Although many Cochran County citizens were riveted to their seats in front of television sets from early Tuesday evening until the wee small hours Wednesday morning, the outcome of the presidential race was an uncertainty until long after sun up. Finally, after most folks had gone to work for the day, the news came through that Republican Richard Nixon had at last overcome all opposition and would become the next president of the United States on January 20, 1969.

As the chart above shows, Vice President Humphrey received a total of 633 votes in Cochran County with Nixon running a close second with a total of 548 votes. To the surprise of many, presidential hopeful George Wallace came in third with a total of 409.

The race for State Representative from District 72 between incumbent Bill Clayton and Frank Ford was not nearly so close at the finish as was anticipated by many in this area. Clayton polled a total of 1090 votes in Cochran County while Ford only received a total of 413.

REMAINDER OF the candidates on the ballot, all Democrats, were unopposed. The candidates and their vote totals were:

Associate Justice, Supreme Court, Place 1, Sears McGee, 1330.

Associate Justice, Supreme Court, Place 2, Tom Reavley, 1320.

Associate Justice, Supreme Court, Place 3, Zo'lie Stekley, 1320.

Criminal Appeals Judge, Place 1, W. A. Morrison, 1322.

Criminal Appeals Judge, Place 2, Leon Douglas, 1316.

Board of Education, 19th District, Wm. H. Evans, 1320.

Civil Appeals Associate Justice James Joy, 1323.

District Judge M. C. Ledbetter, 1357.

District Attorney E. W. Boedeker 1321.

County Attorney, James K. Walker, 1328.

Sheriff Hazel Hancock, 1342.

Tax Assessor-Collector, Leonard Groves, 1343.

Commissioner, Precinct No. 1, Leonard Coleman, 879.

Commissioner, Precinct No. 3, Harral Rawls, 123.

In the balloting on the proposed constitutional amendments, Cochran Countians voted as follows:

No. 1, 624 for, 395 against; No. 2, 459 for, 745 against; No. 3, 577 for, 392 against; No. 4, 463 for, 694 against; No. 5, 684 for, 548 against; No. 6, 548 for, 666 against; No. 7, 686 for, 515 against; No. 8, 472 for, 698 against; No. 9, 892 for, 387 against; No. 10, 413 for, 776 against; No. 11, 459 for, 694 against; No. 12, 560 for, 636 against; No. 13, 416 for, 787 against; No. 14, 715 for, 498 against.

### Months riding cycles hazardous at best

In an interview with T. A. Rowland, State Highway Patrol it was revealed that recently there have been at least 10 accidents involving young teenagers riding cycles.

Patrolman Rowland seemed greatly concerned as to the hazards involved in allowing youngsters to be on scooters and motorcycles, some even without benefit of a driver's license or helmets.

It should be pointed out that the riding cycles of whatever type is dangerous as is well attested by the fact that there are so many fatalities as a result of accidents in which riders of these vehicles are involved with cars or trucks. It should be apparent to parents to allow their youngsters to take to the streets and highways before they are properly instructed and have the necessary license and equipment required by law.

They are contributing to the accident potential. The result may be disastrous regarding the youngsters involved as we know that even a large motorcycle can match for a car or truck in a collision.

### Final services conducted Sunday for G. W. Seagler

Services were held at 2 p.m. Sunday in Morton Activity Building for G. W. (Joe) Seagler, 56-year-old former Morton city manager and businessman who died at 8:55 p.m. Friday in Levelland, after a year's illness.

Cecil Williams, minister of Eastside Church of Christ officiated, assisted by Rev. Rex Mauldin, pastor of the First Methodist Church in Morton. Burial was in the Idalou Cemetery under the direction of Singleton Funeral Home.

Seagler, who was manager of the Seminole Chamber of Commerce for two years, from 1964-1966, was city manager for Morton from 1955-1963. He owned an implement business in Morton for two years and was engaged in farming and ranching in Cochran County at the time of his death. As a Morton city official in 1960 he received a plaque for outstanding service as president of the South Plains City Secretaries and Clerks Association.

Seagler actively supported Girlstown at Whiteface and he and his wife, Evelyn, reared four foster daughters. He was a native of Anderson County and lived in Acuff 18 years before moving to Morton 24 years ago.

Seagler was an active member of the Morton Lions Club and was its president from 1961-1962. He was a member of the Masonic Lodge Khiva Shrine, Morton volunteer fire department and director and president of the Texas Last Frontier Rodeo at Morton for 10 years. He served as area coordinator for the Texas Attorney General's Youth Conference and helped organize the Morton Area Youth Conference, first such area project in Texas. He was a member of the Church of Christ.

Survivors include his wife; a step-daughter, Linda Rose of Houston; a step-son, Marlin Rose of Austin; three brothers, Graham of Plainview, Ray of Enoch, and George of Levelland; three sisters, Mrs. LuNeta Stiles of Fort Worth, Mrs. Oleta Boyd of Idalou, and Mrs. Nedra Sears of Levelland.

Pallbearers were the nephews; Stanley, Gaylon and Charles Seagler, Lynn Searcy, Gary Stiles, Richard and Gwen Boyd, and Tommy Ellington.

### Historical Committee seeking medallion

The Cochran County Historical Survey Committee is seeking information regarding the location of an official historical medallion which was formerly on the Morton J. Smith office building. The medallion is made of cast aluminum, is circular about 15 inches in diameter, and had an outline of the state of Texas, with the words "Texas State Historical Survey Committee."

The Medallion has not been located since the old office building (recently used as a domino parlor) was damaged by fire and subsequently razed about a month ago. Anyone having information regarding the whereabouts of the medallion is asked to contact Elvis E. Fleming, Mrs. H. B. Barker, or any member of the local Historical Survey Committee.

### Two accidents reported in area

Two accidents have been reported to the Morton Police Department in the past week.

An accident was reported Sunday, November 3, 2.9 miles north of Morton. State Patrolman Ronald Coleman was the investigating officer. Terry Frank Ruzicka of Route 2 Morton, was the driver of the first car, a 1968 Buick. The driver of the second car was Cruz Sanchez Espinoza, of Maple, who was driving a 1968 Chevrolet pick-up. Espinoza was carrying a passenger, Israel Orneales of Maple. Ruzicka hit the left rear of the pick-up.

A total property damage was reported to be about \$900 or \$950. There were no injuries.

The second accident reported was Sunday, November 3, at 10:40 a.m. The first vehicle was driven by Adelita Zapata Cazarez of Route 1, Morton, who was driving a 1967 Ford.

The driver of the second vehicle was Bob Hawkins of 306 East Grant, who was driving a 1960 Ford owned by Hawkins Oldsmobile. The accident occurred on Grant Street.

There was a property damage of \$500 on the first vehicle, and approximately \$75 on the second vehicle.

### Morton Indians downed by Idalou; face Tahoka Friday

The 1968 Homecoming activities kick off today as Morton High School prepares to host the Tahoka Bulldogs Friday night in Indian Stadium.

A bonfire and pep rally tonight at 7:30 will prelude Friday afternoon's pep rally and the Friday night district 4-AA contest. Game time will be at 7:30 p.m.

The Tahoka Bulldogs, in their initial season in class AA, have rolled over five opponents, but have bowed to three, only last week losing to the undefeated Freshmen Tigers, 13-6, in an important district game. The Bulldogs are 2-1 in district play, but have yet to face the rampaging Denver City Mustangs.

Meanwhile, the Morton Indians are still looking for their first district win this season and will be trying to salvage some prestige in Friday night's contest, the last home game for the Tribe. Morton traveled to Idalou last Friday and took a 31-8 shellacking dealt out by the determined Wildcats.

The Indians, paced by halfback Alex Soliz, rolled up 186 yards on the ground and 41 through the air against the Wildcats, but were outmanned as Idalou garnered 322 yards rushing and 18 first downs. Soliz picked up 101 yards for the Indians on 21 carries, and completed one of five passes for 18 yards.

The Indians started the game in their usual fashion by moving the ball deep into enemy territory, only to see the drive bog down. Starting at their own 38, Morton picked up three first downs in a drive highlighted by Soliz's 11 yard spurt into Wildcat territory. But on fourth and three, Soliz could net only two yards and the Indians surrendered the ball at the 27.

After an exchange of punts, the Wildcats needed only five plays to punch in their first score as fullback John Hamilton lumbered 25 yards for the touchdown with less than two minutes left in the game.

### Bond sales total given for county

Mr. James E. Dewbre, Chairman of the Cochran County Savings Bonds Committee reports today that sales of United States Savings Bonds and Freedom Shares in Cochran county totaled \$1,988 during September. Sales during the first nine months totaled \$23,153 and this is 58 per cent of the 1968 sales goal.

