The FRIONA * STAR

VOLUME 59, NUMBER 23

SUNDAY, MARCH 13, 1983

25° 12 PAGES, PLUS SUPPLEMENTS

WE KNOW OF several fellows around town who received a gift last Christmas in the form of an amusing little book entitled "Real Men Don't Eat Quiche." This is just the sort of light reading that we enjoy on a Sunday afternoon when there's no football games on the tube, (or USFL games, which is about the same thing). A few days ago we were browsing through a book store and noticed a whole bookshelf full of books which are parodies of the original title. Some of these were "Real Women Don't Pump Gas," "Calories Don't Count If You Eat Standing up," "Real Extra-terrestials Don't Phone Home," "Real Texans Don't Drink Scotch In Their Dr. Pepper," and "Real Men Don't Cook Quiche." Boy, some folks really have it in for quiche, don't they! Well, since it will soon be gardening and yard-working season, we didn't buy any of the new titles. But it did bring to mind several possibilities for more books along the same order. For instance, someone could write a book entitled "Real Tennis Players Don't Use Suntan Lotion," or "Real Doctors Don't Make Housecalls," or "Real Hell's Angels Don't Drive Volkswagons." Would you like to read "Real Cowboys Don't Wear Designer Jeans" or "Real Texans Aren't Born in New Mexico'' (that's what several people have told Ye Editor from time to time); "Real German Shepherds Don't Bark At Postmen," and "Real Postmen Don't Always Ring Twice." How about "Real Sports Fans Don't Watch Soccer," (or rugby, polo--pick your own sport); "Real He-Men Don't Go To Walt Disney Movies," or "Real Men Don't Ever Go To Dress Shops." * * * *

Contest Play Sets Rehearsal Date

Friona High School's UIL Contest Play for 1983 is "The Madwoman of Chaillot," a French play concerning the universal theme of good vs evil. It was first presented in the United

Ricky Barnett plays the juggler and Prospector III; Matt Osborn is the deaf-mute; Cindy Drake plays Mme. Constance; Sheila Gresham plays Mlle. Gabrielle; Sheri Dodson plays Mme. Josephine and Bill Caudill plays President III and Press Agent I. The crew consists of Bruce Fleming, sound; Mitchell Gibson, stage manager; Traci Zoth, lights; Chuck Ellis, Wendy Hinkle, Ana Ramirez and Shea Woodard, props and makeup. In charge of costumes are Gaye Tannahill, Gay Taylor, Jere Smith, Peggy Hamil and Randie Hamilton.

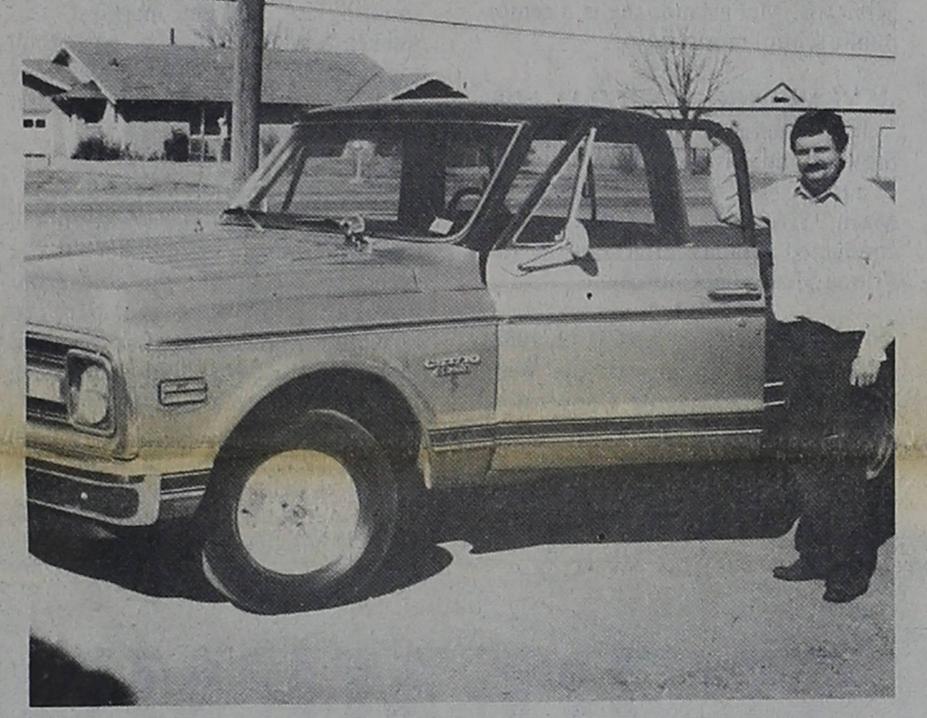

States on December 27, 1948.

The contest play cast will present the play in dress rehearsal at the high school auditorium at 6 p.m. on Friday, March 18.

No admission will be charged, and the public is invited to attend.

Members of the cast of "Madwoman" include Patti Hinton as Countess Aurelia; Stan Miller as President I and Press Agent III; Brent Hinkle as Broker, President II and Press Agent II; Scot Straw, Prospector I and Sewer Man.

Tory Taylor plays Pierre and Prospector II; Julie Wilshire plays the gypsy musician; Diane Johnston plays the flower girl; David Small plays the ragpicker; Lynn Stevens plays the part of Irma. " 'The Madwoman of Chaillot' offers a more or less practical solution to the problems of the world. To see how Countess Aurelia deals with the evil people of the world, come to the high school auditorium on March 18 for the dress rehearsal of this year's play," says Joy Morton, faculty coach for the annual event.

MADWOMEN....Sheri Dodson (Josephine), Cindy Drake (Constance), Sheila Gresham (Gabrielle) and Patti Hinton (Countess Aurelia) are shown in a pose from the FHS Contest Play, "Madwoman of Chaillot." The cast will give its dress rehearsal on Friday, March 18 at 6 p.m. at the Friona High School Auditorium.

AT AMARILLO DRAGWAY

Cash Sets Title Defense

Trivia question: Only one city, other than Amarillo, placed two drivers in the top 20 in last year's

A special introductory-to-dragracing cost of \$5 per car load will get fans into the spectator grand stands. September 19 when he won the heavydivision eliminator. Cash won the pro-division

APPARENTLY THE TIMING was right for the open house hosted by the Friona Independent School District on Thursday of this week. Parents and taxpayers (some of whom didn't even have children in school) flocked to the event at the three school divisions.

The inclusion of the Science Fair displays as a part of the open house activities was a great tie-in, and no doubt did much to bring the parents out to the open house.

The Science Fair was a tremendous success, and here's a tip of the hat to Friona High School science instructor Rick Tullis.

The displays were very impressive, especially on the high school level. Those attending the fair were enjoying the displays, even though many parents quickly admitted that the scientific level of many of the entries was much above their heads.

Suffice it to say that the youngsters of Friona schools (and no doubt their parents) went to a lot of work and effort on behalf of the 1983 Science Fair, and the results were much in evidence.

The parents attending Thursday night's open house seemed to be thoroughly enjoying themselves, so we would expect that the open house DEFENDING CHAMP....Dr. Gary Cash of Friona is the defending champion in the Amarillo Dragways points standings. Cash led a contingent of local racers at Amarillo last year, and will begin defense of his title at the season opening race on Sunday.

DECA Sets Exhibition Basketball

Members of the Friona faculty will meet the Amarillo Channel 10 TV team on Saturday, March 19 in an exhibition basketball game. The game will be held at the Friona High School gymnasium, beginning at 7:30 p.m.

Sponsoring the game is the Friona High School Distributive Education chapter (DECA). Proceeds will go to assist the local DECA program.

Advance tickets are on sale, with advance prices being \$2.50 for adults, \$2.00 for students and \$5 for family tickets. At the gate, tickets will be \$3.00, \$2.50 and \$7.00.

School To Keep Easter Schedule

Superintendent of Schools Tom Jarboe received word Friday that Friona schools will not have to make up days missed earlier this year due to snow.

Jarboe said this means that the school's Easter break, March 31-April 1, will remain as scheduled. final Amarillo Dragway points standing. Name It.

Answer: Friona, Texas. Dr. Gary Cash, who won the points title with 580 points, and 18-year-old Richie Herring, who finished 50 points behind Cash in fifth place, made Friona one of the most respected drag-racing towns in the Texas Panhandle last season.

Both Cash, who drove a 1970 Chevrolet pickup to the points title last year, and Herring, who drove a 1967 Chevrolet El Camino to glory, will be among the favorites to win the 1983 points title when the South Amarillo strip opens its season Sunday, March 13.

Pit gates will open at 8 a.m. Sunday and qualifying races will begin at 9 a.m. Final eliminations are scheduled to begin at 1 p.m.

Clean-Up Campaign Is Slated

The Friona Chamber of Commerce and Agriculture has scheduled its Spring Clean-up promotion for the week of April 10-17, it was announced this week.

Jerry Lewis, assisted by Karen Britting, is in charge of the clean-up campaign. Last year's admission into the spectator stands was \$5 per person. Pit passes for Sunday's races are \$9. Car and driver entry fee is \$24.

Cash, a veterinarian, had to win a run-off with Amarillo's Paul Stradley to earn his first Amarillo points title last season. Cash and Stradley finished with 570 points each and decided a tie was no way to end the season. They requested, and received, special permission to break the tie. Cash covered the quarter-mile track in 13.57 seconds (102.48 mph) for the title.

Herring, who will turn 19 on April 12, achieved his success in his first year of racing.

