## TWISTER HITS BOVINA

# Weather Holds Spotlight Here During Past Week

Friona had its own version of "Star Wars, Empire Strikes Back, and Return of the Jedi" this past

Wednesday night. At least the area had the sound and visual effects, in a booming electrical storm which hit

the area.

The big, booming thunderstorm was part of an early-morning cloud that hit the area beginning Wednesday evening. By morning, the system had deposited 1.05 inches of rain in Friona.

For the week, the official measurement in Friona amounted to 1.98 inches as of Thursday night, according to Louise Dunnam.

The city measured rainfall on five consecutive evenings, as follows: Sunday, June 5, .32 inch; Monday, June 6, .18 inch; Tuesday, June 7, .31 inch; Wednesday, June 8, 1.05 inches; Thursday, June 9, .12 inch; total: 1.98 inches.

The immediate Friona area has been spared the violent weather which spawned tornadoes and hail damage, but other parts of the country have not been as fortunate.

On Tuesday night, an apparent tornado completely demolished a warehouse formerly belonging to Bovina Wheat Growers, now property of Sherley Grain Company, north of Highway 60 in Bovina.

The approximately 40x70 foot cinder block building had all four walls blown down during a storm which hit Bovina with a fury. At the same time, an 18-wheel truck-trailer was laid over on its side in the middle of U.S. Highway 60 about a mile west of Bovina.

Several hundred acres of young cotton, mostly south of Bovina, and toward Farwell, were lost during the storm.

The following night, a funnel cloud was spotted at Farwell, placing the county in a tornado warning area. Funnels were also spotted near Sudan, Littlefield and Shallowater that evening.

Bailey, Lamb and Lubbock counties apparently sustained considerable hail damage from the Wednesday storm.

An electrical outage was experienced in Friona early Thursday, when lightning apparently struck a transformer. Lightning also struck a gas main, but company employees could not release information concerning the damage.

## Items Are Recovered By FPD

The Friona Police Department, in cooperation with the Parmer County juvenile officer have concluded an investigation of two burglaries at the Saratoga Garden Apartments. The property that was recovered included approximately thirty cassette tapes, stereo speakers, a cornet, several items of jewelry, and a couple of pictures. Value of the recovered property is approximately \$720.00.

The primary reasons for the success of this investigation, according to Bill Thieman, Chief of Police, was the cooperation from the public and dedicated efforts of officers involved in the investigation. Two juveniles are responsible for the burglaries.

## Friona PD Adds Sixth Patrolman

Martin G. Rice, 22, currently of Canyon, has been added to the Friona Police Department, to bring the department up to full strength, according to Chief of Police Bill Thieman.

Rice, a graduate of West Texas State University with a bachelor of science degree in criminal justice administration, also attended South Plains College.

He completed his internship at the Amarillo Police Department, receiving one of the highest ratings of the interns. Rice is single.

## July 4th Fete Is Taking Shape

The July 4th celebration and Maize Days were among topics discussed at the monthly meeting of the Chamber of Commerce directors on Tuesday.

The July 4 program is beginning to come together. Events will include the Noon Lions Club's barbecue, a tennis tournament, a volleyball tournament, and the regular events at the Community Center, including the World's Championship turtle race.

More details will be forthcoming on the schedule in future weeks. This year's Maize Days celebration is well past the early planning stages. The carnival is booked, and Savage's Hickory Pit Barbecue of Hereford will once again provide the noon meal on Saturday.

The Maize Days committee is considering a wide variety of new activities, such as children's events (similar to the July 4 activities), a beard-growing contest, a bake-off, and a retail promotion that would involve one night of "Moonlight Madness" sales.

A hot air balloon rally is also planned, and it was reported that a list of prospective participants already has passed the 60 mark.

The board of directors is considering possible speakers for the 1984 banquet. The chamber has names of several motivational speakers, and it has been suggested that the Chamber use a well-known sports figure for the job.

John Mars is 1984 banquet committee chairman and would

welcome any other names of speakers which members might be willing to suggest.

The Chamber's newcomer welcome envelopes are stuffed and ready for distribution, but additional business cards or coupons may still be submitted.

Two members of the board of directors plan to take the envelopes to new residents on a bi-weekly basis beginning Friday, June 10. If you know of new arrivals in town, you are asked to call the Chamber office to add their names to the list.

Bunny Murphree, Chamber secretary, will be attending a week-long school of Chamber of Commerce management study sponsored by the Chamber of Commerce of the United States, on the SMU campus June 19-24.

Mrs. Abalos Mexican Food Restaurant was welcomed as the newest member of the Chamber. New members joining at this time will only have to pay dues for a six-month period.

## Landfill Is OK'd By State

On June 2, 1983, the City of Friona received notification that its North landfill was again in compliance with the State Department of Health.

So, once again the North landfill will be open to the public, beginning Monday, June 13. On that date, tree limbs, concrete and construction materials will be accepted at the landfill.

No paper, garbage, household furnishings, dead animals or wire will be accepted. The landfill will be open on Mondays from 9 a.m.-12 noon, and on Wednesdays from 1-4 p.m. Hours at the Southwest landfill will be Tuesdays, Thursdays and Fridays, from 9 a.m.-12 noon and 1-4 p.m.

No brush, wire, or dead animals will be accepted. Drivers are asked to stay on the pavement until they reach the gatekeeper. There is no charge for use of the landfills by city residents, but for non-residents there will be a dumping charge of \$5 for a pickup load, and \$10 for a truckload. Proof of residency will be required.

