

# Indians smash Dimmitt in bi-district, 81-59

The "underdog" Morton Indians put the bite on Dimmitt and chased the Bobcats out of South Plains College's Texas Dome Tuesday night with a rousing 81-59 blitzing and thus claimed the bi-district crown.

The win advances the Tribe into the AA Regional Tournament to be played Saturday at Municipal Coliseum in Lubbock. The Indians will play McCamey at 1:00 p.m. Saturday, with the winner advancing into the finals that night.

The fantastic Indians impressed some 2500 area fans with their gummy shooting and good defense as they stopped Dimmitt's high scoring Bobby Baker and methodically cut into Dimmitt's defenses with inside and outside shooting. Baker,

coming into Tuesday's game with a 25.6 season average, managed only 14 points.

Although the Tribe racked up 81 points, their shooting average was only 42 per cent for the game, but the big difference came at the free throw line. The Indians clipped in 25 of 31 free shots, displaying their best performance of the year in that department. Terry Harvey, high man for the game with 22 points, scored 14 of 16 attempts from the charity line.

Morton had to overcome a six-point deficit during the first period as the Bobcats jumped out in front after both teams had gotten off to a sluggish start. Morton missed his first five field goal attempts, but Keith Embry connected for two points to tie the game at 3-3. Dimmitt jumped

ahead, 11-5, but the Tribe regained the lead on baskets by Harvey, George Pritchett and Embry. The lead exchanged hands again and the Bobcats led 18-17 as the first period ended.

The second quarter told the story in the crucial game. Dimmitt took a brief 20-17 lead in the early seconds, but the Indians jumped ahead to stay by outscoring the Bobcats 11-0 within two minutes and led 28-20 on free throws and field goals by Harvey and Pritchett. Big George hit a perfect four of four from the free throw line in scoring 16 points during the game.

The Indians widened their lead to nine points on a basket by Elton Patton with three minutes left in the half and main-

tained that lead when Stan Coffman hit a 20-footer as the first half faded into history.

Morton fans found themselves squirming in their seats as the third quarter got underway. Terry Harvey turned an ankle and came off the floor limping after a minute and a half had passed. The Tribe was leading 42-31 at that point, but that margin melted to 42-35 in just thirty seconds. Then Pritchett and M. C. Collins found the range for four points, Harvey came back in and promptly pumped in a pair of free tosses, and the Tribe was back out in front 52-38, and from that point, the Bobcats never got closer

### Annual stock show opens 3-day run Thursday

Plans were completed Wednesday for what is expected to be the biggest and best Cochran County Junior Fat Stock Show in history scheduled for Thursday, Friday and Saturday.

There were a total of 256 entries in the three divisions of Swine, Lambs and Calves when the entry deadline was reached at 5 p.m. Monday. This exceeds by several dozen the large entry list of last year's fine show. The division totals are 150 swine, 84 lambs and 22 calves.

The schedule for the three-day show is as follows:

County show barns open to receive animals at 10 a.m. Thursday.

All animals must be in place by 5:30 p.m. Thursday.

Lambs to be classified by the show judge at 8:15 Friday morning.

Judging of swine will begin at 9 a.m. Friday.

Judging of lambs will begin at 1 p.m. Friday.

Judging of calves will begin at 2 p.m. Friday.

The stock show sale originally sched-

#### BULLETIN

The Tribune received word at press time that the date and time of the stock show sale has been changed. To avoid a conflict with the regional basketball tournament, in which MHS is participating in Lubbock at 1 p.m. Saturday, the time of the sale has been changed from 2 p.m. Saturday to 7:30 p.m. Friday. This will allow those interested to attend both events. That is 7:30 p.m. Friday, Feb. 27, for the stock show sale.

ed for 2 p.m. Saturday will now be held at 7:30 p.m. Friday.

Judge for this year's show was announced as Stanley Westbrook, associate professor of animal husbandry at Tarleton State College. Show superintendent will again be Bobby Neal of Whiteface, who served in the same capacity last year.

Division superintendents will be Truman Murdock, Cattle Division; Dwayne Cookston, Swine and Alvin Gladden, Sheep.

The only major change in the show this year will be the institution of guaranteed bids for all animals, county agent Roy McClung informed the Tribune. Show officials will keep a record of all the animals they desire guaranteed bids on and

### Easter Seal chairman Glenn Thompson asks for heavy participation

Easter Seal Appeal letters are being delivered this week in Cochran County, according to Glen W. Thompson, who is the County Easter Seal Representative for the Easter Seal Society for Crippled Children and Adults of Texas.

As Representative, Mr. Thompson serves as local contact for disabled persons needing Easter Seal rehabilitation services and also is treasurer of the Easter Seal Appeal in Morton.

The Easter Seal Society offers physical and occupational therapy, speech and hearing programs, and special equipment loans to enable disabled persons to make the best use of their abilities to overcome handicaps. These services are financed by the Annual Easter Seal Appeal.

The Society also provided for research into the causes and cures of crippling conditions, finances public education programs, and provides scholarships for training of professional personnel to staff rehabilitation centers.

