City employees receive 5 percent raise

Hike geared to offset COL increase

Approval of a five percent cost of living increase for City of Morton employees was the first order of business at the city council meeting last Monday night.

All full-time employees of the city will receive an across-the-board increase on their salaries to be retroactive to March 15, 1975. This matches a similar five percent increase granted in March 1974 on a review plan inaugurated by the Mayor and council several years ago as a tool to fight the higher cost of living.

The increase goes only to full-time employees, and amounts to a little or a lot depending upon the individuals current salary rate. A further increase will come up for consideration again during March of next year.

In other business, the city agreed to share in the cost of the general rehabilitation of the old skating rink building located on N.W. 2nd Street. The building was recently purchased by the county and is expected to be operated jointly by the county and city.

It has been further speculated, with no definite decision having been announced to date, that the recently organized and franchised Cochran County Fair Association will take operational custody of the building.

Following an appeal by delegates from the Assembly of God Church in Morton for the city to pave the streets and intersections adjacent to the church, the city fathers agreed

to pave the intersection at N.W. 3rd and West Jefferson Street.

The cost of labor and materials for installing curbs and gutters and of the paving itself are prohibitive at this time, according to estimates by city officials. The matter may be brought up at a later date, if costs recede, they indicated.

The council appointed Carol Shelton, CPA, to audit the city books for the coming year.

Approval for the payment of bills for the month of February in the amount of \$5,551.61 completed the meeting's agenda.

Texas loses leadership in cattle feeding

Texas is no longer the number one cattle feeding state in the nation. The state lost that long-held honor to Iowa as of Feb. 1. Cattle and calves on feed in Texas number 1,237,000. Iowa's total is 1,250,000 head.

Cattle on feed in Texas have been cut virtually in half in a year's time. The number of cattle on feed a year ago in the state totaled 12,340,000 head. Compare that with the latest figures and you have a 47 percent decline.

Nationwide, cattle on feed in the seven major feeding states--Texas, Iowa, Nebraska, Colorado, Arizona, California and Kansas are down 37 percent from a year ago. As of Feb. 1, cattle numbers in these states totaled 6,050,000 head compared to 9,632,000 a year ago.

This could explain in part some of the price declines in grain sorghum of recent weeks. Sorghum prices have declined around \$2 per hundred pounds since last November.

Local students award winners in food show

Six Cochran County 4-H'ers participated in the 1975 District Two 4-H Food Show on March 22 in the Ballroom of the Student Union Building at Texas Tech University. The girls were winners in their divisions at the County show and advanced to District.

Those participating and their awards are as follows:
Junior Side Dish-Cynthia Dutchover, red award

Junior Breads & Desserts, Srara McClung, blue award

Junior, Main Dish, Danna Roberts, red ribbon.

Junior Snacks and Beverages, Liza Zuber, red award

Senior Snacks and Beverages-Elvina Breaux, red award

Senior Breads and Desserts-Sylvia Dutchover-red award.

The girls were judged on their interview with a team of judges, the food they exhibited, the recipe, a day's menu and the Senior contestants were scored on additional nutrition quiz.

NAVY STOREKEEPER Third Class Rush Coffman, son of Mr. and Mrs. John E. Coffman, Jr., of Route 2, Morton, was recently selected "Sailor of the Quarter" aboard the guided missile cruiser USS Chicago, homeported at San Diego, California. He was commended for his outstanding performance of duty and exemplary leadership, initiative and military bearing. He was later runner-up for the title of "Sailor of the Year." A 1972 graduate of Morton High School, Rush joined the Navy in July, 1972. He will be transferred in July to Corpus Christi Naval Air Station.

MHS junior play cast announced; rehearsals set

Rehearsals for the Junior play at Morton High School will begin Monday. Date for the performance will be announced later.

"Me and My Shadow" a three act comedy will feature a cast of nine. Chip Sayers will play the

part of Roy Harrington, a young attorney, whose mother-in-law Mrs. King was never exactly approved of his marriage to her daughter, Arleen, portrayed by Mary Jo Hudson. Vickie Kuehler will have the role of Mrs. King.

Susan Fisher, the Harrington maid will be played by Diana Kuehler, and Bruce Douglas, a breezy young doctor friend of Harrington will be played by Max Wyn.

