April Fools Area With Late Season Snow Storm

Although the calendar says it's spring, you sure wouldn't know it by the kind of weather the area has been having lately.

The current cold spell has hit the area after temperatures climbed into the 80s on Thursday, March 31.

Even though the temperatures were warm, the day was somewhat windy on Thursday. Yet, it didn't hold a candle to the winds which swept the area on Friday, gusting as high as 70 miles per hour.

In the early morning hours Friday, April 1, the area experienced snow flurries, with the ground reported as covered in the Rhea community. Locally, the snow melted before it hit the ground for the most part.

For the balance of the day on Friday, the wind blew continuously, steadily from the north-northwest, around 40 miles per hour, with gusts even higher. With nightfall, the wind finally died down.

Friday's temperature had been only in the 30s, due to the cold north wind. But the weather warmed up nicely for Saturday, when the mercury climbed to 60, with hardly any wind.

Easter Sunday found the temperature climbing back into the 70s for a high, giving egg hunters somewhat of a respite, although the wind again blew considerably during the daytime.

Winter hit the area again with a vengeance on Monday, as a high wind from the northeast blew steadily throughout the day. Once again, the wind of Sunday, being a Pacific front, had

served to "clear out" the area's weather system, and open the door for Monday's Arctic blast.

The Friona area was spared the brunt of the Monday storm, which dumped close to a foot of snow on parts of the northern Texas Panhandle, forcing school closings in several places.

It did snow intermittently throughout the day on Monday, but due to the soil temperature, there was no significant accumulation until late in the day when snow began to be evident on lawns and in the fields.

The temperature on Monday never got above 32 degrees, which set an all-time record in Amarillo as the lowest high temperature on record for April 4.

On Monday, when the temperature stayed at or below the freezing mark throughout the day, the high temperature in McAllen, in the Rio Grande Valley, was 96 degrees.

Residents awoke on Wednesday to find about an inch of snow on the ground, but this was melted by mid-day. Streets were slick to begin the day, but the snow turned to slush shortly.

After spitting snow for most of Thursday, the snow began to accumulate once again as temperatures dropped, and another inch was received in the late hours.

But the snowfall locally was light, compared to Dimmitt and Muleshoe's totals, where six inches were received Tuesday and Wednesday, and the El Paso area, where ten inches added to that city's all-time winter record for snowfall.

Lions Set Broom Sale On Monday

The two Friona Lions Clubs--the Evening Lions and the Noon Lions--will sponsor their annual mop and broom sale on Monday, April 11.

Club members will be manning booths at three city locations during the day. No house-to-house canvass will be made, as those needing items from the Lions are asked to visit their booth.

Stations will be manned at the City Park and at D.L.'s Thriftway from 11 a.m. until 6 p.m., and at the Farmer House Restaurant parking lot from 1-6 p.m.

Those who cannot make it to the sales places may call Jerry Lewis at the City of Friona, or B.K. Buske at Summit Savings, and they will arrange for a delivery.

The Lions will be selling the usual items, which local residents have become familiar with, along the line of cleaning equipment. (See their advertisement in this issue.) Proceeds from the sale go to benefit the Lions' charitable projects.

The sale is being held to help kick off Clean-up Week in Friona, which runs April 10-17.

City Tackles Reeve Lake Beautification

The City of Friona has started the project of turning the Reeve Lake area into a more eye-appealing area, and plans to stress the area as a city park.

The city has started a collection to purchase playground equipment for the area, and has already collected \$1600, including \$1,000 from the Softball Association, and \$600 from the Chamber of Commerce.

"We hope to use Reeve Lake Park as the city's Sesqui-Centennial project. We have already done a lot of dirt work in the area, and we will be doing a lot more work at the park," says City Manager Jerry Lewis.

Lewis said it was his plan to add benches and picnic tables, as well as some permanent playground equipment for the youngsters.

The state highway department has agreed to clean up the corner of the property where Highways 60 and 214 intersect.

The city plans to plant some wildflower ground cover on the areas where the dirt has been added on the south side of the Community Center.

"We were losing some of our parking spaces due to drainage

erosion. We have picked up additional parking space by adding the additional dirt. We hope to allow for proper drainage around the buildings," Lewis said.

The city manager said that any club or group which would like to have a program presented on the Reeve Lake Park should contact him at the City Hall.

Students Qualify In UIL

Friona High School qualified ten students in five events for the regional UIL literary meet, in competition this week and prior to the Easter break.

FHS had earlier won one of the spots in the district contest play competition. In addition, three other students are alternates to the regional meet in their respective events.

Friona swept the debate event, winning the top three spots in district, and qualifying three teams to the regional meet.

First place went to Traci Zoth and David Small; second to Patti Hinton and Stan Miller, and third to Brent Hinkle and Bill Caudill. All three FHS teams were undefeated in the district tournament, and the places were determined by speakers' points.

Debbie Wilcox placed second in news writing for a regional berth; and Diane Johnston placed fourth, for the alternate's position.

Cindy Drake placed second in feature writing, also qualifying for regional. Patti Hinton was second in editorial writing, as Friona picked up 30 points in the journalism division.

Susan Bailey placed second in typewriting, for a regional spot; and Miss Hinton placed fourth, as regional alternate.

Otherwise, Roy Flores placed as alternate in the science division.

Friona was shut out in the speaking events and math events and had to settle for third place in the overall district standings with 125½ points, having the early lead with 88 points after the contest play and debate competition.

REGIONAL-BOUND....The Friona High School students shown above have qualified for regional in their respective literary events. Standing, back row, from the left, are Traci Zoth, David Small, Bill Caudill and Brent Hinkle. Middle row: Debbi Wilcox, Susan Bailey and Cindy Drake. In front are Patti Hinton and Stan Miller.

Clean-Up Week Kicks Off Here

The week of April 10-17 will be "Clean-up, Paint-up and Fix-up Week" in Friona, and city leaders are encouraging residents to do everything in their power to make the city more attractive.

"We hope to draw attention to the constant, on-going need to have a clean-up program," said Jerry Lewis, co-chairman of the event along with Karen Zachary.

Lewis, the city manager, said that the city employees would be making special pick-up calls with the flat-bed truck as residents need them throughout the week. In addition, the truck will be available on Saturday, April 16, and in the afternoon on Sunday. Those needing pick-up on the weekend should call the police department for dispatching.

Lewis asked that residents take their trash, tree limbs, etc., to the alley, and to have trash so situated that two men could handle it.

"We will also be running the street sweeper during the week. We have over 14 miles of pavement in the city, and we plan to cover it all. Some streets will require special attention," Lewis said.

On Saturday, April 16, the city is sponsoring a contest, to see what group or organization can collect the most trash. Winners will be awarded \$50, with a second place prize of \$25, and third place cash prize of \$10.

Friona Wheat Growers have offered the use of their scales to weigh the trash which is collected.

The activities on April 16 will start at about 10 a.m.

The Chamber is also sponsoring a

poster and coloring contest for students from kindergarten through the fifth grades, on the clean-up theme. Winners will receive ribbons and cash prizes.

During the clean-up week, the city will waive its usual charge for dumping trash at the city landfill southwest of the city.

Members of the Fire Department will be passing out litter bags for the use of the citizens.

Lewis said that the State Highway Department has agreed to clean up the northwest corner where Highway 60 intersects with North Highway 214, and that the city would maintain this area in the future.

The city also plans to plant a wildflower ground cover on the slopes of landfill at the Community Center. (See separate story dealing with long-range plans for the Reeve Lake area.)

The City and Chamber of Commerce will be putting the whiskey barrels back out for businesses who purchased them last summer. Some type of evergreen shrub is to be selected for the barrels this year.

It is also planned to plant some trees along the perimeter of Reeve Lake, to serve as windbreaks and also for decorative purposes.

The Chamber of Commerce agreed this week to purchase some attractive trash containers, which will be placed on Main Street.

The Chamber plans to instigate a "lawn or yard of the week" award, which will be designated by a sign and a prize.

Gobble Trash Up, Up & Away SPRING CLEAN-UP WEEK April 10-17

COLD BLOOMS...This young peach tree was typical of what the trees looked like in Friona Friday morning. With the blossoms covered in snow, who knows what the peach crop will do.

STATE COMPTROLLER Bob Bullock, whose expertise in finances we consider as being one of the bright spots in our state government, has issued a warning that we feel all our citizens should hear.

Bullock has put up a red flag on Governor Mark White's suggestion that the state issue bonds to pay for \$700 million in state highway costs over the next two years.

Quoting directly from Bullock's news communication:

"Many states do use bonds for highways, and their experience shows a direct link between a state's bond debt and its overall tax burden, its business climate and its growth.

The highway bond proposal also raises the question as to whether the \$700 million is a legitimate long range capital outlay or whether it is in fact simply deficit financing of \$700 million the highway department would otherwise want from current state revenue to meet current expenses.

A \$700 million bond issue is a large concern even for a state as strong as Texas. It could possibly be the largest bond issue in the history of the United States.

Texas' total state bond debt today--just those bonds backed by the full faith and credit of the state--is \$1 billion. It took Texas 37 years to build up that debt.