He pointed out that all of these programs are important if Texas is going to continue to provide the best in rehabilitation services for its own disabled citizens.

During 1969, the Texas Easter Seal Society helped to provide treatment and services to 20,378 children and adults who were in need of rehabilitation services. These services are available to any disabled person who can benefit from help provided by the Easter Seal Society, Thompson added.

The 1970 Easter Seal Campaign will run through Easter Sunday, March 29.

#### TWO POINTS FOR MORTON...

INDIAN TERRY HARVEY, an All-South Plains basketball selection, drives past another All-South Plains performer, Bobby Baker, of Dimmitt for two points in the Morton-Dimmitt bi-district scrap at Levelland Tuesday night. Harvey, with 22 points, led the local five to a decisive 81-59 win over the Bobcats. The Indians now meet McCamey at 1 p.m., Saturday, in the regional tournament at Lubbock.

### Whillock named South Plains AA basketball 'Coach of Year'

Morton's head basketball coach and athletic director Ted Whillock, after experiencing the best season ever in his coaching career, was amply rewarded Tuesday by being named Coach of the Year in class AA for the South Plains.

Two members of the Indians' basketball squad were named also to the All-South Plains team by the Avalanche Journal. Honors Terry Harvey and M. C. Collins lined eight other regional players on the local team.

Then, Tuesday night, Whillock's Indians displayed that they were the best team in the South Plains by convincing Dimmitt and 2500 fans with an 81-59 win in bi-district play.

Whillock gave all the credit to his team for the honor. "They're the ones who made it all possible," he pointed out Tuesday afternoon. "We didn't outcoach anybody."

The Lubbock Avalanche-Journal cited

Whillock's work with a young ballclub as the reason for his selection. His secret for working with a club that started three juniors and two sophomores was simple. "I gave the boys more freedom with a one-on-one offense." That pattern paid off well for the Tribe. No one player ever dominated team scoring and to have four or five players in double figures was not an uncommon occurrence during Indian games. Four starters hit ten or more points against Dimmitt Tuesday night.

Collins is averaging 14.6 points per game, Harvey, 14.5, indicative of the Indians' good team balance which is important to this year's success story.

Collins and Harvey joined Bobby Baker and Mark Wohlegmuth of Dimmitt on the all-star team. Also included were Boyd Noble, Post's 6-11 giant, and Neff Walker, Tracy Dickson and Raymond Sterling of Lockney, Jake Rogans of Frenship, and Doug Hubbard of Denver City. The first and second place teams of each district dominated the team with two players each.

#### Country jamboree

There will be an Old Country Music Jamboree Saturday, February 28, from 8 to 11 p.m. at the Cochran County Activity Building.

Everyone who likes to play, sing, or listen to country, western, blue grass, folk, religious and spiritual music is invited to attend.

There will be no admission fee and the jamboree is sponsored by the Morton Area Chamber of Commerce.

This will be the first of the talent shows to be held the last Saturday of each month that it is hoped will culminate in the staging of a full-fledged annual or semi-annual show in Morton.

Many talented individuals and groups have been secured for this first jamboree, some from as far away as Andrews and Lamosa, so don't miss this opportunity to see and hear them. Bring the family!

### School, lumber company office break-ins under investigation

Investigation of two break-ins kept Morton police on their toes during the past week.

The burglary largest in scope was one that took place in the Morton Elementary school some time during the night of Feb. 22-23. The intruder or intruders gained entrance by cutting the screen and breaking the window in the teachers lounge where they broke open two soft drink machines and removed the change they contained.

