ormer Officers . | Donald Kent Sparks Lobo Attack In

lay Sign Up As nd Lieutenants school cagers proved, by cutting Appointment of male down Albany, 38-28, here Tues officers of any of the day night on the Community gymnasium court that the Loboe forces, as second lieutenwere a potential threat in the the regular army, is au-

in a new Department of The district "family fuss" will commence court activities here January 3 with the invasion of the Brownwood Lions.

district basketball title chase.

The Loboes opened the scoring in the first few seconds after the referee's whistle sounded, with little Donald Kent on the end of the scoring splurge. Kent, who has so far shown an "upan-coming" ability to layin long passes, nabbed highest scoring honors, sacking four field goals and three free shots for a net of 11 points. Geo. Watts was close at his heels with seven and Joe Ed Bacon and James Porter, both replacements, ran even in points

between Dec. 31, 1947 and The Loboes, who took their second win from Albany move to the Howard Payne gymnasium Thursday where they will try a Fort Worth show as well as those Burkett five in the elimination No applicant will be conrounds of the Brownwood cage

> Wiltering as time went out the Albany crew just couldn't gather enough power for a big jab, and, as the game pushed into the final phases, trailed the Loboes with a 10 point back lag.

The visitors only real threat came soon after the intermission when Watts and Ray Rylee, mainstays in the A-squad line up, fouled out. Bacon and Porter of Cisco proved capable of handling the substitution chores.

From then, the Loboes made their defense very effective and it roadster horses, walking horses was not until the last that the Albany gang wre able to work ponies will be shown Feb. 2-6. the ball in close with any sort of regularity.

A second threat, somewhat noticeable put the Albanians in position to get back into the ball game midway of the last half when Joe Swynne started flipping long field goals into the resignation of Frank basket, but Kent intervened and er of Cisco as deputy the rally was broken up.

The Lobo B-squad fell be par in the first of the evening's undertaking, 23-18, to Albany's second team, but blossomed five announsement stated that freshmen and sophomore beginners which included Robert Jackson, Dwaine Pelfrey, Left Sublett, J. C. Suggs and Donald job with Captain O. O. Watts. It was the B-team's second defeat by Albany.

starters to the sidelines due to injuries and fouls Cisco's high Fort Worth Horse Show to be Best Ever Staged There

FORT WORTH, Dec. 29. - The histroy of the Southwestern Ex position and Fat Stock Show will be staged at the 1949 exposition Jan. 28 thruogh Fep. 6, Douglas B. Mitchell horse show super intendent, predicted today.

More than 900 entries, exceed ing by 200 the number at the '4 show, are expected from a dozen or more states. Mitchell remind ed exhibitors all entries must be submitted by Jan. 5.

Mitchell listed three principal reasons for the anticipated in-

"We have added a Shetland pony division." he explained, and for the first time the show will be split into two parts, enabling exhibitors to make the at Denver and Houston.

"Another big point is that we are completely 'out of the mud.' Weatherproofed stables accomo dating more than 600 horses have been finished, adjacent sidewalks have been laid and all driving areas are poved." Horse show premiums nov

exceed a record \$26,000 Mitchell declared. He pointed out that the cutting horse contest purse of \$3,250, added to entry fees of \$840, makes it the largest cutting horse costest ever held.

Quarter horses, Palominos and hunters and jumpers will be exhibited Jan. 28 to Feb. 1. Then gaited horses, fine harness and hackney ponies and Shetland The cutting horse contest will run throughout the show.

Claude H. Yeager Re-enlists in Air **Corps as Sargent**

Claude H. Yeager, son of Mr. soil. Walter L. Yeager of Rt. 1, Cisco, was re-enlisted in the United States Air Force in the grade of sergeant at the Abilene Examining Station on December 27th, announced S-Sgt. James Hendrick, of the Eastland Army and Air Force Recruiting Station.

Sgt. Yeager served with the Air Force for two years during World War II, flying as an engineer gunner with the 8th Air Force over Europe. He rose to the the war and was separated at San Antonio on November 17, Hogg, Howard; E. E. Donaldson, parents and other relatives.

1945. In addition to the USAF Air Crewman Badge, Sgt. Yeager is entitled to wear the American Theater ribbon, ETO ribbon with 2 bronze stars, Good Conduct Medal. Air Medal with 3 bronze clusters, Distinguished Unit Badge and the World War II Victory Medal.

