## Registration deadline for voters draws near

Texas Secretary of State W. White, Jr. issued a reminder to any qualified voters wishing to participate in the November 5th General Election that they must be registered by October 5th.

Voter registration applications may be obtained from the County Tax Assessor's office in the precinct's county of residence. The applications must be filed either in person or by mail.

Many counties maintain registration offices in various locations throughout the county, and deputy registrars are assigned to other

areas. The Tax Assessor-Collector's office should be contacted for specific information.

Secretary White noted that a registration is valid for three years and is automatically extended for the succeeding three-year period by voting in a primary or general election. Consequently, many voters who have participated in prior elections need not make applications to renew their registration.

In accordance with Texas election laws, absentee voting for the November 5 general election will begin Wednesday, October 5 and end at 5 p.m. Friday, November 1.

## Vandalism, after hours traffic cited

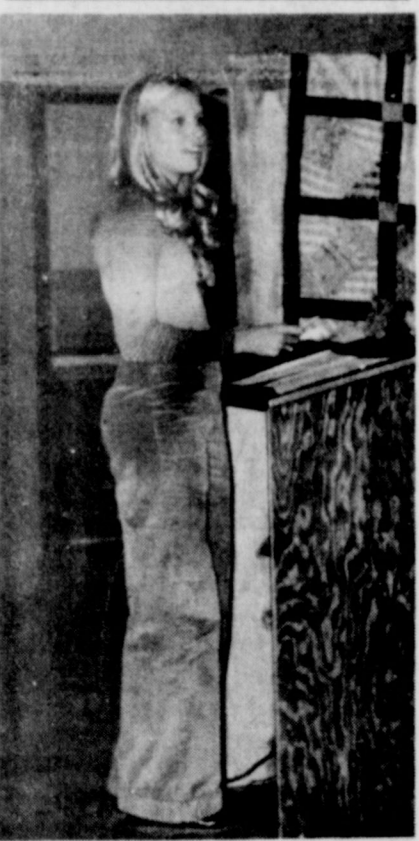

The use and abuse of school property was the main point of discussion at the regular September meeting of the MISD Board of Education meeting last Monday night.

The board discussion centered around the need to restrict aimless milling across the school campus after school. The need for such action being the result of repeated losses of personal as well as school property.

After considerable discussion the board directed Mr. Travis to inform the students of the impending restrictions. It was further directed that local law enforcement officers be enlisted to assist in efforts to keep students, not involved in scheduled school activities, as well as others, off the school campus after school hours.

It is expressed desire of the board that all persons use the streets and sidewalks rather than cutting across the school

# National 4-H week slated October 6-12

National 4-H Week will be observed October 6-12, with the theme: "4-H—We Can Make It Happen", and this offers a good opportunity to take a look at the 4-H program in Texas during the past year.

According to Dr. Don Stormer, state 4-H and youth leader for the Texas Agricultural Extension Service, "4-H enrollment continues to make good strides. For 1973-74, a total of 124,747 Texas youth between the ages of 9 and 19 were active in 4-H activities. This is about an 8.75 per cent increase over the 1972-73 period."

Of the 4-Hers, the biggest percentage live in towns under 10,000 population — 33 per cent. About the same number live on farms and ranches as live in central cities — 23 to 24 per cent. Some 16 per cent of the members live in towns and cities of more than 10,000 population.

Stormer notes that there were a total of 3,433 different 4-H clubs or special groups, with at least one such club in each of the state's 254 counties.

The 4-Hers were enrolled in nearly 200,000 different projects. Those concerning agriculture and related subjects totaled some 71,000 while those in home economics and related areas totaled about 66,000. Some 60,000 other projects were in a wide range of special interest areas.

"Almost 21,000 volunteer leaders were involved in 4-H programs and activities during the past year, up several hundred from the previous year," points out Stormer. Of this number, some 14,600 are adults while

the remainder are junior and teen leaders.

