A BEVY OF BEAUTIES — Rodeo Queen contestants and the last year's queen line up with members of the Floydada Rodeo Association before the final performance Saturday evening. The was selected on the basis of how many chances on a \$750 saddle she sold. [Staff Photo]

TOUCHDOWN — A member of the Navy parachute team Leapfrogs hits the target panel squarely during an earlier demonstration of precision parachute jumping. The jumpers increase their speed to 220 m.p.h. and then slow down to less than 5 m.p.h. for a stand-up landing. [U.S. Navy Photo]

BUMPER THUMPER — No one was injured Tuesday afternoon when these two cars collided at the intersection of Tenth and Grover Streets. Two women and an infant were in the car on the left and a man was driving the car on the right. [Staff Photo]

Upcoming Area Events

Plainview—All booths for the 1979 Running Water Draw Arts & Crafts Festival have been assigned, according to Festival director Rob Strong. The three-day show, October 12-14, features the work of 125 artists and craftsmen from Texas, Oklahoma, New Mexico, Colorado, Arizona, Missouri, and Ohio. Proceeds benefit Plainview Rotary Club and Llano Estacado Museum. Applications for a waiting list are being accepted. Any artist or craftsman who would like more information can contact Strong at Wayland College, Plainview, Texas 79072.

Silverton Fire Department will sponsor a Slow-Pitch Baseball Tournament in Silverton August 17-18-19, 1979. Entry fee will be \$60.00 plus two balls, and all proceeds of the tournament will be used to help defray the cost to the fire department of installing the cable television storm warning system and balance due on the new fire truck. Entries may be mailed to Emmett Tomlin, Jerry Patton or Anthony Kingery in Silverton. For further information, call Jerry Patton at 823-2125. Trophies will be awarded to the winning teams. A concession stand will be provided.

Entrants for the Canyon Open Tennis Tournament, to be held on the West Texas State University campus Aug. 10-12, are now being accepted, according to Todd Reed, the organizer for the event. Entries must be received by Aug. 8 for consideration. A \$5 fee will be assessed to persons entering singles matches and a \$10 fee for each team in the doubles.

Junior matches will start at 9 a.m., Aug. 10, with adult matches scheduled to begin at 5 p.m. that day. There would be A and B division in the men's and women's matches. Experienced players would be placed in the A division, Reed said, with beginners going to the B division. Matches will be held in the Men's and Women's singles and doubles, Men's Over 35 singles and doubles, Men's Over 45 singles and doubles, Women's Over 35 singles and doubles and mixed doubles matches in the A and B divisions.

In the Junior category, matches will be played in the Under 12, Under 14, Under 16 and Under 18 year old brackets, singles and doubles. For more information, contact Todd Reed at Box 1006, W. 1. Station, Canyon or telephone 655-3086.

"I'm beginning to see why this is known as a tough course."

Lawmen Recover Bicycles

Floyd County Sheriff's Department deputies and Floydada police, acting on information provided by a young woman this week, apparently put a stop to a series of 10-speed bicycle thefts that have plagued local residents.

Deputy Jim Gollihar reported that the city police made the first arrest after the owner of one of the stolen bicycles spotted the two-wheeler Friday, being ridden by an 18-year-old woman.

During questioning, the woman gave

the lawmen information that led to the recovery of two more stolen bicycles.

One adult and one juvenile were arrested in connection with case, their names reportedly provided by the woman.

All three bicycles were reported stolen during July. The recovery of the three cycles leaves only one missing bike left on the report sheets, Gollihar said, but he anticipated recovering that one soon.

Lightning Kills La Feria Man, Two Sons Near Plainview

A La Feria man and his two teenage sons died Monday night near Plainview when lightning struck their pickup truck.

Benito Cabello, 38, and his sons, Gilbert, 14, and Noel, 12, were riding in the back of the family pickup when lightning hit the moving vehicle. A third son, Joel, 12, was admitted to Central Plains Regional Hospital and was listed in fair condition Tuesday.

Mrs. Cabello, who was driving the truck, was not injured. The family was

trying to find shelter from the sudden storm, she told investigators, when the lightning bolt struck.

Justice of the Peace Glenn Stone, of Plainview, pronounced Cabello and his sons dead at 8:30 p.m. Monday.

The storm flooded and cut off power to parts of Plainview. Two separate storms hit Plainview within a short time, spawned by a weak cold front moving across the South Plains early this week.

High Plains Water Conservation District Board Sets Meeting For Aug. 6

During their next regular meeting at 10:00 a.m. on Monday, August 6 in the Lubbock offices, the Board of Directors of the High Plains Underground Water Conservation District will consider the possibility of providing support data, on the depletion that occurs of underground water used in agriculture operations, either to landowners or tax assessors for use in appraising agricultural land.

Texas House Bill 1060, which passed during the last session of the legislature, provides guidelines for appraising agricultural land. The bill includes a provision for deduction, as a fixed expense, the depletion of underground water used in agricultural operations. The bill also stipulates how the cost associated with underground water depletion of irrigated lands should be calculated.

The High Plains Water District has been providing the necessary figures to support Federal Cost-In-Water Income Tax Depletion claims as a service to the District's area landowners since 1965.

The District has an extensive system of record keeping and data retrieval. The Board is anticipating requests from the soon to be established county-wide appraisal districts for data on which to calculate these depletion allowances for appraising the value of agricultural land. Board Members will discuss possible contractual stipulation or other options versus costs in providing this information to assessment offices. They will examine procedures and expenses involved in preparing the additional needed data which must be available next year when taxing entities will begin appraising agricultural land on its productivity rather than its market value.

