MORTON, TEXAS, THURS., OCT 26, 1967

## Ceiling is placed on police expenditures

A ceiling of \$25,000 was placed on police department salaries by the Morton City Council during their regular meeting Monday night in the City Hall.

The move was taken by the Council to prevent additional salary expenditures by the police when police operations are moved from the courthouse to the city hall and which could possibly cause a deficit in the police fund.

Councilman George Hargrove said that the police salaries account for 22-percent of all salaries within the city operation. He said that while he was "all for the police department," he felt they should stay within their budget of \$25,000.

A motion stating that salaries for the police department will remain within the \$25,000 budgeted then was made and seconded by Hargrove and Herman Bedwell. The motion passed.

The council, with councilman Donnie Simpson acting as mayor in the absence of Jack Russell, discussed the installation of chain link fence around several city gas operations as requested by

## Cotton quality said excellent

The South Plains cotton harvest continued to gain momentum this week and was ahead of the pace of the 1966 harvest, according to W. K. Palmer, in charge of the Lubbock Cotton Cladding Office of the USDA.

Forty-seven hundred samples were classified at the Lubbock office during the week ending Wednesday, October 18th, bringing the total classified this season to 7,300. Through October 18th, last year only 2,900 samples of the 1966 crop had been classified.

Most of the cotton harvested this season has been long staple varieties and has been hand-snapped and machine picked.

Quality of these early harvested bales has been excellent. Grades have been predominantly Middling, and average staple length has averaged better than 1-1/8". Micronaire has been excellent with approximately 97 per cent miking 3.5 and better.

Prices paid for these early bales indicate a strong demand for South Plains cotton. Cotton prices paid South Plains farmers as reported by the Consumer and Marketing Service of the USDA, generally ranged from \$7.50 per bale over the loan for short staple cotton up to \$85.00 per bale over the loan for 1-3/32" and longer cotton.

Prices paid farmers for cottonseed ranged from \$52 to \$57 per ton.

an insurance safety survey several weeks ago. The survey also called for gas masks to be placed at the chlorine station.

The council after hearing cost figures, told city secretary Elra Oden to purchase the fencing material and gates where he could get them the cheapest. A hold order was placed on the purchase of the gas masks pending a check to find the cost of an approved model.

During the meeting, Oden gave a report to the council on the course in General Supervision he received at Texas A&M recently. Oden said the course covered everything from general supervision to routine work to psychology. He said there were three classes and that the class he was in contained 17 men and that the majority in the course were manufacturers.

Oden said that the course stressed communications and the training of men to take over each supervisory position.

The council asked Oden what he thought of evaluation reports on each employee. Oden replied that he thought it would be

See POLICE SPENDING, Page 2

## Absentee votes

Cochran County voters are reminded that absentee voting is now underway for the Nov. 11 special election which will decide on an interim state representative and six state constitutional amendments. Deadline for absentee balloting is Nov. 7. To be eligible to vote, a person must have a 1967 voter registration slip or be over 60. Candidates for the seat, vacated by Jesse T. George, are Ted Weaver, John Kendrick and Eddie Paxton. No absentee ballots have been cast so far.

## District 4-AA reverts to 6 members under new move

District 4-AA will revert to six members under a new alignment made last week by the Texas University Interscholastic League. Five schools were involved, with three moving out of the district and two coming in.

The change is part of a massive realignment which takes place each two years and is effective for a two-year period.

Membership is effective for the 1968-69 and 1969-70 school years.

Slaton High School moves up into the ranks of AAA, while Midland Carver and Stanton High Schools have been moved into other AA districts. New members will include Idalou and Tahoka High Schools, which had been in Class A.

Statewide, there will be 206 schools in AA ranks, an increase of four, with enrollment ranging from 225 high school scholastics to the top of 450.

Nine South Plains schools were shifted into higher classifications because of increased enrollment.

Odessa Ector moved into AAAA competition. Slaton and Colorado City moved up to AAA. Idalou, Tahoka and Ralls move into AA, while Happy, Vega and Cooper were moved into Class A.

With the new alignment, District 4-AA will include Morton, Denver City, Idalou, Post, Tahoka and Frenship.

Stanton and Midland Carver were shifted from District 4-AA to District 6-AA with Big Lake, Crane, McCarney and Ozona.

Slaton and Colorado City, will go into the huge District 3-AAA, which includes Brownfield, Lamesa, Littlefield, Lubbock Dunbar, Lubbock Estacado, Lake View, Snyder, Sweetwater and Levelland.

## Truck driver injured seriously Thursday

A truck carrying about 14,000 pounds of grain to an elevator over-turned Thursday afternoon about 5:30 p.m. seriously injuring the driver and scattering the grain across the highway.

Listed in serious condition at Lubbock's Methodist Hospital was Rafael Enriquez, 69, of Causey, N.M.

Investigating Texas Highway Patrolmen Ronald Coleman and T. A. Rowland said Enriquez was traveling south on Farm Road 1779 one mile west and two miles north of Lehman when the accident occurred.

He was being preceded to the elevator by Carl McClintock and Roy Pierce in another vehicle when they observed En-

Halloween's coming . . .

WITH THE TIME FOR Trick or Treats, black cats, ghosts and goblins just around the corner, four-year-old Jerel Murrah peers through a store window in Morton to look for their selection of Jack-o-lantern-style goodie bags.

When asked if the Jack-o'-lantern was saying anything to him, Jerel replied, "Jack-o'-lanterns aren't supposed to talk." Jerel, the son of David Murrah, apparently feels they should be seen and filled, not heard. (Staff Photo)

## CROP drive scheduled Monday

Cochran County young people will canvas Morton and surrounding areas Monday night beginning at 7:30 p.m. in an effort to secure "treats" for the needy of the world.

Workers are requested to meet at Methodist Church prior to 7:30. Refreshments will be served following the meeting.

The Community Food Appeal of the Church World Service and collects cotton fiber and cash in communities throughout the United States for the world hunger programs of the churches. It has become a symbol of Halloween for young people of Texas as the traditional "Trick or Treat," black cats, and witches.

Youth will join other Cochran County workers who are seeking contributions of grain, livestock, rice and cash for church overseas material aid projects.

Cochran County appeal has netted \$250 from cash, grain and cotton this year's drive. CROP has exported food and material development supplies worth \$1 million. In addition, \$2 1/2 million has been transferred to other relief agencies.

## Farm Bureau meet

The annual Farm Bureau meeting will be held Thursday, Oct. 26, at 8 a.m. in the County Activity Building. Highlight of the meeting will be a film and talk by Horace McQueen about Australian farming. Resolutions to the state convention will be elected during the meeting.

## Remember the time change

It begins anew next week . . . this time of time changes. Beginning Sunday morning in the wee hours, the time change to Central Standard Time is in effect. Current Daylight Savings Time.

Most folks, the time change will mean moving the clock back one hour before going to bed Saturday night. The time change will mean one more hour of sleep, which should make up for the hour sleep lost when the program was effected April 30.

For the parents of children going to school in Morton, the time change will force a difference in getting to school. When school began in this fall, school board members will begin classes at 9:45 a.m., each day.

When the time classes begin will be at 8:45 a.m. This will mean that parents will have to get up an hour earlier to make it to class on time. Prior to the time change, parents have had to work to get students to class on time.

The Salvation Army drive for the annual campaign to raise funds for the Salvation Army will begin on Thursday, Dec. 7. Bobby Trautman, chairman of the local unit, said the campaign will begin with a kick-off luncheon at the Wig Wam. The campaign chairman and 1967 fund drive will be announced later, Travis said.

## Morton faces Frenship in a battle of the have-nots

It will be the battle of the have-nots Friday night when the Morton Indians travel to Wolfthor to try the Frenship Tigers.

