## Lawmen reorganization set

### Effective date September 24

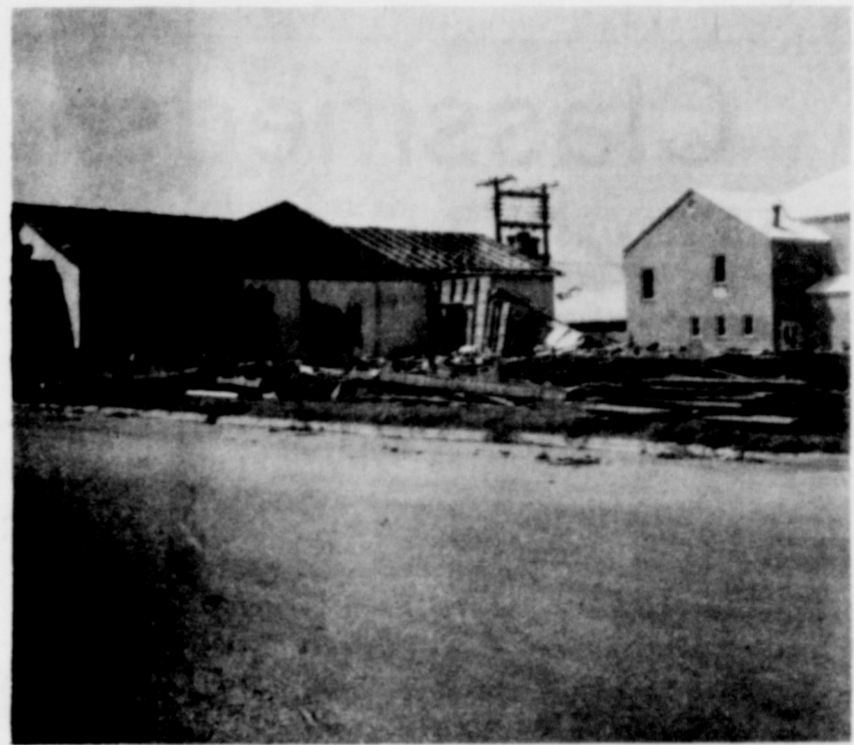

Morton and Cochran county will soon have a new and improved law enforcement system as a result of a meeting between city and county officials held Friday. The new system entails the movement of the city police dispatcher from city hall to the county sheriff's office in the courthouse where personnel will be on duty on a 24 hour basis. The police administrative office will remain in city hall, but there will be no dispatcher or emergency capability maintained.

There will be three dispatchers in the sheriff's office—one furnished by the city and two by the county. They will each work a shift of eight hours in the 24 hour duty day.

The sheriff's office will be equipped to respond to all emergency calls—fire, ambulance or calls for policemen and all emergency telephone numbers will remain the same: Fire 266-5111; Ambulance 266-5122 and the two sheriff's office numbers of 266-5211 and 266-5700.

The dispatchers will have the capability to activate the fire siren to summon firemen, to alert drivers and dispatch the ambulance and to dispatch city police patrolmen and sheriff's deputies on law enforcement calls. They will also monitor all burglar alarms and the teletype messages received on the state law enforcement communications net.

A tentative agreement has been made between the city and county that shall be published in the next issue. See **LAWMEN** Page 8

**A LOCAL LANDMARK** is seen above the last stages of its existence as workmen tear down the old First Baptist Church building. The building, which is understood to be the original Baptist Church in Morton, will make way for an educational annex whose construction will begin as soon as the land is clear.

## School board bans loaning of buses

Business was strictly routine variety when the Morton Independent School District Board of Education met Monday night.

Morton Insurance Agency won the bid for insuring the MISD school bus fleet. Cost of the insurance to the district will be \$1,863.20 and the policy will carry a \$2,500 medical payment clause.

Mrs. Nancy Polley was added to the teaching staff in the Plan A Program to fill in for Miss Lovett who is presently in a Houston Hospital. She is expected to return to her teaching duties during December.

Superintendent Bob Travis advised the board that the district is in violation of a state regulation when it loans out a school bus to any

organization not directly connected as a student or employee with the school. He quoted from a Texas Education Agency bulletin which states that state funds will not be paid to any school district or county that fails to recognize this limitation.

Board member Don Lynsky proposed a motion that, since the district would face the prospect of losing state funds, that no busses be loaned in the future to any group or organization not directly connected with the school. He emphasized regret for the inconvenience this may cause for Boy Scouts and other groups. The motion carried.

Payment of the bills for the month of September in the amount of \$79,136.58.

## National Director visits with CCACS

Gus Juengling of Cincinnati, Ohio, National Director of Education for the American Cancer Society visited with members of the Cochran County Unit at a meeting held September 18 at the Tic Toc Restaurant.

Harold Drennan, president, reported on the District meeting held in June in Lubbock. Speaker for the meeting was the State President who spoke on "Dealing with Cancer Patients Through Humanism."

Attending the meeting were: Drennan, and Mmes. Willard Henry, John L. McGee, W.L. Foust, M.C. Ledbetter, Dexter Nebhut, James St. Clair and Leonard Coleman.

The next meeting will be held November 19 at 12 noon in the Tic Toc Restaurant.

