Vandals strike Cochran farms

Vandals struck in darkness and left a trail of destruction that extended over several square miles in eastern Cochran county in the early hours of Sunday morning.

All damage done was to farm property and appears to have no motive behind it outside of malicious mischief. If that was the motive, then the cost of repair and replacement of the property damaged and destroyed would put it in the class of highly successful mission accomplishment.

Included in the list of damages are one four room vacant house, burned to the ground; one cotton trailer with four bales of loose cotton totally burned; one new 4020 John Deere tractor with the inside of the cab burned out; one 4020 John Deere tractor damaged with additional damage to the cotton stripper attached to it; one telephone pole broken off and destroyed and one other tractor slightly damaged when it was turned loose with the engine running.

According to Herschel Tanner, who owns two of the tractors and the destroyed cotton trailer, the burned out tractor was left hitched to the trailer over night in readiness for an early delivery to the gin in the morning. Evidence indicates that the vandals attempted to start the tractor and when they failed, they set it on fire as well as the trailer full of cotton.

They succeeded in starting the tractor with the stripper and turned it loose after riding it for several yards. The machine traveled approximately 3 1/2 miles through farm land, crossed and re-crossed FM 1780 and finally struck a telephone pole, breaking it off and becoming entangled in the poles' guywires. The tractor dug its way into the soft earth coming to rest on high center and was still running with the wheels spinning when found at 7:30 Sunday morning.

The third tractor, owned by Doug Zuber, was started and turned loose but traveled in a circle until a neighbor became curious Sunday morning and caught it with his pickup and turned the engine off. The left front tire had evidently become flat and caused it to travel in the circle.

The small house that was razed had been vacant for some time but still retained a certain amount of value, according to reports. It was the property of Olin Lewis upon whose farm it was located. A

★ Park fund

Anyone wishing to make a memorial donation to the Strickland Park Landscape Fund may do so by contacting Mrs. Murray Crone, 704 S. Main or by making a deposit to the Cochran County Garden Club Strickland Park Memorial Fund at the First State Bank.

Mrs. Crone asks that anyone making deposits at the bank please list on the deposit slip who the memorial gift is in memory of so a card may be sent to the family.

In spite of a cold start, the Indians hit 51 per cent from the field, their best average thus far this season.

With a little more than three minutes left in the game, the Indians' score topped

See INDIANS, Page 4a

County residents said climbing income ladder

How well are Cochran County residents making out financially? What proportion of local families are now to be found in the upper income brackets?

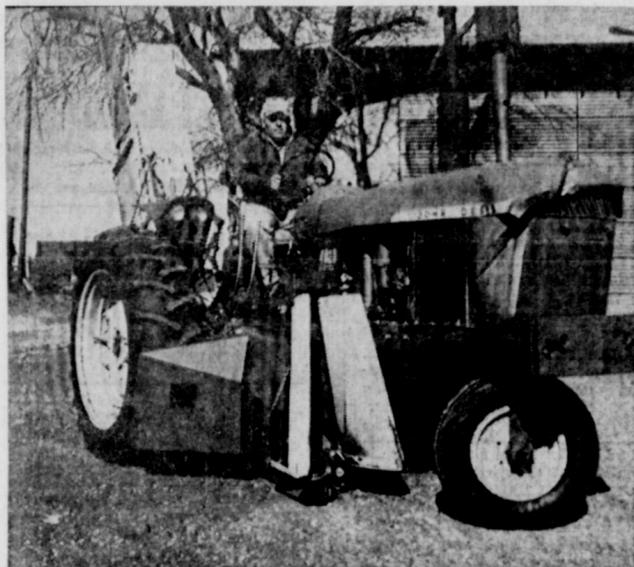

According to a nationwide survey, rising wages and salaries have carried most families in the area to higher positions on the income ladder.

Just where they stand, currently, is brought out in a copyrighted report issued publication. It details, for every section of the country, the percentage of families that fall within each income bracket.

The survey was designed to give a better understanding of a community's buying power than was possible through the "average income" figure alone.

It shows whether average income in a locality represents earnings that are well distributed among the bulk of the population or whether it stands for a small

See COUNTY RESIDENTS, Page 4a

WAYWARD TRACTOR . . .

THE TRACTOR ABOVE, with cotton stripper still attached, was recaptured early Sunday morning after an uncontrolled journey of approximately 3 1/2 miles through farms and across roads and ending with the smashing of a telephone pole and becoming emeshed in the pole's guywires. Creases, where the wire held onto it can be seen on the front of the hood. It made its journey after vandals had started the engine then jumped free, sending it on its solo journey. This was just one of several acts of vandalism that were committed against farm property east of Morton Saturday night or early Sunday morning.

Kuehler, Thompson head '70 Indian grid statistics

Junior fullback Kevin Kuehler and freshman halfback Larry Thompson dominated Morton football statistics after the 1970 season action had been totaled, and three Morton seniors received honorable mention honors by district 3-AA.

Kuehler topped senior back Terry Harvey for rushing honors as he racked up 144 yards in the season finale against Littlefield. Harvey was forced to miss the game with an ankle injury. Kuehler picked up 512 yards on 96 attempts for a 5.3 average. Harvey gained 401 yards on 86 tries.

Thompson, starting in only five games, topped the best average column with an even six-yards per carry, coming on 210 yards on 32 tries. Kuehler was second in yards per carry.

