## Mostly Routine Items Face School Board

Mostly routine matters were considered by the Friona School Board at its regular meeting Monday. Board member Kathryn Goddard was selected to be the board's delegate at the state convention of the School Board Assn., to be held in San Antonio in October. Pat Fleming was named alternate.

Due to an anticipated increase of the enrollment in the high school band for next year, the ordering of 15 additional uniforms was approved.

Superintendent Tom Jarboe gave a report to the board regarding the recent monitoring visit by the Texas Education Agency on the district's Chapter I, Chapter II and bilingual education programs. Some discrepancies in the bilingual program were noted, but are being (or have been) corrected.

The board considered the addition of a Chapter I Language Arts program in the elementary school.

Considerable time was spent reviewing the high school pre-enrollment figures in various subjects with Hal Ratcliff, principal.

The new state Board of Education rules on student absences for extra-curricular activities was reviewed and discussed. No action was taken at this time, as the matter is to be reviewed more at a later time.

Tax report showed 92 per cent collection on the 1983 roll. Harriet Nichols presented an updated policies and procedures manual for the Parmer County Special Education Co-op, which was approved.

Due to conflicts, the board has rescheduled its next meeting for June 18.

ONCE AGAIN, politics has reared its ugly head, and as a result, the Olympic Games will be affected in 1984.

It is unfortunate that the Games, which were revived in 1896 as a means of bringing nations together for friendly competition, have to serve as a "whipping boy" for the powerful nations.

Of course, it is obvious that the Russian pullout of the 1984 games is nothing short of retaliation for America's similar action at the Moscow games of 1980. That, plus a chance to threaten a black-eye to President Reagan, whom the Russians fear and would like to negatively affect his re-election campaign.

It is regrettable that politics have to affect the Olympic Games, but they do, and they have practically ever since the modern Olympics were conceived, so there appears nothing to do but go ahead with the games and not worry about the Russians.

One writer points out that the Russians were not a threat to win any gold medals in the track and field (men's division) anyway, and with the absence of the big, manly Soviet-bloc women, the rest of the world's entrants, many of whom you might even recognize as women, will make for a better-looking group of contestants.

One national news magazine's feature headline in its current edition asks "Are the Games Dead?" We would hastily answer that question "Of course not." The Olympic Games have survived more threats than the current U.S.-Soviet cold war tactics, and they no doubt will be strong enough to outlast this brush fire.

Former Olympics have been completely cancelled during wartime—in 1916 during World War I, and then twice, in 1940 and 1944 during World War II.

Both times, the Games were resumed whenever peaceful conditions once again prevailed.

America's boycott of the 1980 summer Olympics, and the Soviets' pullout of the 1984 games are not the first such occurrence.

In 1976, the entire African continent stayed away from the Olympics because they felt blacks might be discriminated against. There are other lesser incidents involving the Olympics.

Each time in the past, the Olympics have continued, and the athletes who have trained and waited for this once in a lifetime opportunity—are the big losers, when they are banned from competition.

It would be nice if the International Olympic Committee could go about its work without the intervention of national governments. But as long as there are nations with differing views, this problem is probably going to exist.

But the Olympic tradition and ideal is worth preserving, even if every so often it has to be tarnished by the actions of governments. It behooves governments to back off from the Olympic Games, and let the competition continue, unmolested.

It's not fair to the athletes to plunge the Olympics into international disagreements. And the boycotts such as those of 1980 and 1984 probably fail to achieve their intent. Americans were split on the boycott issue in 1980, and many felt our team should have competed. This probably hurts the cause of nationalism more than it helps, and our leaders need to take this into consideration. This, plus the fact of ruining the chance for those who had waited and trained for their big chance to win a medal.

## Business Opens

The Great American Sno-Cone is a new business which opened on Highway 60 just west of Main Street this week. Owned and operated by Gary and Bernice Fant, they feature a large variety of flavors of regular and creme snow cones.

**CANDIDATE VISITS...**Ron Fleming, left, held a press conference at the Parmer House Restaurant Wednesday. He is shown visiting with Ray Jackson during his visit. Fleming is in the Republican runoff for U.S. Congress.

## Warning Given For Young Bikers

School has closed for the summer and children will be enjoying summertime activities. However, in their enjoyment of play, one may soon forget about the dangers in the street. Inevitably this results in an accident which may lead to anything ranging from a good scare to someone seriously injured, says Friona's Chief of Police, Bill Thieman.

In the average year, there will be over 500 bicycle related fatalities and 25,000 disabling injuries. Since seventy per cent of bicycle accidents occur between April and September, and eighty per cent of the victims of these accidents are elementary and junior high school aged children, it is important for drivers to be especially alert during these oncoming summer months.

In order to lessen the chances for a mishap, here are a few hints that parents should pass on to their children about play either near or on the street.

## Candidates Schedule TV Debate

The runoff candidates for the 19th Congressional District seat will be featured in a televised debate at 6:30 p.m. Wednesday, May 30 on KAMC Channel 28 (Channel 2 for Friona Cablevision viewers).

Sponsored by the Lubbock League of Women Voters, the program will spotlight the Democratic candidates, Don R. Richards and Thomas M. Richards, in a question and answer session, followed by the Republican runoff candidates, Ron Fleming and Larry Combest.

The runoff election for each of the party primaries will be Saturday, June 2.

(1) Children riding bicycles should ride near the right hand side of the roadway. Two or more people riding together should ride in single file and not abreast of each other.

(2) Remember, bicycles like cars, are required to obey all traffic signals such as stop signs, etc. Of all of the accidents involving bicyclists, in eighty per cent, the cyclist was violating some traffic rule. In thirty per cent of these accidents, the cyclist struck the motor vehicle.

(3) Riders should wear brightly colored clothing to aid in their being seen by motorists, and give signals to indicate any change of direction.

(4) Although seventy per cent of bicycle traffic accidents occur during daylight hours, bicycling at night should be avoided. However, if one is riding at night, the bicycle should have appropriate lamps and reflectors to aid in its visibility.

In addition, not all children's play will put them on a bicycle, but in a yard or somewhere near the street. A few suggestions to them will include:

(1) Cross the street at intersections or with the aid of an adult. Drivers do not look for children crossing or entering the street from mid-block.

(2) Always be sure to stop and look both ways for approaching cars and trucks before entering the street. Safety is just as much the child's responsibility as the drivers'.

(3) Never start to cross the street from behind or between parked cars. These cars block the drivers' view of anyone entering the roadway.

Although the above suggestions are intended for bicyclists and pedestrians, motorists need to keep a watchful eye for youngsters enjoying themselves either near or in the street. Two often, the accident which ruins everyone's summer is a combination of two people not watching out for the other guy.

**WORK CONTINUES...**The foundation work at the new Millard Complex has made a lot of progress during the past week, as the new facility begins to take shape. Concrete forms are shown at the right, as workmen are busy in the foreground.

## Court Will Purchase New Motor Grader

Parmer County Commissioners voted to advertise for a new motor grader for Precinct 3 during their regular meeting on Monday, May 14. Bids on the new piece of equipment will be opened on June 11.

Commissioner Ernest Anthony, who presided over the session due to the absence of Judge Porter Roberts, pointed out that he had been approached by Parmer County Community Hospital asking help on care provided to indigents, amounting to \$4,227.85. A motion was passed to pay this hospital bill.

Due to the court's next meeting scheduled to fall on Memorial Day, a motion was passed to hold the next meeting on Friday, May 25 at 10 a.m. The courthouse will be closed Monday, May 28 for the holiday.

At the suggestion of County Treasurer Benna Felts, the following certificates of deposit were renewed: \$200,000 and \$100,000 from Farm to Market funds; two \$100,000 CDs from the general fund; and another general fund CD for \$150,000.

These funds are invested for short terms, to be accessible when needed.

Boarding care bills were approved on foster children located in the county, in the amount of \$2,070. This money is re-imbursed to the county.

A discussion was held on the \$5 tax the state allows the county to charge on registered vehicles. The tax is used for the upkeep of roads and

maintainers. Motion was passed to continue charging the tax.

A group of Parmer and Bailey County men met with the court to discuss forming a Bailey-Parmer County Agricultural Development Corporation. Following a long discussion, the matter was tabled in order to secure further information.

A letter had been received expressing interest in leasing some Parmer County school land in Gaines County. The interested party is to be asked to meet with the court on June 11 to discuss the matter.

