Farm payments in full swing

Well over one million dollars in farm set-aside program payments have been received by Cochran county producers since the payments began on July 1, according to information released by John W. Hall, county executive director of the Agriculture Stabilization and Conservation Service (ASCS).

The total had reached \$1,032,008.08 by late Tuesday, Hall reported. This amount had been paid to 317 of the total of approximately 1,000 producers of cotton, feed grain and wheat in the county who will receive payments this year.

Nationwide, approximately 750,000 cotton, feed grain and wheat producers were mailed a total of \$850 million in expedited preliminary payments in time for the checks to arrive in producers' hands on July 1.

Payments under the set-aside programs are made to farmers who agree to set aside part of their land from production in order to meet a national objective of balancing supply and demand in certain commodities. These payments help to offset the loss of returns from cropland that otherwise would be used for income-yielding production, and on which the farmer is obliged to continue to pay taxes and apply needed conservation steps, according to Hall.

Visitor from Sweden feted with coffee by Morton Lions

Miss Kerstin Hansson, of Farida, Sweden, was the guest of honor as the Morton Lions Club held a get-acquainted coffee for her Tuesday evening in the Van Greene home where she is a house guest.

She is returning a visit to her home in Sweden made by Becky Greene in 1970 under the Lions International Youth Program. She arrived in the United States June 25 and has since been visiting with Becky at Del Mar College in Corpus Christi. While in Corpus Christi, Miss Hansson, whose father is the highest ranking Lions Club member in Sweden, was treated to a round of sight-seeing tours and speaking engagements by the local Lions Club members.

The vivacious 19-year-old Kerstin will depart for home July 28 from Kennedy

MISS KERSTIN HANSSON, seated center, is a welcome and very decorative addition to the Van Greene household where she is presently a visitor from her home in Farida, Sweden. Kerstin is returning a visit to her home in 1970 by Becky Greene, standing, who spent four weeks

in Sweden under the Lions International Youth Program. She was photographed with the Greene family during a coffee in their home given to introduce her to local Lions Club members and guests.

LL all-stars win Plains tourney

The Morton Little League All-Stars captured the district tournament at Plains early this week with wins over Denver City and Slaton.

Monday the local team met Denver City and came out on top with a 10 to 2 score. Rusty Lamar pitched a no-hit ballgame until the bottom of the sixth when one player got on base with a hit and the next slammed a home run for Denver City's 2 scores of the game.

Morton went scoreless for the first, but ignited in the second with a home run by Lamar driving in two runs and another round tripper by Hawkins with one on to put Morton ahead 5 to 0 at the end of the second.

In the top of the fourth, Ricky Hodge, Monte Hodge, Lamar, and Sabalo increased the lead by 4. In the top of the sixth, Lamar hit his second home run of the game to give Morton its final tally.

Tuesday the Morton All-Stars met Plains who had defeated Seagraves 5 to 3 in Monday's second game.

Morton took control of the game in the top of the first by putting 7 on the scoreboard, sparked by another home run by Rusty Lamar. Plains' only threat came in the bottom of the first when they loaded the bases on two errors and a walk, but the local nine stopped them with the third out at first.

Bobby Patton's fine pitching of a one-hit, no-run ballgame proved too much for the Plains team who couldn't manage a single score for the game.

Morton added four tallies in the fourth when Monte Hodge, Lamar, Sabalo and Johnson crossed plate. In the top of the fifth, Lamar hit his fourth home run of the tournament to drive in Hodge which, along with a run by Campbell, added 3 more scores.

In the sixth, Ricky Hodge, McCasland, and Kuehler added the final 3 tallies for a 17 to 0 run away.

The Morton Little League All-Stars will meet the winner of the Brownfield tournament at 8:00 p.m. on Friday, July 21st

at a diamond selected by the Brownfield tourney victor. The team that takes this game will meet the winner of the game between the champions of the Littlefield and Plainview tournaments. This game will begin at 8:00 p.m. on Tuesday, July 25 at a site selected by the winner of the Littlefield tournament.

