Elton Patton

Keith Embry

C athletic scholarships received by Patton, Embry

Elton Patton and Keith Embry, stellar basketball players at Morton High School, have received full athletic scholarships to separate junior colleges, it was announced by school officials last week. Neely, head basketball coach at Wharton Junior College, has announced that Patton has been extended a full athletic scholarship with the provision that he may participate in track and other sports as well. Embry has accepted a basketball scholarship at Wharton Junior College, El Campo, Texas and also the option of participating in football and tennis.

The two outstanding performers compiled unequalled records as Morton High School athletes and were the main cogs in leading the Indians to the state AA basketball championship in 1972. Both participated in several sports in high school. Patton was all-district in football, all-district, all-South Plains, all-regional and second team all-state in basketball and participated in the AA state track meet in the 100 yard dash.

Embry won all-district and all-South Plains in football, all-district, South Plains and regional in basketball and reached the regional finals in tennis for two consecutive years.

Two receive light injuries in two-car collision Tuesday

Two persons received what were believed to be light injuries in a two-car collision that took place at the intersection of East Wilson and N. E. 2nd Street at 11:10 a.m. Tuesday.

Mrs. Doris Johnson, 33, of Morton, received what was described as a head bruise and Larry Loype, one year old, reportedly received bruises on his face and leg. The infant was taken to Cochran Memorial Hospital by private automobile for treatment.

Police reports indicate that a 1970 Chevrolet Chevelle, driven by Carol Loype, 18, of Morton, was traveling east on Wilson and a 1967 Chevrolet, driven by Mrs. Johnson, was traveling east on N. E. 2nd, when the accident occurred. The report states that the Chevelle failed to observe a yield sign and pulled out into the intersection and into the path of the Johnson automobile which struck it on the right side. The two cars came to a stop upright and locked together and still within the intersection.

Both cars were extensively damaged. No repair estimate was available.

The police report indicates that Mrs. Loype was given a citation for failure to yield the right of way.

Main sorghum loan, purchase rates told

The 1972 county loan rates, based on national average loan rate, maintain the relationship among counties at a higher level except for a few adjustments to improve the area or State relationships with historical prices received by farmers. Loan rates in these counties reflect an increase of 4 to 5 cents above those in effect for 1971.

The 1972 county loan rates, based on national average loan rate, maintain the relationship among counties at a higher level except for a few adjustments to improve the area or State relationships with historical prices received by farmers. Loan rates in these counties reflect an increase of 4 to 5 cents above those in effect for 1971.

show following All-America grid game scheduled in Lubbock

More than footballs toted by All-America will be "up in the air" the weekend of the Coaches All-America Game in Lubbock. A postgame "All-America Air Show" at Town and Country Airport, Lubbock, has been set for 1:00 p.m. Sunday, June 25, the day after the game.

Exciting thrills will be provided by the Burchinal, owner and operator of the Flying Tigers School and Air Museum in Lubbock, Texas. He is an accomplished pilot and flying instructor. He has flown in several movies with his plane including his B-25 in "Catch 22," a B-26 in "Murphy's War," and a B-26 in "12 O'Clock High."

Perform the hammarhead stall, loop, roll, and other aerobatics.

Color and color will be by Gary Williams, Lubbock radio personality and expert.

Get stubs from the Coaches All-America Game will admit spectators free of charge. All profits from the regular admission of \$1.00 will go to All-America charities.

The postgame All-America Air Show is planned to encourage flying enthusiasts to wing their way to Lubbock for the game, and stay over for the aerobatics at Town and Country Airport, 3 1/2 miles south of Loop 289 on South Quirt.

Richards, Walden win posts

C. G. Richards, local well service contractor and life-long resident of Cochran county, today stands as the Democratic party's nominee for county sheriff in the November general election and Mike Walden, local farmer, has the nomination for County Commissioner of Precinct One.

Both were nominated to their post in the second Democratic Primary election that was reeled off in the county last Saturday.

There were four state-wide run-off elections Saturday and Cochran Counties followed the statewide trend in nominating all but one of the candidates involved. Cochran voters preferred Wayne Connally 870 votes to Bill Hobby's 517 votes, but Hobby won at the statewide level in balloting for nomination as lieutenant governor of Texas.

In the run-off between Barefoot Sanders and Ralph Yarborough for nomination for the United States Senate, Sanders won at the state level and collected 945 Cochran County votes to Yarborough's 441.

Uvalde rancher Dolph Briscoe won the gubernatorial nomination at the state level and carried Cochran County against Mrs. Frances Farenthold by a vote of 984 to 423.

Veteran incumbent Rober S. Calvert won the nomination over challenger Jim Wilson for comptroller of public accounts of Texas and carried in Cochran County by a vote of 767 to 581.

In the local race for sheriff, Richards polled 898 votes and Charley Ellis polled 518.

In the County Commissioner, Precinct One race, Walden drew an even 500 votes to 490 for Joe Beseda.

A precinct-by-precinct breakdown in the voting for the sheriff's office shows the following results:

Precinct One: Richards 573; Ellis, 327. Precinct Two: Richards, 105; Ellis, 80. Precinct Three: Richards, 86; Ellis, 35. Precinct Four: Richards, 78; Ellis, 32. Absentee: Richards, 56; Ellis, 44.

