Morton, Texas, Thursday, August 28, 1969

WHERE TWO WERE INJURED...

THIS BADLY SMASHED 1956 Chevrolet carried two to serious injury in a one-car accident just north of Highway 116 at Star Route late Saturday afternoon. Willie Howard Priest, 48, the driver, and Juan Fuentes, 36, a passenger were both thrown clear of the vehicle which was said by observers to have flipped completely over and landed back on its wheels in a cotton patch after it left a county road out of control. Both men were listed in fair condition Wednesday. Priest at Big Spring Veterans Hospital and Fuentes at Methodist Hospital in Lubbock. Here T. M. Tanner, who operates the cotton farm, points out a feature of the wreck to Bill Thomas.

South Plains cotton menaced by bollworms, officials report

Bollworms are presently becoming a menace on the South Plains and recent rains will probably add to the danger, according to information received from the Texas A&M Agricultural Extension Service.

Regular attention to avoid economic damage from this insect. However, he cautions against spraying if not needed as an application of insecticide will kill the beneficial insects and probably necessitate continuation of spraying at 5 to 7 day intervals.

Bollworm adults or moths tend to be more active in lush growth and after the recent rains cotton will be in better condition and more vulnerable to attack. Also, damage may be greater in the younger June planted cotton.

According to past research, one bollworm can destroy 8 squares and about 2 bolls, says Clymer. This can be quite an expensive pest when heavy populations are present. Research has shown 2,000 — 2,500 worms per acre are of economic importance. This is about 1.5 to 2 bollworms per 10 feet of row.

Producers are urged to check their fields closely by carefully examining plants in several areas across the field. If an average of 2 bollworms per foot of row is found, control should be considered. Clymer points out, however, that worms over 1/2" in length are most difficult to control.

Your local county agricultural agent has available insect control guides which give the latest information on when to spray and what chemicals to use. If you are in doubt on control measures do not hesitate to contact your local agent.

Scores hole-in-one

Tom McAlester became the envy of all golfers Monday as he stroked in his second career hole-in-one at the Morton Country Club. Playing with "Babe" Vandlingham, Cecil Barker, Jim Middleton, and Richard Houston, McAlester scored his shot on the 130-yard par three second hole using a six iron.

Two seriously injured in rural crash Saturday

Two Morton men remain in fair condition at hospitals at Big Spring and Lubbock following a one-car accident Saturday afternoon.

They were Willie Howard Priest, 48, and Juan Fuentes, 36. The accident occurred north of the Star Route grocery west of Morton on highway 116. Priest was driving north on a county road and lost control of his car after crossing the state highway at a high rate of speed. According to state patrolman T. A. Rowland, the car flipped once and was destroyed.

Priest was admitted to Cochran Memorial Hospital with back injuries, but was transferred to Veteran's Hospital at Big Spring Tuesday. Fuentes was carried to Methodist Hospital in Lubbock with broken shoulder and possible back injuries and was reported in fair condition by hospital officials Wednesday.

Priest, the driver of the 1956 sedan, was issued a ticket for driving without operator's license and driving at an excessive speed.

Both men were thrown clear of the automobile and were approximately 200 feet from the vehicle when it came to rest on its wheels in a cotton field, observers of the crash said.

BETSY CROWDER DAYTON DIES IN COLORADO

Valiant girl loses long struggle

Shower was brought into the lives of a great number of people with the sudden death of Mrs. Delmar Dayton, 22, of Morton, whose apparent cure from cancer made headline news and brought new hope to hundreds of others similarly stricken throughout the nation. Mrs. Dayton, the mother of Betsy Crowder prior to her marriage to Dayton here August 18, died in Denver, Colorado hospital last Wednesday on her honeymoon trip.

The couple had been mountain climbing and were on their way to a friend's house when Betsy complained of a headache and shortly afterwards lost consciousness. She was taken to a Denver hospital where she died shortly after her parents arrived from Morton by plane. She never regained consciousness.

Doctors who performed an autopsy announced early this week that death was the result of a massive cerebral hemorrhage, giving no further details.

Mrs. Dayton was returned to Morton last week and a burial service was conducted at 9 a.m. Sunday in Morton Memorial Cemetery under direction of the English Funeral home with Rev. Rex Mauldin, pastor of the First United Methodist Church, officiating. A memorial service was held at 3 p.m. at the church with Rev. Mauldin and former pastor the Rev. Kenneth Wyatt officiating.

Rev. Wyatt, who had been closely associated with Betsy during her long struggle with cancer, had returned to Morton from Rome at Tulsa to perform the marriage ceremony for the Daytons and again returned less than one week later to help

conduct the memorial service. Born Elizabeth Ann Crowder and called "Betsy" by her friends, she lived a happy, normal life for many years until the first sign of future trouble showed itself while

she was in Morton Junior High School. Her right arm was affected by what doctors diagnosed as a constricted muscle caused by a calcified clot. In 1964, at the age of 17, a biopsy was made at Lubbock and doctors diagnosed malignant cancer of a rapidly growing type.

Traveling to the Mayo Clinic at Rochester, Minn., she received the same diagnosis and was told that she must lose her arm and part of the shoulder. She received the same diagnosis from Th. M. D. Anderson Hospital in Houston and returned to the Mayo Clinic in July 1964 for surgery.

In September Betsy resumed her normal school activities, including her twirling in the high school band. During pre-school practice sessions the twirlers had practiced left-hand routines so that Betsy could resume her normal place among them. This drew a standing ovation as the band marched onto the field at the first football game of the season.

Her initial surgery was followed by continuous checkups and in 1966, while a student at South Plains College in Levelland, X-rays showed both lungs affected and she returned to Mayo's in November for lung surgery. Doctors there informed her that they had no treatment for a cancer patient who had both lungs affected. They advised her to go home, resume her normal activities, including school, and live one day at a time.

Thus started the lung cancer battle that was to gain her national recognition and make her an example that has brought hope to a great many others with similar

Over two thousand area students are either in school or are in the process of starting another academic year as area public schools and colleges open their doors for another nine-month term.

Following a new semester schedule, Whiteface Public Schools, South Plains College, Lubbock Christian College, and Texas Technological College began school activities this week. Bula Schools begin Monday and Morton, Three Way and Bledsoe schools open their doors Tuesday. The two colleges and Whiteface schools will finish their first semester work prior to the Christmas holidays while the other area schools will still have two weeks remaining in the semester at that time.

Cochran County students will again help swell South Plains College enrollment at Levelland. Last year students from Morton constituted the third largest group at South Plains, preceded only by students from Levelland and Lubbock. At least 30 of Morton's 1969 senior class of 55 will attend the Levelland junior college. Other area students are expected to be enrolled in colleges in New Mexico, Colorado, and Oklahoma.

Registration at what is soon to be Texas Tech University began yesterday and will continue through Friday. Classes will begin next Tuesday. South Plains began classes Wednesday. Tech is expecting nearly 20,000 students while South Plains enrollment may top 1500.

Public school enrollment in the five area districts may top 1900. Ranging from Morton's expected 1050 to Bula's 80, area schools are anticipating only slight changes in enrollment figures. Whiteface officials expect an enrollment near 370, Three Way is expecting 260, and Bledsoe, 125.

Teachers will be working this year for the last time on a nine-month contract. State lawmakers provided pay raises this summer with the stipulation that teachers be required to work on a ten month basis beginning next year.

Twenty-four new teachers have taken positions in the area schools. Morton has nine, Whiteface, seven, Bula, four, and Three Way and Bledsoe each have two new teachers.

Morton students will begin their school day 15 minutes earlier this year. Classes will begin at 8:30 and will extend to 3:30 p.m. Buses will run approximately 15 minutes earlier in the mornings this year.

Four area schools continued football workouts this week. Morton, Bula, Whiteface, and Three Way footballers ran through contact drills in preparation for pre-season scrimmages Friday and the opening of the regular season on September 12. All area schools open the season with away games. Coaches were beginning to be plagued with minor injuries and last minute vacations during workouts this week.

Bledsoe students will be looking forward to the start of the 1969-70 basketball season later in the year.

BACK TO THE OLD ALMA MATER...

CAN SUMMER REALLY BE OVER so fast, seems to be the thoughts of these Morton High School students as they line up to register for another year. As many as 1,050 students are expected to enroll in the Morton public schools this fall which will be a substantial increase over that of the past few years. In accordance with a state requirement,

the schools will begin 15 minutes earlier than in previous years with classes taking up at 8:30 each morning. Shown handing in their registration forms from the head of the line, all Juniors, are Regina Butler, Janice Hall, Cindy Gunnels, Betty Sihon, Bobby Ruthardt and John Fincannon. Seniors processing them are Peggy Thomas, left and Diane McCasland, right.

Morton schools open doors Sept. 2

Morton Public Schools open Tuesday at 8:30 a.m. with a school day that begins 15 minutes earlier this year. In order to comply with state requirements of a full seven-hour day, administration officials set the school day to begin at 8:30 a.m. and close at 3:30 p.m.

