WEDNESDAY NUMBER 9

MORTON, TEXAS THURSDAY, JANUARY 3, 1974

PRICE FIFTEEN CENTS

Tribe captures Caprock title

E.G. GARDNERS of 103 E. Hayes in Morton, were pleasantly surprised last Friday when Donald Hodge appeared at their door on the chamber of commerce to present them the Civic Pride Award. The award, presented by the Morton Area Chamber of Commerce, is presented to the person whose

yard reflects the attention and effort that stems from a deep sense of personal and civic pride. The bronze plaque, mounted on a walnut shield is theirs to display as they wish throughout the month of January, the month for which it was given.

Humiliate favored Bobcats

The superbly poised and hot shooting Morton Indians made a shambles of the championship game and completely dominated the highly regarded Dimmitt Bobcats in taking the Caprock tournament title 76-46 in Lubbock Friday night.

The Tribe surprised a lot of people and spoiled a great many holiday appetites—especially those of the favored 'Cats—as they took charge from the beginning and moved rapidly out into a lead that reached the 40 point mark by the fourth quarter. Coach Ted Whillock cleared his bench beginning late in the third period and had all reserves on the floor at the finish.

This was the second year in a row that these same two teams have played for the small school division championship and the second time in a row that Morton has won. This year's tilt was a far cry from those between the two teams, which have always been marked by suspense and very close play.

This was also the second consecutive year that an Indian has won the tournament's Most Valuable Player award. This year it was Larry Thompson's turn. Last year the coveted award went to the Tribe's Jimmy Harvey, later selected to the AA all-state team. It should do as much for Thompson.

Morton earned the right to play for the championship by downing a surprisingly strong Class A Crosbyton five 84-45 and outlasting a stubborn Frenship squad by a score of 69-59.

Dimmitt had come into the tournament with a 14-1 record. But Morton, which has now beaten the Bobcats six games in a row, put on its devastating

LARRY THOMPSON, of the Caprock basketball tournament champion Morton Indians, is seen above as he went through a ceremony that he and all Indian fans hope will become a tradition. He is here receiving the "Most Valuable Player" award for the tournament, the second straight year that a Tribesman has taken the honor. Last year Jimmy Harvey, later a first team all-state selection, received the honor for the 1972 champion Indians. Another Indian receiving high honors was Billy Joyce who was selected to the all-tournament team.

Echols to be chamber speaker

Odis Echols, Sr. will be the speaker at the 12th Morton Area Chamber of Commerce Banquet January 7.

The banquet will be held in Cochran County Activity Center.

Changing school hours

There will be some changes in the Morton school schedule beginning on January 7.

With the advent of Daylight Saving Time on a national basis on January 6, schools in the area decided to set the school hours forward half an hour, according to information furnished the area by schools superintendent Bob E. Travis.

New school hours are as follows: Elementary school and junior high classes begin at 8:45 a.m. and dismiss at 4:15 p.m. Lunch period break from 12:20 to 1:20 p.m.

High school three, four and five will follow this same schedule.

See DST Page 3

Building banquet room at 7:30 p.m. Joe Harbin, of Bailey County Electric Coop Association of Muleshoe, who is well known in the Cochran county area, will act as Master of Ceremonies.

In the year 1927, 47 years ago, the song was "Give the World a Smile". The group of artists was the Stamps All-Star Quartet and the lead baritone was Odis Echols, Sr., affectionately referred to by

even chance acquaintances as "Pop" Echols.

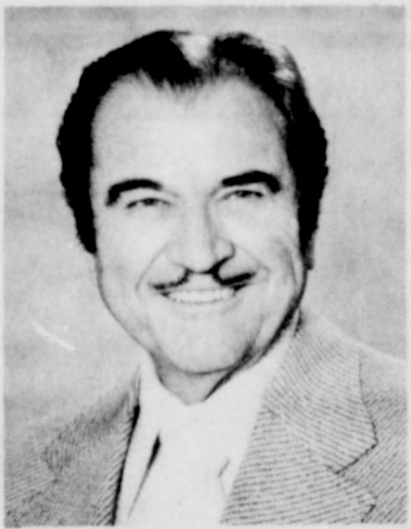

The All-Star quartet became the first gospel group to record on a major label and the first gospel quartet to sing rhythm gospel songs.

