Stock show ends in record sale

The most highly successful Cochran County Junior Livestock Show in the county's history wound up with the livestock sale Tuesday night that netted near \$6,000 over last year's total and \$5,000 over the previous high reached in 1971.

Their finest show to date, which netted the FFA and 4-H participants \$19,713.70 in the livestock sale, set record in just about all categories and was hailed by the judges as outstanding in the quality and numbers of animals entered.

Taking top honors in the 1973 show was Cody Dewbre, of the Cochran County 4-H Club and son of Mr. and Mrs. Edward Dewbre of Morton, who showed his 1,136 lb. heavyweight Hereford to the Grand Championship in the calf division of the show. His animal was purchased by Maple Cooter for \$1 per pound.

Top winner in the Swine division was Ty Hall, son of Mr. and Mrs. John Hall of Morton and Cochran County 4-H Club member, who showed his 206 lb. Duroc to the Grand Championship in that division. His hog was purchased in the sale by Ernest Gentry Ford of Levelland for \$1.50 per pound.

In the four classes of lambs in the show, the Grand Champions included:

Donnie Kuehler, son of Mr. and Mrs. Louie Kuehler of Morton, 87 lb. Grand Champion, Finewool, purchased by H.B. Barker for \$1.65 per pound.

Deborah Young, daughter of Mr. and Mrs. Owen Young of Morton, Grand Champion 102 lb. Crossbreed. Deborah is a member of the Cochran County 4-H Club.

Trey McClung, son of Mr. and Mrs. Roy McClung, Jr. and member of the Cochran County 4-H Club, won two lamb Grand Championships with his 81 lb. Medium Wool lamb and with his 74 lb. South down lamb. Trey's medium wool lamb was purchased by the Morton Hog Company for \$1.30 per pound and his Southdown was purchased by the Hub Seed Company of Lubbock for a price of \$1.10 per pound.

This year's sale receipts of near \$20,000 far exceeds the totals reached

See SHOW Page 3

New historical survey committee members appointed

The official appointment of members to the Cochran County Historical Survey Committee has been announced by County Judge Glenn W. Thompson.

The county survey committee, which implements the state marking and preservation program in this area, will cooperate directly with the State Office of the Texas State Historical Survey Committee in Austin.

Mrs. Neal Rose of Morton, will be chairman of the group. Other members are Mrs. Willard Henry, Mrs. H.B. Barker, Mrs. Clyde McCormack, Mrs. J.C. Reynolds, E.C. Buchanan, Mr. Hume Russell, Mrs. Bittie Scifres, Mr. Walter Taylor, Mrs. Joe Seagler and Mr. Murry Crone.

"Goals for the Seventies," a comprehensive historical preservation plan drawn up by the State Survey Committee will provide the focus for county committee activities. It encompasses a wide range of objectives and programs.

County Judge Thompson commented, "The committee has been appointed at this time so that they may make plans for the coming two years although their terms did not begin until January."

He also pointed out that the overall purpose of the committee's work is the development of local history as a scholarly resource and a tourist attraction. "County survey committees work with local historians, county commissioners courts, and tourist-related organizations to insure the preservation of history for future generations of Texans," he said.

Basketball film

All members of the Morton Indian Booster Club and other interested persons are urged to attend a booster club meeting Monday, March 19 at 8 p.m. in the schools cafeteria.

Plans will be made at that time for the showing of the films of the Morton-Grand Saline state tournament basketball game and of the regional games played in Lubbock.

THREE LARGE TRUCK TRACTORS are shown being unloaded Monday at Griffith Equipment Company. The tractors are the vanguard shipment for approximately 30 that will be operated by the Prairieland Packing Company in transporting its meat products to market throughout the United States. The tractors will haul

refrigeration trailers and company personnel have indicated that they will have "Prairieland Packing Company, Morton, Texas painted on their sides, which should serve well to publicize the local community throughout the land.

'Latest' local cotton harvest figures show bright promise

As the latest cotton harvest in local history nears completion, it is revealed that Cochran County's crop is one of the largest in recent years and has a good chance of reaching 60,000 bale mark forecast for it at seasons beginning.

The disclosure is made in a recently released U.S. Department of Commerce report on ginnings of the 1972 crop through February 1973. The release reports that 51,401 bales had been ginned in the county up to that date. The ginning subsequent to February 1 could very well bring the county up to 60,000 bale figure.

Production leader for the High Plains area was Lubbock County with a total of 193,001 bales. Totals in other nearby counties include Hockley, 109,890; Lamb, 90,718; Terry, 99,992; and Yoakum, 46,707.

Among the top producers were two relatively dry land counties, Dawson and Lynn with 155,959 and 165,868 respectively.

The South Plains Cotton harvest neared

Shamrocks feature of dystrophy drive

On Thursday, March 15 members of the Future Homemakers of America from Morton High School will be sporting green in the form of "Shamrocks for Dystrophy" tags as Morton joins the rest of America in the third annual nationwide one-day fund raising crusade "Shamrocks for Dystrophy" Day is to benefit the Muscular Dystrophy Associations of America.

In the spirit of the birthday of St. Patrick, who performed many miraculous cures as well as chasing the snakes out of Ireland, these young women will be handing out green Shamrocks for Dystrophy tags. In return, they'll be asking for some of your green to help MDA research scientists perform a modern miracle by finding cures for muscular dystrophy and related neuromuscular diseases.

Miss Cheryl McClung has been named Morton Shamrock for Dystrophy Chairman. Miss McClung urges local residents to help put "St. Patrick back into St. Patrick's Day and, in the spirit of his kind of charity, bestow upon the victims of muscular dystrophy the precious gift of hope, and perhaps life itself."

completion as favorable weather enabled farmers to return to fields, according to W.K. Palmer, in charge of the Lubbock Cotton Classing Office of the U.S.D.A. Over 95 percent of the crop is now out of

SPAG meeting here today

The South Plains Association of Governments' criminal justice planning committee will meet Thursday, March 15 (today) at 2:00 p.m. in the Auditorium of the county activity building in Morton.

Jerry Clay of the Texas Criminal Justice Council in Austin will be discussing guidelines for the 1974 criminal justice plan. This plan will be the basis for all state and federal funds coming into our region in 1974 to improve the criminal justice system.

"Every city and county that intends to request criminal justice funds in 1974 to continue or to implement a criminal justice project must make their needs known to the planning committee. There will be no funds available for projects not included in the 1974 SPAG criminal justice plan," according to Walter Head, criminal justice coordinator.

The public is cordially invited to attend all planning committee meetings.

Methodist Church

hold revival

First United Methodist Church will hold a Spring revival March 18 through 21. The Reverend Ted Dotts, District Superintendent of the Pampa District, will hold the services. Jimmy Dumas will be in charge of the

services each week day will be at 7:15 a.m. and evening services at 7:30 p.m. Sunday services will be at 10:55 a.m. and again at 6 p.m. The church will be open each evening.

Jimmy Dumas is a graduate of Lubbock High School, Texas Tech, Perkins School of Theology at SMU and studied one year on a fellowship in England at Perkins. He is a veteran in the U.S. Army and served in Korea. The sermon topics and texts are: "You are a Letter" II Corinthians 3:1-3; "The Dishonest Steward" Luke 16:1-13; "Something Significant," Isaiah 11:2-3; "Our Task," I Samuel 26.

Jimmy Dumas is the Music and Education Director of the First United Methodist Church in Dumas. He is a graduate of

McMurry College and is from Stratford. The Rev. James Price, host pastor, extends a hearty welcome to everyone to attend these services.

Three Tribe cagers receive new honors

Post season honors for three Morton Indian basketball players were announced last week, with one being selected to the All-State Tournament team and he, with two others, named to the District 3AA All-District first team.

Jerry Silhan, 6'1" Junior, was named to the All-State Tournament first team and was the only non-senior to make the team.

Silhan was joined by Ted Thomas and Jimmy Harvey as the Indians dominated the first team selections to the All-District 3AA team. Harvey was the only unanimous choice of the district coaches who select the all-star team.

Ronnie Moreland and Tommy Stewart, both of Grand Saline, tied with Silhan for the fifth man on the first team in the AA division. Others named to the AA unit were Dennis Jennings of Grand Saline; Charles Harris of San Augustine and Kim Hennig of Mathis.

Joining the trio of Indians on the All-District 3AA first team were John Bandy of Friona and Kenny Ringo of Dimmitt.

The newest awards cap off a season that saw many honors come the way of the Morton Indians, both as individuals and as a team. Harvey and Thomas were recently named to the Avalanche Journal's All-South Plains squad, with Silhan and Larry Thompson receiving honorable mention.

In addition to these honors, Indian team members received numerous other awards during their climb up the ladder to district, bi-district and regional championships and subsequent participation in the state tournament.

