Thompson resigning hospital district board post Jan. 20

Resignation of Glenn Thompson as member-at-large and secretary of the Cochran Memorial Hospital District board of governors was announced following a meeting of the board Tuesday night.

Thompson's letter of resignation, which was accepted by the board with stated reluctance, becomes effective January 20. Present member E. G. Gardner, representing Precinct One, was appointed by the board to replace Thompson in the secretary's post.

Acting upon a suggestion by board president Raymond Devours, each member appointed a person from his precinct to form a committee for the purpose of recommending a person to fill the county-at-large post being vacated by Thompson.

Taylor resigns city council post; Hodge, Robinson appointed

The second shakeup in as many months of the Morton City Council took place Monday night with the resignation of councilman and Mayor pro tem Walter L. Taylor.

Taylor's letter of resignation, stating personal reasons, came as a surprise to the council, which accepted it with reluctance.

The council appointed alderman Wiley Hodge to the post of Mayor pro tem and appointed Robert K. Robinson, local Magnolia products dealer, to fill Taylor's unexpired term. The new councilman will serve until the term ends on April 1, 1971.

In other business, the council approved the payment of bills for the month of December in the amount of \$7,946.34.

Departmental reports were received from police, utilities and administration and a status report was given the council by municipal civil defense coordinator Jackie Randolph.

Devours appointed Woody Dickson, Precinct 2; Gardener appointed Mrs. C. E. Luper, Precinct 1; Thompson appointed Mrs. Alnie Harris, Precinct 3; Willard Henry appointed Richard Key, Precinct 4 and Thompson appointed Mrs. Lloyd Miller as county-at-large delegate. These will meet and make their selection at a later date.

In other business at the meeting, the board entered into a contract with Mining, air conditioning and water heating niapolis-Honeywell Company for all heat at the hospital. A working agreement was signed by both doctors at the hospital following an explanation of the program by company representative Dallas Bunting who appeared before the board.

The board voted approval on the hiring of an additional nurse, Mrs. G. E. Mundhenke, R.N., of Morton, at a monthly salary of \$650.

Final item of business was the authorization of funds to send three employees to Amarillo for schooling in the use of the Bennett machine. Funds will be used to pay for tuition and expenses.

Burglar loot light in local break-in

The loot was evidently light in a burglary of the Forrest Lumber Company store building reported to Morton police Tuesday morning.

Preliminary checks by company personnel indicated that only a few small items of merchandise and a small amount of change from the cash register were missing. A more thorough investigation may turn up a greater loss, but as of now it appears to be rather small, chief of police Charley Ellis said Tuesday.

The intruders, thought to number two or three, crawled under a locked yard gate then entered the building through a window of the west door after breaking out the glass.

Indians snare Plains BB crown

Morton's Indians put on their most impressive display of the season as they put together three big wins and walked away with the championship trophy of the tough Plains Invitational Tournament last weekend.

The Indians took out Seagraves in the opening round, 75-70 in a thrilling overtime game, and walked by Eunice, 66-53, in the finals, but posted the biggest win in an exciting 65-63 win over the highly touted Lubbock Christian High Eagles in second round action Friday night.

LCHS came into the tournament play sporting a 21-1 record, the best on the South Plains, had belted Dimmitt twice, and had lost only to class AAAA Plainview. The Eagles had their eyes set on breaking a Lubbock record for consecutive wins. But the Indians ended all of the hope with a game that featured tenacious defensive play and almost flawless ball control on the part of Ted Whillock's Tribe.

George Pritchett and M. C. Collins paced the Indians throughout the tournament play and both were named to the all-tournament team. Collins was high point man in the first two games, hitting 31 points in the opening encounter with Seagraves.

Pritchett hit five field goals in a row to put the Indians out in front of LCHS in tournament thriller midway in the third period. Morton trailed 32-29 at half-time, but led 44-48 going into the final quarter, and then stretched that lead to 57-50 with four and a half minutes remaining.

But the smooth-playing Eagles trimmed that lead to 57-54 as their press began to take its toll. Collins's 12 points in the waning minutes kept Morton in the game. The Eagles were not out of it even in the last seconds.

Leading 62-61, Morton got a chance to pad the lead with six seconds remaining as Keith Embry was brought to the floor on a foul and got two free throws. The 5-10 soph hit the first, but the second bounced off. LCHS got the ball to their fabulous Doug Perrin who took a desperation 35-foot shot with three seconds remaining. The ball bounced off the rim, into the air, and was pulled down by Morton's Terry Harvey, who then just held it tight until the buzzer sounded and the Indians had wrapped it up, 63-61.

The win was a real team effort for the Tribe as all five starters hit in double figures. Pritchett had 15 points, Embry 11, and Harvey and Elton Patton, 10 each.

TOURNAMENT CHAMPIONS . . .

THE VICTORIOUS MORTON INDIANS proudly display the championship trophy Saturday night following their final win over Eunice, N.M. in the Plains basketball tournament. The Tribe downed tough Seagraves and highly-rated Lubbock Christian High School en route to the final game

against Eunice and the championship. Left to right, the squad includes coach Ted Whillock, Eddie Lewis, George Pritchett, Terry Harvey, Keith Embry, M. C. Collins, Willie B. Holland, Elton Patton, Jerry Steed, Bryant Lewis, Dennis Clayton and Stan Coffman.

District cage race kicks off Friday

The 1970 conference 4-AA race will kick off Friday night, and the first game will provide the toughest test of the season for Ted Whillock's Indians as the Tribe sets out to unseat last year's champions, the Denver City Mustangs, from the driver's seat in the district race.