September sales in Texas totaled \$13,508,678 and the January-September sales were \$134,729,099 — an increase of 8.3 per cent over sales during the same period of 1967.

### Candidates are announced for Morton homecoming activities

The candidates for Pep Squad, Band, and Football Queens were announced this week.

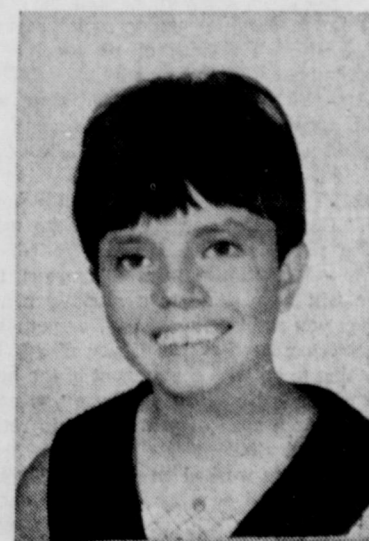

The candidates for Football Queen are: Miss Diane McCasland, daughter of Mr. and Mrs. Harold Drennan; Miss Patsy Collins, daughter of Mr. and Mrs. F. J. Collins; and Sharon Irwin daughter of Mr. and Mrs. E. H. Irwin.

The candidates for Band Sweetheart this year are: Miss Karen Fred, daughter of Mr. and Mrs. M. M. Fred; Miss Carol Freeland, daughter of Mr. and Mrs. W. G. Freeland; and Miss Beverly Browne, daughter of Mr. and Mrs. Elzie Browne.

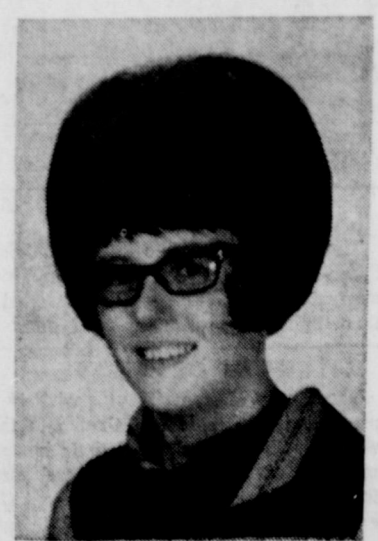

The candidates for Pep Squad Sweetheart are: Miss Deborah Miller, daughter of Mr. and Mrs. Chester Miller; Miss Nina Lewis; and Miss Karen Rozell, daughter of Mr. and Mrs. Daniel Rozell.

The three queens will be crowned Friday morning, November 8, at 9:30 a.m. in the County Activities Building auditorium. Everyone is invited to attend the coronation.

The Queens will be presented at half time at the football game Friday night on the Indian football field, when the Morton Indians play the Tahoka Bulldogs.

## CARD OF THANKS

I want to thank the many friends for every act of kindness shown to me and my family while I was in the hospital and since my return home, for the cards, flowers, visits, food and each expression of interest and concern. Your thoughtfulness will always be remembered.

W. M. Butler

## Morton Indians

from page one

first half. Hamilton's kick was good as the Wildcats led, 7-0. Hamilton carried the ball nineteen of the 78 plays the Wildcats ran.

Morton's offense failed to move after the kickoff, and Idalou tasted victory following their first TD and drove for another. Hamilton once again scored from three yards out, and booted the PAT to give the Wildcats a 14-0 lead with 9:21 left in the half.

Just before half, Morton threatened as Wayne Thompson picked off a stray Idalou pass. Thompson picked up eight to the Indian 34. Stan Coffman, playing in his first varsity contest since the opening Plains game, scampered 13 yards to the Wildcat 44. Soliz sprinted to the Idalou 26, but time ran out at that point, and the Indians retired to the dressing room trailing 14-0.

The Wildcats stretched their lead to 17-0 as Hamilton booted a 24-yard field goal early in the third period, but then both teams bogged down and couldn't move the ball. Finally the Wildcats put enough of a drive together to move from their own 26 to the Indian 34, but Morton held at that point. However Wildcat Tommy Merritt intercepted a Stan Coffman pass just two plays later, and Idalou moved in for their third TD on a 25-yard run by Gary Sage. Hamilton added the extras.

The Indians took down their zero after picking up an Idalou fumble at the 34. Alex Soliz, Terry Harvey, and Tommy Waters hammered at the 'Cat line, and then Soliz found Terry Harvey open for an 18-yard touchdown pass with 3:41 left in the game. Soliz ran for the extras.

With seconds left, the Indians threatened again after Gary Sullivan pounced on another Wildcat fumble at the Indian 33. Thompson connected with Alex Soliz for a 23-yarder than carried to the Idalou 37, but two plays later, with only one second showing on the clock, defensive end Tommy Merritt intercepted an Alex Soliz areal and galloped 60 yards to add salt to the Indians' wounds with no time showing on the clock. Hamilton made it 31-8 by adding his fourth straight PAT. The loss left Morton with a 1-7 season record, and Idalou now claims a 1-7 record also.

## Social Security Questions and Answers

Q. - Both my wife and I are retiring this year. We are both 65 and have had maximum earnings under social security since 1955. Will both of us receive the maximum of \$156 a month?

A. - You will receive \$156. Your wife will receive slightly more because the benefit amount is figured differently for women.

Q. - I have been told I am "fully insured." Does this mean I will get the maximum monthly benefit when I retire?

A. - No. "Fully insured" means that you will be entitled to a monthly benefit when you retire after age 62, or your survivors can get benefits if you die. It has nothing to do with the amount of the benefit which is based on your average earnings over a span of years prior to retirement or death.

Q. - I have worked on a job for 20 years and the social security tax was deducted all these years. My employer is moving to another city. Can I receive social security or freeze my social security account until I find another job?

A. - You can receive benefits if you are at least 62 years old. However, there is no freeze except for those who are unable to do work because of a severe disability.

Q. - My widowed sister is 57 years old and disabled. Is there any way she can get monthly social security benefits now based on her disability rather than having to wait until age 60?

A. - Yes, the law now provides monthly widow's benefits if the widow is disabled. She must have become disabled within seven years after her husband died or within seven years after she last received mother's benefits.

Q. - I received widow's benefits on my deceased husband's social security account until I remarried. I am now divorced from my second husband. Can my benefits be reinstated on my first husband's account?

A. - Yes. Monthly benefits can be resumed if you have a child under 18 or an adult disabled child in your care, or if you are at least age 60, or if you are between 50 and 60 years old and disabled.

Harvesting of the High Plains cotton crop is already at a peak in counties south of Lubbock and is rapidly gaining momentum from Lubbock north.

And despite expectations of the largest crop since 1965 most observers are anticipating one of the area's shortest harvest seasons.

The November 1 cotton estimate, jointly compiled by the Lubbock Cotton Exchange and Plains Cotton Growers, Inc., sets production from the 23 counties at 1,579,000 bales. The total for 1965, prior to the enactment of the current cotton program, came to 2,205,000 bales.

Planted acreage this year was only about 1.6 million as compared to almost 2.2 million acres planted in 1965.

The only apparent "fly in the ointment" at this stage of harvesting is a serious shortage of labor, both for the operation of area gins and for field hands.

Ginners in particular are having trouble rounding up sufficient workers to operate the two or three shifts that will be necessary to keep up with the harvest. Special recruiting efforts by the Texas Employment Commission have helped, but ginners in particular are still crying for labor.

Don Smith, Executive Vice President of the Texas Independent Ginners Association, has initiated a program to use Texas Tech students at gins within a 20 or 25 mile radius of Lubbock and believes this may help to alleviate the shortage in that small area.

Many ginners, looking back to the days when the U. S. Department of Labor permitted the entry of Mexican Nationals under the old bracero program, are asking officials for foreign labor.

But Ed Dean, Field Service Director of PCG, says it would be difficult to

complete all the preliminaries and get Mexican workers in time to help with this year's crop.

"The normal procedure for importing workers in the past," Dean noted, "has called for intensive pre-recruitment of domestic workers both interstate and intrastate, pre-approval by the Department of Labor of housing, establishment by the Department of Labor of a wage that will have no adverse effect on the wages being paid domestic workers similarly employed, and several other time-consuming prerequisites."

He went on to say "PCG and many others, including Congressman George Mahon, have urged Department of Labor and other officials to forego these procedures in order to take care of the current emergency, but to date we have had no luck at all."

