

# GRAHAM CRACKERS

—WHG

Some people claim to have a special talent for generating unusual weather.

If it storms, it's no doubt because Neighbor Brown across the road finally paid his grocery bill. Many weather is usually blamed on "We just had our car washed," or "I just put my clothes out to dry."

The editor takes personal credit for last Thursday's downpour on not one, but three counts. In the first place, he buried a story about how long it's been since Friona has had any rain in the paper so that it was printed Wednesday, and couldn't be revised when the rain began to fall.

In the second place, he had his car washed on Tuesday, and in the third place, most of the rain just had to fall Thursday about dinner time, because that is when he always carries the Stars to the post office, and this gave all of them a good chance to get wet. This one was really planned. It didn't just "happen".

The rain last week gave another convincing demonstration that drainage along the Highway 60 project in east Friona isn't what it ought to be.

This is a problem that the city and the highway department sooner or later will have to grapple. The strange thing about paving a town is that the more pavement you have, the less mud there is, but the more water there is to get rid of.

Getting rid of water in West Texas is not usually a problem, but when it all runs to one point down modern pavement and a gutter system, it adds up.

A storm sewer or some special diversion may be necessary to carry the flood south before it piles up on the lower end of the paving on eastern Highway 60. We are no engineer, mind you, but any landlubber can see that something has got to be done with that water.

Another area that is really taking it on the chin when it rains are the poor folks out on West Loop. They have agreed to install curb and gutter, which is about all they can do to help themselves, but this work probably won't get taken care of before next year. There'll be a lot of muddy days between now and that time, we imagine, and no doubt the patience of the home owners will begin to wear a little thin.

When the gutters are laid down, though, and if the state will widen the Loop street, we predict that this will be the most attractive part of town. Many of the city's more attractive homes already are located there.

No, we don't mind it at all when folks "drop the hammer on us" in our letters to the editor column. Matter of fact, it is interesting to see how our views and the views of some of our readers sometimes differ.

We are pretty thick-skinned, and don't object at all to having folks tell us off once in a while. Healthy, robust criticism is what keeps a newspaperman on the track.

We have always hoped that the Star will be able to serve as a clearing house for ideas in Friona, and it can do that so long as our readers continue to let us know what they think.

That being the case, we invite your views at all times, regardless of how they may compare with our own. There is nothing we would like better than to see the Star mirror the community which it serves.

Did you notice in last week's paper that the Modern Study Club is pushing a project that would put the money that usually goes into Christmas cards, into equipment for a new hospital instead?

We think that this is a very generous gesture on the part of the members of the club and those who will be participating with them. In order to help make the idea successful, The Star will donate whatever space it will take to give a prominent display to the names of the persons who join this move.

The idea will be to use the local newspaper as a medium for sending a group Christmas message.

We offer a half-page, or whatever space is necessary, to give these generous persons the attention they deserve.

Teachers from all over Parmer County have been after us tooth and nail to endorse Amendment 4 which will be coming up on the general election ballot next month.

A person doesn't stop to think how many teachers there are until they all start in after him.

We have held off passing on this matter until we thoroughly surveyed the proposition. Happily, we have decided to support the teachers in their attempt to strengthen the state teacher retirement program.

(Continued on Last Page)

# Friona Farwell To Meet in Conference Test

Football fans of Farwell and Friona are circling a date on their calendars this week. That date is Friday, October 26, when football teams from these two Parmer County communities collide in an important conference battle, and there are few people in either town who don't plan to be on hand to watch this one.

In Friona, hopes are soaring after the Chiefs' convincing clobbering of the Bovina Mustangs last week, 52-6. It was a run-away for the red and white in

every department and lifted team spirits immensely.

Friona's football fortunes hadn't been looking too rosy up until last Friday night. They had opened their season against Hart with a win, but since that starter had dropped four straight to Stinnett, Whiteface, Dimmitt, and White-deer.

Farwell, by contrast, opened with a tie against Melrose, but then continued an undefeated season by toppling Bovina, Vega, New Home, Lazbuddie and Morton.

The Steers' record would be much more impressive than the Chiefs', were it not for last week's Friona-Bovina massacre. Bovina having been the only common opponent, statistics invite inspection.

Farwell beat Bovina by a margin of 13-0. That was a sound margin, all right, but hardly matches Friona's run-away. When Farwell met the Mustangs, Neil Smith, the Bovina backfield ace, was sidelined. That should have weakened Bovina considerably, although a rivalry of long standing between the two

schools could have compensated in part for this deficiency.

Smith was on deck for last week's clash, but couldn't seem to help his mates do much against the Friona steamrollers.

So much for the paper. How about the teams?

Farwell has a well-balanced attack that includes both passing and a solid ground game. Farwell backs are fast. The team is resourceful. Last week it kicked a field goal to beat Morton, some-

thing rare in high school football today.

The Chiefs have been plagued all season long with numerous and serious injuries. However, most of the boys have mended, and shuffling of positions has about come to an end.

Friona's game is built on the ground, although some passing has

broken through in recent weeks.

All in all, both groups are expected to be keyed up for this game (which will be played at Farwell). It's an important conference contest for both schools, to say nothing of the usual keenness for victory that both teams have always felt for one another as neighboring schools.

VOLUME 36, NUMBER 3

FRIONA, TEXAS

THURSDAY, OCT. 25, 1956

TOUCHING SCENE—"Ramon", a Latin lover, plants a kiss on the hand of Janice Bock as "Superstitious Sadie" registers pleasure but embarrassment. Ramon is played by Dale Williams, while Sadie is portrayed by Pat Cranfill. All this happens in the Thespians play which will be Saturday at the school.

## New Clinic Routine To Start Monday

Members of the board of directors and staff of Parmer County Community Hospital have completed plans for the adoption of a new routine for clinic patients. The plan, which will be put into effect Monday, October 29, has been designed to eliminate as much delay as possible when patients desire to see a doctor.

Tentative schedules have been made for Dr. Paul Spring and Dr. Lee Spring. Under these schedules, which will be followed as closely as possible except when emergencies arise, it is hoped that no patient will feel discriminated against, say hospital authorities.

Each morning patients may register at the desk or call in for an approximate appointment any time that day. Numbers will be assigned as registrations are made. Each person will see the doctor he has registered for in the order numbered. If any person is not in the waiting room when his number is called, the next patient in line will take his place and the absentee name will go to the end of the list.

Dr. Paul Spring will begin seeing patients at 9 a. m. and begin his last examination at approximately 11:48. Dr. Lee Spring will see his first patient at 9:30 a. m. and continue until 11:50.

Afternoon appointments will be started at 2 and continued until 5. None will be made after 5 p. m. If an emergency arises, patients will stay in the same order in which they have registered. When an appointment is cancelled, patient will move up in the same manner.

The hospital staff hopes that the new routine will be helpful to all patients.

### MEETING IN PROGRESS

A revival meeting under the direction of Evangelist Bobby Ray is now in progress at the Friona Assembly of God. Rev. W. C. Wade, pastor, says that the meeting will last through Sunday, November 4.

The Star—Helping Build Friona.

## Thespians Choose Play And Cast

The annual presentation of a three act play by the Thespian Club of Friona High School will be in the auditorium Saturday, November 3. The play chosen by the club members is "Superstitious Sadie."

The cast is composed of five men and seven women. Tryouts for these parts were held early last week and the following will have parts: Janiece Bock, Jan Edelman, Luellen McLean, Billie Rae McKee, Margaret Mabry, Pat Cranfill, Kim Caffey, Gerald Floyd, Alan Neff, Sterling Prichard, Dale Williams, and Judy Bruns.

## Dewayne Lucas Joins Marcum-Claborn

Dewayne Lucas has been employed by Marcum-Claborn Furniture in Friona this week. He became associated with the firm Monday.

Lucas, who has been employed by Carl McCaslin Lumber, Inc., will be active in both sales and service departments of the furniture store. He also will assist in the operation of the Marcum-Claborn Funeral Home.

## Says Woman Used Misrepresentation

An out-of-town saleswoman made misuse of a "church endorsement" in her sales activity in Friona recently, a local pastor says this week.

Rev. W. C. Wade, pastor of the Assembly of God Church, told the Star this week that some local businesses had been encouraged to buy advertising on the covers of church song books because the woman led merchants to believe she represented the church.

Rev. Wade says the story started about three weeks ago when the woman called on him and asked if he needed any song books. "I told her, 'no, we have plenty,'" he said, but when the woman persisted and explained that the books were "free," he agreed to take some "if you just want to give them away."

"I thought we might be able to use some of them in our young people's work," Rev. Wade recalls. His story continues:

"I didn't think any more of it until after Saturday when the books came in the mail, and I noticed that the covers were covered with advertisements."

He has since discovered that the woman, after agreeing to send the song books to him, went to the business district and sold advertisements, claiming she represented the local church.

Rev. Wade says the woman had a "hard luck story" and he was led to believe he would be helping her out by accepting some of the books. He also says he was led to believe that advertising for the books already had been sold.

Eighteen ads were sold from \$4 to \$7.50. The books contained 117 church hymns.

Rev. Wade concludes with, "I just want everyone to know that we have always bought our own song books and did not know this was how things would work out."

### ATTEND TAX SCHOOL

Lois Norwood of Ethridge-Spring Agency and Elda Hart of the Friona city office are in Lubbock this week attending a tax school. Sponsor of the meeting is the Texas Association of Assessing Officers.

The Star—Helping Build Friona.

## Friona Girl Scout Goal Set at \$440

A fund-raising drive for the Friona Girl Scouts will be made "some time this week" as Scout boosters seek to raise \$440 for the work here, Frank Spring says.

This effort has to do with a re-organization of Girl Scout activity in this part of the Plains. Friona is withdrawing from the Coronado Council to join several other communities in the formation of a new group on the Southern High Plains.

The initial work is being done

under the name of the South Plains Development Committee, and after organization is completed, a new group, to be known as the Caprock Council, is expected to emerge.

Lubbock, Olton, Friona, Muleshoe, Littlefield, Levelland, Brownfield, O'Donnell, Tahoka, Slaton, Crosbyton, Ralls, Abernathy, and Lorenzo are some of the communities involved in the change.

H. T. Magness is chairman of the financial drive in Friona, and Mrs. H. K. Kendrick is neighborhood chairman of the Girl Scout effort.

There are seven troops active here, and girls and leaders presently enrolled in Scout work number 155.

