IF YE EDITOR has to wake up to the howling sound of the wind blowing just one more time this spring, we're considering one of two alternatives.

One would be a move to Acapulco. The other would be requesting a padded cell in some institution, where we surely couldn't hear the wind blowing.

After having a fairly mild month of March in the wind department, it has more than made up for it during April and May, as the wind factory has cranked up virtually every day the past two months.

And the nice moisture received from the big snows of the past winter has virtually all dried up, as the moisture completely turned off.

If the area doesn't receive its regular "end of school rain" this year, then things are going to really be serious.

Several farmers have commented that seeds have been planted which will require a rain to get to come up.

We seem to go from one extreme to the other in the Panhandle of Texas. As one area farmer put it: "This country can promise you more, and then give you less, than any other section of the country possibly could."

However, the local area has not been all alone in the category of weather extremes.

The winter and early spring brought devastating floods to the West Coast, as well as in Louisiana. We heard Monday that London, England had had rain for the 30th consecutive day. The residents of England were thinking about building an ark.

At least to this point (knock on wood), the severe weather, including tornadoes, has missed the immediate area, but has wrecked havoc on spots in the Midwest and the Southeastern portions of the country.

Some weather experts have blamed the drastic changes in weather patterns on such things as volcanoes. Mount St. Helens, in Washington State, spewed so much smoke and volcanic ash into the atmosphere, for example, that it was felt that this affected weather patterns across a big section of the country.

And there are still volcanoes active today, in Sicily and Hawaii.

OUR FRIEND Nelson Lewis had a suggestion for the problem of disposing of nuclear wastes, with which the Department of Energy is threatening our area.

Since nobody wants the nuclear wastes, and more particularly in a populated area, and one on which the nation depends for a large percentage of its foodstuff products, Lewis has the following suggestion:

"Why not dispose of the nuclear wastes in the frozen North? That would be out of everyone's way, and if the material did happen to generate some heat, maybe it would melt some of the ice-cap and help our diminishing water supply," Lewis says.

This may be a facetious solution to the problem, but it makes as much sense as anything the government and its bureaucracy has come up with lately.

Eighth Grade Class' Honor Students Told

Honor students for the eighth grade graduating class at Friona were announced this week by the school.

Kathy Boeckman is the class valedictorian, with an average of 97.33. She is the daughter of Mr. and Mrs. Joe Boeckman.

Ronda Ratcliff is the class salutatorian, with an average of 95.5. She is the daughter of Mr. and Mrs. Hal Ratcliff.

(Due to school events and timing, pictures of the top students were not available at press time this week. These will be printed in the next edition of the Star.)

Graduation Events Are Slated Here May 22-27

Graduation events are scheduled in Friona during the coming week.

Baccalaureate services for the senior class will be held on Sunday, May 22 at 8:30 p.m. at the junior high auditorium. Rev. Archie Echols will deliver the address.

Special music will be presented by class members Patti Hinton, Judy McLellan, Erika Pope and Debbie Wilcox.

Joey Howard will give the invocation and Judy McLellan the benediction.

Commencement for the 1983 seniors will be held at 8:30 p.m. Friday, May 27, also beginning at 8:30 p.m. at the junior high auditorium.

Speakers will be the salutatory address by Sherri Brown; the class history by Carrie Schueler and the valedictory by Patti Hinton.

Class president Richie Malouf will present the class gift. Supt. Tom Jarboe, principal Hal Ratcliff and board president Floyd Reeve will take part in presenting the diplomas.

Stan Miller will give the invocation and Wendy Gresham the benediction.

Eva Miller and Teresa Buske will play processional and recessional for both events.

The eighth grade graduation will be held Thursday, May 25, at 8:30 p.m. at the junior high auditorium.

Class members Glenda Ellis, Denae Reeve, Ronda Ratcliff, Deanna Poarch and Christy Jordan will sing "Pass It On," accompanied by Sarita Ellis.

Kathy Boeckman will give the

valedictory address, and Ronda Ratcliff the salutatory.

Leon Talley will give the invocation and Archie Echols the benediction. Susan Bailey will play processional and recessional.

Supt. Jarboe, principal Cecil Maddox and Reeve will assist during the diploma presentation.

Age Is Relative, Says Foursome

Three Carpenter brothers from California, South Carolina and Sundown, Texas, gathered in Friona this week for a visit with their sister, Clara Colebank, who is a resident of Prairie Acres.

The Carpenters are visiting in the home of Mr. and Mrs. John Cooper. Mrs. Colebank is Mrs. Cooper's mother. She is the grandmother of Ruth Harguess.

One thing that might set this group apart from other travellers is their ages. The brothers range in age from 85 to 97.

B.I. Carpenter, who is still a full-time Baptist minister at age 85, lives in Rockland (near Sacramento), California.

Harold Carpenter, a retired telephone-telegraph maintenance foreman for the Missouri-Pacific Railroad, lives in Honea Path, South Carolina. He will be 89 on May 30, and he and his wife drove all the way to Friona from South Carolina.

"Made it all that distance, without incident, and then got stopped by a policeman in Friona!" said Carpenter who was taking quite a bit of ribbing from his relatives for this incident.

Carl Carpenter, the "big brother" of the group, is a retired merchant, having operated a hardware and furniture store in Sundown on the South Plains, for a number of years.

He will be 98 years of age on October 21 of this year. "I was born in 1885—that's 15 years in the OLD century," Carpenter proudly stated.

Carl Carpenter drove his own travel-trailer until he was past his 95th birthday, and after reaching that landmark, flew to Alaska for a visit.

Mrs. Colebank is 94 years of age. She has been a resident of Prairie Acres since Mr. and Mrs. Cooper moved to Friona.

The Carpenters were born and raised in Lincoln and Eddy Counties, New Mexico.

Poppy Day Set For May 28

The local American Legion Auxiliary is planning their annual poppy sale for Saturday, May 28. This is an annual event for the Auxiliary and the money raised from this sale is used to assist veterans in the veteran's hospitals or their families in the local community.