While Dean holds little hope for getting foreign workers this year, he does believe there is at least a possibility such a program could be arranged in future years if the labor shortage continues to worsen.

"But one of the things that will have to come first is a flooding of Texas Employment Commission offices with orders for workers," he said. "Unless those offices get orders for workers the Department of Labor is inclined to assume that no labor is needed."

He noted, for instance, that the Lubbock TEC office reports all orders filled. "Consequently it is difficult to get these people excited about a labor shortage," he said, and added "Even if they don't feel there is a chance for getting workers from the TEC, every ginner and every farmer who needs a hand should place an order."

Secretary of Agriculture Orville Free-

man has notified Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc. that there will be a meeting of the National Cotton Advisory Committee in Washington November 8.

Members of the Committee from the Plains are Johnson and Roy Forkner, also of Lubbock, who is a PCG past president.

Up for discussion, of course, will be provisions of the 1969 cotton program which the Department has stated would not be announced until after the November crop report, to be released on the day of the Advisory Committee meeting.

Major program details that remain to be announced include the percentage of acreage farmers will be required to divert, if any, in order to participate in the cotton program; the rate of payment on such acreage in mandatory diversion; the rate of payment, if any, on acreage voluntarily diverted; the level of price support payments to be made on the domestic portion (65 per cent) of each producer's allotment, and the level of the loan.

Johnson emphasizes that the Advisory Committee exists at the discretion of the Secretary and acts strictly in an advisory capacity.

He said "We would hope our influence on the Secretary will cause him to keep both producer income and the long range future of cotton markets uppermost in his mind when these important decisions are made."

"It appears that U. S. production well above this year's million bales will be needed in 1969, and some changes in the program will be necessary to get that production."

This leaves the big question: "What changes should be made and how can they be made without jeopardizing either producer income or the future of the industry?"

## GUM STOPS LEAKS

Chewing gum will help reduce a rivet leak in an aluminum boat. Chew gum well and stuff around outside of leak. Allow to harden, then enjoy a dry boat ride.

## TRUCK REGISTRATION UP

Truck registrations totaled \$1,100,000 in 1967. An additional \$34,686 truck registrations owned by federal, state and local governments, excluding military vehicles.

## STATE TRUCK TAXES

State highway use taxes paid by large truck on the average are the same as taxes paid by 32 passenger automobiles.

# COUNTY AGENT NEWS

From the Office of Roy L. McClung, Jr.

Everyone who has peach trees about the place should be concerned with controlling the peach tree borer at this time of year. The peach tree borer feeds on the inner bark of the trunk of the peach tree. Their presence can be detected by the masses of gum mixed with brownish faeces or sawdust which exude from the trunk of the tree. The larvae usually feed in an area from two to three inches below the surface of the soil to ten inches above in the trunk of the tree. This insect is so common to this country that usually you can safely say that you have peach tree borers, if you have any peach trees at all. If this borer is not controlled it will kill peach trees and does in just a few seasons. Control of this insect can be obtained from about October 20 to November 15, when the soil usually is considerably dry and the soil temperature is above 15 degrees F. paradichlorobenzene crystals (PDB) are placed on the surface around the trunk of the tree. For two to three year old trees use 1/2 ounce of the crystals, for four to five year old trees about 3/4 ounce of PDB and for mature trees use one ounce per tree.

The procedure for applying the PDB crystals is fairly simple, but to obtain effective control should be followed closely. First, all leaf material and grass

around the trunk of the tree for about one foot out from the tree should be cleaned off, then dig a trench about 3 or 4 inches deep and two to three inches out from the trunk of the tree in a circular band around the tree. The PDB crystals are then placed in this trench, the band is then covered with soil free of leaf or grass trash. Round the soil up around the trunk of the tree so as to form a cone shape pile about six inches high around the base of the tree, when the soil is mounded up around the tree, take the back of a shovel and firm the soil up so that it will hold the fumes in the soil and force them to go down. Special care should be taken to see that none of the crystals come in direct contact and cause injury to the tree. The mound of soil should be removed in the early spring. If it is not removed in the early spring the crystals can cause damage to the trees. This is an old and real effective method of controlling the peach tree borer. The PDB crystals (or moth ball crystals) can be obtained at any of the drugstores

## Bula Halloween carnival success

The Bula school carnival was held Halloween night October 31, at the school. Everyone had fun. A good crowd attended. Each grade sponsored a booth. The seniors had the cake walk, the juniors booth was the "Dew Drop Inn" they served sandwiches, cake, pies and cokes, Sophomores had the Car Bash, and bean guessing game.

The freshmen booth was "Blue Pad Hippy Joint", The Band was "Three Extremes" from Littlefield, and they served pizza and cokes.

8th grade was the cup toss and dart throw.

7th grade was the "Funniest Park on Earth". The 5th and 6th grade booth was "Lovers Lane", the 1st, 2nd, 3rd and 4th "The General Store". The F. H. A. had a dart throw, and the F. F. A. the dunking board, Marion McDaniel and Jack Tharp were the ones to be dunked.

At the close of the evening of fun Patricia Grusenford crowned the carnival King and Queen, Ron Risinger was high school King and Freda Layton Queen, Grade school king was Ronald Beasley and Queen was Nanette Hall. The Kings and Queens were won by penny vote.

Ray Luper had minor surgery in Vietnam last week but will be back on the flight line next week.

## Whiteface Garden Club met in library room

The Whiteface Garden Club met in the Elementary School Library Room of the Whiteface School Monday evening, Nov. 4, with Mrs. S. J. Bills, hostess.

After Mrs. J. L. Schooler, club president conducted the business session, plans for attending the District I meeting at Paducah, Nov. 15 were discussed.

Mrs. Ed Jennings related the traditional meanings of many fruit and vegetables suitable to use in the Thanksgiving Arrangements. Each fruit or vegetable is symbolic of an intangible virtue the arranger wishes to include in the Thanksgiving arrangement. This tradition is not as well known now as in the past. It should be interesting to interpret our arrangements according to this symbolism.

The club members displayed and criticized their own arrangements.

The next meeting is to be Dec. 2 at 7:30 p.m. in the Elementary School Auditorium with a program on "Love, Beauty and Christ" to be given by Mrs. Harry Williams of Levelland.

Sharon Graves

## Sharon Graves to wed John Richard Booker

Mr. and Mrs. O. A. Graves are proud to announce the engagement and approaching marriage of their daughter, Sharon, to Mr. John Richard Booker. He is the son of Mrs. Edyth Booker of Levelland and John E. Booker of Hobbs, New Mexico.

The couple plan to be wed December 22nd in the First Baptist Church of Morton.

## Services held for area girl

Services were held Monday morning at 10:30 a.m. in the Missionary Baptist Church for Brenda Kay Mills, 14, who died in an Abilene Hospital Friday, November 1, following an extended illness. The Rev. Bob Evans officiated. Burial was in the Morton Memorial Cemetery under the direction of Singleton Funeral Home.

Survivors include her parents, Mr. and Mrs. John C. Mills; three brothers, Burnie of Roswell, Billy of San Francisco, and Clifford of Little Creek, Va.; and four sisters, Mrs. Johnny Pittman of Monte Vista, Colo., Miss Claudia Mills of San Francisco, Mrs. Lester Ware and Mrs. Carl Proctor, both of Morton.

Visitors in the C. E. Buchanan home over the weekend were Mr. and Mrs. D. L. Buchanan, Donny and Doug of Lubbock, Mr. and Mrs. Roy Brooks, Reggie and Shave of Lovington, and Mr. and Mrs. Marlin Buchanan and Pam of Hobbs.

# 1968 General Convention of Baptists to be Nov. 11-14

DALLAS (BP) — Baptist leaders from around the world will be featured at the 1968 Baptist General Convention of Texas and World Missions Conference scheduled for Fort Worth Nov. 11-14.

Among the many Southern Baptist luminaries with key convention roles are Ron Willis, Oakland, Calif., "Missionary to the Hippies;" William Hendricks, Southwestern Seminary professor of theology; Arthur B. Rutledge Home Mission Board executive secretary, Atlanta; BGCT President Gordon Clinard, Jesse C. Fletcher, Missionary Personnel secretary, Foreign Mission Board, Richmond Va.; T. A. Patterson, BGCT executive secretary and myriad missionaries, pastors, students and laymen.

Meeting in the sparkling new Tarrant County Convention Center, the state con-

## Whiteface Exes hold banquet

One hundred forty-two ex-students and teachers of Whiteface High School attended the annual Homecoming Banquet last Saturday night, November 2. A Mexican theme was carried out in the decorations and menu.

