole Flight winners were: Melzine Elliott, Muleshoe, 40; Iva Hickman, Tulia, 42; and Lois Lenan, Muleshoe, 42.

Participants were guests at a luncheon in the clubhouse following tournament play. Mrs. Lloyd Miller presided at the luncheon and award ceremonies. Silver trays and bowls were given flight winners.

American Cancer Unit has luncheon meeting

The Cochran County Unit of the American Cancer Society met for a luncheon meeting October 17 at the Wigwam Cade.

Royce Smith named assistant comptroller

Royce Smith, a 1950 graduate of Morton High School, formerly chief accountant at Texas Tech, has been moved to the newly created post of assistant comptroller. Tech comptroller Robert B. Price has announced.

A member of the Tech business staff since 1958, Smith served as assistant internal auditor and internal auditor before becoming chief accountant. He is a native of Morton and is a Tech graduate, receiving a Bachelor of Business Administration degree in accounting in 1958.

In high school Smith participated in boxing, baseball and football for three years and was a co-captain for two years. He was chosen the Indian Brave, Mr. MHS, Best All Around, and was All District in football.

He is married and has one daughter, Hollye, age 11.

He is the son of Mr. and Mrs. T. T. Smith. His wife is the former Glenda Lewallen, daughter of Mr. and Mrs. Maurice Lewallen of Morton.

Holstadt funeral set

Funeral for Jimmy Ross Holstadt, a member of the Armed Forces who was killed in Vietnam recently, will be held in the House, N.M., school auditorium Friday, Oct. 20, at 2:30 p.m. MST.

Mrs. Holstadt, the former Mary Beth Glasscock, is school secretary at Bledsoe. She is a native of Bledsoe.

Mr. and Mrs. Virgil Thomas and daughter Marcie of Lubbock visited in the home of her parents Mr. and Mrs. T. T. Smith of Morton. They attended the Morton homecoming game.

School board

from page one

Another request for free lunches came from a lady who has 11 children, five of whom are in school. She makes approximately \$30 a week and receives no commodities, no welfare, no social security, no car, no radio and pays rent of \$30 monthly and owns a TV. Her request for free lunches for the four younger children in school was approved for one month.

The next applicant has 12 children, nine of whom are in school. The ages of those in school are 19, 17, 13, 12, 11, 10, 9, and 8. He said that he works some but that he is not working now. He receives no welfare or social security but is getting commodities. He owns his own home, a 1957 pickup and a TV. He also said that he has \$200 in the bank. His request was denied.

An applicant who was approved last month appeared at the meeting and requested the continuation of free lunches for five children. The request was approved.

Two other families who were on the program last month, but who were unable to appear, were approved for another month.

Accident survey given

The Texas Highway Patrol investigated one accident on rural highways in Cochran County during the month of September, according to Sergeant A. E. Roberts Highway Patrol Supervisor of this area.

This crash resulted in eleven persons injured, and an estimated property damage of \$1750.00.

The rural accident summary for this county during the first nine months of 1967 shows a total of 25 accidents resulting in four persons killed, 34 persons injured, and an estimated property damage of \$14,811.00.

Traffic wise, the month of October signals the beginning of the most deadly season of the year. From past experience these last three months of the year almost double the number of deaths occurring during the first three months of the year.

The Sergeant listed some factors why these three months are more deadly. (1) October marks the beginning of shorter days and longer nights. These increased hours of darkness will hide dangers otherwise visible during the daylight hours. (2) An increase in traffic due to vehicles conveying school children, football games, harvest vehicles and trailers, and the holidays. (3) Inclement weather conditions. These factors in varying degrees coupled with high speed cause accidents that would not occur in the daytime.

Three Way queen candidates . . .

ONE OF THESE YOUNG ladies will be named as Three Way homecoming queen Friday night at the halftime of the Three Way football game. The candidates include Joy Boyce, 16, sophomore; Treva Kelly, 16, junior; Kay Wittner, 14, freshman; and Joy Eubanks, 17, senior. (Staff Photo)

Emlea Smith Club attends the Federation observance

The Emlea Smith Junior Study Club met Thursday, Oct. 12 at 8 p.m. in the First Methodist Church Fellowship Hall for the Federation Day Observance and a called club meeting.

Presiding over the program was Mrs. Connie Gray, who opened the meeting by recognizing all study clubs present and welcoming them to the meeting. Mrs. James St. Clair gave the invocation and Mrs. Weldon Wynn led in the Pledge of Allegiance to the Flag.

Mrs. Elwood Harris presented the guest speaker, R. B. McAlister from KSEL radio station in Lubbock. He told the group that he patterned his life by the 5 C Pattern. The 5 c's being Christ, Communication, Compassion, Courage and Class. He said that if a person had the first C, Christ, that the other 4's would come naturally.

Mrs. Gary Willingham announced that the Emlea Smith Junior Study Club had won the door prize for having the largest per cent of clubmembers present. Refreshments were served.

The club then had a called meeting presided over by the vice-president, Mrs. Rodney Fralin. Two names, those of Mrs. Keith Price and Mrs. Doug Reed were submitted for prospective membership and Mrs. Ted Whillock and Mrs. Glen Price were accepted as new members.

Next the members discussed the forthcoming Halloween Carnival. Mrs. Gary Willingham read the list of clubs and organizations that would be participating in the carnival. The publicity chairman, Mrs. Dale DeBord, gave a report on the publicity.

It was decided that a \$10.00 door prize

would be purchased and that in order to win the prize the person would have to be present for the drawing. A 10 cent admission charge would be charged for all persons 6 years or older. A motion was made and carried that the cake walk would be 15 cents per walk with the special cake walk at 50 cents. Mrs. Ronald Coleman agreed to make the cake for the special cake walk. A small token will be given to each participant in the cake walk.

Mrs. Sherrill Griffith volunteered to write each club sponsoring a booth requesting them to have booths set up by 5:30 Tuesday, Oct. 31, to pay their \$5.00 by Thursday, Oct. 26 and to clean up their own booths following the carnival. It was decided that drawing for the door prize would be held at 8:30, the special cake walk at 9 and the crowning of the Halloween Queen at 9:30.

The next regular club meeting will be held Thursday, Oct. 26 in the home of Mrs. James Dewbre with Mrs. Earl Polvado serving as co-hostess and Mrs. Eddie Milligan and Mrs. Richard Houston in charge of the program on Americanism.

Pam Reynolds and Paula Jordan, students at Howard Payne College visited in the home of Pam's parents Mr. and Mrs. J. C. Reynolds. They attended the Morton Homecoming game.

Visiting in the home of Mr. and Mrs. C. D. Ponds over the weekend were his sister, Mr. and Mrs. R. J. Pemberton and girls from Clovis, N.M.

Mr. and Mrs. Terry Don Davis of Muleshoe attended the Morton Homecoming game Friday night.

Anton blanks Whiteface's grid efforts, 27-

By DAVID MURRAH
Tribune Sports Writer

The Anton Bulldogs spoiled Whiteface's homecoming Saturday afternoon with an aggressive running game that overwhelmed the Antelopes, 27-0. Anton struck for three quick touchdowns in the first period, added another in the second, and then spent the rest of the day stifling the efforts of Whiteface's Wayne Leagan. The 204-pound back carried the bulk of the load for the Antelopes, carrying the ball 26 times.

The Antelopes were never in the game however. Playing without the services of eight regular starters, Whiteface's hopes for a homecoming victory faded rapidly as the Bulldogs scored the first three times they had the ball. Despite the odds, the Leagan-guided Antelopes drove to the Bulldog's five late in the game, but lost the ball on downs after missing a first by inches.

Fumbles and pass interceptions proved to be the rule as a 25-mile-per-hour wind played havoc with the ball. Each side lost three fumbles.

Whiteface forced the Bulldogs to earn their first score. Anton ran twelve plays in driving 64 yards for the first TD. Hard running by senior halfback Donny Buchanan, who was the leading ground gainer of the game, highlighted the Bulldog drive. Dick Van Hoose's two-yard plunge for the touchdown put the Bulldogs on the scoreboard midway through the initial quarter. Van Hoose split the uprights for the extra point.

