THE ANNUAL TERRY COUNTY BOYS CLUB CALF SHOW TO BE HELD APRIL 14TH

At a recent meeting of the Junior Chamber of Commerce, the show committee reported on tentative plans for the annual Terry County Boys Club Calf Show and plans were approved by the membership of the club. 4-H and FFA boys have on feed 82 head of steers and 15 heifers for the coming show. Agricultural officials indicate that probably 80 or 85 head of these would be shown by their owners. The slogan of the Junior Chamber of Commerce in sponsoring the coming dry lot feeder show is "Every exhibitor a winner, every winner a future commercial feeder." Every boy showing will receive cash or other awards in keeping with his achievement from the liberal premium money, and awards offered as inducement by the Jaycees. Fat steers grading choice will bring their exhibitors an award of \$5 a head and ribbon. Those grading common, \$2 a head and ribbon. Registered gilts will be awarded the three ranking exhibitors in the heifer class. (Note: To assure spreading of gilt awards, the show regulations provide that in the event a winner should place more than one heifer in award placings, the gilt shall be passed on to the next ranking exhibitor.) A \$2 cash premium is to be awarded to each heifer in qualifying for a gilt award, also, ribbons go to the first five placings in the heifer class. The "Over-all Champion Feeder" award of \$7.50 and ribbon will be made to the exhibitor whose records show made the most economical gain with his feeding demonstration. \$5 and \$2.50 respectively for 2nd and 3rd placings. (Note: To qualify for Champion Feeder awards, the club member must place one or more animals in the choice classing of steers or in the high five placing on heifers.) An award of a ribbon and \$5 cash will be made to the club member designated by the judge of the show as "Best Showman." Second and third places will be awarded \$2.50 and \$1 respectively. Mr. Ray C. Mowery, Associate Professor of Animal Husbandry of Texas Tech, has again been selected to judge the Brownfield show. This show has been one of the outstanding shows in the State of Texas in the sponsoring of dry lot feeding of beef cattle by club boys. The award of first place in agricultural achievement was received by the Brownfield Junior Chamber of Commerce from the Texas Junior Chamber and a large gold loving cup trophy has been exhibited locally by members of the Junior Chamber of Commerce which they received in recognition last year. The Junior Chamber hopes to again gain such recognition through its sponsorship of the boys club show. A. L. Hartzog, Co-Super-

intendent, said in giving this news release that other features of the show would be announced as they developed at a later date through the sponsorship of J. V. Burnett, President of the local Junior Chamber.

JAYCEES REPORT ON PLAN FOR SHOW

1. PUBLICITY AND SIGNS
The show committee suggests that since show visitors may not fully understand the far reaching objectives of a commercial dry lot show, that the Jaycees design a suitable sign and erect it at a desirable point on the ground. The sign must briefly point out that the Jaycees sponsor this type of show with the specific objective of: "Ever Exhibitor a Winner—Every Winner a Future Commercial Feeder." A list of awards might be posted nearby in addition to having printed catalogues so that all may see that local boys are sharing (Continued on Back Page)

County Clerk Has A New Deputy

Miss Helen Jenkins has accepted position as deputy, with H. M. Pyeatt, County Clerk, taking the place of Miss Madeline Hough, who has served for the past year.

Grand Jury Returns Seven Bills at Session

The grand jury wasted no time in its session last Thursday. After hearing many witnesses, they returned seven bills of indictment for felonies. Three of them named three Mexicans jointly, in burglarizing two farm homes in the south part of the county. They were apprehended some time ago at Lamesa, and charged with Plains-wide series of thefts.

Staff Sgt. Charles Bevers Awarded Bronze Star

15TH AAF IN ITALY.—S/Sgt. Charles J. Beaver of Brownfield, Texas, has been awarded a Bronze Star Medal by order of Major Gen. Nathan F. Wining, commander of the 15th AAF in Italy. The award, one of the newest U. S. Medals authorized by the President for military personnel, was made recently at a ceremony in which Brig. Gen. Charles W. Lawrence, wing commander, officiated.

Sgt. Beaver, head of his squadron supply section, was cited for "meritorious achievement in connection with military operations against the enemy."

Farm Bureau Banquets Members and Guests

The local Terry county Farm Bureau staged a banquet barbecue at the Legion Hall Friday night for its members, families and guests. H. R. Winston was toastmaster, Geo. W. Neill made a short talk, and W. R. Tilson, District Director, principal speaker, explained objectives of the organization.

Mr. and Mrs. Vergil Bynum, Mrs. L. E. Robinson Jr., and Misses Betty Bynum and Christine McDuffie, spent the weekend in Norman, Okla., visiting with Jack Bynum, S 2/C.

S. Sgt. Perkins Wears That Big Pile of Cotton in Brownfield Silver Battle Star

AT A 12 AAF P-47 BASE IN ITALY: Staff Sgt. Champ C. Perkins, son of Mrs. Mollie Perkins, of Brownfield, Texas, now wears a Silver Battle Star on

his theater ribbon, denoting participation in five major campaigns. They are the Tunisian, Sicilian, two phases of the Italian and the invasion of Southern France.

He is with a veteran-fighter group of the 12th Air Force, now dive-bombing and strafing the enemy military installations in the Po Valley.

His organization holds the War Department Unit Citation for outstanding performance of duty. Overseas more than 27 months, Sgt. Perkins has served throughout North Africa, Sardinia, Corsica and Italy as a crew chief on P-39 Airacobras and P-47 Thunderbolts.

Sergeant Perkins enlisted in the Air Corps December, 1941, and was assigned to the aircraft mechanical school at Chanute Field, Ill., from which he was graduated as qualified aircraft mechanic in May, 1942. He received further training at the Bell Aircraft Co., and at Harding Field, La., before embarking for overseas duty.

Many Tired Fighting Men Get Furloughs

All of us are tickled to begin to see those tired, fighting men, who have spent many months on the battle lines, where each minute might mean the last. Where they are always under strain, and had to guard each movement and each step. Such a condition is nerve racking, and all of us are glad to see these weary and sometime scared veterans, begin to come home for rest, and a change of scene.

Among such is Pfc. John W. Cox, son of Mrs. Mary J. Cox, of this city, who recently returned from a 28 month seige overseas to Fort Bliss, where he was given leave to visit his mother.

Velmer R. Gressett in Fighting 6th Army

6th Army Group, France.—High in the French Alps along the Franca-Italian border, a Field Artillery Battalion of the 44th Anti-Aircraft Brigade—part of Lt. Gen. Jacob L. Devers' 6th Army group—is waging a relentless duel with enemy guns. From forward observation posts on lofty crags, artillery observers can literally look down the German throats, attesting to the pinpoint accuracy of the battalion's firing.