Herring's season highlight came

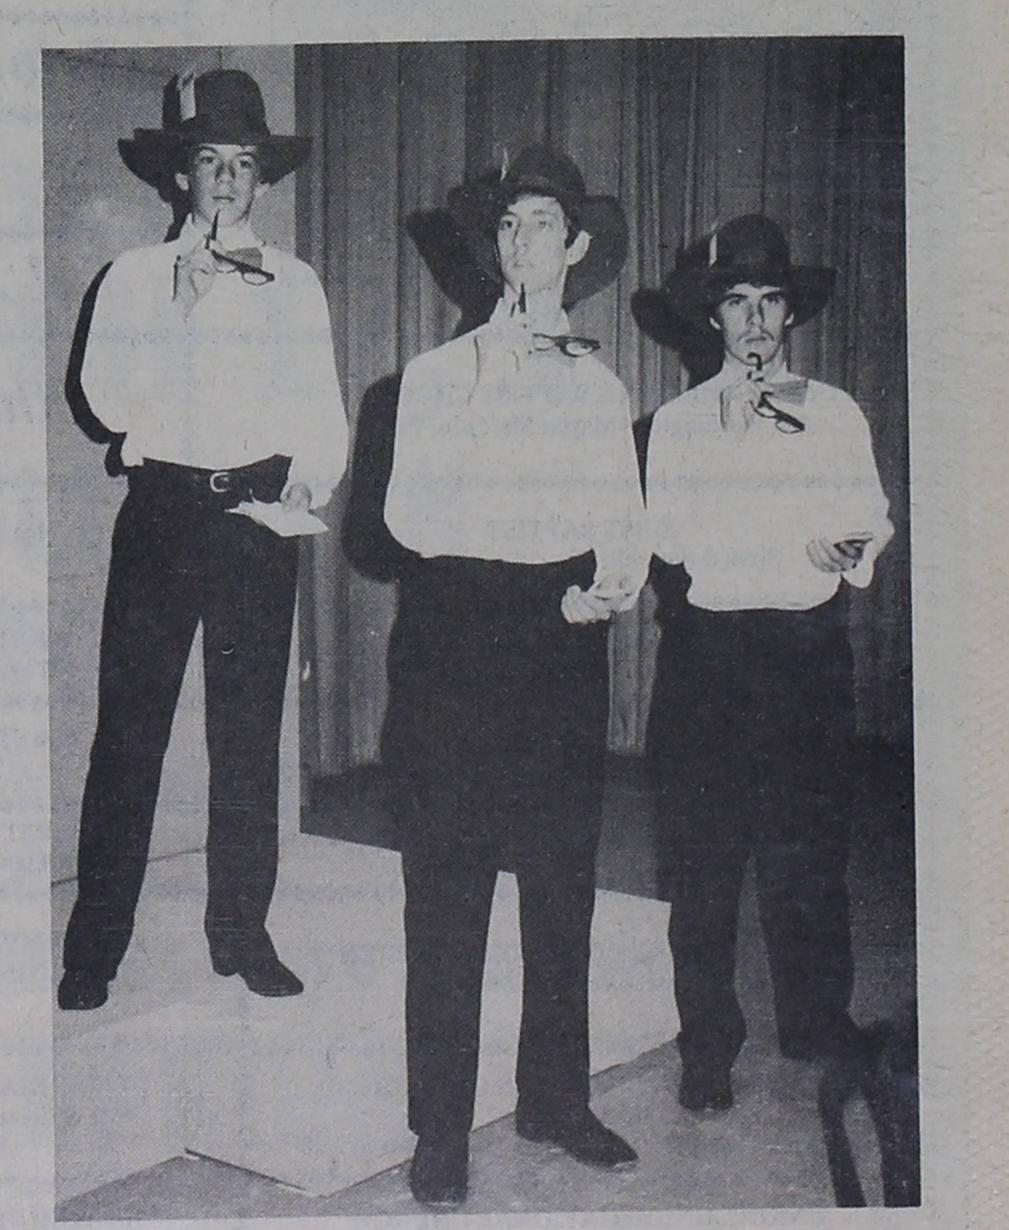

eliminator on June 6 last year.

Besides Cash and Herring, other Friona drivers expected to compete in Sunday's season opener are Mitchell Reeve, Bobby Fulks and Mike Ellis.

Final Call For Youth B.B. Members

Wednesday, March 16 is the final day to sign up to join a team in Friona's Youth Basketball program, which starts its regular season schedule Monday, March 14. Those interested in playing, either boys or girls, may call or come by

Friona City Hall.

idea may be worth repeating, if participation is any indication.

Laney Will Be Feted With Coffee

A "get acquainted" coffee has been scheduled for state representative James (Pete) Laney of Plainview at the County Courtroom in Farwell Friday, March 18 from 3-5 p.m.

The Parmer County Extension Service is sponsoring the event, and will provide refreshments.

Laney, who became Parmer County's state representative on January 1 this year after Bill Clayton did not seek re-election, will be the speaker for the Farwell Chamber of Commerce banquet the evening of March 18.

SCIENCE DISPLAY....Bill Loafman, left, and Benny Pryor are shown as they study one of the many top-level displays at Friona High School's Science Fair, held in conjunction with Texas Public Schools Week and the school's open house Thursday evening. Lewis said that the clean-up event would include a poster contest for the fourth through the eighth grades, with prizes and ribbons awarded, and a coloring contest for third grade students and younger, also with prizes.

Local merchants are expected to have special sales on clean-up, paint-up, fix-up supplies and materials. The city will provide special trash pickup from 8 a.m.-5 p.m. Monday through Saturday, and again on Sunday from 1-5 p.m. for limbs, trash and junk, Lewis says. Arrangements can also be made through the city hall for special trash pick-up.

Groups and organizations are being asked to join in the clean-up campaign. Cash prizes of \$50 and \$25 are being offered to the organizations collecting the most pounds of trash. More details will be announced in the near future on the clean-up campaign activities.

PRESS AGENTS...Bill Caudill, Brent Hinkle and Stan Miller play the parts of press agents in a scene from "Madwoman of Chaillot," which will be performed Friday, March 18 at 6 p.m.

PAGE 2, THE FRIONA STAR, SUNDAY, MARCH 13, 1983

Sr. Citizens Plan Meeting, March 15

The Friona Senior Citizens will have their regular monthly covered dish luncheon Tuesday, March 15, at the Friendship House, 15th and Washington.

The doors will open at 10 a.m. and some members enjoy playing games before the luncheon.

The Beltone representative will be present in the morning to test hearing, service equipment and check hearing aids. Mrs. Mary Johnston, R.N., will be there starting at 10:30 a.m. to check blood pressure for anyone interested.

The covered dish luncheon will be served at noon, and will be followed with the program.

Girl Born

Allo Reeve will present the program and will play musical selections on an organ. Games will be played following the program.

At the last luncheon, February 15, five board members were elected to serve. They are Selma Habbinga, Mary Harper, Alice Hough, Athelea Neel, and Otis Neel.

The board members met Tuesday, March 8, and the following officers were elected: Athelea Neel, president, Glenn Reeve, Sr., vice president, Mabian Rhodes, secretary, and Alice Hough, treasurer.

All senior citizens are invited to bring a covered dish and come to the Friendship House for any or all of the planned activities.

ge r. Sedeno and four other field representatives will be going out to every county in Texas to establish contact with veterans groups and their representatives. The object of the statewide drive is to acquaint Texas veterans with the benefits of the land loan program and assist them with problems and questions concerning the loan process.

"For all the success this program has had in the past, it has to be upgraded and updated to meet the I'm concerned about each and every veteran in this state, especially Vietnam veterans, and I'm concerned about prompt service. This program is going to run like a business and it will be manned by trained professionals both in the central office and out in the field," said Mauro.

Authorized by the people of Texas in 1946, nearly 80,000 veterans have participated in the Veterans Land Program. The loan program operates at no cost to the taxpayer and actually returns money from proceeds. Long term, low interest loans of up to \$20,000 can be obtained for a minimum of 10 acres.

Lorenzo M. Sedeno is a native Texan from San Angelo who now lives in Lubbock. For three years he was administrative aide to Congressman Kent Hance. In that position he was in charge of Veterans affairs and social programs among his many other responsibilities. Prior to that he was self-employed as a life underwriter for 14 years.

He has been a member of the Lubbock Human Relations Commission, the Legal Aid Society, the Community Service Commission, the Bilingual and Biculture Committee on Mass Communications and several other organizations. Sedeno has held many community service offices, including President of the Pastorial Council of the Diocese of Amarillo, President of Bozeman Elementary School P.T.A. and Vice President of Project Upward Bound.

"I am happy to have a person of Lorenzo's experience representing the Veterans Land Program. His familiarity with veterans needs as well as his background in government and community affairs will make him a great asset to the program,"

Honor Roll Is Given

Cecil Maddox, Friona Junior High School principal released the honor roll for the fourth six weeks period this week with the following students listed.

current needs of our Texas veterans.

Land Bank Loan Rate

Decreases

The Federal Land Bank of Texas announces a decrease in Bank closed loan fees to two per cent on farm loans and four per cent on rural residence and farm-related business loans, effective immediately.

"The loan fee reduction was made possible by the recent decrease in our cost of funds," said Thomas H. Benson, Land Bank president.

This reduction follows the January 1, 1983 variable interest rate reduction to 11.25 per cent (from 11.50 per cent) on farm loans, and to 11.75 per cent (from 12.00 per cent) on rural residence and farm-related business loans. Bank closed loan fees had been four per cent on farm loans and seven per cent on rural residence and farm-related loans.

The Federal Land Bank of Texas makes long-term real estate loans throughout the state through its 55 Federal Land Bank Associations. The Bank has \$2.4 billion in loans outstanding.

8-Year-Old Critical From Cycle Wreck

D'Ann Pierson, eight-year-old daughter of Mr. and Mrs. Steve Pierson of Oklahoma Lane and Kelly Foster, eight-year-old daughter of Mr. and Mrs. Gary Foster, also of Oklahoma Lane, were involved in an accident Sunday on the Pierson farm.

D'Ann was critically injured. The two young girls were riding a threewheel cycle when the cycle turned over and D'Ann was pinned beneath. She suffered multiple head injuries and Kelly was uninjured.

D'Ann was rushed to the High Plains Medical Center in Lubbock where she underwent surgery Tuesday of this week.

D'Ann is the granddaughter of Mr. and Mrs. D.W. Pierson of Oklahoma Lane. commented Commissioner Mauro.

WTRTC Sets Meeting On March 15

The annual meeting of the membership of the West Texas Rural Telephone Cooperative will be held Thursday, March 17, at the Bull Barn in Hereford.

The meeting will feature a free supper, with registration and dinner to begin at 7 p.m. A business session will follow, beginning at 8 p.m.

Three directors are to be elected to the cooperative's board of directors during the business session. Directors will be elected to represent the Tharp, Milo Center and Westway exchanges.

Candidates are: Tharp, Jimmie Cockerham and Keith Garner; Milo Center, Carl Strafuss and Jess Robinson; and Westway, Ernest Brown and Henry Batenhorst.

A number of door prizes will be awarded during the meeting, from the registration list.

All members and customers of West Texas Rural Telephone Cooperative are urged to attend the meeting, states Billy Mayfield, 'secretary of the board of directors.

For the first time ever, COUNTER® 15-G soil insecticide-nematicide is available to sorghum growers. No other insecticide can provide longer-lasting, more effective greenbug control.

When applied knifed-in at bedding or planting, COUNTER provides full-season greenbug control with no crop injury. That means a full 120-days or more of greenbug control. And that means better yield potential.

COUNTER provides systemic control of greenbugs with no feeding restrictions. And you can rotate to any crop the following season.

