Alternate Jail Plan Drafted

An alternate plan for renovation of the Floyd County Jail to bring it into compliance with Texas Commission on Jail Standards regulations has been prepared by Lubbock architect Marvin Stiles and given the green light by county officials.

The commissioners court turned thumbs down on the original plan after learning that its cost — including detention equipment and architect fees

— would exceed one-half million dollars.

Floyd County Judge Choise Smith and Stiles left Lubbock at 6:55 a.m. Wednesday enroute for Austin to confer with Robert O. Viterna, acting executive director of the Texas Commission on Jail Standards. They planned to submit the new proposal to Viterna and hoped to have it approved. Judge Smith said

Tuesday.

The entire commissioners court, along with Sheriff Fred Cardinal and Stiles, met with the TCJS head and other officials in Austin after opening bids on the initial plan.

Viterna was in Floydada April 13 to view the county jail and answer questions concerning the standards.

USE EXISTING BUILDING

Encouraged by Viterna's attitude, the Floyd governing body instructed Stiles to draft rough plans on a proposal to revamp and remodel the existing jail rather than construct an addition, as originally outlined.

Judge Smith says the latest plans call for adding an outside stairs to the second and third floors and a new entrance to the present building.

"What I like about this plan is that the bulk of the money spent will be downstairs" to provide better working conditions for the sheriff's department, Judge Smith related Tuesday.

A "drunk tank" would be installed on the first floor.

Existing cells would be utilized "with alterations" on the second floor.

The third floor is envisioned to have a large exercise room, as well as detention facilities for females and juveniles.

COST COMPARISON

The new plan is estimated to cost \$183,679, plus architect fees. This compares with \$501,000 (including architect fees) on the first proposal.

"I feel this (new plan) could fit into our budget," Judge Smith states. He believes that "the savings on detention cells and air conditioning would amount to quite a bit of money."

Latest plans call for refrigerated air and central heating on the first floor. Evaporative cooling would be utilized on the second and third floors.

Judge Smith anticipates that the commissioners court would seek bids on the latest proposal if it is approved by the Texas Commissions on Jail Standards.

Four Adults Named Honorary Members

Tom Potts And Monty Williams Cited At FFA Chapter Banquet

Tom Potts was revealed Monday night as the Star Chapter Farmer of Floydada FFA Chapter for the 1978-79 school year during the organization's annual Parent and Member Banquet. Recognized as Star Greenhand (first year student) was Monty Williams.

Potts, a sophomore, is the son of Mr. and Mrs. Frank Potts. The Star Greenhand is the son of Mr. and Mrs. Elmer Dean Williams.

These two lads and a number of other FFA members were saluted with individual honors as approximately 200 chapter members, their parents and other guests looked on. The traditional banquet was held in Duncan Elementary Cafetorium.

HONORARY DEGREES

Four adults who have been helpful to Floydada FFA Chapter during the past year were presented honorary Chapter Farmer degrees by officers.

The four were Larry Barbee, Harold Wayne Bennett, Gene Lowrance, and Weldon Pruitt.

Thirteen proficiency awards were handed to members who excelled in particular areas. Advisors O.L. Harris and James Cleveland presented these awards to: Greg Jones, sheep production; Kelly Marble, floriculture; Danny Nutt, fruit and vegetable; Carla Burleson, beef production; Andy Langley, ag electrification; Jay Waller, horse proficiency; Tom Potts, fish and wildlife;

Keith Nixon, home and farm improvement; Todd Williams, livestock production; Robert Nixon, farm safety; and Sammy Bradley, crop production.

Certificates of Merit went to students who attained at least 85 per cent efficiency in areas of study. The recipients were: Martin Eastham, general agriculture; Carlos Rainwater, general agriculture; Jim Waller, project program; Monty Williams, project program; Kenny Willis, general agriculture; Jay Waller, general ag, leadership and project chairman; Greg Pruitt, project program; Danny Nutt, project program; Gerry Norrell, project program and leadership; Blake Kitchens, leadership and general ag; Greg Jones, project program and general ag;

Also, Jim Covington, general ag, leadership and project program; Sammy Bradley, project program; Mike Allen, general ag; Carla Burleson, leadership and project program; Robert Nixon, project program; Kelli Higginbotham, general ag; Lisa Bice, general ag and project program; Norman Allen, general ag; Tom Potts, project program; Tim Radloff, leadership and general ag; Monty Seymour, project program.

Agribusiness training certificates went to eight seniors who are completing two years training in the ag co-op program. Cleveland presented these certificates to: Bryan Fortenberry, Andy Langley, Brett Marble, Leroy Martinez, Danny Tinney, Rodolfo Trevino, Gary Vick, and Clinton Ware.

Co-op employers were cited by Cleveland for their assistance.

100% ATTENDANCE

Harris noted that every award winner was present at the banquet to receive his or her citation.

Danielle Biever, American Field Service exchange student in Floydada High School, presented a slide presentation about her homeland, Luxemburg. She resides in the home of Mr. and Mrs. Donald Bean this year.

Miss Biever was presented an FFA jacket by Chapter President Blake Kitchens. The exchange student also was made an honorary chapter member.

Harris expressed appreciation to parents for their "help and support."

CHAPTER RANKING

After reviewing accomplishments of

See FFA Page Eight

JUST PRACTICING at moving the clock forward an hour is Julie Smith, nine-year-old daughter of A.O. and Anna Smith. Everyone had better follow Julie's suggestion and move their timepieces forward when daylight saving time returns at 1 a.m. Sunday.

