FLOYDADA COUNTRY CLUB loses 75-100-year old Cotton wood tree in current storm. Other photos on page 2.

Wed. tornado damage extensive

Just as the South Plains weather system moved to the coast, last Wednesday, June 23, the skies turned once again on the area. High winds, tormenting rains, and relentless hail mingled with an apparent tornado left much of Floyd County struggling to recuperate.

Damages were varied and numerous. Perhaps the most costly damages were to the area crops. One report stated that out of 210,000 acres of cotton planted only 50,000 acres remain. These remaining acres are "sick and heavily damaged." An estimated loss of approximately 22 million dollars. Also wheat and vegetables suffered heavy losses. One onion field, as an example, was leveled.

Broken tree limbs were a common sight. Many limbs were several inches

in diameter. But, the damages to the trees did not stop at just limbs. Many larger trees were broken in half. And some were uprooted, such as the 75-100-year-old Cottonwood tree at the Floydada Country Club.

The apparent tornado swept its way through Floyd County, causing various structure damage. Shingles were blown off the roof of houses and at least one house had one corner of it torn off.

Edith Marrs, her daughter and son-in-law, Mr. and Mrs. Steve Ferguson, sat through this apparent tornado. It tore a garage that had only been repaired the week before, and a storage house just north of their home nine miles southwest of Floydada.

Mrs. Marrs' car and pickup were damaged when her garage blew down. Only the four corner posts were what remained of a storage barn. The boat

was left unharmed.

Mrs. Ferguson gave credit of the fast clean up and return of electric power to the Lighthouse Electric Co-op workmen. One workman said that he had only six hours of sleep in the last 72.

The winds wrecked many utility poles and lines. Southwestern Public Service had eight two-pole structures and eight other structures that were either broken or blown over.

Lighthouse Electric Co-op lost from 75-100 poles in the areas of Harmony, McCoy and Lakeview.

Alton Higginbotham, of Lighthouse, said that this year they had lost about 200 poles due to storms. The cost, including the time to clean up the damage, would be around \$100,000. He also said that he appreciated the help, cooperation and patience of the people in the service area.

Cates named Hesperian Publisher

David Cates has been named publisher of the Floyd County Hesperian and the Lockney Beacon. He assumed duties July 1. Cates will continue as advertising manager of both newspapers.

Former publisher, Shelly Harris, will move to Burnet, Texas as manager of the Burnet Bulletin. She will retain an interest both financial and personal in the Floyd County newspapers.

The Bulletin is part of the same newspaper group as the Hesperian and Beacon.

Wes Brown, who recently joined the staff of the Hesperian, has been named editor.

Cates is a native of Floyd County. He has held managerial positions at Allstate Insurance Agency in Dallas, and Floyd County Farm Bureau. He is a

partner in Cates and Dawson Insurance Agency in Floydada, but will take a less active part in order to manage the newspapers.

Wayland Baptist University. He has held advertising positions with Sears County Farm Bureau publication.

Brown took his journalism training at Amarillo College and is an award winning photojournalist. He was a 1977 graduate of Iraan High School.

He is, along with her daughter and son, Melissa and Bill, and her mother, Kay Heskett, will move to Burnet this week.

"It is with mixed emotions that I leave Floyd County," Harris said. "The challenge of a larger paper, and the advantage of being close to my other children is strong, but I will certainly

miss my friends here and consider this home, too."

Harris will be returning to Floydada on a regular basis to fulfill her capacity as president of Floyd County Publishing Company.

"I feel that I leave these newspapers in the best of hands," she said. "It is important that the papers continue in the same strong tradition that they have enjoyed for over 80 years."

Carolyn Redding will continue as editor in Lockney. Her interests in school and community activities and her willingness to travel the 18 miles from her rural home to Lockney to cover evening events has brought much favorable comments from local subscribers. She has found the people in Lockney to be supportive and easy to work with.

Reiss, President and Chief Executive Officer of Cable Health Network said he is delighted that Floydada Cable System is carrying to new service and expressed his belief that "today's television viewers are being driven by a positive force called Personal Viewing Preference - or PVP - a trend which reflects viewers' tendency to demand a more specialized kind of programming. This has been reflected in the recent development of special interest magazines, records and radio formats." Mr. Reiss said...and now we are bringing it to television with highly targeted programming and scheduling patterns that will give Floydada Cable System's viewers an optimum convenience of viewing times."

City Police have busy week

By SGT. RAYNARD MACHA
Floydada Police Department

City police made six arrests during the week of June 22-28. One arrest was of a juvenile on traffic related charges. Two arrests were for driving while intoxicated. Two arrests were for public intoxication.

A local young man was arrested for fleeing from a police officer. He attempted to elude a city officer after committing a traffic offense. He was arrested after he drove into his driveway during a chase that covered the

east side of town. He was also charged with several traffic citations and reckless driving.

Two burglaries were investigated during the weekend. One involving a residence and another involving a vehicle. A reported case of criminal mischief was investigated and solved. One hundred dollars in damages was done to a vehicle by two youths with a BB gun. The juveniles were turned over to juvenile authorities and a BB gun was confiscated.

One traffic accident with no injuries

was investigated. City officers, Sgt. Raynard Macha and reserve patrolman

One traffic accident with no injuries was investigated.

City officers Sgt. Raynard Macha and reserve patrolman Dan Holt competed in the Hereford police pistol match in Hereford Saturday, June 26. Sgt. Raynard Macha was beat out of a trophy in the expert class by a few points and came in third in the team match. Reserve patrolman Dan Holt won a first place trophy in the sharpshooter class.

Della Plains dedication ceremony

Friday was an important day for history buffs and Floyd County history as well.

A historical marker noted the site of the cemetery, the only remaining evidence of the first community in Floyd County, Della Plain.

The dedication was opened by prayer from Milton Smith. Jim Word introduced the first speaker, Tillman Reeves, who said that he felt honored to speak at such an occasion. He also added that the families of Della Plain left and gradually lost contact with one another just like we have lost contact with this cemetery. He was pleased to see the fence and marker.

The second speaker, Dr. Kline Nall, mentioned various histories and compared them with the history of Della Plain. The closing prayer was by J.W. Bedingford. Before closing, he mentioned that he was glad that the ceremony was opened by prayer because at times it was only with prayer that the early people of the area survived.

Della Plain was the site of many firsts for Floyd County. The first post office was opened in 1888 and by 1900 the site was plowed up to plant cotton. The houses were moved to Lockney.

The first college was organized in 1890 and closed in 1891. The first newspaper, the Della Plain Review, was founded in 1889.

Della Plain was founded by Jim McLain's daughter, Della. McLain was one of the founders of the town.

The history of Della Plain was short, yet significant. The first people settled there in 1886 and by 1900 the site was plowed up to plant cotton. The houses were moved to Lockney.

All that remains is a new fence and the historical marker to remind us of the hardships these people fought.

Socks get me Down

Wes Side Story

By Wes Brown

Perhaps the one domestic chore that I hate most, other than shopping, sweeping, mopping and washing dishes, is doing laundry.

When I was a youngster, I thought clothes were picked up, cleaned and returned to my room by magic. Little did I realize the process involved in getting clothes clean.

While I was going to Texas Tech, I just dumped everything into the machine with some soap. I had a nice collection of light blue T-shirts.

The reason I hate laundry so much is because I had to go to the laundrymat to wash clothes. Laundrymats are no fun. Everyone there wishes they were somewhere else, but they must be there, anyway whether they like it or not. The only thing to do is watch the clothes tumble around in the dryer or read old magazines.

When I go to the laundrymat to wash clothes, I always have to load everything in my car, drive there, unload, and start putting the clothes into the machines. I try to do this discreetly because I don't like people looking at what I wash.

