### Calendar Girl . . .

MISS VIVIAN McDaniel, Tribune Calendar Girl for the month of March 1969, poses prettily here with her usual "I've been up to something smile." Vivian, who is the daughter of Mr. and Mrs. Glen McDaniel of 501 East Garfield and a senior at Morton High School, is eagerly looking forward to spring and all of its West Texas surprises.

## Fat Stock Show, Sale break previous marks

The 1969 Cochran County FFA and 4-H Livestock Show terminated Saturday with all-time records of quality, quantity and sales receipts.

There were no categories in which past records were not exceeded and, in the words of County Agent Roy McClung, "the show ran off very smoothly with the highest quality animals exhibited by all the boys and girls."

"What is a most pleasing aspect is the fact that the show culminated in the most successful sale in the history of the event."

"There weren't as many buyers on hand as we have seen in some past years, but those that were here certainly made up in enthusiasm for their smaller numbers. They combined to support our FFA and 4-H members in the amount of over \$8,000."

Parents, FFA members and 4-H Clubs are certainly grateful for the dedication and support that the buyers in the auction gave to their organizations and their efforts," McClung stated.

The show which ended up with the auction Saturday afternoon in the county show barn had sales totaling \$8,020.68 compared to the 1968 total of \$7,241.77. All reports indicate that the 1969 show was the best ever, not only sale-wise, but in quality of animals exhibited.

Closing the show with the Saturday afternoon sale, Superintendent Bobby Neal announced several special awards before the floor price was set on all the animals.

Showmanship Awards went to Ronnie Reeder, Morton FFA, in the steer division. Sheep Showmanship went to Deborah Whitehead, Cochran 4-H and Swine Showmanship went to Rickey Bennett, Whiteface FFA.

The three Herdsman trophies for beef, swine, and sheep all went to Cochran 4-H for their exhibits. The special presentation of a pair of Tony Lama boots given by the Jack Davis Boot Company of Lubbock to the person contributing the most to the Stock Show went to Terry Shaw of Cochran 4-H. The \$25.00 Savings Bond given by the Farm Equipment Company to the Most Deserving Exhibitor went to Larry Shaw of Cochran 4-H.

In announcing the winners of the Steer Weight-Gain Contest, Neal pointed out that this contest is sponsored annually by the area cotton gins. The winners and their awards were as follows:

- 1st, Dale Burris, Whiteface FFA, \$50.00;
- 2nd place, Kathy Mason, Cochran 4-H, \$40.00;
- 3rd place, Dale Burris, Whiteface FFA, \$30.00;
- 4th place, Bill McClure, Morton FFA \$20.00;
- 5th place, Kenneth Jones, Cochran 4-H, \$15.00;
- 6th place, Ralph Mason, Cochran 4-H, \$15.00;
- 7th place, Ronnie Reeder, Morton FFA, \$15.00;
- 8th place, Morton Smith, Morton FFA

\$15.00, 9th place, Ronnie Hemphill, Whiteface FFA, \$15.00; 10th place, Johnnie Ferguson, Three-Way FFA \$10.00; 11th place, Johnny Ferguson, Three-Way FFA, \$10.00; 12 place, Gary Bennett, Whiteface FFA, \$10.00; 13th place, Mike Sowder, Three-Way FFA, \$10.00; 14th place, Jenna Key, Cochran 4-H, \$10.00 and 15th place, Allen Davis, Three-Way FFA \$10.00.

Hank Matthews, auctioneer from Leveland, opened the sale with the packer-buyer floor prices of \$28.30 on the steers by the Cattle Commission Company of Lubbock, 21 cents on the hogs by Farm Pac of Lubbock, and 27 cents on the lambs by Leonard Groves of Morton. In opening the individual sale the Grand Champion Steer, a 946 pound Angus, exhibited by Jimmy Jones, Cochran 4-H, was purchased by the First State Bank of Morton for 66 cents per pound.

The 196 pound Grand Champion Barrow of the show exhibited by Kathy Mason, Cochran 4-H, was purchased by the Star Route Co-op Gin for 90 cents per pound.

Joe Coker's Grand Champion Fine Wool Lamb, weighing 92 pounds, was purchased by Morton Gin Company for \$2.20 per pound. Rickey Lemons of the Morton FFA sold his 97 pound Grand Champion Cross Breed Lamb to Morton Spraying and Fertilizing for \$1.50 per pound.

### Parents meet teachers . . .

A WELCOME OPPORTUNITY for parents and teachers to meet and discuss their children's progress was afforded by the annual open house held Tuesday night by all the schools in Morton as part of the observance of Texas Public Schools and Respect for Law and Order week being held March 3-7. Here Mrs. Ruth Whitecotton, eighth grade teacher, left, confers with Mr. and Mrs. Tom Donathan whose son Gary receives math instruction from her. There was a record turnout for the school open house and science fair, despite the damp and frigid weather, school superintendent Bob Travis reported Wednesday.

## High school students to hear college financial aid programs

An explanation of the many financial aids available to enable students to attend college will be given Morton High School students next Wednesday.

Milton Morris, director of student financial aids at West Texas State University, will speak to them on this subject March 10 at 9:30 a.m. at the County Activities Building.

Many talented and deserving young people are facing a bleak future simply because they either do not have the money with which to attend colleges, universities, technical school or their high school records indicate they might not be able to do college work and they may have

become discouraged and fallen into the category as a "dropout" either before or after graduation.

"There are doubtless young people in the Morton High School area who fit into one of these categories," Morris said. If so, they will have the opportunity to hear student financial aids explained by him at that time.

Mr. Morris will be representing the United States Office of Education with a program called Opportunity for Post Secondary Education. Although the contract for the program is between the Opportunity Plan, Inc. of West Texas State University and the U.S. Office of Education with its Educational Talent Search Program, information will be provided for those students desiring to attend the school of his or her choice.