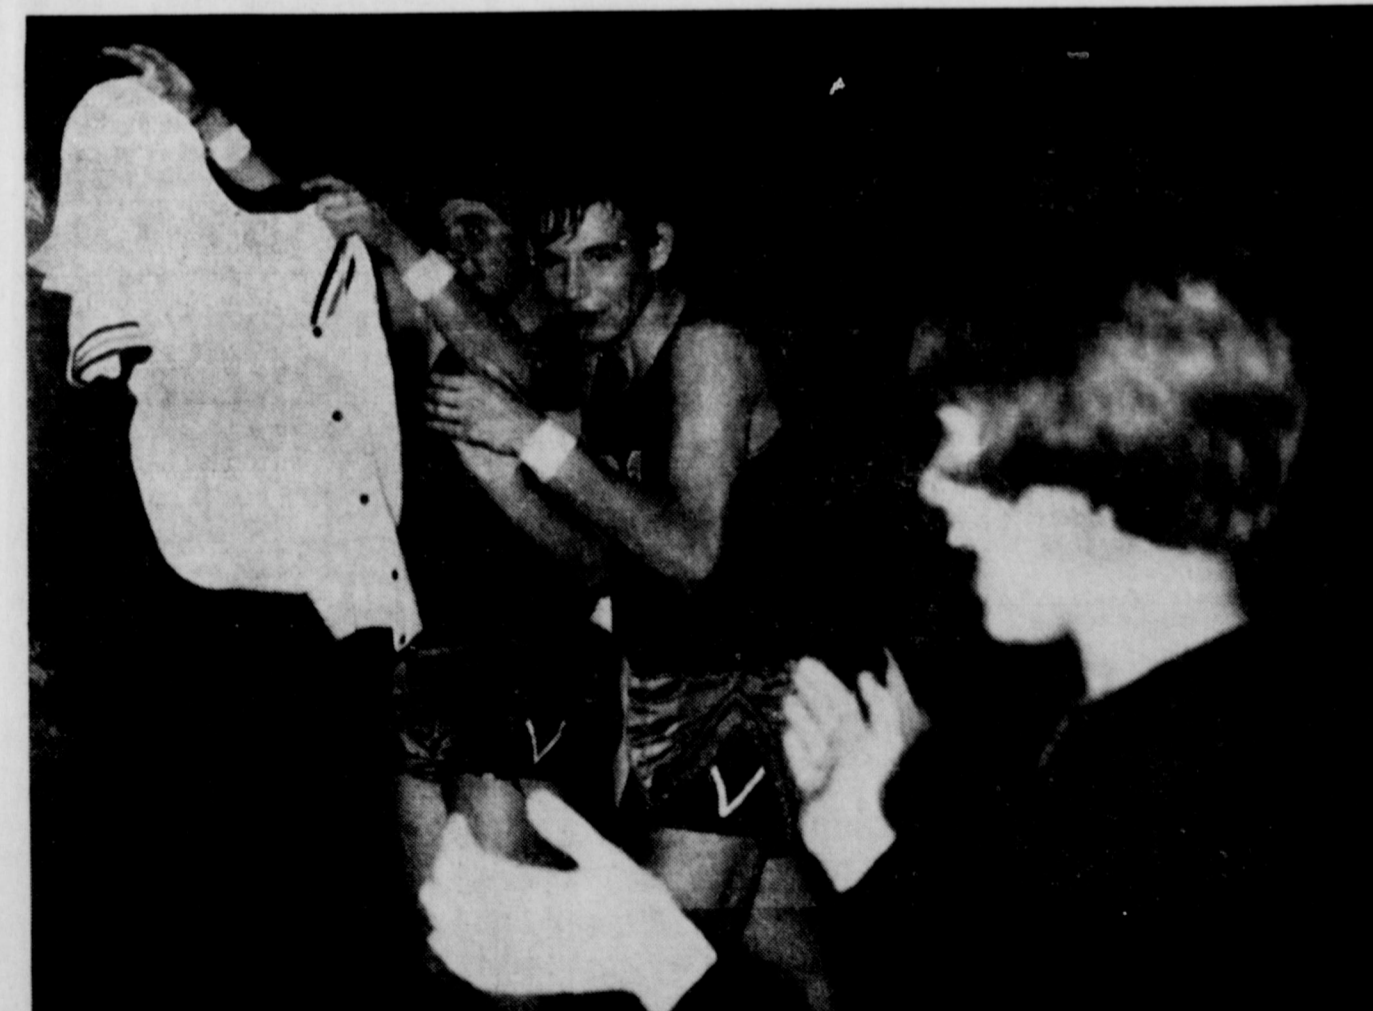

An indication that they knew what they were about is the fact that they pried open the door to Principal Harrold Drennan's office and obtained the keys to all the vending machines in the schools cafeteria. These they were then able to ransack without inflicting any damage while entering.

The entire haul from the burglary was estimated by chief of police Charley Ellis at approximately \$65. No estimate of the cost of the damage was available.

The other break-in occurred Thursday night at the Forrest Lumber Company office where thieves struck for the second time within a few weeks.

The burglar or burglars entered by prying the door open on the south side of the building. An estimated 15-20 pocket knives were taken and the hinges to a large steel safe were knocked off, Ellis said. No entry was made into the safe, however, he added.

Participants, all juveniles, in the earlier break-in at the same office have been apprehended and punished, Ellis reported. All are on probation at the present time.

#### HAPPINESS IS... WINNING BI-DISTRICT...

INDIAN BASKETBALLERS M. C. Collins, left, and Stan Coffman, are applauded by a Morton cheerleader at the final buzzer of the bi-district game, won by Morton over Dimmitt 81-59, in Levelland Tuesday night. The decisive

victory put the Indians into the regional tournament at Lubbock, where they take on the McCamey Bulldogs at 1 p.m., Saturday. Only two more wins will give the Morton boys a trip to Austin for the state finals.

## Letter to the editor

Mr. Bill Sayers, Editor  
Morton Tribune  
Morton, Texas.  
Dear Mr. Sayers:

With the solar eclipse due March 7, 1970, there will be scores of people across the nation who will be either partially or totally blinded trying to see this rare phenomenon. You might wish to warn your readers of some of the hazards

since many people still believe that they can view an eclipse comfortably and safely with various home-made devices all the way from a smoked glass to dark photographic film sheets. This simply is a mistaken idea. The only safe way is to wait and view it on television after professionals have made pictures of the event.