Morton will host the Ponies for two games, the B game getting started at 6:30 p.m. with the varsity game to follow at 8 p.m.

Morton finished second in last year's conference wars. The Mustangs dropped the Indians twice, 74-53 in the opener, and 62-58 in the second round.

But this season, the Indians go in to district play in better shape than last season. Morton stands 15-5 for the non-conference season at this point, a record that includes three big wins that came in last week's Plains Tournament. The Tribe knocked off Seagraves, Lubbock Christian, and Eunice to take the championship as they put together their best three games of the season.

Coach Whillock expressed fear this week that the Tuesday night layoff might hurt his team's chances. There was no action then because of semester tests Wednesday and Thursday.

The Mustangs, although sporting an un-

impressive 6-8 record, racked up some very impressive victories in the Plains tournament, including a 73-72 triumph over Lubbock Christian in overtime play. Denver City lost by two to Eunice in overtime on the night before in a game marred by a wild scuffle involving both teams.

Morton will be looking for its first district championship in eleven seasons. The Indians advanced to the regionals of the 1958 season where they fell to Plains in first round play.

Morton has to face the two toughest teams in the district in back-to-back games as the Post Antelopes, paced by 6-10 Boyd Nobles, invade Indian gym Tuesday night. Neff Walker and Ray Altman add punch to the Antelope attack. Last season, the Indians trimmed Post by decisive margins, 81-34, and 87-4.

The Indians have virtually assured themselves of racking up their seventh winning season within eight years of play

Community center reports rapidly increasing activity

The addition of an auto mechanics class and the suspension of the drivers license course in Spanish were the main order of business at a community action center board of directors meeting here Tuesday night.

The auto mechanics course, which will be limited to 12 students, will be taught by Tom Rowden and will begin at 7 p.m. Tuesday, January 22. Reason for suspension of the Spanish language drivers license course is that all eligible students enrolled have received their drivers license, the instructor explained.

Interest was expressed in the same type training in English and Mr. J. T. Atkins was appointed by the board to look into its feasibility. Anyone interested in this type training may contact him through the CAC.

A discussion was held concerning the establishment of a child care center and it was decided that the subject required

a separate meeting in order to receive full consideration. This meeting was set by the board for 7:30 p.m. January 27 at the community center.

The following activities by the center were reported over the past month:

- Christmas party for 103 children.
- Christmas party for 45 teenagers.
- Operation Outreach aided 12 families.
- Drivers license class, 19 graduated.
- Sewing class, 15 taking instruction.
- Reading, 11 taking instruction.
- Tutoring, 85 taking instruction.
- Welding, five taking instruction.
- Headstart, 33 enrolled.

There were 13 persons receiving eye examinations through the school for the blind, conducted by Bill York of Lubbock.

Banquet tonight

Morton Area Chamber of Commerce officials promise a little something for everyone when the annual chamber banquet gets underway at the schools cafeteria here tonight.

Ticket sales have been brisk and a large crowd is expected for the gala association.

Reagan Brown, an outstanding speaker and widely-known sociologist, will deliver the main address. The roast beef dinner will be spiced with musical entertainment and chamber officers promise a fast-paced program highlighted with the traditional "Outstanding Citizen of the Year," "Farm Family of the Year" and "Conservation Family of the Year" awards presentations.

All those with a strong interest in their community and its activities are urged to attend. Tickets may be purchased at the door.

POPULAR SCOUTMASTER LEAVING . . .

MEMBERS OF MORTON BOY SCOUT TROOP 601 gather around to pay farewell to Tom Davey who has been their scoutmaster for the past 10 months. Davey is being transferred to Dumas by the U. S. Soil Conservation Service and was conducting his last scout meeting when the

picture was taken. Those reluctant to see him go, left to right, Doug Barker, Robert Randolph, Jay Swicegood, Ricky McMaster, Sandy Hodge, Dubbie Bryan, Randy Clayton, Phill Clayton, Davey, Chip Sayers, David Ramby, Ellis Grimes, Lanny Tyson, Joey Bryan, Ricky Bedwell and Rane Brown. ★ Sunday Tea

Members of the Hospital Auxiliary will host a tea Sunday, January 18, from 3 to 5 p.m. in the Hospital Lobby honoring Dr. and Mrs. M. L. Dubberly. Dr. Dubberly recently joined the staff at Cochran Memorial Hospital.

The public is invited to attend.

Morton mothers slate dimes march Monday

Helping Mothers March for Dimes Monday, January 19, will be Margie Ann Fitts, 16, of Morton.

Margie was born with club feet and after two successful operations, paid for by the March of Dimes, she is now able to walk normally.

"Happiness is walking, walking for the March of Dimes," expressed Margie with a big smile.

The March of Dimes was responsible for the recent Rubella Clinic given here to 655 children from 1 year through 10 years.

"These shots were given free, to the recipients but they do have to be paid for. Please help us prevent birth defects and help those who are effected by this crippling," Mrs. Maurice Lewallen said in summing up her appeal to the people in Morton.

Water depletion maps for '69 now available

Frank Rayner, manager of the Plains Underground Water Conservation District No. 1, announced that the cost-in-water-depletion, income tax allowance maps have been released by the District.

These maps are constructed under authority of the District and are used by property owners throughout the High Plains District to claim an income tax allowance on amount of the depletion of the ground water supply beneath their property.

Although the District charges \$1.00 postage for each map, covering an entire county, the income from such sales goes only to defray the cost of printing and mailing the maps and to pay the land appraisers fee for developing cost in water tables for each map.

These tables can be secured without charge from the District.

