Indians cop 3-AA crown, point toward Bi-District

The Morton Indians wrote a perfect chapter to their 1973 conquest of District 3-AA by closing out the year with a victory over the Littlefield Wildcats by a score of 25-18.

It was not the wild scoring explosion the Indians fashioned against the 'Cats in the first quarter, but the Indians were never in as they coasted to the solid victory. A good crowd of Morton fans was on hand to cheer their Indians on in their successful conquest of the district championship.

For the district, it was eight wins and no losses; for the year, the Indians finished the regular season with a record of twenty-four wins and four losses.

Playing without their coach, Ted Block, out looking over future prospects, the Indians met the very

determined efforts of a team bent on erasing the stigma of their prior horrendous loss and shaped another victory in decisive, if not spectacular, fashion. It was good solid basketball throughout the game and did much to keep the Indians on the victory march that hopefully will lead to another crown for state AA play. However, in playing one game at a time, the Indians have a rough trail between here and a repeat of their 1972 successes.

Mainly on the efforts of Jerry Silhan, the Indians eased out to a 12-6 lead at the end of the first quarter. Jerry bombed effectively from the left corner when needed, and the Indians were never to be in trouble after they left the gate.

Randy Cook was to be the most effective Wildcat of the evening and matched Jerry's output for the quarter to keep the

Cats close. Jimmy Harvey took over the lead for the Indians in the second quarter by dropping in ten big points as the Indians were moving out to a 37-18 lead as the teams left the floor at the half. The second quarter was the Indians' best in point production when they hit for 25.

BULLETIN

Morton, 3AA district champ, will meet Abernathy, 4AA district champ, for bi-district honors at 8 p.m., Tuesday, February 20 in the Texan Dome in Levelland. Morton boosters will be seated on the north side of the gym. Mechanical noise makers will not be allowed in the Dome.

During the third quarter, the Indians put 21 points on the scoreboard with the scoring spread over the entire team. Larry Thompson was high with five points but four other Indians had four points each.

During the fourth quarter, the Wildcats outscored the Indians 16-18 as the Indians were coasting in for the victory. Everybody got into the act for the Wildcats with Randy Cook clicking in his first quarter form for the largest share of the production.

The Indians were effective from the line but points from the floor were hard to come by. Several of the starting five sat out much of the last quarter.

Leading the Indians scoring and tied for high in the game was Jimmy Harvey with 18 points, Mike Hunter had 13, Jerry

Dorothy Barker nominated to state commission

The talent search is on—for probably the most important group of people in the history of Texas—that talent search being for the 37 persons who will comprise the Constitutional Revision Commission for the Texas State Constitution.

And Cochran county is honored to have a strong candidate for a position on the committee in the person of Mrs. Dorothy Barker. Mrs. Barker has been nominated by State Senator H.J. (Doc) Blanchard to be a member of the commission.

In a letter to Mrs. Barker, Sen. Blanchard of Lubbock stated: "I was so pleased to learn that you were willing to serve on the Constitutional Revision Commission. I have submitted your name today and I want to assure you that I am making a special request that you be appointed. This does not guarantee that you will get the appointment, but I feel very strongly that you would be a valuable asset on this project."

The six member selection committee, comprised of Governor Dolph Briscoe, Lt. Gov. Billy Hobby, House Speaker Price Daniel, Jr., Attorney General John Hill, Chief Justice Joe Greenhill, of the Texas Supreme Court and presiding judge John F. Onion Jr. of the Texas Court of Criminal Appeals were to meet Monday to begin the selection process.

Revenue sharing meeting slated

All Morton and Cochran county residents who are interested in the federal revenue sharing funds now being received by the city and county will have an opportunity to learn about the inner workings of the program at a meeting here next week.

County Judge Glenn Thompson, who recently returned from a conference at Austin where the program was thoroughly explained, has called a meeting to be held at 7:30 p.m. Thursday, February 22 in the county activities building to explain the program to local citizens.

All aspects of the program will be gone over at the meeting and Judge Thompson will welcome comments and suggestions on how and where the taxing citizens of our community want this money spent.