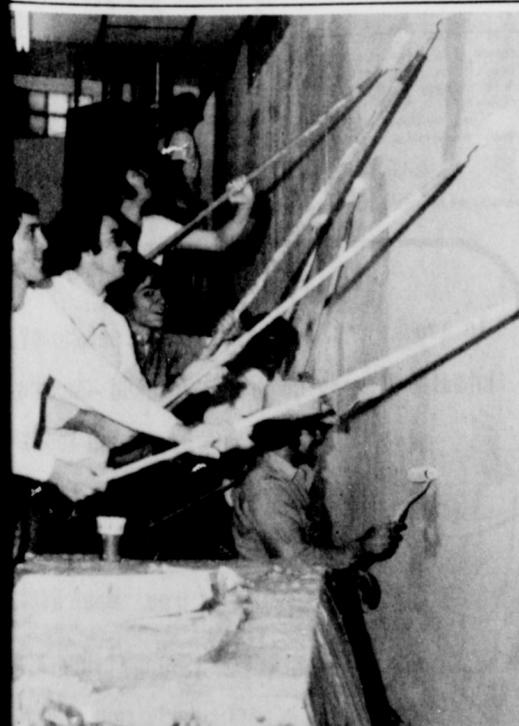

Now hear this

FLASH! The Tribune has just covered a momentous contest of mind and science on the basketball court to take place in Indian Assembly at 8 p.m. Thursday, March 22.

Our unimpeachable news source suspects he is a Chamber agent) informed us that there really is no contest, as the young and red Chamber lads will make dog out of them fat and feeble fress cats.

The public is cordially invited to slaughter, our news source

Tickets are priced at 75 cents for adults and 50 cents for children. The lion's share of the proceeds going to the Chamber.)

YOU DIG THE BEAT—there's no way you can put it on the wall faster than members of a Texas Tech fraternity called the "Figis" were hard at work Sunday mending the walls and floors of the dining hall at Girls Town when the above photo was taken. Their efforts proved that you can cover an immense amount of space in a short time if you have the manpower. These fine young men, numbering 25 or more, have been reconditioning and repairing facilities yearly at Girls Town for the years.

ELECTION ORDER AND NOTICE

THE STATE OF TEXAS
COUNTY OF COCHRAN

On this the 12th day of February, 1973, the Board of Trustees of Whiteface Independent School District convened in regular session, open to the public, with the following members present, to-wit: Darwood Marshall, President, E.E. Jennings, Roy Akin, Vincent Leagan, Olin Lewis, M.L. Moseley, Marshall Cooper and the following absent: None, constituting a quorum and among other proceedings had by said Board of Trustees was the following:

WHEREAS, the term of office of Darwood Marshall, Vincent Leagan and M.L. Moseley members of the Board of Trustees of this School District will expire on the first Saturday in April, 1973, said first Saturday being April 7, 1973, and on said date a trustee election will be held in said School District.

WHEREAS, it is necessary for this Board to pass an order establishing the procedure for filing for and conducting said trustee election;

THEREFORE, BE IT ORDERED BY THE BOARD OF TRUSTEES OF WHITEFACE INDEPENDENT SCHOOL DISTRICT:

1. That an election be held in said School District on April 7, 1973, for the purpose of electing to the Board of Trustees of said School District 1 Trustee for regular terms and one trustee for a one-year un-expired term.

2. That all requests by candidates to have their names placed upon the ballot for the above mentioned election shall be in writing and signed by the candidate and filed with the secretary of the Board of Trustees at the superintendent's office not later than 30 days prior to the date of said election.

All candidates shall file with said application the loyalty affidavit required by Art. 6.02 of the Election Code.

The Secretary of the Board of Trustees shall post on the bulletin board in the building where the Board of Trustees meets the names of all candidates that have filed their applications in accordance with the terms and provisions of this Order, and said Secretary shall also comply with the terms and provisions of Art. 13.32 of the Election Code.

3. That said election shall be held at the following places, and the following named persons are hereby appointed officers for said election:

(a) In election precincts numbered School District at School Administration Building, in Whiteface, Texas, in said School District, with Harold Harrison as Presiding Judge.

The polls at the above designated polling places shall on election day be open from 7:00 o'clock a.m. to 7:00 o'clock p.m. 2

4. Doris Smith is hereby appointed Clerk for absentee voting. The absentee voting for the above designated election shall be held at School Administrative Office within the boundaries of the above named School District and said place of absentee voting shall remain open for at least eight hours on each day for absentee voting which is not a Saturday, a Sunday, or an official State holiday, beginning on the 20th day and continuing through the 4th day preceding the date of said election. Said place of voting shall remain open during the hours of 8:00 A.M. and 4:00 P.M. on each day for said absentee voting. The above described place for absentee voting is also the absentee Clerk's mailing address to which ballot applications and ballots voted by mail shall be sent.

The above order being read, it was moved and seconded that the same do pass. Thereupon, the question being called for, the following members of the Board voted AYE: Marshall Cooper, M.L. Moseley, Olin Lewis, Vincent Leagan, Roy Akin, E.E. Jennings, Darwood Marshall, and the following voted NO: None.

Notice of Compliance with the Civil Rights Act of 1964
At its meeting on April 25, 1972, the governing board of Cochran Memorial Hospital, passed a resolution that effective April 25, 1972, Cochran Memorial Hospital would be operated on a nondiscriminatory basis in accordance with the Civil Rights Act of 1964. This means that, effective April 25, 1972 and thereafter, all facilities and services of Cochran Memorial Hospital will be available to all patients, and employees, on a nondiscriminatory basis. Waiting rooms, public toilets, dining facilities, recreational rooms, therapeutic rooms and room accommodations will be available without regard to race, color or national origin. This action will enable Cochran Memorial Hospital to continue receiving Federal funds necessary for operation.

The Board urges all public users and the employees of Cochran Memorial Hospital

County 4-H food show to be held here Monday

The Cochran County 4-H Food show will be Monday, March 19, 1973 at the County Activity Building in Morton. The judging will begin at 7:30 p.m. The entrants will need to be there at 7 p.m. to set up their exhibit.

The public is cordially invited to attend the viewing of the food exhibits at 8:30 p.m.

Approximately seventy girls have been enrolled in the 4-H foods and nutrition project since January. The Food Show is the climax of their project.

There will be four age groups and four entry classes:
Peewees—8 year olds.
Beginners—9 year olds or first year 4-H members who do not wish to compete in the district food show.

HARVEST

FROM PAGE ONE

the fields. Most harvest activity was in the counties east and south of Lubbock but some harvesting continued in all counties.

Samples from 27,000 bales were tested and classed at the Lubbock office during the week ending Friday, March 9th. This brought the total classed for the season to 1,852,000 bales.

Grades of cotton were about the same as the previous week. Low Middling Light Spotted (52) was the predominant grade, making up 21 percent of all cotton classed. Strict Low Middling Light Spotted (42) made up 15 percent. Strict Low Middling Spotted (43) 11 percent and Low Middling Spotted (53) 16 percent.

Average staple length improved slightly from the previous week. Staples were predominantly 30 to 32. Thirty percent had a staple length of 30, 29 percent stapled 31 and 21 percent was 32. Micronaire readings remained steady. However, only 12 percent of all cotton classed at Lubbock had micronaire readings in the premium range of 3.5 through 4.9, 8 percent "miked" 3.3 through 3.4, 29 percent was 3.0 through 3.2, 31 percent 2.7 through 2.9 and 20 percent was 2.6 and below.

The Agricultural Marketing Service of the U.S.D.A. reported active trading on the Lubbock market. Prices were lower early in the week but recovered the latter part of the week. Prices ranged from \$5.00 per bale over the loan for low grade, low micronaire cotton up to \$60.00 per bale over to loan for high grade, premium micronaire cotton.

Average prices paid for the most predominate qualities in the 5 to 40 premium micronaire range were: Strict Low Middling Light Spotted (42) \$16.30-26.75 cents per pound. Strict Low Middling Light Spotted (42) staple 31-27.15, Strict Low Middling Spotted (43) staple 30-22.00 Strict Low Middling Spotted (43) staple 31-22.30 Strict Low Middling Tinged (44) staple 30-18.35 and Strict Low Middling Tinged (44) staple 31-18.45.

Cottonseed prices were steady and farmers received \$45 to \$56 per ton for their cottonseed at gins.

to cooperate in this program so that the transition will be smooth and we can continue our mission of serving the ill of our community.

SHEEP
Fine Wool (Light): Donnie Kuehler, Morton FFA, 1; Lanita Combs, Morton FFA, 2; Mary Cadenhead, Morton FFA, 3; Darrell Smith, Morton FFA, 4; Bill Cadenhead, Cochran 4-H, 5; Bill Cadenhead, Cochran 4-H, 6; Susan Cadenhead, Cochran 4-H, 7 and Linda Adams, Morton FFA, 8.