## Band Calendars

Tuesday, September 25, is the deadline for the 1974 Band Calendars. Anyone wishing an ad, birthday or anniversary listing please call Kay Polvado at 266-5718.

**THE MORTON INDIANS BURST OUT OF THE TEEPEE** in a warlike mood as they took to the field for the home opener against the Tulia Hornets Friday night. Their belligerent mood payed off in a 7-7 tie with the highly favored Hornets. The resurgent Tribesmen have shown

excellent potential in downing the Springlake-Earth Wolverines and splitting even with Tulia. Friday they take on a highly-regarded herd of Hart Longhorns in their own pasture and are hoping to run their unbeaten string there.

## Indians 'de-stinger' Hornets

Happiness and disappointment walked hand in hand after the Morton-Tulia football game last Friday night. Happiness because the splendid game the Indians played against the Hornets, and disappointment because of the tie ballgame wasn't a victory. For the Indians, the tie

score was the only statistic of the game where they were not ahead of the Hornets. They had more first downs, had fewer penalties, gained more yardage, and completed more passes than their opponents. Indeed, the visitors gave every indication they were glad to settle for the 7-7

tie.

Just a week ago against Springlake-Earth the Indians gave away more yardage in penalties than the Wolverines could gain by their own efforts, so the reduced number of steps against them represented a real improvement in this aspect of the game. They had one long penalty assessed against them but it came on the drive for the Tulia touchdown. Also, on that same drive an off-side penalty on fourth down gave the Hornets a first down and sent them on their way to gain the tie.

The sagging, give-a-little, defense of the Indians kept the Big Hornet backs in check for much of the ball game. The Hornet passing game was ineffective most of the time, but the counter for the visitors came on a pass from the arm of quarterback Alan Pohlmeier to Terry Hutto with just over two minutes to go in the third quarter. ## Minimum tillage workshop scheduled

The Cochran County Soil and Water Conservation District and County Extension Service will host a minimum tillage workshop on September 27. The workshop will be at the County Activity Building in Morton beginning at 1 p.m.

Personnel from the Soil Conservation Service and Texas Agricultural Extension Service will help conduct the workshop. Individual farmers who have tried minimum tillage will give results they have had in using this method of farming.

Minimum tillage is a system of farming in which cultivation is limited to those operations essential to producing a crop without soil damage. Many questions have come up as to how to minimum till a farm.

## August rural crash toll low

The Texas Highway Patrol investigated two accidents on rural highways in Cochran County during the month of August according to Sergeant H.E. Pirtle, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and no persons injured.

The rural traffic summary for this county during the first eight months of 1973 shows a total of 26 accidents resulting in no persons killed and 11 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for August, 1973 shows a total of 586 accidents resulting in 24 persons killed and 328 persons injured as compared to August, 1972, with 593 accidents resulting in 28 persons killed and 359 persons injured. This was 7 less accidents, 4 less fatalities, and 31 less injured in 1973 at the same period of time.

**WORK WAS AT A FEVER PITCH** late Tuesday as preparations for the Cochran County Fair reached its final stages. Jerry Schaeffer is shown with his crew as they utilized a tent and telephone cable spools to fashion

shelter and tables for the Bingo concession. A large number of booths and concessions were under construction for the fair which runs September 19 through September 21.

**JIMMY HARVEY**, Morton High School's first team all-state basketball player, has accepted an athletic scholarship from Baylor Baptist College in Plainview and will continue his college exploits at this school. In addition to all his other honors, Harvey played by invitation in the Texas High School Coaches Association All-star game in August. He graduated from MHS in May.

# South Plains Fair tells entry deadlines

New entry times have been established for all divisions in the 56th annual Panhandle South Plains Fair's popular Women's Department, according to Steve L. Lewis, general manager.

And for the first time in the fair's long history, "Flower Festival" entries will be received and judged prior to the fair opening. In previous years, the show entries were judged on opening day.

Lewis said that many of the changes were necessitated by the expansion of the fair's run from six to eight days, including two Saturdays and a Sunday card.

"Flower Festival" entries will be received from 10 a.m. to 1 p.m. on Sept. 21 and judging will start promptly at 1:30 p.m. Consequently, Lewis said that no late entries could be accepted. The fair is slated Sept. 22-29.

Entries in the following divisions will be accepted from 9 a.m. until 6 p.m. on Wednesday, Sept. 19, and from 9 a.m. to 1 p.m. on Thursday, Sept. 20; textile; crafts and hobbies; crocheting, knitting, tatting and weaving; youth department; fine arts; relics and antiques; and culinary, except baked goods.

Baked goods, including cake, bread,

cookies and candy, will be received from 9 a.m. until 1 p.m. on Friday, Sept. 21.

Women's Department superintendents include Mrs. Bill Burton, Mrs. Harold Ruff, Mrs. Lon Linecum, Mrs. Donald Wyatt, Mrs. Leroy Grawunder, Mrs. Ralph Robinson, Mrs. Claude Martin, Mrs. T.C. Horne and Mrs. John Darby.

The Women's Building perennially is one of the top attractions of the fair and has been molded over the years by a corps of volunteer workers.

The biggest show in the history of the fair also has been scheduled to spice the eight-day run.