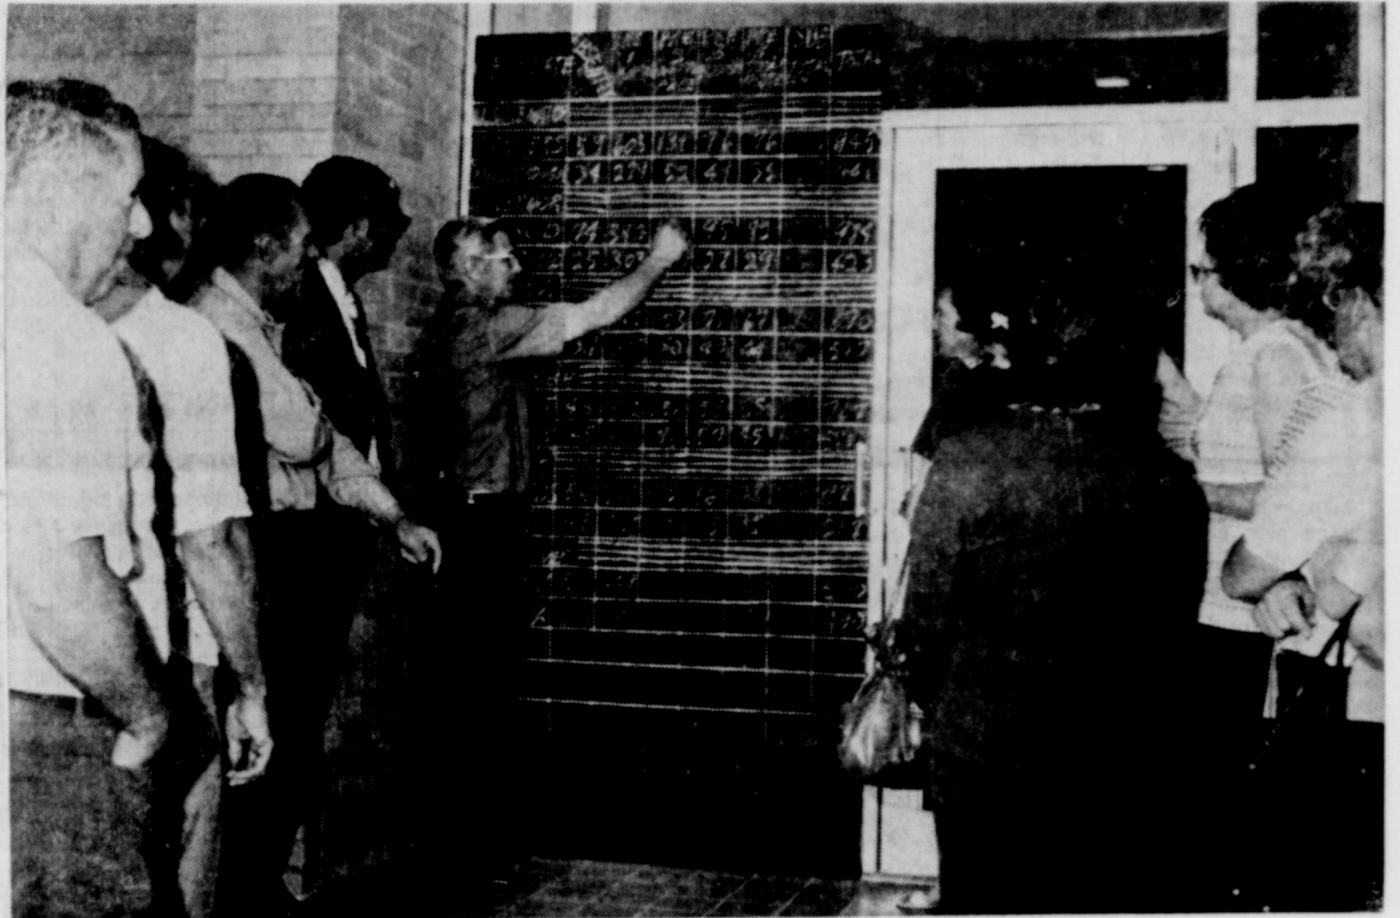

Election officials said that there were a total of 1,430 Cochran County voters who went to the polls in Saturday's run-off balloting. The run-off was decreed as a result of indecisive balloting in the first 1972 primary election May 6. A total of 1,667 local voters went to the polls in the May 6 election.

See ELECTION, Page 2a

★ Musical ...

The 32-member teenage choir from Parkview Baptist Church in Phoenix, Arizona will present the musical "Now Hear It Again" at the Enochs Baptist Church at 8:30 p.m. Saturday, June 10.

The public is invited to attend this special service.

THE FIGURES TELL THE TALE ...

A LARGE CROWD of interested Cochran county citizens gathered at the south door of the county courthouse soon after the polls closed Saturday to read the results of the Democratic Primary runoff election as the figures were posted by county and district clerk Bob Vinson. Of

special interest locally was the Precinct One commissioner race won by Mike Walden over Joe Beseda and the county sheriff's contest won by C. G. Richards over Charley Ellis.

Farm payment cuts are forecast

Farmers receiving maximum amounts in government support payments should expect to see them chopped by as much as 60 or 80 per cent in 1974.

This is the studied opinion of Dr. Clive R. Harston of the Texas Agricultural Experiment Station at Texas A&M University.

"It is inevitable that the limitation will be lowered with the next farm bill, which is being drafted now," he said. "The question will only be by how much."

Harston, a specialist in agricultural policy in the Department of Agricultural Economics and Rural Sociology, explained that a farmer is currently limited to receiving no more than \$55,000 in payments for each crop program. Although there is some talk of doing away with support payments altogether, Harston suggests a lowering of the ceiling to \$20,000 or even to \$10,000 per person per crop program.

The \$20,000 limitation has already been endorsed by a major farm organization, he explained, and is getting the support of many congressmen considered sympathetic to agriculture.

Why? Harston said limitation concessions are being made in an effort to turn some farm critics into allies.

"Because farm supporters represent such a small minority in Congress, they must of necessity make alliances with other non-farm minorities — groups which could support farm programs on the condition that payment limitations be lowered."

"Some of those who advocate lowering payment ceilings believe such action will

save the government a great amount of money," Harston continued. "But it is unlikely that this will happen."

The \$55,000 limitation, which has been in effect since 1971, has probably caused no measurable reduction in costs to the federal government, he contended, because it affected very few farmers.

In Texas, for example, only 235 farm operators were drawing more than \$55,000 in any crop program before the limitation was imposed.

A reduction of the payment limit to \$20,000 will have a much greater impact on agricultural operations, Harston said.

"This lowering of the income support

See PAYMENTS, Page 2a

Screwworm outbreak said spreading over wide area

A record-breaking 1,563 screwworm cases were confirmed in Texas for the week ending Saturday (May 27). This compares to 780 cases the previous week and 600 two weeks earlier.

According to officials of the Mission Screwworm Eradication Program, the outbreak spread to 16 new counties during the past week, upping the infestation area to 109 Texas counties. Newest counties hit by the flesh-eating livestock pest include Concho, Lampasas, Nolan, Stonewall, Howard, Jack, Knox, Comanche, Runnels, Brown, Coke, Grimes, San Saba, Wilbarger, Young and Reeves.

Dr. M. E. (Cotton) Meadows, Jr., eradication program director, said Arizona also recorded nine new cases, pushing the tally for the week to 1,574 cases in the United States. Large numbers of new cases were reported in many portions of Mexico near the U. S. border.

Total case count for the year thus far is 4,447, compared to 444 for all of last year. Texas thus far had recorded 4,382 cases; Arizona, 57; New Mexico, 5; California, 2; and Oklahoma, 1.