The invocation was given by School Superintendent R. K. McCoy and Merle McKay then welcomed everyone to the banquet. Honor Guest Loyd Wall was recognized by Superintendent McCoy who presented Wall with a plaque in appreciation of his many years of service to the Whiteface Schools.

Truman Swinney introduced the speaker for the evening, one of Whiteface's own ex-students and a recent candidate for Governor of the state of Texas, Ed Whittenburg. Speaking on Responsible Citizenship, Whittenburg stressed the privilege and responsibility of voting.

Special recognition was given the classes of 1965 and 1966. Nineteen sixty-five graduates attended the banquet were Henry Knox, James Moore, and Raymond Guajardo. Representing the class of 1966 were Connie Cumpston, Judy Wenken, and Dianne Linder Jones.

Officers for the 1969 Homecoming organization were elected. They include Mike Box, President; Hubert Deavours, Vice-president; Lynn Baldwin, Secretary; James Moore and Tommy Moore, Food Committee; Connie Cumpston, Decorating Committee; and Darrell Kitchens, Program Committee.

1968 officers were Merle McKay, President; Alice Sinclair, Vice-president; Pat Lasater, Secretary; Darwood Marshall, Food Committee; Windell Peters, Sheryl Johnson, and Wade Taylor, Decorating Committee; S. J. Bills, Program Committee; and Floyd Taylor, Darwood Marshall, and Quentin Rhodes, Parade Committee.

vention will be combined with a two-day World Missions Conference scheduled the afternoons of Nov. 12-13. Night sessions of BGCT convalesce will be held in the mammoth 13,860 seat arena.

"Our Hope in Christ" will be the convention theme. "We were instructed by last year's convention to mix the business sessions and toward missions in such a way as to make the mission program the main emphasis. We have no precedent for what we have done this year. I don't believe we have left a single aspect of missions untouched," said Program Committee Chairman J. P. Allen, pastor of Fort Worth's Broadway Baptist Church.

Meeting in the sparkling new Tarrant County Convention Center, the state con-

## Courthouse holds open house Friday

It has been announced that the newly remodeled courthouse will be open for the public to see Friday, November 8.

The open house will be held from 2:00 p.m. until 8:00 p.m.

Everyone is invited to tour the new courthouse.

## Locals . . .

Ronnie Bell has just completed his basic training in the U. S. Navy and is home on a furlough. He left November 6 for Fresno, California where he will be stationed.

Mrs. Bertha Narin underwent surgery November 5, in the Methodist Hospital in Lubbock. She is in Room 210 and would like to hear from all friends.

## Bloodhound testimony

In a burglary case, the prosecutor offered evidence that a bloodhound had followed a trail from the burglarized warehouse to the home of the accused man. Promptly the defense attorney raised an objection.

"After all, this is nothing but the 'testimony' of a dumb animal. That isn't good enough for a court of law."

Nevertheless, the court decided the evidence was admissible — and it helped send the defendant to jail.

The use of bloodhounds to track down criminals has been known for hundreds of years. According to Sir Walter Scott, the practice was favored by King Richard the Lion-Hearted back in the twelfth century.

And today most courts do consider this kind of evidence reliable enough to be permitted in criminal trials. In the usual case the trainer of the bloodhound is called to the witness stand. There he seeks to establish the dog's credibility by describing his pedigree, his training, and his behavior.

Still, even though bloodhound evidence is permitted, it is not considered strong enough — all by itself — to support a conviction. There must be some additional proof to back it up. This lessens the risk that the jury will be swayed by what one expert calls "a superstitious faith" in the bloodhound's accuracy.

Furthermore, the circumstances of the particular case may affect the value of bloodhound evidence. Thus, in a murder case, the fact that a bloodhound sniffed his way to the defendant's house was cancelled by the fact that the dog showed no reaction at all to the defendant himself.

And the older the trail, the weaker the evidence. In an arson case, a bloodhound had supposedly picked up the defendant's scent at the scene of the fire. But from the time of the fire to the time the bloodhound was put on the trail, five days and two rainstorms had gone by. Rejecting the evidence, the court said:

"While we will not suggest it is impossible that the dog could have followed this trail, it is certainly highly speculative."

A public service feature of the American Bar Association and the State Bar of Texas. Written by Will Bernard.

**Swat the frog**

Ever tried to catch a frog along a stream or lake bank? Seems he always stays just one jump out of your reach. Cut a tree branch and use it as a swatter. A blow stuns the frog long enough for you to pick him up.

### New Concept in Sprinkler Irrigation

### The Farmhand Walking Water System!

- New \* Kink-proof tower to tower safety system.
- New \* Gaskets eliminated by continuous one-piece sprinkler line.
- New \* Skids give you better traction, better stability, more floatation.
- New \* One oil hydraulic cylinder controls movement. All your irrigation water is evenly distributed. No excess water around the tower.
- New \* Patented, positive in-line control. System won't buckle, tangle or go down.
- New \* You control both rate of travel AND water flows according to your needs.
- New \* Tall towers put the sprinkler line above crops.
- New \* Annual lubrication cuts maintenance time to a minimum.

I started ditch irrigation in 1948. I went from ditch, to canvas pipe, to hand move sprinkler line then to wheel move. The Dowd-Farmhand is by far SUPERIOR to any system I have used. I like the single hydraulic oil cylinder located at the pivot point, and the self-alignment feature. The Dowd-Farmhand has been the most trouble-free system I have ever operated.

The Dowd-Farmhand saves roughly 30 hours of labor per week over other type systems I now have in operation.

## Notice

In the October 24 issue of the Morton Tribune, due to a typographical error, it was stated in error that the 1958 Class of Morton High School was to be the honor class for the 1968 Homecoming. Let it stand corrected that the 1953 Class is to be honored this year.

## A. Warren, Sr., home vandalized

The home of Mr. and Mrs. O. A. Warren, in the Goodland community was vandalized Friday night. Windows were smashed, the television smashed, and everything else breakable was broken, also articles were stolen.

Two, or possibly three persons who are allegedly responsible are being held in Lubbock.

# Conservation District News

From the Office of BUDD FOUNTAIN

Stock producers that continue to graze are at the mercy of the market. When you have over grazed your pasture you have no place to move your cattle. You have two choices, one is to sell or more feed. This could be the difference between profit and loss.

Each of the pasture land in Cochran County is poorly managed. This poor management causes the grass to deteriorate. When a pasture is abused and the grasses are eaten down to the roots they will lose vigor and will probably die. This allows undesirable grasses and weeds to invade the pasture and you will have a weed patch instead of a pasture.

Grass plants are like a building. The deeper the building, the deeper the foundation. Likewise, the taller the grass, the deeper the roots. The manufacturing part of the grass is the leaves and if grazed too close regrowth occurs by drawing on the reserve in the roots. Grass that is grazed too close gets in a weak-

ened condition and has a shallow root system.

How can a farmer or rancher use his grass land properly and still make a profit? Rotation grazing is one of the best means of controlling grazing and getting proper use of your pastures. Pastures should be divided so cattle can be moved in order to allow the grass to rest and grow. During this period irrigated pastures can be watered and fertilizers can be applied. On dry land pasture deferment should be during the growing season. Proper placement of water facilities and salt blocks will increase the range of grazing by forcing cattle to utilize the entire pasture. Each different grass will have a proper grazing height or a minimum as to how short you should graze the grass. When you allow cattle to graze below this height you decrease the capabilities of the grass.

The Cochran County Soil and Water Conservation Supervisors encourage all farmers to contact the personnel at the Soil Conservation Service Office if you need assistance in management of your pasture land.

## Bridal shower given for Mrs. George Lane

A bridal shower honoring Mrs. Royce Lane was at the Bula school lunchroom Saturday November 2, at 2:00 p.m.

Mrs. Sammie Nichols registered 20 guests out of town guests were Mrs. Sham Seagler of Plainview, Mrs. Sharon Seagler of Muleshoe, Miss Patricia Hicks Lubbock, Mrs. Hubert Greener and Mrs. Ann Jones. The serving table was covered with a pale green cloth overlaid with a white lace cloth. It was centered with a brown iron Stone coffee pot and pepper shakers.

Mrs. Quinton Nichols served the green cake and Mrs. W. M. Bryant served the white cake squares.

The hostesses gift was a set of brown Stone dishes.

The hostesses were Mesdames, W. M. McCall, E. N. McCall, Quinton Nichols, P. McCall, L. E. Nichols, Harold Layton, Dale Nichols, Rusty Rowden, Jack Beasley, Ralph Beasley, Chester Petree, Price, Bennie Hall and Harold Dean.