## Poll Sites Are Given

The polling places for the Democratic and Republican runoff primaries will be basically the same as they were for the primaries, it has been announced.

All of the Democratic polling places will be the same. The Republicans from Precinct 2 and 3 will be voting at Reeve Chevrolet-Olds. Polls for both runoff elections will be open from 7 a.m. to 7 p.m.

Absentee voting for the runoff began May 23, and will end Tuesday, May 29 at the courthouse. The courthouse will be closed on Monday, May 28 for Memorial Day.

## Sixteen Graduate From Lazbuddie High School

Sixteen Lazbuddie High School seniors received their diplomas in graduation and baccalaureate ceremonies Monday, May 21 at the high school auditorium.

David Bennett, minister of the Lazbuddie Church of Christ, was the speaker. Father Patrick Maher of the Immaculate Conception Catholic Church, Muleshoe, delivered the invocation and benediction.

Lee Scott, son of Mr. and Mrs. Glenn Scott, was the class valedictorian. Launa Brockman, daughter of Mr. and Mrs. Phil Brockman, was the salutatorian, and Gary Cantrell, son of Mr. and Mrs. Rudy Cantrell, was the historian.

Scott played football and basketball four years, and was named all-district as a senior in both sports. He was a regional qualifier in the discus throw as a junior. Scott was a member of the National Honor Society, the Student Council, band, FTA and served as class president as a junior.

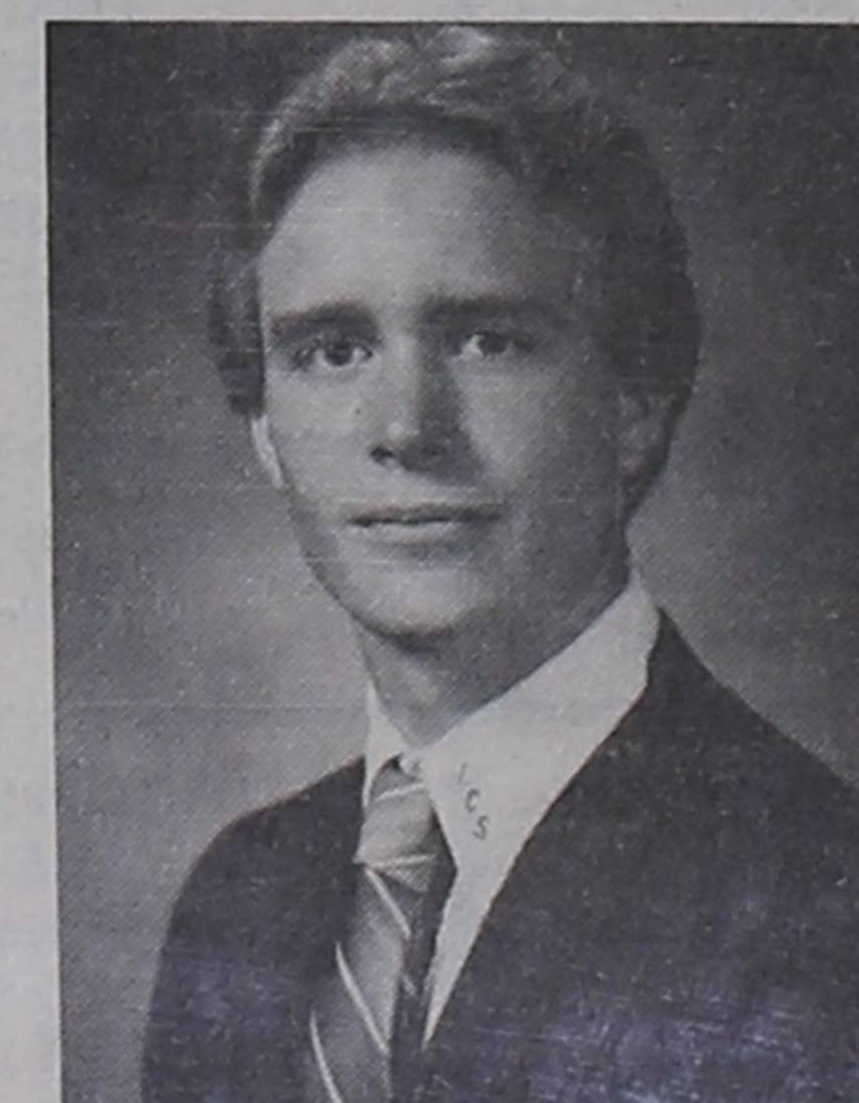

He received the school's science award as a sophomore; the history award as a junior and the vocational agriculture award three years. He was chosen "Most Athletic" as a senior.

Miss Brockman was a member of the National Honor Society, Student Council, Future Homemakers, where

she was an officer two years, was chosen Homecoming Queen one year, served as cheerleader, and was a class favorite twice.

She was a member of the annual staff, served as editor of the school newspaper, and was named "Miss LHS" as a senior. Miss Brockman played basketball four years, track one year, tennis one year, was in the band three years, and was a twirler three years.

Cantrell played basketball four years, and junior varsity football. He

## Chamber Is Sponsoring SPC Troop

The Friona Chamber of Commerce and Agriculture is sponsoring the performing troop from South Plains College, Levelland. This group will be arriving in Friona June 8 and will begin the performance at approximately 8:45 p.m.

This entertainment will be in the City Park, with a back-up location of the Community Center in case of inclement weather.

No admission will be charged for this event, however, concession stands are permissible. If your non-profit organization would like to participate in this fashion, please attend the organizational meeting Tuesday, May 29 at 5 p.m. at the Chamber office.

## FISD Honors Employees For Service

Teachers and other employees of the Friona Independent School District were honored this week in awards assemblies, for service rendered to the local school system, in multiples of five years.

Three employees were honored for 25 years of service. They were Margaret Duggins, second grade teacher; Valoris Osborn, homemaking teacher in high school, and Frances Ready, cafeteria employee.

Harley Merritt, high school science teacher, was the only employee honored at the 20-year service level.

Four other employees were honored for 15 years of service: Virginia Cleveland, high school business teacher; Mary Merrill, first grade teacher; W.L. Cleveland, high school Distributive Education teacher, and Denver Smith, maintenance supervisor.

Ten-year service pins were presented to Kathy Caudill, second grade; Nancy Edelman, first grade; Peggy Hamil, high school Spanish and English; Connie Slagle, junior high science; Linda Griffin, special education aide; Paul J. Smith, vocational agriculture; Troy Hutson, grade school custodian, and Frances Gonzales, cafeteria employee.

Five-year pins were presented to Steve Williams, high school math teacher and coach; Mary Israel, kindergarten; Josie Bautista, kindergarten aide, and Elizabeth Campos, cafeteria employee.

Other members of the graduating class were Tony Waddell, Sean Mason, Dewayne Ivy, Roy Gonzales, Sharon Glover, Anne Guy, Donna King, Junior Sanchez, Noe Gonzales, Larry Nail, Lionel Ramirez, Ralph Gonzales and Kevin Fuqua.

Class sponsors were Sharon Tate and Rick Copp.

## 55 YEARS AGO--MAY 17, 1929

This locality was visited with a much-needed rain which fell last Friday night and again Saturday night, Sunday and Sunday night, removing the gloom from the faces of the wheat farmers and replacing it with ear to ear smiles.

A grader was at work cleaning the sides of Main Street, preparatory to building concrete curbs on the west side of the street between Fifth and Seventh Streets.

The committee of the local organization of the Texas Wheat Growers Association and Pool Elevator Corporation completed the arrangements last week whereby the organization becomes owner of the elevator owned by John Gishler and son. No manager has been named for the elevator.

## 50 YEARS AGO--MAY 18, 1934

A large number of the wheat growers of this locality have incorporated under the name of "Friona Wheat Growers, Incorporated," and have purchased the elevator and other property of the Farmers National Grain Corporation here. Quite a number of the local growers have taken stock in the corporation.

## 40 YEARS AGO--MAY 19, 1944

Carolyn Lange is the valedictorian

for the class of 1944 at Friona High School, with an average of 90.02, and Dale Treider is the salutatorian with an average of 89.99, it was announced by school officials. Others with top averages included Loretta Johnston, Petrolia Scott, Rosalie Messenger, Viola Weis and Jean Crawford.

## 35 YEARS AGO--MAY 13, 1949

Wheat prospects in Friona and the surrounding territory were looking much better due to the rains which fell over the weekend. According to J.T. Gee, 3.3 inches of rain fell within the city limits.