For high school students, the time extension will provide a ten minute home room period from 8:35 to 8:45. A student's home room period will correspond with his first period class.

Twenty-seven transfers from surrounding school districts have swelled Morton's anticipated enrollment figures. Superintendent Bob E. Travis, beginning his second year in that position, is expecting an enrollment of 1000 to 1050 students. This represents a slight increase over last year's figures, but significantly marks a departure from three successive years of decreasing enrollment prior to last year.

A change in school policy contributed to

the increase in student transfers. The district's board of trustees voted this summer to drop tuition charges. As a result, students will be transferring from six different districts. There will be 12 from Whiteface, nine from Bledsoe, two each from Bula and Pep, and one each from Levelland and Three Way.

According to high school principal Fred Weaver, there will be an increase in enrollment in the four upper grades bolstered by an unusually large freshmen class of 83. Pre-registration figures reveal that the high school will have 68 sophomores, 68 juniors, and 55 seniors.

Morton Schools will have nine new teachers. In addition four teachers who taught a portion of last year have been added to the faculty.

New personnel includes Sherry Fred, third grade; Jeff Townsend, junior high English; Marilyn Doss, junior high English, Tommy Thomson athletics; Bill White, athletics and science; Dennis Howell, physics and chemistry; Jeanette Young, home economics; Bruce Ayres, junior high and high school choir; and Lester Dupler, athletics and math.

Morton's school calendar includes a See MORTON SCHOOLS, Page 3a

Last two contracts approved, faculty complete, Travis says

The faculty of Morton schools for the 1969-70 school year is now complete, according to Superintendent Bob Travis. Travis made the statement after the Morton board of education approved contracts for two more new teachers last week.

Returning to the system to teach 7th-grade math is Wanda J. Sanders, who taught third grade during the spring semester last school year. Mrs. Sanders, a 1947 graduate of Lorenzo High School, received her bachelor's degree from Tex-

as Tech at mid-term last January. She earlier attended South Plains College in Levelland.

Mrs. Sanders and her husband, R. J. Sanders, a welder, presently reside in Whiteface. They plan to move into the Morton school district as soon as possible. Mr. and Mrs. Sanders have five children ranging in age from 11 through 19.

Bruce D. Ayres, 27, has been employed to teach choral music. Ayres is a 1960 graduate of Gruver High School. He attended Hardin-Simmons University for three years before becoming associated with his father in the cattle business. He returned to college in 1967 and received his degree from Hardin-Simmons in 1968. Since that time he has been the minister of music at the First Baptist Church in Gruver.

During his college career, Ayres was vice-president of his sophomore and junior classes and president of his senior class. He was chosen as class favorite for three of his four years in college, and he was named in the "Who's Who in American Colleges and Universities."

Ayres is well-known as an entertainer throughout the Panhandle, and some of the songs he has written have been published and recorded.

Mrs. Ayres is the former Martha Blair of Farwell. Their son, Barris, is four See CONTRACTS, Page 3a

Adult blind training slated for Morton man

Skinner Butler, long-time Morton businessman, will reap the benefits this fall of a program to aid the blind supported by the Morton Lions Club and the other Lions Clubs throughout the state.

Butler will participate from September 1 through December 1 in the activities of the Adjustment Training Center for the Adult Blind located at the Lions League Camp at Kerrville. The Texas State Department of Health utilizes the Lions camp facilities in providing training for the blind during the fall and winter months.

Mr. Butler will receive training in several areas in order that he may be able to adjust to blindness. He will take courses in personal care, communicative skills, Braille, and typing. Mobility training is also given in methods and techniques of cane travel to encourage the trainee to achieve a high degree of independent mobility. Butler will also receive special skills training.

The Training Center works with the State Commission for the Blind and is staffed entirely by professional personnel.

Mr. and Mrs. Butler left Morton Monday. He will be housed in a dormitory at the Center.

★ C'mon Boosters

Morton Indian football fans will have an opportunity to preview and visit with the 1969 Tribe football team this Friday as the Athletic Boosters are sponsoring an ice cream supper following the 6 p.m. scrimmage game with Muleshoe. The "get acquainted" fete will be held in the Morton school cafeteria about 8 p.m., or immediately following the scrimmage. There will be no charge for the scrimmage or the ice cream.

Let's all get out there and show those Indians we are behind them!!

Bledsoe expects 125 students to begin classes September 2

The 1969-70 school year for Bledsoe Public Schools begins Tuesday, September 2, at 8:45 with a full day of work for both teachers and students. However, the teachers will have a one-day head start as they will gather on Monday for in-service training program.

Highlights for the upcoming school year will be the annual Halloween Carnival on October 31 and Homecoming on November 15.

Bledsoe students will be dismissed Friday, December 19 for Christmas and will return December 29 for classes. January will be observed as a school holiday. The students will have a full week at Easter from March 28 through April 5. Graduation for Bledsoe High is scheduled for May 29.

School officials anticipate an enrollment of 125 students, approximately the same as last year. Of this number, 30 students will be in high school.

teach math and physics. He taught for five years in Missouri. Mrs. Christine Ferguson, a recent graduate of Texas Tech, will teach seventh and eighth grades. She is originally from Des Moines, Iowa.

Archie A. Chandler returns as high school principal, math and social studies teacher, and girls' basketball will be Alvin L. Scott. He will also teach science.

Other school personnel includes Mrs. Flora Bryant, first grade; Mrs. Myrtle Howard, second grade; Miss Clara Florence, third grade; Mrs. Lois Selman, fourth and fifth grades; Herbert Row, sixth grade; Mrs. Mayme King, junior high home economics and English, and Mrs. Wayne Davis, teacher's aide.

Bledsoe cooks will be Mrs. Aline Hale and Mrs. Alta Lindsay. Lupe Sepulveda is school custodian.

Grain Sorghum Board nominations now open

Nominations to the Grain Sorghum Producers Board are being accepted by the Grain Sorghum Producers Association, according to Elbert Harp, executive director of the GSPA.

The 12-member board will be elected in the October grain sorghum referendum and will have the responsibility of administering the funds collected to promote grain sorghum sales and to initiate and conduct research vital to grain sorghum production.

Harp stated that any grain sorghum farmer in the referendum area may have his name on the ballot by submitting his nomination signed by himself and ten other farmers. The nomination should be to the GSPA offices at 1212 14th Street in Lubbock by September 4.

The members of the board, who will receive no pay for their services, will be elected on the same ballot which the grain farmers will use to decide whether or not they want to expand their market development and research program.

If the referendum is approved and the commodity board, five cents per ton will be collected at the point of first-sale of grain sorghum with a 29-county South Plains-Panhandle area. Farmers not wishing to participate in the voluntary program may have their money refunded upon request.

FOUR GENERATIONS TOGETHER . . .

CAUGHT IN A HAPPY MOOD in the Tom Davey home Saturday were four generations of his family, two of whom were here on short visits. Making up the happy group are in front, left, Mrs. Emerson Witters, Tom's mother, Mrs. Rosa Lee Groepper, his grandmother and in his arms, his daughter Dana. Tom, who is employed in the DOA Soil Conservation Office here and is a local scout master, said there was no special occasion for the get-together except just to visit.

Look who's new

Sp/4 Danney E. Cade and wife, Donna are the proud parents of a boy, born August 23rd at 1:26 a.m. in Okinawa. The new baby was named Brian Christopher and weighed 7 pounds and 6 ounces.

Sp/4 Cade is stationed in Okinawa with the United States Army.

The paternal grandparents are Mr. and Mrs. A. E. Cade of Route 1, Morton.

The maternal grandparents are Mr. and Mrs. L. L. McMaster of Star Route 2, Morton.

Christmas vacation extending from December 23 to January 5. Morton students will also receive a full week vacation at Easter.

Serving under principal Harold Drennan, elementary personnel includes first grade teachers Mrs. Iva Williams, Mrs. Mabel Ann Sanders (transfer from high school), Mrs. Carol McClung, Mrs. Mary A. Asbill, and Mrs. LaVelle Hawkins. Second grade teachers are Mrs. Dorothy Rose, Mrs. Rowena Amerson, Mrs. Juanita Shaw and Mrs. Linda Dupler.

Third grade teachers include Mrs. Etta Doty, Mrs. Letha Mauldin (transfer from high school), Mrs. Jackie Hargrove and Mrs. Sherry Fred. Fourth grade teachers are Mrs. Faye Choate, Mr. John Coffman and Mrs. Phyllis Reed. Teaching fifth grade are Mrs. Winnie Holloway, Mrs. Katie Ross, Mrs. Cassie Benham and Mrs. Lena Graves. Mrs. Ina Gray will be elementary music teacher and Mrs. Evelyn Seagler will teach art.

