## Dana Berend Crowned SW Chianina Queen

Dana Berend, 16-year-old daughter of Mr. and Mrs. Leroy Berend of Friona, was crowned Southwest Regional Chianina Queen at the contest and show by the SW Chianina Association in Abilene last weekend.

There were 50 applications sent out to Chianina exhibitors in Texas and New Mexico for the queen's event. Two of the applicants, Dana and Christy Carver of Dallas, were chosen for the finals of the competition this past weekend, and Miss Berend was chosen to represent the association.

As winner of the Southwest Regional title, Miss Berend, who will be a junior student at Friona High School next fall, will now enter the

national queen's contest in Louisville, Kentucky July 15.

She will be asked to attend various breed sales, and will attend six major Chianina shows to pass out ribbons and trophies to the winners.

In conjunction with the show at Abilene, Miss Berend entered six cattle, winning one first place, two seconds, two thirds and one fourth place.

On June 14, Miss Berend, whose steer Jumper was the Grand Champion at the Parmer County Junior Livestock Show this past year, will enter two of her steers in the Winner's Edge Symposium in Waxahachie.

## Swim Lessons Set

Swimming lessons will be offered by the City of Friona, according to Myrna Baize, pool manager.

The first session of lessons will be held June 18-29. A second session will be held July 2-13, and a third session will be held if the demand is there.

The schedule will be: Beginners, 6-7 p.m., Monday-Friday; advanced beginners, 7-8 p.m., Monday through Friday. Cost will be \$30 per child.

An intermediate class will be

scheduled if there is enough interest.

Those wishing to register for the lessons should call Mrs. Baize at the swimming pool, 247-2101, from 12:30 to 6 p.m., Tuesday through Sunday.

Parties will also be scheduled by the municipal pool, and can be held Tuesdays through Sunday nights, from 8-10 p.m. Those interested may call the pool manager for further information.

**NEW SCOREBOARD....** Workmen have been busy the past week installing a new scoreboard at Chieftain Field, under the sponsorship of Friona State Bank. As the old scoreboard had become a problem to maintain in recent years, school

officials said the new one will be much appreciated. In addition to scoring football games, the new board has a digital clock for timing track events.

## City, County Voters Give Kent Hance Big Margin

The only thing Kent Hance could regret about his showing in Parmer County in the Democratic runoff is that another 500 voters didn't turn out at the polls.

If that many more folks had voted locally, chances are that Hance would have won the statewide nomination from Lloyd Doggett.

Parmer County gave Hance the largest majority of any county in the 19th Congressional District, and probably of any other county in the state, which cast more than 1,000 votes.

Hance received a gaudy 97.7 per cent of the vote in the county.

### 1934 Class Looking For 3 Members

The Friona High School graduating class of 1934 will have their Fiftieth Anniversary Reunion Saturday, and Sunday, June 16 and 17 at the Fifth Season Inn, Amarillo.

There were 24 graduates in 1934 and 17 are living. Fourteen of the class members have been contacted about the reunion and three, Wilbur Mead, Maureen Furlong and Oliver Hamblen, have not been reached. If you have an address for any of these class members or need more information about the reunion call 806-247-2025.

The final totals were 1,022 votes for Hance and only 24 votes for Doggett, or 97.7 per cent.

His margin was 333-9 in Friona (97.6 per cent); 157-5 in Bovina (96.9); and 204-6 in Farwell (97.1).

In three of the county precincts, Doggett failed to receive a single vote. Hance won the Lazbuddie precinct, 94-0; took the Oklahoma Lane voting box, 91-0, and won at Rhea, 43-0. He also won the absentee box by a shutout, 33-0.

In the race for the Congressional runoff, Parmer County gave winner Don Richards a good 70 per cent lead over his challenger, Thomas M. Richards, with 704 total votes to 308.

Don Richards' biggest boost in the county came in Friona's precinct 2-2, where he received 58 votes to only eight for the "other Richards," a majority of 87.9 per cent. He won the Black precinct, 24-4, or 85.7 per cent, and won the three Friona precincts combined, 256-83, or 75.5 per cent.

The nominee's margin in Bovina was 111-44, or 71.7 per cent of the vote, and at Farwell it was only 110-83, or 54.2 per cent.

Don Richards won the nomination by a slim 718-vote margin, receiving 29,144 votes to 28,426 for Thomas Richards.

Don won twelve counties to Tom's three, but Tom won big in Ector County (Odessa, 4,376-1,751), and also carried Lubbock County, 12,728 to 10,744. Don's win was made possible by his excellent showing in the rural areas.

Parmer County voters also gave their nod to incumbent winner Bill Davis in the Court of Criminal Appeals race, with 505 votes to 246 for Roy Greenwood.

They also matched the sentiment of statewide returns in the court, place 3 race, giving Bill White a total of 519 votes to 239 for Tom Thorpe.

### No Re-Count Is Indicated Here--Yet

According to Parmer County election officials, no re-count has been requested as of Thursday in the Hance-Doggett senate race.

Richard Collard, county Democratic chairman, said he had not been contacted as of Thursday regarding the re-count, requested by Hance.

### Promotion Set Saturday

Chock's Donut Delite, Friona's newest business, will celebrate their Grand Opening on Saturday, June 9 at their location at 611 West 11th (the old Aztec Drive-in location).

Free coffee, with donut purchases, and free donut holes will be offered to customers throughout the day.

"We appreciate the good reception we have had during our first week in business, and we hope to serve you for sometime to come," said Chock Bracken, owner.

**CROWNED....** Dana Berend is shown with her crown and sash which proclaims that she won the title of Regional Queen for the Southwest Regional Chianina Assn. Miss Berend is now eligible for the national queen's pageant.

## Court Has Routine Session

Parmer County Commissioners held their regular meeting on May 25, with Commissioner Ernest Anthony presiding due to the illness of Judge Porter Roberts.

Anthony was authorized to sign a bond for Charles A. Beam, who is custodian of textbooks at the Lazbuddie schools.

Due to the absence of County Attorney Charles Aycock, the item concerning easements for the Bravo Pipeline Company was tabled until the June 11 meeting.

Steve Deffenbaugh of Midland met with the court to discuss the leasing of some of the county's school land in Gaines County. Deffenbaugh was authorized to run a legal notice in the State Line Tribune and the Stanton Gazette, for bids on the land.

A bill from the Parmer County Industrial Development Corp. in the amount of \$121.14, was approved.

Charles Caudill and Wendell Gresham of Ethridge-Spring Insurance Agency, Friona, met with the court to discuss liability insurance for the county employees. They plan to discuss the matter further with the court.

Soil conservation work was approved for the farms of Floyd Damron, Gil D. Leon and A.R. McCutchen of Precinct 2; W.R. Johnson and Joe Haseloff of Precinct 3. The count is reimbursed for costs involved in this work, done by county machinery.

## Here's How Parmer County Voted In the Democratic Runoff

	Absentee	Precinct One	Precinct Two	Precinct Two-1	Precinct Two-2	Precinct Three	Precinct Four	Precinct Five	Precinct Six	Precinct Seven	Precinct Eight	TOTAL

# Shooting Death Is Ruled As Accidental

Funeral services for Robert Dean Adams, 41, of Friona, were held Friday, June 8, at 3 p.m. in St. Teresa's Catholic Church with Father Frank Aldridge of Hereford, officiating.

Burial was in the Friona Cemetery under the direction of Ellis-Blackwell Funeral Home.

Adams was dead on arrival at Parmer County Community Hospital. He was placing a high-powered rifle behind his pickup seat when it accidentally discharged, striking him in the chest.

Born March 24, 1943 in Des Moines, Iowa, he was a self-employed logger. He married Myrna Roth April 28, 1962 in Arvada, Colorado. They had lived in Friona for the past two years, moving here from Arvada, Colorado.

Survivors include his wife, Myrna, of the home; three sons, Lesley Adams, Donnie Adams, and Timothy Adams, all of the home; one daughter, Beverly Adams, of the home; his father, Edward Adams of Platfield, Colorado; three sisters, Patricia Johnson and Laura Lopez, both of Decona, Colorado and Jo Ann McLavey of Broomfield, Colorado; two brothers, William Adams and Lester Adams, both of Decona, Colorado; and one grandson, Chad Adams.

ROBERT DEAN ADAMS

## Bainum's Rites Held Thursday

Funeral services for Mack Bainum, 72, former Friona businessman, were conducted Thursday in Dalhart.

Bainum passed away Monday. Services were held Thursday at the Central United Methodist Church of Dalhart. Burial was in Memorial Park Cemetery at Dalhart.

Bainum was born in Plainview. He lived in the Friona-Hereford area for a number of years, and was the owner of Bainum Butane Company while in Friona. He also had served as mayor of Friona.

He moved to Dalhart in 1966, where he was engaged in farming. He had been semi-retired since 1975, working for the Bailey Flying Service in Dalhart.

He married Vera Cogdill in Clovis, N.M. in 1933.

Survivors include his wife of the home; a son Danny of Dumas; a daughter, Phyllis Brooks of Dalhart; a brother, Delbert of Hereford; four sisters, Katy Neill of Tulia, Annette Palmtag of Fort Bragg, California, Celeste Cotton of Buckeye, California and Veda Jones of Hesperia, California.

Also surviving are six grandchildren and five great-grandchildren.

## Jamie Fulks Makes ASU Honor Roll

One Friona student attending Angelo State University in San Angelo, was listed on the Dean's Honor Roll for the spring semester at the university.

Listed on the 3.50 to 4.00 honor roll was Jamie Lynn Fulks, daughter of Mr. and Mrs. J. Vonne Fulks, an English major from Friona.

# FRIONA FLASHBACKS

....from the files of The Friona Star

### 55 YEARS AGO--JUNE 5, 1929

It now appears to be an established fact that Friona will be the center of a system of rural telephones, which will be connected with and operated by the same system that will be in use in the city.

It is reported on the best of authority that Friona will have a first class and strictly up-to-date "M" System store, which will be open for business on or about the fifteenth of June.