Daylight Saving Time Returning

Sunday Short Day: Only 23 Hours Long

Sunday will be — technically speaking — a 23 hour day. The last Sunday in April is the date when daylight saving time officially makes its debut.

Everyone who fails to run his or her timepieces forward one hour before retiring Saturday night runs the risk of being one hour late to church, the coffee shop, or wherever their first stop

might be Sunday morning.

DST officially arrives at 1 a.m. Sunday.

This means that daylight will arrive one hour earlier — by the clock — Sunday morning.

The lost hour of sleep will not be recovered until the last Sunday in October, when standard time returns.

'Texas Conserve' Free Service To Homeowners

The Texas Agricultural Extension Service in cooperation with the Governor's Office of Energy Resources offers a free home energy payback analysis.

Texas Conserve is a computer program that calculates potential savings, or payback, from specific home energy saving actions. It estimates how quickly different home energy conservation measures...like insulation, caulking and storm windows...will pay for themselves in lower home utility costs.

Local climate, utility rates and materials and labor costs are considered in the calculations.

The State of Texas offers this program. To receive the form for having an analysis of your home made, call the County Extension Office at 983-2806, or the Texas Conserve toll free number 1-800-252-9361.

The questionnaire takes about 15 minutes to complete. Within 10 days after you mail the form, you will receive a computer printout. If you have any questions about the form or the printout, please call the County Extension Office or the toll free number.

County Extension Agents and other groups in the county working with the Governor's Office of Energy Resources will be pleased to assist you.

"You are encouraged to take this opportunity to identify cost-effective ways to save energy and money in your home. Information you provide and results of the survey are strictly confidential," agents note.

Airport Fund Nears Goal

A minimum of \$225 is needed to meet the citizen's goal of \$7,500 for improvements at Floydada Municipal Airport.

"We need to wrap it (the drive) up," Chairman Tom Farris said Monday. He noted that \$7,275 has been received to date after a four-month campaign.

Farris added that should the goal be surpassed, the entire amount will be given to City of Floydada to assist with the airport improvements.

Honorary FFA member, Danielle Biever, left, and Monty Williams, center, and Tom Potts, right, are AFS exchange students at Floydada High School this

year, was made an honorary chapter member and received the jacket from President Blake Kitchens after present-

ing the program Monday evening during the FFA Member-Parent Banquet. Potts was recognized as Star Chapter Farmer and Williams as Star Greenhand.

Harmony Club Hears Petersburg 4-Hers

The Harmony Extension Homemakers Club met at the Harmony Community Center Monday, April 23. The scripture, Acts 12:4, was read by the hostess Vivian Curtis. Roll call was answered by: An interesting experience with a 4-H'er.

The program was presented by the Petersburg 4-H club members. The team for the first demonstration was introduced by their 4-H leader, Mrs. Nadine McDonough. The demonstration, entitled "Pheasant, Dove or Quail?" was given by David McDonough and Connie Curtis.

The second demonstration was titled, "Happiness is: Barrier Tree Environment for Handicapped" and was given by Beverly McDonough and Amy Penka.

These demonstrations were very interesting and informative.

Refreshments were served by the hostess to Mrs. Annie Maude Hopper, Blanche Williams, Ruth Scott, Bess Carr and the visitors, Nadine McDonough, Beverly McDonough, Amy Penka, David McDonough, Connie Curtis, Diane McDonough and Richard McDonough.

Floydada Senior Citizens Luncheon Held

Floydada Senior Citizens enjoyed their regular monthly luncheon at the Senior Center Thursday, April 19. There were 71 members, 9 new members, and 5 visitors present. Since the last meeting there have been 11 new members. Some who are shut-ins have asked to be on the membership roll.

There was much visiting, getting acquainted with new members, and renewing of old acquaintances. Some of our membership who have either been away or unable to attend the meetings were welcomed back. These monthly meetings are very happy and joyful get-togethers for the Senior Citizens.

Mr. Field gave a progress report on the paving project and the nutrition program. The paving of the parking lot is to begin soon. The nutrition program is at a standstill at the present time

awaiting further word from Austin.

The Senior Citizen Round-up at the Lubbock Fair Park Coliseum is to be held May 15 and 16. Mary Pearl Coward was chosen to represent Floydada Senior Citizens, Inc. at the Round-up. A large delegation from here plan to attend and enter the various contests.

Mr. Field appointed a committee to investigate the buying of Title VII project. He also appointed a nominating committee to present a slate of nominees for new officers for another year.

Mr. and Mrs. Fay Hart presented a musical program and led the group in singing gospel songs.

Mary Wilson reported that Rev. Floyd Bradley would be our speaker for the meeting on May 17. Mr. and Mrs. Kay Crabtree will present the musical program.

Elaine Hardy To Present Eighth Grade Students in Graduation Recital

GRADUATION RECITAL — Seated: Barbara Moore (left) and Mary Huffman. Standing, from left: Christi Norrell, Shawnda Sanders, Robin Hardy, Stephanie Bybee, Sheryl Perry.

Barbara Moore and Mary Huffman of Lockney and Christi Norrell and Shawnda Sanders of Floydada will be presented in an eighth-grade graduation recital at 2:30 Sunday afternoon, April 29, at the First Baptist Church in Lockney. All four are piano students of Elaine Hardy of Lockney.

They will be assisted by Robin Hardy, pupil of Jeanine Green in Plainview, and Stephanie Bybee and

Sheryl Perry, seventh-grade students of Mrs. Hardy.

Pieces will include selections from the Classical, Romantic and Modern eras.

Popular songs and duets will also be included. Becky Reeves of Floydada will play during the interlude between sections of the classical and popular selections.

The public is invited to attend. A reception honoring the students will follow.