## F. R. West Accident Victim

Floyd Ray West, 28, employed by Massey Bros. Drilling Company, was killed as his car overturned north of Friona at 10:15 Tuesday night.

Funeral services for the accident victim have not been announced.

West reportedly was headed north on the new farm-to-market road about five miles north of town in his 1955 sedan. He had just completed passing Mrs. M. C. Tubbs, and lost control of his vehicle as he went into a curve in the road. Mrs. Tubbs says she did not think he was traveling at excessive speed.

Death was instantaneous to the driver after the car turned over in a ditch, and highway patrolmen and local officers were summoned to the scene. The body was removed by Marcum-Claborn Funeral Home.

West, who moved to Friona about a year ago from Sudan, left a wife and two children, Ricky Lee and Danny Lynn, as survivors. His parents, Mr. and Mrs. E. P. West of Sudan, also survive.

## Ground Observers To Meet Tuesday

Sgt. Calvin G. Doyle, stationed at Amarillo, will be on hand Tuesday night to supervise the organization of a Ground Observer Corps post in Friona.

The meeting will be at 8 o'clock in the Legion Hall, and Mayor A. W. Anthony urges the public to attend.

Attempts have been made previously to organize a GOC unit here, but they have not materialized. Many communities around Friona already have organized.

## School To Compete In Marching Fete

Members of the Friona marching band will go to Canyon Tuesday, to compete in an annual contest among 34 schools of the area.

J. D. Fry, band instructor, says he expects to have from 65 to 70 students on the field to represent Friona at the contests. Friona will compete in Class A against 12 other schools in the district.

The local marching band won a first division placing at the meet last year.

"Memphis and Panhandle will be the schools to beat this year," Fry says.

## Friona B Team To Meet Farwell

Sports fans may get a preview of what is in store for the Friona-Farwell game, Friday night, if they show up at the B team game here Thursday evening.

The same two schools are scheduled to knock heads in their first meeting of the season. The game is booked for 7:30 p. m.

Friona's B team was idle last week.

## Dads Skip Session, Try Monthly Bill

The Friona city dads, who have been putting in more time on official business this year than most of them have managed to spend in front of their TV sets, are aiming at a monthly meeting schedule.

Their last session was Monday night of last week, and so they have skipped Monday night of this week. Since early this spring, they have met every Monday night except three or four.

Unless something important comes up—and the commissioners won't be too surprised if it does—the next meeting will be Monday night, November 5.

## Jones Erecting New Building

Now under construction is a new building to house Jones Motor Company in east Friona on Highway 60. Opal Jones, owner, says he hopes to have the building finished by the first of the year.

The 60x90 structure is to be of cinder block construction, and will have a display room in front suited

for a new car showroom in the event Jones rents to a car agency—which there is a possibility of his doing.

The foundation for the building already has been run, but probably no more work will be done until after harvest, Jones says. Upon

completion of the new building, the one presently occupied by the business will be torn down.

"I plan to get out of the junk business," says Jones. "I want to go straight parts and repair work." Jones was the Friona Dodge-Plymouth dealer from 1935 until 1938.

# Chiefs Scalp Mustangs Friday By 52-6 Count

By DOLPH MOTEN

The Sioux's massacre of Custer and his soldiers at Little Big Horn years ago was a picnic compared to the scalping the Friona Chiefs administered to Bovina's Mustangs Friday night at Mustang Field as they racked up a 52-6 victory.

For the first quarter and part of the second it was a good, close ball game. But the fireworks started early in the second quarter as Wesley Barnett and his Chief teammates put on an offensive show that left Mustang fans shaking their heads in bewilderment.

Friona led in the first down department, 12-3. Barnett, Joe McLellan, Weldon Fairchild and Larry Fairchild all got into the touchdown making act for the winners. Phillip Weatherly aided in the extra point cause as did McLellan.

Neil Smith, the bright spot in an otherwise dull Mustang attack, took a pass from Quarterback Dick Horn to account for the losers' only tally.

Sonny Brito kicked off for the Mustangs to begin the game. Buford Carter took the kick on the 27 and returned to the 40. Jerry Childs and McLellan moved the ball to the 48 and a first down before Smith recovered a fumble for the Mustangs on the Bovina 45. The Mustangs made one first down and were on the 34 when Nolen Johnson intercepted a Smith pass on the 25 and returned to the 43.

Barnett and Larry Fairchild did the bulk of the ball carrying in a drive that went dead on downs on the Mustang 17, where Bovina took over on downs.

In three plays, the Mustangs were shoved back to their own two. On fourth down, the first play of the second quarter, Smith left-footed a punt out to Barnett on the 35. Behind good blocking, Barnett gathered in the punt and raced down the left side for the first score of the ball game. McLellan was stopped on his attempt to run the extra point across and the score stood 6-0.

The Mustangs came fighting back, however, to tie the score in

two plays.

James Lawlis took the kickoff on the 30 and returned five yards. From that point, Horn stepped back and passed through three Chief defenders to Smith on the 50. Smith, behind the defense when he latched onto the ball, scampered the remaining 50 yards for the TD. Like McLellan's, Billy Burnam's running attempt for the extra point failed and the score was 6-6.

The Chiefs weren't satisfied to play in a tied-up ball game. After Bomar Stacey returned the kickoff to the 41, Barnett made six to the 47 and then slashed through the right side of the line for his second scoring effort of the evening. McLellan's extra point was good to make the score 13-6.

Barnett set up the third touchdown late in the half when he intercepted a Smith pass on his own 43. Thirteen plays and three first downs had the ball on the five. McLellan carried over the left side from that point. The extra point attempt was useless and that ended

(Continued on Last Page)

NICE RUN—Larry Fairchild reels off 17 yards against Bovina in Friday night's game. The Mustang behind him arrived too late for the tackle, but the Bovina secondary coming in rammed him out of bounds, ending the play.

## Attendance Good At PTA Meeting

A large crowd attended the regular meeting of the Friona PTA in the auditorium Thursday evening. During the business meeting, Mrs. Hugh Blaylock, chairman of the membership committee, reported that the membership is now 280.

Mrs. Ethel Benger's first grade received a vase as an award for having the most parents in the organization in the elementary school. Mrs. Edelman's fifth grade was presented a \$5 check for first place in the junior high school, and the junior class was the recipient of \$5 for first place in the high school.

A newly-organized group of singers, The Mother Singers, sang several songs. Mrs. Dorothy Hough is accompanist, Mrs. Ova Outland is the director, and the members are Ora Mae Anthony, Gwen Graves, Mattie Faye Crow, Geraldine Sherrieb, and Belle Maynard. Raymond Cook, high school principal, explained the teacher retirement amendment and urged voters to support it. This amendment has been designated number 4 on the ballot. Mrs. Ella Lamb, PTA president, welcomed the visitors and Mrs. J. T. Gee introduced the guest speaker, Miss Ila Lewis of Amarillo.

Miss Lewis, who is a former teacher in Friona School, gave a very interesting and informative lecture on her travels abroad. She spent one year as a teacher in Ger-

many and during this time, toured 31 countries on four continents. She showed colored slides to illustrate her lecture.

## Visit Relatives

Mr. and Mrs. Wilburn Carlton spent the weekend visiting relatives. In Turkey they visited Carlton's aunt, Mrs. Georgia Meachem; at Hedley they were guests in the home of Mr. and Mrs. Robert Carlton; and at Memphis they visited Jess Carlton.

## Fords Have Visitors

Mr. and Mrs. Wiley Layman of Wichita, Kansas, returned home Wednesday after spending several days as guests in the home of Mr. and Mrs. Howard Ford. Mrs. Layman is Ford's sister.

## Guest from Tennessee

Mrs. A. D. McElroy of Murfreesboro, Tenn., is a house guest in the Glen Stevick home this week. Mrs. McElroy is Mrs. Stevick's mother.

## New Residents

Mr. and Mrs. Cecil Osborne, formerly of Hale Center, are new residents in Friona. Osborne is employed by Parmer County Improvement Company as parts man. They live in Dean Hall's rent house and have two daughters, Linda and Karen.

## Girl Scout News

Thirteen Scouts and one leader, Mrs. Nora O'Brian, were present for the Monday afternoon meeting of the senior Girl Scouts. The meeting was called to order by Peggy Widner, president. Linda O'Brian read the minutes and called the roll.

Plans were made and committees appointed for the Halloween party which will be Saturday night. The meeting was adjourned and the committees met for special sessions.

Troop VIII met at the Congregational Church with the two leaders, Helen Potts and Ann McKee, and 14 girls present. Plans were made for a Halloween party next week. The girls made black cat lapel pins out of felt. Mary and Martha Knight served cold drinks, corn chips and bubble gum.

Brownie Troop I met Monday afternoon at the First Baptist Church with 14 Brownies and the two leaders, Valoris Osborn and Ruth Terry present. After the business meeting, the girls made favors for their Halloween party.

They also took the invitations which they made last week to the troop which is being invited to the party. Barbara Neff and Linda Rector served cookies and cold drinks.

Girl Scout Troop IX met at the Sixth Street Church of Christ annex Monday afternoon. The group marched to Marcum-Claborn Flower Shop and were shown how to root a cutting by Mrs. Floyd Brookfield. She also showed them how to care for a house plant.

Joe Beth Brummett served refreshments to Carolin Guinn, Beverly Elliott, Helen Stowers, Marcia Lynn Massie, Elaine Parsons, Karen Helmke, Rhonda Neff, Dianne Jennings and Karyl Williams, and the leaders, Pearl McLean and Olive Massie.

Brownie Troop I met Monday afternoon at the First Baptist Church. The two leaders, Edith Johnson and Mary Roberts, and ten girls were present.

Plans were made for a Halloween party, games were played, and Janet Stevick served candy and cold drinks.

## Reeves Have Guests Sunday

Mrs. Hadley Reeve honored her father, J. S. Pinckley of Merkel, with a birthday dinner in the Reeve home Sunday. Mr. Pinckley was observing his 80th birthday.

Out-of-town guests were Mr. and Mrs. J. S. Pinckley and Mr. and Mrs. Jarrett Pinckley and daughter, Sue, of Merkel; Mr. and Mrs. Loyd Morgan and sons, Phillip and Neal, and Mr. and Mrs. Otha Castle and daughter, Judy, all of Perryton; Mr. and Mrs. Elmo Collins and Mr. and Mrs. Roy Patterson and son, Charles, all of Lubbock.

Mr. and Mrs. Crandall Wright made a business trip to Shallowater Wednesday afternoon.