**Put on the Full**

**Armour**

"Wherefore take unto you the whole  
armour of God" ...

In Paul's letter to the Ephesians, he makes a comparison of the children of God and warriors. He says that our loins should be girt about with truth, and having on the breastplate of righteousness. He makes many more comparisons that exhort us to a proper life. Another thing that Paul urges is that we gather together and worship the Lord. No part of our armour is greater than regular church attendance. Much strength for the week is derived from worshiping with others.

Complete your suit of armour...  
attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

# INSIDE THE TEEPEE

## An Inside Look At Morton High School

### Halloween queen . . .

MISS BEVERLY DOLLE, seated in center, is the 1968-69 Halloween Queen. Her court included, left to right, Miss Beverly Evans, Sophomore candidate; Miss Arlene Crow, Junior High candidate; Miss Dolle; Miss Diane McCasland, Junior candidate; and Miss Dorothy Spence, Senior candidate. Miss Dolle was the representative from the Freshman Class.

Design Studio Photo

hopes of another such rating this year. Last year, the band marched 80 people in the show, but will only march 64 this year. The show will feature these numbers: "Anchors Aweigh", "More", "Swing March No. 1", and "Bravura".

### District 4-AA scores

Denver City 68, Post 0  
Idalou 31, Morton 8  
Frenship 13, Tahoka 6

### Student Council met Monday, November 4

The Student Council met Monday, November 4, in Room 104 of the High School. The meeting was called to order by J. Wayne McDermott, the Vice-President.

Plans were made for the Homecoming Coronation. It is to be held Friday Morning, October 8, at 9:30 a.m.

Also the mum sales and district meeting were discussed. The mum sales will end Thursday, November 8 at 3:30 p.m.

The Student Council members will attend the district meeting Saturday, October 10.

### \$450 damage results when car hits sign

An accident which happened about 3:45 Sunday afternoon a mile north of Morton city limits was reported by T. A. Rowland, State Highway Patrolman, as resulting in the uprooting of a highway sign and damage to one vehicle in an estimated amount of \$450, although no one was personally injured.

According to the investigating officer, Lavon Beavers of Milesand, N. M., had just completed a "U" turn at the intersection of State 214 and FM 597 in a 1966 Chevrolet and headed back south when Abundio Rios, driving a 1968 Dodge, ran off the left shoulder of the highway in an effort to avoid hitting the car driven by Beavers. The Rios car collided with a state highway sign when it swerved off the pavement and his car received the aforementioned damage.

Beavers was cited for turning without safety, the officer said.

### Linda Baker selected Homecoming Queen

Linda Baker, neice of Mr. and Mrs. Jack Baker of Morton, won the title of Homecoming Queen 1968 in Homecoming activities for Texas Tech Friday, October 25. Miss Baker was crowned by the former governor of Colorado, Dan Thornton, who crowned her "the fairest of all in Texas Tech land". She is a junior from Dallas.

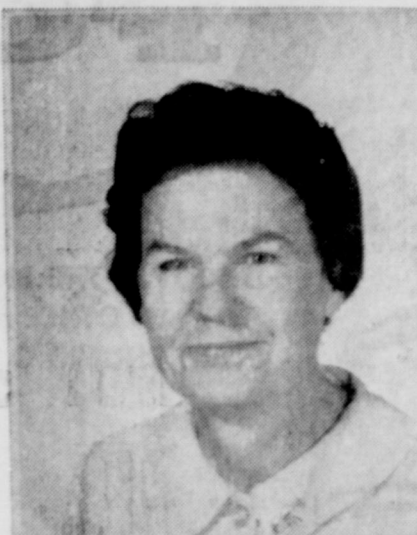

Named to the Queen's court were Hadra Hines, Wichita Falls senior, Donna Johnstone, Albuquerque senior, Mary Jean Legg, Dallas junior and Barbara Zimmerman, Oklahoma City junior.

Last year's Homecoming Queen, Mrs. Chris Adrian Jones presented the new queen with the royal scepter, and Mike Riddle, student association president, presented her with a dozen red roses.

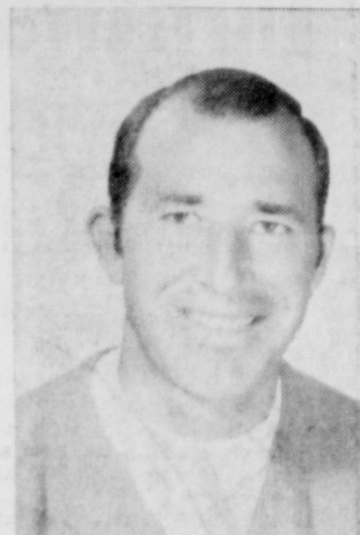

Waggoner Carr, former attorney general of Texas, was among a number of distinguished alumni at the ceremony.

When Miss Baker was crowned, she said, "I'm just flabbergasted. I've never been so surprised in my whole life."

## Know your teacher . . .

Mrs. W. G. Freeland

John Stockdale

The teachers of the week are Mrs. W. G. Freeland and Mr. John Stockdale. Mrs. Freeland, a graduate of Texas Tech, received her Masters from West Texas State University.

Mrs. Freeland teaches Reading in Junior High and High School. Her hobbies are gardening and Reading.

Mrs. Freeland has three children, Mrs. Clem Kuehler of Lansing, Michigan, Billy, a Texas Tech Student and Carol, a Senior at Morton High.

The Freeland family resides at 302 East Taylor.

from Eastern New Mexico State University. Stockdale is the Morton Schools Band Director. This is the eighth year for Stockdale to teach in the Morton Schools system.

In his spare time, Stockdale enjoys hunting.

### WHOOPEE

#### . . . in the Teepee

J. Wayne Mc. — Dirty, dirty, dirty — sticky too!

Johnny A. — Is it green, or is it orange? Sharon I. and Vivian Mc — Friday! just isn't your day!

Dee M. — Temper, temper — Junior Class — Only 43 cents — Patsy C. — What hit you?

Mr. A. — Got a hole in your pocket? Jerry S. — You'll organize anything if you can be president!

Linda N. — You are my sunshine??? Ricky Mc. — What were you doing sitting with K. D. on the bus?

MHS band — Good Luck! Football boys — Come on, GET A BULL-DOG!

### Carnival Queen elected here

The Halloween Carnival Queen was crowned Thursday, October 31, in the County Activities Building auditorium at 9:00 p.m.

The 1968-69 Queen is Miss Beverly Dolle, the representative from the Freshman Class. She is the daughter of Mr. and Mrs. C. E. Dolle.

Her court included Miss Beverly Evans, Sophomore candidate; Miss Diane McCasland, Junior candidate; Miss Dorothy Spence, Senior candidate; and Miss Arlene Crow, Junior High candidate.

Miss Dolle was crowned after an evening of fun enjoyed by everyone at the Halloween Carnival sponsored by the Emlea Smith Junior Study Club.

### Bonfire will blaze once again

As traditional, the Homecoming Bonfire will be held Thursday evening, November 8 at 7:30 p.m. on the West side of the High School building.

The student body of Morton High School wishes to extend a special invitation to all who may be interested in attending.

## Weekly cotton classing report

The three Cotton Classing Offices of the USDA in this area classed 47,600 samples of new crop cotton last week ending Friday, November 1, 1968. This brought the total for the entire season to 98,700. 46,000 Samples had been classed on the South Plains this time last year.

Predominant grades were Middling, Strict Low Middling, Middling Light Spotted, and Strict Low Middling Light Spotted. These 4 grades represented 90 per cent of the total classed.

The average staple length from the South Plains area last week was slightly longer than 1-inch.

Micronaire readings by percentages were: 5.0 or better — 22 per cent, 3.5 — 4.9 79 per cent, 3.3 — 3.4 11 per cent, 3.0 — 3.2 5 per cent, and 2.7 — 2.93percent.

The average Pressley tests, which is the breaking strength of the fibers, for the Lubbock area was 88,000 pounds per square inch, for the Lamesa area was 84,000 pounds, and for the Brownfield area was 88,000 pounds.

Prices reported to the Consumer and Marketing Service of the USDA at Lubbock ranged from \$13.75 to \$18.75 per bale over the Government loan value for White grades in the 3.5 to 4.9 micronaire range.

Average cottonseed price paid to producers was \$49.00 per ton.

## Marine recruiting headquarters moved

The United States Marine Corps Recruiting station for this area has been moved to 1009 13th St. Lubbock, according to First Sgt. Spurlock, NCO in charge.