### 50 YEARS AGO--JUNE 8, 1934

Mrs. A.H. Boatman was appointed to membership on the Texas Centennial Advisory Board as one of four members from Parmer County, according to a letter Mrs. Boatman received from Will H. Mayes, temporary secretary of the Texas Centennial Commission.

### 45 YEARS AGO--JUNE 9, 1939

The City of Friona is soon to have a new fire truck, which is now being built and nearing completion in the work shops of Reeve Chevrolet Company, with Charles Bainum, one of the firemen, doing and supervising the work of building.

### 40 YEARS AGO--JUNE 9, 1944

On Saturday afternoon, June 10, Friona will be featured on a historical broadcast over station KGNC by Miss Laura V. Hamner of Amarillo.

Some time Monday afternoon, Mrs. Pearl Kinsley was uninjured when her car overturned while enroute to Friona. Mrs. Kinsley sustained only a few minor bruises, but the car was considerably damaged.

### 35 YEARS AGO--JUNE 10, 1949

On Monday of last week, Day Brothers, house movers of Hereford, arrived in Friona and began preparations for moving the home of Rev. Tommie Allen, pastor of the First Baptist Church, from its old location to make room for the proposed new auditorium to be built on the ground it formerly occupied.

### 30 YEARS AGO--JUNE 4, 1954

The city has begun making street markers for Friona, a badly needed commodity to assist strangers in finding addresses. The Lions Club set up 64 of the markers on Wednesday, and still have 52 to place on the corners.

Thirty-four cars of a Santa Fe freight train were derailed Sunday at the east switch at Summerfield. The cars were filled with perishable goods. Five or six carloads of fruit were taken to Hereford to reload on other cars.

### 25 YEARS AGO--JUNE 4, 1959

W.O. (Bill) Wright, 39, drowned sometime Friday night following an unexplained accident at Lake Conchas in New Mexico.

Hail cut a destructive swath through Parmer County, in the shape of a new moon from Rhea to east of Hub. Hail was stacked up a foot deep next to buildings on some farms following the storm.

### 20 YEARS AGO--JUNE 4, 1964

Peggy McNair, who is the reigning "Miss Wool of Texas," paid a visit to the Otho Whitefield sheep ranch this week. Whitefield is an official in both the Columbia Sheep Breeders of America and the Texas Columbia Breeders.

### 15 YEARS AGO--JUNE 5, 1969

Joe Bob Mann, son of Mr. and Mrs. Joe Mann of Friona, was aboard the USS Frank E. Evans when it was cut in half by an Australian aircraft carrier in a pre-dawn collision early Tuesday morning.

Airman Kirk Matlock, grandson of Mr. and Mrs. E.D. Matlock of Friona, is in a hospital in Japan after suffering a hand wound while in Vietnam, it was reported after the Matlocks talked with Kirk by telephone this week.

### 10 YEARS AGO--JUNE 2, 1974

A contract for the Highway 214 project, to include widening the road and construction of an overpass, was awarded this week by the Texas

### Highway Department.

Kay Riethmayer, daughter of Mr. and Mrs. W.R. Riethmayer of Route 3, Friona, has been placed on the Dean's Honor Roll at Lubbock Christian College for the spring semester of 1974.

Darrell Mason, a junior student at New Mexico Military Institute, compiled a 3.7 grade point average on a 4.0 grading system for the semester just ended.

### 5 YEARS AGO--JUNE 3, 1979

The Friona area has had a week of unseasonably cool, wet weather, with some damage recorded Memorial Day evening from a hailstorm which slashed the southeastern part of the area. The Lazbuddie area received considerable hail damage from the Monday night storm, which wiped out young cotton and corn crops, and also ruined ready to harvest wheat and barley.

General Telephone Company of the Southwest has over 1.5 million telephones in service, according to O.D. Hearn, Brownfield division manager.

Donna Rector presented the valedictory address at the High School graduation ceremonies last Friday night. Jan Mason gave the salutatory address and Chris Barnett gave the class history.

## Tax Rep. To Be In Farwell

State Comptroller Bob Bullock has announced that Lloyd Allred from his Lubbock field office will be at the Parmer County Courthouse on Wednesday, June 20 from 2-3:30 p.m.

A comptroller's representative is available to assist local residents at the courthouse the third Wednesday of each month.

Bullock urges anyone with problems or questions concerning state taxes to contact Mr. Allred at the courthouse in person or call the Lubbock field office at (806) 795-0691. A toll-free number (1-800-252-5555) is also available to Texas taxpayers.

## Swimming Party Set June 14

There will be a swimming party on June 14 for all junior and senior age girls who are interested in entering the Miss Friona Contest to be held during Maize Days in September.

The party will be held at the City Pool from 7-9 p.m. Chips and dip will be served. Entry blanks and regulations will be available. Come on out and join in the fun.

This is sponsored by the Women's Division of the Friona Chamber of Commerce and the steering committee for the Miss Friona Pageant.

# REMEMBER WHEN...

A group of prospective settlers are shown shortly after their arrival in Friona on a land-seeking visit, 75 years ago. The picture was made near the Santa Fe depot on June 17, 1909, with the town of Friona visible in the background. Behind the prospective settlers are the automobiles. We at Friona State Bank are happy to have brought you this glimpse from the past.

FRIONA STATE BANK

**RARE SHOT....** Jackie Morgan, Friona High School instructor and golf coach, can now tell his golf youngsters to do it "his way." Morgan got his first hole-in-one, on the number seven hole at Friona Country Club Thursday, June 7, using a nine iron.

## Child Abuse Hotline Is Available

The Parmer County Child Abuse board of directors reminds Parmer County residents that it's the law that any person who believes that a child's physical or mental health or welfare has been, or may be adversely affected by abuse or neglect, must report his or her suspicions to the Texas Department of Human Resources and to a law enforcement agency.

An oral report must be made immediately to the nearest office of the Texas Department of Human Resources, which is Hereford for Parmer County. Their number is 806-364-6841 or call the 24-hour Child Abuse Hotline, 1-800-252-5400.

A person who, without malice, makes a report of suspected child abuse or neglect is immune from civil or criminal liability. Reports of child abuse or neglect are confidential.

Failure to report suspected physical or mental abuse or neglect of a child in Texas is a crime punishable by fine, imprisonment, or both.

## Use Friona Star Classified Ads.

**BANQUET FIGURES....** Among those attending the Lions Club Ladies' Night Banquet Thursday were (left-right) Richard Collard, president, Evening Lions; Wanda Wilhelm, sweetheart, Noon Lions; Nikki Osborn, sweetheart, Evening Lions, and Larry Knowles, president, Noon Lions. A good crowd of Lions and their ladies attended the event.

## Around the House In Parmer Co.

**By LAURA JACOBS**  
Despite its need for constant cleaning, most of us enjoy the rich golden color of brass in hardware, lighting fixtures and furnishings. With little time to clean, however, it's important to prolong the effect of a polishing job and to keep brass looking good.

Solid brass is a fairly durable alloy of copper and zinc, while brass plating is a thin layer of brass bonded to a steel base. Solid brass can take much harsher cleaning than plated brass. Use a magnet to test for plating. A magnet will stick to the steel beneath plated brass, but not to solid brass.

Tarnish doesn't harm brass, and can create an "antique" look. But tarnish tends to darken with time, so if you want to see detail or have a lighter look in your brass, polishing is necessary. First remove the old protective coating. Brass is usually sealed with clear

lacquer, varnish or epoxy. Where the coating nicks or wears away, it tarnishes from oxidation.

Since you typically won't know which sealer was used, experiment. Chemical strippers or acetone (nail polish remover) may do the trick. Wear rubber gloves, work in a well-ventilated area and use very fine steel wool (0000) to remove the coating without scratching the brass. Traces of residue left by the stripper should be removed with detergent and water.

For less harsh lacquer removal, make a bath from household products. Dismantle the piece before soaking in a mixture of the following:

- \*1 part ammonia to 2 parts hot water, or
- \*1 part vinegar to 2 parts hot water, or
- \*4 tablespoons baking soda to one quart boiling water.

For polishing brass, you

can use a commercial brass cleaner in liquid or paste form. Liquid cleaners containing a very fine abrasive do a good job on the tarnish, but may leave residue in joints or carved areas if not completely removed. Both types of cleaner require elbow grease where tarnish is heavy.

Brass polish can damage wood finishes. So when cleaning brass hardware in place, tape light cardboard snugly around it to protect the wood underneath.

Apply all polishes with a soft cloth in one direction, either along the length of the piece or in the direction in which it's been turned. Continue to polish with clean parts of the cloth so tarnish won't be rubbed back into the brass.

Homemade concoctions of ammonia, lemon, or a mixture of vinegar and salt will also remove tarnish. Submerge and soak the piece, then work with 0000 steel wool. When the tarnish is completely removed, polish with a soft cloth and a fine polish.

Brass plating is usually coated with a clear protective sealer which must be removed. The same stripping solutions for solid brass can be used on brass plating, they don't contain abrasives.

Since the thin coating of brass is easily removed from plated brass, don't buff, use

vinegar and lemon, or use abrasives, like steel wool. Many mild commercial polishes may work on brass plating, but do a test patch when using anything stronger than detergent and water.

Use tung oil, commercial brass wax or lacquer to prolong and protect the polishing job. First make sure the brass is clean and free of fingerprints, polishing compounds and other substances. Since fingerprints will show up under the finish, wear rubber gloves when handling the piece. Use lacquer thinner to remove traces of polish and greasy fingerprints.

To apply a tung oil finish, place the brass in a 150 degree oven for 20 minutes before applying the oil with a soft cloth. Let the piece dry at least four hours. Apply commercial brass wax the same way.

Lacquer can diminish the brilliance of brass, but it may be worth the sacrifice to protect it. Brass may be either dipped or sprayed with lacquer. Do the job on a clean day when the humidity is low. Speed up drying time by warming the piece with a heat lamp or hair dryer before lacquering.

For lacquer dipping, make a 50-50 solution of lacquer and thinner. Dip the brass, hang, and let it dry five to 15 minutes. Once you have lacquered a piece, avoid

brass polish or ammonia-based cleaners, instead, clean with a mild detergent, rinse, wipe, dry and take a break from polishing.