Years later, Odis Echols formed his own group "The Melody Boys". They became the first quartet to appear regularly on a national network radio show.

"Pop" took the title of his first song success and made it

Time to file

Candidate filing fees are now being accepted by Mrs. H.B. Barker, Cochran County Democratic Chairman, for the upcoming Democratic Primary election.

Jimmy Millar was the first candidate to pay his filing fees and has announced his candidacy for commissioner, Precinct 4.

Other offices open locally for the 1974 election are County Judge, County Clerk, County Commissioner, Precinct 2, and Justice of Peace.

Anyone wishing to file for the Democratic Primary may contact Mrs. Barker at 602 E. Lincoln.

She will be attending a seminar for County Chairmen in Austin January 3 and additional information as to the deadline for filing and other pertinent facts will be available when she returns.

Babson's Report outlines what lies ahead for American business in 1974

EDITOR'S NOTE—This is the first of two articles on the Babson Report—a report on the beginning of each year with predictions of what is to come on the economic scene in 1974. The report will be concluded in next week's Tribune.)

BY BABSON'S REPORTS INC.

After publication of our 1973 forecast, a vital change in the ground rules when the Administration suddenly put into effect Phase 3 of its economic program. With fear of inadequacies of food and feed and feed supplies already driving upward, this unexpectedly early shift in policy sent many other prices soaring. A forecast of a year ago, we warned against succumbing to the outright optimism then prevailing, citing inflation as a possible pocket of serious trouble. Despite problems no one possible could predict, factory output, retail trade, profits, rent, personal income, and business capital expenditures achieved the lofty levels predicted. Except for limitations of productive capacity and transportation, we have seen larger gains.

CHANGE IN LIFE STYLE AHEAD

Of Babson's Reports now detects signs of a period of change in the life style of the nation's populace. For an indefinite time, rising costs along with inadequate supplies of fuel and energy could force alterations in demand and living habits, just as cuts and short supplies of food have forced changes in our diet. Industrial and retail establishments and even the nation's international posture could be influenced. Use of leisure time and consumer shopping habits may be influenced. Even the environment could become less imperative. On the positive side, the might of the country's research and technology will be brought to bear upon the fuel and energy problems.

SOME LETDOWN FOR 1974

Before the energy shortage had reached acute proportions, there were

increasing signals that the cyclical rise in economic activity was aging. In 1973 this three-year-old had already encountered production capacity limitations in one industry after another of a nature not easily remedied. Then came the fuel shortage to pinch matters. So, with interest rates at stratospheric levels and credit supplies still stringent, some letdowns seem inevitable for 1974. At this juncture, its magnitude is iffy, depending in large measure upon how long and how onerous the curtailment of Midwest oil supplies turns out to be. Even if the spigots were soon turned on again, we would not be likely to escape without some industrial and commercial disruptions, while consumers might tug their purse strings tighter because of impaired employment and income prospects. Thus, an economic setback of wider scope than a "growth recession" seems imminent.

NO DOUBT ABOUT INFLATION

Almost as critical to businessmen, consumers, and investors is inflation. 1973 was a traumatic period of this score, inflation virulent and visible along a broad front. In the opinion of the Babson's Reports staff, the only uncertainty is the degree of inflation that will be seen in 1974. It is too much to hope it will be mild in view of the ongoing escalation of fuel costs along with the inevitable hikes in other fields. Also, the second phase of multi-year labor pacts signed in 1973 with automatically boost wages nearly as much as in past years, as could any new pacts negotiated over the next twelve months. Many will be augmented by raises guaranteed under living-cost escalation clauses.

As of now, we forecast an inflation rise of approximately 6 percent in 1974. Here are some of the reasons for this seemingly moderate projection: Interest rates may already have crested over for this cycle; monetary authorities are not likely to completely abandon their anti-inflation credit stance unless inflation is superseded by threat of a deeper recession than is now anticipated; beleaguered consumers will display sharper price resistance; and the cooling of domestic and foreign industrial activity should ease the feverish scramble for raw materials and commodities.

Cake-A-Thon sets all-time record

The annual Cake-a-thon conducted by Radio Station KRAN in Morton for the March

of Dimes, grossed \$3,471.48 in two days. Other money raising projects yet to come. This tops the 1972 Cake-a-thon by \$639.93.