Today, it is giving active support to the infantry by laying harassing fire on the enemy, directing rounds against hostile personnel, vehicles, pillboxes, buildings, mortar and artillery emplacements.

Among the local boys who are keeping a large body of krauts in hot water on that front are Velmer R. Gressett.

Mr. and Mrs. Paul Hardwick of Lubbock, visited the Dick McDuffie's Sunday. Mr. and Mrs. Dudley Repp, of Lubbock, and Dudley Jr., of New Mexico Military Institute, Roswell, visited in the McDuffie home Saturday.

That Big Pile of Cotton in Brownfield

Some weeks ago, this paper stated that there was more cotton stored in warehouses and on the ground here than any other town in Texas, perhaps with the exception of the ports. Sunday we did just a bit of driving to check up on this huge lot of cotton, which is perhaps around 50,000 bales at this time.

For month, all that vacant property along north and east the compress and its many huge warehouses, has been covered with thousands of cotton bales. It is presumed that the warehouses have compressed cotton stored in them. Later, a large field along the Santa Fe tracks on the Level-land highway was covered, and of later, we have been seeing cotton across the lane north of the Magnolia Production depot and warehouses, and south of the West Texas Cottonoil Co.

This is the portion we visited Sunday. We just wanted to see how far east of the Lubbock highway this cotton extended, and drove down the lane toward the old Bynum home. The rows of cotton several hundred feet north and south, extended the quarter of mile to the old Bynum property. Of course the rows are not crowded that far. But there will be a number of rows, then a skip of 50 or 75 feet to the next to avoid fire hazards.

To say the least, this pile of cotton bales, end up, is more cotton than we ever saw before, anywhere. And while we are at it, Arnett Bynum has some of the biggest hogs we ever saw. They were grazing in a pasture and looked more like a bunch of cattle than hogs.

Raising Walnuts on J. J. Gaston Farm

College Station, March 3.—Trees from a shelterbelt may increase the income of a Terry County farmer by becoming foster parents to English walnuts.

Three years ago, says County Agricultural Agent A. L. Hartzog, J. J. Gaston, for several years an Extension Service farm demonstrator, budded English walnuts on native black walnut trees and obtained what the county Agent describes as "phenomenal growth." The trees produced heavily the second year after budding, but on account of unsuitable weather the crop of nuts were light in 1944. But Mr. Gaston is so well pleased with the experiment that he plans to bud an additional 12 trees this year.

The new trees which will also be black walnuts, will be planted from a fourth year shelterbelt now in the process of being thinned. The owner is giving away trees to anyone who will dig them up, Hartzog says.

Sgt. Scales Sends Herald India Paper

We have just received a copy of the CBI Roundup, the initials CBI standing for China, Burma, India. The sender was Sgt. Malcolm Scales, of this county, who is now located in that area. We found many things of interest in this area army paper. The place of publication was given as Delhi, India.

Much of the comment was rather rich, and there was a raft of pictures from the USA. One showed Henry Wallace who had replaced Jesse Jones, Houston, fired by FDR, to make room for a man "who worked for the ticket."

The date of the paper was Jan. 25, and what they did not know there at that date, was that the US Senate would take nearly all the plums from the Pudding of the Commerce Department before turning the place over to shall we say—a rather radical gentleman in some ways, howbeit, an honest, conscientious one.

T/5 Cpl. Frank B. Cox, of El Paso, was home on a three day pass to see his brother, who has been overseas, Pfc. John Cox and also his mother, Mrs. Mary Cox, of this city.

Two Prisoners Taken To the Penitentiary

Sheriff Joe B. Price with special guard, Oden Miller, took two colored men, Wade (Cadillac) Coleman, and Lonzo Williams, to the Huntsville penitentiary, Friday.

Both men were convicted last September. Coleman, sentenced to twenty years for the murder of another colored man, in the north part of Brownfield, late in 1943, and Williams was given two years for local burglary and theft.

While at the penitentiary, Joe witnessed the electrocution of a colored man, who had been sentenced to death for slaying an officer. Joe says that while it is about a quick and humane death as possible to inflict upon a human, he doesn't care to see another.

Pfc. John W. Cox Here on Furlough

Pfc. John W. Cox, who has been in Alaska and the Aleutian Islands 22 months, arrived here Friday morning to spend a 30 day furlough visiting his mother and family, Mrs. Mary J. Cox, of 413 South 5th. His wife Mrs. Billy Cox of Tulsa, met him here Friday night. They will visit relatives and friends in Tulsa, Clarendon and Amarillo, during his stay. Cox serving with the Quartermaster and wearing one Battle Star, will report back to Gainsville, Texas, for 6 weeks training.

He has four brothers who have and are serving their country. They are: T/5 Jack P. Cox, tank division, who is now in a hospital in England, recovering from a leg wound received on Dec. 24th, T/5 Frank B. Cox Jr., who is in the medical detachment, stationed at William Beaumont hospital, in El Paso, Texas, EM 2/C J. R. Cox, who received medical discharge from the navy, and Gofford Cox, before the war in 1940. Prior to entering the service Cox was engaged in farming.

Lions to Sponsor Old Clothes Campaign

At their weekly luncheon Wednesday, the local Lion's club will sponsor the campaign now going on in the nation to gather up old clothes, which, after being cleaned by local tailors, several of whom have offered to do so, will be shipped the needy in war devastated Europe.

PRAIRIE DOG POISON ON HAND

County authorities announce they have 800 pounds of prairie dog poison on hand to be sold to residents at 10 cents per pound, and point out that the season is at hand to eliminate this pest. Those desiring may see Mr. Parks, the janitor at the Court house.

Red Cross Drive Gets Under Way

At a meeting of the local chairmen of the Red Cross drive for Terry county, held at the County Judge's office, Tuesday, committeemen were appointed for each precinct, to solicit and receive donations.

Some apathy was felt at the tardiness so far shown, but it was hoped that many are ready to donate to this worthy cause, as soon as they find who is to receive it. For Terry county to fall down on its very moderate quota, is unthinkable. Terry county has too many boys on the battlefronts, in hospitals, prisoners in enemy camps, that only the Red Cross can reach, for us in our civil ease and plenty, to overlook. It matters not who gave them birth, they are the sons of Terry now. The war is faster, bigger and more furious now than ever. Their needs are more real and greater—they need help now—so let's respond NOW!

Authorized solicitors, both in the business section, residence, and throughout the county, will be around in a few days. Let's have our donations ready—and PLENTY!