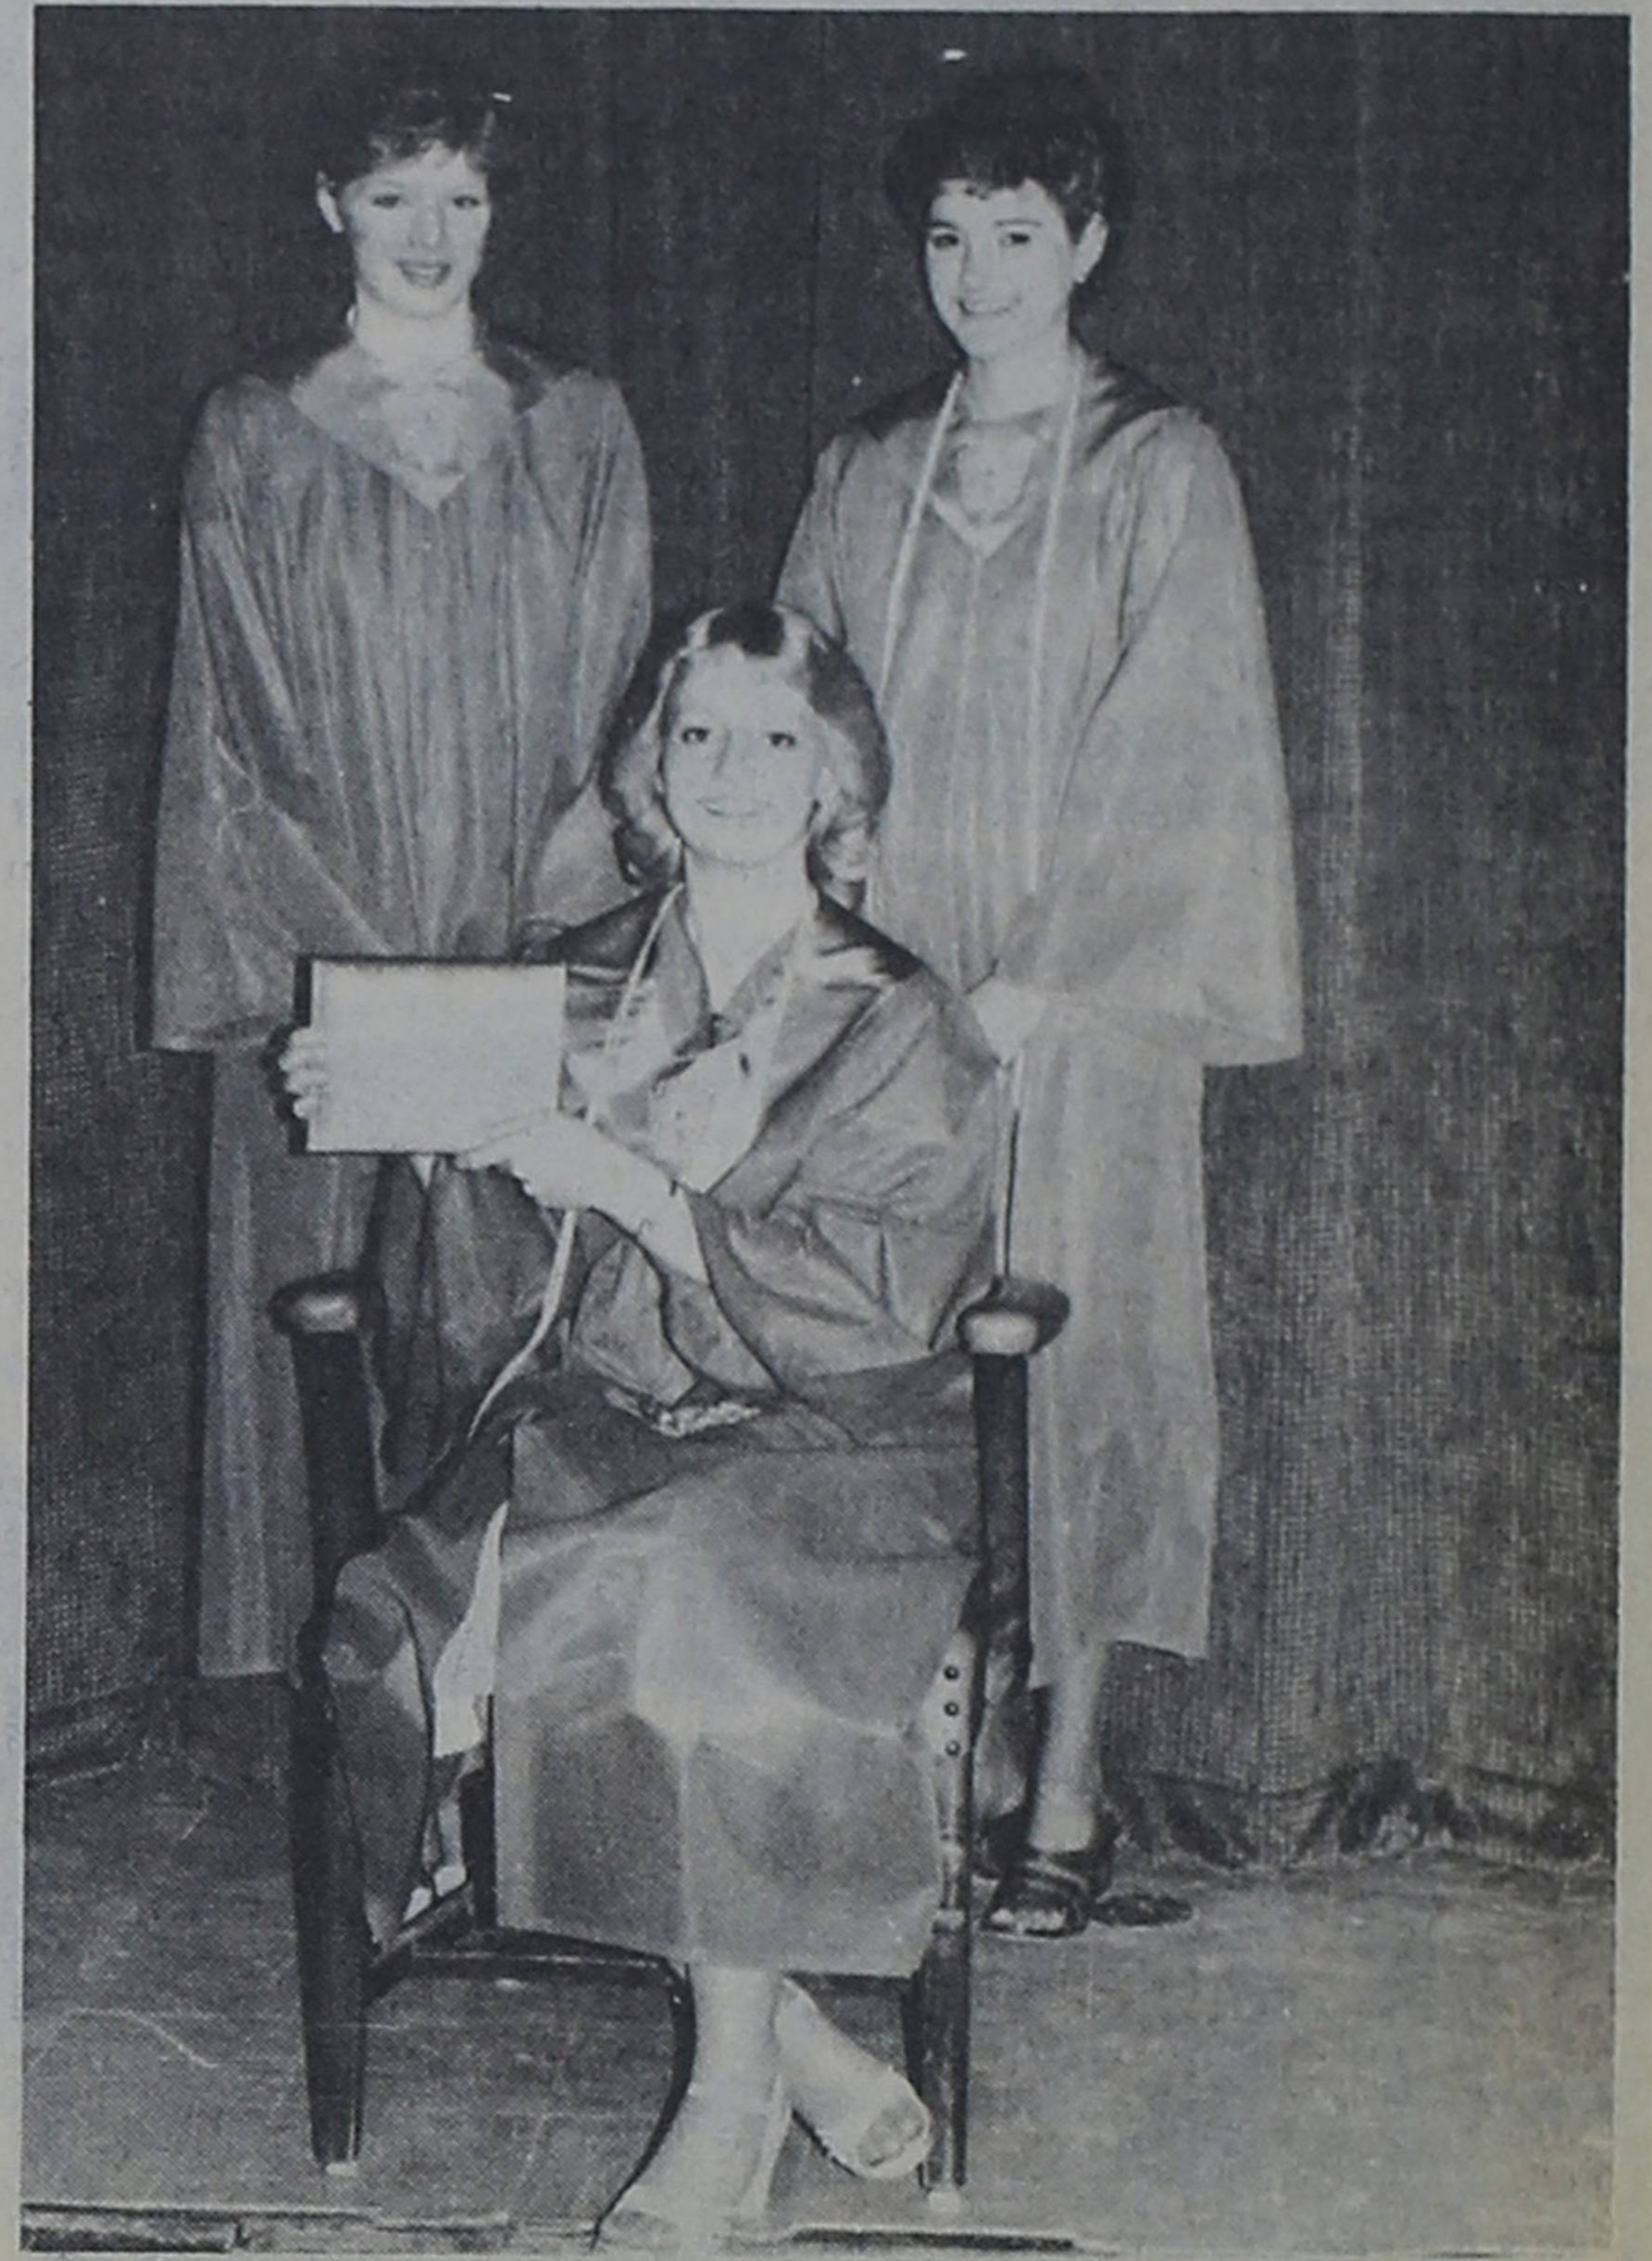

The little red crepe flower is hand made by veterans in Veteran Hospitals throughout the State of Texas. These veterans are paid for making poppies and this program is also used for therapy training for our disabled veterans.

This little flower was adopted by the early American Legion Auxiliary's organization and copied from the red poppies that grow in France and that is referred to in the poem, "In Flanders Fields." Each poppy has its own personality to it because it was made by a person while hospitalized because of injuries suffered from the ravages of war.

A percentage of the sale of the poppy program is returned to the State Organization to fund this program each year. Marlene Drake, president of the local unit, urges all of our citizens to buy a poppy and wear it proudly.

She also urges any interested persons to mail their contributions to her for this program. We will have poppies available in the restaurants and other convenient places for those who would like to participate in this program.

The American Legion and Auxiliary will be decorating the graves of veterans for Memorial Day and Commander J.P. Sims invites all who would like to help to contact him.

TOP GRADS....Friona High School's honor graduates will be featured in graduation ceremonies this week. Class valedictorian Patti Hinton is seated. Carrie Schueler, left, is historian, and Sherri Brown is salutatorian.

Fund Drive Hits Original Goal

The fund drive to purchase a new van for the use of Prairie Acres had reached its original goal of \$17,000 at the conclusion of the first week of the drive, according to nursing home administrator Jo Blackwell.

However, drive officials were urging those who had not contributed to go ahead and do so, in order to provide a "cushion" for the project, as well as the possibility of building a carport for the van.

"The \$17,000 was really a minimum estimate. If enough is raised, we can possibly purchase a better-equipped vehicle. Also, a carport would be nice, plus there is the need for insurance for the van," Mrs. Blackwell said.