The real danger comes from the invisible infra-red rays which can cause damaging burns to the eye's light-sensitive retina in a manner similar to the way a magnifying glass will focus the sun's rays on a piece of paper and burn a hole in it. The retina, not being sensitive to pain, would hardly feel a retinal burn at the time. However, all vision specialists realize retinal burns are incurable and produce a blind spot. Should the burn be in the vital macula area (point of most central vision) the patient would most likely lose all usable central vision in that eye permanently.

Other complications of solar damage seen by eye specialists following the last partial eclipse of the sun on May 20, 1966, include bilateral central scotomata, macular hole, severe macular edema, persistent paracentral scotomata, bilateral macular lesions, macular burn, obstruction of central retinal vessels, retinal hemorrhages, etc.

I hope it is possible for the people of our area to get by without a single incident of damage. This is only possible

if they fully understand the dangers. The only recommended way to view an eclipse is indirectly. This can be done by taking two pieces of white cardboard and making a pinhole in one, then with the sun on your back focus the eclipse image through the pinhole board onto the second cardboard. Better yet, wait and see it on TV!

Sincerely yours,

## New Camaro. Feb. 26th.

We've never announced a car at this time before. But then nobody's ever announced a car like this before.

### Super Hugger

If it were an ordinary sportster, we'd have introduced it at the ordinary time.

Instead, we took the time to build a whole new Camaro.

We started with a sleek new shape and a low road-hugging stance.

And added more hood. A faster fastback. Wider doors. And new deeply contoured bucket seats.

The instrument panel wraps around you. With enough dials to make you think you're piloting a 747.

There are four transmissions. And six power plants up to the Turbo-Jet 396 V8 that you can order.

Pick the one that best suits your driving. Then go pick on an open road.

And make it one with plenty of twisting turns. Because Camaro has a remarkable new suspension.

And standard front disc brakes for a leech-like grip on the road.

New Camaro. The Super Hugger.

Other sportsters always feared it might come to this.

And they were right. Only their timing was wrong.

Putting you first, keeps us first.

See it. At your Chevrolet Sports Dept.

Camaro Sport Coupe with RS equipment.

### Boy Scout campaign kickoff breakfast set

Leonard Groves, chairman of the Boy Scout Sustaining Membership Enrollment in Morton announces that the kickoff meeting for this year's enrollment will be held on March 4 at 7 a.m. in the County Activities Building.

A large number of local citizens have signed up to help with this year's effort. The contributions of the Sustaining Members enrolled will be used to support the work of the South Plains Boy Scout Council, Groves said.

The council and its districts provide services such as camping and training equipment and facilities, badges of rank for boys, camporees, swim meets, Scout-o-Ramas, and the services of a full-time staff of Scout executives, an office staff, and a camp ranger at Camp Post. All of these services are designed to support the Cub packs, Scout troops, and Explorer posts in which volunteer leaders provide a Program that directly affects the boys who are Cub Scouts, Boy Scouts, and Explorers.

The council receives its financial support only through the contributions made in Sustaining Membership enrollments and through participation in United Funds. Chairman Groves expressed the hope that every one contacted in Morton will enroll as a sustaining member so that boys and their volunteer leaders can continue to enroll as active members in the Boy Scouts of America.

will so designate them at the sale, McClung said.

"This will take much of the pressure off the local buyer and allow the exhibitor to show his animal in subsequent shows and afford him an opportunity to make more money than he could in the past without the guaranteed bid," he added.

Prizes in the various division of the show had not been announced at press time but are expected to total approximately the same as those awarded last year.

The 1969 prizes totaled \$726.50, with the showmanship and herdsman awards bringing \$60 each. It is expected that these same awards will be made this year.

The showmanship award is decided on the manner in which the animal is presented; the dress and manner of the exhibitor; and the manner in which the animal is trained and fitted for showing.

The herdsman award is based on the kind and condition of the animal's bedding — a clean and damp isle to keep down the dust appearance of the animal and exhibitor and conduct and discipline of the exhibitors.

The first two animals, or the top 25 percent of each class, whichever is greater, will sell at the public auction in the order of their placing. The rest will sell at the packer buyer auction, if so desired, by the exhibitor. The champion and reserve champion of each division must sell in the auction.

Auctioneer for the sale is expected again this year to be Hank Mathews, an old-timer in the trade, from Levelland.

The public is urged to attend the stock show and see the results of the efforts of the Future Farmers of America and the 4-H club members in getting these animals ready for the annual show.

Great effort on the part of the boys and girls involved has been made to make this an outstanding show and both their parents and the general public will be given an opportunity to see the results of their work and to encourage them by their support.

### Texas Public School week to be observed March 2 through 6

Texas Public School week will be observed with an open house at the elementary school in Morton March 3 from 7 till 9 p.m. According to Principal Harold Drennan, each room will be open to parents and friends and students work will be on display.

Fred Weaver, high school principal, has announced a new program will be used at both Junior and Senior High Schools.