## FHA NEWS

The Friona FHA chapter has been very busy this past week. The annual initiation was held Thursday night. Freshmen FHA girls participated in several tricks administered by the upperclassmen to make them full-fledged members of the FHA.

At a business meeting, Jerry Chiles was elected as the sweetheart, and marched in the homecoming parade representing the FHA. Saturday the group sponsored a rummage sale in the city park. It was very successful; \$85.38 was added to the treasury. Some rummage was left over, so another sale will be conducted this Saturday, says Luellen McLean, reporter.

Charles Allen and Raymond Euler went to Amarillo Monday evening to hear Jim Vaus, a lay evangelist, speak. His appearance was sponsored by the Baptist Brotherhood.

## LONGVICK BABY HAS SURGERY

Mai Lynn Lonvick, daughter of Mr. and Mrs. Ed Lonvick of Dallas, underwent major surgery at Baylor Hospital Wednesday. Maternal grandparents are Mr. and Mrs. Wesley Foster. Foster, who was in Dallas for the operation, returned home Friday. Mrs. Foster plans to remain in Dallas until after the baby is dismissed from the hospital.

## FRIONA BAND PRACTICES

The senior band has been working on maneuvers which they will present at the marching contest, to be held in Canyon late this month, reporter Luellen McLean announces.

Friday night the band practiced some of the routine at half-time on the Bovina field. The Bovina band also presented some of the maneuvers which they will present at contest.

**News From LAZBUDDIE**

MRS. BERT GORDON

**Amherst Defeats Longhorns 34-21**

Friday, October 19, the Lazbuddie Longhorns lost their homecoming game to the Amherst Bulldogs, final score 34-21.

The game got underway at 8 p. m. with Amherst kicking to Lazbuddie. The Longhorns had two penalties and three first downs in the first quarter. One of these was an exciting 55-yard run by Glen Watkins, early in the period. Amherst scored one touchdown in the first quarter. Ledford Enloe toted the ball.

The second quarter found Lazbuddie falling behind. Jerry Gee made three TD's for the visitors, one on an 18-yard run, one on a 22-yard dash, and the third on a 30-yard gallop. Keith Blair made two extra points, and Donny Bowman made one. Lazbuddie racked up only one first down in the period.

The second half found more action from both teams. Joe Peterson scored for Amherst in the third period, during which Amherst ran up four first downs and received two penalties. Lazbuddie opened their scoring in the third as full-back Roy Vanlandingham ran 16 yards for the TD. Jimmy Weaver made the extra point. The Longhorns had two first downs and one penalty.

The final round found the locals holding Amherst scoreless, limiting them to one first down. Vanlandingham plunged three yards for a home team touchdown, then Glen

Watkins scored on a 28-yard run and added the extra point. Lazbuddie managed four first downs.

The Longhorns will be guests of the Happy Cowboys at Happy on Friday night, October 26.

Homecoming ceremonies were presented by the pep squad and football team at the half. The pep squad marched onto the field and formed a heart with an open point. The football boys followed and formed two lines leading from the open point to the sideline. Captains Andy Fuqua and Johnny Gammon escorted the football sweetheart, Jeanell Floyd, to the center of the heart. Danny Cargile and Juanita Scott were the sweetheart's maidens. Miss Floyd was presented with a bouquet of roses and a football necklace, and the pep squad sang "Let Me Call You Sweetheart".

Two of the cheer leaders, Janice Oliver and Joy Smith, escorted the football hero, Roy Vanlandingham, to the center of the heart. He was presented with a miniature football and the pep squad sang "Mr. Touchdown". The entire group then marched off the field. The ceremony was under the supervision of Mrs. Diane Reed, pep squad sponsor.

**Harvest Festival To Be November 3**

Lazbuddie's annual harvest festival will be held at the school gymnasium on Saturday night, November 3. Voting for the queen's race will close at 9 p. m. and the coronation will be held soon thereafter. Three queens will be crowned, one from the first three grades, one from the fourth through the eighth grade, and one from the ninth through the twelfth grade.

Each grade in the school will sponsor a booth at the festival and the list totals 15 at the present time. Everyone is invited to attend.

**Florida Visitors Leave Wednesday**

Mr. and Mrs. Finis Jennings have had as their house guests for the past three weeks, Mr. and Mrs. Miles Warren of Vero Beach, Fla. While here, Mr. and Mrs. Jennings took the Warrens on a ten-day tour of points of interest in Texas and New Mexico, beginning with the

Carlsbad Caverns. From there they went to Austin, by way of Pecos and Ft. Stockton.

In Austin they visited Jennings' brother and attended the church where he is pastor. They went from there to Temple, where all four went through Scott & White Clinic. Continuing to Dallas, they visited their daughter, Mina Margaret, who is a student at Southern Meth-

odist University. Mr. and Mrs. Warren left on Wednesday of this week for their home in Florida.

**TO MEET MONDAY**

The local Farmers Union urges that all members be present for the meeting Monday night, October 23, at which time new officers will be elected and delegates to the state convention in Abilene will be named. The meeting will be held at the high school.

**Has Bible Study**

Pauline Cammack Circle of the W.M.U. met in the home of Mrs. A. E. Redwine Monday afternoon for Bible study. Mrs. L. B. Ham-bright was in charge of the study, "Prayers of Moses". Refreshments were served to Mesdames Ham-bright, Abe Mallouf, F. W. Greene, W. A. Broadhurst, Frank Spillar, John Agee, Earl Peterson, Carrie Withrow, Raymond Houston, Wesley Barnes, Bert Gordon, and the hostess, Mrs. Redwine.

Clo Ann White, student at West Texas State College in Canyon, spent the weekend with her parents, Mr. and Mrs. J. D. White.

Nealy Mace Steinbock, student at ENMU in Portales, spent the weekend with her parents, Mr. and Mrs. Walter Steinbock.

Mrs. J. R. Harris Sr. was dismissed from Methodist Hospital in Lubbock Saturday and is at home.

The condition of Mrs. Luther Ham remains about the same. Any one wishing to send her a card may address it to Room 214, Overall Hospital, Coleman, Texas.

### Hi-Point HD Club Elects Officers

The Hi-Point Home Demonstration Club met Friday afternoon in the home of Mrs. Billy Dean Baxter. During the business meeting, new officers were elected. They are Mrs. Lee Renner, president; Mrs. Joe Brummett, vice-president; Mrs. Elmer Oldham, secretary; Mrs. Glen Mingus, reporter; and Mrs. Floyd Rector, council delegate.

Miss Jimmie Lou Wainscott presented a program and showed slides on living room accessories. Refreshments of apple pudding and punch were served to Miss Wainscott and the following club members: Mesdames Glen Mingus, Joe Brummett, Lloyd Mingus, Lee Renner, Eugene Bandy, Dan Tims, Floyd Rector, and Elmer Oldham.

The next regular meeting will be on Friday, October 26, in the home of Mrs. Lee Renner.

### HD Club Meets In Smith Home

The Friona Home Demonstration Club met Wednesday afternoon in the home of Mrs. David Smith. Jimmie Lou Wainscott had charge of the program on living room accessories. Blanche Woody led the group in a question and answer game.

Sandwiches, cookies, and coffee were served to two guests, Mrs. Juanita Drennan and Miss Wainscott, and the following club members: Jonell Sims, Blanche Woody, Christine Williams, and Joyce Wilkins, by the hostess.

Mrs. Floyd Rector will give a report on the state and national convention which she attended at San Antonio at the next meeting. Mrs. Waymon Wilkins will be hostess to the club in her home at 2 p. m. Wednesday, November 7.

Anyone who desires to buy Christmas cards or all occasion cards is invited to contact any of the club members.

### Club To Sponsor Christmas For Others

Friona's Modern Study Club will sponsor a new project in 1956. A "Christmas For Others" project having to do with Christmas cards is being put into effect now.

Members of the Club decided that the Christmas card project will be the means of "spreading the real Christmas spirit in service to others in a broader way of extending Christmas greetings," and voted to adopt the plan which now has more than 100 signatures. Money usually spent on Christ-

mas cards will be deposited in the Friona State Bank for equipment for the new Parmer County Community Hospital. Here is the way it will work:

Signers agree to deposit the money they would normally spend for Christmas cards and stamps (those sent locally) in a special account which has been provided at the local bank. This account is called "Christmas Card." Persons depositing funds will write their names on the deposit slip in the same manner they sign their Yuletide cards. Whether the amount is \$1 or \$100, it will be kept in strictest confidence.

Deposits must be made by December 10, 1956. On December 20, 1956, there will appear in the Friona Star a Christmas greeting from all the people who have made deposits or signed intentions of participating.

Other clubs and organizations have been asked to sponsor this program along with the Modern Study Club.

### Local Talent To Appear On TV

The Treblaires, a local music group composed of twelve voices, have been invited to appear on Cotton John's TV program Saturday, October 27, at 5 p. m.

Members of the Treblaires, which are directed and accompanied by Mrs. Eva Miller, are Doris McFarland, Linda Gaye Gee, Betty Agee, Lavon Fleming, Nancy Outland, Jonnie Hand, Lila Buske, Phila Buske, Luann Hardesty, Janice Miller, Jacquelyn Magness, and Eva Nell Thomas.

### Attends Market

Mrs. Nora Welch left Monday evening for Dallas, where she will attend market. From Dallas she plans to go to Houston to visit in the home of her son, Louie, and family. Mrs. Welch expects to return next week.

### ATTEND MARKETS

Mr. and Mrs. Andy Hurst of Rockway-Hurst attended market in Dallas over the weekend. Mrs. Nora Welch of LuNora's attended the one which was held in Lubbock last Sunday and Monday.

### Guests in Gee Home

Miss Ila Lewis of Amarillo and Rev. and Mrs. Hugh Blaylock and daughter, Elizabeth Blaylock, and Charlotte, Janiece and Judy Boek were Thursday evening dinner guests in the home of Mr. and Mrs. J. T. Gee, Linda and Tom.

### Seniors Plan Hobo Day For Saturday

The seniors of 1957 have decided to do any kind of odd jobs available Saturday, October 27. Both boys and girls plan to participate. "If you have any kind of work for any of them, call 2211 or 2571," says a class spokesman. Mothers of this group have also completed plans for a rummage sale to be conducted at the city park all day Saturday. Funds raised from both these projects will be used to defray expenses of the trip which the seniors plan to take next spring.