"All areas where cases are confirmed are being treated with sterile flies," points out Meadows. This involves "hot-spotting" or dropping about 100,000 sterile flies at each location. In addition, 1,600 flies are dropped per square mile each week in the southern part of the state that has heavy infestations. Certain other areas receive sterile fly drops at the rate of 500 to 800 per square mile each week. When cases are confirmed in scattered western and northern counties, routine fly drops are made along rivers and streams in addition to the "hot-spotting."

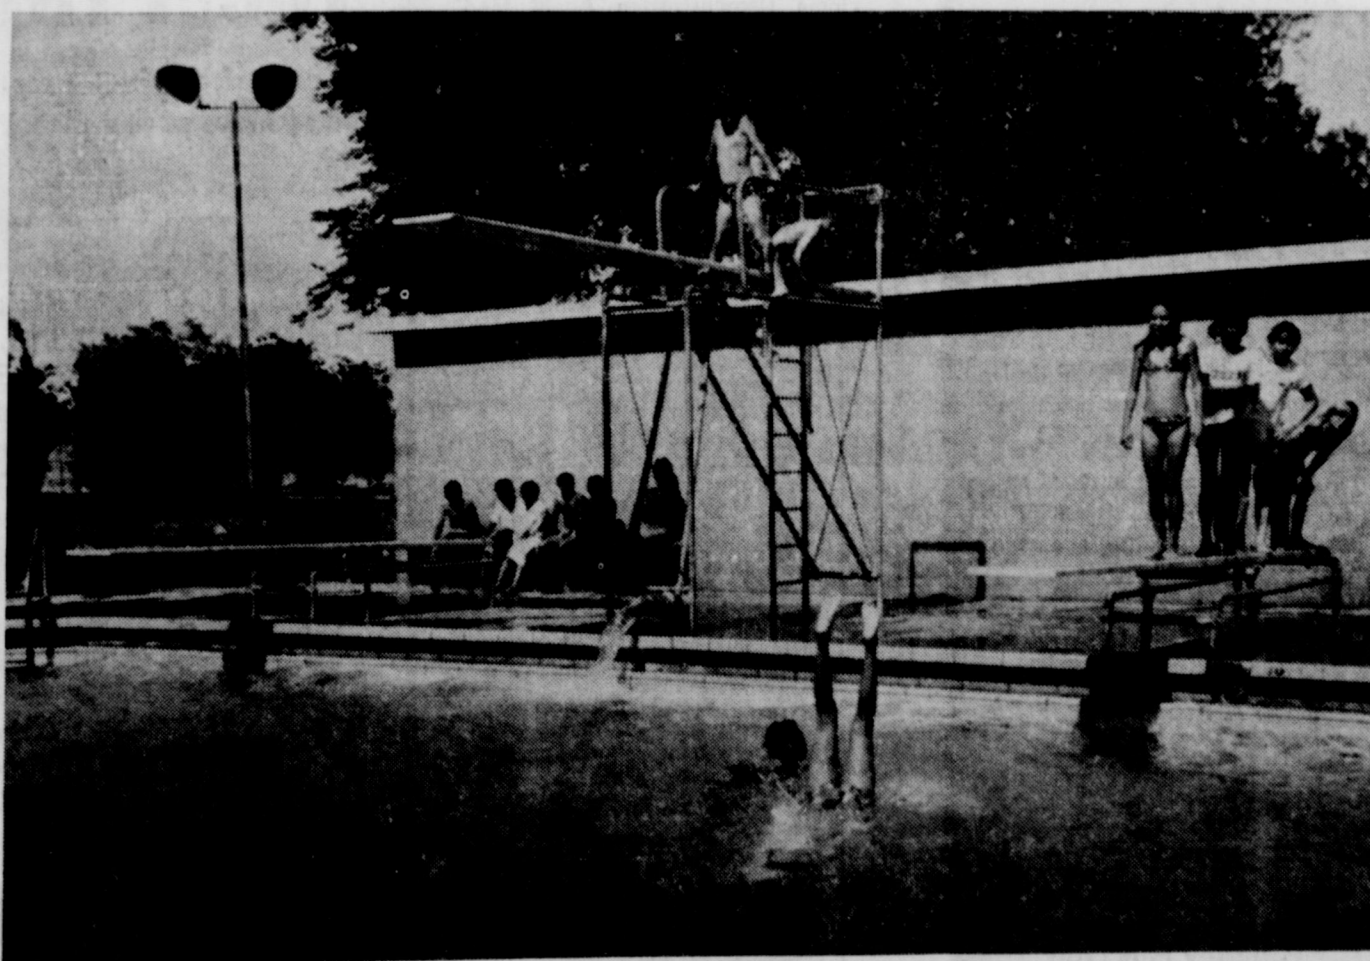

Meadows urges all producers to check their animals frequently, collect any worm samples from wounds and treat the wounds with a recommended product. Worm samples should be sent to the Screwworm Laboratory, Box 969, Mission, Texas for identification.

The program director also cautioned producers to delay such operations as docking, branding, dehorning and castrating. "These operations leave a wound and that's an open invitation for the screwworm fly to lay her eggs. Almost 90 percent of all confirmed screwworm cases come from man-made wounds and from the navels of young calves," he added.

★ P-H-T contest ...

Byron's 66 Station and Maple Supply, sponsors of the Pitch, Hit and Throw contest, have announced that competition at the local level will be held at Morton Little League Park Saturday, June 10, beginning at 9:30 a.m.

All boys in the Morton area who have signed up for the contest are urged by the sponsors to be there on time. Competition is on a nation-wide basis, with regional winners and their parents receiving a free trip to the major league all-star game where they will vie for the national championship in each age group.

OFFICIAL BEGINNING OF SUMMER ...

MORTON'S YOUNGER SET made their first big splash of the season Saturday and officially opened their summer vacation with a cooling dip. Regardless of what other conditions prevail, it's when that pool opens that

they start their long, lazy summer vacation with the coming of schooltime again out of sight over the distant horizon. That first of a thousand more splashdowns to come, is always the coolest.

Election . . .

from page one

Candidates in the Saturday election were nominated by their party to stand for formal election in the November general balloting. Republicans fielded no nominees for Cochran County offices and, at the state level, Hobby is not opposed by a Republican for the lieutenant governor's slot. Democratic nomination for Cochran County offices is tantamount to election.

FINISHED PRODUCT

Ideas are always worthless until harnessed to industry and guided by good judgement.