Georgia Butler, a neighbor with a positive disposition and an intense curiosity about everybody, will feature Gay Waters.

"Shadow" a mysterious Hindu girl whom Harrington saves from death, will be played by Estella Lucio. Malcolm Coleman is Hickson, the county sheriff and Sabu, an East Indian mystic will feature Joey Bryan.

Student directors for the production are Allen Steed. See PLAY Page 4

February rural accidents light

The Texas Highway Patrol investigated four accidents on rural highways in Cochran County during the month of February, 1975, according to Sergeant H.E. Pirtle, Highway Patrol supervisor of this area.

These crashes resulted in one person killed and one person injured.

The rural traffic accident summary for this county during the first two months of 1975 shows a total of seven accidents resulting in one person killed and three persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for February, 1975, shows a total of 435 accidents resulting in 12 persons killed and 199 persons injured as compared to February, 1974, with 322 accidents resulting in ten persons killed and 208 persons injured. This was 113 more accidents, two more killed, and nine less injured in 1975 at the same period of time.

WHAT A DIFFERENCE A DAY MAKES--and if that day is multiplied into five years, there is a great deal more difference. Johnny, top, Jack, Left, and James Shepard, right, are shown as they celebrated their fifth birthday in Morton recently and as they were at three weeks of age in a picture published in the Tribune in 1970. The sons of Mr. and Mrs. James Shepard of Earth and the grandsons of Mr. and Mrs. Ralph Gardner of Morton and Mr. and Mrs. John Shepard, of Eastland, the boys grow handsomer every year. The Tribune hopes to publish their tenth birthday picture and many more after that.

MARCH BOARD MEETING

Teachers' contracts renewed

A large number of classroom teachers and coaches received extensions on their contracts at the March meeting of the Morton Independent School District Board of Trustees meeting last Monday night.

High School Principal Kenneth Barber, Junior High Principal Jim Middleton and Elementary Principal Harold Drennan appeared before the board to make their recommendations on the teachers under their supervision, and they each pretty well swept the boards.

Contracts were extended to the following high school teachers: Mr. Elmer Beik, Mrs. Helen Crose, Mr. Earl Clardy, Mr. Phillip Cardwell, Mr. Darryl Haley, Mr. John Harris, Mrs. Cheryl Hendon, Mr. Charles Inman, Mr. Bill Jonson, Mrs. Marjorie Johnson, Miss Diana Mobley, Mrs. Herriet Phillips, Mr. Wayne Rowden, Mrs. Peggy Shiloh, Miss Terry Shiflett, Mr. Earl Slater, Mr. Ted Willock, Mr. Roy Winters, Mrs. Jeanette Young, Mr. Owen Young and Mr. Steve Baldock.

Contracts were extended to the following Junior High Teacher for the 1975-76 school year: Mr. Ronald Berry, Mr. Willard Franklin, Mr. Richard Houston, Mrs. Janice Inman, Mrs. Erma McSpadden, Mr. Albert Phillips, Mrs. Wanda Sande, Mrs. Donna Sealy and Mrs. Ruth Whitecotton.

Contracts were extended to the following elementary teachers for the 1975-76 school year: Miss Evelyn Houk, Mrs. Iva Williams, Mrs. Sherry Fred, Mrs. Carol McClung, Mrs. Chattie Stevenson, Mrs. Vera Bailey, Mrs. Judy King, Mrs. Juanita Shaw, Mrs. Kathy Clark, Mrs. Etta Marie Doty, Mrs. Carolyn Hamilton, Mr. John Coffman, Miss Deborah Hayes, Miss Jeannette Richards, Miss Martha Choat, Mr. Leslie Dendy and Mrs. Evelyn Seagler.

Other contracts considered were those of teachers teaching in the Federally funded programs. The following were recommended pending federal funding: Mrs. Cassie Jean Benham, Mrs. Dorothy Bedwell, Miss Patricia Brown, Mrs. Ina Fern Gray and Mrs. Alice

Stockdale. In other business, Superintendent Bob Travis explained some of the points in Governor Briscoe's approach to school financing as were outlined to him during a trip to Austin last week. He further explained how these points would effect the MISD financially.

Travis also advised the board that approval has been received for another year on the local Headstart program, with an allocation attached in the amount of \$10,540. The board then approved a motion to continue the Headstart program in cooperation with the South Plains Community Action Program in Levelland.