Students and parents are welcome to counsel with Mr. Morris.

Following his talk at the activities building, Morris and Frank Hunt of South Plains College will go to the high school where they will talk with parents and students who desire counselling.

Both men are scheduled to address the Morton Lions Club at their noon meeting that day.

### Hospital district sets election of directors

The Cochran Memorial Hospital District has set an election date for April 15. Two positions on the district board will be filled in the election.

The two positions to be filled will be the replacement of Elmer Gardner, District One, and Glenn W. Thompson, district-at-large director.

Petitions are to be circulated to nominate candidates with certain rules and regulations to apply. These will include: that the candidate be at least 21 years of age; be a resident of Cochran county and owner of property in the county that is subject to taxation. He must also be a qualified voter as must his petitioners. Petitions to put a candidates name on the ballot must contain a minimum of 10 qualified voters. The petitions must be filed in to the present hospital district board not later than March 10.

Petitions for use in the election may be obtained from the Morton radio station, the Morton Tribune or the hospital. Interested persons should bear in mind that the March 10 deadline is fast approaching.

### Taylor files application for city council post

Walter L. Taylor, present member of city council, beat the midnight Tuesday deadline to file application for the 1969 election that will fill three expiring seats on the council.

Taylor joins Wiley Hodge and Herman Well, both incumbents, who had previously filed to succeed themselves. No known applications had been made before the deadline was reached.

The filing deadline is set by the Texas Election Code for Cities and Towns which files that candidates can file no later than 30 days prior to the election being

held. There are now the same number of applications for election as there are vacancies, therefore none of the candidates can be opposed, technically. It was feared that the third application would be filed, calling for special procedure to fill the one vacant post. Taylor's application erased that possibility.

### Long effort pays off . . .

HOW SWEET IT IS! when all your efforts culminate in the Grand Championship of the show! This must be the feelings of Jimmy Jones as he displays his Grand Champion of the Cochran County FFA and 4-H Stock Show. Jimmy is justifiably proud as he shows his Grand Champion which sold

at auction to the First State Bank of Morton at 66c per pound. With him left to right, are his parents, Mr. and Mrs. James C. Jones of Route 2, Morton, Gene Benham, president of the First State Bank, purchaser of the steer, and Roy McClung, county agent.

### ★ School's out Friday

All Morton school children will get a welcome holiday Friday as school will be out.

The schools will dismiss in order that all teachers in the system may attend the annual convention of District Seventeen of the Texas State Teachers Association in Lubbock.

## CofC plans membership drive

A concentrated membership drive, involving all present members of the Morton Area Chamber of Commerce, was the main item on the agenda at a board of directors meeting Monday.

A report on plans for the drive was made to the board by Rusty Reeder, chairman of the membership committee. The campaign, as outlined by Reeder, will involve almost every one of the 76 members presently on the membership rolls. A lengthy discussion concerning the up-

grading of membership dues was held and was finally referred back to the membership committee for further study and recommendations at a later date. No definite starting date for the membership campaign was arrived at in the meeting, but it was generally agreed that it will begin in the near future.

In other business, the board approved the budget for 1969 after a presentation and explanation of its listed items by Chamber manager Leon Kessler.

Kessler gave the board a detailed report on a tourism meeting in Lubbock attended by himself and Chamber president Ray Griffith last week. It was brought out at the meeting that in excess of five million tourists passed through the South Plains last year.

### Five candidates file for board of trustees

With the deadline for filing a candidate for the April 5 Morton Independent School Board of Trustees election due to run out at midnight Wednesday, there had been five applications filed by Tribune press time at noon, according to school superintendent Bob Travis.

Of the three existing vacancies on the board, two are for regular three-year terms and one is for one year to complete the unexpired term of a board member who resigned last year.

John Fincannon, present board member who is completing one of the years on the unexpired term, has filed to succeed himself in the shorter term.

Those filing for the regular three-year terms include:

- Oley W. Youngblood Jr., a 38-year-old farmer of Route 1, Morton.
- David T. Rozell, 40, employed by the Cities Service Oil Co. and who resides at 302 E. Garfield, Morton.
- C. E. Dolle, 39, Morton Delinting Co., of Morton.
- Robert Greener, 35, farmers of Rt. 2, Morton.

The board of trustees consists of seven members, either two or three of whom are elected each year. The terms are staggered so that there is a majority of members in office at all times.

Absentee voting is scheduled to begin March 16 and end at midnight April 1. Absentee ballots may be obtained at the school superintendent's office, Travis said.

Purpose of the meeting was to acquaint South Plains towns and cities with a plan to promote tourism in their areas and to entice the tourists to spend more time with them.

Griffith and Kessler outlined the plan to the board which decided to watch it in operation for a period of time before making any commitment.

The matter of forming a welcoming committee for newcomers was again discussed and was referred back to committee for further investigation and a progress report at the next meeting.

The threat to area meat packing houses by the more stringent inspection laws recently passed by the Congress was discussed. Kessler reported that packers in the Muleshoe area had estimated that it would require a minimum of \$50-60,000 in new installations and equipment to enable each of them to comply with the new regulations.

Investigation in the local area, according to Kessler, has convinced him that the stricter laws represent a threat to the existence of local packing activities. The board took the matter under advisement for possible action at a later date.

Kessler reported that recent negotiations with medical authorities in Lubbock have reached a point where the possibility of locating a full-time dentist in Morton is considered much brighter. No definite commitment has been received, but he expressed optimism that the town will have a dentist soon.

Board members present at the meeting included Marshall Leitzell, Kate Hargrove, Ray Griffith, Orville Tilger, and Bud Fountain.