Highlighting the sale was a cake baked by Marilyn Crawford, a March of Dimes patient, which sold for \$350.

A group of citizens bought the cake and then donated it back to the Cake-a-thon to be sold by the slice.

Marilyn's association with the March of Dimes goes back See RECORD Page 3

Farm fuel allocation to be yearly

Farm fuel for 1973 will be based on annual rather than monthly allocations. This was decided by an agricultural advisory committee to the Federal Energy Office, Tuesday, December 18, in a Washington meeting.

Farmers may receive up to 125 percent of the fuel they used in 1972, providing it is available, an FEO spokesman said.

A.W. (Dub) Anthony, Jr. of Friona, Texas, president of Grain Sorghum Producers Association, is a member of the agricultural advisory committee and attended the Washington meeting with Jack King of Lubbock, GSPA research director.

"We told the federal people that the monthly allocation system set up several months ago simply will not work in

See FUEL Page 3

Cotton harvest 90% complete

Cotton harvest operations were approximately 90 percent complete in Hockley and Cochran counties the last weekend before the new year according to Clifford R. Wharton, in charge of the U.S.D.A. Cotton Classing Office in Levelland.

Samples from 32,000 bales were classed at the Levelland office during the week ending Friday, December 21st. This brought the total classed for the season to 167,000. This is far ahead of the pace of last year's crop. At this time last year samples from only 64,000 bales had been classed.

See COTTON Page 3

LESS PRESSURE ON THE LABOR FRONT

No one can blame the unions solely for the acute inflationary pressures of 1973. To their credit, labor leaders were moderate in new contract demands and the danger-fraught calendar passed with no sequence of harmful strikes. Looking ahead, 1974 will be the lightest of the three-year cycle that recurs in major labor contract expirations, with the steel industry virtually alone in the spotlight. There will be numerous secondary unions at the bargaining table, but none with the clout of the United Steelworkers. The severe upthrust in consumer prices will make the steel group bargain more aggressively, but the expected sag in business could lighten some of this pressure. Then too, the close relationship between labor and management in trying to do away with crisis bargaining in steel is an experiment that may well pay off.

GROSS NATIONAL PRODUCT

The staff of Babson's Reports looks for a 5 percent increase in the Gross National Product (in current dollars) for 1974 as compared with 1973, primarily as a reflection of higher prices. If the fuel and energy shortages are not ultra-severe in the winter months, early-year economic activity could be bolstered by existing backlogs of unfilled orders. Capital outlays and government spending will be the backbone of GNP, while the prime boosters of the past two years—inventory accumulation and consumer spending—will exert a largely negative influence. The GNP will probably be more deceptive in 1974 than for many a year, with inflation making any gain in the "current dollars" figure illusory.

All in all, 1974's "real" GNP (expressed in constant dollars—currently based on 1958) may shade off 1 percent from the 1973 level. The quarterly figures are likely to chart a downward path for the first three quarters of the year, and while we are hopeful of an upturn in the final three months this is by no means certain. It does look as though we will experience a true recession (at least two successive quarters of decline in the "real" GNP).

FROM PAGE ONE
 and fast break and relied on the shooting of Larry Thompson and Billy Joyce to get the lead.
 The Morton press and fast break completely demoralized the Bobcats and forced them to turnover after turnover after on into simple sloppy

other action Friday, the Bobcats took third place with a 56-63 win over Lubbock Christian, Crosbyton bested the Panthers 74-66 for the consolation and Post nipped the Indians 44-35 for seventh place. Dimmitt managed to stay in the Indians for the first minutes of the game as a 6-6 with 3:27 left in the quarter.

That was it as far as Dimmitt was concerned. After the score, the Morton Bobcats began taking effect and the result was a 17-6 Morton at the start of the second quarter.
 In the second quarter, it was not all Joyce as he began for the corner. His 10-10 in the second frame made Morton a 33-21 halftime

Defensive Effort
 Most amazing about the first was the Morton defense. Dimmitt's heralded Bill Gory scoreless.