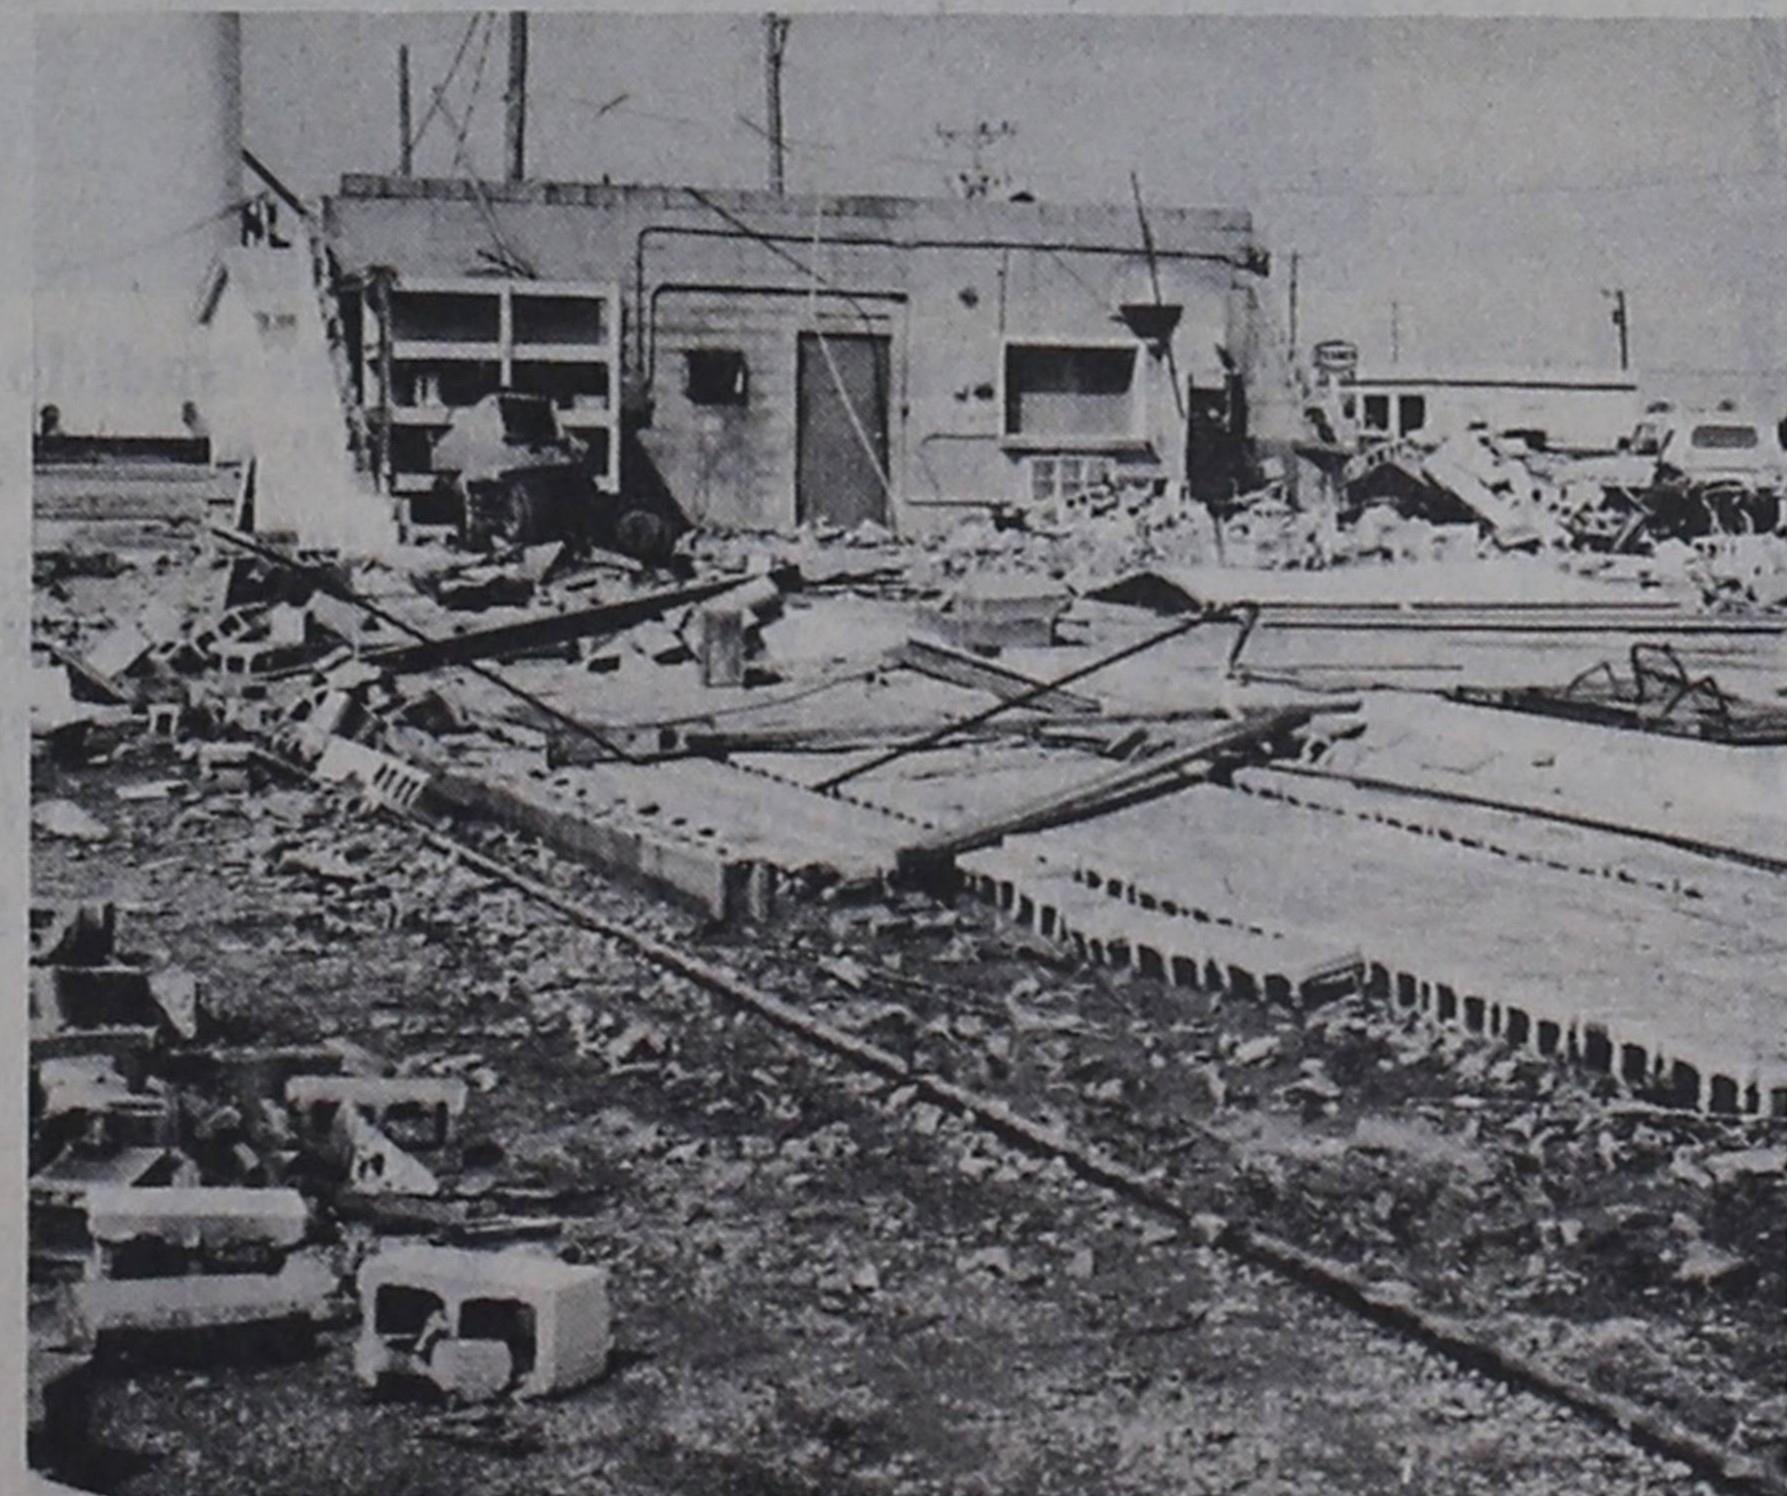

## Practice Alert On Tuesday

The Friona Volunteer Fire Department will have a practice tornado alert on Tuesday, June 14, at 2:30 p.m. to familiarize the residents of Friona with the sound of the new system.

In case of cloudy, inclement weather, the test will be postponed.

There will be three long blasts, lasting about 20 seconds each.

This will be the emergency system that would also be used in case of train wrecks, chemical spills and such.

**BUILDING RUINED....**Shown is all that was left of a warehouse building in Bovina, which was completely destroyed by a storm at Bovina Tuesday evening. All that remained of the building was the former office portion, shown in the background. The building formerly belonged to Bovina Wheat Growers.

**ELECTRICAL STORM....**The Friona area has been visited by big electrical storms two consecutive nights this week. Lightning bolts lit up the sky for about an hour on Wednesday night, and again on Thursday.

## Congregationalists Set 75th Anniversary Fete

The Union Congregational Church, 1601 Euclid, has finalized plans for their 75th Anniversary. The celebration will begin Saturday, June 11.

Plans call for old and new friends to gather at the church at 4:30 p.m. for a time of fellowship and supper at 6 p.m. Saturday. This will be followed by a slide presentation of church history.

On Sunday, June 12, Sunday School and an 11 a.m. worship service will not be held. Sunday's festivities will begin with a barbecue lunch on the church grounds, beginning at 12:30 p.m., with the public invited.

A special worship service is set for 3 p.m. Leading the service, along with Skip Sirnic, pastor of Union Congregational Church, will be several special guests. Rev. Paul Mohr of Pueblo, Colorado, will bring the message. Mohr served as pastor of the local church from 1963 to 1970.

Assisting in the service will be Rev. Bill Phillips, a former pastor, now of Austin. Rev. Jim Tomasek, Conference Minister of the South Central Conference, will also be attending the celebration. After the service there will be an ice cream social.

Since the actual birthday of the church is June 14, 1908, it was decided to celebrate this date with an informal birthday service on Tuesday, June 14 at 7:30 p.m. Cake and ice cream will be served following.

## Trash Schedule Is Affected

City Manager Jerry Lewis this week asked the indulgence of city residents in regard to trash pickup, which has been delayed due to week-long rains.

The rain has made it virtually impossible for the trash truck to make it down some alleys. "We're getting the boxes we can get to without getting the truck stuck, and will get the others as soon as it's at all possible," the city manager said.

the service.

Commemorative plates and pins will be available at all these events. Scrapbooks and historical material will also be available for viewing during the entire celebration.

A spokesman from the church said, "The community is strongly urged to attend all or any of these events and help us celebrate a part of Friona's history."

## Cemetery Re-Chartered

Parmer County Memorial Park, located 3 1/2 miles southwest of Friona on Highway 60, has been dissolved and re-chartered as Friona Memorial Park, a non-profit corporation of the state of Texas, it was announced this week.

The park is under the direction of a local board of directors consisting of Raymond Cook, Ira Holt, Roxie Phipps, Virginia Jennings, Dave Bentley, Elvie Jennings, Ranza Boggess, Raymond Milner and Johnny Tannahill.

Retiring directors are Clifford Crow, D.L. Carmichael and John Taylor. Operation of the park in the past as a "perpetual care" cemetery will cease and its operation in the future will be under the direction of its current membership consisting of those who own lots in the cemetery.

The main purpose for which the new corporation is organized is to operate a public cemetery for this community and the surrounding area, said a spokesman for the board of directors.

Many improvements have been made by the newly organized group. The cemetery has been completely worked over, grass has been planted and the sprinkler system put into operation.

Information concerning lots at the cemetery may now be obtained from Mrs. C.W. Phipps at 1305 West Fifth Street or Ellis-Blackwell Funeral Home in Friona. Lots in the cemetery are available at a cost of \$100.00 each.

**PARK IMPROVED....**The former Parmer County Memorial Park cemetery west of Friona has undergone a change of charter and an improved appearance in recent weeks. The park is now under the guidance of a non-profit corporation.

CONGRATS TO Tom Brokaw and the "TODAY" show, who used a news segment this week entitled "America's Love Affair with the Convertible is Renewed." This was the basis, of course, of our column of June 1.

REMEMBER  
DAD ON  
FATHER'S DAY

## C. Bishop's Rites Held Wednesday

Funeral services for Cynthia Ann Bishop, 38, of Farwell, were held Wednesday, June 8, at 2 p.m. in the First Baptist Church of Farwell with Rev. Pat Riley, pastor, officiating.

Cremation followed in Memorial Park Crematory of Amarillo. Arrangements were by Ellis-Blackwell Funeral Home of Friona.

Mrs. Bishop was born October 9, 1944 in Hereford and was a lifetime resident of Friona. She married Jimmy Dale Bishop February 9, 1975 in Farwell. She was a teller at Friona State Bank, and a member of the First Baptist Church of Farwell. She died Sunday, June 5.

Survivors include her husband, Jim, of the home in Farwell; her mother, Mrs. Hazel Stowers of Friona; her stepfather, A.T. (Buddy) Stowers of Friona; one sister, Mrs. Carolin Reeve of Friona; one nephew, Jason Vaughn of Friona; two stepisters, Helen Gerner of Post and Sharon McCormick of Pampa; two stepbrothers, Jackie Stowers of Friona and Ken Stowers of Portales, New Mexico.

She was preceded in death by her father, James Wendell (Jim) Guinn on July 8, 1974.

Pallbearers were Jim Zehner, Gary Brown, Jerry Hinkle, Robert Neelley, Ted Procter and Darrell Matthews.

The family requests that in lieu of flowers memorials be made to the Friona Volunteer Fire Department or to Girlstown.

CYNTHIA ANN BISHOP

## Basketball Camp Slated

A boys basketball camp, for boys who will be fifth graders next fall through the eighth grade, will be held locally, July 11-15, it was announced this week.

Conducting the Chieftain Basketball Camp will be Oscar Bronniman, new head coach of the Chieftains.

Deadline for registering for the camp is Friday, June 17. Application forms may be picked up at 608 West Ninth Street.

Camp hours will be from 9 a.m. to 1 p.m. daily.

## Write Your Congressmen

Congressman Kent Hance, House of Representatives, Washington, D.C. 20515.

Senator John Tower, 142 Russell Office Bldg., Washington, D.C. 20510.

Senator Lloyd Bentsen, Senate Bldg., Washington, D.C. 20510.

## Tax Rep. Sets Visit

State Comptroller Bob Bullock has announced that Kay Doggett from his Lubbock field office will be at the Parmer County Courthouse on Wednesday, June 15 from 2-3:30 p.m.

A comptroller's representative is available to assist local residents at the courthouse the third Wednesday of each month.

Bullock urges anyone with problems or questions concerning state taxes to contact Mrs. Doggett at the courthouse in person or call the Lubbock field office at (806) 795-0691. A toll-free number (1-800-252-5555) is also available to Texas taxpayers.

## Evangelists To Conduct Services Here

Missionary Evangelists Doris Nixon and Marleen Mercer will be conducting services at First Assembly of God June 12-17. Services will begin each evening at 7:30 p.m.

For nine years Miss Nixon and Miss Mercer taught at an Indian Bible School in South Dakota. In addition to her teaching duties, Miss Nixon was also Dean of the School for five years and directed the school choir.

In their Evangelistic Ministry they have ministered in fifteen states to over forty Indian tribes. There will be special music each evening.

Mrs. Frank Norred, pastor, gives a cordial invitation to the public to attend these services.

# Friona Flashbacks

...from the files of The Friona Star

### 55 YEARS AGO--JUNE 8, 1928

Miss Esther Reeve of Friona has been awarded the C.W. Warwick piano scholarship at the West Texas State Teachers College for the coming year.

N.F. Cogdill's two small daughters are spending a few weeks visiting with their grandfather in Oklahoma. They write that he is quite busy now cultivating his cotton crop.

### 45 YEARS AGO--JUNE 10, 1938

Mr. and Mrs. Carl Alexander and small son and daughter, of Wichita, Kansas, arrived here last week and are spending their vacation visiting Mr. Alexander's parents, Judge and Mrs. J.M.W. Alexander.

R.H. Kinsley, one of Friona's pioneer and most highly respected citizens, was taken suddenly ill during the early part of Sunday night.

Clyde Seamands, owner of the Friona Hotel, has had a force of men employed for several days past, filling the old cesspool at the rear of the building and installing an up-to-date septic tank to take care of the drainage of the building. The work has been completed.

### 35 YEARS AGO--JUNE 11, 1948

The Friona friends of Rev. Paxton Smith and family were surprised when the family arrived here Thursday evening for a one night visit. Texas-New Mexico Amateur Lea having visited relatives in South Texas, they were returning to their home at Glennwood, Iowa. Rev. Smith is pastor of the Glennwood Congregational Church.

Lee Spring, who attended the University of Texas at Houston last year, returned home last week for the summer vacation. It is understood that Lee will enter medical college next year.

### 30 YEARS AGO--JUNE 11, 1953

Miss Tila Rue Day, daughter of Mr. and Mrs. E.R. Day of Friona graduated on June 4 from the Northwest Texas Hospital School of Nursing. Graduation ceremonies were conducted at the St. Andrews Episcopal Church in Amarillo.

Sixteen Boy Scouts from Friona are spending this week at Camp Don Harrington northeast of Canyon.

### 25 YEARS AGO--JUNE 5, 1958

Rev. L.A. Sarta, pastor of the First Baptist Church of Friona, returned late Wednesday from a two-day meeting in Dallas.

Arnold L. Schueler of Friona, has received his bachelor of science degree in music at graduation exercises at the University of Texas on May 31.