Special education teachers are Mrs. Lena Stroud and Mrs. Nita Terry. Elementary remedial teachers are Mrs. Mildred Ward and Vanice Lovett. Mrs. LeVae Freeland teaches junior high and high school remedial reading classes.

Rejoining principal Jim Middleton on the junior high staff are Mrs. Malone Love, Mrs. Naomi Thompson, Mr. Oren Graves, Mrs. Beth Whillock and Mr. Richard Houston. In addition Mrs. Wanda Sanders, who taught for four months last year in Morton, will teach in junior high. Also Middleton's staff includes new teachers Jeff Townsend, Marilyn Doss, Tommy Thomson and Bill White.

High school principal Weaver's staff includes Mrs. Elizabeth Leavitt and Mrs. Inez Knox, math; Ted Whillock, government and athletics; John Stockdale, band; Mrs. Cherylone Inglis, commercial arts; David Murrah, history and speech; Mrs. Margaret Maston and Mrs. Peggy Silhan, English; Doug Reed, biology and athletics; Lester Dupler, athletics and math; Dennis Howell, chemistry and physics; Bruce Ayres, choir; and Mrs. Lynne Kuehler, physical education. Mrs. Kuehler previously taught first grade at Morton.

Vocational teachers are Mrs. Helen Crone and Mrs. Jeanette Young, home economics, Owen Young, agriculture and Tom Rowden, auto mechanics.

Miss Lenora Jackson is the school librarian and teaches Spanish. Robert Taylor returns as school counselor.

Farmer cooperatives now have an annual business volume of more than \$17 billion.

Contracts . . .

from page one

aged. The Ayres family will reside at 86 W. Harding in Morton.

Another teacher new to the Morton school who was hired earlier in the summer is Jeanette Young, high school home-ec teacher. Mrs. Young's husband, Tom, has been teaching vocational agriculture in Morton High School for the past eight years.

Mrs. Young is a 1955 graduate of Lockwood High School. She received her bachelor's degree in foods-and-nutrition from Texas Tech in 1959, and she was awarded a master's in home economics education from Tech in 1962.

Mrs. Young has been teaching home-ec at Bula and Pep, half-time at Morton school, for the past six years. She is president of the Bailey County Teachers Association in 1968-69. Mrs. Young is a member of the Delta Kappa Gamma society of professional women educators. The Youngs have two children: Deborah, 7, and Scott, 7. They live at 511 W. Harding in Morton.

Mabel Ann Sanders, who taught home-ec at Morton High School for many years, will move to elementary school in the coming year and will teach first grade.

ASCS Farm News

By John W. Hall

Every eligible voter is urged to participate in the Agricultural Stabilization and Conservation (ASCS) community and county committee elections Cochran ASC Committee Chairman Danny Key, said

this week. "ASC community committee elections will be held the third week in September, and slates of nominees now are being compiled at the ASCS County Office.

Struggle . . .

from page one

cases. She returned to school and was named homecoming queen in February, 1967. Her college life, however, was interrupted by frequent trips to M. D. Anderson Hospital in Houston for treatment.

Hope grew stronger when a Houston thoracic surgeon began experimental chemical treatment, and before long both lungs were apparently cleared up—a medical "first" at the time.

She returned to school, and was graduated from East Texas State University in January of this year with a B.S. degree in elementary education. She was named to "Who's Who in American Colleges and Universities."

As it became apparent that her cure was complete, she received inquiries and letters from all parts of the nation from people with renewed hope brought about by her success. She was still receiving such messages when tragedy struck last week.

Soon after her graduation she traveled to Japan to visit relatives who are stationed there in the Air Force. There is where she met Delmar Thomas Dayton III, stationed at Tachikawa Air Force Base near Tokyo. Soon after Betsy's return to Morton, Dayton followed on leave and they were married. They were to make their home in Tachikawa following their honeymoon trip to Colorado.

The untimely death of this courageous girl has deeply affected all who knew and admired her and who had watched her valiant battle against seemingly unsurmountable odds. Friends describe her as always cheerful and with very little thought to the burden she had to bear. She is described as a profound inspiration to everyone whose life she touched and a source of hope to those who knew no hope before.

"The ASC committee system is the vital connecting link between the individual farmer and Washington in the administration of farm programs such as crop acreage stabilization and commodity price supports. Farm programs are changing as national needs and concerns change.

"County ASC Committees may well be called upon for local administration of new farm programs before many months have passed. We need the best possible representation of farm interests in our area. We need community and county committee members who will give time and effort to providing fair, effective, and knowledgeable administration of the programs," Mr. Key continued.

Nominations for community committee candidates may be made by petition by eligible voters and by incumbent ASC community and county committees. Boundaries of each community will be publicized, as will more detailed information on eligibility of voters and candidates, nominations and elections. The County ASC Committee is elected by newly elected community committeemen who serve as delegates to the county convention, said Chairman Key.

The ASCS Office will begin taking requests on August 25, for the following practices: D-1-Establishing cover for winter protection from erosion; C-12 Reor-ter protection from erosion; C-12-Reorganizing farm irrigation systems; C-4-Constructing terraces.

Good moisture last spring resulted in much vegetative growth on most Texas rangelands but a hot and dry summer have combined for optimum fire conditions. Bobby J. Ragsdale, Extension range specialist, urges everyone to do their part in preventing fires until conditions improve.

Three Way news

by MRS. H. W. GARVIN
(From Week of August 21)

Mr. and Mrs. Johnnie Wheeler spent part of the week in San Antonio attending the Rural Electric Meeting.

Mrs. Jack Furgeson flew to California Thursday to visit her daughter and family, the Jimmy Greens who have a new son. The first grandchild for the Furgesons.

S/Sgt. and Mrs. Kenneth Fox and children left Wednesday for their home in Houston after a visit with her parents, the H. W. Garvins. They will be re-assigned to a new Air Base soon.

The T. D. Davis family, the Tommy Terrell family and Johnny Furgeson spent the week fishing at Lake Meredith.

Mrs. J. P. Powell from Maple and Mrs. Pete Todd of Levelland left Lubbock by plane Thursday for Waterloo, Iowa, to visit a sister, Mrs. Jim White and family whom they have not seen in six years.

The Three Way Pep squad held a garage and bake sale in Maple Saturday.

Jimmy and Roy Gillentine from Littlefield spent the week with their grandparents, the H. W. Garvins.

Mr. and Mrs. R. L. Reeves and Mr. and Mrs. Jack Reeves and children spent a few days fishing at Lake Proctor.

Mr. and Mrs. A. T. Tyson and children from Abilene spent the night Saturday with his Uncle and Aunt, the George Tysons.

Mr. and Mrs. James Courtney and son, from Ft. Worth, spent the past week visiting their daughter and family, the Frank Stegalls.

Mrs. Tommy Durham and children from Lubbock and Mr. and Mrs. D. A. Williams from Sudan spent Sunday with their parents the George Tysons.

Littlefield. The bride-elect is a graduate of Littlefield High School and is employed by the ASCS office. The prospective groom is a graduate of Bula High School and will attend South Plains College in Levelland. They will make their home at 306 S. Farwell in Littlefield.

GI education check delays can be reduced

The number of delays for GI education checks would be sharply reduced if veterans and schools will do the required paperwork on time, according to Jack Coker, manager of the VA regional office in Waco.

If the veteran was in college during the spring or summer and followed instructions by returning his Certification of Attendance at the end of the term, he has nothing more to do before his checks start arriving this fall if the college registrar promptly returns his new fall enrollment certification to the VA.

Veterans who did not return their Certification of Attendance to VA in June should do so immediately.

Normally, payment for September and October is combine in the first check mailed to veterans in November.

Whiteface school has three new personnel

Three of the professional personnel on the faculty of Whiteface schools are new to the system for the upcoming school year.

Bernice Fields, who taught math at Morton Junior High School for the past five years, is not actually new at Whiteface. She taught in the Whiteface system many years before going to Morton. Mrs. Fields will be teaching 8th-grade math.

Otis Parr, the new elementary principal

at Whiteface, certainly is not new to the Cochran County area. Parr has many years of experience as an administrator, and he retired from the superintendent's post at Bledsoe last year after serving there for 11 years.

James H. Sinclair, new high school principal, is a real newcomer to Whiteface. He was principal of Follett High School at Follett, Texas, for the past four years.

Bula-Enochs news

by MRS. J. D. BAYLESS
(From Week of August 21)

Rev. and Mrs. Charles Vanlandingham and son, David, of Rotan, N. M., spent Monday till Friday visiting with his sister, Mr. and Mrs. Lawrence Hall from California in the home of his parents, Mr. and Mrs. J. B. Vanlandingham.

Mr. and Mrs. Dean Waltrip and children, Jerry and Sheryl, and an Uncle Jack Waltrip of Levelland met Dean's father, John Waltrip and his brother Mr. and Mrs. Gene Waltrip of Parker, Ariz., at Sho Low, Arizona and camped in the White Mountains for four days. They attended the Apache Rodeo and went sight-seeing at the Indian Reservation, the museum, Juarez and Ruidoso, N. M.