The following were appointed by the executive committee, as precinct chairman, and they will appoint their own co-workers. No quota is named for any district, but all are asked to help with the county quota. Material will be furnished at the County Judge's office. All who will aid are asked to contact their local chairman, and begin early next week. Name of community will be identified by voting box:

- Brownfield, box 1, Mrs. L. M. Winger.
- Union, box 5, Mrs. V. D. Armstrong.
- Brownfield, box 2, Mrs. W. W. Price.
- Meadow, box 6, Mrs. John Cadenhead.
- Brownfield, box 3, Mrs. Johnnie Criswell.
- Johnson, box 7, Mrs. R. D. Jones.
- Pool, box 9, Mrs. R. H. Huddleston.
- Tokio, box 8, Mrs. D. E. Green.
- Brownfield, box 4, Mrs. Horton Howell.
- Wellman, box 10, Mrs. Elmer Edwards.
- Gomez, box 11, Mrs. Ruth Key.

New Manager Brownfield Theatres

J. H. Hotchkiss is the new manager of the three Brownfield Theatres, the Rialto, Rio and the Ritz. He, wife and two sons, Howard and Harold, ages 13 and 14, moved here Feb. 18, and are making their home at 203 East Tate Street. Mrs. Hotchkiss is employed as bookkeeper for the show houses.

Mr. and Mrs. Hotchkiss are from Big Spring, and were formerly employed by Mr. Parks, the new lessee. We welcome these new people to Brownfield.

Terry Has 4 Boys in Iwo Jima Fight

The third, fourth and fifth divisions of the Marines, are bearing the brunt of the famous and costly battle for the tiny but important island of Iwo Jima, one of the front door steps to Japan proper.

The following Terry county boys are known to be with these divisions: LeRoy Thomas, Bobby Jones, Ewell McQuarry and James Evans. Perhaps there are other names we have not learned.

Another Oil Well Test For Terry

It was announced Sunday that the Honolulu Oil Co., had made location for a 5,500 foot oil well test in northwest Terry. It is in southeast corner of section 14, Blk K, N. M. Williams, 8 miles north from Tokio, and near the Alexander extension of the Slaughter field.

A. L. Hartzog, county agent, stated this week that up to Wed. 45,634 bales of 1944 Terry county cotton had been ginned.

Commissioners and Judges of 6 Counties Had Meeting Here

Upon the invitation of Judge C. L. Lincoln, Judges and Commissioners of Gaines, Yoakum, Terry, Hockley, Cochran, and Lamb counties met in the courtroom in Brownfield Wednesday afternoon and discussed road bonds, and especially the road bond refunding laws, which was passed by each Legislature from 1932 to 1939, by which the State took .01 % gallon gasoline tax, to refund county bonds issued up to later date which took care of Middle and East Texas road bonds, but which has failed to take up bonds of several South Plains counties issued a few months later, which everyone expected the 1941 and 1942 Legislature to do. And also to oppose pending legislation sponsored by bonding companies, which would prevent commissioners from redeeming bonds sold, before their maturity, even though they can now get cheaper interest by fail.

A committee of the County Judges, with C. L. Lincoln, chairman, of above counties, with Andrews county, are to have attorneys to draw up the bill to extend the refunding law to include all road bonds issued up to Jan. 1st, 1945, thus to give west Texas equal share with East Texas.

Those attending were E. P. Bean, county Judge and Commissioners Scown and Turner of Yoakum; Commissioners Moore, Ramsey and Cocker, of Gaines; Commissioners Settle, Johnson and McNeil of Terry; R. C. Cotton and Price, of Hockley; County Judge, E. B. Holt, and Commissioners Hysinger, Coarby, Ross and Yarbough, from Lamb county. Frank Core, Bond Attorney from Houston, was also present and spoke on the bond redemption laws.

The committee of Judges will urge the Legislature to re-enact the road bond assumption law, and to defeat the capitalist sponsored bill to prevent counties from redeeming their long term bonds before maturity.

Junior C of C Had Meeting Thurs. Night

The Junior Chamber of Commerce of Brownfield, held their regular meeting Thursday night at the American Legion Hall. This live bunch of young business men will be active in progress of the town and county the coming year. A full report of this meeting and their program will be announced next issue.

W. T. McKinney, former insurance man of this city, but now in the army ordnance corps at Amarillo, was a visitor here Wednesday.

Income Tax Deadline Next Week

March 15 is the deadline for filing income tax returns, for all, except those farmers who filed early this year, including all business, professional and salaried people.

Mrs. Bennie Green received a telephone call from her only brother, Corporal Raymond Waters, Wednesday morning, telling her that he had just arrived in New York from Germany. Corporal Waters had been in the hospital the past three months.

Fire Monday totally destroyed a small dwelling in the colored section of town. It was owned by a colored woman whose husband is in the military service. The fire department responded, but it was too far to reach in time and all household effects went up in smoke and flames.

Mrs. Bob Wright and Bob Jr., and Mrs. Leslie Harvey, visited Mrs. Harvey's sister, Miss Billie Collier, in Odessa last week.

Mr. and Mrs. S. H. Holgate visited Mr. and Mrs. Barney Holgate, in Amarillo, last week end.

HERMAN L. HENDERSON PROMOTED TO TEC 4 GRADE

Herman L. Henderson, son of Mr. C. D. Henderson of Route 2, Brownfield, has just been promoted to Technician Fourth Grade, according to an announcement made by Colonel James B. Anderson, Commanding Officer of Ashburn General Hospital, McKinney, Texas.

Tec 4 Henderson has been at Ashburn for some time assigned to the Physical Therapy Clinic.

Mexican Killer a Bad Hombre

Deputy sheriff Mon Telford has received from an official friend at El Paso, the record of the Mexican suspected of killing the negress here two weeks ago. It revealed that he had a long list of minor crimes, and some not so minor, an ex-penitentiary record and several aliases. The victim was also known in the big border town.

We had our first U. S. Postal Note this week from Pfc. George W. Lane, in renewal of the Herald. In fact it was the first one we have seen. George is still able to get about, apparently.

The Rotan Advance advances the suggestion that John L. Lewis is the American Hitler. The Herald agrees that he is one of them. The other is Caesar Petrillo.

The State Press Association as well as the Panhandle Press Association have called off their 1945 conventions until further notice. The war department has advised no conventions be held this year.

Buy war bonds, and above all, keep them if you possibly can. One editor that we know suggests that the birds that sell war bonds now to buy a \$75 pencil set, are probably getting ready to endorse their PWA checks after the war.

