## Indians plot Cowboy ambush

A shiny new press box, fancy fiberglass seats, and football team with a new look will be on display for Morton fans Friday night as the Indians begin their eleventh season in class AA competition.

The Tribe will host the Plains Cowboys in the 8 p.m. contest.

Friday's clash is somewhat of a rematch of last year's affair at Plains. Both teams knew little about one another then and were caught in rebuilding years. Morton downed Plains, 34-0, and moved on to a 5-5 season mark while the Cowboys managed only one win against eight losses and a tie.

But the Cowboys are expected to be much stronger this year as they will field ten returning starters offensively and defensively. The Pokes have already proven their new strengths with scrimmage victories over Iraan and Tatum by not allowing a touchdown in either contest. Morton scouts were impressed with the Cowboys' defensive showings.

Plains' footballers are trying to get back into their former winning ways and are hoping that this is the year. Cowboy coach Jim Warren told a Lubbock Avalanche-Journal reporter earlier this year that "we consider ourselves contenders this year" and emphasized his point by displaying 18 returning lettermen.

But the Cowboys, much like Morton, are a young team. Several sophomores will be in the starting lineup.

The Morton Indians impressed their coaches this week in workouts as final preparations were made for Friday's season opener, but an air of uncertainty hung over the Tribe's dressing room as the injury list was spelled out. Possible absences from the Plains game include fullback Terry Harvey, linemen Steve Croc-

### GRINDING IT OUT . . .

THE MORTON INDIAN FOOTBALL TEAM received a severe test when it tangled with highly-rated Seagraves in a controlled game-type scrimmage on the Eagle's home field Friday. The Tribe made a good account of itself and show-

ed considerable potential in tying the number one rated Class A school in the state. Shown firing a long-gainer pass is left-handed Indian quarterback Stan Coffman.

### Farm house burglars get rifles, shotguns in breakin Friday

Guns and ammunition with a value amounting into the hundreds of dollars were taken in a farm house burglary that occurred some time Friday, according to reports at the Cochran county sheriff's office.

Two rifles and two shotguns along with approximately 100 rounds of 30.06 calibre ammunition were taken from the Jimmy Richardson farm home located about nine miles northwest of town, the report states. Exact time of the burglary is not known as the occupants had been away during the day and early evening. The breakin was reported to the sheriff's office at 8 p.m. Friday by Linda Phillips, Richardson's daughter.

Included in the theft was a 12 gauge shotgun, a 16 gauge shotgun, a .22 calibre rifle with a high-power scope and a .22 calibre pump action rifle. Though the thieves took the rifle ammunition, they passed up \$75 worth of shotgun ammunition that was stored very near the rifles and shotguns.

Investigation is continuing, with no definite leads in sight as yet, Sheriff Hazel Hancock stated Wednesday.

### Tribe scrimmage showing may indicate brighter days ahead

The Morton Indians served notice last week that they expect to give their opponents a rough time this season as the Tribe matched the highly-rated Seagraves Eagles touchdown-for-touchdown in a Friday afternoon scrimmage session.

Both teams scored two touchdowns in the simulated game, but the Indians impressed their coaches and the few hardy fans that trekked the 65 miles with a heady defense and a loose offense that occasionally tore apart the Eagles' big line.

After Friday's performance, Morton fans can expect to see a lot of passes from Indian quarterbacks Stan Coffman and Keith Embry this season. The Tribe's major gains came on well-executed pass plays from the accurate hands of Coffman. However, Friday's scrimmage dealt the Tribe a number of injuries to key players which will force Morton to go into Friday's opener with Plains at something less than full strength.

Against the number-one-rated Eagles, the Tribe had to face a 200-pound line, but the Indians' offense found little trouble in opening it up as they racked up 13 first downs in 40 offensive plays

while marching to two touchdowns in the process.

Morton got first possession of the ball in the scrimmage and were held by the

### ★ Solid comfort

Fiber-glass seats with backrests have been installed for the comfort of reserved seat football ticket holders in Indian Stadium, school officials announced this week.