Morton is 1-6, with a 1-2 mark in district play. Frenship stands 0-7 and 0-4 in loop action.

The Indians were blanked in their first two games, but have managed to get something on the scoreboard in the last five outings. The Tigers managed to score one touchdown each in three of their first four games, but have been blanked the last three times out.

Frenship has lost as follows: 6-50 to Abernathy, 8-60 to Seagraves, 0-27 to New Deal; 6-14 to Post; 0-37 to Stanton; 0-38 to Midland Carver; and 0-35 to Slaton.

When you compare Morton's scores, there's not too much difference, except for the one brilliant moment for the Indians when they downed Midland Carver.

committees formed by the churches, along with farm and civic organizations.

The young people who will be seeking to help needy people abroad through CROP this Halloween will be identified by a red on white CROP identification tag.

A meeting will be held Nov. 1 at 5 p.m. in the Wig Wam for local CROP officials. A final report on the success of the drive will be held.

The Tribe's results look like this: 0-41 to Olton; 0-26 to Friona; 6-36 to Abernathy; 40-6 over Midland Carver; 6-40 to Slaton; 10-12 to Muleshoe and 2-42 to Denver City.

Through the first seven games, Morton has scored 64 points and given up 203; Frenship has tallied 20 points and allowed 261.

The 7:30 p.m. contest will be against two teams that should be evenly matched and both hungry for victory. A win for the Indians would put them no worse than their 2-8 finish last year. Frenship had a 1-8 mark last year and time is running out for them to get a win as they go to Panhandle next week and close out against Denver City.

Each team probably will have one key

See MORTON FACES, Page 2

## Number change

Confusion will probably reign supreme December 18 when telephone numbers are changed in Morton to accommodate newly installed exchange equipment. The 1967 edition of the phone book, which will be issued in mid-November, will contain the new numbers. General Telephone said telephone customers will be notified by mail of their new numbers. It is not known whether this notification will come before or after the new directories are issued. Telephone officials said the change was necessitated by the new equipment which would effect greatly improved service. One advantage under the new system would be that the same number can be kept when a person moves from house to house. This type of change is impossible under the present system. All Morton numbers will continue to use the 266 prefix while the last four digits will change.

Trucker injured Thursday . . .

RAFAEL ENRIQUEZ, 69, whose address was listed as Causey, N. M., was seriously injured Thursday afternoon when his loaded grain truck overturned after going out of

control on Farm Road 1779 southwest of Morton. The accident, one mile west and two miles north of Lehman, caused the truck's load of about 14,000 pounds of grain to be spilled across the highway. (Staff Photo)

Conservationist . . .

R. C. BARRON, 29, a native of Lamesa, has been named soil conservationist with the Soil Conservation Service in Morton. Barron moves here from Brownfield. He is a graduate of Texas Tech with a degree in agricultural economics. (Staff Photo)

Police spending

a good idea. These reports would probably be filled out by the city secretary.

In other city business, the council voted a \$10 raise to gas department employee Eddie Ray. His salary, after the raise, will be \$345. Mrs. Ray Tarleton was given an automatic raise from \$260 to \$275. She has completed her 90-day probationary period.

Ray's salary increase was approved by the council on a motion and second by Wiley Hodge and Bedwell. Earl Stowe abstained.

Truck driver

from page one

Enriquez swerve across the highway several times before leaving the pavement and overturning across the highway.

They said Enriquez was thrown out of the cab of the truck when the vehicle overturned.

At the time of the accident Enriquez was hauling grain for J. O. Freeman. Enriquez is regularly employed by Kenneth Pyburn and has lived on the Pyburn ranch for several years.

He was taken by Singleton Ambulance to Cochran Memorial Hospital where he was examined and transferred to Methodist Hospital.

Phone Your NEWS to 266-2361

Through the telescope by Luck

In spite of a lot of moaning and groaning, we seem to have survived Daylight Savings Time and will get to collect that hour of sleep we lost way back last spring. Come 2 a.m. Sunday, Oct. 29, or the night before if you aren't a stickler for accuracy, the clocks roll backward one hour and we get into our normal time again.

We did enjoy the extra hour of daylight at the end of the day, but mumbled about the darkness when we came to work early. We really do hope that the Morton school board will see fit to stay right with the clock when we come to the time changes next year. It created all sorts of problems to have the youngsters reporting for classes at 9:45, having lunch at 1 p.m. and being dismissed at 4:30 p.m.

One teacher took full advantage of the late starting time for class. Band director John Stockdale scheduled a lot more morning rehearsals instead of the usual night practices. With the bandsmen practicing from 8:30 a.m., Mr. Stockdale was able to get a lot done.

And that rehearsal will continue to be intensive for another week. The high school band will enter marching contest at Plainview on Tuesday, Nov. 7. The Morton group will be the last band to march and we know they will do well.

It is with some hesitation that we discuss the next topic. Our older son, a 15-year-old sophomore, claims that he saw a UFO (Unidentified Flying Object) come over our neighborhood about 9:55 p.m. Sunday. He was outside watching for a meteor shower as part of his science homework. Never one to do things the hard way, he was lying on his back on a ladder looking up at the stars. He describes the object as a triangle-shaped thing, much like a delta-wing airplane without a tail. He says it went from northeast to southwest, at an estimated altitude of 100 feet and a speed of about 75 mph. He said it had no external or internal lights, was perfectly smooth except for some small protrusions on the bottom. He described its sound as slight, a whirring-type of noise. Another high school boy, who had not talked with our son, later reported he had seen a similar object come over him about 9:30 p.m. Sunday while he was riding his motor-scooter east of Morton.

We have seen similar unexplained objects three times, but never so closely. We made one sighting about 20 years ago near Dumas, another about 10 years over Dumas and the third over Levelland, about seven years ago. During two of our sightings, we were with others who also

saw the object. We attempted to photograph the object we saw over Lovelland, but got only one faint dot on the film.

Our son went out again Monday night, this time accompanied by others. They managed to get a photograph of some object that had a greater light than the stars which appear on the film. But the distance is so great that no form is visible.

We don't feel that Martians will land tomorrow. We aren't sure that UFO's are vehicles from other planets. We do know that not all UFO sightings have been satisfactorily explained. But if it is possible for the Russians and the Americans to make soft landings on Venus and the moon, it is scientifically possible that interplanetary travel is feasible within our lifetime. If this is true, another planet would have to be only a decade ahead of us in scientific knowledge to be capable of traveling to earth.

Final note: We have the film and the prints which show some light-emitting or light-reflecting object of far larger size than the stars. They are at the Tribune office and available for your inspection.

Back down to earth: Malcolm Coleman, nine-year-old son of Mr. and Mrs. Leonard Coleman, placed second in his age group in the district Punt-Pass and Kick contest last Saturday in Lubbock. Malcolm was first place winner in the local contest.

The Indians have made their final home appearance of the year. They will play Friendship at 7:30 p.m. Friday. Morton is favored in this game and a good crowd of fans to support them might make the difference in the outcome. Their last two games will be at Stanton and Post.

If you would like to attend the game at Stanton Nov. 3, go by the bank today or Friday and make a \$5 payment to Deryl Bennett. That will pay your transportation both ways by chartered bus. The bus trip is being arranged by the Booster Club, which needs 33 people signed up. The \$5 is total cost for the trip, but does not include your game ticket.

The Booster Club is going to start selling tickets next week for a fine 12-gauge shotgun. The winner will be selected at the first home basketball game, which is slated for Nov. 21. With bird season about to start, a dollar would be a good investment for a ticket.