That makes Texas 45th lowest in the nation in state debt and 47th lowest in state interest payments on its bonds. It is not just a coincidence, then, that Texas ranks 37th lowest in state taxes per person and first or second best in "business climate" ratings issued by such recognized firms as Alexander Grant and Company.

The impact of bond debt is best seen in bond "ratings" by the two national rating firms--Moody's and Standard & Poor--which determine interest rates a state pays on its bond debts.

Texas is one of only 12 states which have a triple-A rating, the best there is.

It is appropriate to compare Texas to the eight other major industrial states. Of the eight, seven use bonds for highways but only two of them have triple-A ratings, Illinois and New Jersey.

But note the fact that Illinois and New Jersey have very high state taxes and very low local bond debt compared to Texas.

The triple-A rating with its lower interest rate is virtually always reserved for "general obligation" bonds, those bonds backed by the full faith and credit of the state. Under the Texas constitution general obligation bonds require a vote of the people.

The highway bonds proposed by Governor White would not be put to a vote of the people. They apparently would be issued by a semi-public agency created by the Legislature to issue "revenue bonds" to be repaid by dedicating ¼ of a penny of the state gasoline tax to them.

As a rule, state "revenue bonds" are downgraded from triple-A to double-A and in many instances single-A.

Futher, sources in the bond market say that highway revenue bonds probably could not be financed for more than 12 years instead of the customary 20 to 40-year periods given general obligation bonds. That point raises severe questions as to whether highway bonds are truly capital outlay or simply current expense.

Revenue bonds today draw interest rates of 9¼ to 9¾ percent.

A \$700 million highway bond issue at 9½ percent over 12 years would cost \$503 million in interest alone over the life of the bonds. This means annual debt payments of \$100 million.

Those annual payments COULD NOT be covered by the dedicated gasoline tax. The tax dedication would raise \$65-70 million a year, and the rest of the debt payment would have to come from other tax money.

These numbers are staggering, but

RE-DECORATE....Paula Clark and Camille Beville, members of the Friona Young Homemakers chapter, pose in the labor room at Parmer County Community Hospital. The chapter members have re-decorated the room. Also shown is Courtney Clark.

Friona Flashbacks

...from the files of The Friona Star

55 YEARS AGO--APRIL 13, 1928

On Tuesday morning of this week, the town was aroused from its slumbers with the news that the Dixie Filling Station was burning. The entire building, which contained three compartments, housing besides the filling station the Woodell Produce and Restaurant, and the Highway Garage, was completely destroyed. S.M. Malone of Roswell owned the Highway Garage. Mr. and Mrs. J.H. Woodell owned the restaurant.

45 YEARS AGO--APRIL 15, 1938

Lazbuddy School won high point honors in the Parmer County Interscholastic Track Meet held here on Monday afternoon. Lazbuddie won first place in the low hurdles, pole vault, and shot put. Friona will send two men to the district, Price Brookfield, winner of the half mile, broad jump, discus and javelin throw, and Martin Todd, winner of the mile run.

40 YEARS AGO--APRIL 9, 1943

Funeral rites for Clyde Seamands, Friona's outstanding pioneer cattleman and rancher, were held here Sunday afternoon at the Union Congregational Church. Rev. Paxton Smith, pastor of the church, was in charge of the services and preached the funeral sermon.

Mr. and Mrs. Dick Habbings, who have been in Indiana since selling their farm here last summer, have returned to Texas, according to a card from them this week.

35 YEARS AGO--APRIL 9, 1948

In the annual school election here last Saturday, two trustees were elected from a slate of seven candidates. Jake Lamb, with 81 votes, and D.O. Robason, with 54, were elected. Others were Marvin Lawson, 26 votes, Leo McLellan, 34 votes, Ralph Wilson, 49 votes, Glenn Reeve, 12, and Carl Maurer, 28.

In the city election Tuesday, Mack Bainum was elected mayor, with Carl Maurer and Nelson Welch elected as commissioners in a write-in vote which produced one of the liveliest city elections in years.

30 YEARS AGO--APRIL 9, 1953

Rev. George E. Meyer, who has served as pastor of Friona's Congregational Church the past three years, announced his resignation this week. Rev. Meyer said he planned to leave the ministry.

25 YEARS AGO--APRIL 10, 1958

An all-new building and plant to house and produce The Friona Star will soon be a reality, W.H. Graham, Jr., publisher, announces this week. Development plans call for completion on June 20, and first production work is anticipated July 1, he says.

Jones Construction Co. got the contract for the construction of a 48x46 foot addition to the present school cafeteria for their bid of \$20,722 at Monday night's meeting of the board of trustees of the Friona Independent School District.

20 YEARS AGO--APRIL 11, 1963

The Friona Independent School Board was faced with 70 applications for the job of coach of the Friona Chieftains in its regular monthly meeting Monday night. Applications came from all parts of Texas, and from Oklahoma and New Mexico.

The annual spring meeting of the Texas Home Demonstration Assn.'s District I will be held in Friona today. Around 350 women are expected to converge on Friona from a 19-county area.

15 YEARS AGO--APRIL 11, 1968

Over 40 representatives of the press and area industrial leaders attended a special tour of the Missouri Beef

facilities Monday, conducted by Missouri Beef's president, R.E. (Gene) Frye. The special tour was arranged to help publicize the new Friona plant's dedication and open house on April 20 and 21. The dedication ceremony, to which the public is invited, is scheduled for 2:30 p.m. Saturday, April 20. State senator Jack Hightower of Vernon will act as master of ceremonies.

Prices from grocery ads: whole fryers, 29 cents pound; eggs, 3 dozen for 88 cents; hams, 49 cents pound; Cokes, 2 king size cartons, 89 cents; tomatoes, 28 cents pound.

10 YEARS AGO--APRIL 12, 1973

Although retailers throughout the area have no apparent adverse backlash from the "beef boycott" last week, Missouri Beef Packers was forced to close down operations temporarily. The boycott has prompted the Friona Chamber of Commerce and Agriculture to adopt a resolution to send President Nixon a letter, according to Dale Cary, president of the board.

The Friona Junior High band returned from Interscholastic League contests Tuesday with First Division ratings in both concert and sight-reading competition. Tuesday's competition was held at Lubbock Estacado High School.

5 YEARS AGO--APRIL 9, 1978

Honor graduates for the Friona High School class of 1978 were announced this week by John R. Cook, principal. Bryan Johnston will be the class valedictorian, having a four-year average of 94.60. Perry Church will be salutatorian, with an average of 93.84. John Carson is the class historian, with a 93.94 average.

Friona High School's UIL Contest play, "The Miser," was judged district winner in competition Thursday at Dimmitt, earning the right to compete in the area competition next Thursday at Plainview. Bryan Johnston, Sharla Benge and Jay Jarboe were named to the all-star cast. Other cast members are Rickey Taylor, Sharla Duggins, Laura Ellis, Rosa Garza, Gigi Spring, John Carson, Gary Wright, Tracy Horton, Mark Bavousett, Mark Edelman and David Merrell.

RALPH ROMING

Roming Is Named To Committee

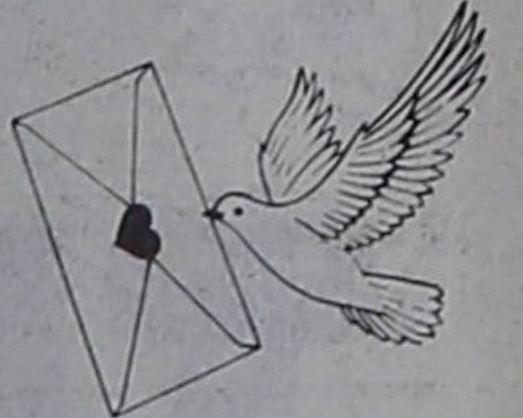

Eight High Plains residents were appointed this week by Governor Mark White to the newly created 26-member Texas Family Farm and Ranch Advisory Committee, part of a broad agricultural policy initiative to address the problems of farmers.

Named to the committee, along with eighteen others from across the state were Jerome Friemel, a Hereford farmer; Cathy Jo Harman, a Happy farmer; Jim Hutchins, an agribusines representative from Estelline; Carl King, a Dimmitt farmer and president of the Texas Corn Growers Association; Joe Rankin, a Ralls farmer and Texas Farmers Union vice president; Ralph Roming, a Bovina farmer; Doug Seal of Wellington, president of the Texas Agricultural Caucus and a member of the State Democratic Executive Committee; and S.M. True, a Plainview farmer and president of the Texas Farm Bureau.

The committee is scheduled to meet every few weeks in Austin and will serve as a link between state government and the agricultural community in Texas, according to the governor's office.

White said the committee will advise him and Agriculture Commissioner Hightower on the effects of federal agricultural policy and will propose new ideas for state and federal policies in the interests of Texas producers.

Letter To The Editor

Dear Fellow Texans:

If you're like most Texans, your biggest investment is your home, and since you bought it its value has probably increased substantially.

But did you know that Texas law says you can't use that increased value, or equity, for anything but home improvement? That's right--you can borrow money against your home to build a hot tub or swimming pool, but not to pay for your child's college education.

You can borrow money using your equity to put a wet bar in your den, but not to start or invest in a business. And if you had a real emergency, such as large medical bills or funeral expenses, you'd have to sell your home to be able to use its value! That's right--you'd have to sell your home!