Three from Whiteface attend FFA convention

Two Whiteface students and their counselor attended the State Future Farmers of America Convention held in Dallas July 11 through July 14.

Attending were Bradley Akin, who served as a member of the Courtesy Corps, Allen Cooper and Homer Jones, vocational teacher at Whiteface.

Akin is attending an Area II Leadership School in Camp Mosquiz at Fort Davis, Texas this week. He will be taking courses in leadership qualities. He is the reporter for FFA Area I.

Help! Help! Help!

Plans were in an advanced stage this week for the giant country fair to be staged by the Morton Area Chamber of Commerce and held in conjunction with the Last Frontier Rodeo August 3, 4 and 5.

The already long list of activities to be included is growing daily and general chairman Hipockets Duncan has sent out a strong appeal for more volunteer help from Cochran county citizens. "Whatever their specialty may be, we have a need for it, and if they don't have a specialty, we need help anyway," Duncan stated.

James Dewbre is chairman of the entertainment committee, Gerald Ramsey and Jerry Schaeffer are in charge of activities, Mike Doss is in charge of arrangements for the air show, Bill Sayers is in charge of publicity, Ray Griffith and Gail O'Neal are in charge of obtaining judges for the various events, Ann Griffith is in charge of awards and prizes and Miss O'Neal is also in charge of exhibits.

Anyone wishing to volunteer to help out in any of these areas are urged to call those named above or to contact the chamber office at 266-5200.

"Each and every person will have to do his bit if this thing is going to be a success — and if it is a success, we'll all have a whale of a time and make it annual affair," Duncan concluded.

Lubbock Babe Ruth team takes title; Frontier record 2-2

Lubbock Team No. 1 finished as the undefeated champion of the thirteen-year old division of the Babe Ruth district tournament that closed out Saturday night at Charles Hofman Memorial Park here.

Levelland finished second, with Morton, Slaton, Lubbock No. 2 and Lubbock No. 3 being eliminated earlier in the week.

Monday night Lubbock No. 1 inched by Levelland 2 to 1 and Frontier belted Lubbock No. 2 by 11 to 2.

The Monday night winners repeated Tuesday night when Lubbock No. 1 beat Slaton 6 to 5 and Frontier overpowered Lubbock No. 3 by 12 to 1.

In Wednesday's opener, Levelland stayed in the tournament and knocked Lubbock No. 3 out by defeating Lubbock 11 to 2. In Wednesday's second game, Slaton romped over Lubbock No. 2 by 15 to 5. This left Slaton in the action, but forced out the Lubbock team.

Thursday's opening game saw Lubbock No. 1 push Morton into the loser's bracket by overpowering the Frontier team 2 to 0. In the second half of Thursday's double header, Levelland eliminated Slaton.

Payments, which began July 1, reached over one million dollars by early this week and are expected to total near six million issued to approximately 1,000 feed grain, cotton and wheat producers in Cochran County for the 1972 crop year.

Cochran county 4-H'ers get dress review today

The Cochran County 4-H Dress Review will be held today in the County Auditor's office. Judging will start at 2 p.m. and the public is invited to come at this time.

The three categories the girls will be divided into are Special Occasions, School Activities, and Summer Events.

Contestants studied horizontal and vertical lines, colors that would best suit their features, and the texture of the fabric. Each girl was given a book to help them.

The new County Home Demonstration Agent, Miss Gail O'Neal, and the adult leaders worked with each girl to make this year's review even better than those in the past.

Golden services held for Vernon Wednesday

Services for John Dwain Holden were held at 2 p.m. Wednesday in St. Paul Lutheran Church in Vernon. The Rev. Roy Jacob, pastor, officiated.

Interment was in Chillicothe Cemetery under the direction of Sullivan Funeral Home.

Holden, 32, manager of West Texas Company here, died late Monday at Chillicothe hospital following a lengthy illness. He was born in Quanah, graduated from Chillicothe High School and was a member of St. Paul Lutheran Church. He was married to Marilyn Obenberger in 1959 in Vernon.