Approval for payment of the bills for the month of March in the amount of \$85,009.46 completed the agenda.

THE ONLY WAY TO GO--Yet, when you get a crew like this one together, there is no doubt about it--there is only way to go--and that is just where they are pointing. Up. This is the faculty lineup of athletes, and cheerleading talent? that took on the MHS seniors in a contest recently that was (loosely) described as basketball--and, by wonder of wonders, cheated, kicked, gouged, elbowed and otherwise browbeat their way to a ONE POINT victory (the validity of

which is still under debate.) We will dignify this unlikely gaggle (and even then at the risk of permanent damage to our publishing image) with identifying only the front row of bloomer-clad pom pom girls: L to R, Cheryl Hendon, Lenave Freeland, Harriet Phillips and Helen Crone. Suffice it to say that the pre-game title of the team was "The Bouncing Baldies" After the game--not a bounce to the ounce.

Cotton planting seen taking downward trend

Growers intend to plant 10,000,000 acres of all cotton in 1975, 9.9 million to upland and 67,200 to American Pima according to USDA's Crop Reporting Board.

If realized this acreage will be down 29 percent from the 14.0 million acres planted in 1974 and

the lowest since 1967. Texas and Oklahoma upland growers intend to plant 4.7 million acres, five percent more than was intended January 1 but 20 percent less than 1974 plantings. Planting has started in southern areas of Texas.

In the Delta states, growers plan to seed 3.0 million acres, three percent more than January 1 intentions but 36 percent less than 1974.

Growers in Arizona, California and New Mexico expect to plant 1.4 million acres, up five percent from January 1, but down 24 percent from 1974. In the Southeast, expected plantings totaled 785,000 acres, unchanged from January 1, but 48 percent below 1974 plantings.

American Pima producers intend to plant 67,200 acres, 18 percent below 1974.

Cancer Meeting
Coffee will be held in the home of Mrs. Earl Outlaw, 701 East Garfield, on April 2, 9:30-11:30 for all volunteer members of the American Cancer Crusade to pick up packets to be used in the parade.

NOTICE OF INTENT TO ENGAGE IN WEATHER MODIFICATION ACTIVITIES
Notice is hereby given that Atmospherics Incorporated of 5652 East Dayton Avenue, Fresno, California, 93727, who holds License No. 2 of the State of Texas, intends to engage in a weather modification operation designed to increase rainfall and decrease hailfall, for and on behalf of Better Weather Incorporated, Littlefield, Texas, and will conduct such a program by means of aerial application of artificial nuclei as follows:

1. The area over, or within which, equipment may be operated, shall include portions of the counties of Deaf Smith, Randall, Farmer, Castro, Swisher, Bailey, Lamb, Hale, Cochran, Hockley, and Lubbock.
2. The target area, within which rainfall augmentation and hailfall suppression is intended to occur, can be described as follows:
The boundary of the target area shall be a line beginning at a point of origin at Littlefield, Lamb County, Texas and running northwest along Highway 84 to its intersection with Road 37 near Amherst; thence due west on Road 37 to its intersection with Road 303; thence due north on Road 303 to Sudan; thence northwesterly on Highway 84 to its intersection with the western boundary of Lamb County; thence due north through Lazbuddie to Highway 86; thence easterly on Highway 86 to the western boundary of Castro County; thence due north along the western boundary of Castro

County to the southern boundary of Deaf Smith County; thence due east along the southern boundary of Deaf Smith County and Randall County to a point approximately four miles west of Happy in Swisher County; thence due south along Road 1424 through Edmonson to its intersection with Highway 87 near Hale Center; thence southerly along Highway 87 to Abernathy; thence westerly along the southern boundary of Hale County to the southeast corner of Lamb County; thence four miles south along the eastern boundary of Hockley County; thence due west to Road 168 south of Anton; thence northwest to a point three miles east of Highway 385; thence north to a point on Highway 84; thence northwest along Highway 84 to the point of origin at Littlefield.

3. The equipment, materials and methods to be used in conducting an operation within this area of approximately 2,200 square miles, include a 5 cm radar system, cloud seeding aircraft, and the aerial application of silver iodide or other nuclei considered appropriate to the artificial nucleation of clouds or weather systems.