Fine Wool (Heavy): Dwayne Crow, Morton FFA, 1; Mary Cadenhead, Morton FFA, 2; Donnie Kuehler, Morton FFA, 3; Bill Cadenhead, Cochran 4-H, 4; Jay Swicegood, Morton FFA, 5; Larry Shaw, Morton FFA, 6; Scott Young, Morton 4-H, 7 and Dwayne Crow, Morton FFA, 8.

Cross Breed (Light): Trey McClung, Cochran 4-H, 1; Terry Shaw, Morton FFA, 2; Doug Barker, Morton FFA, 3; Cathy Snitker, Bula 4-H, 4; Malon Zuber, Morton FFA, 6 and Joe Freeman, Morton FFA, 7.

Cross Breed (Heavy): Deborah Young, Cochran 4-H, 1; David Raby, Morton FFA, 2; David Albus, Pep FFA, 3; Allen Steed, Morton FFA, 4; Doug Barker 5; T.L. Limont, Whiteface FFA, 6; Mark Albus, Morton FFA, 7 and Roger Vick, Pep FFA, 8.

Medium Wool (Light): Trey McClung, Cochran 4-H, 1; Coy Merritt, Morton FFA, 2; Cathy Snitker, Bula 4-H, 3; Tommie Johnson, Three-Way 4-H, 4; Monty Smith, Morton FFA, 5; Mark Corkery, Three-Way FFA, 6; and Danette Lane, Three-Way 4-H, 8.

Medium Wool (Heavy): Donnie Kuehler, Morton FFA, 1; Scott Young, Cochran 4-H, 2; Allen Ladd, Bula FFA, 3; Darrell Smith, Morton FFA, 4; Allen Steed, Morton FFA, 5; Bert Freeman, Morton FFA, 6; Robbie Sower, Three-Way 4-H, 7 and Mary Smith, Cochran 4-H, 8.

Southdown: Trey McClung, Cochran 4-H, 1; Carla Sealy, Cochran 4-H, 2; Ronnie Richardson, Three-Way FFA, 3; Deborah Young, Cochran 4-H, 4; Brian Kirby, Three-Way, 5; Monty Smith, Morton FFA, 6; Jimmy Hodnett, Maple FFA, 7 and Jimmy Whitehead, Cochran 4-H, 8.

Light Weight Steers: Debbie Polvado, Cochran 4-H, 1; Mickie Dewbre, Cochran 4-H, 2; Valerie Keith, Cochran 4-H, 3; Keith Claunch, Bula FFA, 4; Susan Polvado, Cochran 4-H, 5; Gary Gerik, Pep FFA, 6; Terry Taylor, Whiteface FFA, 7; Mark Dewbre, Cochran 4-H, 8; Martie Dewbre, Cochran 4-H, 9; Wayne Parkman, Bailey Co., 10; Mitzi Altman, Bailey 4-H, 11; Gary Geril, Pep FFA, 12 and Terry Taylor, Whiteface FFA, 13.

Medium Weight Steers: Mark Dewbre, Cochran 4-H, 1; Steve Polvado, Cochran 4-H, 2; Princes Parkman, Bailey 4-H, 3; Sandy Coleman, Cochran 4-H, 4; Rusti Coleman, Morton 4-H, 5; Sherri Claunch, Bula 4-H, 6; Sherri Claunch, Bula 4-H, 7; Chris Gerik, Pep FFA, 8; Jimmy Valentine, Whiteface FFA, 9; Joel Sinclair, Bula FFA, 10; Tommie Johnson, Bailey 4-H, 11; Kenneth Turney, Bula FFA, 12; Jerry Sower, Bula FFA, 13.

Heavy Weight Steers: Cody Dewbre, Cochran 4-H, 1; Randy Coleman, Cochran 4-H, 2; Sandy Coleman, Cochran 4-H, 3; Steve Polvado, Cochran 4-H, 4; Chris Gerik, Pep FFA, 6; Barry Zuber, Cochran 4-H, 7; Ronnie Altman, Bailey 4-H, 8; Steven Newton, Bailey 4-H, 9; Jimmy Valentine, Whiteface FFA, 10; Randy Coleman, Cochran 4-H, 11; Mark Gunter, Cochran 4-H, 12 and Debbie Polvado, Cochran 4-H, 13.

Lubbock slates district-wide 4-H food show

Sixteen lucky judges will have the privilege of tasting some top-notch Texas cooking when 4-H girls from 20 counties in the South Plains area display their skill at a district-wide 4-H Food Show in Lubbock March 24.

Competition will be divided into junior and senior levels, each with four food classes. These include bread and dessert, fruit and vegetable, snack and beverage, and a main dish. Each class will have two judges.

"Food preparation skills and nutrition knowledge are two primary goals of the girls who enter this contest," says Jana Cobb, Lubbock County Extension Agent who is chairman of this year's event.

"But the ultimate goal is leadership development."

"Through such contests as this," Jana explains, "4-Hers are able to develop that ability."

Senior division winners will go on to compete in the State 4-H Roundup at College Station in June. Winners of that contest are then eligible for scholarships and trips to either the National 4-H Congress at Chicago the following winter, or the National 4-H Conference in Washington, D.C. the next spring.

For the district contest, which is to be on the Texas Tech campus, menus and recipes will be scored for both junior and senior divisions, with nutrition analysis added to the senior contest.

"Food for All Seasons" is the theme of the show which will feature exhibits of foods in the ballroom of the University Center beginning at 9:30 a.m. Judging will take place at 10:30, and awards will be presented that afternoon at 3:30.

Girls competing in the district contest are winners of county competition.

"Our 4-Hers try to build leadership capabilities by entering many such events," says Jana. "Many of the seniors are former junior leaders who have built on their experiences. They have learned the disciplines of failure in losing and the thrill of accomplishment in winning."

Competition brings out some of those characteristics which make a leader, and we hope that this district show will offer that kind of development."

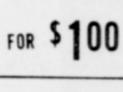

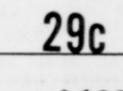

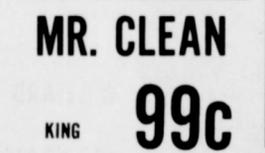

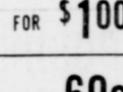

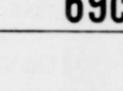

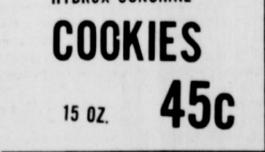

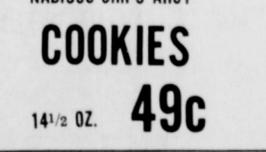

The Department of Home Economics of the Texas Agricultural Extension Service is coordinating the annual event.

TFB wants extension, change in farm program

Farm Bureau is recommending to Congress that the Agricultural Act of 1970 be extended with some significant modifications, according to J.T. (Red) Woodson, president of the Texas Farm Bureau. The 1970 Act is due to expire at the end of this crop year.

The state farm leader said that American Farm Bureau Federation President William J. Kuhfuss gave the organization's proposals Friday, March 9, in the statement to the Senate Agriculture Committee.

Woodson said that Farm Bureau is pleased with prices for most agricultural commodities at present, but wants

safeguards written into law in the event surpluses build up again and depress prices.

The head of the 137,000-member Texas Farm Bureau said the organization is proposing a government farm program for wheat, feed grains and cotton that will "gear into operation when adjustment is needed and gear out when demand is sufficient to provide satisfactory prices in the marketplace."

Under the present program, cooperators are paid income supplements and also for taking unneeded acreage out of production of a particular commodity. Woodson said Farm Bureau

proposes to shift this to a total cropland adjustment program, with the percentage of land retired determined by the Secretary of Agriculture based on guidelines established by Congress.

"Under the program we are proposing, government payments would be

Installment debts in county soaring

How much does the average family in Cochran County own in the form of installment debt?

To what extent are local residents using the buy-now, pay-later plan in their purchases of big ticket items?

More than they did a year ago, according to the findings. There has been a steady increase in recent months, locally and elsewhere in the use of installment credit.

What it means is that consumers have, finally loosened their purse strings, after a period of restrained buying, to purchase the cars, dishwashers, furniture, hi-fi equipment and other expensive articles that they have long been wanting. And, as spending for such items picks up, so does the demand for credit.

The net result, nationally, is that installment debt at the beginning of this year reached approximately \$129 billion, or about \$19 billion more than in January, 1972.

It was equivalent, on the average, to about 16 cents out of every dollar of family income, after taxes.

In Cochran County, based upon the latest local income and spending figures and upon national studies by the Federal Reserve Board and others, the amount of installment debt outstanding is estimated at \$2,000 per family.

That is the average. It ranges from no debt at all, in some families, to considerably more than average in others.

For the local population as a whole, the amount of installment debt at the end of the last fiscal year was close to \$2,860,000.

The largest part of it consisted of loans for automobile purchases. The remainder was for other installment buying, for personal loans and loans for home repair and modernization. Not in this category are mortgage debt, charge accounts and single payment loans.

Making repayments at a regular rate takes nearly \$1 out of every \$6 that a family has left after taxes.