### Fairchild-Parker Vows Read Saturday

Miss Phyllis Jean Fairchild, daughter of Mr. and Mrs. Carl Fairchild, became the bride of Johnnie Parker, son of Mrs. C. R. Little of Plainview, at 4 p.m. Saturday.

Rev. C. M. Fields, pastor of the First Baptist Church, read the single-ring ceremony in the home of the bride's maternal grandparents, Mr. and Mrs. W. F. Cogdill. Only relatives and close friends of the couple attended. Out-of-town guests were two great-aunts of the bride, Mrs. Lulu Berg of Pryor, Okla., and Mrs. Laura Drew of Dallas.

The bride wore a winter white wool dress with black accessories and carried a cascade of pink roses on a white Bible. She also wore a ruby ring which was more than 50 years old. It originally belonged to her great-grandmother, Mrs. Cynthia Cogdill.

Attendants were Mr. and Mrs. Rex Blackburn. Guests were registered by Mrs. Walter Haws of Portales.

At the reception, which followed the ceremony, Margie Haws, cousin of the bride, and Janie Parker, sister of the groom, served. Others in the house party were Mesdames E. L. Fairchild, Leonard Gonsler, Leonard Haws, Roy Wilson, and Elroy Wilson.

After a short honeymoon, the couple is at home at 411A West Fourth Street in Hereford. Parker is employed by Pioneer Natural Gas Company. Mr. and Mrs. Parker are both graduates of Friona High School.

### LEGAL THE STATE OF TEXAS To any Sheriff or any Constable within the State of Texas—GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least

twenty-eight days before the return day thereof, in a newspaper printed in Farmer County, Texas, the accompanying citation, of which the herein below following is a true copy.

### CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Charles Prince, and should he have ever married, his unknown wife or wives, and Jim Prince and his wife, Lola Prince; and if said persons or any of them be deceased, the unknown heirs and legal representatives of each of said persons who may be deceased, defendants, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Farmer County at the Courthouse thereof, in Farwell, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 19th day of November, A. D. 1956, to Plaintiff's Petition filed in said court, on the 3rd day of October, A. D. 1956, in this cause, numbered 1878 on the docket of said court and styled ANNA DRAGER, ET AL, Plaintiffs, vs. CHARLES PRINCE, ET AL, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Plaintiffs bring this suit in trespass to try title, alleging that they are the owners in fee simple of the west half (W 1/2) of the North 644 acres of Section 1, Township 1 North, Range 1 East, of a Capitol Syndicate Subdivision of Farmer County, Texas; that on or about the 1st day of October, A. D., 1956, the Defendants entered unlawfully upon such land and ejected Plaintiffs therefrom and wrongfully withhold possession from such Plaintiffs; and Plaintiffs further set up and plead the 10-year Statute of Limitations as same applies to land titles in the State of Texas, as is more fully shown by Plaintiffs Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Farwell, Texas, this 3rd day of October, A. D. 1956.

Attest: Hugh Mosley Clerk, District Court Farmer County, Texas. (SEAL)

Star—14tc

### The BIBLE Says

"Even so ye also outwardly appear righteous unto men, but inwardly ye are full of hypocrisy and iniquity." (Matthew 23:28) Jesus spoke these words to the religious people of his day because they were corrupt. There was no guess on his part. He knew what was IN man. It was his work to call them to repentance. He tried to get them to see themselves as they were. Under many figures did he teach them. But they, like many of us today, refused his teaching and became angry if he even hinted that they were not the very best in the land.

We may see that the religious leaders of Jesus' day lost their influence for good and became objects of mockery because they

would not practice that which they taught. Jesus further said of them, "All they bid you do, that do, but do not after their works for they say and do not." This is a sad commentary on any religious people.

What if Jesus were to come to your home and read you for what you are, not for what you lead others to think you are? He will judge you one day. It will be too late then to make the necessary changes. It is by the grace of God that he gives you life from day to day. It is the time allotted you to prepare to meet him in eternity. Why not use it wisely? Truly it has been said, "The legs of the lame are unequal."

# Are We Counting on the Other Fellow to Take Care of Our Future...

*when he may not be working at the job*

This is a good way to arrange for an unsatisfactory future . . . physical or economic.

For instance . . . some of us depend on our good neighbors to spend THEIR money in the home community to keep it going so we can make a living in it . . . while we do OUR buying somewhere else.

*But . . . sort of like when a couple of fellows in a car each thinks the other one is driving . . . the habit of "Letting George Do It" can darken the future if George happens to be letting YOU do it.*

And, anyhow, even if we DO have lots of good neighbors trading at home to support US, and

our schools and churches and other community activities . . . THINK how much BETTER all of these would be supported if ALL OF US were buying everything we could at home.

Trading with home merchants is just good practical business sense anyhow . . . because we automatically get more for our money from them than out-of-town stores can give us . . . the EXTRA PREMIUM of community prosperity that only home business establishments can throw in for free with the goods we buy.

***It Pays to Buy  
where You Live***

Friona firms are the only business establishments in the world who are genuinely interested in the future of this community where you make YOUR living.

"COMPLETE BUILDING SERVICE"

ATTEND FUNERAL

Mr. and Mrs. Dalton Caffey attended the funeral of his uncle, Franklin Caffey, at Anson, Monday.

PERMIT FOR HOUSE

One building permit has been let in Friona during the past week. It went to Guy Latta for a frame, brick veneer residence to be constructed at 1006 West 5th. Cass and Brand are contractors for the 35x53, \$13,650 house.

When shopping for ready-to-wear and good looking shoes at prices you like to pay, then shop at—

JACKMAN'S

Clovis' Oldest Ready-to-Wear Store 312 Main St. Clovis, N. M.

Mr. and Mrs. Marvin Cunningham of Amarillo spent the weekend with his mother, Mrs. J. E. Cunningham.

Sunday visitors in the home of Mr. and Mrs. W. J. Nazworth were Rev. and Mrs. Roy Cummings and children of Levelland.

Mr. and Mrs. Otis Neel, Paula, Kay and Dale visited Dwayne and Gerald Neel at Canyon Sunday.

Betty Zon Ashcraft of Amarillo spent the weekend with her parents, Mr. and Mrs. Clarence Ashcraft.

Sunday afternoon guests in the home of Mr. and Mrs. Jasper Bess were Mr. and Mrs. Austin Corbin of the Westway community in Deaf Smith County.

If soil samples are to be submitted to the Soils Laboratory for testing, now is the time to get them in. M. K. Thornton, extension agricultural chemist in charge of the lab, says business is slack and fast service can be assured.

SAMPLE BALLOT

You may vote for the candidates of your choice by placing an X in the square beside the name or you may vote for the candidate of your choice in each race by scratching or marking out all other names in that race.

Table with 4 columns: DEMOCRATIC PARTY, REPUBLICAN PARTY, CONSTITUTION PARTY, WRITE-IN. Rows list candidates for various offices including President, Governor, State Representative, etc.

SCRATCH OR MARK OUT ONE STATEMENT SO THAT THE ONE REMAINING SHALL INDICATE THE WAY YOU WISH TO VOTE.

- FOR OR AGAINST: NO. 1 The Constitutional Amendment granting power to the Legislature to grant aid and compensation to persons who have paid fines or have served prison sentences under the laws of this State for offenses of which they were not guilty.
FOR OR AGAINST: NO. 2 The Constitutional Amendment authorizing the Commissioners Court in each county to levy whatever sums may be necessary for general fund, permanent improvement fund, road and bridge fund and jury fund purposes so long as the total of these funds does not exceed a maximum tax rate of Eighty Cents (80c) on the One Hundred Dollars (\$100.00) valuation in any one (1) year and so long as the Court does not impair any outstanding bonds or other obligations.
FOR OR AGAINST: NO. 3 The Amendment to Article VII of the Constitution of the State of Texas by amending Sections 17 and 18 thereof, providing a method of payment for the construction and equipment of buildings and other permanent improvements at State institutions of higher learning; and by adding a new section thereto to be designated as Section 11a, providing for the improved support of The University of Texas System and the Texas Agricultural and Mechanical College System by authorizing the investment of the Permanent University Fund in corporate bonds and stocks under certain conditions and limitations.
FOR OR AGAINST: NO. 4 The constitutional amendment empowering the Legislature to revise the existing Teacher Retirement System and to broaden the benefits to employees of public schools, colleges, and universities supported wholly or partly by the State, authorizing that the State's contributions for such purposes shall equal contributions by such employees and providing that they do not exceed six per centum (6%) of the compensation paid each such employee by the State or school district or the sum of Five Hundred Four Dollars (\$504.00) for each year for any such employee, regulating the eligibility of such employees for retirement benefits and prescribing the manner of investing money accruing to the retirement fund.
FOR OR AGAINST: NO. 5 The Amendment to Section 49-b of Article III of the Constitution of Texas to change the membership of the Veterans' Land Boards; increasing the Veterans' Land Fund by \$100,000,000; said fund to be used for the purpose of purchasing land in Texas to be sold to Texas Veterans of World War II and to Texas Veterans of service in the Armed Forces of the United States of America subsequent to 1945. Such funds shall be expended in accordance with instructions and requirements that may be provided by law.
FOR OR AGAINST: NO. 6 The Constitutional Amendment providing the form of the Oaths of Office for elective and appointive officers of the State.
FOR OR AGAINST: NO. 7 The Constitutional Amendment requiring medical testimony for commitment of persons of unsound mind, and authorizing the Legislature to provide for trial and commitment of such persons and for waiver of the right of trial by jury by a person alleged to be of unsound mind or his next of kin, and his attorney ad litem.
FOR OR AGAINST: NO. 8 The amendment to the Constitution of the State of Texas providing that a court judge or magistrate may deny bail to a person who has been convicted of two (2) previous felonies.

## Chiefs Scalp Mustangs By 52-6 Count

(Continued From Page One)

the scoring in the first half at 19-6. After kicking off to the Mustangs, to begin the second half, the Chiefs recovered a Bovina fumble on their own 44. McLellan made four to the 48 and then Barnett got loose on a 54-yard jaunt that netted his third TD for the evening and the score was 25-6. Extra point attempt was no good.

Smith took the kickoff from Mahan on the 18 and returned to the 33. Lawlis went to the 35. A long pass was complete from Smith to Burnam, but a fumble gave the ball to the Chiefs on their own 32. Childs and McLellan carried the ball down to the Bovina 30 to set the stage for Weldon Fairchild's through-the-middle touchdown run that made the score 31-6. Weatherly carried the point over and the score was 32-6.