Beware Of Chance To Work Ads

College Station — Think twice before paying for the chance to work, advises a consumer information specialist.

For instance, ads that read "Make easy money at home, send \$3 for details" may defraud consumers seeking to supplement their income at home, Claudia Kerbel says.

Dishonest ads may promise payment for at-home work only to send the hapless consumer a letter on how to start his own mail order business or inform him that he must pass a test or pay a registration fee before qualifying.

Ms. Kerbel is with the Texas Agricultural Extension Service, The Texas A&M University System.

Frequently the victims are homemakers with young children at home, shut-ins, elderly persons and the unemployed.

Many consumers who fall prey to these schemes never complain because of the small amount of money lost. But these small amounts add up when there are tens of thousands of responses.

Consumers who plan to invest in a work-at-home plan should first call the local Better Business Bureau or Retail Merchants Association to find out about the company's reputation, the spe-

cialist recommends.

Also, be cautious of the following before investing in a work-at-home opportunity:

—The advertisement promises large profits for little work.

—The ad requires the consumer to send money to receive further information.

—The ad says that no experience is necessary.

—The company will not supply the names of other employees so the consumer can check on their experience.

—The consumer is required to buy and then resell a product at a profit—the item may be of poor quality and unsalable.

From Nancy's Kitchen

Nancy Morckel, longtime home economist for Light-house Electric now resides in Lubbock with her husband Harry.

BUFFET POTATOES

4 medium baking potatoes
3 tablespoons butter
Salt and pepper
Chopped parsley
1/2 cup grated American cheese
1/2 cup light or heavy cream
Pare potatoes and cut lengthwise in strips as for French fries. Place in center

of a piece of aluminum foil. (Use double thickness if not heavy). Shape foil to form baking dish. Dot potatoes with butter, sprinkle with seasonings and cheese. Pour cream over. Bring edges of foil up to cover potatoes, seal all edges to make a tightly closed package but don't press. Place on cookie sheet or shallow pan. Bake in hot oven 425 degrees 40 to 50 minutes.

SWEET POTATOES
Mix 1 cup brown sugar,

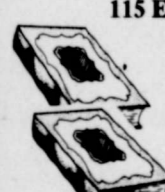

packed, 1/4 cup water, 1/4 cup butter, and 1/2 teaspoon salt in a skillet. Cook until mixture bubbles. Add 6 or 7 cooked sweet potatoes. Cook a few minutes until potatoes are caramelized. Then place potatoes in baking dish, dot with marshmallows and place in moderate oven until tops of marshmallows turn golden brown.

Athenians Learn About

Sixteen Athena Jr. Study Club members met Thursday, April 12, in the home of Sheree Cannon. Vida Hrbacek and Charlotte Mitchell served as co-hostesses. Members enjoyed touring Sheree's new home in Floydada. She was presented a potted plant as a housewarming gift from the club.

The evening program was presented by local florist, Eleanor Schacht. She gave tips on flower arranging and demonstrated how to make three different styles of arrangements by using flowers she had brought combined with flowers members had brought from their yards. Members also participated by telling about unusual or interesting things they have grown in their gardens.

Maxine Loran gave the evening devotional, reading Psalm 139. Martha Sue Lusk conducted the business meeting.

Be A Volunteer Blood Donor

each donor the person who received their blood, but because there are so many patients receiving blood on a daily basis, that task is almost impossible. Therefore, each time a volunteer donates, he is willingly sharing a part of himself with someone he may not even know. Of course, most donors realize that if they, a loved one or friend ever needed blood, someone be-

when it comes to this particular need.

So...the next time you are asked to volunteer a blood donation and you are having second thoughts about it, just remember how special you are and how valuable that personal pint of Blood is. For you, too, may someday be in need of it and as long as human creatures exist there will always be a need.

fore them unselfishly gave of himself so that another may live.

A volunteer blood donor also realizes that since there are no synthetic substitutes for blood, the only resource we have to turn to are human beings who manufacture this priceless product. It makes a blood donation even more special as we realize this, because only a human can assist another human being

Library Book Sale

The Friends of the Floyd County Library will be having a Book Sale on Old Settlers Day May 26. The sale will be held in Lloyd Allen's T.V. from 10 a.m. - 4 p.m.

BLOOD DONOR QUALIFICATIONS

AGE: 17 through 65 years old.

If state law requires written consent of parent or guardian for 17-year-olds, the acceptable minor donor permit form will be provided by your community blood center.

People 66 and over may donate if they obtain a doctor's written consent within 2 weeks of donation.

WEIGHT: Minimum of 110 pounds (50 kg).

DONATION FREQUENCY: At least 8 weeks between donations.

MEDICAL HISTORY:

YOU MAY NOT DONATE BLOOD IF YOU HAVE OR HAD:

- Hepatitis (yellow jaundice)
- Active disease of heart, lung, kidney, liver, stomach
- Internal malignancy (cancer)
- Diabetes requiring medication
- Addiction to injectable drugs
- Epilepsy, convulsions, frequent fainting spells

YOU MAY BE TEMPORARILY DEFERRED IF YOU HAVE OR HAD:

- Acute symptomatic flu, cold, or upper respiratory infection
- Close contact with hepatitis in last 6 months
- Ears pierced, tattoos, or acupuncture in last 6 months
- Active infection or disease presently requiring medication
- Vaccinations in last 24 hours; some vaccinations have longer deferral periods
- Major surgery or blood transfusion in last 6 months
- Dental surgery in last 3 days
- Pregnancy in last 6 weeks
- Currently active allergies (symptomatic) requiring prescribed daily medication
- Traveled to malaria area in last 6 months

FOR YOUR INFORMATION:

- It is best that you eat a substantial meal before donating, preferably one low in fats. Fasting is not recommended.
- If you are taking vitamins, hormones, birth control pills, mild diet pills, thyroid medications, or antibiotics for acne, you may donate unless otherwise deferred.
- We will ask for your Social Security Number for identification purposes.

sugar Facts and Fancies

When Renaissance Europeans got sick, they didn't take sugar-coated pills—they took sugar! Oddly, when sugar cane was first introduced to Europe, it was considered a medicine.