In Cochran County, that amounts to \$165 per month per family, on average.

The big question among bankers and credit men is whether the American public is taking on more debt that it can carry.

Their experience has been that most people use their credit with discretion and do not go overboard.

performance payments, based on agriculture's need for adjustment and the individual farmer's contribution to that adjustment through participation in the set-aside," he said.

This transition would be made over a period of years if current market prices did not justify going directly to the new system, Woodson said.

"In the case of cotton, application of the principle of paying only for adjustment may require some interim adaptations to take into consideration the economic conditions peculiar to this commodity," he said.

The TFB president said that under the

proposed system, a farmer, after complying with the set-aside, would have the privilege of producing the products that are best suited to his resources without regard to past acreage history.

"This will permit the users of farm commodities to guide production through prices in the marketplace," Woodson said. "As an interim step, pending the shift of the current set-aside program to a cropland basis, it may be desirable to base the set-aside temporarily on the total acreage actually planted to feed grains, wheat, and cotton."

Woodson said Farm Bureau's program is designed to move to a market-oriented

agriculture. "Farmers may need a mechanism to assist in making adjustments when market demand falls below our capacity to produce at reasonable prices," he said. "If circumstances indicate actual or threatened overproduction, the Secretary of Agriculture would have authority to help farmers make necessary adjustments through a set-aside program."

The farm leader said that the program "coupled with the trade policy that will continue to expand exports, will work well to serve the best interests of farmers, consumers, and taxpayers."

PIONEER SEEDS

WILLIARD HENRY
JOE ROBERTS

We're proud our seeds have earned the trust of farmers like these ...

recorded a yield of 6000 pounds on 100 acres of Pioneer brand 8417. "Good threshing and yield," of 8417 pleased Joe Roberts, Rt. 2, Morton, Texas.

got a yield of 6213 pounds on 70 acres of Pioneer brand 846. Our most popular hybrid, 846 can do well for you as it did for Willard Henry, Rt. 1, Box 80, Morton, Texas.

Because we were the first company to commercially produce hybrid corn and with 17 years of work on sorghum, we know a lot more about hybrids and how to make crosses that really yield. We've had longer to test and re-test our varieties. We've stuck with some of our early crosses, and we keep developing new ones to fit every growing condition imaginable.

For the Southern Panhandle and Plains area we recommend these sorghum, corn and forage hybrids ...

Pioneer brand 846—excellent drought resistance—consistent high yields—MDM and smut resistant—medium maturity.

Pioneer brand 820—good yielder under stress—outstanding with plenty of water and fertility—MDM resistant—full season.

Pioneer brand 8417—new yellow endosperm sorghum—champion yielder in medium maturity class—large open heads—does well on all types of land.

Pioneer brand 3369A—a corn with outstanding seedling vigor—tolerant to blight—good roots and stalks—good ear retention—heavy grain yield.

Pioneer brand 3306—excellent for grain or silage—drought resistant—single cross—well-suited to narrow rows.

Pioneer brand 988—sorghum sudangrass hybrid for pasture, greenchop, hay or haylage—ready to cut or graze in a little more than a month—regrows again and again all summer with adequate moisture and fertilizer.

When you choose a hybrid for your land, choose one from the company that started it all ...

Enochs - Bula News

Mr. and Mrs. E.M. Autry left last week on vacation, they stopped in Phoenix, Ariz. to visit Mr. and Mrs. Short and visited her father, Sam Short, at Poplar, Calif.

Mr. Curt Johnson is home after spending a week in the Medical Arts Hospital in Littlefield.

Raymond Austin left Thursday for business and he visited his mother, Mr. and Mrs. Orphus Tate and also his brother, the Harold Austin.

Mr. and Mrs. Clyde Coffman of Morton, Mr. and Mrs. J.D. Bayless received the body of the death of Mrs. Thursday of the death of Mrs. Coffman's mother, Mrs. Mary Elizabeth Coffman, of Alamogordo, N.M. Funeral services were at 2 p.m. Saturday at Alamogordo. David Coffman and family were present at the funeral. Mrs. Beanblossom and family were present at the funeral. Mrs. Beanblossom and family were present at the funeral.

The Baptist Women observed the week of prayer for Home Missions. The theme was "Ask of Me." They met Monday, Tuesday, and Friday mornings. Special services were given on Monday. "Teach Me to Pray" was given by Sandra Austin. Those taking part Monday were Mrs. W.M. Bryant,

Mrs. J.W. Layton, Mrs. Olive Shaw, Mrs. Chester Petree, Mrs. L.E. Nichols, and Mrs. Louise McCall gave the closing Meditation. Present were Mmes. L.E. Nichols, J.W. Layton, W.M. Bryant, Essie Seagler, E.F. Campbell, Bill Key, Ellen Bayless, Wilma Petree, Fay Shaw, Ruth Newell, Dovie Dane, Wanda Layton, Rose Nichols, Sandra Austin, Mrs. C.H. Byars, Olive Shaw and one child Jeff Shaw.

Tuesday's program was given by Mrs. J.O. Dane, Sandra Austin, and Wanda Layton. Wednesday night the G.A.'s Sponsors, Joyce Beasley and Rose Nichols and the G.A.'s Teresa Autry, Paula Nichols and Renee Beasley and Shoney Autry presented a play titled "My Little Dime."

Thursday the Association Prayer Retreat was at the Enoch's Baptist Church. Mrs. Harold Layton gave the welcome and the pastors and deacons wives gave the parts on program. Lunch was served at the noon hour. Mrs. Preston Harrison of Three Way and Mrs. Mary Ogan of Friso, gave their personal Testimony and Rev. Charlie Shaw brought the message.

Friday's program was presented by Rose Nichols, Mrs. Essie Seagler and Mrs. Ellen Bayless.

Mrs. Ted Hall is home after spending a week at the home of her daughter Mr. and Mrs. Smiley Monroe, to stay with her granddaughter, Gena while her parents went on a trip.

Mrs. Alma Altman and Mrs. Edna McClellan of Morton drove to Levelland for dinner and visited sick folks at the hospital. They also visited T.A. Thomas at Morton. Mrs. Thomas has been a patient in the Methodist Hospital for the past two weeks.

Kim Coats went to Three Way Sunday to hear his friend, Larry Neutzler, preach his first sermon at the Baptist Church.

The Community received 1.8 inches of rain and a big frost Monday morning.

Mr. and Mrs. Charles Seagler and children of Burkburnett, Mrs. Terry Turner and children of Las Cruces, N.M. and Mrs. Sandra Harrington and family of Lubbock spent the weekend with her parents, the Ray Seaglers.

Visitors at the Baptist Church Sunday were Mr. and Mrs. Charles Seagler and daughter Mrs. Terry Turner and daughter, Tammy Harrington and Chris Rowden.

Mr. and Mrs. Chester Petree drove to Lubbock Saturday afternoon to help their grandson Monte Petree celebrate his 6th birthday. They also visited in the home of Mr. and Mrs. Calvin Calvert in Muleshoe Sunday afternoon.

Mr. and Mrs. R.H. Baker went to Houston Thursday and returned home Saturday. They took Susan to see her doctor for a checkup. She is improved.

Rev. Ronnie Green, pastor of Bula Baptist Church resigned as pastor Sunday morning to be in effect Sunday March 18. They will be moving to Illinois.

Funeral services for a former Bula resident, Mrs. Julia Althea Setliff, 90 who died Monday night in Deaf Smith General Hospital in Hereford, were conducted Wednesday afternoon in the Crescent Park Church of Christ in Littlefield.

Bob Wear, minister officiated and burial was in the Littlefield Memorial Park.

Mrs. Setliff was born Oct. 27, 1882 in Wicks, Ark. and was a long time resident of Bula community. She had lived in Hereford the past five months.

Surviving are six sons, Ennis Setliff of Crowell, Chester Setliff of Bula, Darwin Setliff of Atoka, Okla., Bennie Setliff of Borger, David Setliff of Wilcox, Ariz. and Duane Setliff of Dallas; five daughters, Miss Gladys Setliff Hereford, Mrs. Eva Mae Earnhart of McAlister, Okla., Mrs. Daise Rowland of Amarillo, Mrs. Ruth Johnson of Chandler, Ariz. and Mrs. Bernice Tarter of Lubbock; 25 grandchildren and 35 great-grandchildren.

Hospital auxiliary elects new officers

Mrs. Tennie Wall was elected president of the Cochran Memorial Ladies Auxiliary at a meeting March 8 in the hospital board of directors room.

Serving with the new president are: Mrs. Lloyd Miller, 1st vice president; Mrs. J.W. McDermett, 2nd vice president; Mrs. Hume Russell, 3rd vice president; Mrs. Willard Henry, treasurer; Mrs. Leonard Coleman, secretary; Mrs. Orville Tilger, corresponding secretary and Mrs. J.C. Reynolds, reporter.