Cleo Hall and children, Belva Jean and Jerry from Phoenix, Arizona arrived Saturday for a two weeks vacation with his parents, Mr. and Mrs. Carl Hall and the Bayless's.

Mrs. Jerome Cash received word Tuesday that her brother-in-law, Lenord Cox of Fort Worth, died with a heart attack at 7:30 a.m. Tuesday.

The Carl Halls had all their children home Sunday. They were: Mr. and Mrs. Laurence Hall of California, Mr. and Mrs. Cleo Hall and children of Phoenix, Arizona, Mr. and Mrs. Burris and children of Wellman, Mr. and Mrs. J. E. Layton and sons of Enochs. Other relatives visiting were Mrs. Hall's sister, Mr. and Mrs. J. T. Burns and sons, Mr. and Mrs. Ronald Burns and family and Mr. and Mrs. Donald Gene Burns and family of Lubbock. Also her brothers, Mr. and Mrs. J. F. McGennis and sons, Mr. and Mrs. Wendol McGennis and baby and Mr. and Mrs. Carol Ray McGennis of Lubbock.

Mrs. Alma Altman was a dinner guest in the home of her daughter, Mr. and Mrs. R. H. Baker at Morton.

Rev. Harold Abney of California preached at the Enochs Baptist Church Sunday morning. Visitors attending the morning church service were: Mr. and Mrs. J. F. McGennis and sons, Mr. and Mrs. Wendol McGennis and baby, Mr. and Mrs. Carol Ray McGennis, Mr. and Mrs. J. T. Burns and sons, Mr. and Mrs. Ronald Burns and family, Mr. and Mrs. Donald Gene Burns and family all of Lubbock, Mr. and Mrs. Lawrence Hall of California, Mr. and Mrs. Cleo Hall of Phoenix, Mr. and Mrs. Bill Burris and family of Wellman, Mr. and Mrs. Morris Peterson of Brownfield, Mr. and Mrs. Dennis Turbey and Mr. and Mrs. Abney of Ropesville.

Mrs. Ola Smith of Morton and daughter,

Mrs. Bessie McCallister, of Roosevelt visited in the home of her daughter, Mr. and Mrs. Ray Seagler Friday.

Mrs. Blanch Cash has been employed to take care of Mrs. J. O. Hill in Morton. She moved last week. Mrs. Cash spent Sunday with her daughter, Mr. and Mrs. Dean Waltrip and family and attended Church at the Maple Church of Christ.

Mr. and Mrs. Bradley Robinson and family will be moving to Deming, N.M. soon, they will be missed very much in the community.

Hugh Anderson of Borger spent Saturday night in the home of his sister, Mr. and Mrs. Joe Milsap. The Milsaps and Hugh attended the Giasson reunion at the Lions Club House in Lamesa Sunday.

Mr. and Mrs. J. D. Bayless were dinner guests in the home of her brother, Mr. and Mrs. Claud Coffman in Muleshoe Sunday. Other guests were a sister, Mr. and Mrs. George Henderson of Amarillo and Mr. and Mrs. W. L. Speck and daughter, Sandra of Muleshoe. Mr. and Mrs. Bayless dropped in for a short visit with Mr. and Mrs. A. C. Bell and Mr. and Mrs. Zed Robinson in Muleshoe.

Mrs. Bill Wright and sons left Lubbock by plane Friday to join her husband at Pocatello, Idaho.

Mrs. Carl Henderson was honored with a wedding shower, Friday August 15 from 3 to 5 p.m. in the fellowship hall of the Enochs Baptist Church. The serving table was laid with a white cloth over blue, centered with a blue floral arrangement. Hostess gift was a set of stainless steel cookware. Hostesses were Mesdames: W. B. Peterson, J. M. McDaniel, R. P. McCall, E. N. McCall, L. E. Nichols, Ralph Beasley, Myrna Turney, Arnold Archer, G. R. Newman and Alma Altman. Refreshments of cake and punch were served by Mrs. L. E. Nichols and Mrs. Alma Altman. Those present were: Mrs. Carl Henderson, Mrs. Jake Henderson, Mrs. Elwin Henderson of Levelland, Elizabeth Henderson, Mrs. C. H. Byars, Mrs. Ray Seagler, Mrs. Clyde Price, Mrs. L. G. Fred, Mrs. J. M. McDaniel, Mrs. L. E. Nichols, Mrs. Alma Altman, Mrs. Preston Harrison, Mrs. Bob Newton, Mrs. Olive Angel, Mrs. C. C. Snitker, Mrs. Cleo Hall and Paula Nichols. Mr. Henderson works for the county.

Mr. and Mrs. Don Hatley announce the engagement of their daughter, Scarlett, to Rodney Claunch, son of Mr. and Mrs. Robert Claunch of Bula. The couple plan to be married August 22 in the bride-elect's home at 1305 W. 12th Street in

Football prospects at Bula better than for several years

Football victories have been few and far between at Bula in recent years, but the 1969 season approaches, the prospects to change that situation appear better than ever. Seven lettermen from last year's 0-8-1 squad will head a squad of 15 as the Bulldogs open the 8-man football season with a road trip to Borden County for an 8 o'clock game on September 12.

Coach Loyd Halbrooks, beginning his second year at Bula, has also scheduled pre-season scrimmages with Loop. The first will be Friday at Bula at 7:30; the Bulldogs will travel to Loop for a scrimmage engagement on September 5.

Coach Halbrooks is relying heavily on senior halfback Tom Newton and sopho-

more quarterback Ron Risinger to provide needed leadership. Also, he is expecting good work from senior end Dwight McDaniel, junior back Mitchell Autry, junior guards Gene Stroud and Terry Sowder, and sophomore ends Larry Clawson and Wayne Wood.

Halbrooks respects the tough schedule the Bulldogs are facing, but feels they can hold their own unless serious injuries arise. Teams that he cited as being especially tough are Borden County (Gail), Wellman, Dawson, and district foes Three Way and Cotton Center.

Bula's home opener is with Wellman on September 19. The Bulldogs travel to Dawson on the 26th, host Southland October 3, and begin district play at South-

land on October 17. Witharrel comes to Bula on the 24th. After away games at Smyer and Three Way, the Bulldogs host Union on November 14th and then close out the season at home against Cotton Center.

Bula will also play a full grade school schedule, beginning September 11 at Witharrel. All grade games begin at 6 p.m.

Mr. and Mrs. Aubrey Wedgeworth and children, Linda, W. A. and Janice of Carthage spent last week visiting his aunts and their families, Mrs. W. L. Miller, Mr. and Mrs. W. E. Childs and Mr. and Mrs. T. D. Marshall.

Morton Tribune

MORTON, TEXAS, THURSDAY, AUGUST 28, 1969

New courses at SPC

Four new occupational courses will be offered in the South Plains Evening College this fall which have never been offered at the college before.

They are: Auto Mechanics, to be taught on Monday night; Diesel Engine Mechanics, Tuesday night; Diesel Fuel Injection, Wednesday night; and Machine Shop, Thursday night. All four classes will meet from 7:00 to 10:00 one night each week.

Registration will be from 7:30 to 9:00 p.m. in the Technical Arts Center.

For further information write Don Yarbrough, Director of Continuing Education.

New administrators, teachers join Whiteface schools staff

Whiteface Public Schools opened Monday with eleven additions to the administration, staff, and faculty.

Both the elementary and high school have new administrative heads. Ottis Parr, formerly superintendent at Bledsoe for eleven years, is serving as elementary principal. The new high school principal is James H. Sinclair. No stranger to the South Plains, Sinclair worked in the Roosevelt school system for five years before moving to Follett in the upper panhandle where he served as high school principal. He was at Follett for four years. Mr. Sinclair holds degrees from Eastern New Mexico University and Texas Tech.

Other new personnel in the Whiteface schools include Mrs. Bernice Fields who is returning to the system after teaching in Morton for five years. Mrs. Fields will teach 8th Grade Language Arts. Other additions are Mrs. Joan Hollar, 3rd Grade; Mrs. Janet Marcum, 5th and 6th grade; Mrs. Opal McDowell, high school; Mr. James Patton, high school; Mrs. Brenda Fietz, 1st grade; Mrs. Tressie Roberson, 1st grade; Mrs. Patsy Roberts, Remedial English; and Mr. Graham Wall, 8th grade and athletics.

The school's program will also include an expanded teacher aide program. During the past year, the school used one full time teacher and one half-time aide. This year, two full time elementary and two full time high school aides will be used to assist teachers in material preparation, library work, and general assistance. Also, a full time aide will be employed under the federal Title I program to assist with the remedial reading program.

Superintendent R. K. McCoy estimated enrollment figures at Whiteface to be about 370. High school enrollment should be near 125.