### 20 YEARS AGO--JUNE 13, 1963

Louis Welch of Houston arrived in Friona Saturday from his home in Houston to visit his mother, Mrs. Nora Welch, who has recently been dismissed from Deaf Smith County Hospital at Hereford.

Dr. Osborn is a graduate of Friona High School and Texas A&M University at College Station and a former student of West Texas State University at Canyon.

### 15 YEARS AGO--JUNE 6, 1968

Jimmy Maynard announces this week that he will open a nursery and garden supply business in the former Soil Builders building about a mile east of Friona north of Highway 60. The new business will be open on Friday.

Five members of the Parmer County 4-H Club junior rifle club competed in the Reese Air Force Base small bore rifle tournament last week in Lubbock, and came away with several honors.

### 10 YEARS AGO--JUNE 7, 1973

Excited 17-year-old Kay Cochran, daughter of Mr. and Mrs. W.A. Cochran, has officially received word she will be enroute to Sweden as a summer exchange student as of June 25.

### 5 YEARS AGO--JUNE 11, 1978

Parmer County authorities are still working on identifying the body of a man who was found last Saturday in a tailwater pit two miles west of Bovina. Sheriff Charles Lovelace said it has been difficult to identify the

body because of the deterioration. He said it appeared the man had been dead for five to six days. The sheriff said he had no doubt the man drowned in the three feet deep sediment tank.

Beth Collier has been chosen Rodeo Queen by the Friona Riding Club, and will represent the club at its sixth annual Junior Rodeo, scheduled for June 23-24 at the local roping arena. Beth is the daughter of Mr. and Mrs. Darrell Collier.

## Scramble Winners Are Told

Friona Country Club has instigated a weekly "scramble" tournament, to be held each Tuesday, with tee-offs at 6:15 p.m.

Those interested in playing in the next tournament are asked to call the Country Club by 5:30 p.m. Tuesday to enter. There are four members to the team.

Winning the first week's "scramble" after an extra hole playoff was the team of Jon Mack Roden, Dave Hutson, Bob Beville and Kay Huckabee.

The team composed of Cecil Maddox, Mary Maddox, Zane Polson and Jerry London had tied with the above team at six-under par 30 for the nine holes. Roden's team won the playoff for first place with an eagle.

Two other teams tied for third place with best-ball scores of 31. They were the team of Don Huckabee, Leland Hutson, Jerry Wilbourn and Camille Beville, and the foursome of David George, Scott Straw, Michael Chaney and Judy Herring.

A Jack and Jill tournament is scheduled at the Country Club this Saturday and Sunday. Thirty-seven teams had been entered in the event as of Wednesday.

# REMEMBER WHEN ?

The first week in June must be the traditional time for the area to get its "annual rainfall." Almost exactly 20 years ago this week, on June 1, 1963, to be exact, Friona received a three-inch rain, which caused Frio Draw to flood the area. The bridge across the draw, just west of town, is shown with a large stream of water flowing. Friona State Bank is happy to have brought you this glimpse from the past. We will be happy to serve your every financial need.

**FRIONA STATE BANK**

LURA COLDIRON BRADLEY

## Longtime Resident's Rites Held

Funeral services for Lura Coldiron Bradley, 88, were held Friday, June 10, at 3 p.m. in the Calvary Baptist Church with Rev. Jake Armstrong, pastor of Calvary Baptist Church of Dumas and Rev. Andy Hollinger, pastor, officiating.

Burial was in the Friona Cemetery under the direction of Ellis-Blackwell Funeral Home.

Born January 5, 1895 in Ellis County, she moved to Friona in 1929 where she lived for 50 years. Her first husband, Dallas Coldiron, died in 1947. Her husband, John Bradley died in 1963. She was a member of Calvary Baptist Church of Friona. Mrs. Bradley died Tuesday, June 7 in McAllen.

Survivors include one daughter, Mattie Faye Crow of McAllen; one son, Dallas Coldiron of Amarillo; three brothers, Clint Carter of Oregon, Jack Carter of Andrews and Cleo Carter of Pampa; six grandchildren and ten great-grandchildren.

Pallbearers were Earl Crow, Dave Coldiron, Ron Coldiron, Ira Holt, Clifford Crow and Milburn Bennett.

Honorary pallbearers were Aubrey Carlton, Raymond Euler, V.M. Ferguson and Henry White.

## Armstrong Services Saturday

Funeral services for Thomas Dewitt (Tommy) Armstrong, 30, of Mt. Pleasant, Texas, were to be held Saturday, June 11 in Mt. Pleasant. Burial will be in the Weaver Cemetery.

A former Friona resident, he was a 1970 graduate of Friona High School. He died Wednesday, June 8, at Dallas Methodist Hospital after a brief illness.

Survivors include his wife, Debbie of the home; one son, Thomas Isaac and one daughter, Jennifer Elizabeth, both of the home; his mother, Eunice Armstrong of Sulphur Springs; one sister, Ruth Lewis of Buna; five brothers, Vernon Armstrong of McCamey, Jimmy D. Armstrong of Holmstead Air Force Base, Florida, Charles N. Armstrong of Bellevue, Nebraska, Ronnie Joe Armstrong of Muleshoe and Billy Don Armstrong of Sulphur Springs, formerly of Friona.

He was preceded in death by his father, Dewitt Nelson Armstrong in 1976.

DAY CAMP.... The children attending the City of Friona's first Day Camp session are shown as they held a style show for their "Wacky Dress-up Day" on Thursday at the Friona Community Center. Kayle Britting is the adult leader shown with the group.

## Sarpalius Helps Kill Farm Bill

State Senator Bill Sarpalius spent the last few remaining hours of the 68th legislative session fighting against a bill which would adversely affect Texas farmers.

"The farmers of this state are already plagued with serious financial difficulties. It would be extremely unfair to impose additional hardships on our farmers by passing a bill which would force them to pay a lot of money, which some of them do not have," Senator Sarpalius says.

Senator Sarpalius successfully fought against a bill which would have brought most farmers and ranchers under the state's workers compensation law. The senator filibustered against the legislation for more than two hours Monday night. Senator Sarpalius filibustered for more than nine hours Friday night, when the bill was first introduced in the Texas Senate, by Senator Hector Uribe of South Texas.

Senator Sarpalius opposed the legislation despite strong lobbying efforts to pass the bill and despite Agricultural Commissioner Jim Hightower's support of the bill. Proponents of the legislation said the bill would affect a small percentage of Texas farmers. However, a large number of Panhandle farmers, who would have been affected by the bill, disagreed. "The bill would have hurt at least 30 to 40 per cent of all Texas farmers," Senator Sarpalius said.

The senator's filibuster forced final defeat of the bill. "I'm happy the farmers of this state won an important victory Monday night. If

the bill had gained approval, it would have forced some Texas farmers out of business," Senator Sarpalius said.

## "Texas" Musical Sets Opening On June 15

The eighteenth Gala Opening celebration of "Texas" is only weeks away, and preparations are being made for the show's first performance of 1983 at 8:30 p.m. June 15 in Palo Duro Canyon's Pioneer Amphitheatre.

This year's celebration will be a tribute to the fifty states of the United States that send their tourists to the drama each summer. A colorful display of each state flag is being planned, and it is hoped that each state will have a representative at the opening of the show.

At the same time that this is being planned for the front of the theatre, back-stage work is progressing, too. The cast assembled for the first time on May 22, and immediately began the hard work that keeps "Texas" a show of quality and zest.

The costume makers found their tape measures from last year and began calculation how many yards of what kind of materials would be needed to outfit the eighty performers that will appear on the stage. Hat sizes, boot width, hem lengths, dress sizes, and waist measurements must be revealed to the seamstresses.

Meanwhile, out at the theatre, the technical and stage crews are putting up the lights purchased for the show by the Texas Panhandle Heritage Foundation, producer of the outdoor drama. New sets that yesterday were only drawings on the drafting board, are beginning to take form. Sound equipment is tested and reconnected, and speakers must be inspected closely for mouse-inflicted damage, and the concession, box office and restrooms are being painted.

The performers themselves are practicing stage movement, dance steps, chorus and solo parts, and, of course, learning lines. Directors are scheduling rehearsals and trying to include dates with service and civic organizations who are eager to get a preview of this year's talent.

It is a busy time for everyone connected with the show's production, but there is still time to take ticket reservations and to answer any questions that any patron might have.

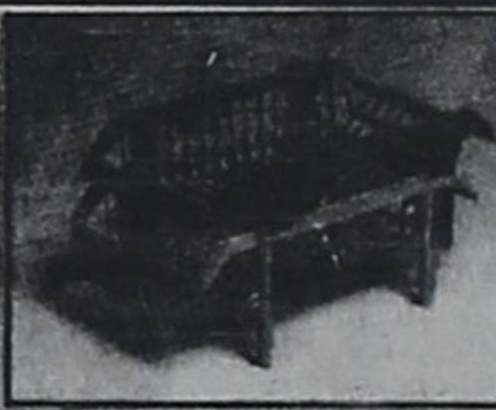

For ticket information call or write "Texas," Box 268, Canyon, Texas 79015 or call 806-655-2181.

LARRY HALL is the new manager of Friona's Perry's store. He is originally from Fort Worth, and comes to Friona from Colorado City. He and his wife Norma have one son, Britt.

## Around The House In Parmer County

**By LAURA JACOBS**  
 Before starting that summer canning project, be sure your equipment is in good order. A Pressure Canner Testing Clinic has been scheduled for area homemakers.

The clinic will be held Monday, June 20 beginning at 2 p.m. at the high school home economics building in Farwell.

Be sure to bring all parts of the canner to be tested, rack, lid, gauge, etc. Canners should be tested about every two years to be sure they reach the correct amount of pressure.

Food preservation booklets will also be available at no charge. Be sure to take advantage of this free clinic as it is the only time it will be offered this summer.

As with all programs offered by the Texas Agricultural Extension Service, this one is available to everyone without regard to sex, age, race, religion, handicap, or socio-economic level.

## Land Commissioner Authorizes Bond Sale

Texas Land Commissioner Garry Mauro has announced that the Veterans Land Board authorized the sale of an additional \$50 million in bonds for loans through the Veterans Land Program on May 10 which will maintain the current 8.5 per cent interest rate on loans.

Mauro, chairman of the Veterans Land Board, said, "Because the strength and stability of the program brought such a favorable bond sale, the Board can continue to offer 8.5 per cent loans to veterans."

In addition to the \$50 million sold to provide new loans, the Board authorized the sale of an additional \$36 million to restructure the debt of the program.

Eligible Texas veterans are able to borrow up to \$20,000 over a 40-year

term to purchase a minimum of ten acres of land. Since the Veterans Land Program began in 1949, over 80,000 Texas veterans have participated in the loan program.

"The Veterans Land Program's very competitive interest rate, five per cent down payment, semi-annual payments, and the long-term 40-year payoff period offer an excellent investment opportunity to all Texas veterans," Mauro stressed. "I encourage all eligible Texas veterans to participate in this outstanding program."

Mauro noted the situation for veterans applying for loans has changed dramatically since January 3. "When I first took office, we had over 14,000 veterans on the waiting list for loan applications. It was not uncommon for some loans to take longer than a year to close. We have now completely eliminated the waiting list and veterans who apply can expect their loans to be processed within 90 to 120 days," he said.

The Veterans Land Board sold \$50 million worth of bonds at a March 21 sale. This is the second sale of the \$250 million bonds authorized by Texas voters in 1981.

"The Veterans Land Program has provided thousands of Texas veterans the opportunity to purchase land. Since the loan program is supported by bonds, the entire program is operated at no cost to the taxpayer. With the next 5,000 loans approved by the Veterans Land Board, another \$100 million will be generated to the Texas economy," Mauro stated.