Survivors include his wife; a daughter, and a son, John, both of the home; his parents, Mr. and Mrs. John Holdrege of Floydada.

The family has requested that remembrances made be in the form of donations to M. D. Anderson Hospital in Houston.

Workshop to outline college financial aids

Futurama '72 will be held at the Texas Tech Student Union Building Saturday afternoon. Registration will begin at 1 p.m.

The purpose of the workshop is to acquaint students, whether he is a high school graduate, college student, drop-out, or a parent, with information concerning college financial aids.

T. J. Patterson and Jerry Garza, both of whom have spoken in the Morton area, will be the principal speakers Saturday.

A free dance will be held at 8 p.m. featuring the "New Epic Band."

GIRLSTOWN CHOOSES A QUEEN . . .

WANDA RALSTON, 16-year-old high school sophomore from Lubbock, third from left, has good reason for her big smile as she was named Miss Girlstown, USA in ceremonies during the annual open house and barbecue held at the home July 16. On Wanda's left, and also exhibiting the winning smile, is Kathy Stull, 18, of Cisco, who ended her reign as Miss Girlstown, USA of 1971 by surrender-

ing her crown to the new queen. Both girls hold the spray of roses symbolic of their offices. Other queen candidates, from left, include Dorothy Toney, 15, Amarillo; Teresa Smith, 15, Pecos; Miss Ralston, Miss Stull, Becky Owens, 15, Dallas and Dolores Higgins, 15, Lubbock. The queen is selected annually by the vote of the girl residents of Girlstown.

ing to officials of the U.S. Department of Agriculture. Payments to producers are limited to \$55,000 per person for each of three crops — feed grain, wheat, and cotton — under the Agricultural Act of 1970.

Nationally total payments are expected to be about \$3.7 billion. Total 1972 farm set-aside program payments in Cochran County are expected to be about \$6,000,000. Feed grain producers in the nation ultimately will receive about \$1.9 billion, cotton producers about \$825 million, and wheat producers about \$1 billion. Preliminary payments to wheat producers are limited by law to 75 percent of final payments. Final wheat certificate payments will be made after December 1. Feed grain and cotton farmers may or may not get a final payment, depending on market conditions.

The expedited farm program payments are made possible by streamlined procedures inaugurated in 1970 by ASCS. The action enabled farmers to receive the entire payment due them in the 1970 and 1971 programs six to eight weeks earlier than ever before.

These early payments help many pro-

Notice —

THE STATE OF TEXAS
COUNTY OF COCHRAN
NOTICE

Notice is hereby given that the Commissioners' Court of Cochran County, Texas will meet on Wednesday, August 16, 1972 at 10:00 o'clock A.M. in the Commissioners' Courtroom at the Courthouse in Morton, Texas, for the purpose of considering the County Budget for the year 1973.

Any and all taxpayers of Cochran County shall have the right to be present and participate in said hearing and the Commissioners' Court shall have the authority to make such changes in the proposed budget as in their judgment the law warrants and the interests of the taxpayers demand.

The proposed budget is now on file in the County Clerk's Office and may be inspected by any and all interested taxpayers prior to August 16, 1972.

Dated this 17th day of July A.D. 1972.

Glenn W. Thompson, County Judge

Local champion does it again

Edwin Neuzler of Maple won the World's Champion mule shoe pitching contest annually in Muleshoe July 4.

This is the third time he has won the crown since the inauguration of the contest in 1969.

Neuzler took the crown in 1969 but lost it in 1970 to the New Mexico State Champion Horse Shoe pitcher. He recaptured the title in 1971 and retained it this year in a 21 to 17 contest with H. L. Scott of Muleshoe.

County commissioners vote for SPAG entry

Cochran County is now a member of the South Plains Association of Governments. The decision to join SPAG was made by unanimous vote of the county commissioners court on July 10, according to information released by county Judge Glenn W. Thompson.