The Mustangs were forced to punt three plays after the kickoff. Smith's boot rolled dead on the Friona 46. On the first play from that point, Larry Fairchild got in the scoring act by going over left guard and then to his right for 54 yards and the touchdown that made the score 38-6. Weatherly again carried the point over and the score was 39-6.

And even then the Chiefs weren't finished. Johnson passed to McLellan for the seventh touchdown. The extra point was good and the score was 46-6.

After the kickoff, an exchange of fumbles gave Friona the ball on the 44. A 15-yard penalty set the winners back in their own territory, but Weldon Fairchild came bounding out over the right side for the final scoring sprint of the game.

His tally made the score 52-6. The extra point attempt was spoiled by Mustang defenders and the scoring was, at last, over for the evening.

However, after an intercepted pass, the Chiefs were again knocking at the touchdown door as Larnie Blake carried to the Bovina nine as the game ended.

Dickie Steelman, Terry Adams, Horn, and Kent Glasscock led the Mustangs defensively. Defensive standouts for Friona were Leon Massey, Don Reeve, and Weatherly.

## CRACKERS—

(Continued from Page 1)

ram. However, we should also like to point out that our enthusiasm for the plan is something less than complete, and that serious thought should be given this amendment by every voter. The issue is not all "black and white." It has some delicate shades, too.

Of foremost consideration is the possibility that the plan may not be actuarially sound. That is, it may be proposing more benefits for teachers than the fund will be able to provide in the manner it presently is arranged.

Questions on this count became so serious as to cause the resignation of the actuary of the state retirement system. He said it wouldn't pan out. Others learned in such matters of the problematical, however, say it will work.

The net result is that everyone who does not have first-hand information is left wondering which will be the case. And 99% of the voters won't have the kind of information needed to render an accurate judgment for themselves.

Why, then, do we support the amendment?

Because, as we see it, this is one of two principal means of attracting and keeping more and better teachers for Texas. And Texas is surely hurting for teachers.

The pay scale and the retirement program are among the first things that teachers want to know about before they start teaching in Texas. Texas has made many strides in teacher pay in the past few years, but we are still tied to a 1937 retirement system that badly needs renovating.

We should broaden the retirement program so that it will be up-to-date and practical for today's

living conditions. It will cost the state another \$4,500,000 annually, but should be worth it.

Proponents of the amendment claim that taxes will not have to be raised to meet this obligation.

Even if funds prove to be too short, we think the state would be making a wise investment to further underwrite the program and bring more and better teachers into the state's system.

## Friona Purchases Office Equipment

Friona ordered \$1607.39 worth of office equipment last week to go in the new city hall, now under construction. Seller of the equipment is Jim Connell of Dumas.

Connell appeared before the commission in the interest of the sale Monday night of last week, and clinched the order three days later.

On order for the front or main office are two desks, one swivel chair, four side-arm chairs, a wastebasket, and a drawer rack. In the city clerk's office will be a desk, a swivel chair, a bookcase and a wastebasket.

Ordered for the meeting room are a large table, four "executive" chairs, and 20 folding chairs. This room will be the meeting place for the city commission.

The equipment is expected to arrive in time for the opening of the new building.

## Fidelis Class Meets With Mrs. Porter

Mrs. Jack Porter was hostess to the Fidelis Class of the First Baptist Church in her home Friday afternoon. The meeting was opened by each member answering the question, "What is an outstanding experience you have had in prayer?"

Mrs. Jack Lane read a poem titled "At All Times." Mrs. Porter conducted a Bible quiz and year-books were passed out. After a short business meeting, the hostess served refreshments of spiced tea and cookies to the following: Mesdames Sloan Osborn, Jack Lane, Charles Sanders, Billy Parker, Lee Campbell, Doyce Barnett, and Ruby Stone.

## ELECTRIC RANGE AND WATER HEATER FIT INTO ANY PLAN ...

*the modern way!*

It's 1956... start now to live better electrically. See your Reddy Kilowatt Electric Appliance Dealer

Plan your home around electric living. You can start with a built-in electric range which consists of the electric surface units and the electric oven, or, if you prefer, you can choose the popular "stand-up" electric range. Either way you'll find that electric cooking blends into the decorative scheme of the modern home. Electric appliances are modern to use; best of all they even LOOK modern. The electric water heater can be a part of the kitchen cabinet line giving you more table top work space and a silhouette which marks your kitchen as up-to-date. And, remember, an electric range and water heater require no vents or flues. They are perfectly safe, too. Yes, electric cooking and electric water heating fit into any plan whether you're building new or remodeling. You CAN live better electrically.

## Friona Fireboys See Pictures, Hear Talk

Friona volunteer firemen met at the club house Thursday evening in a well-attended business-social affair at which the Lakeview women served dinner.

About 65 persons attended, including four guests. The guests were Mr. and Mrs. Dan Ethridge and Mr. and Mrs. Bill Stewart. Wives and children of the fireboys also were on hand.

A picture of training of firemen was shown, furnished by Ethridge-Spring Agency. Dillie Kelley, school superintendent, who also is a volunteer fireman, gave a short talk in explanation of Amendment No. 4 on teacher retirement.

## Three Men Fined For Theft of Gun

Three Negro men were charged with theft of a small-bore pistol and were given fines after they plead guilty to the offense in county court last week.

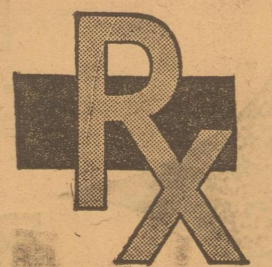

Lindsay Keyes and Lukes Govan were fined \$45.50 each and released, and John Wilson, unable to meet a like fine, is still in jail.

The weapon involved is the one found at the shooting scene between Bovina and Friona last week, which claimed the life of Clifford Leon Conley. No other charges have been filed by the sheriff's office following an investigation of the affair.

Sheriff Chas. Lovelace took the trio to Amarillo Thursday for voluntary lie detector tests, and said this week that the stories of the men were substantiated by the emotionally-sensitive machine.

## Kelleys Return

Supt. and Mrs. Dillie M. Kelley, Neal and Mary Beth returned home Tuesday evening. Mrs. Kelley, Neal and Mary Beth visited her parents, Mr. and Mrs. Jeff Hightower, at Kosse, while Kelley attended the superintendent's meeting at Austin.

SECTION II  
**THE FRIONA STAR**

MISS NELDA SHARON MAY

**in & around  
FRIONA**

With June

Everyone who failed to attend the Thursday evening meeting of the local PTA missed an opportunity to become better acquainted with conditions in Europe. Ila Lewis, who is a former teacher in the Friona school, gave a very interesting lecture and presented slides to supplement her talk.

Miss Lewis, who is now teaching in Amarillo High School, spent one year teaching in Germany. During the year that she was abroad, she visited four continents and 31 countries. The pictures, which were in color, were on a variety of subjects from flowers in bloom in Holland to the destruction of some of the castles in Germany.

Listening to conversations around town Thursday afternoon caused us to have a better understanding of how people in other professions have arrived at the conclusion, "Farmers are always murmuring about something."

Almost every farmer that we heard comment on the rain agreed that it was wonderful then added, "Yes, but..." The reasons offered were varied, but for one reason or another, there was something wrong.

Those of you who think that the government is overdoing the use

of initials for this, that, and the other, may not know that the practice of calling potatoes "spuds" is a result of a campaign someone conducted years ago under the sponsorship of an organization called "Society of prevention of unwholesome diets."

The Oscar Baxters are finishing the remodeling job on their home and will have a very attractive place out in the Baxter Addition. The town continues to grow north, west, and northwest.

The closer we get to the general election, which will be held Tuesday week, the more we hear about politics. So many persons, who are supposed to know about such matters, hand out the advice that everyone should know what the candidates stand for before voting.

We agree that this is as it should be, but wish someone would help us on that score. How can anyone know how much political talk is truth? The more we read and listen, the worse we become confused. As one candidate speaks, we think his ideas are sound. Then when the opposing candidate states his views, we are inclined to agree with him.

Of one thing we are thoroughly convinced and that is that everyone who is eligible to vote should do so. Far too many persons with whom we are acquainted take the voting privilege too lightly. Even though you feel that your vote will make very little difference, it will be counted, and you will have done your duty.

If too many don't show up at the

polls Tuesday, the election will not reflect the wishes of the majority. How can we expect to keep the voting privilege if we do not use it? And, too, how can you expect us to have a government, of the people, by the people, and for the people if YOU do not vote?

**Shower Honors  
Mrs. Edward White**

Mrs. Edward White was feted with a pink and blue shower in the home of Mrs. Howard Ford Thursday evening. Hostesses with Mrs. Ford were Mesdames C. L. Dunn, Raymond Fleming, Cayson Jones, Joe Fallwell, C. S. Bainum, and J. L. Shaffer.

Sheryl Long entertained the guests with several tap dance numbers. Mikie Welch gave a reading titled "Babies Is Trouble." The serving table was centered with a crystal bowl filled with pink roses. Refreshments were pink and white cake and fruit punch with blue ice cubes which was served from a crystal bowl.

Favors were storks which were made with safety pins and marshmallows. About 30 guests attended and sent gifts.

**Return Home**

Mesdames Lucy Welch, Newman Jarrell Sr., E. H. Cummings, R. E. Sneed, and John Hand returned Wednesday evening after spending several days at the Welch cabin near Cowles, N. M. They also visited several points of interest at Santa Fe.

**Large Crowd Hears  
Wes Izzard Speak**

The Friona Club House was filled to capacity at the Tuesday evening meeting of the Modern Study Club. Wes Izzard of Amarillo spoke on "The Coming Election."

Izzard stressed the importance of "Mr. Average Citizen" exercising his right to vote in the coming election. Several specific instances were cited in which one vote in one precinct would have reversed the outcome of the entire election. One was a mayor's election in the City of New York.

Voters are urged by Izzard to read all the political news which will be carried in the local papers for the next two or three weeks. Some of the daily papers will carry an explanation of one of the amendments which are to be voted on each day.

The final advice of the speaker was, "Have Faith—Faith in God, faith in self, and faith in our country."

The Halloween theme was used in the decorations and refreshments. Jack-o'-lanterns, which were made out of pumpkins, were hanging over the fireplace. Witches' faces were scattered around the rooms. Bronze and yellow chry-

santhemums were used on the piano and presiding table.