The Antelopes fought back. Taking the Anton kickoff, the Antelopes drove to their own 40 in three plays. Quarterback Dale Burris hit Mike Teer on a 27-yard pass play that carried Whiteface to the Bulldog 27. Leagan then hit over right guard for two, but was thrown for a loss on the next play. The Antelopes had to surrender the ball after attempting two passes.

Operating from their own 35, the Bulldogs lost no time. On a second down and nine situation, Buchanan circled left end and galloped 64 yards for the second Bulldog TD. Van Hoose made the score 14-0 with his pin-point conversion.

Whiteface's second drive also failed to get results, but Leagan lofted a good 44-yard punt that sent the Bulldogs back to their own 25. Buchanan returned the ball to the 30. On the next play, Buchanan sprinted around right end for seventy yards and another touchdown. Van Hoose's kick made the score 21-0 with just seconds left in the first quarter.

Before the first quarter had expired Anton pulled down an Antelope pass that gave the Bulldogs possession on the 35 of the Antelopes. A fifteen yard clipping penalty moved the ball back to the fifty-yard line. From that point Bulldog quarterback Lanny Glasscock passed to Tom Landers on a play that carried to the Whiteface 13, but an offside penalty erased the effort. With the opening of the second quarter however, Glasscock bootlegged the ball around right end to the Whiteface twenty, and then fired a pass to Van Hoose for the Bulldog's last TD. On the conversion attempt, the snap from center sailed over Van Hoose's head, and the Antelopes smothered him on the ten.

The second quarter saw little excitement as the ball exchanged hands five times. A Whiteface fumble gave Anton the ball on the Antelope 30-yard line, but Anton failed to move and Whiteface took over again at the twenty-eight. Two plays later Anton recovered another Whiteface fumble at the 41, but the Antelopes immediately retaliated with an interception on the next play. From their own fifteen, the Antelopes drove to the Anton twenty, but their third fumble of the quarter once again gave Anton the ball. Two plays later, Anton fumbled, but before Whiteface could score, time ran out in the second period.

Miss Dojoni Cobb, a lovely Girlsown, U.S.A. resident, was crowned Homecoming queen in half time ceremonies.

The last half of the game followed the pattern of the second period, with neither team maintaining possession long enough to put together a scoring drive. The Bulldogs drove to the Antelope three, but a fumble stopped the threat. From that point, the Antelopes launched their only serious threat of the game. In 13 plays, highlighted by a Leagan run for 23 yards, the Antelopes drove to the Bulldog ninety-yard line, but failed to tally, losing the ball on downs.

Late in the fourth period, Anton worked their way to the Antelope 25, but fumbled the ball.

The loss was Antelope's second in district play, while Anton now boasts a 2-1 district record. Whiteface entertains Ropesville Friday night in a 7:30 p.m. district contest.

He is the grandson of Mr. and Mrs. R. T. Tarver of Morton. Also visiting in the home of Mr. and Mrs. R. T. Tarver was Mrs. Charles C. Jones of Lubbock. She is Mrs. Tarver's sister.

Hangs one up . . .

WHITEFACE QUARTERBACK Dale Burris (10) hangs a pass up in the air during the Whiteface-Anton ball game Saturday in Whiteface. The game, which celebrated Whiteface's homecoming, was played without the benefit of

eight Whiteface regular starters and resulted in losing to Anton, 27-0. Other players shown are Anton's Jacky (71) and Whiteface player Charlie Recor (76), Doug (20) and Tommy Moore (64). (Staff Photo by Byron Wil-

DC to take grid match Friday 35-

By ROY McQUEEN

The Denver City offense sputtered and coughed for a full quarter Friday night before igniting for 54 points to become the undisputed leader in District 4-A.

Coach Don Orr's Mustangs silenced the Stanton Buffaloes 54-0 to set the pace in the conference race with a 2-0 record.

It was the first district loss for Coach Bryan Boyd's Buffs. The defeat squared the Stanton loop ledger at 1-1.

Slaton and Midland Carver remained in a tie for second place in league standings. Each have 2-1 conference marks.

COACH ERNIE DAVIS' Slaton Tigers soundly whitewashed arch-rival Post, 38-0. The Antelopes, defending 4-AA champions, are 1-2 in league action.

Saturday night the Midland Carver Hornets of Coach Johnny Williams ran roughshod over the hapless Frenship Tigers, 35-0. The Tigers are winless in six outings.

In the only non-conference affair and the only real battle of the week, Class AAA Muleshoe rallied to nip Morton, 12-10.

Morton, owning a 1-1 league record, is 1-5 for the season.

Coach Orr expressed pleasure over his team's performance against Stanton. "We had a hard time getting started, but we finally found our confidence and got after 'em."

THE MUSTANGS FACE Morton Friday night in a crucial 4-AA battle. The Ponies, who have never lost to Morton during Orr's tenure, nevertheless have tremendous respect for Coach Fred Weaver's Indians who are annually fired to the gills for the tussle.

The Mustangs had trouble getting started against Stanton Buffaloes but a 35-yard pass and run play from Robert Kizer to Biff Hatfield triggered the mighty Pony offense.

Hatfield scored two touchdowns and two extra points to keep his second place standing among district point-makers. Hatfield has scored eight touchdowns and four PATS for 52 points this season.

DENVER CITY, sporting a 5-1 season mark, lost early in the season to a Class AAA team — Seminole.

"Class AAA teams play a better brand of football than do AA teams," Orr declared. "This helps us to get ready for the district games."

The Mustangs hurdled one of their toughest obstacles three weeks ago in the Slaton Tigers. "We had just started to gain our confidence," Orr added. "We told them just to tackle Washington (Richard), and when you do that you've stopped Slaton's offense."

Denver City stopped Slaton, 40-6. Despite that loss, Washington continues to lead the conference in scoring. He had a tremendous night against Post — crossing the goal line four times.

ALL TOTAL, Washington has chalked up 11 touchdowns for a total of 66 points. Third in scoring behind Washington and Hatfield is Midland Carver's Leonard Johnson who has 30 points.

Johnson scored one tally, a 44-yard scamper, against Frenship. Johnson, however, was overshadowed by teammate Robert Williams who tossed for two touchdowns and accounted for five extra points. Denver City is actually four games away from officially capturing the district

flag. Morton, Midland Carver, Post and Frenship remain on the schedule. It would take a real freak to upset the Pony victory wagon now.

ONLY THREE GAMES are on tap this weekend. Picking is hardly a chore and only a major upset would prove us wrong since all will be solid choices. Last week's effort was three out of four and the guessing percentage dropped slightly to .857.

Slaton 48, Frenship 6 — Coach Davis

will empty his bench in order to Washington and company a rest and host Frenship Tigers will slip again.

Denver City 35, Morton 7 — It got much closer should Morton get some breaks. The Indians are hungry for after losing some close ones.

Stanton 28, Post 6 — The Buffs bound from the smarming setback. Avery should be at full strength by tilt.

Midland Carver enjoys an open

Mrs. Baker B. Johnson
... nee Linda Garrett

Johnson-Garrett exchange vows Sunday afternoon

Miss Linda Sue Garrett, daughter of Mr. and Mrs. Vincent O. Garrett, Rt. 2, Lubbock, became the bride of Baker Brantly Johnson Jr., son of Mr. and Mrs. Baker Johnson Sr. of Goodland, Tex. Sunday, Oct. 15 in the Berean Baptist Church of Lubbock. The ceremony took place at 3:00 p.m. with Rev. Fred Landess officiating for the double ring ceremony.

Given in marriage by her father, the bride wore an A-line dress with elbow length sleeves, sculptured bodice of re-embroidered lace, pearls and sequins, and a matching veil of Alencon lace, crystals, and pearl loops. She also wore a cameo which belongs to the groom's great-grandmother.

Mrs. Henry Smith, served as matron of honor, and Miss Judy Furgeson, served as maid of honor. They wore dresses of royal blue with full length sleeves with open seams and bow trim with matching accessories. They carried bouquets of pale yellow mums.

For a traveling costume, the bride chose an A-line linen black and white dress with matching accessories, and a bronze mum. Best man was Mr. Baker Johnson, father of the groom, and groomsman was Henry Smith of Lubbock. Jim Johnson, brother of the groom, and Benny Garrett, brother of the bride, were ushers.

A reception followed in the home of Mr. and Mrs. B. D. Northcutt of Lubbock. Gladiolus and mums of the fireplace bridal bouquet adorned the table.