The office hours are eight to five daily and eight to twelve Saturdays. The phone number at the new office is 765-8541 extensions 330 and 332.

See your Marine Corps Recruiter today about your spot on the Air-Ground Team.

## Whiteface annual homecoming held Friday and Saturday

The 1968 Whiteface Homecoming was held Friday and Saturday, November 1 and 2.

Friday at 3:00 p.m. in the School Auditorium, the Queen and her attendants were crowned. The Queen was Miss Rita Linder. Her court included Linda Greer, Charla Booz, Diane Deavours, and Gwin Lewis.

That night a bonfire was held to end Friday's activities.

Saturday morning the annual Homecoming parade kicked off the days activities. The various classes entered interest-

ing floats. The Senior float placed first, the Freshmen placed second and the Juniors placed third. Also in the parade were four drill teams and three saddle clubs.

After the parade everyone was invited to eat a barbecue lunch at the school sponsored by the Young Farmers.

Following the lunch, the public was

invited to tour the newly remodeled high school building.

At 1:30 p.m. the Queen and her court were presented before the football game. Then the game began between the Whiteface Antelopes and the Anton Bulldogs. The cold windy day forced many to view the game from their cars but none of the exes were disappointed as the game continued. The final score was 42-6 in favor of Whiteface.

It was the first Homecoming game Whiteface had won in several years.

At 6:00 p.m. Saturday night in the School Cafeteria, a Banquet was held for the exes of Whiteface High School.

## Lubbock Production Credit Association increases membership

The Lubbock Production Credit Association is now able to increase member service by the addition of Electronic Data Processing installed in the Association's seven field offices October 1, 1968.

The Association's bookkeeping records were converted to an electronic computer system located at the Federal Intermediate Credit Bank at Wichita, Kansas.

According to Production Credit Association Vice President Billy Weems, manager of the Morton field office, "the increasing complexity of agricultural lending has caused a demand for more management information which is reliable, significant, and can be obtained quickly. The installation of the computer system is an effort on our part to help answer this need, and to more adequately serve our customers." Weems continues, "besides maintaining bookkeeping records, this system is designed to provide services and data which were previously considered too costly and time consuming to compile."

Further explaining the system, Vice President Weems stated, "a unique feature is the use of a teletype machine to transfer the bookkeeping information from the association office to the computer. Daily activity is coded on a paper tape through the teletype equipment at the office. This information is then transferred to the computer at the rate of one hundred words per minute. This method of transmitting data reduces the time between the actual transaction and the recording of the computer of this information. Daily activity recorded one day and sent in, is returned the next morning."

The Lubbock Production Credit Association is an agricultural credit cooperative serving Cochran, Crosby, Gaines, Garza, Hockley, Lubbock, Lynn, Terry, and Yoakum counties.

Vice President Weems reported that the Morton field office has loaned \$1,406,000 to farmers and ranchers this year.

## South Plains Tex-Anns practice for debut

South Plains College Tex-Anns, 35-member colorful drill team, under the direction of Mrs. Mary Shea, are busy with rehearsing routines in preparation for a busy school year.

A number of performances have been scheduled including their appearance in Jones Stadium, Lubbock, at the Khiva Shrine charity game at 7:30 p.m. Thursday, Nov. 7. The Texas Tech freshmen will play Texas A&M freshmen that night.

The Tex-Anns will make their first home appearance at the Texans' first home game of the basketball season in Texan Dome when they play Wayland Junior Varsity on Nov. 9.

Tex-Anns will perform at all home basketball games and make community appearances throughout this school year.

Officers of the team, all sophomores, are: Cheryl McDaniel, Morton, captain; Cheryl Keller, Levelland, co-captain; Lieutenants, Linda Becker, Pearce, Ariz.; Lin-Shirley McClung, Floydada; Jeanette Cooper and Dena Smith, Morton.

Members on the drill team from Morton are: Dana Webb, now from Brownfield, Cheryl McDaniel, Dena Smith, Jannette Cooper, Donna Allsup, and Dena Coats.

## Finding white bass by birds said easy

Finding white bass is easy, providing you know how.

Perhaps the easiest way on most of Texas' large impoundments is to watch for the birds. When you see a flock of gulls diving down into the water, it is a sign that the whites are chasing shad. And that's a cue for you to chase the fish.

Antelopes celebrate . . .

VICTORY!!! The Whiteface Antelopes are pictured here after a glorious victory over the Anton Bulldogs Saturday during Homecoming Activities. The Antelopes downed the Bulldogs 42-6.

## Jean-Claude Killy talks shop... Chevrolet Sports Shop

(Freely translated from the French) "I am a man who drives for sport . . . for fun, you know? This is why I am telling you about the brave new Chevrolet and its Sports Shop. "Only in the Chevrolet Sports Shop do you find cars like the Camaro Z/28. Ah, the Z/28. Camaro with 302 V8, more muscular suspension and Hurst shifter. Only Z/28 offers 4-wheel disc brakes like Corvette, also in the Sports Shop. "You will find, too, the Camaro SS, Chevelle SS 396, Nova SS and the big Impala SS 427. "The Sports Shop. Part of the Sports Department at your Chevrolet dealer's. "But of course."

Putting you first, keeps us first.

Jean-Claude Killy, winner of three gold medals in the 1968 Winter Olympics.

# Program for Federation of Texas Women's Clubs held

A program in observance of the Federation of Texas Women's Clubs was enjoyed by the seven Women's Clubs in Cochran

County at the Activities Building Saturday, November 2, with registration beginning at 10:30 a.m.

## Bridal shower given honoring Mrs. Bell

There was a bridal shower honoring Mrs. Ronald Bell (nee Pattie Burke), Monday, November 4, in the home of Mrs. Eugene Bedwell. The shower lasted from 4:00 p.m. until 8:00 p.m. The colors for the affair were blue and white. Refreshments served were cake, coffee, and punch.

The hostesses for the shower were as follows: Mesdames Danyne Baker, Kenneth Coats, Elmer Akin, Don Lamar and Eugene Bedwell.

## Services held here for Orville Webb

Funeral Services were held at the First Baptist Church on Monday afternoon, 3:30 p.m., November 4, 1968, for a long known resident of Morton, Texas, Orville E. Webb, age 59, succumbed in Los Angeles, California, on October 31, 1968 and was buried at Morton Memorial Cemetery. Those surviving include three sons, Doyle and Jimmie Webb of this city, Clinton Orville Webb, Eagle Point, Oregon. One daughter, Eva Lee Swinney, Clarendon, Texas. Also surviving, one sister, Ila Fae Jones, Broken Arrow, Okla., one brother, Lowell Webb, Brownfield, Texas and ten grandchildren.

Services were officiated by the Rev. Fred Thomas under the arrangements of Singleton Funeral Home.