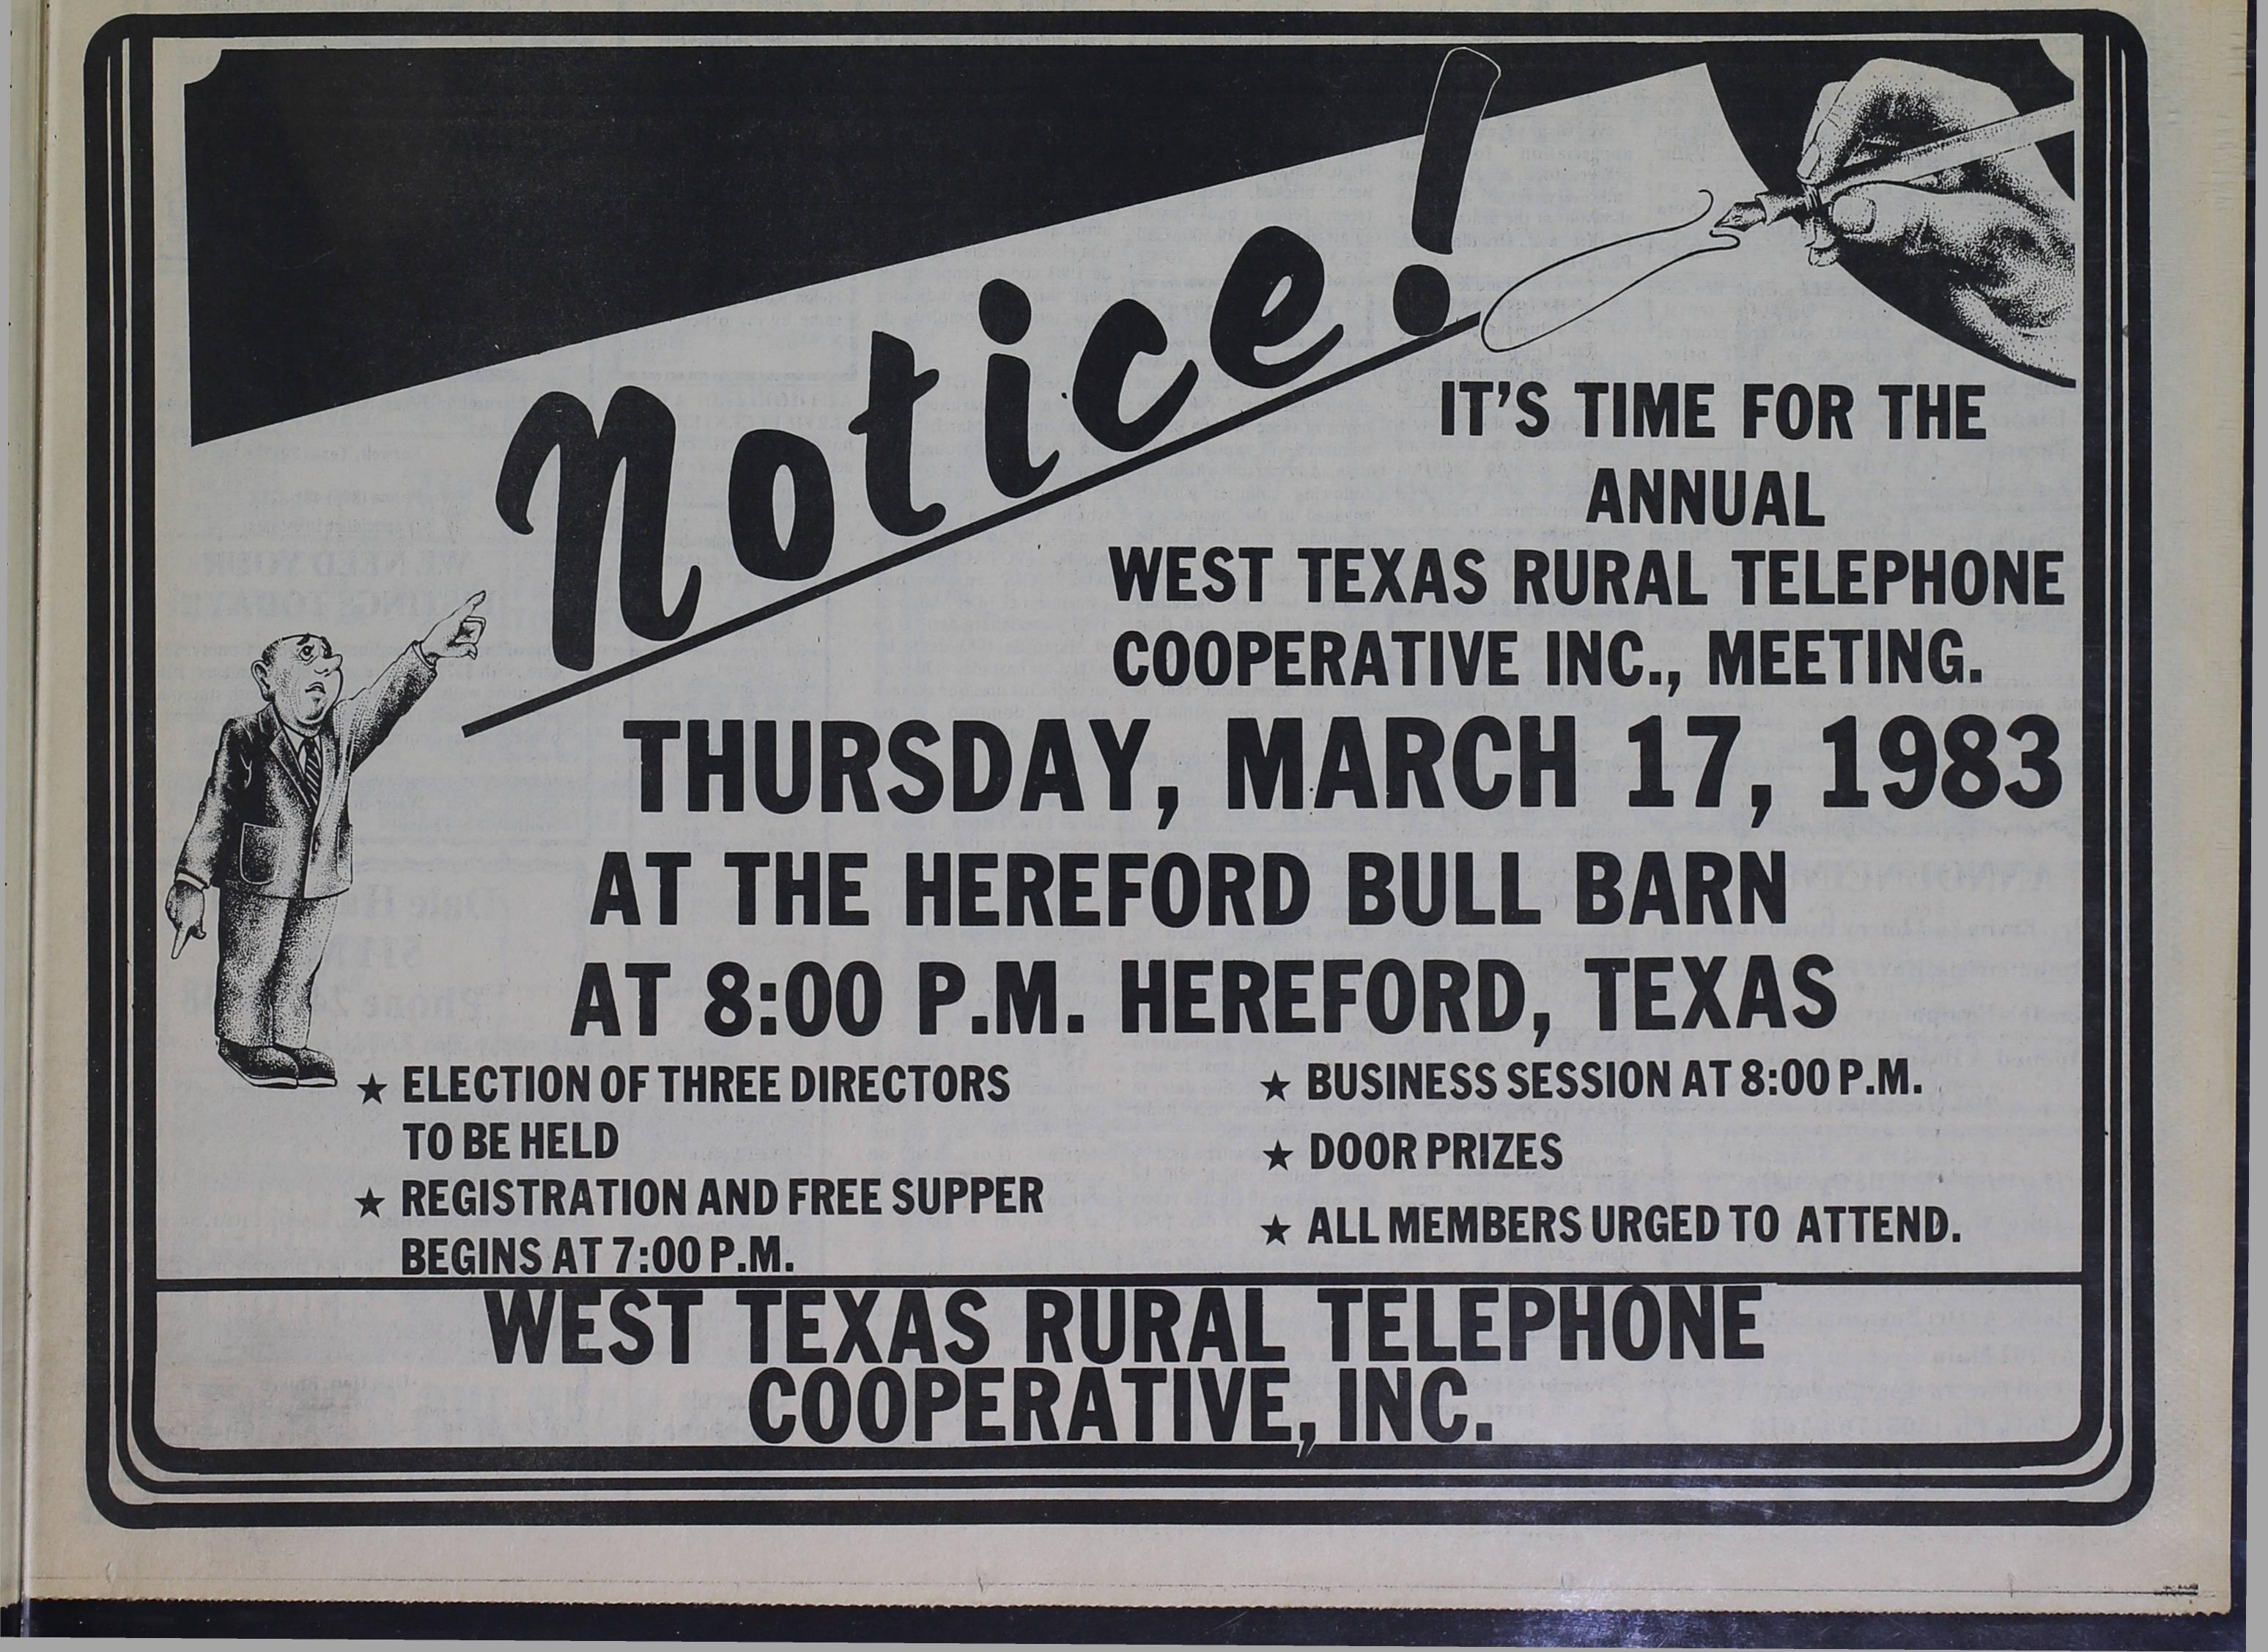

So for the most effective greenbug control you can buy, get COUNTER. You can depend on it this year, next year and every year. Always follow label directions carefully.