In other business the Board will consider adopting a resolution to all District Counties to participate in each county's appraisal district, and they will consider testimony on the possible need for a rule requiring the installation of check valves on certain water distribution systems.

Clements Signs Legislation For Ogallala Import Authority

Gov. Bill Clements signed the master district legislation last month for creating the Ogallala Import Authority. The bill will become law Aug. 27.

That does not mean that the Import Authority will come into existence that day, since a prerequisite for its formation was that water be contractually available.

Under provisions of the law, an import authority can be created with approval of the voters once an adequate source of water is available for import. The authority would cover all those counties overlying the Ogallala Aquifer except Crosby, Dickens, Borden and

Garza counties. The affected region comprises more than 40 counties in Texas, including Floyd.

Additional counties could seek annexation into the authority and may be admitted upon approval of the authority and the voters of the county seeking annexation.

After the authority is created, it becomes the contracting agency for imported water and controls the equitable distribution to various users within the area.

The authority is expected to assure a high degree of local control over importation.

West Texas Chamber Opposes Windfall Profits Taxes

The West Texas Chamber of Commerce in a position statement issued July 30 went on record as strongly opposing the assessment of a so-called windfall profits tax on domestically produced oil.

Edward H. Coltharp, WTCC Executive Vice President, stated that the regional chamber had contacted all members of the West Texas delegation in Washington informing them of the chamber's position. It is the opinion of the WTCC that the domestic oil and gas industry must be depended upon to help produce the country out of the current energy crisis.

In view of this, Coltharp stated that the WTCC stands opposed to the windfall profits tax which will serve only to place the federal government in the energy business and further hinder

efforts by the oil and gas industry to adequately increase exploration and production.

In its five point position statement, the WTCC called for immediate steps to bring about full production of coal using conventional methods along with accelerated development of nuclear power, production of synthetic oil and gas from coal and the development of shale oil resources.

The WTCC called for strict cost benefit controls to be used in administering EPA regulations when these regulations are found to be stalling energy development, without commensurate benefits to the general public.

Opposition to fixed import quotas was strongly voiced by the WTCC on the basis that quotas can subject the nation to a no-growth policy with severe recessionary implications.

Floyd Philosopher Ponders The Crisis Of Confidence In Government

Editor's note: The Floyd Philosopher on his Johnson grass farm on White River tackles the confidence problem this week, sort of.

Dear editor:

As tough as the energy shortage wasn't enough of a problem, we now have a shortage of confidence, we've been told.

We've declared war on energy but to declare it on confidence too and try to fight two wars at the same time may be more than the government can handle. Windfall tax money will go just so far.

Therefore it looks like we'll have to tackle the confidence problem on our own without tax support. Right off I can tell you one cause of it.

It's the filing system used by the television industry.

For example, an expert economist looks into the camera and tells us we're in a recession. Then some smart-alec in the TV studio digs back in the files and runs a shot of the same guy three months ago telling us we aren't going to

have a recession. Or a politician says we've got to be followed by a film of a support gas rationing. This may be another have with confidence. If Congress were to mention confidence in the ought to pass a law. Long stations from Friday morning. Five years after it's clear his can see to confidence in our government. Another next month. Has got to be another people know that some is based mainly on. And another thing. Many went thermostats in air-conditioning which was bled so they can be to the other. Mrs. Hollis of Levelland and Mrs. J.P. Johnny and Mrs. Higginbotham. Mrs. Grigsby and Mrs. Fred Claude Denton. Mrs. Julian, Mrs. and Mrs. Ma. were among those here from the after. Rev. Motley County Judge Gets Notice Of Change In State Government

A letter received Monday by Motley County Judge Billy Whitaker may have touched off an investigation by the Department of Public Safety Intelligence Division which could spread state wide.

The letter said a new government would assume control of the judicial machinery of the nation and revolutionary courts would be formed.

The letter was from the Provisional Government of Texas and addressed to all sheriffs and county judges found with in the "Territory of the Provisional Government of Texas." It was signed by Dr. William R. Pabst, who claimed to be "Attorney General."

It implied that the "new" government would set up revolutionary courts which will issue severe punishment to officials who violate rights of the people.

After reading the letter Whitaker called Matarador Tribune Publisher, Leon Watson, who also read it. Watson then called the office of Texas Attorney General Mark White.

While speaking with Charles Campbell of the Crime Prevention Division of the Attorney General's office about the strange contents of the letter, Watson was told to contact Captain Dudley Thomas, DPS Intelligence in Austin. Thomas told Watson that the DPS had never heard of the Provisional Government of Texas, the same answer Watson had heard from the Attorney General's office.

Thomas instructed Watson to forward the original copy of the letter to him, so with Judge Whitaker's permission, Watson mailed the letter to the DPS in Austin.

"I wasn't aware that this Mr. Pabst had been elected Attorney General," Campbell told Watson. "If the letter was sent to all county judges and sheriffs, I'm surprised we haven't been receiving a lot of calls on it."

Judge Whitaker said the letter may be a prank but should warrant an investigation.

The Letter: Provisional Government of Texas Box 301-D 3530 Timmons Lane Houston, Texas 77027

July 21, 1979

Memorandum

To: All Sheriffs and County Judges found within the Territory of the Provisional Government of Texas.

From: Dr. William R. Pabst, Attorney General.

RE: Notice Concerning your Duties. On July 22, 1978, this Government was established by a meeting that took place in Dallas resulting in the correct notices being filed personally at the United Nations, the State Department of the United States and the Secretary of the United States Senate.