Not until 1747 was it discovered that there was a source of sugar other than cane: beets. Initially, though, beet sugar was scorned as being inferior to cane sugar. Ultimately, scientific experiments proved that the two sugars were absolutely identical.

Mulder.

Mrs. Jerry Taylor of Amarillo brought her daughter Candy here to spend the weekend with Mrs. Arby Mulder, who is convalescing from recent surgery, and getting along fine at her home. Mrs. Taylor came down and got Candy Sunday and spent the day with her mother, Mrs. Mulder.

Beth Pratt Guest Speaker In Kentucky Seminar

Beth Pratt (Mrs. A.C.) will be in Louisville, Kentucky, April 26, as a guest speaker at a banquet for Southern Seminary students and professors, as well as church media center leaders, attending a seminar administered by Dr. Ronald Deering, librarian, the Southern Baptist Theological Seminary, Louisville, and made possible by the Straughan Fund.

The Straughan Fund for church librarianship was established in 1976 at the Southern Baptist Theological Seminary in Louisville to give instruction and emphasis in the importance, value, and methodology of church librarianship to young ministers in the course of their regular seminary studies in theology, religious education, and church music.

Dr. Deering says, "South-

ern Seminary in cooperation with the Church Library Department will do what it can today to see that the church media center received the emphasis it deserved in the program of training the ministers of Christ for tomorrow."

Beth is volunteer Media Center Director at First Baptist Church, Floydada and a Special Worker for the Church Library Department of the Southern Baptist Convention. As a special worker she teaches various phases of church media center work at training events sponsored by the convention and upon request to churches and association. She has had several articles published in **Media, Library Services Journal** and is currently writing an article each quarter for the publication.

State Capitol Highlights

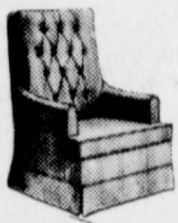

Teacher Pay Raises
Now that legislators know how Clements feels about interest rates, they can get on to other more pressing matters such as teacher pay raises. The governor has kept no one in the dark about how he feels on this subject.

From the outset, Clements made clear that he favored only a 5.1 percent pay boost for all state employees, including teachers.

This week, seven of the state's largest school districts sent representatives to an half-hour meeting with the governor, and Linus Wright, Dallas school superintendent, said Clements made clear "he was not going to change his position" on teacher pay raises.

All of the superintendents said the governor's proposal of a 5.1 percent increase was unacceptable. "That is not going to be sufficient to meet the needs of our teachers," Austin superintendent Jack Davidson told reporters

The 'Village' Will Rise Again!

Wichita Falls Digs Out

Photos Courtesy Tommy Baxter

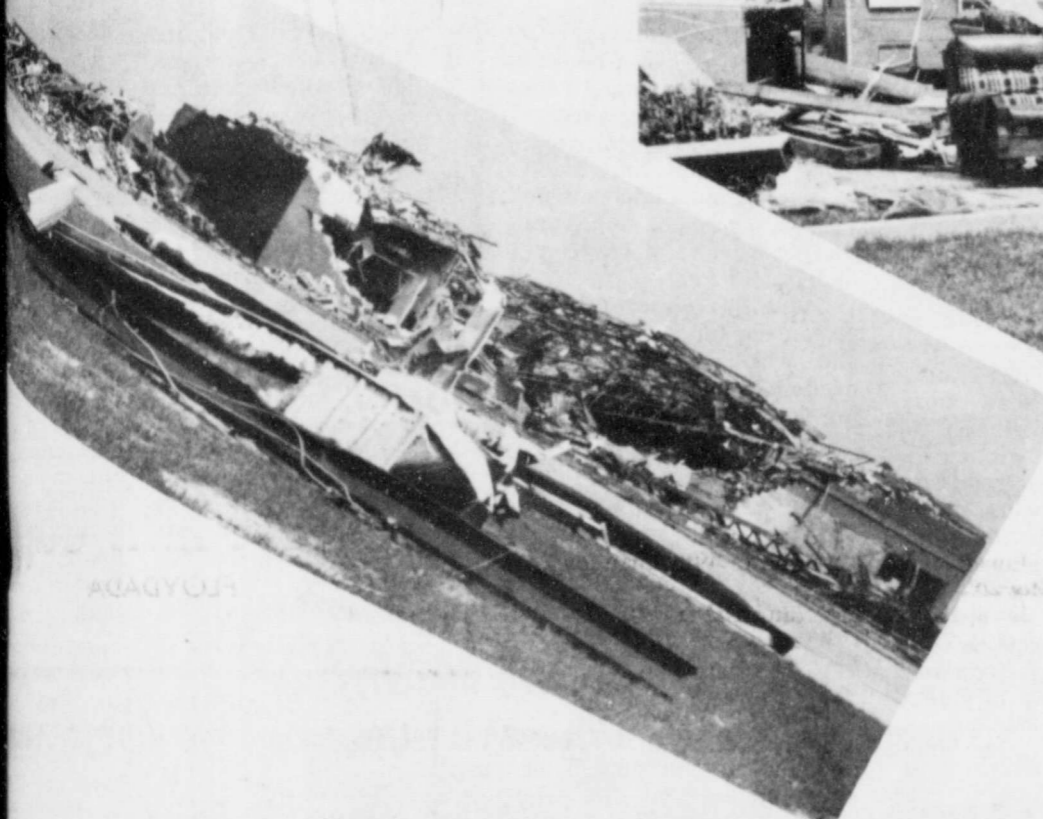

THE TOMMY BAXTERS returned to their home town of Wichita Falls . . . and found that destruction was "even worse than we had imagined from newspaper and TV pictures!"