Valedictorian for the graduating class of 1949 is Lunell McFarland, with a four-year average of 93.175. Pat Deaton is second with an average of 93.1. Lee Cranfill was third.

## 30 YEARS AGO--MAY 14, 1954

Gay Ann McFarland has been announced as valedictorian for the Friona Class of 1954, with a four-year average of 95.6. Clyde Hays is salutatorian with a 93.6 average, and Donna Miller ranked third.

Air rides from Benger Field will be available this Sunday, with all proceeds going to the hospital building fund.

## 25 YEARS AGO--MAY 14, 1959

Alton Farr of Paducah has been

named by members of the Friona Independent School District board of trustees as superintendent to replace Dillie Kelley, effective July 1. Kelley recently tendered his resignation to become associated with the Brownfield schools as director of finance.

## 20 YEARS AGO--MAY 14, 1964

An Australian girl, who will reside in the home of Mr. and Mrs. E.G. Phipps, will be Friona High School's exchange student for 1964-65, it was announced this week. Her name is Brenda Eileen Hawker.

## 16 YEARS AGO--MAY 16, 1968

In only its second week of operation, Missouri Beef Packers' Friona plant will slaughter more cattle than any other Texas meat packer. The plant plans to slaughter 3,500 head this week, after killing almost 2,000 in its first week of operation.

## 10 YEARS AGO--MAY 12, 1974

Colonel Robinson Risner, the senior ranking officer in Hanoi POW camp for eight years, will speak in the Friona Junior High Auditorium at 8:30 p.m. Thursday, May 16.

Marilyn Jones, daughter of Mr. and Mrs. Tommy Jones, has been selected as Friona's delegate to the American Legion Auxiliary's annual Bluebonnet Girls State convention June 21-22 at Texas Lutheran College.

Friona High School's Band was named "Outstanding Band" in its division while performing in the Six Flags Over Mid-America band festival this week in Missouri.

## 5 YEARS AGO--MAY 13, 1979

Kipi Fleming, daughter of Mr. and Mrs. Ray Dean Fleming, won a bronze medal for placing third in the editorial writing competition at the state UIL literary meet in Austin last weekend.

Extensive renovation of Friona's East Little League Park, plus improvements at the new softball field at Reeve Lake were approved for funding this week by City of Friona and the Friona Chamber of Commerce.

## Fire Dept. News

By ROGER FIELDS

The Fire Department has been very active during the month of May. The Railroad has kept us busy with three fires. The first was west of town when an engine caught fire. Then on the 15th and 16th, we went east of town to right-of-way fires. It has been very dry so far this year and that makes fire conditions very great.

This month the Pumper and Polo Teams have been getting ready to go to the Panhandle Fireman's and Fire Marshals Association Convention in Amarillo on the 18th and 19th. I am happy to report that the Ladies Auxiliary came in with a second place win in the six woman contest. This team consists of Linda Henry, Judy Martin, Katie Jones, Donna Sims, Amelia Taylor and Vickie Florez.

The Ladies Three Woman Team didn't place in the top three, but turned in a very good time. The men's team came in second in the Six Man Contest with a time of 20.3 seconds. This team consists of Donny Campbell, Danny Campbell, Avis Henry, Jimmy Taylor, John Taylor and Larry Martin. The night before the three man team, Bobby Davis, Jimmy Taylor and Larry Martin, took first place. The Men's Polo team, consisting of Randy Richards and Danny Campbell put up a good battle but did not get past the first round.

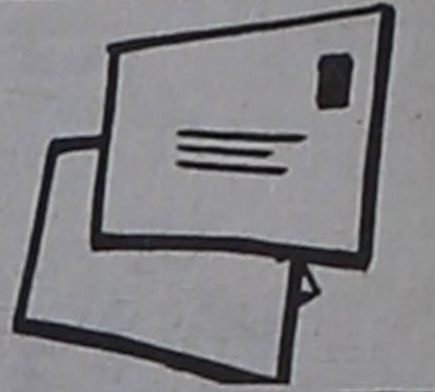

The rest of the convention was spent in conducting the business of the Association and the Awards Banquet. The Department would like to congratulate the men and women of these teams for representing Friona so well. Until next time, watch out for those fires and be careful.

## Letter To The Editor

(Editor's note: Leon Watson is a former News Editor of the Friona Star.)

Dear Bill:

As journalists we know how important it is to have the right facts. We know it is also our responsibility to get the right facts out to the voters in an election year.

There is, I have noticed, some information being put out by Thomas M. Richards which is not entirely the truth about his opponent, Don Richards, in the race for the 19th Congressional seat being vacated by Kent Hance.

Thomas Richards has chosen to attack Don at the grassroots level by circulating rumors that Don is an ultra liberal and was a "water boy" for Congressman Hance. This, of course, is ludicrous to everyone who knows Don.

Don has been endorsed by 16 conservative West Texas Newspapers and the leaders of 10 Agricultural organizations, as well as State Rep. Foster Whaley of the 84th State District.

Don would not have received these excellent endorsements if he were not a true West Texas conservative.

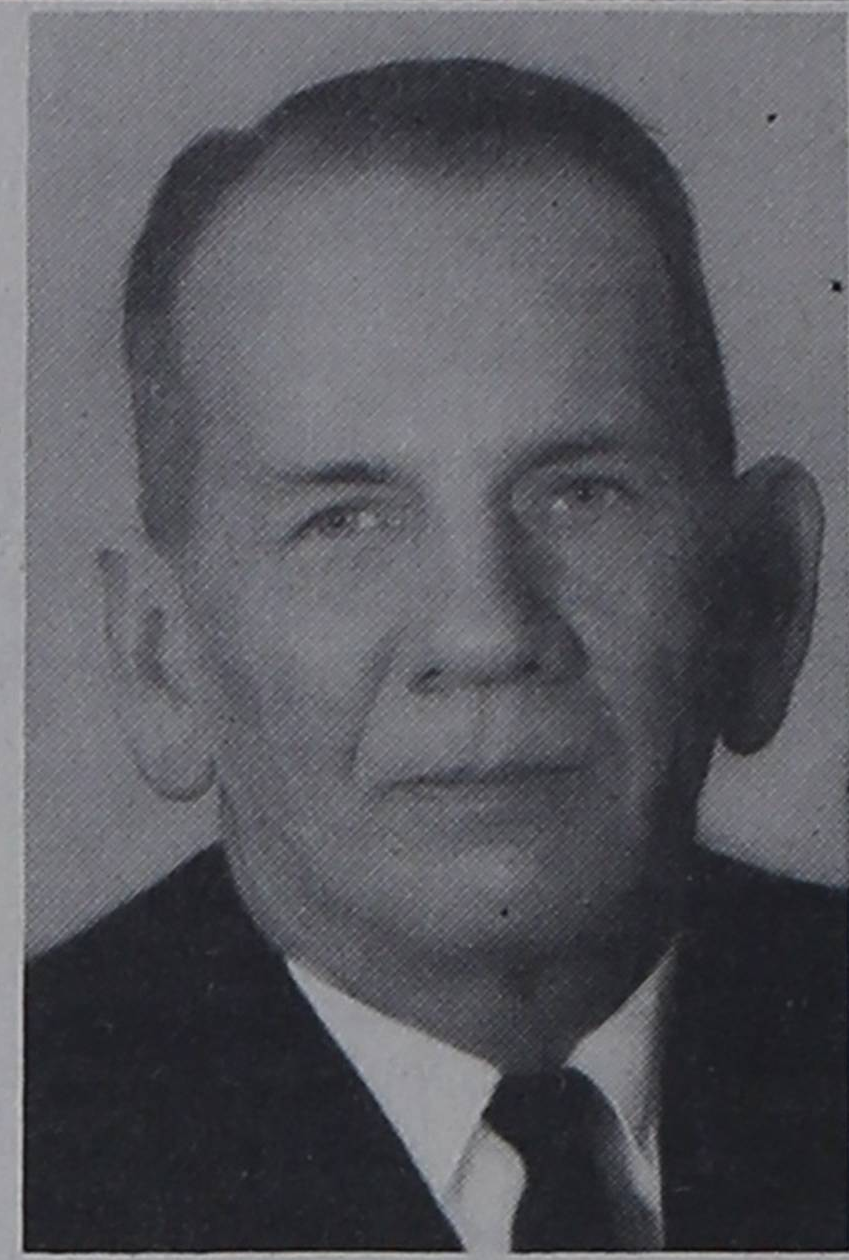

Don was also selected by the liberal West Texas Democrats for endorsement, but they especially stated, "Don Richards is no liberal."