Parents are urged to register Monday, March 2, to attend one or more classes with the students March 3, 4 or 5. "Classes may be attended with your child, or if you prefer, any class which might be of interest," Weaver stated. He also said they are most anxious for people to sign up as guest lecturers. This would mean lecturing to a particular class on the benefits of the class room work in later years as to its relation to business. It is also hoped some of the parents will register as teacher's aids. Persons wishing to volunteer may do so at registration March 2.

Winding up Texas Public School Week will be a District 17 Teacher's Meeting in Lubbock. Morton schools will be out Friday so all teachers may attend.

"This program for the Junior High and High School is something new and we are hoping will be beneficial to both parents and students, with good participation, we feel it can be," Weaver summed up the week of observances.

### Busy Finger Club meets in Miller home

The Busy Fingers Sewing Club met in the home of Mrs. W. L. Miller February 19.

Mrs. Willie Rose was welcomed as a new member to the club.

Mrs. Miller presented the program on "finding and sharing a friend."

Members attending were: Mesdames W. E. Childs, F. L. Fred, Rolly Hill, W. L. Taylor, A. R. Lindsey, W. L. Barrett, Clayton Stokes, Rose and two visitors, Mrs. Young and Mrs. Reeves.

The next meeting will be in the home of Mrs. Hill March 5.

That was misery turned to pure pain as Dimmitt fans as Baker left the game the foul route during the early minutes of the fourth quarter and then the Indians' well-equipped bench of substitutes went to work to rack up the 81-59 win.

# Texas Little League training center, expansion is planned

Plans for a Texas State operational and training center, increased league enrollment to accommodate upward of 100,000 youngsters and an attractive new tournament program spanning the Lone Star State are now taking shape, according to P. J. McGovern, President and Chairman of the Board of Directors of Little League Baseball.

In noting the growth of the Little League movement in Texas to almost 500 chartered leagues, McGovern said the Board envisioned the establishment of a centrally located Training Center and Headquarters to provide facilities and services for an expanding corps of adult volunteers who operate Little League in hundreds of Texas communities.

He declared the tremendous potential for increased enrollment of leagues and additional thousands of youngsters now coming of Little League age, has underscored the necessity to create a central facility in the State. A series of important meetings across the State will be kicked off with a major meeting in El Paso, March 3, 1970.

McGovern said field directors throughout the state as well as the staff of international headquarters at Williamsport, Pa., will now furnish assistance to local leagues as well as to new groups in advance of the 1970 season. They will help formulate plans for a series of new and important tournaments to determine a

state champion which might advance to the annual little league world series, which brings together national entries from all over the world.

To those communities which presently do have Little League Baseball — the only sports activity in the United States to hold Congressional Charter — McGovern directed an invitation to communicate with Headquarters at Williamsport. He said the field organization of experienced volunteers would be pleased to provide any assistance. Many communities, McGovern noted, now have active baseball programs for children of Little League age and the opportunity to enroll for the 1970 season could be reviewed with Little League representatives.

Kelly Travis served refreshments and taught a game.

## Mrs. Leavitt selected as outstanding leader

Mrs. Frances Elizabeth Leavitt, Morton mathematics teacher, has been selected to appear in the 1969 edition of Personalities of the West and Midwest.

The publication is published annually to recognize outstanding leaders in the West and Midwest. Mrs. Leavitt was among 4,000 citizens selected from the western states. Biographies chosen for this publication have contributed to the life of their community either by professional or civic activities.

Personalities are selected from nominations received from colleges and universities, businesses, civic clubs, national associations, and individuals.

Mrs. Leavitt is a member of the N.E.A., T.S.T.A., the National Council Teachers of Math and the Town and Country Study Club. She has taught adult classes in bookkeeping, has been a volunteer worker for various charitable drives, is a member of the Delta Kappa Gamma and is a participant in National Science Foundation Institutes for Math Teachers. She is a member of the Church of Christ.

## Comments on Conservation

By Wayne Wilcox

In discussing the use of this column with Editor Bill Sayers, it was mentioned that the column might not always deal strictly with conservation. Bill said, "You by-line it and put anything you want in it and it is your responsibility." So . . . don't blame Bill if something you read in this column should "go against the grain."

Week-ends are spent in Lamesa with the family. On visits back down that way, friends are always asking "How do you like Morton?" My standard reply is: "I like Morton and the people of Cochran County just fine — I went up there with the intention of liking the country and the people."

Our likes or dislikes for people, places and things are often determined by pre-

conceived ideas. This is especially true with some conservation practices as terraces. A person can make up his mind to be unhappy with the most feasible system of parallel terraces that can be installed and he will be unhappy with them. His unhappiness may change only when he realizes added income through getting to use 30 to 50 more acres the rainfall to make a crop.

There seems to be no such thing as peaceful assembly anymore. And the who "march for peace" appear to be the most violent of all. H. F. Doherty, The Cavalier County (N-Dak.) Representative.

## Mrs. Hensley hosts Whiteface Garden Club

Plans for the new Yearbook and the annual pilgrimage to an interesting garden spot were the main topics of discussion at the meeting of the Whiteface Garden Club in the home of Mrs. R. D. Hensley, Sr., February 16.