COUNTER 15-G

Reserve Force Donates Time And Energy

The Friona Reserve Police Officers are a group of men who donate their time to help with local law enforcement.

City ordinance No. 576 establishes the Reserve Officers, and gives them power. Each member of the force is properly schooled and trained, having graduated with 78 hours of classroom training from the Panhandle Regional Law Enforcement Academy.

The academy provides training in (1) Texas Criminal Law; (2) Texas Motor Vehicle Law; (3) ways and means; (4) first aid; (5) firearms training and qualifying; (6) Doppler radar training and certifying.

The city pays for the school enrollment, but the reserve officers pay their own transportation and time invested. Having completed the course, each reserve officer is issued a permanent license as a Law Enforcement Officer by the Texas Commission on Law Enforcement Officer Standards and Education. He carries a badge identifying himself and his department, also paid by the officer. The reserve officer is regimented within and is under strict control of the regular police department. He stays current by donating his time on regular duty two times each month; by attending reserve meetings once monthly and by requalifying in firearms every six months. In the calendar year 1982, the officers donated reserve approximately 1200 professional man hours. Current members of the reserve officer force are John Taylor (captain); John Miller (lieutenant); Jimmy Taylor (sergeant); John Blackwell, Donnie Campbell, Roger Fields, Ira Parr, Beaman McDonald and Steve Jones (who has just been hired by the city as a regular police officer). "Please support your regular and reserve police officers. They put their life on the line for you," stated a spokesman for the groups.

A large heavy skillet or a wok--a round-bottomed, high sided metal pan--can be used to produce crisp, crunchy vegetables and distinct flavors that typify this technique.

GUIDELINES FOR SELECTING PORK

Pork--fresh or in cured forms--has been a favorite in foods. Chinese dishes. When selecting pork for all types of cookery, use appearance as your guide to quality. Oil for deep fat fryer...as Choose fresh or cured pork needed.

CONVENIENCE STORES

SUPER BUYS FOR YOU!

Cook until thickened, stirring as needed. Add bean sprouts and heat to serving temperature. Serve over chow mein noodles.

Calories per serving: About 220 (not including noodles).

Note: If preferred, start with 11/2 pounds lean raw pork cut into julienne strips.

Brown the meat in the fat. Add 1/2 cup water and simmer, covered, until the meat is almost tender, about 45 minutes.