### "Keeping Your Car Fit"

Americans have become very health conscious. Everyone wants to keep internal and external parts working and looking well. Your car needs health maintenance, too. To keep your car "fit" for warmer weather, why not adopt a "health plan" now?

Experts suggest the following to keep your car working smoothly.

\*Tune-ups--Follow the recommendations in your owner's manual or at least every 15,000 miles.

\*Oil--In the spring, it's important to change to heavier weight oil which will stand up to the higher engine temperatures generated in the heat of summer. At the approach of winter, remember to change back to lighter weight oil to make it easier to start the motor in cold weather. In between these seasonal changes, the oil should be changed every 3,000 miles to be sure that oil stays clean and doesn't harm the engine.

\*Air filter--Check every six months to see if it is dirty, and replace if necessary.

\*Automatic transmission fluid and filter--Fluid should be checked once a month and

the filter replaced every 12,000 miles.

\*Battery--To ensure that your battery provides all the electrical energy it can in starting your car, use a baking soda paste (three parts baking soda to one part water) to clean away corrosion from battery terminals without using a wire brush. After rinsing and wiping dry, reconnect the terminals, and apply petroleum jelly to prevent future corrosion.

\*Tires--In order to prevent uneven tread wear and avoid blowouts, check tire

pressures every week to ensure tires are inflated to manufacturer's specifications.

\*Headlights/Taillights/Mirrors/License Plates/Windshields/Wiper Blades--For safety's sake keep these clean. Sprinkle baking soda on a damp sponge or towel, and wipe. Rinse thoroughly with water and dry with a soft towel. Baking soda removes road dirt, and it won't scratch the surface.

\*Ashtrays--Eliminate stale tobacco odors by adding a layer of baking soda to the bottom of ashtrays. This will help extinguish cigarettes and

eliminate flying sparks, too. Empty ashtrays regularly, and replace baking soda.

\*Carpeting--Sprinkle baking soda on dry car carpets and under mats to eliminate musty odors as well as lingering tobacco and pet odors. Vacuum off if needed.

To find out how baking soda can make your chrome and upholstery shine and your floor mats sparkle, send a long, stamped, self-addressed envelope to: Great Ideas, Arm & Hammer, P.O. Box 369, Piscataway, N.J. 08854.

**ENTERTAINS LIONS...** Zelda Ellison, left, entertained the Lions Club Ladies Night audience with a number of country and western songs Thursday night. Shown visiting with the Dimmitt resident are Mr. and Mrs. Richard Collard.

## NOTICE OF PUBLIC MEETING

The City of Friona, Texas will hold a public hearing at 7:00 p.m., June 18, 1984 in the City Council Chambers at City Hall in regard to the submission of an application to the Texas Department of Community Affairs (TDCA) for a Texas Community Development Program (TCDF) Fund Grant.

The purpose of this meeting is to allow citizens an opportunity to comment on the City of Friona's 3 proposed application to pave certain streets in the City.

This meeting will provide citizens an opportunity to participate in the development of the application. The final application will be submitted to the Texas Department of Community Affairs by June 20, 1984. Additional information may be obtained from the City Managers Office.

# Results Given For Play In Local Pinto League

Several games have been played in the Pinto League's summer baseball program, but not all games were recorded in the official book.

Here are the scores of the first games played, to bring them up to date: D.L.'s 30, Hub Grain 21; Credit Union 24, Tasty Cream 3; D.L.'s 36, Parmer County Implement 9; Hub Grain 22, Tasty Cream 18; Credit Union 26, Hub Grain 15; Parmer County Implement 28, Tasty Cream 22; Hub Grain 29, Parmer County Implement 22; Credit Union 36, Tasty Cream 10.

Picking up the action following the break for end of school activities, the first game was played May 28, and matched Credit Union against Parmer County Implement.

The Credit Union outscored their opponents in the first inning 9-2 and it was their ball game from there on out. They picked up an additional eight runs in the second and held Parmer County Implement to five, making the second inning score 17-7.

In the third inning, Credit Union added ten more runs and only allowed their opponents four runs. They finished the game after adding another nine runs in the final stanza and holding Parmer County Implement scoreless in that period, making the final score 36-11 in favor of Credit Union.

D.L.'s Thriftway and Tasty Cream slugged it out in the next game played May 29. D.L.'s took the first inning lead with ten runs as opposed to six by Tasty Cream.

D.L.'s did not slack up, as they scored five runs in the second inning and held Tasty Cream scoreless.

Seven more runs were credited to D.L.'s team in the final period and Tasty Cream scored seven in the final two innings but it was too little too late and D.L.'s took the victory, 22-13.

On May 31, D.L.'s met up with Hub Grain in a hard fought bout. D.L.'s outscored Hub Grain in the first inning 8-6 and then again in the second inning by a margin of 7-2 making the score 15-8 following the second inning.

Hub Grain staged a rally in the final innings and scored eight more runs and held D.L.'s to only two. But it was not enough as they came up just a single run behind their opponent. The final score was 17-16 in favor of D.L.'s.

Tasty Cream met Credit Union on Friday, June 1. Both teams got off to a good start with Credit Union leading by a two-run margin at the end of the first inning, 9-7.

The Credit Union team kept up their pace throughout the game. They scored eight runs in the second followed by nine in the third and ten more in the final inning.

Tasty Cream, however, fell into a slump as they were only able to score three additional runs in the remainder of the game. The final score was 36-10.

D.L.'s Thriftway took on Parmer County Implement next and won the game by a score of 30-15.

On June 4, Hub Grain defeated Tasty Cream 23-6. The last two games mentioned were not recorded in the official book.

Credit Union played D.L.'s Thriftway on June 5 and Credit Union came out on top by a score of 14-4. Credit Union took an early lead with three runs scored in the first inning.

Credit Union held D.L.'s to only one score in the second inning and added four more and seven in the final period to bring their total to 14.

D.L.'s Thriftway only managed to score two runs in the second and one in the final to bring their total number of runs to four.

On June 4, the Pinto League began using a pitching machine rather than the traditional tee that has been used up until now. The players were all able to get a hit and coaches are hoping the machine will better the chances of the players to hit off the pitchers in the older leagues when they advance.

## Roping, Cutting Events Are Held

On May 27, the Bovina Roping Club's first Invitational Cutting and Roping events took place at the Bovina Roping Club Arena.

Although the turnout was light in both events, Paco Feedyard, Parmer County Cattle Company and Bovina Feeders were well represented with great competitors.

In the invitational cutting competition, Pat McGonagill of Bovina Feeders was the winner on his

horse "Rollerskate." Jack Templar of Paco finished second on "Ima Tyke Too." In the following cutting jackpot, Templar and "Tyke" teamed for the win.

When the dust settled on the invitational roping, Templar and Lynn Alamand of Paco Feedyard had the fastest time in the first go-around.

Dean Shipp (also of Paco) teamed with Alamand to win the three-head averages.

Daryl Hawkins of Paco and Billy Roland of Bovina Feeders finished second on average time and third money went to Jack Templar and Lynn Alamand.

In the jackpot following this event, Hawkins teamed with Roland to win. Second place went to J.E. Stone of Hi-Plains Feed Yard and partner Lynn Alamand.

Competitors from Paco Feedyard took home the bulk of the winnings with Bovina Feeders second in total money.

Jim Burrows of Texico Feedyard was the judge in the invitational cutting and Sonny Jones of Parmer County Cattle Company judged the jackpot roping.

Bovina Roping Club would like to extend a big vote of thanks to all those gals in the booth timing and keeping books, Joe Jones, the announcer, and the people who kept those roping cattle rolling through. Also they express appreciation to Henry Haseloff for supplying the cutting cattle.

### EYE CARE UPDATE

**Dr. James Simmacher, O.D. Optometrist**

#### GET THE PICTURE?

**QUESTION:** I just got my TV back from the repair shop and it should be working perfectly. In fact, they said it was. But no matter how I fool with the dials the picture isn't as sharp as it should be. Could the problem be with my eyes?

**ANSWER:** Watching TV for long periods of time can cause eye fatigue. But TV watching is not harmful to the eyes. If your eyes are bothered in any way, an eye examination will show you how they can be helped. To give your eyes a break when watching TV, you should be sitting at least six feet away from the screen. And don't sit in the dark. It's not good for your eyes. If you've done all you can to get a clear picture but still have trouble seeing well, maybe it's time for an eye examination.

**Dr. James Simmacher, O.D.**

Sunflowers

## Seedtec

### Attention Sunflower Growers Why Not Plant The Best?

In 1983 Tests At Clovis:

Under irrigation, SeedTec Hybrid Sunflowers ranked number 1, 2, 3, 4 and 5 out of 15 hybrids tested in both yield per acre and pounds of oil per acre.

Under dryland conditions, SeedTec ranked number 1, 2, and 3 in both yield per acre and pounds of oil per acre.

SeedTec Hybrids ranked number 1 and 2 in yield on average for both irrigated and dryland.

At Tucumcari\* in 1983, SeedTec ranked number 1 for yield and oil in dryland and number 1 average yield for both dryland and limited irrigation.

On average under four environments; full irrigation, limited irrigation and dryland at Clovis and Tucumcari, SeedTec Hybrids ranked number 1, 2 and 3 in yield per acre and number 1, 2, 3 and 4 in pounds of oil per acre.

\*New Mexico has the most extensive Sunflower data available for this area. Complete reports available on request.

**IN BRONCO LEAGUE**

# Friona Star Remains Unbeaten

Pony League Baseball is back in action following a brief halt during end of school activities. Following the games played in the past two weeks, the Friona Star team is still leading the Bronco division with the only perfect record in the league.

Friona Star has played and won three games since the last report making their record 6-0.

The team met Friona State Bank June 1 to get things rolling again, and it was all Friona Star's ballgame. Friona Star took the first turn at bat and scored four runs before the Bank

team could get their three outs.

The Bank was unable to score their first time at bat and the first inning score was 4-0 in favor of the Friona Star.

