Membership Pins Awarded To Four Lion Candidates

"Serving mankind and the rights of free people" were the principal words Clyde Karkalits, Membership chairman, outlined in an address on Lionism before the Cisco Lions Club regular Wednesday luncheon.

Officialing in a membership investiture ceremony, Lion Karkalits directed the conclusion of his speech at four candidates seeking admittance into the local Lions' movement.

Immediately following the ceremony pins were presented to the new members. The list includes Ross Griffith, C. T. Ritchey, W. A. Hollywood and W. C. McDaniels.

Ray Judia, local game warden and amateur musician, rendered several musical selections as an added feature to today's luncheon. He was introduced by Lion E. L. Jackson.

More than 47 members were present, the largest, Lion President A. R. Westfall described since his inaugural last year.

Local Officer To Aid In Observing Security Week

Lt. Col. Stuart McRohre of Cisco has been asked to cooperate in the observance of National Security Week by Major L. G. Rich, president of the Stephenville chapter of the Reserve Officers' Association, which includes officers in Eastland, Erath, Comanche, Somerville, Hood and Bosque Counties. The Stephenville chapter is sponsoring the traditional observance within its chapter area.

Major Rich said that the local observance, along with that throughout the nation and its territories and possessions would be held February 12-22.

The ROA has observed National Security Week, beginning with Lincoln's birthday and closing with Washington's birthday, each year since the passage of the National Defense Act in 1920. This will be the twenty-second annual observance, there having been no observance during the war years.

Asked to work with Major Rich and Col. Rohre were Col. Merle Joyce, Major L. A. Harrison, and Lts Charles F. Ellis, Dalworth J. Jobe, Henry G. Johnson, Richard E. Stansbury, Richard E. D. Allen and Earnest H. Reich.

Postal Receipts Register Gain During January

Postal receipts during the month of January, 1949, at the Cisco Post Office showed a big increase over the same month a year ago, according to figures released by Postmaster L. H. McCrea.

Receipts for the first month of 1949 were \$4,071.70 as compared with \$3,203.06 for January, 1948. A small part of the \$868.10 increase was due to advanced postal rates but the majority was due to a constant growth in population and business.

ADDITIONAL EQUIPMENT

Additional equipment has been received by the 961st Field Artillery unit here, but a spokesman declined to furnish any details regarding the shipment. A crate of rifles, notably carbines, were believed to have arrived, however.

Mrs. Ruth Lovelady of Dallas stopped here Wednesday for a visit with her sister in law, Mrs. Barton Philpott and family, while enroute home from Abilene.

Prominent Abilene Businessman Addressed 4th Annual Cisco Lobo Band Banquet At Country Club Saturday

Members and guests, numbering more than 125 persons, heard E. S. Stuart, prominent Abilene businessman and world traveler, recall past adventures in foreign countries as the highlight of the 4th annual high school band banquet at the Cisco Country Club Saturday evening.

As the guests entered the remodeled Country Club, a beautiful sight met their eyes. The club was decorated from ceiling to floor in chosen theme "The Mardi Gras". On the walls were numerous multi-colored masks, and on each light around the room was a Japanese lantern.

From the high chandelier to the walls draped soft colored crepe paper. On the closed balcony was painted: "Come to the Mardi Gras" and above it were two masks. Around the room were five miniature floats representing "Spring", "Autumn", "Winter", "Before and After" and "Green Hearts of Valentines". For realistic scenery, each was attached to the ceiling and floating above were balloons to complete the theme.

The banquet tables were beautifully arranged with crepe paper streamers, flowers and confetti.

Toastmaster of the evening was Rev. Richard Crews, First Christian Church minister, who commenced the affair by leading the group in "America". The invocation by Arlin Bint, Public Schools superintendent, followed the preliminaries.

The menu consisted of tomato juice cocktail, rolled roast, peas, scalloped potatoes, celery, carrots, olives, hot rolls and

cherry pie served with a choice of coffee or milk.

After the meal, Toastmaster Crews presented Carlos Turner, high school principal, with a big chunk of ice which immediately set the audience in a festive mood.

Mr. Stuart, guest speaker was then introduced, and made an interesting talk on his recent tour of Europe.

Jo Ann Scott, President of the band council, then presided over the banquet and presented Mr. and Mrs. Fred Baumgardner with a gift.

Joe Hannon of Texas University introduced the cowboy rope artist, Lloyd Mitchell, and Norma Niffen, national champion baton twirler as a second part of the announced program. Mary Curry accompanied the artists at the piano. Mitchell and Miss Niffen are members of the Hardin-Simmons Cowboy and Cowgirl band.