Federal aid withdrawn from community action

At the monthly meeting of the Cochran County Community Action Board of Directors last night, it was announced that the program would no longer be funded by the federal government after February 28.

There is a possibility the program could be extended for six months, however, it is not known at this time.

The Family Planning and Infant Nutrition Programs are funded separately as is the Senior Citizen's Program. Since this is under a separate program, it may be continued.

Education training will continue, but materials will not be made available. This training is done by volunteers.

Building facilities will have to be obtained for any program to continue.

Mrs. Evelyn Seagler suggested that the people as well as Board members write to

Congressmen George Mahon and Senator Lloyd Benson in an effort to try and salvage at least part of the programs.

Board members voted to continue to meet on a regular basis with present members serving.

Blood clinic

A blood pressure clinic will be held today from 9 a.m. until 5 p.m. at the Bledsoe school and Friday at the same time at the Three Way School.

Mrs. Cammie Jackson, school nurse, will conduct the clinics which are free for both students and adults.

Morton city council election set April 7

April 7, 1973 was the date set for the Morton city elections this year. The election will involve the filling of seats in Districts Three, Four and Five. The election was announced at the city council meeting Monday night.

The election is set for March 7, which is 30 days before the

City council to hold annual meet

The annual meeting of the board of directors and members of the Morton Community Foundation will be held at the Restaurant beginning at 7 a.m. Monday, February 20, foundation president Orville Tilger announced this

report on all the activities of the foundation during the past year will be presented and plans for the coming year outlined. A new slate of officers for the coming year will be elected at the meeting.

This will be a 'Dutch treat' breakfast meeting and all officers and members are urged to attend, Tilger stated.

Stock meet

The Cochran County Livestock Improvement Association will meet tonight at 7:30 p.m. in the Community Activity Building. The meeting will be for the purpose of finalizing plans for the annual livestock show.

All directors, agriculture members and 4-H teachers are urged to attend.

THE ABOVE GROUP OF LADIES were honored for their accomplishments at a reception and tea sponsored by the YM Study Club in the county activities building banquet room Sunday afternoon. From left, they are Mrs. Tom Rice, Mother of the Year; Mrs. Ross Shaw, Teacher of the Year; Mrs. Ray O'Brien, Junior

Clubwoman of the Year; Mrs. W.G. Freeland, Clubwoman of the Year with less than 10 years service; Mrs. Robbie Key, Clubwoman of the Year and their chief hostess, Mrs. John Hall, president of the YM Study Club.

NOTICE OF INTENTION TO ENGAGE IN WEATHER MODIFICATION ACTIVITIES

Notice is hereby given that Atmospherics Incorporated of 5652 East Dayton Avenue, Fresno, California 93727, who holds License Number 2 of the State of Texas, intends to engage in a weather modification operation designed to decrease hailfall and augment rainfall, for and on behalf of Better Weather Incorporated, Littlefield, Texas, and will conduct such a program by means of aerial application of artificial nuclei as follows:

1. The area over or within which equipment may be operated shall include portions of the counties of Lamb, Parmer, Castro, Swisher, Bailey, Hale, Cochran, Hockley and Lubbock.

2. The target area, within which hailfall is intended to be decreased and rainfall augmented, can be described as follows:

The boundary of the target area shall be a line beginning at a point or origin at Littlefield in Lamb County, Texas, and running northwest along Highway 84 at a point 4 miles southeast of Sudan, thence due west to Needmore, thence due north along Road 214 to its intersection with Road 145 in Parmer County; thence due east along Road 145 to Hart, Lamb County; thence south to the northeast corner of Lamb County; thence continuing south along the east boundary of Lamb County to its intersection with the northeast boundary of Hockley County; thence westerly along the north border of Hockley County to its intersection with Highway 84; thence northwesterly to the point of origin at Littlefield, Texas.

3. The equipment, materials and methods to be used in conducting an operation within this area of approximately 1,000 square miles, include a 3 cm radar system, cloud seeding aircraft, and the application of silver iodide to ice nuclei, hygroscopic nuclei or other nuclei considered appropriate to the artificial nucleation of clouds or weather systems.