We don't have a dime to spare for a cuppa coffee usually, but we'd give a dime to know who that old wheezy cougher was that sat near a mike while FDR was speaking to a joint session of congress. We wanted to suggest that he leave for a visit to the cloak room and hit his bottle.

South Dakota has joined up with Arkansas and Florida in a law that allows a man or woman to obtain a job in those states without the formality of first digging up dues to some labor union racketeer, before they start to work. Texas should follow suit; yea, all liberty loving states should do so.

The Donley County Leader Clarendon, suggests that all Japanese camps in USA be turned over to returned American prisoners who were held by Japs or in the death march from Bataan. Fine, Brother Estlack, and we will bet a ginger snap there would be no further talk of codding our war prisoners.

U. S. Senator Vandenberg had to be assured by FDR that he would have freedom of action at San Francisco, if he accepted a place on the delegation representing this nation. There are many things about the New Deal that we do not like; some we do.

But there is fewer things we like about the Republican party. They are, to a man, almost, narrow, partisan and sometimes downright little. If the most of them thought that they were doing something to help the Democratic party, even though it might mean that we would not have another war coming up some 20 years hence, they would risk the war to spite FDR and his administration.

The Santa Fe railroad gives out a very optimistic monthly report of crop conditions in this section of the state. The report says that good moisture has been present all fall and winter on northwest Texas wheat, that the plant is well stooled to hold against high winds, and is furnishing good pasturage to thousands of head of cattle. The outlook now is for a better crop than the bumper wheat crop last year. Going on, the report states that while last year's grain sorghum crop was the best on record in the Panhandle and south Plains, it promises to be exceeded this year probably at the expense of cotton. Grain sorghums can be harvested now largely by machinery, but cotton must depend almost wholly upon migrant labor, which is becoming more and more unsatisfactory. The acreage in sugar beets will be doubled, the report states, and the Irish potatoe crop about the same.

Two Tokioites got on the dotted line last week in quick succession, being Amos Smith and J. W. Sherrin.

Mrs. Tom Toombs called last week and stated that she had moved to Lubbock.

Seaman John A. Dumas writes that he will soon be home. Also, he sends clipping from his area paper, "The Outpost" telling the best way to get emergency leave is through the nearest Red Cross. Personally, this paper (the Herald) don't think there is any good or any easy way.

While in last week, Mrs. Bill Tison of the Meadow area, stated that a very pretty black cocker spaniel dog had taken up at the place. They have two dogs, and the owner may have this one by calling at the Tison place.

LUBBOCK AND WEST TEXAS PIONEER PASSES

Rollie Burns, 87, and a real pioneer of West Texas, having landed in this part of the state in the 80ties, passed on in the las. round-up last Friday. He had been manager of a number of ranches just under the cap, and of his own later in Lubbock county, having helped to organize that county in the gay nineties.

When the writer landed in Terry 36 years ago, Rollie, as he was known to all old timers, was running a bus line, "line car" to westerners then, from Lubbock to Plainview. But with the advent of the railroad from Plainview was the end of that business.

The writer first met Rollie about 1910, and we are not real sure, but believe he was manager of the light and power plant at Lubbock at that time. Later he served several terms as a county official, but he was always just

GOMEZ HD CLUB

The Gomez Home Demonstration club met in the home of Mrs. B. R. Lay, with the president presiding. Roll call was answered with "My favorite recipe for using canned vegetables."

Mrs. Lay served a six o'clock dinner consisting of Bean salad, grapeleaf rolls, kidby and Syrian bread, cherry pie with whipped cream and coffee. Guests were Mesdames Kenneth Hodges, K. Sears, Carter, Swain, Key, Kelley and the hostess.

Each woman in the community interested in club work, are invited to attend our meetings.

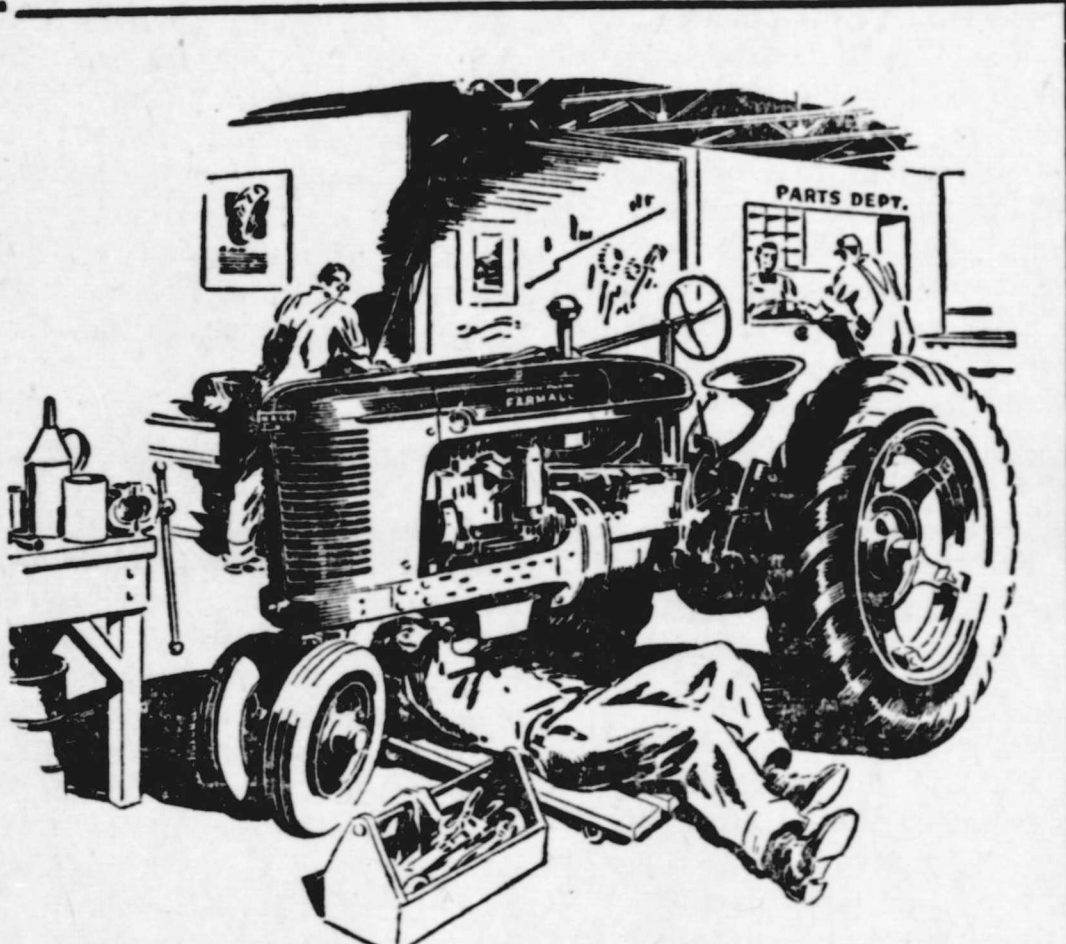

The next meeting will be at the home of Mrs. Carter, on March 9th.