After enlistment at Abilene Sgt. Yeager will spend a five day leave at home with his family and will proceed to Lackland Air Force Base, San Antonio to be assigned to a unit of the Air

Mission Season

terian church for study and giv-

ing to Foreign Missions is set

for January 1-February 6. The

missionary enterprise in China

is being studied with the book,

"China-Twilight" or 'Dawn,

written by our missionary. Dr.

Frank W. Price as a background

"In China only one person in

eight hundred is a Protestant

church member, but one student

in ten is in a Christian school.

Non-Christian as well as Chris

tian schools have a wide open

door." Generalissimo Thiang Kai-

Shek, at whose name all students

spring to their feel, has said

"Taking Jesus as the pattern of

our lives and adopting His spirit

as our spirit, His life is our life,

Rev. Rohre stated, "we are in

hopes that as wt enter the New

Year that each member of our

Church will renew his vows to

the church and take a greater in-

terest in its work; unless we know

what a concern is trying to do

we cannot generate very much

interest in the concern or the

work in which it is engaged. We

here in the United States need to

be moe concerned with what

goes on in other parts of the

world, if we really want a World

Peace that will mean more than

the paper upon which the condi-

tions are written. By our becom-

ing more concerned about the

work of our Churches and our

responsibility in that work we can

do much to promote the Peace

that the first Christmas season

brought to the hearts of men who

were willing to accept the Christ

At the Sunday morning service

January 2, Rev. Rhore stated that

the regular quarterly Commun-

ion will be held. His subject for

the morning service will be

"The Consecration of Self to

God." At the evening service at

7:30 his subject will be "The Gol-

den Gates of Opportunity." "If

you have not been in the habit of

the New Year by going to God's

House of Prayer? Visitors are al-

our church," Rev. Rohre con-

ALL MIXED UP

People are not the only things that get mixed up-old mother nature also gets her wire crossed occasionally. That statement can be proven by driving by the home of Mr. and Mrs. A. R. Westfall at 308 West 8th where Texas own flower, the Bluebonnet, may be seen in full bloom. The flower, which usually blooms in the early spring, jumped the gun and blossomed

forth near the first day of In some parts of town Spirea and Japonica are also in bloom and som early shrubs are budding. The lack of a hard freeze so far this fall and winter

was given as the cause for the out-of-season flowering.

Lower Food Costs Seen in New Year By A&P President

will produce as much food in 1949 as they did during the rec- | States. ord production year of 1948, and consumers will probably pay less for it John A. Hartford, president of the Great Atlantic & Pacific Tea Company predicted

"Food prices reached their peak in July and have declined steadily since then," Mr. Hartown prices, for example, conser vative estimates indicate that butter is down an average of 24 per cent from the year's high meat and eggs are down 17 per cent, cheese 13 per cent, flour 15 pr cent, lard 29 per cent oleo margerine 15 per cent, soaps 16 per cent, and produce 10 per cent. I think they will stay down and may go even lower provid ed labor and transportation cost which constitute a large part o the retail price of food, do not get out of hand."

Mr. Hartford cited two major deflationary factors in the food price picture: continued high production and "soft" markets fewer consumer food dollars and greater competition for them

"Producers and distributors must recognize that once again let us march bravely onward towe have entered a period when ward the Cross, in our effort to the purse as well as the appetite bring about a permanent peace will determine what food, and lege cafeteria. Captain Odom, lo- among men and the revival of how much of it, people will buy." he said. "More and more consumer dollars are going into pay ments for houses, automobiles television sets and other things in short supply and Newer dol-

lars are available for food. "This means that 1949 will see keener competition for the consumer's food dollar. The entire food industry is going to place greater emphasis upon reducir costs through greater efficiency and profits will be cut all along the line."

Mr. Hartford said that a real istic approach to the food price situation called for recognition of the following facts:

People are eating 12 per cen more food than they did in the pre-war yars; People are eating more of the higher-priced food items than they did in pre-war years, particularly in the case of the lower income groups. National meat consumption, for in stance, is up an average of 15 to 20 pounds per person over pre-war levels. Food retailing is the most efficient form of retailini. Its entire share of the ronsumer's dollar, which was 25 cents fifteen years ago, is now down to 15 cents.