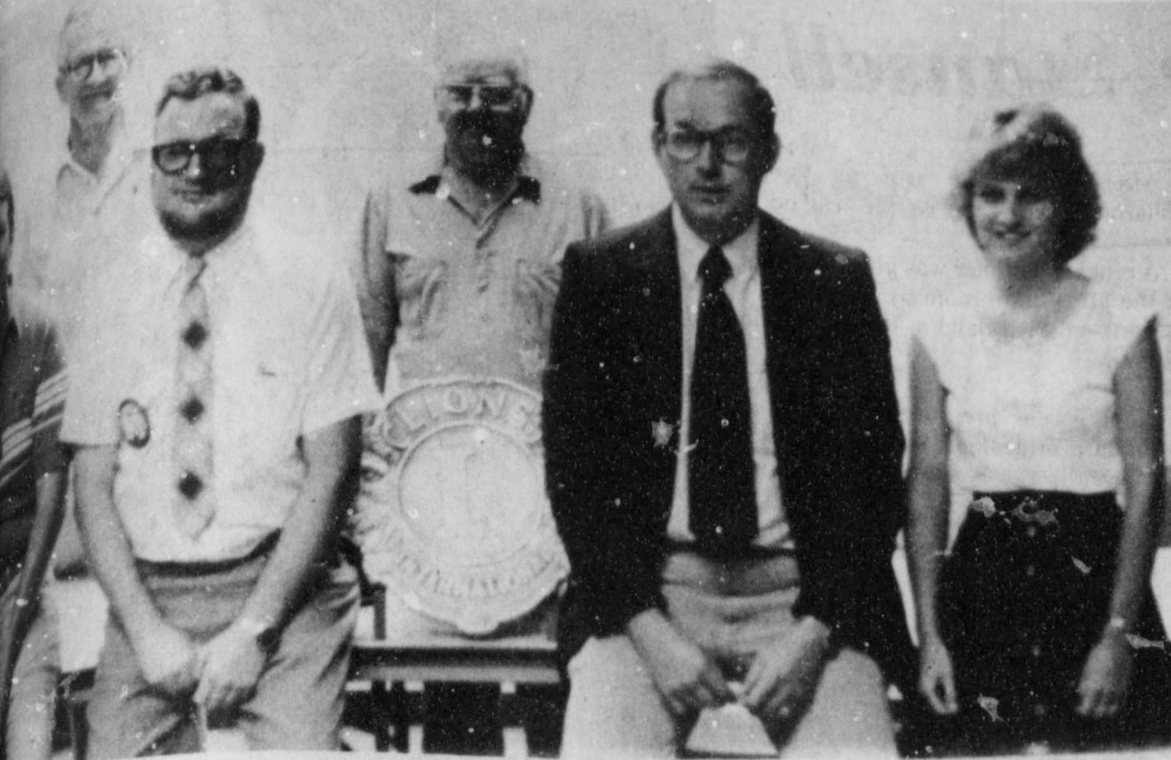

I separate all my clothes into two piles at home, clean laundry and dirty laundry and if it is clean it is not laundry. I then separate the dirty laundry into three piles: whites, blue jeans, and everything else. It seems that the "everything else" pile is always bigger than all of the other piles.

When I go to the laundry I always wear my worst clothes because they are the only ones clean enough to wear in public. The other patrons look at me as though to say "why are you even out of your cage?"

I found coin operated laundrymats pay the washers 50 cents a wash plus all of the socks they can eat. There was one machine in Amarillo that acquired a taste for my socks. So much, in fact, that it must have bribed other machines to get my socks. One other machine felt sorry for me, because it kept giving me

socks that did not match socks that I have ever had. I have many socks that don't match. I hate sorting socks. When it gets close to wash day, if I have two socks that don't quite match, I wear them anyway and hope no one notices. Well someone did notice.

"Hey, Wes," said this "friend" in a not-so-quiet tone, "that sure is a funny pair of socks that you have on, one red and the other green." "That's not the funny part about it, I have another pair at home just like them."

THE MOVE to Burnet will not only be an advance for me career-wise, but will let me spend time with children and grandchildren.

The position was open six months ago. But I felt a tremendous responsibility in choosing a successor who is familiar with this area and who will be a strong supporter of Floyd County.

I am gratified that so many of you have called to say that my choice of David Cates as publisher is a good one. He has the managerial abilities necessary to run these two newspapers, and he has a deep sense of community. Besides all that, he does catch on fast.

From comments these past three weeks, I can see that our choice of Wes Brown as editor is also meeting with approval. He is small-town oriented and

his enthusiasm is certainly the mark of a good country-newspaper editor.

But let me tell you who really puts out the newspapers here. The staff. I'll match this bunch against any newspaper anywhere. They know their jobs, are conscious, and aware of all the quirks and special concessions tradition has pledged these papers to.

They have certainly made my job pleasant and I would like to thank Rosemary Gonzales, Marjorie Holcomb, Carolyn Redding, Treva Hambricht, Nancy Barker, and the mail-out people, Jill Willson and Lane Cheek.

I believe I'll get out of telling you-all good-bye because I'll be coming back here periodically, especially during this transition period.

So, see you-all later.

"The Gospel Road" to be shown

"The Gospel Road", a film portraying the life of Christ and featuring the finest portrayal of the life of Christ ever filmed. The settings are all authentic, and the costumes rich in detail. Many regard "The Gospel Road" as the finest portrayal of the life of Christ ever filmed. The settings are all authentic, and the costumes rich in detail. The upbeat music and narration by Johnny Cash give the film a timely contemporary feel. Filmed entirely in Israel, "The Gospel Road" relates the realities of Christ's earthly ministry in realistic and incredibly human terms.

The film also features June Carter Cash portraying the role of Mary Magdalene and Robert Elfstrom as Christ. Recording artist Larry Gatlin also is featured in some of the music in the film.

The film and ice cream supper will take the place of the regular Sunday evening schedule at First Baptist Church including Church Training and Evening Worship.

Candlelight ceremony unites Nance, Stansell

The First Baptist Church in Lockney was the setting for the candlelight ceremony of Jody Jean Nance, daughter of Mr. and Mrs. Joe Nance and William Scott Stansell, son of Mr. and Mrs. Pat Stansell, all of Lockney, Saturday evening at 7:00 p.m.

John Jenkins, pastor of the First Baptist Church of Morton and formerly at Lockney, officiated at the ceremony as the couple exchanged vows.

A brass candelabra accented with a brass candelabra with white candles formed the arched background for the altar scene.

Imported greenery baskets of white gladiolas, orchid mums, baby's breath and palms created the altar setting, complete with the unity candle.

The bride, given in marriage by her father, wore a traditional white bridal gown of Chantilly lace featuring a fitted bodice, sheer yoke and split neckline, trimmed with Venise lace, pearls, and sequins. Lace V-shaped insets extended to the full lace sleeves over fitted sheer under-sleeves. A full tiered skirt joined at a raised waistline caught by a Beiloin belt trimmed with Venise lace. The back fullness of the skirt swept into a chapel train.

To complete her ensemble, the bride chose a veil of illusion edged in Venise lace and pearls which fell from a pearl and lace caplet to chapel length. Her bouquet was a cascade of white cattleya orchids and white daisy mums.

Keila Hill of Lubbock attended the bride as maid of honor. Tonya James, sister of the bride, was matron of honor, and Amy Nance, also the bride's sister, and Lee Ann Calvert of Lubbock were bridesmaids.

Julie Stansell, niece of the groom, and Andrea McCandless of Abilene, cousin of the bride, were flower girls.

They all wore Priscilla gowns of lavender crepe caught at a fitted waist with a satin bow, sheer sleeves and skirts in mid-calf length.