During the evening the cubs and freshmen were initiated into the regular ranks of the Lobo Band and Joe Hannan gave his version of "Casey at the Bat".

At the close of the gala affair, Mel Sandler, son of Mr. and Mrs. Charles Sandler, 404 West 9th Street, and Joe Hannan, both University of Texas students, dedicated to the 55-piece Lobo Band a newly composed song written by them "The Lobo Band Was Born". Its debut was applauded in earnest and was well received.

After the tables were cleared in the ball room of the Club, the group, dressed in formal attire, danced to current records.

Lobo Queens To Tackle Wrangleretts Tonight In Inter-City Squabble

Girls' sextet basketball, now the nation's craze will dominate the City Gymnasium court tonight at 7 p. m. when Coach Jack Everett's junior college Wrangleretts test the militant Lobo Queens.

Coaches Arlin Bint, taking time out from his desk duties as public schools superintendent, and Miss Fern Gurney aver, and Lobo fans who have watched the team's progress, agree that the Cisco High School team is considerably improved, and a much better team than the one that lost to Rising Star, 33-32, last week.

Since the beginning of hostilities last December, the Queens have lost each of their six encounters by 1 to 3 points, but have passed the mile stone in development.

If Nophlet Sheehan and Dorothy Harlow, forwards, set their minds to shooting goals tonight the Wrangleretts will likely find the going rough. To date the blonde headed Sheehan has paced the Queens in the scoring department, followed closely by Lometa Akers and Harlow.

On the hill, Coach Everett's girls are not to be overlooked or underestimated. The Wrangleretts have improved by leaps and bounds since the start of the season, and their latest achievement was a consolation win in the Putnam Tournament.

And Everett contends he can match his girls with any the Queens might place in marksmanship ability, especially if Margie Hinds, tallest girl, takes a notion to start "peppering" the basket. So far, Hinds is leading the Wrangleretts in individual scoring and Jeanette Akers follows.

A b-squad game will set the preliminaries off at 6:30 p. m. and the varsity clash will follow. Tickets, officials announced, will be placed on sale at the east entrance at 15c for students and 25c for adults.

Others likely to see action for the Wrangleretts include Betty Skinner, Pat Phippen, Maxine Morris and Lou Ann Jackson.

For the Queens—Ruby Hill, Montie Ray Lisenbee and Pansy Phippen.

Seeks Third Title — Tom Adams, light heavyweight champion from Hardin-Simmons, advanced to the state finals of the Golden Gloves this week when he was unopposed to his class in the Abilene Regionals. He has lost only one match in Texas and that was to Red Worley of San Angelo on a TKO. Adams advanced to the quarter finals of the national Golden Gloves last year.

John Holland, student at NTAC, Arlington, visited his friend, Joe Philpott, in Cisco over the weekend.

Dairy Group To Start Artificial Insemination Program Work Monday

The Eastland County Dairy Association's artificial insemination program will officially get under way with a meeting in the Eastland County courthouse Monday at 7:30 p. m., it was announced by A. Z. Myrick, president. Actual work on the project will begin the following day but

Monday night is the official opening time.

The date was set at a dinner and meeting of the group Monday night at the college cafeteria. J. L. Thornton, local feed manufacturer, was host to more than 50 members and guests that were present for the meeting. The officers expressed their appreciation to Mr. Thornton for the dinner.

Plans for the beginning of the insemination project will be outlined at the meeting next Monday. Harry Crow and Bernard Cambell who will be in charge of the work will be at the meeting and assist in the details. The two men will have offices in Carbondale and will be on call at all times.

They recently completed a short course at Texas Tech in Lubbock and are fully prepared to work with the officers and directors.

At the meeting in Eastland prizes totalling \$75.00 will be awarded to those who signed the most cows for the program. Refreshments will be served after the meeting.

Mr. Myrick announced that the project was starting with 500 cows but that 1,000 were expected to be signed up after 90 days.

NEW TROUBLES

New troubles cropped up for Ciscoans today as thawing water pipes and mains developed leaks as the result of near zero temperatures over the week end.

Last week, citizens were shut off from water supply for six hours due to breaks in the mains near the L. D. Norvell home, three miles north of the City.

Mrs. Mary E. Northern left today for Quannah to visit with her daughter and family before returning to her home in California. Mrs. Northern has spent the past two weeks here with her brother and wife, Mr. and Mrs. C. A. Williams of Humboldt.