Baptist Church News

The pastor of this church is preaching in a two weeks meeting for the church in Lawton, Okla., and the pulpit supply here a former pastor of the Tahoka church, Rev. George Dale will preach and a full attendance will be appreciated.

The spring revival in this church will be held by the pastor beginning Sunday March 25th, and every preparation is being made for this meeting.

The building fund is now \$6,000 and is growing fast, and if you mark your contribution for that fund it will grow faster and the annex can be constructed as soon as it will be allowed. The attendance last Sunday in the church school was 433 present in time to be counted, and the average attendance should soon exceed 500 present, out of an enrollment of 855.

Visitors are always welcome. Reporter.

Methodist Notes

"Thanks be to God for the Spirit of Liberality Manifested by Brownfield people."

The above is to be the pastors subject at the 11 o'clock services Sunday morning at the local Methodist church.

The pastor announced Sunday that this church plans to join with other Brownfield churches in observing Holy Week, March 25, April 1, for holding revival services, and expressed the hope that his people would use their influence to cancel all club, social and civic meetings, where possible, during this special week for religion and the churches.

Dr. L. N. Lipscomb is to preach and hold the second quarterly conference for the Brownfield church Sunday evening at 8 o'clock.

I know what it means
I know what it means for a war plant to plead for a vital repair part... for a wounded boy to phone his mother from a military hospital... for an expectant mother to search frantically for her doctor... for a whole town to cry out in distress when flood waters bring disaster.
These appeals are a pattern of the telephone service flowing through my finger tips. Now, when wartime brings the largest telephone traffic in history, your cooperation and understanding will help us give you better service.

Seaman Blevins Returns to Duty

Seaman 2/C Bernice W. Blevins, who has been home for quite some time while the big battle wagon, (name censored) he is on, was undergoing repairs and reconditioning at Bremerton, Wash., left Sunday. He was accompanied to Amarillo by his wife, where he obtained reservations. At the Washington port, he will again board this big ship, one of Uncle Sam's newest, for the Pacific battle area, where they now have the Japrats on the run.

Blevins has been in the service a bit over a year, nine months of which was spent in the Southwest Pacific, in Halsey's Third Fleet. He wears the American Asiatic badge with four stars representing four major engagements in which he has participated.

His wife and three children, Joan, Glenda and Leon, are making their home here.

T Sgt. Fisher Held Key Role in Push Through Lines

T/Sgt Cecil P. Fisher, Ammunition and Pioneer Platoon Sergeant, and Pfc. Darrell P. Moorhead, Rifleman, are fighting in Italy's Apennines before the Po Valley with the 362nd Infantry Regiment, which broke through the Gothic Line in one of its highest and best defended sectors. The 362nd is part of the 91st "Powder River" Division with the Fifth Army.

Their regiment broke across the Sieve River in the strongly defended line and attained the top of Mount Calvi, 2225-foot-high mountain in which the Germans had emplaced artillery in tunnels running 50 feet underground in rock.

At the entrance of one of these there had been seven enemy guns emplaced. The outfit captured 400 Germans and killed and wounded many others within 11 days during this part of the drive.

The Regiment was activated at Camp White, Oregon, August 15, 1942 with a cadre from the 1st Cavalry Division. The men trained extensively for a month at their first overseas station, Oran, Algeria, and joined the 5th Army in Italy with other regiments of the 91st during last June.

Local Paratrooper Recovering From 2nd Battle Wound

The 9th General Hospital, England.—Wounded the second time since entering France on D-Day, Corporal William E. Little, 26, of Route 4, Brownfield, Texas, is now convalescing from a mortar shrapnel wound of the right thigh at this United States Army General Hospital in England. He has been awarded the Purple Heart.

"I was guiding litter bearers to a point to where several of our wounded lay in a combat and the Jerries were shelling the area all around," he said, "One of the shells landed nearby and wounded me in the leg. Our battalion surgeon was also hit. He crawled over to me after being wounded himself to give me first aid. When there was a lull in the shelling, we were taken back to an aid station for treatment. I was evacuated to England by plane."

"Cpl. Little is making steady progress and will recover from his injury," said Major William O. Williams of Houston, Texas, his ward surgeon.

Cpl. Little is the son of Mr. and Mrs. J. Little of Brownfield, Tex., He entered the Army in March 1941, and received training at Fort Warren, Wyo., and Kelley Field, Texas.

He took part in the invasion of Sicily, and was among the first American troops to invade the Italian mainland. He also landed on the Normandy coast on D-Day. He was wounded in the right leg by a motor shell in Normandy and was hospitalized in England. He was a farmer in civil life.

Houston Norrel and Mrs. Norrell are visiting with his parents, Mr. and Mrs. R. H. Norrell. Houston is in the US Navy and is now stationed in New York. He has served 22 months in the European and Pacific areas. He was married to Miss Jeanie Balbuo of Jersey City, N. J., January 27th, and they are now on their honeymoon trip. He finished Brownfield high school in 1939, and enlisted in the navy in 1942.

Sgt. and Mrs. Lynn Nelson and baby of Lubbock, visited her parents, Mr. and Mrs. Maury Lewis, Saturday night.

Corporal George L. Jenkins left Monday to report for reassignment in Ft. Paso after visiting his father, L. M. Jenkins, and his brother, Roy and Mrs. Jenkins.

Mrs. Bill Tilson of Rt. 1, Meadow, and Roy Herod, city, have our thanks for renewals.

A Stealing Postman Most Contemptible

The most contemptible varment on earth is a postman during war times, rifles mail from soldiers overseas, addressed to their loved ones in the states. And if we had 100 guesses, we'd use 99 of them in placing most of it on those "privileged" to go through the service man's stuff in mails, to see what he is sending. In other words, the "censors."

Recently a lady in a west Texas city was supposed to get a package from her brother overseas, something perhaps that could not be purchased in the States. What did she get? The wrapper that came around the gift. That was all. Some one, somewhere, down the line got that gift for his wife, sweetheart or mistress.

The reason we say we do not believe it local riflers, is that most of them know both parties, and want to see each get what's coming to the other. Therefore, we rather place the blame on that portion of the transit that is in the hands of the army-navy.