Morton quarterback Keith Embry was third in total rushing statistics as he gained 277 yards on 83 carries. Embry also hit 10 of 41 passes for an additional 257 yards.

Thompson also led Indian scoring with five touchdowns. Elton Patton and Kuehler had three each.

In pass receptions, Morton griddier Wil-

lie Holland led with five catches for 114 yards. Harvey's three receptions netted him 66 yards. Tight end Ted Thomas picked up 37 yards on three snares, and Thompson caught two for 77 yards.

Cotton harvest rolling along; estimated 70 pct. complete

The area cotton harvest reached a peak this week and the U.S.D.A. Cotton Classing Office at Levelland received samples from approximately 26,000 bales during the week ending Friday, November 20th, according to C. R. Wharton, in charge of the Classing Office.

Samples from 15,900 bales were classed at the Levelland office last week. This brought the total classed this season to 42,800. Through November 20th last year 17,000 samples of the 1969 crop had been

★ Country jamboree

It's that time again and on hand for the Country Western Jamboree Saturday night will be Elvis Fleming from Roswell, N. M., Terry Sue Newman from Levelland, The Kaye Brothers from Hobbs N. M., the Blue Grass Drifters from Andrews, and Morton's own Country Classics, Shelby Race, and the Missing Links featuring soloist Clara Dawson. "Hi Pockets Duncan will MC the show at 8 p.m. in the County Activity Building.

Two highway paving projects approved for Cochran County

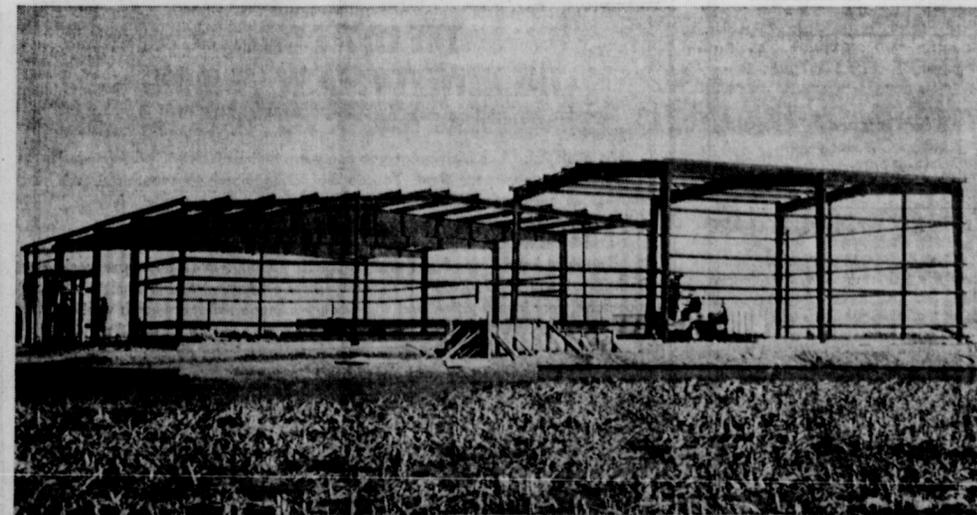

Two highway paving projects for Cochran county highways have been approved by the Texas Highway Commission it was announced early this week.

The two projects are a part of a contract for seal coat work on 491.4 miles of highway in the Lubbock district which was awarded by the highway commission during its November meeting in Austin.

The two Cochran county projects will include seal coating on FM 597 for a distance of 9.766 miles beginning at State Highway 214 and ending at the Hockley county line. The second will be seal coating on FM 1780 for a distance of 16.448 miles from State Highway 214 to State Highway 116.

The work will be under the supervision of District Engineer O. L. Crain. The contract includes work in Bailey, Castro, Cochran, Crosby, Dawson, Floyd, Garza, Hale, Hockley, Lamb, Lubbock, Parmer, Swisher, and Terry counties.

High Plains Pavers, Inc. of Plainview was awarded the contract with a low bid of \$927,363.40. The work will take an estimated 80 working days to complete. James King of Lubbock is the Highway Department engineer in charge.

JUST A SKELETON NOW . . .

BUT IT WON'T BE FOR LONG. The Steel framing of the Prairie Land Packing Plant five miles east of Morton gives the impression of a fleshless skeleton at the present time, but within days it will begin taking on its outer covering and will quickly become a completed building. Comple-

tion of the plant, which will have the capacity to process 1,500 head of cattle per week, is expected by late December with meat processing operations to begin by January 1, 1971.

McMurry College band to play here

A treat in store for Morton area residents Thursday, December 3, will be a concert by the McMurry College Band of Abilene. The band will perform at 7:30 p.m. in the auditorium of Morton High School.

Dr. Raymond T. Bynum has directed the band since 1946 and is one of the best known bandmasters in the southwestern parts of the United States. He is believed to have established the first all-school band in Texas at Abilene High School. The band toured Mexico last summer and is known for its Latin American rhythm.

Appearing with the band will be Sophomore Mark Mauldin of Morton. Mark will be playing before his home town audience for the second time. He toured with the band as a freshman and the group performed here in November of last year.

UP AND AWAY . . .