Coach Robert Taylor reports that he has scheduled a seventh grade football game for his Morton team today (Thursday, Oct. 26) in Morton at 5:30 p.m. against Whiteface. The Morton freshmen will host Farwell at 7 p.m. The eighth grade played at Levelland Tuesday. The seventh and eighth grades will host Muleshoe at 5:30 p.m. Tuesday, Oct. 21.

Won't someone please find Doug Reed's small white female poodle? Doug says there's no peace at home, he can't concentrate on his teaching or his coaching at school. Doug lives at 308 E. Garfield, or you can call him at 266-2541. He's even offering a reward for return of the animal.

It was supposed to freeze Wednesday

Morton faces

from page one

player sidelined. Morton end LaMell Abbe, a senior and tri-captain, received a kidney injury last week and probably won't see action for two weeks. Randy Curry, the Freshman starting quarterback, got a knee injury against Post and has had an operation.

Probable starting offensive team for Friendship will include: John Gravor, left end, senior, 158; Ken Patterson, left tackle, sophomore, 190; Mike Walker, left guard, junior, 156; Denny Hutcheson, center, junior, 167; Larry Vines, right guard, senior, 220; Rex Brooke, right end, sophomore, 136; James Madison, quarterback, junior, 162; Johnny Graza, fullback, sophomore, 123; Johnny Carrizales, tailback, sophomore, 134; and Wadell Smith, wing back, freshman, 147.

Carrizales is a speedy, dangerous runner who started as a freshman. Wadell Smith is a very fast runner and a good pass receiver.

Junior Horizon Club has regular meeting

The Junior Horizon Club had a regular meeting Monday, October 23, in the home of Janella Nebhut. It was decided to have a rummage sale Saturday, October 28. The yearly officer installation dinner will be November 20 in the home of Jeanie McMinn. Those present were Rheda Brown, Karen Fred, Patsy Collins, Carol Freeland, Janella Nebhut, Jeanie McMinn, Deborah Miller, and Mrs. Daniel Rozell.

morning, but we haven't heard if it got that low. The cotton has begun looking much better the last couple of weeks and we are hearing a few faintly optimistic outlooks now for the fall harvest.

If you heard a whir, Viewed a flying saucer, Unlike anything you'd seen, Wouldn't you be inclined to Think UFO's were more than just a dream?

Methodist women are in prayer observance

Members of the Woman's Society of Christian Service and the Wesleyan Service Guild at First Methodist Church of Morton will participate this week in one of the most important annual observances of Methodist women through the United States.

The "Call to Prayer and Self-Denial", initiated by Methodist women in 1887, as a week of prayer and self-denial, focuses on guided mission study, a much needed offering for special mission projects, and a deepened spiritual life. More than 1,600,000 women in 36,000 Societies and Guilds in all 50 states will join in the observance.

The Call is sponsored by the Woman's Division of the Methodist Board of Missions. The Division, one of the four major units of the Board of Missions, is the national body through which all local Woman's Societies and Guilds function.

The theme of the 1967 Call to Prayer and Self-Denial is "Feed My Sheep," taken from John 31:17, emphasizing love and brotherhood through care for children and young women in the United States and

leadership training for national observance of the observance are the Program of prayer, meditation, and the Quiet Day. The Program Meeting for women of the Methodist Church will be held at 8 o'clock Oct. 30 at Methodist Church Fellowship Hall as will the Quiet Day. Leaders of the two events will be Owen Egger and Mrs. W. G. Frazier.

Meet a 1968 "youngmobile" from Oldsmobile.

Now that you've been introduced, why not get together?

Why not take the wheel of this Cutlass 5—youngest of the "youngmobiles" from Olds. A new 350-CID Rocket V-8 delivers more power at lower operating cost. (And does it more smoothly and quietly, as well.) You say you prefer a Six? Olds has a 250-CID Action-Line 6, too. These are only openers. You can tailor Cutlass 5 to your fancy and finances. 4-speed stick to stereo to sporty pinstriping. Front disc brakes to dual

exhausts to Rally Sport Suspension. (All the new GM safety features are standard.) What it adds up to is this: If you like cars with a lot of pizzaz in the way they look—cars with a lot of moxie in the way they drive—your Oldsmobile Dealer is the man to see. They're the only kind he carries.

See your nearby Oldsmobile Dealer

# Town and Country club-ers has panel discussion meet

The Town and Country Study Club met Wednesday, October 18, 1967 in the home of Mrs. Connie Gray with Mrs. Don Samford as CoHostess. The program was called "Mosaic Fragments Into The Community Improvement Design". Mrs. Joe Seagler acted as moderator for the discussions concerning the Community Improvement Projects for the past present, and some thought was given to future projects. Each club member donated a bulb for the landscaping of the Historical Museum. Mrs. Ray Griffith presented needs for improving the hospital as outlined by Mrs. Kenneth Thompson. She mentioned the need for simple color work for children, plus furniture for the new hospital rooms now being built.

Mrs. Neal Rose, a member of 1936 Study Club and Outstanding Clubwoman of the State of Texas for 1967 gave a brief discussion of methods of compiling and reporting the various Community Improvement projects. She also discussed future projects and better methods of reporting our present projects concerning public education, health, and welfare.

Mrs. Bobby Travis, member of L'Allegro Study Club and former district outstanding clubwoman gave a discussion of Community Improvement reporting and presented a detailed plan for improving Strickland Park as a possible future project. Mrs. Dexter Nebhut, a member of YM Study Club and coordinator of the work schedule for Headstart, acted as consultant for the question and answer period and Mrs. Ruth McGee, of the Elma Slaughter Study Club represented her club in the discussions that followed the program.

Staff members of the local press and radio were invited to attend.

Members attending were: Mrs. Joe Seagler President, Mrs. Willard Henry, Mrs. Alvie Harris, Mrs. Don Samford, Mrs. Roy Hill, Mrs. Cherylne Inglis, Mrs. W. L. Foust, Mrs. Bill Hovey, Mrs. W. G. Freeland, Mrs. A. E. Sanders, Mrs. J. N. Leavitt, Ross Shaw, and Mrs. Robert Yeary, and Mrs. Connie Gray.

During a brief business session the club members voted into the club Mrs. O. A. Graves and Mrs. B. J. Henslee. Mrs. Willard Henry gave a brief report of the District Board Meeting held in Littlefield on Nov. 14. Mrs. Leroy Johnson, Mrs. Willard Henry, and Mrs. Connie Gray attended the Board Meeting. Mrs. Henry and Mrs. Johnson were on program for the District Board Meeting. The members also decided to participate in the local Halloween Carnival by sponsoring a booth.

A work schedule was signed by the members for the booth.

The next meeting will be Nov. 1, in the home of Mrs. Hovey. The program will be presented by local youth concerning the Texas Youth Conference held in Austin during the month of August.

# Mrs. D. E. Benham hostess for the 1936 study club

The 1936 Study Club met in the home of Mrs. D. E. Benham Wednesday, Oct. 18.

During a short business meeting presided over by Mrs. Joe Gipson, president, the club voted to cooperate with the Emilea Smith Study Club Halloween Carnival by sponsoring a bazaar for sale of hand made products.

Many of the club members also expressed an interest in attending a luncheon and tour to be given by South Plains College. Levelland in honor of Morton women.

Following the business meeting, Mrs. Benham, dressed in native costume and surrounded by articles of native arts and crafts, gave an interesting and informative review of a recent tour to Bogota, Columbia, South America.

She described the Columbia people as dark and handsome, very friendly to the North American. By use of picture slides her listeners were introduced to many of the views and customs of Columbia, where the architecture is very modern but much of the farming very primitive. There are a few agricultural experiment stations with modern material and machinery. As rainfall is adequate and temperatures always tropical there may be four or five crops raised per year. The insect problem is severe and some crops may be sprayed as many as fifteen times.