## Pool Sets Times For Sunbathers

At the request of several working women in Friona, the Friona Municipal Swimming Pool will be closed on Tuesdays and Thursdays from 12 noon to 1 p.m. to swimmers, allowing ladies interested to sunbathe.

Those wishing to persue a tan in this manner will be admitted free of charge for the hour twice each week.

## County Agent Reports

By SETH RALSTON

Bagworms are one of the major pests of junipers and other trees and shrubs in Texas. Spring hatch usually begins the first week of May on the South Plains. Insecticide control is most effective in late May and early June when the bagworms are small, says County Extension Agent, Seth Ralston.

In the spring, bagworm larvae emerge from hatching eggs inside last year's bags and begin feeding on leaves. Soon they begin to construct their own protective bag of silk, twigs and leaves, making them camouflaged and hard to see. As the larvae and their bags continue to grow, control becomes more difficult.

Bagworms feed through-

out the summer months, building their bags until the bags are about 1 1/2 inches long, Ralston adds. In the fall, the bagworms become adults, mate and the females lay eggs inside their bags. They then overwinter in these bags in trees and shrubs. Each overwintering female bag on a tree contains from 500 to 1,500 eggs.

"Since the bagworm only completes one generation a year and spreads very slowly from plant to plant, picking the bags off infested plants in the winter will help a lot toward controlling this pest," says Ralston. "But if bagworms were present on the plant last year and control measures were not applied, chances are very good that an insecticide will be needed this spring.

Insecticides which can be used to control bagworms include sevin, dursban, diazinon, malathion, dylox and orthene. The biological insecticide Bacillus thuringiensis can also be used. To obtain effective control, thorough coverage of the foliage is important. Always read and follow label instructions when applying insecticides.

**Big \$1.89**  
**Beltbuster**  
sale!

This Monday, June 6th thru Sunday, June 12th.

Dairy Queen announces a really big sale on a really big burger — the Beltbuster. It's a full half-pound of 100% pure beef. And it's 100% delicious because it's made to your order, hot and fresh — with your choice of lettuce, tomatoes, pickles and onions.

"Dairy Queen just keeps on getting better."™

## Around The House

By LAURA JACOBS

The United States Department of Agriculture this week released new processing recommendations for tomatoes and tomato juice, applesauce, fruit purees and pumpkin.

To prevent food borne illness and the loss of valuable home canned foods, specialists with the Texas Agricultural Extension Service are urging home canners to follow the new USDA guidelines.

The USDA now recommends the following:

\*The one-step, cold pack method for canning tomatoes should no longer be used.

\*The hot pack processing time for canning tomatoes should be increased to 35 minutes for pint jars and No. 2 cans, and to 45 minutes for quart jars and No. 2 1/2 cans.

\*The hot pack processing time for canning tomato juice should be increased to 35 minutes for pint and quart jars, and for No. 2 and 2 1/2 cans.

\*Strained (pureed) pumpkin and winter squash

should not be canned at home. Instead, cubed pumpkin and squash may be canned using a processing time of 55 minutes for pint jars and 90 minutes for quart jars.

\*The processing times for applesauce and fruit puree should be increased to 20 minutes for pints, quarts, No. 2 and 2 1/2 cans.

According to Marilyn Haggard, a foods and nutrition specialist with the Extension Service, the changes in canning recommendations are based on research conducted at land-grant universities and the Eastern Regional Research Center of the USDA.

"The recommendation to more than triple hot-pack processing times for tomatoes was based on research which indicated that shorter times could be insufficient under certain conditions," says Haggard. Insufficient processing could allow botulism organisms to survive the heat treatment, grow and produce harmful toxins, she explained.

## Tom Johnson Takes Post At Three-Way

Tom Johnson, who has served as basketball coach at Friona High School the past three years, has resigned to accept the position as principal at Three Way Schools, in southern Bailey County.

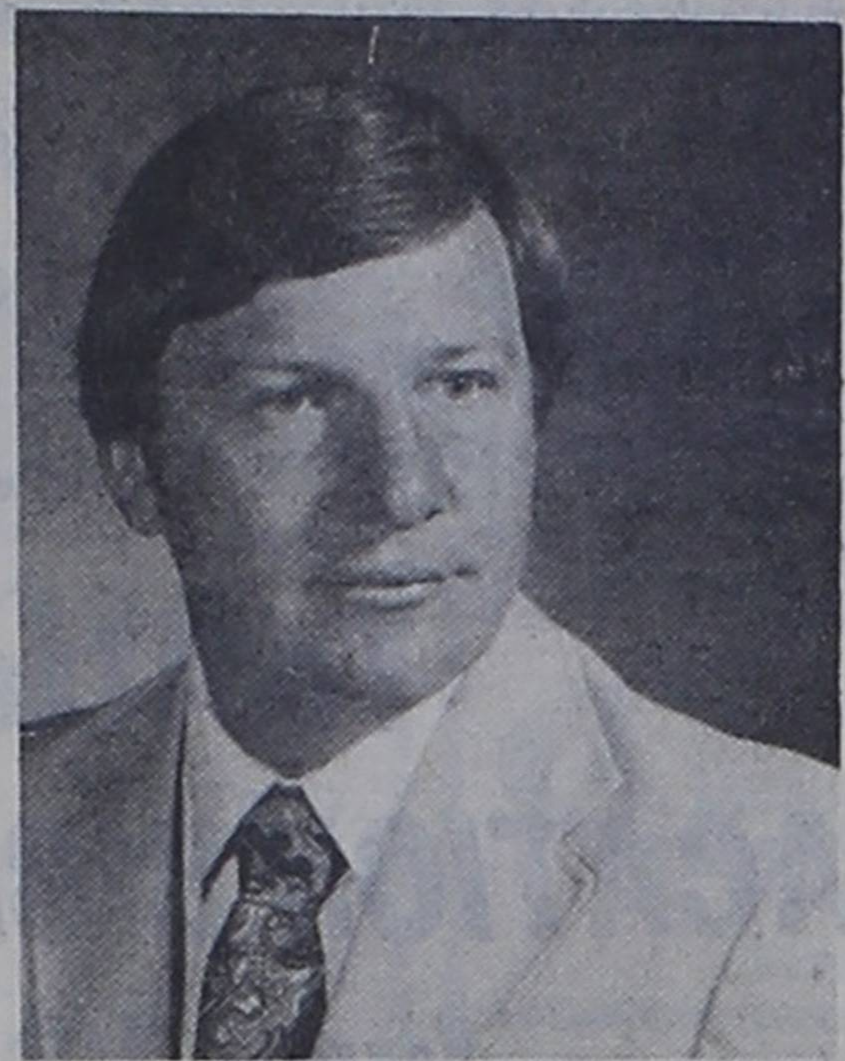

Johnson coached the boys basketball team three years, and in 1981-82 had the task of coaching the girls' team as well.

Ironically, his best won-loss record with the Chieftains was with the 1981-82 team, which finished with a 16-9 mark, behind Dimmitt and Littlefield, who held a special playoff for the loop title, Dimmitt going on to the state title.

The same year, the Squaws team finished with a 14-10 record, in second place, which would have made the playoffs a year later.

While coaching at FHS, Johnson's teams have produced all-district players Tony Jackson, Mark Tucker, Mike Neill and Michael Chaney.

Johnson previously coached at Kress three years and at Ropesville before coming to Friona. He is a

TOM JOHNSON

graduate of Wayland Baptist College.

"I have especially enjoyed coaching in Friona. The kids responded well to what I wanted to do and worked hard; the administration backed me up, and the community supports the program. We did not have a great won-loss record, but did well with our material and considering our opposition.

"But I felt this was an opportunity I could not pass up. It gives me a chance to go back to school and further my education, which is what I wanted," Johnson said. His wife Sheryl will teach the migrant program at Three Way.

## Oscar Bronniman Is New Boys BB Coach

Oscar Bronniman has been named the new boys' basketball coach for Friona High School.

Bronniman replaces Tom Johnson, who resigned the position to become principal at Three Way High School in southern Bailey County.

Bronniman, who has ten years' experience in coaching and teaching, comes to Friona from the Walcott School District, where he was basketball coach and teacher.

The new Friona staff member attended Clarendon Junior College, where he played on the same basketball team with former Chieftain Coach Roy DeBord.

He also attended West Texas State University and Abilene Christian College, receiving his B.S. in physical education and history from ACC. He received his master's degree in education with a minor in history from Western State College in Gunnison, Colorado.

Bronniman began his coaching career at Fluvanna, near Snyder, where he coached the girls team for three years. He was boys basketball and baseball coach at Gunnison, Colorado, for six years.

"I am very excited about coaching and teaching in Friona," Bronniman said.

The new coach is a native of Adrian. He and his wife Lavelle are parents of three children: sons Bart, 15; Bret 11 and a daughter Benna, 13. They attend the Church of Christ.

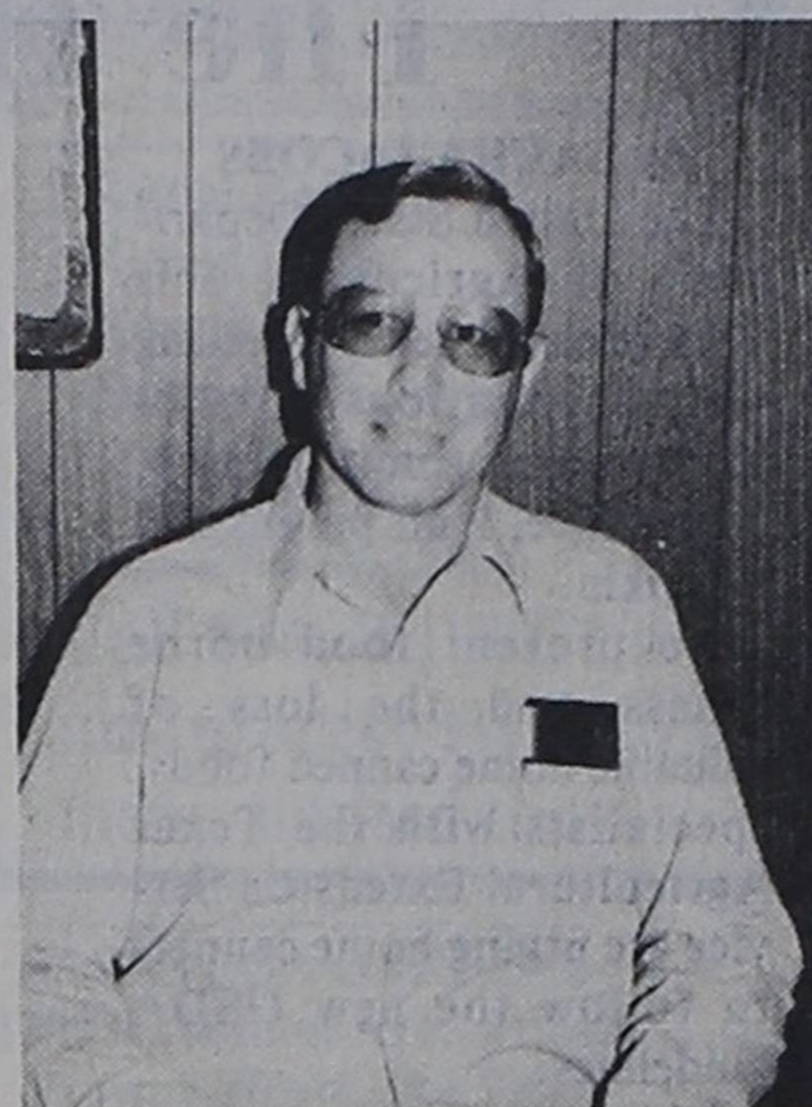

Mrs. Bronniman is also a teacher, and is awaiting her assignment with the local school system.

The family has purchased a home here, and is living at 608 West 9th Street.