4. The person in charge of this program shall be Thomas J. Henderson, Atmospherics Incorporated, Fresno, California.

5. The program may be operational at various times throughout the period from 23 April 1975 through 30 October 1975.

6. Any person who feels they may be affected in some adverse way by this program may file a formal complaint to the Texas Water Development Board, P.O. Box 13087, Capitol Station, Austin, Texas, 78711.

Roberts Nuring Home News

The residents have had a busy week with crafts. Several people are making ceramics, while others are making covered wagons from egg cartons.

Modeling clay has been a new experience for most of our residents. The clay was made and donated by Mrs. H.O. Huff off Three Way.

Mrs. Laura Mills, Miss Ruby White and Mr. Dave Britt were

recent luncheon guests at Amherst Manor Nursing Home. They visited old friends and made new ones before returning back to Morton. Roberts Nursing Home and Amherst Manor are both owned by Mr. and Mrs. Richard Snow.

Thursday night church service was enjoyed by everyone. Songs and music were led by Enoch Baptist Church and Boys Ranch at Pettit.

The nursing staff and residents would like to extend our sympathy to the families of Mr. Clay Lewis, Mr. Walter Barlow and Mr. Carl McClintock, Sr. These residents will be missed by everyone.

Mrs. Myrtle Austin is a patient in Cochran Memorial Hospital. We hope she has a speedy recovery.

Sunrise Easter Service is being planned for 6:30 a.m. Easter Sunday morning. The service will be led by Jack DeWitt, pastor of the Three Way Baptist Church. Roberts Nursing Home welcomes anyone that would like to join our sunrise service.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

The "emergency" loan and target price legislation being pushed by the House Livestock & Feed Grains and Cotton Subcommittee is the farmer's best chance for greater price protection under 1975 farm programs, according to Donald Johnson, Executive Vice President, Plains Cotton Growers, Inc.

"Even so," Johnson says, "chances for legislation being passed in time to be effective in 1975, at best are about 50-50 and farmers at this time would be foolish to make planting decisions in expectation of higher loans and target prices."

The Cotton Subcommittee, chaired by Congressman David Bowen of Mississippi, has agreed on trying for a reasonably simple 1-year bill which would increase the cotton loan in 1975 from the announced 34.27 cents per pound, basis Middling one inch cotton to 40 cents and the target price from 38 cents to 48 cents. Also the bill would call for interest on CCC loans to farmers at a rate no higher than the cost of money to the government. But all other changes in basic farm law would be left to another day.

Similarly the Livestock & Feed Grain Subcommittee, chaired by Congressman Bob Poage of Waco, is proposing a one-year bill lifting price supports without treating such things as reserve stocks, export requirements and other "side issues." The Subcommittee is calling for target prices of \$2.25 per bushel on corn (about \$3.81 per cwt for grain sorghum) and \$3.10 for wheat. Loan rates would be at \$1.87 per bushel for cotton (\$3.17 per cwt for grain sorghum) and \$2.50 for wheat.

The thinking of the two subcommittees is their proposals, if cleared by the full House Agriculture Committee, will have a better chance of passage in time for 1975 production since they treat only price supports without getting into a multitude of other issues. The full House Agriculture Committee had not considered

Mrs. Neal Rose hosts 1936 Study Club meeting

Mrs. Neal Rose was hostess for the 1936 Study Club meeting Wednesday, March 19.

Mrs. Lessye Silvers presided over a short business meeting where reports were made by who attended the Caprock District Federated Womens Club convention held in Lubbock.

A group discussion was held following a tape and film covering the period of American History after World War I when the League of Nations was defeated and communism rose in world importance. The film depicted scenes from the

proposals as of this writing, and there are certain to be those on the Committee who will ask for changes.

Even on the Cotton Subcommittee there was considerable disagreement. For example, Peter Peyser, New York Republican urged that the subcommittee insert a 44-cent target price for cotton. Congressman Poage sought a loan level of 38 cents and a target of 45 cents. Congressman Ed Jones, Tennessee Democrat, and Chairman Bowen were the chief proponents of the higher levels, with Bowen arguing that even the U.S. textile mills favor a loan level as high as 40 cents per pound.

Representative Peyser has indicated he will ask the full committee for a lower target price.

Johnson indicated a hope that the bill can be passed as written by the subcommittee, noting that its target and loan levels are very close to those called for in PGC's legislative proposal.