In the second inning, the Star scored seven more runs and once again held the Bank scoreless, to hike their lead to 11-0.

Things did not change in the third period as the Star added two more runs and team pitcher Andre Duran only allowed the Bank one hit when Steven Dickson got a base hit, following a strikeout by Gary

Stowers. The next two batters struck out.

The Friona Star scored three more runs in the final two innings making the final score 16-0. Andre Duran was the winning pitcher.

The next game matched up Friona Star and Friona Feed Yard, and was played June 4.

Friona Feed Yard led the charge in the first inning when they scored two runs before the Friona Star had their time at bat. But the Star team was quick to answer with two runs of their own and the game was tied up at the end of the first inning.

Friona Feed Yard was unable to score in the second inning but allowed eight runs to be scored by their opponent.

Friona Feed Yard scored one more in the third and one in the fifth to bring their final score to four. Then they held the Star scoreless in the third with three quick outs, but allowed them to score six in the next two innings to make the final score 16-4 in favor of the Star.

Andre Duran and Hector Perez shared the pitching honors for the Friona Star team and David Barnett pitched for Feed Yard.

The highlight of the game was two home runs, hit over the fence for the first time this year. Both hits came in the second inning, with Andre Duran slamming the first one and two batters later, Hector Perez stepped up to bat and knocked the third pitch out of the field.

On Tuesday, June 5, the Friona Star met Friona State Bank.

The Friona Star team took the first turn at bat and scored nine runs before they took the field and held the Bank to one run.

The Star team only allowed their opponents two runs in the entire game and managed to run their total up to 28 before the game was over.

Alex Mendoza, John Edd Duke and Hector Perez each scored four runs to lead the Star attack, followed by Michael Davila, Andre Duran, Robert Sandoval, Shannon Cochran and Pat Upton with three each. Jason Jass scored one, making the final score 28-2.

Hector Perez highlighted the hitting with two over the fence home runs, one with one man on base and the other with two men on base. Andre Duran hit a homer of his own with two men on base and Robert Sandoval hit his first home run of the season with two men on base.

Duran was the winning pitcher, allowing only two hits. Steven Smith, Junior Trevino and Louis Abeyta pitched for the Bank. Scoring runs for Friona State Bank were Steven Smith and Steven Dickson.

In other action last week, Friona Feed Yard picked up their first victory of the season when they defeated Friona State Bank.

Both teams scored three runs in the first inning, but Friona State Bank picked up an additional three in the second inning and did not allow Feed Yard any.

In the third inning Friona Feed Yard picked up three more runs and held Bank scoreless to tie the game at the end of the third inning.

Friona Feed Yard went to bat in the fourth inning only to score one run. They took the field and allowed the Bank team to score six making the fourth inning score 12-7 in favor of Friona State Bank.

A fifth inning rally by Friona Feed Yard netted six additional runs and gained them the 13-12 victory.

Scoring for the Feed Yard were Chad Rhodes and David Barnett, three each; Mike Mata, Brian Brogden and Jr. Silva, two runs each and Dustee Gee scored one.

David Barnett was the winning pitcher.

Steven Dickson and Nathan Brockman led the scoring for Friona State Bank with three runs each. Steven Smith and Harvey Cruz each scored two and Rafael Torres and Daniel Saiz each added one.

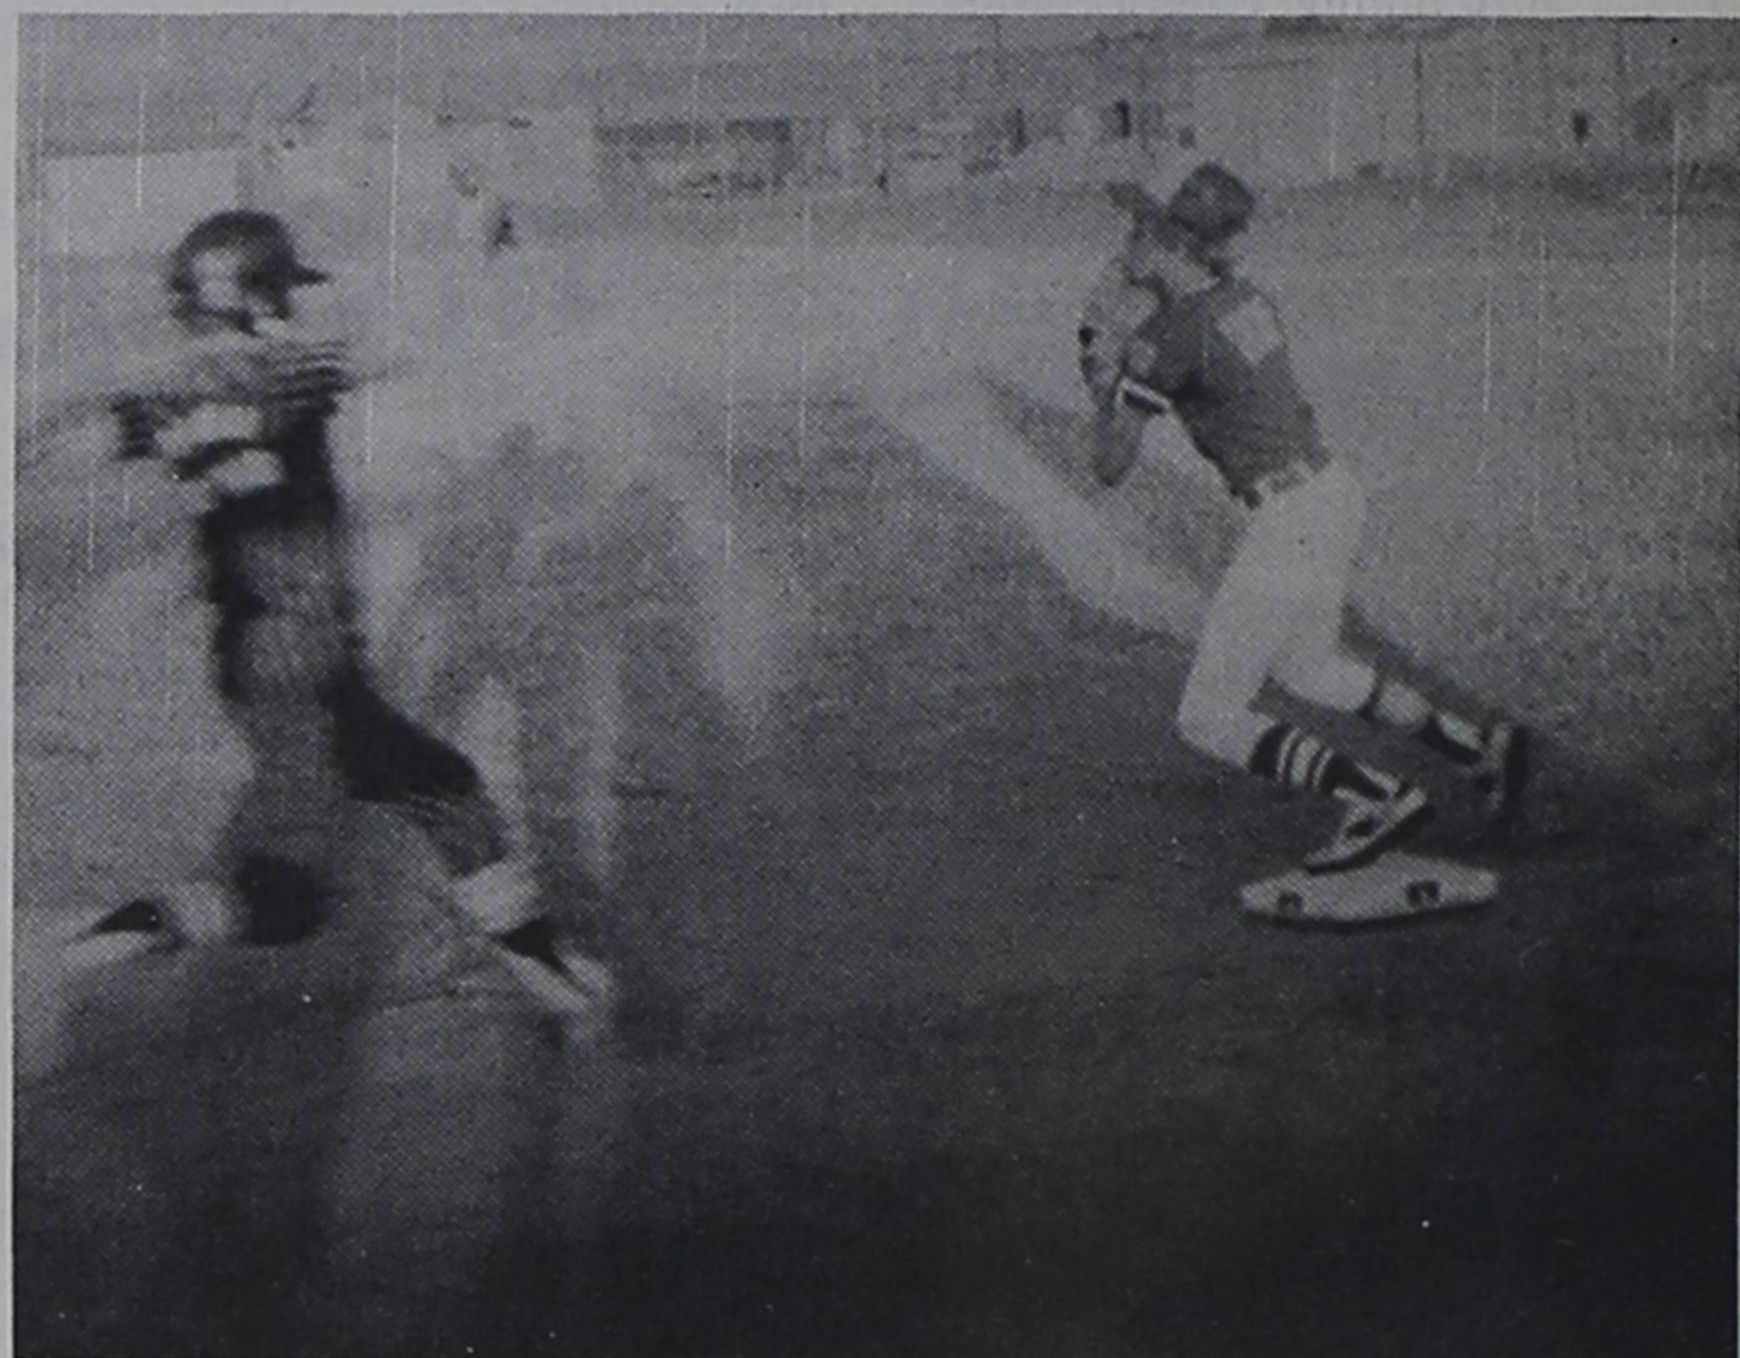

Daniel Saiz pitched for Friona State Bank.

