

Star Lites
By Bill Ellis

THE INTERNATIONAL situation has dominated the news of the past week, with the United States suddenly finding itself involved in two separate trouble spots half a world apart.

It becomes increasingly evident that Communist-backed terrorist forces in the world have as their main objective to attempt to keep our nation busy in various locations around the globe. However, this is the first time in quite a while that two such disturbances are going on at the same time.

Some people, commenting on our invasion of Grenada, to oust the terrorist forces which had taken over the country, were an error.

However, there are equally as many, perhaps more, who would argue that had appropriate action been taken in Cuba in the late 1950s, that perhaps this bastion of communist stronghold would not be a threat to our very hemisphere.

The facts remain that the peace-loving neighbors of Grenada asked the United States for help. In this day and time when many countries, particularly in Central America, look upon the United States with disdain, it is refreshing to note that there are those who appreciate what our country stands for, and will ask for assistance in their efforts to remain free.

Another vital factor is that the island nation is located here in our hemisphere, and evidence given by President Reagan in his television address Thursday indicated that the communist forces were in the process of establishing quite a stronghold, from which they could launch virtually any kind of attack on neighboring countries.

If we're going to fight communism half way around the world, as we have been doing for the better part of 30 years, then it only makes sense that we would need to draw the line here in this hemisphere.

Thursday, the president quoted a great Texan, Sam Rayburn, who once said: "Freedom is not something you fight for and win for all time; you have to continue to pay insurance premiums in order to remain free..."

Apparently, our presence in Grenada is just another of these regular premium payments, to assure that our country can continue to be free. Hopefully, the premium price will not be exorbitant.

WE THINK IT'S great that the Friona Young Homemakers are sponsoring a carnival on Halloween night for Friona area youngsters.

We have thought for years that such an event would be a good idea, to help get the little "spooks" off the dark streets at an earlier hour, and give them some type of organized program.

Most of the people who are "my age" grew up with Halloween carnivals as a fact of life, but the custom seems to have dwindled in recent years. It's nice to see that the Young Homemakers are attempting to revive this custom.

In the past, numbers of our young people have driven miles to attend carnivals or spook houses in other communities.

We urge the parents to support the effort this year. The sponsors say that while this year's carnival is a first-time effort, if the participation is good, they expect it to grow in future years.

November 1 Is Deadline

Tuesday, November 1 is the deadline for returning your ballots to the Chamber of Commerce in the chamber's annual election of board members.

Names on the ballot are Harry Hutchinson, Bill Loafman, Dee Willard, Gaye Tannahill, Lois Norwood, Joe Mejia, Bill Hardin, Joe Wilhelm, Bob Welch and Pat Fleming. Five members are to be elected to the board.

VITAL DISTRICT GAME

Chiefs, Mules Battle For Playoff Position

Friona High School's Chieftains were hosting the Muleshoe Mules Friday night in a game that promised an instant prize for the winner.

Although each team will have a game left on its schedule after Friday, the winner of the Friona-Muleshoe game is assured of advancing into the UIL playoffs. The loser would stay at home come playoff time.

The Chieftains were hoping to come up with their second good performance in a row in their attempt to sidetrack the Mules.

Coach Tommy Moss said the team would have to come up with an even better performance than they had against Dimmitt to win the game. "We didn't play especially well during the first half at Dimmitt. We'll

have to play four strong quarters to beat Muleshoe," he said.

Linebacker Rudy Bermea, who sprained an ankle against Dimmitt, has been slowed down in practice, but was expected to see action. Otherwise, the team was thought to be near peak strength.

Both teams enter the game with 2-1 district records. Muleshoe's only district loss was to Littlefield last week, 24-0. Friona lost to Abernathy, 23-7 two weeks ago.

The Mules are led by tailback Mark Moton, a 185-pound junior, and fullback Trent Hysinger, a 185-pound senior. Hysinger is the team's leading scorer.

Muleshoe is still smarting from the 17-10 loss pinned on them last year at

Muleshoe in a game which eventually caused a three-way tie for second place, and the marathon coin-toss, finally won by Friona, whose win over the Mules helped break the tie.

The Mule fans felt they should have won the game last year, and have been pointing to this year's game for virtually an entire year. Some people even felt the Mule coaches "pulled back" in their game with Littlefield, to have everyone healthy for their battle with Friona.

It's always a battle when the two teams meet. Again, it's an old rivalry, going all the way back to 1926. Muleshoe leads the series, with 19 wins to 12 for Friona and one tie. However, in the past dozen years, the series is all tied at six wins each.

Home field hasn't meant a great deal in the past. Half of Friona's 12 wins were recorded at Muleshoe. Ten of the Mules' 19 wins have come in Chieftain territory.

After Friday's game, the lone game remaining on the schedule is with up-rated Littlefield here November 4.

THAT TIME AGAIN...Maize Queen Kriste Herring reminds area residents that the semi-annual time change occurs this Sunday. Clocks are to be turned back an hour, returning to Central Standard Time.

Scores Improve In Star Football Event

Given a respite by the absence of a tie game on the contest lineup, E. V. Thompson turned in the best score of the 1983 contest season in winning the eighth week of the Friona Star's annual football predicting contest.

Thompson tallied 19 correct games to capture the weekly first prize of \$10.00.

The contest also caught our schedule-maker in a slight error, as we had Atlanta playing the wrong New York team on game number 15. In order to treat everyone fairly, all contestants were given this game as a right answer, so for the first time in seven weeks, contestants had one automatic "right" game, rather than one automatically wrong.

Three contestants correctly picked 18 of the games on the contest slate, and from this list the second and third-place winners were selected.

City's Tax Receipts Show Gains

Parmer County received a total of \$7,287.32 from the Comptroller of Public Accounts in sales tax payments for the month of October.

This was an increase of almost \$1,000 from the figure of \$6,384.65 for the comparable period a year earlier, and brought the county's totals closer to the totals for 1982 through a nine-month period.

The City of Friona received \$5,291.68 for its share of the sales tax. This was up from the figure of \$4,121.98 a year earlier.

For the year, Friona has now received \$73,893.75. This compares to \$75,038.79 for the same period a year ago, and is down by 1.5 per cent.

Isacc Briones of Hereford won second place, after missing the Friona-Dimmitt score by just five points. Briones picked the Chieftains to win, 24-14, missing Friona's score by just one point and the Bobcats' score by four. Briones receives \$6.00.

A tie for fourth place developed between Damon George and Wayne Amstutz of Hereford. Both contestants picked 18 games correctly, and were each 17 points off on their tie-breaker score.

Thompson's only misses were in picking River Road over Boys Ranch, Arizona over Stanford and San Diego over Denver.

Briones missed River Road-BR, Hart-Olton, Southern Cal-Notre Dame and San Diego-Denver. Amstutz missed Abernathy-Tulia, Arizona-Stanford, Buffalo-New England and Philadelphia-Chicago.