TAKE THE BALL AWAY, THAT IS. This was the object of George Pritchett's mighty leap in which he recovered a rebound under the Plains Cowboy basket Tuesday night en route to a third straight win for the Morton High School Indians in as many games in the young cage season. The Tribe topped the Pokes by a score of 106-48 after having downed Lubbock Christian High School in the opener Friday night and dropping Farwell by a comfortable margin Monday night. The 1969 state quarter-finalist Indians are off to a running start toward taking it all this year with all their starters back and an exceptionally strong bench.

Indians down Plains Cowboys to register third straight win

Morton's Indians put it all together Tuesday night as they ran up their biggest tally in recent years by scalping the visiting Plains Cowboys, 106-48, before a large crowd of enthusiastic fans.

Five of Morton's nine players scored in double figures and all the Indians put points on the board as the Tribe exploded for 44 points during the final period to beat the scrappy Cowboys their second win of the season.

The Indians will return after the Thanksgiving holidays to host Farwell Monday night for a pair of games and then will take the same for the Rails Jackrabbits on Wednesday night. Junior varsity games will begin at 6:15 each night. Next weekend, the Tribe will compete in the Friona Invitational Tournament.

Morton's B team racked up their third win in a row by blitzing Plains, 73-39. Tuesday night's games gave Morton's five teams, seventh grade through varsity, a

Annual Methodist Lord's Acre fete scheduled December 2

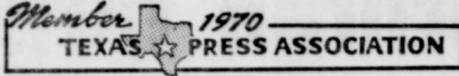

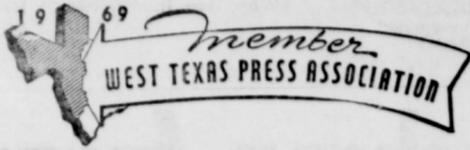

The Annual Lord's Acre program of the United Methodist Church will be held December 2 at the County Activity Building.

A free bar-b-que supper, prepared by men and women of the church, will be served starting at 6 p.m. and there will be an auction following the supper. Items to be auctioned have been made donated by church members and will be sold to the highest bidder. Proceeds from other donations will be used to paint and beautify the church building.

James K. Walker is program chairman and general chairman. The Women's Society of Christian Service under the leadership of Mrs. Owen Egger, are making decorations which will be on sale. Mrs. Deryl Bennett and the Wesleyan Service Guild is in charge of the food. Mrs. McClure is in charge of preparing the bar-b-que, which will be prepared outdoors. Becky Greene and the Methodist Youth Fellowship is in charge of advertising and dessert. Robert Taylor and the Methodist Men's Club is in charge of seating and Deryl Bennett is in charge of finances.

The General Committee which planned the affair is composed of Walker, Bennett, Mrs. J. N. Burnett, Mrs. Greene, Taylor, John C. Crowder, Ralph Merritt, Fred Payne and Rev. Rex Manning, pastor. The program is open to the public and those wishing to attend is cordially invited to do so, according to the Rev. Manning.

Missionary couple will visit at Methodist Church Sunday

Mr. and Mrs. Elwyn Hulett, educational missionaries under the World Division of the United Methodist Board of Missions, and presently serving the church in Liberia, West Africa, will be in Morton Sunday, November 29, at the First United Methodist Church.

They will show slides of their work at the Sunday School hour and will bring the morning message at the 10:55 a.m. service of worship.

The Huletts were commissioned in August of 1969 and arrived in Liberia September 2, 1969. They live in the interior of the country on the Cuttington College Campus. Mrs. Hulett teaches in the Campus Elementary School and Hulett travels throughout Liberia to the United Methodist Schools where he holds workshops and in-service training for teachers in the field of reading. He is also working on reading tests for the elementary grades based on the Liberian culture.

Mrs. Hulett was born in Tallasee, Alabama and spent her early life in Enid, Okla., and Tulsa. She attended Asbury College, Wilmore, Kentucky and graduated in 1966 with a Bachelor of Arts Degree in elementary education.

Born in Mount Clemens, Michigan, Hu-

lett spent his early life there and attended college at Asbury. He graduated in 1964 with a B.A. in English, History and Biology and received the Masters of Art Degree in education from the University of Kentucky in 1968.

The couple are on a three weeks speaking visit to the U.S.A. and will be speaking in Detroit, Michigan, Atlanta, Georgia in addition they will be at the following points in Texas: Morton, Abilene, Merkel, Midland, Tahoka, Big Spring, Brownfield, Tulsa, Spearman, Dumas, White Deer, Borger and Canadian.

The congregation and pastor of the First United Methodist Church extend a cordial invitation to all to attend these special services Sunday morning.

Mr. and Mrs. Elwyn Hulett

COUNTY AGENT NEWS

From the Office of Roy L. McClung, Jr.

A topic getting much attention these days throughout the entire state has to do with a new program initiated by the Agricultural Extension Service. It is the "3.76 in '76" program designed to help Texas' great agricultural industry achieve its full potential.

Specifically, it will intensify Extension educational activities to bring about an increase in cash income, excluding government payments, to Texas farmers and ranchers by \$1 billion by the year 1976. The program is designed to increase both the gross and net income of producers.

Too, a principal objective is to reduce the gap existing between knowledge and practice through the coordinated application of improved production and marketing practices available from research and proven demonstrations.

Another objective is to utilize more appropriately and completely resource potentials of each agricultural production area of the state. Also to improve the power and performance of Texas agricultural products in the market place and bring greater confidence in the future to the state's farmers and ranchers.