Maps and cost in water tables can be secured through the District's office, 1628 15th Street, Lubbock, Texas

Impala.

It's got more re-sale value because it's got more to re-sell.

One of the nicest things about buying an Impala is selling it. That's because selling it traditionally brings back more of what people put into it in the first place. Money. Where does Impala keep getting its higher resale value? From features like those you see below. Features which explain why America's most popular car for the last nine years will undoubtedly make it ten in a row.

Impala. More to drive. More to re-sell.

Mike and Marilyn Doss

Chicken-Sausage Marengo favorite at the Doss home

Mrs. Doss likes to try new recipes and husband, Mike, helps with the tasting and seasoning.

Marilyn teaches eighth grade English and sixth grade reading in the Morton

Junior High. Besides cooking, her hobbies and interests are many. She enjoys reading, knitting, painting, needlepoint, sewing and playing the guitar. Marilyn says she also does a lot of keeping up with Mike.

They live at 204 East Grant, along with Buppy, their wire-haired terrier, who likes to eat too. Mike is the manager of Doss Thriftway.

One of Marilyn's newest recipes is the one she is sharing with our Tribune Readers this week.

Chicken-Sausage Marengo
 1 lb. Polish sausage
 2 Tablespoons butter
 2 Tablespoons salad or olive oil
 2 broiler-fryer chickens, cut in pieces
 1 can (12 oz.) tomato sauce
 1 can (6 oz.) sliced mushrooms, drained
 1 can (8 oz.) pitted ripe olives
 1/4 cup sweet pepper flakes
 1 Tablespoon parsley flakes
 2 teaspoons celery flakes
 1 1/2 teaspoons Italian seasoning
 1 teaspoon instant minced onion
 1/2 teaspoon salt
 1/2 teaspoon salt
 1/4 teaspoon pepper
 1/4 teaspoon garlic powder
 1/2 cup liquid drained from mushrooms
 1/4 cup liquid drained from olives
 1 bay leaf

Prick sausage and place in dutch oven to brown. Remove, add butter, oil and chicken and saute until chicken is brown. Remove chicken. Add tomato sauce to drippings and add remaining ingredients. Return sausage and chicken to pan. Cover and simmer over low heat 30 to 40 minutes or until meats are tender.

★ Come to coffee

A coffee honoring Mrs. Dubberly, wife of Dr. M. L. Dubberly, who recently joined the staff of Cochran Memorial Hospital, will be hosted by Mrs. William Dean, 704 E. Harding, Friday, January 16 from 9:30 to 11:30 a.m. All Cochran County Ladies are invited to come by and meet Mrs. Dubberly.

Mrs. Benham, Mrs. Hargrove give program for 1936 Club

The 1936 Study Club met Wednesday, January 7, in the home of Mrs. Hume Russell for a program on "Pioneers with Plants."

Mrs. D. E. Benham spoke on fruits and vegetables as one aspect of horticulture, using the biographies of Luther Burbank and George Washington Carver as examples of great Americans in this field. She pointed out that in spite of an extremely hard childhood and a very difficult youth, Burbank worked at whatever jobs were available, until with the help of the Carnegie Foundation, he was able to realize his life's dream of "making new things better than the old and old things better than they were." His improvement of the potato was a twenty million dollar value to the nation and he sold the seed for one hundred and fifty dollars.

Mrs. Benham told of George Washington Carver's early life and his acceptance into college because of his ability as an artist and a singer. He spent his life learning the soil and the products of the South and urging its people to use their resources. He developed more than 300 by products of the simple peanut.

Mrs. L. F. Hargrove reviewed the writings of Sam Sinclair Baker in her discussion of Flowers and ornamental plants. She stated there are many new aspects of miracle gardening, including fertilizers, hormone treatment, insect repellents and additives, ranging from wood chips to ground glass, by which the modern garden scientist can alter growth pattern so that he need no longer, plant, wait and

hope. "Gardeners have more fun than people," she concluded.

Mrs. John Crowder presided at a short business meeting. Reports were made on the progress shown at the Community Action Center.

Others in attendance were Mesdames: Neal Rose, W. W. Smith, B. H. Tucker, Cyrus Fields, John L. McGee, James St. Clair, Glenn Thompson, Gage Knox, Maurice Lewallen, M. C. Ledbetter, C. H. Silvers, Joe Gipson, Lloyd Miller and Mrs. J. B. Nicewarner. Mrs. Jimmy St. Clair and Mrs. Anna Rose were guests.

was high for the Eagles with 17 points. Perrin had 15, but hit 35 against Denver City on Saturday night.

Seagraves, Morton's victim in the opening round, took consolation honors with a 75-44 win over Tahoka.

The tournament final between the Indians and Eunice was rather anticlimactic after the Tribe's big victory over LCHS. The game also came on the heels of the Denver City-LCHS battle that went into overtime, Denver City winning 73-72.

Eunice's loss marked the third year in a row the New Mexico school has had to settle for second place in the tournament. The Indians took the lead for good during the second quarter and held Eunice at bay throughout the second half in spite of a late fourth quarter rally that pulled the New Mexicans within eight points. Elton Patton was high for Morton with 20 points.

Plains officials praised Morton's team for its fine sportsmanship and display of ability during the tournament. This year's edition of the tourney saw three overtime games in the three-day affair.

Water levels to be measured in January

Personnel of the High Plains Underground Water Conservation District No. 1 and the Texas Water Development Board will be measuring the depth to water in over 800 observation wells within the boundaries of the High Plains Underground Water Conservation District during January 1970, it was announced this week.