**'Basket Shower' Honors
Miss Tammy Carthel**

Miss Tammy Carthel, bride-elect of Zach Zachary, was honored at a "basket shower" and dinner on Thursday evening, July 19 at the Plainview Club, Plainview. Mrs. Dona A. Winter of Lockney hosted the festive event with special guests from Miss Carthel's family: Mrs. Mervean Carthel, mother; Jackie Carthel, sister, both of Lockney, and Mrs. Sherry Price, sister, of Plainview. Other invited guests were Ann Gaskin, Tina

Graves and Gay Gibson, all of Lockney, Sherry Tilson of Floydada and Doretta Anderson of Happy.

The dining table was highlighted by a fresh flower arrangement of large mint green carnations, daisies and babies breath which were in keeping with Miss Carthel's chosen colors for her wedding on August 10th.

The "basket shower" gifts consisted of a large variety and style of basketry and woven straw and ratan items.

MARK AND RHONDA MAYO

Rhonda Ward, Mark Mayo Vows Pledged

Rhonda Ward and Mark Mayo were married in Floydada July 20. The bride is the daughter of Mr. and Mrs. Robert Ward; and Mr. and Mrs. Darrell Mayo are parents of the groom. Rhonda

and Mark are 1979 graduates of Floydada High School.

The couple plan to reside in Floydada, where Mark is employed by Hammond Sheet Metal.

Education makes a people easy to lead, but difficult to drive; easy to govern but impossible to enslave.

—Henry Peter

The direction in which education starts a man will determine his future life.

—Plato

A man ought to read just as inclination leads him; for what he reads as a task will do him little good.

—Samuel Johnson

**FHS Class of 1969
10th Reunion**

The Floydada High School Class of 1969 held its 10th Reunion on Saturday, July 28 at the Massie Activity Center in Floydada. School pictures, annuals, and scrapbooks were displayed.

A bulletin board was set up for pictures of classmates' children and families. "Dummies" were dressed in old cheerleading and football uniforms to add "Spirit" to the occasion.

Everyone attending enjoyed visiting with each other, sharing in a meal, and watching old football films.

Those attending locally were: Penny McClintock Goughly, Sharon Fuller Quisenberry, Carrie Thayer Bertrand, Sherry Roberts Smith, Lana Fair Bloys, Gale Campbell, Zacha

BOWEN

Russell David (Rusty) is the name of the new son of Bob and Lois Bowen of Tucson, Arizona. Rusty was born June 3, weighing four pounds six and a half ounces and is improving daily in the hospital. He has one brother, Nathan.

Mrs. Bowen is the former Lois Hasley, who was employed by Dr. Charles Craig while she lived in Floydada.

Grandparents are Mr. and Mrs. Allen Bowen of Tucson, Arizona, and Mr. and Mrs. Alvis Hasley of Lubbock.

COLLIS

Mr. and Mrs. Lloyd Collis of Amarillo are the parents of a son, Robert Randell, born July 11 in Amarillo hospital. The six-pound, 14-ounce, 19 1/2-inch-long boy was their first child.

Grandparents are Mr. and Mrs. Randell Collis of Lockney and Mr. and Mrs. Arnold W. Franklin of Poteet. Mrs. Ora Collis of Lockney is a great-grandmother.

LACEWELL

Ben and Lois Lacewell of Bryan are the parents of a new daughter, Victoria Lynn. She weighed six pounds, six ounces and has been born June 20. She has a brother, James.

Grandparents are Mr. and Mrs. D. J. Rice of Lubbock and Mr. and Mrs. W. R. Rice of Amarillo.

LA RUE

Victor and Lois La Rue of Amarillo are the parents of a baby girl, Mary June. She weighed seven pounds, six ounces and was born June 20.

Grandparents are Mr. and Mrs. O. L. La Rue of Amarillo and Mr. and Mrs. R. L. Richardson of Lockney.

Brad Rainer, Leif Younger Attend Basketball Camp

Brad Rainer, son of Mr. and Mrs. Don Rainer, and Leif Younger, son of Mr. and Mrs. Jakey Younger, attended the Wayland Baptist College basketball camp the past week. The boys competed in several competitive aspects of basketball.

Brad and Leif won a trophy for being on the team that won the Super Star competition and the most games in the ABA division. Brad also won a trophy for the three on three competition and Leif won the Best-All Round trophy in the ADA division.

FLOYD DATA
Rebecca and Stephen Crawford of Fairbanks, Alaska are spending the month of August with Mr. and Mrs. A.C. Pratt, Rob and Kerry. They are the grandchildren of Mr. and Mrs. R.H. Crawford. The Crawfords have just returned from an eight week visit and tour of Alaska with their son, Major H. Jerry Crawford.

FLOYD DATA
Scott Newton, Floydada chief of police, entered the Veterans Hospital in San Antonio this week for a series of tests.

FLOYD DATA
Curtis Collins, son of Mrs. A.C. Collins of Hesperia, California, visited the last two weeks with his mother and sisters Mrs. Wesley Adams and Mrs. Ernest Tobin of Lubbock.

FLOYD DATA
Mrs. Jack Henry and sons David and Robert returned to San Antonio Tuesday July 31. David and Robert had been visiting for the past three weeks with their grandparents, Mr. and Mrs. Harris Underwood of Lubbock and Mrs. Allene Henry of Floydada.

Lucille Daniel, Artist Of Week

Lucille Daniel is currently being featured as artist of the week at Art Southwest. She has entitled her work which is on display "Sheep Country." It is an oil, done mostly in earth tones.