Other agencies and organizations working to improve Texas agriculture have endorsed and are lending their full support to the effort.

Annual production goals for each economically important agricultural enterprise in each county are being established. Guidelines for the use of producers, outlining the practices which can bring the projected production to reality, are now becoming available.

It will take a great deal of teamwork and considerable changing of production and management practices to achieve the desired goal. All Texas and especially farm and ranch families stand to greatly benefit from the program.

The period from November 20-26 is National Farm-City Week and every citizen has a stake in its observance. Nowhere else in the world do so many depend on so few for their food and fiber needs.

The 5 percent of our population engaged in agricultural production gives the other 95 percent benefits unsurpassed anywhere. In 1969 we spent only 16.5 percent of our incomes for food as compared with 24 percent some 20 years ago and this despite the fact the producer is getting about 9 cents less out of every food dollar than he received 20 years ago. Too, production expenses have continued to rise; thus, keeping the cost-price squeeze a major problem for agricultural producers.

Our producers are continually searching for better and more efficient ways to keep the food and fiber supply lines filled. Today the U.S. farmer produces enough food and fiber for 45 people, about 39 at home and 6 abroad. A decade ago he supplied the agricultural needs of only 24 people.

Other problems of common interest to farm and city residents are also cited by President Nixon in his Farm-City

Week proclamation. He said, "With two-thirds of our population crowded on only two percent of the land, many of our people are denied economic opportunities, adequate living space, health, cultural fulfillment, and those spiritual values without which no nation can achieve greatness. The time for action is at hand — for careful plans to be formulated, and for decisions to be made at local governmental levels, to foster the improved distribution of population and accompanying economic activity needed during the decade of the 1970's and beyond. The Government can provide assistance, but the effort will succeed only as Americans

take part in developing a policy of sound national growth."

"In this effort, city dwellers and rural people alike have reason to work together toward common goals. The well-being of urban America and the welfare of rural America will increasingly intertwine as our total population expands. Better living in the one depends on better living in the other."

"I request that leaders of agricultural organizations, business groups, labor unions, youth and women's clubs, civic and fraternal associations, schools and others join in noting not only the interdependent roles of the producers and consumers of America's agricultural abundance but also their opportunities for cooperation in building for the future."

Whiteface Garden Club has dinner in Schooler home

The Whiteface Garden Club members entertained their husbands with a Thanksgiving dinner in the home of Mr. and Mrs. L. Schooler Monday, November 16.

Mrs. O. F. Hemphill, president, gave the invocation on Thanksgiving and Ed Jennings gave the invocation.

Mrs. S. J. Bills in her interpretation of what Thanksgiving means said "As we give at this Thanksgiving time, we should give much thought to our American heritage. We must respect the past and look to the future. We have much to be thankful for and we must in each year express ourselves and stand for those values we cherish—The Anglo-American concept of justice, the right of

the individual to rise on his own, the value of hard work and the thrift, the love of country, and the binding ties of family, home and church."

The dinner was served from a buffet table centered with an arrangement of fruit and the individual tables were decorated with candles and greenery.

Present for the dinner were: Mr. and Mrs. Jennings, Mr. and Mrs. Hemphill, Mr. and Mrs. Bills, Mr. and Mrs. R. K. McCoy, Mr. and Mrs. James Sinclair, Mr. and Mrs. Eugene Bentley, Mrs. G. C. Keith, Mrs. R. D. Hensley, Mr. and Mrs. R. H. Teer, Mr. and Mrs. D. F. Burris, Mr. and Mrs. Jerry Marks, and the host and hostess, Mr. and Mrs. Schooler.

Three Way news

Three Way basketball girls played Caussey, N.M. Monday night on the home court winning both games. Thursday night Three Way basketball girls played Whiteface at Whiteface losing both games. Friday night Three Way football boys played the last game of the season against Whiteharrow on the home field winning the game. Saturday Three Way basketball girls played Anton at Anton with high school losing the game and junior high winning the game.

Mr. and Mrs. Johnnie Wheeler were in Lovington, N.M. Thursday attending the all one breed Hereford sale.

Mr. and Mrs. T. D. Davis spent part of the week in Abilene with his father who is seriously ill.

Mr. and Mrs. Earl Latimer from Oklahoma City spent Saturday night in the home of his brother, W. E. Latimer.

We wish to express our sympathy to Connard Williams on the death of his brother, Scott Williams, who was buried Sunday.

Mr. and Mrs. W. E. Latimer attended the funeral of a cousin, Scott Williams, in Seagraves Sunday.

Cotton harvest is about over in the community.

Mr. and Mrs. George Tyson were dinner guests of the H. W. Garvins Sunday.

Mrs. Travis gives program for YM

Mrs. Bobby Travis gave the program "Up, Up and Away with Flowers" at the November 19 meeting of the YM Study Club.

The club met in the home of Mrs. John Wayne Hall.

Mrs. Travis made several arrangements. She also gave pointers on using candles and ribbons with flowers.

Mrs. Donald Masten read a "Thanksgiving Prayer."

Members present were: Mesdames Herman Bedwell, Deryl Bennett, Royal Berkgren, Max Clark, Hall, Robbie Key, Masten, Dexter Nebhut, Dalton Redman, Ralph Ware, Fred Weaver, Weldon Wynn, Robert Yearly and guests, Mrs. Truman Murdock and Mrs. Travis.