Each carried a nosegay of orchid pixies and daisy mums accented with baby's breath and tied with lavender streamers.

Music was presented by Mrs. James Ferguson, organist, and Mrs. Bill Race pianist. Mr. and Mrs. Terry Keltz were vocalists.

Richie Reecer of Lubbock served as best man. Groomsmen were Paul Cooper of Lockney, Lyle Suggs of Amarillo, and Darrell Huntsman of Lubbock.

Ushers were Steve Stansell, Tim Stansell, and Rodney Rigby, all of Lubbock, and Ross James of Plainview. Heath Blair of Odessa, cousin of the

bride, served as ring bearer.

The reception was held in the Garden Room of the church. Mrs. Lee Frazier, Mrs. Rodney Rigby, Mrs. Mike Dietrich, Jan Ragland, and Cindy Read assisted with the courtesies.

A three-tiered Cameo wedding cake and a candelabra with orchid and white daisy mums centered the bride's table. It was laid with a white lace cloth over lavender.

The groom's table, spread with a lavender cloth, featured a memory

candle surrounded with fresh flowers and a chocolate cake.

Both the bride and groom are seniors at Texas Tech University. The bride attended Lockney High School. She is a elementary education major. She is presently the director of Kinder-Care Learning Center in Lubbock.

The groom also attended Lockney High School. He is an engineering major and is employed by the Lubbock Avalanche Journal.

After a wedding trip to Puerta Villarta, Mexico, the couple will be at home in Lubbock.

A rehearsal dinner was given in honor of the bride and groom by the groom's parents at Strickland's Restaurant in Lockney.

Other recent pre-nuptial courtesies included a bridesmaid luncheon which was given in the home of Mrs. Claude Stallings. She was assisted by Mrs. Mike Dietrich.

Allen honored with luncheon

A luncheon honoring Debra Allen, bride-elect of Scott Graham, was given by her sister, Mrs. Jerry Battey, at the newly opened "Olde White House" Tuesday, June 29.

Those attending were Nancy Graham, mother of the groom, Mary Lou Bollman, grandmother of the groom, Joy Allen, mother of the bride and Pat Battey, sister of the bride. Debra's

bridesmaids, Kathie Battey and Missy Green, both nieces of the bride, maids of honor, Stacy Graham and Carrie Woody, flower girl, Carrie Emert and her mother Mary Emert. Others attending were Rilla Sue Woody and Linda Stone.

They were served "Olde White House Chicken," green bean bundles, jello salad and rolls. For dessert the

maids had the traditional "Pink Lady Cakes" with fortunes and the lucky gold ring. Stacy Graham received the gold ring in her cake, so tradition has it, she will be the next to marry. The other guests were served strawberry cake.

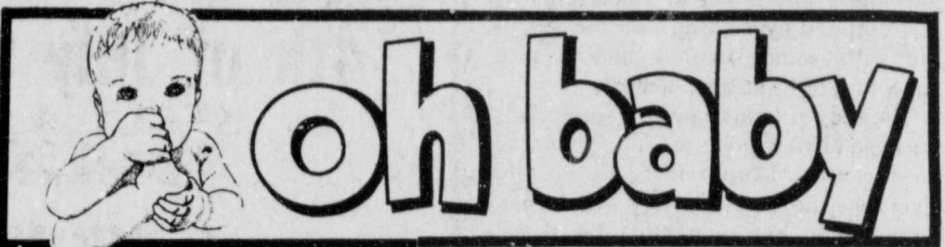

The party ended with gifts from the bride.

FLOYD DATA

Guests in the home of Mr. and Mrs. Walton Wilson on Father's Day were: Mr. and Mrs. Leonard Wilson and son, Brent, from Clarendon; Mr. and Mrs. Harvey Allen and sons, Mike and Norman; Mr. and Mrs. Albert Mize, and Mrs. Woodrow Wilson. Also Mary Ann Mallard called and talked to them from Vine Grove, Kentucky.

FLOYD DATA

Mr. and Mrs. Wes Clayton and Denise Cates of Amarillo visited their parents, Mr. and Mrs. Johnny Cates of Floydada. Also visiting this weekend was Mr. and Mrs. Greer McCleskey, Mr. Cates's sister, of Bartles, Oklahoma.

Robertson, Hatley joined during ceremony May

Miss Julie Ann Robertson and Michael Lynn Hatley were united in marriage at 8 p.m. Saturday, May 29 in the Cooper United Methodist Church of Woodrow. The Rev. Floyd Bradley, pastor of The First Baptist Church, Floydada, performed the double ring ceremony.

Parents of the couple are Mr. and Mrs. John Clifford Robertson of Route 4, Lubbock and Mr. and Mrs. Charles K. Hatley of Floydada.

The bride, given in marriage by her father, wore a full length white nylon organza gown with empire waist and bodice embellished with lace. The long full sleeves were double puffed, gathered at the elbow and wrist with lace trimmed cuffs. The neckline was square, scooping low in the back and accented by gathers of full skirt which fashioned a chapel length circular train etched in lace.

Pear-etched net accented by Alecon lace created a cathedral cap which held the floor length veil. The gown was designed and fashioned by the bride's mother and was worn by all four of her daughters.

The bride's bouquet was a cascade of white gladioli on a cloud of baby's breath accented with streamers of lace and picot ribbons.

Terri Smith, sister of the bride, served as matron of honor. Bridesmaids were Deniece Schaffner and Beverly Schaffner, both sisters of the bride, and Kayla Jones Morrison.

They wore floor-length fan-pleated skirts of royal blue topped by matching camisoles with spaghetti straps. Overlays of sheer light blue shoulder coverups dipped low in the back. The brides attendants carried silk nosegays of varying shades of blue lilies, cornflowers and status with streamers of blue ribbon tied in love knots.

Shana Schaffner, of Slaton, niece of the bride, served as flower girl, wearing an A-line cotton dress of light blue with short puffed sleeves topped by a white with blue embroidered eyelet pinafore. She wore blue flowers in her hair, and carried a small basket of mixed shades of blue flowers.

Robbie Schaffner, of Wolforth, nephew of the bride, served as ring

bearer. Mark Hatley, of Floydada, served his brother as best man. Groomsmen were Steve Waller of

Albany, David Sanders of Dallas, and Sean Byrne of Dallas. Ushers were Dee Wickson of Seminole, Ray Evans of Memphis, Tennessee and Kirk Dooley

of Dallas. Musical selections for the ceremony were played by Mary Helen Jones, organist, of Slaton and Kay Thomas, pianist, of Lubbock. Mike Siler was soloist.

The newlyweds received their guests in the church fellowship hall soon after the wedding ceremony. Serving at the bride's table were Shara Fredenburg of Lubbock and Susan Roberts of Dallas.

Serving guests from the groom's table were Suzie Smith of Canyon and Sue Hancock Brown of Hobbs, New Mexico.

Registering guests at the High School and in economics student at university.

Mike is a graduate of School and Texas Tech. Following a wedding in Bahamas, Mr. and Mrs. Hatley make their home in Lubbock. The groom is employed by the

They still milk the cows twice a day

Electric milking machines have taken a lot of the work out of milking and electricity for cooling makes it unnecessary to haul the milk to the creamery every day.

Yet even with this electric assistance, milking time still comes twice a day on the dairy farm.

The electric cooperative salutes the industry during Dairy Month. We are proud to be partners with these rural Americans providing a basic food for all Americans.

Winds Hit Comm.