Lobo and the Earl Scruggs Revue open the action on Sept. 22, followed by the Vincente Fernandez Show on Sept. 23, the first Sunday slate in history. Then comes Mac Davis and Donna Fargo on Sept. 24-25; Lynn Anderson and the Statler Brothers, Sept. 26-27; "Dash", featuring Tony Orlando plus Raina English and Guy Hoavis on Sept. 28 and Mel Tillis and Jody Miller on closing day, Sept. 29.

Tickets for all shows—slated at 5:30 p.m. and 8:30 p.m. daily—are priced at \$2.50, \$3.50 and \$4.50, and may be purchased at Fair Park Coliseum box office

## Capt. Bryant flies in airlift contest

U.S. Air Force Reserve Captain Jerry Bryant, son of Mr. and Mrs. C.O. Bryant, Star Route 2, Morton, Tex., took part in the recent Tactical Air Command airlift meet at Pope Air Force Base, N.C.

Captain Bryant was a pilot on the C-130 Hercules crew from the 905th Tactical Airlift Group at Westover AFB, Mass.

Aircrews performed low-level flights, a variety of equipment and personnel airdrops and short field landings during the three-day meet which featured a total of 22 teams from active Air Force, Air National Guard and Air Force Reserve units.

JERRY BRYANT

Captain Bryant, a 1957 graduate of Bledsoe High School, earned his bachelor's degree in business administration in 1962 at Texas Tech University and was commissioned there through the Air Force Reserve Officers Training Corps program. He is a member of Sigma Chi.

The captain's wife, Mac, is the daughter of Mrs. Betty Sanders, 2828 Bammel Lane, Houston.

### DIVORCE REQUIRED

Those interested in joining a new country club in Spring Valley, New York, must show divorce or separation papers if they are suspected of being married. Membership is strictly for singles only.

LOUISE FRY, Caprock District Junior Director is shown above with officers and members of the Junior Study Club during a visit with the club September 13. L to R seated are Jimmy Roddy, Glenn Lowe, Donnie Dewbre, Glenn Price and Kenneth Hester. Standing are Mmes: James St. Clair, Jr., Ray O'Brien, Fry, Dwain Hester, and Louise Fry.

## Junior Study Club hosts President's dinner

Plans were made to host a welcome coffee for new teachers and other newcomers to Morton. The office will be held September 28.

Names were drawn for "Sunshine Sisters" to be remembered on special occasions and will be kept secret until next September when new names will be drawn.

Mrs. Carla Dewbre sang the benediction "Take Time To Be Holy" in keeping with Mrs. O'Brien's theme for the year "Take Time."

Members present were: Mmes. Mary Ann Ashbill, Jane Claunch, Dewbre, Mac Foust, Sheila Hanlin, Sharon Hester, Vivian Kern, Dorothy Lawdermilk, Linda Lowe, Nancy Luper, Bennie O'Brien, Christene Polvado, Barbara Price, Troy Price, Donna Roddy, Sue St. Clair, Charlotte Welch, Darlene Williams, Kay Houston, Rita Tyson, Brenda Rush, Liner and Wallace. Guests were Mrs. Fry of Lockney, Doyleen Terrell, Deanna Taylor of Durant, Oklahoma and Vicky Doss.

Lois Smith Junior Study Club hostess Mrs. Lois St. Clair presided for the annual President's dinner on Wednesday, Sept. 19, at the home of Mrs. Lois St. Clair. The program and yearbook committee members were: Mrs. Lanell Fry, Caprock District Junior Director, presented the program "Let's Put Zip and Zing in It." She asked the question, "What special ingredient that makes up a good dinner?" and then gave a partial list of words that one might use over the other, such as ingredients.

Ray O'Brien presided over the dinner. The resignation of Mrs. Lanell Fry was accepted and Mrs. Janice Fry was granted a leave of absence. Mrs. Brenda Rush and Mrs. Liner were voted in as new members and Mrs. Sandy Wallace was voted as a member.

The members voted to raise the dues to \$1.00 to cover the cost of yearbook and additional costs that must be paid by the district.

## Choir officers elected at MHS

Members of the Morton High School choir met Monday and elected officers for the new year.

Diane Dunn was elected president, Ruth Hawkins, vice president, Annie Robinson, secretary, Thelma Williams, treasurer, Susan Baker, reporter and an Fitts student council representative.

## Miss Standefer honored with Bible ceremony

Miss Becky Standefer, bride-elect of Dubbie Bryan, was honored Sunday night at First Missionary Baptist Church with a White Bible Ceremony.

Presentation of the Bible was made by Mary Jo Hudson and "Bless This House" was given by Beverly Criswell.

Following the church service, the G.A.'s and W.M.A. hosted a reception in Fellowship Hall.

### FOR PEOPLE WHO THINK

Too many today often express an attitude toward necessary Bible teaching and study that seems to say "It isn't necessary to know whether God authorized a thing in the Bible; if it is necessary in anything GOOD is LOVE; and that when such is true that surely we have LOVE OF (FOR) GOD". Out of such, or similar, philosophy Satan has spawned the widely accepted practice of "Situational Ethics" wherein behavior is dependent on what "seems" right at the time (or moment) under the situation that developed—NOT by any RULE of conduct regardless of its origin, or social or religious acceptability. The defenders of this seem to demand that even illegal acts must not be punishable when the "situation" existing at the time of the act "seemed" to present no acceptable alternative. The above mentioned doctrine that LOVE IS ALWAYS RIGHT and sufficient to doing the will of God can hardly complain at this kind of behavior which would destroy the power of any people to maintain decency in any area.