**LEAGUE STANDINGS**

Team	W-L
Friona Star	6-0
Friona State Bank	1-4
Friona Feed Yard	1-4

**HE'S OUT....**Friona Star's third baseman, Robert Sandoval, makes sure this unidentified Feed Yard player doesn't make it to third base. Friona Star won the game, 24-0.

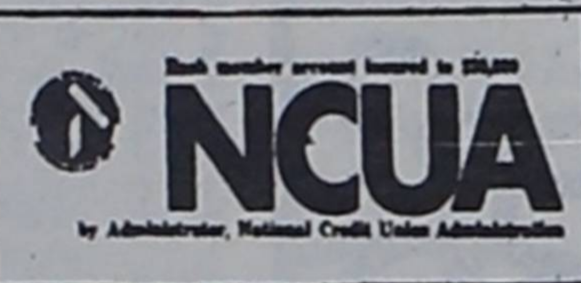

**GOT CHA....**Shannon Cochran, first baseman for the Friona Star team, makes the play on first base and readies to try for one at home plate. Friona Star won the game to keep their perfect record.

## Tax Check Increases

State Comptroller Bob Bullock Monday sent checks totaling \$72 million in local sales tax payments to the 988 local-tax cities and four transit authorities, including the first check for collections of the new Fort Worth transit tax.

Friona's check amounted to \$6,492.75, compared to a payment of \$4,342.02, an increase of 49.5 per cent for the same period a year ago.

For the year, the city has received payments amounting to \$50,395.48, compared to \$46,383.37 for the period ending in May of 1983, an increase of 8.65 per cent.

Parmer County's three municipalities received a total of \$9,101.69 for the current period, compared to \$6,331.02 for the same time a year earlier.

The county's three cities now have received \$74,315.49, compared to \$69,414.94, an increase of 7.06 per cent.

"So far this year, we've sent these cities a little over \$400 million, which is more than 13 per cent better than what they had gotten by this time last year," Bullock said.

Houston's check was the largest—\$8.9 million—for a total of \$72.7 million, up five per cent over last year. Dallas received \$5.8 million to push its total payment to \$48.3 million, a 15 per cent increase.

San Antonio's payment of \$3 million brought its 1984 total to \$23.8 million, up 16 per cent. Austin received \$2.4 million for a yearly total of \$17.1 million, a 26 per cent increase.

Fort Worth's check for \$1.9 million increased total payments to \$14.7 million, up nine per cent. El Paso received \$1.1 million, bringing 1984 payments to \$8.9 million, 17 per cent over last year.

Bullock also sent checks to Metropolitan Transit Authorities in Fort Worth, Dallas, Houston and San Antonio. Fort Worth's first check from the one-quarter per cent local transit tax in that city was for \$331,306. The Dallas DART check was for \$8 million and the Houston MTA got \$10 million. San Antonio's VIA check was for \$1.7 million.

June payments reflect taxes on sales made in April and reported to the Comptroller by May 20.

## D. Faulkner's Services Held

Memorial services for Doyal Faulkner, who died at Parmer County Community Hospital, May 19 were conducted from the family home the following Monday by Daymon White, pastor of First Baptist Church.

He was born March 24, 1909 in Arkansas and moved to Friona from the San Diego, California area in November of 1983.

Survivors, besides his wife, the former Evelyn Roberts Elliott, include one daughter, Mary Jo Nitz, Tacoma, Washington; four brothers and three sisters; one step-son, Darrell Elliott, Euless, Texas; one step-daughter, Beverly Sandlin, Garland, Texas; eight grandchildren and seven great-grandchildren.

## Wisemans Have Boy

A baby boy was born to Mr. and Mrs. Kevin Wiseman on Tuesday, June 5, at Lubbock's Methodist Hospital.

The youngster weighed seven pounds even. He has an older sister, Sheila, five, and a brother Kyle, three.

Mrs. Wiseman is the former Carolyn Murphree.

Grandparents are Mr. and Mrs. Buddy Wiseman and Mr. and Mrs. Curtis Murphree, all of Friona. Great-grandparents are Mr. and Mrs. W. A. Turner, Friona, and Mr. and Mrs. Charles Wiseman, Hereford.

## DPS Urges Driver Safety

The summer season is approaching fast. The Department of Public Safety reminds Texas motorists that the most wonderful part of the year is upon us and hopes all Texas drivers will be driving next fall.

Texans will be traveling to various parts of our state to enjoy the hospitality and sunshine. According to Major Vernon Cawthon, Regional Commander of the Department of Public Safety, "We want the summer of 1984 to be the safest yet for the Texas motoring public."

He noted that summer brings out the best and worst driving habits of Texans because alcohol consumption will be on the increase during the summer months. Major Cawthon stated, "Traffic increases on summer days and with added tourism, our highways can become more dangerous if alcohol is consumed." He reminds motorists that Texans will be leaving on vacation trips and need to obey the 55 mph speed limit and wear their seat belts for a safe trip.

He emphasized the vehicle needs to be checked, especially the cooling system, tires and belts to prevent unnecessary and unwanted breakdowns during our extremely warm weather ahead.

Major Cawthon reminds drivers that summer temperatures can increase a driver's temperament, so be patient, courteous, and friendly to make Texas summer 1984 a season to remember.

**MARATHON WINNERS....** The second annual "Running for Christ" marathon was held here recently, sponsored by Excel Corporation, and Fraternidad Bautista Norveste. City Manager Beelee Goodwin presents the first place trophy to Freddie Gonzales (center), of Morton. Jessie Estrada, left, placed second, and Cesareo Carrera, right, placed third. Both Estrada and Carrera are residents of Friona.

## Seminar Is Scheduled To Assist Veterans

Hereford State Bank and Carol Legate of Top Properties will be hosting an educational seminar on the newly created Texas Veterans Housing Assistance Program and the existing Veterans Land Program.

Lorenzo M. Seden, Veterans Outreach Representative for the Veterans Land Board, will conduct the seminar which will be open to the public. It will be held in the Flame Room of Energas in Hereford at 8 p.m. on Thursday, June 14.

Pat Newton, Mortgage Loan Processor for Hereford State Bank, urges each of the 2,160 veterans in Deaf Smith County, veterans in surrounding counties, and real estate professionals interested in participating in these two excellent programs to attend the seminar.

The newly created Housing Assistance Program offers low interest loans up to \$20,000 to apply toward the purchase of a home. The

program is available to veterans who wish to purchase an existing home or to build a new home. This program can also be used in conjunction with a no-down payment home loan from the U.S. Veterans Administration and there is no limit on the amount of acreage bought with a home.

Garry Mauro, Land Commissioner, who administers both programs, said the Veterans Land Program offers long term, low interest loans to eligible veterans to purchase a minimum of ten acres of land. Veterans can receive an application form for the land program at the presentation by submitting a non-refundable \$25 fee.

## Texans Get Advice For Energy Plan

The Public Utility Commission has announced the establishment of a toll-free number as part of the statewide "Texas Tune-Up" campaign. The toll-free energy number is expected to play a key role in this ambitious public service project. Throughout Texas, consumers will be able to call 1-800-643-SAVE to receive advice and publications on controlling their home energy use this summer.

Designed to make residents aware of available steps for controlling their utility bills this summer, the campaign includes television and radio spots, outdoor boards, and newspaper ads, as well as written material in the form of brochures and fact sheets.

The toll-free number will be prominently displayed on each produced and printed piece of maximum exposure. Texans are encouraged to call 1-800-643-SAVE for further energy related information on the "Texas Tune-Up."

## Bailey REC Gives Grants To Seniors

Three scholarships were awarded to area graduating seniors by Bailey County Electric Cooperative Association. These three scholarships were made available through the Cooperative by the First National Bank of Muleshoe.

Those receiving this year's \$400.00 scholarships were: Belinda McBee, daughter of Mr. and Mrs. D.M. McBee of Morton; Lori Nell Carlisle, a graduate of Three Way High School, daughter of Mr. and Mrs. Nelson Carlisle; and Maria Anna Ybarra, daughter of Mr. and Mrs. Jesse Ybarra of Muleshoe.

These scholarships may be used in any college or university of the student's choosing. They are paid in four checks: \$100.00 each semester for the first four semesters the students are in college. The scholarships can be used only if the student is enrolled in college, trade school or technical training institutes.

These scholarships were presented to the recipients at their respective school's awards assemblies and graduation exercises.

## Minimum Tillage Is Pushed By SWCD

Conservation tillage prevents erosion and increases farm profits by reducing operating costs of tillage operations.

There are several forms of conservation tillage. Conservation tillage is any system which creates the best environment possible for growing a crop with a limited amount of soil disturbance. Retention of residue on the soil surface after planting for protection from erosion is the major reason for conservation tillage.

Examples of conservation tillage include no-till, non-inversion tillage, and strip tillage.

No-till consists of planting in undisturbed residue. Herbicides are used to kill growing crops after harvest and control weeds.

Non-inversion tillage consists of using sweeps or chisels to kill growing crops following harvest and retain

residues on the surface. Succeeding crop is planted in remaining residue which is adequate for protection from erosion. Herbicides may be used in this system to aid in the control of weeds.