## Baptists Set VBS

Vacation Bible School will begin on Monday, June 13 at 2:30 p.m. Ages three through the past year's sixth grade will have classes.

A bus will run to pick up those needing rides, and deliver them to their homes following the classes. Classes run from 2:30-5 p.m. Monday through Friday.

OSCAR BRONNIMAN

## Church To Host Guest Preacher

First Baptist Church is hosting Rev. Daymun White of Claude on Sunday morning, June 12. Rev. White will be preaching at the morning worship service, and is coming before the church in view of a call to become its new pastor.

Rev. White, 32, is a graduate of Howard-Payne University, and the Southwestern Baptist Seminary. He and his wife Nancy are parents of two children, Jeremy, three, and Jacob, one.

## Night Box Is Moved By City

The night depository box at the Friona City Hall has been relocated to the front of the building, at Seventh and Main Streets, it was announced this week.

It is hoped that this location will be more convenient to city water customers needing to use it after hours.

STORM DAMAGE....Another view of the old Bovina Wheat Growers warehouse, demolished by an apparent twister Tuesday evening, shows the wreckage that was left. Nearby buildings were spared, as the empty building was the storm's main target.

## Friona Police Offer Tips To Vacationers

With the beginning of vacation season, Friona Police Chief W.D. (Bill) Thieman this week offered some suggestions to local residents about how not to advertise their absence from home during holiday weekends and during vacations.

Thieman suggested that residents do the following:

\*Leave your house keys with a neighbor or someone you trust and ask that person to stop by your house and check the inside once a day. Also leave a telephone number with them where you can be reached in case of an emergency.

\*Contact the Post Office and have your mail stopped and held there until you return. Also advise your milk and paper delivery to stop delivery while you're gone. Nothing advertises a house better to burglars than milk bottles and newspapers stacked up at the front doors.

Another way to do this is to have the person checking your house to take in all mail, milk, and papers for you. While there they can also switch on various lights such as kitchen, spare bedroom, hallway or bathroom lights and make it look as if you're home.

These lights may be left on all night long and not look too obvious. Also have them turn the radio on to your favorite station and leave it on. Burglars get shook if they think someone is at home.

\*Another measure is to call the Friona Police Department and request a security check of your home and possibly your business. Officers will physically check the outside of these buildings at least once per shift during the day and drive by frequently during the evening. The members of the department believe in the proverb that "An ounce of prevention is worth a pound of cure." The officers are not authorized to gather your mail, papers, milk or water the plants and take care of your pets.

\*After making sure your home is secure enjoy your vacation and be sure to check back with your neighbors and police department when you return.

Residents having questions concerning safety measures may contact the Friona Police Department.

## Summer Drama 'Shop Discussed By Council

Members of the Friona Fine Arts Council met recently to discuss tentative plans for the annual Summer Drama Workshop.

August 8 through 20 was set as the dates for the workshop under the direction of Del Lewis. Enrollment will be Sunday afternoon, August 7 at the High School. Fee will be \$25.00 per person, with no family discount.

The minimum age limit for the pre-teen group has been changed to age ten this year. Ages for the High School group will remain the same as in the past.

Further details will be announced in the Friona Star at a later date.

The Fine Arts Council elected new officers. Joy Morton was elected president; Carol Ellis, vice president; Roxanne Hurst, secretary and Bob Beville, treasurer.

The Council is made up of members representing each of the

civic clubs and organizations throughout the community. Fine Arts Council dues are \$25.00 per club. Each club is urged to select a member to represent them on the council each year.

Clubs should call Mrs. Bob Hurst, Council secretary, with the name of their club's representative, so that person can be contacted when there is to be a meeting of the Fine Arts Council.

# FRIONA CABLEVISION CORPORATION

Box 296, Friona, Texas 79035

(806) 247-3271

Dear Cable Customer:

We are trying very hard to keep from having to raise cable rates on our regular cable service.

We are able at this time to keep our regular rates the same, but effective July 1, we find it necessary to adjust the cost of our optional HBO channel slightly.

We are mailing our coupon books to customers the last of June, which will show our regular cable rates remaining the same, but the HBO monthly rate will increase from \$10.00 per month to \$10.50 monthly.

When HBO went 24 hours per day some months ago, we absorbed an increase in rates which HBO charges us per customer. However, we recently received another increase in rates, and are having to pass this on to our HBO subscribers.

We regret this increase, and pledge our best efforts to continue to bring you a good selection of cable television viewing, and the best possible service, at the lowest rates possible.

Thank You,  
Carl White,  
Manager

## Gifted/Talented Sessions Are Set

Elementary and junior high school students from area communities will participate in a week on the West Texas State University campus for a summer Gifted and Talented Institute session.

More than 70 area students in grades three through eight have enrolled in the session which begins Sunday, June 19, and continues through Saturday, June 25.

A fee of \$170 includes housing in Brown Hall on campus and meals at the WTSU East Dining Hall.

Classes in English, science, creative dramatics, recreation and fine arts will begin each day at 8:30 a.m. Other activities will take the participants on campus tours, afternoon classes in Palo Duro Canyon and evening at the musical drama "Texas" evening classes at Amarillo Art Center and the Don Harrington Discovery Center and a course in table manners and restaurant etiquette.

Mary Jane Reeves, who has coordinated the three six-week Gifted and Talented Institute sessions at

### Riding Club Participates

### In Parade

Eight members of the Friona Riding Club participated in the Pioneer Days Parade at Clovis last Saturday, June 4.

Those attending were Larry and Emma Williams, Ray and Nancy Jackson, Jim Tucker, Paula Tucker, Carla Wright and Carol Zetzche.

The club is considering attending other area activities, and also will be sponsoring Play Days to be held in July and August.

WTSU since last fall semester, will direct the summer session.

Also included on the instructional staff will be Sara Kneipp, a graduate student in English from Happy who is a teaching assistant in the Department of Language, Literature and Journalism; Treasure Brasher, instructor in physics; Carol Hollingsworth, a teacher at Bivins Elementary School in Amarillo who will teach the dramatics courses; Faith McDonald, WTSU assistant instructor in physical education; David Rindlisbacher, WTSU associate professor of art; Ted DuBois, assistant professor music; and JoAnn Jones, a counselor at Pampa High School.

WTSU students also will serve as counselors and staff members at the residence hall, said Reeves.

At the close of the session, parents will attend a banquet and program featuring students illustrating the course areas in which they participated during the session.

Students will be awarded certificates for their participation. Reeves said several schools have provided scholarships or partial scholarships for students attending the session. Teachers at Hedley have provided a scholarship for a student and two eighth grade students at Bowie Junior High School in Amarillo will attend on partial scholarships through the National Honor Society chapter.

Students will attend from schools at Bushland, Lelia Lake, Umbarger, Borger, Farnsworth, Dumas, Bovina, Amarillo, Canyon, Floydada, Wildorado, Sunray, Paducah, Dawn, Hedley, Perryton, Wellington, Groom, Alanreed, Hart, Pampa and Stratford.

When the Spirit of Progress led ambitious people from the crowded sections of the north and midwestern United States to begin building homes in the newly-founded town of Friona, it did not dim their ideals to the fact that a place of worship was a part of their ambition.

In less than one year after the community was given a name--quoting from record, June 14, 1908, "Pursuant to a call, the people of Friona assembled to consider the organization of a church."

The group being of various denominations, it was agreed that a union organization was practical. Plans were made to begin the construction of a building. Later development revealed that local contribution was inadequate for completion of the building, and it was obvious that some individual or missionary society would have to assume responsibility in order to continue with the work.

This opportunity was extended to all denominations represented and none responded except the Congregational--there was one member, Mrs. J.W. Karr, of the Congregational Church at that time in Friona.

The Congregational Missionary Society rendered aid on the condition that the organization remain a Union Congregational Church; and the money furnished by them was to be conferred as a grant or loan, without interest, providing that the church raise a voluntary offering annually for the Church Building Society. The term *union* was later explained to mean congregational.

Adequate corporation papers were drawn and signed by J.W. Karr, R.V. McWilliams and D.W. McMillen on August 7, 1908 with John F. Lillard, Notary Public. The Church charter was filed in the office of the Secretary of the State of Texas, August 28, 1908.

On December 8, 1908 a meeting was called by the missionary pastor, Rev. John G. Lange of Amarillo. A quorum of the church was present and past activities of the organization were reviewed and the future discussed. As a result the group pledged itself to one bond of fellowship. Names of the charter members are: J.W. Karr, Mrs. J.W. Karr, R.V. McWilliams, Mrs. R.V. McWilliams, C.L. Furgus, Mrs. C.L. Furgus, Seth Roush, Mrs. Seth Roush, D.W. McMillen, Mrs. D.W. McMillen, William McCandlish, A. Wentworth, Carrie Oleson, C.B. Oleson, Walter Kell, Mrs. Nellie Shattuck, Bert Shattuck, John Orbaugh, Mrs. John Orbaugh and Charles Karr.

The following Articles of Faith were adopted:

I. We believe in one God, the Father Almighty, Maker of Heaven and earth and of all things visible and

## Club Meets In Clovis For Lunch

The Friona Woman's Club met May 25 at the Clubhouse for their last regular meeting of the club year.

Chairperson Juanita Reed presided over the business meeting. Roll call was answered with each member telling how she cared for home, garden or indoor plants.

The club members adjourned from the clubhouse, and the members drove to Clovis, N.M. for a luncheon at Poor Boy's Restaurant.

After lunch the members toured Guthal's Garden and Yard Center.

Those making the trip were Juanita Reed, Addie Moyer, Lillian McLellan, Vela Wood, Clessy Stroud, Carrie Tatum, Fern White and Eula Bradshaw, a new member.

invisible.

II. We believe in Jesus Christ the Only Begotten Son of God to be our Savior and Lord, who was crucified for our sins and rose for our justification.

III. We believe in the Holy Spirit, our Teacher, Our Comforter and our guide.

IV. We believe in the Divine Inspiration of the Bible, both of the Old and the New Testament Scriptures as our only rule of faith and practice.

The laymen, like the Pilgrims, carried on the work with the occasional support of the District Superintendent Rev. C.S. Murphy and the ministers of the Panhandle Congregational Churches--Amarillo, Farwell, and Springlake, Texas. The Council Manual was adopted May 9, 1909. At this time a vote carried to proceed with the dedication of the church building. May 23, 1909 was set for the event and invitations were sent to Amarillo, Farwell and Springlake churches to be present and assist with the dedication.

On May 23, 1909, with Superintendent C.S. Murphy acting as Moderator, the Congregational Church of Friona, Texas, was organized with appropriate services; the Articles of Faith were found to be in accord with the Congregational Churches; a house of worship was almost complete; the membership numbered twenty-one; and, in general, prospects for a future for the church were good.

Rev. J.L. Parker came as supply pastor during July 1909. On August 1, 1909, W.A. Hensel accepted pastorate of the church and remained as leader until January 8, 1912.

Changes took place as time advanced. Loved pastors felt the urgent call to other fields and left rich, lasting memories with the congregational people at Friona. One change which showed the flint of the membership occurred August 7, 1921 in the early hours of the morning, about 2 a.m.

During an electrical rainstorm, lightning set the building afire and it was completely destroyed with all furniture and fixtures, several tons of coal, two pianos, and a small organ. Insurance was one thousand dollars and grant about \$775.00. A canvas the next day resulted in a subscription over the one thousand dollar figure for a new building.