Lucille is a homemaker and the mother of three children: Tanya Covington and Sallye Day, both of

Floydada, and Dale of Denver, Colorado. She has ten grandchildren and two great grandchildren. Lucille's husband, Tom, is associated with Daniel Automotive. Hobbies which Lucille has enjoyed includes tole painting and fishing—but not necessarily in that order, because fishing comes first.

Lucille Daniel

Hunter And Trapper Area News

Hunters and trappers receiving notices from Texas Parks and Wildlife to renew their hunting and trapping license will be finding a card enclosed in with their renewal notice warning about the danger of rabies.

Caprock Trapper's Assn. would like to remind everyone that rabies in wild animals is twice as high this year in Texas as it has been in past years. The danger to trappers and those coming in contact with wild animals or handling furs and hides of wild animals are in much more danger of being exposed to wild animals carrying rabies than anyone else.

CRTA got in touch with Texas Dept. of Health in Dickens to get information about the rabies vaccine now available. Caprock is working in conjunction with the Dept. of Health to set up a series of clinics to vaccinate anyone interested in receiving these rabies shots. It is necessary to receive three to four of the shots at one week intervals to be effective.

Although the Texas Dept. of Health can give the shots it is required that a doctor be present. The health dept. is in the process of contacting the state doctor about coming to Dickens for the clinics as soon as they confirm that

he is available CRTA will get with them and the doctor to set up the dates for the clinics. The only charge will be for the vaccine.

CRTA encourages all its 150 members to consider taking these shots and to contact The Texas Dept. of Health in Dickens 623-5565 on myself - Preston Mynatt, Roaring Springs 348-2581. We need to know about those who are interested so the health dept. will have an idea of how much vaccine to have available at the clinic. They can't keep it on hand and so will need to send for the amount they expect to need.

Rabies hasn't been near as bad in the areas around Dickens County or Lubbock County as is reported in other areas. This is due to the amount of quality trappers in these areas.

Our government must help American companies achieve the strength and diversity they need to compete in foreign markets.

Highway Use Tax Return

Floydada-August 31, 1979, is the date by which most owners of large trucks, truck-tractors, or buses must file a Federal Highway Use Tax Return, Form 2290, the Internal Revenue Service said today.

The tax year for the Highway Use Tax begins July 1, 1979, and runs through the following June 30, 1980. Vehicles placed in service after July must have Form 2290 filed with the taxpayer's Service Center by the last day of the month following the month a vehicle is used on a public highway for the first time.

According to the IRS, the tax generally applies to single unit trucks weighing 13,000 pounds or more, 2-ax-

led truck-tractors weighing 5,500 pounds or more, 3 or more axled truck-tractors regardless of weight, trucks of 9,000 or more pounds equipped for use in combinations, and buses with a gross weight of more than 26,000 pounds.

Revenue from the Highway Use Tax Program assists states in financing the Interstate Highway System, but the tax is imposed on those vehicles using any public highways, city streets, state roads and interstate roadways.

Form 2290 and the free IRS Publication 349, "Federal Highway Use Tax on Trucks, Truck-Tractors, and Buses," are available from IRS District Offices.

Summer Sandwiches

August is Sandwich Month, and that means not only cool summer meals, but back-to-school sack lunches, as well. You don't have to eat out to enjoy those special sandwiches that are so different from the usual ham or chicken sandwiches.

Be creative and try some interesting variations in your own kitchen. Late summer is the perfect time to include some of the wonderful fresh vegetables from the backyard garden. Don't be afraid to add fresh, sliced cucumbers, green peppers, or even crunchy sliced squash to your favorite sandwich. Most kids like carrot slices with their sandwiches, so let them help you prepare these supper summer sandwich treats.

A favorite combination for summer is cheese, mashed avocado, and bean sprouts on whole wheat bread. A special dieter's sandwich might contain cottage cheese, chopped hardboiled egg, tomato slices, and salt and pepper to taste. Add chopped apple to tuna fish, or crushed pineapple to diced chicken. Sandwiches are quick and easy any time. If an active jogger is hungry at breakfast time, he or she might well choose bacon combined with Cheddar cheese and tomato slices.

Even though sandwiches (named after England's Earl of Sandwich), did not originate in this country, Americans eat about 200 million every day, say Dairy Council, Inc. home economists. Nine percent of those 200 million are cheese sandwiches, and brown baggers especially favor them. Yellow American cheese, sliced Swiss, or smooth cream cheese are the overall favorites.

One of the best things about sandwiches is that everyone from junior to grandpa can make their own favorite combination sandwiches. Make sure you have all the "makin's" on hand: luncheon or sliced chicken and ham; cheeses and fresh vegetables. Special ingredients like sauerkraut, pickles, avocado and bean sprouts really add to the sandwich. Traditional sandwich ingredients take on a delicious new twist when you put them between raisin bread or light rye. Try unsliced bakery bread, and slice it yourself for the texture your family likes best.

With a big glass of cold milk, these filling sandwiches make a balanced meal. Just take a quick look and you will see there foods from all Four Food Groups: milk, meat, vegetable-fruit and bread-cereal!

Open-Face Chic-A-Cheese
2 cups chopped cooked chicken
1/2 cup dairy sour cream
1/2 cup thinly sliced celery
1/2 cup (2 oz.) crumbled Blue cheese
1 teaspoon instant minced onion
1/4 teaspoon seasoned salt
3-4 spiced apple rings

6 slices whole wheat bread, buttered
In a bowl combine chicken, sour cream, celery, Blue cheese, onion and salt. Drain apple rings on absorbent paper. Cut 1 1/2 rings into fourths (6 pieces) for garnish; set aside. Chop remaining rings and add to chicken mixture. Chill to blend flavors. Place leaf lettuce on each bread slice; spread each with about 1/2 cup chicken mixture. Garnish with reserved apple pieces. Makes 6 servings.