Strip tillage system consists of preparing a seedbed no wider than 1/3 of the distance between the rows in which to plant the succeeding crop in the previous crop's residue. Two-thirds of the area is left untilled with protecting cover of mulch to prevent erosion.

These are just three forms of conservation tillage. There are many others and different combinations which can be adapted for different farming operations. For more information or assistance on conservation tillage, contact the local Soil Conservation Service office in Friona.

# Iva Edwards, Kip Kimbrough United In Church Ceremony

Iva Jeanette Edwards became the bride of Kip Dene Kimbrough of Fort Worth, Texas on Saturday, May 26 at 2 p.m. in Madison Avenue Baptist Church, Goldsboro, North Carolina.

The Reverend K. Thomas Greene, pastor, and The Reverend Donald Kimbrough, father of the groom, officiated at the double ring ceremony.

Mrs. Diana Greene, organist, presented the musical selections. She accompanied Cris Kimbrough, brother of the groom as he presented his solos.

The bride is the daughter of Mr. and Mrs. William Henry Edwards of Goldsboro, North Carolina.

The groom is the son of The Reverend and Mrs. Donald Kimbrough of Yelm, Washington.

Escorted to the altar by her father and given in marriage by her parents, the bride wore a formal gown of

white chiffonette, re-embroidered alencon lace and English net over peau de soie. Her gown was fashioned with a high collar victorian neckline designed with a sheer yoke, a fitted lace and net bodice, a natural waistline with a lower torso back and long sheer fitted sleeves with gathered caps. Appliques of lace accented with pearls and crystal trimmed the neckline, bodice and sleeves which closed with traditional bridal buttons. Ruffled Belgian lace and re-embroidered alencon lace scalloped accented the hemline of the semi-bell skirt. Belgian lace and re-embroidered alencon lace highlighted the full court train giving a double train effect.

Her cathedral length veil of imported silk illusion with a blusher, was designed with a rolled scalloped edge trimmed with silk venice lace flowers which fell softly from a silk

venice cap accented with pearls and crystal.

She carried a cascading bouquet of yellow roses.

Sheri Michalec of Winston-Salem, North Carolina was the maid of honor. Bridesmaids were Shirley Cole of Texhoma, Texas, Ruth From of Anchorage, Alaska, Mrs. Danette Kimbrough of DeSota, Texas, sister-in-law of the groom and Rhonda Shivar of Goldsboro, North Carolina. Shawn Criswell of Bowling Green, Kentucky, niece of the bride, was the junior bridesmaid.

Joe Morris of Webb City, Missouri was the best man. Groomsmen were John Edwards of Goldsboro, North Carolina, brother of the bride, Roy Fields of Newport News, Virginia, cousin of the bride, Cris Kimbrough of Fort Worth, brother of the groom and Tip Kimbrough of DeSota, Texas, twin brother of the groom. Jay Cline, Jr. of Las Cruces, New Mexico, nephew of the groom, was the junior groomsman.

As the couple left the altar after lighting the unity candle, they presented their mothers with long stemmed roses.

Mrs. Bryan Horne of Wilson, North Carolina registered the guests. Following the ceremony the bride's parents hosted the reception at the Walnut Creek Country Club.

Guests were greeted by Mr. and Mrs. Nelson Callahan. Presiding at the register was Andy Edwards. After the bridal couple cut the first slice of the three tiered wedding cake the serving was completed by Mrs. Elmer Fields of Newport News, Virginia and Mrs. Pete Rackley of Goldsboro, North Carolina, aunts of the bride. Mrs. Ben Ward and Mrs. Bernie Allen served punch.

The groom is the grandson of Mr. and Mrs. H.A. Hyde of Friona. He was employed by Calvary Baptist Church of Friona during the summer of 1983 as the church's youth director.

The bride is a 1979 graduate of Eastern Wayne High School, Goldsboro, North Carolina. She attended North Carolina State

University and graduated from Wake Forest University, Winston Salem, North Carolina in 1983 with a B.A. degree in psychology. She is presently attending Southwestern Baptist Theological Seminary, Fort Worth, Texas and is employed by Buckner Children's Home, Dallas, Texas.

The groom graduated from Uintah High School, Vernal, Utah in 1975. He received his B.A. degree in sociology from Central State University, Edmond, Oklahoma in 1979. He is presently attending Southwestern Baptist Theological Seminary, Fort Worth, Texas and is employed by Central Freight Lines, Fort Worth, Texas.

### REHEARSAL DINNER

Following the rehearsal on Friday, May 25, the groom's parents entertained the wedding party and out-of-town guests at a dinner party at Walnut Creek Country Club.

## Bookmark Contest Set At Library

"Libraries Are Magical" is the theme chosen for the bookmark contest sponsored by the Friona Public Library and the Texas Panhandle Library System. Children from kindergarten through the sixth grade may enter. Deadline is June 15.

Twenty-seven public libraries throughout the Panhandle area will be participating in the bookmark contest. Two winning bookmarks will be selected from each participating library. The winning bookmarks will be printed and distributed at the booth sponsored by the Texas Panhandle Library System during the Tri-State Fair in Amarillo, September 1-8.

For more information contact Darla Bracken at Friona Public Library. Entry forms are available at the Library.

# Town Talk

By June Floyd

Call 247-3681 With Your News Item

Tom Gee, who has been living in the San Francisco Bay area several years, arrived in Lubbock Thursday evening and was met at the airport by his sister and brother-in-law, Linda and Owen Houston, who live there.

Tom, Linda and Owen are hosting a Golden Wedding Anniversary reception for the J.T. Gees at Friendship House from 3-5 p.m. Sunday and the response to Linda's request for information for a scrap book for her parents has been good.

However, if you failed to mail yours, you can just take it to the reception.

Inez Rule returned home recently after a visit in the homes of her sister and brother-in-law, Mr. and Mrs. Jesse Wright and mother, Mrs. Nancy Allen, who live near Durham, Oklahoma.

Early this week Mrs. Hayden Downey and Mr. and Mrs. Harvey Ford, all of Chehalis, Washington; Mr. and Mrs. Gordon Vankluk, Auburn, Washington; and Mr. and

Mrs. Alvin Lerew of Tacoma, Washington, were guests in Inez's home.

The Washingtonians, who are cousins of Inez's late husband, Sam, were enroute to Washington, D.C.

Major Chris Tannahill, a career man in the United States Air Force, spent last week visiting in the home of his mother, Tress Tannahill. He recently completed helicopter training at Fort Rucker, Alabama, and was enroute to Landsthol, Germany, where he has been stationed several years.

His next assignment will be at Scheinfurt, Germany, where he will be in command of a helicopter hospital unit.

Other out-of-town visitors in the Tannahill home last week were Mr. and Mrs. Craig Tannahill and children, David, Jennifer and Barbara Tress, who live in Lubbock; and Pat Pleasants and sons, Brian, Chris and Owen, who live in Austin.

Also, Brice and Connie Allen of Crosbyton, Texas; and James Andrews and son, Kevin, who live in St. Louis, Missouri.

Major Tannahill also visited in the home of John and Sherrie Taylor and daughters, Carolyn and Teresa, who live here.

Out-of-town guests in our home this week are our four youngest grandsons, Clint, Kory and Tye Phillips, Lewistown, Montana; and Brandon Dickson, Garland, Texas.

Also, Frieda Dickson of Garland and Susan, Wes and Julie Phillips of Lewistown.

This is Julie's third visit to the Lone Star State. She was here in May of 1975 and in San Antonio a couple of years or so later.

Wana Brewer and Edith Johnson spent Thursday visiting in Amarillo.

One home that they visited in was that of Mabel Kale, a former Friona resident. Mrs. Kale is the mother of the late Mary Elliott and grandmother of Becky Riethmayer.

Mrs. Ray White, a surgical patient at St. Anthony's Hospital in Amarillo, is reported to be in satisfactory condition.

Luther and Clessy Stroud returned home late last week after attending graduation ceremonies at Eastwood High School in El Paso, where a granddaughter was a member of the graduating class.

From El Paso they drove to the West Coast, where they spent several days visiting relatives, before returning home.

Mr. and Mrs. J.D. Spencer, Jr. and children, who live in the Houston area, visited local relatives last weekend. J.D.'s parents are Mr. and Mrs. J.D. Spencer of the Black Community and Jan's grandparents are Mr. and Mrs. Oscar Baxter of Friona.

Mr. and Mrs. Raymond Hughes of the Walcott Community spent several days last week visiting relatives in the Clinton and Weatherford, Oklahoma area. They returned home Saturday afternoon.

Out-of-town visitors in the home of Hoyt and Kathryn Smith this week are Mr. and Mrs. Mike Smith and

daughters, Melissa and Jennifer. Mike and Debbie plan to return to their home in Sherman Sunday afternoon, but the girls will remain for a longer visit in the home of their grandparents.

Mr. and Mrs. Ron Procter and children, Jeff and Jenny, were weekend visitors in the home of Mr. and Mrs. Barney Castleberry, who live in Vernon. The Castleberrys, formerly of Friona, are Mrs. Procter's parents.

Weekend visitors in the home of Decimae Beene were two of her cousins, Bernice Minter, who lives in Oklahoma City, and Ada Ruth Cramer of Canyon.

Mrs. Beene and Mrs. Minter spent Saturday visiting in the home of Mrs. Beene's father, Goose Ramey, who lives in Dimmitt.

Vickie Copley, Fern Broyles and Shannon Cochran flew to Houston last Tuesday for the Klein High School graduation ceremonies on Wednesday night.

Sheryl Williams, daughter of Mr. and Mrs. Bert Williams of Spring, Texas and niece of Mrs. Broyles, was among the 693 graduates of the class. They returned Thursday morning.

We understand that the condition of Jamie Herring, a patient at Northwest Texas Hospital in Amarillo, has changed little this week. Jamie is the daughter of Mr. and Mrs. Glen Herring.

Rev. Archie Echols said it is his understanding that Miss Herring, who was critically injured in a motorcycle accident here May 13, may be moved to a therapy center within the next few weeks, possibly Denver.

A therapist is to visit the Friona youngster in Amarillo to determine the course to pursue.