The Prairie Acres spokesman said it was hoped to buy the van locally, since it was a local project, and that bids would be solicited, so as to secure the best possible price for the nursing home.

"The people of Friona are very special. Our drive chairmen, Tom Jarboe, Andy Hurst, along with the present and past board members, wish to thank everyone for their response to our need. If there are those who have not had the

opportunity to give, but wish to do so, if they will call us, we will gladly pick up their donation," Mrs. Blackwell said.

In answer to some questions which have arisen since the fund drive was started, Mrs. Blackwell responded:

"Who will drive the vehicle? "We won't hire a full-time driver, but the driver of the vehicle will be a fully-qualified driver. Some of our staff members plan to get their chauffeur's licenses. We will comply fully with whatever the law demands."

Mrs. Blackwell also produced a letter, which was in response to the question: "Will the van be a threat to putting the local ambulance service out of business?"

To The Citizens of Friona:

The Friona Ambulance Service strongly supports the staff and volunteers of Prairie Acres in their efforts to raise funds for a van to be used by the nursing home. This van would enable residents of Prairie Acres to be transported to and from the doctor's clinic without calling for ambulance service.

When the ambulance is called for

TOP SCHOLASTICS....A brother-sister team swept the awards for highest scholastic average for the year at Friona High School, 1983. They are Brent and Wendy Hinkle, children of Mr. and Mrs. Jerry Hinkle. Brent's average was 96.85, and Wendy topped out at 98.05.

Patrolman Force Termed Full Strength

The Friona Police Department is back to full force, according to city manager Jerry Lewis. Personal profiles on the new patrolmen will be made available for the next edition of the paper, he said.

Lewis praised the work by the Friona reserve police officers, who have filled out the force during the past week.

"Bill Thieman taught at Des Moines, Iowa, not Des Moines, New

Mexico," the city manager pointed out, in reference to the story in last week's edition of the Star.