Special Week Is Being Observed By Presbyterians

This week the members of the Presbyterian Church are observing the week of Prayer and Self-Denial, set aside by the General Assembly of the Church, for the study and giving to the Foreign Mission movement of the Church. Rev. Rohre stated, "that throughout our General Assembly this Sunday, February 6, the annual gifts will be made to our Foreign Mission cause. Our Church's work overseas is maintained in the Belgian Congo; in Africa; in Brazil; among the Andean Indians of Uruguay; in Portugal; in Mexico; in the Far East, including China, Korea and Japan. Most of us know the importance of our work in these fields. Some of us have been studying foreign missions this past month."

"All of us are concerned over the need of carrying the message of Christ's redeeming love to people in all nations. Our Program of Progress is built very largely around the urgency of world evangelism; that is, the necessity of taking the Church out to people, wherever they are not now reached by Christ's Gospel. It is vital to the welfare of the world's civilization that the work of restoration and advance in the mission fields be carried through with the least possible delay. The Church—our Church in this instance—has a great responsibility and at the same time, a great opportunity."

At the Sunday morning worship service, at 10:50, Rev. Rohre will speak on the subject, "What Is Your Temperature?" At the evening service, at 7:00, he will speak on the last of the series of sermons on the Text: I Corinthians 16:13. "Watch ye, stand fast in the faith, quit you like men, be strong." Rev. Rohre urged all members of the local Church to try to attend service this Sunday and to bring a real offering of thanksgiving and self-denial.

acterization in which they were cast—thus captivating her listeners and holding their attention with appreciative response throughout.

After the review, Mrs. Jones thanked Mrs. Harlan in a most gracious way and presented her a gift from the Stellar Class. Mrs. Harlan responded with a humorous story.

Following an intermission of fellowship accompanied by soft music, Mrs. Jones invited the guests to the tea table. The table was covered with an imported mediera linen cloth and centered with lovely pink rose buds in a silver bowl arranged by Mrs. Barton Philpott. These were flanked on either side by silver candelabra holding pink tapers. At each end of the table was a silver service from which Mrs. Jones, president, and Mrs. Rex Carrothers, vice-president, poured tea and coffee. Silver trays held dainty sandwiches, cakes, and nuts. Further accenting the silver theme were the white tea napkins bearing "The Stellar Class" in silver.

Assisting at the table were the arrangements committee, Mrs. Paul Woods, chairman, Mrs. Homer Ferguson, Mrs. Karl Armstrong, Mrs. Frank Brown, and Mrs. Bill Mitchum.

Numbered among the out of town guests for the afternoon was Mrs. Ruth Taylor of Brownwood, wife of the dean of Men of Howard Payne College.

Victor Hotel was the setting on last Saturday afternoon for one of the loveliest affairs of the winter social season. The event was the Book Review and tea sponsored by the Stellar Class of the First Methodist Church, recently organized by Mrs. C. P. Jones.

The richly carpeted and beautifully draped dining room with its beige leather chairs offered cozy, comfortable hospitality for the more than 100 guests who braved the ice and snow for the occasion. Soft music added an atmosphere of relaxation and enjoyment.

Guests were greeted at the door by Mrs. Claude P. Jones, president of the class, and M.S. Homer Ferguson. Admission was by ticket which had been sold by class members.

Mrs. Grady Harlan of Brownwood, the guest speaker of the occasion was beautifully gowned in an afternoon dress of black and chartreuse. She wore a lovely corsage in perfect color harmony with her costume. After being introduced by Mrs. Paul Woods, hospitality chairman of the class, she gave a delightfully refreshing review of Cleveland Amory's "The Proper Bostonians" in a most charming manner. She gave her audience an insight into the lives of the Bostonians with cleverly chosen phrases and enviable diction—not overlooking the humorous char-

MISTER, WHICH WAY TO EASY STREET ?

WELL, THERE ARE A COUPLE of short cuts, but a lot of them pass through bad neighborhoods, and it's awfully easy to get lost.

But there's one route that's good and straight, and leads right where you want to go.

Here's how to get on it...

If you're employed by a firm, you can sign up on your company's Payroll Savings Plan. They'll see that you pile up bonds just as fast as you like.

You'll be surprised how easy and painless an operation it is—and you'll be amazed how soon you'll find yourself going along in the right direction.

Or, if you're not on a payroll, your bank has the equally simple Bond-A-Month Plan, that brings you a bond every month, charging the cost to your account.

Then, in just ten years, when your bonds pay you back four dollars for every three, you'll know that Easy Street isn't very far away. You can't miss it.

What's that? Oh... you're welcome.

Automatic saving is sure saving — U.S. Savings Bonds