Several reserve seat season tickets are still available but going fast, and those wishing to purchase them should act immediately. Reserved season tickets are priced at \$12.50 and are available at the school business office.

Season general admission tickets are \$7.50 for adults and \$5 for students. Get yours NOW!

## County has own 'no-man's-land'

BY ELVIS E. FLEMING

New Mexico claims 57,000 acres of Cochran County? Griffith and Bledsoe are supposed to be in New Mexico?

The constitution of the State of New Mexico describes the north-south boundary between Oklahoma-Texas and New Mexico: "Beginning at a point where the thirty-seventh parallel of north latitude intersects the one hundred and third meridian west from Greenwich; thence along said one hundred and third meridian to the thirty-second parallel of north latitude; . . ."

What is the catch? It all started back in 1836 when the Congress of the Republic of Texas claimed all the territory east of the Rio Grande from its source to its mouth. That would include about two-thirds of present New Mexico, plus parts of present Oklahoma, Kansas, Colorado, and Wyoming. This claim was recognized by the U.S. Congress when Texas became a state in 1845.

As part of the Compromise of 1850, Texas gave up its claim to all territory north of thirty-six degrees thirty minutes north latitude and all territory west of the 103rd meridian and north of the 32nd parallel. Texas received \$10 million in exchange for this claim.

The northwest corner of Texas, the intersection of the 103rd meridian and the parallel of thirty-six degrees thirty minutes, was first located in 1857 by Colonel Joseph E. Johnston, who later became a great Confederate general. The boundary line was not surveyed at that time.

John H. Clark was appointed in July, 1858, as a surveyor and federal commis-

sioner to establish the Texas-New Mexico frontier. John E. Weyss was Clark's topographer. Representing Texas on the surveying team was William B. Scurry, assisted by Anson Mills.

Clark first marked the 32nd parallel from the Rio Grande eastward to what

### CAC elects new slate of officers

Mrs. Joe Seagler was re-elected to serve as President of the Board of Directors of the Community Action Committee in Morton Tuesday night.

Elected to serve with Mrs. Seagler was Leonard Coleman, 1st Vice President; Suelema Supelbeda, 2nd Vice President and Mrs. George Trejo, Secretary.

The meeting was held at the Community Action Center at 8 p.m. Tuesday, September 8.

It was announced the basic education will begin September 21 at the Center under the direction of Mrs. W. G. Freeland. Miss Vanice Lovett will have charge of the one through five levels and Jeff Townsend will have the sixth through high school level.

Elected to the executive committee were the President, Mrs. Seagler; Mrs. Trejo, secretary; and members James Walker, Mrs. Louise Cobb, Mrs. Lovell Jackson and Mrs. Martha Grado.

Mrs. M. C. Ledbetter will coordinate the tutoring services.

Approximately thirty people attended the meeting.

he supposed to be the 103rd meridian. Turning to the north, he then marked the 103rd meridian for between twenty and seventy miles (depending on which authority one believes). The surveying party was weary of the heat and dust and the lack of water, so they withdrew.

It seems that the surveyors were also weary of each other. The sectionalism which wracked the country in the 1850's found advocates in the surveying party in the persons of Mills and Weyss. The pro-slavery Texans argued violently with the anti-slavery federal men, resulting in the refusal of the Texans to participate in the further surveying of the Texas-New Mexico frontier.

Clark traveled through New Mexico to the northern part of the state where he resumed the survey in September, 1859. He established the northwest corner of Texas, at what he believed to be the intersection of the 103rd meridian and the thirty-six-thirty parallel. A large cedar post was erected and a circular trench was dug around it. He then surveyed southward for either 156 miles (again depending upon which authority one takes). Clark stopped the survey because of hostile Indians and because he was again having trouble finding water.

Because of the situation which finally led to the Civil War in 1861, Clark's report was not adopted. As a result, the boundary survey was in limbo for over twenty years. John J. Major made an attempt to locate the northwest corner of the state in 1874, but his site was different from both Johnston's and Clark's.