Both teams had trouble starting in the second quarter. The hearts of Morton fans were broken in the first few minutes of the third quarter as Joyce was cut down by Dimmitt's Darrell Buckley for a layup. However, he did return to the game later with nothing more than a gash under his

category finally got his first shot of the game, putting in a 4:47 left in the third quarter to make it 39-25 for Morton. But Thompson, hitting the corner and from the top of the key on fast break shots, led Morton to a 53-28

margin at the end of the period. Thompson guided Morton to a 67-34 lead with 3:18 left in the game before leaving the rest to the Indian reserves.

Thompson pumped in 23 points in the finale with Joyce netting 18. Paul Langford paced Dimmitt with 18.

Thompson's most valuable player award was no fluke as he turned in an outstanding performance throughout the tournament taking high point honors in all three games. He dunked 25 points against Crosbyton, 20 in the Friendship game and another 25 against Dimmitt. In the Crosbyton game he hit on 11 of 14 field shots and 3 of 3 charity tosses; in the Friendship contest he hit 10 of 18 field shots and against the Bobcats he popped in 12 of 18 from the floor and one of 3 free throws.

Joyce made the second best showing over all, being especially effective against the Bobcats where he hit 7 of 10 field shots, 4 of 9 free throws, gathered in 7 rebounds and contributed four steals.

The squad as a unit struck right at the 50 percent mark in fieldgoals in the three games with 31 of 56 against Crosbyton; 30 of 71 against Friendship and 30 of 56 against Dimmitt. In free throws the team was 11 of 17 against Crosbyton, 8 of 15 against Friendship and 16 of 22 in the Bobcat scramble.

FUEL

FROM PAGE ONE
 agriculture," Anthony said on his return to Lubbock.

"The FEO people assured us they will set up a new system for the distribution of agricultural fuel based on 1972 consumption," Anthony said.

The GSPA president explained that farmers may receive up to 125 percent of their 1972 fuel "if it's available, and that's the big question," but Washington officials are predicting a fuel shortage of 17 to 25 percent. Farmers will have draw ahead privileges under the new

system to take care of seasonal changes in fuel requirements," Anthony continued.

Diesel fuel is critical for most American farmers, Anthony pointed out, since about 70 percent of the country's farm tractors are diesel powered.

COTTON

FROM PAGE ONE

Quality of cotton continued excellent and is considerably higher than last year.

Grade 41 continued predominant grade at Levelland, making up 58 percent of all classed. Grade 31 made up 7 percent, Grade 32, 12 percent and Grade 42, 13 percent.

Staple length was about the same as the previous week. Thirteen percent had a staple length of 29, 50 percent stapled 30 and 20 percent was 31.

Micronaire readings continued excellent. Eighty-five percent of all cotton tested at Levelland had micronaire readings in the premium range of 3.5 to 4.9 and 3 percent was

in the high micronaire range of 5.0 and above.

The Agricultural Marketing Service of the U.S.D.A. reported cotton prices \$5.00 to \$7.50 per bale higher on the Lubbock market during the past week. This was the third consecutive week that prices were higher. Demand continued strongest for cotton with staple lengths of 31 and longer but was strong for cotton with staple lengths of 29 and 30. Prices ranged from 3300 points over the Government Loan for short staple cotton up to 5000 points over the loan for long staple cotton. Typical lots were bringing an average of 39 cents per pound over the loan and were selling in the price range of 55 to 65 cents per pound.

Average prices paid for the most predominant qualities in the 3.5 to 4.9 premium micronaire range were: Grade 41, Staple 29 - 53.15 cents per pound. Grade 41, Staple 30 - 56.70, Grade 41, Staple 31 - 61.25, Grade 42, Staple 29 - 52.50, Grade 42, Staple 30 - 55.95, and Grade 42, Staple 31 - 60.40.

Cottonseed prices were steady and farmers received \$100 to \$106 per ton.

RECORD

FROM PAGE ONE

In 1968 when as a freshman at Morton High School she was 3 feet-11 inches tall and weighed 45 pounds. The March of Dimes took her case and found that she had a deficiency in growth hormones, a birth defect. Her treatment, sponsored by the March of Dimes, began immediately.

For over three years she was required to remain in a brace, but today she stands 5 ft. 2 inches tall and weighs 104 pounds.

Another March of Dimes patient, Marie Dobson, baked a cake which sold for \$110, and was later donated to Roberts Memorial Nursing Home.