The bride is a 1965 graduate of Lubbock High, and attended Texas Tech and commercial college in Lubbock. The groom is a 1964 graduate of Three Way High School and attended ENMU in Portales, N.M., and Southwestern Automotive School in Oklahoma City. The bride was employed as a photographer for Northcutt's Photography in Lubbock, and the groom is a patrolman with the Texas Department of Public Safety.

Out-of-town guests included Mr. and Mrs. Jim Johnson of Maple, Mr. and Mrs. Paul Slaughter of Plainview, Mr. and Mrs. Jim Dulia of Slaton, Mr. and Mrs. H. Hopkins, Quanah, and Mrs. Clinton Arthur

Fertilizer management symposium set Oct. 26

The latest information on fertilizer use and management will be presented at the Southern Great Plains Agronomy Symposium to be held at West Texas State University, Canyon, on Thursday, October 26. County Agricultural Agent Homer Thompson says discussions will be featured on the characteristics, handling and application of ammonia; nitrogen transformations in the soil; fertilization of wheat, grain sorghum, cotton, sugar beets and vegetables; and interrelationships of fertilizer use with production practices. An outstanding slate of leading agronomic authorities will be on hand to present the program, points out Thompson.

Presiding at the various sessions of the symposium will be Don Margo, president, Texas Fertilizer Association; Dr. Tom Longnecker, director, High Plains Research Foundation; Dr. Bill Longstaff, president, Texas Plant Food Educational Society; Dr. A. W. Young, head, Department of Agronomy and Range Management, Texas Tech; and Billy C. Gunter, Extension District II agricultural agent.

Registration for the day-long conference will begin at 8 a.m. Advance registrations at \$5 each may be sent to the Agriculture Department, West Texas State University, Canyon.

Thompson encourages all fertilizer dealers and interested agricultural producers in the county to attend the symposium.

Mrs. M. D. Boatwright returned to Morton Tuesday after a month-long visit with relatives. During her trip she visited her son, Vernon, in Dallas; her granddaughter, Mrs. Paul Hull, in Arlington; and a daughter, Mrs. R. B. Sides, in Hamilton. At one time during the trip, Mrs. Boatwright was part of a five-generation picture.

Katrina Hardberger gives wedding plans

Mr. and Mrs. James Lowell Littleton of Ozona are announcing the engagement of their niece Miss Katrina Hardberger to Dan Sims Pullen of Ozona. The groom is the son of Mrs. Owen Swindall of Odessa, and the bride is the daughter of Mrs. Robert L. Carter of Lubbock and the late George Truett Harberger. She is the granddaughter of Mrs. Tom Young of Morton.

The bride attended Baylor University and Morton High School. The groom attended Texas A&M.

The couple plan to marry Nov. 22 in Ozona.

Revenue agents warn of bogus tax officers

Over the years Internal Revenue Service continues to have problems with pranksters and unscrupulous individuals who pose as either Revenue Officers or Revenue Agents. On occasion these people extort money on the pretense of satisfying unpaid taxes. Internal Revenue has a simple answer to this problem. Ask the Internal Revenue man for his Commission or identification. If he does not have identification you are not required to discuss anything with him, and you should notify the Internal Revenue Service.

Mr. and Mrs. Bruce Redford and daughter Stephanie of Lubbock visited in the home of her parents Mr. and Mrs. Lloyd Miller. They attended the Morton homecoming game.

Three Way news

Three Way homecoming set

By MRS. H. W. GARVIN

Three Way Junior High football team played Cotton Center there Thursday night, winning the game. Friday night the senior football boys played Flower Grove there, winning the game. Friday night, Oct. 20, Three Way plays Smyer on the home field. It will be the homecoming game.

Mrs. E. T. Batties spent the weekend in Denton visiting her daughter and husband Mr. and Mrs. Johnnie Harris.

Mr. and Mrs. Johnnie Wheeler were in Paris on business last week and visiting their son and family, Mr. and Mrs. Joe Wheeler.

Mr. and Mrs. H. W. Garvin returned home Tuesday after a weeks vacation in New Mexico and Arizona. In Phoenix they visited their daughter and family, Mr. and Mrs. John Flinn. Another daughter Mrs. Kenneth Fox and children had been visiting the Flinn's for six weeks and returned home with the Garvins.

Dennis Avery, student at Wayland College, spent the weekend with his parents, Mr. and Mrs. Weldon Avery, and his grandparents, Mr. and Mrs. Neal Smith.

Mr. and Mrs. Dutch Powell were in Lubbock Friday.

Grain harvest is in full swing in the community now.

Mr. and Mrs. George Tyson were dinner guests in the home of their son and family Mr. and Mrs. Buck Tyson in Morton Saturday night.

Mrs. R. L. Reeves was a patient in Green Memorial Hospital in Muleshoe last week.

Mr. and Mrs. Troy Tyson from Morton visited in the home of his parents Mr. and Mrs. George Tyson, Sunday evening.

Mr. and Mrs. Carol Flemming and son from Post visited with Mr. and Mrs. George Tyson, Mr. and Mrs. H. W. Garvin, and Mr. and Mrs. Marvin Long Saturday.

Bridal shower given for Linda Garrett

Bridal shower, honoring Miss Linda Garrett, bride-elect of B. B. (Butch) Johnson, was given Sunday Oct. 8 at 3 p.m. in the home of Mrs. Tommy Galt. Goodland. The receiving line were Mrs. Vincent Garrett, Lubbock, mother of the bride, the honoree, Miss Linda Garrett, Lubbock, and Mrs. Eaker Johnson, mother of the bridegroom. They were each presented a corsage of white carnations.

The serving table was laid with a silver cloth and appointments were silver crystal. An arrangement of a white pyramid intertwined with blue Mexican satin balls and fragments of the valley topped with a miniature bride and groom formed the centerpiece carrying out the bride's chosen colors of white and Mediterranean blue.

Refreshments of white punch, coffee and cake squares were served to approximately 45 guests. Out of town guests were from Lubbock, Muleshoe, Portales, N.M., and San Diego.

Guests for the shower were: Mrs. Stegall, Mrs. L. W. Chapman, Mrs. Reeves, Mrs. Conrad Harris, Mrs. Bowler, Mrs. Morris Gant, Mrs. Horton, Mrs. M. L. Fine, Mrs. Buck, Mrs. Conrad Williams, Mrs. Tipton, Mrs. Dossie Terrell, Mrs. Warren, Mrs. W. C. McCelvey, Mrs. Lemons and Mrs. Tommy Galt. A gift was stainless steel cook-

American Airlines stewardess . . .

MISS CLETHA FAYE LOVE, daughter of Mr. and Mrs. Major Love, 219 Southwest 7th Street, Morton, has been awarded the silver wings of an American Airlines stewardess after completing training at American's Stewardess College, Fort Worth. She has been assigned to flight duty out of New York City. Miss Love, who was born in Muleshoe, graduated from Morton High, Morton, in 1962. She also attended South Plains Junior College. Prior to joining American Airlines, she was employed at the Continental Oil Company, Midland. She is 5' 5" tall with brown hair and brown eyes. Miss Love graduated with the twenty-second class of the year at American's unique Stewardess College. During her seven-week training period she studied more than 100 different courses, ranging from make-up and grooming to in-flight food service and theory of flight.

German Chocolate Cake is favorite of Igo family

The Tribune's homemaker for this week is Mrs. Bill Igo. They reside at 208 E. Hayes. Mrs. Igo is the mother of two children, Steven 3, and Kathy, 21 months. Keeping house and caring for her children really keeps her busy.

Mr. and Mrs. Igo and children have just recently moved here from Chillicothe. Mr. Igo is a teacher in the Morton school system.

They are members of the First Baptist Church and are also Sunday School teachers.

Mrs. Igo says she just enjoys staying home with her children, and being a homemaker. She has shared with us one of her favorite recipes.

GERMAN CHOCOLATE CAKE

- 1 cup shortening
- 1 cup butter/milk
- 2 cups sugar
- 2 1/2 cups flour
- 1/2 cup boiling water
- 1 tsp. vanilla

- 1 tsp. soda
- 4 eggs separated
- 1 bar German chocolate (sweet)
- Cream sugar and shortening well. Add 4 egg yolks. Pour boiling water over chocolate bar and let stand until ready to mix. Alternately add flour and 3/4 of the butter/milk to sugar mixture. In the remaining 1/2 cup butter/milk, stir in 1 tsp. soda and add to batter. Add tsp. vanilla and pinch salt to the chocolate and fold into batter. Last fold in beaten egg whites.