Floydada Care Happenings

Thanks to the Love Class of the Calvary Baptist Church for the peaches. The residents really enjoyed fresh peach cobbler for dinner. Also a special thank you to Wess Adams for the delicious watermelons.

We have our water fountain installed in the hall. It was purchased with memorial fund money. The residents think it is great to be able to get a cold drink of water whenever they want.

Mrs. Audrey Barnard is our newest resident. She lives in room nine in the West hall. We are glad to have her. Thanks to Mrs. Helen Larson for the box of candy to the staff.

Our Bingo winner was Lawrence with two games. Mrs. Williamson won two games; Eubanks one game; Moore, one game; Reed, one game; Asher, one game; Gray, one game; and Kress, one game.

We want to thank everybody that had anything to do with our yard sale. Mrs. Annie Neff came home from the hospital. We are glad to have her back. We worked on new table

electric heat pump

- heats
The electric heat pump is a remarkable device that uses about one half as much electricity to heat your home as a conventional electric heating system. This means substantial savings on your winter heating bills.
- cools
Operating costs for summer cooling are about the same as conventional central air conditioning systems. During summer a heat pump works like a regular air conditioner. A blower pulls hot air from the house and passes it through a filter to remove dust and dirt. The air then flows across a cooling coil to cool and de-humidify the air. It then moves through ducts to all rooms in your home.
- conserves energy
During winter months this cycle is reversed. For the heating cycle, the heat pump does an unusually efficient job. The only electricity it uses is to run the fan and the compressor. This is why heating costs are dramatically lower. Heat is removed from outdoors and pumped inside to heat the house. This is the feature that surprises most people, until they realize that there is always some heat in winter air.
- saves money
Original installation costs for a heat pump are usually slightly more than for separate heating and central air conditioning systems. But depending on your installation, costs may be about the same—or even less than for separate systems.
A properly engineered heat pump... large enough to do the job... will mean important savings to you.

Cedar Hill News

by Grace Lemons

Cedar Hill received another inch of rain Monday night and the lakes are full again. The lake east of Cedar Hill has more water in it this time than after the other rains.

The Cedar Hill Baptist Church had a good crowd at church Sunday with several visitors.

The Assembly of God Church closed their revival meeting Sunday night and feel that they were blessed with a good revival.

Rev. and Mrs. Vance Mitchell left Wednesday to attend the Assembly of God Camp meeting and they will return after the services Friday night. Sandra Mitchell will be crowned as Honor Star in the missionette tonight (Thursday).

Connie Welch of Canyon spent the weekend with her parents, Mr. and Mrs. J.A. Welch. Jessica and Diana Lemons of Lockney spent Friday night with her grandparents, Mr. and Mrs. Carl F. Lemons.

David Lemons spent Sunday and Monday nights with Mr. and Mrs. Phil Lemons and family.

Latricia and Durell Fortenberry, Latricia's mother, Mrs. Stevens and daughter of Floydada accompanied them to Red River Saturday to do some fishing a few days while the fields are wet here. Edna Beth and Billy Tye of Floydada had dinner with Mr. and Mrs. A.S. Mize Sunday. Walton and Veda Wilson, Floydada, visited with them in the afternoon.

Shelia Jordan of Dallas arrived Tuesday in the home of her parents, Mr. and Mrs. Junior Taylor, and returned home Friday.

Forni Theadford 92, of Graham died Sunday. Her funeral was held at Graham at 2 p.m. Tuesday. She is an aunt of Imogene Fortenberry.

Mr. and Mrs. Troy Smith of Dumas visited Mr. and Mrs. Cephus Fortenberry this weekend and Wesley and Todd returned home with them after spending a week with their grandparents.

Mr. and Mrs. Jim Conner visited Mr. and Mrs. Charlie

Starkey in Flomot Monday. Their daughter, Marjorie Cypert of Lubbock was also visiting her parents, the Starkeys.

Mr. and Mrs. Mike Acklin have returned from a two week visit with Mike's brother, Billy Acklin in Pampa, Florida and report a very enjoyable trip. They visited Disney land. Mike enjoyed deep sea fishing where he caught some fish. Jerry stayed with his grandmother, Clarice Pnsnick of Eola.

Remember the Fortenberry Reunion August 11, 1979 beginning at 10:30 a.m. at the Massie Community Activity Center in Floydada. Bring a covered dish and enjoy the day together.

Lubbock Lions

To Celebrate

Anniversary

LUBBOCK — The Lubbock Lions Club, the largest Lions Club in the Continental United States, will celebrate its 50th Anniversary on Saturday, Aug. 11.

Ralph S. Krebs, President, has announced that International President Lloyd Morgan of New Zealand will be speaker for the festive occasion, which will take place in the Lubbock Civic Center.

A special reception is being planned for 7:00 p.m., at which time Morgan will greet the public along with many international Lions dignitaries, including Ebb Grindstaff of Ballinger, recently elected Third Vice President of Lions International.

Lions Krebs would like each of the 73 Clubs of District 2-T2 to be represented at the reception and the dinner to follow.

Tickets are \$9.50 each and may be reserved by calling the Lubbock Lions Club Office at 806-797-4359 or purchased by dropping by the Office in the Monterey Shopping Center.

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN—With the general election little more than a year away, Texas party leaders are jockeying for advantageous positions and doing little explaining.

A prime concern lately has been the issue of a Texas presidential primary and what political goodies it will bring.

The Republicans, proud of potential nominees John B. Connally, George Bush, Ronald Reagan and Gerald Ford, have already decided to hold a presidential primary.