The postal service and highway systems have much to be desired in the way of efficiency but in the cities the people are all well dressed and strive to attain a middle class status. The churches are the center of interest and the most outstanding buildings in each city or community.

Members present were Mesdames: John

# ★ Club to meet

The Emilea Smith Junior Study Club will hold its next regular meeting Thursday, Oct. 26, at 7:45 p.m. in the home of Mrs. James Dewbre with Mrs. Earl Polvado as co-hostess. The program for the evening, "Refresh Your Knowledge of Americanism," will be presented by Mesdames Eddie Milligan and Richard Houston. The roll call for the evening will be "What Character in American History I Would Like To Be."

# Henley-Curtner to exchange vows

Mr. and Mrs. C. N. Curtner of Whiteface wish to announce the engagement and approaching marriage of their daughter Shirley Faye to Alvin Don Henley, son of Mr. and Mrs. Ed Cambell of Anton. Mr. Henley has served three years in the Army.

The prospective bride attended Whiteface High School and Kirks Beauty College in Odessa.

The wedding is set for October 28 at Whiteface Assembly of God Church at 3:00 p.m. Friends and relatives are invited to the wedding and reception.

# Merry Goals hold two meetings this fall

The Merry Goals Junior Garden Club met in the home of Mrs. Bobby Travis on Sept. 19 for the installation of officers.

Mrs. Travis installed the new officers for the year. They are as follows: Pam Cagle, president; Elizabeth Deavours, vice president; Chrysti Sanders, secretary-treasurer; Wyn Crone, reporter.

Mrs. Travis also presented the program on principles of design. The members learned how to work with arrangements. The club also met on Oct. 17 in the home of Mrs. Wayne Porter.

Miss Susan Schooler presented the program on geraniums. The members learned about the geraniums and how to pot geraniums to pvpuasbeco3e ETAOI AOI them. Each member was given two geraniums to pot.

Refreshments were served to the following members by the hostesses: Pam Cagle, Melody Crone, Wyn Crone, Lisa Bennet, Elizabeth Deavours, Carlene Evans, Susan Schooler, Gail Lassiter, Kelly Travis, Leesa Cagle and the club chairman, Mrs. J. L. Schooler.

Doyle Fowler, an employee of Hawkins Oldsmobile, was in Oklahoma City, Okla., last week attending a three-day factory training school.

Donna Jo Allsup, daughter of Mr. and Mrs. Don Allsup visited in the home of her parents over the weekend. She is a freshman student at Texas Tech.

# Whiteface Club hears program on fabrics

The Whiteface Study Club met in the elementary auditorium on Thursday, Oct. 19.

The program on fabrics and dress design was presented by Mrs. Erwin from the Phaff Sewing Center in Levelland.

Mrs. DeWayne Smith, hostess, served tunnel of fudge cake, coffee and Cokes to the following members: Mesdames Rex Black, Vern Beebe, Darwood Marshall, Ed Jennings, Bill Shackelford, Wednell Dunlap, J. W. Allen, S. J. Bills, Jack French, Marvin Lasater, Max Dickerson, John Fietz, Elmer Evens, James Cunningham, Don Price, Louise Lucas and Miss Fredda Bourland.

Special guests were: Mesdames Chester Smith, Charles Sanders, Floyd Taylor, J. W. Smith, Rube Abney and Gordon Taylor.

# Y-M Study Club has program on hymns

The Y-M Study Club met Thursday, Oct. 19 in the home of Mrs. Robbie Key with Mrs. Weldon Wynn, president, presiding.

The program entitled, "Sunday in the Colonies", taken from the book "History Songs" by Hazel Gertrude Kinscella was presented by Mrs. Leonard Groves. The histories of such hymns as "Rock of Ages", "Amazing Grace", and "In the Garden" were also given by Mrs. Groves. A sing-song followed with the songs "What a Friend We Have In Jesus" and "In the Garden" being sung by the group while Mrs. Groves accompanied on the piano. Mrs. Don Davis closed the program with a prayer.

During the business meeting Mrs. Wynn reported on the Area Council Federation Day Observance held October 12 with R. B. McAlister as guest speaker. She also reported on the District Workshop she and Mrs. Hargrove attended. The club decided to contribute to the garden to be built in Brownsville.

It was also decided to participate in the penny-per-member-per-meeting for the Endowment Fund again this year.

Mrs. Dexter Nebhut reported on a meeting she attended which was sponsored by Town and Country Study Club concerning the community improvement entry by the area council. Project Headstart will be the council's entry.

Those present were Mesdames: Max Clark, Don Davis, Leonard Groves, George Hargrove, Robbie Key, Ray Lanier, Dexter Nebhut, Pete Pierce, Fred Weaver, Billy Weems and Weldon Wynn.

# Busy Fingers Sewing Club has meeting

The Busy Fingers Sewing Club met in the home of Mrs. Roy Allsup Thursday Oct. 19 at 2:30 p.m. President Mrs. Bertha Miller presided over the business meeting. The club voted to have their annual Thanksgiving dinner in the Wig-Wam banquet room, Thursday evening 7:00 p.m. Nov. 16.

Refreshments were served to the following members: Mrs. W. L. Miller, Mrs. W. E. Childs, Mrs. Henry Bedwell, Mrs. A. R. Lindsey, Mrs. Clayton Stokes, Mrs. Charlie Howard, Mrs. Bula Newton, Mrs. C. C. Benham, Mrs. Walter Taylor and Mrs. Allsup.

The next meeting will be with Mrs. W. E. Childs, Nov. 2 at 2:30 p.m.

Kay Peterson, Lilly Yeung, Glenda and Dena Smith visited in the home of Mr. and Mrs. Bill Smith last weekend.

# CRISIS IN OUR CITIES:

## What Rural America Can Do About It

Since its early days, our nation has periodically faced a crisis in its cities.

And, since the early days, the root cause has been the same . . . people flocking to the cities in search of something better . . . people leaving areas of little opportunity in search of fulfillment for themselves and their children.

In earlier times, the people came from overseas. Nearly all of them came from the land which no longer provided them with a living.

Today the people who fill our cities in search of a better life . . . nearly 600,000 of them a year . . . come from our own countryside, nearly all of them from the land which no longer offers them a living.

The fact is, as Secretary of Agriculture Orville L. Freeman and other informed government officials have noted, that 70% of our nation's population is crowded into one percent of our land . . . many of them crowded into space covered by brick and mortar and macadam, over-laden with smog-filled air . . . treeless, flowerless, hopeless.

They are the victims of a quiet revolution in agriculture which no longer needs the labor of large numbers of human beings to produce the vast quantities of food and fiber we provide for the world. They are today's landless immigrants who formed our city ghettos and slums of generations past.

The people of rural America, and America's rural electrics, believe this view of the past and of the present contains the seeds of our future . . . a brighter, more productive future for the people of the cities and the people in the rural areas.

We believe it is time we use one of our nation's greatest assets . . . our uncrowded countryside . . . to help solve the problem which concerns us all.

Rural America boasts more than space. It has fresh air and sun and sky and water. It has room for kids to

run barefoot through grass covered with early morning dew, hills covered with clean snow for sleds and skis, fields for people and dogs to romp in.

And it has more.

In the towns and villages of rural America there are uncrowded streets and sidewalks. There is electric power and transportation. There are good roads to bring the products of hard-working people to the great market places.

What rural America lacks are job opportunities. Over nearly 14 million new jobs created in our country in the past 15 years, few were created in rural areas. Yet polls say half our population would like to live work in rural areas.