BY JOYCE WILLIAMS
Tornado winds swept through our community Wednesday night about 8 p.m. peeling tin from barn roofs and twisting huge trees. A large old mesquite tree beside the children's playhouse at the T-Bar ranch was split and fell over on the structure, which held. Q.D. Willimas hooked a chain around the trunk and pulled it away. Over at the Wayne McHams, porch pillars were blown in toward the house, outbuildings unroofed, and big elm trees were twisted and split. Mr. and Mrs. Edmund Brown were checking cattle at their ranch in Blanco Canyon when they noticed the greenish light moving down the canyon toward them and got out in a hurry to safety. No one was injured. R.E.A. crews were out early to restore electric power on Thursday.
Mark Thompson spent the weekend with Dean Smith.

Mrs. Carl Moosberg underwent surgery at St. Mary's Hospital in Lubbock June 16. Her three daughters have taken turns staying with her since she has returned home. Mrs. Ken Stelle (Alice) of Perryton, stayed first, then Mrs. Tommy Sherman (June) of Lockney came with her son, Rolf. When she returned home, Mrs. Don Winslow (Carla), of Duncan, Oklahoma, and son Zade, arrived to look after her mother.

Roger and Cassie Hartsell of Lamesa spent the weekend with Mr. and Mrs. Blanton Hartsell. Mr. and Mrs. Truitt Hartsell of Plainview came out to join them for lunch Saturday.

Major and Mrs. Conley Bradford and children recently visited their parents, Mr. and Mrs. Weldon Hammons and Mr. and Mrs. Floyd Bradford. Kay and Conley went on to their new location at Ft. Leavenworth, Kansas. Paige and Scotty stayed for a longer visit with the grandparents and other relatives.
Misses Dee and Britton, Wesley, Austin and Ashleigh Williams, and Mrs. Q.D. Williams spent Monday at the Roaring Springs Ranch pool, picnicking and swimming.

Mrs. Viola Brown and other Mt. Blanco Home Demonstration Club members met at the home of Mrs. Georgia Mae Erickson Thursday. Mrs. Oleta Dunn of Ralls, Stanley Products agent, presented her program to the club.

Mrs. Roy Favver played 84 with her club at the home of Mrs. T.T. Hamilton on Wednesday.

Pat Brown's summer youth program at the Crosbyton Museum was attended Thursday by Dee and Brittany Wesley. The girls learned to do needlepoint. They have also worked on their 4-H clothing project while visiting with the Williams. On Saturday, they attended the movie, "Annie," at Lubbock.

Mr. and Mrs. William Bertrand ate Sunday dinner with the Orville Newberrys.

Judge and Mrs. Choise Smith, Hunter, Dean and Jody, went to Lubbock Saturday in honor of Flukie Smith's birthday. They enjoyed a cookout, with homemade ice cream.

The area lakes are full and spilling over. The barrow ditch at the Harold Bertrand's drive-way has been running like a river for days as the lakes spill into each other, draining across fields, into Odam's lake, and on the Blanco Canyon and White River.

Ninety degree temperatures on Monday makes dirt roads passable. Country people hardly know how to get through 24 hours without rain or hail the past week and the entire month. Our dirt roads have drained well, thanks to county commissioner Jack Lackey and his crew getting the ditches cleared out earlier and roads built up good.

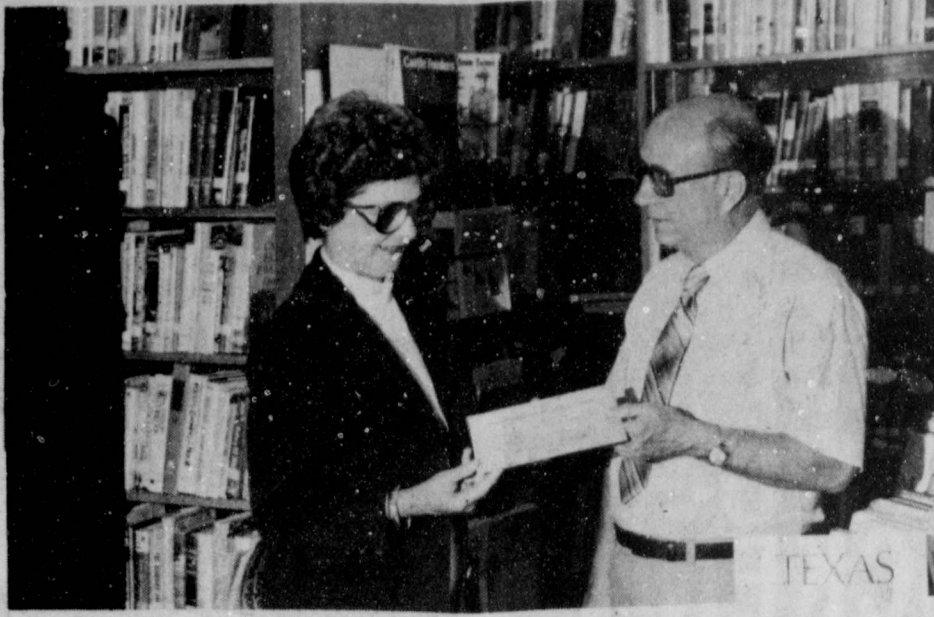

Mr. and Mrs. Travis Gentry and family visited in Lubbock with Mr. and Mrs. Sylvester Gowens.

Misses Amanda and Deanna Watson, children of Mr. and Mrs. Dean Watson, visited at Mt. Blanco with their grandparents, Mr. and Mrs. Millard Watson last week. They visited the solar house and the Crosbyton Historical Museum.

Rance Golightly's baseball team is ready for play-offs, if the sunshine holds.

Miss Jody Smith has been helping Mrs. Elaine LaBaume and Mrs. Frances Easter ready the Old White House in Floydada. This well preserved example of Victorian architecture will house a restaurant, furnished with antiques, the of the same period.

Dr. Brigit Fleischman, of Munich, Germany, who is studying Southwestern Indian culture in Albuquerque, New Mexico, visited Judge and Mrs. Choise Smith Sunday. They took her and her cousin, Mrs. Ellie Anderson, to visit Georgia Mae Erickson at Casa Del Sol, also Wayne Parker, noted writer on Southwestern Indian culture. Wayne is a descendant of Comanche Chief Quannah Parker.

Floydada Nursing Home Happenings

BY LINDA EMERT
The weather has been pretty stormy this past week. The wind has tore up a few barns and storage buildings and trees and fences around town this past week. I bet the farmers will be glad when the rain stops so they can get the wheat out of the fields.

We want to thank Mrs. Eubanks and Dessie Turner for the apricots they brought to the residents. They enjoyed them very much.

The residents painted ceramics Monday with Chuck. He comes from Plainview. Tuesday we had a good Bible Study. Wednesday we played bingo. Vera Duke won two games. Sue Thompson won four games, Emmit Lawrence, won five games, and W.C.

Cates won two games.
Thursday, the residents had a free afternoon and did what they wanted to do. Friday, we had two films. They enjoyed extra popcorn because we have been out of it for a couple of weeks.

We lost one of our dear ladies Tuesday, Mrs. Clara Murry.

Mr. Lawrence's 201 owl will be raffled off in July. Check for details at the Nursing Home.

We want to thank the Sunshine Sunday School Class for the cookies. Here is the list of visitors for the week:

Helen Breed, Illa Belle McPeak, J.C. Westers, Burmah Probasco, Otis, Dana, Kim and Jo Lee Ellis, Betty Draper, Mr.

and Mrs. M.H. Hartness, Ethel Cross, Jo Lee Ellis, Betty Draper.

Mr. and Mrs. E.H. Childs, Mr. and Mrs. Jess Glover, Dana Ellis, Ethel Sawyer, Andrea Bradley, James and Joyce Crowley and Illa Belle McPeak.