Food retailers' profit rate is the lowest of any retailers; ranging from 1 to 4 cents on each attending church, why not begin dollar of sales, and is already being reduced. A&P's profit rate TO BROADCAST GAME of about 1.5 cents per dollar ways welcome at the services of sales last year, for instance is substantially lower this year.

Mr. Hartford said that keene competition will not only bring prices down but will improve quality and service as well.

"Surveys teachers will leave the Texas schools during the next ten years. They will die retire, or

erated during the war years, will

ers Association officer said.

tional 4.500 teachers to replace certificates who are on a tempo all school systems were forced to

That the estimated near 23 000 new teachers is a mini figure was indicated by Walker because of Texas' then endous growth industrially

"Texas is growing industrially far more rapidly than the average person realizes, Should the state attract industry as successfully as it has during the last seven or eight years, our schools will have thousands of more pupils than any of the surveys indicate

These factors made the future of great concern, especially in Texas, Miss Walker declared, because most schools in the state are now badly overcrowded.

Injured Man Shows improvement

The condition of Morris Sauls. who was seriously injured in an automobile accident west of Cisco on U. S. Highway 30 early Tuesday morning, was reported as somewhat improved by hospital attendants today.

Sauls condition remains serious but he should improve slowly unless complications arise. He received a shoulder injury and deep lacerations about the face and neck and is suffering from shock.

The accident occured when Martin Victor, who was driving at the time of the accident, lost control when the car skidded on the wet pavement. The car rolled down a steep embankment and was badly damaged.

The traditional New Year's Day broadcast of the Cotton Bowl Game in Dallas By Humble Oil and Refining Company will go on the air at 1 p.m. Saturday. This 13th Cotton Bowl game featuring the Championship SMU team and the visiting Oregonians, will be brought to listeners over a statewide network. Kern Tips will give the play-by-play report and will be assisted by colorman Alec Chesser. The Humble broadcast may be heard over Station WFAA-829.

Mrs. Opal Hawkins has received word that her son, Herace Stevens, former Ciscoan, is ill in a Veterans' hospital in Dallas.

New Convertible From England

A striking new convertible, with many unusual features and exceptional highway performance, has just been introduced into this country by The Austin Motor Company of England. This model has a one-piece curved windshield, and visibility is so good that the driver a one-piece curved windshield, and visibility is so good that the driver can see both front fenders, making the car easier and safer to operate. Known as the "Atlantic," this new convertible has push button controls for the top and windows, a steering wheel adjustable for reach and leather upholstry. Road tests indicate that the 2,900-pound "Atlantic," with its very high compression ratio of 7.5 to 1, will go more than 90 miles an hour. It is expected that the new model will get about 22 miles per gallon of gasoline.

An International Christmas

It's hands across the Christmas tree as a symbol of international good will during the Yuletide. That good will is expressed by members of the International Club of the YMCA Hotel of Chicago as they gather for the trimming of the tree. Representatives from all over the world are listed on the club roster. Members pictured are: (clockwise) Knud Kjellund, Copenhagen, Denmark; S.C. Li, Nanking, China; Vlasta Melo, Prague, Czechoslovakia; George Francis, Springfield, Mass.; Dorothy Schaub, Decatur, Ill.; and Dr. Jose Aponte, Caborojo, Puerto Rico.

#### For Women Who Like Men Who Like Cigars

The gal who will try to reach her man's heart through a cigar humidor this Christmas can throw away her crystal ball and relax. And the 3 out of 5 men who are cigar smokers and who face the annual disappointment of the wrong cigars for Christmas can relax too.

For the first time she has some authoritative help in picking those Christmas cigars. For the Cigar Institute of America, Inc., has devised a simple set of basic rules to help the little woman pick the right cigars.

The three rules to the right cigar listed by the experts are: what blend, what size and how much. Those three clues in the hands of a good tobacconist will spell success and happiness all

As to taste - the experts suggest a medium full blend for the steady cigar smoker; a light mild blend for the occasional indulger; and a rich full bodied blend for the sophisticated after dinner

Sizes fall generally into three categories. The perfectos, full, shaped on both ends for steady smokers; the panetela shape for the young or fashion conscious smoker; and the corona for after

The experts also issue a word of warning about cost — "Money isn't everything in a cigar store"

they say. Instead they suggest that the little woman buy "him" the cigars he would most likely be able to afford for himself.

As for women and cigars—the experts have only one thing to say—Women like men. Men like