4. The person in charge of this program shall be Thomas J. Henderson, Atmospherics Incorporated, Fresno, California.

5. The program may be operational at various times throughout the period from May 1, 1973 through October 30, 1973.

6. Any person who feels they may be affected in some adverse way by this program may file a formal complaint to the Texas Water Development Board, Post Office Box 12386, Austin, Texas, 78711. Signed Thomas J. Henderson, President Atmospherics Incorporated

ORDINANCE 1-73
WHEREAS, the General Telephone Company of the Southwest has presented information indicating that present local exchange revenues at Morton are not adequate; and
WHEREAS, application has been made for relief from this condition by an adjustment of its rates for local service; and
WHEREAS, under the conditions, said proposed schedule of rates appears to the City Council to be reasonable and just, and necessary to insure continued expansion and improvement of telephone service in the Morton telephone exchange; and
WHEREAS, the City Council recognizes the right of the General Telephone Company of the Southwest to earn a fair return of the fair value of its property devoted to the rendition of local exchange telephone service to the customers of the Morton exchange.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MORTON, TEXAS:
Section 1: That the General Telephone Company of the Southwest is hereby authorized to place into effect on its March 1, 1973, billing date the following schedule of rates within the corporate limits of billing date the following schedule of rates within the corporate limits of Morton for local telephone service and such other charges and rates for services, as from time to time may be added to, deleted from, or in any manner changed, in its Texas General Exchange Tariff: Class of Service and Monthly Rates: Business: Individual Line Service \$15.30, Extension \$1.75. Residence: Individual Line Service \$6.35 Two Party Line Service \$4.75, Extension \$1.25. Semipublic: Individual Line Service-Business \$15.30.

Section 2: That General Telephone Company of the Southwest is hereby authorized to adjust from time to time the above rates by that amount required to equal the loss or gain to its income available for return caused by any increase or decrease in ad valorem taxes now paid by General Telephone Company of the Southwest to taxing districts within the boundaries of the Morton exchange.

Section 3: The ordinance adopted July 13, 1970, and any other ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 4: That nothing in this ordinance contained shall be construed as in any manner, now or hereafter, limiting or modifying the right and power of the City Council under the law to regulate the rates charged by the General Telephone Company of the Southwest for its service

Remember last spring?
Terraclor Super-X
promised you a
helping hand.
And delivered!

When last spring's cold, wet weather held on . . . and cotton seed shortages developed, Terraclor Super-X was in there with a helping hand. Exactly as promised. Later, agronomists reported "Amazing growth, in spite of the weather." "Seedling disease on rampage in untreated fields."

"More in-furrow fungicides used." And Mississippi Extension agronomist, George Mullendore, summed it all up when he wrote, "Fungicides are one of the most needed of all pesticides today." No doubt about it. Terraclor Super-X helped save the crop

last year. Because fungi can't get at the seedling when Terraclor Super-X surrounds the seed and emerging plant. When applied in-furrow, it provides extended protection against seedling diseases after germination. Terraclor Super-X soil fungicide comes three ways . . . granular, liquid . . . or dust for hopper application. Most popular are the granules, impregnated with a systemic insecticide. Once over as you plant takes care of fungi and early season insects. Call your Olin Distributor today. For a helping hand. He delivers as promised, which helps make him

Randy Cook led the Wildcat scoring and tied Harvey with 18 points and Chris Pope had 12 points as all the other Wildcats were much lower in point production with most of them scoring 2 points each.

BULLETIN

The Morton Indians will take on the Levelland Lobos for the fourth time this season in a practice game in Indian gym at 7:30 p.m. Friday, February 16. The Lobos account for three of the Tribe's four losses this year, so this one promises to be a real shoot-out. No JV game will be played.

The Little Indians pulled out a hardfought game in the opening game by a score of 69-53 but the Wildcats led through the half. Behind by as much as eight points in the second quarter, the Indians moved to within one point at the half on the strength of a forty-foot jumper by Ralph Mason at the buzzer.

Coming back from the dressing room, the Indians immediately got down to business, went ahead, and then stayed ahead throughout the remainder of the game with a big fourth quarter serving to blow the Little Wildcats out of the tub. It

Dean takes honors in piano contest

Bill Dean was one of fifteen first place winners in the Piano Concerto contest held at the Lubbock Garden and Art Center over the weekend. The contest is sponsored annually by the Lubbock Music Teachers Association.