George missed Muleshoe-Littlefield, TCU-Baylor, Rice-A&M and Green Bay-Minnesota.

Fifteen contestants had the good score of 17 for the week. They were Tom Johnson of Maple, Susie Howard, Patches Fleming, Martha Clements, Donita Martin, Ron, Myrna and Kerry Cain and Brent Gatlin, all of Corpus Christi, Donnie McDonald, Shea Woodard, Randi Burkart, Paul J. Smith, Roger Field and Audie Mancillas.

With his score of 17, Patches Fleming hiked his lead in the contest standings to four points over the second-place contestant, Bobby Davis. Fleming now stands at 119 overall, to 115 for Davis.

Alfred Beavers, Jerry Hinkle, Tom Johnson, Ron Smiley, Don Spring, Jimmy Walker and Steve Williams are grouped in a tie for third place with scores of 110.

A complete list of the leading contestants can be found elsewhere in this issue.

Safety Is Urged On Halloween

Miniature monsters will soon invade the neighborhoods and the cry, "Trick or Treat," will be heard throughout the land.

Major V.J. Cawthon, Regional Commander of the Texas Department of Public Safety said, "Motorists and parents need to take precautions to protect children and prevent disasters this Halloween."

He stated, "I would suggest house or block parties for the kids. Children will invade many neighborhoods in spite of past unfavorable incidents, and he offered the following safety rules to help protect the kids."

Cawthon said, "Small children should be accompanied by older children or adults and trick or treating be confined to their own neighborhood. Costumes should be light in color, short enough to prevent tripping and non-flammable. Facial make-up should be used instead of masks or hoods that restrict vision."

Trick or Treaters should not eat unwrapped candy until the parents inspect it and fruit should be washed and cut into small pieces to be sure nothing has been placed inside it.

Children should be told to look in all directions before crossing streets and to walk, never run. A flashlight carried by a child can serve as a warning to motorists and children should be instructed to use sidewalks when possible.

Two Officials Are Certified

Friona Chief of Police Bill Thieman went to Austin recently to take his state certification examination. Upon completion of the exam, Thieman was awarded his basic and intermediate certification. His time spent as a police officer in Missouri was also recognized. He will receive his advanced certification in February.

Also, dispatcher Lou Pipes recently completed a 40-hour school for dispatchers held in Lubbock by the Department of Public Safety. The school covered out of state teletypes, information security and criminal history checks.

Students Get Break

Next Friday, November 4, will be a holiday for Friona school children.

Friona teachers will be attending district meetings in Amarillo that day.

UNITED WAY

Kids, Inc. Baseball Is Helped By Drive

(Editor's note: While the official kickoff for Friona's United Way campaign isn't until November 7, both the pace-setters and the rural workers are already hard at work.)

One of the major organizations which is supported by Friona's United Way is Kids, Incorporated (formerly known as Little League).

At present, Kids, Inc., consists of the summer baseball program, but other activities for the youngsters are a possibility.

Last year, Kids, Inc., baseball program involved 225 players competing on 17 teams in four divisions. There were 96 regular-season games and 12 all-star games.

The majority of the financial support for this program comes from sponsoring businesses and concessions at the games. However, the organization is budgeted through United Way for \$1200.00, which helps with the operating costs.

Coffee To Honor New City Mgr.

The Friona Chamber of Commerce will have a get-acquainted coffee for Beelee and Debbie Goodwin on Friday, November 4, from 9-11 a.m. at the Community Room of Friona State Bank.

Goodwin is Friona's new city manager, and has recently moved to Friona from Sweetwater, Texas. They have recently moved to 901 West Fifth Street.

"Come by the bank and have coffee and doughnuts and meet the new city manager," says a spokesman for the Chamber of Commerce.

CST Returns On Sunday

Friona residents get a chance to regain that hour of sleep they lost last spring on Sunday morning, when Central Standard Time returns for a six-month run.

Clocks will be turned back an hour Saturday night, either giving folks an extra hour of sleep, or allowing them to stay up an hour past their usual bedtime, whichever they prefer.

Kids, Inc., is directed by a 20-member board of volunteers and is supported by a host of parents and coaches.

"Thanks for your support of the kids of Friona through the United Way," says Archie Echols, co-chairman of the 1983 United Way campaign.

Women's Group Is Organized

There will be an organizational meeting of the Women's Division of the Friona Chamber of Commerce and Agriculture. The meeting will be held Thursday, November 3 at 7:30 p.m. in the Friona Library, 111 East Seventh.

The Chamber is growing and continually increasing its contribution to the community. The addition of a Women's Division will help the Chamber further promote its goals and objectives, and will also give more people an opportunity to be involved in the Chamber activities.

All women in the community are eligible to become members of the Women's Division, and are invited to attend this organizational meeting.

Halloween Carnival Set Monday

The Friona Young Homemakers Halloween Carnival will be held Monday, October 31, from 6:30 to 9 p.m. at the Friona Community Center.

Costume judging will begin at 7 p.m. with ribbons to be given to each age group. Age groups will be 1-3 years old; 4-kindergarten; grades 1-3; and grades 4-6.

Judging will be for funniest, scariest, most original, best store-bought, ugliest, prettiest, most handsome, shortest and tallest.

Some of the planned activities include Go Fishing, Fortune Telling, Treasure Hunt, Cake Walk, concession stand and children may have their picture made with the Great Pumpkin.

There is still time to enter a booth, by contacting Paula Clark, 247-3764 or Sarah Black at 265-3449.

Bring your children to the Community Center for a fun and safe Halloween.

PRESENTS WINNER...E. V. Thompson was the winner of the Friona Star's football contest for the week, posting the top score yet—a score of 19. Presenting Thompson with his winning check is Mildred Arnold of Friona's Dairy Queen Restaurant.

FRIONA FLASHBACKS

....from the files of The Friona Star

55 YEARS AGO--SEPT. 28, 1928

Mr. and Mrs. Nat Jones and daughter, Miss Geneva H. Jones, M.A. Crum and Mr. and Mrs. Alton Tedford were among those who drove over to Abernathy to attend the funeral of Mrs. J.O. Jones Monday.

J.J. Horton of the J.J. Horton Land Company, will enter the grain and cotton buying business this season.

R.G. Flinn, of Wannette, Oklahoma, was a business visitor here the latter part of last week, and while here took occasion to visit the Parmer County Fair.

B.T. Callaway and family returned this week from Coleman, where they had been for a few days visiting relatives and looking after business matters.

Mrs. T.N. Jasper departed last week for a visit of a few weeks with relatives in McAllister and Canadian, Oklahoma.