FILLING

- Large can evaporated milk
 - 1 can angel flake coconut
 - 1 stick oleo
 - 1 cup sugar
 - 3 egg yolks
- Pour into sauce pan the milk, sugar, oleo and egg yolks and cook until thick or about 30 minutes and remove from heat and add the coconut, pecans, and vanilla.

Bledsoe News

Jimmy Holstadt killed in Vietnam week before last

By MRS. LARRY KENT

Mrs. Jimmy Holstadt is visiting in Clovis, N.M., with her parents, Mr. and Mrs. James Glascock after receiving word of her husband's death Wednesday. It was reported that Holstadt was killed in Vietnam on Monday last week.

Otis Parr returned home last Monday after his stay in Lubbock Methodist Hospital and is reported to be recovering nicely after his operation.

The Baptist Intermediate Youth Group attended a Tacky Party Friday, Oct. 13. The party began at the home of Mr. and Mrs. Wayne Davis where they were served juice. The party then progressed to the home of Mr. and Mrs. Wayne Coffman for a feast of hot dogs and Cokes. The group then returned to the Baptist Church for Halloween games. The party ended in the home of Bro. and Mrs. H. O. Row where the 15 youth were served punch and brownies. Sponsors included Mrs. Harley Adams, Mrs. Clyde McCormack, Mrs. La Von Davis, Mrs. Patsy Coffman, Mrs. Joe Gilliam, and Mrs. Polly Row.

Bledsoe teachers journeyed to Levelland Tuesday afternoon of last week a Texas Small Schools Conference. They heard C. Randall of Litton Industries speak to them on the need for technological school in this area. After the meeting they were treated to supper and returned to Bledsoe.

Mr. and Mrs. Lloyd Brown and family went to Lubbock Saturday to attend the football game between Texas Tech and Texas A&M.

A shower honoring Miss Janis Buchanan, bride-elect of Danny Knox of Morton, was held Thursday, Oct. 12 at 7:30 p.m. in the Bledsoe School Cafeteria. The serving table was covered with a white lace cloth trimmed with pink ribbon. A floral arrangement of white carnations formed the center piece. Refreshments of pin punch and white tea cakes topped with a pink flower were served.

Hostesses for the shower included Mrs. Harley Adams, Mrs. Velton Funk Sr., Mrs. Donald Brown, Mrs. Rex Griffith, Mrs. Earl Bailey, Mrs. Ted Bryant, Miss Margie Griffith, Miss Neva Gilliam, Miss

Sandra Hale, Mrs. Hobbs Rosson, Mrs. W. B. Dunn, Mrs. John Kennedy and Mrs. Johnny Brooks.

The seniors of Bledsoe will present a play Friday, Oct. 20, at 8 p.m. The play, entitled "Let Me Out of Here", is a comedy in three acts. Students participating include Neva Gilliam, Linda Brown, Linda Burns, Janis Buchanan, Steven Dunn, Paul Row, Benny Rawls, Karen King, Velton Funk, and Butch Lindsay. Everyone is cordially invited to attend.

Promotion of the Bledsoe Yearbook has begun and may be purchased for \$3.50 from any member of the senior class.

Physical checkups for the students engaged in basketball activities were given at the Morton Clinic last Tuesday.

The Bledsoe Antelopes are in the midst of preparation for the 1967-68 basketball season. The basketball schedule for 1967-68 is:

- Oct. 24, Christ the King, Lubbock, home, 6:30 p.m.
- Oct. 31, Lubbock Christian, home, 6:30 p.m.
- Nov. 3, Christ the King, Lubbock, there, 6:30 p.m.
- Nov. 7, Lubbock Christian H.S., there, 6:30 p.m.
- Nov. 14, Elida, N.M., there, 7:30 p.m. (CST)
- Nov. 18, Causey, N.M. (Homecoming), home, 7 p.m.
- Nov. 21, Morton, there, 7 p.m.
- Nov. 28, Whiteface, there, 7 p.m.
- Nov. 30, Dec. 1, 2, Whiteface, there, tournament.
- Dec. 8, Causey, there, 7:30 p.m.
- Dec. 12, Whiteface, home, 7 p.m.
- Dec. 14, Anton, there, tournament.
- Dec. 19, Spade, home, 6:30 p.m.
- Jan. 5, Tatum, N.M., home, 7 p.m.
- Jan. 9, Spade, there, 6:30 p.m.
- Jan. 12, Whitharral, home, 7 p.m.
- Jan. 16, Pep, home, 7 p.m.
- Jan. 23, Three Way, home, 7 p.m.
- Jan. 26, Bula, there, 7 p.m.
- Jan. 30, Whitharral, there, 7 p.m.
- Feb. 2, Pep, there, 7 p.m.
- Feb. 9, Three Way, home, 7 p.m.
- Feb. 13, Bula, home, 7 p.m.

Members of the Bledsoe Girls Team include Linda Brown, Mary Bowley, Margie Griffiths, Janice Buchanan, Sandy Hale, Karen King, Carla Jo Banning, Neva Gilliam, Kay Lindsay, Tessa Tarrango and Ida Bihl. The girls are under the direction of A. A. Chandler.

The Bledsoe boys lineup includes Velton Funk, Benny Rawls, Johnny Funk,

Well, I see that everyone made it through last week's homecoming activities okay. Some time during the week I managed to catch a bad cold, but I guess I'll live. Being "chief guard" over the juniors' woodpile a couple of nights in "below-zero" weather couldn't possibly have had anything to do with it.

Speaking of woodpiles, the juniors were cheated out of winning the class competition last week as the freshman class was announced as the class with the biggest woodpile for the bonfire. Oh, actually the judges were very fair (?); they just didn't look our pile over good enough. Oh well, it doesn't really matter — We know we're the best!

The bonfire Thursday night was... uh... hot! Really it was a huge fire and the crowd was forced to stay a pretty fair distance from it because of the intense heat. Not quite as many showed up for this pep rally as we would have liked, but there was a pretty large crowd on hand to pep up our team and help prepare them for Friday's game.

Friday afternoon's pep rally in the gym was better and went over very well, considering the fact that we were forced to use only four cheerleaders because the two seniors were queen candidates.

Oh yes, queens. Coronation ceremonies were held Friday morning in the county auditorium. Chosen for the honor of Band Sweetheart was Margaret Ledbetter, and her attendants were Donna Hofman and Dana Webb. This is Margaret's seventh year in band and third year as a twirler for the band.

Janie DeLeon was crowned Football Queen, and her attendants were Lanya Dolle and Alice Black Janie is head cheerleader at Morton High this year.

All these activities led up to Friday night's game when the high-spirited Indians were disappointed by a loss of two points to the Muleshoe Mules. Morton led the game at half by a score of 10 to 0, but the Mules caught up the second half with two touchdowns to make the score 12 to 10. This score held despite the attempts of the Indians for some extra points.

After the game, the kids enjoyed another social given by the First Baptist Church. Some Tech students conducted relays, songs, and games and kept the room rocking all during the fellowship.

Tomorrow's game will be the last in our home stadium this season. The Indians will come to a conference clash with the Denver City Mustangs in what is expected to be a really exciting game, so everyone please come out and show our Indians that you're on their side.

My students of the week this week are two sophomore athletes; Kenneth Taylor ('72, tackle) and Gerald Baker ('32, halfback).

Kenneth is the son of Mr. and Mrs. Amos Taylor of Morton. This is his first year of varsity ball. His courses this year are: geometry, American history, band, English II, algebra II, and sports. Kenneth DUBS American history as his favorite subject.

He really enjoys playing the guitar; he plays lead in a local band, the "Sound Tracks".

Gerald is the son of Mr. and Mrs. W. G. Baker of Morton. He's taking related math II, typing II, English II, American history, biology I, and sports. His favorite subject is also American history. (This couldn't be because Coach Tannehill teaches it???) Gerald most enjoys playing baseball.