The Democrats, eyeing the Jimmy Carter-Ted Kennedy struggle on Capitol Hill, are keeping their options open.

Last week the rules panel of the State Democratic Executive Committee voted not to hold a Texas presidential primary, but left the door open to change its decision sometime in the future and opt for a non-binding primary.

Why they left the door open is the subject of much speculation by party regulars around the state.

Rules committee chairman Carrin Patman said the SDEC would have had to lay the ground rules for a binding primary by July 31, but that the party has until March 1980 to make a final decision on the non-binding primary.

In her opinion, Democrats are best served by preserving a future choice between the non-binder and a convention plan.

Which is Better?

Under the convention delegation plan, 104 delegates would be elected from the state's 31 senatorial districts to attend the national convention. Another 34 delegates would be selected at large at the state Democratic convention next June.

Unbound to any candidate, the Texas delegation would have more mobility in selecting the state's best presidential candidate, one argument goes. Another argument is that the convention system builds a strong

Liberal v. Conservatives

There are those who see the presidential primary issue as a struggle between liberals and conservatives in the Democratic party. Sorting out what each faction is trying to accomplish, if that is the case, is no mean feat.

Many conservatives are more than a little concerned that the Republican candidacies of Connally, Bush and Reagan will draw conservative Democrats into the Republican party, there to stay.

If that happens, they fear, conservatives and even more moderates who remain loyal Democrats will be outnumbered by the liberals who can choose a party slate from amongst their ilk.

Some conservatives have gone so far as to express the suspicion that liberals are intentionally purging the party, which may be a little far-fetched. Lieutenant Governor Bill Hobby, Speaker of the House Bill Clayton and Attorney General Mark White, all conservatives, are the Democrats' top office holders.

Gleeful Republicans

Texas Republicans, meanwhile, are seeing their best chance in a hundred years to assume control of state politics.

For years touted as the party of the wealthy, they now await their opportunity to advertise themselves as a

Kate Crabtree. Carolyn Burton visited Mrs. Ray Cook Tuesday afternoon.

Friday morning Anne Swepton visited in the home of Mr. and Mrs. Ray Cook. Mrs. Jess Finley, who has been a near neighbor of the C.H. Wise family for a number of years, moved to Hale Center Thursday to make her home. Her niece from Corpus Christi and Mr. and Mrs. Charley Sledge helped her move.

Mrs. Kate Crabtree and Mrs. Lige Moore and Robbie left Monday morning for Portales, New Mexico, where they will visit a few days with Mr. and Mrs. Preston Bulard.

Wednesday of last week several folks out Fairview way received a nice rain. Mrs. C.W. Payne reports 1 1/2 inches of rain at their home place and about the same amount on the farm of Mrs. Mable Smith that C.W. Payne farms. Here in town we received about 1/2 inch.

Mr. and Mrs. Donald Reecer and Mr. and Mrs. Kenneth Tate of Lockney visited Tuesday night with Mr. and Mrs. E.W. Walls.

Walton Wilson visited Mr. and Mrs. E.W. Walls Tuesday afternoon.

Those visiting Mrs. Ethel Graham during the past week were Mr. and Mrs. Joe Dunn, Mrs. Lucille Sisson, Mrs. Floyd Starkey, Mrs. Dolly Emert and Steve and Mrs. Mark Sanders of South Plains.

Sunday visitors in the home of Mr. and Mrs. E.W. Walls were Mr. and Mrs. Clarence Guffee and Mrs. C.W. Denison of Floydada.

Mr. and Mrs. Jimmy Forbes and children, Corey, Greg and Windy of Houston, were by the home of Mr. and Mrs. C.H. Wise and Charles on Wednesday.

Mrs. Christine Reid of Lubbock spent Saturday night and Sunday with her sister and brother-in-law, Mr. and Mrs. L.H. Blum.

Mrs. Ella B. Hammock of Lubbock was here one day last week visiting in the home of her aunt, Mrs. Kate Crabtree. They also visited her cousins Mrs. Lige Moore and son Robbie who are visiting from Northport, Alabama.

Mrs. Kate Crabtree and Mrs. Lige Moore and Robbie went to Plainview Saturday and visited Mrs. Beulah Jerigan at the Heritage Home. Mr. and Mrs. Brad Beedy of Spearman spent Sunday and Sunday night with his parents, Mr. and Mrs. Bill Beedy.

Mrs. Ray Cook visited Mrs. Gus Hammonds Sunday afternoon.

Friday afternoon Jerry and Doug Cook of Sentinal, Oklahoma, visited in the home of their uncle and aunt, Mr. and Mrs. Ray Cook. They were on their way home from a visit at Jal, New Mexico.

Mrs. Kate Crabtree and Mrs. Lige Moore and son Robbie went to the home of Mr. and Mrs. Kay Crabtree and family Sunday after church and had dinner with them.

Anissa Crabtree spent Thursday night in the home of her grandmother, Mrs.

County and city offices that issue food stamps must be open a minimum of six hours per week. This requirement may also be met through mailing stamps to participants.

In addition, the department proposes that counties and cities provide both certification and issuance services within 30 miles of all, or nearly all, households receiving food stamps. The exceptions could be granted in areas where people routinely travel farther to shop for food.

Beyond the minimum standards for hours and locations, the department would allow state agencies flexibility in applying the standards to local circumstances. The regulations permit local agencies to determine service needs, and require public participation in the development of local service plans every four years.

The department's Food and Nutrition Service (FNS) published regulations implementing the Food Stamp Act of 1977 in the July 13 Federal Register.