Betty Draper, Gene Baird, Dixie Harris, Worth Gwendolyn Howard, Eula Parrack, Cordie Stephens, Maurie and Ella Goodwin, Edd and Dorothy Neff, Marilyn Weems, Dana, Kim and Jo Lee Ellis, Bruce Williams, O.J. Lawrence, Mike, Regina and Elizabeth Lawrence, Evelyn and Jack Crull, Corene Stewart, Charley L. Berry, Sr., Otis and Dana Ellis, Lucille Sisson, Frances Badgett, Pauline Pierce, and Jimmy Freddie and Devan Duke.

SPRING LIPHAM, center, won the talent competition at Little Miss Daingerfield Pageant. Other runners-up were Wendy Tooley, left, and Amy Truitt.

Spring Lipham Wins Award

Miss D'Anna Spring Lipham, 7 year-old daughter of Julian and Joyce Lipham won the talent competition at the Little Miss Daingerfield Pageant, where she competed with 10 other Little Misses of various ages in the talent division.

Spring was dressed as "Orphan Annie" as she sang "Tomorrow" from the new Broadway Musical "Annie". She was accompanied by her mother on the piano.

Spring has been asked to use her talent in further events for the Daingerfield Chamber of Commerce.

County Library design Heritage Resource Center

The Floyd County Library has been designated a Certified Texas Heritage Resource Center by the Texas Historical Foundation.

This means that the library now contains the 12 books and additional pamphlets that are needed to comply with the requirements to become certified.

O.M. Watson Jr., board member of the Friends of the Library, presented the plaque from the Texas Heritage Project to Mrs. Amy Hollums, member of Floyd County Library Board on June 28.

As their regular May meeting the Friends of the Library voted to purchase the four additional books and pamphlets

needed to comply with the requirements. Funds for the purchase of the twelve books and pamphlets are now being raised.

Everyone interested in the history of the county is encouraged to visit the section in the library. The library also is an added resource for history classes.

The Texas Heritage Resource Centers across the state provide Texas history to students and the general public. The local Texas representative is O.M. Watson Jr.

More wind and rain

BY MRS. J.E. GREEN
 June 28, 1982, late in P.M.: It is clear today, but sometimes one doesn't want to do anything, but rest. Sorry, when there are things that need doing, summer has come.

And people still get sick — home or at a hospital. Mrs. Clarence Ashton seems doing very well in the rest home. Alma Ruth Nelson feels a bit better than Sunday. Mrs. Henry Brewer spent most of last week at home in bed. Aches all over.

Gordon Mayfield's brother's wife of south of Lubbock is ill in the Methodist Hospital.

Mrs. Leo Frizzell is not feeling well. We have had more rain, and wind. Trees have lost limbs, and windows their screens. But still things mostly look pretty. Lawns need another mowing. And weeds! Lakes running over, crops damaged.

Mrs. Margaret Balios and daughter Melissa of Lubbock spent Sunday with Margaret's mother, Mrs. Frank Dunn. Melissa is staying a few days with her grandmother.

Mr. and Mrs. James Hartline and

son, Blake, of Levelland spent Sunday with Jame's mother, Mrs. W.L. Hartline.

Mr. and Mrs. Thon as Warren visited Sunday in Lubbock.

Mrs. Hal Thomas had word today that her sister, Mrs. Price Scott of California, who has been sick is much better.

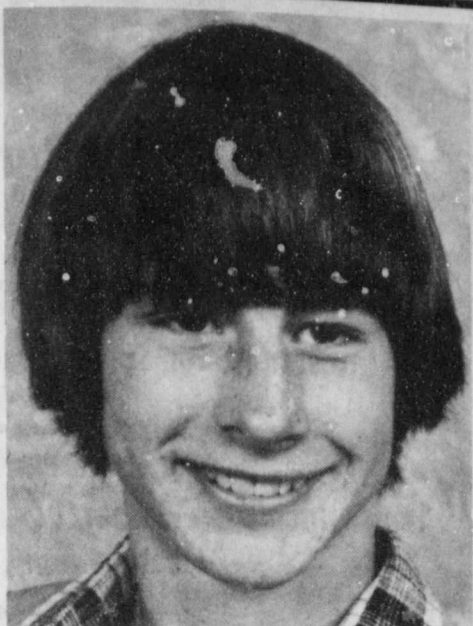

The Milton Mensch's of Lubbock and son David came Sunday to visit her parents, the Hal Thomas; also to visit other guests, Mr. and Mrs. Carley Ellard of Orange, California.

They were visiting her aunt, Mrs. Thomas and Mr. Thomas.

More sick people passing on — last rites Sunday for Mr. Muncy, and today for Mr. Jim Owens. Our sympathy is with the loved ones. And our prayers for these and those who are sick.

REMEMBER your loved ones with a living memorial to the Caprock Hospital Auxiliary Memorial Fund. Mrs. Ben Whitaker, Treasurer.

OBITUARIES

CLANTON
 Clanton, 72, died Friday at 2 p.m. Monday in the First Baptist Church, with Dr. Fred Meeks, officiating. Masonic graveside services in Plainview. Arrangements by Lemons Funeral Home.

KAREN
 Mrs. Kate Ross Price, 95, died at noon Friday, June 25, at the home of her granddaughter, Mrs. Floyd (Billie) Ehresman, where she had been residing.

Services were at 11 a.m. Monday in Wood-Dunning Colonial Chapel. Officiating was Dean Brookshire, minister of Ninth and Columbia Church of Christ and Earl Cartwell, a retired Church of Christ minister from Silverton.

Born Kate Burleson February 15, 1887, in Llano County, she moved to Briscoe County at the age of 6 in a covered wagon with her parents. She was raised in Briscoe County and married W.C. Price March 6, 1907, in Silverton.

After marriage, Mrs. Price lived in Tulia, where Mr. Price helped build the Tulia Hotel. Two years later, they moved to Lubbock, where they lived about a year before returning to Briscoe County.

Mrs. Price moved to Floyd County in 1945 and to Plainview in 1954. Mr. Price died October 19, 1967. Mrs. Price was a member of the Ninth and Columbia Church of Christ.

Survivors include two brothers, Edwin Crass of Plainview; and Jim Burleson of Ruidoso, New Mexico; her granddaughter; four great-granddaughters, Mrs. Mary Kjellstrom of Atlanta, Georgia, Mrs. Rebecca Eabie of Houston, Mrs. Anita Wright of Tulsa, Oklahoma, and Mitzie Ehresman of Oklahoma; three great-grandsons, Willie Nelson of Houston and Bert and Roy Ehresman of Plainview; six great-grandchildren; and numerous nieces and nephews.

Newspapers were pallbearers. Mrs. Price was an aunt of the late W.E. Burleson.

Survivors include his father, Red Diepenhorst of Sanger; his mother and stepfather, Betty and David Jackson of Lockney; a sister, Jolie Diepenhorst of Lockney; a brother, Chad Diepenhorst of Lockney; his grandparents, Mr. and Mrs. J.D. Landers of Sanger and Mr. and Mrs. Howard Walker of Kent City, Michigan; two aunts, Jackie Echols of Sanger and Barbara Seaton of Denton.

ARCHIE B. MUNCY JR.
 Services for Archie Bradley (Buzz) Muncy Jr., 58, of Floydada were held at 2 p.m. Sunday in Calvary Baptist Church, Floydada, with the Rev. Hollis Payne, pastor, officiating. Burial was in Floyd County Memorial Park directed by Moore-Rose Funeral Home.

Mr. Muncy died at 3:25 a.m. Saturday in Central Plains Regional Hospital in Plainview after a lengthy illness.

Born in Floyd County, Mr. Muncy, a farmer, had lived here all of his life, except for his tour of duty with the U.S. Marines during World War II. He was a member of the Veterans of Foreign Wars and was a Baptist.

