The Gay Philosopher

A FELLOW NEVER knows what's going to happen or when. For example, Mr. Melvin Sandler, son of the Charles Sanders, is beginning his second year at the University of Texas in Austin. The other day some friends wanted him to play the piano for them in an audition for Orchestra Leader Horace Heidt to hear.

SO, TO ACCOMMODATE his friends, Melvin went along a couple of nights. After he'd played the second night, the Heidt talent scout wanted to know if Melvin would maybe play a solo for him. And Melvin obliged. So the scout has invited Melvin to show up on October 16 to play for Mr. Heidt in Austin.

WINNERS IN THE audition will play on the Heidt NEC show the following night at Fort Worth. His friends here are hoping that Melvin will make the grade. And, of course, his family will be in the audience in Austin for the Heidt audition.

MELVIN IS ONE of five musicians who will appear on the program Saturday night at Gregory Gym in Austin. The winner will join other regional winners to compete for valuable prizes in the Sunday night (9:30 NBC) Heidt show.

YOUR HOME PAPER was inspected by a group of the Fort Worth boosters Tuesday morning. They found us up to our ears in ink putting the finishing touches to Mr. Roy Davis' magazine, Back in the Saddle, October issue. Some of them wanted to know why we printed with our hat on. "It's like this," we told them. "We've been thinking we'd take it off. But every time we think of it, our hands are inky. And when they're clean, we can't think of it. So..."

BEST STORY WE'VE heard in a long time has to do with a drunk aboard ship. He had just gone to bed after a big night. The steward came along and knocked on his door. "Ship's on fire, hit the deck," he shouted. "What do I care," replied the drunk, "the ship doesn't belong to me."

Registrant Can Not Enlist After Call Received

Information has been received by S-Sgt. J. O. Hendrick, NCO in charge of the Eastland Recruiting Station that Secretary of Defense James Forrestal, has announced that "A Selective Service registrant may not be accepted for voluntary enlistment after he has been notified by his local board to report for pre-induction physical and mental examination."

In view of the fact that the first calls will be sent in the very near future, it is important that those registrants interested in volunteering to go to or call their nearest recruiting office, located at 311 West Main Street in Eastland or telephone 482 immediately for full information.

Horses Bring Top Price Saturday At Rancho Del Sur Dispersal Sale

An average of \$1,000 was paid for the top ten horses in the Rancho Del Sur Palomino and Quarter Horse dispersal sale held Saturday, September 26, at the Sig Faircloth Sales Barn in Eastland, it was announced by Roy S. Davis, owner. Top price, sold for \$2,300 to W. L. Bonnell of Youngstown, Ohio.

Bonnell also was successful bidder on Fancy Little Nancy, champion yearling filly who has won first place in every show she has entered. The bidding was more active on Nancy than on any other horse shown.

The second highest price paid for a horse in the sale was by Merrick Davis of Albany who paid \$2,250 for Dorado Del Sur, two year old stallion that is slated to take many firsts in shows over the nation. He is high schooled and knows several tricks. He was trained by Zeke C. (Slim) Smith, who considers him the most intelligent horse he has attempted to train. Merrick also bought Donna Silver Queen.

A. K. Helms of Texarkana, Arkansas, was the biggest buyer at the sale. He bid successfully on 15 of the best horses. Included in his purchases were Bobby Sox, Ora Lista, Bonanza King and Cactus Jim.

Buyers from twelve states other than Texas were present at the sale. Mr. and Mrs. Lou Dickson of Cape May, New Jersey, bid successfully on three fine horses.

Local bidders who were successful in buying were Allen C. Jones, who bought one of the best brood mares and Joe Ed Gann, who plays on the Junior College Wrangler team, who bought a weaning colt from one of the top quarter horses.

El Chico Ranch of Fort Worth and Weatherford bought Davis Rondo and Rosa Rita, leading quarter mares. The distinction of traveling the longest distance to the sale went to Mrs. Norton of Alberta, Canada who was the contending bidder on Bonanza Del Sur. Mrs. Norton is one of the leading horse breeders in Canada.

Fort Worth Trade Trippers Stay In Cisco Tuesday

A delegation of Fort Worth business men and women stopped in Cisco today and spent an hour visiting with local business houses and civic leaders.

They were members of a group making a good will trip through this section of Texas. They left Fort Worth at 7:30 a.m. Monday and spent Monday night in Abilene visiting the West Texas Fair. They arrived in Cisco at 11 a.m. and stayed until noon.

Chas. F. Williams, owner of the Chas. F. Williams Co. was trip chairman. Members of the party stopping here were, and the firms represented were:

Cisco Lumber Co., Cisco Gar Corp. Win In Bowling

The Cisco Lumber & Supply Bowling squad made easy work of disposing of A. G. Motors mechanics Monday night at White's Bowling Lanes. The outcome might have been different, however, had the Motor boys been at full strength.