Mrs. Tilger reported on the 1972 achievements by the auxiliary. She stated that the auxiliary bought a Pulmonary Lung Function Testing Machine, with money donated by the First State Bank of Morton, and that four rooms in the hospital were repainted by the auxiliary. They also sponsored the Junior Candy Strippers, headed by Mrs. Betty Mundherke, R.N.

Mrs. Jewel Arnold, L.N., introduced Taylor N. Hughes, Licensed Physical Therapist from Methodist Hospital in Lubbock. He will be in Morton Tuesday and Thursday of each week attending therapy patients in the hospital.

The auxiliary invited all women, who are interested in donating their services to help the patients in the hospital to join the organization. Dues may be paid to Mrs. Henry, Rt. 1, Box 79A, Morton, Texas 79346.

MR. AND MRS. JAY D. STANDEFER of Portales, N.M. announce the engagement of their daughter, Brenda Jayne, to Barry Lee Powling, son of Mr. and Mrs. J.M. Powling, Jr., of Clayton, N.M. Miss Standefer is the granddaughter of Mr. and Mrs. Everett Nichols of Morton. The couple plans to be married May 12 at 7 p.m. in the Calvary Baptist Church of Portales. They are both students at Eastern New Mexico University. Friends and relatives are invited to attend.

Rev. Hazel House
Services held 1st and 3rd Sundays
Sunday School 10 a.m.
Morning Services 11 a.m.
Evening Services 7 p.m.
4th Wednesday—Fellowship 7 p.m.

"Thou wilt show me the path of life, in thy presence is fulness of joy." PSALM 16:11

HERE IS THE PATH

shall love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind, and thy neighbor as thyself.

Luke 10:27

The basis of God's first and greatest commandment is love. God gave man the freedom to choose . . . and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long survive and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

EVERYONE IN THE CHURCH IS INVITED TO SUPPORT THE CHURCH IN PRAYER

FFA and 4-H winners show their championship animals

Tribune photos By Bill Sayers

A REAL GRAND CHAMPION: Cody Dewbre shows off the Grand Champion of the 1973 Morton Junior Livestock Show.

TY HALL, is very proud of his Grand Champion Duroc, purchased by Ernest Gentry Ford of Levelland, whose representative is shown with him here.

DONNIE KUEHLER'S fine wool Grand Champion makes a pretty picture as he poses with Donnie and H. B. Barker who purchased the lamb in the sale.

DEBORAH YOUNG displays her Grand Champion cross breed lamb together with a representative of Ernest Gentry Ford of Levelland who purchased the animal in the sale.

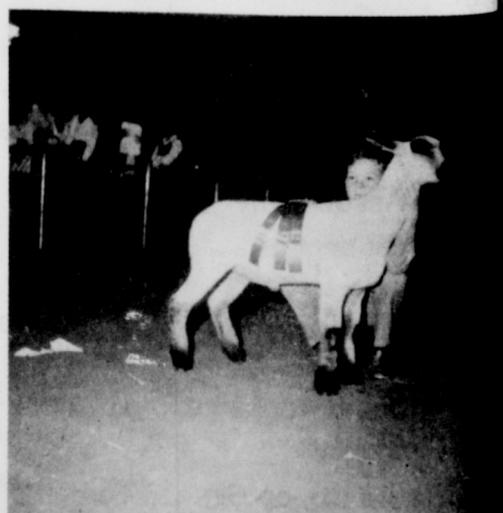

YOU JUST BOUGHT yourself a nice, fat animal, Eddie Courtney of Levelland bids as he acted as spotter for the Zuber brothers who conducted the following the junior stock show Tuesday.

MARK DEWBRE, who showed his medium weight crossbreed calf to the Reserve Championship in the junior livestock show looks almost as pleased in displaying him here as does Neal Rose, of Rose Auto and Appliance who purchased the animal in the sale.

TREY MCCLUNG, who was a multiple winner in the sheep division of the show, displays, with the help of a friend, two Champion entries in the Southdown class. One is the Grand Champion Southdown and the other the Reserve Champion Southdown lamb shown here by Carla Sealey.

MULTIPLE SHOW WINNER Trey McClung shows off the lamb that brought the Grand Championship in the medium wool class. The 81 lb. lamb was purchased by Morton Hog Company for \$1.30 per pound.

Three Way News

By Mrs. H.W. Garvin

Fred Kelley was a patient in Methodist Hospital in Lubbock the past week.

Mr. and Mrs. Ronny Lee from Irving visited his parents the Elmer Lees Saturday.

Mr. and Mrs. Jim Emerson from Wilcox Arizona are visiting her parents the Fred Kelleys.

O.A. Warren is a medical patient in Cochran Memorial Hospital in Morton.

Mr. and Mrs. Jackie Duplar and baby from Bryant spent the week end visiting their parents, the Leon Duplers and Jay Boyces.

Mr. and Mrs. Jame Kindie are the parents of a baby girl born Monday in Littlefield Hospital. Grandparents are Mr. and Mrs. Barney Locke and Mr. and Mrs. R.R. Kindie all of Maple.

Mr. and Mrs. E.T. Balleas spent the weekend at Brownwood lake visiting their son the Wayne Balleas family.

Mr. and Mrs. Joe Sowder and Mr. and Mrs. T.D. Davis spent the past week fishing at Lake Amstead.

Mrs. Tommy Durham, Bobby Gail and Mr. and Mrs. Troy Tyson and family from Lubbock spent the weekend visiting their parents the George Tysons.

Mr. and Mrs. H.W. Garvin attended church in Lubbock and visited with their daughter and family, the James Gillentines.

The community received about two inches of rain Friday and Saturday.

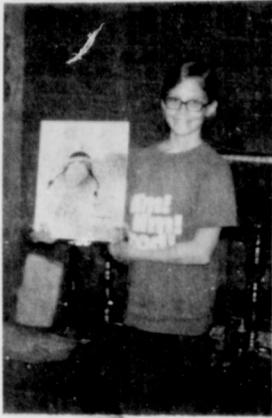

Mrs. Rose hosts sewing club meet

Mrs. Anna Rose was hostess to the Busy Fingers Sewing Club March 1. She entertained the club with musical selection on the Melodica.

The meeting was opened with a prayer by Mrs. A.R. Lindsey and the club song, "Smiles," was led by Mrs. Lorene Crockett.

Present for the meeting were: Mmes G.F. Cooper, Ethel Stracner, Lindsey, Crockett, Boyd Willis, Enid Edwards, C.C. Benham, E.R. Fincher, Clayton Stokes and the hostess.

The next meeting will be held in the home of Mrs. Stracner.

MISS PEGGY BENNETT is shown holding the Morton Indian drawing she won as first place award in the recent art contest sponsored by the YM Study Club. The drawing was presented to her by Mrs. Robbie Key, chairman of the contest. It is an original done by Dirk West of Lubbock.

Advisory committee meets at school

The Parental Advisory Committee of Morton I.S.D. held its regular monthly meeting March 7 in the classroom of Mrs. Carolyn Hamilton.

A St. Patrick's Day theme was carried out in the decorations and refreshments. Pupils had decorated the tablecloth with a shamrock motif and provided shamrock shaped name cards for those present.

In the absence of the President, the meeting was called to order by Mrs. Dorothy Rose, Mrs. Hamilton and Mrs. Lucy Lovington demonstrated some of the new equipment being used in the Migrant Program. They showed how the Language Master could be used by the pupils to improve language patterns and oral language development. A short filmstrip was shown on the DuKane machine. This

LOOK WHO'S NEW

J.D. Jr. son of Mr. and Mrs. J.D. Fitts, of Levelland. He arrived March 8 at 9:05 a.m. and weighed 6 pounds and 13 ounces.

Francisco Javier, son of Mr. and Mrs. Francisco Ruiz of Morton, Francisco arrived March 12 at 3:30 a.m. and weighed in at 5 pounds and 9 ounces.

Mrs. Rowden rites held in Brownfield

Services for Mrs. Minnie Rowden of Brownfield, mother of Wayne (Tom) Rowden and Mrs. C.D. Ray, both of Morton, were held Saturday at 2 p.m. in the First United Church in Brownfield. The Rev. Bill Fitzgerald, pastor of Parkview United Methodist Church, and the Rev. Robert Metzger, pastor of the church officiated.

Burial was in Terry County Memorial Cemetery directed by Brownfield Funeral Home.

A native Texan, Mrs. Rowden, 84, died about 10:50 p.m. Thursday in Brownfield General Hospital. She moved to Terry County in 1923 from Parker County. She and her husband, John H. Rowden, who died in 1943, farmed west of Brownfield.

A member of the First United Methodist Church, Mrs. Rowden is survived by five sons, R.J., Hugh, Monroe and Vernon all of Brownfield and Wayne, four daughters, Mrs. R.W. Thames of Andrews, Mrs. Charlie Freeman of

filmstrip was on "This Beautiful World" part of a series on environment. It was explained how this machine could be used with groups or with individuals using headsets. Mrs. Hamilton also explained many of the projects carried out by her pupils in grades 2-3 and 5.

