New Emergency Loan Funds Available for Texas Drouth Area

Emergency loan funds are available, applications are being taken and more money has been requested to combat the serious effect of the drouth which grips Texas. Lynn Futch, State Director of Farmers Home Administration, said today.

President Nixon has asked the Congress to add \$65 million to the fund from which FHA finances its nationwide emergency farm loan program, Mr. Futch said.

The Farmers Home Administration has already made 1503 emergency loans totaling \$15 million to farmers and ranchers in Texas to help them overcome the disastrous effects of the drouth which has scorched parts of the State since the spring of 1970.

Emergency loans are made to enable farmers and ranchers to continue normal operations which have been disrupted by natural disasters. These loans previously were available in 53 Texas counties, and last month, the Secretary of Agriculture increased the number to 235 counties.

The impact of the drouth has centered primarily in Texas and Oklahoma, but Mr. Futch said that emergency loans may be made outside of designated areas to eligible applicants who have suffered severe losses as a result of the drouth.

Current interest rates on emergency loans are 4 1/2 percent,

repayable as soon as possible consistent with the financial ability of borrowers, Mr. Futch said.

Application for loans should be made at county offices of Farmers Home Administration, usually located in the county seat town in which the farm property is located.

HOW THE CHURCH OF CHRIST IS DIFFERENT

Everything about the church of Christ is very simple. The Apostle Paul said that it should be. "I fear, lest by any means . . . your minds should be corrupted from the simplicity that is in Christ" (2 Cor. 11:3).

It is not the purpose of the church to satisfy vanity or pride with a display of formality or finery. It is not the purpose of the church to entertain people, or to amuse them when they attend the services.

The church of Christ is a simple New Testament body, leading people to an understanding of the plain gospel of Christ. It welcomes those, who from honest and sincere hearts reach out to God in obedience and in consecrated service to those things which are righteous and Godly (Tit. 2:11,12).

The arrangement of the church of Christ is unique. It has no man-made creed to subscribe to. Its only rule of faith and practice is the divine word of God (2 Tim. 3:16,17).

There are no ready-made prayers to recite or to have read to you. Very simply, from the depths of earnest hearts and sincere souls come spontaneous prayers to express to God heartfelt gratitude and to ask for blessings and the supply of our needs (1 Tim. 2:8).

There is no ready-made, canned music in the church of Christ. Everyone makes his own melody in his heart by singing spiritual songs to the glory of God (Eph. 5:19).

The church of Christ is not a denomination, but the church of the Lord which He purchased with His own blood (Acts 20:28), of which He is the only head (Eph. 1:22,23), and of which He is the Savior (Eph. 5:23).

You, too, can be a member of the undenominational body by simple obedience to the Lord's commands.

AMERICAN CANCER SOCIETY INAUGURATES MEMORIAL FUND

BAIRD — In response to numerous requests from families and individuals, the American Cancer Society has inaugurated a memorial fund. Families and friends of cancer victims are invited to contribute to commemorate their loved ones.

Contributions made in memory of a friend or a member of the family was acknowledged by the American Cancer Society, and a memorial card is sent to the family stating that a memorial gift has been received and giving the name of the donor. These contributions may be in any amount. Memorial funds are used to support the Society's three-fold attack on cancer through research, education and service.

Although the major source of funds for this program comes from the Society's annual April Crusade, memorial funds received throughout the year are becoming increasingly important to the Society as more families and individuals become aware that they can contribute to the ultimate victory over this dread disease. The American Cancer Society is deeply grateful to individuals and families throughout the county who are

using this practical means of assisting the Society to carry on the fight against cancer.

Memorial funds should be sent to the American Cancer Society, Callahan County Unit, Helen Brown, Memorial Chairman, Box 925, Baird, Texas 79504.