Following the favorable vote by the court, the county's application for membership was presented to the association's board of governors by Thompson and accepted late last week. The city of Morton has been a member of the body for quite some time.

SPAG is made up of the city and county governments of approximately 20 counties on the South Plains with headquarters in Lubbock. Purpose of the organization is to improve the functioning of all aspects of local government and to work closely with the state and federal government in obtaining additional funding for governmental projects in its area of responsibility.

Tilger, whose term ended in June, is succeeded as president by Daryl Bennett.

Texas leads nation in all major beef cattle industry categories

Texas leads the nation in all major categories of the beef cattle industry, Texas Agriculture Commissioner John C. White reports.

Texas is number one in totals of cattle and calves, number one in beef cows that have calved, and number one in cattle on feed. "Thus, Texas has a tremendous influence on the nation in relation to beef for the consumer," White said.

The livestock industry in Texas is a \$2 billion enterprise. Almost half of the comes from livestock.

Divide up the cattle population among the human population in the state and you'll have slightly more than one beef animal per person. As of Jan. 1, all cattle and calves in Texas totaled 12,829,000. That is more than five million head of cattle above second-ranked Iowa.

Texas as of June 1 became the nation's top cattle feeding state with 2,045,000 head, replacing Iowa.

Texas has more than twice as many beef cows than has second-place Oklaho- ma. Total beef cows that have calved as of Jan. 1 totals 5,452,000 head.

In other areas of the livestock indus- try, Texas also is either at the top or in the top 10, with the exception of hogs.

Texas ranks number one in all sheep and lambs with 3,524,000 head; this is al- most twice the number in second place Wyoming; Texas ranks ninth in the nation in milk cows that have calved (Wis- consin is in first place). In hog produc- tion, Texas, although increasing its num- ber in recent years, is in 14th position in the nation in total hog numbers. Iowa is first.

Rankings by counties in Texas for live- stock categories include the following (one through 10):

All cattle and calves: Deaf Smith, Par- mer, Hansford, Castro, Swisher, Sherman, Randall, Ochiltree, Hale, Hopkins;

Cattle on feed: Deaf Smith, Parmer, Hansford, Castro, Rana, Swisher, Ochil- tree, Sherman, Hale Lubbock;

Beef cows that have calved: Webb, Houston, Leon, Van Zandt, Red River, La- mar, Navarro, Henderson, Colorado, Gon- zales;

All sheep and lambs: Concho, Val Ver- de, Crockett, Pecos, om Green, McCulloch, Sutton, Terrell, Schleicher, Gillespie.

All hogs: Lubbock, Lano, Fayette, Cas- tro, Mason, Dawson, Comanche, Milam, Lamb and Hale.

Texas ranks second in the nation in numbers of slaughter plants; Texas is third in number of cattle and calves slaugh- tered during 1971; it is third in sheep and lamb slaughter; and 15th in hog slaugh- ter.

Crop Prospects Good . . . Cattle Slaughter Increases . . . Hog Numbers Show Decline . . . Tangelos and Lemons?

Statewide, crop production prospects range from good to excellent, the Texas Crop and Livestock Reporting Service concludes.

Grain sorghum harvest is just beginning with prospects for good yields, in most sections of the state. Cotton generally is making good progress with insect infestations increasing in the Blacklands and Low Plains. Corn is making good to excellent progress with an excellent outlook on the High Plains. Peanuts are showing good progress in most areas. Soybeans are making good to excellent growth.

Vegetable and fruit prospects are also good. In North Texas, watermelons and cantaloupes continue to make good growth; in East Texas, tomato harvest continues. Peach harvest continues with a wide range of yield and quality reported. Pecan trees show good crop potentials in most areas. Citrus trees are in good to excellent condition.

CATTLE slaughtered in Texas during May totaled 311,000 head, 26,000 above the number slaughtered last month and 1,000 more than May a year ago.

Calves killed during May numbered 13,200, or 400 below last month and 8,800 below a year ago.