Some 350 music students entered the contest, and the winners were presented in concert Sunday. Dean chose as his selection Kabelevski Concerto No. 3.

He is the son of Mrs. Ann Dean of Morton and a student at Lubbock Christian High School.

Producers warned on crop insurance

Ben A. Jordan, Jr., director of the Federal Crop Insurance Corporation Contract Service Center in College Station, announced today that insured producers of 1972 cotton and grain sorghum who failed to produce the amount of production guaranteed under their Federal All-Risk Crop Insurance policy should file a Notice of Damage or Loss with the Federal Crop Insurance office

for the county located at 1205 S. Avenue, Room 214, Lubbock, Texas, later than February 23, 1973.

"The policy provides that in order an indemnity to be paid the farm must be inspected by a FCIC auditor and a form signed no later than 60 days after the end of the insurance period, which is December 31, 1972," Jordan said.

STATEMENT OF NONDISCRIMINATION

"Bailey County Electric Cooperative Association and Five Area Telephone Cooperative, Inc. have filed with the Federal Government a Compliance Assurance which it assures the Rural Electrification Administration that it will comply with all requirements of Title VI of the Civil Rights Act of 1964 and the Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. In this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meeting, and the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization."

"Any person who believes himself, or any specific class of individuals, to be subjected to discrimination prohibited by Title VI of the Act and the Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D.C. 20250, or the Rural Electrification Administration, Washington, D.C. 20250, or this organization, or all a written complaint. Such complaint must be filed not later than 90 days after the date of discrimination, or by such later date to which the Secretary of Agriculture or the Electrification Administration extends the time for filing. Identity of complainant will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations."

Editorial

Two incidents have arisen in recent days to cause the citizens of Cochran county who know about them to ponder and take second looks at the votes they cast in recent county and municipal elections.

The more recent of the two took place at the county commissioners meeting Monday at which the four precinct commissioners voted to accept out-of-town and out-of-county bids for two pickup trucks being purchased for Precinct 2 and Precinct 4 by the tax payers of Cochran county.

The four commissioners voted unanimously in each case to accept the bid by a Levelland car dealer over a Morton car dealer's bid—even though the combined bid for the two vehicles was only \$7.74 (that's \$3.89 per vehicle) less than the Morton bid. The local bid for both was \$5,029.74 and the combined bid by the Levelland (Hockley county) firm was \$5,022.

The bids were awarded for a make of automobile that has no dealership in Morton—hence, no local servicing facilities.

The county vote followed close upon the heels of a similar bid award for a police cruiser made to the same Hockley county dealer by the city of Morton—in which case the out-of-county bid was lower than the local bid by a whopping \$20.

We contend that the cost of only one trip to Levelland by all three of these vehicles for routine servicing would far exceed the combined difference in price of \$27.74. And what about all the subsequent service trips?

Second guessing the thinking or motives of elected officials, be they municipal, county, state or national, is a useless exercise, an exercise in which we shall not indulge. However, there are certain observations and reminders that it might be well for our elected officials to heed—especially those newly sworn-in with limited experience:

The taxpayers of COCHRAN, not Hockley county, pay your salaries.

Each taxpayer in COCHRAN county is a potential voter.

Just the registration fee and license charges for those three vehicles would have far exceeded the difference in the bids—and each of your precincts would share this income equally.

Hard-pressed taxpayers today—in Cochran county as well as anywhere else—have the memory of an elephant when it comes up time to vote.

In summary may it be said that if our municipal or county officials wish to fall back on the old "we have to accept the lowest bid" excuse—then they just aren't sufficiently knowledgeable of the regulations governing their posts. In short, they are incompetent.

QUESTION: If the citizens of Morton and Cochran county cannot depend upon their elected officials to boost their city and county and see to their best interests—Who can we look to?

County accidents light in January

The Texas Highway Patrol investigated four accidents on rural highways in Cochran County during the month of January, according to Sergeant H.E. Pirtle, Highway Patrol Supervisor of this area.