These measurements will constitute the continuation of an annual depth-to-water-measurement program that was initiated by the U.S. Geological Survey in the early 1930's. These measurements provide the only continuing inventory of this area's remaining water supply.

The 42 observation wells in Bailey, Cochran, Hockley, Lamb, Lubbock and Lynn Counties will be measured by Kenneth Seales, Obbie Goolsby and Dan Seale, all District personnel.

A red, 4 by 2 1/2-inch, stick-on tag will be affixed to the well-head (gearhead) of every observation well. This tag will show the well number; depth to water below the general land surface in the vicinity of the well; date of measurement; and the initials of the person making the measurement.

The depth to water measurements made this January will be published in the February 1970 issue of The Cross Section.

M. E. Ware funeral Monday in Seagraves

Services for Meredith Ennis Ware, 83, brother of Mrs. Orie Ellington of Morton, were held at 2:30 p.m. Monday at the First Assembly of God Church in Seagraves. Rev. R. H. DeLancey, pastor, officiated and burial was under the direction of Webb Funeral Home.

Ware was a member of Masonic Lodge 1222. He was a former Seagraves postmaster and a former justice of the peace.

Survivors other than Mrs. Ellington include his wife, Katherine; two sons, Ronald of Washington, D. C. and Bobbie of Bakersfield, California; a daughter Marjorie of California; and four sisters and five grandchildren.

Troop 601 scoutmaster Tom Davey transferred

Morton Boy Scout Troop 601 is losing its very able and popular scoutmaster. Tom Davey, who has been scoutmaster of the troop for approximately 10 months, was recently notified by the U. S. Soil Conservation Service that he is to be transferred to Dumas on January 26.

Many notable advancements have been made by the troop under Davey's guidance and the scouts have taken part in an unusual number of activities since he took over the leadership.

Notable activities over the past few months have been Camp Tres Rios, Bull Lake training tour, a Muleshoe game reservation campout and an educational trip to Calsbad Caverns.

Davey, his wife Sue and daughter Dana have lived in Morton two years and have taken part in many community activities. They are members of the First United Methodist Church where Tom is secretary-treasurer of Methodist Men.

Troop 601 and parents will give their scoutmaster a send-off with a party to be held in Fellowship Hall of the Methodist Church Monday night.

under Whillock, Morton was 22-10 in Whillock's first outing as head basketball coach and local teams have maintained that pace except for one year when the Tribe went 7-23. What looks even more promising is that the Indians are not starting a single senior this season. With a starting lineup consisting of three juniors and two sophomores, a very talented bench, a B squad with an 8-2 mark, a freshmen team that is sporting a 7-3 record, and an eighth grade that is now 10-3 for the year, the future looks bright indeed for Whillock's basketball program.

INDIAN TEAMWORK...

THE MORTON INDIANS display here a sample of the teamwork that enabled them to sweep three games and win the championship of the Plains basketball tournament last week. All five Tribe players are shown close-in under the basket in the fight for a rebound against Eunice, N.M. in the Championship game. The style of play enabled them to defeat highly rated Lubbock Christian High School which boasted the best record in the area going into the tourney. Morton players include Keith Embry, 14; Terry Harvey, 22; M. C. Collins, 44; Elton Patton, 24, who snared the rebound and George Pritchett, 30.

About local folks . . .

by DUTCH GHPSON

Mr. and Mrs. C. D. Pond, Robert, Mike and Carol of Murdock, Kansas, and Mary Coon of Kingman, Kansas, were recent guests in the home of Mr. and Mrs. Ed Brownlow.

Mr. and Mrs. Gary Cone were dinner guests in the home of Mr. and Mrs. Charles McDermott. Gary who has been an active military duty in San Juan, Port Rico has recently returned. Mrs. Cone was privileged to accompany her husband to San Juan and was permitted to remain there doing his entire stay. Mr. Cone is a former roommate of Charles McDermott during their first year in Texas Tech University.

Other guests in the McDermott home were their son and family, Mr. and Mrs. Mike McDermott and Mr. and Mrs. Jim Ragland and family of Grand Falls. Mrs. Ragland will be remembered as Dot Irvin, a former resident of Morton.

The Missionary Baptist Church was privileged to have the Gloryland Quartet in their services Sunday during the 11 a. m. hour. Following the services, members enjoyed a fellowship dinner at the County Activities building. At 2:30 p.m. the group reassembled at the Church for a concert. Before a large group, the quartet presented entertainment of religious hymns. Out of town guests from Lamesa, Hobbs, Levelland, Carlsbad and Roswell were recognized.

Mrs. Don Hoffman of Clauch, New Mexico has been visiting with her mother Mrs. Lessye Silvers.

Donald Rhea Chesshir has moved from Littlefield to Hereford where he will be manager of Food Way Grocery Store.

Mr. and Mrs. W. E. Childs were overnight guests in the home of their son and family, Mr. and Mrs. Melvin Childs of Lubbock.

Miss Debra Miller was a weekend guest of the W. S. Hobsons of Borger.

Mrs. Claude Scates has entered South Plains Hospital, preparatory to surgery.

Recently Rev. Mearle Moore and wife, Jean, Herman Bedwell and wife, Nelda Joy, attended a quarterly banquet given in honor of all ministers and wives and choir directors and their wives in Central Baptist Church of Lubbock. Representatives from churches in Lubbock, Levelland, Odessa, Amarillo, Morton, Plainview, Muleshoe attended.

Mr. and Mrs. Othal Barnett of Plains visited with his father, Mr. Omar Barnett on Sunday.