35 YEARS AGO--OCT. 1, 1948

F.W. Reeve, who suffered a severe attack of some heart ailment, on the night of September 11, and was taken to the local hospital, where he remained under the care and direction of his physician for two weeks, was able to return home on Thursday of last week.

Mrs. R.F. Jones returned from Wichita Falls this week where she has been visiting with relatives and

spending her vacation.

Mr. and Mrs. John Burrows were transacting business in Sanford the past weekend.

Mr. and Mrs. "Gib" Boatman departed last week for Silver Springs, Md., where "Gib" has enrolled in a cleaning and dyeing school.

Mr. and Mrs. Jim Brown and granddaughter, of Levelland, were weekend guests of Mr. and Mrs. J.L. Taylor. Mrs. Brown is Mrs. Taylor's sister.

30 YEARS AGO--OCT. 1, 1953

Mrs. Granville McFarland and Mrs. Frank Spring attended the Coronado Girl Scout Board meeting in Santa Rosa on Monday.

Mr. and Mrs. Edward Hall returned last week from a vacation trip to California.

Mr. and Mrs. Paul Fortenberry and children visited in Happy over the weekend with their parents.

Neal Greeson, Joe Landrum and Weldon Tatum were Hereford visitors Sunday afternoon.

Mr. and Mrs. Paul Cody and family have moved to this community from Hereford and are employed by Bruce Parr. They are living in Mrs. McCrate's house.

25 YEARS AGO--SEPT. 25, 1958

Mr. and Mrs. J.V. Houser left late last week for a two week vacation in Colorado.

Sunday visitors in the Vaughan Keith home in Farwell were Mr. and Mrs. J.B. Thomas and family.

Mr. and Mrs. Pete Mimms and family visited Sunday at Sunnyside with his sister, the L.M. Glanton family.

Mrs. Doug Horsley was the proud winner of a sewing machine given away recently by a grocery store in Muleshoe.

15 YEARS AGO--OCT. 3, 1968

Guests in the home of Mr. and Mrs. Ralph McBroom the past two weeks have been Mr. and Mrs. Loyd Baker, Bakersfield, California. Mrs. Baker and Mrs. McBroom are sisters.

Mr. and Mrs. Don Eitel, formerly of Amarillo, have recently moved to Galveston. Eitel, a medical technician, has enrolled in the School of Banking, John Sealy Hospital.

Mrs. Belma Creager, Graham, spent the past two weeks in the home of Mr. and Mrs. J.T. Carroll. Mrs. Creager is Carroll's sister.

10 YEARS AGO--SEPT. 30, 1973

Funeral services will be held at 4 p.m. Sunday at Friona's United Methodist Church for W.E. (Bill) Teel, who died Friday following a heart attack.

Officers for the coming year were elected at the September 18 meeting of the Rhea 4-H Club.

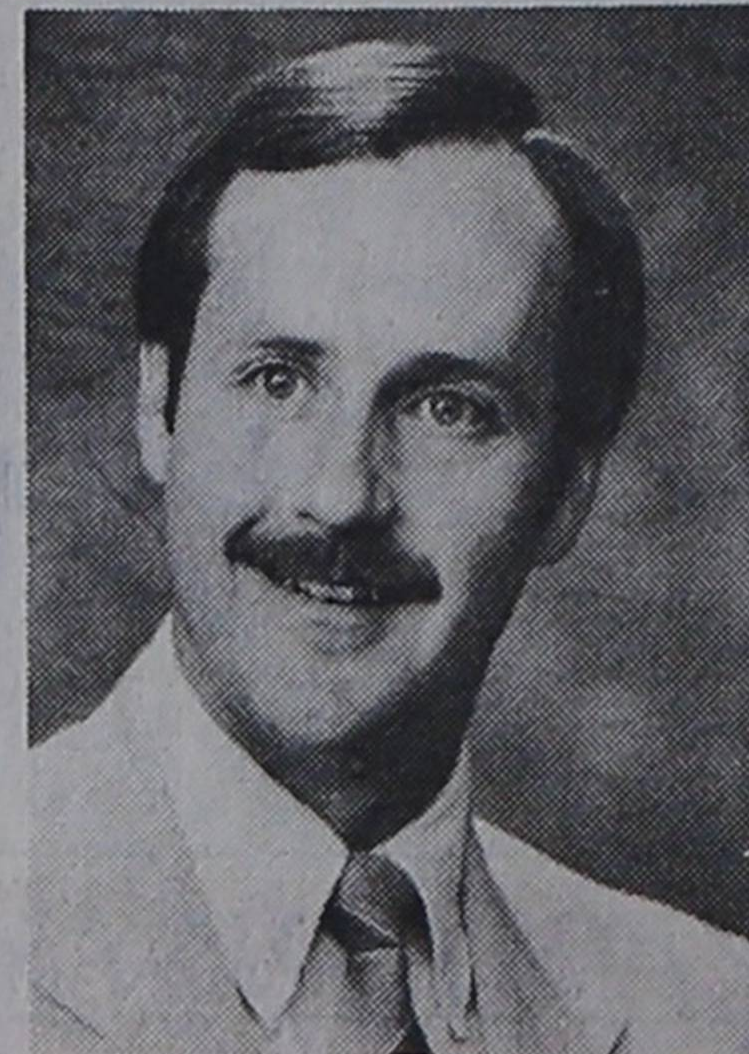

A Mini-Nursery, sponsored by Progressive Study Club, will be in Friona, Saturday, October 6 from 10 a.m. to 8 p.m. and Sunday, October 7, 12 noon until 8 p.m.

5 YEARS AGO--OCT. 8, 1978

Friona area farmers are busy with corn harvest this week, with promises of better crop yields and prices than last year. Corn prices on Friday were running \$4.15 per hundred weight, which is somewhat better than it was running this time last year. Bad weather conditions have hampered corn farmers from getting underway with their harvest operations for the past two weeks.

Julie Owen was chosen Friona High School Homecoming Queen for 1978 during pre-game ceremonies last Friday night. Other candidates were Renae Monroe, Jennie Scott and Kim Frye.

Seth Thomason Is New SPS Power Mgr.

SETH THOMASON

Seth Thomason has been promoted to manager, agricultural and industrial power, for Southwestern Public Service Company (SPS).

Thomason, 28, will work to develop and expand the agricultural industry in the SPS service territory, and will train and supervise Southwestern's industrial power engineers and industrial power representatives.

He began his career with SPS in September 1977 as a division engineer; in September 1979 he was promoted to supervising engineer at Borger, Texas; in February 1981, to industrial power engineer at Borger; and in December 1981, to marketing engineer in Amarillo, Texas.

Thomason said he will work through various agricultural organizations to promote wise use of electrical energy in the agricultural community, and will direct educational programs that through organizations such as 4-H and FFA teach youth safe and efficient uses of electricity.