Mrs. O. F. Hemphill and Mrs. Jerry Marks will be delegates to the District I Spring Convention at Midland March 16 and 17.

Local projects and the possible addition of new ones brought much favorable comment from the members. The Park Iris beds have provided many beautiful blooms both in the spring and in the fall, however more space for the Iris will be needed. The King Alfred Daffodils are providing a very bright spot in the Elementary School flower bed.

It was announced the Flower School No. 3 will be held in Lubbock April 22 and 23 and plans were made for as many members as possible to attend at least one of the days of school.

Mrs. Hemphill closed the meeting with a reading of the poem "Upward."

Present were Mesdames R. K. McCoy, S. J. Bills, Ed Jennings, Jerry Marks, O. F. Hemphill, G. C. Keith and the hostess.

The next meeting will be March 16 in the home of Mrs. Ed Jennings. The program will be on "Annuals" with an exhibit of some of the seed packets or pictures of Annuals to be planted in the Spring.

## Mrs. Hale hosts Busy Bee Club

The Busy Bee 4-H Cooking Club met Monday, February 23, in the home of Mrs. E. C. Hale.

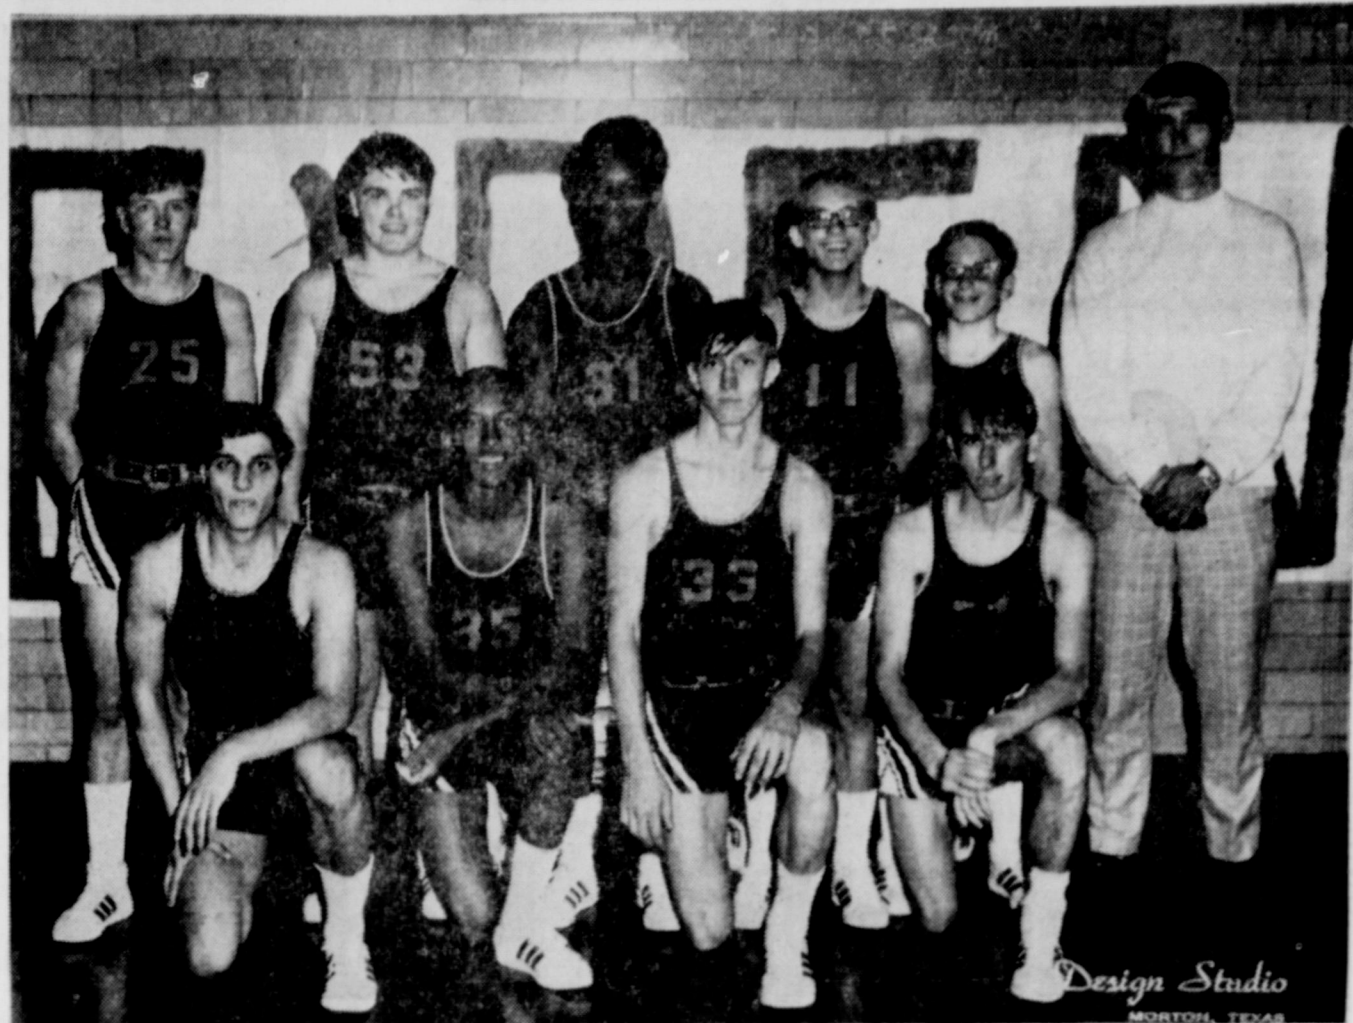

Plans for a party and the cooking contests were discussed.