Mrs. M. W. Ellington, Mr. Joe Seagler, Mrs. Earl Cadenhead and Mrs. Charles Taylor attended the funeral of Mrs. Ellington's brother, Mr. M. E. Ware of Seagraves who passed away Saturday. Services were held in Seagraves Monday.

Mr. and Mrs. Barry Wynn of Texas Tech University were weekend guests in the home of their grandparents, Mr. and Mrs. C. B. Jones.

Guests in the R. L. DeBusk, Jr. home over the weekend were Mr. and Mrs. R. L. DeBusk, Sr. of Slaton and Mr. and Mrs. Dale DeBord of Midland and son, Rex Bentley. Dale and Sandy attended the funeral of his grandmother, Mrs. Minnie DeBord who was buried Saturday in Morton.

Mrs. Minnie DeBord buried here Saturday

Services for Mrs. Minnie DeBord were held at 10 a.m. Saturday in Franklin-Bartley Funeral Chapel in Lubbock.

Rev. Harold Perdue, pastor of Agape United Methodist Church officiated.

Burial was in Morton Cemetery at 11:45 a.m. with graveside services held by Rev. Rex Mauldin, pastor of the First United Methodist Church Morton.

Mrs. DeBord, 85, was a native of Cochran County and moved to Lubbock after the passing of her husband, A. J. in 1955. Survivors include two sons, Alvin, and Clovis of Lubbock; three daughters, Mrs. Velma Brown of Amarillo, Mrs. Hazel Anderson of Gordon, Arkansas, Mrs. Alice Walters of Hope, Arkansas and a daughter-in-law, Mrs. Ralph DeBord of Morton. Seventeen grandchildren, 25 great-grandchildren and 12 great-great-grandchildren.

"The Twain Shall Meet" is Delta Kappa Gamma program

The Delta Kappa Gamma Society met in the Fine Arts Building on South Plains College Campus Saturday, January 10, at 2:30 p.m.

Mrs. Y. N. Kim of Lubbock, whose husband is a professor of physics at Texas Tech University, spoke to the society. She is a native of Seoul, Korea, and has received a B.A. degree from the women's university in Seoul and another B.A. degree and an M.A. degree from universities in the United States. The program being "The Twain Shall Meet." Mrs. Kim's subject concerned Dr. Helen Kim who, from 1939 to 1961, was president of Ewha Women's University in Seoul the largest women's university in the world. Dr. Kim, no relation of Mrs. Y. N. Kim, was born in Korea and became a Christian at the age of 16, which was the greatest influence in her life and resulted in her becoming an outstanding educator.

She recognized the necessity of educating women and developed a wide-range curriculum at Ewha, which became a university in 1948 while she was president, that the women might be emancipated from the old world ways to the western culture. It was interesting that the school system in Korea is much like our own, having compulsory education through high school.

After the recognition service of Theta Epsilon, Chapter's third birthday, the meeting adjourned with the singing of "The Delta Kappa Gamma Song."

Membership present from Morton were Mrs. Gage Knox, Miss Lonora Jackson, Mrs. Cherolyn Inglis, Mrs. A. E. Sanders, Mrs. Lessye Silvers, Mrs. T. C. Asbill, Mrs. Neal H. Rose, and Mrs. Ray Lanier formerly of Morton who now resides in Lubbock.

Highway department clarifies new registration procedures

(EDITOR'S NOTE) Personnel at the Cochran county tax assessor-collector's office have reported considerable confusion on the part of vehicle owners concerning the new registration procedures

initiated by the state this year. Just in the nick of time the following release was made by the Texas Highway Department which we hope will throw some light on the subject.)

The Texas Highway Department is sporting a red face.

In recent news releases announcing the new computerized motor vehicle registration system, Department information specialists wrote:

"Easy-to-follow instructions are printed on the three-part form."

That must be a mistake — because a lot of motorists haven't been following instructions. And mistakes generate confusion.

This is the first year that the Department has gone to the new system, which includes an order-by-mail program for obtaining 1970 motor vehicle license plates.

But just to make sure that motorists do understand the "easy-to-follow instructions," they are:

1. Each motorist whose vehicle was registered last year has or will receive in the mail a long, narrow envelope with a printed message on the front reading: "Important — This is Your License Plate Renewal Application."

2. The envelope will contain a three-part form. DO NOT SEPARATE THE THREE PARTS.

3. You may renew your motor vehicle license registration during January and February by mailing the three-part form (intact) and your check to your county tax collector. Add \$1 for postage and handling charges for each vehicle. License plates will be mailed February 1 and thereafter.

4. You may renew your motor vehicle license registration during February and March by taking the three-part form (intact) and your check to the tax collector's office or substation.

That's it! Now see if you are one of the seven million-plus Texas motorists who can follow those "easy-to-follow instructions."

This week has really been a "blah" for the students. With semester exams ending today, everyone feels as though they need a vacation. Morton High School is trying its second year of a new testing system. Three tests are scheduled Wednesday and three Thursday. Students are only required to attend the class if they have a test. The testing periods are 1½ hours long. We students have really enjoyed this system as it gives us extra time for studying.

Many students at M.H.S. are planning on auditioning for the Ted Mack Amateur Hour in Lubbock. The sextet auditioned last night. Larry Moore, J. Wayne McDermott and Shelby Race have formed a singing group. I also hear Zodie Ledbetter has some sort of act together. Is that right toe?

We've had many new students checking in high school to finish the year. Some new faces, and some old ones returning to graduate. Hope they enjoy it here.

Well, I guess everyone has heard about the shiny, new first place trophy the basketball team brought home to Morton last Saturday. To say the Indians played good is an understatement. We also landed two boys on the All-Tournament team. They were Juniors, George Pritchett and M. C. Collins. They way everyone talked after the ballgame seems as though the whole team was all-tournament.