However, we do not say that mail men never go wrong, for we had an instance several years ago of one where an orphans home was located, rifling mails for one, five and ten dollar bills that had been sent in that careless way to the home.

The bird was finally caught and is serving a nice, juicy term in the Federal pen. And those thieving servicemen in France, perhaps just one in a hundred thousand, are being placed right fast, where the dogs won't bark at them for quite a spell.

Among other renewals last week, were W. M. Coor, Rt. 5; old C. B. (Charley) Howard of Meadow Rt. 1, and F. W. Little, Rt. 1, Seagraves.

S. M. W. CLUB WILL HAVE BUSINESS MEETING

FRIENDLY

A Jack county man walked into a doctor's office in Ft. Worth, where another victim was seated. He sat down and in doing so he remarked, "I am aching from neuritis." The other old boy got up and came over and said, "I'm glad to meet you, I'm Nib Jones from Palo Pinto."—Clarendon Leader.

Santa Fe car loadings last week end were 38,028, compared to 38,901 for the same week of 1944.

G. L. Oliver, route 1, Mrs. G. W. Henson, Tokio, also H. N. Brown, Tokio, all dropped around for another year of the old hometown news dispenser, last week.

County Line HD Club Holds Meeting

Mrs. A. G. Brantley was hostess to the County Line H. D. club on Friday March 2nd, with all officers present. The meeting was called to order by the president. Members answered roll call by giving "A short cut I like in sewing."

At the completion of the opening exercises, our H. D. Agent, Mrs. Lady Clare James, now Mrs. Phillips, was presented with a gift by the club members. We were pleased to learn that she will continue to be with us as long as her husband is in service. The club unites in extending them our very best wishes.

We took up laundry problems and learned the correct methods of handling many different types of materials and garments, from Milady's dainty rayons to the farmers greasy overalls. Mrs. G. W. Henson talked on "What jobs should be done before washing," and Mrs. Meeks gave "Instructions for washing fine fabrics and woollens." Both talks were well presented and covered the subject thoroughly.

Our Agent, Mrs. Phillips, gave a demonstration on dress forms. These forms are inexpensive and would surely be a great help to each of us.

We were glad to have Mrs. Bailey, who has moved here from Whitharrel, as a new member. We feel that she will be a real asset to our community.

Two of our old members were back with us, Mrs. Jim Hunter, who has moved back in the community, and Mrs. Ellison Carson, from Wash., whom we hope will settle here.

We also had two visitors; Mrs. Elmore from Tokio, and Mrs. Harris from Brownfield. Visitors are always welcome, so bring your friends along.

Other members present were: Mesdames Ellington, Carson, Baker, Meeks, Alton Elmore, Clay Henson, G. W. Henson, Alexander and the hostess, Mrs. Brantley.

After the serving of the delicious refreshments we adjourned. The next meeting will be in the home of Mrs. Alton Elmore, Friday April 6th. Let's all be there.

Mrs. J. W. Fishback, Mrs. N. L. Mason and Mrs. Marner Price were business visitors in Lubbock, Monday.

Sgt. Marner Price of Amarillo, visited his wife and parents, Mr. and Mrs. W. W. Price, last week end.

Mr. and Mrs. Gafford Cox of Odessa, are visiting in the home of his mother, Mrs. Mary Cox, and her parents, Mr. and Mrs. Edd Crossland.

Mrs. R. B. Walls Jr., came in Saturday after visiting her grandparents, Mr. and Mrs. B. Brothers, in Glendale, Calif.

YOU GIVE TO THE WORTHIER OF CAUSES WHEN YOU GIVE TO THE AMERICAN RED CROSS

And if you should stop to ask the reason why—the answers are manifold! For this great army, your Red Cross, stretches out a hand of mercy to millions all over the world—soldiers, sailors, marines and civilians. A hand that collects millions of pints of life saving plasma . . . a hand that delivers millions of sustaining food packages to dejected allied war prisoners . . . a hand that delivers heartening emergency messages from loved ones and to loved ones . . . a hand that brings food and clothing to helpless victims of a ruthless war. Yes, this is your Red Cross that does all these things and more! For over a war-torn world its hands of compassion offers hope and comfort to wrecked souls and maimed bodies. Can an organization whose every fibre is directed at aiding and giving solace to war weary be denied? Look to your heart for the answer.

Without your generous contribution the Red Cross could not carry on its magnificent and humanitarian work. Your son, husband, brother or sweetheart would be without the plasma needed to save his life . . . without recreation that keeps up his morale . . . without important little things that bring a semblance of home into the horrors of battle. Give it a little thought, Mr. and Mrs. Citizen and let your heart write your check.

Planning Your Victory Garden

Home gardeners produced more than forty percent of the fresh vegetable supply of the nation last year, and War Food Administrator Marvin Jones urges gardeners in Texas and the other states to equal that record in 1945. Texas alone grew more than one million gardens in 1944.

A. L. Hartzog, County Agent, reminds that until the end of the war and the change-over period afterward food will continue to be vital. All food which can be grown and eaten at home relieves the strain on commercial food stocks needed for the armed forces and families which cannot produce their own.

He suggests also that in 1945 gardeners would do well to examine their past experience and endeavor to meet more nearly than ever the appetites and food preferences of their families. If any crop went to waste in past year it perhaps was because the family did not care for the product. He believes that it is good gardening to omit entirely those vegetables which were not popular or cut them down to what the family will clean up. The space saved could be used to grow others which are in demand.

A nation-wide survey by the Bureau of Agricultural Economics, USDA, showed that tomatoes were an outstanding favorite with both farm and city gardeners. Onions, lettuce and radishes were prime favorites everywhere. Snap beans, wax beans, beets, carrots and peppers were general favorites and grown almost as commonly in town as in the country. Cabbage was grown freely in town gardens and to a larger extent on farms. Lima beans and green peas likewise were popular in towns, but were grown in larger volume in country gardens. These high spots of the survey are useful as guide signs for 1945.

Hartzog believes that home planting of various types of fruit trees and small fruits, in addition to gardens, makes a desirable supplement to the food supply. This is especially true where they can be grown with a small amount of attention.

The Walter Luker's got in their renewal last week right quick after a notice that their paper had expired.