Mrs. C.C. Benham reported on the work done in the Title I Reading Program.

Seventeen members attended the meeting and social hour. Plans for the meeting in April will be announced at a later date.

Bledsoe News

By Mrs. Larry Luchanan

Public School Week was observed Thursday, March 8, with an Open House at the Bledsoe School. The event was kicked off with a pancake supper sponsored by the Booster Club. Mrs. Alvie Harris was the recipient of a tape player given away by the club. She charitably returned the player to the club for further fund-raising activities.

Thursday night's supper was followed by a film presentation of "To Whom It May Concern". The play about drug abuse was composed and performed by Bledsoe High School students under the direction of Lewis Mowers. It was previously presented on Channel 5 TV in Lubbock, where it was filmed.

Final item on the evening's agenda was a play, "Hillbilly Blues", presented by the 7th and 8th grade students. Members

of the cast were: Ricky Bilibrey, Tom Bilibrey, Alton Box, Tommy Brown, Darla Davis, Francie Davis, Mitt Perry, Perry Trull, Darrell Weaver, and Tom Young.

Friday, March 9, Bledsoe students were dismissed early to begin their Spring Break which will continue through March 18.

Currently serving as members of School Board are Harlie Adams, Wayne Coffman, Douglas Dunn, V.H. Dwight Goyer, M.C. Hall and Ed Young. Coffman and Goyer's terms are expiring this year. Candidates for the positions in the upcoming school term election are Ernest Trull, Rex Griffin and Larry Buchanan, and incoming Dwight Goyer.

A meeting to organize a common Senior Citizens group will be held Saturday, March 18, in the Bledsoe School Cafeteria at 3 p.m. All persons interested in joining or working with this group are urged to attend.

Denver City, Mrs. Roland Culbert of Brownfield and Mrs. Ray, a brother, Tom Roe of Azle; a sister, Mrs. Lucy Howard of Azle; 25 grandchildren, 33 great-grandchildren and three great-great-grandchildren.

SHOPPING AT HOME HELPS TO MAKE MORTON A BETTER PLACE TO TRADE

Every time you spend a dollar at home for goods and service, a substantial part of that dollar automatically becomes an investment in an enriched social and business life for you and your family and friends.

Plus . . . SERVICE you can get only from concerned and interested friends and neighbors.

Plus much more: The convenience - and sometimes the importance of quick availability of service and supply, and better jobs, higher property values, and more opportunities for our young people to establish their homes among us to enrich our lives and our towns.

IT PAYS TO TRADE WHERE YOU LIVE

You're Way Ahead . . .

CHARLES PALMER, Gen. agent for Cochran County Farm Bureau, was the leading Farm Bureau Life Insurance Agent in the State of Texas for the month of February. Mr. Palmer was honored with the Cock of the Walk trophy, Fire and Casualty Award, Outstanding Service to Members Award and Agency Award for team effort.

ABOUT LOCAL FOLKS

by Dutch Gipson

Expected guests of Mrs. Charles Taylor over the weekend is her daughter, Mrs. James Porter of Pasadena. She will be accompanying Mrs. Evelyn Seagler who has been visiting her daughter and family, Mr. and Mrs. Don Mathtys and her grandson, Douglas Ross.

Mr. and Mrs. Tommy Morrison, daughter Mabelle and son Bradley of Lubbock were weekend visitors of their parents Mr. and Mrs. Fred Morrison.

Morton Chapter 841 O.E.S. met Tuesday night March 6 in regular session. In observance of Public School Week chapter business was taken care of,

only visitors were recognized, and good of order was observed. Six members from Levelland chapter were recognized. Chapter closed in regular form. All members and guests were welcomed to home of Jr. Post Matron and Patron, Mr. and Mrs. Carol Shelton for refreshments. Worthy Matron, Ada Long, and Winnie Mae Byars co-hosted the refreshments for the evening.

Doc Long and William Zuber have returned home after a brief visit in Truth of Consequences, N.M.

Librarian HESSIE B. Spotts and assistant Librarian Nancy Key, attended a district workshop in Lubbock Tuesday.

Mr. and Mrs. Charles Marina were in Austin over the weekend attending a Mid-Management Convention.

MR. AND MRS. R.W. BRIGGLE of Route 3, Midland, announce the engagement of their daughter, Virginia Lee, to Jimmy Lynn Gunnels, son of Mr. and Mrs. Jack Gunnels of Morton. Miss Briggie, 1972 graduate of Midland High School, is employed by STM Corp. Her fiancé, a graduate of Morton High School, is employed in Midland by Dowell Chemical Co. The wedding is planned for April 14.

Mrs. Bell named club president

Mrs. James Bell was named president of the YM Study Club for 1973-74 at a meeting held March 8 in the home of Mrs. Truman Murdock.

Other officers elected to serve with Mrs. Bell are: Mrs. Ralph Ware, 1st vice president; Mrs. Murdock, 2nd vice president; Mrs. Eugene Vanstory, secretary-reporter; Mrs. Jerry Winder, treasurer; Mrs. Dexter Nebhut, corresponding secretary; Mrs. Donald Masten, historian; Mrs. Douglas Betts, auditor and Mrs. Rosal Berkgren, parliamentarian.

Mrs. Betts presented the program on heart and health. She stressed different points that should be taken in order to prevent over taxing of the heart.

In the business meeting, members voted to make a donation to Boy's Ranch at Pettit and Mrs. Darwin McBee and Mrs. Don Richardson were accepted as new members.

Attending the meeting were: Mmes. Betts, John Hall, Robert Yearly, Weidon Wynn, Nebhut, Robbie Key, Vanstory, Masten, Ware, Bell, Claude Nowell, Max Clark and the hostess.

Farmcast

A Weekly Report Of Agri-Business News
Compiled From Sources
Of The Texas Department of Agriculture
John C. White, Commissioner

Only Six... Egg Production Declines... Livestock Slaughter Increases... Sheep on Feed Down Again

Of the more than 200 different commodities produced in Texas, only six are above effective parity, according to records of the Texas Crop and Livestock Reporting Service.

"This is something we need to keep in mind when we hear all those glowing stories about increasing farm prices," Texas Agriculture Commissioner John C. White notes. "It's good that farm prices are increasing, but let's keep them in their proper perspective. The fact remains that farm parity is still lagging about 20 per cent behind the rest of the economy," he said.

The six commodities above effective parity—or equality of income with the rest of the economy—are oats, hogs, beef cattle, calves, sheep and lambs.

Hog prices at an average of \$34.40 per 100 pounds in Texas are \$1 per 100 pounds above parity. Beef cattle at \$42.50 are \$2.20 per 100 pounds above parity. Calves at \$56 per 100 pounds are \$7.50 above parity. Sheep at \$16 are \$4.70 above parity, and lambs at \$36.30 are \$5 above parity.

For crops, only oats are above parity. Oat prices averaged \$1.08 with parity at \$1.05 per bushel.

During the past month, most grain prices showed declines. Wheat averaged \$1.99 per bushel, down 41 cents from a month ago; corn averaged \$1.70 per bushel, down eight cents; barley was down four cents per bushel; grain sorghum was up four cents.

Egg production in Texas during January declined 17 per cent compared to a year ago while nationwide the decline was six per cent.

Egg prices to producers as of Feb. 15

averaged 46 cents per dozen, which is a month ago.

Texas layers totaled 11,300,000 down 11 per cent from a year ago. Texas eggs laid daily per 100 hens averaged 55.8 compared with 61.3 nationwide. Egg-type chicks hatched in Texas during January is down 15 per cent from last year.

COMMERCIAL production of red meat throughout the nation during January was up six per cent from year ago. The number of cattle slaughtered was up seven per cent.

Pork production showed an increase of four per cent from a year ago, while a decrease of two per cent in lamb and mutton production was reported.

In Texas, the total of red meat production amounted to 193,900,000 pounds. Cattle slaughtered numbered 296,000, calves 11,300, hogs 168,000 and sheep and lambs 101,000. Average live weight of cattle was 952 pounds, calves averaged 566 pounds, hogs 250 pounds, and sheep and lambs 99 pounds.

NUMBERS of sheep and lambs on feed in Texas is 18 per cent below a month ago and three per cent below the number a year ago.

Current intentions to market include: March 31,000; April 30,000 and May 13,000.

WEATHER conditions over much of Texas continue to slow field activity in many areas. Cotton planting continues behind schedule in the Rio Grande Valley. Corn and grain sorghum planting time is at hand in south and south central Texas.

GET YOUR horse vaccinated as soon as possible to avoid an outbreak of VEE disease this year, authorities recommend. No case was reported in 1972 in Texas, and now is the time to get your animal vaccinated to prevent any outbreak during 1973.

Auto body course offered in Lubbock

Announcement has been made of the approval by the Labor Department, and Department of Health Education and Welfare, of a training project under the Manpower Development Training Act (MDAT):

Type training—Automobile Body Repairman.