Comments on the proposed regulations must be received by September 13 and should be sent to: Alberta C. Frost, acting deputy administrator for family nutrition programs, Food and Nutrition Service, U.S. Department of Agriculture, Washington DC 20250.

AN EXTRA INCOME CAN BUY AN EXTRA NIGHT OUT. You can make over \$50 for the 16 hours you serve each month with the Army Reserve. Add what you get for two weeks annual training and it comes out to over \$1000 a year. And that's just for starters! For dining out or dining in, the extra money comes in handy. For more details, call your local Army Representative, listed in the Yellow Pages under "Recruiting."

DRIVELINE

Here's our gas crisis special... Worried about how to get more mileage out of your car? Here are some simple tips that can help you increase your gas mileage up to 25 percent.

KEEP IT CLEAN — a dirty, clogged air cleaner can rob you of precious gas. Engines use 14 to 15 times more air than gas by weight. A dirty, clogged air filter causes engines to burn more gas. Check the air filter by holding it up to a light. If you can't see light through it, replace it. Regular oil filter replacement and properly inflated tires can also contribute significantly.

THE DON'TS OF DRIVING:

- Don't drive with your foot on the brake. It's surprising how many people do this unconsciously. It makes your engine work much harder.
- Don't gun your engine when starting, jackrabbit starts at intersections eat up gas.
- Don't drive faster than the speed limit, cars get 21 percent more gas mileage at 55 than cars going at 70. That's two extra gallons in every ten.
- Don't idle that engine, cars waste about a quart of gas for every 15 minutes of idling.

Car roof racks loaded with baggage cause severe wind resistance, which costs up to 17 percent more gas usage. If the rack is necessary, pack your items in a wedge shape, putting the smaller ones up front and the larger ones in the back.

When driving at high speeds, keep your windows up if weather permits. Windows that are rolled down cause aerodynamic drag and a decreased gas mileage. In fact, on long trips lowered windows may cause as much loss as a car air conditioner. For short trips and everyday driving, though, air conditioners are a significant drag on mileage.

Electrical accessories that you normally wouldn't think about also consume gas indirectly. Radios, lighters, hi beam lights and rear window defrosters all activate your alternator to recharge the battery — which in turn makes your engine work harder.

Cash for Trash

More than \$100 million has been paid out for used aluminum by Reynolds Aluminum Recycling Company. A leader in recycling, Reynolds has 900 collection points across the country paying 23 cents a pound for aluminum cans and clean household aluminum. For more information, call toll free 800-228-2525. In Nebraska, call collect (402) 572-7888.

FORTY YEARS AGO

Mr. and Mrs. Cecil Hagood in Dallas and Fort Worth for market.

Verne Elliott and Aldrege Thomas of the local fire department attend firemen's school at A&M College.

L.G. Mathews entered the National Guard Training Camp at Palacios, Texas.

Lorin Leibfried, local city mail carrier, underwent an appendicitis operation Monday in a Plainview hospital. Blondy Finley, substitute carrier, is handling Mr. Leibfried's route for him during his absence.

Gas/Electric Dryer

When buying a gas clothes dryer, consider buying a model with an electric ignition system, suggests a housing and home furnishings specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

By not requiring a pilot light, they save energy and can cut operating costs by up to 50 percent, explains Pat Seaman.

LOCKNEY

August 5, 1971 —

Mention of his all-senior backfield and beefed-up defense brings smiles to the face of (Lockney High School Head Coach) Jerry Cannon...Lining up in the vital quarterback position for the Hustling Horns will be capable Tony Ford, who likes to throw. He is surrounded by an able cast consisting of compact Pat Bennett, 180 pounder who likes contact. Running from the halfback slots likely will be one of the league's larger tandems: 6'1", 180-pound Charlie Mathis, who scored 44 points last season, and Cleo McGhee, a 6'1" 185 pounder. Underclassmen halfbacks Larry Cunyus, Morris Riddley and Paul Moore could crowd the others for starting offense births...

Jim Carlen, head football coach at Texas Tech, was scheduled to speak at Sunday-morning services of the Lockney First Baptist Church.

Three Lockney young ladies are attending the third West Texas State University tennis camp of the summer...the trio are Tony Bybee, Shelley Collins and Diane Fry...

The largest group ever of outstanding Rice University students, 928, has been named to the President's Honor Roll for the spring semester of the 1970-71 school year...Honored with

selection to the list are: Glenda K. Cummings, daughter of Mr. and Mrs. Kendall K. Cummings of South Plains, and David Franklin Smith, son of Mr. and Mrs. Robert Lee Smith of Sterley."

"Lockney Fireboys have battled their way into the invitational softball tournament finals tonight...Behind the hurling of Dub Hallmark, the Fireboys remained undefeated..."

August 7, 1952 —

"R.L. Knox, Jr., a member of the Lockney Volunteer Fire Department, was painfully but not seriously injured...while fighting a barn fire on the Alvin Wilson place four miles south of Lockney. A fire hose which had a little too much pressure on it whipped around and threw Knox against a plow sweep causing a severe cut on his hip..."

"Rev. O.R. Miller, representing the United Texas Drys, will speak at the First Baptist Church here Sunday morning...The pastor, Rev. J.R. Naylor is away in a meeting..."

"Coaches Curtis Kelly and Elvin Lyon, of the Lockney High School are attending the 20th annual Texas Coaching School at Fort Worth...Main emphasis will be on football with an all-star game scheduled for Friday night of this week..."

Instruction Materials Available

Films and other instructional materials available to the public schools through the Lubbock-based Region XVII Education Service Center will be shown to interested citizens during a quarterly one-day review session set for July 27.