He is a native of Texhoma, Oklahoma, and a graduate of Texhoma High School. He has a bachelor of science degree in electrical engineering from Oklahoma State University. He is a member of Fellowship Bible Church in Amarillo, the South Amarillo Kiwanis Club, and the Institute of Electrical and Electronic Engineers.

SPS primarily provides electrical service to a population of more than

Joe M. Ortiz Participates In Exercises

Marine Col. Joe M. Ortiz, son of Olivia Ortiz, recently participated in a Combined Arms Exercises in the Republic of Korea.

He is a member of 2nd Battalion, 12th Marines, 3rd Marine Division on Okinawa.

During the exercise, called "Bear Hunt 84," the Combat Arms elements of the 12th Marines conducted a live fire exercise in support of ground combat elements. Members of the U.S. Army and the Republic of Korea Marine Corps were involved in this exercise.

Letter To The Editor

Mr. Bill Ellis
The Friona Star
Box 789
Friona, TX 79035

Dear Bill,

After reading your recent editorial in the October 9th issue of *The Friona Star*, I could not resist writing you this letter.

Bill, I want you and all the friendly people in Friona (my home town) to know that Diamond Shamrock Corporation is the only oil company that still offers free road maps to our customers.

You are correct, most oil companies do charge for their maps, but we do not. We hope we can continue to offer our customers competitive products; self-service gasoline; and free road maps.

Enjoyed reading your article.

Sincerely,
Larry Johnson,
Sales Manager
Mid-Continent Zone

(Editor's note: Thanks, Larry, for correcting us. By the way, Larry brought us a supply of Diamond Shamrock maps, so if any of you travellers want a really good, FREE highway map, stop by the Star and we'll give you one of his.)

RARE WIN AT DIMMITT

Chiefs Down Rival 'Cats To Stay In 2-AAA Chase

The Friona Chieftains scored an important District 2-AAA win over the Dimmitt Bobcats in Dimmitt last Friday, by the score of 23-10.

The win gave Friona a 2-1 district record, and kept them in the running for a playoff spot in district. It was only the third win for a Friona grid eleven at Dimmitt in the past 21 years. Previous wins had been scored there in 1963 and 1973, so Friona kept its "every ten year" average going.

The first half was a tight, tough battle, before Friona broke the game open in the second half with a rushing attack that left the Bobcats frustrated. Friona outscored their hosts, 14-3 during the second half.

Friona's defense played another super game, intercepting two Dimmitt passes, recovering a fumble, and catching Bobcat runners for losses eight times during the course of the game.

It was an interception by Eloy Caballero on the opening series of plays that set up Friona's go-ahead score. Caballero stepped in front of a Woody Glass pass at the 45, and ran it all the way to the Dimmitt eight before he was tackled.

Two plays gained to the Dimmitt two, and on third down, Charlie Veazey's pass was just out of Charlie Morgan's reach in the end zone. Doug Carthel was called on to kick a field goal, which he did. His 22-yard kick gave Friona a 3-0 lead with 8:46 left in the opening period.

Dimmitt drove to the Friona 20 on their next try, but a 37-yard field goal was short and wide.

Later, however, the 'Cats took over following a Friona punt at their 25 yard line and proceeded to drive 75 yards for a touchdown.

The Dimmitt score came on the first play of the second quarter, and gave the hosts a 7-3 lead.

A little later, Friona took over on its own 38, and set sail on a 62-yard scoring drive. The running of Morgan and Reese Fleming sparked the drive.

Veazey connected with Caballero

on one eight-yard strike, then on third and goal from the 15, he spotted Caballero open in the end zone, and rifled a strike which the Chieftain receiver caught while on his knees. The PAT kick was blocked, but Friona had regained the lead at 9-7 with 1:59 left in the half.

Friona drove 72 yards following the second half kickoff, in quick fashion. Fleming provided the big offensive spark, with a 45-yard burst up the middle and down the west sideline to the Dimmitt five.

Two plays later, Morgan scored, and Carthel's kick ran the score to 16-7, only 2:51 into the third quarter.

Dimmitt had a drive going at the close of the quarter, getting to the Friona 31. However, a Bobcat runner was separated from the ball by a hard tackle, and Friona took over.

The Chiefs proceeded to drive 69 yards in only five plays. Fleming again provided the big spark. The hard-running fullback raced 42 yards for a touchdown, and Carthel's kick made the score 23-7 with 9:41 left in the game.

Dimmitt drove to the Friona 23, where again the defense held. This time Bobby Nino kicked a 40-yard field goal for Dimmitt to trim the margin to 23-10.

Alfredo Mata returned the kickoff to the Friona 16. He gave the team two consecutive first downs with runs of 16 and 14, as Friona drove to the Dimmitt 21. But on fourth down, a pass fell incomplete, and for only the second time in the half Friona failed to drive for a score whenever they got the ball.

Dimmitt was able to complete a couple of desperation passes toward the end of the game, but on the final play, Troy Crutchfield sacked the Bobcat quarterback for a ten-yard loss, to end the game appropriately for Friona.

The game was played on a wet but good-conditioned turf. The area had received around three inches of rain through Thursday, but the weather cleared in time for Friday's game,

which was played in near ideal conditions.

Fleming paced the Chieftains with 143 yards on 17 carries. It was appropriate, since his grandparents and other relatives live in Dimmitt, and were on hand to see him play.

Morgan added 96 yards in 16 tries, to give the team a good one-two punch, and Charlie was running more like district opponents remembered him about this time a year ago.

Friona had held the Bobcats to just

DEFENSIVE EFFORT.... Friona's defensive play was a highlight of the team's 23-10 win over the Dimmitt Bobcats. Linebacker Rudy Bermea has Dimmitt's Brandon Cox by the leg. Help is on the way in the form of Harvey Lafuente (63) and Mitch Reeve (60).

178 yards, until they gained 56 yards against the Chiefs who were playing a prevent defense on Dimmitt's last drive, giving up easier gains to prevent a touchdown.

The fact that Dimmitt had gained 290 yards against number one-rated Littlefield, and that the Chieftains held the Bobcats to less, spoke well for the FHS defense, said Coach Moss this week.

7th Grade Drops Tilt

Friona's seventh grade Braves suffered a 20-0 defeat in their game at Dimmitt last Thursday.

Runningback Joe Paiz gained 80 yards for Friona, although the Braves never could push across a touchdown.

Cody Burney was a standout on defense for the Braves, who lost their second game of the season.

Eighth Graders Remain Unbeaten

The Friona Eighth Grade Braves kept their unbeaten season going last Thursday at Dimmitt, with a 46-0 win over the Dimmitt eighth graders.

Michael Valero scored a pair of touchdowns for the Braves, as did Glen Trimmell. Kevin Frye scored one TD and two PATs running.

The game was played in a cold, misty rain on the practice field at Dimmitt, as the varsity field could not be used due to the weather. And, although fans had to sit in their vehicles on the sidelines, those attending said the boys and fans alike had quite a time in the "make-shift" game.