What if you're retired? If your pension and Social Security aren't enough, the only way to use your home's equity to live better is to sell your home!

Is this fair? Do you believe the state government should deny you the right

to choose to use your home's value, your asset, as you want?

If you agree that we Texans should have the right to choose to use our homes' equities for worthwhile purposes, I hope you'll join "Texans for Home Value Access." We're a non-profit organization working to pass an amendment to the Texas Constitution to get this right to choose. However, it must first be approved by the Texas Legislature, then voted on by all Texans.

You may not want to draw on your home's equity today. But you and your family may someday need to make use of your home's equity.

Together, we can guarantee Texans the right to choose. If you are interested in joining the T.H.V.A., or if you would like more information, please write to me in care of the address below.

Sincerely,
R.L. Knox
Texans for Home Value Access

Austin, Texas 78701

Water District Makes Annual Water Checks

The High Plains Underground Water Conservation District has completed its annual program of measuring depth-to-water levels in the 97 wells in Parmer County. These wells are part of a larger network of more than 950 observation wells scattered throughout the District's 15-county service area.

Shorty Lancaster was able to complete all measurements of "static" water levels in observation wells and tag them with the District's identification sticker for owner information.

"Several irrigators stopped me in the field to ask about declines and what their water was doing," said Shorty. "We have initial results for each of the 15 counties, but tabulated data on the entire observation network readings is not expected to

be complete until mid-year."

Parmer County's 1982-83 depth-to-water table below surface minimum reading was at 182.00 feet, and the maximum level read was at 394.23 feet. This year's average change in depths-to-water in the county was -2.13 feet, which compares with a 1981-82 county reading of -1.88 feet. Comparing the rate of change calculated this year for these wells shows a minimum decline change of plus 3.24 feet and a maximum decline change of -7.64 feet.

The Water District keeps a record of annual decline and rate of change going back to 1962. The data is used for making projections of decline rates, for determining the amount of water left in storage, and as a basis for the income tax depletion allowance claims on landowner's tax returns.

Participants Advised To Divert Severe Weed Infested Acreage

Church Choir Presentation

Farmers who participate in the government's Payment in Kind (PIK) program this season will be inclined to idle their less productive acres.

When making that decision, Dr. Allen Wiese, Extension weed control specialist at Texas A&M University, says farmers can "improve their long term profitability by diverting those acres most severely infested with problem perennial weeds.

"There are a number of weeds that offer growers the opportunity for significant population reduction while the land is idle," says Dr. Wiese. "These include johnsongrass, shattercane, field bindweed, barnyard grass and several more."

Under PIK rules, growers must control weeds on idled acres. The rules state: A farm operator shall, in a timely manner, use needed control measures for erosion, insects, weeds and rodents on the conservation use acreage." Failure to do so can result in a reduction or complete loss of program benefits. What are the control options? There are really only two: mechanical and chemical.

Mechanical weed control could include clipping or tillage. Clipping does not kill weeds but can prevent them from setting seed and increasing future weed control

problems. In the case of perennial weeds, clipping will not control growth of underground rootstock.

Tillage poses a number of problems. First, it's expensive in terms of equipment, fuel and labor. Second, it often compounds the problem by spreading the perennial's reproductive root systems and by turning up annual weed seeds so they can germinate. Third, it enhances the opportunity for wind and water erosion, which must be controlled to comply with PIK regulations. A cover crop, which is required to protect the soil from erosion unless a farmer requests and receives ASCS permission to leave the ground as stubble from the previous crop, will not usually provide adequate suppression of weed growth. Tillage as a means of weed control would only serve to destroy the soil conservation benefits of the cover crop or stubble.

It should be a farmer's goal to keep expenses to a minimum on PIK-idled acres, according to the university weed control specialist. Complying with the erosion and weed control requirements of the program will incur some costs, so examine each expense carefully. While there's no return on tillage costs, an investment in chemical weed control can pay

dividends for several years to come.

By diverting acres with severe weed problems and making a small investment in a sound herbicide program, growers can bring the weeds under control so the land can be returned to maximum production in future years. And since the land is idle, farmers have maximum flexibility in both herbicide choice and application timing.

While the treatment season is still months away, a grower needs to plan now to set aside those fields, or portions of fields, with severe weed problems, advises Dr. Wiese.

"Then a good herbicide program

can accomplish significant reduction of the problem. For johnsongrass you'll probably want to use Roundup.

"Field bindweed, redvine, trumpet creeper, pepperweed, milkvine and silverleaf nightshade can best be controlled with either Banvel or Banvel plus 2,4-D," advises Dr. Wiese.

Dr. Wiese says that treating while the land is idle offers growers an excellent opportunity to reduce the population of many problem weeds, with the payoff coming in future crop yields.

The public is invited to attend the Sunday evening presentation by the adult choir of the First Baptist Church of Friona.

Beginning at 7 p.m. on Sunday, April 10, the choir, accompanied by Eva Miller and Claudia Hanes and directed by Geary Brogden, will sing a collection of musical arrangements especially selected for their new and joyful messages.

The presentation will follow a day of fellowship for the members including morning services and the all-church banquet in the afternoon.

Townpeople are invited to attend, Brogden stresses. Nursery will be provided.

Around The House In Parmer County

By LAURA JACOBS
This week, let's take a look at a mixed bag of health information.

Health Quackery-Alive & Well
Health Quackery is alive and well!

Health fraud is a multibillion dollar business in America today.

Victims suffer medically as

well as financially. They are often persuaded to abandon reliable, safe therapies for the dangers of unscientific treatment.

Modern health fraud includes the promotion of laetrile and the billion dollar-a-year business of arthritis quackery.

Mistreatment of the overweight with scientifically unsound diets, drugs and devices is another common practice in health frauds.

Alcohol, Drug Abuse & Texas Youth

Alcohol and drug abuse are two of the most serious problems facing young people growing up in Texas today.

The Texas Commission on Alcoholism reports that six children under age 10 were arrested for drunk driving in Texas in 1980. In all, the report shows that 18,122 Texans aged 17 and under were arrested for alcohol-related offenses in 1980. Of these, 1,697 were for driving while intoxicated; 4,623 for liquid law violations, and 11,802 for drunkenness.

Five of the liquor law violation arrests were of children under 10, as were 41 of the drunkenness arrests.

Mixing alcohol and driving contribute to more than half the traffic fatality cases involved youth, the Commission says.

In addition, alcohol use among adolescents is linked to problem behaviors, such as poor academic performance in school, delinquent behavior in the classroom and withdrawal from normal youth activities.

Footnotes
Proper foot care can pay "big dividends" in how you feel.

Good care of the feet is particularly important for persons with special problems-such as being overweight. And by conservative estimate, more than 30 percent of the adult population is overweight.

While we hear about numerous health problems associated with being overweight, few of us consider the consequences of those "extra pounds" to our feet.

Some ways that feet show the "abuses of obesity" include swelling, calluses, corns, ingrown toenails, heel pain and arthritis joints.

Overweight people often tend to perspire more readily, and bacteria can thrive on this excess foot moisture trapped between the toes. This situation increases the risk of infection.

YOUR HOME

Home is where your heart is, but more than that it's a source of pride, of a feeling of permanence and security.

Home brings a new spirit of caring, about yourself, family, neighbors, your community, your country. It's a place to dream in, laugh in, feel free in, safe in, teach in and set good examples in.

Home, an investment in the truest sense, making possible the seemingly impossible, your stake in America's future.

Home is where your heart is, and more, much more.

One of the prettiest sections in Farmer County. \$550 per acre, with \$377 per acre good improvements. It has 14 irrigation wells, three bedroom, two bath stucco house, with living and family rooms, basement, hired hand house, barn and corrals. Southwest of Friona.

160 acres, lays nearly perfect. Excellent farm, with two six-inch wells. Water-drive Valley. \$700 per acre. Southwest of Friona. 2-tfnc

ATTENTION: Mr. Farmer
Your Asgrow seed dealer could save you as much as 10% of your entire grain sorghum hybrid seed cost!

For every 10 bags of grain sorghum seed purchased & planted, you pay for only 9.

That's a... 10% savings on each ten bag purchase!

Asgrow wants to:

- Help fight the high cost of farming
- Offer you its complete line of grain sorghum hybrids at substantial savings
- Give you a choice of more than one hybrid

Here's how it works:

- Purchase and plant any combination of grain sorghum hybrids in multiples of 10 bags and pay for only 9
-Buy 30 bags...pay for 27
-Buy 50 bags...pay for 45
- Any combination of grain sorghum orders qualify
- No Limit!

Plus, receive one bag of corn free when you purchase 9 bags of RX90, RX909, and/or RX777. That's also a 10% savings on each 10 bag purchase!

Be sure & ask your Asgrow dealer about Farmcraft Grazer - a good inexpensive cover crop for your lay-out acres. For information, call Bennie L. Pickrell, Littlefield - 385-3763 or 385-4095!

asgrow safened seed Plain or Safened

DECORATIVE VINE... The above honeysuckle vine was intended for decorative purposes, but to hold a veil of snow just when it was ready to bloom probably wasn't the owner's original idea. Thursday evening's snowfall caused some artful designs on trees and shrubs in the area.