Prepared by the members of the club for their evening meal were baked chicken, mashed potatoes, asparagus, pineapple and cottage cheese salad and cherry-banana pie.

Attending were: Mary Jo Hudson, Michele Ray, Shona Autry and Susan Cadenhead.

## Study Club hosts skating party

The social committee of the Emlea Smith Junior Study Club entertained their members and their husbands at a Valentine Skating Party at the local rink Thursday, February 12.

## PROVIDE STRENGTH FOR FUTURE...

THE MORTON HIGH SCHOOL basketball "B" Team members pictured above, have displayed the skills in running up a season record of 19 wins and four losses, that shows much promise for varsity strength in the future. In their final game of the season, they defeated a well-

regarded Idalou "B" Team by a margin of 71-40. From left, kneeling, are Charlie Marina, Bryant Lewis, Dee Woolam and Steve Crockett. Standing, left to right, Haskel Lamar, Mike Bryan, Willie Holland, Eddie Turney, Rush Coffman and Coach Doug Reed.

## New federal order can mean improved mail service for area

Postmaster Murray L. Crone said today that a new order from Postmaster General Winton M. Blount will mean substantial improvements in mail delivery services.

Postmaster General Blount has advised the local postmaster of provisions of a new order making home delivery services available for the first time to 4 million Americans.

The service improvement applies to persons served out of 18,700 first, second and third class post offices over the country that do not have city delivery services. Affected are those postal customers living more than a quarter mile away from these offices and less than a half mile away. Persons living less than half a mile away previously had not been provided this service.

Discussing the local area effects of Mr. Blount's new order, Postmaster Crone explained: "Patrons of the Morton post office will not be affected, but the change could benefit patrons of the post offices at Bledsoe, Maple, Enochs and Bula.

To get the new service it is only necessary that those living in the eligible areas ask their postmasters to provide it, and a majority of those to be served must want the home service.

Under Mr. Blount's order, those living less than a quarter mile from the post

office will continue to pick up their mail at these offices.

"But," the postmaster noted, "that's no more than a few blocks. This order, however, will make the home deliveries available wherever desired by the majority of those living beyond a quarter mile.

"This distance factor can be significant for much of the year in areas where severe weather conditions prevail; in areas where large numbers of older persons

are living, or in more remote sections where even a little distance may mean a lot in terms of travel difficulties."

The expansion of services should be virtually complete in all of the affected delivery service areas under actions taken by postal regional offices, acting on recommendations of local postmasters by February 1, 1971.

It will be accomplished principally by adding delivery stops to already existing rural delivery routes, or by expanding the area served by some shorter rural routes for the purpose, and, a limited number of new rural routes may be needed in other instances.

The fact that fewer persons will be calling at post offices for their mail will not alter the independent status of any of the post offices where the service is provided.

## DUTCH GIPSON

B. Riddle of Seminole enjoyed a visit with his mother, Mrs. L. W. Barrett this week.

"Come and Go" tea honoring Mr. and Mrs. Carol Jean Baldrige and family was given Tuesday night in the home of Mr. and Mrs. Herman Bedwell. Many friends called during the evening and wish them much happiness in their new home.

Mrs. W. S. Cooper and Mr. and Mrs. A. Williams of Bula accompanied his mother, Mrs. Williams, to Lubbock where she underwent surgery in Methodist Hospital.

Mrs. M. C. Ledbetter and Mrs. James St. Clair left Monday morning for Fort Worth. Mrs. Ledbetter will attend a pink and blue shower honoring her daughter, Mrs. Glynis Kuehler. Mrs. St. Clair will be met by Mr. and Mrs. John St. Clair Denton for a short visit while a guest in Fort Worth.

Jard Cooper, age 81, of Roscoe, suddenly passed away last Monday afternoon at his home. Funeral services were held Wednesday morning with burial in Roscoe cemetery. Survivors include his wife and three children and a son, W. S. Cooper of Morton. Mr. and Mrs. Cooper in response to the message left to attend the service.

Mr. and Mrs. Hume Russell left Friday for Estelle to spend a joint anniversary celebration with Mr. and Mrs. Hume Clifton. The Russells and Cliftons, if all possible, celebrate their anniversary together since some 45 years ago they enjoyed a double wedding. Later the Russells drove to Fort Worth to attend an introductory reception for their son and family, Mr. and Mrs. Jack Russell, David and Mary Ann. The Russells were in the evening line in Richland Hills where Jack is City Manager. The Russells returned home Monday.