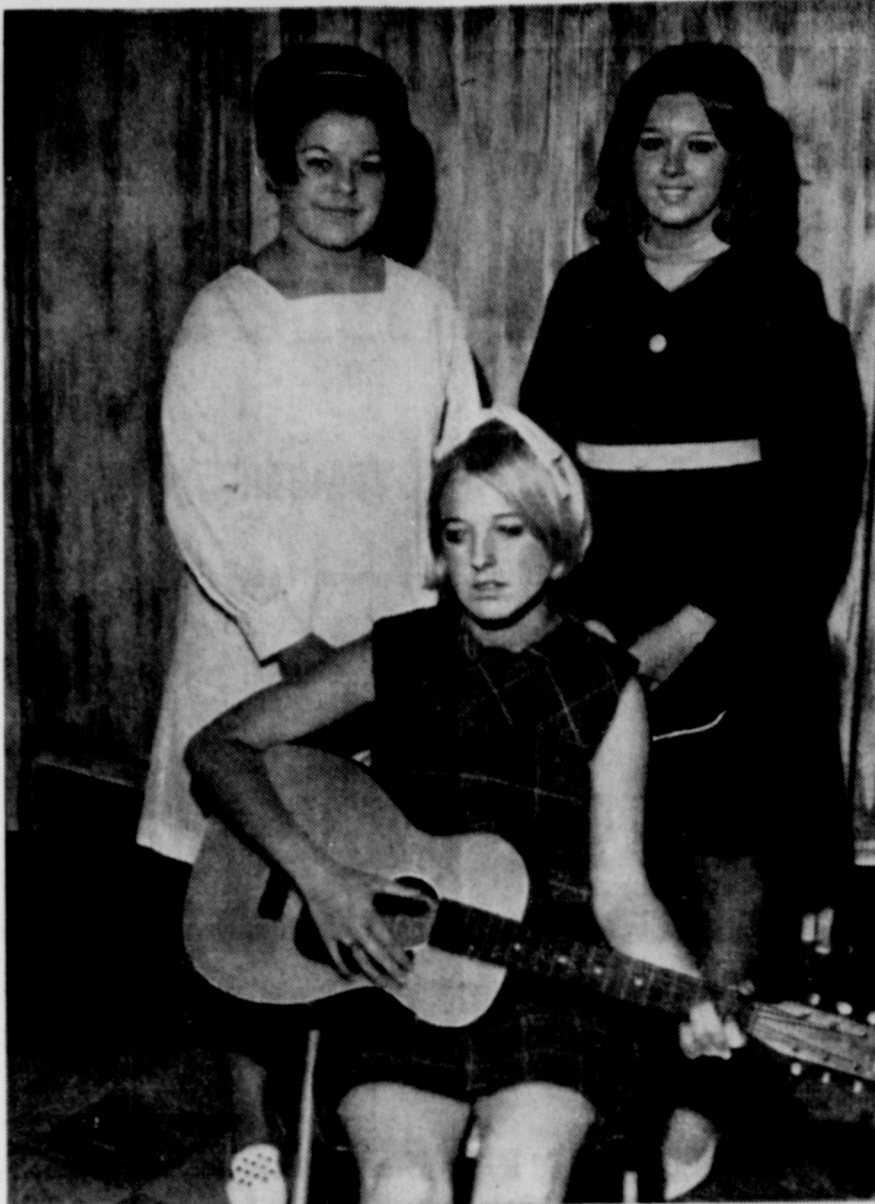

Mrs. Cherylne Inglis, President of the Area Council of Women's Clubs, presided. The invocation was given by Mrs. Earl Polvado and Mrs. Gage Knox led the group in the pledge of allegiance.

Mrs. Connie Gray introduced the guest speaker, Mrs. Lane Decker, Caprock District President of TFWC, who gave highlights of the projects for her term of office, and spoke of the State President, Mrs. Henry F. Shaper, Sr., as well as speaking on community improvement.

Mrs. Kenneth McMaster introduced Caprock District's First Vice-President, Mrs. LeRoy Johnson, who gave a talk on projects and scholarships with a brief sketch of the plans for a Workshop to be held in Tahoka at 10:00 a.m. Saturday, November 16, at the First Methodist Church. No reservations are necessary, there will be a 50 cent registration fee, and luncheon will be provided by the Tahoka Women's Club. Special emphasis will be in the departments of fine arts, home life, public affairs, and education.

Mrs. Lloyd Miller introduced Mrs. Neal Rose, Caprock District's Education Department Chairman, who spoke on present-day trends in education, stating that education is not only self-improvement, but service and that we should all speak out when we do not approve of the information before the public no matter what the media — movie, TV or print.

Entertainment was provided by a Girlstown trio including Elaine McCord, McCord, Carla Farmer, and Melissa Nowlen. Piano selections played by Mrs. Earl Polvado and Mrs. James Walker were enjoyed during the salad luncheon. The program was concluded by the Club Collect as a benediction which was led by Mrs. Iva Williams.

TFWC entertainment . . .

ELAINE McCORD, Carla Farmer and Melissa Nowlen from Girlstown provided entertainment for the seven Texas Federation of Women's Clubs in Cochran County Saturday, November 2, in the Activity Building.

TFWC speaker . . .

THE FEDERATION DAY observance program at Activities Building November 2 included Mrs. Neal Rose, Caprock District Education Department Chairman, who spoke on "Trends in Education Today"; Mrs. Lana Decker, Caprock

District President, who spoke on "Community Improvement"; and Mrs. LeRoy Johnson, Caprock District First Vice-President, who spoke on "Contests and Scholarships."

## Three Way news

BY MRS. H. W. GARVIN

Three Way Homecoming will be Nov. 9. Registration starts at 5. Buffet supper at 5:30 p.m. 75 cents per plate. Exes meeting at 7. The football game starts at 8. Three Way and Bula.

W. E. Latimer was a patient in Morton Memorial hospital several days the past week.

Mr. and Mrs. Lloyd Warren are the parents of a baby boy born October 25, at East Plains Memorial Hospital in Muleshoe.

The Fall harvest festival was held at the Three Way School Tuesday night with a very good turn out and every one had a nice time.

We wish to express our sympathy to Mr. and Mrs. Paul Carlisle on the death of her Mother in Littlefield. Mrs. Carlisle's mother was buried Tuesday at Littlefield.

We wish to express our sympathy to Mr. and Mrs. W. C. McKelvey on the death of his mother who was buried in Lubbock Saturday.

Mrs. Arnold Schmidt from Warrensburg, New York is spending the week with her daughter and family the Homer Oxfords.

Cotton harvest is getting started with all gins in the community going. Hands are needed to work in trailers.

Lynn Kelley student at Odessa College, and the nephew of Mr. and Mrs. R. L. Davis with whom he has made his home the past two years was seriously injured in a car wreck at Odessa Tuesday. Lynn suffered serious head injuries but at the last report was responding to treatment in an Odessa hospital.

Mr. and Mrs. Johnnie Wheeler attended the 4-H achievement Banquet Saturday night at Muleshoe.

Mr. and Mrs. Dutch Powell were in Odessa Sunday to visit with the family of Lynn Kelley. Lynn was still in serious condition Sunday.

Mr. and Mrs. P. L. Wells of Amarillo were guests in the home of her sister, Mr. and Mrs. Jerome Cash Friday night.

Ellison will compete with 12 other district winners for the state title. The winner will receive \$500 to cover expenses for herself and a matron escort to the American Farm Bureau Federation convention in December in Kansas City.

Miss Ellison, a Ralls High senior, is an officer in the band, Future Teachers of America, Future Homemakers of America, the Quill and Scroll and the Student Council. She is editor of the school paper. Gayle is a member of Emma Church of Christ in Ralls and she also has helped with the United Fund mothers' drive.

The queen candidate is a member of the All-Region Band and has been chosen the outstanding band member in her school. She loves to cook, sew and to work with children. After high school she hopes to attend college and major in English. Her ambition is to teach high school English.

At the state contest, which will be held in conjunction with the 35th annual convention of the Texas Farm Bureau, Miss Ellison will compete with 12 other district winners for the state title. The winner will receive \$500 to cover expenses for herself and a matron escort to the American Farm Bureau Federation convention in December in Kansas City.

Gayle Ellison

## Ralls TFB beauty will compete for state title Nov. 11

Miss Gayle Ellison of Crosby County will represent District 2 in the state finals of the 1968 Texas Farm Bureau queen contest Nov. 11 in Dallas. The 17-year-old daughter of Mr. and Mrs. H. W. Ellison of Ralls was selected to represent this area during recent district eliminations.

At the state contest, which will be held in conjunction with the 35th annual convention of the Texas Farm Bureau, Miss Ellison will compete with 12 other district winners for the state title. The winner will receive \$500 to cover expenses for herself and a matron escort to the American Farm Bureau Federation convention in December in Kansas City.

## Safety in camp

Paint your tent stakes and lines with white or luminous paint. It will keep you from tripping over them in the dark. At the same time, don't forget to treat the clothes line the same way.

## Look Who's New!

Mr. and Mrs. Larry Buchanan are proud to announce the arrival of a 7 lb. 4 oz. baby boy born Tuesday, October 22, at Hayes County Hospital in San Marcus. The baby has been named Donal Scott. Local Grandparents are Mr. and Mrs.

Donal Brown and Mr. and Mrs. Buchanan. Great-Grandparents are Mrs. E. R. Lytle, Mr. and Mrs. Brown, and Mrs. J. H. Buchanan.

Nancy Luper and her son and daughter were visited in the Luper home last weekend.

## — Editorials — Lest we ever forget

Monday will be Veterans Day, November 11, 1968, a day of hope. Fifty years have passed since the end of one of America's great attempts to insure freedom and peace for the world. Silence had fallen over No Man's Land in Europe at 11:00 a.m. on November 11, 1918, ending World War I. This date and time marked the moment for an annual observance by the United States. It was called "Armistice Day".

Now, fifty years later, we are still looking forward toward the future and the achievement of a world free of aggression.

For eight years, the people of the nation paused on November 11 to pay homage to the 4 1/2 million men who represented the United States in this great conflict. There had been 126,000 men who paid the supreme sacrifice. They were remembered in service beginning on November 11, 1921. Five years later, in 1926, "Armistice Day" was made the official name for this observance. Twelve years later, in 1938, a Congressional Resolution proclaimed the date a legal public holiday.