The above mentioned LOVE, therefore must be compared to what GOD demands that true LOVE must be in all that would be true "disciples" of Christ—those who may rightly wear the name CHRISTIAN. Love of God and Christ is accepted by God as real only when we submit ourselves to "keeping" God's commandments. Truly honest and sincere readers will turn to John 14:15 and read the command of Jesus given to the twelve chosen to be his apostles—then will turn to I John 5:2,3 and read what God's Holy Spirit called the love of God. This is completely consistent with ALL God has said about love for God in all the Bible. Nothing else will God accept. This is a part of that by which we shall be judged in the final day. Our eternal welfare depends upon our conforming to it. Read again John 12:48-50.

Further application of this shall follow in subsequent articles. But for now—NO situation can escape the laws of God regardless of what it concerns in the life of true Christians.

C.R. MANSFIELD, Evangelist  
Church of Christ

## Texas A & M invites seniors to career day

Texas high school seniors are being urged to attend A&M University's annual Career Day Sept. 29, sponsored by the Colleges of Agriculture, Engineering and Science.

Dr. R.C. Potts, associate dean of agriculture, said exhibits will illustrate the many programs in the Colleges. Activities start at 8 a.m. and end at 4 p.m.

Faculty and student representatives from each college will be available to answer questions.

Potts said agricultural and engineering exhibits will be in the Zachry En-

gineering Center. Science displays can be seen in the Biological Sciences Building.

"We look forward to visiting with you during Career Day," he said. "We plan to have many attractive exhibits which will show the exciting and challenging fields of agriculture, engineering and science."

The dean added that Texas A&M and Boston College will play an intersectional football game that evening, starting at 7:30. End zone tickets will be available at \$1 each for visiting high school seniors and their sponsors.

## Couple pledge vows in garden ceremony

In a double ring ceremony at 10 a.m. Saturday, September 15, Miss Sandra Simpson became the bride of Wesley Owen Pool. The Rev. Don E. Jones, officiated the vows in the garden of the bride's parents.

The daughter of Mr. and Mrs. W.T. Simpson of Goodland, the bride was graduated from Three Way High School and is a junior home economics major at Eastern New Mexico University.

Pool is the son of Mr. and Mrs. Gene Pool of Lingo, New Mexico. He was graduated from Causey High School, attended New Mexico State University and is an agriculture business major at Eastern New Mexico University.

Presented in marriage by her father, the bride chose a formal gown of polyester crepe with victorian neckline, ruffles on the collar, sleeves, bodice and around the hemline. Her headpiece was a coronet of garden flowers with satin streamers. She wore a cameo borrowed from her maternal grandmother and carried a bouquet of garden flowers.

Miss Cheryl Abbe of Maple, was maid of honor and Miss Susan Fair of Carlsbad, New Mexico was bridesmaid. They wore dresses of orchid dotted swiss with elbow length puffed sleeves, circle skirts and wore headpieces of orchid flowers and carried matching bouquets.

Flower girls were Miss Lori Carlisle of Goodland, Miss Michelle Parkman of Maple and Miss Lorin Corkery of Maple. They wore orchid dotted swiss dresses under white dotted swiss pinafores, white bonnets trimmed with orchid flowers and carried baskets of garden flowers.

Gene Pool, the groom's father, served as best man. Kim Merchant of Loving, New Mexico, was groom'sman.

Wedding music was presented by Mr. and Mrs. Bill Hughes, vocalists, and Miss Karen Corkery, pianist. Musical selection were "The Wedding Prayer" and "The Twelfth of Never."

Following the ceremony the couple was honored with a reception in the garden. Registering guests was Connie Richardson of Maple. Members of the house party were: Mrs. Freddie Parkman, Mrs. Nelson Carlisle, Mrs. Terry Hutton, Mrs. Bill Dolle, Mrs. Darrell Corkery, Mrs. R.L. Davis and Mrs. Wayland Altman.

For a wedding trip to Dallas the bride wore a blue and white knit dress with

sweater styled battle jacket and white accessories.

The couple will reside in Lingo, New Mexico.

## Club honors Mrs. Inglis

Members present were: Mmes. A.A. Fralin, W.G. Freeland, W.C. Gray, Solomon Hamilton, Alvie Harris, Willard Henry, Roy Hill, W.A. Hovey, Joe Seagler, Ross Shaw, Kermit Ward, Wayne Wilcox, Inglis, Sanders and one guest, Mrs. T.D. Marshall.

## MHS students bring home tennis honors

In an Invitational Tennis Tournament held at Idalou High School tennis courts Saturday, Julie Brown and Sherita Fluitt brought back to MHS the first place trophy in doubles. Terry Dobson and Shelle Key took the 2nd place trophy.

Sabrina Wells won a serving trophy for best server in the tournament and Julie Cooper went into the semi-finals in singles.

Other MHS students who participated were Kathy Mason, Joann Whitehead and Pricilla Minor.

Approximately thirty students from Idalou, Brownfield, Slaton, Lorenzo, Abernathy and Morton competed in the contest.