### ★ Water plan moves

Word was received Tuesday that the \$10 billion Texas Water Plan passed its first test in the Texas Legislature with flying colors. It won House approval by the overwhelming vote of 131-15.

House members took a little over an hour to approve and send to the Senate a proposed constitutional amendment needed to implement the plan.

Rep. Bill Clayton of Springlake, whose district includes Morton, is sponsor of the bill.

# Dr. Green speaks to Museum Assn. on 'What is a Museum'

The Cochran County Museum Association members heard Dr. Francis Earl Green, director of the Texas Tech museum, speak on "What is a Museum" at its annual meeting last Thursday.

The yearly meeting of the Association was held Thursday, February 27, in the banquet room of the County Activities Building.

The welcome was given by Museum President Walter L. Taylor. Taylor then

## NOTICE —

**PUBLIC NOTICE**  
OF THE REQUIREMENT FOR RECORDATION AND LIMITATION OF CERTAIN CLAIMS OF WATER RIGHTS.

Notice is here given as required by Section 4 of the Water Rights Adjudication Act of 1967 (Article 7542a, Vernon's Civil Statutes) that all claims of riparian water rights, all claims under Article 7500a, Revised Civil Statutes of Texas, 1925, to impound, divert or use public waters for other than domestic and livestock purposes for which no permit has been issued, all claims of water rights under the Irrigation Acts of 1889 and 1895 which were not filed with the State Board of Water Engineers in accordance with the Irrigation Act of 1913, as amended, and all other claims of water rights other than claims under permits and certified filings, must be recorded with the Texas Water Rights Commission. Section 4 does not apply to use of water for domestic and livestock purposes as the same is defined by Commission Rules.

On or before September 1, 1969, every person claiming any water right to which Section 4 applies shall file with the Commission a sworn statement setting forth the nature of the claim of water right. Claims to which the Section applies shall be recognized only if valid under existing law and only to the extent of actual application of water to beneficial use without waste during any calendar year from 1963 to 1967, inclusive. However, in any case where any claimant of a riparian right has prior to August 28, 1967, commenced or completed the construction of works designed to apply a greater quantity of water to beneficial use, such right shall be recognized to the extent of the maximum amount of water actually applied to beneficial use without waste during any calendar year from 1963 to 1970, inclusive; provided an additional sworn statement is filed on or before July 1, 1971. Failure to file the sworn statement or statements in substantial compliance with Section 4 shall extinguish and bar any claim of water right to which the Section applies.

Instructions and forms for recording claims may be obtained without cost from the Texas Water Rights Commission, P. O. Box 12396, Capitol Station, Austin, Texas 78711.

introduced Elvis Fleming, local Historian and Chairman of the Cochran County Historical Survey Committee. Fleming was in charge of the program and served as Master of Ceremonies.

The Colors were posted by a Color Guard from local Boy Scout Troop No. 601. Following the Pledge of Allegiance to the American flag, the girls sextet from Morton High School Choir sang the state song, "Texas Our Texas." David Murrah, local high school english teacher, gave the invocation. The girls sextet then entertained the group with three patriotic selections, "This Is My Country," "God Bless America," and "Let There Be Peace."

Fleming then introduced Dr. Green, who delivered the main address on what makes up a museum.

The three necessities for a museum are, 1. the staff, either paid or volunteer, who is familiar with the exhibits and with the records. He pointed out that even in as large a museum as the one at Tech, volunteers saved the museum time and money by conducting the guided tours.

2. The building should be one of historical interest if possible, with good maintenance, good security, and room for exhibits to be displayed attractively.

3. The exhibits can either be a gift, a loan, or a purchase. Strict policies and good records should be maintained on the gifts and loans. Exhibits should, of course, be of area historical interest. Dr. Green emphasized that the functions of a museum are to collect, to preserve, and to disseminate its possessions.

Fleming announced that the Cochran County Museum is now listed in the official Museum Directory for the state of Texas. He also pointed out some items which have been added to the museum since its opening one year ago. To mention a few, the windmill tower on the museum grounds donated by Slaughter Farms and moved in from the Slaughter Ranch. The watering trough by the windmill was used by early day cowboys on the northeast corner of the courthouse square. The trough was donated by Fred and Noel Crow and brought in by Bedwell Implement Co. from the Crow farm where it had been since its removal from the courthouse square.

Another addition is an old wind-up record player originally owned by Alvin O'Pry. Pictures of all the sheriffs of Cochran County have been framed and placed in the museum.

In a business meeting following the program, Taylor expressed on behalf of the Museum Association appreciation to the LeFleur Garden Club for the beautiful landscaping of the museum grounds. Also to all others whose help has made the first year of the association so successful.

New officers were elected to serve until February of 1970. They are: Murray L. Crone, president; Mrs. Willard Henry, vice-president; Mrs. Neal Rose, secretary; Mrs. Hume Russell, treasurer; and Mrs. H. B. Barker, reporter.

Upon adjournment of the meeting, the group toured the museum. Dr. Green was highly complimentary toward the facilities. Refreshments were served to 50 members and guests.

# NEWS from WHITEFACE

By Mrs. J. W. Word

Mrs. W. L. Cagle was honored on her birthday at the G. D. Lewis home March 2. Relatives and friends from Lubbock, Levelland, Whiteface, and Morton joined her celebration.

Jim Peters, daughter of Mr. and Mrs. Nell Peters, entered the Levelland Hospital Friday with the flu. She returned home Monday evening feeling better.

Three Way Doolap is in a Levelland hospital with the flu. She entered Saturday.

Mr. and Mrs. Bill Stapp and children from Amarillo visited in the home of Stapp's grandmother, Mrs. Hazel Russell over the weekend. Also Fred Russell from El Reno, Oklahoma visited the Russell home.