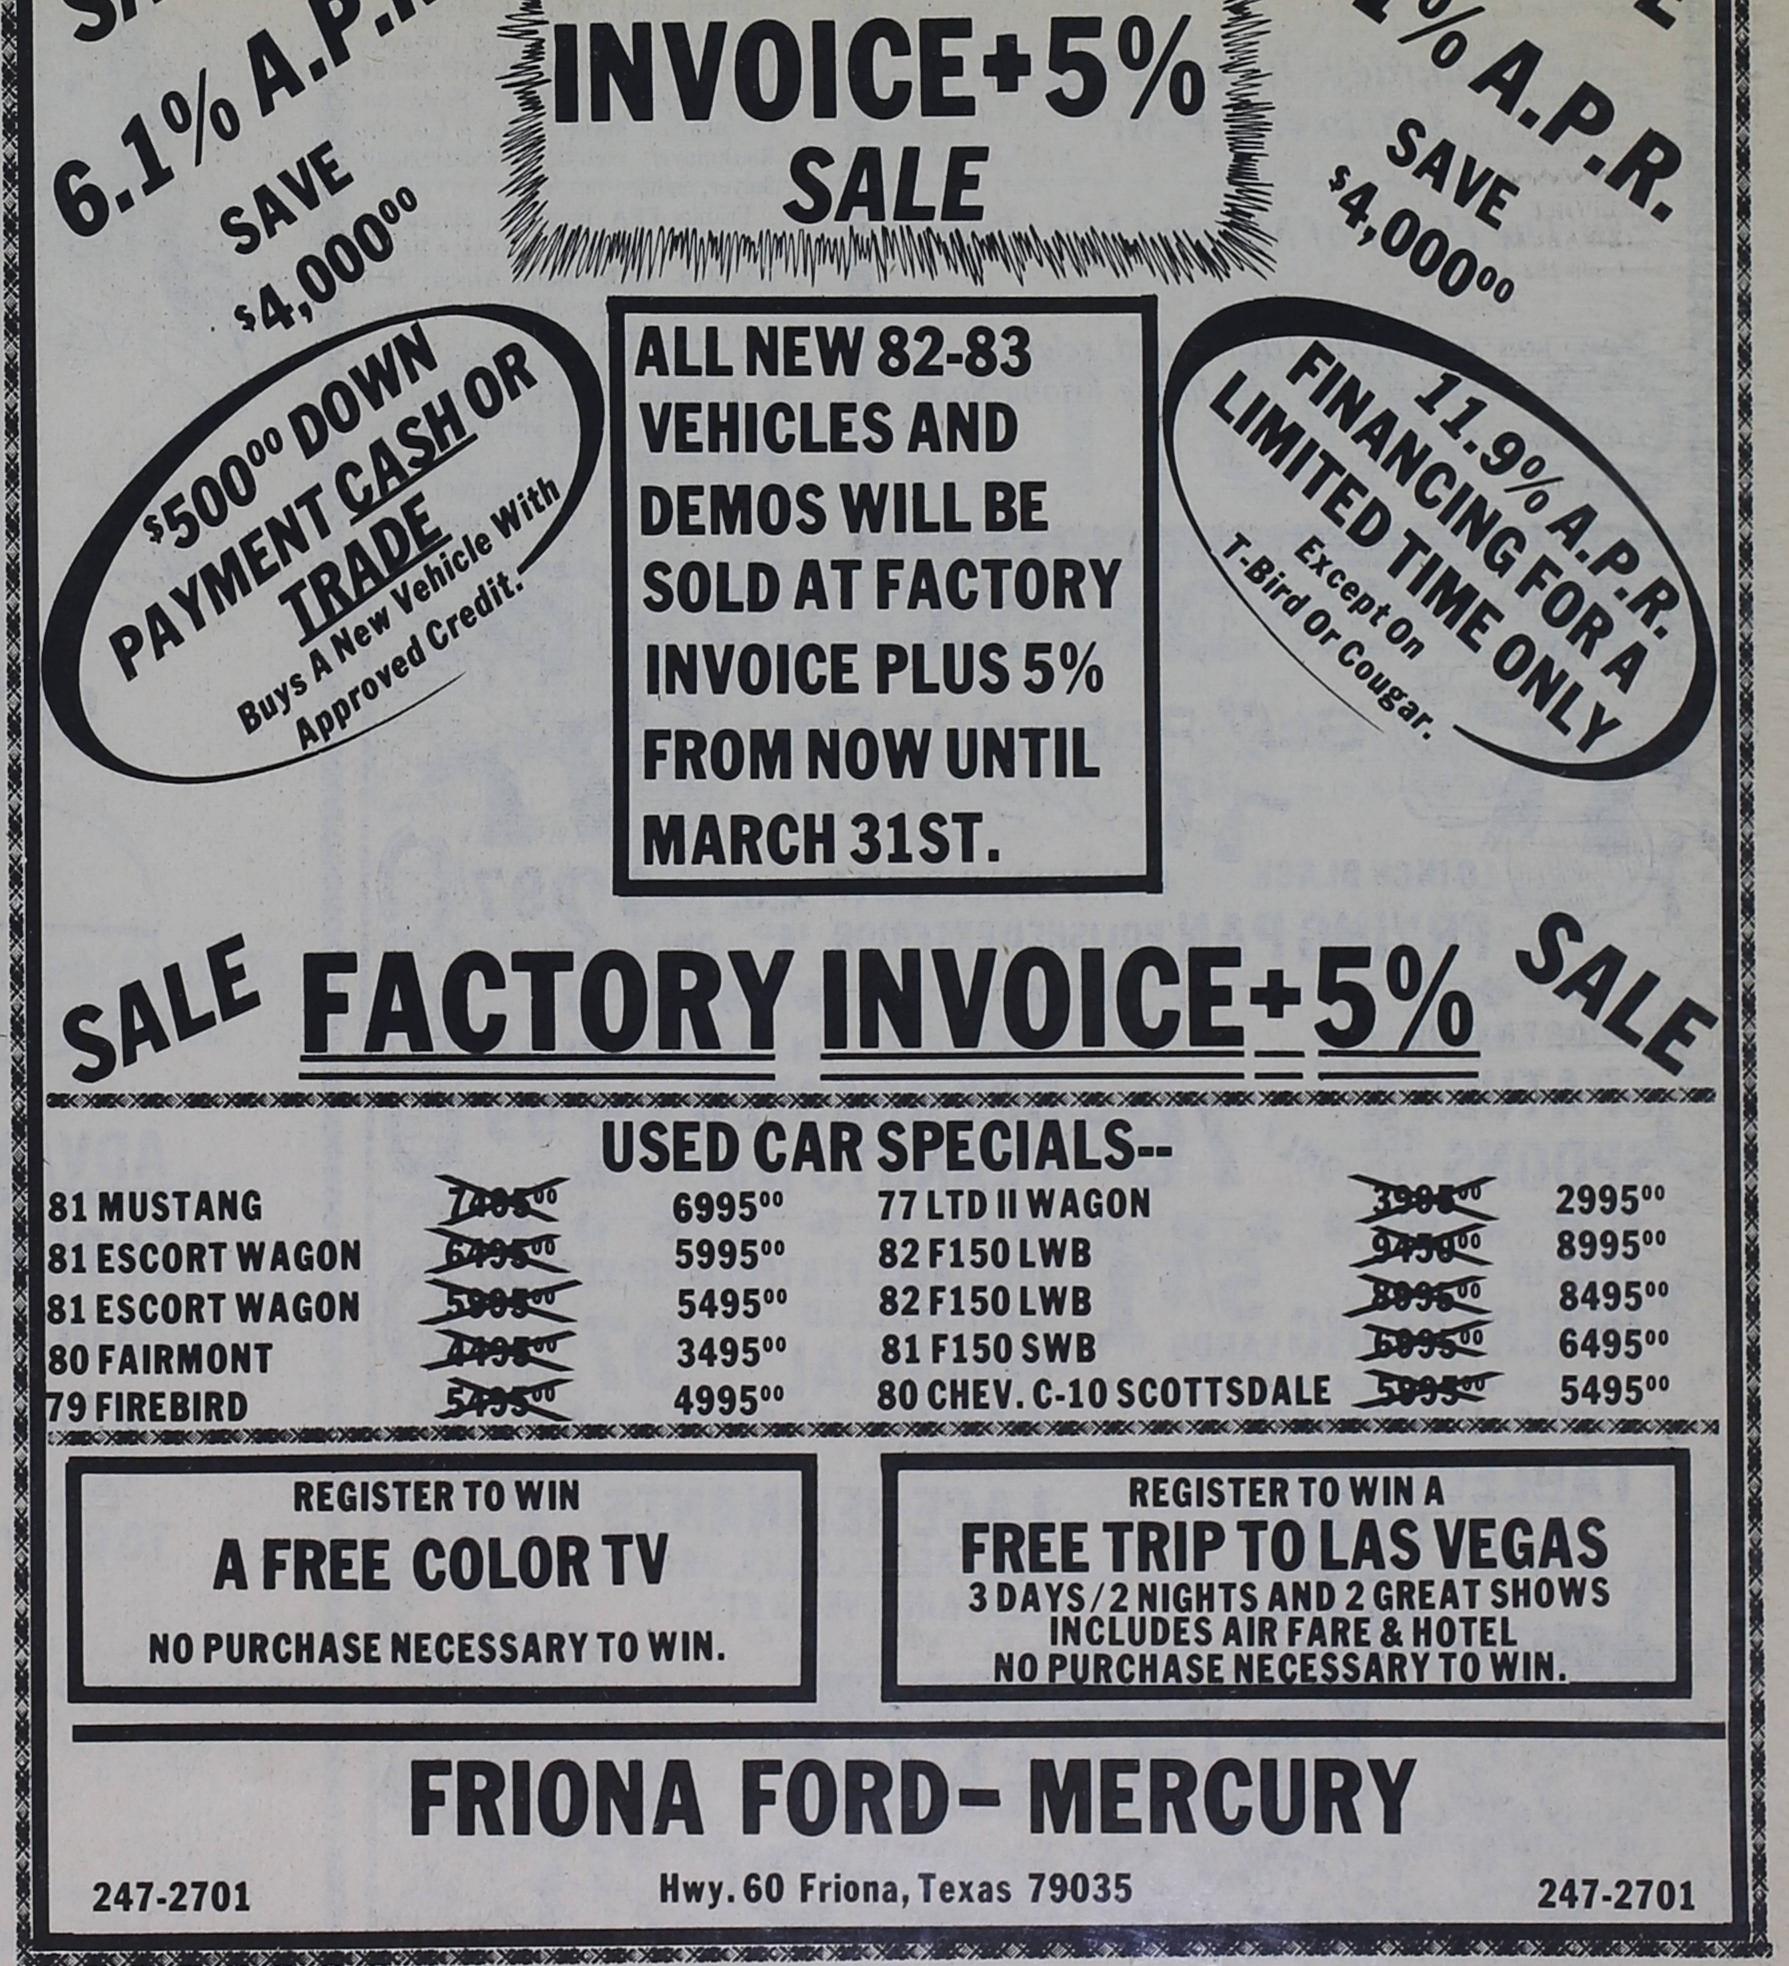

Add celery and onion and cook until the vegetables are tender. Add cornstarchliquid mixture and continue as directed in recipe. Menu suggestion: Serve with parsley buttered potatoes and a spinach salad.

"One man's fault is another man's lesson." H. G. Bohn

LIKE THIS....Robert Neelley and Hank Outland are shown as they examine one of the Science Fair displays at Friona Elementary School, during the school's open house Thursday evening. A good turnout of parents were on hand for the activities.

Friona Hosting Track Meet Sat.

Eighteen girls teams and 17 boys teams will be on hand for the 1983 Friona Invitational Track and Field meet Saturday in Friona.

The day's activities get underway with field events at 9 a.m. and 10:30 a.m. Running events preliminaries begin at 10 a.m., and finals in the running events start at 2:15 p.m. The last event of the day is slated for 6:40 p.m.

"This is probably the largest field we've ever had for our local meet," said Steve Williams, co-director of the meet. Friona decided to move its local meet to an earlier slot this season, and caught a weekend when

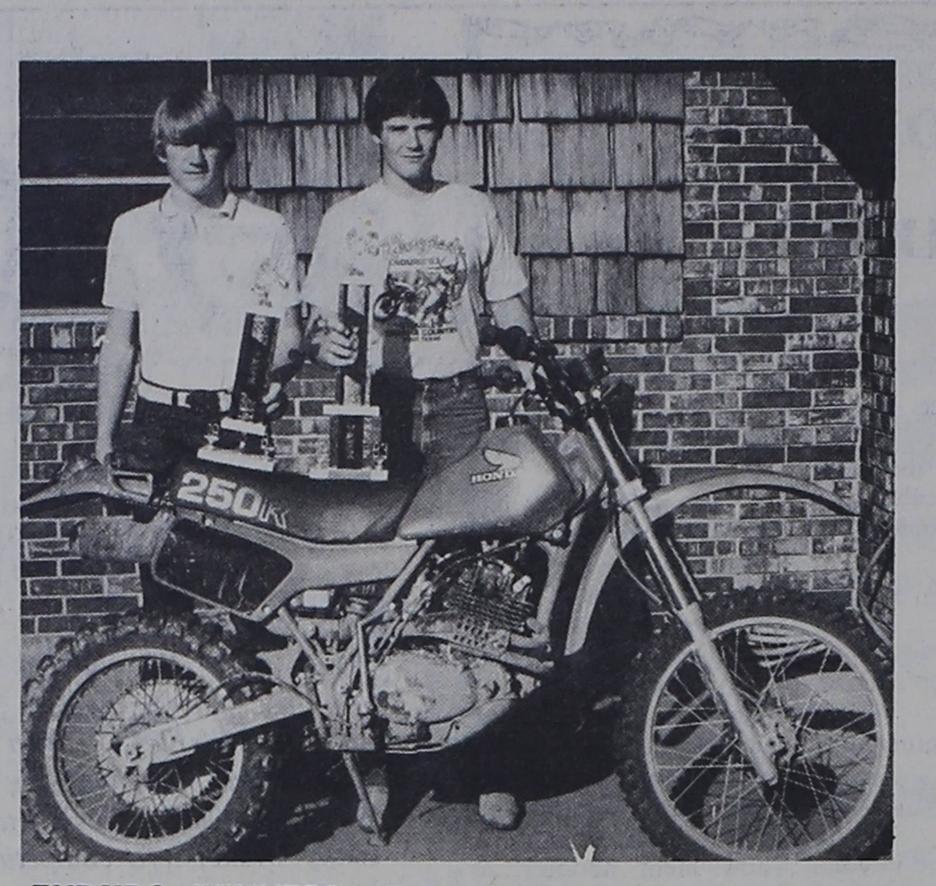

FHS Cagers All-District

there were only a few meets scheduled.

Girls and boys teams are entered from Bovina, Hale Center, Happy, Hart, Kress, Lubbock Christian, Lubbock Cooper, Morton, New Deal, Olton, Springlake-Earth, Vega and the host Chieftains and Squaws. Girls teams only will be coming from Brownfield, Denver City, Littlefield, Petersburg and Plains. Boys teams only are entered from Dimmitt, Farwell, Friona JV and Lazbuddie.

Here is the meet schedule: (Field events) 9 a.m.: boys pole vault, discus and long jump; girls shot put, high jump and triple jump; 10:30 a.m.: girls discus and long jump; boys shot put and high jump.

Running events, prelims: 10 a.m.: girls 400 relay; 10:15 a.m.: boys 400

ENDURO WINNERS.... Toby Smith, right, and Kip Frye, placed first and fifth at the Renegade Enduro at Post last weekend. Each was driving a Honda 250, similar to Smith's. The boys are holding their trophies.

Cotton Producers To Elect Director Wed.

Parmer County cotton producers and agribusinessmen will elect a Producer Director to Plains Cotton Growers, Inc. at an 8 a.m. breakfast meeting on Tuesday, March 15 in the Bovina Restaurant, Bovina.

Announcement of the election

Steinhilper Promoted By SPS

James D. Steinhilper has been promoted to manager of financial services for Southwestern Public Service Company, announced Bill Helton, financial vice president.

Steinhilper, of 3308 Gramercy, Amarillo, in his new position will work directly with representatives of the area, regional, and national banking institutions from which SPS borrows. Additionally, he will help prepare the Company's financial publications, set policies for day-today financial operations of Southwestern Public Service, and guide the Company's long-range financing. comes from Bert Williams of Farwell, current Parmer County Producer Director to the 25-county cotton organization, and Donald Christian, also of Farwell, Businessman Director.

Each of the counties in PCG territory has two directors, one a businessman and the other a cotton producer. They are elected on alternate years for two-year terms. Each is eligible for re-election every second year.

All producers and businessmen are invited to the meeting. However, under PCG By-Laws, only current dues-paying members of PCG will be eligible to be elected a director or to vote in the election. This provision of the by-laws will be fully explained at the meeting.

A PCG staff member will conduct the election, review and answer questions about current farm programs and about recent and planned PCG activities.

Sherry O'Brian and Michael Chaney were members of the Friona Squaws and Chieftain basketball teams selected to the all-district teams, which were announced this weekend.

Miss O'Brian was named to the ten-member all-district team. Two other Squaws, Cara Brockman and Diane Johnston, were named honorable mention.

Chaney was selected to the boys' select team, with Scot Straw and Joey Howard named honorable mention.

Other members of the boys' team were Kevin Cleveland, Jeff Watts, John Smith and John King, all of Dimmitt; Ed Teal, Sammy Galloway and Cleatus Irlbeck, of Abernathy, John Isaac, Muleshoe; and Pat Demel, Littlefield.

Other members of the girls' select team were not readily available at press time. relay; 10:30 a.m.: girls 100 low hurdles; 10:50 a.m.: boys 110 high hurdles; 11:10 a.m.: girls 800 relay; 11:30 a.m.: boys 100 dash; 11:45 a.m.: girls 100 dash.

12 noon: boys 400 dash; 12:30 p.m.: girls 400 dash; 1 p.m.: boys 200 dash; 1:25 p.m.: girls 200 dash; 1:50 p.m.: boys 300 intermediate hurdles.