I guess I've about come to the bottom of my "news agenda" for this week, so I'll leave you with the plea to RIDE THE MUSTANGS!!

Mustangs picked

from page one

Biff Hatfield, left half, senior, 149; Gene Richardson, right half, sophomore, 141; and Jimmy McKee, fullback, junior, 182.

Richardson is a sophomore quarterback who stepped into the backfield after senior Gary Hatfield was injured. McKee is a converted guard who provides power up the middle.

Defensive alignment in Orr's 5-4 set includes: Blake Horton, 143-pound senior; Arnold, Emler, Bingham and McKee on the line; Robert Hernandez, 132-pound senior; Steve Steadham, 167-pound senior; Young and Dolloff at the linebacker post; Richardson and Hatfield at the halfback position.

In other district contests, Post plays Stanton and Frenship plays Slaton. Midland Carver has an open date.

Morton will host Plains for seventh, eighth and freshmen team games on Saturday, Oct. 19. First game starts at 4:30 p.m.

Steven Dunn, Steve Sutton, Terry Funk, Mike Eason, John King, Mark Thoms, Mike Langrill, Jerry Davis and Doug Burns under the leadership of Coach Larry Kent.

ACTING AS INSTALLING OFFICERS for Morton Rainbow Assembly 293's Saturday night installation were Mrs. Linda Griffith, Installing Chaplain; Mrs. James St. Clair,

Installing Musician; Kay St. Clair, Installing Officer; Barbara Price, Installing Recorder; and Kay King, Installing Marshal. (Staff Photo)

Through the telescope by Luck

It has been traditional in the Southwest for neighbors to help each other. We heard of another example of this help just this week. Joe Beseda, J. L. Schooler, Jerry Marks, Don Hill, Floyd Taylor and Wade Taylor brought combines and trucks together near Whiteface to cut grain for Mrs. J. C. Miller, whose husband died a few weeks ago.

The Homecoming activities at Morton High School were quite nice, with the largest crowd of the season on hand for Friday night's football game against Muleshoe. It was unfortunate that Muleshoe pulled out a narrow 21-10 victory to spoil the festivities.

Whiteface had a fine parade as part of its homecoming schedule Saturday, with the Morton band making a great showing during the march. The Tex-Anns from South Plains College were among the marchers and we spotted several girls from Cochran County in their ranks. Whiteface also had its homecoming spoiled by the Anton Bulldogs, who won 35-0 over the Antelopes.

Saturday night, we watched as Texas A&M downed the Tech Red Raiders on the last play of the game, 28-24. It was a heartbreaker for the Double T fans, while the Aggies were elated to win one after four losses. However, Tech fans are still hopeful that their team will be playing in the Cotton Bowl on New Year's Day.

This week, Morton will host the Mustangs from Denver City in a conference battle. Denver City gave up the district title last year to Post, for the first time since 1956. But the Ponies appear to want back in the throne room in the worst way.

Karen Fred Installed as Worthy Advisor Saturday

Miss Karen Fred, daughter of Mr. and Mrs. M. M. Fred, was installed as Worthy Advisor of Morton Assembly No. 293 Rainbow for Girls in ceremonies Saturday, Oct. 14 at the Masonic Hall.

Mother Advisor, Mrs. Jerry Winder, welcomed guests. Invocation was given by Rev. Fred Thomas, minister of the First Baptist Church.

They are overwhelming favorites to defeat the Indians. But Morton always gives D.C. a good battle and we look for another dandy spectators' game at 7:30 p.m. Friday. This will be the last home game of the season for the Tribe, and it really does deserve your support.

Mrs. R. C. Strickland fell at her home Wednesday morning and was taken by ambulance to Cochran Memorial Hospital. She is believed to have received a broken hip. We hope she gets along nicely and recovers in a hurry.

We've had our problems with the autumn "crud" this week. Don't know whether it was flu, a cold, sinus infection or just meanness. Anyway, we've been under the weather. As much as possible, we've avoided staying home, since daytime TV is likely to cause a relapse or fits of uncontrollable anger.

Bobby Travis, principal at the high school, tells us a lot of students have been absent this week with some sort of virus infection, but it's the season for it and it happens every year.

Lots of grain is being cut this week, as Monday's frost lowered the moisture content to a more acceptable level. It scared us to see frost glittering on top of the car until we found that it didn't get down to the freezing level. The cotton is beginning to look good and we might get that extra two or three weeks of warm weather we need to make a good crop.

For the last home game of the year, Won't you please turn out and cheer?

Officers installed for October through January, 1967 serving with Karen Fred are: Terry Shifflett, Worthy Associate Advisor; Vicki Goodman, Charity; Ruthie Smith, Hope; Peggy Thomas, Faith; Bedwell, Treasurer; Giorietta Gray, Co-Lain; Sun Winder, Drill leader; Rebekah Green, Love; Trezelle Hill, Religion; Gunnels, Nature; Mikella Windon, Impatience; Diane Avery, Fidelity; Janice Patriotism; Vicki Kennedy, Service; Ki Hodge, confidential Observer; Don McCasland, Musician; Teresa Mullins, Choir Director; and Mrs. Jerry Winder, Mother Advisor.

Karen chose Prayer as the theme of the assembly this term. The motto she selected is "Teach Me to Pray".

She chose the clasp hands as symbol, the colors, yellow and white; the year rose, as the flower; and her selection, "All things whatsoever ye shall ask in prayer, believing, ye shall receive".

She dedicated her term to her father and mother for their help and understanding. Service awards were presented by Mrs. Winder.

Ruthie Smith, Hope was presented gavel from Morton Eastern Star Chapter No. 841 by Mrs. Lolita Hovey, Associate Matron.

The song "So Send I You" was sung in honor of Karen by Misses Janice Nebhut and Charlotte Jones, accompanied by Miss Karen Rozell.

The invocation was given by Mrs. Jerry Winder, Chairman of Advisory Board.

The reception in honor of Karen was given following the service by our Worthy Advisor, Donna Jo Allsup and mother Mrs. Don Allsup.

MORTON, TEXAS, THURSDAY, OCTOBER 19, 1967

Call it by any name, but it is full-scale war in Vietnam

In 1964 Barry Goldwater was labeled a "warmonger" and hate candidate while he was running for the Presidency. He advocated bombing of North Vietnam, invasion of the north and blockade of the North port cities. He asked that the American fighting forces be turned loose to fight the elusive Viet Cong.

The administration then in power countered with statements that Americans were in Vietnam only as advisors and that such drastic actions would precipitate an all-out war.

What are we doing in Vietnam now . . . three years later? We are bombing North Vietnam, with more and more targets taken off the forbidden list each day. We are blockading the North Vietnamese port cities. We are releasing our troops to battle the Viet Cong with every weapon at our disposal.

Our troop forces in Vietnam have been increased from less than 200,000 to more than 500,000 with another increase expected any day. Ultimately, our total involvement in Vietnam is expected to go as high as 600,000 to 750,000 American troops. Not in several years have we claimed that our military forces were in the country as "advisors". They are there as primary fighting forces.

We now find the administration doing just exactly what it condemned Mr. Goldwater for advocating. It has escalated the war until it is a full-scale conflict.

It seems to us that at least part of Mr. Goldwater's defeat can be blamed on a proper position at an improper time. Unfortunately, the 1968 presidential campaign promises to take a similar tack. The hawks and the doves will be at each other's throats, with appeasement lined up against all-out war.

War is never popular. But that's what our troops are fighting in Vietnam today. Call it by any other name, but when our casualties are running in the hundreds each week . . . it is a war.

It is time this country decide that the conflict in Vietnam is a full-fledged war, a war that must be won. We have been forced into stalemates and truces, into draws and "no-win" conclusions. Our administration has reluctantly agreed with the plans advocated by the GOP three years ago. But it still doesn't go far enough. It is time that the American people made it clear that it doesn't matter who thinks up the ideas that counts . . . it's how they are carried out that is of concern.

American people may agree or disagree with the reasons for our presence in Vietnam. But they are unanimous in wanting the war to end, not in a truce or an armistice or a stalemate, but in a victory that will leave no doubt that America means business. We have been pushed around too long, and most of us are sick and tired of it. If we are to be in Vietnam, then we should be there to win.