We believe that unless we bend our efforts to the development of rural America, we will fail to solve problems of our cities. Unless we stem the tide of migration from the country to the city that puts more and more people into less and less space, we have ignored our greatest asset in meeting one of our gravest problems.

We must start now to develop job opportunities, adequate hospitals and medical facilities, better schools and theaters and libraries, better water and sewer systems, and improved public services and facilities for industry in our rural areas. With them, rural America can meet the job hunger of its own people. It can provide the space and living room our people so desperately seek.

The nation's rural electrics view with optimism the efforts of our nation's leaders to restore the balance between rural and urban America. We pledge our support and the continuation of our unstinting effort. We invite the participation and cooperation of all people concerned about the future of our country, regardless of where they live.

There is, after all, only one nation, and we are all part of it.

Dressing room secrets?

# DC wipes out Morton 42-2

The final score was about as expected: Denver City 42, Morton 2. But Morton fans beginning to wonder what goes on in the visitors' dressing room at half-time. Three weeks ago, Morton scored before the first half end and trailed only 10-0. The final score was 40-6 for Slaton. Three weeks ago, Morton led Muleshoe 10-0 at the time . . . then lost 10-12. Last week Denver City had only a 12-2 edge over Morton, but erupted for 30 more points in the final 24 minutes. Denver City's Pones more than dominated the game. They dominated the game. Morton was limited to only two first downs. The Indians got only 36 yards on the ground and none through the air, while the Mustangs racked up almost 500 yards on the ground and 109 in the air. Morton's sixth loss against one win for the district play.

two passes went incomplete. But punter Pat Rich was roughed after the kick and D.C. kept possession. It was more on the ground from there on in, with Biff Hatfield's 15 yard scamper the longest play of the drive. Fullback John Powell carried the last yard on fourth down. The pass for points was short, but D.C. led 6-0 with 4:30 left in the first period. Donnie Harvey gave the Tribe great field position with a 30-yard kick-off return to the Morton 42. But three plays got only six yards and Rusty Rowden kicked 37 yards, with a four-yard return. Gary Hatfield carried for three and Don Looney added five. A five-yard penalty gave them a first down. Biff Hatfield carried for two, Gary carried the ball for 13, including a fumble that bounced back into his arms. Two passes went incomplete. But quarterback Robert Kizer went to the air a third time, hit Gary Hatfield and he cut clear across the field as he scampered 53 yards for the TD. The pass for points was no good, but Denver City had a 12-0 lead with 12 seconds left in the first period.

Charles Joyce made a 27-yard kick-off return to the Morton 29. Harvey gained three as the first period ended. Joyce cut around right end and raced 21 yards for one of Morton's first downs. Harvey added four, down to the Mustangs' 43. But Wayne Thompson's pitch-out to halfback Mike Bryan was smelted out by the Pony defenders for a ten-yard loss. Thompson kept for five before Rowden punted 16 yards. Biff Hatfield ran for five, but D.C. was penalized five. Gary Hatfield, a part-time quarterback, tried the halfback pass, but was dumped for an eight-yard loss by end Randy Kelly. Rich punted 31 yards and Harvey returned it five. Joyce carried twice for six, but Harvey lost one and Rowden came in to punt. He booted high and deep. Robert Hernandez tried to catch the ball on the five, but it bounced away and into the end zone. He finally retrieved it, but was dropped just inches outside the end zone. On the first play, Don Looney was biased by the left side of the Morton line and dropped for a two-point safety. The free kick from the 20 gave Morton a good opportunity and Billy Baker helped

as he returned the kick from his own 37 to the Mustang 43. Joyce got four straight calls, but made only seven yards. Denver City struck back quickly as Kizer passed to Pat Rich for 50 yards to the Morton 14. A penalty moved the ball back five yards, to the 19. Kizer passed to end Marshall Dolloff for six yards. Kizer tried to keep around right end, but was dropped for no gain by Jerry Steed. Kizer passed incomplete twice and Morton got possession. Three runs got only two yards and Rowden punted 37 yards with a four-yard return. Kizer kept for 11 yards and Looney added three. Two passes went incomplete and Kizer was dropped for a seven-yard loss. Thompson kept twice and gained five yards before the first half ended. Another good kick-off return by Joyce gave Morton a start from its own 28 after a 25-yard return. Two runs got three yards and a pass was incomplete. Morton end LaMell Abbe was hurt on the play. Rowden punted 39 yards with a six-yard return. Gary Hatfield swept left end on the first play and went in from 64-yards away. Kizer passed to Pat Rich for two points and Denver City led 20-2 with 10:31 left in the third stanza. Joyce returned the kick 25 yards to the Morton 33. Joyce's run gained nothing, Thompson kept for seven after trying to pass and Joyce got one on the third down play. Rowden punted 41 yards, but Hernandez returned it 19 yards. Biff Hatfield carried twice for 13 yards, Gary Hatfield got two and D.C. was penalized five. Looney blasted for 16 yards and Biff Hatfield added five more. Powell found daylight up the middle and aced 32 yards to score with 6:23 left in the third period. Kizer passed to Dolloff for the two extra points and a 28-2 lead. Not even a five-yard penalty could help the Indians as they lost four on the ground on two tries and passed incomplete. So Rowden punted again, this time a 46-yards that was fumbled by Gene Richardson. Abbe recovered for the Tribe on the Mustang 33. Joyce got one yard, Baker lost one, Harvey got two and Joyce went for three. That moved the ball to the D.C. 28, deepest penetration of the night for the Indians and not enough for the first down. The Pones hit for seven on the ground

in two plays, passed incomplete and punted 41 yards. Joyce gained seven yards in three tries and Rowden punted 43 yards with a 22-yard return by Richardson. Biff Hatfield ran for eight, then John Powell fumbled and Morton's Gary Sullivan recovered on the Tribe 41. That ended the third period. Joyce gained three yards on two tries and Harvey got only three before Rowden punted 34 yards. Looney ripped off 34 yards on the next play. Biff Hatfield got five and Gary Hatfield added 18. Marshall Dolloff carried for ten more and Morton was penalized five. Gary Hatfield carried for one yard. Then Robert Hernandez, a 132-pound defensive specialist, was given a chance to carry. He scooted like a water bug for the final eight yards into pay dirt. Denver City passed incomplete for the extra points. That made it 36-2 with 8:16 left in the game. Morton made two yards in three tries on its next series and Rowden punted 40 yards, with a nine-yard return. Gary Hatfield swept left end twice for 34 and five yards and Hernandez came in and scooted six more yards. D. C. was penalized five, but Hernandez got three. Powell got the calls then and carried for four and then for the final four. The run

for points was no good, but the Pones led 42-2. Alex Soliz came in after the kick-off and tried the halfback option pass that just missed. Thompson ran for six and Joyce got two. With fourth and four, Joyce got only one. With possession on the Morton 29, a 40-point lead and only three minutes to play, Denver City's Don Orr began to feel secure. He put in his reserves. They gained nine yards on three runs, but were held for no gain on fourth and one. Thompson went back to pass, found everyone covered and ran back to the line of scrimmage. His next pass drew a penalty against the Mustangs for 15 yards. That gave Morton its second first down of the night. Two passes were off target and Thompson ran four four as the game ended.