Frye opened the scoring in the first quarter with a seven-yard run for a TD. The point try failed. Trimmell ran 28 yards for another TD, and

Frye ran across the conversion for a 14-0 Friona lead. That ended the first quarter scoring.

Joel Jass ran nine yards for Friona's only score in the second quarter, and Daniel Echols passed to Trimmell for two points and a 22-0 halftime lead.

Third quarter: Trimmell ran 37 yards and Valero ran the points; Friona 30-0; Valero ran 55 yards and Frye ran the points: Friona, 38-0.

Valero closed out the scoring in the fourth quarter with a 47-yard run, and Joe Dimas ran the points for the final margin. The Braves racked up 336 yards rushing and 14 passing, Echols hitting two of two passes.

Friona met Muleshoe on Thursday, then closes out its season against another tough team, Littlefield, next Thursday.

Social Security Money Will Become Taxable

January, 1984 will bring a change to the Social Security system--for the first time, Social Security benefits will be subject to income tax under certain conditions. This change is part of the Social Security Amendments of 1983, which are designed to financially strengthen the system.

The taxation of benefits will apply only to those people whose income is more than a certain amount:
 --\$25,000 for an individual,
 --\$32,000 for a couple filing jointly, and
 --Zero for a couple filing separately.

To compute whether or not your countable income is over the base amount, you will need to add:

--Your adjusted gross income (as shown on your tax return), plus
 --Any non-taxable interest income you received in the year, plus
 --One-half of your Social Security benefits received during the year.

If the sum of the above exceeds the base amount that applies to you, you will have to include some of your Social Security benefits as taxable income.

The amount of your benefits to be included in taxable income will be the lesser of:

--One-half of your Social Security benefits received for the year, or
 --One-half of the excess of your combined income (adjusted gross income plus one-half of benefits) over the base amount.

People who receive Social Security should keep a record of the amount of each month's check. This record will make it much easier for you or your tax-preparer to compute your 1984 taxes.

This provision is estimated to affect about ten per cent of Social Security beneficiaries in 1984. However, taxes will not be withheld from your Social Security benefits during the year unless you are a non-resident alien receiving Social Security.

A free leaflet, "Social Security Strengthened," is available from your local Social Security office; it describes the changes in Social Security brought about by the 1983 Amendments.

TOP EMPLOYEE... Tina Brady was honored as the "employee of the month" for September at Prairie Acres Nursing Home. Linda Sigala was chosen for the month of October, but was unavailable for the picture.

JV Chiefs Score Win

The Friona Junior Varsity downed the Dimmitt JV, 28-6 in a game last Thursday.

Brad Moyer scored three touchdowns and a pair of two-point conversions to pace the JV Chieftains to victory.

Albert Ramirez got the scoring underway in the first quarter with a 32-yard TD scamper. Moyer ran the conversion for an 8-0 Friona lead.

Before the quarter ended, Moyer duplicated the 32-yard touchdown run. The PAT try failed, for a 14-0 score.

Moyer ran 13 yards for the only scoring in the second quarter, and Friona held a 20-0 halftime lead.

Dimmitt scored a touchdown in the third quarter to cut Friona's lead to 20-6. But the Chiefs came back on a 43-yard run by Moyer in the fourth quarter, and Brad also ran the two-pointer for the final margin of 28-6.

Moyer gained 146 yards in 22 tries (6.6 yards per try); Ramirez added 61 yards on four carries (15.3) and Wendell Woodruff gained 29 yards in nine cracks at the line (3.2).

The win extended the JV Chieftains' season record to 3-1-1.

TSTI Sets Enrollment For Winter

Early registration for TSTI-Amarillo's Winter Quarter will be October 31 through November 4, from 8:30 a.m. to 4 p.m. in the Resource Center on the TSTI campus.

Programs accepting new students will be: auto body repair, aircraft mechanics, automotive mechanics technology, boot and shoe operations, construction technology, cosmetology, computer science technology, diesel mechanics technology, electronic systems technology, industrial instrumentation technology, interior design technology, machine shop operations, meat processing and marketing, professional truck operations, transport refrigeration mechanics, saddle and tack making, technical office training, and welding and fabrication.

For more information contact Admissions 335-2316 extension 268.

Tips Are Given On Cold-Related Injuries

The recent cold wave and the fact that November is right around the corner seem to herald the coming of winter.

Here are a few timely hints about cold-related injuries from paramedic Don Spring of Bovina.

A severe and dangerous cold-related condition is frostbite. This condition is rare in the Panhandle and usually occurs in the elderly person who is outdoors, and for whatever reason is unable to make it back inside to warmth.

"As the tissue, usually in the extremities, freezes, the cells rupture and the blood vessels seal off so there is a double trauma situation present. The cells, deprived of oxygen from the blood, shortly begin to die and the area takes on a dark splotchy blue or black color," Spring said.

"Remember, anyone suffering frostbite is assumed to be hypothermic, suffering from low body temperature. It is vitally important to warm the whole body, so get the patient to a place of warmth immediately. Until emergency aid arrives, it is advisable to warm the affected area in water at 100°-105°. Remember!! Never, never, massage the area to restore circulation. The friction caused by rubbing the area only further ruptures weak cell walls and worsens the condition," Spring warns.

If an individual's body temperature

drops below 96° F, you should seek medical help because that person may be suffering hypothermia. Do not attempt car transport of the patient. Hypothermia may become life threatening.

For emergency medical assistance in the Texas Panhandle, call your local ambulance service or Panhandle Emergency Medical Services System at 1-800-692-1331.

Special Sewing Seminars Offered

Sewing enthusiasts, whether novice or veteran, will have three opportunities in the next few days to receive practical coaching from one of the nation's leading sewing experts, Clotilde.

Well known as an author, lecturer and teacher of teachers in sewing skills, Clotilde Yurick will conduct seminars November 3 in Lubbock, November 5 in Snyder and November 8 in Plainview, said Laura Jacobs, Farmer County Extension Agent for home economics.

P. Weatherly Plans Tour

Penni Weatherly, a sophomore from Friona, will tour Austria and Hungary in March as a member of the West Texas State University Chorale.

The WTSU Chorale, under the direction of Dr. Hugh Sanders, features selected voices from students across the campus. In addition to the concert tour, members also present two formal concerts at WTSU, concerts with the Amarillo Symphony and a national CBS radio Christmas broadcast.

The Austria and Hungary tour is March 10-24, and is partially funded by the Friendship Ambassadors Foundation, private foundation that has been recognized for significant people-to-people educational and cultural exchange programs. During the past 25 years, Friendship Ambassadors has helped sponsor more than 20,000 "ambassadors" from more than 100 countries around the world.