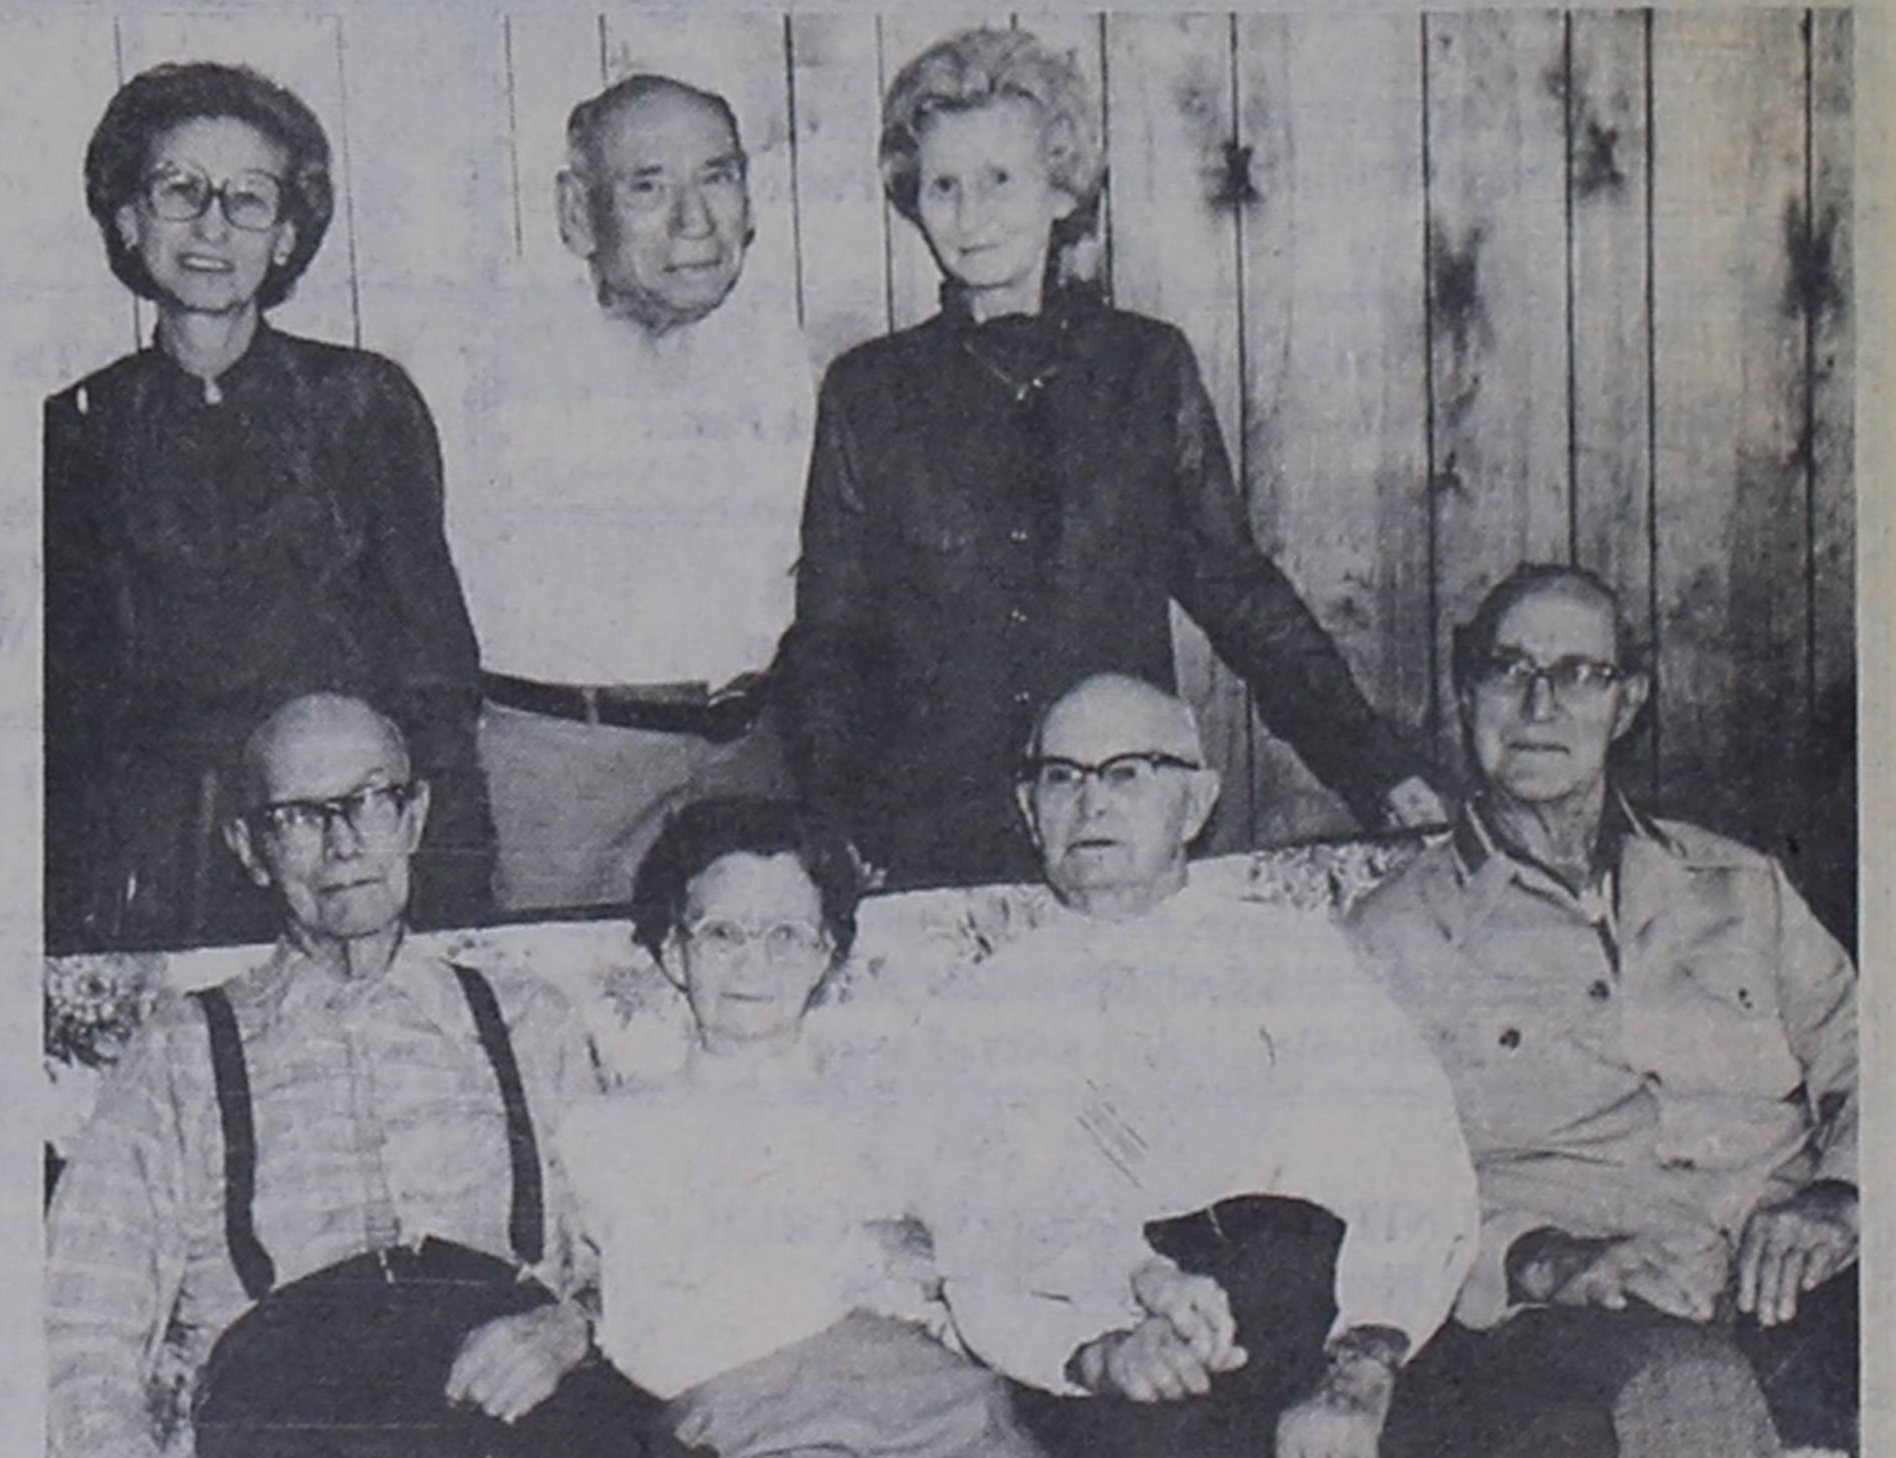

Splash Day at the Municipal Swimming Pool will be on Thursday, May 26, with no charge for admission. Regular pool hours will be 1-9 p.m., except Mondays, which will feature "Ladies Night," and Friday, which will be "Teen Night."

Swim passes will again be sold at the pool or at City Hall. A card of 25 swims cost \$12.50. Admission at the door is \$1 for children and \$1.50 for persons over 12.

At a special meeting of the Friona City Council Thursday night, May 19, the council agreed that the city will no longer go door-to-door to collect delinquent bills. After the tenth day after the bills are due, a ten per cent penalty will be assessed. On the 15th day, service will be disconnected. A re-connect fee of \$25.00 will be charged.

There will also be a transfer charge of \$10 for persons moving from one residence to another.

Jake Diel was awarded the bid on paving at the cemetery and sealcoating city streets. Friona Ford Sales was awarded the bid on the new flatbed truck for the city. John Allen and Raymond Hamilton were appointed to the city's electrical board.

YOUTHFUL VISITORS....Getting together this week at the home of Mr. and Mrs. John Cooper were a group of Mrs. Cooper's uncles, and her mother. Seated, left to right, are Carl Carpenter, 97, Clara Colebank, 93, Harold Carpenter, 89, and B.I. Carpenter, 85. Standing are Georgia Hogue (Carl's daughter), of Dalhart, and Mr. and Mrs. Cooper, who are the parents of Ruth Harguess.

RETIRING.... Lois Miller, left, will retire at the end of the current school year, after 21 years with the local school system. Shown with Mrs. Miller is elementary principal Freeman Melton. Her associates honored Mrs. Miller with a cake and punch on Wednesday.

11 Accidents Investigated In Parmer Co.

Steve Talkington, Parmer County Trooper, reports that for the month of April the Texas Highway Patrol Troopers investigated a total of eleven accidents in this county. There were four injury accidents with a total of five persons injured and seven property damage accidents.

In District 5B, which includes the top 31 counties of the Texas Panhandle, there were 185 accidents investigated by the Texas Highway Patrol. Highway Patrol Captain Bob Russell reports that the Texas Highway Patrol Troopers investigated four fatal accidents with a total of six persons killed, 79 injury accidents with a total of 129 persons injured, and 102 property damage accidents.

Friona Flashbacks

...from the files of The Friona Star

55 YEARS AGO--MAY 25, 1928

Ward Thompson of Bovina was a business visitor in Friona Tuesday and while here made the Star office an appreciated visit.

The young people class of the Methodist Church entertained a number of young folks of the community Tuesday night with a weiner roast about six miles east of town.