Star Lites . . .

(Continued from Page 1)

they are no less staggering than is the question of deficit financing clearly raised by this issue and clearly in violation of the constitution's pay-as-you-go provision.

Texas needs only look along its own borders to see what happens to states who borrow heavily and those who don't. Arkansas has no general obligation state debt and ranks 42nd lowest in state taxes. Oklahoma has a triple-A bond rating and it does not use bonds for highways.

By contrast, New Mexico and Louisiana use bonds for highways and their bonds are rated double-A and single-A. They also rank 4th and 5th highest in the nation in state taxes per capita.

Texas cannot overlook that fact that despite their state government's relatively small bond debt, the overall public debt in Texas is massive—\$29 billion in all for cities, schools, hospitals, water districts and the like.

In all, 3,600 public agencies and government entities in Texas have authority to issue bonds, more than any other state in the nation.

If another bond was never issued in Texas, a baby born today would be 50 years old when the last EXISTING bond was finally paid off in the year 2033.

Texas in recent years have taken an increasingly hostile look at bond issues, even to the point of regularly turning down school bond issues which traditionally have been popular.

Texas has the finest highway system in the world, and not a mile of it was built with deficit spending.

We must maintain our highways, but we must also always remember that the road to bankruptcy is paved with borrowed money."

GSPA Requests Corn Removal From Texas

Grain Sorghum Producers Association has requested Secretary of Agriculture John Block to relocate the corn which Commodity Credit Corporation is holding in the Texas High Plains and use it for PIK payments. USDA is seeking to buy grain from farmers to fill their PIK commitments. Severe shortages of PIK grain exist in several states.

In a telephone conversation with the GSPA Board of Directors in February, Block assured that the corn would not be released in the High Plains area in payment for production taken out in some other region. Block said, "If we use any of that grain (the CCC-owned corn) to pay for production taken out of the northern corn belt, that grain is going to be transported back to the northern corn belt, or in that area."

In a letter to Secretary Block and in conversations with other USDA officials, GSPA Executive Director Elbert Harp stated that the use of the CCC-owned corn would provide grain needed for some of the PIK

payments and, at the same time, relieve the severe shortage of storage facilities in the Texas High Plains. Harp pointed out that all storage facilities in many Texas High Plains counties are filled, leaving no space available for the 1983 crop.

USDA owns approximately 42

million bushels of corn that was shipped to Texas in 1980. The corn was purchased in the northern corn belt after the Russian grain embargo and, to relieve storage problems in the northern area, the grain was shipped to Texas for storage. In 1981, USDA started selling the corn in competition with High Plains producers, breaking the local market. The sales were stopped when GSPA and Texas Corn Growers Association organized to bring legal action.

GSPA believes PIK payments in the grain-deficit area would be one way to remove this corn from Texas. The sorghum association is concerned about the lack of sufficient storage space for the 1983 crop and believes their proposal, if implemented, will help relieve this critical problem.

Lazbuddie Man's Rites Are Held

Funeral services for Olen "Short" Ivy, 78, of Lazbuddie, were held Friday, April 8, at 2 p.m. in the First Baptist Church of Muleshoe with Rev. Dale Cain, pastor of Calvary Baptist Church in Lubbock and Rev. J.E. Meeks, pastor of First Baptist Church in Muleshoe, officiating.

Burial was in the Bailey County Memorial Park in Muleshoe.

Born October 28, 1904 in Fannin County, he had been a resident of Lazbuddie since 1925, moving there from Collin County. He married Nola Aretta Reed March 23, 1929 in Farwell. Ivy was a farmer and was a deacon of the First Baptist Church in Lazbuddie. He died Tuesday April 5, at Methodist Hospital in Lubbock after a lengthy illness.

Survivors include his wife, Nola of the home; two daughters, Mrs. Gail Mosley of Lubbock and Mrs. Barbara Matthews of Lazbuddie; one son, Olen L. Ivy of Arlington; one sister, Mrs. Oneita Wagon of Muleshoe; three brothers, Tony Ivy of Vanita, Oklahoma, D.B. Ivy of Muleshoe and Hopper Ivy of Dimmitt; seven grandchildren and four great-grandchildren.

Incumbents Are Elected

In a low voter turnout last Saturday, April 2, incumbents were re-elected in both the city council and school board elections.

City council results were Jack Hamil 104 votes, Beth Thompson 89, Jon Mack Roden 70 and Gay Tannahill 66. A total of 113 people voted.

In the school election, Jerry Hinkle and Teddy Fangman, unopposed, were elected.

Chieftain Track Team Scores In Two Meets

The Friona Chieftains' track team had quite a busy week last week, considering that school was out for the Easter break.

On Thursday, the team participated in the Bovina track meet, as most of the schools which had originally been entered in the meet there were able to compete in a "make-up" meet.

"We were missing some of our performers, but we did pretty well, overall," said Coach Steve Williams.

In the Bovina meet, Friona placed

third behind winning Muleshoe and second place Stratford. The top Chieftain performance was by Michael Chaney, winner of the discus event with a toss of 138 feet. Chaney also placed fourth in the shot put.

Other point-winners for the Chiefs included Charlie Veazey, second in the pole vault; Daniel Gowens, fourth in the high jump; Mike Neill, fourth in the high hurdles; Robert Escalante, sixth in the discus; Thomas Merritt, sixth in the pole vault; Charlie Morgan, fourth in the 100 and fifth in the 200; Richie Malouf, second in the intermediate hurdles; John Aguirre, fourth in the intermediate hurdles, and Joe Garza, sixth in the 200.

The Chiefs' 400 relay team of Ricky Marquez, Malouf, Aguirre and Morgan, placed third, as did the 1600-meter relay foursome of Malouf, Marquez, Garza and Aguirre.

On Saturday, April 2, the Chiefs placed third in a meet at Portales, N.M., behind winning Lovington and second-place Artesia. The Chiefs were a point behind Artesia in the standings.

Chaney again won the discus, with a season-best throw of 148-6, and again placed fourth in the shot.

Mike Neill, who competed for the first time at Bovina on Thursday, won the high hurdles event with a time of 15.9 in the prelims and 16.0 in the finals. Neill missed the latter part of the football season and all the basketball season due to a knee operation.

Daniel Gowens placed third in the high jump, Thomas Merritt placed fifth in the pole vault; Richie Malouf placed fifth in the long jump and fourth in the intermediate hurdles; Ben Neelley placed fifth in the high hurdles and Morgan was fifth in the 100.

The 1600-meter relay team (Marquez, Johnny Trevino, Malouf and Aguirre), placed third. The 400-meter relay team (Marquez, Trevino, Aguirre and Morgan), placed fifth.

The Chieftains were scheduled to run at Denver City on Saturday, and at Muleshoe in a dual meet Thursday, then a two-day meet at Boys Ranch Friday and Saturday, April 15-16. The district meet is Tuesday, April 19 at Tulia.

CARL JACKSON

Jackson Is Signee At ENMU

Bill Kelly, head football coach at Eastern New Mexico University, has announced the signings of 32 players to letters-of-intent at the school. These signings are in addition to 21 junior college inkings previously announced by the coach. Twenty-six of the new signees are from the high school ranks, while six are junior college transfers.

Carl Jackson, a Friona native, is among those signed.

Jackson, 5-11 and 210 pounds, started at linebacker for the Friona High School Chieftains. He was a team leader on defense, and was named to the all-district 2-AA first team at linebacker, being a unanimous choice.

Kelly, whose team has been dubbed "The Throwin' New Mexicans," is in his first year as head coach at ENMU. During his two previous years as head coach at Snow College in Ephraim, Utah, his club compiled a 17-6-1 record, and was in the top five in the nation among junior colleges in passing and total offense.

Softball Plans Made

Plans were made for the softball season in Friona for 1983 at a meeting Tuesday at the City Hall.

Plans are underway for three leagues, including a men's league, a women's league, and a mixed league, called the Co-Rec League, which will play on Sunday afternoons. All will begin play on May 1.

James Glazes Attend Land Bank Meeting

Mr. and Mrs. James B. Glaze of Muleshoe have just returned from Houston where he represented the Federal Land Bank Association of Muleshoe at the 38th Annual Stockholders' Meeting.

The meeting, held at the Westin Oaks Hotel, was attended by members of the 55 Federal Land Bank Associations in Texas. There were approximately 450 persons in attendance at the March 25 meeting.

According to Land Bank President Thomas H. Benson, while low commodity prices, high interest rates and rising production costs combined to create a year of adversity for farmers served by the Texas Land Bank, the rate of delinquencies and foreclosures remained low due to the Bank's policy of working with member borrowers.

The Federal Land Bank of Texas is part of the nationwide Farm Credit System, the nation's largest private cooperative lending institution. The Federal Land Bank Association of Muleshoe makes and services loans in this area.

LEADS EVENT....Richie Malouf, who has been one of the Chieftains' consistent performers during the 1983 track and field season, is shown clearing a hurdle enroute to one of his winning races. The Chiefs have a full schedule, culminating with the district meet April 19.

Baseball Tryouts Are Slated

Registration for the summer baseball program will be held Saturday, April 9, from 1-5 p.m. in the Friona High School cafeteria.