Who Owns the University of Texas

Who owns the University of Texas? Is it the people of Texas, or the Democratic party? Another silly charge is made against the Governor. The Democratic bigwigs who want to dictate the policies of the University charge that the Governor has appointed only Republicans and Texas Regulars to the Board of Regents. To keep the record straight, let it be remembered that several persons have turned down appointments which were offered by the Governor. Who were these persons? Furthermore, this charge is being made against the Governor by those who have one single idea—the re-instatement of Homer P. Rainey. So far as the Governor is concerned, his constitutional authority is based upon his selection of the persons whom he considers best fitted for the jobs on the board; and second, it is the constitutional authority of the regents to select the man best fitted to be president of the university. We are sure that the Governor is not going to stack the board of regents with men or women whom he has pledged to vote for Rainey, or to vote against Rainey. If he should do such a thing, he is constitutionally unfit to hold the office of Governor. Furthermore, any citizen of Texas who accepts a place on the board of regents and is honor bound by any political party, or any group of citizens, or any clique or clan in the state either to reinstate Rainey, or to vote against his reinstatement, is likewise constitutionally unfit to hold the office, and should not accept the appointment. The regents have asked for public opinion on the matter. The board will get a vast and conflicting response. The most vocal response comes from those who demand the re-instatement of Rainey. This may be a small per cent of the citizens, since most people are so busy trying to keep their every day vocations from sinking that they refuse to molest the regents with their opinions.—Canyon News.

Scudday HD Club

The Scudday Home Demonstration club met in the home of Mrs. A. H. Herring, Wednesday afternoon Feb. 21. Our president, Mrs. V. B. Herring did not get to attend on account of sickness.

Mrs. Rube Faught made a talk on how she was going to remodel her house and beautify her yard and Mrs. Herring gave her dewberry plants to start her orchard.

The club members planned some work to be done in the near future. Two new members were enrolled. Refreshments were served to Mesdames Rube Faught, Walter Lemmons, Olan Herring, Homer Faught, Misses Helen and Jean Lackey. Our next meeting will be with Mrs. Olan Herring, March 7th. All club members be sure and attend.

C. D. Moore, one of our fine carpenters, dropped in to renew his own paper and that going to his son, Kenneth D., GM 3/C, care P.M., San Francisco, Calif.

Prof. G. R. Day dropped in last week to get his Herald transferred to Post. He and family now live there, he being a member of the school faculty.

Mrs. C. L. Green dropped in last week to have the Herald sent to her daughter, Mrs. Earle Unger, at Canadian, Texas.

TWENTY-FOUR NEW FIRMS CHARTERED IN TEXAS

Austin, Tex., Mar. 4.—Twenty-four domestic corporations were chartered at a capitalization of \$531,000 in Texas in January, the University of Texas Bureau of Business Research reports.

In January 1944 there were 44 domestic firms chartered, at \$564,000. Twenty foreign corporations were chartered in January, and 15 in January 1943.

SIMPLIFY G. I. BILL CONGRESS SHOULD

The loan provision of Service-men's Readjustment Act of 1944 are so completely smothered up in red tape, few veterans will benefit. Regulations issued by the Veterans Administration make a book of 40,000 words. Studious bankers cannot understand it, even lawyers are confused; and the veterans themselves, like the general public, are entangled to the point of disgust. Representatives of the Veterans Administration, speaking in private say, "the thing won't work," and are themselves bogged down in the mass of technical details.

The misleading information, spread in the public prints, is not helping. There will likely be reaction in the minds of ex-service men against the banker, against the Veterans Administration, and we hope (stinkers that we are) against the politicians who passed the Act, in its present, complicated unworkable form.—The Bankers Record.

The L. A. Pritchett family have moved to Seminole.

D. B. Gordon and family have moved to Morton. Mr. Gordon recently purchased the hardware store belonging to Homer Nelson and Harold Denton, of this city.

Mrs. J. B. Vinson, that typical pioneer preacher's wife, sent down her renewal recently. Her husband, Rev. J. B. Vinson passed to the beyond several years ago, having spent his life on the frontier of west Texas and eastern New Mexico.

Mrs. J. A. Ellis or route 1, came in this week to subscribe for Herald.

It took a long time to convince many folks that a cow was not just a cow, a bull just a bull and any old kind of seed OK for planting. For many years West Texas ranchmen made a hand-to-mouth existence raising scrub cattle which feeders in the north finished for market and made the big profit. Feeders finally convinced ranchmen it would be to their interest to purchase registered bulls and bred up their cattle so they would be in greater demand for beef. And now the youngsters are learning to fatten cattle right here where the feed is raised and winters mild, and eventually West Texas will finish cattle for market as well as raise them. Pedigreed cattle have come to stay and it won't be long until farmers will come to the decision that it is just as important to plant pedigreed seed in order to raise better and more cattle.—Big Spring News.

Lee O. Allen, mayor of Tokio (Texas) and prominent west Terry and east Yoakum county gin man, dropped his dollar in the slot, last week, for another year of this old religious weekly. Mrs. Lee Walker who ran a farm near Gomez until Uncle Sam got nearly all her boys, has moved to town, renewed and is now getting her paper here in the city.

Mesdames Sam Teague, J. M. Teague and children, and Miss Alyce Clair Teague of Roswell, left Sunday to spend a week in Fort Worth.

INSPECTORS CAPTURE EIGHT ELICIT STILL

Texas Liquor Control Board Inspectors in January, reported the seizure of 8 illicit stills. Destruction of the stills with a cubic capacity of 380 gallons, prevented the potential evasion of \$8,371.00 in State taxes.

With the stills, inspectors captured 1,115 gallons of mash and 4 gallons of illicit whisky, making 9 arrests.

Three stills were taken in Harrison, and one each in San Augustine, Van Zandt, Somervell, Rains and Red River.

Dr. R. B. Parrish, formerly of Brownfield, but now residing at Hobbs, was a business visitor here Saturday.

Mrs. H. N. Bartlett left Sunday to spend several days with her son and family in Abilene.

Behind the Scenes in American Business

NEW YORK, FEB. 28.—Business observers last week were quick to note in the wartime record of retail sales an apparent substantiation of the report by public members of the National War Labor Board that there is absolutely no justification at this time for upward revision of the basic "Little Steel" wage stabilization formula.

This is the formula which limits its general wage increases to 15 per cent above the level of Jan. 1, 1941. Contrary to all previous reports by both labor and public agencies, the public members held that average straight-time hourly wages has increased 37 1-2 per cent between this date and October, 1944, while the cost of living rose only 29.4 per cent in the same period.

According to the Department of Commerce, total retail sales for the country in 1944 amounted to \$69,275,000,000, a new record and a 9 per cent increase over 1943. Retail prices, meanwhile, said the department, rose only about three per cent. This, coupled with the fact that 1944 was the sixth successive year in which retail sales have scored gains over the previous year, is considered further evidence supporting the opinion of the WLB members that the standard of living of the average American civilian is as good, if not better, than at the outset of the war.