Residents of the tornado-ravaged city have retained their sense of humor and have a feeling of togetherness. Baxter says that he observed many cases of neighbor helping neighbor.

A residence in "Faith Village," the housing development where the Floydada coach's mother and stepfather live, is shown at top left. The home of friends where they had gone to the cellar was totally demolished. Mrs. Baxter's parents and sister also reside in Wichita Falls although the parents' home and the sister's apartment were not badly damaged.

Remains of three apartment complexes are pictured at top right with a golf course in foreground.

Little remains of the house (center photo) where the Baxters lived before the family moved to Floydada.

Picture middle left shows debris from a stricken church. The church secretary was killed as the twister leveled the building.

Wreckage of two late model autos is shown at bottom center.

Signs such as the one shown at bottom left are prevalent throughout stricken portions of Wichita Falls, Baxter says.

Builders from cities far and near are streaming into Wichita Falls as rebuilding begins.

Floyd Armed Suspects Arrested In Motley County

Congressman
Charles W. Stenholm

Congressional Comment

set" approach. This is a logical way to phase out those programs which have served their purpose or have proved to be unsuccessful. I believe that we must take positive action to initiate a workable agenda to pinpoint programs that are not working and make more room for those that are effective. It is time for the sun to set on much of our federal bureaucracy.

Four Floyd County juveniles wanted for criminal mischief and auto theft were arrested Monday in Motley County in Sheriff Alton Marshall and DPS Trooper Dude Speed.

Two of the boys, armed with what was described as a .22 caliber rifle, were earlier reported to be shooting at objects and at the other two juveniles.

Motley County lawmen received a "be on the lookout" call at 9 a.m. Monday, from Paducah, where a pickup had been stolen. Trooper Speed later found an abandoned car 15 miles east of Matador.

Matador and east until it ran out of gas. Then they stole the pickup and drove it until it ran out of gas in the southeast corner of Dickens County.

Two of the boys received a ride into Roaring Springs by a local farmer. There they were picked up by Speed, and told him the other boys

had been shooting at them. Sheriff Marshall began checking back roads in search for the other two. Less than a mile northwest of Afton he spotted the remaining two suspects walking toward the community. They were carrying the rifle. Marshall stopped and ordered the two to throw down the weapon and walk toward him. The boy carrying the gun hesitated and Marshall gave the order again, this time displaying his pistol. The two immediately surrendered, threw away the gun and got down on the pavement when told to.

The four were taken back to Matador and later transferred to Floydada to await charges.

Outdoor Education Workshop Slated For 4-H Leaders

By Birch L. Lobban
County Extension Agent

4-H Leaders in Floyd County who are interested in receiving training in several new and exciting outdoor subjects and activities will want to mark May 5-6 on their calendars.

That's when special training sessions will be held at the Texas 4-H Center at Brownwood to prepare leaders for county 4-H camps and other outdoor projects and activities, points out Birch L. Lobban, county

agent with the Texas Agricultural Extension Service.

Leaders attending will be able to choose training in 4-H shooting sports or in such county camp activities as outdoor cookery, hiking and backpacking, planning day camps, bicycle rodeos and other events designed to make county camps better for 4-H members. There will also be a special training session on canoeing.

So, for a fun-filled week-

end that will provide learning opportunities and practical skills to use in county programs, Lobban encourages interested 4-H leaders to attend the workshop.

Additional details, including registration forms, are available at the County Extension office.

Educational program conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion, or origin.

Linda Morris' Filly Wins RMQHA Spring Derby

Linda S. Morris' confidence in her three-year-old Quarterhorse filly, Quick Victory, again paid dividends Sunday when the Floydada horse sped to victory in the