The open house is scheduled for 8 a.m. to 5 p.m. at the Media Division of the Service Center, 1218 Fourteenth Street, Lubbock.

Requests to review certain materials may be made by calling 763-5014, the Media Division of the Education Service Center.

The most arid of the world's continents is Australia: two-thirds of it is desert.

Pepper is the world's most popular spice.

viewpoint

Why Wear A Motorcycle Helmet?

If you ride a motorcycle, a helmet can be the most important piece of equipment you own, not only protecting your head from injury but also helping to make you more visible on the highway.

Statistics show the head is the most vulnerable part of the body in accidents.

A helmet can be the most important piece of equipment you own.

You can help keep yourself from becoming one of those statistics by reaching for your helmet as automatically as you reach for the ignition key, the Motorcycle Safety Foundation points out. And, the helmet you select should bear a label from the U.S. Department of Transportation, American National Standards Institute or the Snell Memorial Foundation.

For the greatest comfort and protection, a helmet should fit snugly but not tightly. Avoid one that's loose, and remember to fasten the chin strap securely.

It's a good idea, too, to affix reflectorized materials to the back and sides of your helmet and wear bright colored clothing that will make you more visible to other motorcycleists and drivers. You might want to apply reflective tape to your gloves and jacket for night riding.

It's common sense to wear a helmet and other protective gear.

"The man who escapes with clean hands from the management of the world's affairs escapes by a miracle." Plato

Brown rats are no fools. Once a few of their number are killed by poison, older rats sniff what's laid out for them and warn the others.

SITTER SKILLS

Help the elementary school children in your neighborhood become good babysitters when they are old enough. While you're around the house, teach them the basic skills of child care as the mother above is doing.

Even when you go out, your responsibility for your baby never ends. Besides selecting an enthusiastic and capable babysitter, you're expected to give the teenager enough information so he or she can take care of any emergency.

Gerber's child care experts, with more than 50 years of experience involving the welfare of children, suggest these pointers.

- Give the babysitter a tour of the house. The kitchen, bathroom and route for emergency escape deserve special attention.
- Tell the sitter where you'll be and for how long.
- Leave a list of important telephone numbers by the phone. Be sure the list includes the number where you can be reached, and the numbers of a nearby friend or relative, your child's doctor and fire and police departments.
- You can also help your elementary school children become good babysitters when their time comes. While you're around the house, teach them the basic skills of child care as the mother above is doing.
- Joint efforts of parents and sitter will make baby-sitting enjoyable for all, including baby.

Price includes the strongest warranty!

Morton Buildings warranty covers 40 years on posts, 5 years against roof leaks, 5 years on paint, and 5 years against wind or snow load damage, including sliding doors. Deaths

John C. Odam

Services for John C. Odam, 69, were Sunday at 2:30 at Calvary Baptist Church in Floydada. Hollis Payne officiated, assisted by Brother J.T. Bilbrey of Plainview.

Mr. Odam, born in Hamlin, moved to Floyd County in 1924 from Crosby County. He and his wife, Deoata, were married in 1930 in Floydada. He retired from the Texas Highway Department and was a veteran of World War II. He was a Mason and did volunteer work for Floydada Day Care Center. He was a charter member and a deacon at Calvary Baptist Church.

Women Marines

Young women can get good jobs and great career training in the U.S. Marine Corps. And they receive the same pay as men doing the same job.

Women Marines receive special training for jobs such as accounting, electronics, programming, photo journalism, music, police work, radio repair and many more.

Some women have found they can learn great skills while earning good money.

In addition, each woman Marine receives financial benefits from the Corps to further her education.

She also receives financial rewards according to her rank and specialty, just as male Marines, and a woman Marine's salary goes a long way because so many of her needs are taken care of by the Marines: food, clothing, dental and medical care.

On the Marine Corps base, a woman can enjoy social activities at the Service Club, sports, movies and facilities for pursuing hobbies. With the Corps, she can be assigned to many exciting places, and she also earns 30 days' vacation a year to see them in.

For free booklets about women in the Marines, see a Marine recruiter or call, toll-free 800-423-2600. In California, the toll-free number is 800-252-0241.

Did You Know?

...that the Baltimore Orioles swept the Los Angeles Dodgers in four straight games in the 1966 World Series, despite a mediocre .200 team batting average, lowest ever for the winner of a four-game series?

...that the Orioles held the defending champs scoreless over the last three games?

...that The Gillette Company is giving baseball fans and other consumers the opportunity to score in the Gillette World Series Baseball Game and win 1980 cars, cash and other prizes?

...that consumers can participate in the World Series Baseball Game by bringing the game piece from early fall issues of national magazines to a participating store where a Gillette World Series display, sporting a baseball-shaped "unscrambler," reveals which prize they may have won. First prize is a 1980 Chrysler New Yorker car plus \$10,000.

...that in the 2nd game of the '66 Series, Jim Palmer, just 20 years old, blanked the Dodgers, 6-0, to become the youngest hurler to pitch a Series shutout.

Per capita consumption of process pickles rose from 3.3 pounds in 1947-49 to eight pounds in 1977.

Survivors include his wife; two daughters, Mrs. Virginia Waits of Hale Center and Mrs. Mary Ann Diramonte of Arizona; a son, Gary Hill of Slaton; his mother, Mrs. Betty Odam of Rockdale; two brothers, B.G. Odam of Escondido, Calif., and Billy Odam of San Antonio; two sisters, Mrs. Dorothy Fisher of Rockdale and Mrs. Onadell Kubly of Monticello, Ind.; seven grandchildren and two great-grandchildren.