Aid permanently temporary

Bureaucrats, like the Communists, have a dictionary all their own. And like the Communists, they believe in co-existence — meaning, in the bureaucratic dictionary, that taxpayers must co-exist with bureaucrats.

It was a mere 20 years ago that Secretary of State George C. Marshall proposed, in a talk at Harvard, that the United States should furnish economic aid to the nations of Europe, to help them get on their feet. It was a "temporary" aid plan. The Congress authorized the distribution of \$12 billion during the next three-and-a-half years.

From this modest beginning, the idea grew with an alacrity that made Jack's beanstalk seem a rotting vine. The "Marshall Plan" burgeoned all over the globe, meanwhile going through such a kaleidoscopic variety of name changes that few members of Congress knew what was what. By the end of the first 10 years, it was known as the International Cooperation Administration. It was at that point that "The Shield", house organ for I. C. A., announced that the agency would join other federal agencies in a length-of-service awards program. A bronze emblem would be made available at the end of ten years, and after the agency has been temporarily around for 50 years, the faithful would be eligible for a gold emblem with a three-point diamond. That is not that the I. C. A. would close down at the end of 50 years. After all, three-and-a-half years in the bureaucrat's dictionary means permanently temporary.

The Chairman of the Foreign Operations Subcommittee on Appropriations, Otto E. Passman, reported recently that total net foreign aid costs, 1946-67 inclusive, were \$114.7 billion. The interest on what we have borrowed to give away this sum amounts to \$37.8 billion.

Billions have gone to Communist and other Socialist countries. And the taxpayer got exactly what he paid for: strengthened Communist and Socialist government around the globe.

And some pretty length-of-service for the faithful grateful.

Views of other editors

Glad LBJ has just two girls

I am glad LBJ has only two daughters. A little over a year ago we cynical males had to suffer through several weeks of daily newspaper descriptions of every stitch (almost) of clothing every female even remotely connected with Luci's wedding was going to wear. And now the whole thing has started over again, this time with Lynda Bird in the fashion spotlight.

It will probably be even worse this time because Big Sister will be trying to outdo Little Sister, who was brash enough to be the first at the altar.

The wedding isn't until Dec. 9th, but already some of the daily papers are running pictures of what the lovely bride will wear.

One such photo was of a long-stemmed model, obviously underfed, in what is described as a "dramatic black acetate and rayon velvet by Harvey Berin."

The designer's doing alright if he can con her daddy into buying one of his creations.

If my wife came home in an outfit like that, I'd send the kids to Grandma's and put her to bed for a few days.

I've seen a couple of other samples of what the well-dressed bride is wearing if her daddy hangs his hat in the White House.

One is a floor-length gown that is "navy sheer wool with high waisted satin belt and rhinestone buckle."

I noticed right off the bat that it has a "plunging neckline for honeymoon dinners."

Captain Robb had better be careful not to let his bride sit in a draft while she is wearing this thing, or the honeymoon could be cut short so she can recover from a chest cold.

Another idea is a "coat-dress", whatever that is, and a hat like Spencer Tracy wore in "Dr. Livingstone." It is "buttoned in brass in keeping with this year's hardware look," according to the caption.

Exciting, isn't it, men? But I'll say one thing for this outfit. The groom will fit right in with the "hardware look." A Marine officer in full dress makes a hotel doorman look like a monk. And I presume the groom will get hitched in full military regalia, which automatically eliminates any speculation about what he will wear — as if anybody gave a darn.

Women's Wear Daily, the nation's leading fashion organ, is quoted thusly: "Lynda Bird Johnson already has ordered 25 coats, suits and dresses from New York shops as part of the trousseau for her . . ." etc. About \$4,000 worth, WWD speculate. Of course a White House spokesman, who probably had the Poverty Program in mind, calls the figure "absurd" and denies that the poor girl has even ordered any clothes for her trousseau.

And that's the way it's going to go from now until Dec. 9, all carefully calculated to build a lot of suspense about the wedding gown.

WWD will publish a "sneak" preview of it a week before the wedding, and the White House will deny that she's even going to wear one.

Lamb Co. Leader (Littlefield)

Community stabilizers

So much emphasis has been laid on the troubles of cities that the magazine U. S. News & World Report has published a feature story on pleasant places to live in

the U.S., and there are plenty of them. As U. S. News points out, in 1960 two thirds of the nation's people were living in communities of less than 50,000. In these smaller communities all across the U.S., there is law and order, race tension is absent and schools are filled with young people with a purpose in life.

The stability of their communities stems from the quality of their citizens and no better indication of that quality is found than in the local newspaper which constitutes the only printed historical record of community life. More than this, the local editor and his paper a remnant or than not the primary means of articulating the hopes and aspirations of the locality. And the local editor, by candid editorial expression, stimulates discussion and the formulation of public opinion on a wide range of local and national issues.

In normal measure the stability of the local community and its influence on national affairs stems from its local newspaper. It is gratifying to record that there are nearly 11,000 weekly and smaller daily newspapers in the United States. As guardians of a free press, they help to preserve this country as a pleasant place in which to live.

San Marcos Record

Search for wisdom on war

This is a time for thoughtful and wide-horizoned thinking about the conflict in Vietnam. And for statements and conclusions that get at the heart of the matter.

American attitudes toward the nagging war are changing. The Harris Survey shows only 58 percent of those polled support the war, compared to 72 percent in July and 61 percent in late August. The bombing of North Vietnam is supported by 48 percent, compared to 59 percent in June.

But if we look to see what has changed very much lately about the conflict, we discover only a very few circumstances, and we must decide whether these are persuasive. For one thing, the bombing of North Vietnam has been extended. For another, the American casualty figures have reached a tragic new high, in several summer weeks. Total American casualties in Vietnam are now more than 100,000 wounded, missing and killed.

The casualty totals have brought the war home as never before. So has the dimmed prospect of quick victory. People also have realized unhappily that Vietnam is blocking progress on the antipoverty front. The Republicans in Congress, in shrewdly spaced statements, have made new criticism, both hawkish and dovish. Some Democrats have changed sides. So the war weariness has mounted.

But we should be constantly clear as to what are essential, and what are peripheral, arguments. Sen. Thruston Morton's contention that President Johnson has been "brainwashed" by the military-industrial complex is salutary in reminding Americans to watch the influence of defense manufacturers in some states, but it supplies no wisdom for getting Hanoi to the conference table. Senator Case's criticism that President Johnson has "misused" the Gulf of Tonkin resolution is a criticism of Washington's constitutional procedure.

When Senator Mansfield urges a shift in Far Eastern objectives from military confrontation to promotion of economic development, he sets an excellent over-all objective, but is North Vietnam prepared to follow suit? Accusations about a credibility gap may be accurate or exaggerated, but they don't advise the administration whether to escalate or deescalate. Calls for reconvening the Geneva conference are fairly futile when Moscow, the co-chairman, refuses to budge.

There are deeply fundamental questions and they range around such issues as to whether this war really preserves American security, whether the United States can honorably withdraw from Southeast Asia without an arms-backed settlement, whether responsible Asian leaders want an American "presence" in the Far East, and whether any kind of useful civilization can survive this war's destructiveness.

Is it too much to ask that the forthcoming campaign oratory undertake to provide some insight on the truly crucial issues?

Christian Science Monitor

AUSTIN HIGHLIGHTS, SIDELIGHTS

Texas tidelands case before Supreme Court for hearings

AUSTIN, Tex. — A multi-million-dollar Texas tidelands case once more is before the highest court in the land. It involves 37,000 acres of oil-rich offshore territory.

Atty. Gen. Crawford Martin and his aides have presented the state's arguments to the U. S. Supreme Court.

Key question is whether Texas coastline includes its jetties as part of the permanent harbor system. Jetties in question are at Port Isabel, Port Mansfield, Port Aransas, Matagorda, Freeport, Galveston and Sabine Pass. They extend as far as four and a half miles into the Gulf of Mexico.

Decision for Texas would add four and a half miles to the three marine leagues (10.35) offshore boundaries allowed by the federal submerged lands act of 1953.

NEW CASE IS THE latest round in legal exchanges dating back to 1950. Then the Supreme Court held that the federal government had paramount rights over submerged lands. Later the submerged lands act reversed the decision and granted Texas title to all lands reaching three marine leagues into the Gulf.