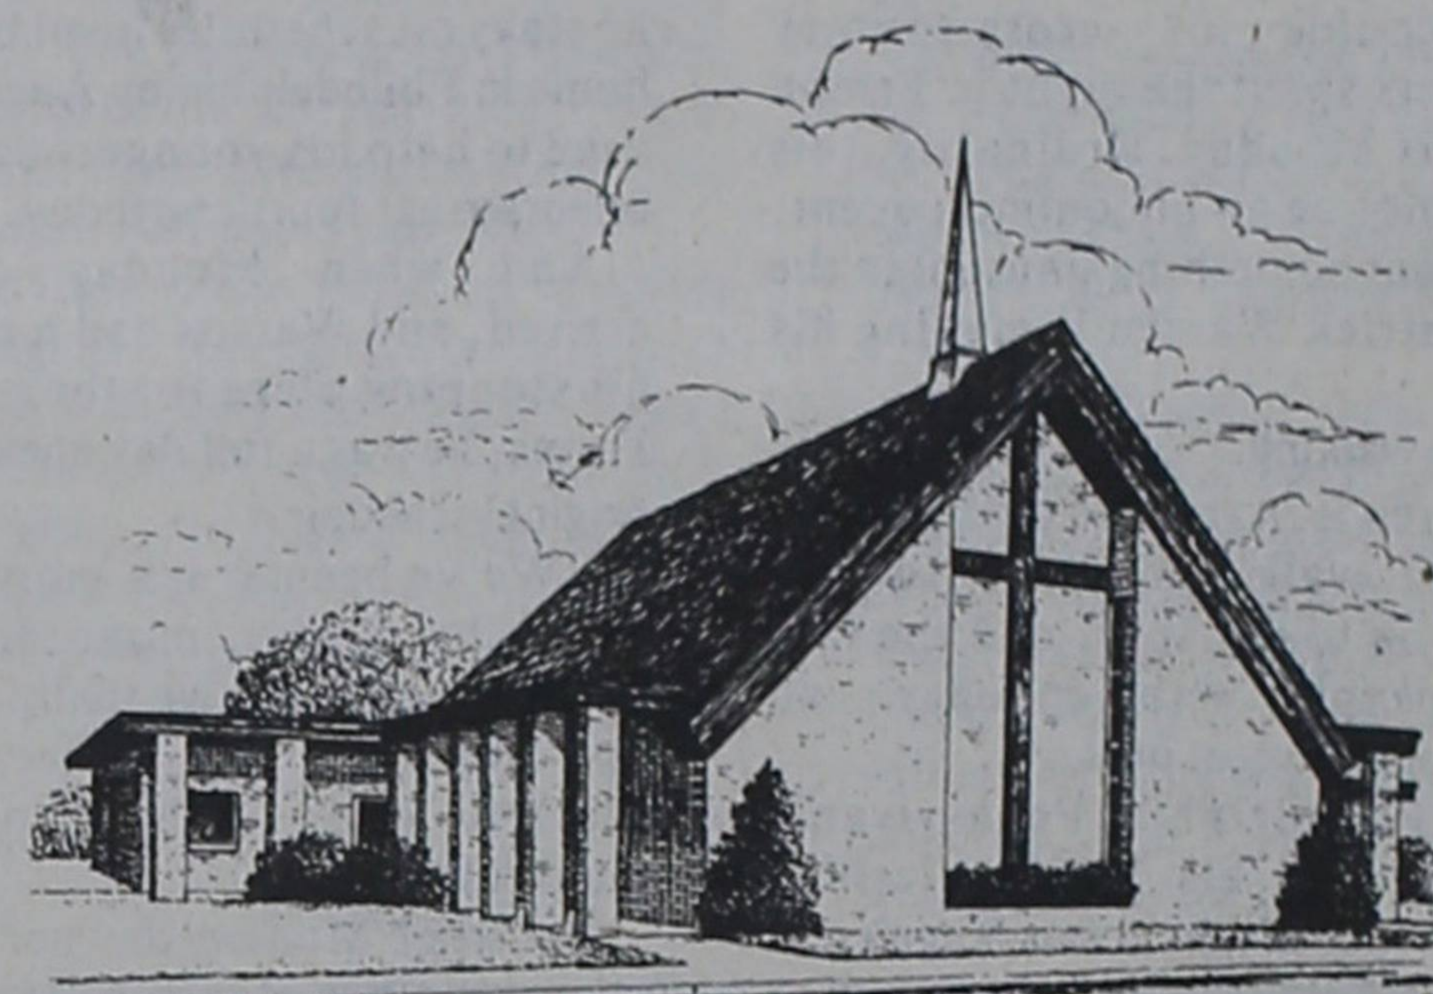

Services were held in the Public School building until that, too, was soon destroyed by fire. Then the people opened their homes for worship. Work soon began on a new structure for the Congregationalists and the adobe building was dedicated on June 17, 1923. District Superintendent Dr. A.E. Ricker held a full week of evening meetings concluding on the 17th with a basket dinner at noon and the dedication. Evening services that night were cancelled when word came that Mark and Russell Reeve had drowned at Reeve's Lake. Church members went out to give assistance.

The membership has come to this church from many faiths: United Brethren, Friends, Congregational, Presbyterian, Episcopal, Evangelical, Roman Catholic, Christian Church, Methodist, Baptist, Assembly of God, Church of God, German Lutheran, and confession of the Faith.

The church membership continued to grow. In 1965, Rev. Paul A. Mohr encouraged the people to build a new church. The congregation had outgrown the building and the church was in need of repair as it was. Orma Flippin donated about 3 1/2 acres of land north of Friona for the new building. Work was begun and the new building was finally dedicated on December 7, 1969.

In June of 1973, the old adobe building, which still stands on Sixth Street in Friona, was donated to the Friona Girl Scouts as a meeting hall and a "Pioneer Heritage Chapel and Museum." When the Girl Scouts accepted this gift, Alice Whaley wrote the following about the old adobe building:

"Many people have been sheltered by this old church house. Many hours of peace, joy, and sadness have been spent here. And even though many of us have never worshipped within its walls, it still represents something sacred and dear to us. For here stands a monument of the hopes and dreams of those lonely, homesick pioneers who banded together to work and labor in a bond of love so that they and future generations of Friona people would have the influence of

Union Congregational Church

Friona, Texas

Present Building --Built in 1969

Christianity."

Under the able leadership of Rev. Skip Sirnic the membership had grown until the need arose for additional Sunday School Rooms. In 1979, an additional three Sunday School rooms and a large fellowship hall were added to the present building. In the meantime, the adobe

church building was returned to the church as the Girl Scouts did not have adequate funds to preserve it. In 1982, it was sold to Mike Hanes.

Some thirty-five ministers have served the church in its seventy-five year period. A historical marker from the State of Texas marks the site of the first church in the city of Friona.

**DO'S & DON'TS FOR CONTACT LENS WEARERS**

Here are some tips for wearers of contact lenses:

- DON'T** swim with contact lenses. The water will wash the hard lenses off your cornea and the soft lenses will absorb the chemicals in the water. Never water ski with contacts for the same reason.
- DO**, when you drive, take along an extra pair or a pair of eyeglasses.
- DON'T** sleep with your contacts in--unless your prescription is for the extended wear lenses especially designed for this purpose.
- DO**, if you play racquet sports or baseball, wear safety glasses over your lenses.
- DON'T** use aerosol deodorants or hair sprays after inserting your contact lenses. If possible, avoid sprays altogether.
- DO**, insert your contacts before putting on face or eye makeup. Water-soluble eye makeup is best with contacts.
- DON'T** touch the inner surface of the lens--the part which contacts the cornea.
- DO**, see an eye doctor if your eyes develop pain, blurred vision or any lasting irritation. See your OPTOMETRIST for regular check-ups.

This message is brought you in the interest of better vision by  
Dr. Armistead & Smith, Optometrists, Littlefield, Texas.

# Cross-Country Walker Spends Night Locally

A couple of cross-country travellers spent the night in Friona this past Monday. Ordinarily, this would not be an uncommon event. There was something unusual in the way Patrick Warren is making his trip.

He is walking. Warren is in the midst of a cross-country walk, in order to call attention to epilepsy, and the fact that people with epilepsy can accomplish a great deal.

The Philadelphia, Pennsylvania native began his 3,000-mile hike about a month ago in Los Angeles. If

he stays on schedule, he plans to be home in Philadelphia by August 6, in time to help his youngest daughter celebrate her fourth birthday.

And when Monday evening arrived, and Warren had made it to his stopping place for the night, in Friona, he was a full day ahead of his original schedule.

"We've been at it a month, and we've been over mountains and across deserts, but we really haven't lost any time due to weather," Warren said, with a note of thankfulness.

But when Monday dawned, it first

appeared that he might have his first "rain out." He had spent Sunday night in Texico, N.M., and when he awakened on Monday, it was raining. However, by about 7:30 Texas time, he was able to resume his journey.

He usually is out and walking by 6 a.m. each day, says the cross-country hiker, who says that walking has always been his hobby.

By prior arrangement, Warren and his accompanist, Ron Miraflor, were given supper and rooms at Parmer County Community Hospital in Friona. Warren said that hospitals from coast to coast are cooperating by donating him a place to spend the night and a hot meal. Also, the Pizza Hut chain is donating meals.

He is receiving no money for the effort, but is doing it solely to call attention to epilepsy.

So far, after about 1100 miles on his trip, highlights include:

\*Killing two rattlesnakes, one near Kingman, Arizona which had six or seven buttons, and another near Portales, N.M.

\*Meeting U.S. Senator Pete Dominici and Agriculture Secretary John Block this past weekend in Portales, N.M., where he was persuaded to stay an extra day in order to meet the two government officials.

\*A little extra excitement Sunday night when he saw the tornado warning put out for this area (complete with the little funnel cloud on the television screen).

Warren says that everyone he has met on the trip has been exceptionally nice. He has received official proclamations from several cities, such as Needles, California, Gallup and Portales, N.M. He also was given the "Red Carpet Award" by the City of Albuquerque, and the "Key to the City" at Portales.

He has been offered rides, water, and even money by passing motorists, but refuses money, suggesting instead that they send a contribution to an epileptic center.

"Hey, I'm giving the people a little good news for a change. Instead of having to hear about the trouble in the Mid-East or the economic problems, they can read about me, and take their minds off the bad news they're used to hearing," Warren said.

Warren is married, and he and his wife Patricia are parents of two daughters, Denise, 12, and Desiree, three. He said his wife was one of the

**PHILADELPHIA BOUND....**Patrick Warren, left, and his travelling companion, Ron Miraflor, spent Monday night in Friona. Warren is hiking all the way from Los Angeles to Philadelphia to promote awareness of epilepsy. The pair hold some of the souvenirs they have collected, including the "official Red Carpet" from Albuquerque. Warren holds a carved walking stick.

biggest backers of his making the cross-country walk.

"Ever since I came up with the idea, she has been supportive. She has backed me up all the way," he said.

Warren had the idea of the cross-country walk a year ago, but on the advice of his doctor, did a "trial run" last summer which saw him criss-cross his native state of Pennsylvania a couple of times.

"When I held up all right physically after the Pennsylvania walk, they finally gave up and gave me the go-ahead to go cross-country. My goal was to bring the message of what epilepsy is to the entire U.S.," Warren said.

Both Warren and his companion, Miraflor, were excited about the recent NBA championship won by

their hometown team, the Philadelphia 76ers.

"They've had it coming. They had been there three years," said Miraflor, who is a former state Golden Gloves boxing champion.

"I'm going the distance. I'm confident as hell that I'm going to make it," Warren says.

Reacting to having his project termed a monumental task, Warren said, "No, not really. What I'm doing is easy, when you think back to our forefathers, who came across this country in covered wagons with no roads and no conveniences. THEY were the heroes," said the likeable red-head.

Blisters? Yes. Calluses? Yes. Any regrets at starting the project? Not a one.

## Sunflower Deadline Is June 15

June 15 is the final planting date for insured sunflowers.

Acres of sunflowers planted by June 15, insured by FCIC (or by a private company reinsured by FCIC), must be reported by June 30 to receive full crop insurance coverage.