The Cisco Gas keggers fought to the last ditch to overcome a stubborn Hassen Dry Goods offensive which wound up by both teams shooting the same number of pins in the 3rd and final game. According to the rules, each player is required to roll an additional frame to break the tie. By a very slim margin Cisco Gas was the winner of that game, completing their four point win.

Those with 200 or better scores were: R. E. Kenney, 258-215; Guy Morris, 205; O. W. Culwell (sub.), 200; C. J. Kleiner, 221; C. E. Paul, 204.

Large Crowds At Revival Meeting

Large crowds continue to attend the revival meeting now in progress at the East Cisco Baptist church, 507 East 12th, it was reported today. Thus far there have been ten additions to the church—eight by letter; and two by baptism, the announcement said.

Due to the illness of Mr. David Green who had to return to his home in Abilene, Mr. Joe Bissett, evangelistic singer from Howard Payne College in Brownwood will take over as music director for the revival tonight, continuing through the close of this series of services, which will be next Sunday evening.

Rev. Russell Dennis, pastor of the Milwood Baptist church of Brownwood has been bringing the messages in both 10:00 a.m. and 7:30 p.m. services. The membership of the church express their appreciation for the large number of visitors who have been attending the services.

Choral Club To Be Organized At Meeting Tuesday

Fred Baumgardner today reminded those interested in organizing a mixed choral club, of the meeting tonight for the purpose of beginning the club.

The meeting is to be held in the Cisco High School auditorium at 8 p.m., he said. He urged all local singers to attend the meeting.

In addition to the choral club he plans to begin a college music appreciation course and pointed out that members will be given a certificate equivalent to three hours of college music.

Junior High Midgets Looking Good, Coaches Trying To Schedule Games

Coaches C. A. Deuschle and Tommy Tipton have about whipped their Junior High Midgets into shape and are now ready to challenge surrounding Junior High teams for games this season. Their first scheduled game is with Albany on October 14, but they are trying to find opponents for the two weeks prior to that date.

The Midgets will also play Ranger Eastland, Gorman and Risler Star, and probably others, if the games can be arranged.

The coaches started out with a green group of boys, and for three weeks have been giving them elementary training, working principally on blocking and tackling. The entire squad has developed into a hard blocking machine, and should be able to gain extra yards on each play. This week they are receiving their plays and are developing into a team.

The most outstanding boy on the squad thus far is Gary Walker who will probably fill the blocking position. Walker is one of the heaviest boys coming out, and is fast. He blocks with the determination of a veteran.

Jerry Cowing, 135 pounder at full will go for yardage every time he carries the ball. Bob Black, 108 pound tail back and Arthur Gallagher, 100 pounds, or Buddy Seabourn, 95 pounder, will probably fight it out for the other backfield starting posts.

Andy Mosely, younger brother of Paul Mosely, Wrangler star, will probably hold down the pivot position in the line and will do most of the kicking. He weighs 119 pounds. Other tentative starting line men are Harold Jones and Ray Stone at guards, Frank Cuckpepper and Mac McCauley at tackles, and Jimmy Reynolds and Irv. Brunkenhoefer at ends.

The coaches pointed out that the above was the tentative starting line-up, and that there were other boys who were playing hard and would give the first string lots of competition before the season ends. Included in the list is diminutive Max Poyner, 75 pound boy, who shows more hustle than some of his heavier team mates.

The names and weights of the squad are listed below:

Andy Mosely, 119; Harold Jones, 131; Ray Stone, 100; Frank Cuckpepper, 107; Mac McCauley, 110; Jimmy Reynolds, 122; Irv. Brunkenhoefer, 115; Gerry Walker, 125; Jerry Cowing, 135; Bob Black, 108; Arthur Gallagher, 100; Buddy Seabourn, 95; Louie Milton, 107; Donald Coplin, 113; Monte Ingram, 90; Carl Ingram, 87; Sonny Burston, 101; James Ray Thurmon, 87; Max Poyner, 75; Gerald Birt, 84; Bill Smith, 90; George Callerman, 80; Luther McCrea, 98; Rot Notgrass, 109.

Ranger Man Dies Of Burns Received In Plant Accident

Nathan P. Burnett of Ranger died in a local hospital at 9 a.m. Monday of burns sustained in an explosion at the Lone Star Gas Company, Pueblo Plant Sunday at 8:30 a.m.

According to reports the accident occurred when Burnett and fellow employees were attempting to weld a gas line at the plant. When the torch cut into the pipe there was a flash explosion which ignited Burnett's clothing burning him severely from the waist up. The other workers escaped injury.

Officials of the company stated that every precaution had been taken before cutting the line with the torch. The pipe had been filled with steam and parts of the line had been cut before the explosion occurred. Apparently there was a pocket of gas in the line and when the flame reached it the explosion resulted.