Location—Lubbock, Texas.

Length of training—39 weeks.

Beginning date—April 2, 1973 (tentative)

Ending date—December 28, 1973 (Tentative).

Where to apply—Texas Employment Commission, 1602-16th Street, Lubbock, Texas, Monday through Friday 8:00 a.m. to 5:00 p.m.

When to apply—Now through March 23, 1973.

Who is eligible? Any person unemployed or underemployed, 18 years of age or older, who has the desire to do

automobile body repairman work and is able to read, write, speak and understand English. Sixth grade or equivalent education. VETERANS WILL BE GIVEN PREFERENCE.

Allowances—Trainees may be paid \$48.00 per week, plus \$5.00 per week for each dependent up to six dependents. Travel allowances are paid to trainees who commute to the training facility.

Training briefs—Trainees must attend training classes 8 hours daily 8:00 a.m. to 4:30 p.m. Training will be conducted Monday through Friday each week, except on holidays. Training will be given in skills and knowledge that will enable them to enter the occupation of automobile body repairman at the entry level and progress efficiently.

Job Placement—The Texas Employment Commission will give job placement service to those trainees completing the course.

CC Librarians attend workshop

Librarians, board members, members of the Advisory Council and Friends of the Library, convened Tuesday, March 13 at the Lubbock Garden and Arts Center for a workshop on Library Public Relations. The event centered around plans for National Library Week, April 8-16, and was hosted by the Lubbock Area Library System (LALS) a network of 29 Texas counties.

Mrs. Kathy Chapman assistant director of Lubbock City-County Libraries, presided at the morning session. She introduced Rex Webster, Webster and Harris Advertising Agency, Lubbock, who spoke on Library Public Relations.

Miss Judy Smith, librarian at Unger Memorial Library, Plainview, and a member of the State Committee on National Library Week, outlined state

promotion plans for April 8-16 during an afternoon session, headed by Mrs. Arper, Major Resource Center coordinator.

Ideas for the LALS promoting National Library Week were presented by Mrs. Wanda Walser also of Webster and Harris.

Those attending the workshop included George Miller, Post, vice chairman of the Advisory Council; Mrs. Shirley Unger Memorial Library, Plainview, member of the Advisory Council; Rosalind Redfern, Midland, member of the Advisory Council.

Others present at the workshop were Mrs. H. B. Spotts and Mrs. Nancy the Cochran County Library.

Approximately 40 representatives from the various libraries within LALS were in attendance.

Tourist promotion to benefit Morton

Morton, a major point on the Texas Plains Trail, this month will begin reaping the benefits of a major national promotion of the special Panhandle-Plains route.

The Texas Tourist Development Agency disclosed that \$13,900 of its spring advertising budget will be invested in a full color page ad on the Plains Trail in four key magazines.

It will appear in March issues of Camping Journal and Southern Living, and in April issues of Texas Parade and Trailer Life.

The TTDA is buying a combined circulation of 1.3 million in the publications.

The ad's single dominant photo is that of the Ranch Headquarters outdoor museum on the Texas Tech University campus at Lubbock. It was shot specifically for the ad by the TTDA.

The copy mentions such other principal area attractions as Palo Duro Canyon, unique restaurants, "boot hill"

cemeteries, and a wildlife refuge for waterfowl.

Featured in a corner of the ad is a coupon inviting the reader to request copies of the Texas Highway Department's special pamphlet on the Plains Trail, and its 208 page travel guide, "Texas—Land of Contrast."

"The ad, and subsequent highway department literature, will give the reader compelling reason to discover this exciting part of Texas," said Frank Hilderbrand, TTDA executive director.

"We expect communities and attractions along the Plains Trail to benefit appreciably from this added promotion of their area as "trail riders" come their way."

The Plains Trail is one of the 10 Texas Travel Trails around which the TTDA has developed special ads. Other spring ad subjects are the Brazos, Hill Country, and Forest Trails.

Patton's College team has "Winnest" season

The Coyotes of Weatherford College, Texas ended their 1972-73 basketball season with a string of three wins in a row over conference foes, but the big news was the winningest season for any Coyote team in the last 25 years.

Coach Dave Neely, a native of Scott City, Kansas fashioned the 19 win and 10 loss record with an all freshman squad since this was the first year of Intercollegiate competition at Weatherford College since 1969.

The inexperience that plagued the young Coyotes during their early season games gradually gave way to a consistency that saw them win 9 of their last 12 outings, and end conference play in a tie for third place in the Northern Division of the Texas Junior College Athletic Association.

Elton Patton, the son of Mrs. Farris Patton of Morton was a member of this Coyote team that will be remembered as

the winningest team in 25 years at Weatherford College.

Elton has been hampered all year by injuries that included a knee problem left over from high school track. Coach Neely was very pleased with his progress in the early season, but the Christmas layoff extended several days by a West Texas snowstorm, put him behind and before he could catch up, there was another injury.

Elton is a fine shooter, a great jumper and physically strong enough to play college ball and if he can stay healthy he'll do a lot of just that.

Three Way Riders presented awards

Members of the Three-Way 4-H riding club were presented with their annual awards recently.

To qualify for an award, each member was required to earn a set number of points through participation in practice playdays, parades and elimination events. The awards given this year included halters and lead straps with gold plated name plates.

Members qualifying include: Jimmy Hodnett, Craig Kirby, Bill Hodnett, Ken Eubanks, Brian Kirby, Shonoe Hodnett and Tomie Johnson. Also earning an award were the following peewees: James Johnson, Bill Eubanks, Staci Kirby, John Warren and Lynette Warren.

The adult leaders of the Three Way cowboys are Wesley and Linda Warren.

Morton students on Dean's list

A total of 2,377 students in the College of Arts and Sciences qualified for the dean's honor list for the 1972 fall semester, according to Dean Lawrence L. Graves.

To qualify for the honor list, a student must be enrolled in 12 hours of courses, excluding pass-fail courses, and have at least a 3.0 grade point average. Texas Tech uses a 4.0 grading system.

The College of Arts and Sciences is one of six colleges and two schools at Texas Tech University, which will be observing its Fiftieth Anniversary 1973-75. The fall enrollment was more than 21,490.

Students from Morton recognized for their high academic achievement in the College of Arts and Sciences are: Janelle K. Nebhut, Junior and Karen C. Fred, Senior.

Local students visit McMurry

Two students from Morton visited McMurry College Feb. 23-24 along with 400 high school students from all over Texas and New Mexico and elsewhere during the annual Student Weekend.

"You can't really get an idea of a college from a brochure," Dr. Thomas K. Kim, McMurry president, told the visitors. "We try our most beautiful prose in brochures, but in fact you must visit McMurry to become acquainted with what it really is."

The young visitors from Texas and New Mexico saw a student produced musical, slept in dormitories, ate in the college cafeteria, talked with professors in their areas of interests, saw a basketball game and attended a party.

Visiting the campus were: Bob Green and Phillip Baker, both Morton High School seniors.

4-H Busy Bees hold meeting

The Bledsoe Busy Bees' 4-H Food Group met Thursday, February 15 in the home of Velinda Davis. Velinda made peanut butter bars for the members.

Thursday, March 1, members met in Rene Gober's home and she baked oatmeal cookies. Mrs. Jennie B. Denny discussed a photography project with those who are interested.

Thursday, March 8, the group held a regular meeting with Patti Hall serving

as hostess. Miss Gail O'Neal explained the County 4-H Food Show to the girls. Following the program, Patti prepared marshmallow treats and Shari Hale gave a demonstration on brownies.

The club will meet again at 3 p.m. Thursday March 15, in the home of Nancy Griffiths.

The Busy Bees would like to thank all of those who contributed to their paper drive.

"Terrariums" displayed for Garden Club members

The LeFleur Garden Club met in the home of Mrs. L. Z. Scoggins Thursday for a workshop on terrariums.

Following the business meeting, Mrs. Joy Keith, a Whiteface Garden Club member and owner of a greenhouse near Whiteface, explained the popularity and pleasures of terrariums. "The fact that they can be as large or as small as one's space allows and do not need direct sunlight, seldom need watering and no end to the arrangements of such, makes them more popular today than ever before," she stated. "There are so many varieties of

plants for a terrarium, but some dish gardens are confused with terrariums and are not the same. Most real terrariums need to be sealed covered in glass containers," advised Mrs. Keith continued by telling the members that they may last a year if proper care is taken. She stressed that containers, and all accessories should be sterilized before planting for best results.

Members each planted a terrarium using Partridge Berries, Tradescantia, Pipsissewa, Dwarf Hemlock, Baby's Tears and Sheet Moss. Most scenes, lakes, wooded areas and gardens were created in glass with plants. Terrariums displayed were courtesy of Mrs. Jack Baker of Floral and Gift Shop.