"So, 4-H is continuing to progress in Texas. Programs are providing more learning and leadership experiences for youth so that they will be better equipped to take their place in tomorrow's world."

"4-H is indeed making it happen, not only in Texas but throughout the nation," contends Stormer.

...to reach their destination after school hours. The above restrictions are intended to eliminate the use of the tennis courts. It was directed that all tennis courts be locked at night. Activities are not to be sponsored by an adult. All adult members, other than school members, must request permission for use of school facilities through the superintendent's office. The sponsor will assume responsibility for the conduct of this group as well as

being responsible for any damages that may occur during his sponsorship.

In other business, the board voted to extend a contract for the 1974-75 school year to Miss Carol Ann Brewer as high school librarian.

Approved a motion to order on 48 passenger bus now for delivery in August, 1975, after being informed that delivery of new buses is presently running approximately 12 months behind the order date.

Supt. Bob E. Travis advised the board that he had been approached by the Tennis Booster Club indicating that they would pay half the cost of a small building to store tennis equipment in at the high school tennis courts, if the schools would pay the other half. Following a short discussion, the board authorized the schools to pay half the cost — approximately \$300 — of the estimated amount needed.

Approval by the board of a motion to purchase a new clock and school bell system for the elementary schools at a cost of approximately \$660, completed the meeting's agenda.

# Mr. Avery, Miss Martin exchange nuptial vows

Miss Marietta Dean Martin and Weldon Dennis Avery were united in marriage at 7 p.m. Saturday in the Ford Memorial Chapel, of First Baptist Church in Lubbock. Rev. Gene Hawkins, pastor of Calvary Baptist Church in Lubbock, performed the ceremony under an archway of blue and white flowers and greenery. The bride is the daughter of Mr. and Mrs. Jessie Henderson

Martin of 2808 62nd Street in Lubbock. She is a graduate of Cooper High School and attended Wayland Baptist College in Plainview. She is presently employed by Tom Jones Equipment of Lubbock. Avery is the son of Mr. and Mrs. Weldon Avery. He is a graduate of Morton High School, attended Wayland Baptist College and Texas Tech University. He is currently employed as an assistant office-manager of

the Baker Company in Lubbock.

Given in marriage by her uncle, Mr. Bobby Don Henderson of Muleshoe, the bride wore a formal A-line gown of white silk organza and peau de soie, featuring a pearl beaded lace bodice, empire waistline and long petal sleeves. She carried a cascade of white organdy roses made by Mrs. Avery, atop a white Bible. A long veil of bridal illusion accented the chapel train. For something old the bride wore two pennines in her shoe minted in the years of the couples birth. Something new was a lace handkerchief given to her by Mrs. Ruby Lee Smith, grandmother of the bridegroom and something borrowed were earrings belonging to her sister, Mrs. Alton Ehlo. She wore the

traditional blue garter.

Mrs. Ehlo, served as her sister's Matron of Honor. She wore a blue velvet formal length dress, a headpiece of blue net, and carried nosegays of blue organdy rosebuds.

Claude Lobstein of Lubbock, brother-in-law of the groom, served as best man. Miss Linda Huckabee was soloist and Mrs. Claude Lobstein, sister of the groom, provided the wedding music.

A reception followed the ceremony in fellowship hall of the chapel. Serving in the houseparty were Miss Wenoka Lightfoot, of Tyler and Miss Kay Dent of Lubbock, both cousins of the bride and registering guests was Mrs. Bob Lester.

Following a wedding trip to Dallas, the couple will reside at 2711 65th Street in Lubbock.

Mrs. Weldon Dennis Avery (Marietta Dean Martin)

MR. AND MRS. GEORGE BURKETT were honored with a dinner on their 48th wedding anniversary September 26. Hosting the dinner were their children, Mr. and Mrs. James Roberts and Jamie Ann and Mr. and Mrs. Joe Ed Crawford, Jr., Sherry and Julie. Burkett and the former Dessie Fought were married September 26, 1926 in Knox County.