The Gallup poll reveals that 64% of Americans feel that they have made no sacrifice during the war. The only families who have made real sacrifices are those who have lost their sons on the battlefield. True enough, all loyal Americans have had to work a little harder—but we have been paid for the extra work; we have had to go without these do not count; we have been denied some things to eat—but no one has gone hungry; we have not been privileged the fun of galivanting around on senseless trips—but staying at home is little is a good thing for all. Getting down to brass tacks, no one has suffered or sacrificed unless he has lost a son in the war.—Canyon News.

Ed Thompson was in this week to get his Avalanche up another notch and have a slight change made in the address of his son, Pvt. Jack, who is in training at Camp Roberts, Calif.

The West Texas Gas Company reports that the lowest was reached Monday, Feb. 26th, during the freeze at that time, when the temperature dropped to 24.

HOMEMAKERS CLASS HAVE LUNCHEON

The Homemakers class of the First Baptist church met Tuesday at 1 o'clock in the home of Mrs. L. A. Rhyme for a covered dish luncheon.

Business was attended and the monthly social was enjoyed after the luncheon. Mrs. J. T. Auburg is teacher of the class.

HELPERS CLASS HAVE LUNCHEON WEDNESDAY

Mrs. Robert Noble was hostess Wednesday at 12:30 o'clock with a covered dish luncheon in her home on Tahoka road, with Mrs. Carl Ray, co-hostess to the Helper's Sunday school class.

After the luncheon, Mrs. Carl Johnson, president of the class, presided with the monthly business meeting.

LOS AMEGAS MEETS WITH MRS. HARTWELL MINNICK

Mrs. Hartwell Minnick entertained the Los Amegas club with games of bridge last Thursday in her home on East Main.

Mesdames Bowman and Kendrick scored high and Mrs. Harry Cornelius won the lowest score.

Refreshments were served to Mesdames Bowman, Clovis and Spencer Kendrick, Cornelius, Latham, Stice, Collins, Tiernan, Copeland, Huckabee, Zorns, and Edwards.

Mr. and Mrs. Ed Evans of Seminole, old timers of Terry, were up Saturday shaking hands with old friends. For a number of years he managed the Union gin in this county, but last fall bought and took charge of the Seminole gin.

Pvt. James E. Buzbee is visiting his parents, Mr. and Mrs. Jim Buzbee, while on a thirty day furlough. Pvt. Buzbee returned to the States January 30, after serving 20 months in Sicily, Italy and France. He is stationed at Camp Carson, Colo., in the Army hospital, for trench foot, and will return there.

William Wade, AMM 1C, and his buddy, Leroy McMullen, AM M 1C, left Wednesday after spending a fifteen day leave with Williams parents, Mr. and Mrs. Walter Wade of Wellman. The boys are now stationed at San Diego.

Mr. and Mrs. Ray Powers and Frankie moved to Seagraves, Monday. Mr. Powers is employed at the Carbon Black plant.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

SQUARE MILK BOTTLES MAY SAVE SPACE

COLLEGE STATION.—Many homemakers have complained for years that round milk bottles waste space in home refrigerators. Now, something is being done to remedy this situation, reports Mrs. Bernice Claytor, specialist in home improvement for the A. and M. College Extension Service.

One large dairy products company is experimenting with square bottles in its fluid milk plants. If these tests prove successful, the change over is to be made as soon as practical.

Mrs. Claytor explains that an ice box that holds twelve round bottles can accommodate nineteen square ones. And milk plants estimate they might save nearly 40 per cent in cold room space. In many instances equipment for filling and washing bottles can be adjusted to take square bottles.

HINTS FOR HOME BAKERS
Whole-Wheat Rolls in Jig Time!
Make them with Fleischmann's yellow label Yeast—the only yeast with those EXTRA vitamins

SPEEDY WHEAT ROLLS
2 cups milk
2 tablespoons molasses or dark brown sugar
1 1/2 teaspoons salt
1 cake Fleischmann's Yeast
5 cups whole-wheat flour (Graham)
1 cup sifted white flour
4 tablespoons melted shortening

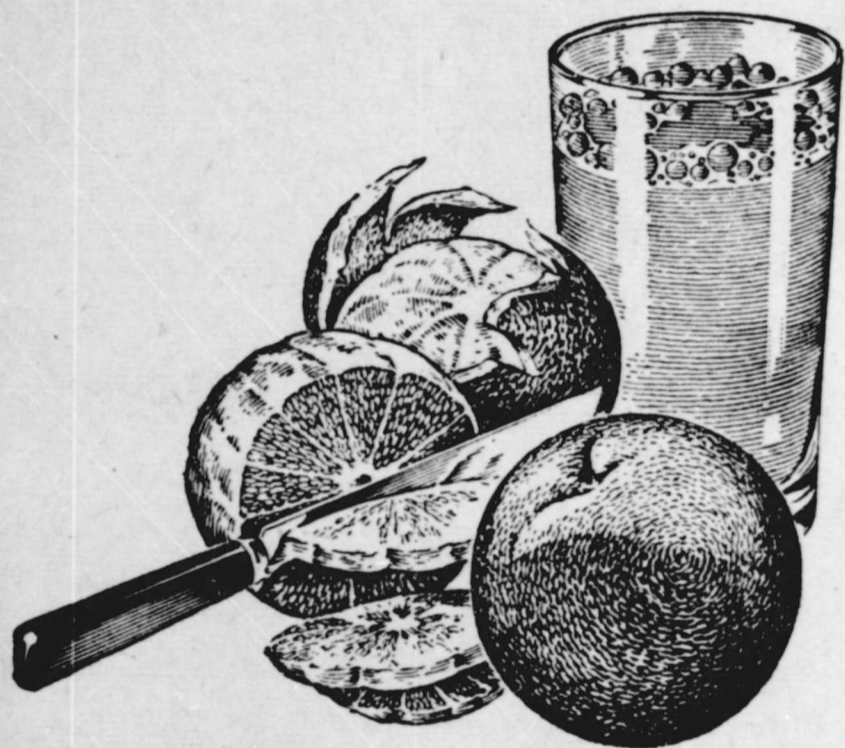

Scald milk; add molasses or sugar and salt; cool until lukewarm. Crumble in yeast and stir until dissolved. Add half the flour and beat until smooth. Add melted shortening and remaining flour, or enough to make an easily handled dough. Knead thoroughly, keeping dough soft. Place dough in greased bowl, cover and let rise in warm place, free from draft, until doubled in bulk (about 1 1/2 hours). When light, shape into rolls and place in well-greased pans. Cover and let rise again until light (about 1 hour). Bake in hot oven at 425° F. about 20 minutes. Makes 2 1/2 dozen.