He married the former Nell Hill February 5, 1955 in Floydada.

Survivors are his wife; two stepsons, David Hill of Iowa Park and Ronny Hill of Floydada; two sisters, Bobbie Atwood and Mrs. Trois M. Payne, both of Lubbock; and five nieces and a nephew.

Pallbearers were Dale Griffin, George McMurray, Norman Muncy, Bradley Payne, Ray Ford and Herman Graham.

JAMES OWENS
 Services for James Henry Owens, 82, of Floydada, was at 4 p.m. Tuesday at First Baptist Church of Floydada, with the Rev. Hollis Payne, pastor of Calvary Baptist Church, officiating. Assisting was Dr. Floyd C. Bradley, pastor of First Baptist Church.

Burial was in Floydada Cemetery under the direction of Moore-Rose Funeral Home of Floydada.

Owens died at 8:30 a.m. Monday at Caprock Hospital in Floydada after a brief illness.

He married Vera Leona Payne on March 20, 1920, in Cook County and moved to Floyd County in 1927 from Prosper. He was a retired farmer and a veteran of World War I. He was a member of Calvary Baptist Church.

He is survived by his wife; four daughters, Irene King and Evelyn

EXIQUIO VASQUEZ

Exiquio Vasquez, 46, of Outlook, Washington, died June 14 in Valley Memorial Hospital in Sunnyside, Washington. He was a brother of Pedro Vasquez Jr. and Maria Vela, both of Lockney.

Funeral services included a rosary recited June 17 at 7 p.m. in the Chapel of the Smith Funeral Home in Sunnyside, Washington. Mass of Christian burial was celebrated June 18 at 10 a.m. in St. Joseph's Catholic Church in Sunnyside with the Rev. Desmond P. Dillon officiating. Burial was in Lower Valley Memorial Gardens.

Mr. Vasquez was born in Robstown to Pedro and Sofia Vasquez. He spent his early years there and received his education there. He later worked as a farm laborer.

On January 18, 1958 he married Ascencion Sambrano in Robstown. In 1961 the Vasquez family moved to Sunnyside, Washington where he continued to work as a farm laborer. At the time of his death, he was employed by Gene McIntire of Sunnyside. Mr. Vasquez was an avid hunter and outdoor sportsman.

Also surviving are his wife, three sons, three daughters, his parents, two other brothers and three other sisters.

John Cagle transferred

John W. Cagle, son of Mr. and Mrs. Bill Cagle, Floydada, has recently been transferred within Elanco Products Company, the agricultural marketing division of Eli Lilly and Company.

Cagle, an agricultural chemical sales representative in the Hewitt, Texas area for the past four years, has been named a specialty and technical products sales representative. He will be working out of the Weston, Missouri area according to G.B. Johnson, manager of the company's Continental sales district.

Cagle graduated from Floydada High School in Floydada, Texas in 1974. He received a bachelor's degree in general studies from Texas Tech University in 1978.

Public Notice

PUBLIC NOTICE

The City of Floydada is soliciting proposals from qualified individuals or firms for planning assistance in preparation of an application for a Community Development Block Grant from the U.S. Department of Housing and Urban Development under the 1982 Small Cities CDBG Program, and for management, administrative, planning, engineering, and architectural services required by the City for implementation of the Program should it be funded by HUD.

Proposals will be considered by the City at a meeting to be held at 7:30 p.m. on the 13th day of July, 1982. In order to be considered, proposals must be submitted prior to 5:00 p.m. on the 8th day of July, 1982. The City reserves the right to reject any or all proposals.

Upon receipt, all proposals will be thoroughly evaluated by the City. Once this evaluation has been completed, all responsible offerers will be placed in rank order. All offerers will be notified of these results and of the City's intent to initiate negotiations with its first choice. Should negotiations with the City's first choice fail to produce a satisfactory agreement, all negotiations with the first choice will be terminated and the City's second choice will be notified, and so on. These procedures will be followed until a satisfactory agreement and contract has been approved and executed.

It is the City's intention to ultimately contract with the responsible offerer whose proposal and subsequent negotiations are determined to be the most advantageous to the City, all factors considered, including but not limited to a) understanding of the project, b) qualifications of key personnel, c) services proposed, d) prior experience with projects of this type, e) City's past experience with the offerer, and f) price.

A complete Request for Proposal outlining services required by the City, submission requirements, and evaluation criteria has been prepared. Interested parties may obtain copies of this Request for Proposals by contacting the person below:

Parnell Powell
Mayor
City of Floydada
P.O. Box 10
Floydada, Texas 79235

Pending before the Federal Communications Commission in Washington, D.C. are applications for the transfer of control of Radio Station KFBA, 900 kh, licensed to Floydada, Texas. The station is now silent. Robert B. Wilson, trustee, is requesting transfer to Petty D. Johnson. Petty D. Johnson is simultaneously requesting transfer, to Billy D. Pirtle. A copy of these applications and supporting exhibits are available for public inspection during normal business hours at 106 S. Main.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas, effective July 27, 1982, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 13.4 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell's rate application.

Notice to El Paso Area Customers

Effective January 1, 1982, Southwestern Bell adopted the Mountain States tariffs in effect for El Paso County. Southwestern Bell proposes to merge the separate El Paso tariffs with its tariffs applicable to the rest of Texas. The resulting new rate schedule is on file with the PUC and the El Paso area municipalities served by Southwestern Bell, and is available for inspection at our El Paso business office.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs. While Southwestern Bell has proposed no increase in long distance rates, any change in those rates would also affect customers of other telephone companies.

Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 27 de julio, 1982, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 13.4 por ciento en los ingresos intraestatales de la compañía.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañía para negocios con el público en Texas tiene una copia para lectura pública. En el pasado, la Comisión ha sostenido que toda tarifa está sujeta a cambios que resulten de la manera en la cual Southwestern Bell aplique sus tarifas.

Aviso a Clientes en la Región de El Paso

Con vigencia a partir del 1o de enero de 1982, Southwestern Bell ha adoptado las tarifas de Mountain States efectivas en el condado de El Paso. Southwestern Bell propone unir las tarifas de El Paso con sus otras tarifas que se aplican al resto de Texas. El nuevo arancel que resulta de esta unión se ha archivado en la Comisión de Servicios Públicos (Public Utility Commission), al igual que en las municipalidades de la región de El Paso servidas por Southwestern Bell, y está disponible para inspección pública en nuestras oficinas de El Paso.

Aviso a los Clientes de Otras Compañías de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell. Aunque Southwestern Bell no ha propuesto un aumento en las tarifas para larga distancia, cualquier cambio en las mismas también afectarían a los clientes de otras compañías de teléfono.

Plentiful rain delays wheat harvest

BY GRACE LEMONS
We had 2 1/2 inches rain this week with some hail that was damaging. There is still wheat in the fields that has not been harvested.
Eva Hicks and Fay and Dan Aaron of Le Junta, California and Donie Henson and Goldie Cypert of Floydada visited Belle Lemons last Friday.
Grace Lemons visited her cousin Mildred Moore in Plainview last Wednesday.
Winnie and Charles Beedy, Bessie Wilson of Floydada and Sonja Glassmeyer of Dallas visited Clara and Albert Mize Sunday afternoon.
Clara Mize attended the funeral of Buz Muncy held at the Calvary Baptist

Church in Floydada Monday.
Rev. and Mrs. Vance Mitchell went to Roaring Springs and brought their girls Sandra and Virginia back from camp. They visited Bro. Mitchell's mother, Minnie Mitchell who was a patient in the hospital in Crosbyton.
Mrs. Mitchell was able to return to her home in Crosbyton Tuesday. We trust that she will continue to gain strength.
House guests in the home of Edna Gilly Saturday and Sunday were her children Mr. and Mrs. Johnnie Harrison and girls of Lubbock, Mr. and Mrs. Craig Gilly and children and Mr. and Mrs. Mark Gilly and Emory. Christy Harrison of Lubbock spent the week with her grandmother.