He was also endorsed by some small labor unions, which also endorsed Kent Hance when he ran for U.S. Congress, and John Montford when he ran for the Texas Senate, both of whom are strong conservatives. Hance and Montford were endorsed for the very same reason as Don Richards.

Don Richards is a solid West Texas conservative, just like Kent Hance. He is not a liberal. I just could not sit back and let anyone get away with calling Don a liberal, because it is just flat not true.

Keep up the good work on your newspaper. We are enjoying reading about events there.

Yours truly,  
Leon Watson, Publisher  
Petersburg Post

E.O. (PETE) WOOLEVER

## Services Held For Father Of Frionan

Funeral services for E.O. (Pete) Woolever, 71, of Lubbock, were held Sunday, May 20, at 2 p.m. in the W.W. Rix Chapel with the Rev. J.T. Campbell, pastor of Carlisle Baptist Church and Rev. Wayne Schueler, grandson of Woolever, of Albany, officiating.

Burial was in the Idalou Cemetery. Born July, 1911 in Ira, Texas, he married Grace Truman Mitchell, January 2, 1932 in Clovis, New Mexico. She preceded him in death in 1976. He then married Jimmie Banks Brown in 1977. He had been an employee of Southwestern Public Service Company before his retirement. Mr. Woolever died at 1:15 a.m. Saturday, May 19, in Parmer County Community Hospital in Friona after a sudden illness.

Survivors include his wife, Jimmie of the home in Lubbock; two daughters and their husbands, Martha and Walter Schueler of Friona and Claudine and Dewain Parrish of Germantown, Tennessee; one sister, Mrs. Lee Myers of Snyder; five grandchildren, Rev. Wayne and Ann Schueler of Albany, Vickie and Wayne Kube of Bryan, Texas, Kathy and Tim Tyree of Virginia Beach, Virginia, Gary and Teri Schueler of Clovis, New Mexico and Debra Parrish of Germantown, Tennessee; and six great-grandchildren.

Pallbearers were Jeff Pate, Homer Myers, Bob Egger, Bruce Mitchell, Bill Best and Mike Best.

## Black Club Meets With Mrs. Carthel

The Black Study Club met Thursday, May 17, for their annual spring luncheon, in the home of Ann Carthel.