About a dozen members of the Friona Woman's Club assembled at the city park Wednesday afternoon and planted flowers and shrubs therein.

40 YEARS AGO--MAY 28, 1943

There will be a county-wide Memorial Day service at the Methodist Church at Bovina Sunday night, May 30, sponsored by the American Legion and Auxiliary.

Thursday afternoon, June 8, at 2:30 there will be a food preservation demonstration in the homemaking department of the high school.

35 YEARS AGO--MAY 28, 1948

J.W. White, pioneer resident of Parmer County and founder of the Friona Star, last Sunday observed his 80th birthday. The occasion was observed much in the same fashion which "Uncle John" has lived--quietly, among his relatives, friends and fellow townsmen.

30 YEARS AGO--MAY 28, 1953

The Friona Volunteer Fire Department has received considerable commendation, locally and elsewhere, since its organization into a compact fighting unit last October. The Friona Girl Scout Troops held

their court of awards Sunday afternoon in the Friona High School Auditorium with approximately two hundred and fifty in attendance.

25 YEARS AGO--MAY 21, 1958

One new office will have its formal opening Tuesday and three other buildings are in the process of construction in Friona to mark the forward progress and the "new look" in downtown Friona.

Monday will be Open House in the Industrial Arts Department of the Friona High School according to Zollie Capps, instructor.

George Reynolds, formerly of Fort Worth, has joined the Friona Police Department as a patrolman.

20 YEARS AGO--MAY 30, 1963

The annual Memorial Day services will be conducted Thursday morning at the City Park and Cemetery. The Memorial Day message will be brought by Paul Smith, minister of the Sixth Street Church of Christ.

Friona's annual Poppy Sale, sponsored by Friona's American Legion Auxiliary, was conducted Saturday. Mrs. Earl Drake, a spokesman for the organization, reported a successful sale.

15 YEARS AGO--MAY 23, 1968

Winners of the first annual Friona Chamber of Commerce kite flying contest were announced this week by Alton Peak, chairman of the event. The contest was held last Saturday.

The appointment of Dennis Wesley as traffic manager for Missouri Beef Packers, Inc. at the company's new Friona division has been announced by Gene Frye, president.

10 YEARS AGO--MAY 24, 1973

With the arrest of three area young men, the Friona High School vandalism case was termed "closed" by Sheriff Charles Lovelace.

Carrol Gatlin announced that officials of the proposed Community Center and Showbarn are officially taking bids on any or all phases of construction and equipping the new facility.

Stockholders interested in organizing a second bank for Friona were advised this week that their charter application for the Texas Bank, heard last April 25, before the state department of banking, was declined on May 16.