Charles Booz, departing High School principal, was honored with a coffee by Whiteface School employees where he was given an athletic blanket and an athletic case on Friday, February 28.

The Home and Family Living Class, whom Booz taught Sex Education, gave a Scrapbook of Thank You letters.

Mrs. Junior French is in Dallas with daughter, Lee, her husband Lonnie and their new baby daughter.

Mitchell Valentine, son of Mr. and Mrs. Valentine, has been in the South Texas Hospital in Levelland since the case on Friday, February 28.

Mrs. Opal Adams and daughter, Mrs. Parsous, of Three Way spent the weekend in Snyder fishing.

Mrs. Willie Peters is back in Hooker, Oklahoma helping out while Joyce is sick. She had recently come home after helping out when her granddaughter had surgery.

Chris Hearn, son of Mr. and Mrs. Odell Hearn, left Sunday, February 23 for Chicago, Illinois. There he will have nine weeks or more of basic training for the Naval Reserve. He will return home in approximately 10 months and then begin his two years active duty.

Darrell Kitchens and Jerry Howard, sons of Mr. and Mrs. Alton Kitchens of Whiteface and Mr. and Mrs. C. H. Howard formerly of Whiteface, left for Amarillo last Tuesday evening where they will take their physicals for the army.

The junior class of Whiteface High held their Talent Show Tuesday night.

Area people in the Morton Hospital are: Mrs. Eloise Reynolds, Mrs. Carol Baldrige, Mrs. Jessie Sims, and Charles Sanders.

Visiting in Morton and Whiteface over the weekend and the first of the week were Mr. and Mrs. J. W. Pond of Dublin. The ponds visited with his sister in Morton and attended church Sunday at the Baptist Church.

Danny Wall, son of Mr. and Mrs. Lloyd Wall, flew home Friday, February 21, from Chanute, Illinois, where he has been stationed in the Air Force. He will leave on March 12 for San Antonio

# Cochran County Legionnaires mark 50th birthday in March

During the month of March, The American Legion here in Cochran county and throughout the Nation and even in many cities beyond our borders will climax its 50th Anniversary observance.

It was March 15-17, 1919, that the Legion was founded in Paris, France, during a meeting of representatives of the various outfits which made up the World War I American Expeditionary Force.

A citizen-veteran organization conceived in duty to its fellow man, The American Legion has been a responsible contributor to American thought and deed during the years of our Nation's emergence as a world power.

American Legion history of the past 50 years is filled with achievements in behalf of mankind through active, continuous campaigns to preserve the lofty concepts of Justice, Freedom, and Democracy.

During its year-long Golden Anniversary observance the American Legion is avoiding a somewhat "let-the-record-speak-for-itself" attitude. Instead, this gigantic

fraternity of service is tuned to its Golden Year theme of "Forging The Future."

The first 50 years of American Legion existence have been years of ever-increasing waves of both the Nation and the world. Change is still the order of the day.

Today's greatest challenge is whether man shall manage change or change manage man. It is to this challenge that The American Legion addresses itself during its Golden Year as it charts its course of service to a changing community, state, and Nation.

With a 2.6-million membership drawn from the veteran ranks of four wars — World Wars I and II, Korea, and Vietnam

The American Legion is dedicated to "Forging The Future" of a strong vigorous, compassionate America of the next half-century.

Through its Golden Anniversary observance, The American Legion is declaring its confidence in the future of America, seeking wider avenues of involvement in meeting the challenge of change.

# Emlea Smith Jr. Study Club meets in Keith Price home

The Emlea Smith Jr. Study Club met in the home of Mrs. Keith Price with Mrs. Price and Mrs. Sherrill Griffith serving as hostesses.

Mrs. Doug Reed introduced Charles Booz and he introduced three students at Whiteface High School who had accompanied him. They presented the program which was entitled, "Sex Education in the Public Schools." Mr. Booz taught a class in sex education in the Whiteface schools for juniors and seniors. He stated that the records and materials used in the class were shown to school board members, ministers and parents before the class started and they all felt that the program was a worthwhile one. Also included in the class were studies on family finances and how to raise an emotionally healthy child. Members of the study club were encouraged to ask questions concerning the class and these were answered by Booz or the students.

Mrs. Theibert Asbill presided at the business meeting in the absence of the president. The nominating committee presented a slate of officers and they were elected as read. Officers for the coming year will be: President, Mrs. Rodney Fralin; 1st Vice-President, Mrs. Sherrill Griffith; 2nd Vice-President, Mrs. Jimmy Harris; Recording Secretary, Mrs. Don Lynskey; Corresponding Secretary, Mrs. Glenn Price; Treasurer, Mrs. Ronald Coleman; Parliamentarian, Mrs. Roy McClung; Historian, Mrs. Mike Doss; and Auditor, Mrs. Tom Davey.

Members also voted to donate a used stereo for use by the special education classes and to give \$20.00 to be used by the special education teachers to purchase records.

Refreshments were served to the following members and guests: Mesdames Theibert Asbill, Ronald Coleman, Tom Davey,

Bill Foust, Rodney Fralin, Sherrill Griffith, Richard Houston, Loy Kern, Don Lynskey, Bob Polvado, Earl Polvado, J. W. Tyson, James Walker, Gary Willingham, Glen Price, Doug Reed, Jimmy Harris, Mike Doss, Mike Holland, Jim Pat Clauch, Kieth Price, Ray O'Brien and Mr. Don Lynskey, member of the Morton School Board.

### Service centers now tax return recipients

Federal income tax returns should no longer be filed with the Internal Revenue Service District office at Dallas, but with the Southwest Service Center, 2651 S. Interregional Highway, Austin, Texas 78740, beginning January 1.

This applies both to tax returns with remittances and those with refunds due.