These crashes resulted in no persons killed and no persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region No. 5 for January, 1973 shows a total of 572 accidents, resulting in 16 persons killed and 207 persons injured as compared to January, 1972, with 500 accidents resulting in nine persons killed and 217 persons injured.

The Highway Patrol Supervisor reminds the motorist that it takes 16 times the normal distance to stop a vehicle on ice than on good dry pavement. The icy weather will still exist in these winter months.

The 16 traffic deaths for the month of January, 1973 occurred in the following counties: Hartley, four; Gray, Sherman and Lubbock, two each; Dallam, Deaf Smith, Roberts, Swisher, Palo Pinto, and Parker with one each.

Standifer, Jones receive crowns

Miss Becky Standifer and Kenny Jones were crowned King and Queen at the annual First Missionary Baptist Church Sweetheart Banquet. The banquet was held February 10 in Fellowship Hall of the Church.

The Rev. Ross Standifer was master of ceremonies. Miss Standifer was crowned by the 1972 Sweetheart Sharita Fluit and Jones was crowned by Jimmy Jones last year's king.

Theme for the banquet was "Stairway

To the Stars." Hi Duncan, guest speaker, spoke on the subject "Types of Love." Mrs. Lula Standifer narrated the program. Soloists were Mr. and Mrs. Kenny Coats of Levelland and Miss Beverly Criswell.

The following couples and characters portrayed were Mr. and Mrs. R.H. Baker—teenage couple; Mr. and Mrs. Kenny Coats—newlyweds; Mr. and Mrs. James Jones—middle-age couple; Mr. and Mrs. Kenneth Coats—grandparents.

4-H to meet

The Morton 4-H Food Group will meet on Thursday, February 15, 1973, at the County Activity Building at 4 p.m.

This is the first in a series of meetings on foods and nutrition. Anyone interested in the 4-H group and has not already signed up should contact Mrs. Dwain Hester or Mrs. Ken Wesley.

TOMMY D. COMBS, Sophomore at South Plains College, was recently selected along with 28 other South Plains Students to Who's Who in American Junior Colleges. The selection is made by faculty members. Tommy will graduate from South Plains this Spring and plans to attend Texas Tech and receive his Bachelor's in Government. Tommy was a member of Morton High School in his senior year and spent four years in the Army before returning to his home.

Senior citizen program slated

An organizational meeting for a Senior Citizens program from Cochran County will be held Sunday, February 18, at 2:30 p.m. at the County Activity Building.

Mrs. R.A. Williams, R.N. from the Home Health Agency in Lubbock, will present information on organizing this program and will also show slides. All citizens in the age group 60 or over, interested persons representatives of civic groups and study clubs are urged to attend the meeting.

First male student wins MHS General Mills Contest

Richard A. Coleman, in the first General Mills Search program in which boys as well as girls were eligible to participate, has been named Morton high school's 1973 General Mills Contest winner.

Chosen on the basis of scores in a written knowledge and attitude examination administered to high school seniors here and throughout the country last Dec. 5, he will receive a specially designed award from General Mills, sponsor of the annual Betty Crocker Search Award of Tomorrow. In addition, he remains eligible for state and national honors.

The state winner to be selected from all school winners in the state in judging centering on results of the Dec. 5 test, will receive a \$1,500 college scholarship. A 20-volume reference work, "The Annals of America," will also be presented to the state winner's school by Encyclopedia Britannica Educational Corporation. The second-ranking student in the state will receive a \$500 scholarship.

In late April, the 51 General Mills award winners representing every state

and the District of Columbia each accompanied by a faculty adviser will gather in Washington, D.C., for an expense-paid educational tour of the capital city and Colonial Williamsburg, Va.

Personal observation and interviews during the tour will be added to state-level judging results in the selections, to be announced at a dinner in Williamsburg, of the 1973 Betty Crocker All-American Award of Tomorrow and three runners-up. Scholarships of the four national winners will be increased to \$5,000, \$4,000, \$3,000 and \$2,000.

Instituted in last year's General Mills Search, a \$1,000 Nutrition Scholarship is also part of the program again this year. Recipient of this award will be the participating student who plans a college major in nutrition or a related field, ranks among the highest in his or her state on the overall examination, and from those meeting these two criteria, achieved the top score on the exam's nutrition questions.