HOGS slaughtered in May totaled 160,

000, which is 3,000 above last month but 15,000 less than in May of 1971. Sheep and lambs killed totaled 118,000, or 5,000, less than last year.

Hogs on all Texas farms as of June 1 totaled 1,132,000 head, down 24 per cent from 1971. Hogs kept for breeding purposes numbered 175,000 which is 24 per cent less than last year. Hog farmers intend to farrow 120,000 sows in Texas now through November, which is 19 per cent less than farrowings for this period last year.

Nationwide, the farrowings now through November will be down four per cent from 1971.

TANGELOS and lemons in Texas? You bet, and there's also avocados and apricots as well as plums, pears, apples, figs, blackberries, dewberries and tangerines.

A tangelo, incidentally, is a cross between a tangerine and grapefruit. The Citrus Tree Census of the Texas Citrus Mutual estimates there are about 60,000 tangerine trees in the Lower Rio Grande Valley.

A small acreage of less than 100 acres of lemons is also grown in the Valley. Avocado is also a Valley crop.

Apples are grown throughout the state with Comanche, Montague, and Gillespie being the leading counties. Apricot production is centered in east and north Texas

Bledsoe 4H Club holds meeting

The Bledsoe 4-H Club met in the Bledsoe School cafeteria at 3 p.m. July 10. Henrietta Davis, president, presided and Terri Adams led the group in saying the 4-H pledge and motto and the pledge to the American Flag.

Members discussed the dress revue and record books. Following the discussion the girls practiced modeling and posture.

Present were: Gayla Trull, Terri and Kerri Adams, Darla and Velinda Davis, Henrietta Davis, Tamie Young, Cindy Sutton and Patti Hall.

Bible Study Club meets in Goodland

The Goodland Bible Study Club met July 11 in the home of Mrs. Chloris Tarlton.

President's thought of the day was "To help stay young, fill each wrinkle with intelligence."

Kay Kindle was presented with the White Elephant gift.

Present were: Mmes Lyndell Galt, Drucilla Hutton, Rosemary Johnson, Kay Kindle, Chloe Klutts, Opal McCrevey, Maxine Ragsdale, Sammie Simpson and the hostess, Mrs. Sally Robinson was a guest. The next meeting will be held July 25.

Plums are scattered over wide areas of the state; pears are produced in north central, central, and east Texas.

Central and East Texas are the principal areas where dewberries are grown. Blackberries are statewide with Smith County in East Texas the leading county. Figs are grown in many areas with Galveston County the leading county with about 300 acres for commercial production.

Mrs. Pearl Taylor rites held Sunday

Services for Mrs. Pearl Taylor of Waurika, Okla., mother of Willie Taylor and grandmother of Mrs. Hershel Tanner, both of Morton, was held Sunday, July 16, at 1:30 p.m. in Waurika Baptist Church.

Burial was in Fleetwood Cemetery in Waurika, under direction of Worley and Sons Funeral Home.

Mrs. Taylor, 79, died in a Waurika hospital after a long illness. She was born December 30, 1892 in Fleetwood, Okla. She was married to the late John Taylor in 1941 and was a member of the First Baptist Church.

Anytime you go boating, even for a short period of time, take along a small radio. Pocket-size will do.

Follow this habit, despite the fact that you will boat in an area with which you are thoroughly familiar, and you plan a strictly pleasure-boat ride.

Make it a must to take along a radio anytime you dedicate a day to fishing — and definitely if you're planning to be out all night.

Why drag along a radio when you're going outdoors primarily to get away from things?

Well, one reason is that the radio could be worth its weight in gold, to you. A radio is fine for entertainment — but its wonderful as a weather indicator.

A weather indicator? No station broadcasts weather warning all day long!

Maybe not, but the static you complain about, is in many cases advance warning of an approaching storm. There are other reasons for static too, but those loud flashing, sputtering, heavy blasts of ear-splitting static reflect lightning in the area.