Saturday, September 29, the Indian netters will try their hand at dual matches in Brownfield.

## Come see the '74 Oldsmobiles.

But dad, all you said was that Cutlass Salon had reclining seats. You didn't say it came in a new coupe, too."

Last year Cutlass Salon was a new kind of American car—a sedan built for its roadability. This year there's a Salon two-door

coupe. Like the sedan, it has a new, lower steering ratio for quicker response. Steel-belted radial tires to grip the road. Special suspension for tight cornering.

Contoured seats that recline. And you can even order a Landau roof. Cutlass Salon. Built in the Grand Touring Tradition.

## "Look Walter! Now we can get an air conditioner that filters smells."

Not only does Tempmatic regulate temperature inside your car to a preset level, it also charcoal filters the air. The filter acts to reduce many

offensive odors from the air entering the car. It's available on all full-size Oldsmobiles. The '74 Delta 88 coupe has a brand new roofline. Hydraulic bumper systems,

front and rear. And underneath—a suspension system that's as tough as ever. Olds Delta 88. It's really put together. More than just another pretty car.

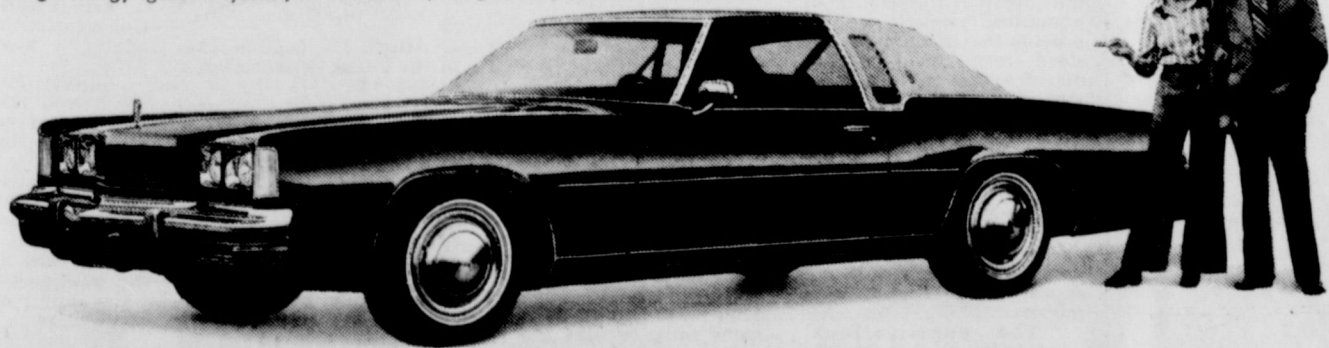

## "Hey! I didn't know we could get these new little windows in the Toronado."

Order a Toronado with an opera roof and you get opera windows and a padded canopy of oxen-grain vinyl. You can also order a new interior with rich velour upholstery, a high-energy ignition system,

and True-Track braking. The 1974 Toronado has a new instrument panel with a message center that lights up to warn you when certain things such as your gas, oil pressure, seat belts,

etc., require your attention; there's even an exceptionally accurate digital clock, with quartz-crystal controlled movement. Front-wheel drive Toronado. Engineering can be beautiful.

Stop in at your Olds dealers. He's got surprises for every member of the family in all the other '74s, too: Ninety Eight Regency, Cutlass S and Supreme, Omega and station wagons.

added the first kicked point after a touchdown the Hornets have been able to garner this year.

The Indians had scored in the past quarter on a pass from Ralph Mason to Mark Flutt, a play that covered nineteen yards. Rex Coffman then converted to send the Indians out in front by a score of 7 to 0. The Indians were on the verge of scoring at least two more touchdowns, but these never materialized due to the missed assignments, playing lapses, and a few bad breaks.

The Coaches were impressed with the playing attitude of the Indians during the game. They never seemed to lose their winning spirit of confidence in themselves and in their ability to control the game. In having to accept a tie score, the Indians were as disappointed as if they had

lost, which is a healthy sign as they plan for the future. Their lack of complacency could spell trouble for the eight other opponents they will face in their regular schedule this fall.

In pointing toward the Hart Longhorns, the Indians will be facing one of the most explosive teams on the South Plains. A year ago, a Cinderella back by the name of Jimmy Brown beat the Indians almost singlehandedly. Brown is back this year as a senior and he had help in John Henry Robinson and Barry George. This trio gained over 400 yards for the Longhorns last week in their game with Shallowater. The team doesn't pass much, but it doesn't have to with this kind of running. The Indians will be playing in Hart at 8:00 tomorrow night.

Gaining Top honors last week in the Tutia Game were David Palmer and Jerry Silhan. David was nam-

ed as offensive player of the week, and Jerry, defensive player of the week.

With the Tutia contest the physical game that it was three of the Indians were sidelined with injuries. Both Pete and Tony Soliz were injured, and Larry Thompson sustained a muscle pull and a tear in his right leg after an ankle injury, and re-injured it in practice this week. All of these are coming around, will probably see action tomorrow night, but could be hampered in performance to some extent.

Gridiron action other than varsity: Last Thursday night the 7th and 8th grades traveled to Muleshoe. The 7th grade tied their game 6-6. The 8th grade won their game 12-0. At the same time at Morton, the Freshmen were winning 8-0, the junior varsity dropped their game 0-6, both against the visiting Muleshoe teams.