Weatherly is a member of Campus Services and WTSU Student Foundation. She is the daughter of Philip and Phila May Weatherly of Friona.

Day-long "Sew Smart" seminars at the Texas A&M University Agricultural Research and Extension Center in Lubbock (November 3) and at the Fine Arts Auditorium of Western Texas College in Snyder (November 5). Each will cover practical tips to give your home-sewn clothing the custom-made touch, and detailed instruction on easy ways to tailor jackets. These seminars begin at 9 a.m.

An evening seminar in the Llano Estacado Museum of Wayland Baptist University in Plainview (November 8) will provide the practical tips to give your home sewing the "\$500 look." It begins at 7 p.m.

Pre-registration is needed because of space limitations, the Extension Agent said. The fee for the Lubbock seminar is \$12.00 and includes a sandwich luncheon. The Snyder seminar fee is \$10, and a luncheon will be available for \$3.25. The Plainview seminar fee is \$10.

Registration forms and additional information are available at the County Extension Office.

Club Hears Patrolman

City patrolman Johnny Spring presented a talk on "Safety Laws in the Community" at the regular meeting of the Friona Woman's Club Wednesday, October 12.

Juanita Reed was chair-person. Roll call was answered with a health experience of the past year.

Visitors present included Orma Flippin, Selma Habbinga, Alice Hough, Blanche Boyle, Ova Outland, Thelma Hutson and Lucille Rocky. Cissy Stroud served as hostess.

Friona Boy Gets Tech Scholarship

More than 150 Texas Tech University students enrolled in the College of Agricultural Sciences have been awarded scholarships for the 1983-84 school year. These students will be recognized at the college's annual Pig Roast November 17.

Michael Schueler, a sophomore majoring in agricultural economics, received an O'Brien Agricultural Scholarship. He is the son of Mr. and Mrs. Herbert Schueler.

DEE ANN WOOD and KEVIN POPE....Mr. and Mrs. Edward Wood of Lamesa and Mr. and Mrs. Jimmy Pope of Quanah, former Friona residents, are announcing the engagement and approaching marriage of their children, Dee Ann and Kevin. The bride-elect is a graduate of Lamesa High School and West Texas State University. She is presently employed by the Amarillo Chamber of Commerce. Pope is a graduate of Friona High School and West Texas State University. He is a coach at Fannin Junior High School in Amarillo. The couple will exchange wedding vows Saturday, December 17 at the Northridge Methodist Church at 4 p.m.

Friona Antique Club Met Monday In Adams' Home

The Friona Antique Club met Monday, October 24 in the home of Raymond and Nola Adams.

Rusty Clarks Have Baby Boy

Mr. and Mrs. Rusty Clark of Hereford are the parents of a baby boy born October 14 at 3:44 p.m. in Deaf Smith General Hospital.

Named Dusty Lynn, the new arrival weighed six pounds, ten ounces, and was twenty inches long. Dusty is the first child for the couple.

Grandparents are Mr. and Mrs. D.G. McClellan of Friona and Mr. and Mrs. Robert Clark of Slaton.

Mrs. Clark is the former Darla McClellan.

Roll call was answered with thirteen members present.

The hostess served ham, macaroni and cheese, buttered carrots, slaw, cranberry salad, deviled eggs, pies, tea and coffee.

The evening was spent visiting and planning the Christmas party to be held in December.

Members present were Rudolph and Clara Renner, Leo and Lottie Bails, Elvie and Virginia Jennings, Jerry and Patty Zachary, Orma Flippin, Selma Habbinga, Hazel Baxter and Raymond and Nola Adams.

The next meeting will be the Christmas dinner and gift exchange in December. This will be in the home of Leo and Lottie Bails.

Progressive Study Club Has Halloween Program

Progressive Study Club met Tuesday, October 25 at Friona Woman's Club House for a Halloween program entitled "The Goblins Will Get You."

Sue Beene, president, called the meeting to order. Minutes for two previous meetings were read by Lunell Horton, secretary, and approved by the club members.

"Minutes of the Last Meeting," a short piece by John Updike, was read as meditation by Nancy Edelman.

Gaye Tannahill presented a Halloween program about the myths and history of witches and sorcery. She discussed why witches fly, the

casting and breaking of evil spells, magic power, black magic and various instructions for becoming a witch. Good luck and their beginnings were discussed. She gave several suggestions as to the origin of the jack-o-lantern.

Decorations for the evening were painted pumpkins and ceramic jack-o-lanterns. Refreshments of apple crumble pie, ice cream, salted almonds and hot spiced tea were served by Roxanne Hurst and Glenda Procter.

Becky Riethmayer was a special guest.

HUNTERS--TAKE NOTICE!

Q: Why should hunters have their vision checked annually?
A: A hunter's decision to squeeze the trigger is influenced primarily by what he "sees," or more especially, "what he thinks he sees." Many hunters are unaware that their vision is defective. They may think they see just fine, while others hesitate to admit they have a problem for fear they must give up their sport. Fortunately, most vision defects can be corrected and there is no need to give up hunting.

Q: Is defective vision really that dangerous?
A: A Minnesota Hunter Casualty study showed that 77 per cent of those who wounded fellow hunters had defective vision--and half of them were not aware of it. Also, it is estimated that as high as 15 per cent of our male population are either color-blind or color-deficient. Of approximately 17 million hunters, 850,000 cannot distinguish color properly, a dangerous threat to fellow huntsmen.

Q: What vision skills are needed to be a safe and successful hunter?
A: Hunting is a sport that requires excellent hand-eye coordination. Reflexes must be fast, and the hunter's eye true if he is to hit his target with any degree of accuracy. He must be able to:

1. Distinguish detail at considerable distance and against a variety of backgrounds.
2. Focus clearly on near and distant objects and switch focus within a fraction of a second.
3. Judge distance with speed and accuracy.
4. Detect objects and movements on either side of the target.
5. Identify colors and perform under a variety of light and weather conditions.

This message is brought in the interest of better vision by **Drs. Armistead & Smith, Optometrists, Littlefield, Texas.**

"I have a problem. Can you help me?"

When you call Energas' Friona office, you will probably talk with Jean Roberts.

You have the right person. She can answer your questions or put you in touch with someone who can. Or, if you require service within your home, she will arrange for our people to come out at your convenience. Besides immediate access to office personnel, she has instant communications with service people out on the job.

So, when you call our office, you can depend on the right answers from the right people.

Energas people can do and want to.

"It's great to have the people of the Friona office represent Energas. I am proud of the job they are doing and the spirit in which they are doing it."

Town Talk

By June Floyd

Call 247-3681 With Your News Item

Sometime ago Editor Bill Ellis reprinted a list of different things someone else had compiled about the different things a newspaper is good for and some of them were real amusing.