### SOUTH PLAINS COLLEGE CHEERLEADERS . . .

LEADING THE CHEERS at South Plains college basketball games this year will be, from left, Patsy Collins, Morton; LaQuita Hargrove, Carlsbad, New Mexico and Kathline Carson, Olton. These three coeds won four superior and one excellent ratings in the National Cheerleaders Association Clinic on SMU campus this summer.

## Morton student wins national honor ratings as cheerleader

A Morton girl is a member of the South Plains College cheerleader team who has won high honors at a national clinic held recently.

She is Patsy Collins who, together with Kathline Carson and LaQuita Hargrove, won five nights of competition, won four superior and one excellent ratings in the National Cheerleader Association Clinic held on the SMU campus this summer.

The clinic, hosted by the NCA founder, Dr. Herkimer, included approximately 1,638 yell leaders from over 50 colleges and universities. SPC's cheerleaders, all sophomores, competed in the all-college division in which some institutions had eight girls to a squad. One cheerleader was awarded each night in the category. SPC won it four out of five times and the remainder was a second place.

Included in SPC's category were Texas

A&I, Arkansas Southern State, Henderson J. C., Tarrant J. C. and seven more.

Mr. Herkimer, after watching the contests, asked two of the South Plains girls, LaQuita and Kathline to be instructors in the clinic next summer. This summer's instructors included Rhonda and Debra Lewis, Texas Tech cheerleaders.

Patsy is the daughter of Mr. and Mrs. L. J. Collins of Morton. She is also very active; secretary of the band, SEA historian, Caprock Beauty candidate, homecoming queen candidate, and President and Corresponding Secretary of the Student Senate.

Kathline's parents, Mr. and Mrs. K. W. Carson reside in Olton. Kathline's activities and awards are: gymnastics team, choir her freshman year, first runner-up in Miss SPC contest, fourth runner-up in '70 caprock beauty pageant, Texan of the month in March and president of South Sue Spencer dorm.

LaQuita is the daughter of Mr. and Mrs. Richard Hulsey of Carlsbad, New Mexico. Her activities and honors at South Plains include: gymnastics team, physical education majors club president, women's recreation association, student council, Caprock beauty candidate, homecoming princess, top five in Miss South Plains contest, several gymnastics awards and Who's Who on Campus.

### ★ Important meeting

There will be a meeting of the Family Planning and Health Services Committee of the Cochran County Community Action Committee to be held in the Wig Wam Restaurant beginning at 4 p.m., September 14, the committee chairman has announced.

All members and guests are urged to attend. Dr. Walter Reed, program director for South Plains Community Action Association, will be on hand to offer technical assistance.

### Local author writes Sun News column

Arthur N. Wall, well-known Morton resident and retired Pan American Oil company employee, is to be featured weekly on the editorial page of the Levelled Sun News, it was announced by the publisher this week. His first column was published Sunday.

Wall has lived in Cochran County for the past 23 years, 15 of which have been in Morton. He has had many of his articles published in leading Texas Magazines including: Union Oil 76, Cattleman's, Western Horseman and others.

Among his other accomplishments Wall has had a book published which received honorable mention in 1962 from the Wyoming State Historical Society.

His columns will be on the rural slant (as he stated) "away from politics and religion." "All that I want to do," he said, "is to write a column that will be interesting to the readers."

### ALL PRESENT OR ACCOUNTED FOR . . .

THE MORTON HIGH SCHOOL Indian marching band members, who have given such outstanding support to the school and its athletic teams in the past, showed up ready, willing and able to add their fair share to morale boosting

again this year. The group, under the direction of band master John Stockdale, always adds much in the way of color and enthusiasm to school activities.

### Executive Director

The Agricultural Stabilization and Conservation Community Committee election will be held September 15th. Ballots have been mailed to all eligible voters shown on our records as of this date. The voted ballots must be mailed or returned in person to the ASCS Office no later than September 11th.