Texas state agencies auction to offer a variety of items

State of Texas Agencies who are furnishing surplus property for the tenth public auction slated for June 17, believe the public will again be motivated to attend and bid on one or more of 130 automobiles, trucks, station wagons and pickups which will go to the highest bidder, H. A. Foerster, Executive Director, State Board of Control, announced.

Inspection of all surplus property offered by 13 State Agencies will begin at 7:30 A.M., June 17 in the Austin City Coliseum. The auctioneer will cry the first item at 9:00 A.M.

Other than the vehicles which will be offered by the Department of Public Safety, Texas Parks and Wildlife Department, State Historical Survey Committee, Texas Water Development Board, and the Texas Highway Department, an unusual number of popular articles will also go to the high bidder.

Foerster pointed out that the miscellaneous merchandise includes typewriters, calculators, chairs, copying machines, lawn equipment, file cabinets, desks, desk lamps.

Also specialized computer equipment, computer control board, sorter racks and stands, boats, motors, trailers and addressing machine, tape and dictation equipment, radio equipment, projectors, concrete mixers and a front-end loader.

The Executive Director of the Board of Control reminded interested persons all items in the June 17 auction would be available for inspection at 7:30 A.M. and would continue until 9:00 A.M. Those interested in obtaining complete lists of items to be sold may do so on the day of the sale.

Again, the Nelson International Company will act as auctioneers for the State of Texas. Terms are cash on the day of the sale and Foerster reminded prospective bidders that merchandise must be removed that same day because space and special protection in the Austin City Coliseum was not available following the State of Texas auction.

Nelson International Company, auctioneers in nine previous sales which totaled \$927,645.68, has averaged selling one item every 60 seconds; therefore, it is possible for one to look at the complete list of items offered and determine an approximate time when a given lot will be offered.

Payments . . .

from page one

ceiling is supposed to be aimed at helping small farmers," he explained. This will not be the case. As long as payment amounts are tied to the price of a product reaching the market, the support program will be ineffective in helping them."

Because the big operator produces seven per cent of the nation's produce half its agricultural production he obviously receives higher payments, Harston said.

A \$20,000 payment limitation probably means some savings in government expenditures, but primarily because larger operators will have to drop some support programs altogether.

Some who choose to stay in the business, said, may recoup a portion of their lost support payments by exercising options, including leasing of their land to others.

TIP TO MOTORISTS

Car accidents will diminish as folks use enough brain power to the horsepower.

ENGAGEMENT ANNOUNCED

MR. AND MRS. DONNIE SIMPSON have announced the engagement and approaching marriage of their daughter, Cindy, to Keith Coats, son of Mr. and Mrs. Kenneth Coats. The couple is planning a June 24 wedding in the First Missionary Baptist Church. The bride-elect attends Morton High School. Coats is a 1971 graduate of Morton High School and is employed in Denver, Colorado.

★ Summer Sewing

The Morton 4-H Club will begin their clothing project groups next Tuesday, June 13.

If there are any 4-H members interested in sewing this summer and you have not contacted the County Extension office, please let us know. Home Demonstration Agent Gail O'Neal's telephone is 266-5215.

We've got over 300 good, steady jobs.

In construction, transportation, communications, computers. For photographers, printers, truck drivers, surveyors, typists, TV cameramen and repairmen, cooks, electricians, medical aides, motor and missile men. To name a few.

We'll train you to do the jobs. And give you full pay while you train. Starting at \$288 a month.

Your choice of training, if you qualify, before you sign up. For a complete list of jobs, see your local Army Representative.

Today's Army wants to join you.

S. laws usually lenient sur-name change cases

pressed by his "foreign" name, a man went to court to have it Americanized. But at the hearing, his own attorney showed up to protest. In their view, the name was disgracing his family and his past.

Nevertheless, the court approved the name change.

"The law," said the court, "does not require a man to perpetuate the sur-name of his ancestors."

In some instances, names may be changed with comparative ease. One way is to "re-establish yourself known" by a new name. This is a faster, safer way, allowed almost everywhere, is to have the change approved in a court procedure. If you are speaking, you may choose any name you please. However, courts do not exercise a certain amount of discretion to refuse a name change for a refusal

is to prevent fraud. In one case, a man seeking a name change admitted that he had seven unsatisfied judgments hanging over his head. The court turned him down, figuring that he was mainly interested in throwing creditors off his trail.

Commercial considerations also blocked another man's attempt to drop his first, middle, and last names in exchange for a single name. The court said:

"Approval of the use of a single name would cause disruption of official records and complications in our economy, largely dependent on credit of easily identifiable persons."

Occasionally a name will be turned down because it is just too freakish.

Two actresses, paired as a night club team, once applied at the same time for exactly the same name. Under this arrangement, they pointed out to the court, neither one could get any more publicity

TO WED . . .

MR. AND MRS. CHESTER T. MILLER have announced the approaching marriage of their daughter, Karen Denise, to Michael Wilbert Rohmfeld, son of Mr. and Mrs. Wilbert A. Rohmfeld of Pep. Miss Miller is a 1972 graduate of Morton High School. Rohmfeld graduated from Pep High School and South Plains College. He is employed at Anderson-Shamburger Implement Company in Levelland. The couple plans to be married June 24 at 2:30 p.m. in St. Ann's Catholic Church. Friends are cordially invited to attend.

Whiteface cub scout pack 673 has picnic, awards merit badges

Fun, food, and friends were the order of the day last Thursday when Whiteface Cub Scout Pack 673 and their families met at the Roadside Park between Whiteface and Levelland.

Everyone explored the area, finding such diverse novelties as mulberries, snakes, and stray cats. After much discussion and a lot of hard work, the Scouts had a blazing fire over which everyone roasted weiners and marshmallows.

Gathering the group around the campfire, Cub Master Lynn Martin awarded Wolf Badges to Marty McCowan, Ricky Martin, Billy Roberts, Mark Yarbrough, and Gary Keith. In addition, Gary and Mark each earned a Gold Arrow Point. These awards are given in recognition of the boys' accomplishments in the Scouting Program.

The Webelos welcomed new member Bryan Bentley. Webelos leader Jerry Marks presented the following badges: Gary Langston — Athlete, Sportsman; George Edwards — Athlete, Sportsman; John Lightfoot — Athlete, Sportsman; Mike Cumpton — Naturalist, Scholar, Showman; Mike Marks — Engineer, Naturalist, Scholar; Ricky Neal — Artist, Citizen.

DISPUTED PASSAGE . . .