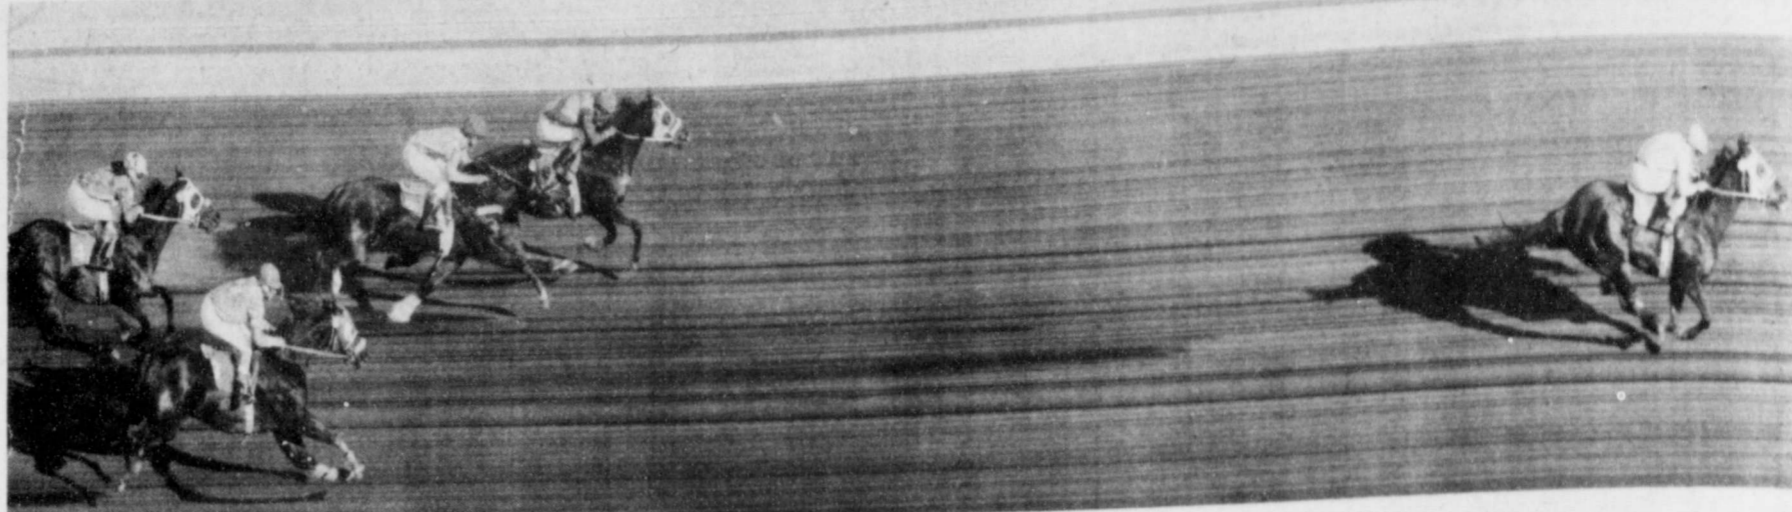

Rocky Mountain Quarterhorse Association Spring Derby at Centennial Race

Track near Denver. The filly earned an official 110 speed index, a Centennial track record for 400 yards. Quick Victory, who was "never hit with the bat

by the jockey" while daylighting the field by 1 1/2 lengths, now owns two track records.

On a muddy track 10 days earlier, Quick Victory won

her trial heat and fourth fastest time. The RMQHA by carried a purse of \$97,000. It was yards. In the trial, she defeated the Third Pass, winner, and earned \$35,000 winner's share. Delmore was named the filly. She was ridden by Fryday, Kooner, and her brother.

QUICK VICTORY shown winning again. Linda Morris' filly has recorded four victories and one second in five lifetime starts.

New Bill Proposes Simpler Tax Payment

If you are one of thousands of Texans driving clean machines—vehicles running on high-octane LPG engine fuel, you'll be interested to know a new bill has been introduced in the current session of the State Legislature which, if passed, will greatly simplify your payment of LP-Gas state highway user tax!

For several years, persons engaged in agricultural pursuits have been able to buy a Special Farm User Decal, thus pre-paying the tax on 1200 gallons of LP-Gas—enough fuel to go about 15,000 miles.

All other LPG-powered vehicles (including those on dual-fuel) have had to secure a Comptroller permit and keep extensive records. Some vehicle owners have had to purchase bonds.

The new law, House Bill 1431 (in the Senate, SB 810), proposed by the Texas LP-Gas Association, will, if passed, enable all users to pay their state road use tax via the decal approach.

Once you purchase the decal from the State Comptroller, you may drive unlimited mileage without additional state tax liability. No more record-keeping for LPG engine fuel users; no permits, no bonds, no audits. If the bill passes, you'll just buy a decal and drive.

See the table, lower right, for the payment schedule proposed, based on registered gross weight.

To assure that each owner of an LPG fueled vehicle purchases the required decal, the law will be tied to the Motor Vehicle Inspection Law. You won't be able to get an inspection sticker for your vehicle unless it displays the LPG tax decal.

If the bill becomes law, you will be notified by both the State Comptroller's office and your local LPG dealer in ample time to purchase your decal. If you have any questions about this proposed law, contact your local LPG dealer.

Registered Gross Weight	
Class A: Less than 4,000 lbs.	\$ 72
Class B: 4,001 to 8,000 lbs.	84

Cedar Hill News

by Grace Lemons

Thursday Mr. and Mrs. J.R. Kelley and Norma Welch visited Mattie Davis in Plainview.

Around 40 people enjoyed the fish fry at the Assembly of God Church Thursday night. Steve and Emily Mize of Stockton and Clara and Albert Mize also attended.

Steve and Emily Mize and Thelma Jones left by plane Monday morning for their home in Stockton, California, after spending about two weeks with Mr. and Mrs. A.S. Mize and other relatives.

Alford Seay of Clovis, New Mexico, visited with Mr. and Mrs. Tom Fortenberry Saturday.

Rev. and Mrs. Vance Mitchell left Tuesday morning for Lubbock to attend the District Convention of the Assembly of God Churches. Tuesday night was the Youth Rally, Wednesday was the Missionary Rally and Thursday was the ordaining of ministers.

Todd, Mychelle, and Terry Harris of Floydada spent the weekend with Mr. and Mrs. Cephus Fortenberry.

Mr. and Mrs. Alford VanHoose of Lubbock spent Friday night and Saturday with Mr. and Mrs. John D. VanHoose.

Mr. and Mrs. Jim Conner are the great grandparents of a baby boy born to Roxane and Bing Fernish of Liberal, Kansas. The grandparents

are Fred and Peggy Conner of Amarillo. The baby has one older brother.

A bridal shower honoring Kim Lackey, bride-elect of Kelly Mixon will be in the home of Edna Gilly May 5 from 2 to 3 o'clock.