A slate of six nominees has been developed for each of the five communities in Cochran County. The ballot is to be used to vote for the three farmers which you want to represent you on your community committee and as delegates to the county convention.

Listed below is the slate of nominees for each of the five communities in Cochran County.

"A" (Neelyward) Community: Elwood Harris, Loy Kern, Troy Wells, Dub Henry, Jimmy Millar, Ike Williams.

"B" (Morton) Community: Donny Baker, Hugh Hansen, Curtis Sealy, Raymon Hall, Earl Polvado, E. E. (Bud) Thomas. "C" (Whiteface) Community: Gaylon Baldwin, Fred Lasater, Jack French, Dan Keith, George Smith, Leonard Gainer. "D" (Lehman) Community: Edward Brownlow, Leo Cunningham, W. B. Merritt, Eugene Bentley, Bill Ford, Jr., R. A. Stevens.

"E" (Bledsoe) Community: Kenneth Bledsoe, Elree Gandy, Windell Mason, Douglas Dunn, Dwight Gober, Ernest Trull.

The nominee who gets the most votes will be Chairman of the Community Committee. The one who gets the second most votes will be Vice-Chairman, and the third most votes the Regular Member. Those getting the fourth and fifth most votes will be the first and second alternate community committeemen.

The three community committeemen serve as delegates to the County Convention to elect farmers to fill vacancies on the ASCS Community Committee. The alternate community committeemen serve as alternate delegates.

Elected committeemen have an outstanding opportunity to serve both farmers and the public. The program they help administer directly affects the welfare of our farmers.

## GUEST EDITORIAL

The football workouts have started and the 1970 Indians have begun preparing their warpath to the season's victories! These young men with their ability, sportsmanship and willpower have set their goals to obtain a sense of maturity and success. They dare all schools to meet their accomplishments and are ready to prove to everyone that they take pride in their school and football. With the leadership of their coaches, the boys will work their hardest to gain the district crown.

Our spirit should match at least a portion of our athletes. We, the supporters of our team, should begin our work for the season and our goal should be to be the best.

Our spirit should match at least a portion of our athletes. We, the supporters of our team, should begin our work for the season and our goal should be to be the best. Our pride and sportsmanship are characteristics that each of us as individuals should obtain in order to be true Indian fans. We, too, should be eager to meet the opposing teams with the will to win and ability to prove that our Indians are the best.

## CHEVY'S NEW LITTLE CAR IS OPEN FOR BUSINESS.

We call it Vega.  
We also call it "the little car that does everything well."

Everything? Everything.

Vega moves well, stops well, steers well, rides well, handles well, responds well, passes well, travels well, parks well, wears well, and is priced well under what you'd expect to pay for such a talented little car.

In our highway tests, Vega has been getting gas mileage in the neighborhood of the little imports, which isn't a bad neighborhood.

Yet unlike your average little car, ours steps right out when you step on the gas.

The engine is a specially designed overhead cam four with a lightweight aluminum alloy block. It turns slowly and quietly at turnpike speeds, with power to spare.

Disc brakes are standard in the front. So are bucket seats, except on the truck.

How we doing so far?

Numbers speak louder than words.

The wheelbase is 97 inches. Total length is just under 170 inches, or nearly four feet shorter than a full-size Chevrolet.

Height of the coupe is just 50 inches, nine inches lower than the leading import.

Width: a nice stable 5 1/2 feet. Weight: 2,190 lbs. for the sedan. Engine displacement: 140 cubic inches.

Fuel economy: about 25 mpg, with the standard engine and transmission, in our highway tests.

Horsepower: 90. You can order 110. (80 and 93 hp, SAE Net.) Seating capacity: 4 adults.

What it all adds up to is a lot of little car.

Three cars and a truck. Vega turned out so well that we couldn't turn out just one.

So we're turning out four: the sporty little hatchback coupe shown open and closed in the foreground below; the sedan, on the right; the Kamback wagon, on the left; and the little panel truck, in the rear.

Oh, and a special GT version of the coupe and wagon which we'll show you later on.