In 7th and 8th grade action last Tuesday night against Friendship, the 7th grade won by a score of 20-0, and the 8th grade won by a score of 12-6.

### The reorganization of the law enforcement agencies was worked out during a full afternoon meeting held Friday at city hall between County Judge Glenn Thompson and members of the county commissioners court and Mayor Marshall Leitzell, members of the city council and City Manager Elra Oden.

Objectives of the reorganization, according to Judge Thompson and Mayor Leitzell, are to save money for both city and county by reducing the law enforcement force, to increase the efficiency of both departments and to comply with a state directive that the jail have 24 hour personnel coverage.

The new arrangement is expected to eliminate two places in the city payroll, one dispatcher slot and one patrolman. Mayor Leitzell indicated that with the new setup it will be possible for the city to function with only two policemen.

Both Thompson and Leitzell expressed confidence that the new arrangement will result in increased cooperation between the city and county law enforcement agencies which will in turn bring increased efficiency to both.

Effective date of the new system is Monday, September 24, 1973.

## Cotton market takes sharp turn downward

Spot cotton prices in Western Region cotton markets dropped sharply this week, according to the USDA's Agricultural Marketing Service. In earlier producing sections of Texas, merchants actively bid on lots of uncontracted cotton. Volume of uncontracted cotton being currently ginned was short, however. Growers with available cotton appeared to be in no hurry to sell. Elsewhere in the west, lower offering prices and a shortage of uncontracted cotton acreage brought contracting activities to a low level. Offering prices for contracting of the 1973 crop dropped 6.00 to 10.00 cents per pound during the week. Demand was good, however, and most merchants were in the market for 1973 and 1974 crop contracts. With the bulk of their 1973 crop committed, growers in some locations became interested in contracting their 1974 crop. Volume contracted was light, however as most growers asked for prices near last

weeks level. Merchants on the Texas Plains were reluctant to book acreage as far in advance as the 1974 crop. Defoliation was taking place in some of the earlier planted fields in California. Cloudy, wet weather caused some concern in the Pecos Valley of New Mexico. The Arizona and Far West Texas crops made good progress. Harvesting in the Harlingen area of South Texas was estimated at 75 to 80 percent complete. Rain delayed the harvest in the Corpus Christi and Austin territories during the week. Elsewhere in Texas and Oklahoma the crop made generally good progress. First bales were ginned in Lubbock and El Paso Texas territories during the week. A limited amount of harvesting was done around Yuma, Arizona during the week.

Prices quoted for selected qualities, 3.5 to 4.9 mike, in the six Western Region spot markets are as follows: In Dallas, this week 61.25, last week 71.25, Middling Light Spotted (32) staple 32. In Houston this week, 73.00, last week 77.00 Strict Low Middling (41) staple 34.

In Lubbock this week 48.95, last week 55.95 Strict Low Middling Light Spotted (42) staple. In El Paso this week 84.00, last week 92.00 Middling (31) staple 37. In Fresno this week 84.00, last week 92.00 Middling (31) staple 35. In Phoenix this week 78.70, last week 86.70 Middling (31) staple 34.