Static Is Your Cue

Not all static is indicative of a storm. Some comes from nearby electric transmission lines or faulty or ungrounded electrical equipment in operation. But sudden bursts of static are warning signs. A radio reacts to lightning long before you can see flashes.

To you who are afloat loud static is a warning to "look for storm clouds." As the static gets louder and more frequent it's admonishing you to up anchor, get moving and head for shore.

Many of us get so engrossed in our fishing that we are not very observing of what's happening about us.

Any storm can be dangerous, but if it's coming from the direction you have to travel it's doubly dangerous. In that event you're not racing with it but against it. And one thing for sure is — you can't outrun a 30-mile wind backed by a heavy rain and still drive the boat safely.

So, start early, be extremely careful on the way back — and tie down securely in your dock or on your trailer.

There's nothing safer than shore when you're in a heavy thunderstorm, unless it's inside a solidly built weatherproof structure.

Above all, don't gather under a tree. It's the most unsafe place to be in a thunderstorm.

ENGAGED . . .

MR. AND MRS. Owen Parker have announced the engagement and approaching marriage of their daughter, Donna, to Jimmy Taylor of Odessa, son of Mr. and Mrs. F. D. Taylor of McCamey. Miss Parker is a graduate of Texas Tech University and is employed in the McCamey Public Schools. Taylor is a graduate of McCamey High School and is employed with Gulf Oil Corporation. The couple plans to be married July 28.

'Young Designers' will be theme of district Two 4-H dress review

Modern designs in fashions and styles will make the scene at the Extension District 2 4-H Dress Revue at the Red Raider Inn here on July 27.

Theme of this year's revue will be "Young Designers."

Thirty-six girls from 18 South Plains counties will be participating in the annual event, announces Mrs. Mildred Patterson, county home demonstration agent and publicity chairman for the revue. Two girls from each county are eligible, one in the senior division and one in the junior division.

A public revue will be held at 1:15 p.m. and awards will be presented.

A noon luncheon sponsored by the Plains Cooperative Oil Mill will be for the revue participants, their mothers and Extension agents, and news media representatives. The 4-H'ers will be judged on the overall appearance of their outfit, suitability of the design, color and texture for the girl, grooming, posture, attitude, poise, personality, 4-H records and other factors. Only seniors will be judged.

RECEIVES HIGH AWARD . . .

MRS. DORIS FRANKS of Griffith Equipment Company, Morton, was presented a "Special Honor Certificate" on Tuesday, 18 July 1972, by Mr. Glynn Childers, Business Management Advisor of the John Deere Company, Dallas. The award was presented in recognition of 1971 outstanding performance in the proficient handling of the John Deere Dealer Management and Accounting Programs. This was Doris' second year to receive this outstanding award. Mrs. Franks is one of eighteen bookkeepers to receive this award out of approximately 200 John Deere Dealers in Texas, New Mexico, Arizona and Southern California. The Honor Certificate is sponsored by the Dealer Development Department of the John Deere Company. Pictured are, left to right, Mr. Childers, Mrs. Franks and C. W. Barrett, John Deere Territory Manager. Doris is one of the eight bookkeepers to make the honor roll for 24 consecutive months.

Putting Money in the Bank

• • • a bank you can draw on for customers, a job, friends in time of trouble, schools for your children, churches for spiritual help . . . and the good life in this community . . . where everybody is Somebody

Every time you spend a dollar in this community for goods and services, a substantial part of that dollar automatically becomes an investment in an enriched social and business life for YOU and your family and friends.

It's an investment you can draw on every day of your life . . . an investment that pays big dividends in happiness and prosperity, as it strengthens and builds up the vitality of this area in which you live . . . and in which YOU are important.

Contrast this with what the community-building and supporting part of your dollar does for you when you spend it away from home, send it to some mail order house, or surrender it to some migratory peddler.

It's gone. To support some other area . . . to build up wealth that YOU can never draw on . . . and to strengthen those who aggressively drain off the trade of your community . . . to weaken your business, your schools and churches, to eliminate your job, and devalue your property.