Acres planted after June 15 must also be reported on the June 30 acreage report as being planted too late for insurance.

Farmers unable to plant prior to June 15 because of excess moisture conditions may sign a 20-day late planting arrangement, which permits insurance coverage, but provides for a lower guarantee due to the late planting.

Farmers wishing additional information about the new late planting agreement should contact their local, authorized crop insurance agent.

# 10 YEAR NO SWEAT WARRANTY

**If Air Conditioning doesn't have it here it probably doesn't have it.**

**Gas Air Conditioning Has It!**

No other air conditioner has a warranty like a gas air conditioner because no other air conditioner is built like a gas air conditioner.

Gas air conditioning has fewer moving parts and no compressor to wear out or break down. This means less wear and tear and lower maintenance costs.

That's why gas air conditioning is so dependable and why it has a warranty that's *twice* as long as other types of units... a full 10 years!

Find out more about the air conditioning that's backed by the best warranty available. Call Energas today for a free cooling survey and cost estimate. There's no obligation.

**Remember, all air conditioning was not created equal. And we have the paper to prove it!**

ENERGAS

Manufacturer's limited warranty covers all defects in materials and workmanship on the sealed refrigeration unit for ten years from the date of installation of the air conditioner when it is installed in a single family residence. All other parts are warranted for one year from date of installation.

# Hospital Report

**ADMISSIONS--**  
Melissa Frye, Friona; Reynaldo Ortiz, Friona; Tommy Villa, Jr., Friona; Willie Mae Ross, Bovina; Tray Thorn, Friona; Jim Mears, Friona; Mary Ann Ruther, Friona; Pat Ramirez and baby girl, Friona; Christiana Lunday, Friona; Kay Van Valkenburg, Englewood, Colorado; Corinne Jones, Friona; Nettie Wilson, Bovina; and Joe Menefee, Friona.

**DISMISSALS--**  
Naborina Saavedra and baby boy, Lillie Mae Hughes, George Kellum, John Edd Duke, Jr., Jim Mears, Melissa Frye, Reynaldo Ortiz, Tommy Villa, Jr., Kay VanValkenburg, Tray Thorn, Corinne Jones and Christiana Lunday.

**PATIENTS IN HOSPITAL--**  
Mary Ann Ruther, Pat Ramirez and baby girl, Willie Mae Ross, Arlin Hartzog, Eddie Ramm, Joe Menefee and Nettie Wilson.

## FHA Workshop Held June 2 In Amarillo

Friona FHA officers and their advisors attended a workshop for Proficiency Events June 2 in Amarillo.

Susan Warner, Area I President, presided at the meeting with Dr. Camille Bell of Texas Tech, Mary Boswell of Texas Tech, David Fields, personnel director of First National Bank of Amarillo, and Mrs. Ima Dora Haile, area consultant, as leaders.

Illustrated talks, job interviews and manual displays were the topics. Proficiency Events will be held next year on the area, state and national level.

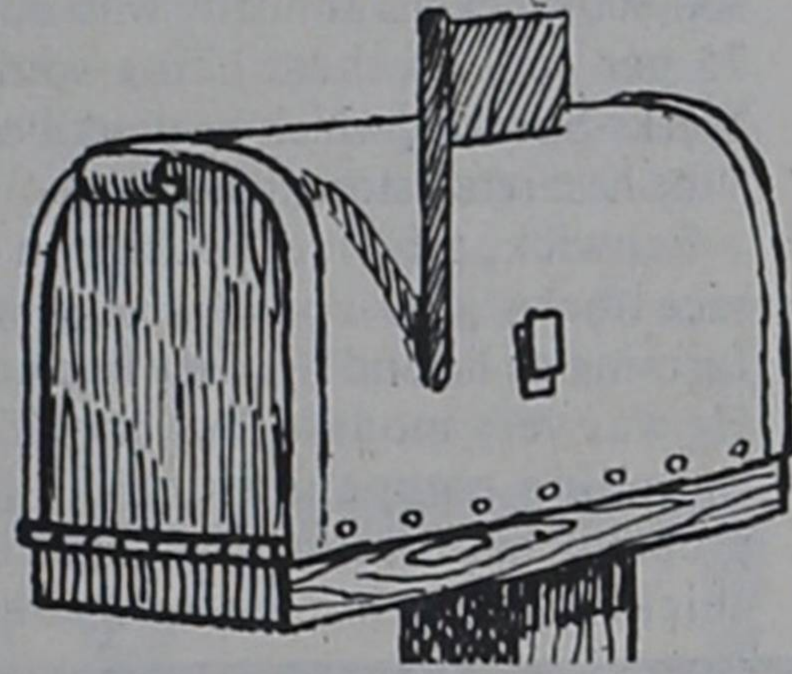

Those attending were Faith Ann Wright, Sheila Gresham, Julie Wilshire, Jeana Mason, Celia O'Brian, Shea Woodard, Sheryl Salyer, Gayle Murdock and Valoris Osborn.

**BILL PASSED....** Governor Mark White signs Senate Bill 1269 which calls for the creation of the Buffalo Lake

Water District. Shown standing, left to right: R. T. Abrahamson, Amarillo; Senator Bill Sarpalius, Senate sponsor; Governor White;

Rep. Bob Simpson, House speaker; Enoch Henderson, Buffalo Lake Heritage Association; and Vernon Seymour, legislative aide.

## Letter To The Editor

Dear Bill:  
Benjamin Franklin writing for Poor Richard's Almanac in 1757 used various maxims to preface his articles. One of them that may remind Frionans to contribute to the tornado warning system: "A little neglect may breed mischief."  
None of us need a graphic demonstration of what Wittier meant when he wrote: "For of all sad words of tongue or pen, the saddest are these: "It might have been."  
Nelson Lewis

## Seven Students Listed On WT Honor Rolls

Honor roll lists at West Texas State University include 740 students for the spring semester.

The President's List includes 131 students whose grade point averages are 3.85 or higher and 609 students are named on the Dean's List for students whose grade averages range from 3.25 to 3.84. A perfect grade point average at WTSU is 4.0.

To be eligible for inclusion on the WTSU honor rolls, students must have completed a minimum of 12 semester credit hours during the semester for which they are listed.

Students included on the President's List also are included on the Dean's Honor Roll.

Honor roll students are listed for their academic achievement in their

major areas in the School of Agriculture, College of Arts and Sciences, School of Business, College of Education, School of Fine Arts, School of Nursing and Graduate School.

Included on the President's List were Sharla Duggins of Friona, a junior business major, and Shawn Smith of Lazbuddie, a freshman business major.

Included on the Dean's List from Friona are Vondale Mann, a junior elementary education major; Amber Smith, a sophomore theatre major; Sandra Spring, a freshman secretarial studies major; Myra Veazey, a sophomore elementary education major and Penni Weatherly, a freshman natural sciences major.

## New Senate Bill To Assist Buffalo Lake

Governor Mark White this week signed into law a bill, sponsored by Senator Bill Sarpalius, which calls for the creation of the Buffalo Lake Water District. Senator Sarpalius says, "The purpose of this legislation is to form the Buffalo Lake Water District from three separate counties: Randall, Potter and Deaf Smith."

Buffalo Lake National Wildlife Refuge is a federal entity controlled by the U.S. Fish and Wildlife Service and the Department of the Interior. Currently, the Buffalo Lake Refuge, located in Randall County, is badly in need of restoration. Some people consider the dam unsafe in its present state.

Senator Sarpalius says the district can serve as a funding vehicle in order

to repair and maintain the dam. He says, "This bill sets up a mechanism for the federal government to assist the water district in restoring the lake."

The lake was at one time a refuge for wildlife and a recreational area for people of all ages to enjoy. An estimated 500,000 people live within a two hour drive from Buffalo Lake.

The legislation now must be approved by the qualified voters in Randall, Potter and Deaf Smith counties before the Buffalo Lake Water District can become a reality. If approved by the voters, the district will consist of a nine member board selected from Randall, Potter and Deaf Smith counties.

## Money Matters Are Discussed By Court

Re-investing of certificates of deposit and substitution of securities pledged to cover county deposits highlighted the regular meeting of the Parmer County Commissioners Court Monday, May 23.

At the suggestion of Benna Felts, County Treasurer, a motion was passed to re-invest two Farm to Market Certificates of Deposit maturing June 10, 1983 in two new CDs, to mature July 12, 1983.

In addition, two \$100,000 general fund certificates of deposit maturing June 10, 1983 were renewed for a month's time, and will mature on July 12, 1983.

A bill was approved for storage of surplus cheese which was given away in the county in 1982. Amount of the bill was \$150.20.

Friona State Bank was given permission to substitute securities pledged to cover deposits. The bank had requested that \$115,000 of Ennis I.S.D. bonds maturing June 15, 1983 be replaced by \$140,000 of Texas A&M University Housing revenue bonds.

Soil Conservation work was approved for completion whenever

machines are in the areas involved, with the county re-imburse the expenses. The work approved included on the farms of Donald Dale, Leslie McCain, O'Neal & Vincent, Maude Primrose, Nick Bamert, Gene McGuire and Royce Barnes.

## Many L.L. Games Are Postponed

Due to the fact that so many Little League games were cancelled or postponed due to rain or wet fields, we are skipping our Little League report this week and will include the few games played in next week's edition of the Star.

League officials are asked to please bring the scorebooks by the Star office Wednesday morning, so the games may be written up and standings compiled.

# English Farmers Visit Lazbuddie Farm Family

**WE'RE FROM ENGLAND....** The first trip to America for Vicky, Lee, Andrew and Matt Neesham of Lincoln, who posed in the front yard of the country home of Gene and Betty Smith, also provided them with their first helicopter ride. The boys, who are twelve, eleven and six, were on holiday from school, so were able to join their parents in an American vacation.

**By JUNE FLOYD**  
Four farmers from England received some first hand information about farming in Parmer County last week. They were Gerald Neesham of Lincoln, Ralph Manners of Darlington, Stuart Chapman of Deerstones and Ernie Fenwick of Park View.  
Neesham and his wife, Vicky, and three sons, Lee, Andrew and Matthew, arrived at the Lazbuddie Community country home of Mr. and Mrs. Gene Smith Thursday morning.  
Manners, Chapman and Fenwick arrived a few days earlier. The Smiths also had three English visitors last week. They were Ian Clayton and Tony and Robin Watson, who live near Cleveland. Ian spent several weeks with the Smiths last year. His father, Eric Clayton, who is a John Deere dealer in the area of England about 150 miles north of London and a friend of Gene's and Betty's suggested that all the others look the Smiths up while they were on holiday in the United States.  
Neesham is a farmer. He grows wheat, barley and rape on a 1500 acre farm. The rape seed is marketed for its oil content. Mrs. Neesham is a full

time homemaker who assists her husband with his office work.  
The family, who had never been on the North American Continent before, flew from London's Heathrow Airport to Chicago's O'Hair Airport for a three week holiday.  
In a rented car the family drove through Illinois, Iowa, Nebraska, Colorado and New Mexico before reaching West Texas. Their longest stop was at Estes Park, Colorado, where they were snowed in for two days.  
The Neesham boys attend public school. Terms begin in early September and run through July, when summer vacation begins. The school year is divided into three equal terms--autumn, Christmas and Easter--with some vacation time between terms. Summer vacation lasts six weeks.  
Enroute home the family planned to fly from Dallas to Tampa, Florida, where they wanted to visit several places of interest including Disneyworld before flying back to London on June 8.  
Neesham explained that his type of farming was much the same as ours and that he used John Deere farm