First semester exams are scheduled for December 22-23. Students will be dismissed December 23 for the Christmas holidays and will return January 5. The last day of classes will be May 20; May 21 will be a work day for teachers, and Senior Commencement will be held on

May 22.

Other members of the Whiteface faculty and staff include Mrs. Opal Adams, remedial reading; Mrs. Myra Bebe, English and Speech; Mrs. Christine Cooksey, 2nd grade; Mrs. Olive Deavours, elementary music; Mr. Max Dickerson, business and assistant coach; Mr. Wendell Dunlap, vocational agriculture; Mr. Royce Elam, girls basketball, P. E. and Drivers' Education; and Jackie Falkenberg, social studies.

Also, Mrs. Irine Galvin, fourth grade; Mr. Bradford Harris, P. E.; Mrs. Lula Hensley, 7th grade; Mrs. LaVanna Purcell, grades 5 and 6; Mr. Lee Purcell, grades 5 and 6; Mrs. Alice Rankin, 7th grade; Mr. Dale Read, athletic director and high school math; Mrs. Fredda Scholer, Home Economics; and Mr. L. S. Salsler, librarian.

Teacher aides are Mrs. Stacey Baldwin, Mrs. Gaila Taylor, Mrs. Dale Read, Mrs. Doris Smith, and Mrs. Lena Lasater.

Year-round safety inspection program effective September 1

Beginning September 1, 1969, the present 1969 motor vehicle inspection stickers will have a numeral insert corresponding to the month of issuance that will be inserted on the face of the sticker corresponding to the month of issuance. The sticker will be placed in the lower left-hand corner of the windshield.

All 1969 stickers bearing a numeral insert will expire at the end of the month a year from now, 1970. All 1969 stickers bearing no numeral insert will expire on April 15, 1970.

Beginning January 1, 1970, the inspection stickers issued will have an orange background and bear an insert numeral corresponding with the 1970 month of issuance and will expire at then end of the month one year from the month of issuance in 1971. The inspection sticker design will change in January of every year to a new base design.

The Legislature added two items to be inspected — the exhaust system and the exhaust emission system. The new inspection fee will be \$2.00.

Local piano teacher named to Hall of Fame

Norma McCarty, Morton piano teacher, was notified last week of her election to the National Guild of Piano Teachers' Hall of Fame.

Mrs. McCarty received a certificate, suitable for framing, which proclaims her election to the Hall of Fame. A letter accompanying the certificate states, in part: "... because of your valuable services and achievements through your pupils of the prescribed awards for this the Piano Guild's highest honor, you have been unanimously elected to the mythical HALL OF FAME established this year of our Lord, 1969, for the purpose of perpetually honoring the most deserving members of this organization and its related branches."

The letter goes on to state that Mrs. McCarty's name will be published each year in the Guild Yearbook.

Mrs. McCarty began her music-teaching career 25 years ago in Littlefield, where she taught music and directed the high school choir in Littlefield public schools, as well as maintaining private music studios. She later went to Lubbock where she taught private piano and organ lessons.

Mr. and Mrs. (L. S.) McCarty and their family came to Morton in 1960. Mrs. McCarty has been teaching private music lessons here since that time.

J. C. Reynolds named to key automobile post

J. C. Reynolds, Reynolds-Hamilton Ford in Morton, has been appointed to the key post of Area Director of the Texas Automobile Dealers Association.

H. C. Pittman, TADA executive vice president in Austin, said Reynolds will report to the TADA Board of Directors on all phases of activity relating to the motor vehicle buying public in the Morton area.

"Mr. Reynolds will work closely with legislative and other governmental officials on all matters pertaining to the industry and the auto buying public," commented Pittman.

"The job of area director is one of the most important in our giant statewide association," said TADA president Ben Bock, New Braunfels, "and we are confident Mr. Reynolds will serve with distinction."

TADA represents the franchised new car and truck dealers in Texas.

Cotton calico, handprinted with wooden blocks, was first made in Calicut, India.

Conservation District News

From the Office of BUDD FOUNTAIN

Insects on the High Plains usually do not cause too much concern among the area farmers but it seems as if the last couple years we have had more than our share of insect problems.

It seems to me after looking over the greenbug problem in the different parts of the county that they are definitely on the decline. I don't know whether it is because most farmers with the greenbugs have sprayed and have done a good job controlling them or the hot weather and beneficial insects have taken their toll but nevertheless, the greenbugs are now on the decline.

We have had several calls this past week concerning worms in cotton fields. After checking, we do have a few fields

that are building up small populations of cabbage loopers and bollworms.

The cabbage loopers are usually a smooth light green in color with a small but noticeable narrow white line along each side of the body. The loopers' eggs are laid singly on the upper surface of the plants.

The bollworm is what many people call the corn earworm and is a little harder to kill and usually is more destructive to cotton than the loopers.

The bollworm egg is scarcely as large as the head of a pin and ranges in color from white to light brown. The eggs are laid singly and scattered over the plant. The bollworm or larvae, vary in color, sometimes light green, pink or brownish to black with alternating light and dark stripes. The developmental stage from egg to adult is about 35 days.

Farmers should inspect their fields frequently now and we recommend treatment on the bollworms when eggs and four to five young worms are found per 100 terminals or 5 percent of the squares and small bolls have been injured by small bollworms. In many cases it may be necessary for more than one insecticide application for control. After treatment check the fields closely. Where control has not been obtained, repeat the application immediately. We recommend applying the insecticides at 5 day intervals or less.

When bollworms are small and are confining their feeding to the small squares, infestations above the 5 percent level can probably be tolerated without too much damage but when they begin feeding on larger squares, blooms and/or bolls, treatment will probably be required for a 5 percent infestation.

Once a field is treated with an insecticide that will control bollworms the beneficial insects will be practically eliminated.

For those people interested, a list of the recommended chemicals for control of cotton insects can be obtained at the County Agents office free for the asking.

Rehabilitation program under new commission

Texas services to handicapped persons other than the blind will be consolidated under a single Commission for Rehabilitation beginning September 1, 1969.

This new commission, authorized under Senate Bill 210 passed by the 61st Legislature during its regular session in March, will include the vocational rehabilitation and disability determination divisions now a part of the Texas Education Agency.

The Commission for Rehabilitation will be directed by a six-member governing board to be appointed by Governor Preston Smith. This board will appoint a commissioner.

Dr. David Wade, director of comprehensive health planning for Governor Smith, will represent the Governor's office during the new commission's organization period.

Mr. and Mrs. Lewis Hodge and family and Mr. and Mrs. Donnie Baker and family are vacationing this week in the mountains.

Corrine Gage

Charles Gray

Three Way enrollment rises, classes will begin Sept. 2

Some 260 students are expected to register at Three Way on Tuesday as the 1969-70 school year begins. The buses will run at the regular time and a full school day will be held from 8:30 a.m. to 3:40 p.m. Enrollment is expected to be up some from last year's figures. About 60 are expected to enroll in Three Way High School.

Only three personnel changes, the smallest turnover in the area, has been made in the school system. Replacing Tom Alvis as superintendent is Dan F. Rankin, Sr., formerly high school principal at Goldburg, near Bowie. Rankin is entering his 21st year in public school work. He holds degrees from Louisiana College and North Texas State University.

The Rankins have five children ranging in age from ten to twenty. A daughter is enrolled in Howard Payne College and a son is serving in the Marines and is currently stationed in Da Nang, South Viet Nam.

Rankin lacked only one teacher in having a complete staff as of Monday of this week. He is currently seeking a social studies-English teacher.

Other new staff members include Corrine Gage, a recent graduate of North-eastern State College of Tahlequah, Oklahoma. She will teach English and be librarian. Three Way's new football coach is Charles Gray who served previously as coach and athletic director of Flower Bluff High School of Corpus Christi. Coach Gray will also teach social studies.

Other faculty members are Joel Parsons, high school principal and math; Darrell Corkery, elementary principal and business; May Williams, first grade; Fannie Walker, second grade; Lorena Carter, third grade; Marie Hicks, fourth grade; Susie Bickley, fifth grade; Donna Robertson, sixth grade; Delorse Greathouse, remedial reading; Ed Blankenship, vocational agriculture; and Rosemary Corkery, Home Economics. Joe Henson will serve as junior high coach and science teacher.

Friday August 29th will be a teacher work day, Christmas vacation will consist of a full two-week period from December 19th to January 5th.

Three Way rebuilding, to miss '68 standouts Pruitt and Abbe

Three Way's new head coach Bud Gray is faced with the job of rebuilding the Eagles, and being minus the services of last year's winning combination of Bruce Pruitt and Charlie Abbe, he could have a tough job. However, 15 returning lettermen from last year could make his task much easier. Although the Eagles are short on seniors, they will be in contention to fight district favorite Cotton Center for the 1-B Eight Man conference crown.