The hostesses, Estelle Caffey, Faye Reeve, Valoris Osborn, and Kathrine Blackburn, served refreshments of German chocolate cake and coffee or tea to 29 club members and their husbands, and the following guests: Mr. and Mrs. Wes Izzard of Amarillo, Mr. and Mrs. Edwin Ramey of Dimmitt, and Mr. and Mrs. Wiley Layman of Wichita, Kansas;

Also Mrs. Charles Schlenker, Mrs. Mabelle Hartwell, Mr. and Mrs. Steve Struve, Mr. and Mrs. Nelson Welch, Mr. and Mrs. Carl Maurer, Mr. and Mrs. John Lamb, and Mr. and Mrs. David Carson, all of Friona.

**Guests from  
Out of Town**

Mr. and Mrs. Johnny Box and daughters, Lucretia, Gail, and Debra Lynn, of Odessa, and Mr. and Mrs. Jimmy Welch of Pettit were weekend guests in the home of Mr. and Mrs. Russel O'Brian and daughters.

Other relatives they visited were Mr. and Mrs. Kenneth O'Brian, Mr. and Mrs. James W. Cunningham, Mr. and Mrs. C. A. Hogue, and Miss Shirley Hogue.

**November Wedding  
Planned By Couple**

Mr. and Mrs. Hardy L. May have announced the engagement of their daughter, Nelda Sharon, to Ross Miller, son of Mr. and Mrs. Roy V. Miller Sr.

The wedding vows will be exchanged Saturday, November 24, at 7 p. m., at the First Baptist

Church in Friona. M. B. McKinney, minister of the Sixth Street Church of Christ, will perform the double ring ceremony.

Friends of the couple are invited to attend.

Mr. Melton of Melton's Studio at Clovis made pictures of the Friona High School seniors of 1957 at the high school building Tuesday afternoon.

# «Parmer County Farm and Home»

## Farmers Still Shy From Soil Bank

With reports in circulation that several million acres of the nation's farm land will be retired from production under the government's new "conservation reserve" phase of the soil bank, a check in Parmer County this week shows that locally at least, the program is being received coolly.

As of the first of this week, only about 1500 acres in Parmer County had been placed in the bank. Furthermore, Prentice Mills, ASC office manager, is estimating that only about 2000 more acres will come in before the deadline at the end of next month.

Parmer County has about 400,000 acres in cultivation, of which about 350,000 is under irrigation. All of the land placed in the soil bank so far is on dryland farms.

Yearly payment for land placed in the conservation reserve has been set at \$10 in Parmer County. That is a flat rate and applies to all crops and to dryland and irrigated land as well. A ceiling of \$5000 is placed on how much one farmer may draw each year.

One factor which affected the amount of land going in this year was a change in eligibility requirements. It first had been announced that farmers could put land into the bank which had yielded no crop and had not been harvested. That would have qualified considerable dryland wheat and grain sorghum.

However, a later interpretation to the soil bank rules indicated that a farmer could not have planted any land with the intention of harvesting it, if he wanted to put this

land in the bank. About the only condition which causes such a situation is in the case where it is too dry to even plant.

### HD Council Plans November Luncheon

A Thanksgiving luncheon for all members of Parmer County home demonstration clubs has been planned for November 15 at 1 o'clock at the Oklahoma Lane Methodist Church. Final arrangements for the luncheon were made at the HD Council's meeting held Monday afternoon, October 22, at the office of Jimmie Lou Wainscott, home demonstration agent.

Black and Lakeview clubs will be in charge of the program for November 15 and the Parmerton and Hi-Point clubs will have charge of the decorations. HD club members who participated in the clothing workshops will model the clothes they made during these workshops.

New officers were also elected at Monday's council meeting. Mrs. Dee Chitwood was re-elected as chairman and Mrs. Veta Bolton was re-elected secretary-treasurer. Vice-chairman is Mrs. Lee Renner and Mrs. L. H. Lookingbill is the new THDA chairman.

Annual reports from individual club officers and committees will be given at the November council meeting on November 26.

Yearbooks also were discussed and are to go to the printer this week. Sixteen women were present for the meeting, representing all 11 HD clubs in the county.

### Lazbuddie FU To Meet Monday

Lazbuddie Farmers Union will meet at Lazbuddie High School on Monday evening at 8 o'clock for the purpose of electing new officers for the coming year.

Delegates to the state convention, which will be held in Abilene in December, also will be elected. All members and other interested parties are urged to attend this meeting.

## THE HAPPY HOMEMAKER

It takes little effort, time, or skill to transform pieces of coal into a winter "bouquet" of sparkling white crystals, and the colors of the "blossoms" are those of your own choosing.

To create a colorful "coal garden" like those that were popular as table or shelf decorations years ago, all you need is a few pieces of coal, some table salt, several colors of food coloring, some household bluing, an eye dropper, and our own ingenuity.

Wash three or four pieces of coal and arrange on any dish that is available. Pour one cup water over it and add six tablespoons of salt. Then add four teaspoons of household bluing, and set the garden in sunlight or on a well ventilated shelf. (The coal should be freshly washed. The water does not need to cover the coal.)

Little buds of salt crystals will appear in an hour or two, and a few days later the crystals will completely cover the coal. (Add water as needed to keep up the water level.) Use the food coloring to give color to the garden.

Add the coloring to the crystals with an eye dropper, only one drop at a time. (If more is used on the same spot on the crystals, they will melt.) Then set the garden back in its growing place. Within a few hours, the hues of the dyes will spread and mix to make a colorful "bouquet."

Most homemakers who grow vegetable gardens come up with some strange looking specimens. A few weeks ago Mrs. W. V. Elmore brought us a huge tomato that looked like a heart-shaped pin cushion. We didn't weigh it, but it was one of the largest tomatoes we have ever seen.

Then one day last week Mrs. Giles Cobb showed us one she had picked in her garden. It wasn't very large, but looked very much like the face of an old person without any teeth. The nose, mouth and eyes were shaped just like those of any number of people we have seen. The chin line was receded but the other features were very pronounced.

Said a wife to her husband in his easy chair:

Just as he settled back in it: "I hope you have no plans for the rest of the day..."

I want you to help me a minute."

If you have trouble balancing your food budget, some time devoted to the study of quantities of different size containers would be well spent. If you don't know whether you get more for your money when buying eggs of various sizes, it would be well to learn.

Buying foods which are plentiful is always a wise move. A lot of times money can be saved by buying in larger quantities. By making the best use of your freezer and refrigerator, you can very often make your food buying dollar go farther.

Occasionally a brown puppy shows up in a litter of purebred Labradors.—Sports Afield

## Research Station Work Moves Along

PLAINVIEW—Preliminary steps have been taken here to launch an independent, long-range agricultural research program for the 19-county High Plains area with work projected on grain sorghum, soybeans, corn and other crops.

The program envisions establishment of a High Plains field station of the Texas Research Foundation at Renner financed by farmers and businessmen.

The Foundation was invited early this year by the Plainview Chamber of Commerce to consider establishment of a High Plains station in Hale County, to be financed by farmers and businessmen. Total estimated cost of the project is \$550,000 for five years. This would provide \$150,000 for capital needs, and \$400,000 for operating purposes at the rate of \$80,000 a year.

"We are now well on our way toward obtaining a field station for the High Plains," Harold Hinn, chairman of the board and president of Harvest Queen Mill and Elevator Company, told more than 50 leaders of the area meeting here for lunch.

"We have made arrangements for 310 acres of land in Hale County, for a permanent site, and it is now a matter of obtaining operating capital. Just as soon as we can secure pledges for the five-year operating fund, we can begin a research program which should increase the productivity of this 19-county area many fold.

In order to guarantee the success of the effort, Texas Research Foundation requires that we must underwrite the work in advance for five years," he says.

Hinn said that the Harvest Queen Foundation will purchase immediately 160 acres of land which will be turned over indefinitely to the Foundation for experimental purposes, and that 150 acres adjacent at Halfway will be purchased in the name of the Texas Research Foundation. The purchase of the 150 acres will be underwritten by George Green, president of Green Machinery Company of Plainview, the purchase price to be repaid over a five-year period out of capital funds subscribed by businessmen and farmers of the High Plains.

The site is 15 miles west of Plain-

When shopping for ready-to-wear and good looking shoes at prices you like to pay, then shop at—

312 Main St. Clovis, N. M.

view on Highway 70. The soil is described as the typical Pullman clay loam with a small part of it being Amarillo clay. There is one irrigation well on the property.

Hinn says that Dr. T. C. Longnecker, assistant director of the Foundation and its chief soil scientist, already has been assigned as head of the High Plains Station.

Counties which have indicated they would cooperate in the program are Hale, Lubbock, Lamb, Bailey, Castro, Parmer, Hockley, Floyd, Deaf Smith, Lynn, Dawson, Potter, Terry, Briscoe, Randall, Crosby, Swisher, and Cochran in Texas and Curry County in New Mexico.

## INVESTMENT IN PROFIT

How much return would you expect from an investment in machinery? If your money could earn 10 percent, would that appeal to you?

It WILL earn that much—and possibly more—when you install a Chrysler or G. M. Diesel Vertical Engine Application on your irrigation well. We sell and service these units. Permit us to show you how they increase efficiency.

**WESTERN MACHINERY CO.**  
2ND & MITCHELL CLOVIS, N. M.

**COTTON COMING IN**—This scene is repeated all across the Plains this week as harvest rolls along. Some machine stripping is being done, but the bulk of the crop is being gathered in this manner. The rain slowed harvest but a few days.

## THE PARMER FARMER

Farmers are often accused of griping about the weather no matter what happens, but so far, we haven't run into one who is truly displeased that it rained last week.

Our area, which picked up pretty good showers generally, was especially fortunate in not having the heavy hail that hit the eastern and southern parts of the Texas Panhandle.

If you don't especially enjoy life, we would issue the grim reminder that this is a good time of year to get yourself killed. The rush of harvest, which brings men and machines in contact too closely sometimes, will take its toll just as surely as winter will come.

Every farmer knows the hazards of handling powerful, modern farm machinery, even when it is in good repair. The danger increases as patience and caution are too often discarded in favor of speed to get the crop in.

It's a poor bargain to trade one of your arms or a leg, or perhaps even your life, for the few minutes you might save. Be careful with that machinery.

### OFFICERS TO BE ELECTED

New officers will be elected at the next meeting of the Lazbuddie Farmer's Union which will be held in the auditorium Monday, October 29 at 8 p.m. Delegates to the state convention in Abilene in December will also be elected according to Wyle Bullock, secretary.