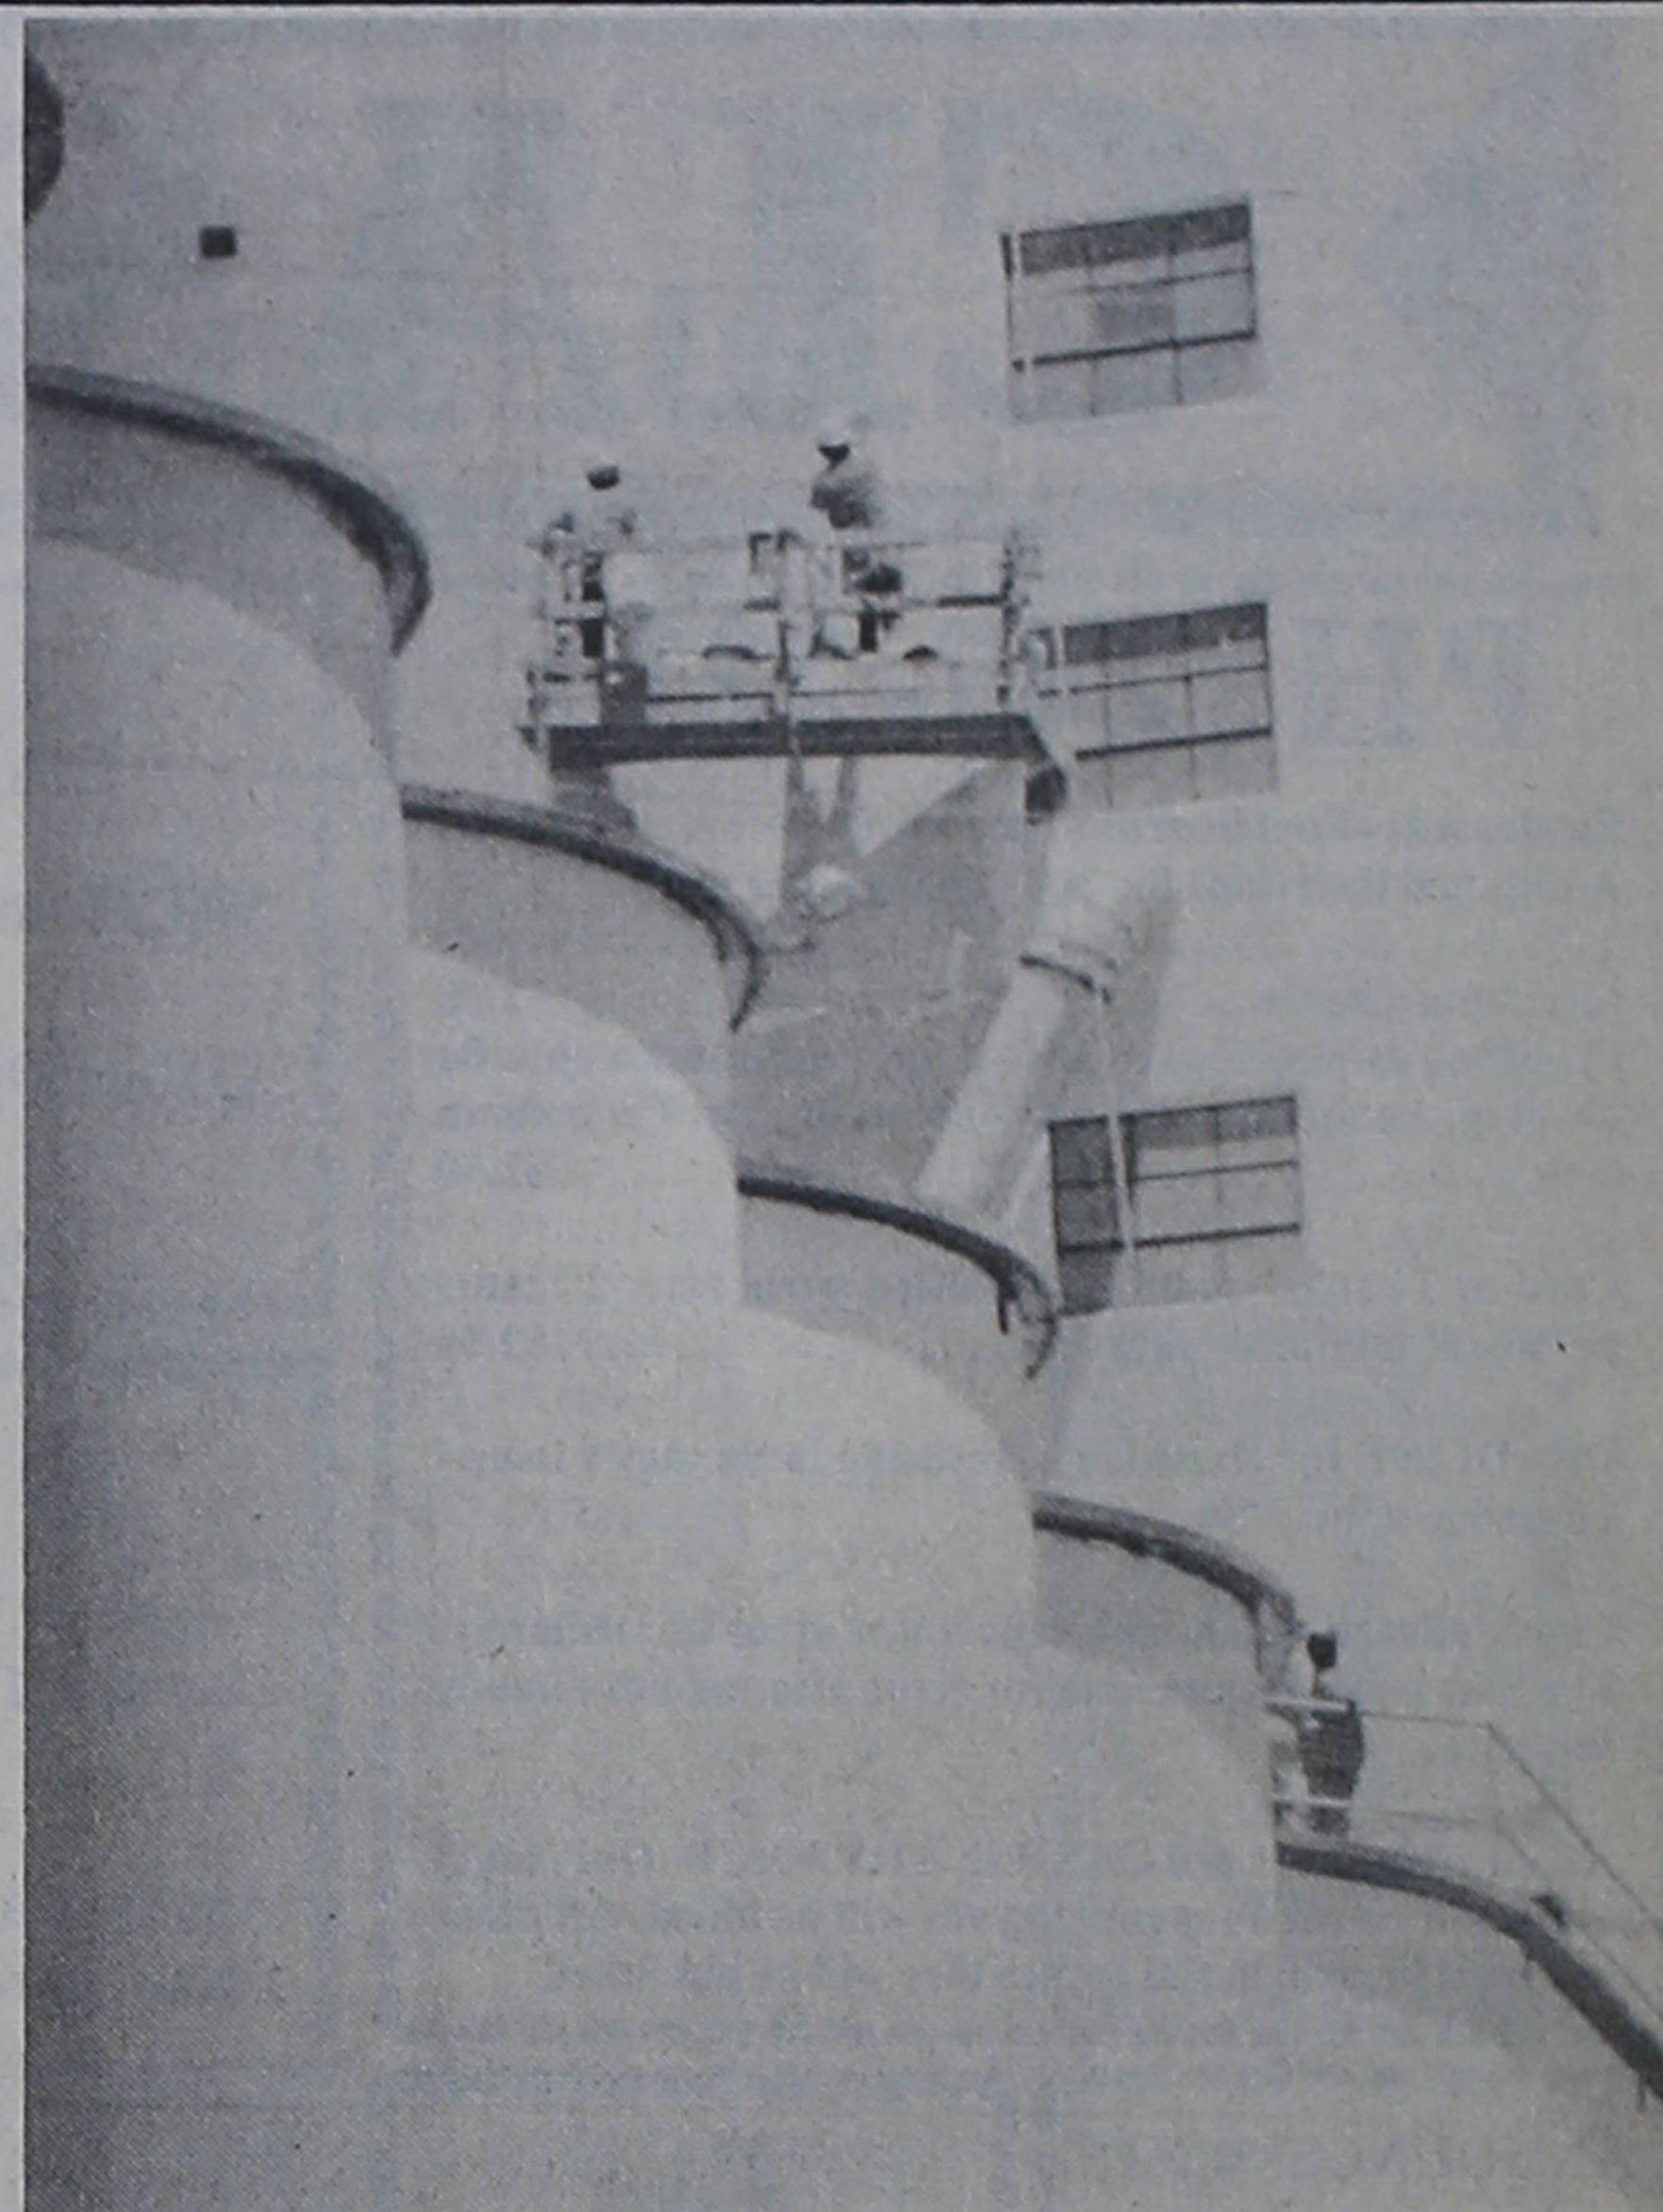

Following the luncheon a short business meeting was conducted by Mildred Welch, club president.

Highlight of the meeting was the annual White Elephant auction sale. These white elephant items are donated by each club member and auctioned to the members. Lucille Rocky served as the auctioneer. Proceeds from the auction will be used to benefit Girlstown and other various club projects.

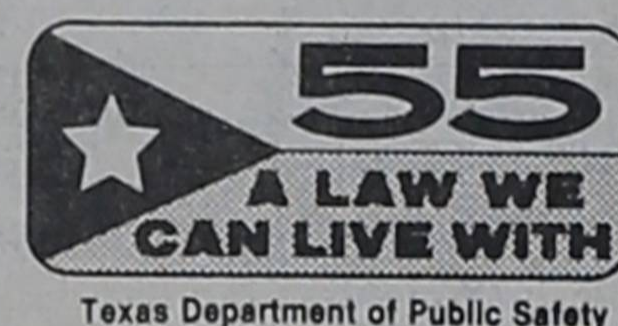

Members present were Mildred Barnett, Helen Fangman, Lois Weatherly, Ann Kelley, Martha Hamilton, Sharon Thornton, Ruby Stone, Mildred Welch, Lucille Rocky and Ann Carthel.

Guests included Varla Wilcox, V'Laura and V'Linda, Linda Welch and Jeff Hamilton, all of Friona, Imogene Bethel of Fort Worth and Clint Hamilton of Farwell.

The next meeting for the club will be September 6, with Mildred Welch as hostess.

**FACELIFT....** Friona Wheat Growers, Inc. elevator is in the process of being repainted. These workers are located approximately 125 feet above ground level. Work began on April 1 and will take an estimated four months to complete. Morton, Inc. of Hucheson, Kansas is doing the job.

Let this note tell all,  
That I hereby affirm my love, devotion, and trust,  
To the one mentioned below.  
I'm not tall,  
But to her I'm a hero.  
As I worked on my B.S.,  
She earned her MRS. degree.  
My M.Ed. was accompanied by her B.By.  
Now as I attempt the D.Ed.,  
She perseveres with devotion to attain the P.Ht. degree.  
May 24 will be historic,  
Both she and Mr. Benny will be similar.  
I'm Euphoric.  
Trouble we have none, as the chemistry between us is Absolute.

Is she cute? I'd say!!  
Happy Birthday.

## Bailey Co. REC Loan Approved

A loan, from the Rural Electrification Administration, in the amount of \$1,957,000, at five per cent interest, has been approved for Bailey County Electric Cooperative, it was announced this week by Senator John Tower's office.