Finals, running events: 2:15 p.m., girls 3200 run; 2:25 p.m. boys 3200 run; 4 p.m., girls 400 relay; 4:05 p.m., boys 400 relay; 4:10 p.m., girls 800 run; 4:25 p.m., boys 800 run; 4:40 p.m., girls 100 low hurdles; 4:45 p.m., boys 110 high hurdles; 4:50 p.m., girls 100 dash; 4:55 p.m., 100 dash.

5 p.m., girls 800 relay; 5:10, boys 400 dash; 5:15 p.m., girls 400 dash; 5:20 p.m., boys 300 intermediate hurdles; 5:30 p.m., girls 200 dash; 5:35 p.m., boys 200 dash; 5:45 p.m., girls 1600 run; 5:55 p.m., boys 1600 run; 6:10 p.m., girls 1600 relay; 6:40 p.m., boys 1600 relay.

Toby Smith Winner

Two Friona youngsters, Toby Smith and Kip Frye, participated in the "Renegade Enduro" last Sunday at Post, with Toby winning the firstplace trophy in the 16-and-under division of the race.

City Youths Place High At Houston

Friona FFA and 4-H Club members had a successful trip to the Houston Livestock Show and Rodeo last week.

The top placing was by Kassie Weatherly with her lightweight barrow which won the Reserve Breed Champion honors in the Yorkshire division.

Terri Loafman had the second place barrow in the same class. Both are members of Friona 4-H. Steinhilper joined SPS in May 1977 as a rate analyst. He was promoted to senior rate analyst in 1979, then to manager of economic research in June 1982. He assumed his new duties on March 1.

Steinhilper is a chartered financial analyst.

Steinhilper is a native of Elmira, New York. He earned a bachelor of arts degree in psychology in 1971 from Syracuse University, and a master of business administration in 1977 from West Texas State University.

He and his wife Diantha have two children, Marissa Alanna and James Egan.

Southwestern Public Service primarily provides electrical service to a population of more than one million in a 70,000-square-mile area in the Panhandle and south plains of Texas, eastern and southeastern New Mexico, the Oklahoma Panhandle, and southwestern Kansas.

Friona State Bank Named As **Official County Depository**

Naming the county's official bank depository for the next two years was a main item of business at the regular meeting of the Parmer County Commissioners Monday, February 28.

The commission had received bids from the three banks in Parmer County, First State Bank of Bovina, Friona State Bank of Friona and Security State Bank of Farwell.

After a thorough discussion of the bids, which included a call to the office of the State Treasurer to check a provision on one of the bids, a motion was passed unanimously to award the bid to Friona State Bank, for the next two years.

In reply to a request from citizens who had inquired about the possibility of acquiring furniture from the courthouse, the court's concensus was that the county had no excess furniture, and that it would sell none.

THE FRIONA STAR, SUNDAY, MARCH 13, 1983, PAGE 7

An easement was granted to Five Area Telephone Cooperative for laying underground telephone lines in Precinct 4 (the Lazbuddie precinct).

Payment was approved for replacement of two heaters in the courthouse, in the amount of \$1,833.20. Payment of a visiting court reporter's fees, amounting to \$60.26, was approved.

Approval of three bills for work done in clearing the right-of-way for proposed Farm Road 3333 were approved. The bills were in the amounts of \$222.30; \$3,736.41 and \$3,300.

The court discussed at length the expenses of the Juvenile Probation Officer, who is shared with Bailey County. By majority vote, the court voted to split the expenses of the officer with Bailey County, in the amount of \$363.96 for each county over the past five months.

Approval of attorney's fees to Richard Collard was approved for Collard representing two juveniles in adjudecation hearings.

A contract was renewed with Perdue, Brandon, Blair and Feilder for the collection of delinquent taxes.

Approval was given for soil conservation work on the farm of Luis H. Robles, whenever county machinery is available and not in demand otherwise. The county is reimbursed for this type work.

and distributed several papers with suggestions for family history research, knowing more about your ancestors, a family group chart and an ancestor chart.

Using display charts, she explained how you trace relatives, and how to use county records and state records and told of her journeys to various parts of the country to trace the Ellis family line.

Carol wore an apron she had created to wear in Salt Lake City, Utah, while doing research in the LDS files. The apron featured four front pockets to hold change to use in coin-operated copying machines, and larger pockets for pencils and tablets. On the back of the apron, she had embroidered family lines she was searching for and appliqued them onto a family tree.

Refreshments of punch and cake were served from a table covered with an antique quilt owned by Anne Spring. A chrysanthemum decorated one end of the table in front of which were two Kenneth Wyatt bronzes titled "Mama and the Wash," and "Bathsheba."

A business meeting followed in which the finance chairman, Nedra Cash, announced that the date for the annual Spring Fling would be April 9. She distributed typed committee appointments and the meeting adjourned.

The Federal Intermediate Credit Bank of Texas, which last year provided \$2.5 billion in loan funds to PCAs and Other Financing Institutions (OFIs) in the state, will hold its annual meeting in conjunction with the national celebration. This year's featured speaker will be Marvin R. Duncan, vice president and economist with the Federal Reserve Bank of Kansas City. As a gift to American agriculture, PCAs of the nation have contracted the Battelle Memorial Institute in Columbus, Ohio, to conduct a study on the future of agriculture. Battelle is an internationally acclaimed, nonprofit research firm and is one of the largest privately funded research institutes in the world.

A book and film based on the results of the study will be presented at the meeting.

Plainview PCA is one of 30 PCAs in Texas. Collectively they serve more than 16,000 agricultural producers and aquatic harvesters. Last year more than \$2 billion was loaned through Texas PCAs.

PCAs have been a source of agricultural loans since 1933. Nationally they serve the credit needs of more than 380,000 farmers, ranchers and commercial fishermen, with more than \$22 billion in loans outstanding.

New Billing For Some

General Telephone announced today a change in telephone billing dates for customers in Friona. This change is being initiated to more efficiently handle customer service in Friona, according to the company.

The date that some customers in Friona normally receive their telephone bill was changed as of February, 1983. The date shown on customers' monthly statements will reflect the new billing date. Future telephone bills from General Telephone will be issued on the new date each month.

"Depending upon your current billing date, your new statement will reflect a short or long bill. A fractional charge or credit will be applied to adjust your account to the new billing date as shown on your statement," said a spokesman for the company.

A General Telephone official stated that this move was being taken to expedite customer service in their local service offices.

If you have questions concerning the billing change please contact your local telephone business office.

TEPARTMENT OF AGRICULTURE

SOIL CONSERVATION SERVICE

Annual Moisture Survey Is Taken

appreciably affect the moisture penetration because the snow melt was slow enough to allow infiltration

Even though this year's soil moisture deficits are similar to last years, conditions are better now because 65 to 70 per cent of the moisture is in the top three feet of the profile where the plants need it. Most of the deficit is in the fourth and fifth

growing season should be good. However, once the plant uses the upper level moisture, there is currently no reserve deep soil moisture to carry it through an

published as a tool to give producers a better picture of soil moisture

reserves over the entire area. It can help them make more informed irrigation decisions and help avoid both over and under irrigating in the spring. It can also give an indication of potential production.

The map's soil moisture deficit readings are a measure of how much water is still needed to wet the soil in the crop root zone to field capacity. The sample indicates general trends over the area, but does not predict exact soil moisture conditions on any given farm. Each landowner needs to check his individual farm soil moisture to determine its water needs.

The survey is a cooperative effort by the Soil Conservation Service and the High Plains Water District with support from the Texas Department of Water Resources.

In evaluating your present soil moisture conditions and estimating how much water your crops will need during the growing season, the probability of rain becomes very

The following is a monthly precipitation probability index for the City of Muleshoe. These derived figures are provided by the Texas Department of Water Resources and are based on 51 years of National Weather Service precipitation data from 1930 to 1980.

The specific data in the table indicates the per cent of time when the corresponding precipitation quantity or larger quantities can be expected to occur during the month indicated. However, these figures were derived without the benefit of information about precipitation during the month prior to that for which the estimate is made. These probabilities may be improved if prior month data were included in the calculations. For example, if Muleshoe recorded a three inch rainfall for July then it is likely that the probability of August recording two inches or more may be better than the indicated per cent due to the

important.

persistance of weather regimes.

RAINFALL PROBABILITY INDEX for MULESHOE, TEXAS

Friday Rites Slated For Mrs. M. Robbins

Graveside services for Minta Ellen Robbins, 87, a resident of Prairie Acres Nursing Home, were to be held at 2:30 p.m. Friday, March 11, at Wichita Falls.

Burial was in the Crestview Memorial Park Cemetery, under the

EMC Course Slated Here

Rhea Community Center and Aid Association for Lutherans will be sponsoring an EMC (Emergency Care Attendant) course.

The course will be held on Monday evenings from 7-10 p.m. during the months of March, April and May. The cost will be approximately \$20, direction of Ellis-Blackwell Funeral Home.

Officiating at the graveside rites was James A. Bearden, Jr., of the 10th and Broadstreet Church of Christ in Wichita Falls.

Mrs. Robbins was born December 27, 1895 in Vernon. She married Clifford Curtis Robbins on July 4, 1921, in Lubbock. She had been a resident of Prairie Acres Nursing Home since 1977, moving here from Amarillo.

Survivors include one son, F.E. Tucker of Mesa, Arizona; one sister, Mrs. Brack Hacker of Pomona, California; three brothers, Aldon Hand of Clovis, N.M.; Howard Hand of Austin; and Milton Hand of Norfolk, Virginia. Three grandchildren and four greatgrandchildren also survive. She was preceded in death by her husband, Clifford, and one son, Jack B. Robbins.

"White Cane Day"

By B.K. Buske

What on earth is "White Cane Day?" Every March millions of Lions join together for a project called "White Cane Day."

Frionans

Make Tech

Dean's List

More than 2,100 students at Texas Tech University qualified for dean's honor rolls in six colleges during the 1982 fall semester.

To qualify for a dean's honor roll, a student must have a grade point average of 3.5 or more on a 4.0 scale and must have taken at least 12 semester hours of work. The purpose of this project is threefold: (1) to distribute White Canes in return for contributions for the sight impaired. (2) to accept old eyeglasses to be used in areas where people cannot afford them and (3) to promote the eye donor card enrollment program, and the Lions Club H-Plains Eye Bank.