The baseball program will include children from seven to 18 years of age. Each child should bring their birth certificate and there will be an \$8.00 fee per child.

Tryouts will be conducted Saturday, April 16, starting at 1 p.m. Ages 7-12 will try out in the east ball park and 13-15 year olds will try out in the west ball park.

Dribblers At Midpoint of Season

The Little Dribblers' program for boys and girls is about halfway through its schedule, and parents are urged to come out and watch the games.

An awards presentation has been scheduled on Tuesday night, April 26 at the Community Center, for all coaches, players, parents, family and fans.

A hot dog supper will be featured, which will be free to players and coaches, with a 50-cent charge for others.

The program will culminate the Little Dribbler season.

Track Meet, Play Time Re-Slated;

The Friona Squaws' track team had its district meet snowed out on Tuesday, and will try again Saturday beginning at 9 a.m. at Tulia.

Due to the change, the school's contest play has been moved from third to sixth spot in its performance at Lubbock Cooper on Saturday. The play will be presented beginning at about 6:15 p.m.

SHERRY DAWN O'BRIAN and BOBBY DARELL THOMPSON....Mr. and Mrs. Dwight O'Brian of Friona announce the engagement and approaching marriage of their daughter, Sherry Dawn, to Bobby Darell Thompson, son of Mr. and Mrs. Darrell Thompson of Friona and Jan Thompson of Hereford. Wedding vows will be exchanged at 6 p.m. Wednesday, June 1 at Friona United Methodist Church. The bride-elect will graduate from Friona High School in May. The prospective bridegroom is a 1980 graduate of Friona High School. The couple will make their home southeast of Friona where he will be engaged in farming.

Winifred Hurst Gives Study Club Program

The Modern Study Club met Tuesday, April 5 for their regular meeting. Winifred Hurst presented a demonstration on the art of Japanese cooking. Several methods of cooking were used, including the wok. Her menu consisted of green tea, won ton wings, tempuna, suimons, Japanese rice, cashew chicken, teppan yoki and snow pudding for dessert. She was assisted by Jeannie Tucker. Linda Murphree, attired in an original Japanese costume, sang "Poor Butterfly" and was accompanied by Eva Miller at the piano. Twenty-one members and two guests, Mrs. Loraine Outland and Janette Collard, were present.

ON APRIL 16

Tanahill, Thompson Are Award Nominees

Two residents of Friona are among the 108 nominees for the Texas Panhandle Distinguished Service Awards which will be presented at West Texas State University.

Nominated are Gaye Tanahill of 1615 West Tenth Street and Beth Thompson of 1609 West Tenth.

Recipients and nominees will be honored during the awards luncheon from 11 a.m. to 1 p.m. on Saturday, April 16, at the West Texas State University East Dining Hall.

Colette Dowling, author of the best selling "The Cinderella Complex," will address the luncheon theme "Women--Aware." Music will be provided by members of the Harrington String Quartet who will play Puccini's "Chrysanthemums."

Tickets to the luncheon which is hosted by the WTSU Returning Student Program are \$10 each and must be purchased from the Returning Student Office by Monday, April 11.

Women have been nominated by individuals and organizations for contributions to civic and volunteer service, career and professional areas. Nominees are from Amarillo, Borger, Canadian, Canyon, Childress, Clarendon, Claude, Dalhart, Dimmitt, Dumas, Floydada, Friona, Fritch, Happy, Hereford, Kress, Lockney, McLean, Memphis, Muleshoe, Pampa, Panhandle, Perryton, Phillips, Plainview, Spearman, Stratford, Tulia, Turkey and Wheeler.

Contributors to the Speakers Endowment fund also will be recognized.

Progressive Study Club has nominated Mrs. Tanahill. She is employed part-time with the Friona Independent School District teaching reading skills through the Title I Immigrant Program. On a volunteer basis, she works with students in the Friona High School drama department where she designs and sews costumes, designs sets and

teaches student performers to apply make-up. She also works with students who participate in University Interscholastic League poetry, prose reading and play competition, judges Friona High School speech tournaments and helps with costuming and scenery for the summer drama workshop.

She also is involved as a member of Little Dribblers Basketball Board, Progressive Study Club, Friona Little Miss Pageant, Friona Maize Days Queen Contest, and Union Congregational Church. She teaches arts and crafts at Prairie Acres Nursing Home, participates in Children's Story Hours at Friona Public Library and has conducted the telethon center at Friona for the Panhandle Chapter of the Muscular Dystrophy Association.

For her community work, the Friona Chamber of Commerce honored her as Woman of the Year in 1980. She and her husband, John, are parents of one daughter, Lory Anne, and one son, John Mark.

Mrs. Thompson has been nominated by Modern Study Club, Dave Thompson, First Baptist Church and Eva Miller.

During the six years she has served as a member of the city council the city has acquired new water wells and a new public library building. When she married Dave Thompson in 1962, she became the mother to a combined family of eight children including her three sons. Since the family moved to Friona from Tulia, she has been active as a member of Modern Study Club, First Baptist Church and has been appointed as delegate for the city of Friona to help plan the Texas Sesquicentennial.

While serving as president of the Modern Study Club, she helped direct the club to raise \$4,500 to modernize the kitchen of the Friona Club House. Friona Chamber of Commerce honored her as Woman of the Year in 1978.

DOYLA RENAE MONROE and JAMES CHRISTIAN BARNETT....Mr. and Mrs. Clarence Monroe of Friona announce the engagement and approaching marriage of their daughter, Renae, to Chris Barnett, son of Mr. and Mrs. Wesley Barnett of Friona. Wedding vows will be exchanged Saturday, May 21, at 7 p.m. in the First Baptist Church of Friona. Miss Monroe is a 1979 graduate of Friona High School and is a candidate for graduation from Texas Tech University in May. Barnett is a 1979 graduate of Friona High School and will also graduate from Texas Tech University in May.

Michael David Chaney Gets Scholarship From McMurry

Michael David Chaney of Friona has been named to receive a presidential scholarship at McMurry College for the coming year, according to Dr. Thomas Kim, McMurry president.

McMurry is a fully accredited four-year liberal arts college in Abilene, Texas. Established in 1923, McMurry is owned and operated by the Northwest Texas and New Mexico Conferences of the United Methodist

Church. To be eligible for a presidential scholarship at McMurry, a student must graduate in the top quarter of his high school class. A score of 21 or better on the act qualifies a recipient for additional presidential scholarship funds.

Michael is a May 1983 graduate of Friona High School. He is the son of Mr. and Mrs. Mike Chaney of Friona.

Eleven Local Women Attend Convention

Eleven Friona women attended the twenty-third annual Caprock District-Texas Federation of Woman's Clubs Convention in Lubbock March 25-26.

The convention was held at Lubbock's new Convention Center, the Granada Royale, where one hundred and eighty-five women registered.

Members attending from Modern Study Club were Donna Mears, club president; Nellie Shelton, first delegate; Emma Frances McClusky, second delegate; Eva Miller, convention pianist; Allo Reeve, home life department chairman; Beth Thompson, yearbook chairman, and members, Betty Smith and Mary Johnston.

Members attending from Progressive Study Club were Gay Tannahill, creative arts division chairman and Roxann Hurst, first

delegate.

Juanita Reed, president of Friona Woman's Study Club, was selected as president's aide and wore a sailor's straw hat with a green band and feather to designate her office.

Fifteen awards were won on programs and projects by Modern Study Club. Donna Mears won three awards for her poems. Eva Miller won an award for her entry in fashions-for-fun. Beth Thompson won an award for her painting entry in the art exhibit. Donna Mears also received a first for her president's report.

Progressive Study Club won twelve awards on their programs and projects.

Juanita Reed won a first on her president's report for Friona Woman's Study Club.

Six Friona ladies were members of the Caprock District Chorus that sang at the awards luncheon.

ATTEND CONVENTION....Eleven Friona women representing Friona's Modern Study Club and Progressive Study Club, attended the twenty-third annual Caprock District Convention, March 25-26 in Lubbock. Attending from Friona were: top photo, left to right, Emma Frances McClusky, Allo Reeve and Nellie Shelton; bottom photo, left to right, Barbara Rhodes, Betty Smith, Roxanne Hurst, Gay Tannahill and Juanita Reed.

Happy Birthday To Friona Folks....

WEEK OF APRIL 9-15

Friona residents having birthdays next week are:

April 9--Steve Bavousett, Shirley Donnelly, Jenette Hodge, Mae Trig.

April 10--Mitchell Reeve, Tammy Ready, Shannon Marie Brookfield, Jonnie Williams, Juanita Baldwin.

April 11--Pudge Kendrick, Vivian Dennis, Karen Head.

April 12--Richie Herring, Jimette McLean, Stormi Upton, Helen

Fallwell.

April 13--Haywood Vaughn, Sami White, Minnie Aguirre.

April 14--Patti Widner, Greg Stowers, Roger Nelson.

April 15--Jay Potts, Joe Zachary, Randy Terry, Christian Hanes, Cari Hand, M.C. Osborn, Ronnie Reed.

If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Thursday noon and report it.