The IRS Southwest Region, which includes Texas, is the latest to require direct filing of all income tax returns with IRS regional service centers, under a law enacted November 2, 1966, Mr. Ellis Campbell Jr., District Director of Internal Revenue, said today.

Direct filing of returns will eliminate initial handling at the district office, where they are packaged and shipped to the service center for processing.

**The glamour department . . .**

SEVEN GOOD REASONS why the stock show was such a big success are the FFA and 4-H royalty pictured above, who were on hand throughout the three-day event to present ribbons and other awards to the winners of the various categories of the show. Left to right they are Pam Lay-

ton, Bula FFA Sweetheart; Kathy Witner, Three Way FFA Sweetheart; Diane McCasland, Morton FFA Sweetheart; Maralyn Lewis, Three Way Plowgirl; Nan Ray, Cochran County 4-H Princess; Kay Burris, Whiteface FFA Sweetheart, and Vikki Cunningham, Whiteface FFA Plowgirl.

THE FOUR LAMBS ABOVE were winners of the championships in their divisions in the judging Friday and drew top prices in the auction sale that followed the show. Left to right are the lamb, exhibitor, buyer and price include Hampshire medium wool, shown by John Fincannon, purchased by Production Credit Association for \$1.70 a pound; Cross

Breed, owned by Ricky Lemons and shown by Ronnie Reeder, purchased by Morton Spraying and Fertilizer for \$1.50 per pound; Fine wool, exhibited by Joe Coker, purchased by Morton Gin Company for \$2.20 a pound, and South-down, shown by Ricky Lemons and purchased by G. and C. Gin for \$2 per pound.

**and champion barrow . . .**

KATHY MASON, 11-year-old daughter of Mr. and Mrs. Wendel Mason of Redsoe, proudly displays the Hampshire barrow that brought her the grand champion of the swine division. This is the first year that the sixth grader has entered stock show competition and she has been a big winner, also taking the reserve championship in the steer division. With Kathy, left to right, are County Agent Roy McClung, Vic Jackson, Star Route Co-Op Gin, who purchased the champion for 90c a pound, and her proud parents.

**It takes an expert . . .**

BOBBY LEMONS, Mitchell county agent from Colorado City, had his work cut out for him in determining the best among the record 29 steers entered in the stock show competition this year. Here he goes to extreme pains to make sure that he misses nothing in his decision.

**Reserve champion barrow . . .**

RALP MASON of the Cochran County 4-H Club tends his Reserve Grand Champion heavy Duroc as Hank Mathews, auctioneer from Levelland, tries to get price higher. Radph's hog was purchased by Leonard Coleman, county commissioner from Precinct One, for the price of 55c per pound.

**Shows off prize beef . . .**

KATHY MASON shows off her Reserve Grand Champion Duroc as she placed high in another division of the stock show. She had earlier won the grand championship of the

swine division with a Hampshire barrow. Kathy's steer was purchased by the Muleshoe Livestock and Auction Co. for 36c per pound.

## The Farmer's Wife

By Libby Mudgett

THERE'S TIMES when I think that Eric Hoffer is what he claims to be — a 67 year old retired longshoreman, writer, philosopher, teacher and self-taught historian.

Then he goes and steps on my toes and I decide he's just a 67 year old retired longshoreman that's too garrulous and he oughta shut up.

BUT ABOUT the time I'm ready to write to the President and get that garrulous old man off of the Commission on Violence, he'll again say something that pleases me and I decide once more that he is a philosopher, teacher, great writer and self-educated historian.

Oh well. Make your own decision. Here's a handful of quotes from his latest dissertation, called "The Savage Heart" (He likes to think of himself as having a "Savage Heart," but is unable to explain exactly what he means by that.)

"FAME MEANS to be known by people who you don't know, and therefore means nothing."

"Who wants to be remembered for the books he wrote four hundred years earlier? Dead is dead."

"I am not an intellectual. An intellectual goes around always feeling guilty and I don't want to feel guilty."

"THOSE WHO expect too much from people WANT to be disappointed. You don't expect too much from those you really love."

"An intellectual thinks he's better than the ordinary people. America is a lucky, lucky country — McCarthy wasn't elected and is on his way to being a forgotten man. A genuine American knows how to lose, and Humphrey really showed McCarthy up on that."

"I LOVE JOHNSON. He'll go down in history as the greatest President. America is lucky to have so many Trumans and Johnsons."

"We are NOT a naturally violent people. Everybody is going around saying we have to live with violence. I say the — we have!"

"Poverty does NOT breed violence. Remember the Depression? There was no violence then. To say that we need to right every wrong, eliminate slums and poverty and get rid of violence is pure sociological —."

"BOREDOM COMES from not being interested in other people."

"If I were Governor Reagan, I'd give that — State College to those youngsters and just see what would happen next."

"We are being intimidated by the negro masses. The negro does not expect enough of himself. They want to be treated MORE equal than equal."

"Of all the negro leaders, Roy Wilkins is the only one in the whole — group worth anything. He has an aesthetic face."

"ELDRIDGE CLEAVER! He appeared before the Barrister Club, a very refined, cultured group, with his bushy hair and wild animal teeth neck-

lace, to give a talk. Such foul language, such threats, such insolence! But you know what happened afterwards? The barristers clapped politely! So I say that they showed as much cowardice as he did insolence. And that's how Hitler rose to power. Insolence on one side, polite cowardice on the other."

"SOCIOLOGISTS make me sick. They set themselves up to tell us how to organize society, feel guilty, confess, and want US to beat OUR breasts and do the integrating."

"The Negro needs pride of achievement. Why don't they take a note from Israel and build their own city?"

"Disorder is going to destroy this country."

"THE TROUBLE with that intellectual Schlessinger is he's had to live with Schlessinger all his life. To say we are a sick society is heresy."