The YM Study Club is in charge of the Mother's March which will be held January 28. Donna Coleman is captain for the school projects.

Jerry Schaefer, 1973 County Chairman, announced that 25 percent of the monies

collected would go for medical scientific research and the remaining would be divided—60 percent for Cochran County and 40 percent to National Headquarters.

DST

FROM PAGE ONE

Kindergarten and first and second grades will begin at 8:45 a.m. and dismiss at 3:20 p.m.

Supt. Travis emphasized that the new schedule is strictly on a temporary—look-see basis—and will be subject to revision at any time the school administration decides that it can be improved upon.

"We have already had a good deal of comment, both pro and con, on this schedule, and if suggestions for improvement seem advantageous, we will adopt them," he concluded.

No information concerning revised schedules for banks, government offices, merchants or other business hours had been received at press time.

FOR PEOPLE WHO THINK

From the Christians who assemble at Taylor and S.W. 2nd. Sts.—Greetings:

In the last article it was promised that in the next article we would discuss one thing (one among countless, innumerable things) that God DOES do for us while we live on earth—according to His promise. That we shall do.

In Romans, chapter five, especially verses 12 thru 19, is an explanation of how that all are sinners but that by the grace of God we can be made righteous—read the summary in verses 18 and 19. Without being saved by God's grace we remain under the sentence of condemnation (which is simply eternal punishment and "separation" (death) from God). It is SIN that separates us from God—read Isaiah 59:1, 2. I know of none who claim otherwise than the above. Please advise me if you do.

We have, in preceding articles, learned that true faith must be in one's heart or that one CANNOT please God—Heb. 11:6—John 8:24. Faith, then, must be the foundation for all things that save us from SIN and ETERNAL DEATH. It is IN FAITH that we repent, and it is either repent or perish—Luke 13:3 and Acts 17:30. Mouth confession is unto salvation—Romans 10:10. No one can escape doing these things—no one can do them for another.

Our sins MUST be removed—taken away—remitted, for as long as they are a part of our lives we are "separated" from God—under the sentence of eternal punishment as stated above. God has promised to separate us from our sins. Reader—study carefully Colossians 2:8-13. Now that you have read it—note the context of a circumcision that is made without hands, that is,—the circumcision of Christ. Circumcision means "a cutting away". Someone must perform this "operation". We cannot do it ourselves. Read verse 12 again and you will note that when we go into baptism we arise from that "with him" (Christ) "THROUGH THE FAITH OF THE 'OPERATION' OF GOD...." Yes, God DOES THE WORK in baptism that "cuts away" our sinful past. More about baptism in the articles to follow.

Auto registration forms to be mailed

Owners of some 8.4 million motor vehicles in Texas will

ECHOLS

FROM PAGE ONE

his life-long philosophy. He now lives in Clovis, N.M. and is associated with the Pal Company.

Other entertainment for the evening will feature the "Tranquility" choral group from Morton High School.

Highlighting the evening event will be the presentation of the "Citizen of the Year" award, "Woman of the Year" and "Farm Family of the Year".

Tickets for the event go on sale today, and may be obtained from the Chamber office or from any Chamber Board member.

"Make plans now to attend, and learn what your chamber has been doing to promote Morton, Cochran county and to better serve our area merchants," chamber president Tobe Hendon urges.

have some important mail coming their way early in January.

Registration renewal application will be put in the mail shortly after the holiday season by the Motor Vehicle Division of the Texas Highway Department.

The same quick and easy method made possible by modern computer technology will be in effect this year as it has been in the last few years.

Vehicle owners can save time that used to be spent waiting in long lines at county tax offices throughout the state by ordering their 1974 license plates by mail.

All that must be done is to send the entire three-part application by mail to the county tax assessor collector in the owner's home county, enclosing the registration fee plus \$1 for each vehicle to cover handling and mailing.

There are three things to remember:

1. Leave the three-part form intact. Don't separate the

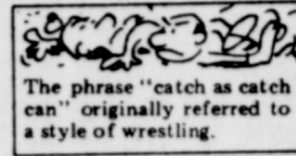

three parts.

2. Mail it to the county tax office in your home county. (Mailing it to the Highway Department will only delay getting your 1974 license plates).