### PUBLIC NOTICE

### SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 6, 1973

- NUMBER ONE ON THE BALLOT (S.J.R. 8)**  
Article III, Sections 5, 24 and 49a and Article VIII, Section 6 of the Texas Constitution are amended to:  
Provide for regular annual sessions of the Legislature. The regular session in each odd-numbered year would be for a period not to exceed 180 days. The regular session in each even numbered year would be for a period not to exceed 60 days and would be limited to consideration of fiscal matters and any emergency matters submitted by the Governor. The 60 day session could be extended by the Governor for a period not to exceed 30 days.  
Provide an annual salary for members of the Legislature not exceeding \$15,000 per year and a per diem not exceeding \$18 per day for each day of each regular session or special session.  
Provide that no appropriation of money shall be made for a longer term than one year and direct the Comptroller to make annual estimates of anticipated revenue rather than biennial estimates.  
The wording of the proposed amendment as it will appear on the ballot is as follows:  
"The constitutional amendment to provide for annual regular sessions of the legislature; and to provide an annual salary of \$15,000 and per diem for the members of the legislature, effective in January, 1975."
- NUMBER TWO ON THE BALLOT (H.J.R. 7)**  
Article XVI, Sections 50 and 51 of the Texas Constitution are amended to:  
Include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homesteaded property, and to provide that a family homestead may not be abandoned except with the consent of both spouses.  
Presently a single adult person is not entitled to claim a homestead exemption and a married man can abandon a family homestead without the consent of his wife.  
The wording of the proposed amendment as it will appear on the ballot is as follows:  
"The constitutional amendment to include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homesteaded property, and to provide that a family homestead may not be abandoned except with the consent of both spouses."
- NUMBER THREE ON THE BALLOT (S.J.R. 13)**  
Article VIII, Sections 1-a and 1-b of the Texas Constitution are amended to:  
Extend the \$3,000 ad valorem tax exemption to the residential homesteads of unmarried adults.  
The wording of the proposed amendment as it will appear on the ballot is as follows:  
"The constitutional amendment to extend the \$3,000 ad valorem tax exemption to the homesteads of unmarried adults."
- NUMBER FOUR ON THE BALLOT (S.J.R. 11)**  
Article XVI, Section 59, of the Texas Constitution is amended by adding a new Subsection (e) which:  
Provides that no law creating a conservation and reclamation district shall be passed unless a copy of the proposed law is delivered to the commissioners court of each county and to the governing body of each incorporated city or town in whose jurisdiction said district or any part thereof is or will be located. Each such commissioners court and governing body may file its written consent or opposition to the proposed law with the Governor, Lieutenant Governor and Speaker of the House of Representatives. Each special law creating such a district must comply with general laws then in effect relating to consent by political subdivisions to the creation of such districts.  
The wording of the proposed amendment as it will appear on the ballot is as follows:  
"The constitutional amendment establishing certain requirements relative to the enactment of laws creating certain conservation and reclamation districts."
- NUMBER FIVE ON THE BALLOT (S.J.R. 12)**  
Article XI, Section 7 of the Texas Constitution is amended to:  
Provide that all counties and cities bordering on the coast of the Gulf of Mexico are authorized to levy a tax to pay for bonds issued for the construction of sea walls and breakwaters upon a majority vote of the resident property tax-payers. Counties and cities are presently authorized to levy such taxes and this amendment only changes the required vote from a two-thirds majority to a simple majority.  
The wording of the proposed amendment as it will appear on the ballot is as follows:  
"The constitutional amendment authorizing counties and cities bordering on the Gulf of Mexico to issue bonds
- NUMBER SIX ON THE BALLOT (S.J.R. 26)**  
Article V, Section 8 of the Texas Constitution is amended by adding a new paragraph which:  
Provides that the district court, concurrently with the county court, shall have the general jurisdiction of a probate court and in a probate proceeding shall also have the jurisdiction otherwise conferred on it by law. It also provides that the legislature may increase, diminish, or eliminate the jurisdiction of the district court or county court in probate matters, may adopt rules governing the filing, distribution, or transfer of cases and proceedings as between the courts having jurisdiction of probate matters, and may provide that all appeals in probate matters shall be to the courts of civil appeals.  
The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:  
"The constitutional amendment stating that the district court concurrently with the county court shall have the general jurisdiction of a probate court, and providing the jurisdiction thereof, and further providing that in any probate proceeding the district court shall also have jurisdiction otherwise conferred upon it by law, and further providing that the legislature may increase, diminish or eliminate the jurisdiction of the district court or county court in probate matters, and further providing that the legislature shall have power to adopt rules governing the filing, distribution and transfer of all such cases and proceedings as between district courts, county courts, and other courts having jurisdiction thereof, and further providing that the legislature may provide that all appeals in such matters shall be to the courts of (civil) appeals."
- NUMBER SEVEN ON THE BALLOT (H.J.R. 6)**  
Article III, Section 49-b of the Texas Constitution is amended to:  
Provide for an additional \$100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund. This amendment increases the present \$400 million authorization to \$500 million.  
Remove the present provision which permits provision of land only by those veterans who served between September 16, 1940 and the date of formal withdrawal of United States troops from the armed conflict in Viet Nam. This amendment would allow all veterans who served after September 16, 1940 to buy land from the Veterans' Land Fund, provided they are otherwise qualified.  
Provide that, in the event of the death of an eligible
- NUMBER EIGHT ON THE BALLOT (S.J.R. 29)**  
Article XI, of the Texas Constitution is amended by adding a new Section 8(a) which:  
Authorizes and requires incorporated cities, towns, and villages, regardless of population and notwithstanding the constitutional limitations on total tax valorem taxes on the taxable property in the city, town or village as are necessary to pay the principal of and interest on, when due, the general obligations between the city, town, or village. The legislature is empowered to limit by general or special law the total principal amount of general obligations which may be issued, but unless until the legislature acts to do so, the limitations established by statute with respect to the total which amount of bonds which may be issued by independent school districts shall apply as the rate limitation on cities, towns, and villages.  
The wording of the proposed constitutional amendment as it appears on the ballot is as follows:  
"The constitutional amendment to authorize cities, towns, and villages to levy such ad valorem taxes as are necessary to pay the principal of and interest on their general obligations hereafter issued subject to the restrictions provided by law."
- NUMBER NINE ON THE BALLOT (S.J.R. 25)**  
Article VIII of the Texas Constitution is amended by adding a new Section 20 which:  
Allows the Legislature, by general law, to exempt all real and personal property used by non-profit water supply corporations, water supply cooperatives, or other cooperative property tax-exempt property to which such property is a reasonably necessary business of a non-profit water supply corporation or cooperative.  
The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:  
"The constitutional amendment authorizing the legislature to exempt from property taxes certain property used by a non-profit water supply corporation or cooperative."

## Post Mortons

BY BILL SAYERS

This piece could be titled "Look out, mom's a comin'" which was a frequent watchword of our six brothers and two sisters in the early years. These years took place in such locations as Tulsa, Oklahoma City, Oklahoma, Pueblo, Granada, and Salida, Colorado; Boise and Nampa, Idaho; Tyree, Roseburg, and Portland, Oregon and Seattle, Washington.