Purpose of the funds is to add service for 471 additional customers, and 89 miles of distribution lines, as well as general system improvements. The loan was approved Thursday morning.

**BOYS STATER....** Robert Davila will be Friona's delegate to the 1984 Boys State Convention in Austin. Davila will be sponsored by the Friona American Legion Auxiliary. Brook Massey is the alternate.

# "Texas" Is Ready For Nineteenth Year

"Texas" will kick off its nineteenth season on June 13 this summer. The show, which sparkles in Palo Duro Canyon's Pioneer Amphitheatre, will leap into action for the first of its sixty-four scheduled performances for 1984.

Opening night, as always, will feature some special ceremonies. First, the Texas Panhandle Heritage Foundation, producer of "Texas," will unveil its new state flag display. The fifty emblems were purchased by members of the foundation and other supporters of the show. Many of the flags were bought to honor pioneer ancestors. Others were bought by former cast members of "Texas."

The Amarillo Chamber of Commerce will join with the TPHF, "Texas," and the Canyon Chamber of Commerce to thank the city of Lubbock for the support, both financial and moral that it has provided in the first eighteen years of the show.

Passing through the gates on opening night will be the 1,500,000th visitor to "Texas." The lucky person will receive several gifts provided by the show.

"Texas" plays every night except Sunday at 8:30 p.m. Visitors from all fifty states and scores of foreign countries come each summer to relive the settling of the Panhandle in the 1880's. Reservations are recommended. Call 806-655-2181, or write Box 268, Canyon, Texas 79015.

## Church Sets Bible School

"God's Wonderful Surprises" has been chosen as the theme of the annual Vacation Bible School of Sixth Street Church of Christ which is scheduled for the first full week in June.

Classes for children from the age of one year through sixth grade will be conducted from 3-4:30 p.m. daily Monday, June 4 through Friday, June 8.

All children in this age group will be welcomed by teachers and supervisors at the church building.

Sessions for junior high and high school students are scheduled for 7-9 p.m. Monday, June 4 through Wednesday, June 6.

Each session will be held in a different home and will include a Bible class featuring a guest speaker and a cookout. These speakers will be from Farwell, Lazbuddie and Levelland.

Anyone desiring more information may call 247-2769 or 247-3114.

### EYE CARE UPDATE

**Dr. James Simmacher, O.D.**  
Optometrist  
ASTIGMATISM

**QUESTION:** Sometimes my vision is blurred, and I wonder if I may have an astigmatism. What causes this?

**ANSWER:** The blurred vision caused by astigmatism is caused by a cornea (the "window of the eye") that is out of shape. A cornea in good shape has a perfect curve, with the same degree of slope on all sides of it. The rays of light that pass through the cornea come together at a single point on their way to the retina or back wall of the eye, sending a clear image to the brain. When you have an astigmatic eye, the rays of light don't come together at the same point. That causes a blurred image. An eye examination will reveal the kind and degree of astigmatism and how glasses can be prescribed to correct it.

# Faith Wright Is Honored By Group

Faith Wright was honored by the Friona Teachers Organization as their "Student of the Month" for the month of May. She is the daughter of Mr. and Mrs. Jarrell Wright.

Miss Wright, a graduating senior, attended school locally all 12 years. She plans to attend West Texas State University next fall.

While a student at FHS, Faith has been in the band, Future Teachers, Future Homemakers, Fellowship of Christian Athletes, and on the yearbook staff. She was an officer in FHA, FTA and editor of the annual staff.

She also was a class favorite, served as the Chieftain mascot, was in Encounter III with the FHA, was named "Most Dependable" twice, nominated "Most School Spirited" and "Most Courteous," was a football queen attendant, and served as class secretary as a sophomore and a senior. She had certificates for 90 and above three years.

Faith played on the girls golf team

FAITH WRIGHT

four years, and was a regional qualifier her last three years in high school.

She is a member of the Trebelaires, attends First Baptist Church and enjoys water skiing and sewing.

HONORED...Paula Clark, left, was named "Outstanding Young Homemaker," and Vicki Florez was named "Most Willing Worker" by the Friona Young Homemakers, and were honored at the chapter's annual awards dinner recently.

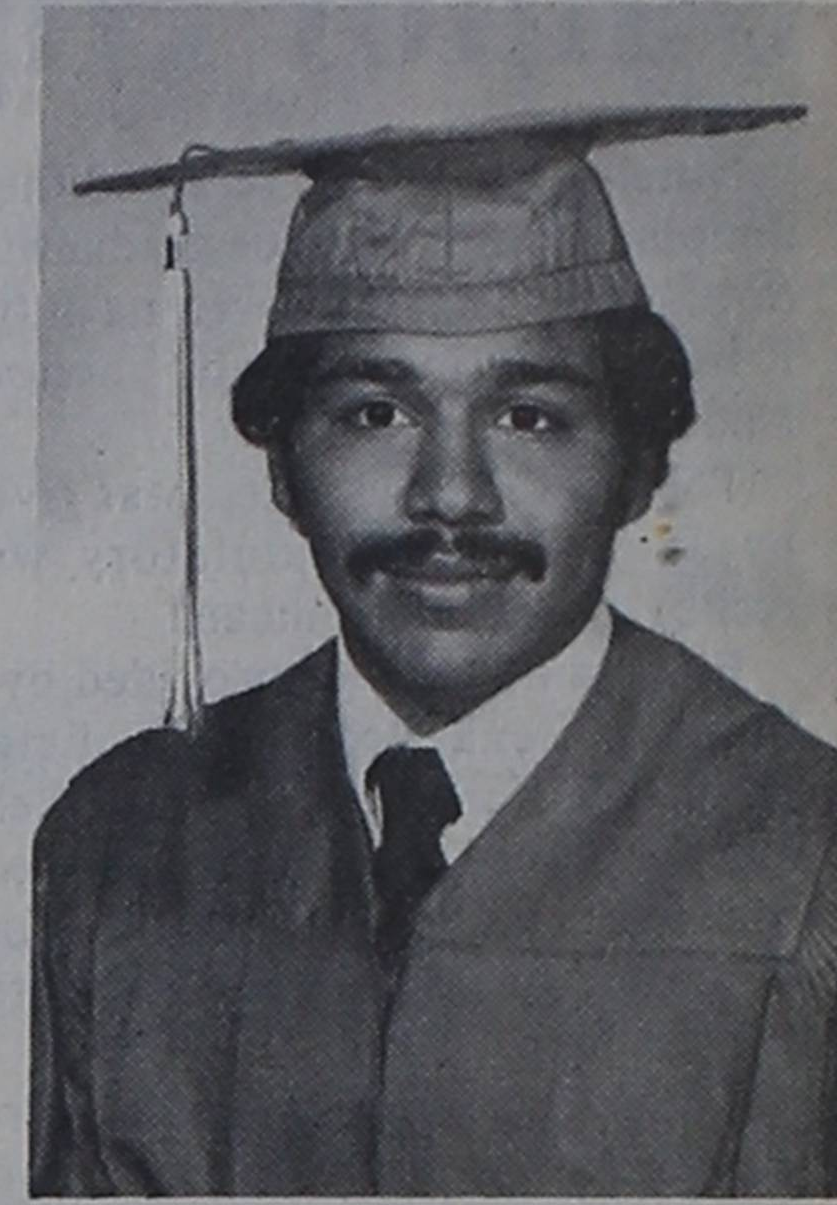

NEW OFFICERS...New officers for the Friona Young Homemakers are (front, left-right) Daphne Cunningham, president, Cindy King, first vice president and Vicki Florez, third v.p. Back: Holly Campbell, secretary-treasurer, Karene Bass, fourth v.p., Sherri Rector, second v.p., and Varla Wilcox, reporter-historian.

# Congratulations

RHONDA LYNN GREESON was a recent graduate of the Sublette, Kansas High School class. She received both the Outstanding Senior Girl award and the Kansas State High School Activities Association Citizenship Award at graduation. While attending S.H.S., she was active in the National Honor Society, Student Council, Kayettes, art, Pep Club and varsity cheerleader. She was also a football and basketball queen candidate her junior and senior years. Rhonda received a scholarship from the Student Council and the Social Hour Club of Sublette. She plans to major in Special Education at West Texas State University where she received the Don and Sybil Harrington Honor Scholarship. Her parents are Jim and Gayle Greeson, former Friona residents. She is the granddaughter of Mr. and Mrs. J.E. Knight of Friona and the late Carl Greeson and Lorene Greeson Dean.