# Bula dropped by Whitharral 44-6

DAVID MURRAH Sports Writer Bula Bulldogs, plagued by four lost fumbles and a Whitharral Panther named Bradley, were overwhelmed 44-6 by Whitharral Friday night. Bradley it might have been a name for the game. The 180-pound senior defended Bula's defense with seven fumbles and scored five of the seven times he had the ball. Bradley galloped for TD runs of 34, 32, and 78 yards in racking up 144 yards rushing for an average of 11.8 yards per carry. Bradley showed surprising agility and speed mounting drive after drive only to be stopped by the ball four times via the fumble and twice by pass interceptions. Bradley was at half time, the Bulldogs were leading 20-0 at half time, the Bulldogs were leading from the dressing rooms with red faces and very quickly put together a drive. Bula moved from their own 14 in five plays on runs by Mike Richardson and Rodney Claunch, but the drive was climaxed by L. D. Holt's 34-yard scamper around left end for the game's only touchdown. The extra points were good, leaving a 30-6 difference early in the second half. The closest thing to a penalty in the game came on the opening kickoff as the Bulldogs booted the ball out of bounds. Whitharral declined the penalty and set up operations from the 44-yard line. One play later, Whitharral was ahead by six points as Bradley was tackled for 34 yards and the Panther touchdown. Bradley also had up the extra points. The Bulldogs gave the ball right back to Whitharral on the following kickoff as Bradley bounced out of the Bula receiver's hands. Two plays later, Bradley skirted right tackle for 15 yards and six yards. Co-captain Steve Graham ran for extra points to give Whitharral a 16-0 lead before Bula had run an offensive play. The Bulldogs picked up yardage on carries by Mike Richardson. The big play was carried up the middle for ten yards on Bula's first play. Claunch rolled to the left for five, moving to the 35. Richardson crashed to the ground into Panther territory on the next play. Claunch picked up three to the 37, but the drive ended as Richardson picked off Claunch's pass on the 35. At that point the Panthers used five plays to score. After two pass attempts had been short and Rodgers had picked up a run, the Panthers decided to go for it on a fourth and five situation. Rodgers took the handoff and broke around the end, cut back to his right, and picked up the first down at the Bulldog 33. On the next play, Rodgers broke over right end for 20 yards and a touchdown. Bradley attempted boot failed, but the Panthers led 30-0, midway through the second period. Bradley failed to move the ball after taking the kickoff, and punted from their 21. The kick was partially blocked, and the Panthers took over at the 23 of the Bulldog. Stout defensive play by Bula staved off a Panther threat. Rodgers was thrown for a second loss back to the 30. Two plays later the Bulldogs captured Panther quar-

terback Jimmy Pence 17 yards behind the line, and took over on downs on the Panther 35. The first half ended before the Bulldogs could put together a drive. Following their lone score in the second half, Bula pounced on a Panther fumble on their own 30. On five plays the Bulldogs moved the ball to the Whitharral 28, but on fourth down and six, Claunch was thrown for a three-yard loss, ending the scoring threat. Bradley went to work again for the Panthers. One play and 32 yards later, the Panthers were adding six more points to their side of the scoreboard. Pence passed to Rodgers for the extra points, making the score 38-6. A Bula fumble set up another Panther scoring threat minutes later, but an alert defense, capped by Rodney Claunch's pass interception on his own nine, stopped the Panther drive. From the 19, the Bulldogs once again moved the ball well. Claunch picked up 17 yards to the 36. Richardson drove for nine into Panther territory. Richardson got one on the next play, and then Claunch drove to the Panther 24 on a quarterback sneak. Claunch picked up four on the next play, and then hit Richardson on a down-and-out pass pattern. Richardson carried to the two, but fumbled the ball, and the Panthers recovered. Bradley once again was given the ball, and romped around right end for 78 yards and the night's final touchdown. Bradley's attempted extra-point kick fell short. Before the game ended, the Bulldogs picked up a first down on a 14-yard pass from Claunch to Tom Newton that car-

ried to the Panther 35. An interception on the next play stopped the drive, and three plays later the game ended. Bulldog coach Mike Flaniken cited Mitchell Austry and Tom Newton for playing outstanding defensive ball, and Rodney Claunch and Mike Richardson for their tough offensive play. Richardson carried 17 times for 51 yards. The Bulldogs travel to Snyder for another district game Friday night. Bula's record is 1-6 for the season.

## Mrs. H. Gardner hostess for Elma Slaughter club

The Elma L. Slaughter Study Club met October 19 at 7:30 p.m. with Mrs. Horace Gardner as hostess.

Each club member answered Roll Call by naming the country they would like to visit.

Mrs. Leonard Coleman, president presided over the meeting. The club voted to contribute \$5.00 to the maintenance fund to be used as decorations.

The club voted to contribute \$1.00 to penny art, and \$1.00 to penny music. The clubmembers discussed the forthcoming Halloween carnival.

Mrs. Ruth McGee discussed the community improvement program also the Head Start program with club members.

Mrs. Earl Cadenhead was accepted as a new member.

After the business meeting was concluded, Mrs. Willie Taylor had charge of the program which was on "Canada and Her beauty sports." Also slides and movies were shown of Canada and other Beauty spots of interest.

Refreshments were served to the following Mesdames: Elzie Browne, Leonard Coleman, Roy Brown, C. E. Dolle, Horace Gardner, E. G. Gardner, Dean Jackson, John L. McGee, Willie Taylor, and the new member Earl Cadenhead.

### Halloween recital will be given on Oct. 30

A piano recital will be held on the eve of Halloween, Oct. 30th, 7:30, in the auditorium of First Baptist Church. Primary and Intermediate levels, (1st through 6th grades) will be dressed in their favorite "trick or treat" costume. Spooks, witches, ghosts, will be seen in the lights of Jack-o-lanterns with the 6th grade spooks as a panel of emcees.

The top level Intermediates will serve as ushers, announcers, and help with the refreshments afterward. They are Ralph Mason, Judy Steed, Carolyn Gray, Farley Inglis, Debbie Williams, and Arlene Crow.

The first group to play will be pupils who started their lessons in September; Patti Bowers, Phil Vogel, Robin Polvado, Lisa Gerik, Melinda Webb, and Debbie Polvado. Second group will be made up of students having less than one school term of study, Tomie Johnson, Mac Lamb, Patti Ayers, and Prescilla Minor.

The third group includes all students who are beginning their second school term of study, Rayma Hall, Dale Shifflett, Karen Clark, Alan Steed.

The last groups include students with more than two school terms of study; Gail Lassiter, Cindy Hutchinson, Kathy Mason, Melody Crone, and the 6th graders named before. At the conclusion of the program, the students will enjoy refreshments and vote on various costumes. Their teacher, Mrs. Norma McCarty will be hostess and moderator.

Mr. and Mrs. Elbert Haggard and daughter Shelley of Carlsbad, N.M. visited in the home of her parents Mr. and Mrs. Bill Smith. Shelley is spending the week with her grandparents.

Ernest Chessier, son of Mr. and Mrs. O. D. Chessier visited in the home of his parents over the weekend. Ernie is a junior at Texas Tech.

Travis, Ray Lanier, Chuck Borland, Mrs. J. P. Romans and Mr. and Mrs. F. S. Collins.

My student of the week this week is Danny Wisely, son of Mr. and Mrs. M. H. Wisely. Danny is a senior and student trainer of the football team this year. He is doing an exceptionally fine job in keeping the boys on their feet.

His classes this year are: physics, English IV, auto mechanics, and sports. He claims his favorite subject is auto mechanics, which goes along with his hobby of "messing around with his car".

Earlier this year Danny scored in the top 2% of the nation on a national achievement test. He plans on attending South Plains College in Levelland when he graduates next spring.

Well, guess what? That's it for this week. Come on over to Wolforth tomorrow night if you're interested in seeing our Indians win, Okay??

Hi gang! Did everyone make it through the weekend okay? Good, I'm glad.

Our ballgame didn't turn out too good last week, did it? It would've helped if our team had had more support from the townspeople (no rotten tomatoes, please)! Actually I was very disappointed in our crowd Friday night, but I guess all of you surely had a good reason for not coming.