Seniors Mike Roberts and Mike Lynskey are expected to provide the Eagles with a good running-blocking threat. Roberts is a 163-pound fullback while Lynskey is a tackle that tips the scales at 180.

Junior quarterback Johnny Ferguson will be working hard to fill the shoes of Bruce Pruitt, and classmates Joe Partlow, Geneo Abbe, Alan Davis, and Larry Trevathan are sure to lend good support.

Sophomores may be the key to Three Way's attack this year. Halfback Allen Joyce gives the Eagles needed speed. Seven other second year men give Three Way fans something to look forward to during the next two seasons. Center Jerry Roberts, ends Paul Nino and Jeff Lynskey, guard Mike Duarte, halfback George Duarte, and tackle Steve Huff are other sophomore lettermen.

The Eagles have five freshmen up from junior high and big James Partlow may work into a starting berth as a freshman.

Coach Gray, a Phillips High School and West Texas State graduate, returns to the Panhandle area after an absence of eleven years. Gray has been head coach at

Flower Bluff High School in Corpus Christi. Joe Henson is working as assistant coach as well as junior high coach.

"Cotton Center is the team to beat," remarked Gray, but he also indicated respect for non-conference foes Dawson and Garden City. The Eagles open the season at Dawson on September 12.

Three Way's first home game will be on the 19th against Borden County, and then they travel to Garden City. On October 3, Wellman travels to Three Way. After an October 10 contest at Union.

Three Way opens conference play at home against Cotton Center, take an open date on the 24th, and then close out the season with trips to Smyer and arch rival Witharral.

Indians will scrimmage Muleshoe here Friday

The Morton Indians football team will get their first test Friday as they host Muleshoe in a controlled scrimmage game. Beginning at 6 p.m. the game will be followed by an ice cream supper for squad members and fans in the high school cafeteria.

Coach Ted Whillock and his staff sent the Tribe through tough contact workouts this week as they continue to prepare for the season opener with Plains on September 12.

Coach Whillock reported a few minor injuries among backs, but none serious enough to sideline anyone. The Indians are expected to be at full strength for Friday's scrimmage.

Next week the Indians will revert to daily workouts at 2:30 p.m. with the beginning of school on Tuesday. On Friday, September 5, Morton will play host to Seagraves in another scrimmage contest.

Salvador Morales, Jr. in Vietnam with Navy

Equipment Operator Third Class Salvador A. Morales Jr., USN, of 219 N. E. Seventh St., Morton, is serving in Vietnam with Naval Mobile Construction Battalion (MCB) 133.

The battalion's base camp is at Camp Wilkinson six miles southwest of Hue, ancient imperial city of Vietnam.

On its third Vietnam tour since being recommissioned in 1966, the Seabee battalion will engage in hundreds of construction projects to support U. S. and Allied combat operations throughout the five northernmost provinces of the republic.

MCB 133 was originally commissioned in 1943 and achieved fame in World War II operations such as the invasion of Iwo Jima.

The battalion is homebased at Gulfport, Miss.

About local folks . . .

Mrs. Robert Hightower and Carrie Lynn of Slaton and Mrs. James Hooper of Lubbock were guests in the home of Mrs. Thelma Turney Tuesday.

Mr. and Mrs. T. N. Mabe of Mexia and Mrs. Irene Drewry of Odessa were visitors in the home of the N. C. Sheltons and Mrs. Ethel Stracner over the weekend.

Dr. and Mrs. E. J. Wheeler of Houston are visiting in the home of her parents, Mr. and Mrs. J. W. Leavitt this week. Dr. Wheeler is on the faculty of Baylor University Medical School.

Jeffrey Latimer of Austin is visiting with his grandparents, Mr. and Mrs. LeRoy Johnson. Also visiting with the Johnsons were their son and family, Mr. and Mrs. Roy B. Johnson, Karen and Lori. Roy is an attorney in Dallas.

Mr. and Mrs. Leon Kessler and family have returned from a visit with his parents, Mr. and Mrs. H. L. Keeser of Savannah, Georgia.

Mrs. Roy Hill and Mrs. Weldon Newson left Tuesday for a W.M.U. House Party in Waco. Mrs. Hill and Mrs. Newson are officers in the Plains Association of W.M.U.

Mrs. T. W. Roberts returned to Morton last Saturday and is in the Robert's Memorial Nursing Home. Mrs. Roberts has been in Ray's Hospitality Home in Lubbock, prior to that she spent about a month in Lubbock Methodist Hospital.

Mrs. H. B. Spotts is attending a Library Workshop at Texas Tech in Lubbock this week.

Mr. and Mrs. Billy Weems, Don, Kent and Christi left Monday for their new home in Ralls where Mr. Weems will assume his duty as manager of Production Credit.

Mrs. James St. Clair and Mr. and Mrs. John St. Clair left Sunday for a family reunion at Haskell of her father and relatives. From Haskell they went to Dallas to attend the Christmas Market and on to Denton for more investigations regarding North Texas University where John and Janette will attend school this fall.

Mr. and Mrs. Joe Gipson attended the Gipson reunion at State Park in Brownwood three days of last week. Some thirty or more were in attendance, among them Joe's mother who is soon to celebrate her 89th birthday.

Recently Mr. and Mrs. E. L. Polvado flew to Washington, D. C. to attend the funeral and burial of his nephew, Joe Allen McNew of Bakersville, Calif. Mr. McNew died of an apparent heart attack while serving in the Marine Corp. He was buried in Arlington Cemetery.

Overnight guests with the Joe Gipson's were her nephew and wife, Mr. and Mrs. W. C. Rasco of Monahan.

Out of town guests in the Albert Grusendorf home were Mr. and Mrs. Emil Knuth, Mr. and Mrs. Lee Knuth and son Jeff of Reedsburg and Jonesville, Wisconsin, respectively. The Knuths are relatives of Mrs. Grusendorf. Mr. and Mrs. Allen Grusendorf of Tempe, Arizona and Albert's parents, Mr. and Mrs. O. H. Grusendorf. We have it on good authority, the people from Wisconsin were much impressed with our town and the Morton Tribune for which we are grateful. Many thanks to these fine people.

Mrs. Thelma Turney and children and granddaughter, Carrie Lynn Hightower of Slaton spent last week in Lawton, Oklahoma with her daughter, Mr. and Mrs. Gary West. They spent Friday in Dallas visiting relatives and Six Flags over Texas.

Mr. and Mrs. Marian Mathews, form-

erly of Morton, and now living in Pasadena were visiting friends and relatives in Morton Sunday.

Mrs. James St. Clair, Mr. and Mrs. Mike Holland, and Sherri, Mr. and Mrs. Mayland Abbe and Mr. and Mrs. John St. Clair spent last week visiting in Platoria, Colo.

Mr. and Mrs. Joe Gipson had as their house guests last week, Mrs. Gipson, neice and family, Mr. and Mrs. John Autry, Lou Ann Jackson and John Gunter. While here they attended the East-West 6-8 man football game which was played in Levelland. Two boys from Gunter and formerly students of Morton Autry were players on the East Texas team.

Mr. and Mrs. J. R. Romera of Colorado Springs, Colo. have been visiting their daughter and family, Mr. and Mrs. George Trejo. While here, they also visited in Lubbock and Clovis.

Visiting in the home of Mr. and Mrs. Amos Taylor and Kenneth last week were Mrs. Jack DeGraw, Jerry and daughter Dori Anna of Lafayette, La., Mr. and Mrs. Roger Bachelor of DeKalb, Texas, and Mrs. M. F. Merrill of Petersburg and Mr. and Mrs. Jerry Taylor and Gloria of Lubbock.

The Little Folk's School will begin its 23rd session Tuesday morning.

Patients admitted to Cochran County Memorial Hospital from August 21 through August 27 were: Maurine Flueitt, H. Hawkins, W. B. Mitchell, Mrs. Katherine Lewallen, Ladislado Orozco, D. A. Ramsey, Herman U. Christian, Mike Ageneo Abbe, Mrs. J. G. Wilson, Mrs. E. G. Jones, Mrs. Ann Hammonds and Mrs. Frances Enriquez all of Morton; Wanda Browning of Cudahy, California; Leslie Don Courtney and Mrs. Ellen Courtney of Cross Roads, N. M. and W. Priest of Rockport.

Mrs. Weems honored by YM Study Club

The YM Study Club honored Mrs. Billy Weems with a going-away coffee Wednesday at 10 a.m. in the home of Mrs. Clark.

Mrs. Weems was presented with a engraved disk bearing the name of the Club. Coffee, cakes and rolls were served to the hostess to the following members: Mesdames Robbie Key, Herman Bevell, Fred Weaver, Leonard Groves, Don Redmon, Weldon Wynn and the honoree.

The Farmer's Wife

By Libby Mudgett

WELL, HERE IT IS the middle of August, the planted-over cotton's not a-bloomin' yet, the soybeans aren't worth the water they're usin', it's forgotten how to water, the heat's already ruined everyone's gardens and tempers, the feed's a-rustin' so dry, what few hoehands are around here holdin' farmers up in broad open daylight, and nobody could give a flip out on the South Plains about Nixon's ABM program.