PAUL MALDONADO graduated on Saturday, May 5, from the Latin American Bible Institute in San Antonio with a Bachelor of Divinity degree. He is a 1981 graduate of Friona High School and the son of Mr. and Mrs. Selso Maldonado. Starting June 1, Paul will be assistant pastor of the Assembly of God Church in Seagraves.

# Riding Activity Is Postponed

The Friona Riding Club's scheduled penning activity, which had been scheduled for this weekend, has been cancelled due to the Feedlot Cowboys' Rodeo in Bovina.

The activity will be re-scheduled for a later date, to be determined at the club's regular meeting on Saturday, June 2. All members are urged to attend this meeting.

# Child Abuse Termed A Major Concern

Child abuse is a serious offense, and there were 40 cases investigated in Parmer County in 1983, according to the Parmer County Child Welfare Board.

Child abuse is repeated mistreatment or neglect of a child by parent(s) or other adult(s), resulting in injury or harm.

Child abuse may take many forms, such as (1) physical--shaking, beating, burning; failure to provide the necessities of life, or

(2) emotional--failure to provide warmth, attention, supervision, normal living experiences;

(3) verbal--excessive yelling, belittling or teasing; or (4) sexual--incest, or other indecent sexual activity.

The 40 cases of child abuse investigated in Parmer County during 1983 were broken down as follows: five cases of sexual abuse; 15 of physical abuse; two of emotional

abuse; five of lack of supervision; 12 of physical neglect, and one involving medical neglect.

"Child abuse can happen anywhere...in poor, middle-class or well-to-do homes, and in rural areas, suburbs or cities. We now know that child abuse is a symptom that can be treated successfully, but first, more people have to understand and care, said a spokesman for the Child Welfare Board.

To report child abuse or neglect locally, people may call the Texas Department of Human Resources in Hereford at 364-6841, or they may call the 24-hour Child Abuse Hotline number, 1-800-252-5400. This call is toll free.

As a community awareness project, the Parmer County Child Welfare Board will be presenting articles to help you better understand this increasing problem and what your responsibilities are.

# Local Angus Breeder Recognized Nationally

Frank and Trey Hinkson, both of Lazbuddie, and David Hough of Friona have been recognized

nationally by the American Angus Association for having registered Angus cows that are qualified to be listed in the Association's 1984 Pathfinder Report. Only 933 of the more than 24,000 members of the American Angus Association are represented in the Pathfinder Report, according to Dick Spader, executive vice president.

"The Pathfinder Program identifies superior Angus females based upon economically important production traits including regularity of calving and weaning weight," reports John Crouch, director of performance programs for the American Angus Association. Angus cows that meet the strict requirements are listed in a Pathfinder Report published annually by the American Angus Association in St. Joseph, Missouri.

Attention Sunflower Growers  
Why Not Plant The Best?

In 1983 Tests At Clovis:\*

Under irrigation, SeedTec Hybrid Sunflowers ranked number 1, 2, 3, 4 and 5 out of 15 hybrids tested in both yield per acre and pounds of oil per acre.

Under dryland conditions, SeedTec ranked number 1, 2, and 3 in both yield per acre and pounds of oil per acre.

SeedTec Hybrids ranked number 1 and 2 in yield on average for both irrigated and dryland.

At Tucumcari\* in 1983, SeedTec ranked number 1 for yield and oil in dryland and number 1 average yield for both dryland and limited irrigation.

On average under four environments; full irrigation, limited irrigation and dryland at Clovis and Tucumcari, SeedTec Hybrids ranked number 1, 2 and 3 in yield per acre and number 1, 2, 3 and 4 in pounds of oil per acre.

## FTO Gives Scholarships To Seniors

The Friona Teachers' Organization gave three \$75 scholarships at the high school awards assembly. The valedictorian, salutatorian, and historian were the recipients of these scholarships.

The giving of these three scholarships was a new project for the club. The Friona Teachers' Organization (FTO) plans to give these three scholarships each year and hopes to increase the size of the scholarships in the future.

At the present time the money for these scholarships comes from the dues paid by FTO members each August. Last year, in order to insure money for future scholarships, the Friona Teachers' Organization established a special scholarship account at Friona State Bank. The principal will not be used. The club plans for the account to grow until the interest earned by the account can be used for the scholarships.

At this time, the scholarship account is small. Even though the Friona Teachers' Organization will add to this account each year, it will be many years before the account can generate enough interest to be given as scholarships, stated a member of the FTO.

The Friona Teachers' Organization is asking for help in building the scholarship account quicker. Anyone interested in donating to this account can contact Linda White at 247-2577.

The three scholarships can be used for any post high school education or training.

## Wheat Field Day May 30 Near Friona

Friona area wheat farmers are invited to a wheat field day at 2 p.m. Wednesday, May 30 near Friona.

The field day will be sponsored by the Southwestern Division of Pioneer Hi-Bred International, Inc., and will be at the Pioneer test field located about seven miles east of Friona on Farm Road 2397, then one half mile south on Farm Road 1172.

Farmers and others attending the field day will have the opportunity to examine two new hard red winter wheat varieties from Pioneer--2157 and 2165--as well as other varieties grown in this area.

In tests conducted by both Oklahoma State University and Pioneer, 2157 and 2165 have demonstrated high yield, high disease resistance, strong standability, superior grazing, and high protein characteristics which are important to area wheat producers.

For further information on the field day, please contact your local Pioneer dealer.

**THE FASCINATING HISTORY OF EYECARE-PART VII**

The Oxford frame a variation of the pince-nez frame, was invented in 1910 in New York. It folded so that the two lenses could be used as one and was often equipped with a handle for holding. Oxford frame prices ranged from \$18 to as much as \$800 for special models.

New York and Chicago society women started a monocle fad that spread to the masses in many large American cities by 1913. The pince-nez, however, survived the fads and, in 1919, was still the most popular style worn. During the "Roaring Twenties" eyeglasses with temple pieces were beginning to appear more frequently. Popular especially among the young were tortoise shell spectacle with large round lenses, such as those worn by silent screen comedian Harold Lloyd.

During the depression years of the 1930's eyeglasses were in wide use. Even children were being examined by Optometrists and fitted with eyeglasses when needed; something never heard of before since eyeglasses were thought to be for elderly adults only. Tinted lenses had been worn for many years. But when people learned to fly, a great need for sunglasses to enable fliers to cope with high altitude glare developed. To meet that need, an American optical manufacturer developed a green tinted sunglass lens called "Calobar," which is still in use today. In every part of the United States, sunglass lenses were available in many different tints. That demand has never ceased. Sunglasses were practical in helping to filter out the harmful light rays of the sun, ultraviolet and infrared, which are thought to contribute to the development of cataracts. This is one reason so many farmers and ranchers wear sunglasses when outside.

This message is brought to you in the interest of better vision by Drs. Armistead and Smith.

**FRIONA STAR TAKES LEAD**

# Bronco League Baseball Action Off To Slow Start

The Friona Pony League baseball program has got off to a slow start this year. A lack of interest has been shown by a number of local boys causing a problem in having too few teams.

However, there have been several games played to date including action in Bronco, Mustang and Pinto divisions.

**BRONCO LEAGUE**

In the Bronco League, which

includes ages eleven and twelve year olds, the Friona Star team is leading the pack with a record of three wins and no losses. Friona State Bank holds the second spot with a 1-1 record and Friona Feed Yard stands at 0-3.

The first game of the season was played May 8 and featured Friona State Bank against Friona Feed Yard.

Friona Feed Yard scored one run at their first turn at bat and held the

Bank team scoreless to keep the one-run margin. Feed Yard scored four runs in the second and Bank answered with three of their own making the second inning score 5-3 in favor of Friona Feed Yard.

The third inning proved to be the last time Feed Yard scored runs when David Barnett and Troy Talley both came across the plate. Seventeen runs were scored by Friona State Bank in the next three innings and they took the victory 23-7.

Junior Trevino was the winning pitcher and David Barnett pitched for Friona Feed Yard.

Nathan Brockman and Gary Stowers scored four runs for the Bank followed by Steven Smith, Harvey Cruz and Daniel Saiz with three, Junior Trevino and Rafael Torrez each scored two and Stephen Dickson and David Reed had one each.

Scoring for the Feed Yard team were David Barnett and Troy Talley with two runs each and Junior Silva, Marty Gonzales and Brian Brogden with one each.