A MORTON WOMAN and a one-year-old child received minor injuries when the two cars above were involved in a collision at the intersection of N.E. 2nd Street and Wilson Ave. late Tuesday morning. Mrs. Doris Johnson, of Morton, was reported to have received a bruise on her head and Larry Lopey, 1, also of Morton, reportedly received bruises on his head and leg. Both cars were substantially damaged.

IN APPRECIATION

Thank you, all my friends and supporters who carried

me to victory in the runoff election for Commissioner of Precinct 1.

I pledge to you that I will extend every effort to make myself the best commissioner this precinct has ever had and assure you that your votes have not been cast in vain.

Thank you, again.

MIKE WALDEN

than the other. They said they wanted to make certain that problems of professional jealousy would never arise between them.

But the judge foresaw so many mix-ups and complications that he denied their request. He said the two actresses would soon find themselves enacting a real-life "Comedy of Errors."

GSPA urges reseal for '71 grain sorghum

Continuation of "orderly marketing" of grain is encouraged by the Grain Sorghum Producers Association. Elbert Harp, GSPA Executive Director, reminded farmers that they need to sign up to "re-seal" their grain sorghum that is in government loan by June 30, or it will become property of Commodity Credit Corporation.

Harp stated, "The grain sorghum farmers are to be commended for their determination to distribute the sale of grain throughout the year. This practice keeps the market prices in most areas from dropping back to the loan level, as they did throughout the corn belt."

The grain market has held from 20-30 cents per hundred pounds above the loan level ever since last fall. "There is little doubt that, had everyone dumped his grain during harvest season, the market would have gone below this level. It still will if everyone suddenly decides to sell," Harp said.

The reseal program offers farmers the opportunity to hold their grain for higher prices later in the year, with CCC paying the storage after June 30. The farmer has to sign up for reseal to take advantage of this program.

If the drought continues to cut wheat production so that it will not compete with grain sorghum in feed lots; if 1972 corn and sorghum crop prospects deteriorate; and if overseas sales of grain to Russia and other countries materialize, there should be some strength in grain markets this summer.

Always take pains with your work or you'll get nothing but pains out of it.

BEN FRANKLIN

Cadenhead-Hall united in candlelight ceremony

Miss Janice Susan Hall became the bride of Benny Ray Cadenhead in a double ring ceremony at 7 p.m. Saturday in First Baptist Church. The Rev. Paul McClung, pastor, officiated the candlelight ceremony.

The bride is the daughter of Mr. and Mrs. Raymon Hall. Mr. and Mrs. Russell Hudson are parents of the groom.

Given in marriage by her father, the

bride wore an empire style gown of white organza over peau de soie featuring a fitted lace bodice, bishop sleeves and a softly gathered skirt. She carried a cascade of white miniature carnations atop a white Bible. Following tradition, for something old she wore a pearl pin that belonged to her great-grandmother; something blue was her garter; something new was her gown; something borrowed was a

Mrs. Benny Ray Cadenhead

string of pearls belonging to Mrs. Rita Youngs and the traditional good luck pennies, minted in the years of the bride and groom's birth.

Miss Cindy Gunnels was maid of honor and Miss Rayma Hall, sister of the bride, and Miss Mary Jo Hudson, sister of the groom, were bridesmaids. They wore dresses of orchid dotted swiss featuring empire waists, bishop sleeves and slightly gathered skirts. Each carried a single long stemmed white carnation with orchid streamers.

Tommy Hudson, brother of the groom, served as bestman. Groomsmen were Wayne Patton and Wayne Thompson of Lubbock. Guests were seated by Ray King of Nacogdoches and Bob Bybee of Lub-

bock. Wedding music was presented by Mrs. Norma McCarty, organist, and Mrs. Dennis Clayton of Lubbock, soloist.

Following the ceremony, a reception was held in the party room of the Morton Insurance building. Miss Joan Kuehler and Miss Trezelle Hill of Mineral Wells served at the bride's table. Mrs. Regina Minor of Lubbock served at the groom's table.

The bride is a graduate of Morton High School and South Plains College. Cadenhead is a graduate of Morton High School and is stationed with the United States Air Force at Sheppard Air Force Base.

The couple will reside at 1302B Kenley St., in Wichita Falls.

STRICKLAND CLEANERS

will be open Monday and Tuesday
June 12 and 13 from 3 to 5 p.m.

Anyone having clothes there, please call for them during that time. After that date all clothing left will be disposed of.

ASCS Farm News

BY JOHN W. HALL, CED

Set-aside payments will begin promptly with the beginning of the fiscal year on July 1 for farm program participants who have made early certification of compliance in the 1972 feedgrain, cotton, and wheat set-aside programs.

During July, approximately 60 percent of the 573 county farmers enrolled in the set-aside farm programs probably will receive payment checks, according to an estimate by Danny Key, Chairman of the Conservation (ASC) Committee.

Farm program payments are dependent upon producer certification. Danny Key pointed out. "Early certification means an early payment," he said. "However, no one should make certification until he knows he is in compliance."

When a farmer certifies compliance, he reports the exact acreage of his set-aside land and program crops and designates the location of his set-aside acreage on a photocopy of his farmland. He also certifies that he has complied and will continue to comply with all program regulations. Certification is made at the ASCS County Office.

As soon as the farmer certifies, ASCS begins processing for his program payments. Payments cannot be made before July 1 but the law provides they must be made as soon as possible thereafter.

Also as soon as a farmer certifies, his farm is subject to spot-check for compliance. A number of farms in the county are chosen at random each year for spot-checking.

While commenting that early certification means early payment, the ASC Committee Chairman also said that accurate certification is essential. Once a farmer has made his final certification, he may not change his mind nor make acreage adjustments, and a mistake can mean loss of some or all of his program payment.

Final certification date in Cochran County is August 1, 1972. Some 20 County farm program participants have already certified, Key reported.

He is hopeful that the number of early payments this year will exceed last year, when 30 percent of the total earned by 540 county farmers had been made by July 1.

"How ever, it all depends on how soon farmers come in to the ASCS County Office to make certification. Judging by last year, if a farmer certifies by June 15, he will receive payment during the first ten days in July. After that, the time between certification and payment will range from 10 to 15 days," Key stated.

THANK YOU

Let me take this opportunity to express my deep appreciation to all the voters of Cochran County who made it possible for me to be elected your county Sheriff.

I promise you that I will use all my own resources and all those of the Sheriff's office in making Cochran County a safer, more law abiding and pleasanter place in which to live.

I ask your continued aid and support in accomplishing successfully the big job ahead of me. Thank You.

C. G. RICHARDS

About local folks . . .