equipment, which is mostly manufactured in Germany.  
Manners, Chapman and Fenwick were on holiday together. At the suggestion of Eric Clayton, from whom all of them purchase John Deere products, they included a visit with Gene and Betty Smith on their itinerary.  
Manners, who has a 1000 acre farm, grows 100 acres potatoes, 250 acres winter wheat, 400 acres winter barley and 250 acres grass for silage and pasture.  
He keeps 400 Landrace X-Large White sows which produce approximately 8000 hogs annually. These are sold to a bacon factory, from which comes sausage, ham, pork roast and other pork products.  
His 600 Hereford x Friesian (Holstein) cow herd is kept confined to straw yards all the time. When calves weigh about 500 pounds each they are put on slatted floors. There they are fed grass silage plus four pounds of barley each day until they reach the age of 14 months. At this time they generally average 1100 pounds and are sold.  
"All male hogs and calves are marketed as boars and bulls to improve food conversion and lean meat content," Manners said.  
Manners and his wife live on their farm with one son and two of three daughters. The son works with his father and they hire fifteen men full time the year around. Five work full time with the hogs and one works full time with the cattle.  
Chapman, whose home is near Deerstones, also produces grain and hogs. His 400 sow herd produces 21.5 pigs per sow per year and averages 2.2 litters per year. All hogs are kept in a confined area at all times.  
Most field work on his 600 acre farm is done with John Deere farming equipment, which is manufactured in Germany. Ford is England's largest factory.  
He and his wife have three daughters. One daughter is a public school teacher and one is in training college. The son assists his father in

operating the farm.  
Chapman said, "I fear we are on the brink of a trade war with America due to shortage of food. There's too much difference between politicians and grass roots farmers over there as well as here."  
He went on to say, "We've found extreme hospitality, good food and much courtesy everywhere we've been. The standard of food here is higher than that in England. We've appreciated the civility of everyone we've met."  
These three men had sixteen days to spend in the United States. They flew to Minneapolis, where they rented a car for a drive through Minnesota, Iowa, Missouri, Oklahoma and Texas.  
Chapman's final remark was, "Most Americans land in London, where they take some tours; visit Stratford and Edinburg and think they've seen England. What they really should do is visit Yorkshire."  
Ernie Fenwick has five full time employees and a 125 acre farm, where he raises cereal grains and produces chickens on a large scale. He buys baby chicks by the thousands and markets them at 4 1/4 to 4 1/2 pounds at seven weeks.  
His chickens are housed with two chickens to every square foot and are

fed a wheat based ration. He markets 300,000 chickens annually with about 75 per cent of them being sold to Marks-Spencer, which he describes as "the best retail store in England."  
Fenwick, a former jockey on the race tracks, grew up in the same area farming as he and his wife live now. He was very modest, but one of his travelling companions said, "He probably has the largest independent chicken operation on one site in

England."  
During their stay in the Smith home the English farmers saw a lot of the way things are done in West Texas--including row crop and wheat farming, cattle feeding operations and livestock production.  
If we or any of our readers ever make a trip to England, let's make it a point to visit the Yorkshire area and visit these men and their families. We've all been invited.

**HELICOPTER RIDE ANYONE???** One of the treats which Gene and Betty Smith arranged for their visitors from England recently was a ride in a helicopter. The chopper landed in the wheat field in the front of the Smith home in the Lazbuddie Community and each interested person was given a spin over the community.

## Gary Wrights Have Baby Boy

Lisa and Gary Wright are the parents of a baby boy born at 5:48 p.m. June 6 at Deaf Smith General Hospital, Hereford.

Named Garrett Wade, the new arrival weighed nine pounds, two and one-fourth ounces and measured twenty-one inches. He is the first child for the couple.

Grandparents are Joe Buchanan, and Amelia and Wade Wright, all of Friona.

Great-grandparents are Ona Wright of San Antonio, and Wilma and George Serbanich of Garland.

Great-great-grandmother is Daisy Reeves of Dallas.

## Johnny Bandys Have Baby Boy

Mr. and Mrs. Johnny Bandy of Terrell, Texas became the parents of a baby boy Sunday, June 5 at 10:26 p.m. in the Presbyterian Hospital in Dallas.

He was named Brandon Deyane, weighed six pounds, four ounces and was 20 1/4 inches long. Brandon is the first child for the couple.

Grandparents are Mr. and Mrs. Eugene Bandy of Friona and Mr. and Mrs. Durwood Searcy of Lubbock.

Great-grandparents are Mr. and Mrs. Bud Reed of Friona, Mrs. Clint Judah of Idalou, Mr. and Mrs. Wayne Maciolek and Fred Bandy, all of Amarillo.

# Town Talk

By June Floyd

Call 247-3681 With Your News Item

One of the most charming persons I've met recently is a Lazbuddie resident, Sandra Nail. Tuesday afternoon when we were down there, a problem developed that we had trouble solving.

As we were sitting beside the road trying to decide what to do, this young lady noticed that we were not moving and suspected that we might be having trouble. She very graciously came out and offered her assistance, which we needed very badly.

Within a few minutes we were on our way. In addition to the assistance she gave us, we appreciate her friendliness and warm smile.

The Amarillo Hilton Inn was the scene of a family reunion of children of the late Elwin and Mae Johnson during the Memorial Day weekend.

Children, some with their spouses, present were Mrs. Gladys Kiel, Wichita Falls; Elvin Johnson, Nocona, Texas; Jewell Wells and Mr. and Mrs. Herschel Johnson, Friona; Mr. and Mrs. Floyd Johnson, Lubbock; Mr. and Mrs. Wayne Johnson, Colorado Springs, Colorado; and Mr. and Mrs. Jones

Seitz, Pampa, Texas. Others attending were Mr. and Mrs. Rusty Johnson, Glendale, Arizona; Mr. and Mrs. Clifford Ford, Bellvue, Texas and Mr. and Mrs. Jack Thacker, Lefors, Texas.

Also, Mr. and Mrs. Harold Wells, Mr. and Mrs. Max Wells, Mr. and Mrs. Jim Roy Wells, Dara and Jason, and Mr. and Mrs. Albert Chesher, Twyla, Kent and Misty, all of Friona. Also, Gerald Kiel of Houston; Kay Van Valkenburg and son, Joel of Englewood, Colorado and Mr. and Mrs. Joe Bob Johnson and daughters, Mindy, Abbey and Joni of Friona.

Inez Wheeler is home again after an absence of six weeks. First, she went to Chickaska, Oklahoma where she visited her son-in-law and daughter, Mr. and Mrs. Roy Lipps.

Then she went to Healdton, Oklahoma, where she was a guest in the home of Mr. and Mrs. Randy Lipps. Randy is her grandson.

Enroute home she visited her sons, Dean and Jack, who live in Amarillo.

Mr. and Mrs. Woodrow Williams of Albany, Oregon, spent a couple of days visiting in the home of Mr. and Mrs. Bud Elmore and Lucille Wilson this week.

Woodrow, a former Friona resident, is a brother of Mrs. Elmore and Mrs. Wilson.

Among Frionans attending the wedding of Mary Margaret Lyle and Ben Jordan Cranfill in Dumas Saturday evening were his grandparents, Mr. and Mrs. V.R. Jordan and Mr. and Mrs. J.G. McFarland.

Also, Mr. and Mrs. Hollis Horton, Jr., Mr. and Mrs. Marvin Jordan and Ken, Mr. and Mrs. Wesley Barnett, Kyle, Kim, Ricky and David, Mrs. M.C. Osborn, Shawn and Nikki and Mr. and Mrs. Bobby Jordan, Lori and Todd.

Other relatives present, who are former Friona residents, included Mr. and Mrs. Chris Barnett, Austin; Mr. and Mrs. H.H. Horton III and daughter, Marriott, Beaumont; Kathy Horton, Galveston; Mr. and Mrs. Jerry Michaels and Kyle, Amarillo; and Mr. and Mrs. Jimmy Patton and daughter, Lake Jackson, Texas.

Mrs. Michaels is the former Judy Jordan and Mrs. Patton is the former

Pat Cranfill.

Weekend guests in the home of Mr. and Mrs. John Hays were Mr. and Mrs. Garrell Kidd and sons of Laramie, Wyoming. Kidd, director of the Church of Christ Bible Choir at the University of Wyoming, was guest speaker at Sixth Street Church of Christ Sunday morning.

An assortment of descendants of the late Priscilla Thorn, pioneer Muleshoe resident, gathered at the Friona home of Anna Mae Thomas for a fun filled weekend.

Nine of Mrs. Thorn's grandchildren, along with other members of their family spent Saturday and Sunday eating, singing, making music and having fun.

Anna Mae's father, the late Rev. Arthur Brewer, will be remembered as an early day Baptist preacher, who raised his family in the Hub Community.

One of Brewer's granddaughters, Mrs. Travis Goodman, who is a song writer, has had a tape made of a song she wrote in memory of him. The tape was played many times during the two day reunion.

Cousins who attended were Mr. and Mrs. Charles Nivens, Artesia, New Mexico; Cecil McMath, Muleshoe; Mr. and Mrs. A.D. Kitchens, Post, Texas; Mr. and Mrs. Albert Thorn, Miami, Texas; Mr. and Mrs. J.W. Brewer, Blair, Oklahoma; Mr. and Mrs. A.O. Thorn, Texas City, Texas; Mr. and Mrs. Tyre Hamilton, Lubbock; and Willa McDaniels, Pampa, Texas.

Mr. and Mrs. Bob Stovall and Mr. and Mrs. Kyle Kimbrough and son, Kolby Trent, all of Muleshoe, were all of Anna Mae's immediate family who were able to attend. Mrs. Stovall is the former Eva Nell Thomas and Mrs. Kimbrough is her daughter.

Trip, Courtney and Marriott Horton of Beaumont and Kathy Horton of Galveston have been guests in the home of Hollis and

Lunell Horton this week.

Carol Ann Bavousett returned to Austin late Tuesday after a long weekend visit in the home of her parents, Steve and Mary Bavousett.

She's a student at the University of Texas, where she's working on a master's degree in business and studying law.

Presently she's working on her thesis and plans to graduate from the University in December with a Master of Business degree, as well as a law degree.

While she was in the Panhandle, she also visited her brother, Mark, who attends Texas Tech University, Lubbock, where he's employed as an engineer for Radio Station KJAA.

Mr. and Mrs. Rudolph Renner and Mr. and Mrs. Irvin Henderson spent several days recently visiting relatives and friends in northwestern Oklahoma.

The Renners were guests in the home of Mr. and Mrs. Johnny Appel of Shattuck and visited other kith and kin in the area.

The Hendersons visited in the homes of one of Irvin's sisters, Mrs. Eva Hinger at Fargo and an assortment of other relatives in the Fargo-Gage area.

They returned to Friona Monday afternoon.

## YH's Sponsor Men's Softball Tournament

The Friona Young Homemakers will be sponsoring a men's softball tournament June 24, 25 and 26.

The entry fee will be \$70.00 and the deadline for entering the tournament will be June 20. All teams will be required to bring their own Blue Dot balls.

If interested in entering, call Jayn Loooper at 247-2322 or Paula Clark at 247-3764.

## Girl Born To Greg Tuckers

Mr. and Mrs. Greg Tucker of Amarillo are the parents of a baby girl born Wednesday, June 1, at 3:50 a.m. in Northwest Texas Hospital in Amarillo.

Named Gayla Michelle, the new arrival weighed seven pounds, six and one-fourth ounces and was twenty inches long.

Gayla has one older brother, Nathan, two and one-half years old.

Grandparents are Mr. and Mrs. Floyd Schueler of Friona and Mr. and Mrs. Ken Tucker of Fargo, North Dakota.

Great-grandparents are Mrs. August Meeks of Texarkana, Texas, Mrs. Robert Schueler of Friona, Mr. and Mrs. Albin Arneson of Cooperstown, North Dakota, and Mr. and Mrs. Charles Tucker of Upper Darby, Pennsylvania.