Science Research Associates, Chicago, constructed and grades the written examination, and is responsible

for all judging and selection of winners.

A total of 665,600 seniors were enrolled in this year's Search. Approximately nine million students have taken part in the program since its inception in the 1954-55 school year, and with this year's grants, total scholarship awards will exceed \$2 million.

Regarding the inclusion of boys in the program, General Mills, said, "While, historically, the feminine homemaker has usually exerted the major influence in shaping the home, teamwork between husband and wife has long been the ideal. In today's changing society, that teamwork will undoubtedly become increasingly important during the years ahead.

That is why high school senior boys as well as girls are now eligible to join the Betty Crocker Search with full opportunity to earn scholarships, and, hopefully, gain the other educational benefits of participation.

The Home and Family Living Course was first offered in the Morton Schools in 1950 and was one of the first three to be offered in the State of Texas. It is highly recommended by the State Department of Education. Mrs. Helen Crone is the instructor.

FHA Banquet held Thursday

The Morton Chapter of the Homemakers of America held a Parents-Daughter Banquet on February 8, at 7:30 p.m. in the cafeteria. Kenneth Baker, president of MHS, gave the invocation.

Miss Rosa White, president of the ceremony by recognizing the officers and her mother, Mrs. Helen Crone, who is also a FHA parent.

Mrs. Helen Crone and Mrs. Young, advisors, were recognized each FHA member introduced parents.

Mary Marina, first vice-president introduced the singing group, The Squad, from Sundown Baptist Church. She also introduced Doretha Patton, vice-president who told of the program.

The Encounter program improvement course provided which was described in detail by the members. Basis of the program was to show, through Encounter, FHA is doing to help improve girls toward maturity.

Miss Patton recognized members who had achieved the goal of accomplishment in Encounter. The banquet was concluded by a Creed led by Miss Patton.

Team mates Roger & Gary
Cowboy star will lead Easter Seal campaign

Roger Staubach, Quarterback of the Dallas Cowboys, has been named State Chairman of the 1973 Easter Seal Campaign in Texas. Rodney D. Hargrave of Dallas, President of the Easter Seal Society for Crippled Children and Adults of Texas, announced that Staubach, pictured with Gary Foster of Dallas, will lead volunteers in every county in Texas during the traditional annual appeal for funds to provide direct services to physically disabled Texas children and adults.

As State Easter Seal Chairman, Staubach joins with 234 local Easter Seal Chairmen and Representatives throughout Texas who participate in the annual funds appeal. Last year, 18,802 crippled children and adults in Texas received rehabilitation and other services rendered by the Texas Easter Seal Society through a statewide network of affiliated Easter Seal Societies and Chapters which includes 18 treatment and rehabilitation centers.

Staubach joins a national roster of prominent figures in the 1973 Easter Seal Campaign. Ralph Edwards, creator of television's "Truth Or Consequences" and "This Is Your Life," has been named

National Chairman for 1973. Nationally, the Easter Seal Society extends services and rehabilitation to nearly 300,000 disabled persons yearly through 2,000 state and local affiliates.

Staubach, rated one of the outstanding college players of all time, won the Heisman Trophy as a junior and set Naval Academy records that still stand. Among other honors, he was named AP and UPI Back of the Year and won the Maxwell Trophy.

Roger is married to the former Marianne Hoobler and they have three daughters: Michelle, age 4; Jennifer, age 6; and Stephanie Marie, age 3. He deals in commercial real estate in the off-season, when he isn't making personal appearances for youth groups, and participating on behalf of the Easter Seal Society's annual appeal for 1973.

REFUGEE FLIGHT

"Thou wilt show me the path of life,
in thy presence is fullness of joy."
PSALM 16:11

HERE IS THE PATH

shall love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind, and thy neighbor as thyself. Luke 10:27

The basis of God's first and greatest commandment is love. God gave man the freedom to choose . . . and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedom which we hold so dear will necessarily perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

EVERYONE IN THE CHURCH IS RESPONSIBLE FOR THE CHURCH IN EVERYONE