Holiday weekend to leave 47

Major C.W. Bell, Regional Commander of the Texas Department of Public Safety said, "The two most dangerous things the driver of a motor vehicle can do is to speed or drink and drive. Those two violations will account for most of the traffic deaths during this July 4th holiday."

The population in Texas is increasing, so is traffic on the highways. More people are expected to be on our highways this 4th of July weekend than ever before. An estimated 47 will be killed this holiday weekend.
The Department will be conducting "Operation Motorcade" during the

weekend, trying to be aware of the traffic available trooper will help to help cut down on the death but will need cooperation of the public to be effective. We don't need the voluntary motoring public, in order to reduce accidents, "If people will just drive if they have been of the deaths that can be prevented." included.

Senior Citizen News

BY MARY PEARL COWARD

The Senior Citizens Center will be closed Monday, July 5. Since the 4th comes on Sunday, the holiday will be taken on Monday.

Mrs. Eldie Bryant has returned from a visit to her children and to attend a family reunion. She went to Hermleigh, Petrolia and Electra. On June 27 she attended the funeral for an aunt at Wichita Falls.

L.D. Britton is recuperating satisfactorily at home now. His foster daughter, Mrs. Vanda King, of Lubbock, has been staying with him.

Reba Henry enjoyed a visit from her brother, Joe Browning and his wife of Mountain View, California last week.

They enjoyed attending a family reunion at New Deal Sunday, June 20.

A representative from the Social Security office in Plainview will be at the Center at 1:00 or 1:30 each second Wednesday afternoon.

The Center has donated \$175 to help buy new tires for the Senior Citizens Mini-Bus.

Bill Holoday has been in the hospital for several days.

Jeffie Smith has also been in the hospital for several days.

Luther Harris

receives award

Staff Sgt. Luther Harris, son of Rosie and Independents McDonald of Lockney, has been decorated with the Army Achievement Medal at Fort Hood, Texas.

The medal is awarded to soldiers for achievement or meritorious service and acts of courage.

Harris is an infantryman with the 2nd Armored Division.

Mary Jo Sherman named to Deans List

Mary Jo Sherman, wife of Bill Sherman, of Lockney was included in the spring 1982 Dean's Honor Roll at Wayland Baptist University.

Mrs. Sherman, a freshman, posted a 3.80 grade point average (GPA) on a 4.00 scale for this recently complete term.

She since has completed a summer course in English and will be enrolled later in the summer in Marriage and Family, a sociology course.

She is a former Lockney High School graduate. She is the daughter of Mr. and Mrs. E.A. Bonner and is a sister to Danny Quisenberry.

Besides being interested in art and psychology, Mrs. Sherman is the mother of five children: Kay, a daughter, who is taking an EMT course through Lubbock Christian College and working for Aide Ambulance in Lubbock; Mark, a son, who is engaged in farming in the Sterley community; Karla Prater, the mother of two small children of Lockney; Mac, a 1982 graduate of Lockney High School, who will be enrolled in Clarendon Junior College studying range management this fall; and Billy Bob, a son, who will be a sophomore at Lockney High School this fall.

The Dean's Honor Roll is announced

by Dr. Dan McLallen, academic vice president and dean of the university, at the end of each semester and lists the names of students who carried at least 12 semester hours during the term and whose GPA was 3.50 or above.

A total of 120 students from 13 states and one foreign country were named to the Honor Roll for the spring term.

Wayland Baptist University is a four-year coeducational institution of liberal arts and sciences which recently began its 74th year of operation. Last fall's enrollment of 1,509 students set an all-time record for the 12th consecutive year.

Lockney. Junior showmanship winner was Matt Williams, Lockney, and the champion senior showmanship title went to Jeff Scherer of Cypress. Jeff Scherer and Kim Eberle, Breckenridge, will represent Texas at the National Junior Showmanship Contest, July 12-13 in Milwaukee, Wisconsin. Kim Eberle was crowned the new 1982 Texas Junior Angus Queen.

The Texas Angus Auxiliary Scholarship went to Cindy Kelm of Brenham. The 1982-83 Texas Angus Directory was dedicated to Helen and J.V. Heyser, Cisco. The Heyzers have been Texas Junior Association advisors for 11 years.

Guests were treated to a sirloin steak dinner and entertainment by singer Bob Summers.

showing plus planning more educational swine shows.

The nutritional aspects of pork also will be discussed along with cooking pork in a microwave oven. Pork recipes and other information will be featured at a special educational booth.

Three prominent swine judges will headline the program, notes Tanksley. They are Dan Hoge of Blackhawk East Junior College in Illinois; Dr. Lauren Christian, Iowa State University; and Jim Rucker of Lexington, Oklahoma.

Several prominent Texas swine breeders also will be on the program plus a host of county Extension agents and vocational agriculture teachers who have supervised highly successful swine projects.

According to Tanksley, one of the

clinic highlights will be an exhibition and evaluation of 37 self-fed barrows that will represent wide differences in skeletal makeup, looseness of structure, muscle design, length of leg and finish. The pigs, entered by 29 Texas breeders, have been on test since April 9.

These test barrows will be slaughtered and their carcasses evaluated so that clinic participants will be able to see what self-fed barrows look like and what differences exist in the carcasses of various kinds and shapes of pigs, says Tanksley.

County Extension agents have additional information and registration materials for the clinic. A \$15 registration fee should be sent to Ken Cook, District Extension Director, Rt. 2, Box 950, San Angelo, Texas 76901.

problem. Groundcover plants eliminate the need for mowing as well as concealing the exposed tree roots.

Many possibilities for living groundcovers are now available. For shade or partial shade, vinca, Algerian ivy, English ivy, monkey grass, liriopis, ajuga, and hypericum can all be used. For sunny locations, Asiatic jasmine, monkey grass, creeping jumpers, purple leaf honeysuckle, liriopis, daylilies, santolina, sedum, dwarf yarrow, and dwarf nandina are among those recommended.

Proper soil preparation is needed before groundcover plants are planted. Dig the soil at least six inches deep. Rake thoroughly to remove grass roots. Spread two to three inches of organic material such as peat, well-rotted manure, or leaf mold over the ground and spade it into the soil.

It is essential to remove all grass and to be assured of a weed-free planting area. Once the groundcover is planted, it is difficult to eradicate undesirable weeds and grass.

On rocky or uneven soil where the entire area cannot be so worked, it is advisable to dig individual holes. Dig these deep enough so you can back fill partially with the soil mixed with organic material before you set the plants.

Groundcover plantings will profit from a mulch to hold the soil in place until the planting is established.

Groundcovers can be planted anytime during the growing season. Fall and spring plantings give best results if potted or canned plants are used. Keep the new planting well watered until it becomes established.

TOMATO PROBLEMS
A lot of satisfaction comes from harvesting plump, red tomatoes from your garden. But nothing is more frustrating than finding a dead or wilted plant.

What problems can gardeners expect this year? And more important, what can be done about them?

Here is a checklist of problems, causes and cures:

Young plants dying soon after planting. Cause: Fertilizer burn or soilborne disease. Cure: Thoroughly mix fertilizer into soil; treat for soilborne diseases and do not overwater.

Stunted plants that are pale to yellow. Causes and cures: Low soil fertility, poor soil drainage (drain and add organic matter), shallow or compacted soil (work soil deeper), insects or disease (identify and use control measures) and nematodes.