Seems as though nearly everyone got some sort of ring for Christmas. Karen Rozell has the most unusual one I've ever seen. It's so . . . original! I think that's the right word.

As a last course in food preparation in Mrs. Crone's home and family living class, students were to make cream pies. I don't know if Kitchen 4 lost their recipe or if they've never seen a cream pie, but what they came out with sure wasn't a cream pie! I just know the boys in these classes had to quit cooking at semester.

Poor Dan Barker thought he had a inferiority complex, but someone was quick to let him know that he didn't have a complex, he's just inferior.

Some of the high school boys had such bright clothes after the holidays that we didn't even need lights. I'd just like to see someone wear Mike Bryan's shirt with Kirby's pants!

Hey, Debbie, just two stripes next time, O.K.?

Coach Whillock is really a philosopher. The other day he told his health class that he had always heard that people whose hairlines receded off their foreheads were great thinkers. He also said that people who had bald spots on the back of their heads were lovers. Then, if you were a victim of both circumstances it was a sign that you thought you were a great lover! Come off it, Coach!

Mrs. Leavitt were you selling autographed pictures the other day in bookkeeping? I'm not poking fun at our teachers, cause I think we've got a great bunch of fun-loving, understanding teachers in our system. So no offense, o.k.?

Everyone come out and support the Indians as they host Denver City in their first district game. The game is here, so ya'll come!

Mrs. Doss presents program on "Alamo" for Study Club

The Emlea Smith Junior Study Club met in the hospitality room of the Production Credit Association building Thursday, January 9.

Mrs. Mike Doss presented the program entitled "I Was a Telephone Operator at the Alamo." Along with being entertaining, Mrs. Doss also gave a factual and interesting report of the Battle of the Alamo and its affects on the world.

Following the program hostesses, Mrs.

Ronald Coleman and Mrs. Ray O'Brien served refreshments to the following members: Mesdames Loy Kern, Sandy Asbill, Gary Willingham, Tom Davey, James Walker, Jame Dewbre, Roy McClung, Carl White, Sherrill Griffith, Jimmy Harris, Bill Foust, Robert Terry, Don Lynskey, Glynn Price, Ray Tucker, Robert Taylor, Bob Poivado, Dough Reed, Richard Houston, Tommy Thompson, Doss and Rodney Fralin.

Make a Wish...

FOR HIS FUTURE

A birthday party really thrills the children, and probably the climax comes when they blow out the candles, and make a wish. His wish would probably be for a bright shiny new toy, but you as a parent would wish for him the things that really count, such as good health, happiness, friends and along with these deeper and more serious things should be a prayer for him to have the right interest and relationship to God. You can help these things by taking him to church.

Morton debate team places high in meet

Morton High School Speech students participated in the Friona Invitational Speech and Debate Tournament last Saturday and the boys' and girls' debate teams each brought back a victory.

Debating the topic, "Resolved: That Congress prohibit United-States unilateral military intervention in foreign countries," the girls' team, consisting of seniors Helen Lynch and Debbie Kuehler defeated Friona while losing to Muleshoe and Spearman. Both teams clashed in the finals with Spearman girls winning the meet. Spearman has won the state title for the past two years.

Morton's boys team defeated Dimmitt and lost to tournament finalists Spearman and Friona. Friona placed fourth in state competition last year.

Morton's boys debate team consists of juniors John Fincannon and Gerald Grunsendorf. Larry Moore serves as alternate.

Also participating from Morton were Mary Aienlinski in poetry interpretation,

and Barbara Brown and Rick Lemmons in prose interpretation.

Morton students will take part in upcoming tournaments at Dimmitt and Abilene in preparation for the spring literary meet to be held at Idalou in April.

Sponsors for Morton's forensic students are Mrs. Marilyn Doss and Mr. David Murrah.

Whether this community realizes it or not, it enjoys a favorable reputation across the South Plains and Panhandle area, a reputation gained in a rather unusual fashion.

Morton is known as a "basketball town," and the mention of the city's name brings to mind that sport to many a fan throughout the area. Long before moving to this city, we knew of this reputation and looked forward to being a part of this community basketball spirit.

But wait a minute! Did we say, "community" basketball spirit? Certainly a basketball spirit exists here; Morton teams could not have put together seven winning seasons in their last eight outings without it. A basketball spirit does exist here; otherwise, the Indians' eighth, ninth, junior varsity, and varsity teams could not be sporting a 42-13 season record at this point in the basketball year. Yes, a basketball spirit exists, but it is not a community spirit that we had anticipated would be a part of a town that enjoys the reputation that Morton teams have made.

For, if a community basketball spirit did exist here, lending support to the Indians' basketball prowess, the high school gym would be filled to the rafters for every district home game. Large groups of Indian fans would follow Morton teams to the various other communities of the district. Good attendance for high school basketball is not uncommon in communities with a real basketball spirit. We have seen 1800 people packed into a gym to watch teams representing two communities whose combined population would barely top two thousand persons.

But you may say, community spirit does not win games. Maybe not, but it helps. Maybe it helps to win district championships. Morton has not won a conference crown in eleven years, in spite of seven highly successful seasons. Maybe our teams have lacked that extra bit of pride needed to win in the clutch, in the heat of the district race. Maybe we can begin to help give that pride to our teams by taking pride in our school by lending our attendance and support.

This community has many things of which it can be proud. It's time to start being proud of that which brings honor and recognition to our city; it's time to start being proud of our athletic teams; it's time for local citizens to get out and support the teams as other communities do; it's time for Morton to have a community basketball spirit.