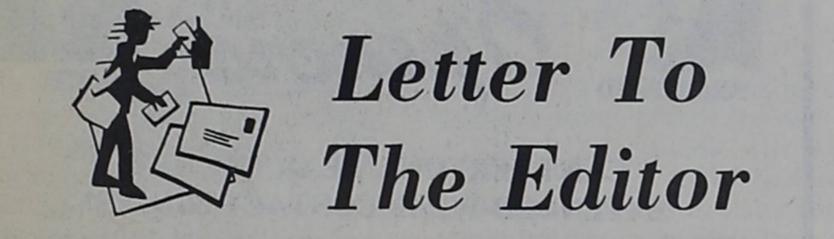

Lion's

Tale

Local Lions from the Noon and the Evening Clubs will be asking for your support in a community effort this coming Saturday, March 19. Lions will be at D.L.'s Thriftway from 9 a.m. until 4 p.m. to accept your old eyeglasses and/or donation, as well as furnish information about the eye donor program and the Hi-Plains Eye Bank in Amarillo.

Several deceased Lions Club members from Friona have given their eyes so they may help those with eye problems of various kinds. This is the gift that keeps on giving.

A TOAST....The "prospectors" are shown drinking a toast in a scene from "Madwoman of Chaillot," Friona High School's Contest Play for 1983. From the left are Ricky Barnett, Tory Taylor and Scot Straw. The play will be presented at 6 p.m. next Friday, March 18.

Just wanted you to know how much we enjoy receiving the Friona Star. It is good to have home town news when you are so far away. We are enjoying Malawi and the warm sunshine, but we do miss good old West Texas, even with the snow.

I also thank you and others who have made it possible for it to be air mailed to us. I realize the expense is a bit much, but we do enjoy it three weeks late rather than six months late. We also enjoy all the news and even the advertisements. We get very little news from America. got to see most bowl games on video tapes brought by visitors from the States.

We do have movies which are sometimes a bit old, but others are current (if you can call one to two years old current).

I remind you to be thankful for the freedom you have to express yourself in print. That certainly is not true in every place and we have discovered what a great difference that makes. Ignorance is not always bliss when you are aware of problems in countries all around you.

We do enjoy a political stability that is rare in our part of the world including your book.

The first class is scheduled to begin March 14 at the Rhea Community Center. Anyone interested should call 295-3625 or 295-3855.

Mrs. Robbins was a member of the Church of Christ.

County Trio Attends SWCD Meet Feb. 23

The Panhandle Association of Soil and Water Conservation Districts held their bi-annual meeting at Shamrock February 23. M.C. Osborn, chairman and Troy Christian, member of the Parmer County Soil and Water Conservation District and Duval Burton, District Conservationist with the SCS, attended the meeting.

Twenty-five districts make up the Panhandle Association of Districts. Twenty-two districts were representated at the Shamrock meeting.

Speakers on the agenda at the meeting were Billy Griffin, State Conservationist, SCS; Thomas Rockenbaugh, Assistant Chief, SCS, Washington, D.C.; Pat Smith, Texas Farm Bureau; Harvey Davis, Executive Director, Texas State Soil and Water Conservation Board; Frank Gray, member, Texas State Soil and Water Conservation Board; W.Q. Richards, secretary-treasurer, Panhandle Association.

John Frantz, II is president of the Association. Current activities such, as targeted funds, the wetlands issue, and farm union laborization were discussed by members. The election of officers was held at this meeting. Robert Jacobson of Adrian was elected president and John Herring of Tulia was elected vice chairman.

A lunch was provided courtesy of the local banks of Shamrock, Wheeler, and Mobeetie; Production Credit Association of Wheeler; and Security Federal Savings and Loan of Wheeler.

The next scheduled meeting will be held in August at Vega.

Students making the dean's list included from Friona: Chris Barnett, Kyle Barnett, Dean Church, David Fleming, Cari Hand, Veronica Lafuente, Renae Monroe, Jay Norsworthy, Michel Schueler, Kimberly Frye Smiley, and Mark Zachary. Each year the Hi-Plains Lions Eye Bank furnishes eyes to transplant across the nations as well as right here at home. The old eye glasses are generally taken to countries where people cannot afford them. Please come by D.L.'s Thriftway next Saturday and get your White Cane.

H&RBLOCKGIVES COMPETENTSERVICES

Nearly nine million Americans continued to place their trust in H & R Block at tax time last year.

Why do millions of people keep coming back to H & R Block? Because they like many things about the service, including the care and accuracy of the work; the competency of the tax preparers and their thorough knowledge of all the new tax laws; and, especially, the tax dollars many have saved. customers value the good yearround service; the courteous treatment they receive; the personal, confidential attention; and the peace of mind attained in knowing a difficult task was completed at a reasonable charge.

Join the millions who go to H&RBlock! You'll be glad you did!

See your telephone directory for the office nearest you or call

But that's not all. Block's

PAGE 10, THE FRIONA STAR, SUNDAY, MARCH 13, 1983

A new member has been added to the Sideswipe family. Contrary to the usual custom of the human family, the new addition is a big brother. This herbicide applicator has been adopted for use on different size tractors.

Although the inventor and manufacturer of Sideswipe, Steve Struve, was pretty well satisfied with the "little brother" models, some of the larger orchard operators wanted something they could operate with tractor power.

Since the beginning of the Sideswipe operation here several years ago, hand held units have been marketed throughout the United States and in several foreign

Town Talk **By June Floyd** Call 247-3681 With Your News Item Some of the out-of-town homes she

visited in included those of Webb and Irene Gober, who live in the Oklahoma Lane Community; Stuart and Evelyn Campbell, who live in Las Cruces; and Jane Rushing, a resident of Lubbock.

> Also, Janet and Lynn Phipps and children, Carol Lynne and James, who live on a farm between Clovis and Portales.

> Irene and Evelyn are Ruth's sisters and Janet and Jane are her daughters.

* * * *

If anyone happened to notice an extra wide smile on the face of Cass Perkins last weekend and didn't ask what caused it, such a question would have been welcomed. Early Friday morning his first Perkins grandson was born at the local hospital. Just having a new grandson would have caused Cass to have a smile on his face, but having one who was named for him was an extra special event in his life. Little Cassey Wade Perkins II is the son of Leslie and Becky and is their first child. Cass is already predicting that he will follow in his Granddad's footsteps and become a fiddle player, but, who knows...he may grow up to be a John Deere mechanic, too.

Second and third generation members of the family, who were here at one time or another included Alyson Foland and son, Carl, of Tulsa; Vicki Welch of Dallas; Gay and Logan Bingham, Lynn Welch and Monte Sue Bailey and children, Shawn and Heather, of Amarillo. Also, Holly and Blair Jones of

Lubbock; Sheila, Gary and Jared Carson of Bovina; Jan and Lenney Petree and children, Mende, Melanie and Brandon of Hereford; Kay and Connie Ray and daughters, Dee Anne and Robin of the Oklahoma Lane Community; and Mikie and Dwayne Bishop and sons, Michael and Buddy, of Dimmitt.

daughter, Vickie, of Adrian visited in Friona during the weekend. They're former residents.

* * * *

Mende Petree, daughter of Lenney and Jan Welch Petree, won first place in the Hereford Elementary School Daughters of the American Revolution essay contest recently.

She's a former Friona student and is the granddaughter of Louis and Mamie Lou Welch and the greatgranddaughter of Ralph and Louisa Wilson.

The essay will be entered in the area or regional contest in Amarillo soon. * * * *

Mr. and Mrs. Virgil Phipps spent

Valoris Osborn Recognized By FHA Chapters

Ed Irons, superintendent of Lubbock Schools, was presented a special service award by the Area I Future Homemakers of America at a luncheon in the cafeteria at Monterey High School. During his term as superintendent in Lubbock there have been students serve as officers in Lubbock High Schools.

John Sommers, principal of Canyon High School, received a service plaque for their support of the FHA chapters. Five students have served as area and state officers. The first male officer in Area I was Steve Hoyl, who was State Vice President HERO.

Mrs. Valoris Osborn, advisor to the State FHA Parliamentarian from Friona, received a plaque in recognition of her leadership and dedication to FHA in the area and state. She has sponsored six area officers, a state president and a state parliamentarian.

VALORIS OSBORN

appreciation for her support of FHA/HERO and sponsorship of two state offices and six area offices.

countries.

It should be interesting to watch the popularity of the "big brother" unit. Who knows--maybe in a few years strangers will be asking, "Isn't Friona the home of the Sideswipe?"

* * * *

Friona's beauty spot this week may very well be the circular flower bed in front of the home of Bobby and Juanell Jordan and children. They live in the former home of the W.F. Buskes, which is located at the corner of Euclid and Fourteenth.

If you walk by, as I did, or drive by slowly, you will be able to enjoy the exquisite beauty of crocuses in bloom. These will be followed by tulips and later by petunias.

This little circle is always a bright spot in the expanse of green grass which surrounds it.

* * * *

Ruth Rushing is home after an absence of several weeks. She took a different kind of winter vacation.

Sonya B. Gore Makes Dean's Honor List

Sonya B. Gore of Parmer County was among the 1,331 students whose 1982 fall semester grades earned them places on the Dean's List at Southwest Texas State University, San Marcos, Texas. To qualify for the Dean's List, an undergraduate student must have earned a grade point average of at least 3.5 during the semester while taking at least 12 semester hours of course work.

Our next door neighbors to the north, Randy and Wessie Weatherley, along with Ashlee, Kassie and Dustee, spent most of last week at the livestock show in Houston.

Kassie showed a Yorkshire barrow and came home with a Reserve Breed Champion banner and a sizeable check.

Enroute home the Weatherley family visited with Randy's parents, Mr. and Mrs. T.B. Weatherley, who live in Celeste, Texas. * * * *

The seven children of the late Mr. and Mrs. Ford Welch, pioneer Friona residents, had a two day get together in Friona last weekend.

The three members of the family who live here and their spouses are Nelson and Lorraine Welch, Seva and Steve Struve and Louis and Mamie Lou Welch.

Those who came from afar were

Second G&T Session

Enrollment has increased for the second session of the Gifted and Talented Institute hosted by West Texas State University College of Education.

The second session, which involves six Saturdays on campus, has attracted 122 students in grades one through 12 from Amarillo, Bushland, Canyon, Dawn, Dimmitt, Dumas, Floydada, Friona, Groom, Hart, Hereford, Pampa, Panhandle, Perryton, Plainview, Sunray, Tulia, Umbarger, Wayside and Wellington. Students have been involved in

More than 1,000 students at Texas Tech University received degrees in commencement exercises at the conclusion of the 1982 fall semester.

Degree recipients included Veronica Lafuente of Route 1, Friona and Kimberly Smiley of Route 3, Friona.

CAN EVERYONE WEAR THE NEW EXTENDED-WEAR CONTACT LENSES?

NO! Only a small percentage of the patients we see are able to wear these new extended or continuous wear lenses. These are the new soft contact lenses which are designed for the patient to wear continuously day and night without taking out anywhere from 24 hours up to 30 days or longer but most find that three days to one week is the maximum time they can comfortably wear them.