Mr. and Mrs. Jack Baker spent Sunday in Levelland with their daughter and family, Mr. and Mrs. C. A. Tanner.

Mrs. Norma McCarty will be among the three hundred teachers expected to attend the 58th annual convention of the Texas Music Teachers Association at the Koko Inn in Lubbock. She will assist in the pre-convention events beginning June 5 and will remain for the Master Piano classes following the convention. Dr. Bela Negg, chairma of the piano department, Boston University, Mass., will conduct the classes.

Mmes Bertha Miller, Emmie Childs and Vera Marshall returned to their homes late Sunday afternoon after attending the 12th annual Wedgeworth reunion held in Mineral Wells Friday and Saturday. All of the Wedgeworth children were present. Besides the three from Morton were Mrs. Othal Bellamy of Houston and brothers, Lonnie, Walter and Burtis of Pano-la County. A grandson, Rev. Douglas Bellamy of near Dallas, brought the Saturday morning message. Mrs. Miller was awarded the honor of being the oldest member present. The group, 63 stayed at Holiday Inn, declared among themselves it to be the best reunion yet.

Mr. and Mrs. Joe Gipson left Wednesday morning for a few days away from home. Joe to attend the Justices of Peace and Constable Association of Texas in Beaumont and Dutch to sit with relatives in and near Sherman.

Alberg Ellis, former resident of Morton, now living in Lovington, N.M. was greeting old friends of yesteryear the first part of the week.

Mrs. Martha Latta, former resident from San Diego, Calif., was a house guest of Mr. and Mrs. Hume Russell from Thursday to Sunday. Mrs. Russell held open house during the time for Mrs. Latta's many friends here who wished to call. Mrs. Carl England of Midland was also a house guest of the Russells. Mrs. Latta flew to Albuquerque, N.M. Sunday for a visit with her sister and other relatives while in the area.

Mrs. Lois St. Clair met with the St. Clairs of Muleshoe Sunday and together they attended market in Amarillo.

Out of town guests who attended the Cadenhead-Hall wedding Saturday were Mr. Winford Patton and Sherry, Mr. and Mrs. Douglas Patton and sons, both of Plains, Mr. and Mrs. Bob Bybee and Shone of Lubbock and Carey Franklin of Peryton.

Mr. and Mrs. Lewis Hodge, Sandy and Lisa visited with their parents and other

relatives and friends several weeks.

Mrs. Evelyn Smith will leave this weekend to meet her sister-in-law, Mrs. Hudspeth, for a joint trip to several cities to visit with relatives and friends.

Mr. and Mrs. John St. Clair left Sunday afternoon for Phoenix, Ariz. for a brief visit with her parents, Mr. and Mrs. Bill Cooper. Enroute to Arizona plan several side trips, the first a night stop in Ruidoso, N.M.

The informed consumer

There are presently over 300 million credit cards in use in this country. This provides a substantial source of income for the swindler and thief. Each year from unauthorized use of credit cards total an estimated 200 million dollars.

The ready acceptability of credit cards by merchants and dealers without de-

manding any identification from the user and the sending of unsolicited credit cards by mail have been the greatest causes for such losses.

Recently enacted federal legislation has effectively limited liability of the card holder and should help to alleviate some of the more serious problems.

Under the new law the credit card owner is liable for unauthorized use of his card only if it is an accepted card. An accepted card is one which the owner requested and actually received, or one he has signed and used.

Even where an accepted card is stolen or lost and unlawfully used, the owner's liability is now limited to a \$50 maximum, and then only on certain conditions.

For any liability to attach at all the card issuer must notify the holder as to his potential liability. The issuer is also required to provide the card holder with a stamped self-addressed notification to be mailed to the issuer in case of loss or theft.

The card issuer must also furnish the owner with a method of identifying himself as the person authorized to use it.

No liability for any card issued on or subsequent to January 25, 1971, exists unless all the above conditions are met.

Furthermore, any unauthorized use must occur before the card holder notifies the issuer of loss or theft.

As a further restriction, no credit card can now be issued unless it is in renewal of, or in substitution for, a previously accepted card, or unless a specific request or application is made for it.

The burden of proof is on the issuer to show that the use was authorized or, if it was unlawfully used, to prove that the above mentioned conditions for liability have been met.

The passage of this law by Congress should help to stem the tide that has allowed credit card fraud to become a relatively easy form of larceny in the United States.

Shower honors Miss Berggren

Miss Janice Berggren, bride-elect of Eddie Allsup, was honored with a bridal shower May 27 in the home of Mrs. Leonard Groves.

Co-hostesses were: Mmes Kenneth Watts, W. O. Fluitt, Dalton Redman, Bob Robinson, D. A. Ramsey, Bill Sayers, Phieffer Ramby, Gary Willingham and W. D. Collier.

Special guests were the bride-elect's and prospective bridegroom's mothers, Mrs. Royal Berggren and Mrs. Betty Allsup. Hostess gift was cookware.

Approximately fifty guests called between the hours of 9:30 a.m. and 11:30 a.m.

JUST RESTING—Gunther Gebel-Williams, Ringling Bros. and Barnum & Bailey Circus' sensational young animal master, takes a breather before presenting his magnificent elephants in The Greatest Show On Earth's spectacular 101st Edition. There will be four big performances at the Lubbock Municipal Coliseum on Tuesday and Wednesday, June 13 and 14, matinee and evening each day.

'Greatest Show on Earth' tickets available by mail

Mail orders are now being accepted by Lubbock Municipal Coliseum for its upcoming engagement of the all new 101st Edition of Ringling Bros. and Barnum & Bailey Circus. The Greatest Show on Earth will open at the Coliseum on June 13th and 14th for performances at 2:30 and 8:00 p.m.

Presenting the most exciting and elaborate three-ring spectacle of all time, the new Circus features sensational German animal trainer Gunther Gebel-Williams and his fantastic elephants, tigers and horses.

Other internationally acclaimed Circus attractions include: Wolfgang Holzmair, presenting 17 snarling lions; the fantastic Spanish juggler, Gran Picaso; the Swiss highwire clown, Pio Nock and Company; the Flying Waynes and The Flying Braytons; the amazing aerial star, Elvin Bale; Doval the Great, the world's bravest high-wire artist; Jeanette Williams, Europe's finest horsewoman; the fabulous George Lionel Bears from Rumania; and a host of other auspicious attractions.

In addition, The Greatest Show on Earth presents the world's largest, funniest Congress of Clowns and the largest collection of performing animals in the world today.