Just one year later, in 1939, the hopes of men were shattered when World War II began. Once again, America responded to the challenge. 16 1/2 million were called to bear arms for the protection of our allies.

Twice since then Americans have rallied to the oppressed . . . once in Korea and now in Vietnam. When communists invaded Korea and South Vietnam, we came to the aid of those suffering men and women who have envisioned a land of freedom.

Now, even though we are in the

throes of such aggression, we still maintain hope, as Americans, for peace for the world, and will not accept a peace of slavery, but a peace of honor.

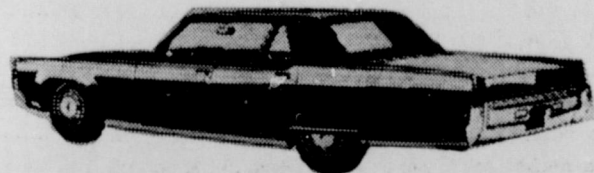

As we celebrate Veterans Day this year, we pause to remember the Tomb of the Unknown Soldier, symbolic of all those Americans who paid with their lives, that our freedom might endure. In the past fifty years, over one-half million men have given their lives in this endeavor.

We have inherited a great treasure and are the recipients of a trust which we must keep, or we shall lose this freedom which has been maintained at such great cost. The 39 million men of past wars, all across our nation, have given us this torch to carry. More than 26 million of these fighting men are alive today. We have a great responsibility and we owe a great debt to these men who have given us the freedom that we cherish so dearly.

To these men that we honor on Monday as veterans, we owe a pledge of assurance . . . that we are indeed worthy of the sacrifices they have made in order that we may remain free men.

We face the future with confidence and are filled with hope that peace will come because of the actions of our veterans of past wars, and our men who today bear our battle in Vietnam. We salute those men throughout our nation who have provided us the incentives and the responsibilities for preserving this democracy. We honor those who have died for freedom's sake, and pledge to those who live that we will remember their contributions to our own freedom.

## NEWS from WHITEFACE

by: SANDRA KEITH

The American Legion will be having their annual Pancake Breakfast on the morning of November 11, Veteran's Day, in the Oddfellows Lodge Hall. There is no set charge; just leave a donation in the fruit jar. This money will be used for community service through the coming year.

Mr. & Mrs. Loyd Wall and Mr. & Mrs. Billy Wall and Monte visited recently with their son and brother, Danny Wall. He is in the service and is taking his basic training at San Antonio. Since entering the service the last of August, Danny has lost sixty pounds.

Mrs. J. T. Hall spent a few days in the hospital after falling or blacking out with a kettle of boiling water in her hand and scalding herself. She is reported doing better at this time.

Mrs. W. D. Ashmore is recovering from surgery at home but is still not able to be up and around much.

Clyde Moat was able to take in the parade Saturday. He is recovering from a stroke suffered last summer.

Mr. & Mrs. Woody Dickson and Mr. & Mrs. Dan Keith attended the funeral Friday of Dickson's nephew, Leon Elkins of Lubbock, Elkins, age 25, had suffered the totally disabling effects of polio for sixteen years.

Various types of IQ and vocational tests are to be given students during the coming weeks of school. Seventh and ninth grades are to take achievement tests. Grades ten and twelve are to take vocational planning tests, and the Juniors are to receive ITED tests.

Approximately \$150.00 was cleared at the Barbecue Lunch last Saturday. This money will be used to stage an All-Sports Banquet and to improve the Community Park.

The Homecoming Parade was well attended Saturday morning and the crowd was entertained by the various entries. Several school classes and local organizations entered floats. Led by the Color Guard, the parade also featured several bands and riding clubs along with ROTC and Angel Flight groups from Texas Tech. The local fire engine was a high point of the parade as riders tossed out miniature loaves of bread. Judges for the float competition were Linda McCoy of Amarillo, Mrs. Earl Mays Jr. of Wheat Ridge, Colorado, Darla Oats of Farmington, New Mexico, and Bill Tilley of Whiteface.

The Senior corsage sale was a big success as they made over \$100.00 profit.

Some of the visitors seen around town during Homecoming were Mr. & Mrs. James Cunningham and Mark of Spearman, Mr. & Mrs. Kenneth Baker and family of Wilson, Mr. & Mrs. J. W. Allen and Dale of Denver City, Mr. & Mrs. Ed Whittenburg and family of Baltimore, Mrs. Bob Oats and daughters of Farmington, Mr. & Mrs. Ralph Flowers of Odessa, Mr. & Mrs. Don Arnold and family of Odessa, Mr. & Mrs. Bill Ashby of Stinnett, Mr. & Mrs. Jummy Ashby and son of Stinnett, Mr. & Mrs. Johnny McCoy of Amarillo, Mr. & Mrs. Conway Washington and family of Crane, and Mr. & Mrs. Doyle Washington and family of Roosevelt. Some of the visitors from Lubbock were Mr. & Mrs. Gary Johnson, Mr. Mrs. Jack Knox and family, Mr. & Mrs. Russ Sinclair and family, Mr. & Mrs. Nubbin Hollar, and Mr. & Mrs. Roy Thrush.

Also visiting were Mr. & Mrs. Buddy Cannon of Levelland and Mr. & Mrs. W. B. Snodgrass and family of Brownfield. This is just a sampling of the ex-students who returned home this past weekend for the Homecoming activities.

## Antelopes win homecoming game

By SANDRA KEITH

Last Saturday afternoon's Homecoming game was a wind-blown affair well attended by ex-students, visitors, and local fans. Miss Rita Linder, Homecoming Queen was presented to the crowd in pre-game activities that also included the other Homecoming candidates and the marching display of the Shallowater Band.

As for the football action, it was Whiteface all the way from the moment Anton kicked off downwind to the Antelopes on the south end of the field. The Antelopes drove to score 6-0 early in the first quarter. Whiteface again scored in the first frame climaxing a long run by Swinney and a couple of first downs following the run.

In the second quarter, Alaniz drove over from one yard out to make it 18-0. It was now time for Anton's moment of glory as half-back Quimion Williams broke through the Antelope defense and covered 80 quick yards to make the score 18-6.

A moment or two later Swinney broke around left end to score for Whiteface from 35 yards out and it was 24-6. Fine defensive work from the Antelopes tagged the Anton quarterback behind his own goal line, yielding the 'lopes 2 points and a 26-6 score.

Halftime activities included the marching bands of Anton and Whiteface on the wind-swept field.

The third quarter slowed to a more defensive type game but Whiteface managed to push across one touchdown with Doug Barry carrying in for a 34-6 total now registered on the scoreboard.

Reserves took charge in the fourth quarter and one more score was brought off following a long run by L. C. Clewis who was nailed from behind on the three yard line. Amando Armendariz carried over from three yards out, making it 40-6. L. C. Clewis added the two extra points with a burst over right tackle. It was now 42-6.

The strong northwest wind kept Whiteface's potent passing combination under wraps, and the team relied instead on the running of backs Swinney, Burris, Alaniz, and Barry. This proved more than adequate. Whiteface found tough going up the middle as the lighter Anton defense never quit, but was unable to contain the end sweeps of Swinney and Burris throughout the game.

One encouraging note from the game was the improvement shown by the "B" team reserves of McCoy, Clewis, Linder, and Armendariz, who have come a long ways from their shaky start early in the season.

This Friday the Antelopes journey to Ropesville to tangle with the tough Eagles who possess the same won-loss record of conference play. Comparable scores would indicate a close, thrilling, game shaping up. Let's all continue to support these fighting Antelopes of Whiteface, Cochran County, USA.

## Pep conducts annual Thanksgiving festival

Pep will hold its 23rd Annual Thanksgiving Festival, Thursday, November 28, sponsored by St. Phillips' Church. The affair will be held in the Modern Parish Hall in Pep. Meals will be served from 11:00 a.m. til 2:00 p.m. and again from 5:00 p.m. to 7:30 p.m.

Featured at both meals will be country sausage with turkey and trimmings. Admission will be \$1.75 for adults and \$1.00 for children.

Carnival attractions will be featured all day. Prizes will be given, and a cotton and general auction will be at 6:30 p.m.

A dance will be held from 9:00 p.m. 'til with music furnished by a western band.

Everyone is invited to go to Pep and enjoy the day's activities.

### BOOKMOBILE SCHEDULE

The High Plains Bookmobile will be in Morton Saturday, November 16, from 9:30 until 12:00.

### CLEANER HOLDS SINKER

Cut a strip of pipe cleaner and insert it in the groove of a pinch-on sinker. Then the sinker won't slip up and down the line.