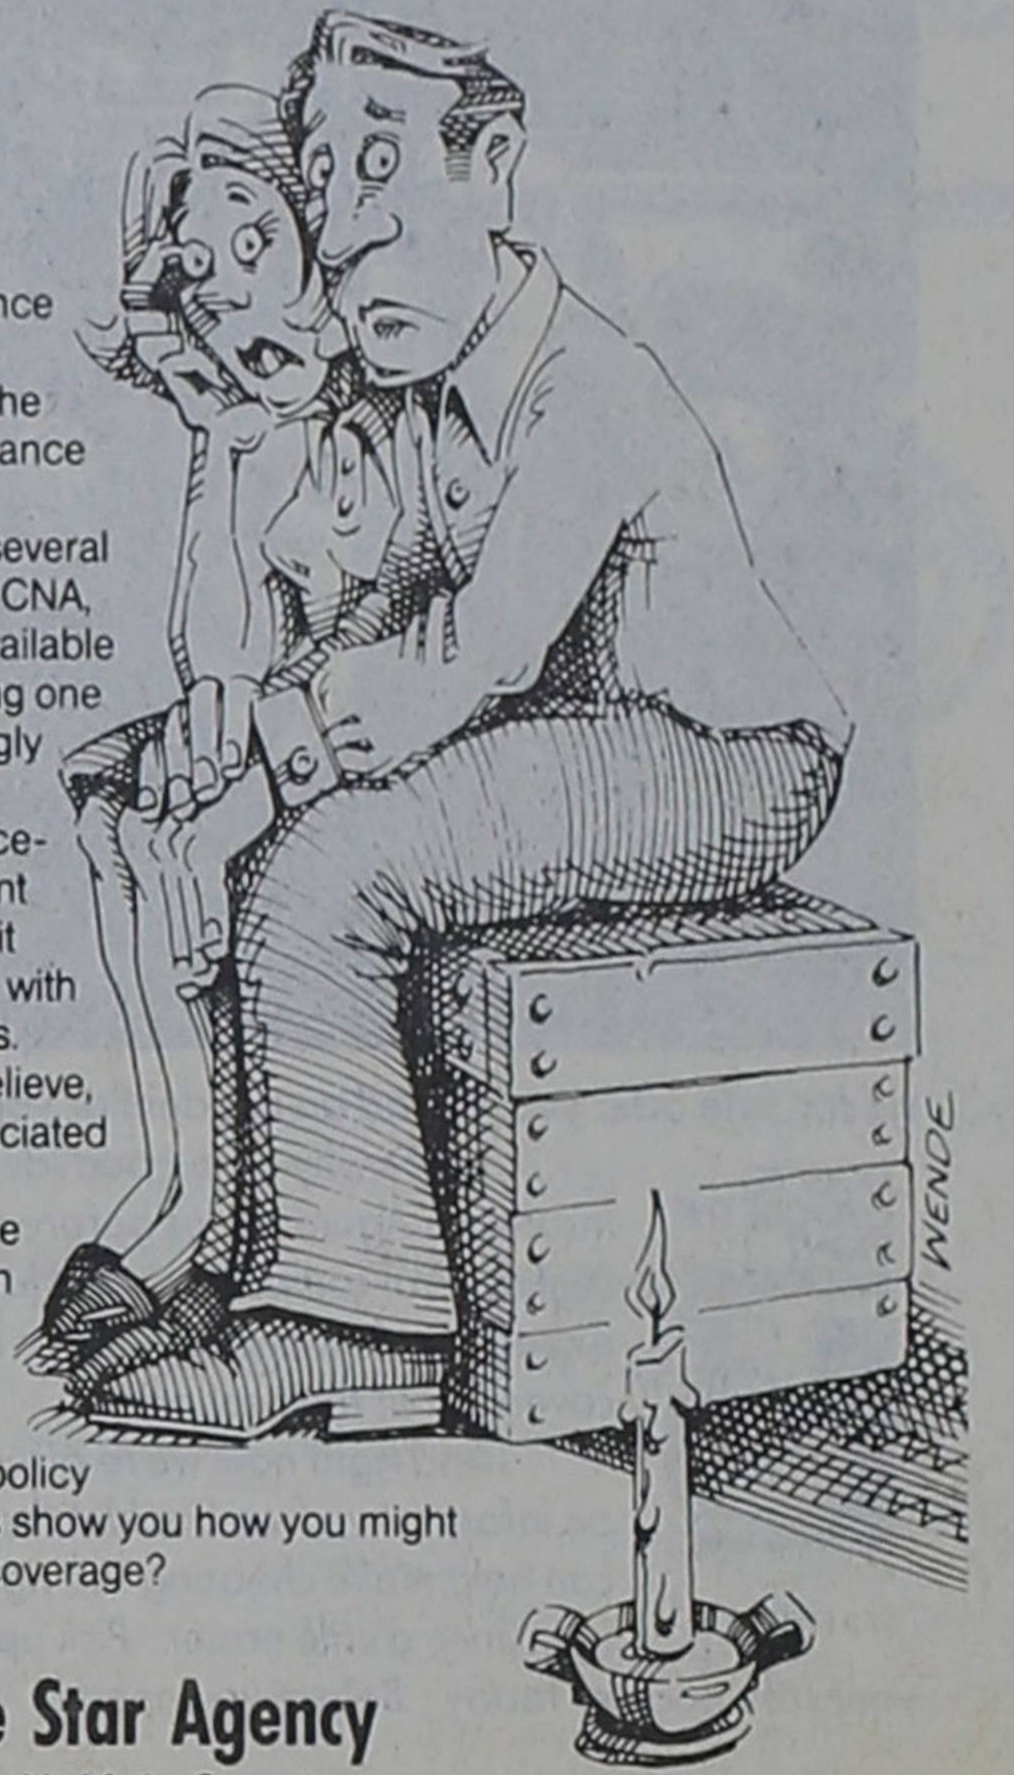

What if you had to depend on your present insurance to replace your possessions?

As an independent insurance agency, we help provide a variety of homeowners in the community with their insurance protection.

Because we represent several insurance companies, like CNA, we know all the options available to you. We're recommending one of these options very strongly to our clients.

It's called contents replacement insurance. In the event of a loss, it pays you what it costs to replace lost items with new items at today's prices. Much more realistic, we believe, than paying you the depreciated value of lost items.

Through suggestions like this one, we believe we can be of great value in helping you properly protect your home, auto, or business. Why not bring your policy in for our review and let us show you how you might improve on your present coverage?

S. Burnett Finds Most Easter Eggs

With his basket filled with fifty-one eggs, Shannon Burnett won the prize for finding the most eggs at the Easter egg hunt sponsored by the Friona Riding Club. The hunt was held at the rodeo arena on West Highway 60 on Sunday afternoon, April 3.

In the one to four age group, the children finding the most eggs were: Amy Rios, 48 eggs; Canna Ray, 46 eggs; Christina Santellana, 36 eggs; Sandra Lynn Davis, 32 eggs and Shae Hanes, 32 eggs.

The youngsters finding the most eggs in the five to eight year old age group were: Shannon Burnett, 51 eggs; Lynn Hand, 31 eggs; Erik Perez, 20 eggs; Chesley Ray, 17 eggs; and Susan Huckabee, 16 eggs.

In the 9 to 12 age group, the children finding the most eggs were: Randy Highsmith, 32 eggs; Brandy Ray, 31 eggs; Nancy Parson, 25 eggs; Jennifer Elgar, 19 eggs; and Michelle Hollinger, 17 eggs.

Over one hundred children hunted for the eggs donated by Bi-Wize Health Mart, D.L.'s Thriftway and Jack and Jill Food Center.

Ray Jackson and Jim Tucker were chairmen for the hunt.

UCC Annual Talent Show Set Sunday

Union Congregational Church will present its annual talent show and spaghetti supper Sunday, April 10, with the supper beginning at 6:30 p.m.

"Little Al's Big Mafiosa" is the title for the event. Members of the community are invited to join their friends at UCC for the evening. Admission is \$2.50 per person for spaghetti, or \$1.00 each for ice cream only.

The program is sponsored by the UCC junior and senior high youth.

It's A Boy For Larry Broyles

Mr. and Mrs. Larry Broyles of Muleshoe are the parents of a baby boy, born at 4:24 a.m. April 6 at South Plains Hospital, Amherst.

Named Brandon John, the new arrival weighed seven pounds, twelve ounces and was twenty inches long.

Grandparents are Mr. and Mrs. Bearl Dean Broyles of Friona and Mr. and Mrs. Loren Hollingsworth of Bangkok, Thailand.

Great-grandparents are J.R. Hollingsworth of Wellington, Kansas and Mr. and Mrs. Norris Brooner of Apache Junction, Arizona.

Linda Martin, Don Klinger Exchange Wedding Vows

Linda Martin and Don Klinger, both San Angelo residents, exchanged wedding vows Saturday, February 26 at 7 p.m.
The ceremony was performed in the Imanuel Baptist Church of San

Angelo by Dr. Bryon Orand.
The bride is the daughter of Mr. and Mrs. Lawrence Martin of Friona.
The bridegroom is the son of Mr. and Mrs. Donald Klinger of San Angelo.

Jeannie Young, organist, accompanied Kathy Klepac, Helen Schwertner and Dawn Ubelhart as the group sang "Endless Love."