Present controversy arose when the Texas School Land Board advertised a lease sale of mineral rights under a 1963 Supreme Court decision which established the California coastline as including "outermost permanent harbor works that form an integral part of the harbor system".

U. S. Government filed an injunction to prevent Texas from leasing, contending that the Texas shoreline was defined by the 1845 annexation agreement under which the state joined the union.

Texas claims jetties are a part of the permanent harbor system and to determine where the shoreline was in 1845 would be impossible.

POLITICAL POT BOILS — Political pot continues to boil at the state capital:

As expected, 29-year-old House Speaker Ben Barnes announced for lieutenant governor. He said his move should not be interpreted as a tipoff to Gov. John Connally's plans. He stated that he would run as an independent, with no "ticket" affiliation with Connally or anyone else. Barnes immediately opened his statewide campaign headquarters in Austin.

Governor John Connally left for Canada and the National Governor's Conference in the Virgin Islands without revealing his decision as to retiring or running for a fourth term.

Lt. Gov. Preston Smith already is campaigning for governor. He predicts that Governor Connally will not run for an unprecedented fourth term and submits as evidence Connally's 1962 pledge not to do so.

Former Atty. Gen. Waggoner Carr called on all three — Connally, Smith and Barnes — to run for re-election. In a letter to Connally he said he may run for governor if Connally doesn't or for lieutenant governor if the governor seeks a fourth term.

Supreme Court races continue to draw increasing attention. Declared candidates are Houston District Judge Sears McGee, Texarkana Court of Civil Appeals Associate Justice Matt Davis, Amarillo Court of Civil Appeals Chief Justice James G. Denton and Austin District Judge Tom Reavley.

WATER BOARD MEETS — Texas Water Development Board met here Monday to review a variety of loan eligibility matters and a bond ordinance.

Titus County Fresh Water Supply District No. 1 is seeking eligibility finding for a \$2,200,000 loan to pay its share of the cost of the Titus County Dam and Reservoir near Mt. Pleasant.

City of Thorndale wants a \$130,000 loan to provide municipal water from a Soil Conservation Service reservoir.

Guadalupe-Blanco River Authority seeks a \$1,100,000 loan for facilities to provide Port Lavaca with water from the Guadalupe River.

Wichita County WID No. 2 requested a \$1,500,000 loan for rehabilitating Lake Kemp.

San Patricio Municipal Water District requests formal approval of a \$900,000 loan application for treatment, pipeline, pumping and water storage facilities.

Terrell asks approval of a bond ordinance so the city can go ahead with its application for a \$750,000 state loan for the first phase of a water improvement program which contemplates taking water from nearby Lake Tawakoni.

PARK GRANTS APPROVED — Three new federal grants for park improvement or development have been announced by the Parks and Wildlife Commission.

City of Diboll will receive \$174,500 (to be matched by equal amount of local funds) for buying 175 acres of land and to develop the city park.

A grant of \$211,214 from the federal land and water fund program will go toward a \$422,428 jointly-financed, 218-acre park on the banks of the Brazos River.

A \$69,550 grant will go to Webb County toward a \$139,100 park program covering 218 acres, four miles east of Laredo on the banks of Lake Casa Blanca.

COURTS SPEAK — A proposed constitutional amendment to wipe out the poll tax as a voting requirement and require annual voter registration is headed for a U. S. Supreme Court test.

State Supreme Court declined to grant an earlier ruling that an election which approved the amendment last November should stand.

AFL-CIO challenged the outcome of a vote, contending that voters did not realize that an annual registration feature was involved. Union promises to take the case to Washington.

Texas high court agreed to review a case of four Houston lawyers who contend that free legal service to the poor under the War on Poverty program is fairly deprived attorneys of fees. U. S. Supreme Court upheld the court's summary judgment against the group.

Court of Criminal Appeals affirmed a 99-year prison sentence assessed against rancher Shaper Taylor on charges of killing his 38-year-old former "girlfriend" and her elderly husband.

Austin District Judge Mace Thorne Jr. is presiding over the court of inquiry here to look into allegations of malpractices by home improvement contractors and their agents.

VOTER REGISTRATION — Texas Secretary of State John L. Hill is warning persons who are 60 years of age or older and live outside cities of 10,000 or more population that this year, for the first time, they must register to vote.

Hill said that a special provision had been made for such persons to register during the period October 1 to January 31, 1968 at the county tax office or mail to the county tax assessor collector.

73 RUN FOR — Seventy-three have filed as special election candidates for vacant House seats and one Senate vacancy. Seven elections are scheduled for November 11, general election day, and six proposed constitutional amendments will also be voted on.

Twenty-one seek the senate place held by the late Sen. George Parkes in Dallas.

Seventeen filed for the House post the late Rep. Ira Kohler of Houston, for former Rep. Lee Duggan, Jr.'s House seat; nine for former Rep. Pat Carr of Travis County House place; six for Cameron County seat of former Rep. Maurice Pipkin of Brownsville; five for post formerly held by Otha Birker, representing Wharton and Matagorda Counties; and three for the place vacated by former Rep. Jesse George who served Bailey, Cochran, Hockley, Terry and Yukum Counties.

Duggan, Cain, Pipkin, Birker and George resigned to accept other office positions.

STUDY LAUNCHED — Speaker Barnes named three coastal House members to serve on a joint interim committee which will make a new study of Texas beaches.

They are Reps. Rufus Kilpatrick of Beaumont, Travis Peeler of Corpus Christi and Russel Cummings of Houston.

Three Senate members (selected by lieutenant governor), the land commissioner, highway department chief engineer (or their representatives) and a citizen named by the governor also will serve.

Purpose of the body is to facilitate development of beaches as public recreational areas and tourist attractions. Group also will determine the best methods of obtaining rights-of-way and easements for needed highways and parking areas.

ATTY. GEN. RULES — A county assessor-collector is not authorized to accept applications for voter registration certificates mailed or delivered to him by some one other than the applicant, or the husband, wife, father, mother, or daughter of an applicant. Atty. Gen. Crawford Martin advised Secretary of State John L. Hill of the opinion.

Martin also ruled that bonds voted in Sherman County election, held before creation of the Texhoma Memorial Hospital District, will not become obligations of the district.

SHORT SHORTS — Texas traffic deaths are one per cent behind last year, reports the Department of Public Safety. Texas Public Employees Association will hold its annual meeting in Austin during Texas Public Employees Week, October 22-29. Confirmed cases of screwdrivers in Texas during August jumped to 63 — three-year high — reports the Animal Health Commission. Governor Connally appointed Charles L. Morris, executive director of the Veterans Affairs Commission, as 1967 State Veterans Day Chairman. Because of a new law, land owners who want to permit antlerless deer hunting must draw their permits at least 10 days prior to the opening of the season. The State Parks and Wildlife Department announces. . . State Board of Education received recommendation from Education Commission J. W. Edgar that aerospace education be added to public school curriculum.

Miss Jeanetta Rowden

Miss Jeanetta Rowden assigned to airline

Miss Jeanetta L. Rowden, daughter of Mr. and Mrs. Wayne M. Rowden of 409 E. Grant, Morton, has been assigned to the position of reservations agent for National Airlines. She will be stationed in New Orleans, La.

Miss Rowden attended Morton High School, South Plains College and is a recent graduate and honor student of the Weaver Airline Personnel School, Kansas City, Mo., having attained a grade average of 92 in all subjects.

Larry Seigler enrolls second year at LCC

Larry Seigler, son of Mr. and Mrs. Wayne Seigler, Star Route 2, has enrolled for the fall semester of his sophomore year at Lubbock Christian College.

A 1966 graduate of Morton High School, Larry is majoring in chemistry. He is a member of Sub-T-16 social club.

LCC is a private liberal arts junior college, founded in 1967. It offers associate degrees in 12 different fields and also offers technical vocational training in welding, machine shop and electricity.

Look who's new

Mr. and Mrs. Gene Snyder of Denver City, formerly of Morton, are the parents of a son, Gregory Calvin. He was born Monday, Oct. 2, and joined the Snyder household Tuesday, Oct. 10. The Snyders also have a daughter, Beth.

The Snyders and owners and publishers of both the Morton Tribune and the Denver City Press.

Mr. and Mrs. Woody Self of Lubbock attended the Morton Homecoming game Friday night.