One he didn't list was the passing on of a weekly issue of the Friona Star by a teacher to one of his students. Harold Lillard, a former Frionan, who now teaches at Texas State Technical Institute in Waco, is responsible for this one.

Madelyne Jack, one of Harold's pupils, regularly reads the Friona Star from cover and enjoys it so much that when her teacher forgets to bring one to the class room she inquires about it.

It would be interesting to know more about Madelyne than that she's one of our most avid readers. Maybe she's from a small town and likes the small community life the Star depicts.

Special thanks go to Harold for sharing his paper and to Madelyne for her interest in our town and community.

Two Frionans were in parts of Oklahoma where the water presented big problems last week. Mildred May was in Duncan and Rush Springs and didn't experience any particular difficulty, but breathed a sigh of relief when she got up on higher ground.

She spent four or five days visiting in the homes of Edgie and Ann Graham at Rush Springs; Arlen and Linda May and children, Keith and April; and Kent and Amanda Miller and children, Lanette, Emile and Ross.

Ann Graham is Mildred's sister; Arlen is her son and Keith is her grandson. She said, "I enjoyed seeing all of them, but those little ones are especially special and I miss getting to see them more."

Then, Inez Wheeler was visiting in the home of her daughter and son-in-law, Margie and Roy Likes, who live

at Chickasha. She was gone from home a month, but spent part of that time visiting her sons, Dean and Jack, who live in Amarillo.

She also visited her grandson, Randy Likes, and his wife, Julie.

Enroute home her son-in-law brought her to Sayre, where Jack met them. Inez says she enjoys visiting her children and grandchildren, but is always happy to be back home.

Floyd and Lauretta Brookfield recently returned from Houston, where they spent several days visiting their son, Ron, and his wife, Tina, and the couple's two children, Shannon and Ron Paul.

They were there for Ron's birthday, which was October 15.

Just before they went down Ron Paul fell off a rocking horse and broke one of his arms.

Lauretta said, "Seems like broken arms are the 'in' thing for that family. It hasn't been very long since Shannon had the cast removed after breaking one of hers."

James Procter took advantage of the damp weather last weekend for a long needed rest. He and Sue drove down to Seymour for a visit with Jay and Phyllis Sanders, former Friona residents.

When those four get together, Sue and Phyllis generally paint while James and Jay take things easy and get a lot of visiting and resting into every day.

Eight Friona residents were in Lamar, Colorado, Sunday afternoon for the Golden Wedding Anniversary reception honoring Louis and Imogene Baxter, former Friona residents.

They were Curtis and Gertrude Murphree, Billy Dean and Lillie May Baxter, Calvin and Ann Martin and Lawrence and Pat Martin.

Recent visitors in the home of Mrs.

Goldie Griffith have been Jean Wright of Kansas, Illinois, and Mary Jane Coartney of Ashmore, Illinois. These two ladies are cousins of the Griffiths.

On Sunday, Mr. and Mrs. Floyd Brookfield hosted a family dinner in their home honoring the Illinois kin.

Others present were Mr. and Mrs. Tom Griffith of Bovina, Mr. and Mrs. Raymond Adams, Mr. and Mrs. Lloyd Rector and Mr. and Mrs. Floyd Rector, all of Friona and Clara Trowbridge of Hereford.

Bob and Terri Welch and children, Ben and Katie, spent last weekend visiting in the home of Terri's parents, Mr. and Mrs. Ray Bailey, who live in Carlsbad, New Mexico.

Raymond and Lillie Mae Hughes are home after spending a few days visiting kith and kin in Western, Oklahoma. They were guests in the homes of Mr. and Mrs. Davey Hughes, who live at Clinton, and Mr. and Mrs. Jimmy Hughes of Arapahoe.

In Weatherford, they visited their oldest son, Dr. Eugene Hughes, a professor of English at Southwestern State University.

Elwyn Hartman of Hereford, a former Friona resident and brother of Oleta Houser, is a patient in Veteran's Hospital in Amarillo with a broken hip.

Aubrey Rhodes was dismissed from the local hospital Wednesday afternoon after having been a patient there about a month. His son, Tim, who is presently living in Dallas, has been here several times during Aubrey's stay in the hospital.

Out-of-town visitors in the home of Bud and Arvilla Elmore last week were Lucille Wilson and Judy Reedes, who live in Lamar, Colorado, and

Larry Elmore of Sundown, Texas.

Thursday the visitors and Elmores spent the day in Amarillo visiting in the homes of Raymond Williams and Gene Williams.

Doris Barnett and her sister, Gay Cranfill of Dumas were accompanied to northwestern Arkansas by Jimmie Johnston and Kay Hudson, also of Dumas recently.

These four ladies spent a long weekend attending the October Craft Fairs, which are held annually in Bentonville and surrounding villages. Everything for sale is hand made and there are hundreds of exhibitors in each village.

Doris reports a wonderful trip with beautiful fall scenery in a lot of places. She was especially impressed with some of the wood carvings, hand made baskets and old fashioned bonnets.

She said, "A person just has to see it to believe it."

The third annual reunion for the Hollene Community will be held at Kingswood Methodist Church in Clovis, New Mexico at 7 p.m. on November 26.

Each family is asked to bring a cake or cookies.