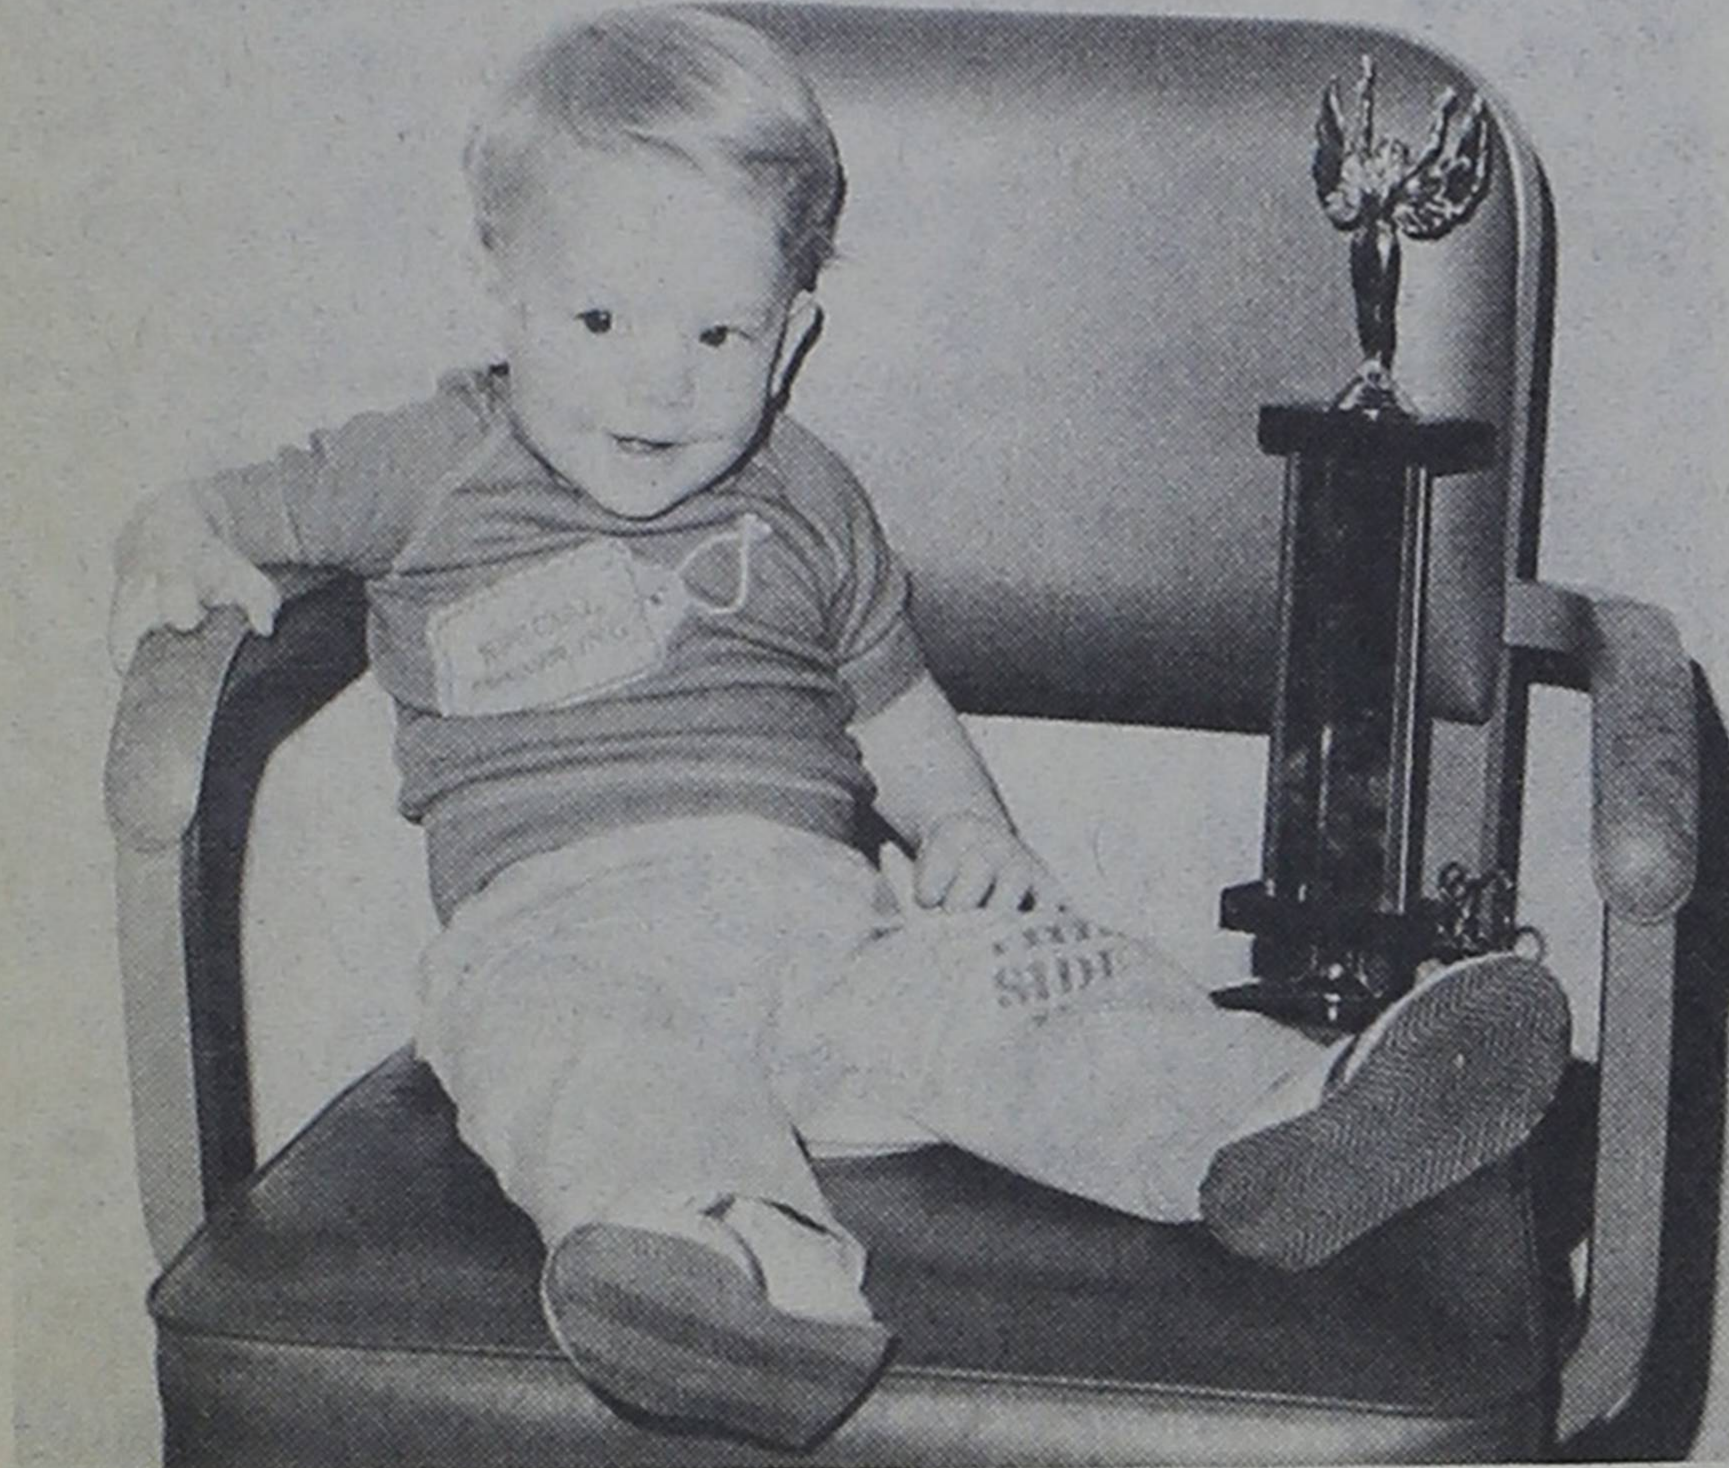

5 YEARS AGO--MAY 28, 1978

Selected as Best All-Around at Friona Junior High School this spring were Andy Fleming and Sunny Horton of the eighth grade class. Parents are Mr. and Mrs. Howard Fleming and Mr. and Mrs. H.H. Horton, Jr.