FIELDMAN

Active Southwestern independent oil operator has opening for responsible person to pump wells, handle miscellaneous field problems, supervise lease activities, deal with suppliers, and maintain good relations with other operators and field personnel. We need a self-starter capable of handling the wide range of activities associated with this one-man job. Work will be concentrated in Southeast New Mexico, but some travel to points in Texas will be required every three or four months. Thoroughness and attention to detail are prime requirements. Good health and high school education are needed but there is no age limit. Car will be provided. Send complete resume of education and work experience including salary required to the box number listed below. All replies held in strict confidence. Our employees know of this ad.
 Box 545-A, Morton, Texas 79346

Morton delighted a Homecoming crowd by carrying a 10-0 lead into the dressing room at halftime. But the exes, and several hundred other Indian supporters, were dismayed when Muleshoe capitalized on a blocked punt and a long drive to garner a pair of fourth-period scores and a 12-10 lead.

The Indians got within striking distance once more, but a 32-yard field goal attempt fell about three yards short with 43 seconds left.

The Tribe dominated the first half, but had to get into a punting duel with the Mules during the third period.

The non-conference battle left Muleshoe with a 2-3 record while Morton is 1-5. Morton used a strong running attack to score in the first period. Taking the opening kick-off, the Indians marched 60 yards in 17 plays and used almost two-thirds of the first quarter.

Billy Baker received the opening kick and returned it 15 yards to the Morton 40. From there, the Indians got distance in big chunks and by the inch. Facing fourth down situations, Morton made the necessary yardage in all four cases.

Donnie Harvey hit off right tackle for 20 yards on the first play. Mike Bryan got two, Harvey was held for nothing and Baker added two. With fourth and sixth, Wayne Thompson kept for nine. Bryan got five, Harvey three and Charles Joyce got one. With fourth and one, Joyce got two. Joyce added four, Harvey got two and one. With fourth and three, Harvey made the first down by inches to the Mules' nine.

Joyce hit for four, Harvey got one and Joyce two. With fourth and goal from the two, Harvey blasted around right end, slipped one tackle and fell in for the TD. Billy Smart kicked the extra point and Morton led 7-0 with 4:39 left in the first period.

Bryan's short, line-drive kick was recovered by Muleshoe on its own 41.

Quarterback Terry Field went to the air on first down and saw Harvey slide in front on the intended receiver for an interception on the Morton 30.

Harvey hit for three, then slipped as he made his cut and lost one. Mike Bryan fumbled on the next play and Muleshoe's Traver Ford recovered on the Morton 32.

Muleshoe was penalized five yards. Field called his own number twice and gained nine and three. Fullback Roger Swint, younger brother of Texas U.'s Ronnie Swint, powered for two. Charles Beamon got two more for the Mules' initial first down. Bobby Julian lost one. He carried again, got popped hard for what would have been a loss, but fumbled and Swint recovered for a seven-yard gain.

Field kept for two to the Morton 12 as the first quarter ended. Swint was held for one yard on a fourth and two situation and Morton got the ball on its own 11.

The Indians began their second sustained drive.

Harvey got five and Joyce added 16. Harvey gained six, Thompson five and Harvey four. Joyce hit for eight and two, Harvey added 11 and Thompson kept for three. Joyce broke loose for 25 yards to the Muleshoe four.

Joyce got two, then nothing. Harvey tried to sweep right end, but was dropped for a six-yard loss to the eight.

With four and goal, Smart booted a 20-yard field goal to give the Indians a 10-0 margin with 5:28 left in the first half.

Johnny Embry fell on the ball for Muleshoe on their 17 after Bobby Julian had bobbled the kickoff.

The Mules moved for two first downs to their own 48. With third and six, Field tried to pass and saw it intercepted again. This swipe was by Charles Joyce at the Morton 34.

With time flitting Morton gained eight yards on three runs. With fourth and two, Morton was held for no gain and Muleshoe got one more chance.

Field dropped back, spotted his receiver and fired the ball. But he didn't see Donnie Harvey racing across the field to intercept again.

There was time for only one play before the half and Joyce got four yards.

At that point, Morton had 10 first downs to three and 155 yards on the ground to 51. They also had three pass interceptions and 10 points.

The Indians probably should have stayed on the field and watched the halftime ceremonies as the Morton High football queen and band queen were presented.

For a few moments, it seemed that Morton would have control of the second half. The elusive Bobby Julian took the second half kickoff, but was corralled after ten yards to the Mule 30.

Beamon ran three straight times and gained eight yards. Embry punted 40 yards to the Morton 22.

The Indians began to drive as Joyce got five and Harvey seven. Joyce got two, then lost one. Morton was penalized five and Harvey's eight yard run was enough. Rusty Rowden kicked Morton's first punt of the game, a 35-yarder that Julian returned seven yards before he fumbled an recovered.

Muleshoe was penalized five and end Randy Kelly dropped Field for another

five-yard loss. Julian passed incomplete and Embry punted 51 yards.

The kick hit Harvey while he was attempting to get away from it, but he fell on it at the Morton 28.

Joyce got three and Harvey six, but Thompson was held for no gain and Rowdon punted 30 yards. The return netted five yards.

Two runs got five yards, but Muleshoe was penalized five. Field had passed complete to Embry on the play, but had the play nullified. Field then passed incomplete. Embry punted 40 yards.

Morton began using audibles, a play change called at the line of scrimmage to offset last-minute defensive shifts. But there were unsuccessful as Morton gained three, was penalized five, gained one and five out to the Morton 31.

"Tell them to block harder on the left side, they're getting through too fast," Coach Fred Weaver instructed Rowden just before he took the field to punt. Morton didn't, Muleshoe did and Traver Ford blocked the punt.

That gave Muleshoe the ball on the Morton 29 and they took advantage of the break. Swint gained seven and Beamon added four. Muleshoe was penalized five. Beamon got 13 yards on a draw play as the third period ended.

Field kept for no gain. Beamon got one. With fourth and one, Field got the first down to the Morton eight. Julian got two yards, but Tommy Waters and Dick Van dropped Beamon for a two-yard loss.

Sophomore quarterback Ronnie Barrett came in for the first time during the game. He dialed his own number and outran everyone around left end for the TD from eight yards out. Field came back in and tried the same play for extra points, but was dropped short. Morton led 10-6 with 9:21 left in the game.

Muleshoe's on-sides kick was recovered by Morton's Gary Gullivan on the Indian 46. Harvey gained one yard in two tries and Joyce hit for seven.

Rowden punted 36 yards and Beamon returned five to the Mules' 17.

Swint broke loose and zipped 26 yards before he was dragged down. Field kept for four, Swint got four, Field got five and Beamon added four. Field kept for three up the middle.

On the next play, Field gave a good fake to Swint, who hit the middle hard. While everyone was pulling him down, Field had kept around right end and fooled everyone. He raced 37 yards for the go-ahead score. The kick snap was fumbled, but Muleshoe had a 12-10 edge with 4:11 left in the game.

Morton made one last try as Tommy Waters returned the short kick 10 yards to the Morton 40.

Joyce hit for three, fumbled and recovered. Joyce added four, Harvey got five and the first down. Joyce got three,

Onto the field . . .

MORTON INDIANS take to the field before their homecoming game against Muleshoe here Friday night. Leading the squad are captains Dick Vanlandingham and LaMell Abbe. The third tri-captain, Billy Smart, is not visible. Muleshoe tallied twice in the fourth period to win 10-12. (Staff Photo)

Harvey five and Thompson nine for another first down. Joyce got four and Harvey two. Joyce got four and another first down to the Mules' 21.

Joyce got three and Harvey three. Joyce was dropped for a one-yard loss, back to the 16. With fourth and five and time running out, the field goal attempt was a logical choice.

But Smart's boot faded and fell about three feet below the crossbar.

Field kept for two plays and seven yards before the game ended.

Joyce picked up 107 yards in 26 carries for a 4.1 average. Harvey carried 25 times for 97 yards and 3.9 average, while Thompson kept for six times, 31 yards and a 5.0 average.

A THIRSTY LAND

Men have a thirst and a longing for goodness and righteousness. Even the most parched soul is touched by acts of kindness, forgiveness, and love. Jesus said, "Whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life."

May all who are thirsty for a oneness with man and with God find satisfaction and fulfillment by attending church

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