The church was decorated with two large brass baskets filled with pink, burgundy and white silk roses, daisies, carnations, baby's breath and burgundy ribbons. Two candles stood beside the unity candle.

As the bride was presented in marriage by her parents, she was attired in a formal length gown of white chiffon with a sheer point d'espirit ruffled rachele wedding ring neckline. The bodice was fashioned with embroidered venice lace and accented with pearls. The sheer bishop sleeves were caught at the wrists by wide lace cuffs.

She wore a chapel length lace edged mantilla gathered on a Juliet cap and carried a white nosegay of white roses surrounded with pink and burgundy rose buds and long white satin ribbons.

Following bridal tradition, her wedding dress was new, she borrowed her veil, wore old pennies minted in the year of their births in her shoes and wore the traditional blue garter.

The groom wore a silver gray tuxedo with a white ruffled shirt trimmed in black. He wore a red rose boutonniere with baby's breath and silver gray bow tie.

Susan Harkey of San Angelo, sister of the bride, was the matron of honor. Diane Doyle of San Angelo was the bridesmaid. They wore light pink floor length dresses with lace over-bodices and long sheer lace sleeves. The fitted waistlines had self-ties in the back.

Jimmy Doyle of San Angelo was the best man. Mark Martin of San Angelo was the groomsman. Serving as ushers were Kenny and David Klinger of San Angelo, brothers of the groom. The best man and groomsman wore burgundy tuxedos with pink ruffled shirts and burgundy bow ties with pink boutonnières.

The flower girl was Laura Wetmore of Nederland, niece of the bride. She wore a pink dress with lace and ribbon to highlight the square neckline.

Cliff Harkey of San Angelo, nephew of the bride, was the ring bearer. He wore a silver gray tuxedo with white shirt and black bow tie.

Kenny Klinger, brother of the groom, lit the candles.

The reception was held in the Fellowship Hall of the church.

Carolyn Wetmore presided at the guest registration table.

The bride's table was centered with the three tiered white wedding cake decorated with pink roses and white edging topped with the traditional bride and groom figurine.

The groom's table held a chocolate cake with beige monograms of the couple's initials.

Carolyn Wetmore, sister of the bride, and Donna Martin, sister-in-law of the bride, served from the bride's table. Elaine Stienbrummer served at the groom's table.

The couple will reside in San Angelo, Texas.

The bride is a 1974 graduate of Friona High School and is a 1978 graduate of West Texas State University, Canyon. She is an assistant coach and teaches history in Edison Junior High School in San Angelo.

The bridegroom is a graduate of San Angelo High School and is a fireman and EMT (Emergency Medical Technician) in San Angelo.

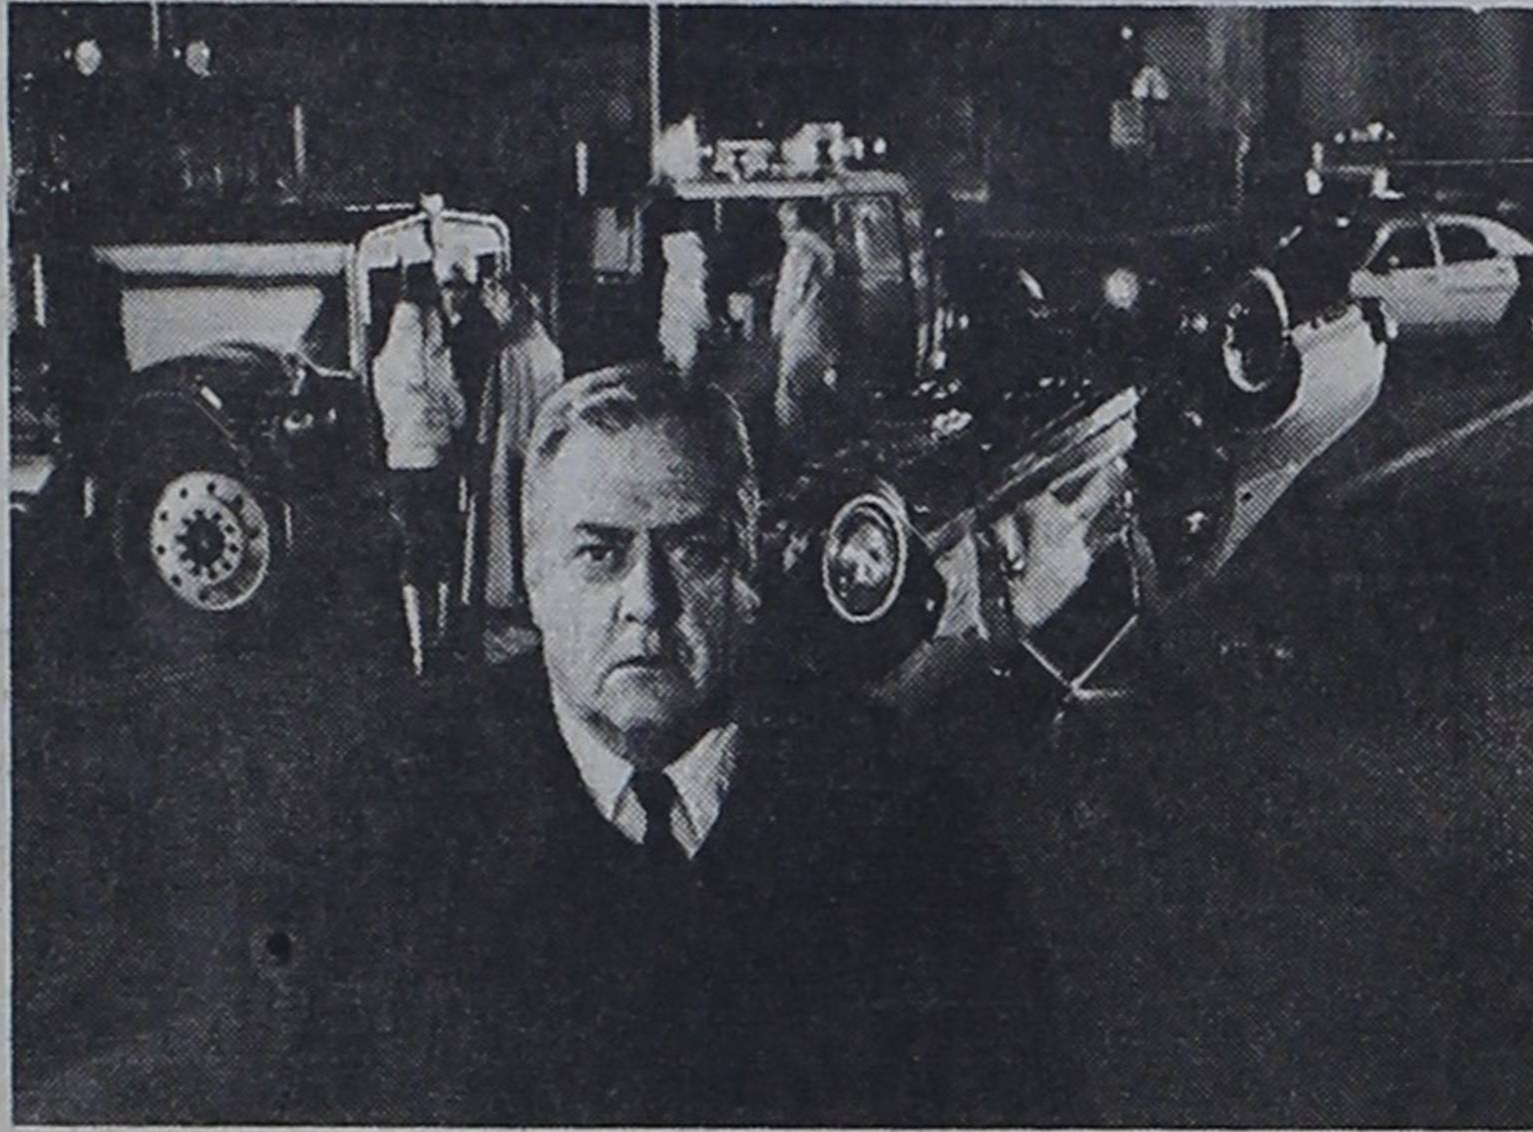

Special guests were the bride's grandparents, Mr. and Mrs. Calvin Martin of Friona and Mr. and Mrs. Harold Davis of Lamar, Colorado.

Out-of-town guests attending the ceremony were Mr. and Mrs. Clarence Martin, Mr. and Mrs. Loren Martin, all of Friona; Mr. and Mrs. Jerry Martin of Farwell; Mr. and Mrs. Dave Wetmore of Nederland; and Mr. and Mrs. Cave and Reed of Rotan, Texas.

Mr. and Mrs. Don Klinger

Town Talk

By June Floyd

Call 247-3681 With Your News Item

How long has it been since we've had a more beautiful Easter Sunday? Everyone who did not get outside and enjoy the balmy temperature and sunshine missed a real treat. Early spring flowers are blooming everywhere and many many fruit trees were loaded with white and pink blossoms.

Of course Monday's low temperature, rain, sleet and snow changed all that and probably ruined all the early fruit blooms, but Sunday was really a wonderful spring day.