"I am not against nature. I'm just more for cities. All noble ideas were born in the cities."

I could write Hoffer a fifty page letter refuting that last statement, but he'd already said he never read his mail.

## Morton piano students to play in Brownfield

The 1969 Church Music Festival will be held today (Thursday) in the First Baptist Church in Brownfield. The Hymn Playing Program is sponsored by the Texas Baptist Association but is open to all students of piano wishing to enter.

Entering in Division I of the Festival will be Gail Lasseter, Vicki Proctor, Patti Groves, Judy Steed, and Kathy Mason. In this division one hymn is played by memory and one for audience singing.

Division II, the preparing of ten hymns, one to be chosen for singing, one for memorizing, and the performance of one as an offertory selection, will be entered by Debbie Williams, Melody Crone, Ann Winder, Ralph Mason, Arlene Crow, and Carolyn Gray.

Entires in Division III are required to have the entire Baptist Hymnal prepared for audience singing, the memorizing of an offertory and one hymn. Entrants in this division are Jeana Thomas, Janice Hall, Lanita Combs, Karen Rozell, Sue Winder, Peggy Thomas, and Glorietta Gray.

The pianists are graded on all points of musicianship and performance. Students in Division III who place in superior level will be eligible for the State Hymn Playing Festival to be held at a later date.

## Patricia Grusendorf Bula Homemaker of Tomorrow

Patricia Grusendorf has been named 1969 Betty Crocker Homemaker of Tomorrow for Bula Schools on the basis of her score in a written knowledge and attitude test on homemaking given Bula senior girls recently.

Patricia has recently earned her FHA State Degree and is serving this year as the President of the Future Homemakers in Bula.

Patricia's achievement has made her eligible for state and national scholarships. She also has been awarded a specially designed silver charm from General Mills, sponsor of the Betty Crocker Search for the American Homemaker of Tomorrow.

A state Homemaker of Tomorrow and runner-up will be selected from the winners of the schools in the state. The state winner will receive a \$1,500 college scholarship, and her school will be awarded a complete set of the Encyclopaedia Britannica by Encyclopaedia Britannica, Inc. The runner-up will earn a \$500 educational grant.

The Betty Crocker Homemaker of Tomorrow from this state, together with those from all other states and the District of Columbia, each accompanied by a school advisor, will join in an expense paid educational tour of Washington, D.C., and Colonial Williamsburg, Va., next spring.

The national winner of the 1969 All-

Patricia Grusendorf

American Homemaker of Tomorrow will be announced at an American Table dinner in Williamsburg. The choice will be on the basis of her original test score plus personal observation and interviews during the tour, and her scholarship will be increased to \$5,000. Second, third, and fourth ranking Homemakers of Tomorrow in the nation will have their original scholarship grants increased to \$4,000, \$3,000 and \$2,000, respectively.

This is the 15th year of the Betty Crocker Search, initiated in 1954-55 by General Mills to emphasize the importance of homemaking as a career. More than six million senior girls have participated in the Search program since its inception, and 1,460 winners will have earned scholarships totaling \$1,591,500 at the conclusion of the current program.

The 630,564 girls from 15,116 schools registering for the 1969 Betty Crocker Search established a new record for the program.

From the Office of BUDD FOUNTAIN

What is farm safety? Its stopping accidents before they happen. Every year in our country accidents cause a great loss of life and an enormous amount of pain and suffering. The loss of man hours due to injuries cost the nation about 4 to 5 million dollars every year. Each year there is about 3,000 people killed while doing farm work. This is almost the total population of Morton.

Accidents aren't something that's happening to someone else, you could have an accident if you are not careful. Farming is the third most dangerous type of work in this country. If you, Mr. Farmer are aware of the dangers that go hand in hand with farming and how to follow safe practices you are one step ahead of the game.

Lets look at a few hazards that are faced everyday by farmers and his employees.

1. Transportation to and from work can be the most dangerous if a person is careless. Always when transporting people in a pickup make sure everyone riding in the back are sitting down and persons riding in the cab have their seat belts fastened, this can also apply to any auto. The driver should obey all traffic rules.

2. Carelessness with farm machinery may cause a serious accident. More accidents happen because a farmer or employee tries to adjust or fix a piece of machinery while it is running.

3. Farm chemicals should be kept in a safe place, out of the reach of children. Things to remember when using chemicals are: don't let the chemicals come in contact with the skin, avoid fumes and read the directions.

Farm safety is everyone's job on the farm. With a little common sense and less carelessness we can cut down on accidents happening on the farm.

### Whiteface man winner in cotton yield contest

Ochran and Hockley County Farmer George Martin of Whiteface has been named fifth place winner in a 1968 nemato-control contest on the basis of cotton increases obtained practicing soil fumigation.

Martin achieved a yield increase of 197 pounds an acre on a farm near Pettit in Hockley County and this won him a fifth place \$50 merchandise award in the contest, sponsored by The Dow Chemical Company.

First place winner was Dawson County Farmer Roy E. Bearden of Lamesa who documented a yield increase of 772 pounds per acre. He won a trip for two to Jamaica.

Martin, who farms 1400 acres — including 385 acres of irrigated cotton — tried fumigation as an experiment on 35 acres on a 170-acre farm near Pettit.

To see how it would work out, he said he fumigated six rows then left six rows untreated. At harvest, he compared yield of six rows or 3.5 acres of treated land against that produced on the adjacent six rows or 3.5 acres not treated.

The treated rows produced at the rate of 177 pounds of lint an acre, he said, and the untreated land produced only 180 pounds of lint. At a selling price of 17 cents a pound, he figured the increase was worth \$32 to \$33 more an acre.

Gloryland Quartet . . .