Our Indians were disappointed again by the Denver City Mustangs as the scoreboard showed 42 to 2 at the end of the game. The Indians played exceptionally well the first half and managed to hold the score down to 12 to 2 when the intermission whistle blew. However the Mustangs began hitting harder the third and fourth quarters and clocked up 30 more points and held the Indians down to their original 2 points.

The team, though, will recover nicely tomorrow night as they battle the Freshmen Tigers and bring home our second victory of the season!

The theme of the after-the-game social given by the First Baptist Church was Halloween and was carried out in the decorations and games. Quite a few kids came and we all had a lot of fun. I'm sure I'm speaking for all the kids when I express my appreciation to the Baptist Church for these weekly socials. They've really been great!

During Friday afternoon's pep rally the Pep Squad Sweetheart for 1967-68 was crowned. Candidates were DeAnna Coats escorted by Billy Baker, Jeanie McMinn escorted by Randy Kelly, and Sharon Hall escorted by Randy Wood. Alice Black, president of the Pep Squad, made the presentation and DeAnna Coats was crowned as this year's sweetheart. She is a senior and the daughter of Mr. and Mrs. Kenneth Coats of Morton.

A National Honor Society initiation breakfast was held Sunday morning in the home of Patsy Collins. The members met at 8:30 to divide up and go wake up the pledges. The annual rush week will be next spring; this breakfast was only for senior pledges that the teacher's council felt should get a chance to take the Scholastic Aptitude Test for National Honor Society members.

The pledges were taken to breakfast in their pajamas, and the members found various jobs for them to do after they had finished eating. The pledges are Bobby Combs, Loy Daniel, Danny McCasland, Randy Kelly, Margaret Ledbetter, Carolyn Jones, Janie DeLeon, Clara Richards, and Sharon Hall.

Members are Ronald Hale (pres.), Donna Hofman, Alice Black, Cheryl Fincannon, LaNelda Romans, Wayne Thompson, Curtis Griffith, and Patsy Collins. Adults attending the breakfast were Mrs. J. N. Leavitt, Mrs. Donald Masten, Miss Lenora Jackson, Mrs. E. C. Hale, Bobby

It's time to

# Welcome FALL

When Jack Frost touches the trees with his paint brush, leaves turn to rust, brown and gold. But the autumn fashion colors are a whole palette of colors, exciting shades for the latest fashion styles. No longer is cold-weather clothing drab and unexciting. The great, wild colors linger after the last leaf has fallen. You'll see colors in St. Clair's tremendous selection of fall and winter clothing that will make you warmer just looking at them . . . more exciting for wearing them. With colder weather ahead, shop now at St. Clair's, while colors and selections are complete.

**CARD OF THANKS**

The members of the Morton Band Boosters Club would like to take this means of expressing our deepest appreciation for the reception given our Community Calendar project. To the workers who labored so diligently, and to the news media for their keeping the public informed of our project and for their wonderful support of the Morton Band, we say, "Thank You!"

**4-H news**

### Club meets in County Activity Building

The Morton 4-H Club met on Monday, October 23, at the County Activity Building. Barbara Brown, Terry Donathan, Kenny Jones, Randy Clayton, Lee Ray Davis and Jimmy Jones gave a demonstration on how to be a Leader. Later they led Halloween games for the group. Treva Lemons gave the club inspiration.

Larry Hale and Marilyn Cade went to Muleshoe Monday to officially present a plaque to the directors of Bailey County Electric Cooperative Association for their support of 4-H through the years. The plaque will hang in the Morton office.

A new rifle pit is being prepared three miles south of town for use by 4-H members. As soon as it is ready, safety lessons and target practice will begin for those enrolled in rifle.

Denise Aldridge is the 4-H member for this week. She is the daughter of Mr. and Mrs. C. D. Hill, 301 E. Hayes. This is Denise's 2nd year in 4-H. She is Council Delegate for the Morton 4-H Club and as a County 4-H Council member has helped plan several County wide parties. Recently she made posters for National 4-H Club Week.

Denise's projects have been clothing and foods. In food this year Denise prepared 33 dishes and 81 complete meals. She also helped with canning and freezing foods at home.

In her foods project she studied meal manners, learned to eat new foods and learned how to buy certain foods for best values. In her record Denise says one of the main things she learned was "to serve food attractively; color contrast and texture are important." Denise made cornbread for the County Food Show and received a red award. She also displayed her food at a 4-H Club meeting.

In her clothing project group, Denise "learned to buy different weights and styles of socks to go with shoes and clothes; also the proper laundering." She keeps a record of clothing bought for the year and figures she saves about half by making some of her clothes.

Her leaders have been Jan Thomas, Mrs. Carl W. Ray and her mother, Mrs. Hill.

### List Bookmobile tours for week

The High Plains Bookmobile will be in your area on the following dates:  
 Thursday, October 26: Progress, 8:30-9:15; Okla. Lane, 9:35-10:20; Rhea Community, 11:45-12:00; Friona No. 1, 1:15-1:45; Black Community 2:00-3:00.

### Bula-Enochs news

## Rural water system is under consideration now

**(Last Week's News)**  
 By MRS. J. D. BAYLESS  
 Arnold Archer of Enochs and his sister, Mrs. Lorene Cox of Levelland were in Cleburn recently to attend the funeral of their aunt, Mrs. Luna Lans. Last Saturday they received word that their cousin Simon Bullard had passed away at Cleburn.

A rural water system is under consideration by residents comprising of seven districts.

Clinton Kennedy, with the Muleshoe FHA office and Ralph Douglas, city-engineer met with a group of interested persons at 7:30 p.m. Tuesday in the Bula School to discuss the feasibility of the plan.

Should the plan be carried out, as it has in many rural areas of west Texas, it would take water into rural homes as is offered for homes in cities. The pressure and water would be tested often for bacteria and be for domestic use only.

It would be based on a \$6.00 minimum fee per month with 40 pound pressure. Fire plugs will be installed at all places of business and at homes where they are desired.

It was related that 400 members should be secured as a minimum figure to make the project work, and the officials pointed out that it would be much cheaper to install the water system when the original lines were installed rather than having it done at a later date.

Men working on the project in the seven different districts will be contacting every land owner in these districts and explaining the project thoroughly for the land owner's consideration.

Working closely with the project, those who are heading up the movement feel that it will bring much more potential to the communities, such as price of land and lower insurance rates.

Kennedy told the group that from the FHA standpoint, they were ready to start assisting with the project with a \$1,000 loan per user. Heading the movement from each district and the districts are: Vic Dersing, Pep; Don Fincannon, Pettit; Eddie Wallace, Bula; R. T. Newton, Enochs; Raymon Gage, Circleback; Fred Grisson, Bull Lake; Marvin Bowlin, Beck, and Pete Potet, Needmore.

Bob Kirk, Littlefield, is legal advisor for the groups and the second meeting has been planned for October 30. Time and place to be announced. The districts will be Needmore and Circleback, District one; Beck and Frenship, District Two; West of Littlefield to Bull Lake, District three; Enochs, District Four; Bula, District Five; Pep, District Six; and Pettit, District Seven.

Mr. and Mrs. C. H. Byars went to Brownfield Thursday to visit their daughter, Mrs. Mary Sue Hardaway and family.

Mr. and Mrs. Ray Seagler spent Monday and Tuesday night in the home of Mr. and Mrs. A. M. Pepper at Mount Pleasant, they also fished at the "Lake of the Pines."

Mr. and Mrs. Norvil Roberts and son of Plainview were guests in the home of Mr. and Mrs. Arnold Archer Wednesday. They also visited in the home of Mr. and Mrs. Burley Roberts.