FROSH STARTER . . .

MORTON'S JERRY STEED, a freshman at Eastern New Mexico University, started the year as a member of Eastern's special teams, but before the season was half over he had earned a position as a starter at offensive guard. Steed and the Greyhounds wound up the 1970 season Saturday in Portales against New Mexico Highlands University. Steed was an all-district guard for the Morton High School Indians in 1969.

Pam Layton FFA Sweetheart; Vicki Hodges first alternate

Miss Pam Layton from Bula won the District FFA Sweetheart title and Miss Vicki Hodges from Morton was named first alternate at the banquet held at South Plains College Tuesday night.

Vicki is the daughter of Mr. and Mrs. John Hodges. She is a sophomore at Morton High School, a twirler with the band and was recently elected sophomore class favorite.

Other honors received by the Morton Chapter were awards received by teams entered in the district leadership contest. Receiving a second place banner was the FFA quiz team, consisting of Darrell Smith, Dan Rozell, Gary Moore, and John McDonald. Receiving a fourth place banner was the chapter conducting team, consisting of Ralph Mason, Charley Ellis, Terry Gillespie, Steve Thomas, Danny Silhan, Ronny Bedwell and Freddie Brown.

Sewing club hosts Thanksgiving dinner

The Busy Fingers Sewing Club held their annual Thanksgiving dinner, November 11, in the home of Mr. and Mrs. F. L. Fred.

Special guests were husbands of the members, and other guests were Mrs. Mark Daniel of Arizona, daughter of Mr. and Mrs. W. L. Taylor, Mrs. Nora Markham and daughter of Lubbock, Mrs. C. C. Benham and Mrs. Ethel Stracener.

Mrs. W. E. Childs brought the devotional thanks and A. R. Lindsey the invocation.

The next meeting will be December 3, in the home of Mrs. Rolly Hill.

Members present were: Mesdames J. S. Boydstrum, Fannie Huffines, G. F. Cooper, Nath Crockett, W. L. Miller, Clayton Stokes, Eva Kennedy and Mr. and Mrs. Taylor, Mr. and Mrs. Lindsey, Mr. and Mrs. Childs, Mr. and Mrs. W. L. Barrett, Mr. and Mrs. Hill and the host and hostess, Mr. and Mrs. Fred.

Tyler evangelist to conduct revival

Harold Brunson, evangelist from Tyler, will arrive in Morton Sunday night to conduct a revival at the First Missionary Baptist Church.

The revival will be held November 30 through December 6 at 7:30 p.m.

Brunson served with the United States Marine Corp during World War II and attended Jacksonville Baptist College and Jacksonville Theological Seminary. He worked in full time evangelism for approximately nine years before accepting the pastorate of the First Baptist Church in Jacksonville.

He served the church in that city for seven years and while there also taught Basic Evangelism in the Jacksonville Seminary. He is the author of the book "Taps for Eternity."

Brunson returned to full time evangelism six years ago.

Wilburn Roberts will direct the music for the revival.

"We would like to extend a cordial invitation to everyone to attend our revival and hear this great evangelist," Rev. Mearl Moore, pastor, stated.

About local folks . . .

BY DUTCH GIPSON

Bonnie Crow has returned to Morton after attending a medical records meeting in Colorado Springs, Colo. While there she also toured the U.S. Air Force Academy. 1234 registered for the meeting which is the largest number attending on record.

Home for the Thanksgiving holidays will be Lt. Col. Joe B. and Major Shirley L. Gipson who have recently returned from Vietnam. They have been stationed in Chu Lai the past year. After their holiday visit with their parents, Mr. and Mrs. Joe Gipson, they will be stationed at Fort Knox, Kentucky. Col. Gipson will be connected with Research and Development in hospital management and Major Gipson will continue in blood work at Ireland Hospital.

Mr. and Mrs. Jack Wallace are spending the Thanksgiving holidays with their daughter and family, Mr. and Mrs. Davy Mitchell and Windy in Denver, Colo. Accompanying the Wallaces to Denver were

Mr. and Mrs. Vernon Blackley who will visit with their daughter and family, Mr. and Mrs. Ellis, who also live in Denver.

Mrs. J. M. Austin of Lubbock has been a houseguest for the past week in the home of her daughter and family, Mr. and Mrs. Hume Russell.

Arriving in Morton Saturday was Mrs. Mary Mioli of Chicago, Ill. who will be a houseguest of her son and family, Mr. and Mrs. Jim Mioli who reside at 112 East Pierce.

Mrs. James St. Clair will enjoy as Thanksgiving dinner guests her children, Mr. and Mrs. Mayland Abbe of Lubbock and Mr. and Mrs. Jimmy St. Clair of Morton.

Arriving in Morton from Dix, Nebraska are Mr. and Mrs. Richard Sanders and three children who are "Our new citizen of the week." Mrs. Sanders will be connected with Cities Service, Blueett, N.M. They will reside at 403 East Taylor.

Mrs. A. A. Nance of DeLeon has been visiting with her sister, Mrs. G. F. Cooper for several days.

Mrs. W. L. Miller will host her family on Thanksgiving day. Those attending will be Mr. and Mrs. Burnist Miller of Selah, Washington, Mr. and Mrs. Wendell Watson of Pampa, Mr. and Mrs. E. L. Willis of Lubbock and Mr. and Mrs. Aldon Mullinax of Morton. Most of Mrs. Miller's grandchildren and their families will also attend this happy occasion.