Members were reminded of District Spring Convention to be held Big Spring April 5 and 6 and were urged to attend.

Refreshments were served from a table with a St. Patrick's motif. Attending were Mmes. J.L. The Don Samford, Olin Dardant, W.A. Roy Hill, Bobby Adams, Ray Griffin, the hostess Mrs. Keith and G. Scoggins.

The next meeting will be a workshop on egg decorating March 22 in the home of Mrs. Don Samford.

It happened 25 years ago

Jerry Winder, son of Mr. and Mrs. C.F. Winder, student at Wayland College in Plainview, is a member of the Pioneers basketball team that won top honors in the Texas June College Conference.

Contest winners in the recent Baby Show sponsored by Cochran V.F.W. Post were Pamela Jo Reynolds, five month old daughter of Mr. and Mrs. J.C. Reynolds, and Willard B. Cox, three year old son of Mr. and Mrs. Cox.

A weekly public service feature from the Texas State Department of Health
Accent on Health
J.E. PEAVY, M.D., Commissioner of Health

Every day, millions of American housewives (and many well-trained husbands) routinely mop bags of refuse into garbage cans. Because the waste disappears, as if by magic, the householder takes the collection process for granted.

That's the way it is with our kidneys. As long as they're functioning properly, we give them no thought. Only when they falter do we appreciate them.

But there, the analogy ends, for the kidneys are more nearly master chemists than they are sanitation workers. True, they help to rid the body of wastes, but they have an even broader function—to provide a favorable chemical environment for our reserve of 50 trillion kidney cells.

The kidneys serve as a monitor for the moment-by-moment changes in body chemistry. They also are equipped with 140 miles of tubes and millions of filters, and in the course of a day, the body's blood supply filters through the kidneys 25 times. Each time, the kidneys "separate" the sheep from the goats, as they conserve materials of value and discard materials that are useless or dangerous.

Specifically, the kidneys have these functions: They keep body fluids and other materials at the right levels; they guard against the blood becoming either too acid or too alkaline; and they capture wastes and process them into materials that the body can discharge. Additionally, they help regulate blood pressure, and red blood-cell production. The kidneys help conserve minerals, glucose, small and importantly, water—which the body cannot afford to lose.

For most of us, the kidneys function so dependably that we forget they're there. Nonetheless, these vital organs figure in a shocking toll of suffering and disease. Health officials estimate that 50,000 deaths annually can be attributed directly to kidney diseases. It is estimated that more than three million Americans are walking around with undetected cases of one particular kidney disease, pyelonephritis. Kidney-related diseases comprise one of the leading causes of time lost from work.

Although the general term "kidney disease" is widely employed, there actually are many types. Only by thorough physical examination and clinical tests can a reliable diagnosis be made, and only by early and positive treatment can discomfort, pain and risk of residual damage be minimized.

Of the estimated 2,700 patients in Texas who die of kidney disease each year, it is

estimated by the Regional Medical program of Texas Kidney Program that some 550 patients are suitable candidates for either hemodialysis or transplantation. At present, less than one-fourth receive such treatment. In 1970, only 84 Texas patients received dialysis treatment, and only 40 received transplants. That large gap of well over 400 kidney patients could be candidates for proper treatment for various reasons did not receive such treatment.

To try to bridge that gap, the authorities throughout Texas are working to devise a plan, utilizing existing community resources, to develop a comprehensive program to fight kidney disease in Texas.

They have proposed a statewide transplant program with regional supporting capabilities of harvesting and sharing, tissue typing, hemodialysis facilities. It is estimated that one complete center would be needed for each four million residents in Texas with each center capable of performing transplants a year. In addition, dialysis capabilities would also have to be increased to accommodate the anticipated 500 patients each year. The envisioned development of satellite centers throughout the state so no patient would travel more than 100 miles to have access to dialysis machine.

Now that many infectious diseases have been subdued, chronic diseases are the focus of attention, and a great deal of kidney research is underway in hundreds of centers across the nation. One product of this research is the artificial kidney. Another dramatic development has been improvement in the art of transplantation. Research scientists in Texas have shown promising results in the treatment of certain kidney diseases with new antibiotic and anti-inflammatory drugs.

What can the person in normal health do for his kidneys? Simply get your regular checkup and drink plenty of liquid, especially in hot weather.

By urinalysis and urine culture, a regular physical checkup, many kidney disorders can now be more easily spotted. The urine specimen can be checked for its physical properties, disease indicator through abnormal cells, albumin, disease organisms, the blood, too, may be tested for abnormal chemicals. The presence of excess of certain materials (wastes, for example) may suggest disease, as may low level of other materials (red blood cells, for instance). Other diagnostic tools include x-ray, scanning of radioactive substance, and biopsy of a minute sample of kidney tissue.

Letters

Dear Editor:

This letter is intended for all the people who read this newspaper. The contents concern the events happening to a 14 year old boy, before up to and during the recent Fat Stock Show at Morton, Texas.

The boy concerned is Jimmy Hodnett, of the Maple Community. He entered his first year of high school this school term. This is also his first year in V.O. Ag. He is a member of the Three Way F.F.A. Chapter.

For his project in V.O. Ag., Jim decided to raise lambs for showing. He was eager to buy his lambs and even more eager to start learning the care and management of such animals. He chooses three lambs, pays the price for them and brings them home. Jim has found out from his Ag. teacher, Mr. Owens what to feed them and begins the feeding, tending and exercising of the lambs. He is getting his lambs ready for the first stock show.

The date for the show arrives and Jim is very excited, as his lambs look in good shape and are ready to show. He sends in his entry fees and the day before the show, he takes his lambs in to town. One of the rules for this show, is all animals must be weighed in and their teeth checked for age. These rules are carried out the day before the showing of the animals. One of Jim's is sifted because of his age. Jim is disappointed but realizes that rules are rules. Also he notes that every animal entered in the show was weighed in and checked before they were tagged. Next day, Jim shows the two lambs that were okay and ready for the show. He is pleased with the ribbons he won on them. No, they were not champions or even grand champions. His sheep, in this show, placed 4th and 9th. But he's very glad they placed in there, as this was his first attempt at raising and showing any kind of show animal.

The first stock show is over and Jim is looking forward to his next show. That will be the community show at Three-Way. He gets to show all three lambs and two of them place, but more important Jim has gained a little more experience and wants to enter his sheep in the Morton Stock Show.

This is where the Morton Stock Show gets involved. Jim's Ag. teacher, Mr. Owens, tells Jim he can take the lamb that was sifted in the first show to Morton. But there is a very good chance and probability it will be sifted again due to the lambs age. The decision was Jim's to make. He knew if he decided to enter this lamb and it was sifted he would lose his entry fee. But Jim decided to take a chance, so he entered his lambs. He pays his entry fees on all three and has them at the barn on Monday before the showing on Tuesday.

Rule 102 in the Morton Stock Show rule book clearly states that animals will be sifted by weight only. Jim's three lambs are weighed in on Monday. None of his were checked in the mouth. As far as that goes, no one entering the show had animals checked in the mouth.

Jim's lambs are weighed and tagged on Monday. He's very excited over the three being entered since one of them could get in the winners circle and bring a good price.

The day of Morton's Stock Show arrives and every child who has entered animals are doing last minute grooming for their

animals.

The swine are the first to be shown and judged. Jim watches some of his classmates show their swine and picks up pointers on that. But his mind is really on his three lambs back in their pens.

The swine judging is over. Now for the lambs. Jim's first lamb is put into another class because of the wool. His second lamb places a 7th in his division. All during the judging of these several classes of lambs not one in the ring has been checked in the mouth. Jim's third sheep, that was placed in the medium wool division is now in the ring. The judge has looked the sheep over and begins placing the lambs in the order he thinks they should be. The judge has put Jim and his lamb in first place and place the rest of the sheep. At this point before the announcer takes over and before the ribbons are awarded the Judge is called over to the side of the show ring and is spoken to by a person outside of the ring. Then the judge walks directly over to Jim's lamb and opens the animal's mouth. He looks and tells Jim the animal is too old and to remove the lamb from the ring.

Up to this time—not one lamb has been checked in the mouth. Why not? Why was all the other lambs in other divisions not checked in the ring?

Rule 14 in the Morton Stock Show regulations and rules, states "an animal once entered and tagged must stay in the show."

Why, then was a 14 year old boy led to believe that his lambs were ready for the show, then have one checked in the ring, in front of the biggest crowd ever at Morton Stock Show. Then he is told his sheep was too old and could not be kept in the first place winning.

After the show and a meeting of the directors, it was then, by insistence, that all the lambs be checked for age. Much too late to undo the harm done to Jim—two more sheep were found too old for the show.

If this association has rules and regulations for the stock show—why were they not enforced. Or are there rules for a select few to use as their needs require?

How many other children have been treated in this manner at your stock show? How many more will be treated this way before right triumphs over wrong.

Each and everyone, that has anything to do with your stock show, should ask themselves if this act was fair and just.