September 10th is Opening Day. All 6,300 Chevrolet dealers are handling Vega, so you shouldn't have to go very far to see and drive one.

Chevy's new little car is open for business. Look into it.

## Early cotton stalk destruction urged to combat boll weevil

Shredding cotton stalks and plowing them under immediately following harvest has long been recognized by cotton producers as extremely important in combating the pink bollworm.

This practice is also most effective in reducing the potential diapausing boll weevil population, John G. Thomas, Extension entomologist, notes.

"Total stalk destruction immediately following harvest is not only extremely devastating to the bollweevil population, which is destined to enter diapause and infest fields the following year, but also adds little, if any, to the cotton production cost," Thomas said. "Properly timing these operations consistently makes the difference in effective weevil suppression and results in reduced weevil numbers the following year."

Stalk destruction will prove extremely important in areas of Texas where diapause boll weevil control programs are conducted and in the areas where a short crop is anticipated, he said. Such an area can be found in San Patricio and Nueces counties where Celia recently dealt extensive damage to the cotton crop, he added.

"Where harvest is not anticipated, growers are encouraged to shred stalks and plow them under to a depth of at least six inches as soon as possible," Thomas said. "In other areas of the state, growers should shred stalks and plow under debris as harvest is completed."

Where desiccants or defoliant are used in preparing the crop for harvest, Thomas urged adding an insecticide to kill weevils before they enter their overwintering sites, and added that growers should check with the county agent on the insecticide to use.

"Stalk destruction and plowing under the stubble deprives insects of the food supply which is necessary for obtaining sufficient fat reserves to enter winter diapause and successfully survive," he

said. "This practice is most effective in reducing populations of pink bollworm, boll weevil, cotton bollworm and tobacco budworm in the following growing season."

And, concludes the entomologist, the most effective program is the one in which producers over a wide area participate.

# Miss Crockett, Dale Lemons repeat double ring vows

In a double ring ceremony in the First United Methodist Church at 7 p.m., August 29, Miss Janice Sue Crockett and Jimmie Dale Lemons exchanged double ring wedding vows.

The Rev. Russell Dameron, minister of the Eastside Church of Christ, officiated the ceremony.

Parents of the couple are Mr. and Mrs. John Crockett and Mr. and Mrs.

L. T. Lemons.

The bride, given in marriage by her father, wore a formal length gown of silk organza over faille taffeta designed with bracelet sleeves and a yoke of French Alencon lace. The lace accents were repeated in wide skirt panels in the front and the back which extended into a chapel train. Her headpiece was a circle of pearls attached to a veil of bridal illusion. She carried a cascade of white miniature carnations.

Miss Treva Lemons, sister of the groom, was maid of honor and wore a street length gown of hot pink crepe with long sleeves, high neckline trimmed in white lace and a matching hat with a circle of nylon net. She carried a nosegay of white and pink feathered carnations with pink and white streamers. Dawn Siegler was flower girl and wore a gown designed as the maid of honor.

Donnie Lemons, brother of the groom, was ring bearer.

Dennis Lemons, brother of the groom, was bestman and Steve and Doug Crockett, brothers of the bride, were ushers. Karen Fred registered guests.

A reception was held in Fellowship Hall following the ceremony. The serving table was covered with a lace cloth held in three tiers by pink roses and featured a three tiered cake trimmed with pink roses.

For a wedding trip to San Antonio and Austin, the bride wore a blue coat dress with white accessories and a corsage of white carnations.

Mrs. Lemons is a graduate of Morton High School and attended South Plains College. Lemons graduated from Morton High School, served two years with the US Army and is employed with Texas Electric in Levelland where the couple will make their home.

## Mrs. Fralin listed in 1970 publication

The Emlea Smith Junior Study Club announced today Mrs. Rodney Fralin been selected to appear in the 1970 edition of OUTSTANDING YOUNG WOMEN OF AMERICA. Nominated earlier this year, Mrs. Fralin was chosen for the awards publication on the basis of her achievements.