3. Be sure to include the registration fee, plus \$1 for each vehicle for postage and handling.

You may apply for license plates by mail after January 1. However, county tax offices won't mail plates until after February 1. Owners should allow at least 30 days from the time they apply for the license plates to be returned.

In-person registrations will begin at county tax offices and, in some counties, at substations on February 1. Even though the automated registration application procedures have speeded up the process, waiting lines will grow progressively longer as the April 1 deadline approaches.

The phrase "catch as catch can" originally referred to a style of wrestling.

W.A. Harris rites Monday

Services for William Alfred Harris were held at 2 p.m. Monday in Funeral Chapel. The Rev. J. C. officiated. Burial was in City of Cemetery.

Harris, 82, died at 4:20 p.m. in Cochran Memorial Hospital. He had a lengthy illness. He was a retired oil field worker and had been a resident of the past 40 years. He was Grand Saline, Texas.

Survivors include two sons, Morton and Martin of Lubbock, and grandchildren and nine great-grandchildren.

Palibearers were: Rex Cravill, L. K. Wiggins, Truman Anglin, Jr., she Hudson, Ralph Gardner and Ingle Long.

GEORGIA SETTLED

Some 130 English colonists were led by James Oglethorpe to establish a settlement in what is now Georgia on Jan. 13, 1733.

STANTON RETAINED

On Jan. 13, 1868, the Senate refused to accept President Andrew Johnson's cabinet Secretary of War Edwin Stanton.

BIAPRA SURRENDERED

On Jan. 13, 1970, Biafra rendered its last stronghold Nigeria, ending a 30-month civil war.

Arnold-Kidd pledge double ring vows

Miss Betty Kay Kidd and Ronny Dale Arnold exchanged wedding vows Friday, December 21, at 8 p.m. in the home of the bride's parents, Mr. and Mrs. Johnny Arnold. The Rev. Paul McClung pastor of the First Baptist Church, officiated the wedding ceremony.

The wedding party stood before a table decorated with pink and white flowers. The bride wore a white gown with a long train and a long stemmed red rose. Following the ceremony, she presented her mother-in-law with a long stemmed red rose.

Given in marriage by her father, the bride wore a floor length gown of white tulle with a fitted high rise bodice and a collar of chantilly lace. The wrist length sleeves were accented with a trim of chantilly lace and the A-line skirt was encircled with appliques of lace. Her long length train of chiffon was bordered with matching lace. The elbow length veil of white nylon tulle fell from a pearl headpiece covered with seed pearls and carried a cascade of artificial white flowers.

and pink flowers with white streamers a top a white Bible.

For something old and borrowed she wore a ring belonging to her matron of honor, which belonged to her grandmother. Something new was a pair of earrings, something blue was a necklace belonging to Donna Arnold, sister of the groom, and the traditional six pence in her shoe for good luck.

Mrs. David Winkles of Brownfield was matron of honor. She wore a pink sleeveless formal length gown of bonded crepe outlined with pink sparkle trim and carried pink and white flowers.

William Stalcup of Levelland served as best man and ushers were Kenneth Taylor and Larry Thorn of Singer, Louisiana.

Tammy Massey was flower girl and Mike Arnold, brother of the groom, was ring bearer. John Jackson served as candle lighter. Donna Arnold registered guests from Lamesa, Brownfield, Levelland, Seagraves, Missouri and Louisiana.

Following the ceremony, couple were honored with a reception. Parents of the couple and the wedding attendants assisted in receiving guests.

The table was covered with a red linen cloth covered with white lace from Germany. A centerpiece of pink flowers and silver centered the table. A four-tiered wedding cake was served by Landra Coker, Minerva Cordero and Mrs. Elmer Jones.

For a wedding trip the bride wore a jumpsuit of white and silver bonded knit featuring cuffed sleeves and sailor collar. Her accessories were white including a white Spanish shawl from Madrid, Spain and an orchid corsage.

Mrs. Arnold is a graduate of Lamesa High School and Arnold is a graduate of Morton High School. The couple are both employed with General Telephone of Brownfield where they will make their home at 612 E. Broadway.