"Farmers are facing the onerous prospect of planting 1975 crops with slim hopes of being able to recover production costs unless improved price supports are provided by Congress," he said.

The Agriculture Committee, was scheduled to consider the subcommittees' action on February 27, but consideration was postponed, to which Johnson commented, "The measures

Mrs. Lloyd Miller reviewed the causes and results of the stock market crash and its effect on the economy and Mrs. Mable Lewallen spoke of the hundred days of Franklin Roosevelt's presidency and attempts to restore the nation.

Others present were: Mrs. Bill Sayers, Joe Nicewarmer, M.C. Ledbetter, W.W. Smith, John Crowder, James P. Ruth McGee, Gerhome Hildner and Glenn Thompson.

FOOD MARKETING ALERT

USDA Agricultural Marketing Service

As of mid-March, the supply situation in April is expected to look like this...

RED MEATS

Beef... plentiful; with record large output about a tenth larger than a year earlier and well above 1972-74 average. Beef produced mainly on grass and other roughage, with little grain feeding, will account for all of the increase.

Pork... adequate. Supplies 10% less than a year earlier and well below 1972-74 average. But beef abundance will help stretch pork supplies.

POULTRY & EGGS

Turkey... adequate. Seasonally light new-crop marketings down 12% from last April, but 17% above the 1972-74 average for the month. Cold storage holdings April 1 should be below high level of a year earlier, but about one-third above 1972-74 average.

Broiler-fryers... adequate. Production 7% below last April, but about the same as 1972-74 average for the month. Cold storage holdings April 1 should be below high level of a year earlier, but about one-third above 1972-74 average.

Eggs... adequate. Output after Easter to be under a year earlier and about one-third less than 1972-74 average for April.

MILK & DAIRY PRODUCTS

Fluid milk, dairy products... adequate, although milk production will be slightly under the most recent 3-year average for the month. With production rising seasonally and at levels exceeding demand, commercial stocks of cheese and nonfat dry milk should remain relatively heavy. Butter supplies are expected to be near the latest 3-year average for April.

Terminology used: PLENTIFUL—More than enough for requirements. ADEQUATE—Enough to meet needs. LIMITED—Less than adequate; not enough for normal needs.

FM 7-75 March 1975

FRUITS, VEGETABLES, NUTS

Pears... plentiful; Jan. 31 cold storage stocks, mostly D'Anjous, were 43% above both a year earlier and 1972-74 average.

Apples... plentiful. Cold storage holdings Jan. 31 were 6% larger than year earlier; 11% more than most recent 3-year average.

Citrus fruits, juices... plentiful. Early, midseason, Navel, and Valencia orange output is 10% above last season, 13% greater than past 3 seasons' average. U.S. grapefruit output is down 9% from both last season and past 3 seasons' average. Mar. 1 stocks of Florida frozen concentrated orange juice almost matched record holdings of year earlier. Florida single-strength grapefruit juice supplies 18% larger than low level of a year earlier.

Canned non-citrus fruits... plentiful, due to 1974's greater output. Examples: canned apples, 74% larger than 1974, 28% above most recent 3-year average; canned peaches, 59% larger than 1974, 18% above average.

Raisins... plentiful, with 1974 crop topping large 1973 crop by about 9%.

Dried prunes... plentiful, because of big carryover from record 1973 crop which topped 1974 production by about one-half.

Potatoes... plentiful. Fresh potatoes in storage Mar. 1 were 26% greater than year earlier and 17% ahead of the 1972-74 average. Frozen potatoes... plentiful, with Jan. 31 holdings 12% above a year earlier.

"Thou wilt show me the path of life,
in thy presence is fullness of joy..."
PSALM 16:11

HERE IS THE PATH

"Thou shalt love the Lord thy God with all
thy heart, and with all thy strength,
and with all thy mind, and
thy neighbor as thyself."
Luke 10:27

The basis of God's first and greatest
commandment is love. God
gave man the freedom to choose
and therefore will not force
his love on anyone. God took the
first step and is always ready to
receive any who would come to
Him.