Shield B. Decker, nephew of Mrs. Carl F. Lemons was taken to Albuquerque from the Veterans hospital in Amarillo to enter the Veterans hospital Monday where he will have three days of tests before undergoing open heart surgery.

Mr. and Mrs. Dayne Golightly of Floydada visited Mr. and Mrs. Lindsey Lackey Sunday.

Mr. and Mrs. W.E. Lackey had dinner Sunday in Silverton with Mr. and Mrs. Jay Fowler. They also visited Jay's mother in the nursing home.

Thada Fowler and Clayton of Silverton helped Mrs. W.E. Lackey celebrate her birthday Saturday in the home of Mr. and Mrs. W.E. Lackey.

Dayne Golightly, grandson of Mr. and Mrs. W.E. Lackey underwent major surgery in the Central Plains Hospital at Plainview Monday morning. It is reported that he is recovering satisfactorily.

Grace Lemons entered the Central Plains Hospital in Plainview Wednesday morning where she will undergo major surgery this morning (Thursday) and will not be able to do the news next week.

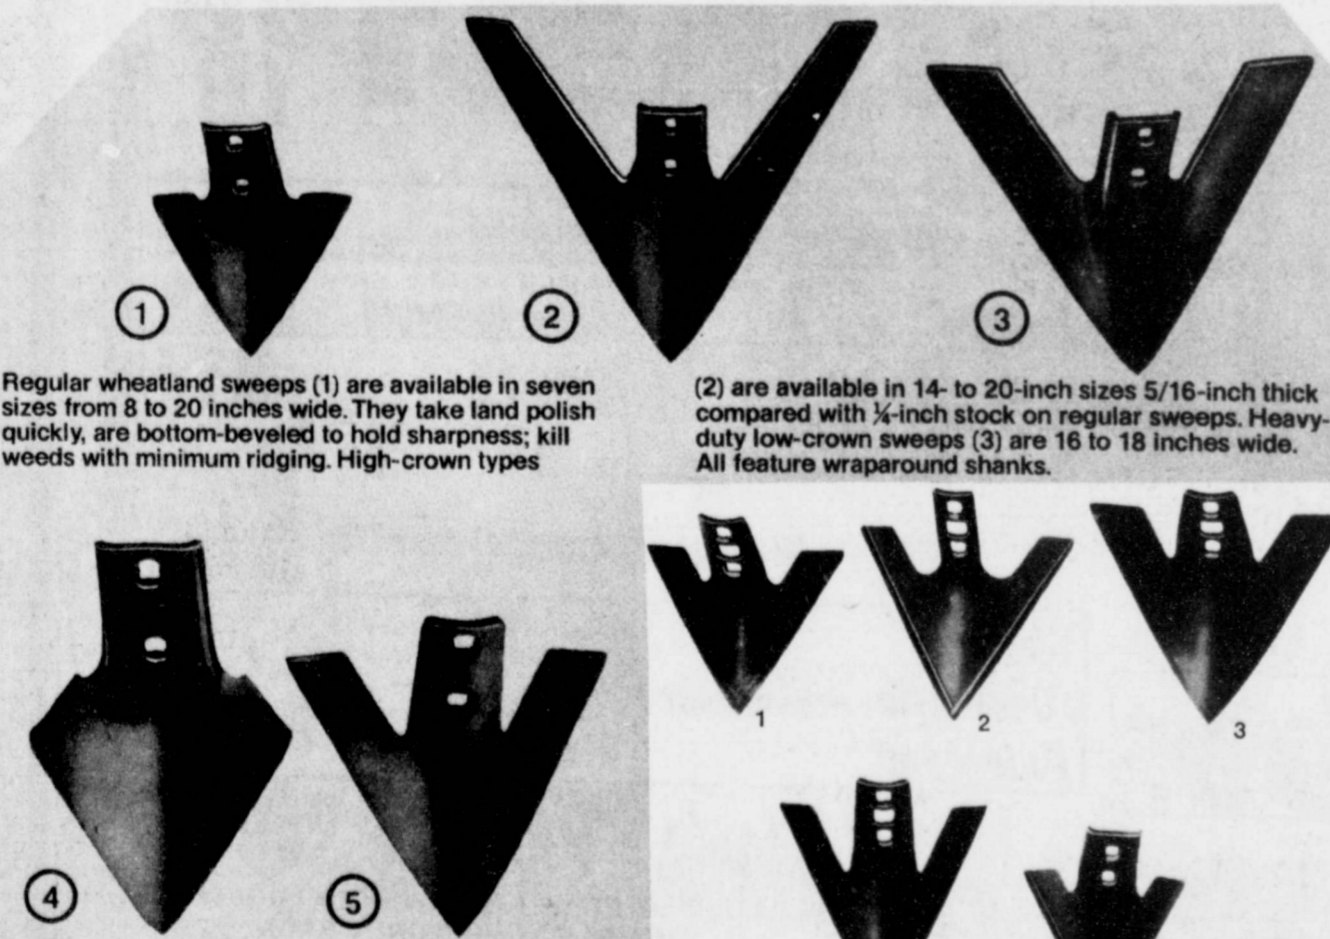

PERRY IMPLEMENT CO., INC. SPRING SPECIAL

GET READY FOR SPRING CULTIVATING

ALL GENUINE JOHN DEERE SWEEPS

12% OFF

Regular wheatland sweeps (1) are available in seven sizes from 8 to 20 inches wide. They take land polish quickly, are bottom-beveled to hold sharpness; kill weeds with minimum ridging. High-crown types

(2) are available in 14- to 20-inch sizes 5/16-inch thick compared with 1/4-inch stock on regular sweeps. Heavy-duty low-crown sweeps (3) are 16 to 18 inches wide. All feature wraparound shanks.