Mr. and Mrs. L. W. Bartlett have as their house guests this week Mrs. Bartlett's sisters of Plains, Mrs. Lula Simpson and Miss Ada O'Neil.

Mr. Truett Fincher, grandson of Mrs. W. Barrett, visited in Morton Monday. Mrs. Thelma Routt, 54, sister of Jack Baker, died February 5 in Amarillo. Services were held in Paris under the direction of Leverett and Steel Funeral Directors. Those attending the funeral from

Morton were: Mr. and Mrs. Jack Baker, Mr. and Mrs. R. H. Baker, Mr. and Mrs. Billy Simpson and Mr. and Mrs. C. A. Tanner.

Mr. and Mrs. James Walker, Steve and Jimmy spent last weekend with Mrs. Walker's mother in Memphis.

Mr. and Mrs. G. G. Nesbitt and Mrs. Louise Talley and sons, Mr. and Mrs. Bobby L. Taylor and Miss Lynda Nesbitt all of Morton and Mr. and Mrs. Floyd Nesbitt and Niki of Levelland attended the wedding and reception of the Nesbitts grandson, Bill Shields, of Idalou to Miss Sheryl Pitts, daughter of Mrs. Shirley Pitts of Lubbock. Allen Nesbitt of Morton served as best man. Bill is the son of Mr. and Mrs. Walter W. Shields of Idalou and also the grandson of Mrs. Mary Smith. The Shields and Mrs. Smith are former Morton residents.

Friends of Mrs. Donnie Baker surprised her with a pink and blue shower Wednesday morning in the home of Mrs. Buford Elliott. Friends called and gifts were extended to her.

## Leon Patterson rites scheduled today in First Baptist Church

Funeral services for Leon Weldon Patterson, 51, will be held at 2 p.m. today in the First Baptist Church.

Rev. Paul McClung will officiate and interment will be in Morton Memorial Cemetery under the direction of Singleton Funeral Home.

Patterson, a Cochran County resident since 1940, passed away at Cochran Memorial Hospital Tuesday, February 24, at 1 a.m.

He is survived by his wife, Frenchie; two daughters, Mrs. Marshall Ann Zuber and Mrs. Peggy Ramp of Morton; two sons, Bobby of Midland and Mickey, who is serving with the US Marine Corp; one sister, Mrs. John Taquino of San Antonio and five grandchildren.

## Tribe meets McCamey in first regional tilt at Lubbock Saturday

For the first time in twelve years, the Morton Indians will once again visit the huge confines of Lubbock Municipal Coliseum to do battle in the Region I-AA Tournament.

The AA games will begin at 11:30 and at 1 p.m. The finals will match the winners at 8:30 Saturday night.

Joining Morton will be Coleman, McCamey, and Quanah. Full pairings or game times were not known at press time, but they will be announced in the Lubbock Avalanche-Journal. It is known that Morton will play McCamey at 1 p.m. Saturday.

Three top tournaments will be occurring at the 10,000 seat gymnasium. The AAA powers square off for a pair of games Friday night with the finals set for

## Rites held for local resident's brother

Funeral Services were held for R. B. Graham of Portales, N.M. and brother of Mrs. J. W. McDermott of Morton Tuesday, February 24, in Wheeler Starlight Chapel in Portales.

Rev. Earnest Wheeler, Jr., and Rev. Sam Sowder officiated. Interment was in the Portales Cemetery.

Graham passed away Sunday, February 22, at 1 p.m. in Methodist Hospital in Lubbock.

Mr. Graham is survived by his wife, Nella, his mother and father of Portales; one brother, Arlis of Crosbyton; and two sisters, Mrs. Deon Autray of Friona and Mrs. McDermott.

## Campfire Girls meet February 24

The Wa-O-Ke-Ya Campfire Girls met Tuesday, February 24, in the Junior High School Building.

Earlene Evans was elected President, Wyn Crone was elected Vice President, Julie Brown, Secretary-Treasurer and Sherrill Taylor, reporter.

Attending the meeting were: Shelia Davis, Debra York and Venita Sandifer.

Saturday at 4 p.m. Class A play will get underway Saturday morning at 8:30 with another game at 10. The class A finals begin at 7 p.m. Saturday night. Fans should be prepared to pay admission to three sessions Saturday.

The Indians advanced to the regional tournament in 1938, then competing in class A, but were knocked out in the opening game by Plains, a team that advanced to state with a one-point win over Gruver in the finals.

Little information is available on the other AA teams in the tournament. All four are newcomers to regional play. Last

year, Dimmitt, Spearman, Crane, and Clyde squared off and Crane took the championship with a strong shellacking of Dimmitt.

The Indians put together one of their best games of the year in advancing to regional play by blitzing Dimmitt 81-59 Tuesday night. Coleman blasted Eastland, 72-50, in their bi-district game Monday night at Brownwood.

Quanah stopped Phillips, 60-53, in a game played at Canyon Tuesday night, and McCamey advanced to the playoffs by defeating El Paso Parkland, 72-69, at Van Horn Tuesday.