HERE ARE THE members of the Gloryland Quartet who will be performing Saturday, March 8. The quartet will present a concert sponsored by the Morton Lions Club. They are, left to right seated: O. A. Kinnison, Randy Brooks, and Nila Kinnison. Back row left to right: Ellen Kinnison, and Carol Karnes.

### Gloryland Quartet to do benefit for Lions

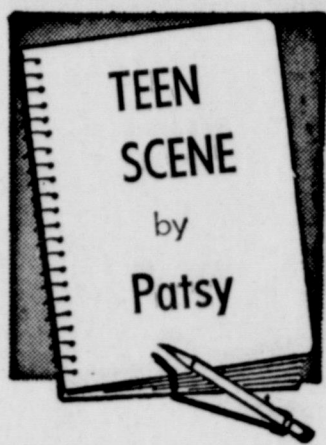

The Gloryland Quartet will give a special concert on Saturday, March 8, at 8 p.m. The benefit concert will be sponsored by the Morton Lions Club.

If advance tickets are purchased the price of admission will be \$8.00 for adults and \$3.50 for students. Price for tickets at the door will be \$10.00 for adults and \$5.00 for students. Pre-school children will be admitted free.

The members of the quartet include Ellen Kinnison, Carol Karnes, Nila Kinnison, O. A. Kinnison, and pianist Randy Brooks.

The three teenage members of the quartet have prepared several trio numbers especially appealing to the teenagers.

See any member of the Lions Club to purchase tickets early.

Hi! Sorry to disappoint you, but my mom didn't write my column this week. So you'll just have to be satisfied with me.

The high school girls' volleyball team has been chosen, and has been working out every afternoon. The girls have already played three games against other schools. A couple of weeks ago, they went to the Denver City tournament, but were beaten in both their games played with Plains and Wink. Last week the team journeyed to Pep and both the A and the B teams won. The scores in the A-team games were 15 to 11 and 15 to 13, and the scores in the B-team games were 15 to 1 and 15 to 3.

The girls will play their first home game next Tuesday, March 11, against Littlefield. Then the next Tuesday, they will go to Littlefield for a game.

The volleyball team is working toward the district tournament which is coming up soon at Denver City. Let's support these girls, what'd you say?

A very unusual thing happened Monday at MHS. The seniors and juniors were loaded on buses and taken to Lubbock to spend the day. The main purpose for the trip was to give the kids an opportunity to see the movie based on William Shakespeare's "Romeo and Juliet."

The whole of the Continental Cinema was rented to the MHS kids for Monday morning. The film was directed by Franco Zeffirelli of Italy. He cast as Romeo 17-year-old Leonard Whiting, and Juliet was 15-year-old Olivia Hussey. Personally, I think it's the best show I've ever seen.

Somehow, seeing it brought about a deeper appreciation for Shakespeare and his works. I guess it was the saddest show I've ever seen; most of the girls couldn't help blubbering their way through the last of it.

After the show, the group was taken to the First National Bank in Lubbock and taken on a tour of the building. The art work in the building is just beautiful, and it is worth (by our estimations) at least a million dollars.

Each office is decorated in the style of a different country, each having actual art work or antiques (such as shields, swords, globes, etc.) from that country. The building is really fabulous, and I'd suggest that you stop by and go through it the next time you're in Lubbock.

Then everyone was taken to the Furr's Cafeteria in the Town and Country shopping center to eat lunch. After lunch, the buses started toward home and rolled into town at about 3:45.

Since this is Public Schools Week, open house was held Tuesday night at the Morton schools. A science fair was featured in the high school girls' gym, which meant that all science students had to have their projects turned in by Monday. I guess I should be a little ashamed of myself because I didn't quite finish mine, but I think I bit off more than I could chew. However, all one poster of it plus a funny-looking black box, which was supposed to be a spectroscope, was right there on display with all the other completed projects. I felt like a heel!

exception a refund will be required of any amount of payment erroneously made to a landlord which was earned by a tenant or sharecropper. In such case the correct payment will be made directly to the proper party even though the erroneous payment may have been credited to the proper payees account.

All of this does not mean a landowner cannot replace an unsatisfactory tenant or that a tenant cannot voluntarily leave a farm without being replaced by another tenant. It does mean that a satisfactory explanation must be made and the county committee must be satisfied that the landlord-tenant provisions have not been violated before the intentions to participate will be accepted.

## ASCS Farm News

By John W. Hall

Producers participating in farm programs may choose from a wide range of options that will permit them to realize maximum program benefits.

Under the cotton program, participating growers may plant up to 100 percent of their effective upland cotton allotments and receive price-support payment on acreage planted within the domestic allotment, which is 65 percent of the total farm allotment. Farmers with an effective cotton allotment of 10 acres or less, or with a projected production of 3600 pounds or less, are also eligible for a special small farm payment whether or not they actually plant cotton.

Producers with a feed grain base may exercise their option and sign up to divert a minimum of 20 percent of their base to qualify for program benefits. They also

may divert additional acres for payment. The price support payment will be earned on acreages of feed grain up to 50 percent of the base.

Those who take part in the wheat program, after diverting to conserving use an acreage equal to 15 percent of the farm allotment, may produce wheat on all their wheat allotment acres. Farmers who wish to produce less than their full allotment may sign up to earn diversion payments on the additional diverted acres. Domestic marketing certificates will then be earned on the acreage devoted to wheat up to 43 percent of the allotment.

Producers participating in both the wheat and feed grain programs also have the option of substituting wheat for feed grain or feed grain for wheat in any combination within the total permitted acreage. Diversion payments will be based on the program crops underplanted.

Producers who participate in the cotton, feed grain, or wheat programs will be eligible for a price support loan on their entire production of the respective crops.