At least that's the majority of opinion according to the latest Grassie Roots Poll, which asked thusly,

"Are you in favor of Nixon's proposed ABM program?"

FIRST FARMER:
"I'm for it if we don't have to spend money to get it."
"But that's impossible. Haven't you read about it?"
"Nope. But it'll cost me anyway, I don't want it."
"If the farm next to yours were chosen as an ABM site, how would you feel about it then?"
"All for it. Try to sell 'em this burned-up spread of mine, too."

SECOND FARMER:
"I haven't really had time to think much about it."
"If the farm next to yours were chosen as an ABM site, how would you feel about it then?"
"It wouldn't make much difference. I wouldn't think much about it."

THIRD FARMER:
"I haven't paid much attention to the whole thing. Aw, I knew there was lots of discussion about it, but I got too much to do right now."
"If the farm next to yours were chosen as an ABM site, how would you feel about it then?"
"Well, I might start findin' the time

to listen to a little of that discussion. Yessiree, sure might. Say, do you know somethin' I don't or are you just askin'?"

FOURTH FARMER:
"I think it stinks."
"What parts exactly are you so strongly against?"
"It stinks from top to bottom and is strictly to keep the economy going. The whole military-industrial complex is involved just to keep the economy goin' — they think."
"If the farm next to yours were chosen as an ABM site, how would you feel about it then?"
"It would still stink."

FIFTH FARMER:
"Nixon's what?"
"His proposed Anti-Ballistic Missile program."
"That on top of that Welfare Program, too?"
"He proposed the ABM Program before he proposed the Welfare Program."
"Musta been while I had the flu. I tell you, if you so much as take time out to be sick, somebody slips somethin' past ya. Not to mention the weeds growin' two feet."
"If the farm next to yours were chosen as an ABM site, how would you feel about it then?"
"—, lady, I don't feel anyway about it now! I don't even have the slightest notion what you're a-talkin' 'bout!"

BARBER:
"I don't know. I just really haven't given it too much thought."
"If the land next to your home were chosen as an ABM site, how would you feel about it then?"
"I don't want one of those things next to my house! No, ma'am!"

FARMWIFE:

News from Bula-Enochs area

by MRS. J. D. BAYLESS

Visiting in the home of Mr. and Mrs. Joe Milsap Tuesday till Thursday, was their grandchildren, Loueta Jo, Carol Sue and Ellie Black of Muleshoe.

Guests in the home of Mr. and Mrs. J. W. Layton Sr. are Mr. and Mrs. J. W. Layton, Jr. from Washington.

Mr. and Mrs. Duane Clem moved to Wolfforth Monday, he has been employed as ginner at Enco Co-Op Gin the past 6 years. We wish them happiness in their new job.

Bula school will begin classes Monday September 1.

Mr. and Mrs. Dennis Newton of A&M were weekend guests in the home of their parents, Mr. and Mrs. Bob Newton and Mr. and Mrs. Donald Grusendorf. They attended services at the Enochs Baptist Church Sunday morning.

Mrs. Olive Angel is employed at St. Clair Department Store in Morton.

The good rain was appreciated by everyone, there was as much as two inches in the community Sunday afternoon.

Mrs. J. W. Layton, Mrs. Preston Harrison, Mrs. Bennie Hall and Mrs. Harold Layton will be in Waco Tuesday till Friday to attend the W.M.U. House party.

Mr. and Mrs. Billy West of Littlefield are the parents of a baby girl, Tammie Jo, who was born Monday August 18 in the Littlefield Hospital. Tammie weighed 6 pounds and 11 ounces. Mrs. West is the daughter of Mr. and Mrs. Edd Autry. Mrs. West is still a patient in the hospital and her Mother is taking care of Tammie Jo.

Mr. and Mrs. J. W. Layton Sr. and Mr. and Mrs. J. W. Layton, Jr., attended the Layton Reunion at Brownwood Lake August 15 through 18. There were 45 relatives present.

Mr. and Mrs. J. D. Bayless enjoyed having all their children and grandchildren home during the weekend. The Cleo Halls of Phoenix, Arizona, the Leland Tinleys of Odessa and Mr. and Mrs. Joe Dale Doak and daughter, Stefanie of Garland.

Those spending their vacation at Red River recently were Rev. and Mrs. Preston Harrison and son. The Harold Layton family, the Bennie Hall family, the Junior Austin family and the Dale Nichols family.

Mr. and Mrs. Joe Milsap spent Thursday night with her brother, Hugh Anderson at Berger. They went to Palo Duro Canyon Thursday night to see the show "Texas."

Guests in the home of Mr. and Mrs. Edd Autry Sunday were their grand-

daughter and family, Mr. and Mrs. Cliff Pyburn of Clovis.

Mrs. W. M. Bryant was admitted to the Medical Arts Hospital in Littlefield Wednesday for tests.

Daughters of the E. N. McCall's were weekend guests here in Enochs. The Robert Georges were enroute home from points in New Mexico and Colo. Mr. and Mrs. Rusty Rowden left Sunday afternoon to attend a picnic at Buffalo Lake given by the employees of Modern Chevrolet in Lubbock. Brent, Marthan George and Chris Rowden remained here to visit with their grandparents till Tuesday.

Mr. and Mrs. Loyd Pollard of Bula and their sons, Mr. and Mrs. Larry Pollard and children of Lamesa and Mr. and Mrs. Lamar Pollard of Lubbock, Mr. and Mrs. L. E. Pollard and Mr. and Mrs. Harold Pollard and family of Enochs attended the Pollard reunion at the Clovis Park Sunday. All the Pollard families were able to attend except the Grady Pollards of Morton.

Bula schools to begin 45th year September 1, with four new teachers

Bula Schools will open its doors for the 45th time on Monday, September 1, at 8 a.m. with a full day of school in all departments. Students will be meeting four new teachers in the Bula system. Mrs. Frances Neill, a May graduate of West Texas State, will be serving as commercial business teacher. Mrs. Dorothy Burchel of Muleshoe will teach first and second grades, and Mr. Sammy Sawyer of Amherst will teach math. Sawyer is a student at Texas Tech University.

Bula superintendent Marion J. McDaniel reports some difficulty in filling the Home Economics position vacated by Mrs. Jeanette Young. Bula schools cooperate with Pep in sharing a Home Economics teacher.

McDaniel expects school enrollment to be down somewhat from last year's average daily attendance of 95.

Bula students will be dismissed for Christmas on the 19th of December and will return on December 29. However, January 1 will be a school holiday. Easter holidays will be from March 27 through April 5. Last day of classes for Bula students will be May 22.

Returning faculty members include principal Willis Hedges, Dan Price, counselor, and coach Loyd Halbrooks. Others are Mrs. Joyce Hedges, grades 3 and 4; Mrs. Coy Risinger, grades 5 and 6; Pat Risinger, English; Jack Tharp, vocational agriculture; and Mrs. Carolyn Snitner, special education. Olive Angel and Eula Mae Archer will again serve as the cooking staff for the school system.

Experienced line, fast backs mark Whiteface Antelopes

The Whiteface Antelopes return to the football wars minus last year's starters Rick Swinney and Wayne Legan, but returning experienced line and a faster backfield may bolster their fortunes in the approaching 5-B district race.

Whiteface will be working to improve last season's 4-6 record, a mark that in no way is indicative of the Antelopes' caliber of play. Last year the Antelopes lost three district contests by a total margin of seven points. According to head coach and athletic director Dale Read, three plays made the difference in what could have been a 7-3 record.

Coach Read and his staff welcomed 32 boys for football drills last week. This number includes nine returning lettermen. Only three offensive and four defensive starters return from last season as graduation took a heavy toll. However, two previous lettermen, ineligible last year, will help strengthen Whiteface's position. Ricky Bennett, a 160-pound senior, will give experience, weight, and speed to an otherwise inexperienced backfield.

Coach Read feels that speed in the backfield will help his team's chances in a district that will be somewhat weaker than last year. The Antelopes have three men who can cover one hundred yards in 10.6 seconds or less. Junior L. C. Clewis, senior Raul Armanderiz, and junior quarterback Gary McCoy round out the Whiteface backfield. Although their weight averages out a rather light 145-pounds, Coach Read feels that a fast well-balanced attack might make up the difference.

Whiteface coaches expressed the most confidence in their line. Tight end Gary Bennett, a 175-pound junior, placed fourth in the state high hurdles last spring. Returning letterman tackles Bill Bowers and Owen Roberts give added experience. Senior guard Wesley Dupler is also a last year letterman. Armando Armanderiz will fill in at guard and senior Richard Stocks will be starting at split end. Junior letterman Ronny Hemphill will start at center.