Speaking of Politics

BY J. WAYNE MCDERMET

Last week, Democrats from across the nation met in Miami, Florida, and elected George McGovern as the Democratic Presidential candidate. Eighteen months ago George McGovern was an unknown Senator from South Dakota who filed to run for the Presidential nomination. According to all the pollsters he had absolutely no chance of ever getting the nomination. He was running against Edmund Muskie, Hubert Humphrey, and Henry Jackson, as well as George Wallace from Alabama. All these men were better known and supposedly had a much better chance of winning the nomination.

What happened to prove the pollsters wrong and turn the entire political scene around? Several factors were involved. First of all McGovern appeals greatly to the youth, being more liberal than any of the other candidates. Another major factor involved in the upheaval was Muskie's financial status. Muskie was the front runner and an almost certain victor until he ran out of campaign funds and stopped active campaigning. His popularity began to dwindle immediately. Another factor to consider is the assassination attempt on the life of George Wallace. As of May 15, Wallace could no longer campaign and fears ran rampant that he would be permanently paralyzed. And then there was Hubert Humphrey, former Johnson man who changed his political stand as soon as Johnson announced he would not seek re-election. Was the nation ready for a wishy-washy president?

Regardless of the reasons or the factors involved, George McGovern moved from dark horse to front-runner to Presidential candidate in less than eighteen months.

He can be considered the victor in more ways than one. Not only did he win the nomination but he also had his policies implanted in the Democratic Platform . . . immediate withdrawal of troops from Vietnam, forced busing and achieve integration and others.

The Democratic party, long the "peoples' Party," has taken a turn to the left. At least for the upcoming election, Middle America has been lost in the shuffle.

Two Morton youths attend student council workshop a WTSU

Two from Morton were among the 130 student leaders from 27 Texas high schools who attended the one-week Texas Association of Student Councils Workshop at West Texas State University last week.

They were Richard Coleman, 605 E. Grant, and Ellis Grimes, 706 E. Grant.

The workshop participants attended classes which dealt with duties and responsibilities, projects, group dynamics and leadership, communications and public relations and aims and objectives. In addition, guest speakers discussed problems such as drugs, understanding other students, why some students drop out of school and financial aid for college-bound students.

A "Swap Shop" was held to give the students an opportunity to discuss and share school problems with each other. The participants found that many schools face the same problems and most agreed that apathy was the most common problem.

Davis-Holloway vows are read in Enochs church

The Baptist Church at Enochs was the setting of the July 7 marriage of Miss Nelita Kay Holloway and Ronny Eugene Davis. The Rev. Charlie Shaw, minister, officiated the double ring ceremony.

Parents of the couple are Mr. and Mrs. Quinton Nichols and Mrs. Jewel Davis of Kensett, Arkansas.

The bride, escorted to the altar by her step-father, wore a gown of white bridal satin, fashioned in an A-line with a belted waist, and bell sleeves trimmed in lace. Her veil was of flowered net attached to a band of white roses.

Miss Vickie Freeman of Kensett, Arkansas, cousin of the bride, was maid of honor. Charles Holloway, brother of the bride, served as best man.

Guests were seated by Jerry Nichols of Maple and Richard Nichols of Enochs.

Candlelighters were Donnie Nichols of Maple and Michael Nichols of Enochs. Miss Paula Nichols of Maple was flower girl.

Music was presented by Mrs. Ann Sinclair, organist, of Bula. Mrs. Kay Abney of Plainview and W. B. Peterson of Enochs sang a duet.

The couple will make their home in Searcy, Ark., where the groom is attend-

ing Foothills Tech. For traveling the bride chose a two piece blue and white knit costume. Her corsage was taken from the bridal bouquet.

Special guests at the ceremony were the bride's great-grandmother, Mrs. George Hobbs of Kensett, Ark. and grandparents, Mrs. L. E. Nichols of Enochs and Mr. and Mrs. E. B. Cooper of Searcy, Ark.