Stunted plants with purplish color. Causes: Low temperature and lack of phosphorus. Cures: Plant at recommended time and add phosphorus fertilizer.

Spots, molds, darkened areas on leaves and stems. Causes and cures: Disease (identify, spray or dust and use resistant varieties), chemical burn (use recommended chemical at recommended rate) and fertilizer burn (keep fertilizer off plants).

Wilting plants. Causes and cures: Dry soil (water); too much water in soil (drain); nematodes and diseases (use resistant varieties if possible).

Weak, spindly plants. Causes and cures: Too much shade (remove shade or quit gardening), too much rain (hope for sunshine), plants too thick (thin out plants) and too much nitrogen (avoid excessive fertilizer).

Tomato leaf curl. Causes and cures: Heavy pruning in hot weather (do not prune in hot weather) and diseases or insects (identify and use control measures).

Misshappen tomatoes [catfacing]. Cause: Cool weather during blooming. Cure: Plant at recommended time.

Abnormal leaves and growth. Causes and cures: Hormonal-type killer (don't use sprayer that was used to apply weed killer and don't allow spray to drift to garden) and virus diseases (remove infected plants to prevent spreading; control insects that transmit).

Agriculture - gambler's game!

Low commodity prices together with weather, crop surpluses and high interest rates make agriculture a continuing gambler's game.

The government's Acreage Reduction Program, which enrolls producers to withdraw 15 percent of their land from farm production, will make the farmer's hand stronger than it would have been otherwise, but basic economic problems will still be there.

Dr. Don E. Ethridge, agricultural economist with Texas Tech University, said that even with normal weather the actual decrease in U.S. cotton production this year probably would have been close to 6 or 7 percent from the 15 percent acreage reduction.

Farmers, Ethridge said, will withdraw their lowest yielding land from production which will not significantly lower total production.

But the major factor affecting production in West Texas now is severe weather. Rains and hailstorms threaten the immediate existence of the crops.

For every dollar of cotton not produced by West Texas farmers, because of weather or the reduction plan, the regional economy loses \$3, Ethridge said.

"The Acreage Reduction Program may make some difference. Let's say the U.S. produces 12 million bales of cotton a year. The plan may reduce that amount by one-half million bales. We probably still have three to three-and-a-half million bales from last year and on the market," Ethridge said.

Acreage plan benefits for those who participate include a commodity loan program. The program is an attempt by government to provide some kind of price floor for agricultural goods, Ethridge said.

Administration blocking farm crisis bill

Congressman Jack Hightower charged that intense Administration opposition and last-minute defections from three key Republican supporters resulted in the failure of the House

Agriculture Committee to pass the emergency Farm Crisis Bill. The bill was introduced in May by Hightower and several other farm-state congressmen in an attempt to provide help for

farmers going out of business in record numbers. Yesterday, the Agriculture Committee voted 21-21 and there-by failed to pass the Farm Crisis Act of 1982 on its first attempt and after extensive and speedy hearings.

"I am extremely disappointed that the Committee failed by one vote to move the bill out of committee," Hightower said. "There's no doubt that the Administration's opposition was the deciding factor." The Committee held two days of hearings on the bill with numerous farm group representatives and Congressmen, including Hightower, speaking in support, and Agriculture Secretary Block and others speaking in opposition. In his testimony on June 9th, Block urged the Committee to defeat the bill because he claimed it was unnecessary and that the farm situation would improve without congressional action.

"Although there were three Democrats who voted no, I was mainly surprised that three of the farm bill's main Republican sponsors who had been with us the whole way changed their mind and voted no at the last minute," Hightower said. "Apparently they couldn't resist the Administration pressure. I think this clearly demonstrates that the Administration opposes giving farmers a greater say in their own production decisions. I guess that means they believe that our farmers should continue to be at the mercy of decisions made at the State Department and the President's Budget Office."

Hightower was referring to the fact that farmers were hurt financially by the Carter Administration's grain embargo against the Soviet Union, and that the Administration has opposed any emergency action on the agricultural front claiming budgetary and policy reasons. "Even though the U.S.D.A. officials admitted our bill would both save taxpayers money and help raise farm income, they actively opposed our efforts all the way," Hightower said. "For a long time, farm legislation was largely bipartisan; however, this Administration has consciously played one agricultural faction off against another and has broken that bond among people who once worked together in the country's best agricultural interests. We've got to put that coalition back together."

Hightower indicated the House Farm Crisis Group, which he helped organize earlier this year, would probably meet in the next few days to plan further legislative strategy.

FLOYD COUNTY REPRESENTED WELL AT STATE 4-H GRASS I.D. CONTEST — Shannon Smith, above, and Shannon Edwards, below, of Floydada placed 21st and 22nd out of over 40 contestants at the State 4-H Range and Pasture Grass Identification Contest in College Station.

Hightower, others invite ag secretary to Texas to review crop damage

Congressman Jack Hightower, Charles Stenholm and Kent Hance have issued an invitation to Agriculture Secretary John Block to conduct a personal inspection of hail-damaged areas of West Texas as part of their efforts to convince Block to provide emergency disaster assistance to farmers whose crops were ruined and who are on the verge of bankruptcy. Some eighteen counties in the 13th District were hit by hailstorms in the past several days causing severe damage to cotton and grain crops to the area's important commodities.

Hightower, Hance and Stenholm on Wednesday, June 23rd, wrote Secretary Block an urgent letter requesting that he use his discretionary power under the 1981 Farm Act "to reinstate the disaster payment programs" for some farmers in light of the serious damage to crops in their West Texas areas. The storms "have destroyed up to 75% of the crops in some counties," the three Congressmen wrote. "To compound the losses suffered from natural disaster, most of these farmers either have no crop insurance or an inadequate amount of coverage due to the high cost of the greater yield coverage and other transitional problems."

"Many of these farmers already have a substantial debt load due to the last several years of low commodity prices and ever-increasing cost of production," the letter continued. "We also recommend that these farmers be allowed to participate in any set-aside and CCC loan programs available to their replacement crops even though no

acreage base has been established. "Finally, we must ask that you protect the payment yield for deficiency payment purposes," the Congressmen wrote. "Many producers will find their base yields dramatically reduced next year if they are forced to use a zero yield for this year."

"We hope the Secretary will be concerned enough to come see the damage and that this will convince him that these actions are urgently needed," Hightower told the press. "Many

counties in the 13th District were really hit hard, and for some of these farmers who are just barely hanging on, this hail damage could literally push them over the edge into bankruptcy for good." Early estimates indicated that counties damaged by the hail in the 13th District included Briscoe, Childress, Collingsworth, Cottle, Dallam, Floyd, Gray, Hall, Hansford, Hartley, Hutchinson, King, Moore, Motley, Ochiltree, Potter, Randall, and Swisher. More counties may be included in updated reports.

Breihan urges help for farmers

National Cotton Council President Ed Breihan urged Agriculture Secretary John Block to aid weather-stricken West Texas farmers by immediately implementing the 1981 farm law's disaster provisions for the area.

In a telegram to the Secretary as well as members of the Texas Congressional delegation, Breihan said extensive hail and other adverse weather had caused a crop disaster of "unprecedented proportions" on the Texas Plains.

Estimates of cotton severely damaged or destroyed in the High and Rolling Plains range from 1.5 to 2 million acres, and in much of the area it's too late in the season for successful replanting.

Under current farm law, the Secretary of Agriculture has the authority to make the payments if (1) a natural disaster creates an economic emergency for producers, (2) federal crop insurance does not cover the crop because of "transitional problems" attendant to the insurance program, and (3) additional assistance must be made available to such producers to alleviate the economic emergency.

Breihan told the Secretary that the current situation in West Texas meets all three of these conditions.