The Farmer's Wife

By Libby Mudgett

PATROLLING THE HIGHWAYS of our great and mighty state is a very nice young disappointed patrolman, whom I shall call Mr. Cluck, which isn't really his name but doesn't miss it far.

The reason he's sort of disappointed is that he was convinced that I had either stolen the car I was driving when we had our little encounter or my driver's license or maybe both and his prize theft suspect turned out to be just a dumb old honest farmwife.

Not that he said this, gracious no, he was far too polite, even while he was radioing in to check out the stolen car list or something.

I HAVE SINCE TRIED to analyze just exactly what got the two of us off on the wrong foot in the beginning and have come to the conclusion that two factors contributed to it: I had changed my hair color since my driver's license was issued and during his training period, nice young Mr. Cluck missed school the day they taught HOW TO ASK THE CORRECT QUESTION TO GET THE EXACT INFORMATION YOU WANT.

He had every right, indeed the duty, to siren me to a halt. I was speeding, just a little, and I won't even mention the fact that he was under an overpass while I went over it, because I am one of those that think patrolmen should jolly well screen themselves if they so desire.

HE GREED ME pleasantly and friendly and I handed him my driver's license. He scribbled on his little pad for what seemed hours and then fired his first wrong question.

"What model Olds is this?"

I said it was a 1967.

HE SHOT ME a respectfully questioning look, walked around to the front of the car, came back and informed me the model was 88, the year was 1968.

I said that was impossible, I well remembered the day we got it in 1967. He patiently explained about cars coming out earlier than their years or some such and asked his second wrong question.

"Is this a family car?"

I said no, it was mine.

"IT'S REGISTERED in your name?" That was not what he asked, so I told him the station wagon was my husband's, the pick-up the hired hand's, the jitney the kids', but this one was MINE.

He politely but firmly said "It's a family car," again scribbled interminably and fired his third wrong question.

"THIS ROUTE 2, where is it?"

I told him gee, it went almost to Muleshoe, down through Needmore and Circleback, out to Bull Lake, through Sudan, and on up to the sandhills.

His blue eyes turned to steel, for some reason, but he still managed to retain politeness as well as a touch of acid in his voice.

"I MEAN ON what part of Route 2 is your house located?"

I told him we must be almost on the very end of it because we didn't get our mail until almost dinnertime.

Nice Mr. Cluck must be a very religious young man, because he closed his eyes in prayer, and I grabbed the chance to do a little praying myself.

"LADY, just how many miles in which direction from town is your house?"

I asked which town did he have in mind. I'll say this for Mr. Cluck and his training: they're both pretty great. I thought for a minute there he was going to go to pieces and cry, but right away he straightened up and regained his composure, which was more than I was able to do.

WHEN HE SPOKE again it was in a

low, slow, polite voice with the deadliness of a two-edged sword and I think I know now just how those people used to feel when they heard a gunslinger's last pronouncements before letting 'er rip.

"I have in mind the town named on your driver's license."

Well, we finally got that all straightened out, but I still insist that the correct question would have saved us both a lot of time, even though he never would have known all about Route 2.

THAT'S WHEN HE retreated to his radio. When he came back he asked me to please sign the ticket. Wondering if I should sign my given name like on my license, I asked how would he like for me to sign. Polite to the end, he said.

"Lady, just your usual signature, whatever in the world that could be."

"Literature" subject for Club program

Mrs. Margaret Masten, Morton High School English teacher, was guest speaker for the Literature and Ideas Study Club January 7.

The meeting was held in the home of Mrs. Ray Griffith with Mrs. Willard Henry as co-hostess.

Mrs. J. N. Leavitt was in charge of the program on Literature and Ideas.

Mrs. Masten pointed out how literature of the past had affected our government today by showing the impact of two books, "Uncle Tom's Cabin," written by Harriet Beecher Stowe and Thomas Paine's "Common Sense." "Mrs. Stowe's book was written 2 years prior to the Civil War and was claimed to be a direct cause of persuading so many people to turn against slavery and elect President Lincoln. "Common Sense" was written 6 months before the American Revolution and enough copies were sold for every literate person of that era to have read the book, this would equal 30 million people today," Mrs. Masten stated.

Following the program Mrs. Henry, president, conducted the business meeting. Mrs. Tom Livesay was unanimously voted in as a new member.

Members attending were: Mesdames Ross Shaw, W. L. Foust, Roy Hill, Alton Ainsworth, Henry, A. A. Fralin, J. N. Leavitt, Griffith, W. G. Freeland, Connie Gray, Joe Seagler, A. E. Sanders, Cheryl Inglis, Bob Spence and guests Mrs. Margaret Masten and Mrs. Bill Gray.

The next meeting will be held January 21 in the home of Mrs. LeRoy Johnson.

HIGH SALES PERFORMANCE...

A MORTON WOMAN was honored for outstanding achievement at a national awards banquet in Dallas January 9 at the Fairmont Hotel. Clara B. Williams was presented with a golden goblet for her record sales performance with Mary Kay Cosmetics, Inc., the Dallas-headquartered firm. The award was presented by Mary Kay Ash (left), chairman of the board, at the firm's sixth annual workshop attended by some 1,500 company representatives. The Golden Goblet award is one of the highest recognitions obtainable by consultants.

Services for local resident's daughter

Services for Mrs. Creta Herndon Scheibling, 59, were held January 10 in the Wheeler Mortuary Starlight Chapel in Portales, New Mexico. Burial was in the Portales Cemetery.