Mr. and Mrs. Burnist Miller and his mother, Mrs. W. L. Miller, visited with relatives and friends in Plainview Tuesday.

Mrs. Faye Nabots of DeLeon arrived in Morton Wednesday for a visit with her daughter and family, Mr. and Mrs. Jerry Iley.

Bill Bierman, former resident of Cochran County and now of Frederickburg, has been here taking care of business the past few days.

Deputy Joe Hodge is spending the week in Galveston undergoing treatment for allergies.

Mr. and Mrs. A. T. Cribbs of Sterling City, California are visiting with Mrs. Cribbs' brothers and their families, Mr. and Mrs. Oscar Coats and Mr. and Mrs. Olin Coats. The Cribbs were accompanied to Texas by their son and family, Mr. and Mrs. Jerry Cribbs, also of Sterling City.

Mr. and Mrs. O. B. Coats held open house on Sunday with a pre-Thanksgiving dinner honoring the Cribbs. Others attending the dinner were Mr. and Mrs. Olin Coats, Mr. and Mrs. Herman Carruth and son of Amarillo, Mr. and Mrs. Lewis Hodge, Sandy and Lisa, Mr. and Mrs. Kenneth Coats, D'Anna, Keith and Kim.

Give this holiday season special meaning with an ADVENT WREATH. A beautiful green wreath with 5 candles, one to light four Sundays before Christmas and on Christmas Day in remembrance that this is the season we celebrate the birth of Christ. Let us show you our selection today.

Tribe cagers take up where they left off, win first three

With the cheers of thousands of basketball fans packed into Austin's Gregory Gymnasium still ringing in their ears, the Morton Indians stormed headlong into the 1970-71 season and edged past the visiting Lubbock Christian High Eagles Friday night, 64-58. The Tribe hit the hardwoods with the jitters, missing their first eight field goal attempts, and fell behind, 4-0, before roaring back to score 29 points in the second period.

The Indians handled Farwell's Steers with a little more ease Monday night at Farwell as they bombed the hosts, 67-41.

Morton basketball teams racked up five wins Monday night as the seventh, eighth, ninth, B and varsity squads turned in impressive victories at home and away. The B team took their second big win in a row by trimming Farwell B, 80-46, as Willie Harrison, Ted Thomas, and Phillip Graves paced the scoring with 26, 20, and 15 points.

The freshmen trimmed Seagraves, 73-47, at Morton Monday for their first win. Larry Thompson hit 26 for the Fish and David Palmer contributed 12.

Morton's eighth grade ran its record to 1-1 as they bombed Seagraves, 48-29, behind a 20-point performance by Jimmy Hargis. John Rozell scored 12 for the Indian eighth graders. Morton's seventh grade won their second in two starts by outscoring Seagraves, 39-7. Mike Williams and L. V. Hall paced the team with 10 and 8 points each.

The Indians' win over LCHS Friday reversed last year's opening game loss to the Eagles and marked the first defeat in four starts for the Lubbock team. Morton overcame a two-point deficit at

the end of the first period and jumped out front by ten points midway in the third period.

Four of the Tribe hit in double figures. Seniors Stan Coffman and George Pritchett had 16 points each; and juniors Keith Embry and Elton Patton scored 15 apiece.

At Farwell, M. C. Collins took top honors by turning in a ten-point third quarter performance and led Indian scoring with 18 points. Coffman hit 14 as did Gene Sheets for Farwell.

Morton jumped to a 15-6 first period lead over the Steers and had no trouble in handing the hosts their second loss of the season.

Morton's B team bombed LCHS B for their first win last Friday as Thomas, Harrison, Jimmy Harvey, and Graves all hit in double figures. The B team raced to the 89-40 win as Thomas and Harrison divided 38 points evenly.

In other games last week, the seventh grade trimmed Lubbock Christian 39-29 behind a ten-point performance by Allan Steed. The eighth grade dropped a 64-57 decision to the same school as Hargis hit 18 points in the losing effort. Rozell also had 14 for Morton.

Morton junior high teams travel to Seagraves next Monday for three games beginning at 5 p.m. The seventh, eighth, and ninth grades will play. The B team and varsity will host Farwell and Rails on Monday and Tuesday nights.

Of all the trout species the German brown is the heartiest. It can withstand pollution much better than its many cousins.

Whiteface Antelopes impressive in defeat as season winds up

The Whiteface Antelopes closed out the 1970 football season by bowing to the visiting New Home Leopards, 54-20, Friday night, but impressed a chilled group of home fans by their determined play.

The game was the last for three Antelope seniors, Gary McCoy, Ronnie Hemphill, and Owen Roberts. Roberts, a 180-pound linebacker, closed out his high school career by executing the dream defensive play: with the Antelopes trailing, 54-14, Roberts intercepted a New Home pitchout and raced 40 yards for six points.

Whiteface spotted the visitors a touchdown in the opening seconds of the game as Jimmy Fillingim returned the opening kickoff 90 yards for New Home's first score. But trailing 7-0, the Antelopes drove to the Leopard 45 before surrendering the ball. New Home then sustained a 55-yard drive for their second TD, and led 15-0 with the first quarter half gone.