Users of the mails are reminded that beginning Monday, May 28 at 12:01 a.m., the price of mailing a first class letter will increase from 13 cents to 15 cents. Price of mailing post cards will be raised from nine cents to ten cents.

Letter To The Editor

Dear Concerned Citizens:
In view of the recent resignations within our police department, we felt obligated to speak out in favor of our City Manager, Jerry Lewis.

When we hired Jerry we knew that he had some different ideas from our previous city manager. That is to be expected. He is a different individual! But the fact remains: you have elected us as your city council. We have hired Jerry Lewis and feel very strongly that every person involved is doing his very best to make decisions that will benefit every citizen in Friona.

We feel that the majority of criticisms that Jerry receives are a result of people not knowing the complete story and not really caring enough to try to find out before condemning Jerry's actions.

We are truly sorry to lose some very good men in our police department over what seems to be simple differences of opinions and the unwillingness to work out the problems. But it seems important to us to stand behind our City Manager at this point and at least give him the fair chance he deserves to do the job we hired him to do.

Have you driven out to the north landfill and noticed the improvements made there? Have you visited our new library which has opened

since Jerry has been employed? Have you heard about the \$1,000,000 water project that is now complete? Did you know that the city in conjunction with the cemetery association tied into the main water line coming into town to service the cemetery so our water problems might be solved there? Have you noticed the improvements in front of our Community Center and Reeve lake? Have you visited the swimming pool and noticed its renovation? Have you noticed the new trash receptacles on Main Street? Did you notice who directed the Maize Queen Contest and the Little Dribblers program? Did you know that through the seventh month of this year we are under our projected budget? Did you know that we have ordered a new ambulance for our city? And etc.

We appreciate everyone who is concerned and remain steadfast in striving to do the job you have elected us to do.

Sincerely,
Mayor Wright Williams

By LAURA JACOBS
Did You Know?
--How would you enjoy a watermelon that is "all heart"? Well, thanks to advances in plant breeding seedless watermelons are currently available. An obvious question that arises when one discusses seedless watermelons is where do you get the seed to produce a seedless watermelon. Seedless watermelons are the result of genetic manipulation and the use of chromosome doubling chemicals that results in a plant that produces watermelon fruit without seed. So, if

spitting watermelon seeds is not one of your favorite past times, be on the look out for seedless varieties.
--Do you know the difference between sweet corn and field corn? There is actually very little difference except that sweet corn has a genetic factor which prevents the conversion of sugar to starch which results in sweeter tasting kernels. Today, plant breeders across the U.S. are utilizing this characteristic to produce even sweeter tasting corn. If you've had problems growing corn chances are it is due to lack of good pollination. Each kernel on the cob requires pollination.

SAYS POSTMASTER

Always Costly, Dog Bites Can Be Fatal

The Postmaster says of the classic battle between the letter carrier and the family dog, "There's irony here. Many people find humor in this confrontation, but there is more human tragedy in dog bite cases than you might imagine."
The Postmaster says a California carrier died from blood poisoning after being bitten by a dog. "A death may be rare," he adds, "but the bites are not. The 'Dog Days of Summer' takes on very serious meaning for Postal Service letter carriers."

"The best protection our carriers can receive is a little thoughtful action on the part of the dog owner. It's the old story of an ounce of prevention being worth a pound of cure."

CARD OF THANKS

The family of Dianne Perkins wish to express their sincere gratitude and appreciation to all their friends and neighbors who have sent cards, provided food and have given of their time and finances to make this time of sorrow more bearable.
Your generosity and kindness will always be in our hearts.

In Appreciation

He says 5,700 letter carriers across the nation were bitten by dogs last year. The Postal Service has the right to protect its carriers from injury by withholding mail delivery to any resident who keeps an unrestrained dog on property. "In fact, a dog allowed to roam loose can result in interruption of service to a whole block or neighborhood," he adds. The Postal Service also provides counseling to bitten carriers wishing to file lawsuits against the dog owners. It will also pursue settlement with the third party to recover losses incurred by the Service. "Things don't have to go that far."

famous jail escape, he ran right across the back yard of our folks in old Lincoln," says B.I. Carpenter. Later moving to the Carlsbad area, the Carpenter children explored some caves in the local area. One of them later was to become fairly well known--Carlsbad Caverns. The three brothers and sister are

the four surviving children of Jimmie and Emily Carpenter.

The father was killed accidentally at an early age, but the mother lived to a ripe old age of 103.

They didn't mention the grandparents. Looking at this foursome, they may still be kicking around someplace. After all, they'd only have to be around 140 years old or so.

non-emergency runs such as this, the staff and volunteers are unable to respond to emergency calls. Requiring ambulance service for doctor's visits also places a strain on Prairie Acres residents, as their insurance and Medicare refuse to pay for non-emergency ambulance costs. Consequently, the ambulance service shows a loss of operating funds.

It is the belief of both myself and the staff that everyone would benefit from your contribution to the Prairie Acres Van Drive.

Sincerely,

Holiday Traffic Warning

Memorial Day signals the end of school and the beginning of summer vacations. There will be an increase in the number of vehicles on our streets and highways, according to Major Vernon Cawthon, Regional Commander of the Texas Department of Public Safety.

Cawthon stated, "Countless lives would be saved if drivers would not disregard their own safety and the safety of others. Speeding, drinking drivers and carelessness will account for the greatest percentage of deaths this Memorial Day weekend."

DPS records show that 58 persons died in traffic accidents on Texas streets and highways during the Memorial Day weekend last year, and the DPS Commander pointed out that, "One drinking driver or speeding motorist has destroyed an entire family."

Cawthon said, "Holiday or vacation trips should be planned and a rest stop should be made every two hours to allow drivers and passengers a chance to get out and stretch to help eliminate stress and fatigue."

Major Cawthon added, "Drivers who think ahead, stay alert, wear their seat belt, avoid the use of alcohol while driving, and obey speed limits can have a safe trip and a great vacation."

Honor Graduates Earn Scholarships

Patti Hinton, Sherri Brown and Carrie Schueler each received \$75 scholarships from the Friona Teachers' Organization (FTO) during the awards assembly held on May 17 at the High School.

This is a new project for the FTO. The scholarships are given to the valedictorian, salutatorian and historian. The scholarships can be used for any post high school education or training. If one year after graduation a scholarship has not been used, it will be deposited in a special scholarship account opened at Friona State Bank. The FTO plans to add to the account so that the scholarship can become self-supporting.

Another new project for the Friona Teachers Organization is the Student of the Month award. This award is to recognize outstanding Friona High School students. These students are chosen for their attitude, effort, willingness to work, leadership ability, attendance, grades, citizenship, etc.