Odd things happened at the J. D. Bayless farm October (Friday 13). Mrs. Bayless went to water their fruit trees and found a plum tree with blooms on it and two peach trees with buds and several blooms. Also a carrot 10 inches around and 9 and one half inches long.

The Bula School Homecoming will be November 11. There will be a veteran's program and a memorial plaque given to a world war II veteran. The speaker will be from Reese Air Force Base in Lubbock.

Those attending the association at Sudan Friday were Mr. and Mrs. C. C. Snitker, Mr. and Mrs. Donald Grusendorf, Dick Bryan and Mrs. H. B. King. Rev. Jake Armstrong from Friona, brought the 11:30 sermon.

Miss Mary Mixton of Lubbock spent Friday night in the home of Mr. and Mrs. E. N. McCall and Dolores. Mary and Dolores attended homecoming at Morton.

Mr. and Mrs. W. T. Thomas were in Lubbock Saturday to be with a friend, Walter Damron of Circleback, who had surgery Saturday morning.

Mr. and Mrs. R. P. McCall left Tuesday to attend the Commissioners Convention at Fort Worth, they returned home Saturday.

Jerry Nichols, Dwie McDaniel, Patricia Grusendorf, Dennis Newton, Pamela and Freda Layton, Rev. and Mrs. Preston Harrison, and Mr. and Mrs. Sammie Nichols attended the youth rally at the First Baptist Church at Sunnyside, Monday night. PTA met at the Bula School Auditorium Monday, October 9, at 8:00 p.m. The president Mrs. Keith Henson was in charge of the meeting. The secretary, Mrs. Ivan Clawson, read the minutes of the last meeting and the treasurer's report was given.

The speaker Earl Lad, fire chief of Muleshoe, spoke on fire hazards and how they operate in Muleshoe. The program was followed by a business meeting to plan the Halloween Carnival.

The carnival will be October 31, from 6 til 10 p.m. The PTA will be in charge of the food booth. Bula boosters will be in charge of the Queen and King contests. The seniors will have a cake walk; juniors, Bingo; sophomores, games; freshmen booth will be pink panther. Mrs. W. C. Risinger's 5 and 6 grades will have a

hat sale. FHA will have dart balloons. Mr. and Mrs. Robert Claunch and daughter, Terry, were in Lovington, N.M., last Sunday to visit her brother, Mr. and Mrs. John Richardson and family.

The small schools met at Levelland, October 9. This was the first of the four meetings for the year. Those from Bula attending were: Mrs. Willie Nettles, Mrs. Vera Hawkins, Mrs. Owen Young, Mr. and Mrs. W. C. Risinger, M. J. McDaniel and Mr. and Mrs. Mike Flaniken. Litton spoke on service from research, education and showed films.

Dr. C. C. Martin of Monahans, was a dinner guest in the home of Mr. and Mrs. Harold Layton Saturday.

Mr. and Mrs. John Blackman accompanied by her mother, Mrs. U. T. Dever of Lubbock, spent three days last week visiting relatives at Gainesville, Whitesboro and Sherman. They also visited friends in a home for the aged at Gunter.

Mr. and Mrs. Tom Bogard spent from Wednesday til Sunday visiting friends and relatives at Tenaha. They also visited their daughter, Mr. and Mrs. Glynn Gaston at Vidor.

There was a wedding shower honoring Mr. and Mrs. Randel Robertson Monday, October 9, from 3 til 5 at the Bula lunch room. The table was covered with a pink linen cloth, centered with a bridal doll standing on a reflector encircled with pink flower buds.

Refreshments were pink mints, punch and white cake squares topped with pink rose buds. Mrs. M. J. McDaniel and Mrs. John Hubbard served the cake and punch. Mrs. J. D. Rowland registered the 33 guests in the bride's book. The hostess gift was an electric blanket, sheets, pillow cases and towels.

The hostesses were Mrs. E. N. McCall, Mrs. R. P. McCall, Mrs. A. C. Archer, Mrs. A. P. Fred, C. R. Seagler, Mrs. M. J. McDaniel, Mrs. Gene Bryan, Mrs. R. E. Jones, Mrs. Cecil Jones, Mrs. John Hubbard, Mrs. F. L. Simmons, Mrs. John Blackman, Mrs. Lula Harlan and Mrs. J. D. Rowland.

Mr. L. H. Medlin, father of Buck Medlin, suffered a heart attack at Truth or Consequences, October 6. He will be confined to his bed for 3 weeks. Buck has been spending a lot of time with his father. Mr. and Mrs. Jerome Cash drove to Portales, N.M., Saturday afternoon to see their son, Mr. and Mrs. Dudley Cash and children, Dennis, Deryal and Patti.

Mrs. H. H. Snow of Muleshoe visited in the Jerome Cash home Sunday.

Company in the home of Mr. and Mrs. John Vanlandingham Thursday till Sunday were his brother and wife, Mr. and Mrs. H. C. Vanlandingham from Yucipa, Calif., Their son, Woodrow Vanlandingham from Albuquerque, N.M., spent Saturday night with his parents.

Mr. and Mrs. Duane Clem were in Lubbock Saturday.

Guests in the Duane Clem home Sunday were their daughter, Mrs. Ben Moates and children of Hurlwood, and Mrs. Emilene Noah from Hugo, Okla.

... Mrs. Bob Polvado and Susan

## Milky Way Cake is favorite of the Bob Polvado family

The Tribune's Homemaker for this week is Mrs. Bob Polvado. Mr. and Mrs. Polvado are parents of three children, Stevie, 8, Debbie, 7, and Susan 6. Most of her time is occupied with taking care of her family, and running errands. Mrs. Polvado is parliamentary for the Emlea Smith Jr. Study Club.

In her spare time she enjoys antiquing furniture, needle point beading, and reading.

Kay, as she is known enjoys cooking and has given us two of her family's favorite recipes.

**SPANISH NOODLES**  
 Brown in 1 cube oleo, dice 1 small onion, 4 or 5 stalks of celery, 1 bell pepper, 1 or more hot peppers.

Add two cans tomatoes. Cook 1/2 hr. Browns 2 lbs. ground beef. Add two Tablespoons of chili powder. Cook 1 pkg. (5 c.) egg noodles, drain and mix with meat, add 1 lb. cheddar cheese, diced, and cook slowly for 30 minutes.

**MILKY WAY CAKE ICING**  
 1 cup sugar

1 pkg. small chocolate morsels  
 1 tsp. vanilla  
 1/2 cup evaporated milk  
 1 can marshmallow cream  
 3/4 stick oleo

Bring to boil sugar, oleo, and milk. Boil about 5 minutes and then add the rest.

**MILKY WAY CAKE**  
 8 Milky Way Bars  
 2 sticks oleo  
 2 cups sugar  
 2 1/2 cups flour  
 1 1/4 cup butter/milk  
 4 eggs  
 1/2 tsp. Soda  
 1 cup chopped pecans

Melt Milky Way bars and 1 stick oleo. Set aside. Cream sugar and 1 stick oleo. Add eggs. Add alternately flour, soda, and butter milk. Add melted candy, and oleo mixture, and pecans. Bake in tube pan at 325 degrees F. for 1 hour, and ten minutes or until done.

# IN A HURRY!

It's Sunday! An exciting day! I've planned so many interesting ways to present God's love to the wee small people I'm teaching. How they love God and His church! They are always there early. Must hurry! My young ones want to be there early too. How pleased our Father in Heaven must be to see so many preparing excitedly and happily to have a worship experience with Him.

See you there in a very little while!  
Psalm 26:8 "Lord, I have loved the habitation of thy house, and the place where thine honor dwelleth."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.