Several Frionians attended funeral services for Mack Bainum of Dalhart Thursday. Bainum and his wife, Vera, lived here a number of years before moving to the Dallam County Capitol.

Their children, Danny Mack and Phyllis, are both graduates of Friona High School.

A brunch in the home of Decimae Beene Monday morning honored Lois Gilliland, Mary Morrow and

Beth Buran, all of Hereford. Edith Johnson was co-hostess.

Guests were Jinx Snead, Pearl McLean, Helen Bailey, Wana Brewer, Kathryn Smith, Evelyn Faulkner, Margie Herring and Brent Beene, all of Friona, and Kathy McLean, Bowie, Texas.

Word was received at the Star office Thursday morning that David McVey had died in an El Paso hospital and that funeral services would be held Friday in El Paso.

McVey and his family lived in Friona in the early 1960s and he was Vocational Agriculture instructor in the high school.

The McVeys' address is 940 Cessena Drive, El Paso and we will have further details in next week's Star.

## Eye Openers

by  
Drs. Armistead & Smith  
OPTOMETRISTS  
406 LFD Drive • Phone 385-5147  
Littlefield, Texas 79339

### THE FASCINATING HISTORY OF EYECARE-PART IX

In the early 1950's, contact lenses that were comfortable to wear and that provided good vision were developed by an international team whose members included Wilhelm P. Sohnges, a German optician, Dr. John Neill, an American optometrist, and Frank Dickinson, a British optician. This first generation of hard contact lenses had some drawbacks. They required the patient to undergo a slow adaptation period (it took a long time to get used to the lenses), they could easily slip or fall off the eyes, and they could not be worn by everyone. Still, they were an advancement and many eyeglass wearers, especially teen-ager girls and young women, tried them and wore them successfully.

In the 1960's contact lens fitting procedures and manufacturing techniques had been improved significantly. In fact, about 6 million Americans were wearing them. President Lyndon Johnson was the first U.S. President to wear contact lenses.

In 1960 two chemists in Czechoslovakia developed a hydrophilic (water-absorbing) plastic that was later developed into "soft" contact lenses. "Soft" contact lenses were much more comfortable to wear than conventional "hard" contacts, but the optics were not nearly as good. American manufacturers immediately began seeking ways to improve the optical quality of the new soft lenses; they succeeded. Soft contact lenses were classified as a "drug" by the U.S. Food & Drug Administration and development came under close government scrutiny and control. This may have slowed the introduction of soft lenses in the U.S., but it did allow for greater safety and better quality. Optometrists were required to take special courses to learn how to fit this new type of contact lens. Soft contact lenses today are greatly improved compared to those of a decade ago and remain one of the most popular types of contact lenses being fit.

During the 1960's young people created a fad for old-fashioned spectacles. Antique eyeglasses from the 19th century were worn in a variety of styles. This fad has all but died.

This message is brought to you in the interest of better vision by Drs. Armistead & Smith.

## Hospital Report

### ADMISSIONS--

Glenda Duffey and baby girl, Friona; Evelyn Trice, O'Brien, Texas; Willard Stewart, Friona; Dennis Slagle, Friona; Mike Ellis, Friona; Grace Allison, Friona; Clara Smalts, Friona; J.C. Parvin, Friona; and Gabriel Baca, Friona.

### DISMISSALS--

Eva Arias, Grace Allison, Evelyn Trice, Guy Ellis, Glenda Duffey and baby girl, Marcelino Mitchell, Dennis Slagle and Willard Stewart.