The USDA has released a list of 23 varieties of wheat which are classed as undesirable because of inferior milling or baking qualities. They will be discounted 20 cents per bushel in price-support rates on the 1957 wheat crop.

### Sub About To Expire?

**NEWS FROM THE FARM BUREAU**  
By RAYMOND EULER

American Farm Bureau is checking into the possible application of the Anti-Racketeering Act to relieve such practices as the following: Farmers and other haulers of fruits, vegetables, and other farm products have been compelled to pay an unloading charge at the receiving point, even though the driver of the vehicle would prefer to unload himself or actually does so.

We can consider ourselves fortunate to live in a rural area where such things don't happen. It does,

nevertheless, behoove us to be concerned that such things are happening, and to foresee and be alert to avoiding their coming to us.

Albert Gore, Democrat Senator from Tennessee, was caught between the devil and the deep blue sea Sunday evening, when he appeared before Monitor's Meet the Press reporters, to discuss the significance of Russia's apparent endorsement of his party's proposal to discontinue certain bomb tests. Gore's sincerity and honesty were evident even under the strain of the embarrassing situation in which he found himself. We have been well impressed with this outstanding young Senator in many ways, having heard him as banquet speaker at Texas Farm Bureau Conventions in 1952 and 1955. He is a believer in State's Rights, which right now is of great importance to every American.

CONSIDER THIS: He that rebuketh a man, afterward shall find more favor than he that flattereth with the tongue. Proverbs 28:23.

### Doleful Senators Due Shock When Ike Wins, Fears Doc

One of the strongest Eisenhower men in our town is Doc Brown. Doc says he just can't put up with Stevenson's socialized medicine program; there are a lot of other things he doesn't like about Adlai, but that one is enough for him, he says. Doc is a pretty outspoken cuss, but he's a good doctor. At least, he's the best one in town, being the only one, and our people always call him when they get sick whether they like his politics or not.

The other day several of us were standing around in front of the post office, talking politics—some Eisenhower men and some for Stevenson—when Doc walked up looking glum. One of the Stevenson men said: "Hey, Doc, what's the trouble, did Ike just call you in some bad news?"

Doc Brown said no, he hadn't heard from Ike this week, but he was worried.

"Not about Ike, you understand," he told the Stevenson fellow. "Ike has got it made. Even the Stevenson people are beginning to admit that. Poor old Adlai isn't going to get any farther in this race than he could throw Kefauver's coonskin cap with the tail cut off."

"The ones I am worried about are these out-of-state senators who are coming down here to Texas to tell us how to vote. I sure feel sorry for those boys. It must be tough to face life with their attitude."

"To hear them tell it, this country is in a terrible shape. All the farmers are starving, all

Twelve girls who are voice students of Mrs. Eva Miller will be on Cotton John's television show this Saturday at 5 p. m. The girls who call themselves the Treblaes were invited to appear on the show after some of their fans wrote to Cotton John. The girls are Lila Gay Buske, Betty Agee, Luann Hardesty, Johnnie Hand, Eva Thomas, Lavon Fleming, Linda Gee, Jacquelyn Magness, Phila May Buske, Nancy Outland, Janice Miller, and Doris McFarland.

— PCIC —

The ladies of the Methodist Church had a shower for the church kitchen recently. Worked out very well too, because the ladies also sent out word of what the kitchen needed.

— PCIC —

If you haven't seen the new "400" tractor at work you are in for a pleasant surprise. See and drive it in your own field and you will be convinced it is the tractor you need for all your farming operations.

— PCIC —

Lots of new homes being built in the country. We drive around and are always surprised there's a new home where there was nothing. One new one to be started soon is the home of Billy Dean and Lillie Mae Baxter. The Baxters live south and west of Friona in the Hub community.

— PCIC —

If you have a fancy, old iron or brass bed headboard stored away—we know someone who'd buy it.

— PCIC —

Cars were stopping and people were peering out windows as the circus left town a muddy Thursday morning. The steep bar ditch was proving an unconquerable obstacle for the big, heavy trucks and long trailers. So "Tricks," the huge elephant, lumbered out, was hitched to each vehicle as it got stuck, put his big foot forward and moved each onto the pavement. Took about two hours, but he did it. Such power!

— PCIC —

Plows—both disc or moldboard, roll-over and round type. Call for a demonstration.

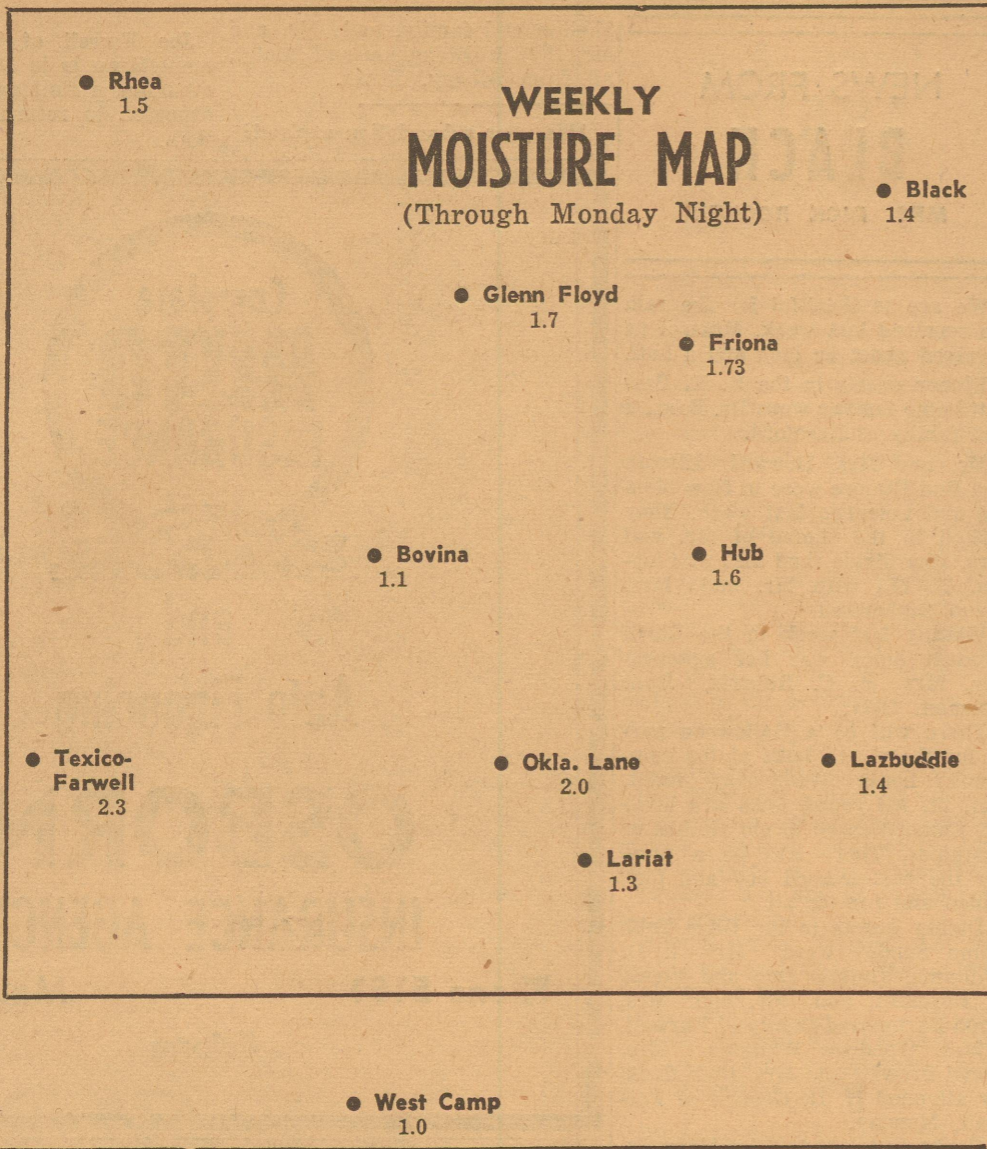

— PCIC —

Speaking of the crab grass, which everyone seems to have, we heard this on TV—the only sure thing that cures crab grass is concrete.

There will be a parts man on duty at the Parmer County Implement Company every Sunday afternoon until harvest is over. If the store is closed, call 3051 or 5121.

(Pol. adv. paid for by Texas Democrats for Eisenhower, Weldon Hart, Director)

said we must build up and maintain our military strength, and concluded his speech by saying "Put our faith in the Lord, and keep our powder dry."

Wednesday afternoon the states' reports were concluded, and the election of the new National officers was carried out. Since the presidents of each state were the only qualified voters, we were merely onlookers during this procedure.

Wednesday night concluded the national meeting with a banquet at the Gunther Hotel, with Mrs. Oveta Culp Hobby as the main speaker. She was an excellent speaker, and held the audience's undivided attention the length of her talk. It concerned the role women play today as compared with the one they played in years past.

Thursday night the state convention was begun. It seemed rather pale in comparison with the national meeting, and we crowded a lot of work into the short time left us. The election of the new officers was the main item on the agenda, and we were very happy that our own district vice-president, Mrs. Melton McGehee of Wayside, Texas, was elected the new treasurer. She is a very charming woman to meet, and has been active in HD work for many years.

Friday started with a meeting at 8 a. m. Officers' reports were given, and several new resolutions were voted on, among them the resolution that the 4-H creed include "and my God" at the conclusion.

There were 793 present for the state, and 2221 for national meetings.

Friday afternoon we attended the various workshops, each delegate attending one, where we were given instruction on work to be taken back for our own clubs to accomplish the next year. My own workshop was on citizenship, where two speakers talked on Amendment No. 3 which we will vote on in November.

It amazed me that no more publicity had been given this amendment than had, as important as it evidently is. It concerns the state supported schools and the increased number of students that are going to overwhelm them in the coming years if this amendment is not passed. The schools get their funds only from the interest received from government and state bonds bought from the permanent fund which cannot be spent in any other way.

If passed, this amendment provides for the investment of this permanent fund in common stocks also, which will give a greater return. It also permits the board of directors at A. and M. to allocate funds for agriculture extension service.

The speaker stated that the board may—and he stressed that "may" allocate funds for permanent 4-H club installations all over the state. He also stated that unless this amendment is passed, we will either have to pay a whole lot more in state taxes, or only the more brilliant of our kids will be permitted in the schools—it will be impossible to accommodate all of them. The speaker was E. L. Angel, who is assistant chancellor at A&M.