At the beginning of each school year, the FTO sponsors an ice cream social for all school personnel and their families and all school board members and their families. This social helps new faculty members become acquainted.

The FTO also hosts the Christmas breakfast for school personnel and their families and school board members and their families. This

breakfast is served the last school morning before the Christmas holidays.

In recognition of many years of dedicated service, the FTO presents plaques to retiring teachers.

Officers for 1982-83 have been: Amelia Wright, president; Nancy Edelman, vice president; Juanelle Jordan, secretary; Rosemary Melton, treasurer; Decima Beene, social chairman; Carolyn Lane, immediate past president; Dianne Morgan, high school building representative; Mary Pryor, junior high building representative; Loy McLellan, fourth and fifth grade building representative; June Rhodes, second and third grade building representative; and Tommie Mercer, primary building representative.

New officers will be elected before school is out. The vice president automatically becomes the president.

SANDRA CORTEZ and DAVID VELASQUEZ....Mr. and Mrs. Conrad Cortez, Sr. of San Marcos, Texas announce the engagement and approaching marriage of their daughter, Sandra, to David Velasquez on Saturday, June 11 at 1 p.m. in the University Church of Christ, San Marcos, Texas. The prospective bridegroom is the son of Mr. and Mrs. Jose Velasquez, also of San Marcos. Miss Cortez attended Friona schools for nine years and is a 1981 graduate of San Marcos High School. Velasquez is a 1978 graduate of San Marcos High School and is attending Southwest Texas State University. The couple will make their home in San Marcos.

FIRST BIRTHDAY....Abel Vega, Jr. celebrated his first birthday on Friday, May 20. A birthday party was held in his honor on Saturday, May 21 in the home of his aunt and uncle, Mr. and Mrs. Gilbert Knapp, 703 East Ninth with his cousins, Skyla, David and Gregory, and his sisters, Sally, Diana and Sandra, helping him celebrate. He is the son of Mr. and Mrs. Abel Vega and the grandson of Mr. and Mrs. Guadalupe Vega and Mr. and Mrs. Chenco Vasquez.

Club Is Set For Outing

The Buttons and Bows Square Dance Club will be joining the Boots 'n' Lancers of Walcott this week to help them celebrate their second anniversary.

The dance will be held at the Walcott Gym starting at 8 p.m. Saturday, May 28.

There will be food and prizes and Larry Kuper will serve as the caller.

Anyone interested in square dancing is invited to attend.

Antique Club Met Monday

The Friona Antique Club met Monday, May 16 in the home of Orma Flippin.

The roll call was answered and a dinner of chicken salad casserole, Jello salad, cole slaw, pickles, cherry and chocolate pie, homemade buttered bread, coffee and punch, was served.

The evening was spent visiting. Club members present were Rudolph and Clara Renner, Leo and Lottie Bails, Elvie and Virginia Jennings, Jerry and Patti Zachary and Patti Grace, Selma Habbinga, Ruth Jones, Raymond and Nola Adams and Hazel Baxter.

The next meeting will be in June in the home of Selma Habbinga.

Town Talk

By June Floyd

Call 247-3681 With Your News Item

Probably the best community wide news this week is that the goal for purchase of a van for Prairie Acres is in sight. One week ago Monday a drive began with a kick-off breakfast at Friendship House.

Tom Jarboe, a co-director of the drive, explained the need for a van, which will be equipped with a lift to handle wheel chair patients, to about 30 volunteers, who later canvassed the town.

One week later he reported, "The response of the community has been overwhelming."

This project, like so many others, was supported by the entire community. Some made large contributions, other made medium sized ones and some were able to make only smaller ones, but when they were all added together the total was sufficient.

One young couple, who haven't lived here very long, were so happy about making a contribution that as the door knocker walked off their parting remark was, "Thank you so much for letting us help."

Aren't we glad we live here?

Frank and Carmaliet Truitt returned home Monday evening after an extended visit in the home of their son and daughter-in-law, Larry Frank and Shirley White Truitt, who live in Houston.

The Truitts saw a lot of Texas Bluebonnets and Indian Paint Brush enroute to Houston, but almost none on the way home.

Incidentally, Friona has its own Texas Bluebonnet show right now. If

you'd like to see a couple of beautiful patches, all you need do is look on the south side of Juanita Wright's home at 1203 Pierce Street and in the front yard of Eufaula Ethridge's home at 206 East Ninth.

Both patches are probably at the peak of their beauty right now.

Recent out-of-town visitors in the home of Mr. and Mrs. Irvin Henderson have been Mr. and Mrs. Earl Williams of Yucaipa, California, and Opal and Judy Silvertooth of Amarillo.

Another former Frionan has returned here to live after an absence of a few years. Mack Bush, who is employed at Allsup's on Columbia and Highway 60, has been living in Lubbock.

He's a Friona High School graduate and the son of Mr. and Mrs. Buck Bush.

Mrs. Eula Huffman of Atlanta, Texas, and Billie Chandler of Houston came up for a visit with Bill and Willard Stewart. Mrs. Chandler has gone home, but Mrs. Huffman is still here.

Billie is Bill's and Willard's daughter and Eula is Bill's sister.

Luella Maurer had a real treat Mother's Day weekend. One of her daughters, June Cleveland, who lives in Denver, came a few days ahead of time and the two had a nice trip to Central Texas.

They visited two former Friona residents, Mrs. J.C. Wilkison and Jackie Dickey, who live at Lake

Whitney. Mrs. Dickey is Mrs. Wilkison's daughter and the two operate Wilkison-Dickey Real Estate.

Mrs. Maurer and Mrs. Cleveland also visited in the home of Dr. and Mrs. Edwin Wills, also former Frionans, who live in Fort Worth. While there they attended Omni, a three dimensional historical sketch type presentation, which they enjoyed very much.

After they returned to Friona, Shirley Donnelly of Artesia, Luella's other daughter, came and spent a few days. While his sisters were here Gaylord Maurer came down for a visit, so Luella had all three of her children at home at the same time.

The Lazbuddie Community is losing four of its residents to the Rio Grande Valley soon after the end of school. Gary and Johnnie Beth Ivy Coker and their two sons, Scott and Jeff, are moving to the McAllen area.

Gary and Johnnie Beth both grew up in the Lazbuddie Community and lived here at one time. For the past few years they've been operating Coker and Sons Spraying Service and farming.

At the present time they're developing a recreation vehicle park, which will soon be ready for occupancy.

Mr. and Mrs. Allan Sandell of Sebring, Florida are visiting local relatives.

Mrs. Sandell is the daughter of Mrs. Walter Smith and sister of Eva Marie Nichols and Eleanor Kirk. Mrs. Smith is confined to her home due to illness.

MYRA DEE VEAZEY and STANLEY DEE FITHEN.... Mr. and Mrs. C.H. Veazey of Friona announce the engagement and approaching marriage of their daughter, Myra, to Stanley Fithen, son of Les Fithen of Amarillo and Mr. and Mrs. John Fred White of Friona. Wedding vows will be exchanged on Saturday, July 16, at 7 p.m. in the Calvary Baptist Church of Friona. Miss Veazey is a 1981 graduate of Friona High School and is attending West Texas State University, majoring in bilingual education.