Like many other great inventions, there is a place for this miracle lens but it definitely is not for everyone. Many factors make it unsatisfactory for some patients, such as: a patient who normally produces more mucous than normal or the protein content of their tears is high etc. Only your Optometrist can properly evaluate your eyes and determine after many tests if you would be a good candidate for the Extended-Wear Contact Lens.

any progress until he sticks his neck out.

The Gifted and Talented Institute at WTSU is funded through a grant from the Rockwell Fund. More than 100 students participated during the fall session.

Students from Friona participating in the second session are David Barnett, Micha and Katherine Cortese, Kristin Leigh Holland, Julie Howard, Amy and Bonnie Israel, Ben and Dan Neelley, Nancy Parson, and Lisa Weatherly.

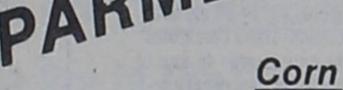

15-tfnc

If you should be one of the fortunate persons who can wear this new miracle lens it is wonderful since you do not have to take them out and clean them every night etc. The water content in these new lenses is somewhat higher than in the regular daily wear soft contacts which make them a bit more fragile and extra care is needed in handling them.

This message is brought to you in the interest of better vision by Drs. Armistead & Smith, Optometrists, Littlefield, Texas.

Cynthia Barnett, Jerry Hawkins Exchange Wedding Vows In Dallas

Cynthia Darlene Barnett of Dallas, Texas and Jerry Everett Hawkins of Dallas, Texas exchanged wedding vows Saturday, February 5 at 5 p.m.

The ceremony was performed in the Northwest Bible Church of Dallas by Reverend Bill Foil of the Mimosa Lane Baptist Church of Mesquite, Texas.

The bride is the daughter of Mr. and Mrs. Doyce Barnett of Route 3, Friona.

The bridegroom is the son of Mr. and Mrs. J.R. Hawkins of Irving, Texas.

The church was decorated with triple arches of candles with greenery and two spiral candle trees. Bouquets of aubergine chrysanthemums stood on each side.

groomsman.

Serving as ushers were Ed B. Ramey of Chicago, Illinois, Richard A. Kampen of Arlington, Texas and Neal T. Smith of Ft. Worth, Texas.

The reception was held in the Fellowship Hall of the church.

Mrs. Teresa Smiley of Columbia, Maryland, sister of the groom, presided at the guest registry.

The bride's table was covered with a long lace covered cloth and was centered with aubergine flowers and votive candles. The four tiered wedding cake was decorated with aubergine silk flowers. The punch was served from a silver punch bowl.

The groom's table was decorated

Austria the bride wore a white wool suit with navy blouse and navy accessories.

The couple is residing at 9455 Skillman, Dallas, Texas.

The bride graduated from South Plains College, Levelland with an associate degree in nursing and has an RN degree from Methodist School of Nursing, Lubbock. She is currently employed by the Presbyterian Hospital, Dallas.

The bridegroom graduated from the University of Texas at Arlington with a BBA degree. He is employed in the construction-development

business.

Out-of-town guests were Mr. and Mrs. Danny Murphree, Mr. and Mrs. Curtis Murphree, Mr. and Mrs. Kevin Wiseman, Mr. and Mrs. Dub Cleveland and Cindy, Mr. and Mrs. Delton Lewellen, Mr. and Mrs. Clarence Monroe, Mr. and Mrs. Eugene Bandy, Mr. and Mrs. Johnny Bandy, Mr. and Mrs. Ray Murphree, Mr. and Mrs. Marvin Massey, Mr. and Mrs. Bob Burney, Mr. and Mrs. Delmar Renner, Mrs. Billy Baxter, Lee Renner, Zena Boyd and special guests, Mr. and Mrs. R.J. Renner and Ruby Barnett.

Mrs. Jerry Hawkins

--Library Corner--

Is there anything more welcome than the postman bringing a package to you? And is there anything more rewarding to occupy your time on a cold winter day than curling up with a good book?

The Friona Public Library and the Texas Panhandle Library System are cooperating to bring you books-bymail, a service free of charge to residents of the top twenty-five counties of Texas. The service, funded through a grant from the Texas State Library, is designed as a supplement to regular library service for people unable to use their libraries on a regular basis.

Throughout the Panhandle, many people who live in nursing homes or are homebound, ill, geographically isolated or otherwise unable to regularly visit their own libraries are taking advantage of books-by-mail.

Catalogs containing lists and descriptions of five hundred paperback books are available in all public libraries in the area. Types of books include mysteries, romances, westerns, adventure stories, how-to books, best sellers and books for children and teens. Books from the catalog are ordered on a special postage-paid card mailed to the Texas Panhandle Library System in Amarillo. Books are sent to users free of charge and return postage is included.

The Friona Public Library has a supply of catalogs. Persons interested in receiving books-by-mail need to contact the library and ask if they are eligible to receive the service. Larry Higgenbotham, organist, accompanied Mr. and Mrs. Kevin Wiseman as they sang "Together" and "Since You've Asked."

As the bride was presented in marriage by her father, she wore a formal length gown of pearl luster embroidery. The gown featured a victorian neckline bordered with venice lace. The victorian bodice was highlighted with the pearl luster embroidery and venice lace flounce. Pearl luster schiffli embroidery formed the a-line skirt panel with matching embroidered ruffled hemline and chapel length train.

She wore a bridal hat covered with illusion veiling and a silk rose.

The bride carried a cascade bouquet of white roses, stephanotis and orchids.

She carried a lace handkerchief that belonged to her maternal grandmother.

Vicki Cross of Dallas was the maid of honor. Mrs. Chuck Johnson of Carrolton, Texas served as bridesmaid.

The feminine attendants wore aubergine dresses fashioned with victorian necklines and long softly pleated skirts. They carried bouquets of aubergine chrysanthemums.

Steve A. Watters of Carrolton, Texas was the best man. David Barnett of Friona was the

with a chocolate cake with the couple's initials on top. A silver punch bowl and silver serving pieces completed the table setting.

Carol Evans of Dallas and Mary Walling of Dallas served the cake. Punch was served by Pat Schiller and Lou McAdoo, both of Dallas. For a wedding trip to Germany and

Black Study

Club Met In

Carthel Home

The Black Study Club met Thursday, March 3 in the home of Ann Carthel.

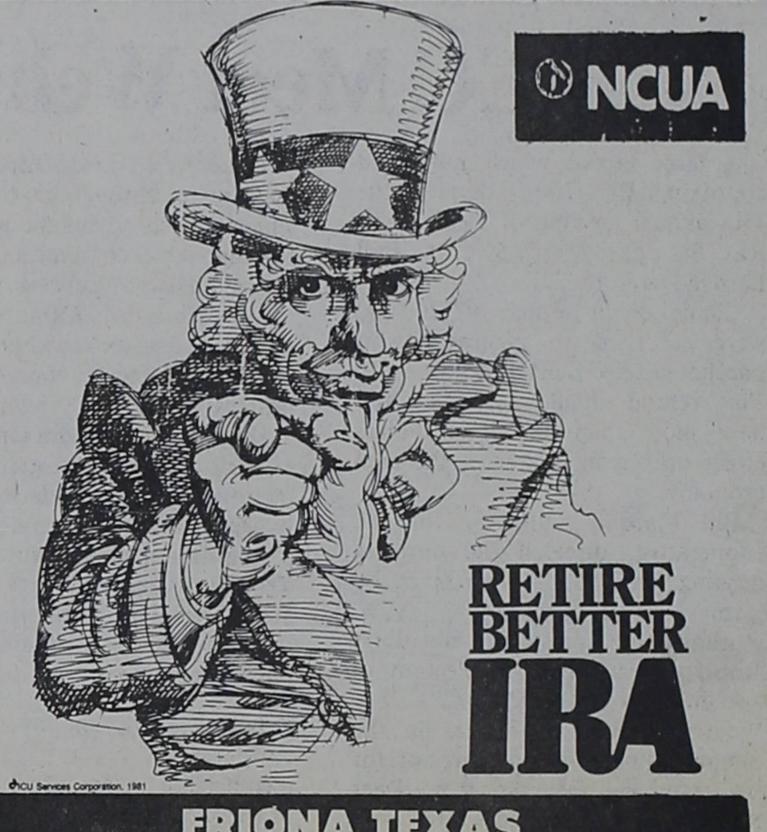

Mildred Welch, president, opened the meeting and Ann Carthel conducted an advice game for the opening exercise.

Roll call was answered with each member showing an old or unusual picture frame.

Sherri Rector presented the program. She demonstrated making fabric picture frames and each club member made a fabric frame.

Refreshments were served to Mildred Welch, Sharon Thornton, Hannah Lookingbill, Mildred Barnett, Helen Fangman, Martha Hamilton, Ann Kelley, Ruby Stone, Carrie Tatum, and the guest, Sherri Rector, by the hostess, Ann Carthel.

REC Meet Well-Attended

A large crowd which numbered approximately 1200, attended the 45th annual meeting of Deaf Smith REC Saturday, March 5, at the Bull Barn in Hereford.

Capital credit refunds of \$200,000 were returned to members who purchased electricity during 1970. This refund should turn-over and have more than a million dollars effect on buying power in the area economy.

Bill Marquis, attorney for the cooperative, directed the business meeting and reports were given by James Hull, manager; A.W. Anthony, Jr., president; and Jerry Roberts, secretary. An election of two directors was held.

Jerry Roberts, a farmer in the Simms Community and director for six years was reelected from Deaf Smith County for a three year term. A.W. Anthony, Jr., president of the board of directors was reelected to represent Parmer County for another three year term.

There were various drawings for door prizes throughout the meeting which started at 5 p.m. with a free fish and chicken dinner, served by Fins and Hens of Lubbock.

The Hereford Campfire Lodge provided ten girls to refill ice tea glasses and coffee cups before the business meeting.

Highlight of the drawings was an electric barbecue grill and a microwave oven, the latter was won by Donald Vasek of Hereford.

Entertainment was provided by the Tri-State Bluegrass Express, a group from Amarillo that has played together for ten years and appeared on T.V. and radio.

James Hull, manager for the cooperative, addressed the membership in an effort to explain management's philosophy. "Cutbacks have been forced in the following areas: The total number of employees have been reduced 29 percent; outside construction contractors are no longer being used and tree trimming is done by existing crews to save about \$15,000 each year.

"Also inventory has been reduced from two million to five hundred thousand dollars. Just as we feel these cutbacks were necessary, your Cooperative has continued expenditures in the areas of line maintenance and repairs; employee training and schooling and vehicle . maintenance.

"This is evident as we compare the average outage time of the Cooperative to the national average," Hull stated.

He concluded by stating the Cooperative's rates were competitive with areas of the United States that have historically enjoyed the cheapest electric power and that our current . board of directors was very much aware of existing economic problems and these men are working to ensure . a strong cooperative for those it serves.