Funeral services will be conducted at 3 p.m., Wednesday at the Church of Christ with Claude P. Smith, minister of the Eastland church officiating.

Sunday Night Fire Damages Apartment In Grocery Store

A Sunday night blaze, believed to have originated from a smoldering cigarette tossed into a trash can, partially destroyed the residence interior of the Hitchcock Grocery. Fire Chief, H. O. "Andy" Anderson reported Monday.

City firemen, answering the call, extinguished the blaze before it could spread into the main section of the wood framed building, Chief Anderson stated. The blaze began in the kitchen.

Chief Anderson, who only a few weeks back warned citizens about the dangers of burning trash and dried grass, sternly cautioned motorists to halt their cars upon the sound of the fire alarm. Failure to comply with the fire ordinance is punishable by a fine, he asserted.

Revival Meeting Being Held By Assembly Of God

The Assembly of God congregation opened a revival meeting Sunday in a large tent at Avenue G and 7th Street with the Rev. Rural Newby of Breckenridge in charge of the preaching services. Services will be held each night except Saturday during the two week revival.

Rev. C. G. Fuston, pastor, has invited the general public to attend the services.

Fair Gas Exhibit Features Mexican Art And Music

A gas industry exhibit flavored with Mexican art and music will be presented during the State Fair of Texas in Dallas, October 9-24. Described as a "Fiesta of Fun" it will provide free entertainment for the entire family and a view of gas appliances that save time and labor and add to the health and comfort of the American home.

The exhibit will be housed in the air-conditioned Natural Gas Building amid a striking setting inspired by Modern Mexico. Among its features will be a giant mural (17x26 feet) portraying cordial relations existing between the United States and Mexico. This outstanding work of art was painted by Perry Nichols of Dallas, among the leading artists of the Southwest.

A preview of the exhibit will be held on the night of October 8th and a portion of the program will be broadcast by WFAA (820) from 8:30 to 9 o'clock. D. A. Huley, Lone Star Gas President, will unveil the Nichols mural. Responses will be made by R. L. Thornton, president of the State Fair of Texas, and representatives of the Texas State government and the Mexican government.

Other features of the gas company's show will be: An exhibit of five paintings by Clinton King who specializes in portraying Mexican life on canvas. The paintings are direct from Chicago where they have been exhibited by the Associated American Artists Galleries.

Alfredo Casares' Mexican orchestra in native costume and Carmencita Cebantes, vocalist, playing and singing fiesta music from a patio band stand in a setting copied from a Mexican street scene.

Three colorful all-gas kitchens faithfully reproduced from McCull's Better Homes and Gardens and Ladie Home Journal magazines.

The Natural Gas building is easily recognized by a giant flame atop a seventy-foot tower painted Mexican pink. Lounges, rest rooms and ice water will be available for the comfort of the visitors.

ABC Club To Meet At College Hall, Film To Be Shown

The first fall meeting of the ABC Club (Athletics Builds Citizens) will be assembled in the cafeteria hall on the Cisco Junior College Campus tonight at eight o'clock, president of the club Charles Burke announced. The 200 members of the organization and football enthusiasts were urged to attend the session.

As an added feature of the meeting, motion pictures of the Wrangler-Hardin-Simmons and Wrangler-Clifton football games will be shown for the first time. The films fifteen minutes each in length, are clearly visible and will be of great interest to the fans who were unable to attend the games, Burke said. Plans for filming each of the remaining games in the season, as an instructional guidance to the coaches and players and the enjoyment of the citizens, are in prospect, it was stated. Wrangler Coach Jack Everett will describe each scene of the film.

In addition to the showing of the motion picture a question box discussion will be staged. Fans who wish to put the junior college and high school coaches "on the spot," may drop their questions in the question box at the door's entrance, inquiring about any topic concerning the local teams. The questions will be read aloud and it will be up to the coaches to answer. Questions may or may not be signed.

Just as what the Athletic Club plans to offer for the football season will be discussed in tonight's meeting. One plan, of particular interest, will be the proposal to organize an active Quarterback Club, said President Burke. Many business men and civic leaders are expected to attend the meeting, first of a series.

## YOUR NATIONAL GUARD DIVISIONS CONTINUE THE OLD TRADITIONS

This is the twelfth of a series on the Infantry and Armored Divisions of the new National Guard. They are presented to acquaint you with the organization which will be an M-Day Force, trained, equipped and available for immediate service with the Regular Army in the event of any emergency.

**37th INFANTRY DIVISION—"Oldie's Own"** in two World Wars, the 37th Infantry Division of the National Guard carries on today in the old traditions. Nicknamed the "Backpack Division" in honor of the state that furnished its troops, the 37th was organized in August of 1917 for service in World War I. Its four infantry regiments—the 145th, 146th, 147th and 148th—entered the line in the Meuse-Argonne, southeast of Metz, in July 1918.