Most of the little girls I saw Sunday were dressed in frilly dresses with lots of white ruffles edged with lace and were wearing white or pastel colored hats. With white sandals, socks trimmed with white lace and tiny little purses the pre-school agers stole the Easter parade show from my point of view.

Two of the prettiest dresses I saw were being worn by Kristi and Kimberli Mills, the five and three year old daughters of Mike and Sharon Crofford Mills of Amarillo.

Sharon had made the dresses, which were pastel colored checks with white lace, eyelet and ruffle trim. She's a Friona High School graduate and seeing the dresses would have caused any former sewing teacher to beam with pride.

Kristi and Kimberli, along with their parents, Mike and Sharon, and younger brother, Kyle, were weekend guests in the home of their paternal grandparents, Mr. and Mrs. Wayne Mills.

Mr. and Mrs. David Lapp and children, David Jr. and Josephine,

former residents of Colorado Springs, Colorado, visited in the home of Mr. and Mrs. H.A. Hyde and Maxine Bolding last week.

They were moving to Abilene, Texas, where Lapp will be an associational director for Independent Baptist Churches in the area.

Jane and Jim Dixon and children, Milli and Mendan, visited Karla and Milton Dixon (and Punkin) in College Station last week. Milton is a junior at A&M majoring in ag education. Together they made a shopping trip to Houston and visited Astroworld.

Jane and the kids came home Thursday after dropping Jim off at Richards where he hiked the Lone Star Hiking Trail to Huntsville. He hiked for three days and two nights and came home Saturday.

Sterling and Joy Graham recently moved into a newly re-done farm home northwest of town. About the first of next month, their son, Ky, and his wife, Lanis, will be moving into the former Graham home.

Ky and Lanis were here last weekend. Other Sunday visitors were Mr. and Mrs. Don Stubbs and daughters, Holly and Dana, and Ray Stephens, all of Littlefield.

Also Stan and Gail Dement and daughter, Ashley, who live at Hobbs, New Mexico, and Mrs. Hazel Baxter.

Inez Wheeler came home Tuesday after an extended visit in Amarillo. Her two sons, Dean and Jack, both live there.

Mrs. Leona Watson of Belton, Texas, is visiting in the home of her sister, Mrs. Lessie Watson.

Mabel DeLong, who has been making her home with her daughter, Dorothy Kelly Harrelson, left Tuesday for Mesa, Arizona, where she will be visiting in the home of a son, Gerald Kelly, and his wife.

Mabel expects to have some eye surgery before she returns to Friona.

Weekend visitors in the home of Agnes Fulks were Mr. and Mrs. Ed Blackwell and son, Jon, who live in Panhandle, Texas.

John and Lou Sutton of Amarillo were weekend visitors in Friona. Lou is the daughter of Watson Whaley and the sister of Mrs. Dennis Slagle.

An Easter party honoring Other People's Children from the four county area--Oldham, Deaf Smith, Parmer and Castro--began with a hot dog lunch at the home of Buck and Louise Bush Saturday.

Following an egg hunt, the fifteen children attending played games while the adults had a meeting.

Adults present, besides the host

couple, were Kent Bridenstine, Plainview; Ira Purdy, Amarillo; Mr. and Mrs. T.V. Connally and Mrs. Rita Burges, Hereford; Mrs. Kevin Ackers, Nazareth; Mr. and Mrs. Ken Brockett, Vega; and Mr. and Mrs. Thomas Parson, Friona.

Gene and Mildred Welch drove down to Plainview Sunday and visited her parents, Mr. and Mrs. F.B. Harkins. Then on Monday, Terry, Varla and V'Lynda Wilcox of Lubbock came by enroute to their home in Lubbock after they had spent the weekend visiting Terry's parents, V.R. and Frankie Wilcox, who live in Trinidad, Colorado.

One of our across the street neighbors, Calvin Martin, has been a patient at the local hospital since one week ago Monday. Ann has spent so much time over there that it almost seems that we've lost them for neighbors.

Marilyn and Eugene Nidey came down from Campo, Colorado, Saturday. Eugene went home Sunday, but Marilyn stayed for a longer visit with her dad and Ann.

Mrs. Martha Carter has also been a patient at the local hospital. Her two out-of-county daughters, Zada Heady of Irving and Glenda Deatherage of Mesquite--both down near Dallas--flew up for a few days.

They returned home Saturday. While they were here, they also visited their sisters, Nona Martin, who lives here, and Carol Dean Huggins, who lives in Farwell.

Roger Coffey, a student at Texas Tech University, was home over the weekend. He accompanied his parents, Leon and Laura Nell, to Logan, New Mexico, where the family plans to establish a lake home. The Coffeys recently purchased a building site overlooking Ute Lake and when they get established, they will be near neighbors of Rene and Jinx Snead.

The Sneads returned home Monday after spending several days up there.

Mrs. Virgil Ferguson and Mrs. Herman Nibert returned home Tuesday evening after a ten day trip. They took Mrs. Nibert's mother, Mrs. Goldie Smith, to Defiance, Ohio, for a visit in the home of Mr. and Mrs. Dean Eichenauer and son, Jason, who is ten.

Mrs. Eichenauer is Mrs. Nibert's daughter. The Eichenauers recently added a foster son, David, to their family. He is also ten.

The Frionans also visited in the home of Mr. and Mrs. Ed Cain and family at Bryan, Ohio. Mrs. Cain is Mrs. Nibert's niece.

Before returning home they went to Toledo, Ohio.

Mrs. Smith plans to also visit in the

home of relatives in several southeastern states before returning home late next month.

Visitors in the home of Mae Magness included her daughter and granddaughter, Jacquelyn and Jynger Hight, who live in Albuquerque.

Mae's oldest grandson, Cliff Magness, who lives in the Los Angeles area, and Carol Stafford were married in San Francisco.

Mr. and Mrs. Richard Chronister, who also live in Los Angeles, hosted a reception for the newlyweds in their home. Mrs. Chronister is Cliff's mother. His father, the late Tim Magness, was Mae's son.

Jerry and Denise Dillon of Tulsa and Mae and Jacquelyn were guests at the reception.

EGG HUNTERS....Among the group of Story Hour kids who were treated to an Easter Egg Hunt at Prairie Acres Nursing Home last Thursday were (left to right) Shyla Wyly, Melissa Bass, Britny White and Rachel Mejia.

AUCTION

Saturday, April 9, 1983 — Sale Time: 9:07 a.m.

FOR SEASON-LONG GREENBUG CONTROL IN SORGHUM, GET COUNTER.

For the first time ever, COUNTER® 15-G soil insecticide-nematicide is available to sorghum growers. No other insecticide can provide longer-lasting, more effective greenbug control.

When applied knifed-in at bedding or planting, COUNTER provides full-season greenbug control with no crop injury. That means a full 120-days or more of greenbug control. And that means better yield potential.

COUNTER provides systematic control of greenbugs with no feeding restrictions. And you can rotate to any crop the following season.

So for the most effective greenbug control you can buy, get COUNTER. You can depend on it this year, next year and every year. Always follow label directions carefully.

COUNTER 15-G

Ticket Sale Underway For Club's 'Memory Lane' Dinner Theatre

Tickets are on sale by members of Modern Study Club for the club's variety dinner theatre, scheduled for Friday and Saturday, April 22-23.

The program is entitled "Down Memory Lane II," being the second time for a community-wide program featuring local talent.

The program is to be held at Friona Community Center, beginning at 7 p.m. each night. Southern Seas Restaurant of Lubbock will cater the dinner. Tickets are priced at \$12.50 each.

Proceeds will go to the various

community projects in which the club is involved.

Eva Miller is program director. Thelma Coffey is chairman of the ticket committee. Linda Murphree is chairman of the publicity committee, and Beth Thompson is chairman of the decorations committee.

"We have tried to provide a cross-section of community talent, with something to suit all tastes. There will be a different mystery guest each night," Mrs. Miller says.

Archie Echols will serve as master of ceremonies for the program.

Accompanyists include Lucy Beth Hinkle, Claudia Hanes, Sherri Taylor, Stanley Ellis and Johnny Claude Miller.

More details on the acts included on the program will be announced in next week's edition of the Star.

Club Sets Spring Fling On Saturday

Progressive Study Club's fifth annual Spring Fling style show and luncheon will be held Saturday, April 9 at the Senior Citizens' House of Friendship.

New spring and summer fashions will be presented beginning at 11 a.m., followed by the luncheon and games. Door prizes and game prizes will be awarded to lucky winners.

Tickets are available for \$85.00. "Get your ticket and meet us for an afternoon of fun and fashion," said a spokesman for Progressive Study Club.

NEW BUSINESS...A ribbon-cutting ceremony was held at Mrs. Abalos' Mexican Food Restaurant on West Highway 60 this week, as the new business opened. From the left are Bunny Murphree, Rhonda Schueler, John Blackwell, Wright Williams, Mrs. Abalos, Paul Abalos, Paul Abalos, Jr., Mike Hanes and Bob Beville.

READY FOR SHOW...Linda Griffin is one of the many Friona residents who will be featured as a model in the annual spring and summer style show, "Spring Fling," which will be held Saturday (April 9) at the Senior Citizens House of Friendship.