Now in its sixth year, the Outstanding Young Women of America program, recognizes young women who contribute to the betterment of their communities, professions, and country. Serving on the program's Board of Advisors are the national presidents of women's clubs, headed by Mrs. Dexter Otis Arnold, Honorary President of the General Federation of Women's Clubs.

Each year over 6,000 young women are nominated as Outstanding Young Women of America by leading women's organizations, college alumni associations, and churches across the country. These young women's complete biographical sketches are featured in the national volume, OUTSTANDING YOUNG WOMEN OF AMERICA.

These women are now in competition for their state's Outstanding Young Woman of the Year Award. This fall, fifty of the young women included in OUTSTANDING YOUNG WOMEN OF AMERICA — one from each state — will be named as their state's Outstanding Young Woman of the Year.

## Study club meets in call session

The Town and Country Study Club met in a call session Wednesday, September 2 at 5 p.m. in the home of Mrs. Evelyn Seagler. Mrs. Lenave Freeland, club president, presided over the special meeting.

It was announced the club is buying one light for the Girlstown Lighting Project. Members were urged to attend the dedication September 19 and to bring cookies.

The club voted to hold a Boutique for Arts & Crafts in the fall and invite the public to participate, entering as many items as they wish. Miss Lenora Jackson and Mrs. O. A. Graves, former members, were reinstated and Mrs. Herbert Bratcher and Miss Jewel Arnold were voted in as new members. Mrs. Wayne Wilcox's letter of acceptance was read.

The next meeting will be September 12 at 9 a.m. in the home of Mrs. Roy Hill, 220 Fillmore Street.

## Farwell coffee honors Mrs. Bill Williamson

Mrs. Bill Williamson was honored with farwell coffee Friday, September 4, in the home of Mrs. James St. Clair.

Co-hostesses were Mrs. J. C. Reynolds, Mrs. Joe Nicewarner and Mrs. Ruby Lee Smith.

Table decorations featured a travel scene with a banner reading "Morton's Loss-Quannah's Gain."

Mrs. Williamson left Tuesday, September 8, and will make her home at 1210 Mercer Street in Quannah.

## Land Bank association sets stockholder meet

Notices have been mailed calling the Annual Stockholders' Meeting of the Federal Land Bank Association of Levelland for Friday, September 11, 1970 according to Joe Breed, manager of the association. It will be held in the District Courtroom of the County Courthouse in Levelland beginning at 2 p.m.

Annual financial reports will be made, and two directors will be elected. The terms of Hugh Hansen from Cochran County, and G. I. Sims of Terry County expire this year. These two men or any other stockholders can be elected, Mr. Breed said.

The Federal Land Bank Association of Levelland makes and services Federal Land Bank loans on farms and ranches in Cochran, Hockley, Terry and Yoakum Counties. The Levelland office now has approximately \$6,400,000 in loans outstanding. The present directors are: Lawrence F. Schoenrock, President, Leon Lawson, Vice-President, and J. F. Steele, all of Levelland; Hugh Hansen, Morton and G. I. Sims of Brownfield.

# NOTICE!

To the very fine people who have placed an application with me for employment —

It is not legally within my power to promise anyone employment until I am the duly elected County Judge, and that will not be until after the November 3rd election. If elected your next County Judge, I will act promptly, to fill any positions that are open. I am closely restricted in this matter by State of Texas election law.

Following is a copy of the oath all county officials will take on January 1 from the District Judge, or some other qualified person, upon assuming their elective positions:

I, ..... do solemnly swear (or affirm), that I will faithfully execute the duties of the office of ..... of the State of Texas, and will to the best of my ability preserve, protect, and defend the Constitution and laws of the United States and of this State; and I furthermore solemnly swear (or affirm), that I have not directly nor indirectly paid, offered, or promised to pay, contributed, nor promised to contribute any money, or valuable thing, or promised any public office or employment, as a reward for the giving or withholding a vote at the election at which I was elected. So help me God.

Signed .....