#### LANDLORD-TENANT PROVISIONS

As all of you who participate in the diversion programs know, the landlord-tenant provisions of these programs are very important. Also, as you know, the regulations concerning the landlord-tenant relationship have teeth in them. The proper application of these rules to protect tenants and sharecroppers is one of the most difficult responsibilities of all County Committees. In spite of the efforts made, an occasional case arises where it is eventually determined that payments were not correctly divided between tenants/sharecroppers and landlords/operators. The seriousness of a matter such as this is usually compounded by the number of years the violation has been occurring.

Beginning with the current sign-up, additional efforts are being made to prevent cases such as these from arising in the future. Effective with the 1969 programs, the following provisions will apply.

1. No payment (including advance payment) will be made for any farm until all producers who are entitled to share in a crop or proceeds therefrom are shown on the program document with the applicable shares shown and signatures obtained.

2. No payment (including advance payment) will be made for a farm where the price support share and diversion shares are not the same, unless a proper explanation is made to and approved by the County Committee.

3. The number of tenants and the shares received by those tenants in 1968 will be compared with the 1969 enrollment documents on all farms. No payment will be made when there are fewer tenants or the tenant's share is reduced until a proper explanation is made and approved by the county committee.

4. Procedures also provide that without

## Kathy Decker selected Pep Homemaker of Tomorrow

Kathy Decker

Kathy Decker has been named 1969 Betty Crocker Homemaker of Tomorrow for Pep High School on the basis of her score in a written knowledge and attitude test on homemaking given senior girls in Pep December 3.

Miss Decker is very active in her school activities and is also very active in the Future Homemakers of America. She has obtained her State degree in FHA and served as president of the organization last year.

Kathy's achievement has made her eligible for state and national scholarships. She also has been awarded a specially designed silver charm from General Mills, sponsor of the Betty Crocker Search for the American Homemaker of Tomorrow.

A state Homemaker of Tomorrow and runner-up will be selected from the winners of the schools in the state. The state winner will receive a \$1,500 college scholarship, and her school will be awarded a complete set of the Encyclopaedia Britannica by Encyclopaedia Britannica, Inc. The runner-up will earn a \$500 educational grant.

The Betty Crocker Homemaker of Tomorrow from this state, together with those from all other states and the District of Columbia, each accompanied by a school advisor, will join in an expense paid educational tour of Washington, D.C., and Colonial Williamsburg, Va., next spring.

The national winner the 1969 All-American Homemaker of Tomorrow — will be announced at an American Table dinner in Williamsburg. The choice will be on the basis of her original test score plus personal observation and interviews during the tour, and her scholarship will be increased to \$5,000. Second, third, and

fourth ranking Homemakers of Tomorrow in the nation will have their original scholarship grants increased to \$4,000, \$3,000 and \$2,000, respectively.

This is the 15th year of the Betty Crocker Search, initiated in 1954-55 by General Mills to emphasize the importance of homemaking as a career. More than six million senior girls have participated in the Search program since its inception, and 1,460 winners will have earned scholarships totaling \$1,591,500 at the conclusion of the current program.

The 630,564 girls from 15,116 schools registering for the 1969 Betty Crocker Search established a new record for the program.

## News from Threeway

by MRS. H. G. GARVIN

Mrs. Butch Tucker has been visiting her in-laws, Mr. and Mrs. D. Tucker, this weekend.

Mrs. J. P. Powell, Mrs. Sally Robinson, Mrs. Mattie Tucker, and Mrs. Margaret Boran went to visit Mr. Jones in the Levelland Rest Home one day this week.

Mr. Jones is doing much better than he was last week.

Mr. and Mrs. Pollard and son were out visiting their folks, the Pollards who live in Pep and the Mastens at Maple.

Monday night, February 24, the Three Way Lions Club held their monthly meeting. The District Governor of the Lions, Don Taylor, was the guest. The Governor made a talk on Lionism. The club also had the election of this year's Sweetheart. The contestants were Joyce Boyce, Marilyn Lewis, Janna Sue Lane, LaJuana Quick, Rhonda Dupler, and Cynthia Long.

Miss Long was chosen as the new Three Way Lions Sweetheart and will represent the club at the District Convention 2T2 which will be held at Levelland this year in May.

Miss Long was crowned by Lion Taylor, Rev. H. J. Norwood and his wife, Margaret, were also guests. Rev. Norwood interviewed the contestants.

E. Wall was in the Morton Hospital with some broken ribs and pneumonia. He is home now and is doing well.

Waylan Garvin has been discharged from the Houston Hospital on Tuesday February 25, he is doing fine. Garvin and his wife Katie will start for home some time next week.

Dovie and Mary Jo Miller spent Friday and Saturday with Vanessa and Christine Powell. The Miller girls went to Muleshoe with Marge Powell and her three girls shopping.

The G. Duplers, B. Duplers from Maple, the Carl Duplers and Clifford Duplers from Morton, and Mr. and Mrs. Leonard Gilmore from Shallowater had Sunday

dinner with Mrs. Minnie Dupler.

Three Way seniors put on a Talent Show Saturday night. Wendell Williams served as the M.C. There were three men from KRAN serving as the judges. Jimmie Waters from Morton won 1st prize, Janna Sue Lane won 2nd prize and Cheryl Abbe and Kandy Sowder won 3rd prize. The prizes were trophies which were given out by Chester Huff.

Chester Huff is the new bus driver from the Stegall route.

Mrs. A. Miller and Mrs. J. L. Partlow went to Muleshoe Saturday evening to do some shopping.

Mr. and Mrs. Gib Dupler and family plan a trip this weekend to visit Mr. and Mrs. S. Aldridge.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

America in its early days depended on the "GOOD BOOK" for its guide in ethics, worship, and pursuit of freedom. These early gains are now in danger of falling and we need to turn all America once again to God and His word. America can be strong only when each individual looks to God for strength.