Freshman back Wade Sanders powered a Whiteface drive late in the first quarter as the hosts drove to the visitors' 35. The drive bogged down at that point, but on New Home's second down attempt from that point, Sanders picked off a Fillingim pass and returned it to the 37.

The Leopards added their third TD midway in the second quarter, but the Antelopes fought back by driving 68 yards in seven plays for their first score. A 45-yard run by quarterback Richie Marshall put the Antelopes at the 20 of New Home, and four plays later, Bobby Moseley scored from the five.

During the second half, Sanders scored Whiteface's second TD on a 44-yard scamper.

Indians . . .

from page one

the 90 mark and excitement picked up among the fans. With 59 seconds left in the game, Pritchett was fouled with the Indians leading 97-44, and the tall senior calmly dumped in his charity shots to make it 99-44. By that time, the Tribe's fans were standing, demanding their team to break the century mark, and seconds later, Terry Harvey did just that as his dipsy-doodle layup rimmed and then dropped for two points. Then Eddie Turney's field goal put the Indians at 103, and Holland added three free throws in the final seconds to give the Tribe their highest point output in several years.

Four Indians hit in double figures in the B game. Phillip Graves' 20 points led Morton scoring. Jimmy Harvey had 16, and Ted Thomas and Willie Harrison hit 12 each.

County residents . . .

from page one

proportion of families with very large incomes compensating for a much larger number with low incomes.

In Cochran County, it finds, the level of earnings and the distribution are relatively good. Some 73.6 percent of the households in the local area had disposable cash incomes, after taxes, of \$5,000 or more in the past year.

The proportion of families with net incomes over \$5,000 was greater than was reported for many parts of the country. In the United States as a whole there were 69.7 percent and, in the State of Texas, 63.3 percent.

Since that survey took into account only cash income, farm families do not appear to their best advantage, as no allowances were made for the lower living costs on the farm.

The Cochran County breakdown gives the position of each group of local families on the income ladder. It lists 21.4 percent of them on the \$5,000 to \$8,000 rung, 13.4 percent at the \$8,000 to \$10,000 level and 38.8 percent above \$10,000. The remainder are below \$5,000.

Nationally, according to Commerce Department figures, the median income of families rose 9.3 percent during the past year. However, since consumer prices rose 5.4 percent, the real gain in family purchasing power was about 3.9 percent.

Cotton . . .

from page one

3.0 through 3.2 and 3 per cent was 2.7 through 2.9.

Seventy-eight per cent of the cotton classed at Levelland last week had Pressley readings of 80,000 pounds and higher Pressley is an indication of fiber strength and the most desirable Pressley reading is 80,000 pounds and above.

Prices declined another \$2.50 to \$5.00 per bale for Levelland area cotton. However, this was a general decline at all locations. Prices ranged from \$10.00 to \$20.00 per bale over the loan for the most predominant qualities harvested.

Prices quoted by the Lubbock Cotton Exchange for the most predominant qualities in the 3.5 to 4.9 micronaire range were: Strict Low Middling 15/16 — 19.65, Strict Low Middling 31/32 — 19.90, Strict Low Middling 1-Inch — 20.55, Middling Light Spotted 15/16 — 19.75, Middling Light Spotted 31/32 — 20.10, and Middling Light Spotted 1-Inch — 20.65, Strict Low Middling Light Spotted 15/16 — 19.30, Strict Low Middling Light Spotted 31/32 — 19.60 and Strict Low Middling Light Spotted 1-Inch — 20.05.

Cottonseed prices were steady and ranged from \$57.00 to \$62.00 per ton to the farmer.

Kuehler . . .

from page one

Seniors Eddie Lewis, Gerald Gruendorf, and M. C. Collins received honorable mention praise by the eight-team district 3-AA coaches. Collins was named to all-district and all-region teams last season.

District 3-AA All District selections are as follows:

OFFENSE

WHAT IS LEFT . . .
ASHES, AS PROVEN BY THE CAMERA'S EYE. A small room house on the Olin Lewis farm east of Morton reduced literally to ashes, with the exception of a few metal pieces contained in its construction when vandals

set it ablaze late Saturday night or early Sunday morning. This was part of a trail of destruction and damage to farm property left by the intruders. A four wheel trailer that was parked close to the house was also destroyed.

1936 Study Club hear patriotic program

Mrs. John L. McGee presented a program on "An Awareness of Americanism" at the meeting of the 1936 Study Club Wednesday, November 18.