A member of an area pioneer ranching family, Mrs. Scheibling died Thursday following an extended illness.

She was the wife of Charles A. Scheibling. They were operators of the Herndon and Scheibling Ranch southeast of Dora. Mrs. Scheibling had lived in Roosevelt County all of her life. She attended Texas Christian University.

In addition to her husband, she is survived by her mother, Mrs. Ethel J. Herndon of Robert's Memorial Nursing Home, Morton.

The family requested that any memorials be made through the donor's favorite charity.

Easter Seals, 1919-1969 — Fifty Years of Faith, Hope and Therapy for the crippled are being celebrated this year nationwide.

TEN GAME WINNERS...

MORTON'S EIGHTH GRADE picked up their ninth and tenth wins in action this week. Pictured are standing left to right, Ricky Valenzuela, Charlie Ellis, Danny Berlanga, David Palmer, David Benares, Larry Thompson, Riece Stanmire,

Jerry Silhan, Randy Kuehler Mark Fluit, Steve Thomas. Kneeling are Billy Joyce, Randy Bedwell, Kevin Franks, Monte Smith, and Ralph Mason.

Eighth grade basketball team wins two, seventh, ninth split

Morton's junior high and freshmen teams split wins with opponents this week with only the eighth grade coming through unblemished.

Today, Morton's seventh, eighth and ninth grades host Plains teams for three games beginning at 5 p.m.

The eighth and ninth grade teams travel to Littlefield for Saturday morning action in the Littlefield junior high tournament. The eighth grade takes on Abernathy at 8 a.m. and the frosh will challenge Muleshoe at 9:30. Should both teams win, they will play in the finals at 5:30 for the eighth grade game, and at 7 for the freshmen.

Morton hosts Muleshoe for three games Monday beginning at 5 p.m.

The eighth grade stopped Denver City 44-28 Monday night for their tenth win against two losses. Larry Thompson scored 24 points as he paced the eighth graders to a come-from-behind win. A 14-point third quarter effort pulled the Indians ahead 32-27 after trailing 18-19 at halftime.

The seventh grade lost a 37-35 heart-

breaker to Denver City in an overtime affair Monday. Jimmy Hargis dumped in 24 for Morton.

In action at Denver City, Morton's freshmen team also dropped an overtime decision to the Mustangs, this game by a 69-65 margin. After trailing 28-29 at halftime, Morton roared back to tie the game as time ran out. Willie Harrison scored 21 and Ted Thomas had 17 for the Indians. Morton's frosh are now 7-3 for the season.

The freshmen's seventh win came against Brownfield last Thursday as Ted Thomas sparked a 38-53 win with 18 points. In a freshmen B game, Morton's squad took a 46-15 win as William Grant pumped in 12 points for the winners. The fresh B team is 1-1 for the season.

In action at Morton Thursday, the seventh and eighth grades took a pair of victories over Brownfield teams. The seventh grade romped to a 33-20 win on Hargis's 16 points. Larry Thompson's 14 points paced the eighth grade to a 35-23 victory in the second contest.

Savings bond interest rate now five percent

Secretary of the Treasury David M. Kennedy has announced an increase in the interest rate on United States Savings Bonds from 4.25 per cent to 5 per cent.

The new five percent rate applies to all outstanding Series E and H Bonds sold on or after June 1, 1969, if held to maturity. The higher rate also applies to older Bonds. Beginning with the first semi-annual interest period starting on or after June 1, 1969, rates on outstanding E and H Bonds will be increased to yield 5 per cent, when held to maturity or extended maturity. The original maturity of the Series E Bond has been shortened from 7 years to 5 years, 10 months; H Bonds will continue to mature in 10 years.

"Freedom Shares" (U. S. Savings Notes) — sold in combination with E Bonds, since May 1, 1967 will be removed from sale effective June 30, 1970.

Accent on health

Are the so-called "childhood diseases" limited only to children and do adults have an immunity to them?

Not so, says the Texas State Department of Health.

The childhood diseases are a myth. The fact is that these diseases are so contagious among children that most people have had them by adulthood and thereby have developed immunity. But adults can and do catch them, and when they do they are sometimes much sicker than children.

Two of these so-called childhood diseases — mumps and German measles (rubella) — have special dangers for the adult patient. Mumps can be damaging to both adult men and women. And German measles, when occurring in the early part of pregnancy, can result in damage to the unborn child. A new vaccine may eventually lead to the eradication of German measles, but there is a danger until all women in the child-bearing years have been immunized against it.

So, if you are exposed to any "childhood" disease and believe you have never had it, ask your doctor what you can do to protect yourself.

It is extremely important that you and your children keep protection against smallpox up to date. True, the absence of smallpox in this country has led to a lack of public concern about this serious disease, and large segments of the adult population are unvaccinated or require boosters. In some parts of the world smallpox continues to be a serious problem.

If just one single undetected smallpox case should be introduced into a U.S. community, it could touch off a serious epidemic.

Is it true that a baby is protected by his "natural immunity" acquired from his mother? Some of a mother's natural or acquired immunities, if any, can be passed on to her unborn infant as her blood courses through the placenta that nourishes him, but this inherited immunity remains effective for only a short time.

In the case of whooping cough, a highly contagious disease that is especially dangerous and often fatal for small babies, there is evidence that immunity is only occasionally passed on.

Every parent, advises the State Health Department, should plan an immunization program beginning at six weeks of age against diphtheria, whooping cough, tetanus, poliomyelitis and smallpox. Booster shots to maintain complete protection should follow at prescribed intervals throughout childhood and, in the case of certain diseases, well into adult life.