The Backpacks drove forward with the Meuse-Argonne offensive, bottled stubbornly on the St. Mihiel front, pushed ahead nearly nine miles in the Ypres-Lys drive, and still were providing the Germans with the Lorraine cross.

In late 1943 and 1944 the 37th was on Bougainville, protecting American stragglers and engaging in patrol action. Then the 37th Division attempted to push the Americans to the sea. In two weeks this drive was broken, and the 37th counted some 8,000 of the Emperor's troops dead before its guns.

Moving to the Philippines, the 37th in January of 1945 moved inland from their assault beachhead in Lingayen Gulf. Jap resistance lightened as they cleared Clark Field and Ft. Stotsenberg, but main strikes were taken in three days of average fighting. On February 4 columns of the 146th Infantry Regiment entered Manila, reached the Pasig River next day and seized Bilidid Falls to liberate some 2,000 American internees.

From Manila the Backpacks went to the hills of northern Luzon, crushing Jap positions around Baguio, at Balesia Pass and in the Cogayan Valley. They were still eliminating isolated Jap defenses when hostilities ended in August. Unit citations went to part or all of these World War II regiments—the 129th, 145th and 148th, and to the 177th Engineer Combat Battalion.

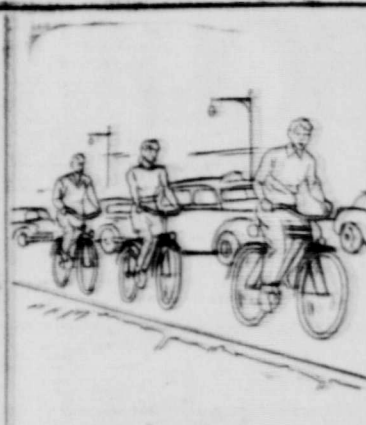

Now reorganized in the new National Guard, the postwar division includes two regiments which fought with it in both wars—the 145th and 148th—plus the 147th, which was with the 37th Division in World War I but served as a separate unit on the islands of Tonga in New Caledonia and on Guadalcanal in World War II.

DO use arm signals to warn those behind that you intend to slow down, stop or turn. Bicyclists must follow rules of road just like motorists. A 1947 bike death toll of 530 is to be cut.

DO NOT hitch to moving vehicles of any kind. This is one of the most dangerous bike stunts, takes many lives and brings countless injuries. You are in danger from every direction.

DO ride single file on the extreme right side of the road. Riding abreast or weaving in and out of traffic slows vehicles, confuses motorists and boasts chance of accident.

DO NOT carry passengers on the crossbar, handlebar or fender. Never break this rule, even for the best girl friend. Extras make bike hard to handle, is one of chief crack-up causes.

DO have a dependable headlight on front and clean reflector on rear for night riding. Risk goes up as sun goes down, so smart riders will have bike in garage by nightfall to be safe.

DO NOT ride bike on sidewalk when there are pedestrians or playing children. Dismount and walk your bicycle around them.

## E. T. THOMAS HONORED BY EMPLOYEES LAST TUESDAY

E. T. Thomas was a much surprised honoree last Tuesday evening when the employees of the Thomas Funeral Home gave a surprise picnic supper honoring him on his birthday. Mr. and Mrs. Thomas had gone to the ranch for a few hours during the afternoon and Mrs. Thomas, who had been taken into the secret of the surprise supper, kept naming the homeward trip to him. At last she got him to the car and they were soon at home.

The honoree failed to understand upon returning home why the folks had gathered there in the back yard of his home, to spread the nice meal on the table, but was able to partake of and really enjoyed the nice picnic supper and cold drinks. He was very appreciative of the honor given him by the group of friends.

Those taking part in the event were the honoree and wife, Mr. and Mrs. E. T. Thomas, C. J. Thomas Sr., father of the honoree; Mr. and Mrs. C. M. Britain, Mr. and Mrs. Odell Rains and Bobby; Mr. and Mrs. James Ed Gann.

 Merchants paying dues to any Credit Bureau, control that bureau; however, to own a Credit Bureau, the merchants would have to own the files, which would enable them to elect a new secretary at the end of one or two year periods.  
 When the files of a Credit Bureau are individually owned, as we understand they are in two instances in Cisco, the secretary cannot be changed other than by buying them out, or pushing them thru the window. Under such existing set-ups, it merely becomes a matter of inflating one individual's bank account, and deflating the other.  
 In having a Board of Directors, there is nothing to direct except something relative to money matters, and in soliciting memberships, it narrows down to the above statement.  
 A secretary has to spend money on their files whether they have one or ten members - it is expensive to operate an office, and it takes not only money, but loyalty, and co-operation on your part.  
 We appreciate our members, and we are here to serve you. Call us often.