Five elaborate and magnificently costumed production spectacles are featured in the 101st Edition, including the imaginative and exciting "Gonna Build A Circus," and the most elaborate elephant

spectacle of all time, "The Peerless Potentate of Pachydermia."

Tickets are \$5.00, \$4.00 and \$3.00 each. Children under 12, \$1.00 less than adult tickets for the 2:30 p.m. performance only. Send ticket orders and make checks payable to: Ringling Bros. Circus, P. O. Box 1732, Lubbock, Texas 79408

WTPA's journalism scholarship recipients announced by Snyder

Cheryle Fox of Crane and Shelley K. O'Neil of Odessa were named winners in the West Texas Press Association Journalism Scholarship contest, according to Gene Snyder of Denver City, chairman. Snyder said that both girls were granted scholarships this year because the committee did not award a scholarship last year.

The \$800 scholarship is awarded to a high school student who will study journalism at a West Texas college or university, and who indicates a desire to enter the field of newspaper journalism after graduation. The scholarship is paid in installments of \$200 per school year for a period of four years.

Miss Fox is the daughter of Mr. and Mrs. Marshall Harvey Fox of Crane and is the youngest of seven children. A May graduate of Crane High School, she ranks fifth in her class and has been a member of the National Honor Society for two years.

She served as sports editor on the Crane High School newspaper, The Crane, her senior year. She has served on the annual staff for two years and is a photographer. Miss Fox was elected president her senior year.

She has won several first and seconds in UIL competition in editorial and news writing.

Miss O'Neil is a May graduate of Odessa High School and became interested in journalism as a sophomore in a beginning journalism class. As a junior she served on the newspaper staff as editorial editor and as a senior she has been co-editor of the newspaper.

She has ranked high in both UIL competition and in UIL Press conference contests. She maintained a 3.6 grade average at Odessa High School and is a member of the National Honor Society and has been in accelerated English classes for six years.

Both girls plan to attend Angelo State University this fall and major in jour-

Company in the home of Mrs. L. E. Nichols Friday night and Saturday was her children, Mr. and Mrs. Harold Dean Nichols of Idalou, Myrlene Nichols of Lubbock, and a friend of Myrlene's, Pat Hug-

gings, and Mrs. L. B. Davis and sons of Shallowater. Mrs. Davis and children stayed till Sunday afternoon.

Mrs. Nichols and Mrs. Davis drove to Littlefield Sunday afternoon and went to the cemetery and took flowers to put on her husband and father's grave. Mrs. Nichols also visited her brother-in-law and sister-in-law, Mr. and Mrs. Jack Har din, while in Littlefield.

Mr. and Mrs. Royce Lane and children of Canyon came last Sunday afternoon to spend Memorial day with the C. R. Seaglers. She is the Seagler's daughter.

Visitors at the Baptist Church last Sunday were Mr. and Mrs. Rusty Rowden and children of Lubbock, Mrs. L. B. Davis and sons of Shallowater, Mr. and Mrs. James Crocker and son of Tucumcari, N.M., Mrs. Janet Jarros and son of Las Vegas, N.M., Jimmie Shaw and his fiancée from Okla. and Mr. Key.

The churches dismissed their services Sunday night May 28, for the Baccalaureate services held in the Bula school. Mrs. James Sinclair played the processional, Rev. Ronnie Green, pastor of Bula Baptist Church, gave the invocation and Sandra Austin presented the special music. James Sinclair introduced the Rev. Charlie Shaw, pastor of Enochs Baptist Church, who gave the address. The Rev. Ronnie Green gave the benediction. Student ushers were Charlene Pollard and Jimmy Risinger and parent usher was Steven Mack Newton.

Bula school had only two graduates from the eighth grade. They were Ornelida Davilla and Debbie Wyman. Exercises were held Monday morning. The Rev. Ronnie Green was the speaker. Willis Hedges, principal, gave both the invocation and benediction.

Senior graduation exercises were held Tuesday evening. Larry Clawson gave the salutatory address and Barbara Black gave the valedictory address. J. R. Austin, President of the school board, presented the diplomas. Special music was given by Sandra Austin and Mrs. James Sinclair. Superintendent Sinclair made the special awards at the close of the service.

Speaking of Politics

BY J. WAYNE MCDERMET

Dolph Briscoe, Democrat from Uvalde, and Henry Grover, Democrat turned Republican, will now square off for the campaign for the Governor's chair in Austin.

Briscoe beat out Representative Frances Farenthold to capture the Democratic nomination for Governor in last Saturday's run-off election.

Henry Grover, in a landslide victory over Albert Fay, is the Republican nominee for that seat.

After a mud slinging race to the very end, Bill Hobby, Houston newspaper man, took the Democratic nomination for Lt. Governor over John's little brother, Wayne Connally. Hobby, a former Texas Governor's son, faces no Republican opposition in November and is the Lt. Governor-elect.

Barefoot Sanders, freckled faced lawyer from Dallas, carved out a dark horse victory in the U.S. Senate Race, upsetting Ralph Yarborough for the Democratic nomination. Sanders now faces an uphill climb against Republican John Tower in November.

Robert Calvert, 80 year old incumbent, beat out James T. Wilson for the State Comptroller's Office.

Locally, C. G. Richards, life-long Cochran County resident, beat out Charley Ellis in the runoff to capture the sheriff's office after also leading in the May 6 Primary.

Mike Walden took the County Commis-

sioner's seat Precinct 1 over his opponent Joe Beseda. The former Commissioner Leonard Coleman was beat out in May 6 Primary.

In an East Texas contest for Representative, "Dirty Thirty" Member Price, defeated House Speaker Ray Price. It was surprising to me that people, from his home district, would name a man so powerful in the House.

Gus Mutcher, convicted of acceptance bribe, was also defeated in a runoff election.

It seems apparent that Texans will clean up the mess in our government and start over to build respect and confidence in our leaders.

The political scene will quiet down for a few months as the candidates gear their forces for the big attack November.

The pace was fast and furious and will slow down for a while, but only a while. The big prize comes in November and each candidate will be out to it.

As voters, stay informed and up to date on the issues, and learn what you about the candidates. In November all go to the polls and elect the men for the job!!

FORESIGHT

The faculty to remember is a great asset, but the man who is able to look into the future is worth much more.

Couple pledges ring vows in Whiteface ceremony

Christy Irene Sanders and William Raymond Love exchanged double vows Saturday at 7 p.m. in the First Church in Whiteface. The Rev. Harrison officiated.