These 6-inch chisel sweeps (4) do a good job of breaking up soil for water absorption, and tack in stubble to retard wind erosion. Wraparound shanks ensure positive fit. Ribbing beneath points provides added strength. Heavy-duty sweeps (5) are designed for maximum strength and durability. Choose from five sizes, 6 to 14 inches wide.

Universal sweeps (1) are available in eight widths, 5 to 24 inches. Low crown, narrow shank, low wing angle, and quick scouring produce high-speed work. Peanut sweeps (2) offer eight sizes, 6 to 20 inches, of special design for high-speed cultivation with only slight soil movement. Mixed-land sweeps (3) have eight sizes, 4 to 16 inches; throw soil and leave a mulched surface due to high, broad crown, high wing angle, and broad shank. Blackland sweeps (4) are for areas where scouring is difficult; nine sizes from 4 to 20 inches with high crown and high wing angle. General-purpose sweeps (5) have 4 1/2- and 6-inch sizes with low-pitched wings for good soil flow.

Bob Wills Day Saturday And Sunday

Turkey will be the site April 27-28 of the eighth annual Bob Wills Day. An arts and crafts show is planned in the Bob Wills Center and the Wills Museum will be open.

Special movies of the late Western musical entertainer are to be shown, along with TV specials, upstairs of the Bob Wills Center.

A Friday night dance is planned from 9 p.m. to midnight April 27 at the Bob Wills Center.

A parade in downtown Turkey opens the Saturday agenda at 10:30 a.m. This will be followed by a barbecue at 11 o'clock and an old fiddlers contest starting at 1 p.m.

YOUR GARDEN

Roses Can Add Beauty Without Undue Effort Sooner or later, everyone who has a garden thinks about growing roses. Unfortunately, many people don't ever get beyond the dreaming stage because they are overwhelmed by the thought that growing roses is beyond their ability.

Hogwash! Certainly, there are the usual sorts of demands made by a living plant—proper soil conditions, regular fertilizing, sufficient water, good drainage, occasional pruning, a regular program of insect and disease control. And certain varieties do require special pampering. There are, however, hundreds of different varieties of roses, and you can easily find several that will suit your needs, tastes and maintenance requirements.

According to the American Association of Nurserymen, this is an excellent time to add fragrant, colorful rose bushes to your landscape. The nursery association is cooperating with other horticultural organizations in a nationwide "Year of the Rose" campaign in 1979, saluting that flower as a symbol of love, friendship and peace.

Although there are many varieties of roses, most can be placed into six basic classes. Hybrid Teas are hardy plants with long pointed buds whose blooms are noted for their fragrance and delicate color. Floribunda roses are known for their abundant flowers and adaptability to most any landscape purpose. Grandiflora roses combine the beauty of the Hybrid Tea with the free-flowering form of the Floribunda. They are generally taller and hardier than the Hybrid Tea. Climbing roses are not a type of rose per se but include all varieties which have long shoots or canes that can be trained to many forms and purposes. Miniature roses are plants dwarfed in every respect, hardy, ever-blooming and used as potted plants both indoors and out. Finally, Shrub roses are a species of wild roses, extremely hardy, vigorous and easy to maintain.

Don't let the fear of growing roses keep you from enjoying their beauty and fragrant odor. A plant that has survived the rigors and perils of this world for 60 million years is far tougher than you would believe. Take advantage of this "Year of the Rose" and add the "Queen of the Garden" to your garden.

A YOUNG tree is no match for a moving vehicle, as evidenced by this tree which was run over and broken off at ground level recently in Annie M. Taylor Park. City Manager Bill Feuerbacher says 18 trees were struck down in the northeast Floydada park.

Frank Taylor And Family To Lead Nazarene Services

Frank Taylor and family will be presenting special messages in song and sermon at the Floydada Church of the Nazarene April 27-29. Services will begin at 7:30 p.m. each night and Sunday services will be at 9:45 a.m., 10:45 a.m. and 6 p.m. Everyone is invited to

"come and enjoy a great weekend with God's people."

Spring Concert May 20

May 20 is the date for the annual spring concert presented by Floydada school bands. Remember this date and plan to attend the salad luncheon and special music presentation.

Jr. High Band Festival May 11

The Junior High Band Festival to be held at Floydada High School will begin May 11. It will continue from 4 until 8 p.m. Friday and from 8 a.m. until 5 p.m. Saturday.

Thirty-two area bands will participate in the event. A concession stand will be open to the public in the high school cafeteria.

Come on out and support your school!

Roxie Gordon Visits Tornado Stricken Area

Roxie Gordon returned Monday from a trip to see relatives in the Wichita Falls area. Garland and Fort Worth. Before the trip, Mrs. Gordon had been informed that her family in Wichita Falls were all safe but upon her arrival she learned her granddaughter, Marty Dudley Maxwell had been under the dash of her car during the storm. The car was demolished by flying debris. Aside from glass splinters and wood splinters imbedded in her skin and scalp no other injury was suffered.

While shopping in a mall in Fort Worth, with her sister, Mrs. Floy Blair, torrential rains flooded the mall, parking area and streets. After several miles of detours the sisters arrived safely at the home of Mrs. Blair.

Needless to say Roxie is very happy to be at home.

Softball League Forming

All persons interested in forming slow pitch softball teams should contact Mike Muniz, Rod Enriquez, Oscar Santos, or Bob Gilliland by next Monday, April 30.

FLOYD DATA
Grace Lemons, Cedar Hill correspondent for the Hesperian, entered Central Plains Hospital in Plainview Wednesday and was scheduled to undergo major surgery today.