### PATIENTS IN HOSPITAL--

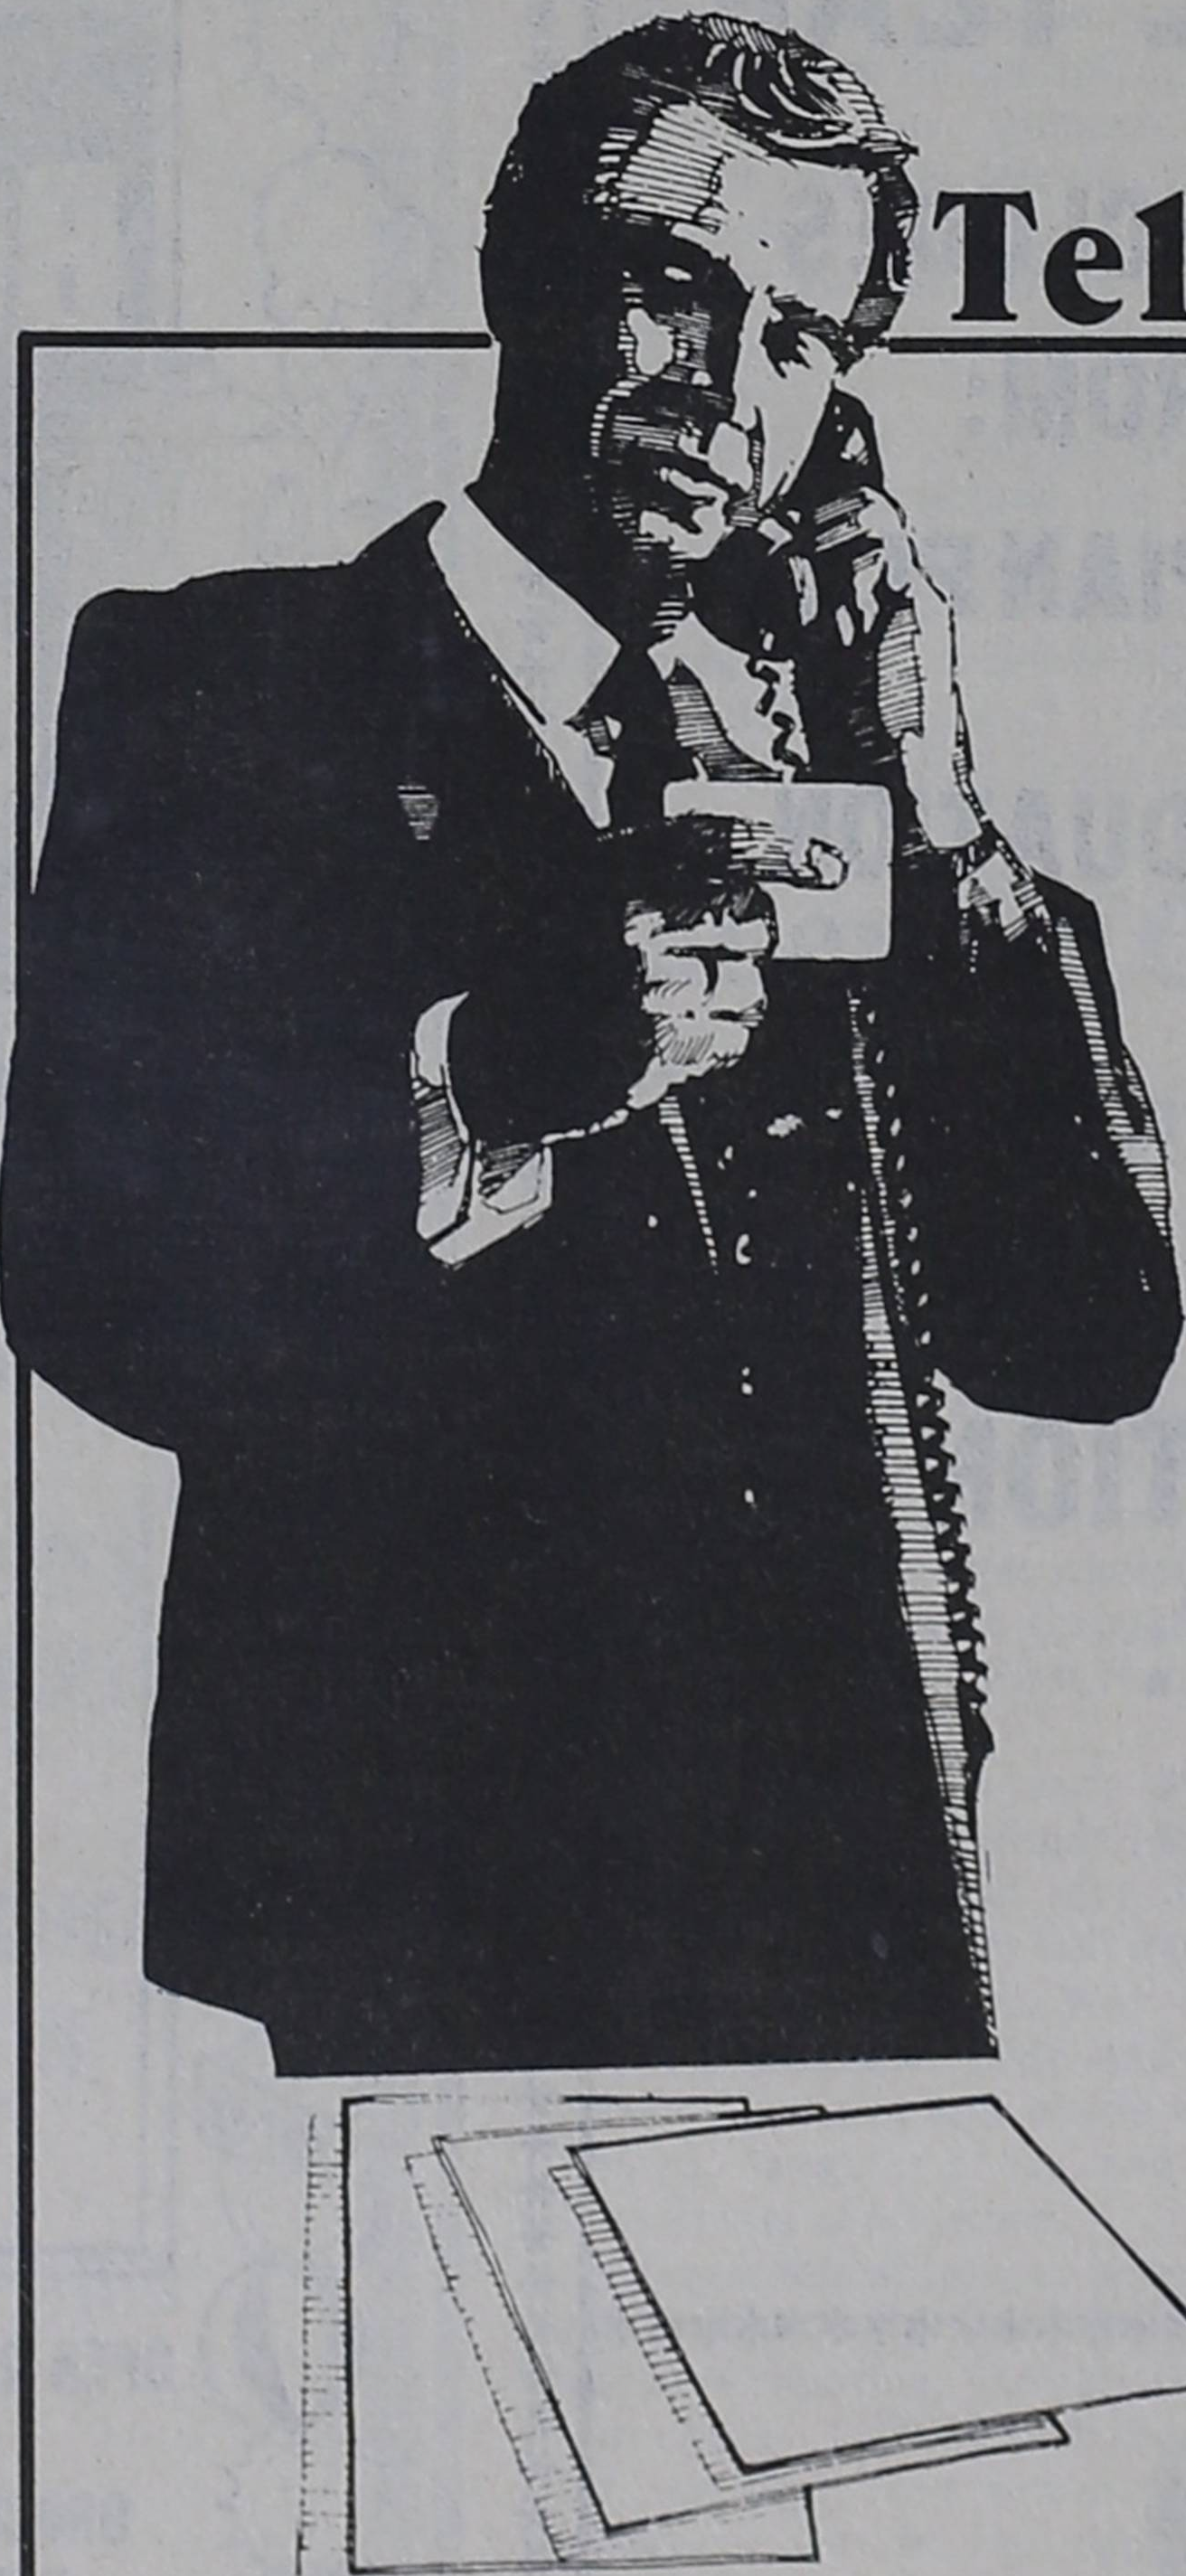

Arlin Hartzog, Mike Ellis, Clara Smalts, Lori Escamilla, J.C. Parvin and Gabriel Baca.

# Amber Smith Gets Honor Scholarship

Amber Gae Smith, a student at West Texas State University and the daughter of Mrs. Jere Smith of

Friona, has received a Transfer Honor Scholarship from Austin College in Sherman.

"The Transfer Honor Scholarship ranges from \$750 to \$1,000 and is based on the student's academic record of the college he or she has been attending," said Austin College Admissions Director Chuck Wharton. The scholarship is renewable if the student maintains a high level of academic performance.

Austin College provides a significant number of freshmen and transfer students each year with special academic or achievement awards. In 1984, more than \$200,000 will be awarded to meritorious students.

To be considered for scholarship assistance, high school seniors and transfer students should apply for admission as early in the academic year as possible, but not later than April 15. Competitive awards are made on a non-discriminatory basis without references to race, sex, color, religion, national origin or handicap.

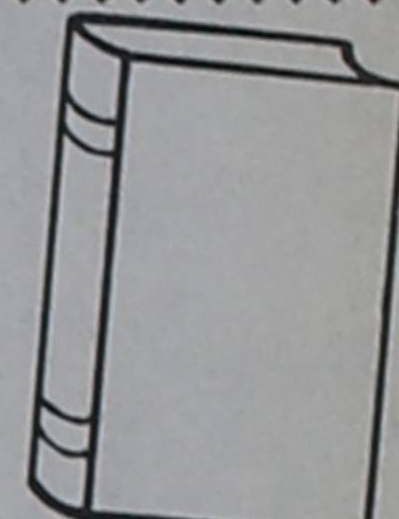

Austin College is a 135-year-old liberal arts college related by covenant to the Presbyterian Church (U.S.A.). It has been selected as one of the top four colleges or universities in Texas by New York Times Education Editor Edward B. Fiske in the 1984 edition of the *Selective Guide to Colleges*.

**ROSA PENA and JOHNNY TREVINO....Mr. and Mrs. Santiago Pena and Mr. and Mrs. Juan Ramon Trevino, all of Friona, announce the engagement and approaching marriage of their children, Rosa and Johnny. The ceremony will be held at 3 p.m. Saturday, July 28 at the Sixth Street Church of Christ in Friona. Both Rosa and Johnny will be seniors at Friona High School next year. They will reside at 905 East Ninth Street.**

## Library Corner

By DARLA BRACKEN

The Summer Reading Club is well underway with 91 children registered as of this writing. The program will continue for five more weeks until July 13. We hope they will all read more about whatever they're interested in this summer.

During a very busy month of May, 747 patrons made use of the library borrowing 1,733 items. We registered 27 new readers during the month.

The Story Hour children had their grand finale with a field trip to kindergarten May 10. Our thanks to Mr. Melton and the very kind and patient kindergarten teachers Mrs. Judy Browning, Mrs. Tonya Gober, Mrs. Mary Israel, Mrs. Bettye Jarboe, and Mrs. Kathy Carthel. It was truly one of our year's highlights. Story Hour has been suspended for the summer while we carry on the Summer Reading Program for children of all ages, but it will resume in the fall. The children must be just under kindergarten age with the same cut-off rules applying--4 years old as of September 1. It is operated with mostly volunteer help so Mothers be prepared to help us out. All volunteers welcome.

We want to express our continued thanks to Carl White and Friona

Cablevision for the free cable TV service to the library. We plan to make use of this service and the video cassette recorder this summer. The VCR is a gift from the Friends of the Library.

Special visitors during the last week of school were these teachers and their classes: Nancy Edelman, Linda White, Donna Williams and Amelia Wright. We're always glad to have visitors.

Magazine donations were made by Lunell Horton, Zora Gaede, Gretta Warren and Joy Morton.

Book donations were made by Don Wilson, Ann Huddleston, Joy Morton and Truman McKillip of Bovina.

Mother's Day memorials were made by Jane and Dale Houlette to Dora Phipps and Opal Maynard.

Memorial donations have been made by: Jane and Dale Houlette to Bud Reed; Margie and D.C. Herring to Elmira Carlton; Margie and D.C. Herring to R.F. Talley; The Walter H. Mays Family and The Rex Bracken Family to Mrs. Frank Reid, mother of Lucille Lewis.

On new material at the library we restrict check-out to one two-week period.

New on the bookshelf are: Junior fiction--*The Third Eye* by Lois Duncan; Adult fiction--*Deep Six* by Clive Cussler, *Wheel of Fortune* by Susan Howatch, *Death in Cyprus* by M.M. Kaye, *The Walking Drum* by Louis L'Amour, *Full Circle* by Danielle Steel and *Destiny of Death* by Dell Shannon.

## Happy Birthday

WEEK OF JUNE 9-15

Friona residents having birthdays next week are:

June 9--Christene Mann.

June 10--LaVon Reeve, Sammy Spring, Melody Drake, Vohnya Tongate.

June 11--Carolyn Osborn, Wendy Hinkle, Cindy Butman, Donita Martin, Rebecca Ann Gomez.

June 12--Eddie Allen, Jimmy Maynard, Shelli Williams, Vickie Smiley.

June 13--Irene McFarland, Valton Howard, Micha Cortese.

June 14--Jana Reeve Phillips, Jerry Barton, James Collier, Ruby Collier, Bobby Thompson.

June 15--Anne Shackelford, Tonya Potts, Hazel Weir, Lynn Hutson, Rachel Estrada, Doris Hough.

If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Thursday noon to report it.

## ANNOUNCING-- NEW OWNERS

**Channel Master** \*\*\*\*\*

**SATELLITE RECEPTION AT IT'S BEST**

- P** Planning: Channel Master has built in the capabilities to scan and receive future satellite (horizon to horizon). Channel Master has planned for repairs in the event of failure in or out of warranty.
- P** Pricing: Channel Master prices are lower than most comparable earth stations.
- R** Reception: The reception on a Channel Master system is super. Compare our 8' system to larger.
- R** Remote Control: Infra red remote control channel selection is available.
- U** Ultimate in TV experience: Roughly 150 channels are available for your selection.
- U** User Protection: Channel Master comes with a 1 (one) year warranty. We have a 5 year plan available.
- I** Installation: Our dish is installed on a concrete pad and is rated to withstand a wind force of 120 mph. Installation is included in price quoted and included ditching and connections to one TV.
- T** Two degrees: FCC has approved satellite spacing 2 degrees some are in place, more are planned for 84 & 85. Channel Master dishes come with a 2 degree certification; due to construction, design and type of material, the separation of the satellites is excellent.
- T** Trust: Channel Master has been one of the major manufacturers of dependable antenna equipment for over 34 years. Pruitt TV has been in business for over 12 years with a good record of dependable service and over 60 years of combined experience in electronics.
- V** Visual: The tuner is equipped with video and audio outputs so the output can be fed direct to a monitor, or T.V., for best possible reception.