Members of the couple are Mr. and Mrs. Charles Sanders and Mr. and Mrs. E. Love, Jr. of Lamesa.

Miss Susan Schooler of Whiteface was bridesmaid and Mrs. Mollie Williams of Lamesa was soloist.

Love was married by her father, the Rev. Raymond Love, in a formal gown of white tulle and a large lace collar, jeweled in pearls and cut crystal beading. The bride's silhouette featured a portrait of her father and repeated the lace and fitted elbow length sleeves. The train swept from the shoulder to the floor and repeated the lace and jeweling motif. Her veil was of tulle on a headband of

bows and baby's breath dotted with pearls. She carried a cascade of white roses with baby's breath.

Miss Gail Sanders, sister of the bride, was maid of honor and Mrs. Jackie Hipp, sister of the groom, and Miss Kay Sams were bridesmaids. They wore pastel green gowns of mirror-mist over white satin trimmed in white beaded lace. Their headpieces were wide bows of mirror-mist attached to short veils of tulle. Each carried a bouquet of yellow mums with baby's breath and yellow streamers.

Tim Schooler served as best man. Groomsman were Tim Cassle of Arlington and Dale Robertson of Marble Falls. Jackie Hipp, Billy Wall and Craig Woodward seated guests.

Monte Wall, nephew of the bride, was ringbearer.

A reception honored the couple in Fellowship Hall of the church immediately following the ceremony. The bride's table featured yellow organza roses, fruit punch and the bridal cake. The groom's table was accented with green candelabras and a silver coffee service.

Mrs. Billy Wall of Hobbs, N.M. and Mrs. Ray Luper of Lubbock, both sisters of the bride, served and Miss Elizabeth Deavers of Whiteface registered guests.

Mrs. William Raymond Love

Area Boy Scouts anticipating busiest camping season ever

Sunday, June 4th was the opening date for what may prove to be the best camping season ever for the South Plains Boy Scout Council according to Bill McMillan,

Jr. 4408 — 11th Street, Lubbock, Council Camping Chairman.

Approximately 300 boys will crowd into Camp Post each of the first 2 weeks starting June 4th and June 11th McMillan added.

A special feature will be camperships provided for needy Scouts and non-Scouts by the Lubbock United Fund. This special program will provide a rich camp experience for 100 Lubbock boys who otherwise would not get a chance to camp in a tent and know the greatness of the outdoors in West Texas.

Camp Post is located on the Cap Rock, 31 miles Southwest of Lubbock.

A special Aquatic Camp will follow the 2 weeks of Troop camping at Post. Doug Stahl of Lubbock will direct this water oriented camp. This experience will make 60 lucky boys "drown-proof," for life according to McMillan. The Aquatics Camp program will include canoeing, rowing, swimming, life saving, and troop life guard training. In addition each Scout will have the opportunity to earn the coveted "mile swim" award.

Starting July 2 and for the next 4 Sundays ten troops will go from the flat South Plains area to nearly 9,000 feet to camp at Tres Ritos in the Sangre de Cristo Mountains of New Mexico. Each troop will cook all its own meals in the high mountains. One of the meals will probably be a fresh trout dinner caught by the boys themselves.

Jerry Stevens, Plainview, Doug Palmer, Ralls and Marc Wittenberg, Levelland will direct the Tres Ritos Camp.

About local folks

Joe Nicewarner and Hume Russell enjoyed a few days of rest and fishing at Lake Conchos last weekend.

Several members of Morton Chapter No. 841 Order of Eastern Star attended a reception in the T. W. Moore home in Levelland. Mrs. Eula Moore, who hosted the reception, honored Sundown, Levelland and Morton especially since she has or will be installing officer of these chapters for the ensuing year. Other chapters were invited to this occasion. A receiving line composed of Worthy Matrons elect of these three chapters greeted guests. Members from many chapters of South Plains area attended. Those attending from Morton were Mrs. Alice Shelton, Mr. and Mrs. Bob Newton, Mrs. Ada Long, Winnie May Byars, and Mr. and Mrs. Joe Gibson. Approximately 100 guests registered.

Mr. and Mrs. Fred Morrison and granddaughter, Kim Hamilton, of Seminole, Okla., visited several days last week with Mrs. Morrison's mother, Mrs. Aaron Phillips, of Chillicothe.

Mr. and Mrs. P. B. Ramy have as their guest her mother, Mrs. Montgomery, who has been in Panama with another daughter and family for several months.

Houseguests of their parents during the weekend were Mr. and Mrs. Tommy Hawkins of Lovington, N.M.

Mrs. Joe Seagler and her mother, Mrs. Orie Ellington, left Sunday for Ruidoso, N.M. to spend several days. Evelyn will be engaged in a summer course in art in Ruidoso. Later they expect their daughter and granddaughter, Linda, from Pasadena for a stay with them.

Rev. Clarence Stephens, former pastor of First Methodist Church, and his wife, Pearl, were guests of friends during the past weekend. Rev. Stephens is in the Amarillo District.

Mr. and Mrs. Kensey D. Chancey and son, Kensey, left last Friday night for Kansas for a visit with friends. They plan other side trips before returning to Morton the end of the week.

Acteens honor Miss Hall

Miss Janice Hall was honored with a White Bible Service in the home of the N. H. Steeds Wednesday, May 31. The service was given by the Acteens of the First Baptist Church.

Special guests were Mrs. Raymon Hall, Mrs. Russell Hudson, Miss Rayma Hall and Miss Mary Jo Hudson.

Attending the service were: Maria Wilcox, Euonna Vanstony, Melody Crone, Kathy Mason, Cheryl McClung, Carolyn Gray, Judy Steed, Glorieta Gray, Karen Stevens, LaVerne Romans, Joan Kuehler, Cindy Gunnels, Karen Clark, Mrs. Wayne Wilcox, Mrs. Roy Gunnels, Mrs. Max Clark and Mrs. Steed.

lowship Hall of the church immediately following the ceremony. The bride's table featured yellow organza roses, fruit punch and the bridal cake. The groom's table was accented with green candelabras and a silver coffee service.

The bride is a 1972 graduate of Whiteface High School. Love is a 1970 graduate of Lamesa High School and attended South Plains College. The couple will make their home at Star Route 2 in Lamesa where the groom is engaged in farming.

Mrs. Billy Wall of Hobbs, N.M. and Mrs. Ray Luper of Lubbock, both sisters of the bride, served and Miss Elizabeth Deavers of Whiteface registered guests.

For a wedding trip, Mrs. Love wore a pink dress with white yoke edged with white daisies and white accessories.