These were locations where a struggling and valiant mother and father reared nine children—after losing one in infancy. This was, and is, our family—and the Mom that is coming is the only one in the world we would ever choose. She is coming to Morton— all 83 years of mother's authority ready for action—boy, I would hate to be that jet transport pilot if he flies through any turbulence, she abhors violence, except that meted out by a willow switch.)

Yep, Mom's comin' to Morton for a visit—and this is the first time since we retired from the Air Force seven years ago that we have had that old "Inspector General—Operational Readiness Test" feeling. We used to know what to do in the service—you painted everything that didn't move, swept and mopped the rest and generally ate out the enlisted men. Hoo-boy, now I got no place to hide.

Well, actually she's not that rugged or severe, it's just that we would like her to know in advance that we respect and revere her prerogatives as a mother.

Beginning her adult life, after going as far as high school offered in Mammoth Springs, Arkansas, as a bride of 17 in 1908 married in a buggy elopement to an 18 year-old from across the line in Thayer, Missouri, she followed his fortunes slowly westward in an emigration that involved many stops and many different occupations.

One of these involved the management of the XY Ranch in southeastern Colorado whose 12,000 acre sold this summer for \$3.5 million. Needless to say, at that time no such bonanza was dreamed of. Incidentally, we were born there on April 10, 1922, in one of the worst blizzards ever recorded in Colorado history.

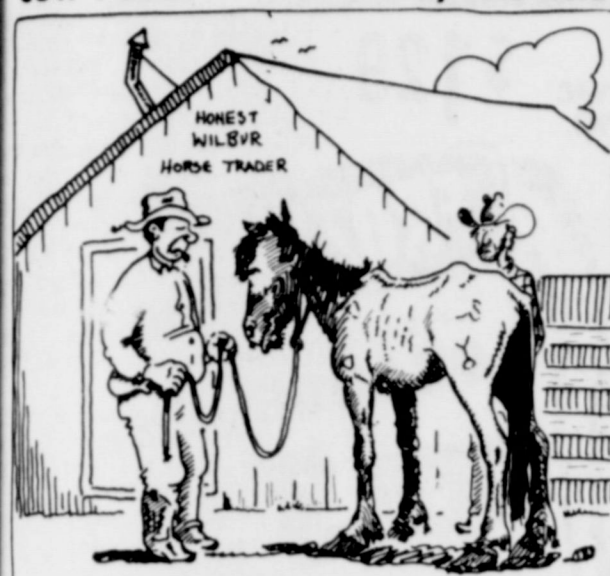

I was, of course, born at home, as were all my brothers and sisters, but, in this case, I understand that the doctor was forced to be a house guest for several days.

From there she forged west with her husband, first to Idaho where one sister was born at Nampa and then to Oregon, where the family took up a 160 acre homestead near Roseburg, Oregon. This was where the final child was born—via the midwife method in 1925.

In all, she was married for 61 years to the same devoted husband, our father who passed away in 1969.

## '74 Chevrolet better-than-ever way.

When the wheel belongs to you, the road goes anywhere. And it's so much better with a '74 Chevrolet.

**Classic.** Introducing an elegant car, just asking to be enjoyed. Outstanding new grille, and on top, a distinctive new hood. Inside: peace, quiet and convenience. Standard power windows, door locks, and power steering. To do most things, standing, starting, steering, stopping, and stopping. Hydra-matic transmission to do the job. If you want the grand comfort of a car that's built for you to do but enjoy, you don't have to look beyond the '74 Classic. However, the freedom of the open road with the freedom of choice:

**Malibu Classic.** A luxury Chevelle, new this year. With full foam seats. A fold-down front armrest. Wood-grained vinyl accents. Elegant inner door panels. Extremely tasteful upholstery and cut-pile nylon carpeting. That's just inside. The exterior is just as classic, in character and in detail, as the interior. Yet, it remains mid-size. And, it remains all-Chevelle. With Chevelle handling and a Chevelle price. Now that you've looked, come and see the new Malibu Classic—and all the 1974 Chevelles. The ones shown here, plus Impala, Monte Carlo, Nova, Corvette, pickups, vans and all our new cars and trucks.

**Camaro.** The way it looks is the way it goes. Quick, sleek and nimble. With a low, wide stance, responsive steering. And comfort that's rare in a car that handles so well. Plus classic new styling, and plushness from the cut-pile carpeting up.

## County Agent News

Texas livestock producers will be faced with new regulations on brucellosis control following a statewide public hearing in Austin on October 1. The changes are being proposed by the Texas Animal Health Commission so that Texas will be able to move toward a "certified-brucellosis free state" and so that Texas will be able to comply with the standards of other states to which cattle are shipped.

The major changes in the brucellosis testing program are as follows:

1. Testing of all animals two years of age and over at local auction markets rather than just testing those that terminate at slaughter.
2. Maintaining cattle in groups until they are tested and found clean or quarantined, with testing expense to be paid by the seller.
3. Herds found to have the disease will be tested until they have two negative tests, not to exceed 120 days apart.
4. Retesting must be done within 60 days.
5. Animals may move from ranch to ranch owned by the same individual.

She now lives alone in an apartment in Seattle, does everything for herself and is as independent as a hog on ice—and best we don't suggest any other arrangement.

We hope Morton likes her as well as we know she will like Morton.