The Church is God's appointed agency in this world,
for spreading the knowledge of His love for man and
of His demand for man to respond to that love by
loving His neighbor. Without this grounding in the
love of God, no government or society or way of life
will long prosper and the freedoms which we hold
so dear will inevitably perish. Therefore, even from
a selfish point of view, one should support the Church
for the sake of the welfare of himself and his family.
Beyond that, however, every person should uphold
and participate in the Church because it tells the truth
about man's life, death and destiny; the truth which
alone will set him free to live as a child of God.

MRS. RANDY MCCALL
Jeannette Seely

Couple recites vows in Lubbock chapel

The Broadway Church of Christ was the scene at 7:30 p.m. Friday of the wedding of Nelda Jeanette Seely and Randy Mack McCall, both of Lubbock.

The bride is the daughter of Mr. and Mrs. Gene C. Seely of Dimmitt and the bridegroom is the son of Mrs. Pauline McCall of Lubbock and the late Mr. R.P. McCall.

Bill Yasko, assistant minister of the Sunset Church of Christ, officiated the double ring ceremony.

Given in marriage by her father, the bride wore a formal gown of white satin with brocaded flowers.

Brenda Seely of Dimmitt served as her sister's maid of

honor and Keri Jack of Friona and Micki Romans of Lubbock were bridesmaids.

Ted Thomas of Lubbock was best man and Donny McCall of Dimmitt and Darrell Betts of Morton were groomsmen.

Brent George and Melonie Roberts were candlelighters.

Karen Seely of Dimmitt, sister of the bride, registered the guests.

The bride graduated from Dimmitt High School, attended Lubbock Christian College and Licensed Vocational School of Nursing. She is employed at the Texas Tech Medical Center.

McCall was graduated from Lubbock Christian High School and is a student at Texas Tech University in Lubbock where the couple will make their home.

Mrs. Harvey Ray Willeby
Kennajo Neavitt

Couple pledges ring vows in candlelight ceremony

Miss Kennajo Neavitt and Harvey Ray Willeby, both students at Texas Tech University, exchanged wedding vows in a candlelight service Saturday at 7:30 p.m. in the Lubbockview Christian Church in Lubbock.

The bride is the daughter of Mr. and Mrs. K.I. Neavitt of Houston and the granddaughter of Mrs. Joe Gipson of Morton. Willeby is the son of Mr. and Mrs. Jerry Price of Sudan.

The Rev. Mack McCarter, pastor of the First Christian Church in Levelland, officiated the double ring ceremony under an archway of daisies and greenery flanked by baskets of daisies. On each side of the altar rested two memorial candles in memory of the bride's late grandfathers, H.C. Neavitt and Joe Gipson.

Given in marriage by her father, the bride wore a formal gown of Lutesong with a chantilly lace overlay. Designed by the bride, the gown featured an empire waistline, stand-up collar and long sleeves. Her veil of bridal illusion was attached to a lace caplet and she carried a cascade of daisies and white

feathered carnations atop a Bible belonging to her father. For something old she wore her maternal grandmother's locket, borrowed were earrings belonging to one of her bridesmaids and a blue and white garter made by one of her attendants.

Mrs. Lloyd B. Holden of Blytheville, Arkansas served her sister as matron of honor. Miss Dana Aldridge of Houston was maid of honor and Miss Joyce Wilcher of Lamesa and Mrs. Vickie Whitfield of Lubbock were bridesmaids. They wore identical gowns of royal blue crepe and carried votive candles with royal blue and white streamers.

Mickey Gilbert of Lubbock was best man. Groomsmen were Jerry Price, brother of the groom, and Clinton Jones and Dennis West all of Sudan.

Miss Ruthie Robinson of Houston, pianist, accompanied Shelby Race of Lockney who sang "I Love You So" and "I Believe".

Terry Evans and Johnny King were ushers. Special ushers were Lt. Lloyd B. Holden,

brother-in-law of the bride and her uncle, Lt. Colonel Retired Joe Bill Gipson of Vine Grove, Ky.

Randy and Tommy Hoper of Houston, nephews of the groom, were candlelighters.

Following the ceremony, a reception honored the couple in the church parlor. Miss Susanne Ashmore registered the guests.

Mrs. Willeby is a graduate of Westberry High School in Houston, South Plains College in Levelland and is a summer candidate for graduation at Texas Tech University. Willeby graduated from Sudan High School and is a May candidate for graduation at Texas Tech University.

After a wedding trip to El Paso, the couple will make their home in Lubbock.