Friday night we attended the installation of the officers, then went to our rooms and packed. We were supposed to leave at 6:30 the next morning, and believe me, we were all ready to get home. We left at 7 and pulled into Amarillo about 6:15. I wouldn't take a mil-

lion for this experience, and I would like to publicly thank all the HD members in the county who made it possible by paying our expenses.

**THE H. D. AGENT'S CORNER**

Jimmie Lou Wainscott

All of us have our favorite cake, but I believe if a poll were taken, chocolate cake would be way up on the list.

I helped judge the Castro County Fair during September. The blue ribbon cake was a German Chocolate cake that was "just out of this world." I finally got the recipe. It's pure calories, but one nice thing about it is that it freezes so nicely. In freezing cakes, place them in the freezer until frozen and then wrap in moisture-vapor proof wrapping.

**GERMAN CHOCOLATE CAKE**  
Make the filling first as it takes a long time to cook and then cool.

**FILLING:**  
4 egg yolks  
1 1/4 cups sugar  
1 cup coconut  
3/4 cup chopped pecans  
1 pt. whipping cream (not whipped)  
1/2 stick butter  
Mix all together and cook until thick (this takes a long time). Let cool before icing cake.

**CAKE:**  
2 cups sugar  
1 cup Crisco  
1 cup buttermilk  
4 egg yolks  
2 1/2 cups flour  
1/3 teaspoon salt  
1 teaspoon soda  
1 teaspoon vanilla  
4 egg whites (beaten stiff)  
1 box Baker's German Chocolate (this is a small thin package with 18 squares), dissolved in 1/2 cup hot water.

Dissolve soda in 1/4 cup buttermilk. Beat sugar, Crisco and egg yolks together. Add buttermilk, flour, soda and chocolate. Beat well and fold in beaten egg whites. Makes 4 big layers. Bake at 350 degrees. Icing is enough for two 2 layer cakes.

**First Light Frost Nips Growing Crops**

The first frost of the season for the Parmer County area came Sunday morning, October 21. It was so mild, however, that scarcely anyone paid any attention to it. Some cotton fields showed signs of being spotted in low places by the frost, which nipped tender leaves. The cold weather was not regarded as a thorough killing freeze, and much cotton and maize

still awaits more severe weather before harvesting can begin.

**Mrs. Looney Reports On HD Convention**

Mrs. D. C. Looney of Bovina was one of four Home Demonstration Club ladies from Parmer County who attended the state and national HD meetings in San Antonio recently. This article is a report from her that will be of interest to all Parmer County Club women.

Monday morning, September 23, I left from Amarillo on one of two chartered buses with 63 other women from District I at 7:00.

There were four of us from Parmer County: Mrs. Floyd Rector of Friona, Mrs. Dick Rocky of Black, and Mrs. L. H. Lookingbill, also from Black, besides myself. We arrived in San Antonio around 8 that night, too late for the vesper

services that marked the opening of the national convention. Dr. Imogene Bentley, dean of women, North Texas State College, was the speaker.

We four from Parmer County stayed in the St. Anthony Hotel. The headquarters for the convention were at the Gunther Hotel, although all of our meetings were held in the municipal auditorium, which was only about two blocks from all of the hotels.

The convention opened Monday morning with several speakers, among them the mayor of San Antonio who welcomed the women, and made the president of the national organization, Mrs. Homer Remsburg of Maryland, an honorary mayor of the old La Valita village in the middle of San Antonio. He also offered to take care of all traffic tickets the women received during their stay.

Before the speeches, the Texas and national flags were presented by members of the Fort Sam Houston color guard.

Monday afternoon, several tours were conducted around San Antonio. We were fortunate to have our own bus, police escort, and a native San Antonian to describe the many historical places of interest. We made several stops to visit the Alamo, San Jose Mission,

the sunken gardens, and the Buckhorn Saloon.

Monday night, the Texas women presented a pageant about Texas under the six flags. Several dances representing the countries which once ruled Texas were given by girls and boys of San Antonio who were students being instructed under the free recreational program of San Antonio.

A lot of them were Spanish dances with the kids clicking their castanets and swirling their brilliant skirts like professionals. A few members of the casts were all of three years old.

Tuesday morning, the members heard an address by Governor Shivers, who talked briefly about state government, particularly the Texas government, and the things they have accomplished the last few years and what is planned for the future, especially where our highways are concerned. Traffic safety is one of the many programs the NHDC is stressing the coming year.

Tuesday afternoon began the long series of states' reports of their activities of the previous year. Some of them were very interesting and inspiring to hear. One of the highlights of this convention to me was the opportunity to meet and talk with the ladies from far-away states.

Forty-four states were represented—not all of them are members of the NHDC—Hawaii, Puerto Rico, Alaska. The last three also are active in HD work. Alaska last year sponsored a short course for homemakers at the University of Alaska. The ladies stayed on the campus and went to school for a short period.

Wednesday morning, we heard an address by Congressman Omar Burleson, who stressed the importance of America taking part of foreign trade, as 9 of our 15 basic items must be imported. He

NEWS FROM

**RHEA**

By GLADYS DEAN

**Pilgrim Fellowship Has Evening in Clovis**

The Pilgrim Fellowship of the Friona Congregational Church went to Clovis Sunday evening for

its monthly party. They were accompanied by Rev. and Mrs. C. G. Nelson.

Those going were Karen and Phyllis Treider; Kay, Billie Rae, and Ann McKee; Bill Nazworth, Pat Cranfill, Jimmy Patton, Gladys Dean, Donny Spring, Lindy Dean, and Mr. and Mrs. Don Green.

Mr. and Mrs. Billy Sifford became parents of a baby boy in the Farmer County Community Hospital Friday. He weighed 6 lbs. 13 oz. and was named Kenneth Lewis. Grandparents are Mr. and Mrs.

Herman Sifford of Umbarger and Mr. and Mrs. Elmo Dean of the Rhea community.

Mrs. Malinda Schlenker is his maternal great-grandmother and Mrs. Charles Schlenker is a great-grandmother.

Mr. and Mrs. Herman Sifford, Lee, Wayne, Peggy and Mary of Umbarger spent Saturday in the Billy Sifford home.

Mr. and Mrs. Franklin Bauer and children were Thursday visitors in the home of Mr. and Mrs. Ervin Bauer of Canyon.

Mrs. Franklin Bauer was hostess to the Ladies Aid of the Lutheran Church Friday evening.

Sunday visitors in the home of Mr. and Mrs. Charlie Calaway were Mr. and Mrs. Paul Jones and Randy, Mr. and Mrs. Robert Calaway and James Lee, and Mr. and Mrs. Bobby Calaway and son, all of Bovina.

Mr. and Mrs. Franklin Bauer and family visited with Mr. and Mrs. Raymond Schueler and family Sunday evening.

Mrs. Malinda Schlenker and Mrs. Johnny Miller and Malinda Ann visited Mrs. Charlie Calaway Monday afternoon.

Mr. and Mrs. Carl Schlenker, Mrs. Charles Schlenker and Mrs. Elmo Dean, Gladys and Lindy were Sunday dinner guests in the home of Mrs. Malinda Schlenker.

Mr. and Mrs. Johnny Miller and Malinda Ann spent Sunday with Mrs. Miller's parents, Mr. and Mrs. A. G. Whitten in Friona.

Mr. and Mrs. Franklin Bauer visited with Mr. and Mrs. Herman Schueler Sunday.

Mr. and Mrs. Walter Schueler spent Sunday with her parents, Mr. and Mrs. E. O. Woolover at Sudan.

Mrs. Robert Schueler spent Sunday afternoon with Mr. and Mrs. Raymond Schueler and children.

Barbara Hasner of Bovina spent Sunday night with Gladys Dean.

Mr. and Mrs. Charlie Calaway returned home Monday afternoon after spending two weeks at Truth or Consequences, N. M.

Mr. and Mrs. Bill Denney and family of Bovina visited in the home of Mr. and Mrs. Billy Alderson Sunday.

Mrs. Malinda Schlenker spent Sunday with Mr. and Mrs. George Treider and family of Friona.

Mrs. Johnny Miller and Mrs. Billy Sifford spent Monday afternoon visiting with Mrs. Troy Young and baby daughter.

Raymond Cook, Friona high school principal, is attending a meeting of secondary school principals at San Antonio this week. He is Friona's only representative.

NEWS FROM  
**BLACK**

MRS. DICK ROCKEY

We are so thankful for the rain we received last week. Most of us received about an inch and a half.

Dinner guests in the R. E. Barnett home Sunday were Dr. Barnett and family of Hereford.

Mr. and Mrs. Howard Elmore and Bud Elmore were in New Mexico and Colorado last week. They visited in the home of Mr. and Mrs. Roy Slagle, and also at Clayton, N. M., with Mr. and Mrs. Claud Rutherford.

Visiting last week in the Lloyd Prewett home was her sister-in-law, Mrs. R. C. Roberts, from Norman, Okla.

There will be a Halloween party for the young folks at the community house Wednesday night, Oct. 31. All young folks are invited. Come dressed in old clothes or costumes. There will be a prize for the best-dressed boy and girl. Bingo and fun for all.

Dinner guests in the Giles Cobb home Sunday were Mrs. I. D. Williams, Jimmie Don and Vickie of Hereford, and Mr. and Mrs. Fred Barton and family of Farwell.

Mrs. Woodrow Whitaker, Mrs. Lloyd Prewett and Mrs. Dick Rockey attended H. D. Council at Farwell, Monday.

Congratulations to Miss Mary Tatum and Jerry Houlette, who were united in marriage Saturday, Oct. 20, at the First Baptist Church in Clovis.

Visiting in the Lester Dean home last week were his brother and wife, Mr. and Mrs. Elmer Dean from Rock Springs, also his parents, Mr. and Mrs. S. B. Dean of Muleshoe.

Mr. and Mrs. Fred Dennis and Julia spent Sunday at Lubbock visiting relatives and friends.

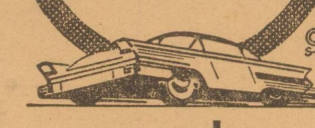

Visiting last weekend in the Ellis Tatum home were Mrs. Mollie Dillingham and Joe, Mrs. Dick

Shelton and family, and Mr. and Mrs. Frank Dillingham and family, all from Albany, Texas.

Joe Ferrell of Ware's Department Store is in Dallas this week attending a clothing market. He is expected to return today (Thursday).