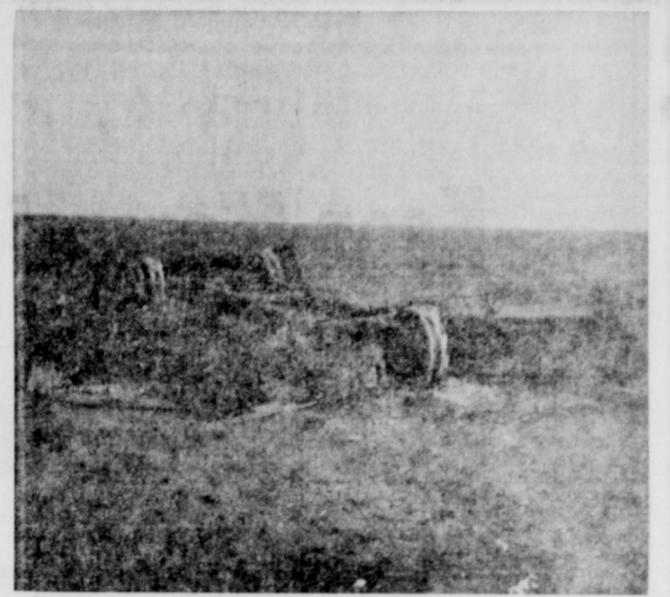

The club met in the home of Mrs. Gage Knox at 4 p.m. Mrs. McGee gave a resume of Dr. John McFarland, educator for 24 years, lecturer for several large corporations and a resident of Topeka, Kansas. She then played a recording Dr. McFarland made at an annual Boy Scout dinner in Detroit, Michigan. His theme "Inspire the people to Action" was on patriotism and he stated that we must teach our young people to love America. "We have assumed that they too will love our country and respect our flag, however, this is not true, we must instill this love in them as we do right and wrong." Understanding Americanism is the key to the present day unrest and it is up to the parents to give this understanding to their children. We can change the picture in many aspects but the "frame" of our democracy must be saved," Dr. McFarland concluded.

In a short business meeting, the members voted to make a donation to the Friendship Sidewalk at Girlstown USA. Present for the meeting were: Mrs. McGee, D. E. Benham, W. C. Benham, John Crowder, Cyrus Fields, Joe Gipson, L. F. Hargrove, Lloyd Miller, Joe Nicewarner, Hume Russell, W. W. Smith, James St. Clair, Glenn Thompson, B. H. Tucker, C. H. Silvers, Iva Williams, Bill Sayers and the hostess.

BOOKMOBILE SCHEDULE

The Texas State Library High Plains Bookmobile will be in your area on the following dates.

Wednesday December 2, Needmore — 9:00-10:00; Stegall — 10:30-11:30; Three-way — 12:00-1:00; Enochs — 1:30-2:30.

DESTRUCTION WAS TOTAL . . .

THE BURNED-OUT FRAME is all that is left of a cotton trailer that contained four bales of loose cotton after vandals had set fire to it and to the tractor to which it was attached on the Herschel Tanner farm east of Morton. This was one of several serious acts of vandalism that occurred in the area late Saturday night or early Sunday morning.

Vandals . . .

from page one
second four wheel trailer which was parked close to the house was also destroyed. Cochran county sheriff Hazel Hancock was notified of the vandalism at 7:30 a.m. Sunday and began an immediate investigation which is continuing, reports from his office indicate. He indicated Tuesday

that he had several leads to work on and hopes to have something concrete to announce very soon.

Texas Ranger Jim Singleton of the Lubbock rangers' office was requested to enter the investigation by Hancock and is now aiding the sheriff's office in the case.

No over-all estimate of damage was available at press time, but it is expected to mount into many hundreds of dollars. Loss of his cotton and cotton trailer and damage to his machinery is expected by Tanner to amount to \$850-790.

END OF THE LINE . . .

THE BROKEN TELEPHONE POLE above, and its guywires, proved too much for a wayward tractor that was set free with the engine running by vandals on the Herschel Tanner farm east of Morton early Sunday morning. The entangling guywires held the tractor until the rear wheels dug the holes shown above and came to rest on high center where it was discovered by Tanner at 7:30 a.m. Sunday after it had made an uncontrolled journey of 3 1/2 miles cross country.

Club honors Miss Ford with birthday party

Mrs. Jane Bryant, Homemaking teacher at Whiteface Schools, gave a program on culinary arts at the meeting of the Whiteface Study Club November 19. The club met in the Homemaking Department of the school.

Mrs. Bryant gave a demonstration on candy making and also gave members some of her favorite receipts. Sandai Ford, the club's birthday girl from Girlstown, was honored with a party in conjunction with the meeting. Members brought gifts and birthday cake was served.

Mrs. Lanny Baldwin, hostess, opened the meeting with the invocation. The roll call was answered with a favorite receipt exchange.

Mrs. Royce Elam, president, conducted the business meeting. Plans were made to sponsor a Christmas lighting contest for the City and the community Christmas cards.

Members present were: Mesdames, S. J. Bills, Darwood Marshall, Joe Henson, J. W. Smith, Marshall Cooper, Elam, R. K. McCoy, Wendell Dunlap, James Sinclair, Sam Rankin, Baldwin and guests, Sandai Ford, Mrs. Bryant and Linda McCoy.

In case you don't know, the ancestors of today's goldfish were green. Also, when goldfish are used for bait-minnows and get loose in streams they finally become carp.

Keep More of Your Marbles In the Home Game

*After all . . . here's where you get to
take your turn at shooting*

Our big-city neighbors offer invitations to us every day to put our marbles in their bigger and fancier rings . . . so they can take out more for themselves.

But the game that OUR winnings have to come out of . . . is the HOME game. And . . . the more of our marbles we put into THIS game, the more WE get a chance to take out.

Maybe you've noticed the city folks bragging

about how much trade volume they take away from the small towns like ours in their "trade area" . . . getting our marbles into their pockets for keeps.

Trading at home . . . and making it more attractive for our neighbors to trade here . . . is the direct and positive route to better jobs, better property values . . . better schools, better living . . . a better community for US to live in.

Trade At Home Where Your Money Benefits You

*It Pays to Buy
where You Live*