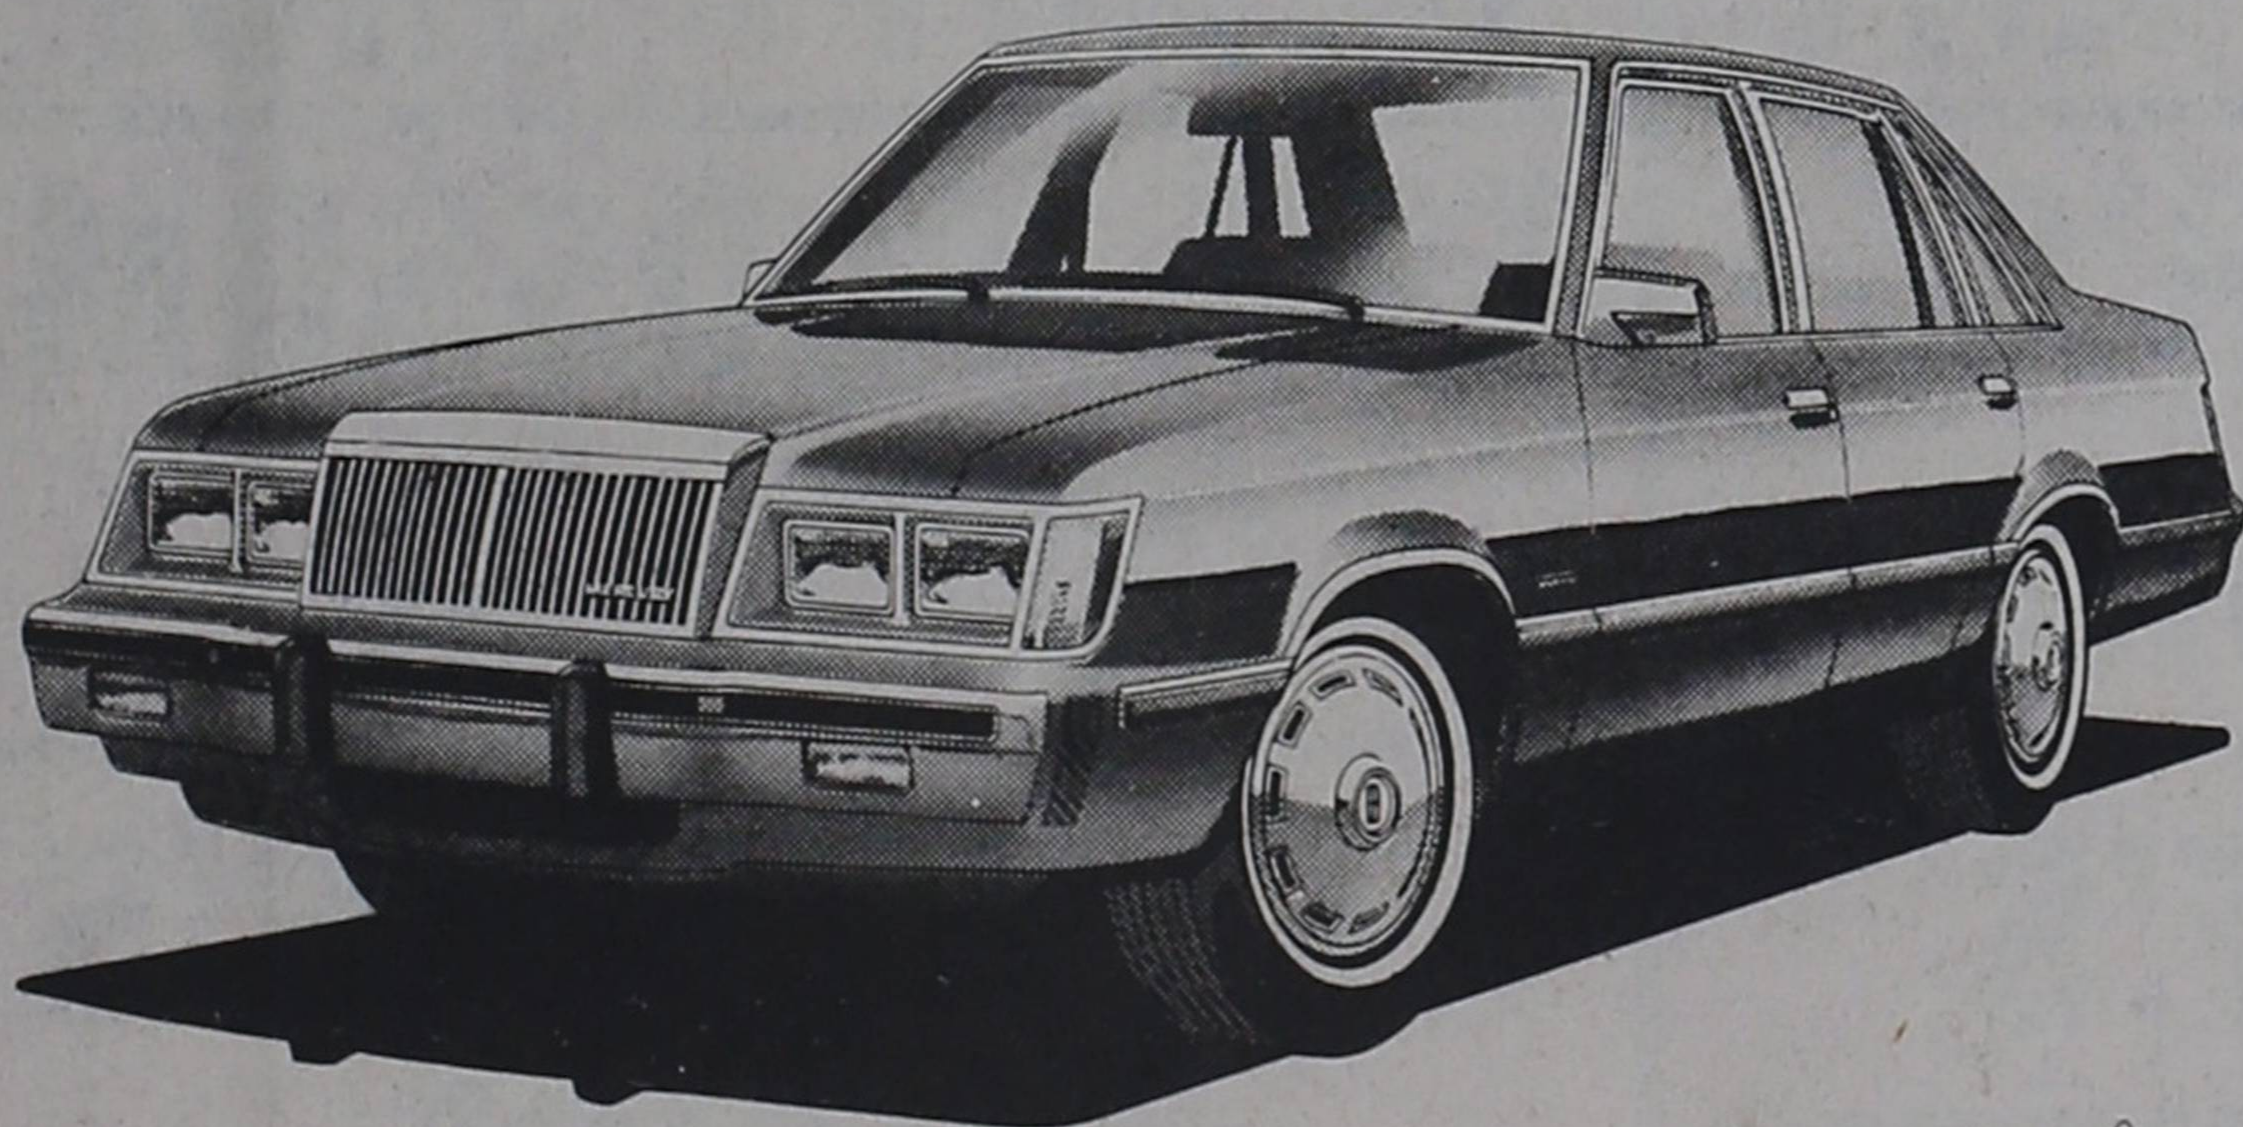

JUST FRIENDS...Ronda Ratcliff played Mrs. Bedwin, and Chris Hamil played Oliver in the Thespian play presented Monday and Tuesday nights at Friona High School Auditorium.