The second game of the season featured the Friona Star and Friona Feed Yard teams. The Star team was first at bat and were unable to score any runs. Friona Feed Yard took their first time bat and Andre Duran, Star pitcher, sat the first three batters down and the game remained scoreless at the end of the first inning.

The Friona Star scored four runs in the second and held the Feed Yard scoreless again to take a second inning lead of 4-0. Following the second inning, the Star team did not let up. They scored twenty-two more runs before the game ended and only allowed the Feed Yard team two runs. Andre Duran was the winning pitcher and David Barnett pitched for Feed Yard.

Leading the Star team in runs was Andre Duran with five. Close behind him were Robert Sandoval, Hector Perez and Pat Upton with four each, John Edd Duke scored three, Alex Mendoza and Shannon Cochran each had two and Michael Davila and

James Perez each scored once. David Barnett scored both Feed Yard runs.

The final score was 26-2 in favor of the Friona Star.

The Star's next game was against Friona State Bank on May 14. Neither team scored in the first inning and at the bottom of the second the score was only 1-0 in favor of the Star.

But things began to shape up in the third inning for the Friona Star, when they scored twelve runs and held the Bank scoreless. Neither team was able to score in the fourth or fifth innings and the final score was 13-0 with the Friona Star on top.

Andre Duran was the winning pitcher and Daniel Saiz and Jr. Trevino pitched for Feed Yard.

Alex Mendoza, John Edd Duke, Andre Duran, Robert Sandoval and Shannon Cochran each scored two runs for the Star and James Perez, Pat Upton and Michael David each scored one.

On May 18, Friona Star met Friona Feed Yard again and the Friona Star team came out on top by a score of 24-1. The Star team led by one following the first inning and upped their lead to 6-0 in the second.

Neither team scored in the third inning but the Star team made up for that in the fourth with 12 runs as opposed to one scored by Friona Feed Yard. Six more runs were added to the Friona Star teams score in the final inning and Feed Yard was held scoreless again.

Andre Duran and Hector Perez were the winning pitchers. David Barnett and Bret Bronniman pitched for Friona Feed Yard.

Andre Duran led the scoring for the Star team with five runs, followed by Robert Sandoval with four, Alex Mendoza, Shannon Cochran, Hector Perez, and Pat Upton each scored three and John Edd Duke, James Perez and Michael Davila each added one.

David Barnett scored Friona Feed Yard's only run.

**STUDENTS HONORED....** Diane Johnston and Charlie Morgan were named "Mr. and Miss FHS" in student elections this spring at Friona High School. The two will be featured in the "Who's Who" section of the 1984 Chieftain yearbook.

**Konis Sets Annual Art Show June 3**

Painter of the Southwest, Ben Konis, will hold his 15th annual Spring Studio Show "Art in the Garden," on Sunday, June 3, at 712 West 17th, in Amarillo.

At his studio show, Konis will feature his colorful landscapes and character studies in oil and pastel mediums. He will also show prints, available from a select few of his paintings and pencil drawings. Exhibit hours are from 12 to 6 p.m., and the public is invited to attend.

In the past year, Konis has won several art competitions, including two awards with the Texas Cowboy Artists, and recently, "Best of Show" at a national exhibition in Lawton, Oklahoma. His research travels have taken him to Alaska, Mexico, Wyoming and many of the southwestern states during the last

few months.

Soon after his spring show he and two other artists, Marni Johnson of Taos, N.M. and Bob Johnson of Borger, will leave for a painting trip through Italy and Greece.

Konis, upon his return, will be in Ruidoso, N.M. to conduct his 14th session of painting workshops at Carrizo Lodge Art School. His first session will begin July 16.

MR. and MRS. BILL FREDRICK....Lorri Euler, daughter of Mr. and Mrs. Raymond Euler of Friona, and Bill Fredrick, son of Mrs. Mildred Fredrick of Springdale, Arkansas, were married in the gazebo in Sam Houston Park in Amarillo Wednesday evening, May 23. Lorri is a Deputy District Clerk and Bill is employed by Brown-Pontiac. Following a trip to New Mexico, Mr. and Mrs. Fredrick will be at home at 707-B Mississippi in Amarillo.

Brandon Bandy of Plano, Texas, is spending this week with his paternal grandparents, Eugene and Patsy Bandy. He and his parents, Johnny and Carla Bandy, recently moved from Terrell, Texas, to Plano, where Johnny will be on the coaching staff of Plano High School this fall. Carla is employed at a bank there.

The Friona Bandys went down last weekend to help with the moving chores and Brandon came home with them. He's almost to his first birthday and this is his first visit to Friona without his parents.

Mrs. Flossie Brown of Duncan, Oklahoma, returned to her home this week. She was accompanied to the home of her son and daughter-in-law, Matt and Betty Brown, who live in Wichita Falls, by Mrs. Eddie Hall.

Mrs. Hall then came back to Vernon and visited her family there a few days before returning home.

Mrs. Brown had spent a week visiting in the homes of Friona and Bovina friends. She and the Matt Browns all moved from here about

ten years ago.

Elwanda Campbell, Friona's most widely known drape maker, had surgery on one of her hands Tuesday of last week at Methodist Hospital in Lubbock. She was dismissed and returned to her home on Saturday and is making satisfactory progress.

Mrs. W.C. Wilkerson, who moved from here to Amarillo about eighteen months or so ago, spent several days last week visiting local friends and relatives.

She was a guest in the home of Mrs. Ida Adams, who is her sister; a niece, Lora Doris Knapp; and Mrs. Goldie Griffith, a long time friend.

Out-of-town visitors in the home of Mr. and Mrs. Duane Baize last weekend were S.D. and Joan Baize and their three children, Lori, Bryan and Katie, who currently live in Olton.

They're former Frionans, too.

The Floyds have some new

neighbors across the alley on Pierce Street. Last weekend Cass and Marie Perkins changed dwelling places with their son, Leslie, and his wife, Becky, and son, Casey Wade II.

Cass and Leslie are both employed in Hereford and commute together daily to their jobs.

Bill and Fadine Wooley of Muleshoe returned to their home late last weekend after spending some time visiting in San Antonio and welcoming their first grandson.

A baby boy was born to Dr. Mike Wooley and his wife, Cindy, May 7. He weighed seven pounds, two ounces and was named Christopher Michael.

His sisters, Leah and Lauren, are nine and four.

The Wooleys are former Friona residents and Mike graduated from Friona High School in 1967.

Ellis and Carrie Tatum were accompanied to Waco recently by Carrie's brother, Joe Dillingham. These three attended commencement exercises at Baylor University Friday morning.

One of the Tatum's granddaughters, Mary Beth Houlette Mowery, received a Bachelor of Arts degree in computer science.

Lanny and Lenda Trussell and children, Mickey and Christa, of Muleshoe were Sunday guests in the home of Ted and Glenda Procter and children, Charlotte and Barry.

The Trussells are former Friona residents. Lenda and Glenda are twin sisters.

Effie Hartman recently moved from Hereford to 605 Cleveland, the long time home of the late Jack and Hattie Anderson. She and her husband, Elwyn, who is a resident of Prairie Acres, lived here many years ago.

She's the next door neighbor of Jack and Charlie Clark and is Charlie's mother.

## WBU Adds To Summer Fare

Three graduate-level courses in education have been added to the list of classes being offered by Wayland Baptist University during the second summer microterm.

Intended especially for public school teachers in the area, the courses will be only two weeks in length compared to the regular three-week schedule for microterm classes. "These courses will not begin until June 1, since the vast majority of teachers in our area will not be out of school before May 28 (the beginning of the second microterm)," explained Dr. Terry Northup, chairman of the Division of Education.

Scheduled for the June 1-15 period are EDUC 4338G, Language Acquisition; EDUC 5313, Advanced Developmental Reading; and EDUC 5312/19, Topics in Education: Educational Uses of Computers.

The former two classes will meet daily from 8:30 a.m. until 12 p.m., while the latter course will meet daily from 1 until 5 p.m. "Language Acquisition" fits into both the kindergarten and "English as a second language" endorsement programs at Wayland.

Area teachers interested in any of the classes may register at their convenience during the week of May 28-June 2 in the Academic Services Office, Gates Hall Room 102. Office hours are from 8:30 a.m. to 5 p.m. during the week and from 8:30 a.m. until noon on Saturday.

For additional information contact Northup at 296-5521.