The Antelopes boast good depth in the line with junior Jerry Dawson serving as a defensive starter. Other reserve linemen include Tommy Lewis, Dawes Self, Scooter Smith, and Bobby Mosely.

Junior safety Randy Linder, a returning letterman, and reserve sophomore back Aurhur Rameriz give added depth to the Antelope backfield.

Coach Read expects five especially tough foes in Roosevelt, Tatum, Lazbuddie, Sundown, and Ropesville. Whiteface travels to Roosevelt September 12, then to O'Donnell and New Home, before hosting Lazbuddie in the home opener October 3. After hosting Tatum on October 10, the Antelopes will rest up for district play with an open date, but then take on Meadown, Anton, Ropes, Sundown, and Amherst in conference contests.

Coach Read's staff includes one new member. He is Graham Wall, who recently graduated from Tarleton State at Stephenville. Returning coaches are Max Dickerson, Royce Elam, and Bradford Harris.

Whiteface will host the Levelland junior varsity in a controlled scrimmage Friday at 5 p.m. The next week, the Antelopes will travel to Plains for a pre-season contest.

New quartz iodine white lights have been added to Antelope football stadium to give a college-type lighting effect.

Sp/4 Glen D. Pearson

Pearson takes leave from Vietnam, has volunteered for more

S-4 Glen D. Pearson son of Mr. and Mrs. Don A. Pearson is home on leave from Vietnam — he is with the 101st Airborne Division and is a Flight Operations Clerk stationed near Hue.

Pearson has been in the army 19 months-12 in Vietnam and is going back (volunteer) for another 6 months. He has received the Bronze Star, Army Commendation Medal and the Vietnam campaign ribbon.

He completed his basic training at Fort Polk, Louisiana and his flight operation training at Fort Rucker, Alabama.

"Gee, I dunno. Say, do you have a recipe for somethin' nice and cool I could serve at club next week?"

"If the farm next to yours were chosen as an ABM site, how would you feel about it then?"

"Well gollie, why didn't you just say you didn't have a good recipe?"

Physicians to present skin-cancer program

A program on cancer of the skin will be presented to the Lubbock-Crosby-Garza County Medical Society on September 2 in Lubbock.

Physicians from all South Plains counties, including Cochran County, have been invited to attend the meeting, according to Dr. Norman A. Monk, president of the Society.

Led and moderated by Dr. Donald W. Owens of Baylor University College of Medicine in Houston, the panel making the presentation includes Drs. Thomas M. Biggs, Robert G. Freeman, and Philip T. Hudgins.

The American Cancer Society reports that there are 110,000 new cases of skin cancer reported each year, and there are 5,000 yearly mortalities from the disease.

Texas ranks third in the nation in the number of cases of skin cancer.

Angus Association sets field day August 30

Plans have been completed for the Southwest Angus Association's annual field day on Saturday, August 30. The event will be held at Markham Angus Farm near Seminole, owned by Jimmy and Magdalene Markham. Co-hosts will be J. H. Flippo of Seagraves.

Following registration which will start at 9 a.m., the crowd will enter a big Angus judging contest for FFA Chapters, 4-H Clubs and adults. In charge will be Dink Wilson, assistant Gaines County Agent. Featured speakers during the day will include Joe Van and of the Texas Cattle Feeders Association, Steve Hammack, researcher at the Texas A and M Experiment Station at Spur and Waymon Ashley, area field representative for the American Angus Association.

Ray Adams, Tahoka, vice-president of the Southwest Angus Association, will be the master of ceremonies throughout the gathering.

Three rural accidents reported for July

The Texas Highway Patrol investigated three accidents on rural highways in Cochran County during the month of July, according to Sergeant Hal Pirtle, Highway Patrol supervisor of this area.

These crashes resulted in two persons injured and an estimated property damage of \$1,425.

The rural traffic accident summary for this county during the first seven months of 1969 shows a total of 18 accidents resulting in no persons killed, 17 persons injured, and an estimated property damage of \$44,640.

ATTENTION LAND OWNERS

GX-100 BLOCK FOR WILD QUAIL

Here is a unique feed supplement for all species of wild quail that will insure better hunting.

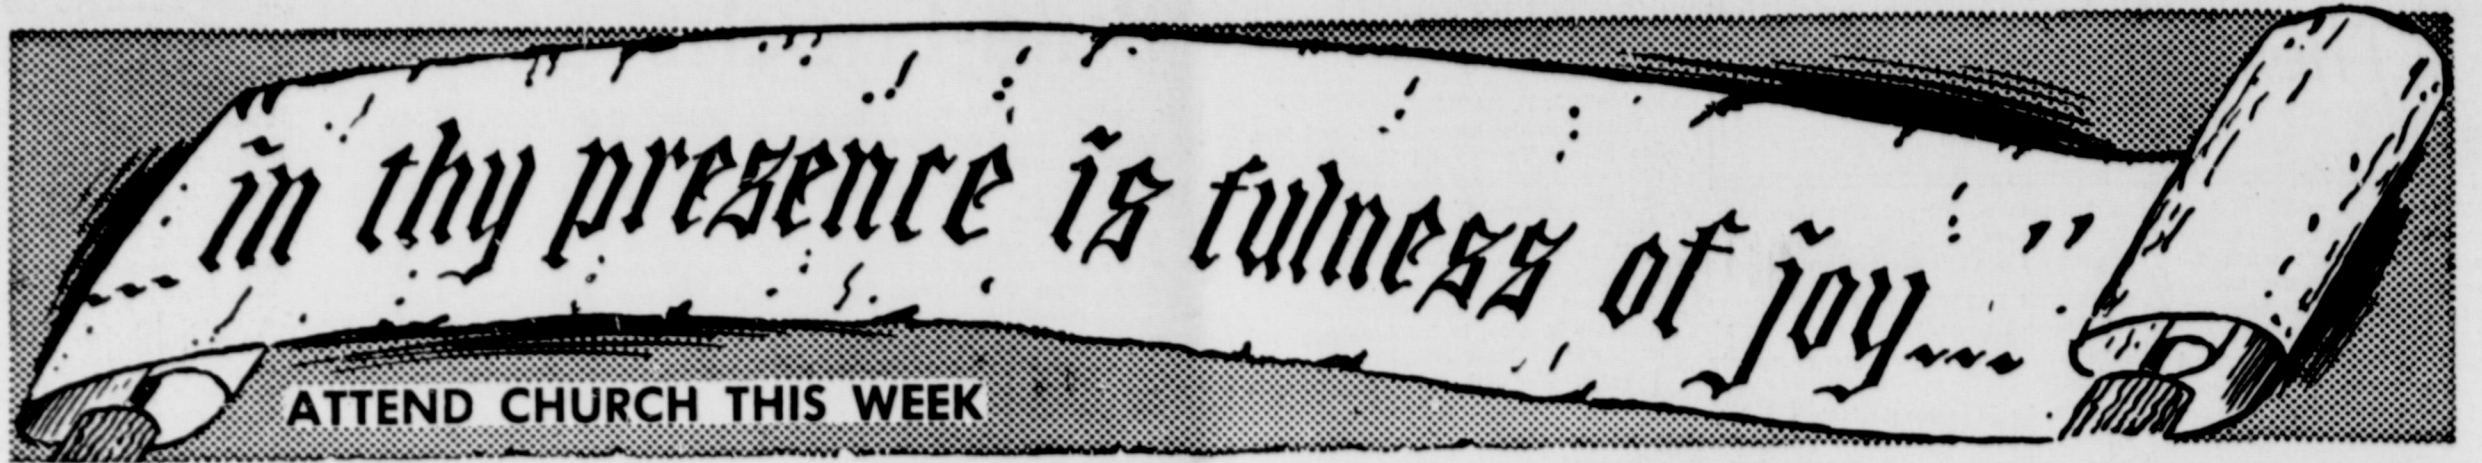

- Normally not eaten by other birds.
- GX-100 will increase quail hatches.
- Reduces loss due to malnutrition.
- Easy and inexpensive to feed.
- Holds coveys to given areas.
- Provides healthier — heavier birds.

"LABOR IS LIFE"

Carlyle

Let's talk about labor — work, if you please, for that is what labor is. Labor has come a long, long way since ancient times when work was closely related to slavery. Aristotle described a slave as "a tool with life in it." In the Middle Ages, labor gained dignity and respect as slavery declined and Christianity spread. Then, later in the 1700's and 1800's the industrial revolution created conditions that led to the modern labor movements. Today labor has gained respect, wages and working conditions hitherto unknown before.

Labor is life. Work is satisfying. Through his work a man accomplishes, and creates, and provides for himself and his family. When deprived of the opportunity or ability to work, man often becomes depressed, even ill.

I Corinthians 3:9 tells us that "We are laborers together with God." We are His hands, feet, voice, and compassionate heart here on earth to spread the gospel, lift up the poor, eradicate ignorance and destroy disease.

Honor God and Labor this week by attending church.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