MR. AND MRS. HOWARD FOX of Sudan announce the engagement of their daughter, Miss Tanya Jurkee Fox, to Dennis Leon Lemons, son of Mr. and Mrs. L.T. Lemons of Rt. 2. The couple plans to exchange nuptial vows January 19 at 7 p.m. at the First United Methodist Church in Morton. A reception will follow in Fellowship Hall. Miss Fox is a 1966 graduate of Sudan High School and Draughon's Business College. Lemons is a 1966 graduate of Morton High School, attended Texas Tech University and served three years in the US Army. He is presently self-employed in farming. Friends and relatives are invited to attend.

ABOUT LOCAL FOLK

by Dutch Gipson

Visiting recently in the home of Mr. and Mrs. Ray Bridges were her sister and husband, Mr. and Mrs. Wayne Peabody of Orange, and nieces, Mrs. Ben Lesley and son, Bruce, El Paso and Mrs. Don Leslie, Shanon and Rhey Lynn all of Hereford.

Mr. and Mrs. Bill Thomas, Billie and Joey, left shortly before the Christmas holidays for visits with parents in Abilene and Haskell. After the Christmas holidays, they left for Jacksonville, Florida to attend the Gator Bowl. Their plans were to sight-see on the way home.

Rev. and Mrs. Gary Hensley and family of Mineral Wells were guests over the weekend with her family Mr. and Mrs. Roy Turney. From here they visited with his mother, Mrs. Hensley in Levelland, later returning to Morton to complete their visit before returning to their home.

Sgt. Eddie Turney is enjoying Christmas holidays with his parents Mr. and Mrs. Turney. He is stationed at Thailand and upon completion of his leave will return there. Other visitors in the Turney home during the holidays were their son, Benne and family, who is stationed in the Philippines. His family plans to join him there in January.

Rev. and Mrs. Rois Standefer left Sunday, December 23, for California to

spent ten days with their child in Hayward. They expect to return the last of this week.

Mr. and Mrs. Paul Cornwe Oklahoma City were guests of her parents, Mr. and Mrs. C.A. Baird during holidays.

Joe and Dutch Gipson spent the holidays with their daughter and family Mrs. K.I. Neavitt in Houston returned to Morton Thursday Bill, Jean, Chip and Chad Sayers spent the holidays with her sister, family Mr. and Mrs. C.B. Burleson near by Lake Jackson.

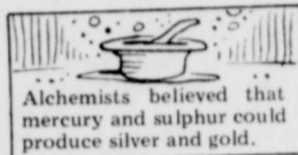

Mr. and Mrs. Mike Enos had as their guests over the holidays, Mr. and Mrs. Robert Mike Enos and daughter from Amarillo. Mrs. Enos' sister, Laquita Coursey, joined them for Christmas day.

Mrs. Dorothy Barker will attend the seminar for County Chairman and County Clerks January 3 in Austin.

Mr. and Mrs. W.J. Collier has as their guests over the holidays, Lt. and Mrs. Billy C. Collier and son, Chris, from Tucson, Arizona. Mr. and Mrs. Barry V. McCutchan and son, Scott, from Dumas were also holiday guests.

MRS. RONNY DALE ARNOLD

"Thou wilt show me the path of life in thy presence is fulness of joy..."
PSALM 16:11

HERE IS THE PATH

Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind, and thy neighbor as thyself.
Luke 10:27

The basis of God's first and greatest commandment is love. God gave man the freedom to choose... and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without His grounding in the love of God, no government or society or way of life will long endure and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

7 1/4%

INTEREST

\$1,000 MINIMUM

48-MONTH MATURITY

NOW...EFFECTIVE NOVEMBER 1, 1973...YOU CAN REACH THE POINT OF MORE RETURN! --7.61%

New Federal Regulations now authorize us to pay 7 1/4% interest on certificates of deposit for \$1,000 or more for 4 years. This interest is compounded daily for an effective annual rate of 7.61. All of this plus an added bonus of Salem China.

★7 1/4% interest for 4 years is the maximum bank insured rate allowed under recently revised federal regulations

Federal Regulation "Q" permits withdrawals before maturity from all certificates of deposit issued, or amended, on or since July 5, 1973, provided the rate of interest on the amount withdrawn does not exceed the then current rate being paid on regular savings accounts and a forfeiture of three months' interest

VISIT THE SAVINGS DEPARTMENT AT LEVELLAND STATE BANK TODAY FOR ALL YOUR SAVINGS NEEDS--LARGE OR SMALL
